Item No. 4

Shri P Veeraiah had been associated with the Company since December 5, 1998 when he was made the joint Managing Director of the Company. During his tenure he was actively involved in the operations of cement, sugar and power divisions. He had also contributed a lot to improve the functioning of the corporate office.

Consequent to the demise of Shri P Venkateswarlu, the founder Promoter and Managing Director of the Company, Shri P Veeraiah had been elevated to the position of Chairman and Managing Director w.e.f February 3, 2016. He was discharging the whole gamut of operational responsibilities relating to the entire company with grit and determination. This naturally involves assuming greater responsibilities including resolution of complex issues concerning the Company.

Presently he has been drawing a basic salary of ₹ 7.00 lacs per month in addition to allowances, perquisites, benefits and commission. Shri P Veeraiah drew a total Remuneration of Rs.129.94 lacs for the year ended 31st March 2018. He is holding 3493638 shares in the company.

The Board has taken into account the vast experience of Shri P Veeraiah in handling the affairs of Cement, Sugar and Power divisions. The Industrial parameters in respect of remuneration and compensation for heads of the organizations of similar sized companies with multi-product operations have also been considered by the Board.

The Board opines that the determination of remuneration of Shri P Veeraiah by the Nomination and Remuneration Committee, after due consideration of all relevant factors, is fair and appropriate and therefore recommends the same for approval of members. The details of remuneration are set out in the notice under item no.4.

Shri P Veeraiah is interested in the subject matter. Dr. P Anuradha, Chief Executive Officer and one of the Key Managerial Personnel is the wife of Shri P Veeraiah and therefore is deemed to be interested in the subject matter. None of the other Directors and key Managerial Personnel (KMPs) or their relatives is interested or concerned in this Resolution.

DIVIDEND

Your Directors are pleased to recommend for your consideration a Dividend of ₹ 3.00 per equity share for the year ended 31.03.2018 which aggregates to ₹ 233.22 lacs excluding dividend distribution Tax. Your directors felt that it shall be appropriate to recommend dividend at ₹ 3.00 per equity share at par with the dividend declared for the last year despite the fact that the financial performance of the company suffered a setback due to closure of cement plant for almost six months during the year under review.

TRANSFER OF PROFITS TO RESERVES.

The company has decided not to transfer any sum to reserves from out of the current year's profits. However a sum of ₹ 287.19 lacs was transferred to reserves from out of its profits in the preceding year.

TRANSFER TO INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

According to Section 205C of the Companies Act, 2013 read with Investor Education and Protection Fund (Awareness and Protection of Investors) Rules, 2001, the company has transferred unclaimed dividend amounting to ₹ 93,150 to the Investor Education and Protection Fund established by the Central government during the year under review. The said transfer is in respect of the unclaimed dividends for the financial year 2009-2010.

MATERIAL CHANGES AND COMMITMENTS

In terms of Section 134 (3) (I), of the Companies Act, 2013, there are no material changes and commitments affecting the financial position of the company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the Report except the revocation of closure directions issued by the pollution control authorities. The company has recommenced operations at its cement plant located at Dondapadu Village, Chintalapalem Mandal, Suryapet District, Telangana state on 19th April, 2018.

PUBLIC DEPOSITS

The company has not accepted any deposits during the year under review and there were no outstanding deposits as at the end of the year.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS / COURTS / TRIBUNALS

There are no significant and material orders passed by the Regulators or courts or tribunals in the year under review impacting the going concern status or company's operations in future.

RESIGNATION OF DIRECTOR

Shri C Madhusudana Rao, an Independent Director of the company has resigned from the directorship with effect from 24th July, 2017. The Board places on record its appreciation for the services rendered by Shri C Madhusudana Rao during his tenure.

DIRECTORS RETIRING BY ROTATION

In accordance with the provisions of the Companies Act, 2013, Shri J S Rao, Director retires by rotation at the ensuing Annual General Meeting and being eligible, offers himself for re-appointment.

The brief profile of Shri J S Rao, director who is seeking re-appointment at the ensuing Annual General Meeting is presented elsewhere in this Annual Report.

DEMATERIALISATION

As on 31st March, 2018, 73,56,514 shares were dematerialised with National Securities Depository Limited and Central Depository Services Limited which constitutes 94.64% of the shares of the company. Members may please note that it is a mandatory requirement that the company shall endeavour to ensure that at least 50% of the shareholding of the public shareholders is in the dematerialised mode.

The company, therefore, once again requests such of the public shareholders who have not yet dematerialised their shares to initiate immediate steps to complete the process of dematerialisation.

PERFORMANCE OF THE YEAR UNDER REVIEW

Cement Division:

During the year under review, the Cement Division has produced 1,64,207 MT as against 2,81,852 MT in the year ago period thereby registering a steep fall of 41.74% consequent to the closure of operations of the plant pursuant to the directions issued by CPCB New Delhi for not providing online connectivity to CPCB server.

The Cement Division has earned Profit Before Tax (PBT) of ₹ 4.81 crores in the year under review in comparison with ₹ 13.27 crores earned in the previous year. This works out to a fall of 63.75% over the previous year. The Company secured revocation order from CPCB and thereafter complied with other formalities and procedures. The power connection was restored and operations were restarted on April 19, 2018 in the cement plant.

Sugar Division:

The Sugar Division produced 1,52,074 Qtls in the year under review as against 2,44,290 Qtls in the previous year there by recording a significant decline of 37.75%. During the year under review, reorganization of zonal areas was effected by the department resulting in a very disadvantageous situation to the company as the plant has lost many productive areas. The inadequate availability of water sources has also impacted the cane production and by extension even the production of sugar to a significant level. The fluid situation in respect of the zonal allocation matter has also affected the cane development programmes of the cane growers.

Due to the cumulative factors cited above, the sugar division has clocked a turnover of ₹ 89.33 cores in 2017-2018 in comparison with ₹ 122.31 crores in the preceding year, thereby registering a decline of 26.96% over the year ago period. The sugar division recorded profit before tax (PBT) of ₹ 5.32 crores as against profit before tax (PBT) of ₹ 6.18 crores in the preceding year resulting in a decline of 24.11% in the year under review.

Power Division:

The Power Division has generated 2,44,04,891 KWH in 2017-18 as against 3,74,92,394 KWH of power in the preceding year thereby recording a decline of 34.91%. As has been stated in our earlier reports, the company has not been able to generate power during off-season period in the sugar division since the Government of Telangana has not been conceding to the request of the power entities to generate power using coal as an alternative fuel as a matter of policy. In view of this and coupled with lower quantum of crushing operations, the power division has generated lower number of units compared to the previous year. The shut-down of the operations in the cement division during October, 2017 to March, 2018 is another important factor for lower generation of power in the year under review.

In the circumstance therefore the power Division could earn a meagre Profit before tax (PBT) of ₹ 4.69 crores as against ₹ 25.68 crores in the previous year thus recording a decline of 81.73% for the year.

CURRENT YEAR OUTLOOK:

Cement Division:

In the year under review, the company has produced 1,64,207 MT only as against 2,81,852 M T produced in the preceding year there by recording a decline of 41.74%. This is consequent to the closure of operations of the plant pursuant to the directions issued by CPCB New Delhi for reasons stated in the preceding paras.

The company has set a target of its cement production at 1,75,000 M T in the current year considering the present scenario from various aspects.

Sugar Division:

Availability of adequate water is a crucial factor in the sugar cane development and in this connection, proper allocation of cane development areas to the company by the Director of Sugar and Cane Commissioner assumes paramount importance for the development of the sugar division.

As the company was deprived of many fertile areas apart from losing many mandals and villages consequent to the zonal allocation order issued by Director of Sugar and Cane Commissioner, Hyderabad, the company preferred an appeal before the Principal Secretary, Industries and commerce, Hyderabad. The company is still awaiting the outcome in this matter.

Taking into account the critical factors, your company has set a target of 1,00,000 MT of crushed cane in the current year.

Power Division:

The Company will make best endeavors to achieve enhanced level of power generation. However, since it is largely related to government policy and to various legal and administrative issues, a great deal of uncertainty still remains as a sour factor.

INSURANCE:

All the properties of the Company including its buildings, Plant and Machinery and Stocks wherever required have been adequately insured.

The Company has been making endeavors to protect the environment from the evil effects of pollution from time to time.

Planting of saplings and seedlings in and around the factories and colonies is being done on a continuous basis so as to develop green belt around the plant to improve the environment.

MANAGEMENT DISCUSSION AND ANALYSIS

a) Industry Structure and Development:

The company has a well developed net work of dealers for its cement plant located in the states of Telengana and Andhra Pradesh and the company therefore is in a reasonably comfortable position in securing orders from its clients. It is heartening to note that some of the dealers have been patronizing the company since inception and the strong bondage that is developed between the company and dealers is one of the prominent features of this mutually beneficial relationship.

As regards sugar division, good rainfall and availability of proper irrigation facilities will determine the fortunes of sugar industry, it being an agro-based industry.

b) Opportunities and Threats:

The company is desirous of reaping the benefits of its well positioned dealer net work across the states of Telengana and Andhra Pradesh in respect of its cement plant and will make every effort to overcome the bottlenecks in achieving the targeted operations in its cement plant .

The company will make its best endeavors in resolving the complicated issues in the sugar and power divisions through negotiations with governmental authorities and will also liaison with the legal advisers in respect of pending litigations concerning the power division.

c) Segment or product-wise performance:

Segment-wise and product-wise performance has been furnished elsewhere in this Report.

d) Outlook:

Division-wise outlook has been furnished elsewhere in this Report.

e) Risks and concerns:

The Cement, Sugar and Power industries being core industries, there is no risk of product obsolescence or steep fall in demand by way of product substitution or otherwise and, therefore, your Directors do not foresee any major risks and concerns in the near future except as discussed elsewhere in this Report.

However the company shall make its best efforts to position the machinery in all the divisions in robust condition so as to keep the bottlenecks at bay.

f) Internal control systems and their adequacy:

As stated elsewhere in this Report, the Company has adequate internal control systems and the Reports of Internal Auditors are being placed before the Audit Committee and corrective measures, if any, are being taken care of by the Company. The Chief Financial Officer will monitor the Internal audit Reports and brief the Audit Committee in case any deficiency in the system is noticed.

g) Financial Performance with respect to operational performance:

This has been discussed elsewhere in this Report.

h) Human Resource Development and Industrial Relations:

The company believes that the quality of its employees is the key to success and is therefore committed to provide necessary human resource development and training opportunities to equip employees with additional skills to enable them to adapt to contemporary technological advancements.

Industrial Relations during the year continued to be cordial through effective communication, meetings and negotiations with the work force.

The Company's strength consists of 787 employees directly and indirectly as on 31st March 2018.

i) Corporate Social Responsibility:

In compliance with Section 134(3) (a) of the Companies Act, 2013 read with the Companies Corporate Social Responsibility (CSR) policy Rules 2014, the company has established CSR Committee comprising of Shri K Venkat Rao as Chairperson, Shri P Veeraiah and Shri J S Rao as members. The committee is responsible for formulating and monitoring the CSR policy of the Company.

The annual report of CSR activities forms part of this Report. **(Annexure - 5)**

PARTICULRS OF LOANS, GUARANTEES OR INVESTMENTS UNDER SECTION 186 OF THE COMPANIES ACT, 2013.

There are no loans, guarantees or investments made or given under Section 186 of the Companies Act, 2013.

CAUTIONARY STATEMENT

Statements in this “Management Discussion and Analysis” may be considered to be “forward looking statements” within the meaning of applicable securities Laws or Regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company’s operations include global and Indian demand-supply conditions, finished goods prices, raw material availability and prices, cyclical demand and pricing in the Company’s markets, changes in Government Regulations, tax regimes besides other factors such as litigations and labour negotiations.

ACKNOWLEDGEMENT

Your Directors take this opportunity to place on record their sincere thanks to the Banks, the Transco Authorities of Telangana and Andhra Pradesh States and to various departments of the Central Government and the State Governments of Telangana and Andhra Pradesh for their support to the Industry.

The Directors thank the entire net work of dealers who have enabled the Company to achieve the volumes and kept up the rapport and friendly association with the company despite the fact that the company was under great stress on account of shut-down of its operations in the cement plant for a significant period in the year under review.

The Directors record their appreciation for committed support to the Company by all the employees at all levels throughout the year under reference.

The Directors record their gratitude to all the Shareholders who have been reposing confidence in the Company and its Management.

ANNEXURE – 3

Statement of particulars under section 197 of the companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

- (i) The ratio of the remuneration of each director to the median remuneration of the employees of the company for the financial year 2017-2018.

S. No.	Name of the Director	Ratio of the remuneration to the median remuneration of the employees.
1.	Shri P. Veeraiah (Chairman and Managing Director)	52.82:1

- (ii) The percentage increase in remuneration of Managing Director, Chief Financial Officer and Company Secretary in the financial year under review.

S. No.	Name of the Director	Percentage increase in remuneration
1.	Shri P. Veeraiah (Chairman and Managing Director)	(45.47%)
2.	Shri B K Prasad (General Manager and Company Secretary)	Nil
3.	Shri M Bhavani Dattu(Chief Financial Officer)	Nil

Non-Executive Directors are paid sitting fee in respect of the Board or Committee Meetings attended by them. No other Remuneration is paid to them.

- (iii) The percentage increase in the median remuneration of employees in the financial year 2017-2018 (6.11)
- (iv) The number of permanent employees on the rolls of company
517
- (v) Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration

The average increase in the remuneration for the employees is 3.67% excluding that of Key Managerial Personnel.

The Managing Director is the only whole-time director of the company. There is no increase in the remuneration of the Managing Director and in fact there is a decrease of (45.47%) over the previous year. This is due to shut - down of operations for a period of around 6 months in the cement division and also because of lower production in sugar division.

- (vi) Affirmation that the remuneration is as per the remuneration policy of the company

Yes.

**SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018**

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

The Members of
Kakatiya Cement Sugar and Industries Limited
1-10-140/1, Gurukrupa, Ashoknagar
Hyderabad-500020

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s.Kakatiya Cement Sugar and Industries Limited (hereinafter called the "company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conduct / statutory compliances and expressing our opinion thereon.

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended 31st March, 2018, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms, returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of :

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (Not applicable to the Company during the Audit Period).
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - b. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act, 2013 and dealing with client;

Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act) were not applicable to the Company under the financial year under report:

**KAKATIYA CEMENT SUGAR AND
INDUSTRIES LIMITED**

- a. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- b. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- c. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 ;

I report that the applicable financial laws, such as the Direct and Indirect Tax Laws, have not been reviewed under my audit as the same falls under the review of statutory audit and by other designated professionals.

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by the Institute of Company Secretaries of India (Standards)
- ii) Listing Regulations and uniform Listing Agreement entered into by the company with the BSE Ltd and National Stock Exchange of India Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, in respect of the above.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non- Executive Directors and Independent Directors.

Adequate notice is given to all directors to schedule the Board Meetings. Agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting and other business which are not included in the Agenda.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that, as per the explanations given to us and the representation made by the Management and relied upon by me, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that, during the audit period, there were no other specific events /actions in pursuance of the above referred laws, rules, regulations, guidelines etc. having major bearing on the Company's affairs.

INDEPENDENT DIRECTORS' MEETING

During the year under review, the Independent Directors met on 26th March, 2018, inter alia, to discuss:

- Evaluation of the performance of Non Independent Directors and the Board of Directors as a whole.
- Evaluation of the performance of the Chairman of the Company, taking into account the views of the Executive and Non Executive Directors
- Evaluation of the quality, content and timeliness of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

All the Independent Directors were present at the Meeting.

FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS

As part of the Corporate Governance, the company conducts Familiarisation Programmes for Independent Directors who are inducted into the Board to enable the incumbent Directors to understand the business, culture and processes of the company.

While welcoming the new Director, various important documents of the Company are shared for his / her reference which include the Annual Reports of the past three consecutive years, details of nature of Industry, products, sales and distribution channel and position of the Company in the Industry. Further, various Codes and Practices will be delivered to him / her for reference and record. The Board evaluation processes and procedures are explained to the new director.

The Familiarisation Programme is not a one-time affair that is conducted at the time of induction of new Independent Directors. Such Familiarisation Programmes are also conducted during the year for the benefit of Independent Directors. The Company presents in an informal manner programmes to familiarize independent directors with the strategy, operations and functions of the Company besides providing updates on relevant legislations to ensure that independent directors are kept abreast of these Regulations. These are normally done after conclusion of the Board and Committee Meetings.

Once the new director becomes familiar with the basic business model and special features of the company, it is expected that the incumbent director would identify himself with the company and focus on his / her domain skills there by contributing to the growth and development of the company. Complete access to any information related to the Company is provided to the Independent Directors, if any, specific request is made.

The Familiarisation Programmes were imparted to the following Independent Directors during 2017-2018.

Sl. No.	Name of the Director	No. programmes	No. of hours spent
1.	C Madhusudana Rao	1	1 (Resigned on 24.07.17)

MECHANISM FOR EVALUATION OF BOARD:

Evaluation of all Board members will be done on an annual basis. The evaluation is done by the Independent Directors with specific focus on the performance of the Board and individual Directors. The observations of the evaluation made in the previous year, if any, will be considered. At the end of the current year, a comprehensive review will also be done.

There are various parameters based on which the performance of the independent Directors is evaluated which include participation at the Board / Committee Meetings, guidance provided to senior Management outside of Board / Committee Meetings, effective deployment of knowledge and expertise, integrity and maintaining of confidentiality, independence of behavior and judgment, impact and influence, exercise of objective independent judgment in the best interest of the Company, ability in monitoring Corporate Governance practices and adherence to the Code of Conduct for independent Directors.

The Board evaluation embraces several aspects such as development of suitable strategies and business plans at an appropriate time and its effectiveness, implementation of robust policies, procedures, size and structure and expertise of the Board.

As regards evaluation of whole time Directors, aspects such as achievement of financial / business targets prescribed by the Board, developing and executing business plans, Operational Plans, Risk Management and financial affairs of the organization and Development of policies and strategic plans aligned with the vision and mission of the Company were considered.

With regard to evaluation of non-executive directors, aspects such as participation at the Board / Committee Meetings, effective deployment of knowledge and expertise, independence of behavior and judgment were considered.

As regards evaluation of performance in respect of Committee Meetings, aspects such as discharge of functions and duties as per scope of the Committee, process and procedures followed in discharging such functions were considered.

In respect of evaluation of the Chairperson, aspects such as managing relationship with the members of the Board and Management, providing ease of raising of issues, positive reception to the concerns by the members of the Board and promoting constructive debate and effective decision making at the Board were taken into account.

We have examined the compliance of conditions of Corporate Governance by Kakatiya Cement Sugar and Industries Limited ('the Company') for the year ended 31st March, 2018 as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as referred to in Regulation 15 (2) of the Listing Regulations.

The compliance of conditions of Corporate Governance is the responsibility of management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITORS' REPORT

To

The Members of Kakatiya Cement Sugar and Industries limited

Report on the Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying financial statements of Kakatiya Cement, Sugar and Industries limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its total comprehensive income (comprising of profit and other comprehensive income) its cash flows and the changes in equity for the year ended on that date.

Other Matter

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these Ind AS financial statements, are based on the previously issued statutory financial statements for the years (Accounting Standards) Rules, 2006 (as amended) which were audited by the predecessor auditor who expressed an unmodified opinion vide reports dated 26th May 2017 and 25th May 2016 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Our opinion is not qualified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Kakatiya Cement, Sugar and Industries limited ("the Company") as of 31st March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

1. Background

Kakatiya Cement, Sugar and Industries Limited was incorporated in 1979 having its registered office in Hyderabad. The Company's activities are organized into three operating divisions namely Cement, Sugar and Power. The major activity of the company is to produce, manufacture, refine, prepare, sell and generally to deal in all kinds of Portland Cement, sugar, generation and distribution of power.

2. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements up to year ended 31 March 2017 were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act. These financial statements are the first financial statements of the Company under Ind AS, refer note 37 for an explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flows.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that are measured at fair value;
- Defined benefit plans – plan assets measured at fair value;

b) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, value added taxes.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below.

Sale of products

Revenue from sale of products is recognised when significant risks and rewards in respect of ownership of products are transferred to customers based on the terms of sale.

c) Income tax

Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside profit or loss is recognised in outside profit or loss (either in other comprehensive income or in equity). Current tax items

are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax :

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

d) Impairment of assets

Property, plant and equipment are tested for impairment annually whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

e) Inventories

Raw materials and stores, work-in-progress, traded and finished goods are stated at the lower of cost and net realizable value. Cost of raw materials comprise of cost of purchase. Cost of inventories also include all other cost incurred in bringing the inventories to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

f) Investments and other financial assets

- i) **Classification** The Company classifies its financial assets in the following measurement category: - those to be measured subsequently at fair value (through profit or loss), and For assets measured at fair value, gains and losses will be recorded in Statement of profit or loss a/c.

ii) Impairment of financial assets

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

g) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

h) Property, plant and equipment

Freehold land is carried at historical cost. Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognized as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value Depreciation is calculated using the straight-line basis at the rates arrived at based on the useful lives prescribed in Schedule II of the Companies Act, 2013. The company follows the policy of charging depreciation on pro-rata basis on the assets acquired or disposed off during the year. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

i) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

j) Provisions, Contingent liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognised but are disclosed, while contingent assets are neither recognised nor disclosed, in the financial statements.

k) Employee benefits

(i) Short-term obligations Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the

period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligations. Remeasurements as a result of the experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity; and
- (b) Defined contribution plans such as provident fund and superannuation fund.

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss.

Defined contribution plans

The company pays provident fund is administered through Regional provident fund commissioner and Gratuity liability is a defined benefit obligation. The Company has created an approved gratuity fund, which has taken a group gratuity cum insurance policy with the LIC for future payment of gratuity to the employees.

The Company accounts for gratuity liability of its employees on the basis of Independent Actuarial valuation carried out by the Actuary. The Company accounts for Leave encashment liability of its employees on the basis of Independent Actuarial valuation carried out by an Actuary. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due.

I) Earning per share

- (i) Basic earnings per share Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year.
- (ii) Diluted earnings per share Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:
 - The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
 - The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

m) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

aa) Standards issued but not yet effective

The standards issued, but not yet effective up to the date of issuance of the Company's financial statements are disclosed below.

Ind AS 115, Revenue from Contract with Customers:

On March 28, 2018, Ministry of Corporate Affairs has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that revenue should be recognised when a customer obtains control of a promised good or service and thus has the ability to direct the use and obtain the benefits from the good or service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. Further, the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The Company will adopt the standard on April 1, 2018 and the effect on adoption of Ind AS 115 is expected to be insignificant.

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial

instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date. In respect of investments as at the transaction date, the Company has assessed the fair value to be the carrying value of the investments as these companies are in their initial years of operations obtaining necessary regulatory approvals to commence their business.

35. Financial risk management

The Company is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

(A) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk, interest rate risk and price risk. Financial instruments affected by market risk include loans and borrowings, trade receivables and trade payables involving foreign currency exposure. The sensitivity analyses in the following sections relate to the position as at March 31, 2018 and March 31, 2017.

The analysis exclude the impact of movements in market variables on the carrying values of financial assets and liabilities .

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 2018 and 31 March 2017.

(B) Credit Risk

Credit risk is the risk arising from credit exposure to customers, cash and cash equivalents held with banks and current and non-current held-to maturity financial assets.

With respect to credit exposure from customers, the Company has a procedure in place aiming to minimise collection losses. Credit Control team assesses the credit quality of the customers, their financial position, past experience in payments and other relevant factors. Cash and other collaterals are obtained from customers when considered necessary under the circumstances.

The carrying amount of trade receivables, loans, advances, deposits, cash and bank balances, bank deposits and interest receivable on deposits represents company's maximum exposure to the credit risk. No other financial asset carry a significant exposure with respect to the credit risk. Bank deposits and cash balances are placed with reputable banks and deposits are with reputable government, public bodies and others.

The credit quality of financial assets is satisfactory, taking into account the allowance for credit losses.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including default risk associate with the industry and country in which customers operate. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment.

An impairment analysis is performed at each reporting date on an individual basis for major receivables. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company also holds deposits as security from certain customers to mitigate credit risk.

- i. Credit risk on cash and cash equivalents and other bank balances is limited as the Company generally invest in deposits with banks with high credit ratings assigned by external agencies.
- ii. Credit risk on trade receivables and other financial assets is evaluated as follows:

A. Capital management and Gearing Ratio

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is debt divided by total capital. The Company includes within debt, interest bearing loans and borrowings.

(₹ in lakhs)

Particulars	As at 31 March 2018	As at 31 March 2017	As at 31 March 2016
Borrowings			
Current	6,281.67	3,647.65	1,991.14
Non current	6.38	218.04	428.18
Current maturities of long term debt	265.00	272.13	198.75
Debt	6,553.05	4,137.82	2,618.07
Equity			
Equity share capital	777.39	777.39	777.39

Total capital	22,023.99	21,583.37	18,942.05
Gearing ratio in % (Debt/ capital)	30%	19%	14%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2018 and 31 March 2017.

37. First-time adoption of Ind AS

Transition to Ind AS

These are the Company's first financial statements prepared in accordance with Ind AS.

The accounting policies set out in Note 1 have been applied in preparing the financial statements for the year ended 31 March 2018, the comparative information presented in these financial statements for the year ended 31 March 2017 and in the preparation of an opening Ind AS balance sheet as at 01 April 2016 (date of transition). In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the

accounting standards notified under Companies (Accounting standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). An explanation on how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

Exemptions and Exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A. Ind AS optional exemptions

(i) Deemed cost

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all of its Property, Plant & Equipment as recognised in the Financial Statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition, after making necessary adjustments for decommissioning liabilities. This exemption can also be used for Intangible Assets covered by Ind AS 38.

Accordingly, the Company has elected to measure all of its Property, Plant & Equipment and Intangible Assets at their previous GAAP carrying value.

(ii) Impairment of financial assets

An entity shall apply requirements of Ind AS 109 relating to impairment of Financial Assets retrospectively. However, if at the date of transition, determining whether there is significant increase in credit risk from initial recognition requires undue cost and effort, an entity shall recognise lifetime expected credit losses at each reporting date.

The Company has recognised allowance for credit loss at the date of transition to Ind AS for trade receivables based on lifetime expected credit loss.

B. Ind AS mandatory exceptions

(i) Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with the estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following item in accordance with Ind AS at the date of transition as these were not required under previous GAAP: -Impairment of financial asset based on expected credit loss model.

(ii) Classification and measurement of Financial Assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

The Company has calculated fair value of financial assets as the date of transition to Ind AS.

C. Reconciliation between previous GAAP and Ind AS (as at 31 March 2017 and 1 April 2016)

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods.

The following tables represent the reconciliations from previous GAAP to Ind AS.

D. Notes to first-time adoption:

1) Deferred tax

Previous GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS12 requires entities to account for deferred taxes using the Balance Sheet approach, which focuses on differences between the carrying amount of an asset or liability in the Balance Sheet and its tax base. It requires recognition of tax consequences of differences between the carrying amounts of assets and liabilities and their tax base. As a result Deferred tax liability has been increased by ₹ 1096.4 lakhs as at 1 April 2016 and ₹ 1096.9 lakhs as at 31st March 2017 with a corresponding decrease in retained earnings and net profit respectively.

2) Excise duty

Under the previous GAAP, revenue from sale of products was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty paid is presented on the face of the statement of profit and loss as part of expenses. This change has resulted in an increase in total revenue and total expenses for the year ended 31st March 2017 by ₹ 2259.97 lakhs. There is no impact on the total equity and profit.

3) Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. Actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year. There is no impact on the total equity as at 31st March 2017.

4) Proposed Dividend

Under the previous GAAP, dividends proposed by the Board of Directors after the balance sheet date but before the approval of the financial statements were considered as an adjusting event. Accordingly, provision for proposed dividend and corporate dividend tax was recognised as liability.

Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend and corporate dividend tax of ₹ 252.62 lakhs included under provisions as at 1 April 2016 has been reversed with corresponding adjustments to retained earnings. Consequently the total equity increased by an equivalent amount.

5) Other equity

Retained earnings as at April 1, 2016 has been adjusted consequent to the above Ind AS transition adjustments on the date of transition.

6) Other comprehensive income

Under Ind AS, all items of income and expense recognized in a period should be included in the profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit or loss as 'other comprehensive income' includes remeasurements of defined benefit plans. The concept of 'other comprehensive income' did not exist under previous GAAP.

7) Assets Pledged under security

The carrying amounts of assets pledged as security for current and non-current borrowings are: (₹ in lakhs)

Particulars	As at 31 March 2018	As at 31 March 2017	As at 1 April 2016
Non-current Assets

TOTAL	1924.10	2004.31	2059.17

38. Segment information

The Company's activities are organised into three operating segments namely Cement, Sugar and Power. The Segments are the basis on which the company reports its segment information Cement division - produce, manufacture, refine and prepare the portland cement Sugar division - It deals mainly with the crushing of sugar-cane Power division - It generates and distributes the power

They primarily uses a measure of profit before tax to assess the performance of the operating segments.

Segment revenue and expenses:

The Company has an established basis of allocating Joint/Corporate expenses to the segments, which is reasonable, and followed consistently. All other segment revenue and expenses are attributable to the segments.

Segment assets and liabilities:

Segment assets include all operating assets used by a segment and consist principally of operating cash, debtors, inventories and fixed assets, net of allowances and provisions that are reported as direct offsets in the balance sheet. While most assets can be directly attributed to individual segments, the carrying amount of certain assets used jointly by two or more segments is allocated to the segments on a reasonable basis. In such cases, the entire revenue and expenses of these assets including depreciation are also allocated to the same segments. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities. Segment assets and liabilities do not include deferred income taxes.

Inter segment transfers:

The Company accounts for inter segment sales and transfer at average Market price

(ii) Post- employment obligations

a) Gratuity

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The Company operates post retirement gratuity plan with LIC of India. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation of leave encashment is recognised in the same manner as gratuity.

The following table sets out the amounts recognised in the financial statements in respect of gratuity plan

iv) Significant estimates and sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in key assumptions is: (₹ in lakhs)

Particulars	Defined benefit obligation							
	Key assumptions		Rate	Increase in assumption by		Rate	Decrease in assumption by	
	31 March 2018	31 March 2017		31 March 2018	31 March 2017		31 March 2018	31 March 2017
Discount rate	8.00%	8.00%	1%	229.17	167.38	1%	250.31	182.81
Salary growth rate	4.00%	4.00%	1%	251.63	183.77	1%	227.79	166.36
Attrition rate	5.00%	5.00%	1%	241.26	176.20	1%	237.05	173.13

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

v) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.
