There were no material changes and commitments that have affected the financial position of the Company which have occurred between the financial year ended on 31st March, 2019 and the report dated 8th August, 2019.

21. Management Discussion and Analysis:

In terms of the provisions of Regulation 34 of the SEBI (Listing Obligations and Disclosures Requirements) Regulation 2015, the Management Discussion and Analysis has been given hereunder.

a. Industry Scenario/India key market trends :

Economic activity in Asia picked up speed, as exports to advanced economies deteriorated. Domestic demand has been consistent, and retail sales across much of Asia have been brisk. Exports, particularly to the United States, Middle East and the euro area, have relatively gained momentum. India is an emerging economy with sizeable untapped potential for rigid industrial packaging, especially in its main industrial centre's near the coast. Industrial packaging in India is expected to grow with 10% p. a. and will remain largely dominated by metal and plastic drums. India's industrial maturity is still relatively low and low-value; low-quality packaging will increasingly be replaced by rigid industrial packaging products. Thus, industrial packaging demand growth exceeds GDP and underlying industry forecasts. The need for rollable package products such as drums is partly influenced by the country's lack of a sufficient infrastructure network and easy ways for transportation.

As explained in the inception, the Indian packing industry as a whole, is expected to fare well with the encouraging support of the Government.

b. Opportunities and Threats :

Your Company operates in such an area where a large market exists but with huge competition. Your Company's products are well-received in the market. However, the Company has been through different marketing initiatives carving its way with moderate success.

c. Outlook :

Your Directors are well aware of the competition by manufacturers and prevailing scenario and have created a strategy to overcome this difficulties.

In view of inflationary trend and keen competitions prevailing in the market, your Directors feel the performance of the Company has been reasonably good. Your Directors are also aware of the fact that Indian Packing industry is highly potential to growth but competitive and fragmented.

The management is conscious about the changing scenario in industry and review take place regularly.

d. Risks and concerns:

i. Macro-economic risks: Risks emanating from changes in the global markets such as the recent financial meltdown, regulatory or political changes, Steel Price Fluctuations and alterations in the competitive landscape could affect the Company's operations and outlook. Any adverse movements in economic cycles in the Company's target markets could have a negative impact on the Company's performance. This risk is mitigated to some extent due to the Company's presence in multiple, diverse markets.

ii. Risk related of Raw Materials: Risks associated with key procurement relationships include:

- a. the availability of raw materials, more particularly iron & Steel;
- b. the price of raw materials may be subject to material changes in worldwide Pricing levels;
- c. input costs such as freight and electricity may be inconsistent or prices may increase; and
- d. key supplier relationships may be lost or impaired, contracts renewed on less favorable terms or key suppliers may cease or reduce their operations.

INDEPENDENT AUDITOR'S REPORT

To,
To the Members of
GUJARAT CONTAINERS LIMITED

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying standalone financial statements of GUJARAT CONTAINERS LIMITED ("the Company") which comprise the Balance sheet as at 31 March 2019 the Statement of Profit and Loss (including Other Comprehensive Income), the Cash flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013('the Act') in the manner so required and give a true and fair view in conformity with the [Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Revenue recognition and Measurements.</p> <p>Refer to Note 2 (e) (Accounting policies) for revenue recognition and measurement, Note 23 of the Standalone Financial Statements for aggregate revenue from sale of goods recognised as required by the applicable Ind AS. The Company recognises revenue from sale of goods when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and the products have been delivered to the customer.</p> <p>Amounts disclosed as revenue are net of customer returns, trade allowance, rebates, goods and services tax and amount collected on behalf of third parties.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Understood the Company's established processes and control mechanism for revenue recognition process, evaluated the key financial controls around such process. • Performed tests of details, on a sample basis, and inspected the underlying, sales order, invoice copy terms of delivery, lorry receipt, bill of lading, invoice, collection to assess whether revenue recorded is as per the contract. • Performed test of controls, over revenue recognition with specific focus on testing management controls on accuracy and timing of revenue recognition through inspection of evidence of performance of management controls. • Considered the appropriateness of the Company's revenue recognition accounting policies in terms of Ind AS 115. • Tested sales transactions near year end date as well as credit notes issued after the year end date. • Verified that the revenue for the year are appropriately presented and disclosed in the standalone Ind AS financial statements.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion

thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the companies Act, 2013("the Act") with respect to the preparation and presentation of these standalone financial statements of Company to give a true and fair view of the financial position and financial performance (including Other Comprehensive Income), cash flows and changes in equity of the company in accordance with the Ins AS and other accounting principles generally accepted in india. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe

these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such books and records of the company as we considered appropriate and according to the information and explanation given to us, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit. “ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE STANDALONE FINANCIAL STATEMENT OF GUJARAT CONTAINERS LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Gujarat Containers Limited (“the Company”) as of 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- Defined benefit plans – plan assets measured at fair value.

iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

b) Use of Estimates

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

c) Property, plant and equipment**I. Tangible Assets**

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its tangible and intangible assets recognized as of April 1, 2016(transition date) measured as per the previous GAAP and use that carrying value as its deemed cost of the transition date.

Leasehold land having lease of 99 years or more is treated as free hold land which is carried at cost. All other items of Property, Plant and Equipment are recorded at their cost of acquisition, net of taxes, less accumulated depreciation and impairment losses, if any. The cost thereof comprises of its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost for bringing the asset to its working condition for its intended use.

Borrowing costs on Property, Plant and Equipment's are capitalised when the relevant recognition criteria specified in Ind AS 23 Borrowing Costs is met.

Significant spares which have a usage period in excess of one year are also considered as part of Property, Plant and Equipment and are depreciated over their useful life.

Decommissioning costs, if any, on Property, Plant and Equipment are estimated at their present value and capitalised as part of such assets.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values and useful lives of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Subsequent cost is included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset, is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

II. **Capital Work in Progress**

Cost of fixed assets not ready for use before the balance sheet date is disclosed as capital work in progress.

III. **Depreciation:**

The Company depreciated its property, plant and equipment over the useful life in the manner prescribed in Schedule II of the Companies Act 2013 for the proportionate period of use during the year. The depreciation on assets is provided on the straight-line method considering the useful life and residual value of respective asset. The residual values are not more than 5% of the original cost of the asset. Depreciation on assets purchased /installed during the year is calculated on a pro-rata basis from the date of such purchase / installation.

d) **Inventories**

Cost of Inventories have been computed to include all cost of Purchases, Cost of Conversion and other costs incurred in bringing the inventories to their present location and condition.

Inventories are valued at lower of cost or net realizable value using the First in First out (FIFO) basis.

e) **Revenue Recognition and measurement**

Effective April 1, 2018, the company has applied Ind AS 115 – Revenue from Contracts with Customers which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. Ind AS 115 replaces Ind AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the Company is insignificant.

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts and taxes, revenue from sale of goods is recognized on transfer of significant risk and rewards of ownership of products to the customers, which is generally on dispatch of goods.

Interest income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

f) **Leases**

A lease that transfers substantially all the risks and rewards incidental to ownership to the lessee is classified as a finance lease. All other leases are classified as operating leases.

Company as a lessee-

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in profit or loss as finance costs, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

Operating lease payments are generally recognised as an expense in the profit or loss on a straight-line basis over the lease term. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are also recognised as expenses in the periods in which they are incurred.

Company as a lessor-

Rental income from operating lease is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Initial direct costs incurred in negotiating and arranging an operating lease are added to the

carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

g) Taxation

Current Income Taxes:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred Tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

MAT Credit:

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognises MAT credit available as a deferred tax asset only to the extent that there is reasonable certainty that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. The MAT credit to the extent there is reasonable certainty that the Company will utilise the credit is recognised in the Statement of profit and loss and corresponding debit is done to the Deferred Tax Asset as unused tax credit.

h) Employee Benefits

Short term employee benefits:

Employee benefits payable wholly within twelve months of rendering the service the service are classified as short-term employee benefits and are recognized in the period in which the employee renders the related service.

Post-Employment benefits:

Defined benefit plans: All employees are covered under Employees' Gratuity Scheme, which is a defined benefit plan. The Company contributes to a fund maintained with Life Insurance Corporation of India (LIC) on the basis of the year-end liability determined based on actuarial valuation using the Projected Unit Cost Method. Re-measurement of the net defined benefit liability, which comprise actuarial gains/losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest) are recognized in Other Comprehensive Income. Net interest expense and other expenses related to defined benefit plans are recognized in the Statement of Profit and Loss.

As regards Leave Encashment, the company has made policy that all employee should avail the leave he or she is entitled and hence no provision is made for leave encashment.

Defined contribution plans: All employees are covered under contributory provident fund benefit of a contribution of 12% of basic salary. Contributions to defined contribution scheme is charges to the Statement of Profit and Loss of the year, on due basis. There are no obligations other than the contributions payable to the respective funds.

Long-term employee benefits: Provision for long-term employee benefits comprise of compensated absences. There are measured on the basis of year-end actuarial valuation in line with the Company's rules for compensated absences. Re-measurement gains or losses are recognized in profit or loss in the period in which they arise.

i) Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are considered as a part of cost of such assets less interest earned on the temporary investment. A qualifying asset is one that necessarily

takes substantial period of time to get ready for the intended use. All other borrowing costs are charged to Statement of Profit & Loss in the year in which they are incurred.

j) Provisions, Contingent Liabilities and Contingent Assets

Provisions

The Company recognizes a provision when: it has a present legal or constructive obligation as a result of past events; it is likely that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognized for future operating losses. Provisions are reviewed at each balance sheet and adjusted to reflect the current best estimates.

Contingent Liability and Contingent Assets

A contingent liability recognised in a business combination is initially measured at its fair value. Subsequently, it is measured at the higher of the amount that would be recognised in accordance with the requirements for provisions above or the amount initially recognised less, when appropriate, cumulative amortisation recognised in accordance with the requirements for revenue recognition.

A contingent assets is not recognised unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements. Contingent liabilities and contingent assets are reviewed at each balance sheet date.

Onerous Contract

A provision for onerous contracts is measured at the present value of the lower expected costs of terminating the contract and the expected cost of continuing with the contract. Before a provision is established, the Company recognizes impairment on the assets with the contract.

k) Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Profit and Loss Account. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

l) Earning Per Share

A) Basic earnings per share:

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

B) Diluted earnings per share:

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

m) Cash and cash equivalents

Cash and cash equivalents include cash at bank and deposit with banks having original maturity of not more than three months. Bank deposit with original maturity period of more than three months but less than twelve months are classified as other bank balances.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and fixed deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

n) Application of new and revised Ind AS's

All the Indian Accounting Standards ("Ind AS") issued and notified by the Ministry of Corporate Affairs are effective and considered for the significant accounting policies to the extent relevant and applicable for the Company except for:

Ind AS 116 – Leases: This Standard is effective for annual periods beginning on or after 1 April, 2019, The Company is in the process of identifying such lease contracts which will impact the financial statements upon initial application of this standard. Management does not estimate the impact of the same to be significant.
