The Company has also arranged for physical voting through ballot or polling paper at the AGM for the members who have not cast their vote through remote e-voting.

30. PROCEDURE FOR REMOTE E-VOTING:

The instructions of shareholders for remote voting are as under:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Friday, September 12th, 2025 at 09.00 AM (IST) and ends on Sunday, September 14th, 2025 at 5.00 PM (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Monday, September 08th, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. Explanatory statement pursuant to section 102 of the Companies Act, 2013**ITEM NO. 3:**

Pursuant to the recommendation of the Nomination and Remuneration Committee, the Board of Directors ("the Board") of the Company at its meeting held on 06th August, 2025, appointed Mr. Ramawatar Yadav (DIN: 11189570) as Additional Director in the category of Non-Executive Independent Director w.e.f. 06th August, 2025 under Sections 161 and 149 of the Companies Act, 2013 ("the Act") read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In terms of Section 161(1) of the Act, an Additional Director shall hold office upto the date of next Annual General Meeting. Considering his knowledge, skills and experience, the Board of Directors, has recommended/approved the appointment of Mr. Ramawatar Yadav as an Independent Director of the Company for a term of five years with effect from 06th August, 2025 to 05th August, 2030 on such terms and conditions including remuneration by way of profit related commission determined/to be determined by the Board..

The Company has received a notice in writing pursuant to Section 160 of the Act from a Member proposing his candidature for the appointment as an Independent Director of the Company. The Company has received a declaration from Mr. Ramawatar Yadav confirming that he meets the criteria of independence under the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, the Company has also received his consent to act as a Director in terms of section 152 of the Companies Act, 2013 and a declaration that he is not disqualified from being appointed as a Director in terms of Section 164 (2) of the Companies Act, 2013 and not debarred from holding office of director pursuant to any SEBI order. In the opinion of the Board, Mr. Ramawatar Yadav fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for his appointment as an Independent Director of the Company and he is independent of the management. The Board recommends the Special Resolution, set out at Item No. 3 of the Notice, for the approval of the shareholders.

The brief profile, specific areas of his expertise and other information as required under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with applicable Secretarial Standard is provided at the end of the notice. The terms and conditions of appointment of Director would be available for electronic inspection between 11.00 A.M. to 06.00 P.M. (IST) on all working days of the Company, upto the date of 45th Annual General Meeting. Members seeking to inspect such document can send an E-mail to info@bajoriagroup.in.

No Director, Key Managerial Personnel and their relatives, except appointee himself, is in any way, concerned or interested in the resolution.

2. Performance Review and State of Company's Affairs

The company was mainly engaged in the business of manufacturing and selling LPG Cylinders, Valves & Regulators and rendering refilling services of LPG Gas. Over the past years, the Company's financial performance has drastically been impacted due to certain factors viz pandemic crisis and oil company's unsupportive policies. This resulted in low production and Company have incurred heavy losses. To mitigate the working capital requirement, Board of Directors of the Company had decided to infuse the funds by selling some of its investments during the past years. .

The Company's business was operating under challenging environment during the past years due to various macro-economic factors as mentioned above. Apart from that the high cost of raw material and its supplies and the high Interest Cost were also the factors which lead reduction in borrowing powers of the Company and Banks had reduced the working capital exposure of the Company due to downward performance of the Company. Considering all the above factors and challenges which were beyond the control of Company despite several attempts to turn it around, the management had decided not to incur continued operational losses and decided to close its manufacturing operations at its unit located at SP - 825, Road No. 14, V K I Area, Jaipur - 302013.

The Company's manufacturing unit has been closed with effect from 09th December, 2022. The Plant and Machinery of the Company were getting obsolete with the period of time and not yielding any benefit to the Company. Accordingly, to reduce the interest cost and to pay off its creditors, the substantial Plant and Machinery of the Factory Situated at SP-825, Road No. 14, VKI Area, Jaipur-302013 were disposed off.

The highlights of the Company's performance are as under:-

Total income for the FY 2024-25 under review was Rs. 91.60 Lakhs as against Rs. 100.46 Lakhs in the previous FY 2023-24. The loss before tax for the FY 2024-25 is Rs. -147.46 Lakhs as against loss of Rs. -69.68 Lakhs in the previous FY 2023-24. The loss after tax for continued operations is Rs. -86.37 Lakhs for the FY 2024-25 as against Loss of Rs -72.46 Lakhs in the previous FY 2023-24. The loss stood after tax for discontinued operations is Rs. -24.53 Lakhs for the FY 2024-25 as against loss of Rs. -64.62 Lakhs in the FY 2023-24. The combined loss after tax for continued and discontinued operations is Rs. -110.90 Lakhs for the FY 2024-25 as against loss of Rs. -137.08 Lakhs in the previous FY 2023-24.

3. Operations

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management presents its analysis report covering performance and outlook of the Company. The report has been prepared in compliance with corporate governance requirements as laid down in the listing agreement. The management accepts responsibility for the integrity and objectivity of the financial statement. However, investors and readers are cautioned that this discussion contains certain forward looking statements that involve risk and uncertainties.

1. INDUSTRY STRUCTURE AND DEVELOPMENT

The company was mainly engaged in the business of manufacturing and selling LPG Cylinders, Valves & Regulators and rendering refilling services of LPG Gas. The Company's financial performance had started dropping 4-5 years ago. The working of our company was adversely affected in previous 5 years due to Covid 2019 and oil company's unsupportive policies. The Production of the Company got down which resulted heavy losses and working capital of company was eroded. To come over this situation, and to meet working capital requirement the company infused some funds by selling its investments during the financial year 2021-22. The Business was operating under challenging environment due to various factors such as high cost of raw material /supplies, high Interest Cost and the banks reducing the borrowing powers and then stopping abruptly funding of the working capital which led to negative performance of the Company.

2. OPPORTUNITIES AND THREATS

Considering the unsatisfactory performance of the Cylinder and Valves & Regulators Unit with continued operational losses in spite of attempts to turn it around, making it unviable to continue running the Units and due to paucity of funds to run the manufacturing unit and challenges being faced by the management in running the business and the operations of the Company, the board of director of the Company considered and approved the proposal for closure of operations at the Company's manufacturing unit located at SP – 825, Road No. 14, V K I Area, Jaipur -302013. The LPG Gas Filling Plant which was non-core additional activity of the Company given on Job work Basis to third party was also disposed during FY 2020-21. The Company's manufacturing unit has been closed from 09th December, 2022. Accordingly the Company did not carry any manufacturing activities during the FY 2024-25.

The Company has not come across any suitable business opportunity yet to start a new business and still in process to appoint a consultant for setting up a new business.

3. SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The Performance of the company during the year is as under: -

(Rs. in lakhs)

PARTICULARS	2024-25	2023-24
PBDAT	(119.00)	(43.39)
Profit After Depreciation	(147.46)	(69.68)
Profit After Tax	(86.37)	(72.46)

Note: Net Profit/ (loss) have been taken only from continuing operations. Net Profit/ (loss) from discontinued business have not been considered.

During the year under review there was no production of cylinders, regulators and valves as manufacturing unit of the Company remained closed during FY 2024-25. Accordingly, there was no sale and Company did not earn any revenue from operations.

4. OUTLOOK

The Company's manufacturing unit has been closed with effect from 09th December, 2022. Plant and Machinery of the Factory Situated at SP-825, Road No. 14, VKI Area, Jaipur-302013 was disposed off in one and more tranches and the company is in process to appoint a consultant for setting a new project.

5. OPERATIONAL & FINANCIAL OVERVIEW

Total income for the FY 2024-25 under review was Rs. 91.60 Lakhs as against Rs. 100.46 Lakhs in the previous FY 2023-24. The loss before tax for the FY 2024-25 is Rs. -147.46 Lakhs as against loss of Rs. -69.68 Lakhs in the previous FY 2023-24. The loss after tax for continued operations is Rs. -86.37 Lakhs for the FY 2024-25 as against Loss of Rs -72.46 Lakhs in the previous FY 2023-24. Net Profit/ (loss) have been taken only from continuing operations. Net Profit/ (loss) from discontinued business have not been considered.

6. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The internal control framework is designed to ensure proper safeguarding of assets, maintaining proper accounting records and providing reliable financial information and other data. This system is supplemented by internal audit, reviews by the management, guidelines and procedures. The Company has adequate internal control system to safeguard the company's assets from any loss or damage, to control cost, prevent revenue loss and required financial and accounting controls and to effectively implement the applicable accounting standards. During the year under review, S.S. Surana & Co. (FRN: 001079C), were engaged as Internal Auditors of the Company. Internal auditor evaluated the functioning and quality of internal controls and provided assurance of its adequacy and effectiveness through periodic reporting. Internal audit was carried out as per internal audit plan, which was reviewed by the Audit Committee of the Company. The Company intends to undertake further measures as necessary in line with its intent to adhere to the procedures, guidelines and regulations, as applicable, in transparent manner.

To maintain its objectivity and independence, auditor directly reports to the Chairman of the Audit Committee of the Company. Further, the Statutory Auditors have also, in compliance with the requirements of the Companies Act, 2013, issued an opinion with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls details of which may be referred to in the Auditor's Report attached to the Audited Financial Statements for the Financial Year 2024-25.

7. RISKS AND CONCERNS

The management continues to monitor the risks concerning the company and take actions as appropriate to the situation. The company is exposed to credit risk, liquidity risk, market risk and commodity risk. The company has a risk management policy which covers risks associated with the financial assets and liabilities. The company's risk management is managed in close cooperation with the Board of Directors and focus is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the company. The Audit Committee has also been delegated the responsibility for monitoring and reviewing risk management, assessment and minimization procedures, developing, implementing and monitoring the risk management plan and identifying, reviewing and mitigating all elements of risks which the Company may be exposed to. The Board also reviews the risk management assessment and minimization procedures.

The company has closed the operations at the Company's manufacturing unit located at SP – 825, Road No.14, VKI Area, Jaipur -302013 w.e.f 9th December, 2022 due to unsatisfactory performance of the company with continued operational losses. The company has disposed off substantial Plant & Machinery in one or more tranches. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, The Company is in process to appoint a consultant for setting up a new business.

8. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

As on March 31, 2025, the company had 11 permanent employees at its administrative office. There were no Contract labour for manufacturing activity employed after 9th December, 2022 due to inoperative manufacturing unit. The company have strong, motivated and dedicated team of employees who is working continuously with great zeal and enthusiasm towards the growth of the company and hence, as a token of gratitude, the Directors wish to express their sincere appreciation to all the employees for their support, co-operation and dedicated services. During the earlier years after the closure of manufacturing unit, the Company has reduced its Human Power as the Company has closed its operations. Your Directors express their inability to retain the employees due to the adverse and negative circumstances. The Company believes that its dedicated and motivated employees are its greatest asset. The Company till now has offered healthy work environment and the employee performances are recognized through a planned reward and recognition Programme.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
RAJASTHAN CYLINDERS AND CONTAINERS LIMITED

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of **RAJASTHAN CYLINDERS AND CONTAINERS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind-AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, and its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- (i) The interest payable u/s 16 of MSMED Act, 2006 on overdue amount of trade payable to micro enterprises and small enterprises has not been ascertained and not provided for. (Refer Note No. 19).
- (ii) The Balances of Trade payables, Financial Assets (including employee's advances), Advances including advance to suppliers, Loans given, interest receivable on loans and Unsecured Loans taken are subject to confirmation and consequential adjustments, if any (Refer Note No. 35)
- (iii) The Company has recognized deferred tax assets amounting to Rs. 609.57 Lakhs as on 31st March 2025, which includes deferred tax assets on carried forward unused tax losses and other taxable temporary differences on the basis of expected availability of future taxable profits for utilization of such deferred tax assets. However, in view of the history of losses recorded by the Company and no operational segment, we are unable to comment on any adjustments that may be required to the carrying value of aforesaid net deferred tax assets as at 31st March, 2025 (Refer Note No 6)

Had the impact of above qualification in Para (iii), without considering Para (i and ii) for which impact could not be determined, been considered, the total comprehensive income for the year would have been Rs. -712.65 Lakhs as against the reported figure of Rs. -103.08 Lakhs, other equity would have been Rs. 567.99 Lakhs as against the reported figure of Rs. 1177.56 Lakhs and Deferred Tax Assets would have been Rs. Nil as against the reported figure of Rs. 609.57 Lakhs.

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Material Uncertainty related to Going Concern

We draw attention to Note 36 of the Financial Statement which indicates that the Company has closed its manufacturing operations due to unsatisfactory performance of the company and continued operational losses. The company has disposed off its Plant & Machinery in one or more tranches. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, consent of Board of Directors is accorded to appoint a consultant for setting a new project, hence, the financial statements have been prepared on going concern basis.

Key Audit Matters

Key Audit Matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the "Basis for Qualified Opinion" section, we have determined the matters described below to be the key audit matters to be communicated in our report-

S.No.	Key Audit Matters	How our audit addressed the key audit matter
1.	<p>Assessment of Contingent Liabilities</p> <p>The Company is subject to a number of legal, regulatory, arbitration and tax cases for which final outcome cannot be easily predicted and which could potentially result in significant liabilities.</p> <p>The assessment of whether a liability is recognised as a provision or disclosed as a contingent liability in the financial statements is inherently subjective and requires significant management judgement in determination of the cash outflows from the business, interpretation of applicable laws and regulations, and careful examination of pending assessments at various levels of regulatory authorities.</p> <p>We identified this as a key audit matter because the estimates on which these amounts are based involve a significant degree of management judgement in interpreting the cases and it may be subject to management bias.</p> <p>(Refer note no. 34 and Point No. 2.15 of the Material Accounting Policy to the Financial Statements).</p>	<p>Principal Audit Procedures</p> <p>We have adopted the following audit procedures</p> <ul style="list-style-type: none"> • Understood and tested the design and operating effectiveness of controls as established by the management for obtaining all relevant information for pending litigation cases • Discussed with the management any material developments and latest status of legal matters at the corporate office. • Read various correspondences and related documents pertaining to litigation cases and performed substantive procedures on calculations supporting the disclosure of contingent liabilities Assessed the adequacy and completeness of disclosures. Based on the above procedure performed, the estimations and disclosure of contingent liabilities are considered to be adequate and reasonable.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Annual Report, and the information included in the Directors' Report including Annexures, Management Discussion and Analysis and other company related information (but does not include the Financial Statements and our auditor's report thereon), which are expected to be made available to us after the date of this auditors' report.

Our opinion on the Financial Statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read such other information, as and when made available to us and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions, if required. As we have not received the other information identified above till the date of our audit, we are not able to comment on the same.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibility for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The comparative financial statements for the year ended 31st March 2024 included in the Standalone financial statements have been audited by the predecessor auditor whose report on the comparative financial statements dated 29th May 2024 expressed a modified opinion.

Our report is not modified in respect of above matters.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the "**Annexure A**", a statement on the matters specified in Paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, based on our audit we report that:
 - (a) We have sought and, except for the effects of matters described in the Basis of Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) Except for the effects of matters described in the Basis of Qualified Opinion paragraph, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other Comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
- (d) Except for the effects of matters described in the Basis of Qualified Opinion paragraph, in our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- (e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) The qualification relating to the maintenance of account and other matters connected there with are as stated in the 'Basis for Qualified Opinion' paragraph.
- (g) With respect to the adequacy of the internal financial controls over financial reporting with reference to the financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a modified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- (h) With respect to the matter to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March 2025 on its financial position in its financial statements - Refer Note 34 to the financial statements;

Annexure “A” forming part of the Independent Auditors’ Report of Rajasthan Cylinders and Containers Limited

Referred to in paragraph under the heading “Report on other legal and regulatory requirements” of our Report of even date to the members of Rajasthan Cylinders and Containers Limited on the financial statements for the year ended 31st March 2025;

i. In respect of the Company’s Property, Plant and Equipment and Intangible assets:-

(a)	(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. (B) The Company has maintained proper records showing full particulars and relevant details of Right-of-use assets.					
(b)	As explained to us, the company has a phased program for physical verification of Property, Plant and Equipment and Right-of-use Assets. In our opinion, the frequency of verification is reasonable, considering the size of the company and nature of its Property, Plant and Equipment and Right-of-use Assets. Pursuant to the program, physical verification has been carried out during the year and no material discrepancies were noticed on such verification.					
(c)	According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in the favour of the lessee) are held in the name of the Company except for the following:					
	Description of Property	Gross Carrying Value (Rs. in lakhs)	Held in name of	Whether promoter, director or their relative or employee	Period Held Since	Reasons for not being in the name of the company
	Flat No. ACR 2 & 3, Road No 9A, VKIA, Jaipur	9.66	M/s Rajasthan Synthetic Industries Limited	No	31-07-2009	The seller was allotted these flats by RIICO, but could not get title deed (lease agreement). However, the said flats have been sold through registered sale agreement.
(d)	The Company has not revalued any of its Property, Plant and Equipment (including right-of- use assets) and intangible assets during the year. Accordingly provisions of clause 3(i)(d) is not applicable.					
(e)	Based on the information and explanations furnished to us, no proceedings have been initiated during the year or are pending against the Company as at 31 st March, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and Rules made thereunder.					
ii. (a)	The inventories lying at its location has been physically verified by the management at reasonable intervals during the year, except for goods in transit and those lying with third parties. In our opinion and according to the information and explanation given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the company and the nature of its operation. Management has not found discrepancies of 10% or more in the aggregate for each class of inventories on such physical verification of inventories when compared with books of account.					

(b)	According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital limits in excess of Rs. 5 crore, in aggregate, from banks or financial institutions on the basis of security of current assets, and hence reporting under clause (ii)(b) of the Order is not applicable.																										
iii.	According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the Company has not made any investments in, provided any guarantee or security to companies, firms, limited liability partnerships or any other entity. However, the Company has granted loans and advances in the nature of loans to companies, firms, limited liability partnership and other parties during the year.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT OF RAJASTHAN CYLINDERS AND CONTAINERS LIMITED

Referred to in paragraph under the heading of "Report on other Legal & Regulatory Requirements" of our report of even date to the Members of Rajasthan Cylinders and Containers Ltd. on the standalone financial statement for the year ended March 31st 2025;

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Rajasthan Cylinders and Containers Limited ("the Company") as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Qualified Opinion

According to the information and explanation given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2025:

1. The company's internal financial control were not operating effectively in respect of assessing interest payable under MSMED Act, 2006 and other disclosures of trade payable to micro enterprises and small enterprises has not been ascertained and not provided for which could potentially result in company not recognizing possible interest on this account.
2. The company's internal financial controls were not operating effectively in respect of balance confirmation of Trade payables, Financial assets (including employee's advances), Advances including advance to suppliers, Loans given and Unsecured Loans taken.
3. The Company has recognised deferred tax assets amounting to Rs. 609.57 Lakhs as on 31 March 2025, on the basis of expected availability of future taxable profits for utilization of such deferred tax assets. However, in view of the history of losses recorded by the Company and no operational segment, we are unable to comment on any adjustments that may be required to the carrying value of aforesaid net deferred tax assets as at 31 March 2025.

Material weakness is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, except for the possible effects of the material weaknesses described above and on the achievement of the objectives of control criteria, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2025 and these material weaknesses have affected our opinion on the financial statements of the Company and we have issued a qualified opinion on the financial statements.

NOTES TO THE STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

Note 1	<p>COMPANY INFORMATION</p> <p>Rajasthan Cylinders And Containers Ltd. is a public limited company incorporated on 24th December, 1980 having its registered office at SP-825, Road No.14 Vishwakarma Industrial Area, Jaipur, Rajasthan, India. The Company Corporate Identification Number is L28101RJ1980PLC002140. The shares of the company are listed on BSE Ltd. The company manufactures and sells mainly LPG Cylinders, Valves & Regulators. However, operation of manufacturing has been closed and plants and equipments have been disposed off.</p>
Note 2	<p>MATERIAL ACCOUNTING POLICIES</p>
2.1	<p>Basis of Preparation of Accounts</p>
2.1.a	<p>The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under section 133 of the companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.</p>
2.1.b	<p>The financial statements are prepared and presented on accrual basis and under the historical cost convention, except for the following material items that have been measured at fair value as required by the relevant Ind AS:</p> <ul style="list-style-type: none"> (i) Financial instruments measured at fair value through Profit and Loss. (ii) Financial instruments measured at fair value through other comprehensive income. (iii) Defined benefit plans measured at fair value through other comprehensive income.
2.2	<p>Recent Accounting Developments</p> <p>The following Indian Accounting Standards have been modified on miscellaneous issues with effect from April 1, 2023. Such changes include clarification/ guidance on:</p> <ul style="list-style-type: none"> a. Ind AS 107 – Financial Instruments: Disclosures– Information about the measurement basis for financial instruments shall be disclosed as part of material accounting policy information. b. Ind AS 1 – Presentation of Financial Statements – Material accounting policy information (including focus on how an entity applied the requirements of Ind AS) shall be disclosed instead of significant accounting policies as part of financial statements. c. Ind AS 8 – Accounting policies, changes in accounting estimate and errors – Clarification on what constitutes an accounting estimate provided. d. Ind AS 12 – Income Taxes – In case of a transaction which give rise to equal taxable and deductible temporary differences, the initial recognition exemption from deferred tax is no longer applicable and deferred tax liability & deferred tax asset shall be recognized on gross basis for such cases. <p>None of the above amendments had any material effect on the company's financial statements, except for disclosure of Material Accounting Policies instead of Significant Accounting Policies in the Financial Statements.</p>
2.3	<p>Functional and Presentation Currency</p> <p>The financial statements are prepared in Indian Rupees ("INR") which is the Company's presentation currency and the functional currency for all its operations. All financial information presented in INR has been rounded to the nearest lakhs with two decimal places unless stated otherwise.</p>
2.4	<p>Use of Estimates and critical accounting judgments</p> <p>The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimate is revised and future periods affected.</p> <p>Critical estimates and judgments</p> <ul style="list-style-type: none"> i. Property , plant and equipment Useful lives of PPE is based on the life prescribed in Schedule II of the Companies Act, 2013. The Company reviews its estimate of the useful lives of PPE at each reporting date, based on the expected utility of the assets.

	<p>ii. Recognition of deferred tax assets The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.</p> <p>iii. Recognition and measurement of defined benefit obligations The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy.</p> <p>iv. Provisions and contingent liabilities The Company exercises judgment in measuring and recognizing provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.</p> <p>v. Fair Value Measurements Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.</p>
2.5	<p>Classification of Assets and Liabilities as Current and Non-Current All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realization in cash and cash equivalent, the Company has determined its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.</p>
2.6	<p>Revenue Recognition Revenue is measured based on transaction price received or receivable, net of returns and rebates. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity. Value added tax (VAT)/ Goods and Service tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.</p> <p>Sale of goods/ Other Operating Income Revenue from sale of products is recognised when the significant risks and rewards in respect of ownership of products are transferred by the Company as well as the controls on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.</p> <p>Interest income Interest income is recognised on time proportionate basis taking into account the amount invested and the rate of interest. For all interest bearing financial assets measured at amortised cost, interest income is recorded using the effective interest rate (EIR).</p> <p>Rendering of Services Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.</p> <p>Dividend income Dividend income from investments is recognised when the shareholder's right to receive payment has been established.</p> <p>Rental Income Rental income is recognised on accrual basis in accordance with agreement.</p>
2.7	<p>Inventories Raw Material, Stores & Spares including packing material, Work In Progress, Finished Goods and Scrap are valued at the lower of cost and net realisable value. Cost is determined on weighted average basis.</p>

	<p>In respect of Raw materials, Stores & Spares including Packing material: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.</p> <p>In respect of Finished goods and work in progress: Cost includes cost of materials, labour and those overheads that have been incurred in bringing the inventories to their present location and condition.</p> <p>Net realisable value is the price at which the inventories can be realised in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.</p>
2.8	<p>Property, Plant & Equipment</p> <p>Property, plant and Equipment are initially recognized at cost including the cost directly attributable for bringing the asset to the location and conditions necessary for it to be capable of operating in the manner intended by the management. After the initial recognition the property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. Any gain or loss on disposal of an item of property, plant and equipment is recognized in the statement of profit and loss.</p> <p>Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.</p> <p>The Company has opted for an exemption provided by the Indian Accounting Standard (Ind AS)-101. Accordingly the carrying value for all Property, plant and equipment recognized in the financial statements, as at the date of transition to Ind AS i.e. 01.04.2016 measured as per previous GAAP and use that carrying value as deemed cost of Property, plant and equipment.</p> <p>Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date and allocated to respective property, plant and equipment on completion/erection.</p> <p>Depreciation</p> <p>Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on PPE has been provided, pro rata for the period of use, on straight line method over the useful lives of the property, plant & equipment as prescribed in Schedule II of the Companies Act, 2013.</p> <p>The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Profit and loss on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.</p>
2.9	<p>Leases</p> <p>The Company has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17.</p> <p><u>As a lessee</u></p> <p>The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.</p> <p>The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.</p> <p>The lease liability, if any, is initially measured at the amortised cost at present value of future lease payments discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate.</p> <p>Depreciation on Right-of-use Asset has been provided using Straight line method over their useful lives or lease period, whichever is lower. Interest Expense on Lease Liabilities are provided using discount rate used to determine Lease Liabilities. Depreciation and Interest expenses are recognised in the Statement of Profit and Loss.</p>

	<p><u>Short-term leases and leases of low-value assets</u> The company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.</p> <p><u>As a lessor</u> Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term. The respective leased assets are included in the balance sheet based on their nature. However, there are no assets which are given on lease as a lessor.</p>
2.10	<p><u>Impairment of Non Financial Assets</u> The Property, Plant and Equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.</p> <p>For the purposes of assessing impairment, the assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment loss are reviewed for possible reversal of impairment at the end of each reporting period. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.</p>
2.11	<p><u>Financial Instruments</u> A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.</p>
2.11.1	<p><u>Financial Assets</u></p> <p><u>Initial Recognition and Measurement</u> Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in the Statement of Profit and Loss</p> <p><u>Subsequent Measurement:</u> The financial assets, other than equity instruments, are subsequently classified under one of the following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.</p> <p>i) Measured at amortised cost: A Financial asset is measured at the amortised cost if both the following conditions are met: (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and (b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding. After initial measurement, financial assets are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.</p> <p>ii) Measured at FVTOCI: Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets included within the FVTOCI category are measured at fair value with all changes recognized in the Other Comprehensive Income.</p> <p>iii) Measured at FVTPL: FVTPL is a residual category for financial assets. Any financial asset, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Financial asset included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.</p>

	<p>Equity Instruments measured at FVTOCI or FVTPL: All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and loss.</p> <p>Equity instruments measured at Cost: Equity investments in subsidiaries / joint ventures / associates are accounted at cost.</p> <p>Derecognition:</p> <ul style="list-style-type: none"> • A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when: <ul style="list-style-type: none"> i. The rights to receive cash flows from the asset have expired, or ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset. <p>Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.</p> <p>Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.</p> <p>Impairment of Financial Assets:</p> <p>In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:</p> <ul style="list-style-type: none"> i) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance. ii) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.
2.11.2	<p>Financial Liabilities</p> <p>Financial liabilities include long-term and short term loans and borrowings, trade and other payables and other eligible current and non-current liabilities.</p> <p>At initial recognition, Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss. Subsequent measurement of financial liabilities depends on the classification of financial liabilities.</p> <p>There are two measurement categories into which the company classifies its financial liabilities:</p> <ul style="list-style-type: none"> • Fair value through profit or loss (FVTPL): Financial liabilities are classified as at FVTPL when the financial liability is held for trading or it is designated as at FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in profit or loss.

	<ul style="list-style-type: none"> • Amortised cost: Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance Costs' line item. <p>Derecognition of financial liabilities: A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of profit and loss.</p>
2.11.3	<p>Offsetting of financial instruments Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.</p>
2.12	<p>Foreign currency transactions and translation Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit and loss.</p> <p>Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.</p>
2.13	<p>Employee Benefits Short Term Employee Benefits Short term employee benefits consisting of wages, salaries, social securities contributions, ex-gratia and accrued leave, are benefits payable & recognised in twelve months. Short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised undiscounted during the year as the related service are rendered by the employee.</p> <p>Defined contribution plans Defined contribution plans Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.</p> <p>Defined benefit plans The liability recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The company does not have any plan assets or made any contributions for defined benefits plan. The defined benefit obligation is determined at the year end by independent actuary using the projected unit credit method.</p> <p>Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/ (asset) is treated as a net expense within employment costs. Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined-benefit obligation as reduced by the fair value plan assets.</p> <p>Compensated absences: Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised based on actuarial valuation at the present value of the obligation as on the reporting date.</p>

	As required by Ind AS 19 'Employee Benefits', the discount rate used to arrive at the present value of the defined benefits, obligations is based on the Indian government security yields prevailing as at the Balance Sheet date that have maturity date equivalent to the tenure of the obligation.
2.14	<p>Taxes on Income</p> <p>Tax expense comprises current and deferred tax. It is recognised in Statement of profit and loss except to the extent it relates to the items recognised directly in equity or in OCI.</p> <p>Current tax</p> <p>Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.</p> <p>Current tax assets and liabilities are offset only if:</p> <p>(a) There is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income tax levied by the same taxation authority.</p> <p>(b) There is intention either to settle the asset and liability on a net basis.</p> <p>Deferred Tax</p> <p>Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.</p> <p>The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.</p> <p>Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognised in correlation to the underlying transaction either in statement of profit and loss, other comprehensive income or directly in equity as applicable. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and when the deferred tax balances relate to the same taxation authority.</p>
2.15	<p>Provision, Contingent Liabilities & Contingent Assets</p> <p>Provisions are recognised when the Company has a present obligation as result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made. A disclosure for contingent liability is made when there is a possible obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates. Contingent assets are neither recognised nor disclosed in financial statements. However, when the realization of income is virtually certain, then the related asset is not a contingent assets and its recognition is appropriate.</p> <p>If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate, the risks specific to the liability.</p>
2.16	<p>Discontinued Operations</p> <p>Discontinued operation is a component of the Company that has been disposed of or classified as held for sale and represents a major line of business.</p> <p>Non-current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.</p> <p>Non-current assets and disposal groups classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.</p>

	<p>The company has closed its manufacturing operations due to unsatisfactory performance of the company and continued operational losses. The company has disposed off its Plant & Machinery in one or more tranches. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, consent of Board of Directors is accorded to appoint a consultant for setting up a new business and the company is in process of appointment of a consultant for setting a new project, hence, the financial statements have been prepared on going concern basis.</p>
2.17	<p>Segment Reporting</p> <p>An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available.</p> <p>Operating segments are reported in a manner consistent with the internal reporting provided to the chief decision maker being MD of the company. The MD assesses the financial performance and the position of the company as a whole, and strategic decisions.</p> <p>The Company has discontinued its operations hence there is no separate reportable business of geographical segments as per IAS 108 "Operating Segments"</p>
2.18	<p>Earnings Per Share</p> <p>Basic earnings per Share</p> <p>Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.</p> <p>Diluted earnings per share</p> <p>Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.</p>
2.19	<p>Cash Flow Statement</p> <p>Cash flows are reported using the indirect method, as set out in Ind AS 7 'Statement of Cash Flows', whereby profit/(loss) before tax for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.</p>
2.20	<p>Cash and Cash Equivalents</p> <p>For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheque on hand, balance with bank on current account and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.</p>
2.21	<p>Government Grants</p> <p>Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grant will be received.</p> <p>Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.</p>
2.22	<p>Borrowing Costs</p> <p>General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.</p> <p>The borrowing costs other than attributable to qualifying assets are recognised in the profit or loss in the period in which they incurred.</p>

2.23	<p>Fair Value Measurement</p> <p>The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.</p> <p>All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <p>Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities</p> <p>Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.</p> <p>Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.</p>

The Balances of Trade Payable, Financial Assets (Employees Advances), advances including advances to suppliers, Loans given, Interest receivable on loans and Unsecured Loan Taken are subject to confirmation and consequential adjustment if any.

Note '36': MATERIAL UNCERTAINTY

The company has closed the operations at the Company's manufacturing unit located at SP – 825, Road No.14, V K I Area, Jaipur -302013 w.e.f 9th December, 2022 due to unsatisfactory performance of the company with continued operational losses. The company has disposed off substantial Plant & Machinery in one or more tranches. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, consent of Board of Directors is accorded to appoint a consultant for setting up a new business and the company is in process of appointment of a consultant for setting a new project, hence, the financial statements have been prepared on going concern basis.

Note '37': LEASES

Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at an amount equal to the lease liability recognized.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
4. Applied the practical expedient to grandfather the assessment of which transactions are leases.

Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

The weighted average incremental borrowing rate applied to lease liabilities is 9.85 % p.a.

Changes in the carrying value of right to use assets are stated in Note No. 3(ii)

Note 43: FINANCIAL INSTRUMENTS**i. Fair Value Hierarchy**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are whether observable or unobservable and consists of the following three levels:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2: Inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. prices) or indirectly (i.e. derived from prices).

Level 3: Inputs are not based on observable market data unobservable inputs. Fair value are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025

The investment included in Level 3 of fair value hierarchy has been valued using the cost approach to arrive at their fair value. The cost of unquoted investment approximate the fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2025**Note '44': CAPITAL AND FINANCIAL RISK MANAGEMENT****A CAPITAL RISK MANAGEMENT**

Equity share capital and other equity are considered for the purpose of Company's capital management. The Company's objective for capital management is to manage its capital to safeguard its ability to continue as a going concern, to provide returns to its shareholders, benefits to its other stakeholders and to support the growth of the Company. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investors, creditors and market confidence. The funding requirements are met through operating cash and working capital facilities availed from the banks.

The Company monitors capital using a ratio of net debt to equity. For this purpose, net debt is defined as total debt, comprising interest-bearing loans and borrowings less cash and cash equivalents.

The company's net debt to equity ratio is as follows:

	(Rs. in Lakhs)	
	As at 31 st March 2025	As at 31 st March 2024

B FINANCIAL RISK MANAGEMENT

The company is exposed to credit risk, liquidity risk, market risk and commodity risk. The company has a risk management policy which covers risks associated with the financial assets and liabilities. The company's risk management is managed in close cooperation with the Board of Directors and focus is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the company

i. Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The Company is exposed to credit risk mainly from trade receivables, other financial assets like security deposits, bank deposits and loans. Security deposits and bank deposits are mostly with banks, hence the company does not expect any credit risk with respect to these financial assets. Loans are given for business purposes and the company reassess the recoverability of loans periodically and interest recoveries from these loans are regular and there is no event of default. Trade receivables includes significant portion of dues from state government corporations, hence, probability of default is remote. Credit risk on trade receivables is managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The ageing of trade receivables at the reporting date are as follows:
