The members may cast their vote using an electronic voting system from a place other than the venue of the meeting. The Company has engaged the services of CDSL as the authorised agency to provide e-voting facilities and instructions for availing e-voting facility are given in **Note No.27**.
21. The Board has appointed Smt. Manjula Aleti, Company Secretary in Practice (Membership No.FCS:10380, COP:13279) as Scrutinizer to scrutinize the remote e-voting process in a fair and transparent manner.

## KAKATIYA CEMENT SUGAR & INDUSTRIES LIMITED

22. The Scrutinizer shall, immediately after the conclusion of voting at the meeting, would first count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and make not later than 2 (Two) working days from the conclusion of the meeting, a consolidated Scrutinizer's Report of the total votes cast in favour or against forthwith to the Chairman or a person authorised by the Chairman for counter signature.
23. The Results shall be declared by the Chairman or by an authorised person of the Chairman and the Resolutions will be deemed to have been passed on the date of AGM, subject to receipt of requisite number of votes in favour of the Resolutions.
24. After declaration of results, the same shall be placed along with the scrutinizer's Report(s) on the website of the company [www.kakatiyacements.com](http://www.kakatiyacements.com) and communicated to BSE Limited and National Stock Exchange of India Limited, where the shares of the company are listed.
25. A person whose name is recorded in the Register of members or in the Register of beneficial owners maintained by the Depositories as on the cut-off date i.e. 21<sup>st</sup> August, 2025 shall only be entitled to avail the facility of remote e-voting.

27. The voting rights of members shall be in proportion to their shares in the paid-up equity share capital of the Company.

### **CDSL e-Voting System - For e-voting**

#### **THE INSTRUCTIONS TO MEMBERS FOR E-VOTING ARE AS UNDER:**

- (i) The voting period begins on Monday, 25<sup>th</sup> August, 2025 (9:00 AM) and ends on Wednesday, 27<sup>th</sup> August, 2025 (5:00 PM). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 21<sup>st</sup> August, 2025 may cast their votes electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Members who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' Resolutions. However, it has been observed that the participation by the public non-institutional members/retail members is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the members.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual members holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Members are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting **for Individual members holding securities in Demat mode with CDSL/NSDL** is given below:

### Dividend

Your Directors are pleased to recommend for your consideration a Dividend at ₹ 3.00 /- per equity share of ₹ 10/- each for the year ended 31.03.2025, at par with the dividend declared in the past few years, which entails an outlay of ₹ 233.22 lacs.

### Transfer of Profits to Reserves

In view of the loss incurred by the Company during the year under review, no amounts were transferred to Reserves. The Company has not transferred any amount to reserves from out of the profits of the preceding financial years.

### Transfer to Investor Education and Protection Fund (IEPF)

Pursuant to the provisions of Section 124 and 125 of the Companies Act, 2013 and in terms of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, all shares on which dividend has not been claimed for seven consecutive years shall be transferred to the Investor Education and Protection Fund (IEPF).

Accordingly, the Company has transferred 9,489 equity shares to the IEPF Authority during the year ended 31<sup>st</sup> March, 2025. The Members are requested to visit the website of the Company [www.kakatiyacements.com](http://www.kakatiyacements.com) and refer to the 'Unpaid Dividends/IEPF' section under the heading 'Corporate Info' to know the details of the investors whose shares/unpaid dividend have been transferred to IEPF. In case the shares/unpaid dividend of any shareholder have already been transferred to IEPF, then such shareholder is requested to claim the same from IEPF by filing the requisite e-form IEPF-5 along with all the attachments on [www.mca.gov.in](http://www.mca.gov.in) and to forward the uploaded e-form IEPF-5 along with all its duly executed attachments to the Company for further processing.

According to Section 125 of the Companies Act, 2013 read with Investor Education and Protection Fund (Awareness and Protection of Investors) Rules, 2001, the Company has transferred unclaimed dividend amounting to ₹ 9,69,894/- to IEPF during the year under review. The said transfer was in respect of the unclaimed dividend for the financial year 2016-2017.

### **Material Changes and Commitments**

In terms of Section 134(3)(l) of the Companies Act, 2013, there are no material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the Report.

### **Public Deposits**

The Company has not accepted any deposits during the year under review and there were no outstanding deposits as at the end of the year falling within the ambit of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014.

### **Significant and Material orders passed by the Regulators / Courts / Tribunals**

There are no significant and material orders passed by the Regulators or Courts or Tribunals in the year under review impacting the 'going concern' status and Company's operations in future.

During the previous financial year, the Company had been levied a fine of ₹ 1,04,000 plus GST each by both BSE Limited and the National Stock Exchange of India Limited for the non-compliance under Regulation 17(1A) of the SEBI (LODR) Regulations, 2015. The company has paid the fines levied by both stock exchanges and has submitted an application seeking a waiver of the fines in accordance with the provisions of the Standard Operating Procedure (SOP) for waiver of fees. However, the application submitted by the Company for waiver of the penalty was not accepted by either of the stock exchanges.

### **Directors**

In accordance with the provisions of the Companies Act, 2013, Smt. M Varalakshmi Director retires by rotation at the ensuing Annual General Meeting and being eligible, offers herself for re-appointment.

The brief profile of the Smt. M Varalakshmi, Director who is retiring by rotation and seeking reappointment at the ensuing Annual General Meeting is presented elsewhere in this Annual Report.

### **Dematerialisation**

As on 31<sup>st</sup> March, 2025, 76,41,111 (98.29%) shares were dematerialised with the following depositories:

| <b>Sl. No.</b> | <b>Name of Depository</b>                   | <b>No. of Shares</b> |
|----------------|---|----------------------|
| i)             | National Securities Depositories Limited    | 21,25,470            |
| ii)            | Central Depository Services (India) Limited | 55,15,641            |

The Company, therefore once again requests such of the public Members who have not yet dematerialised their shares to initiate immediate steps to complete the process of dematerialisation.

### **KYC Compliance by Members holding shares in Physical Form**

Securities and Exchange Board of India has made it mandatory for holders of physical securities to furnish details of PAN, contact details (address with Pin Code, email address, mobile number), bank account, updated specimen signature and nomination/ opt-out of nomination.

**Please note that in case of failure of the Members to get the above referred details registered/updated with the RTA, the Company will be withholding the dividend payable (if declared by the Members at the ensuing Annual General Meeting) and the same shall be released only after the said details are updated. Further, in respect of such folio(s) the Members will not be eligible to lodge grievance or avail any services from Company or Registrar and receive dividend, till the above mentioned details are furnished.**

The relevant forms prescribed by Securities and Exchange Board of India (viz. ISR-1, ISR-2, ISR-3, SH-13 and SH-14) can be downloaded from the Company's website and weblink is <http://www.kakatiyacements.com/kyc-compliance-documents.html> or that of RTA website <https://xlsofttech.com>.

### **Statement of Affairs of the Company**

The Statement of affairs of the Company is presented as part of Management Discussion and Analysis (MDA) Report forming part of this Report.

### **Performance of the Year under review**

The performance of the Company was not up to the mark during the financial year 2024-2025 as the Cement industry as a whole in India suffered a lot.

Several adverse factors viz., weaker infrastructure demand, slowed Government spending, adverse weather, raising input costs, significant increase of Mergers & Acquisitions by prominent cement companies especially in south India.

Further, non-renewal of Power Purchase Agreement by TS Transco and the reduced area of sugarcane cultivation due to migration of farmers to alternate crops fetching more remunerative prices like oil palm cultivation have all played its role on the operations of the Company and the Company could not achieve the expected capacity utilization. The division-wise operational and financial details of the performance are stated herein below:-

#### **Cement Division:**

During the year under review, the Cement Division has produced 1,29,778 MT as against 2,44,020 MT in the year ago period thereby registering a decrease of about 46.82%.

The Cement Division has clocked a turnover of ₹ 47.86 crores in 2024-25 as against the turnover of ₹ 97.84 crores recorded in the previous year and this works out to a decrease of 51.08%.

The Cement Division has incurred loss before interest and tax (PBIT) of ₹ 12.57 crores in the year under review as against Profit of ₹ 4.05 crores earned in the previous year.

#### **Sugar Division:**

The Sugar cane crushed in the Sugar Division in the year under review is 47,887 MT as against 1,14,101 MT in the previous year thereby recording a decrease of about 58.03%. Even though the Company could procure the mandals and villages of its choice during the year under review, by the time the same were allotted to the Company, the cane growers in the said mandals have already entered into agreements with neighbouring factory and as a result, the Company could procure only negligible quantity of cane from these additional areas. The Government Regulation restricting the sale of the sugar has also impacted the quantum of sales during the year under review.

The Sugar Division has clocked a turnover of ₹ 43.88 crores in 2024-25 in comparison with ₹ 63.88 crores in the preceding year and thereby registering a decrease of about 31.31% over the year ago period. The Sugar Division has recorded profit before interest and tax (PBIT) of ₹ 5.08 crores in the year under review as against Profit of ₹ 0.63 crores in the preceding year owing to better market pricing.

#### **Power Division:**

The Power Division has generated 21,66,438 kWh in 2024-25 as against 53,88,759 kWh of power in the preceding year thereby recording a decrease of about 59.80%.

The Power Division is mainly dependent on the Sugar Division. As there is non-availability of sufficient cane for crushing in the Sugar Division for the reasons explained therein, the performance of the Sugar Division is low and accordingly the Power Division performance is also low.

The Power division has clocked a turnover of ₹ 1.82 crores in the year under review as against the turnover of ₹ 1.24 crores made in the year-ago period.

The Power Division made a loss before interest and tax (PBIT) of ₹ 0.97 crores as against a loss of ₹ 1.07 crores in the previous year.

#### **Current Year Outlook:**

##### **Cement Division:**

Taking into account the market conditions and other factors, the Company has set a target of its cement production at 2,75,000 MT for the current year.

**Sugar Division:**

The Sugar Division was impacted by various issues during the year under review. The scarcity of water sources, and loss of productive areas in the zonal allocation made by the Government in 2022 for part of the year are some of the critical factors which continue to impact the prospects of the Company.

However, migration of farmers to alternate crops fetching more remunerative prices and incentives from both Central and State Governments for promoting oil palm cultivation coupled with the non availability of water in sufficient quantities at regular intervals have forced the Company to downward revision of the target of cane crushing to 30,000 MT during the current year.

**Power Division:**

The performance of power division is directly linked to the operational level of the sugar division. A favorable government policy with regard to utilization of coal as an alternative fuel to bagasse during off-season of the sugar division is yet to crystallize since the government has not been permitting the power generating companies to utilize the coal as an alternative fuel to bagasse. In view of this, the performance of the power division will continue to be low and added to this factor, any serious impediments to the sugar division will further impact the performance of the power division. The non renewal of the Power Purchase Agreement has also adversely affected the operations of the Power Division and during the crushing season no power could be exported to DISCOMS.

**Insurance:**

All the properties of the Company including its buildings, Plant and Machinery and Stocks wherever required have been adequately insured.

**Disclosures under the Companies Act, 2013**

**I) Annual Return:**

The Annual Return as per provisions of Section 92 of the Companies Act, 2013 in Form MGT-7 is available on the Company's website, the web link is [http://www.kakatiyacements.com/Admin/investors/AnnualReport/Annual%20Return\\_2025.pdf](http://www.kakatiyacements.com/Admin/investors/AnnualReport/Annual%20Return_2025.pdf).

**II) Board Meetings:**

During the year under review, 4 (Four) Board Meetings were held. The details of the Board Meetings and its composition along with the attendance of the Directors are furnished elsewhere in the Corporate Governance Report.

**III) Changes in Share Capital**

There was no change in the Share Capital during the year under review.

**IV) Changes in the nature of business, if any**

There was no change in the nature of business of the Company during the year under review.

**V) Remuneration Policy:**

The Company follows a policy on remuneration of Directors and Senior Management personnel. The Policy is approved by the Nomination and Remuneration Committee and the Board.

**VI) Related Party Transactions**

Particulars of contracts / arrangements entered into by the Company with Related Parties referred to in Section 188 (1) of the Companies Act, 2013 for the year ended 31<sup>st</sup> March, 2025 have been provided in Form No.AOC-2 pursuant to clause (b) of sub Section (3) of Section 134 of the Companies Act, 2013 and Rule 8(2) of the Companies (Accounts) Rules, 2014 and the same are annexed to this Report (**Annexure-1**).

The Audit Committee and the Board also considered the Related Party Transactions as prescribed by the SEBI Circular No. SEBI/Ho/CFD/CFD-PoD-2/P/CIR/2025/18 dated 14.2.2025 and in the format of Para 4 of the Standards where ever applicable.

All the Related Party Transactions have been approved by the Audit Committee and are at an "arms-length" basis.

Planting of saplings and seedlings in and around the factories and colonies is being done on a continuous basis so as to develop green belt around the plant to improve the environment.

**Management Discussion and Analysis (MDA) Report**

**a) Statement of Affairs of the Company**

The Company has recorded Cement production of 1,29,778 MT as against 2,44,020 MT in the preceding year, thereby recording a decrease of about 46.82%.

It is hereby informing the members that as the serious impediments encountered by the Sugar Division, it was only 47,887 MT of Sugar Cane Crushing in the year under review as against 1,14,101 MT in the preceding year.

The Power Division has its own operational restraints due to non-renewal of Power Purchase Agreement.

During the year under review, the Company has clocked a turnover (excluding other income) of ₹ 89.22 crores compared to ₹ 155.95 crores recorded in the year-ago period. The segmental revenue has decreased in both Cement and Sugar Division during the year under review as compared to the previous year.

**b) Industry Structure and Development:**

The Company has a well developed network of dealers for its Cement Division, located in the states of Telangana and Andhra Pradesh and the Company therefore is in a reasonably comfortable position in securing orders from its clients. It is heartening to note that some of the dealers have been patronizing the Company since inception and the strong bondage that is developed between the Company and dealers is one of the prominent features of this mutually beneficial relationship.

While the Company has a well established structure and dealer network, the Company anticipates that it could have some impact on its performance in the current year due to the variation in the prices of Coal and other raw materials of Cement Division. The Company shall endeavour its best to mitigate the fixed overheads to the possible extent, combat the critical challenges and move forward with a committed spirit.

The sugar industry is essentially seasonal in its nature. The availability of cane, good rainfall and proper irrigation facilities are primary issues that determine the fortunes of the industry. The allocation of zonal area to the sugar units by the department is also an important factor as allotment of villages having growth potential for cultivation of cane will facilitate higher cane production alongwith declaration of more remunerative price and other incentives by the Government to encourage sugarcane cultivation, leading to production of higher volumes in the sugar industry.

**c) Opportunities and Threats:**

The Company is desirous of reaping the benefits of its well positioned dealer network across the states of Telangana and Andhra Pradesh in respect of its cement plant and will make every effort to overcome the bottlenecks in achieving the targeted operations for the current year.

The Government of Telangana has not been permitting power generators to use coal as an alternative fuel during the off season of the sugar industry as a matter of policy which was not the situation a many years ago.

Unless the Government revisits the entire issue keeping in view the interest of entrepreneurs as well as all other stakeholders, it would be difficult for the power generators to survive in the long run as sub-optimal generation of power will seriously impact the viability of the industry.

In the sugar industry, fetching remunerative price for its product, adequate availability of sugar cane with close proximity to the sugar plant and industry-friendly governmental regulations are the key areas of concern.

The Company will make its best endeavors in resolving the complicated issues in the sugar and power divisions through negotiations with governmental authorities and will also liaison with the legal advisers in respect of pending litigations concerning the power division.

However, the Company, with an ability, determination and grit acquired over the years, is in a strong challenging model and combat the critical situations resulting from micro and macro factors.

**d) Segment or product-wise performance:**

Segment-wise and product-wise performance has been furnished elsewhere in this Report.

**e) Medium and long term strategy**

The range of market operations in respect of cement product is restricted to the States of Telangana and Andhra Pradesh. The existing production capacity can be optimally utilized in catering to the requirements of the two Telugu states. In the circumstances no medium and long term strategy is being envisaged by the Company in the absence of any immediate plans for expansion.

**f) Outlook:**

Division-wise outlook has been furnished elsewhere in this Report.

**g) Risks and concerns:**

The Cement, Sugar and Power industries being core industries, there is no risk of product obsolescence or steep fall in demand by way of product substitution or otherwise and, therefore, your Directors do not foresee any major risks and concerns in the near future except as discussed elsewhere in this Report.

The Company endeavors its best to effect necessary changes, modifications to the machinery and equipment and also to carry out necessary maintenance works to position the machinery in all the divisions in robust condition so as to keep the bottlenecks at bay.

**h) Internal control systems and their adequacy:**

As stated elsewhere in this Report, the Company has adequate internal control systems and the Chief Financial Officer will monitor the Internal Audit Reports and brief the Audit Committee in case any deficiency in the system is noticed and corrective measures are adopted to strengthen the system.

**i) Financial Performance with respect to operational performance:**

This has been discussed elsewhere in this Report.

**j) Human Resource Development and Industrial Relations:**

The Company believes that the quality of its employees is the key to success and is therefore committed to provide necessary human resource development and training opportunities to equip employees with additional skills to enable them to adapt to contemporary technological advancements.

Industrial Relations during the year continued to be cordial through effective communication, meetings and negotiations with the work force in an informal and congenial atmosphere.

The Company's strength consists of 439 permanent employees as on 31<sup>st</sup> March, 2025.

**k) The details of significant changes (change of 25% or more) as compared to the preceding year in key financial ratios.**

These details were mentioned elsewhere in this Annual Report.

I have conducted Secretarial Audit of compliance with the applicable statutory provisions and adherence to good corporate practices by **Kakatiya Cement Sugar and Industries Limited** (hereinafter called the "Company") for the **Financial Year ended 31<sup>st</sup> March, 2025**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed with Ministry of Corporate Affairs, Stock Exchanges and other Regulatory authorities and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the **financial year ended 31<sup>st</sup> March, 2025** complied with statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed with Ministry of Corporate Affairs, Stock Exchanges and other Regulatory authorities and other records maintained by the Company for the **financial year ended on 31<sup>st</sup> March, 2025** according to the provisions of :

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - a. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - b. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
  - c. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act, 2013 and dealing with client;

## KAKATIYA CEMENT SUGAR & INDUSTRIES LIMITED

(v) The compliances under the following Acts and the Rules/Regulations prescribed thereunder were also examined by me :

- a. The Explosives Act, 1884
- b. The Mines Act, 1952
- c. The Telangana Sugarcane (Regulation of Supply and Purchase) Act, 1961
- d. Environment Protection Act, 1986
- e. The Minimum Wages Act, 1948
- f. Employees (Provident Fund and Miscellaneous Provisions) Act, 1952
- g. Factories Act, 1948
- h. Employees' State Insurance Act, 1948
- i. The Payment of Wages Act, 1936
- j. The Payment of Bonus Act, 1965

Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act) were not applicable to the Company during the financial year under review:

- a. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- b. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- c. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 ;
- f. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013
- g. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings

I report that the applicable financial laws, such as the Direct and Indirect Tax Laws, have not been reviewed under my audit as the same falls under the review of Statutory Audit and by other designated professionals.

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by the Institute of Company Secretaries of India;
- ii) Listing Regulations and uniform Listing Agreement entered into by the Company with the BSE Ltd and National Stock Exchange of India Limited and SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015.

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors including an Independent Woman Director. The changes that have taken place in the composition of the Board of Directors were in compliance with the provisions of the Act.

**KAKATIYA CEMENT SUGAR &  
INDUSTRIES LIMITED**

- Adequate notice is given to all directors to schedule the Board Meetings; agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for the directors for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting;
- All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or various Committees of the Board, as the case may be.

During the previous financial year, BSE Limited and the National Stock Exchange of India Limited each imposed a fine of ₹1,04,000 for alleged non-compliance with Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, concerning the appointment of Shri Vankineni Siva Rama Krishna Murthy as a Non-Executive Independent Director of the Company with effect from 04.08.2023. Upon payment of the said penalty, the Company submitted applications seeking a waiver of the same. I have been informed that the stock exchanges have rejected the waiver applications

I further report that, as per the explanations given to me and the representation made by the Management and relied upon by me, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that, during the audit period, there were no other specific events /actions in pursuance of the above referred laws, rules, regulations, guidelines etc. having major bearing on the Company's affairs.

**INDEPENDENT AUDITOR'S CERTIFICATE**

To  
**The Members of Kakatiya Cement Sugar & Industries Limited**

**CERTIFICATE ON CORPORATE GOVERNANCE**

This certificate is issued in accordance with the terms of our engagement letter dated 14.06.2024

We, M. Anandam & Co., Chartered Accountants, the Statutory Auditors of Kakatiya Cement Sugar & Industries Limited (the "Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on March 31, 2025, as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as referred to in Regulation 15(2) of the Listing Regulations.

**Managements' Responsibility**

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

**Auditor's Responsibility**

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

**Opinion**

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as referred to in Regulation 15(2) of the Listing Regulations during the year ended March 31, 2025.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## **Independent Auditor's Report**

**To**  
**The Members of Kakatiya Cement Sugar & Industries Limited**

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the financial statements of Kakatiya Cement Sugar & Industries Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters in our audit of the Company for the year ended 31<sup>st</sup> March, 2025.

| Sr. No. | Key Audit Matter   | Auditor's Response  |

### **Other Information**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast

significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the year ended 31<sup>st</sup> March, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

**Opinion**

We have audited the internal financial controls with reference to financial statements of **Kakatiya Cement Sugar & Industries Limited** (“the Company”) as of 31<sup>st</sup> March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31<sup>st</sup> March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Inherent Limitations of Internal Financial Controls with reference to the financial statements**

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

## KAKATIYA CEMENT SUGAR & INDUSTRIES LIMITED

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the financial statements.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

**Annexure “B” to the Independent Auditor’s Report**

With reference to Paragraph 2 under ‘Report on Other Legal Regulatory Requirements’ section of our report to the Members of the Company, we report that

i. In respect of the Company’s Property, Plant and Equipment and Intangible Assets:

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.  
  
(B) The Company does not have intangible assets and hence reporting under the clause 3(i)(a) (B) of the Order is not applicable.
- (b) The property, plant and equipment have been physically verified by the management in a periodical manner, which in our opinion is reasonable, having regard to the size of the Company and the nature of its business. No material discrepancies were noticed on such physical verification
- (c) Based on our examination of registered sale deeds and other documents, the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) Physical verification of inventory has been conducted at reasonable intervals by the management and in our opinion, the coverage, frequency and procedure of such verification is reasonable and adequate in relation to the size of the Company and the nature of its business. The discrepancies noticed on verification between the physical stocks and the book records were not exceeding 10% or more in the aggregate for each class of inventory.

(b) The Company has availed working capital facility from banks against fixed deposits of the Company and submission of quarterly returns or statements are not applicable. Hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. During the year the Company has not made investments, not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties and hence reporting under clause 3(iii) of the Order is not applicable.

iv. In our opinion and according to the information and explanations given to us, the Company has made investments which are in compliance with Section 186 of the Act. The Company has not granted loans, not provided guarantees and securities.

v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

vi. We have broadly reviewed the cost records maintained by the Company as prescribed under sub-section (1) of section 148 of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete

vii. In respect of statutory dues:

a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees’ State Insurance, Income Tax, duty of Customs, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Employees’ State Insurance, Income Tax, duty of Custom, and other statutory, Cess and other material statutory dues in as at March 31, 2025 for a period of more than six months from the date they became payable.

b) According to the information and explanations given to us and records of the Company examined by us, the particulars of income tax, value added tax, customs duty as at 31<sup>st</sup> March, 2025 which have not been deposited on account of any dispute pending, are as under:

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. a) The Company has not defaulted in repayment of loans or other borrowings and in the payment of interest thereon to any lender.
- b) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- c) According to the information and explanations given to us and procedures performed by us, we report that the Company has applied the term loans for the purpose for which the loans were obtained.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) The Company does not have any subsidiaries, associates or joint ventures and hence, reporting under clause 3(ix)(e) and (f) of the Order is not applicable.
- x. a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. a) In our opinion and based on our examination and enquiries with the management, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of section 143 of the Companies Act is required to be filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.

**KAKATIYA CEMENT SUGAR &  
INDUSTRIES LIMITED**

- xii. The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. a) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.  
b) We have considered, the internal audit reports of the company issued till date, for the year under audit
- xv. During the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.  
b). The Company is not engaged in any non-banking financial housing finance activities. Accordingly, the requirement to report on clause 3(xvi)(b) of the Order is not applicable to the Company.  
c) The Company is not a core investment company as defined in the Regulations made by the Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.  
d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has incurred cash losses of ₹ 888.87 Lakhs during the financial year covered by our audit and incurred cash losses in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion, the provisions of section 135 of the Act are not applicable to the Company and hence reporting under clause 3(xx) of the Order is not applicable.

**Notes to the financial statements for the year ended 31<sup>st</sup> March, 2025**

**1. Material Accounting Policies**

**Background**

Kakatiya Cement, Sugar & Industries Limited (the "Company") was incorporated in 1979 having its Registered office in Hyderabad. The Company's activities are organized into three operating divisions namely Cement, Sugar and Power. The major activity of the company is to produce, manufacture, refine, sell and generally to deal in all kinds of Portland Cement, sugar, generation and distribution of power.

**Material Accounting Policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**1.1 Statement of Compliance with Ind AS and Basis of Preparation**

The Financial Statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act.

**1.2 Functional and Presentation Currency**

The Financial Statements are presented in Indian Rupees (Rs.) which is also functional currency. All the values have been rounded off to the nearest rupee in lakhs, with two decimals unless otherwise indicated.

**1.3 Basis of Preparation**

The Financial Statements have been prepared on a historical cost convention except where certain financial assets and liabilities have been measured at fair value as per Ind AS. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**Employee Defined Benefit Plans :**

Plan Assets measured at fair value less present value of defined benefit obligation.

**Certain Financial Assets and Liabilities : Fair Value**

**1.4 Revenue from contracts with customers**

Revenue is measured at the fair value of the consideration received or receivable (excluding taxes), net of returns and reduced by any rebates and trade discount allowed.

**i) Sale of products**

Revenue is recognised when the performance obligations have been satisfied, which is once control of the goods and/or services has transferred from the Company to the buyer. Revenue is measured based on consideration specified in the contract with a customer and excludes amounts collected on behalf of third parties.

Revenue related to the sale of goods is recognised when the product is delivered to the destination specified by the customer, and the buyer has gained control through their ability to direct the use of and obtain substantially all the benefits from the goods.

**ii) Interest, Dividends and Other Income**

Interest and dividend income is recognised when the right to receive payment has been established, it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the applicable effective interest rate.

**1.5 Property, Plant and Equipment**

## **Tangible Assets**

### **i) Recognition and Measurement**

- Items of property, plant and equipment are measured at cost, which include capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any, except freehold land which is carried at historical cost.
- Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.
- The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.
- If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- Useful lives have been determined in accordance with Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset.
- Any gain or loss on disposal of an item of property, plant and equipment is recognised in statement of profit and loss.

### **ii) Subsequent Expenditure**

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

### **iii) Derecognition**

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

### **iv) Depreciation/ Amortization**

- Depreciation is calculated using Straight Line basis at the rates arrived at based on the useful lives prescribed in Schedule II of Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed and adjusted if appropriate at each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.
- Depreciation on additions / disposals is provided on a pro rata basis that is from /upto the date on which asset is ready for use /disposed of.

### **vi) Impairment of Assets**

#### **Intangible assets and Property, Plant and Equipment (PPE)**

- Intangible assets and PPE are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.
- If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit or loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

### **Capital work-in-progress**

Projects under commissioning and other Capital work-in-progress are carried at cost comprising of direct and indirect costs, related incidental expenses and attributable interest. Depreciation on Capital work-in-progress commences when assets are ready for their intended use and transferred from Capital work-in-progress to Tangible Fixed Assets.

### **Intangible Assets**

#### **i) Initial Recognition and Classification**

Intangible assets including those acquired by the Company are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

#### **ii) Subsequent Expenditure**

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognised in statement of profit and loss as incurred.

#### **iii) Amortization**

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over the estimated useful lives and is included in depreciation and amortisation in Statement of Profit and Loss. The estimated useful lives of computer software are considered not exceeding three years. Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if appropriate.

#### **iv) Derecognition**

An item of intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

### **Impairment of Non-Financial Assets.**

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

### **1.6 Current versus Non Current Classification**

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

#### **An asset/ liability is treated as current when it is :-**

- Expected to be realised or intended to be sold or consumed or settled in normal operating cycle
- Held primarily for the purpose of trading.
- Expected to be realised/ settled within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents. The company has identified 12 months as its operating cycle.

### **1.7 Inventories**

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, wherever considered necessary. The cost of inventories comprises of all costs of purchase, costs of conversion and other costs including manufacturing overheads incurred in bringing the inventories to their present location and condition. Cost of raw materials, stores and spares, packing materials, trading and other products are determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less any applicable selling expenses.

The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

Excess/ shortages, if any, arising on physical verification are absorbed in the respective consumption accounts.

### **Material in Transit**

Valuation of inventories of Material in Transit is done at cost

### **Work-in-Progress (WIP) and Finished Goods**

These inventories are valued at lower of cost and NRV. Cost of Finished Goods and WIP includes cost of raw materials, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost of inventories is computed on weighted average basis.

### **1.8 Taxes on Income**

Income tax comprises Current and Deferred Tax. It is recognised in the Statement of Profit or Loss except to the extent that it relates to business combination or to an item recognised directly in equity or in other comprehensive income.

#### **I) Current Tax**

- Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.
- Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

#### **II) Deferred Tax**

- Deferred tax liabilities are provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.
- Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are generally recognized in full.
- Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance Sheet date. Tax relating to items recognised directly in equity/ other comprehensive income is recognised in respective head and not in the Statement of Profit & Loss.
- The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

- Deferred tax assets and deferred tax liabilities are offset only if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### **1.9 Cash and Cash Equivalents**

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

### **1.10 Cash Flow Statement**

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

### **1.11 Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

#### **Contingent liability is disclosed in the case of :**

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are neither recognised nor disclosed in the Financial Statements.

### **1.12 Earnings Per Share**

Basic earnings per equity share is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share is computed by dividing adjusted net profit after tax by the aggregate of weighted average number of equity shares and dilutive potential equity shares during the year.

### **1.13 Leases**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease transaction. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

#### **Company as a lessee:**

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases that transfer substantially all of the risks and benefits incidental to ownership of the leased item, are capitalised at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and a reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in Finance Costs in the Statement of Profit and Loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

#### **1.14 Employee Benefits**

Employee benefits include provident fund, gratuity and compensated absences and bonus plans.

##### **Defined Contribution Plans**

The Company's contribution to provident fund is considered as defined contribution plan and is charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees. The Company has no legal or constructive obligation to pay contribution in addition to its fixed contribution.

##### **Defined Benefit Plans**

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using 'the Projected Unit Credit method', with actuarial valuations being carried out at each Balance Sheet date. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

##### **Short-term Employee Benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include salaries, wages, performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

##### **Long-term Employee Benefits**

Compensated absences and other benefits like gratuity which are allowed to be carried forward over a period in excess of 12 months after the end of the period in which the employee renders the related service are recognised as a non-current liability at the present value of the defined benefit obligation as at the Balance Sheet date out of which the obligations are expected to be settled.

##### **Bonus Plans**

The company recognizes a liability and expenses for business. The company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

#### **1.15 Equity, Reserves and Dividend Payments**

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

Dividend distributions payable to equity shareholders is included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

### 1.16 Significant Judgments, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In particular, the Company has identified the following areas where significant judgments, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and also in the relevant notes to the financial statements. Changes in estimates are accounted for prospectively.

#### Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements:

##### a) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

##### b) Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market change or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

##### c) Impairment of Non-financial Assets

- The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the Company estimates the assets recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.
- In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

##### d) Estimation of Defined Benefit Obligations

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting

date.

**e) Financial Instruments**

- Financial assets and financial liabilities are recognized when the company becomes a party to the contractual provisions of the instrument.
- Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

**Fair Value Measurement of Financial Instruments**

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active market, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

**f) Estimation of Current Tax and Deferred Tax**

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each Balance Sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported on the financial statements.

**g) Impairment of Financial Assets**

- The impairment provisions for financial assets are based on assumptions about risk of default and expected credit loss rates (ECL). The Company uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.
- The company recognises loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivable with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12 months ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses(or reversal) that is required to adjust the loss allowances at the reporting date to the amount that is required is recognised as an impairment gain or loss in statement of profit or loss.

**1.17 Segment Reporting:**

An operating segment is a component of the company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind As 108, the chief operating decision maker evaluates the company's performance and allocates resources based on analysis of various performance indicators by business segments and geographic segments.

**31 Notes to employee benefits**

**Defined benefit plans**

**(i) leave Obligations**

The leave obligation covers the company's liability for earned leave which is unfunded.

**(ii) Defined contribution plan**

The company has defined contribution plan namely provident fund. Contributions are made to provident fund at the rate of 12% of basic salary plus DA as per regulations. The contributions are made to registered provident fund administered by the Government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the year towards defined contributions plan is as follows:

All amount ₹ in lakhs, unless otherwise stated

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

**v) Risk exposure**

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

**Interest rate risk:**

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

**Salary inflation risk:**

Higher than expected increases in salary will increase the defined benefit obligation.

**Demographic risk:**

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

\*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation

techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments are included in Level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

### 36 Financial risk management objectives and policies

#### Financial Risk Management Framework

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed primarily to Credit Risk, Liquidity Risk and Market risk ( interest rate), which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

#### A. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analyzing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, investments, cash and cash equivalents, bank deposits and other financial assets. None of the financial instruments of the Company result in material concentration of credit risk.

#### Exposure to credit risk:

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk is as follows:

All amount ₹ in lakhs, unless otherwise stated

| Particulars            | As at<br>31 <sup>st</sup> March, 2025 | As at<br>31 <sup>st</sup> March, 2024 |

| Trade receivables      | 1,795.46                              | 1,812.49                              |

#### Trade receivables:

Ind AS requires expected credit losses to be measured through a loss allowance. The Company assesses at each date of statements of financial position whether a financial asset or a Company of financial assets is impaired. Expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The company is not expecting any credit loss allowance which is calculated on life time expected credit losses for trade receivables. Credit loss provision on security deposits is taken as 12 months expected credit loss and no loss is expected as at 31<sup>st</sup> March, 2025, 31<sup>st</sup> March, 2024

Credit risk on trade receivables and other financial assets is evaluated as follows:

#### (i) Expected credit loss for trade receivable under simplified approach:

**(iii) Significant estimates and judgements**

**Impairment of financial assets**

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing marketing conditions as well as forward looking estimates at the end of each reporting report.

**Financial instruments and cash deposits**

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the authorised person. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

**B. Liquidity Risk**

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due and to close out market positions. Company's treasury maintains flexibility in funding by maintaining availability under deposits in banks.

Management monitors cash and cash equivalents on the basis of expected cash flows.

**(i) Financing arrangements**

The Company had access to the following undrawn borrowing facility at the end of the reporting facilities.

### C. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk and other price risk, such financial instruments affected by market risk include loans and borrowings, deposits etc.

#### Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term and short term borrowings. The company has borrowed funds on fixed rate of interest, there is no impact on the entity due to any interest fluctuations.

### 37 Capital Management

#### A. Capital Management and gearing Ratio:

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves. The primary objective of the Company's capital management is to maximise the shareholder value.

Capital includes equity attributable to the equity holders. The primary objective of the Company's capital management is to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value. The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31<sup>st</sup> March, 2025 and 31<sup>st</sup> March, 2024.
