MANAGEMENT DISCUSSION AND ANALYSIS

The Board takes pleasure in presenting your Company's Forty-Fifth Annual Report for the year 2017-18 along with the compliance report on Corporate Governance. This chapter on Management Discussion and Analysis forms a part of the compliance report on Corporate Governance.

Global Economy

As per IMF, World GDP growth picked up to 3.7% in 2017 as compared to 3.1% in 2016. The growth forecast for near future is slightly optimistic with World GDP expected to grow at 3.9% in both 2018 and 2019.

Real GDP Growth (%)

Calendar Year	2016	2017	2018 (p)	2019 (p)
World	3.1	3.7	3.9	3.9
Advanced Economies	1.7	2.3	2.5	2.2
Emerging Markets	4.1	4.8	4.9	5.1

All numbers are in percentages
(p) Refers to projections
Source : IMF, World Economic Outlook, April, 2018

Advanced Economies

Advanced Economies' growth accelerated to 2.3% in 2017 as compared to 1.7% in 2016. The Advanced Economies are expected to grow further by 2.5% in 2018 and 2.2% in 2019.

However, the Advanced Economies will have continued overhang of soft demand growth, ageing population (mainly in Japan and Europe) and low productivity growth.

Emerging Markets

Emerging Market economies are expected to increase their growth rate marginally from 4.8% in 2017 to 4.9% and 5.1% in 2018 and 2019 respectively.

Within Emerging Markets, China's GDP growth is expected to decelerate from 6.9% in 2017 to 6.6% and 6.4% in 2018 and 2019 respectively. Beyond 2019, China's growth is expected to gradually slow down to 5.5% due to continued shift from investment led growth (supported by government policies) to consumption led growth.

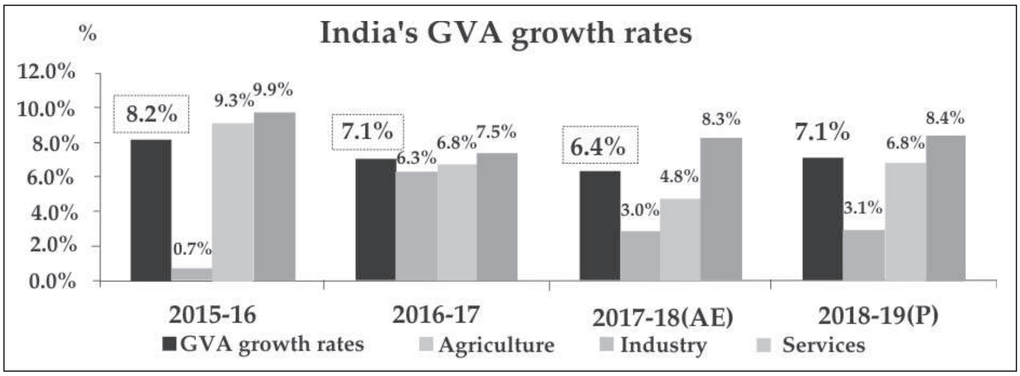
Other countries in Emerging Markets showed positive signs. India's economic growth is expected to accelerate as the country recovers from transitory effects of demonetisation initiative and implementation of GST. Further, the Indian domestic consumption story remains intact.

Other Asian countries (Indonesia, Malaysia, Philippines, Thailand and Vietnam) have stable growth prospects.

It should also be noted that in 2017, Brazil and Russia have returned to growth of 1% and 1.5% respectively after facing deep recessions for the past 2-3 years.

Indian Economy

As per Ministry of Statistics and Programme Implementation (MoSPI), Government of India's Advance Estimates (AE), Indian Gross Value Added (GVA) grew by 6.4% in FY 2017-18 as compared to previous year.



AE : Advance Estimates from MoSPI

P : Projections from RBI

Source :

1. MoSPI, Govt. of India, Press Note dated 28th February, 2018
2. RBI's Survey of Professional Forecasters dated 5th April, 2018

As shown in the chart, India's overall GVA growth decreased to 6.4% in FY 2017-18 from 7.1% in FY 2016-17 due to slower growth rates in Agriculture and Industry. However, Services Sector's growth increased to 8.3% in FY 2017-18 as compared to 7.5% last year.

Going forward, India's economy is expected to witness 7.1% growth in FY 2018-19. Here, Agriculture, Industry and Services Sectors are expected to grow at 3.1%, 6.8% and 8.4% respectively.

India moved to 100th rank in 2017 from 130th in 2016 in the World Bank's "Ease of Doing Business" global rankings on the back of sustained business reforms over the past several years. Due to such a jump of 30 ranks, the World Bank recognised India as one of the top 10 improvers in 2017. Indian Government now aims to be in the top 50 countries in 2018.

Due to insufficient irrigation, Indian Agriculture Sector is still largely dependent on monsoon. In 2018, as per Indian Meteorological Department (IMD), the monsoon seasonal rainfall is likely to be 97% of the Long Period Average (LPA) i.e. near normal rainfall. This should augur well for the economy in general and rural economy in particular. In 2017, monsoon rainfall was 95% of the Long Period Average (LPA).

World Steel Industry

In 2017, World Crude Steel production increased by 5.3% to 1,691 Million MTs from 1606 Million MTs in 2016.

	CY 2016	CY 2017	Y o Y%
World Crude Steel	1606.3	1,691.2	5.3%
China	786.9	831.7	5.7%
EU (28)	162.1	168.7	4.1%
Japan	104.8	104.7	-0.1%
USA	78.5	81.6	3.9%
India	95.5	101.4	6.2%

All numbers are in Million Tonnes except percentages.

Source : World Steel Association (WSA), January, 2018

In 2017, all the major steel producing countries (except Japan) saw positive steel growth.

China, the leading producer of steel, contributed 49% of the global output at 831.7 Million MTs in 2017, showing 5.7% growth over previous year.

The European Union (EU) recorded an increase of 4.1% in 2017 over 2016, producing 168.7 Million MTs of crude steel.

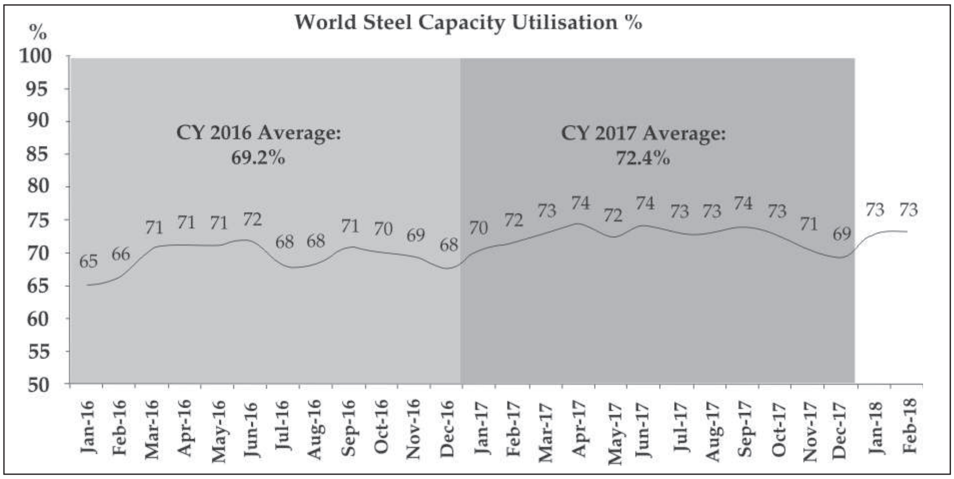
Japan's crude steel production continued its decrease and was down by 0.1% in 2017 to 104.7 Million MTs.

USA's crude steel production increased by 3.9% at 81.6 Million MTs in 2017 as compared to that in 2016.

India produced 101.4 Million MTs in 2017 with 6.2% growth over that in 2016.

Global Crude Steel Capacity Utilisation

As global steel industry still suffers from excess capacity, overall average global capacity utilisation was 72.4% in 2017.



In early 2018, the global capacity utilisation has seen an increasing trend to reach 73% in February, 2018.

Indian Steel Industry

As per World Steel Association, crude steel production in India increased by 6.2% in 2017 as compared to 2016.

Crude Steel Production	CY 2016	CY 2017	YoY %
Production (Mil T)	95.5	101.4	6.2%

Source : World Steel Association

It is interesting to note that in 2017 India clocked the 3rd highest growth in crude steel production among major steel producing countries – after Turkey (13.1%) and Brazil (9.9%).

On the steel consumption side, India's finished steel consumption increased by 4.4% from 83.5 Million Tonnes in 2016 to 87.2 Million Tonnes in 2017.

Finished Steel Consumption	CY 2016	CY 2017	YoY %
Production (Mil T)	83.5	87.2	4.4%

Source : World Steel Association

Going forward, India's finished steel consumption is expected to grow to 92 Million Tonnes in 2018 and 97.5 Million Tonnes in 2019 showing 5.5% and 6.0% growth in 2018 and 2019 respectively. However, even stronger steel demand growth may be seen when private investment cycle kicks in.

Industry Profitability Outlook

FY 2017-18 has been a challenging year for Indian Steel industry with slow demand pickup, steel imports and highly leveraged balance sheets.

Going forward, the industry profitability is expected to witness more challenges and risks as follows :

- Increasing Iron Ore prices : NMDC increased the floor prices of Iron Ore Lumps* & Fines* by 31% and 23% respectively between April, 2017 and March, 2018.

  Such steep increase in Iron ore price has severely affected Karnataka steel industry

  Lumps : NMDC Karnataka E-auction data for 63.0% Fe Iron Ore Lumps

  Fines : NMDC Karnataka E-auction data for 60.2% Fe Iron Ore Fines

- Increasing Coke prices : Prices of Metallurgical Coke** remained volatile during FY 2017-18.

  Between April, 2017 and March, 2018, the CFR India LAM Coke prices have increased by around 12%, which directly affected steel companies not having captive coke ovens.

  Further, in November, 2016, the Department of Commerce had imposed an anti-dumping duty on Low Ash Metallurgical Coke at 25.2 USD/T and 16.29 USD/T for imports from China and Australia respectively.

  Such anti-dumping duty coupled with rising global Coke & Coking coal prices has severely affected Indian steel Industry.

  **Reference :

  Coke : Low Ash Metallurgical Coke CFR India prices from Platts report

- Chinese overcapacity : As China shifts towards a consumption led economy, Chinese steel industry is being forced to export more and more steel to maintain its capacity utilisation.

  It is pertinent to note that even though there were various talks of China cutting its steel capacity, in reality, the Chinese crude steel production has increased by 5.7% in CY 2017.

Given the above scenario, it is becoming more and more important to focus on cost reduction and quality improvement to remain competitive in current market and to maintain margins.

Initiatives taken by the Company

The Company is in continuous pursuit of creating more value for all its stakeholders. The Company's various functional teams have taken some remarkable initiatives to not only strengthen its profitability in near future but also gain medium to long-term competitive advantage over its peers.

Marketing Initiatives

The Company has chalked out clear road map for Approvals and New Product Development with major OEMs in Domestic and International spaces.

The Company has continued focus on niche segments such as critical components in Automotive and Engineering, where the product range is less susceptible to global market fluctuations. Moreover, our efforts to improve service levels and close coordination with all stakeholders allowed us to consolidate our position as the preferred supplier to our customers.

Cost Reduction & Quality Improvement Initiatives

The Company continued its efforts for Cost reduction and Quality improvement. The details of the same are mentioned in Annexure "A" to the Directors' Report.

Company Performance

- Revenue from Operations – ₹ 13,870 Million
- Profit before Taxation – ₹ 1,746 Million

Revenue from Operations includes Manufacturing Revenue of ₹ 13,000 Million, Trading Revenue of ₹ 675 Million, and other Operating Revenue of ₹ 195 Million.

Manufacturing Revenue consists of sale of Rolled Products, As Cast Blooms and Rounds and Pig Iron. The Company sold 234,989 tonnes of 'Rolled Products' aggregating ₹ 12,215 Million, 14,533 tonnes of 'As Cast Blooms and Rounds' aggregating ₹ 679 Million, 4,095 tonnes of 'Pig Iron' aggregating ₹ 106 Million. The Manufacturing Turnover includes exports of 5,568 tonnes of Steel aggregating ₹ 584 Million.

Internal Control Systems and their adequacy

The Company has well established internal control systems commensurate with its size and nature of business. These systems have been designed to provide a reasonable assurance with regard to maintaining of proper accounting controls for ensuring reliability of financial reporting, monitoring of operations, protecting assets from unauthorised use or losses and compliance with regulations. The systems provide for well-defined policies, guidelines and authorisations and approval procedures.

The internal control is supplemented by an extensive review by internal auditors. The prime objective of internal audit is to test the adequacy and effectiveness of the internal controls laid down by the management and to suggest improvements. Observations of the internal auditors are subject to periodic review and compliance monitoring. The Audit Committee of Directors reviews the significant observations made by internal auditors along with status of action thereon.

Human Resources

The Company is privileged to have an excellent pool of human resources working with it. The Company considers the quality of its human resources to be its most important asset and places great emphasis on training and development of employees at all levels. The Company's strategy of empowering people at all levels to take decisions and encouraging free flow of information and ideas has helped strengthening of its human capital.

As on 31st March, 2018 the Company has 69 employees. 1,043 employees are on the roll of Hospet Steels Limited, which is a Joint Venture Company formed with the specific purpose of managing and operating the composite steel making facility at Ginigera, in terms of Strategic Alliance between the Company and Mukand Limited.

Cautionary Statement

Statements in this management discussion and analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the industry – global or domestic or both, significant changes in political and economic environment in India, applicable statues, litigations, labour relations and interest costs.

REPORT ON CORPORATE GOVERNANCE

CORPORATE GOVERNANCE PHILOSOPHY

Kalyani Steels believes that good Corporate Governance is a pre-requisite for attaining sustainable growth in the competitive world. The philosophy can be described as observing of business practices with the ultimate aim of enhancing long-term shareholders value and commitment of high standard of business ethics.

The Company is in compliance with the requirements stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with regard to Corporate Governance, applicable for the Financial Year 2017-18.

This chapter of the report, along with the information given under 'Management Discussion and Analysis' and 'Shareholder Information' constitutes the compliance report of the Company on Corporate Governance.

COMMITTEES OF THE BOARD

As on 31st March, 2018, the Company has Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee. The Board Committees are set up and reconstituted, as and when necessary, under the formal approval of the Board to carry out clearly defined role which are considered to be performed by the members of the respective Board Committees. The Company's guidelines relating to Board Meetings are applicable to the Committee Meetings, as far as practicable. Minutes of the proceedings of the Committee Meetings are placed before the Board Meeting for consideration and noting. The Company Secretary acts as the Secretary of all Committees.

AUDIT COMMITTEE

As on 31st March, 2018, the Audit Committee of Kalyani Steels comprised four members, of which three are Independent Directors. All the members have accounting and finance management expertise. The Chairman of the Audit Committee is Mr.S.S. Vaidya. Mr.B.N. Kalyani, Mr.B.B. Hattarki and Mr.M.U. Takale are the other members of the Committee. The Annual General Meeting of the Company held on 1st August, 2017 was attended by the Chairman of the Audit Committee, Mr.S.S. Vaidya, to answer the shareholders' queries.

The representatives of the Statutory Auditors, Internal Auditors and remaining Board Members are permanent invitees to the Audit Committee Meetings.

During the year 2017-18, Audit Committee met on 25th May, 2017, 11th August, 2017, 9th November, 2017and 5th February, 2018 and there were no instances, where the Board had not accepted the recommendations of the Audit Committee. Particulars relating to the attendance at the Audit Committee meetings held during the year are given below :

Name of the Director	Category	Number of Meetings held	Number of Meetings attended
Mr.S.S. Vaidya, Chairman	Independent	4	4
Mr.B.N. Kalyani	Promoter Non-Executive	4	4
Mr.B.B. Hattarki	Independent	4	4
Mr.M.U. Takale	Independent	4	4

The Role of the Audit Committee of the Company include of the following :

- Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible.
- Recommendation for appointment, remuneration and terms of appointment of Auditors of the Company.
- Approval of payment to Statutory Auditors for any other services rendered by the Statutory Auditors.
- Reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the Board for approval, with particular reference to :
  - Matters required to be included in the Directors' Responsibility Statement to be included in the Board's Report in terms of clause (c) of sub-section 3 of Section 134 of the Companies Act, 2013.
  - Changes, if any, in accounting policies and practices and reasons for the same.
  - Major accounting entries involving estimates based on the exercise of judgment by management.
  - Significant adjustments made in the financial statements arising out of audit findings.
  - Compliance with listing and other legal requirements relating to financial statements.
  - Disclosure of any related party transactions.

NOMINATION AND REMUNERATION COMMITTEE

As on 31st March, 2018, Nomination and Remuneration Committee comprised of three Directors viz. Mr.M.U. Takale, Chairman, Mr.Amit B. Kalyani and Mr.B.B. Hattarki. During the year 2017-18, the Nomination and Remuneration Committee met on 25th May, 2017 and 9th November, 2017.

Role of Nomination and Remuneration Committee :

- Formulation of the criteria for determining qualifications, positive attributes and independence of Directors and recommend to the Board a policy, relating to the remuneration of the Directors, key managerial personnel and other employees.
- Formulation of criteria for evaluation of performance of Independent Directors and the Board.
- Devising a policy on Board diversity.
- Identifying the persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down and recommend to the Board their appointment and removal.
- Whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors.

Particulars relating to the attendance at the Nomination and Remuneration Committee meetings held during the year are given below :

Name of the Director	Category	Number of Meetings held	Number of Meetings attended
Mr.M.U. Takale, Chairman	Independent	2	2
Mr.Amit B. Kalyani	Non-Executive	2	2
Mr.B.B. Hattarki	Independent	2	2

BOARD DIVERSITY AND REMUNERATION POLICY

The Board on recommendation of the Nomination and Remuneration Committee, has approved Board Diversity and Remuneration Policy and the same is available on the Company's website. (Web-link: http://www.kalyanisteels.com/profile/code-of-conduct/board-diversity-remuneration-policy/). The Policy provides for criteria for determining qualifications, positive attributes & independence of director as well as remuneration policy for directors, key managerial personnel and other employees.

In terms of the said Policy, a director shall be a person of integrity, who possesses relevant expertise and experience and who shall uphold ethical standards of integrity and probity; act objectively and constructively; exercise his responsibilities in a bona-fide manner in the interest of the Company; devote sufficient time and attention to his professional obligations for informed and balanced decision making; and assist the Company in implementing the best corporate governance practices. An Independent director should also meet the requirements of the Companies Act, 2013 and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Remuneration to Non-Executive Directors

The Non-executive Directors are paid sitting fees for attending each meeting of the Board and of the Committees thereof as specified by the Board. Each of the Non-executive Directors is paid sitting fee of ₹ 2,000/- per meeting attended by him. The Non-Executive Directors also draw remuneration in the form of commission, upto an aggregate amount not exceeding 1% of the net profits of the Company for the year, as may be decided by the Board of Directors from time to time.

Payments to Non-Executive Directors are decided based on multiple criteria of seniority / experience, number of years on the Board, Board / Committee meetings attended, Director's position on the Company's Board Committees, other relevant factors and performance of the Company.

Remuneration to Managing Director, Key Managerial Personnel and other Employees

The Remuneration to Managing Director shall take into account the Company's overall performance, Managing Director's contribution for the same & trends in the industry in general, in a manner which will ensure and support a high performance culture.

The Managing Director is paid remuneration as per the terms approved by the Nomination and Remuneration Committee and the Board and confirmed by the Shareholders of the Company. The remuneration of the Managing Director comprises of Salary, Commission and Perquisites besides contributions to provident fund, superannuation and gratuity and leave encashment facility. The Company does not have any stock option scheme.

Remuneration to Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals. The Remuneration will be such, so as to ensure that the relationship of remuneration to performance is clear and meets appropriate performance benchmarks.

Mr.M.U. Takale	Independent	2	2
Mr.R.K. Goyal	Executive	2	2

INDEPENDENT DIRECTORS MEETING

During the year under review, the Independent Directors met on 5th February, 2018, inter alia to discuss :

- Evaluation of the performance of Non-Independent Directors and Board of Directors, as a whole.
- Evaluation of the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-Executive Directors.
- Evaluation of the quality, quantity and timeliness of flow of information between the Company Management and the Board of Directors, that is necessary for the Board of Directors to effectively and reasonably perform their duties.

All the Independent Directors were present at the meeting. The Directors expressed their satisfaction with the evaluation process.

2. MANAGEMENT

MANAGEMENT DISCUSSION AND ANALYSIS

This Annual Report has a detailed chapter on Management Discussion and Analysis.

DISCLOSURES

RELATED PARTY TRANSACTIONS

All transactions entered into with related parties during the financial year were in ordinary course of business and have been approved by the Audit Committee. The Board has approved a policy for related party transactions which has been uploaded on the Company's website. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/related-party-transactions-policy/).

None of the transactions with any of the related parties were in conflict with the interest of the Company. Attention of the members is drawn to the disclosure set out in Notes to Financial Statements forming part of the Annual Report.

DISCLOSURES BY MANAGEMENT TO THE BOARD

All disclosures relating to financial and commercial transactions where Directors may have a potential interest are provided to the Board and the interested Directors do not participate in the discussions nor do they vote on such matters.

WHISTLE BLOWER POLICY

The Company promotes ethical behavior in all its business activities and has put in place a mechanism for reporting illegal / unethical behavior. The Company has vigil mechanism named 'Whistle Blower Policy', wherein the employees / directors can report the instances of unethical behavior, actual or suspected fraud or any violation of the Code of Conduct and / or laws applicable to the Company and seek redressal. This mechanism provides appropriate protection to the genuine Whistle Blower, who avails of the mechanism. The details of establishment of Whistle Blower Policy / Vigil Mechanism have been disclosed on the website of the Company. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/whistle-blower/)

INDEPENDENT DIRECTORS TRAINING AND INDUCTION

The Independent Directors are provided with necessary documents / brochures and reports to enable them to familiarise with the Company's business, procedures and practices. Along with role, function, duties and responsibilities expected from Director, the Director is also explained in detail the compliances required from him under the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other relevant regulations and his affirmation is taken with respect to the same.

Further, with a view to familiarise Director with the Company's operations, plant visit is scheduled and the Managing Director also has one-to-one discussion with the newly appointed Director. These initiatives help the Director to understand the Company, its business and the regulatory framework in which the Company operates and equips him to effectively fulfill his role as a Director of the Company. The details of this familiarisation programme are available on the website of the Company. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/terms-of-the-appointment-of-independent-directors-of-kalyani-steels-limited/)

3. SHAREHOLDERS

To the Members of
Kalyani Steels Limited

We have examined the compliance of conditions of Corporate Governance by Kalyani Steels Limited for the year ended 31st March, 2018, as stipulated in a SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of an opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that, the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations, as applicable.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

DIRECTORS' REPORT

To,
The Members,

The Directors have pleasure in presenting the Forty-Fifth Annual Report on the business and operations of the Company together with the Audited Financial Statements for the Financial Year ended 31st March, 2018.

1. **Financial Highlights (on stand-alone basis) :**

(₹ in Million)

		2017-18	2016-17
Total Income	:	**14,042.13**	14,237.83
Total Expenditure	:	**11,837.59**	11,228.93
Finance Cost	:	**86.37**	96.31
Depreciation & amortisation expenses	:	**372.22**	520.26
Profit before Tax	:	**1,745.95**	2,392.33
Tax Expenses :			
- Current Tax	:	**610.63**	903.71
- Deferred Tax	:	**(13.50)**	(76.20)
Profit after Tax	:	**1,148.82**	1,564.82

2. **Indian Accounting Standards (Ind AS) :**

The Ministry of Corporate Affairs (MCA), vide its notification dated 16th February, 2015, notified the Indian Accounting Standards (Ind AS) applicable to certain classes of companies. Ind AS has replaced the existing Indian GAAP prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014.

Being applicable, the Company has adopted Ind AS from April 1, 2017 and accordingly, the transition was carried out, from the Accounting Principles generally accepted in India as specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 (previous GAAP) to Ind AS 101 "First time adoption of Indian Accounting Standards".

The impact of transition has been recorded in opening reserves as at April 1, 2016 and the periods presented have been restated / reclassified.

The reconciliation and descriptions of the effect of the transition from Indian GAAP to Ind AS have been provided in Note 47 of the notes forming part of separate financial statements.

3. **Dividend & Reserves :**

The Directors are pleased to recommend a dividend of ₹ 5/- per Equity Share of ₹ 5/- each (i.e.100%) for the financial year ended 31st March, 2018, for approval of the members. The dividend on Equity Shares, if approved by the members would involve a cash outflow of ₹ 218.27 Million plus a dividend tax of ₹ 44.87 Million.

During the year under review, no transfer is made to the General Reserve. An amount of ₹ 7,035.59 Million is retained as surplus in the Statement of Profit and Loss.

4. **Performance of the Company :**

During the Financial Year ended 31st March, 2018, the Company achieved Revenue from Operation of ₹ 13,870.15 Million against ₹ 14,105.10 Million in the previous year. The Profits before Tax is ₹ 1,745.95 Million, against ₹ 2,392.33 Million in the previous year.

In the steel industry, cost is the main driver for competitiveness. During the year under review cost of key raw materials such as Iron Ore, Coke, Electrodes, Refractories etc. has increased substantially, however there was a delay in accepting such increased costs by our customers, which resulted in comparatively lower profits. Secondly in view of the reduction in margins for sale of Pig Iron, the Company sold 4,095 tonnes of Pig Iron as compared to 26,686 tonnes in the previous year.

5. **State of Company's Affairs :**

Discussion on the state of Company's affairs has been covered as part of the Management Discussion and Analysis (MD&A). MD&A for the year under review, as stipulated under Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is presented in a separate section forming part of the Annual Report.

6. Corporate Governance

The Company has committed to maintain the highest standards of Corporate Governance and adhere to the Corporate Governance Requirements set out by SEBI. The Report on Corporate Governance as stipulated under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is presented in a separate section forming part of the Annual Report.

The requisite certificate from Auditors of the Company viz. M/s. P. G. Bhagwat, Chartered Accountants, Pune confirming compliance with conditions of Corporate Governance is attached to Report on Corporate Governance.

7. Deposits

During the year under review, the Company has not accepted any deposit under Chapter V of the Companies Act, 2013.

8. Directors

In terms of the provisions of the Companies Act, 2013 and the Articles of Association of the Company, Mr.B.N. Kalyani, Chairman and Mr.S.M. Kheny, Director of the Company, are retiring by rotation at the ensuing Annual General Meeting and being eligible, have offered themselves for re-appointment.

Mr.C.G. Patankar, Independent Director of the Company resigned with effect from 11th August, 2017, due to his other pre-occupations and ceased to be the Director of the Company. The Board places on record its appreciation of the valuable contributions made by Mr.Patankar during his tenure as Director of the Company.

Mr.S.S. Vaidya, Independent Director of the Company resigned with effect from 18th May, 2018, due to health reasons and ceased to be the Director of the Company. The Board places on record its appreciation of the valuable contributions made by Mr.Vaidya during his tenure as Director of the Company.

The Board of Directors at its meeting held on 9th November, 2017 had co-opted Mr.Sachin K. Mandlik, as an Additional Independent Director for the period of 5 (five) years from 9th November, 2017 to 8th November, 2022, subject to approval of the members at the ensuing Annual General Meeting.

The Board of Directors at its meeting held on 18th May, 2018 had co-opted Mr.Shrikrishna K. Adivarekar, as an Additional Independent Director for the period of 5 (five) years from 18th May, 2018 to 17th May, 2023, subject to approval of the members at the ensuing Annual General Meeting.

Mr.B.B. Hattarki, Independent Director on the Board of the Company is seeking re-appointment for a second term of 5 (five) years with effect from 1st April, 2019 to 31st March, 2024.

These appointment / re-appointments form part of the Notice of the Annual General Meeting and the Resolutions are recommended for your approval. Profiles of these Directors, are given in the Report on Corporate Governance for reference of the members.

The Company has received declarations from all Independent Directors that they meet the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

8.1 Board Evaluation

Pursuant to provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board has carried out an annual performance evaluation of its own performance, the directors individually as well as the evaluation of the working of its Committees. Performance evaluation has been carried out as per the Board Diversity and Remuneration Policy.

8.2 Board Diversity and Remuneration Policy

The Board has, on the recommendation of the Nomination & Remuneration Committee framed a policy for selection and appointment of Directors, Senior Management and their remuneration. The Board Diversity and Remuneration Policy is available on the website of the Company. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/board-diversity-remuneration-policy/)

8.3 Meetings of the Board

During the Financial Year 2017-18, four Board Meetings were convened and held. Also a separate meeting of Independent Directors as prescribed under Schedule IV of the Companies Act, 2013 was held. The details of meetings of Board of Directors are provided in the Report on Corporate Governance that forms part of this Annual Report.

9. Directors' Responsibility Statement

Pursuant to the requirements under Section 134(5) of the Companies Act, 2013, with respect to Directors' Responsibility Statement, it is hereby confirmed that :

i) in the preparation of the annual accounts for the year ended 31st March, 2018, the applicable accounting standards have been followed and that there are no material departures;

ii) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2018 and of the profit of the Company for that period;

iii) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

iv) the Directors have prepared the annual accounts for the year ended 31st March, 2018, on a going concern basis;

v) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and

vi) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

10. Conservation of Energy, Technology Absorption and Foreign Exchange Earnings & Outgo

The information on conservation of energy, technology absorption and foreign exchange earnings and outgo, as required to be disclosed under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014 is annexed herewith as Annexure "A".

11. Corporate Social Responsibility

The Company has been carrying out various Corporate Social Responsibility (CSR) activities in the areas of education, health, water, sanitation etc. These activities are carried out in terms of Section 135 read with Schedule VII of the Companies Act, 2013 and Companies (Corporate Social Responsibility Policy) Rules, 2014.

The details of CSR Activities undertaken by the Company are annexed herewith as Annexure "B". The CSR Policy is available on Company's website. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/corporate-social-responsibility-csr/)

12. Related Party Transactions

All contracts or arrangements entered into by the Company with Related Parties during the financial year were in the ordinary course of business and on an arm's length basis. Pursuant to Section 134 of the Companies Act, 2013 read with Rule 8(2) of the Companies (Accounts) Rules, 2014, the particulars of transactions with related parties, are provided in Form AOC-2, which is annexed herewith as Annexure "C". Related party disclosures as per Ind AS have been provided in Note 39 of the notes forming part of separate Financial Statements.

The policy on Related Party Transactions as approved by the Board is uploaded on the Company's website. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/related-party-transactions-policy/)

13. Risk Management

The Company recognises that risk is an integral and unavoidable component of business and is committed to managing the risk in a proactive and efficient manner. The Company as part of business strategy has in place a mechanism to identify, assess, monitor risks and mitigate various risks with timely action. Risks are discussed at the meetings of the Audit Committee and the Board of Directors of the Company.

14. Audit Committee

As on 31st March, 2018, the Audit Committee comprises of Mr.S.S. Vaidya, Chairman of the Committee and Independent Director, Mr.B.N. Kalyani, Promoter Non-Executive Director, Mr.B.B. Hattarki, Independent Director and Mr.M.U. Takale, Independent Director.

All the recommendations made by the Audit Committee were deliberated and accepted by the Board during the Financial Year 2017-18.

15. Auditors and Auditor's Report

The members, at their Forty-Fourth Annual General Meeting held on 1st August, 2017, had appointed M/s. P.G. Bhagwat, Chartered Accountants, Pune, as Auditors of the Company, to hold office for the period of five years i.e. from the conclusion of Forty-Fourth Annual General Meeting till the conclusion of the Forty-Ninth Annual General Meeting to be held in 2022 and the said appointment was subject to ratification by members at every Annual General Meeting.

The Companies (Amendment) Act, 2017, has amended Section 139(1) of the Companies Act, 2013 effective from 7th May, 2018 whereby first proviso to Section 139(1) is omitted which provided for ratification of appointment of Auditors by members at every Annual General Meeting.

In view of the same, the Board of Directors have proposed to ratify the appointment of M/s. P. G. Bhagwat, Chartered Accountants, Pune (Firm Registration No.101118W), as Auditors of the Company, for the period of four years i.e. from the Conclusion of this Annual General Meeting till the conclusion of the Forty-Ninth Annual General Meeting to be held in 2022.

The Company has received letter from M/s. P. G. Bhagwat, Chartered Accountants, to the effect that ratification of appointment, if made, would be within the prescribed limits under Section 141(3)(g) of the Companies Act, 2013 and that they are not disqualified for appointment.

The Directors recommend ratification of appointment of Auditors from the conclusion to ensuing Annual General Meeting till the conclusion of the Forty-Ninth Annual General Meeting to be held in 2022.

The Notes on Financial Statements referred to in the Auditor's Report are self-explanatory and hence do not call for any further comments. The Auditor's Report does not contain any qualification, reservation, adverse remark or disclaimer.

16. Cost Auditors

Pursuant to Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014, as amended, the cost audit record maintained by the Company is required to be audited. The Board of Directors had, on the recommendation of the Audit Committee, appointed M/s S.R. Bhargave & Co., Cost Accountants, Pune for conducting the cost audit of the Company for Financial Year 2018-19.

As required under the Companies Act, 2013, the remuneration payable to the Cost Auditors is required to be ratified by the members of the Company. Accordingly, resolution seeking members' ratification for remuneration to be paid to Cost Auditors is included at Item No.10 of the Notice convening Annual General Meeting.

17. Secretarial Audit and Secretarial Standards

Pursuant to provisions of Section 204 of the Companies Act, 2013, the Board had appointed M/s. SVD & Associates, Company Secretaries, Pune, to undertake Secretarial Audit of the Company for the Financial Year 2017-18. The Secretarial Audit Report for the Financial Year ended 31st March, 2018, is annexed herewith as Annexure "D". The Secretarial Audit Report does not contain any qualification, reservation, adverse remark or disclaimer.

The Company is compliant with the Secretarial Standards issued by the Institute of Company Secretaries of India and approved by Central Government under Section 118(10) of the Companies Act, 2013.

18. Particulars of Employees and related Disclosures

The information required pursuant to Section 197(12) of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended, has been provided in Annexure "E".

19. Extract of the Annual Return

An extract of the Annual Return of the Company, pursuant to the Section 92(3) of the Companies Act, 2013, in Form MGT-9 is annexed hereto as Annexure "F".

20. Whistle Blower Policy

The Company has vigil mechanism named 'Whistle Blower Policy', wherein the employees / directors can report the instances of unethical behavior, actual or suspected fraud or any violation of the Code of Conduct and / or laws applicable to the Company and seek redressal. This mechanism provides appropriate protection to the genuine Whistle Blower, who avail of the mechanism. During the year under review, the Company has not received any complaint under the said mechanism. The 'Whistle Blower Policy' as approved by the Board is uploaded on the Company's website. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/whistle-blower/)

21. Particulars of Loans, Guarantees or Investments

Particulars of Loans, Guarantees and Investments covered under Section 186 of the Companies Act, 2013, form part of the notes to the Financial Statements provided in this Annual Report.

22. Internal Financial Controls

The Company has in place adequate internal financial controls with reference to the Financial Statements. During the year, such controls were tested and no reportable material weakness was observed in the design or implementation.

23. Material Changes and Commitments, if any affecting Financial Position of the Company

There are no adverse material changes or commitments occurring after 31st March, 2018, which may affect the financial position of the Company or may require disclosure.

24. Significant and Material Orders

There are no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and Company's operations in future.

25. Familiarisation Programme

The Board members are provided with necessary documents / brochures, reports and internal policies to enable them to familiarise with the Company's procedures and practices. Periodic presentations are made at Board Meetings, Board Committee Meetings, on business and performance updates of the Company, global business environment, business strategy and risks involved.

The details of programmes for familiarisation of Independent Directors with the Company are put up on website of the Company. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/terms-of-the-appointment-of-independent-directors-of-kalyani-steels-limited/)

26. Subsidiaries, Joint Ventures or Associate Companies

As on 31st March, 2018, the Company has one Subsidiary and two associates / joint venture companies. A statement containing the salient features of the financial statement of the subsidiary and associates / joint ventures in the prescribed format AOC–1 is annexed hereto as Annexure "G".

The Policy for determining 'Material' subsidiaries has been displayed on the Company's website. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/policy-on-material-subsidiary/)

27. Consolidated Financial Statements

The Consolidated Financial Statements, pursuant to Section 129 of the Companies Act, 2013 are attached to the Standalone Financial Statements of the Company.

28. Transfer to Investor Education and Protection Fund (IEPF)

Pursuant to provisions of the Companies Act, 2013, the declared dividends, which are unpaid or unclaimed for a period of seven years, shall be transferred by the Company to the Investor Education and Protection Fund (IEPF) established by the Central Government,

Accordingly, the unpaid or unclaimed dividend remaining unpaid or unclaimed for a period of seven years from the date they became due for payment, have been transferred to the IEPF established by the Central Government.

Pursuant to section 124(6) of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, all shares in respect of which dividend has not been paid or claimed for seven consecutive years or more, shall be transferred by the Company to IEPF.

Accordingly, the Company after complying with all the requisite procedures, has transferred 128,464 Equity Shares to IEPF Authority.

29. Obligation of Company under The Sexual Harassment of Women at Workplace (Prevention, Prohibition And Redressal) Act, 2013

In terms of provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, the Company has formulated a Policy to prevent Sexual Harassment of Women at Workplace. During the year under review, one complaint was filed and redressed pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

30. Acknowledgement

The Directors would like to express their sincere appreciation of the co-operation received from the Central Government, the Government of Maharashtra, the Government of Karnataka, Karnataka Industrial Area Development Board, Financial Institutions and the Bankers. The Directors also wish to place on record its appreciation for the commitment displayed by all employees at all levels, resulting in the successful performance of the Company during the year.

The Directors also take this opportunity to express its deep gratitude for the continued co-operation and support received from its valued shareholders.

The Directors express their special thanks to Mr.B.N. Kalyani, Chairman of the Company, for his untiring efforts for the progress of the Company.

ANNEXURE - A TO DIRECTORS' REPORT

INFORMATION ON CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

A. CONSERVATION OF ENERGY :

I. The steps taken and impact on conservation of energy :

Energy Conservation Initiatives :

a) Certain fixed drives replaced with VVVF Drives as detailed below :

i) Sinter Plant - 2 Primary mixing drum motor : The VVVF drive will allow motor RPM to be regulated as per actual load requirement, resulting in power saving to the extent of 12%.

ii) PCI Mill - 1 & 2 Combustion Air Fans' motors : The VVVF drive will allow motor RPM to be regulated as per actual load requirement. This speed regulation along with removal of inlet damper resulted in power saving to the extent of 42%.

iii) Hot Gas dilution Fan motor for Coke & Iron Ore Drying system : The VVVF drive will allow motor RPM to be regulated as per actual load requirement. This speed regulation of inlet damper resulted in power saving to the extent of 47% and 37%.

iv) Fan motors of Sinter Plant - 2 Cooler : The VVVF drive will allow motor RPM to be regulated as per actual load requirement. This speed regulation along with removal of inlet damper resulted in power saving to the extent of 18%.

v) Rolling Mill - 2 Roller Table drives : Similar action resulted in power saving to the extent of 48% in roller table drives.

b) MBF - 1 & 3 stove hydraulics : Implementation of Automation system to power the hydraulic circuit from accumulator and using the pumps only for pressurising accumulator resulted in power saving to the extent of 33% in the said hydraulic circuits.

c) MBF - 1 Fume Extraction System's Screw Conveyer motors and Overhead water tank filling system : Implementation of automation has effected reduced operating time which has resulted in lower power consumption.

d) Modification of Non-drainable trough at MBF - 3 : Resulted in improvement of the life of trough leading to reduction in the furnace down time and in turn, improvement in fuel rate.

e) Modification in Pulverize Coal Injection (PCI) system to improve PCI consumption at MBF - 3 resulting in reduced Coke Consumption.

f) Cone and inlet damper modification in Main Exhaust Fan and Tail ESP Fan of Sinter Plant has resulted in lower power losses.

g) Installation 120 W & 37 W LED Lights in place of Mercury / Sodium vapour 400 W & 70 W Lamps respectively in various places in the Iron Making Division.

h) Installation of 150 W LED lights in place of 800 W conventional metal halide lamps in Rolling Mills - 1 & 2.

II. The steps taken by the Company for utilising alternate sources of energy :

In Sinter plant, Anthracite coal is being used as an alternative for conventional fuel such as Coke fines.

III. The capital investment on energy conservation equipment : NA

B. TECHNOLOGY ABSORPTION :

I. The efforts made towards technology absorption :

i) Air Mist cooling introduced in Bloom caster for uniform cooling of blooms leading to lesser columnar growth (smaller dendritic structure) leading to much better internal soundness.

ii) Electro-mechanical short lever oscillator replaced with Hydraulic Oscillator in Bloom Caster for flexibility with oscillation curves resulting in better surface quality of blooms.

II. The benefits derived like product improvement, cost reduction, product development or import substitution :

i. Cost Reduction :

(a) Installation of Centrifugal Compressor in Iron Making Division (i.e. Sinter Plants & MBFs) to replace 7 smaller compressors resulting in power saving of 34 Units per 1000 CFM (Cubic Foot per Min).

(b) In Sinter Plant, Mill Scale usage increased as a replacement of Iron Ore fines which is resulting in reduction in coal/coke fines consumption.

ii. Product Development / Quality Improvement :

(a) Powertrain critical application steel developed as an import substitution for one of our customers.

(b) Hub Bearing steel developed to cater to two leading global bearing manufacturers.

(c) Achieved superior Hot Rolled bars surface quality (in terms of lower Seams defects) due to various improvement initiatives such as :

1. Introduction of spacer between blooms in re-heating furnace.
2. De-scaler pressure improvement by spraying system modification.
3. LPG injection in re-heating furnace to reduce oxidation etc.

(d) Stencil Number marking system introduced on blooms for better legibility and traceability.

(e) Single rolling process developed for achieving same quality using Double Rolling process for select material, leading to energy saving.

III. In case of imported technology (imported during the last three years reckoned from the beginning of the financial year) :

a) Auto Grinding Machine :

i. Year of Import : 2017-18

ii. Whether technology been fully absorbed : Yes

iii. If not, areas where absorption has not taken place with reasons : N.A.

b) DC MOTOR (1650 kw) for Blooming Mill :

i. Year of Import : 2017-18

ii. Whether technology been fully absorbed : Yes

iii. If not, areas where absorption has not taken place with reasons : N.A.

IV. The expenditure incurred on Research and Development : Nil

C. Foreign Exchange Earning and Outgo :

I. The Foreign Exchange earned in terms of actual inflows during the year and the Foreign Exchange outgo during the year in terms of actual outflows :

a) Total foreign exchange used and earned : (₹ in Million)
Used : ₹ 3,938.12 Earned : ₹ 584.03

ANNEXURE - B TO DIRECTORS' REPORT

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

[Pursuant to Section 135 of the Companies Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014]

1. A brief outline of the Company's CSR Policy, including overview of projects or programmes proposed to be undertaken and a reference to the web-link to the CSR Policy and projects or programmes :

   Corporate Social Responsibility (CSR) Policy of the Company emphasize initiatives in specific areas of social development that would include primary, secondary education, skills development, vocational training, health and hygiene, preventive health care and sanitation, women empowerment, environment and ecological protection, character building by providing training opportunities in sports and cultural activities etc. The CSR Policy is available on the website of the Company. (Web-link : http://www.kalyanisteels.com/profile/code-of-conduct/corporate-social-responsibility-csr/)

2. The composition of the CSR Committee :

   The CSR Committee consists of three Directors viz. Mr.B.B. Hattarki, as the Chairman and Mr.M.U. Takale and Mr.R.K. Goyal, as members.

3. Average Net Profit of the Company for last three financial years : ₹ 1,787.89 Million
4. Prescribed CSR Expenditure (two per cent of the amount as in item 3 above) : ₹ 35.76 Million
5. Details of CSR spent during the Financial Year :

   a) Total amount to be spent for the financial year : ₹ 35.76 Million

   b) Amount unspent, if any : Not Applicable

   c) Manner in which the amount spent during the financial year is detailed below :

(₹ in Million)

No.	CSR Project or Activity identified	Sector in which the project is covered	Location District (State)	Amount outlay (budget) Project or Programme wise	Amount spent on the Project or Programme	Cumulative Expenditure upto reporting period	Amount spent : Direct or through implementing agency
1	Kalyani School	Education	Pune (Maharashtra)	33.38	33.38	33.38	Through implementing agency
2	Pratham Pune Educational Foundation	Education	Pune (Maharashtra)	2.07	2.07	2.07	Through implementing agency
3	Drinking Water Pipe Line Work	Healthcare	Koppal (Karnataka)	0.31	0.31	0.31	Directly
			Total	35.76	35.76	35.76	

The Responsibility Statement of the CSR Committee of the Board of Directors :

The implementation and monitoring of Corporate Social Responsibility (CSR) Policy, is in compliance with CSR objectives and Policy of the Company.

Mundhwa,
Pune - 411036

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Kalyani Steels Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of :

(i) The Companies Act, 2013 and The Companies Amendments Act, 2017 (the Act), the rules made thereunder (in so far as they are made applicable);

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of external commercial borrowing applicable;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

(b) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (not applicable to the Company during the Audit Period);

(d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (not applicable to the Company during the Audit Period);

(e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (not applicable to the Company during the Audit Period);

(f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client (not applicable to the Company during the Audit Period);

(g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (not applicable to the Company during the Audit Period); and

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (not applicable to the Company during the Audit Period).

(vi) No law is specifically applicable to the Company.

We have also examined compliance with the applicable clauses of the following :

(i) The Secretarial Standards issued by The Institute of Company Secretaries of India.

(ii) The Listing Agreement entered into by the Company with Stock Exchange pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that :

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were generally sent seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there are no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc. referred to above.

ANNEXURE - E TO DIRECTORS' REPORT

[Information pursuant to Section 197(12) of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (as amended)]

a) The ratio of remuneration of each Director to the median remuneration of the employees of the Company for the financial year :

Sr. No.	Name of the Director	Ratio
1	Mr.B.N. Kalyani	3.05
2	Mrs.Sunita B. Kalyani	1.89
3	Mr.Amit B. Kalyani	2.64
4	Mr.S.M. Kheny	0.39
5	Mr.S.S. Vaidya	1.37
6	Mr.B.B. Hattarki	0.63
7	Mr.M.U. Takale	0.39
8	Mr.Arun Pawar	0.19
9	Mr.Sachin K. Mandlik	0.38
10	Mr.R.K. Goyal	57.02

b) The percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year :

(₹ in Million)

Sr. No.	Name of Director	Remuneration		% increase / (decrease)
		2017-18 (₹)	2016-17 (₹)	
1	Mr.B.N. Kalyani	4.05	3.03	33.55
2	Mrs.Sunita B. Kalyani	2.51	2.01	24.78
3	Mr.Amit B. Kalyani	3.51	3.01	16.46
4	Mr.S.M. Kheny	0.52	0.32	63.29
5	Mr.S.S. Vaidya	1.82	1.52	19.63
6	Mr.B.B. Hattarki	0.84	0.79	6.87
7	Mr.M.U. Takale	0.52	0.53	(0.38)
8	Mr.Arun Pawar	0.25	0.51	(50.00)
9	Mr.Sachin K. Mandlik	0.50	N.A.	N.A.
10	Mr.R.K. Goyal	75.85	73.62	3.03

Percentage increase in remuneration of Mr.B.M. Maheshwari, Chief Financial Officer is 17.96% and of Mrs.D.R. Puranik, Company Secretary is 16.96%.

c) The percentage increase in the median remuneration of employee(s) in the financial year : 8.4%

d) The number of permanent employees on the role of the Company : 69 Employees as on 31st March, 2018

Management's Responsibility for the Standalone Ind AS Financial Statements

2. The Company's Board of Directors is responsible for the preparation of these standalone Ind AS financial statements in terms of the requirements of the matters stated in Section 134(5) of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the standalone financial position, standalone financial performance, standalone cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended), under Section 133 of the Act. The Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of standalone Ind AS financial statements. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the standalone Ind AS financial statements by the Directors of the Company, as aforesaid.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.

4. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the standalone state of affairs of the Company as at March 31, 2018 and their standalone profit (including other comprehensive income), their standalone cash flows and standalone changes in equity for the year ended on that date.

Other Matters

8. The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these standalone Ind AS financial statements, are based on the previously issued statutory financial statements for the years ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by us, on which we expressed an unmodified opinion dated May 25, 2017 and May 24, 2016 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

9. We did not audit the financial statements of one joint operation whose financial statements reflect total assets of ₹ 228.53 Million and net assets of ₹ (4.95) Million as at March 31, 2018, total revenue of ₹ 14.36 Million, net profit of ₹ 3.87 Million and net cash flows amounting to ₹ 18.13 Million for the year ended on that date, as considered in the standalone Ind AS financial statements as per Ind AS 111 "Joint Operations" on proportionate basis. These financial statements have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the standalone Ind AS financial statements in so far as it relates to the amounts and disclosures included in respect of this Joint Operation Company and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid joint operation, is based solely on the report of the other auditor.

10. The comparative financial information for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 in respect of on joint operation included in this standalone Ind AS financial statements on proportionate basis prepared in accordance with the Ind AS have been audited by other auditor and have been relied upon by us.

    Our opinion on the standalone Ind AS financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

11. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (hereinafter referred to as the "Order") and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order.

12. As required by Section143(3) of the Act, we report, to the extent applicable, that :

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid standalone Ind AS financial statements.

    (b) In our opinion, proper books of account as required by law have been kept by the Company and its Joint Operation Company incorporated in India so far as it appears from our examination of those books and the report of the other auditor.

    (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors and the report of the other auditor of its Joint Operation Company, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

    (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and its Joint Operation Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 'B'.

    (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us :

        i. The Company has disclosed the impact, if any, of pending litigations as at March 31, 2018 on its financial position in its standalone Ind AS financial statements - Refer Note 37;

        ii. The Company has long-term contracts including derivative contracts as at March 31, 2018 for which there were no material foreseeable losses;

        iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2018.

Annexure 'A' to Independent Auditor's Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of Kalyani Steels Limited on the standalone Ind AS financial statements as of and for the year ended March 31, 2018

i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of four years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.

(c) The title deeds of immovable properties, as disclosed in Note 3 on fixed assets to the financial statements, are held in the name of the Company.

ii. The physical verification of inventory have been conducted at reasonable intervals by the Management during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material.

iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, the provisions of Clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Section 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.

v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.

vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax, though there has been a slight delay in a few cases and is regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, sales tax, service tax, duty of customs, duty of excise, value added tax, Goods and Services Tax (with effect from July 1, 2017), cess and other material statutory dues, as applicable, with the appropriate authorities.

(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, sales tax, service tax, duty of customs, value added tax, Goods and Services Tax (with effect from July 1, 2017) which have not been deposited on account of any dispute. The particulars of dues of duty of excise as at March 31, 2018 which have not been deposited on account of a dispute, are as follows :

Name of the statute	Nature of dues	Amount (₹)	Period to which the amount relates	Forum where the dispute is pending
Central Excise Act, 1944	Excise Duty	9,425,387/-	August, 2008 to February, 2011	Customs, Excise and Service Tax Appellate Tribunal (CESTAT)

viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.

ix. The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans during the year. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.

x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

xi. The Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Ind AS 24, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.

xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.

xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

Annexure 'B'to the Independent Auditor's Report

Referred to in paragraph 12 (f) of the Independent Auditor's Report of even date to the members of Kalyani Steels Limited on the standalone Ind AS financial statements for the year ended March 31, 2018

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of Kalyani Steels Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date which includes internal financial controls with reference to financial statements of the Company's one Joint Operation which is incorporated in India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal financial controls over financial reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal financial controls with reference to financial statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2018, based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to one Joint Operation, which is a Company incorporated in India, is based on the corresponding report of the auditor of such Company incorporated in India. Our opinion is not qualified in respect of this matter.

STATEMENT OF CASH FLOW FOR THE YEAR ENDED MARCH 31, 2018

(₹ in Million)

	Year ended March 31, 2018	Year ended March 31, 2017
A. Cash Flows from Operating Activities :		
Profit before income tax	**1,745.95**	**2,392.33**
Adjustments to reconcile profit before tax to net cash flows		
Depreciation and amortisation	372.22	520.26
Interest expense	86.37	96.31
Dividend income	(71.24)	(29.27)
Profit on sale of property, plant and equipment	(0.08)	(0.07)
Interest from deposits and loans	(14.67)	(18.34)
Provision written back	(66.13)	(6.43)
Fair value loss on investments measured at FVTPL	0.60	2.46
Kalyani Mukand Limited write off (net)	(45.81)	—
Fair value gain / loss (net) on derivatives not designated as hedges	0.84	(4.70)
Receivables provided for / written off (net)	22.15	0.32
Adjustments for changes in working capital		
(Increase) / Decrease in inventories	231.13	(256.64)
(Increase) / Decrease in trade receivables	856.74	(1,212.27)
(Increase) / Decrease in other current assets	227.36	(13.80)
Increase / (Decrease) in provisions	3.87	4.35
Increase / (Decrease) in trade payables	(522.16)	913.78
Increase / (Decrease) in other financial liabilities	1.52	(0.02)
Increase / (Decrease) in other current liabilities	(282.90)	24.20
Cash generated from Operations	**2,545.76**	**2,412.47**
Income taxes paid (net of refunds)	(624.87)	(888.83)
Net Cash Flow from Operating Activities	**1,920.89**	**1,523.64**
B. Cash Flow from Investment Activities :		
Purchase of property, plant and equipment	(328.20)	(144.46)
(Increase) / Decrease in loans	4.28	2.58
(Purchase) / Sale of investments	(525.78)	(304.48)
Dividend received	71.24	29.27
Interest received	2.64	18.81
Sale of assets property, plant and equipment	0.94	14.18
Net Cash Flows from Investing Activities	**(774.88)**	(384.10)

STATEMENT OF CASH FLOW FOR THE YEAR ENDED MARCH 31, 2018

(₹ in Million)

	Year ended March 31, 2018	Year ended March 31, 2017
C) Cash Flows from Financing Activities		
Repayment of borrowings	(700.25)	(883.13)
Interest paid	(87.98)	(98.82)
Dividend paid	(262.70)	—
Net Cash Flows from Financing Activities	**(1,050.93)**	**(981.95)**
Net increase / (decrease) in cash and cash equivalents	**95.08**	**157.59**
Cash and cash equivalents at the beginning of the year (refer Note 13)	**235.09**	**77.50**
Cash and cash equivalents at the end of the year (refer Note 13)	**330.17**	**235.09**

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS

(All amounts are in Rupees Millions, except per share data and unless stated otherwise)

Background

Kalyani Steels Limited ("the Company") is a public limited company domiciled in India and incorporated in February, 1973 under the provisions of Companies Act, 1956. The equity shares of the Company are listed on two recognised stock exchanges in India i.e. BSE Limited (BSE) and National Stock Exchange of India Limited (NSE). The Company is primarily engaged in the business of manufacture and sale of Iron and Steel Products. The Company is an integrated manufacturer of diverse range of steel products with its manufacturing facility located at Hospet Works in Karnataka. The Registered Office of the Company is located at Mundhwa, Pune - 411036. The CIN of the Company is L27104MH1973PLC016350.

These separate financial statements for the year ended March 31, 2018 were approved by the Board of Directors and authorised for issue on May 18, 2018.

1A. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these separate financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

(i) Compliance with Ind AS

These separate financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended thereafter. For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements for the year ended March 31, 2018 are the first separate financial statements that the Company has prepared in accordance with Ind AS. Refer Note 47 - an explanation of how the transition from Indian GAAP to Ind AS has affected the Company's financial position and financial performance.

Joint operations

Certain of the Company's activities, are conducted through joint operations, which are joint arrangements whereby the parties that have joint control of the arrangement have rights to the assets and obligations for the liabilities, relating to the arrangement. As per Ind AS 111 - Joint arrangements, in its separate financial statements, the Company being a joint operator has recognised its share of the assets, liabilities, income and expenses of these joint operations incurred jointly with the other partners, along with its share of income from the sale of the output and any assets, liabilities and expenses that it has incurred in relation to the joint operation.

(ii) Historical cost convention

The separate financial statements have been prepared on a historical cost basis, except for the following :

- Certain financial assets and liabilities (including derivative instruments) that are measured at fair value;
- Defined benefit plans - plan assets measured at fair value.

(iii)Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is treated as current when it is :

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when :

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(iv) Amended standards adopted by the Company

The amendments to Ind AS 7 require disclosure of changes in liabilities arising from financing activities, see Note 45.

(b) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors that makes strategic decisions for the Company. Refer Note 44 for segment information presented.

(c) Foreign currency translation

Functional and presentation currency

Items included in the separate financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (`the functional currency'). The separate financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

Initial Recognition

Foreign currency transactions are recorded in Indian currency, by applying the exchange rate between the Indian currency and the foreign currency at the date of transaction.

Conversion

Monetary items, designated in foreign currencies are revalued at the rate prevailing on the date of Balance Sheet.

Exchange Differences

Exchange differences arising on the settlement and conversion of foreign currency transactions are recognised as income or as expenses in the year in which they arise, except in cases where they relate to the acquisition of qualifying assets, in which cases they were adjusted in the cost of the corresponding asset. On transition to Ind AS, the Company has elected to continue the accounting policy adopted in its previous GAAP with respect to foreign exchange differences arising on long-term foreign currency monetary items related to a depreciable asset, existing as on March 31, 2017. Such exchange differences are adjusted to the cost of depreciable asset and depreciated over the balance life of the asset.

(d) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of government. Revenue is net of returns and allowances, trade discounts and volume rebates.

Based on the Educational Material on Ind AS 18 issued by ICAI, recovery of excise duty flows to the Company on its own account. This is for the reason that it is a liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not. Since the recovery of excise duty flows to the Company on its own account, revenue includes excise duty to the extent it is applicable.

However, sales tax / value added tax (VAT), Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government, accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, which is usually on delivery of the goods in case of domestic sales and on shipment in case of export sales.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Interest Income

Interest income from debt instruments is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a timely basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

(e) Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

(f) Taxes

Current Tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income tax Act, 1961. The management periodically evaluates positions taken in returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to tax authorities.

Deferred Tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except :

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised, except :

- When the deferred tax asset relating to the deductible temporary differences arises from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

  The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Current and deferred taxes are recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(g) Leases

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a financial lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's general policy on the borrowing costs.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term unless the same is in line with inflation.

(h) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consists of cash and short-term deposits, as defined above, net of outstanding bank overdrafts and cash credit facilities as they are considered an integral part of the Company's cash management.

(i) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

(j) Inventories

Cost of inventories include all costs of purchases, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials and components, stores and spares are valued at cost or net realisable value whichever is lower. Costs are determined on weighted average basis.

Work-in-progress and finished goods are valued at cost or net realisable value whichever is lower. Costs includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity but does not include borrowing costs. Cost of work-in-progress and finished goods are determined on a weighted average basis.

Scrap is valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(k) Investment in subsidiary and associate

Investment in subsidiary and associate are accounted at cost less accumulated impairment.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

(l) Fair value measurement

The Company measures financial instruments at fair value on initial recognition.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the separate financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level inputs that is significant to the fair value measurement as a whole :

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets and liabilities.
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is un-observable.

For assets and liabilities that are recognised in the separate financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as unquoted financial assets. Involvement of external valuers is decided upon annually by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(m) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(n) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories :

- Financial assets at amortised cost
- Financial assets at fair value through other comprehensive income (FVTOCI)
- Financial assets at fair value through profit or loss (FVTPL)

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Financial assets at amortised cost

A financial asset is measured at amortised cost if both following conditions are met :

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income

A financial asset is measured at fair value through other comprehensive income if both of the following criteria are met :

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets, until they are derecognised or reclassified, are subsequently measured at fair value and recognised in other comprehensive income except for interest income, gain / loss on impairment, gain / loss on foreign exchange which is recognised in the Statement of Profit and Loss.

Financial assets at fair value through profit or loss

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income.

In addition, the Company may elect to classify a financial asset, which otherwise meets amortised cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any financial asset as at fair value through profit or loss.

After initial measurement, such financial assets are subsequently measured at fair value in the Statement of Profit and Loss.

De-recognition of financial assets

A financial asset is de-recognised when :

- the contractual rights to receive cash flows from the financial asset have expired, or
- The Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and either

  (a) the Company has transferred substantially all the risks and rewards of the asset or

  (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure :

- Financial assets that are debt instruments and are measured at amortised cost e.g. loans, debt-securities, deposits, trade receivables and bank balance
- Financial assets that are debt instruments and are measured as at FVTOCI

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events on a financial instrument that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider :

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the Company is required to use the remaining contractual term of the financial instrument.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the Statement of Profit and Loss. This amount is reflected under the head “Other Expenses” in the Statement of Profit and Loss.

The Balance Sheet presentation for various financial instruments is described below :

- Financial assets measured as at amortised cost.

ECL is presented as an allowance i.e. as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-offs criteria, the Company does not de-recognise impairment allowance from the gross carrying amount.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets i.e. financial assets which are credit impaired on purchase/origination.

(o) Loans and Borrowings at amortised Cost

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

(p) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

(q) De-recognition of financial liabilities

A financial liability (or a part of a financial liability) is de-recognised from its Balance Sheet when and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of an new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(r) Derivatives

The Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through profit or loss and are included in other income / other expenses.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

(s) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(t) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any). All significant costs relating to the acquisition and installation of property, plant and equipment are capitalised. Such cost includes the cost of replacing part of the property, plant and equipment and borrowings costs for long term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection / relining is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in Statement of Profit and Loss during the reporting period in which they are incurred.

Subsequent costs are included in the asset's carrying amount as recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for a separate asset is derecognised when replaced.

The identified components are depreciated over their useful lives, the remaining asset is depreciated over the life of the principal asset.

Depreciation on additions is provided from the beginning of the month in which the asset is put to use.

Depreciation on assets sold, discarded or demolished during the year is being provided at their respective rates on pro-rata basis up to the end of the month prior to the month in which such assets are sold, discarded or demolished.

The useful lives has been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

Depreciation is charged on the basis of useful life of assets on straight line method.

Freehold land is carried at historical cost.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the separate Statement of Profit and Loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year.

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

On transition to Ind AS, the Company has elected to continue the accounting policy adopted in its previous GAAP with respect to foreign exchange differences arising on long-term foreign currency monetary items related to a depreciable asset, existing as on March 31, 2017. Such exchange differences are adjusted to the cost of depreciable asset and depreciated over the balance life of the asset.

(u) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

Intangible assets of computer software is amortised over the useful economic life of six years and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting period.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the net carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Transition to Ind AS

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the intangible assets.

(v) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair vale less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses including impairment on inventories are recognised in the Statement of Profit and Loss.

Previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of asset does not exceed its recoverable amount. Such reversal is recognised in Statement of Profit and Loss.

(w) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are unsecured and are presented as current liabilities unless payment is not due within operating cycle determined by the Company after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(x) Provisions and contingent liabilities

Provisions are recognised when the Company has a present, legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions are determined based on the best estimate required to settle the obligation at the Balance Sheet date. Provisions are reviewed at each Balance Sheet date and adjusted to reflect current best estimates.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements. A disclosure for a contingent liability is made where there is a possible obligation arising out of past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation arising out of a past event where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(y) Employee Benefits

(i) Short-term Employee Benefits

The distinction between short term and long term employee benefits is based on expected timing of settlement rather than the employee's entitlement benefits. All employee benefits payable within twelve months of rendering the service are classified as short term benefits. Such benefits include salaries, wages, bonus, short term compensated absences, awards, ex-gratia, performance pay etc. and are recognised in the period in which the employee renders the related service.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

(ii) Post-Employment benefits

1. Defined Contribution plan

The Company makes payment to approved superannuation schemes, state government provident fund scheme and employee state insurance scheme which are defined contribution plans. The contribution paid/payable under the schemes is recognised in the Statement of Profit and Loss during the period in which the employee renders the related service. The Company has no further obligations under these schemes beyond its periodic contributions.

2. Defined Benefit plan

The employees' gratuity fund scheme is Company's defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance Sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation under the defined benefit plan, to recognise the obligation on a net basis.

(iii) Long term Employment benefits

The employee's long term compensated absences are Company's other long term benefit plans. The present value of the obligation is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of Balance Sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation, to recognise the obligation on a net basis.

In regard to other long term employment benefits, the Company recognises the net total of service costs, net interest on the net defined benefit liability (asset), and re-measurements of the net defined benefit liability (asset) in the Statement of Profit and Loss.

Gratuity

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurements gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Provident Fund

The Company operates two plans for its employees to provide employee benefits in the nature of provident fund.

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

Eligible employees receive benefits from a provident fund, which is a defined benefit plan. Both the employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. The Company contributes a part of the contributions to the "Kalyani Steels Limited Provident Fund Trust". The rate at which the annual interest is payable to the beneficiaries by the trust is being administered by the government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust and the notified interest rate.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

The cost of providing benefits under above mentioned defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet as an asset / liability with a corresponding debit or credit to retained earnings through profit and loss in the period in which they occur.

Superannuation

Retirement benefit in the form of superannuation plan is a defined contribution plan. Defined contributions to insurance Company for employees covered under Superannuation scheme are accounted at the rate of 15% of such employees' basic salary. The Company recognises expense toward the contribution paid/payable to the defined contribution plan as and when an employee renders the relevant service. The Company has no obligation, other than the contribution payable to the superannuation fund.

iv) Termination benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognises termination benefits at the earlier of the following dates : (a) when the Company can no longer withdraw the offer of those benefits; and (b) when the entity recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

(z) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(aa) Dividends

The Company recognises a liability to make cash or non-cash distributions to equity holders of the Company when distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

(bb)Earnings per share

(i) Basic Earnings per Share

Basic earnings per share is calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the financial year. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

(ii) Diluted Earnings per Share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(cc) Rounding of amounts

All amounts disclosed in these separate financial statements and notes have been rounded off to the nearest millions as per the requirement of Schedule III, unless otherwise stated.

1. B Standards issued but not effective

The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 on March 28, 2018. The Rules shall be effective from reporting period beginning on or after April 1, 2018 and cannot be early adopted.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

(a) Ind AS 115 - Revenue from contracts with customers

Ind AS 115, Revenue from contracts with customers deals with revenue recognition and establishes principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. Revenue is recognised when a customer obtains control of a promised goods or service and thus has the ability to direct the use and obtain the benefits from the goods or service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. The standard replaces Ind AS 18 Revenue and Ind AS 11 Construction contracts and related appendices.

A new five-step process must be applied before revenue can be recognised :

(i) identify contracts with customers

(ii) identify the separate performance obligation

(iii) determine the transaction price of the contract

(iv) allocate the transaction price to each of the separate performance obligations, and

(v) recognise the revenue as each performance obligation is satisfied.

The new standard is mandatory for financial years commencing on or after April 1, 2018 and early application is not permitted. The standard permits either a full retrospective or a modified retrospective approach for the adoption.

There are consequential amendments to other Ind AS due to notification of Ind AS 115. The Company is in the process of evaluating the impact on the financial statements in terms of the amount and timing of revenue recognition under the new standard.

(b) Ind AS 21 - The Effects of changes in foreign exchange rates

The MCA has notified Appendix B to Ind AS 21, Foreign currency transactions and advance consideration. The appendix clarifies how to determine the date of transaction for the exchange rate to be used on initial recognition of a related asset, expense or income where an entity pays or receives consideration in advance for foreign currency denominated contracts.

For a single payment or receipt, the date of the transaction should be the date on which the entity initially recognises the non-monetary asset or liability arising from the advance consideration (the prepayment or deferred income/ contract liability). If there are multiple payments or receipts for one item, date of transaction should be determined as above for each payment or receipt.

The appendix can be applied :

(i) retrospectively for each period presented applying Ind AS 8;

(ii) prospectively to items in scope of the appendix that are initially recognised :

- on or after the beginning of the reporting period in which the appendix is first applied (i.e. April 1, 2018); or
- from the beginning of a prior reporting period presented as comparative information (i.e. April 1, 2017).

The Company is in the process of evaluating the impact on the financial statements in terms of the amount and timing of revenue recognition under the new standard.

(c) Ind AS 40 - Investment property

The amendments clarify that transfers to, or from, investment property can only be made if there has been a change in use that is supported by evidence. A change in use occurs when the property meets or ceases to meet, the definition of investment property. A change in intention alone is not sufficient to support a transfer. The list of evidence for a change of use in the standard was re-characterised as a non-exhaustive list of examples and scope of these examples have been expanded to include assets under construction / development and not only transfer of completed properties.

The amendment provides two transition options. Entities can choose to apply the amendment :

(i) Retrospectively without the use of hindsight; or

(ii) Prospectively to changes in use that occur on or after the date of initial application (i.e. April 1, 2018). At that date, an entity shall reassess the classification of properties held at that date and if applicable, reclassify properties to reflect the conditions that exist as at that date.

There is no impact of this amendment to the Company.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

(d) Ind AS 12 - Income taxes

The amendments clarify the accounting for deferred taxes where an asset is measured at fair value and that fair value is below the asset's tax base. They also clarify certain other aspects of accounting for deferred tax assets set out below :

A temporary difference exists whenever the carrying amount of an asset is less than its tax base at the end of the reporting period.

The estimate of future taxable profit may include the recovery of some of an entity's assets for more than its carrying amount if it is probable that the entity will achieve this. For example, when a fixed-rate debt instrument is measured at fair value, however, the entity expects to hold and collect the contractual cash flows and it is probable that the asset will be recovered for more than its carrying amount.

Where the tax law restricts the source of taxable profits against which particular types of deferred tax assets can be recovered, the recoverability of the deferred tax assets can only be assessed in combination with other deferred tax assets of the same type.

Tax deductions resulting from the reversal of deferred tax assets are excluded from the estimated future taxable profit that is used to evaluate the recoverability of those assets. This is to avoid double counting the deductible temporary differences in such assessment.

An entity shall apply the amendments to Ind AS 12 retrospectively in accordance with Ind AS 8. However, on initial application of the amendment, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity.

There is no impact of this amendment to the Company.

(e) Ind AS 28 – Investment in Associates and Ind AS 112 – Disclosure of Interest in other entities

Amendment clarifies that :

(i) Disclosure requirements of Ind AS 112 are applicable to interest in other entities classified as held for sale except for summarised financial information.

(ii) The option available with venture organizations, mutual funds, unit trusts and similar entities to measure their investments in associate or joint ventures at fair value through profit or loss (FVTPL) is available for each investment in an associate or joint venture.

There is no impact of this amendment to the Company.

2. Significant accounting judgements, estimates and assumptions

The preparation of the Company's separate financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. This note provides an overview of the areas that involve a higher degree of judgments or complexities and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these judgments, estimates and assumptions is mentioned below.

Judgments, estimates and assumptions are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the separate financial statements :

1. Legal Contingencies

The Company has received various orders and notices from tax authorities in respect of direct and indirect taxes. The outcome of these matters may have a material effect on the financial position, results of operations or cash flows. Management regularly analyses current information about these matters and provides provisions for probable contingent losses including the estimate of legal expense to resolve the matters. In making the decision regarding the need for loss provisions, management considers the degree of probability of an unfavorable outcome and the ability to make a sufficiently reliable estimate of the amount of loss. The filing of a suit or formal assertion of a claim against the Company or the disclosure of any such suit or assertions, does not automatically indicate that a provision of a loss may be appropriate.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

2. **Segment Reporting**

   Ind AS 108 Operating Segments requires Management to determine the reportable segments for the purpose of disclosure in financial statements based on the internal reporting reviewed by Chief Operating Decision Maker (CODM) to assess performance and allocate resources. The standard also requires Management to make judgments with respect to aggregation of certain operating segments into one or more reportable segment. The Company has determined that the Chief Operating Decision Maker (CODM) is the Board of Directors (BoD), based on its internal reporting structure and functions of the BoD. Operating segments used to present segment information are identified based on the internal reports used and reviewed by the BoD to assess performance and allocate resources.

3. **Joint operation**

   The Company's composite Steel manufacturing facility at Ginigera is under a strategic alliance arrangement with a joint venture partner. The facility is managed by Hospet Steels Limited. The alliance confers Kalyani Steels Limited (KSL) and Mukand Limited (ML) with rights to assets, obligations for liabilities, sharing of expenses/profit/loss in the proportion of product sharing ratio (viz. 41.38% by KSL and 58.62% by ML). Thus, KSL and ML have right to the assets and obligations for the liabilities of this arrangement. Thus, the strategic alliance is a joint arrangement in the nature of joint operation. See Note 47 for further disclosures.

4. **Investment in convertible debentures**

   The Company has invested in fully convertible debentures (FCDs) of DGM Realties Private Limited of face value ₹ 1319.60 Million. These FCDs shall be compulsorily converted into equity shares of DGM Realties in various tranches starting from December 31, 2019. The existing rights associated with these FCDs do not give the Company the current ability to direct control over relevant activities of DGM Realties. Hence, these investments are considered as investment in equity instruments and classified as fair value through OCI. Refer Note 5(b) for further disclosures.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1. **Defined benefit plans**

   The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on Indian Assured Lives Mortality (2006-08) Ultimate. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and benefit increases are based on expected future inflation rates. Further details about employee benefit obligations are given in Note 38.

2. **Fair value measurement of unquoted financial instruments**

   When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note 40 for further disclosures.

3. **Corporate guarantee**

   The Company had issued a corporate guarantee in favour of Carpenter Technology Mauritius Limited (CTML) to secure the payment of INR equivalent of USD 12,615,003/- being the aggregate amount of second and third tranche of consideration to be paid by Kalyani Investment Company Limited (KICL), Baramati Speciality Steels Limited (BSSL) and KSL Holdings Private Limited (KSLHPL) for purchase of stake of CTML in Saarloha Advanced Materials

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Private Limited formerly known as Kalyani Carpenter Special Steels Private Limited (KCSSPL) and Triumphant Special Alloys Private Limited, formerly known as Carpenter Kalyani Special Alloys Private Limited (CKSAPL). The corporate guarantee is a financial guarantee contract to be measured at fair value. One of the important inputs in the fair valuation model is the expected default rate. The Management has assessed it to be negligible and therefore not accounted for the financial guarantee as the fair value is not material. Refer Note 37-A for further disclosures.

4. **Impairment of investment in subsidiary and associate**

Investment in subsidiary and jointly controlled entity are accounted for at cost. Management assesses current and forecasted financial performance of all of its investments to determine whether any investment have suffered impairment on an annual basis. Impairment assessment is based on estimates of future financial performance or opinions that may represent reasonable expectations at a particular point of time, but such information, estimates or opinions are not offered as predictions or as assurances that a particular level of income or profit will be achieved, that events will occur or that a particular price will be offered or accepted. Actual results achieved during the period covered by the prospective financial analysis will vary and the variations may be material.

5. **Impairment of Financial Assets**

The impairment provisions for financial assets disclosed under Note 41(iii) are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

6. **Deferred Tax**

At each Balance Sheet date, the Company assesses whether the realisation of future tax benefits is sufficiently probable to recognise deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax asset could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

Total	**7,628.65**	**6,799.14**

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Nature and purpose of reserves :

i) General reserve :

Under the erstwhile Companies Act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to the introduction of the Companies Act, 2013, the requirement to mandatory transfer a specified percentage of net profit to general reserve has been withdrawn. There is no movement in general reserve during the current and previous year.

ii) FVTOCI Equity investment reserve :

The Company has elected to recognise changes in the fair value of investment in compulsorily convertible debentures in other comprehensive income. These changes are accumulated within the FVTOCI investment reserve within equity. The Company will transfer amounts from the said reserve to retained earnings when the relevant debentures are de-recognised.

iii) Dividend distribution made and proposed :

(₹ in Million)

Particulars	2017-18	2016-17
Cash Dividend on Equity shares declared and paid		
Final Dividend for the year ended March 31, 2017 : ₹ 5/- per equity share (March 31, 2016 : ₹ Nil per equity share)	218.27	—
Dividend distribution tax on final dividend	44.43	—
Proposed dividends on Equity Shares		
Final cash dividend proposed for the year ended March 31, 2018 : ₹ 5/- per equity share (March 31, 2017 : ₹ 5/- per equity share)	218.27	218.27
Dividend distribution tax on proposed dividend	44.87	44.43

Proposed dividend on equity shares is subject to approval of the shareholders of the Company at the annual general meeting and is not recognised as a liability (including taxes thereon) as at year end.

Note 25 : Revenue from operations

(₹ in Million)

Particulars	Year ended March 31, 2018	Year ended March 31, 2017
Sale of Products		
Finished Goods	12,999.62	12,797.89
Traded Goods	675.16	1,080.41
Other Operating Revenue		
Scrap Sales	100.52	212.42
Export incentives received	28.72	7.95
Provisions written back	66.13	6.43
Total	**13,870.15**	**14,105.10**

Goods and Services tax (GST) has been effective from July 1, 2017. Consequently excise duty, value added tax (VAT), service tax etc. have been replaced with GST. Until June 30, 2017, 'Sale of products' included the amount of excise duty recovered on sales. With effect from July 1, 2017, 'Sale of products' excludes the amount of GST recovered. Accordingly, 'Revenue from operations' for year ended March 31, 2018 are not comparable with those of the previous year.

Attrition rate	1.00 - 3.00%	1.00 - 3.00%	1.00 - 3.00 %

B) Gratuity

The Company has formed "Kalyani Steels Limited Employees' Group Gratuity cum Life Assurance Scheme" to manage the gratuity obligations. The joint operation at Hospet Steels Limited has formed "Hospet Steels Employees Gratuity Trust" to manage its gratuity obligations. The money contributed by the Company to the fund to finance the liabilities of the plan has to be invested. The trustees of the plan have outsourced the investment management of the fund to an insurance company - Life Insurance Corporation of India. Every permanent employee is entitled to a benefit equivalent to 15/30 days (as applicable) of the last drawn salary for each completed year of service in line with the Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service. There is no compulsion on the part of the Company to fully pre-fund the liability of the Plan. The Company's philosophy is to fund the benefits based on its own liquidity as well as level of under funding of the plan.

I) The amounts recognised in balance sheet and movements in the net benefit obligation over the year are as follows :

IV) Sensitivity analysis :

The sensitivity of defined obligation to changes in the weighted principal assumptions is :

(₹ in Million)

Assumption	Impact on defined benefit obligation	
	March 31, 2018	March 31, 2017
Discount rate		
1% decrease	8.01	7.88
1% increase	(6.70)	(6.83)
Future salary increase		
1% decrease	(6.25)	(5.81)
1% increase	6.96	6.08
Attrition rate		
1% decrease	0.74	5.30
1% increase	(0.69)	(4.54)

The above sensitivity analysis is based on a change in assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the Projected Unit Credit Method at the end of the reporting period) has been applied while calculating the defined benefit liability recognised in the balance sheet.

The method and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

The following payments are expected future benefit payments :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017
Less than a year	7.69	9.19
Between 1 - 2 years	9.84	7.47
Between 2 - 5 years	19.19	10.87
Over 5 years	108.46	99.16
Total	**145.18**	**126.69**

The weighted duration of the defined obligation is 9.46 years (March 31, 2017 - 11.52 years)

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

V) The major categories of plan assets are as follows :

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Unquoted - Insurer managed funds*	100.00%	100.00%	100.00%

* The Company maintains gratuity fund, which is being administered by LIC. Fund value confirmed by LIC as at March 31, 2018 is considered to be the fair value.

VI) The Company expects to contribute ₹ 14.76 Million to the gratuity fund in the next year.

C) Provident Fund

Defined Benefit : Provident fund for management employees is managed by the Company through the "Kalyani Steels Limited Non Bargainable Staff Provident Fund", in line with the provisions of Provident Fund and Miscellaneous Provisions Act, 1952 as well as the relevant provisions of the Income Tax Act. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of their separation from the Company or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee. The Company does not currently have any unfunded plans. There is no compulsion on the part of the Company to fully pre-fund the liability of the Plan. The Company fund the shortfall in the year in which it arises.

Defined contribution : The Company and its joint operation Hospet Steels Limited also has certain defined contribution plans. Contributions are made to provident fund in India for workers at the 12% of basic and dearness allowance as per regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 7.61 Million (March 31, 2017 : ₹ 7.55 Million).

I) The amounts recognised in balance sheet and movements in the net benefit obligation over the year are as follows :

(₹ in Million)

Particulars	Present value of obligation	Fair value of plan assets	Net amount
April 1, 2016	**1.82**	**—**	**1.82**
Current service cost	0.19	—	0.19
Interest expense / (income)	0.14	—	0.14
Experience (gain) / loss	1.24	(0.28)	0.96
Total amount recognised in Statement of Profit or Loss	1.57	(0.28)	1.29
March 31, 2017	**3.39**	**(0.28)**	**3.11**

(₹ in Million)

Particulars	Present value of obligation	Fair value of plan assets	Net amount
April 1, 2017	**3.39**	**(0.28)**	**3.11**
Current service cost	0.62	—	0.62
Interest expense / (income)	0.24	(0.02)	0.22
Experience (gain) / loss	(2.86)	(0.07)	(2.93)
Total amount recognised in Statement of Profit or Loss	(2.00)	(0.09)	(2.09)
March 31, 2018	**1.39**	**(0.37)**	**1.02**

II) The net liability disclosed above relates to funded plans are as follows :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Present value of funded obligation	1.39	3.39	1.82
Fair value of plan assets	(0.37)	(0.28)	—
Deficit of funded plan	**1.02**	**3.11**	**1.82**

III) Significant estimates :

The significant actuarial assumptions were as follows :

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Discount rate	7.70%	7.10%	7.80%

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

IV) The major categories of plan assets are as follows :

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Government of India securities	55.26%	51.51%	68.40%
Corporate bonds	39.86%	44.63%	29.63%
Special deposit scheme	0.28%	0.37%	0.48%
Mutual funds	4.60%	3.29%	0.80%
Others	—	0.20%	0.69%

D) Superannuation plan

The Company and its Joint Operation has formed "Kalyani Steels Limited Officers Superannuation Scheme" and "Hospet Steels Limited Employees Superannuation Trust" respectively to manage its superannuation scheme through Life Insurance Corporation of India. Contributions are made at 15% of basic salary for employees covered under the superannuation scheme. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 8.80 Million (March 31, 2017 ₹ 8.48 Million).

E) Risk Exposure

Through its defined benefit plan, the Company is exposed to a number of risks, the most significant of which are detailed below :

Asset Volatility : All plan assets for gratuity and superannuation are maintained in a trust managed by a public sector insurer viz. LIC of India. LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years. The company has opted for a traditional fund wherein all assets are invested primarily in risk averse markets. The company has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence 100% liquidity is ensured. Also interest rate and inflation risk are taken care of.

Asset volatility risk for provident fund : The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income fund, manages interest rate risk with derivatives, to minimise risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit. The Company has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The Company intends to maintain the above investment mix in the continuing years.

Changes in bond yields : A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of plans' bond holdings.

Life expectancy : This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

Future salary increase and inflation risk : Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

Asset-Liability mismatch risk : Risk arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the Company is successfully able to neutralise valuation swings caused by interest rate movements. The Company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans.

Note 39 : Related party transactions

A) Name of the related parties and nature of relationship

(i) Where control exists :

Subsidiary	Ownership interest held by the Company		
	March 31, 2018	March 31, 2017	April 1, 2016
Lord Ganesha Minerals Private Limited	77.50%	77.50%	77.50%

The principal place of business of the wholly owned subsidiary is India and the Company has accounted for its investment in subsidiary at cost.

Associate	Ownership interest held by the Company		
	March 31, 2018	March 31, 2017	April 1, 2016
Kalyani Mukand Limited	50%	50%	50%

The principal place of business of the associate is India and the Company has accounted for its investment in associate at cost.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Joint operation	Ownership interest held by the Company		
	March 31, 2018	March 31, 2017	April 1, 2016
Hospet Steels Limited	41.38%	41.38%	41.38%

The principal place of business of the joint operation is India. The voting rights in the joint operation are 49.99% (March 31, 2017 : 49.99%, April 1, 2016 : 49.99%). The principal business is to act as a management company for strategic alliance arrangement between Kalyani Steels Limited and Mukand Limited.

Structured entities :

i) Kalyani Steels Limited Non Bargainable Staff Provident Fund

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

Financial assets and liabilities classified as FVOCI (₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Investment in Debentures	1,533.79	1,590.15	1,502.13

i) Fair value hierarchy :

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(₹ in Million)

Financial assets and liabilities measured at fair value - recurring fair value measurements	Level 1	Level 2	Level 3
Investment in Preference shares			
March 31, 2018	—	—	86.43
March 31, 2017	—	—	85.78
April 1, 2016	—	—	85.54
Investments in Mutual Funds			
March 31, 2018	1,176.24	—	—
March 31, 2017	657.20	—	—
April 1, 2016	355.95	—	—
Investment in Debentures			
March 31, 2018	—	—	1,533.79
March 31, 2017	—	—	1,590.15
April 1, 2016	—	—	1,502.13
Derivative asset			
March 31, 2018	—	3.24	—
March 31, 2017	—	4.22	—
April 1, 2016	—	0.23	—
Derivative liabilities			
March 31, 2018	—	—	—
March 31, 2017	—	0.13	—
April 1, 2016	—	0.85	—

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Valuation technique used to determine fair value :

Specific valuation techniques used to value financial instruments include :

The use of quoted market prices or dealer quotes for similar instruments

-The fair value for preference shares is determined using discounted cash flow analysis (Baramati Speciality Steels Limited)

-The fair value for preference shares is determined using net asset value method (Lord Ganesha Minerals Private Limited)

-The fair value for compulsorily convertible debentures is determined using asset approach (replacement value method)

-The fair value of interest rate swaps is calculated using present value of estimated future cash flows based on observable yield curves

iii) Valuation process :

The finance department of the Company includes a team that performs the valuations of assets and liabilities required for financial reporting purposes. This team appoints external valuation experts whenever the need arises for level 3 fair valuation. This team reports directly to the Chief Financial Officer (CFO). Discussions of valuation processes and results are held between the CFO and the valuation team at least once every year, in line with the Company's annual reporting period.

iv) Fair value of financial assets and liabilities measured at amortised cost :

The carrying amounts of such financial assets and liabilities are a reasonable approximation of their fair values.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

v) Fair value measurements using significant unobservable inputs (level 3) :

The following table presents the changes in level 3 items :

(₹ in Million)

Particulars	Preference shares	Debentures	Total
As at April 1, 2016	**85.54**	**1,502.13**	**1,587.67**
Purchased during the year	2.70	—	2.70
Gains / (losses) recognised in profit or loss	(2.46)	—	(2.46)
Gains / (losses) recognised in other comprehensive income	—	88.02	88.02
As at March 31, 2017	**85.78**	**1,590.15**	**1,675.93**
Purchased during the year	1.25	—	1.25
Gain / (loss) recognised in profit or loss	(0.60)	—	(0.60)
Gains / (losses) recognised in other comprehensive income	—	(56.36)	(56.36)
As at March 31, 2018	**86.43**	**1,533.79**	**1,620.22**

vi) Valuation inputs and relationships to fair value :

The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value :

Particulars	Significant unobservable input		
	March 31, 2018	**March 31, 2017**	**April 1, 2016**
1) Preference shares			
i) Discount rate	10.00%	10.00%	10.00%
2) Compulsory convertible debentures			
i) Discount rate	7.40%	7.46%	6.69%
ii) Inflation rate	10.65%	11.41%	11.14%

The change by 100 bps does not have any material impact on value of investments in preference shares and compulsory convertible debentures

Note 41 : Financial risk management

The Company is exposed to risks such as changes in foreign currency exchange rates and interest rates. A variety of practices are employed to manage these risks, including use of derivative instruments. Derivative instruments are used only for risk management purposes and not for speculation. All foreign currency derivative instruments are entered into with major financial institutions. The Company's credit exposure under these arrangements is limited to agreements with a positive fair value at the reporting date. Credit risk with respect to the counterparty is actively monitored.

Presented below is a description of the risks (market risk, credit risk and liquidity risk) together with a sensitivity analysis, performed annually, of each of these risks based on selected changes in market rates and prices. These analyses reflect management's view of changes which are reasonably possible to occur over a one-year period.

I) Market Risk

A) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is engaged in international trade and thereby exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR).

i) Foreign currency risk exposure

The Company's exposure to foreign currency risk (in USD) at the end of reporting period in INR (Million), is as follows :

(₹ in Million)

	March 31, 2018	March 31, 2017	April 1, 2016
Financial assets			
Trade receivables	184.60	32.21	76.89
Net exposure to foreign currency risk (assets)	184.60	32.21	76.89
Financial liabilities			
Borrowings	1,688.35	2,388.59	3,271.71
Trade payables	631.97	1,154.75	301.93
Interest	7.82	9.44	11.93
Net exposure to foreign currency risk (liabilities)	2,328.14	3,552.78	3,585.57

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

The sensitivity of profit or loss to changes in foreign exchange rates with respect to year end payable / receivable balances in INR (million) is as follows :

Impact on profit or loss

	March 31, 2018	March 31, 2017
USD		
Increase by 1%*	(32.29)	(35.21)
Decrease by 1%*	32.29	35.21

*Holding all other variables constant

B) Interest risk

The Company has borrowings at variable interest rate. Profit or loss is sensitive to higher / lower interest expense from borrowings as a result of change in the interest rates. The following sensitivity analysis has been performed for non-current and current borrowings.

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Total borrowings at variable interest rate	1,688.35	2,388.59	3,271.71
Interest rate swaps	256.35	559.64	1,015.43
Net exposure to interest rate risk	1,432.00	1,828.95	2,256.28

	Impact on profit or loss	
	March 31, 2018	March 31, 2017
Increase by 0.5%*	(0.82)	(1.02)
Decrease by 0.5%*	0.82	1.02

*Holding all other variables constant

II Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, the Company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these debt financing plans.

i) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities :

(₹ in Million)

March 31, 2018	Less than 1 year	More than 1 year
Non - derivative		
Borrowings	1,095.73	168.14
Trade payables	1,862.45	—
Other financial liabilities	582.00	—

(₹ in Million)

March 31, 2017	Less than 1 year	More than 1 year
Non - derivative		
Borrowings	1,308.86	590.74
Part amount received under an arrangement against sale of project promoted by the Company	—	55.86
Trade payables	2,450.77	—
Other financial liabilities	650.14	—

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

(₹ in Million)

April 1, 2016	Less than 1 year	More than 1 year
Non - derivative		
Borrowings	1,518.27	1,096.12
Part amount received under an arrangement against sale of project promoted by the Company	—	55.86
Trade payables	1,543.38	—
Other financial liabilities	847.76	—

III Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments. The balances with banks, loans given to employees and associated company, security deposits are subject to low credit risk since the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets.

A Trade receivables

Senior management is responsible for managing and analysing the credit risk for each of their new clients before standard payment, delivery terms and conditions are offered. The Company assesses the credit quality of the customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment. The utilisation of credit limits is regularly monitored.

An impairment analysis is performed at each reporting date on an individual basis for all customers. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 12.

i) Expected credit loss for trade receivables under simplified approach :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Gross carrying amount	3,817.17	4,674.52	3,462.74
Expected loss rate	1.18%	0.51%	0.69%
Expected credit losses (loss allowance provision)	45.17	23.63	23.80
Carrying amount of trade receivables (net of impairment)	3,772.00	4,650.89	3,438.94

ii) Reconciliation of loss allowance provision - trade receivables :

(₹ in Million)

Loss allowance as on April 1, 2016	23.80
Changes in loss allowance	(0.17)
Loss allowance as on March 31, 2017	23.63
Changes in loss allowance	21.54
Loss allowance as on March 31, 2018	45.17

Note 42 : Capital management

The Company's objectives when managing capital are to :

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, long term and short term borrowings. The Company's policy is aimed at combination of short-term and long-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. Total debt includes all long and short-term debts as disclosed in Notes 17 and 21 to the financial statements. The capital structure of the Company is as follows :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Borrowings	1,688.35	2,388.59	3,271.71
Less : Cash and cash equivalents	330.17	235.09	77.50
Net debt	1,358.18	2,153.50	3,194.21
Equity	7,847.29	7,017.78	5,370.74
Debt equity ratio	0.17	0.31	0.59

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements.

Note 44 : Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Board of Directors has been identified as the chief operating decision maker.

The Company has organised its operating segments based on product groupings. These operating segments have been aggregated into one reportable business segment : 'Forging and Engineering quality carbon and alloy steels'.

Revenues of approximately ₹ 4,625.53 Million (March 31, 2017 : ₹ 3,949.29 Million) are derived from a single customer.

During the year, total revenues from sales to customers outside India for the year ended March 31, 2018 and March 31, 2017 was ₹ 584.03 Million and ₹ 201.19 Million respectively.

All non-current assets are in India.

Note 45 : Net debt reconciliation

This section sets out an analysis of net debt and the movements in net debt for the year ended March 31, 2018

(₹ in Million)

Note 47 : First-time adoption

Transition to Ind AS

These separate financial statements, for the year ended March 31, 2018, are the first, the Company has prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ("Indian GAAP"). Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ended on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 1, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at April 1, 2016 and the financial statements as at and for the year ended March 31, 2017.

I) Exemptions availed

a) Deemed cost

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all of its property, plant and equipment and intangible assets as recognised in the financial statements as at the date of transition after making necessary adjustments for de-commissioning liabilities. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

b) Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVTOCI on the basis of facts and circumstances at the date of transition to Ind AS. The Company has elected to apply this exemption for its investment in debentures.

c) Leases

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The Company has elected to apply this exemption for such contracts / arrangements.

d) Long-term foreign currency monetary items

Under previous GAAP, paragraph 46/46A of AS 11 'The Effects of Changes in Foreign Exchange Rates', provided an alternative accounting treatment to companies with respect to exchange differences arising on restatement of long term foreign currency monetary items. Exchange differences on account of depreciable assets could be added / deducted from the cost of the depreciable asset, which would then be depreciated over the balance life of the asset. In other cases, the exchange difference could be accumulated in a foreign currency monetary item translation difference account and amortised over the balance period of such long term asset / liability. Ind AS 101 includes an optional exemption that allows a first-time adopter to continue the above accounting treatment in respect of the long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period. The exemption under Ind AS 101 will not be available for long-term foreign currency monetary items recognised after this date. The Company has elected to apply this exemption for such items.

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

e) Investment in subsidiary and associate

The Company has elected to apply previous GAAP carrying amount for its investment in associate as deemed cost at the date of transition to Ind AS. The Company has elected to use fair value for its investment in subsidiary as deemed cost at the date of transition to Ind AS.

II) Exceptions applied

a) Estimates

The estimates at April 1, 2016 and at March 31, 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items where application of Indian GAAP did not require estimation :

- Impairment of financial assets based on expected credit loss model
- Investment in preference shares carried at FVTPL
- Investment in debentures carried at FVTOCI.

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions at April 1, 2016, the date of transition to Ind AS and as of March 31, 2017.

b) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

III) Explanation of transition to Ind AS

An explanation of how the transition from Indian GAAP to Ind AS has affected the Company's financial position, financial performance and cash flow is set out in the following tables and notes that accompany the tables. The reconciliation include -

- equity reconciliation as at April 1, 2016
- equity reconciliation as at March 31, 2017
- profit reconciliation for the year ended March 31, 2017, and

In the reconciliations mentioned above, certain reclassifications have been made from Indian GAAP financial information to align with Ind AS presentation.

A) Reconciliation of total equity as at March 31, 2017 and April 1, 2016 (₹ in Million)

Particulars	Notes	March 31, 2017	April 1, 2016
Total Equity as per Indian GAAP		**7,454.41**	**5,895.23**
Adjustments :			
Fair valuation of investments - preference shares	1	(418.92)	(416.47)
Fair value as deemed cost for investment in subsidiary	2	(261.93)	(261.93)
Fair valuation of investments - debentures	1	230.15	142.13
Proportionate consolidation of assets and liabilities of Hospet Steels Limited classified as joint operation	3	(4.90)	(4.50)
Fair valuation of derivatives	6	4.08	(0.62)
Deferred tax on above adjustments	5	14.89	16.90
Total Adjustments		(436.63)	(524.49)
Total Equity as per Ind AS		**7,017.78**	**5,370.74**

B) Reconciliation of total comprehensive income for the year ended March 31, 2017

(₹ in Million)

Particulars	Notes	Year ended March 31, 2017
Net profit after tax under Indian GAAP		1,559.18
Adjustments :		
Fair valuation of investments - preference shares	1	(2.46)
Proportionate consolidation of assets and liabilities of Hospet Steels Limited classified as joint operation	3	(0.41)
Remeasurements of post-employment benefit obligations re-classified to OCI	7	8.87
Fair valuation of derivatives	6	4.70
Deferred tax on above adjustments	5	(5.06)
Total Adjustments		5.64
Net Profit after tax as per Ind AS		1,564.82
Other comprehensive income		
Remeasurements of post-employment benefit obligations	7	(8.87)
Deferred tax on above	5	3.07
Fair valuation of investments - debentures	1	88.02
Total Other comprehensive income		82.22
Total Comprehensive Income as per Ind AS		1,647.04

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

IV) The transition did not have any material impact on the previously reported cash flows.

V) Notes to first-time adoption

1 Fair valuation of investments

Under the previous GAAP, investments in debentures and preference shares were classified as long-term investments based on the intended holding period and reliability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Under Ind AS, these investments are required to be measured at fair value. Fair value changes with respect to investments in preference shares carried at FVTPL are taken through retained earnings as at the date of transition and subsequently in the statement of profit and loss for the year ended March 31, 2017. This decreased retained earnings by ₹ 418.92 Million as at March 31, 2017 (April 1, 2016: ₹ 416.47 Million). Fair value changes with respect to investment in compulsory convertible debentures designated as at FVTOCI - equity investments reserve as at the date of transition and subsequently in the other comprehensive income for the year ended March 31, 2017. This increased other reserves by ₹ 230.15 Million as at March 31, 2017 (April 1, 2016 : ₹ 142.13 Million).

2 Fair value as deemed cost for investment in subsidiary

Ind AS 101 allows considering fair value as deemed cost for the Company's investment in subsidiaries, associates and joint ventures. This choice is available for each investment individually. The deemed cost for investment in equity instruments of Lord Ganesha Minerals Private Limited (a subsidiary) is its fair value. Consequently, a total fair value adjustment amounting to ₹ 261.93 Million has been considered as on the transition date thereby leading to a decrease in retained earnings as on that date.

3 Joint operation

The Company's composite Steel manufacturing facility at Ginigera is under a strategic alliance arrangement with a joint venture partner. The facility is managed by Hospet Steels Limited. The entire arrangement has been assessed as a joint operation. Under previous GAAP, Hospet Steels Limited was classified as a joint venture and accordingly accounted using proportionate consolidation method in the consolidated financial statements. Under Ind AS, the arrangement has been assessed as a joint operation and accordingly, the Company has recognised its share of revenue and expenses and assets and liabilities from joint operation in its separate financial statements. Further, the expenses incurred by the Company in the composite steel manufacturing process on behalf of other venture was presented as Job Work Sales under Revenue from Operations. Under Ind AS, the accounting for joint operation requires the Company to recognise only its share of expenses from the joint operation. Accordingly, the amount recharged to the joint venture partner, presented as revenue in the earlier GAAP, have been offset against the respective expense line items. Similarly, the expenses incurred by the other venture partner and recharged to the Company, presented as Job Work Charges under Other Expenses have been reclassified to the respective expense line items based on the nature of such expenses.

This resulted in the following impact on various financial statement line items :

(₹ in Million)

Particulars	March 31, 2017	April 1, 2016
Property, Plant and Equipment	1.15	1.72
Intangible Assets	0.02	0.10
Loans	0.05	0.05
Other Non-Current assets	—	0.02
Trade receivables	37.88	57.48
Cash and cash equivalents	25.80	20.00
Deferred tax assets	2.58	2.34
Other Current assets	4.96	3.96
Total assets	72.44	85.67
Other Current liabilities	21.77	21.16
Non-current provisions	5.76	5.20
Current provisions	0.24	0.25
Trade payable	48.32	62.31
Total liabilities	76.09	88.92
Value of investment in Hospet Steels Limited	1.25	1.25
Impact on Retained earnings	(4.90)	(4.50)

NOTES FORMING PART OF SEPARATE FINANCIAL STATEMENTS (Continued):

4 Revenue

Under Indian GAAP, revenue from sale of products was presented excluding excise duty. Under Ind AS, revenue from sale of products is presented inclusive of excise duty. Excise duty paid is presented on the face of the statement of profit and loss as part of expenses. This change has resulted in an increase in total revenue and total expenses for the year ended March 31, 2017 by ₹ 1,530.86 Million. There is no impact on total equity and profits.

5 Deferred Tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. This has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

In addition, the various transitional adjustments lead to temporary differences. According to the accounting policies, the Company has to account for such differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in other equity or a separate component of equity.

6 Derivatives

Under Ind AS, the interest rate swaps have been marked to market and the impact has been recognised in the income statement. The total equity has increased by ₹ 4.08 Million as at March 31, 2017 (Decrease as on April 1, 2016 : ₹ 0.62 Million) and the total profit has increased by ₹ 4.70 Million as at March 31, 2017.

7 Defined Benefit Obligation

Both under Indian GAAP and Ind AS, the Company recognises cost related to its post employment defined benefit plan on an actuarial basis. However, under Indian GAAP, the entire cost, including actuarial gains and losses, are recognised in the Statement of Profit and Loss. Under Ind AS re-measurements, (comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on net defined benefit liability) are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income, net of taxes.

8 Other Comprehensive Income

Under Indian GAAP, there were no requirements to separately disclose "Other Comprehensive Income" (OCI) and hence, the Company had not presented other comprehensive income (OCI) separately. As such, items falling under OCI, net of taxes is disclosed. Hence, the Company has reconciled the profit under Indian GAAP to the profit as per Ind AS. Further, profit under Ind AS is reconciled to total comprehensive income as per Ind AS.

INDEPENDENT AUDITOR'S REPORT

To the Members of Kalyani Steels Limited

Report on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

1. We have audited the accompanying consolidated Ind AS financial statements of Kalyani Steels Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") (refer Note 1A to the attached consolidated financial statements), comprising of the consolidated Balance Sheet as at March 31, 2018, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Cash Flow Statement for the year then ended and the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as "the Consolidated Ind AS Financial Statements") and which includes one Joint Operation Company consolidated on a proportionate basis with the Holding Company.

Management's Responsibility for the Consolidated Ind AS Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and changes in equity of the Group in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. The respective Boards of Directors of the companies included in the Group and joint operation are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and joint operation respectively and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.

4. We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

6. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 9 of the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2018, and their consolidated profit (including other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Other Matters

8. The comparative financial information of the Group for the year ended March 31, 2018 and the transition date opening balance sheet as at April 1, 2016 included in these consolidated Ind AS financial statements, are based on the previously issued statutory financial statements for the years ended March 31, 2017 and March 31, 2016 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by us, on which we expressed an unmodified opinion dated May 25, 2017 and May 24, 2016 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

9. We did not audit the financial statements of one subsidiary whose financial statements reflect total assets of ₹ 88.93 Million and net assets of ₹ (62.27) Million as at March 31, 2018, total revenue of ₹ 0.03 Million, net loss of ₹ 15.39 Million and net cash flows amounting to ₹ (0.02) Million for the year ended on that date, as considered in the consolidated Ind AS financial statements. The consolidated Ind AS financial statements also include the financial statements of one joint operation reflect total assets of ₹ 228.53 million and net assets of ₹ (4.95) Million as at March 31, 2018, total revenue of ₹ 14.36 Million, net profit of ₹ 3.87 Million and net cash flows amounting to ₹ 18.13 Million for the year ended on that date, as considered in the standalone Ind AS financial statements of the Holding Company as per Ind AS 111 "Joint Operations" on proportionate basis. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements in so far as it relates to the amounts and disclosures included in respect of this subsidiary and Joint Operation Company and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary and joint operation, is based solely on the reports of the other auditors.

10. The comparative financial information for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 in respect of one subsidiary and one joint operation incorporated in India included in this consolidated Ind AS financial statements in accordance with the Ind AS have been audited by other auditors and have been relied upon by us.

11. The Group has one associate for which it has discontinued recognising its share of further losses in accordance with the Ind AS and the same is not included in these consolidated Ind AS financial statements.

    Our opinion on the consolidated Ind AS financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

12. As required by Section143(3) of the Act, we report, to the extent applicable, that :

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.

    (b) In our opinion, proper books of account as required by law maintained by the Holding Company and its subsidiary included in the Group and Joint Operation Company consolidated on a proportionate basis with the Holding Company, is relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and records of the Holding Company and the reports of the other auditors.

    (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained by the Holding Company, its subsidiaries included in the Group and joint operation, incorporated in India including relevant records relating to the preparation of the consolidated Ind AS financial statements.

    (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company and joint operation incorporated in India, none of the directors of the Group companies and joint operation incorporated in India is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

    (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary and joint operation incorporated in India and the operating effectiveness of such controls, refer to our separate Report in Annexure 'A'.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :

i. The consolidated Ind AS financial statements disclose the impact, if any, of pending litigations as at March 31, 2018 on the consolidated financial position of the Group and joint operation - Refer Note 37 to the consolidated Ind AS financial statements;

ii. The Group and joint operation had long-term contracts including derivative contracts as at March 31, 2018 for which there were no material foreseeable losses;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary and joint operation incorporated in India during the year ended March 31, 2018.

Annexure 'A' to the Independent Auditor's Report

Referred to in paragraph 12 (f) of the Independent Auditor's Report of even date to the members of Kalyani Steels Limited on the consolidated Ind AS financial statements for the year ended March 31, 2018

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Act

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls with reference to financial statements of Kalyani Steels Limited (hereinafter referred to as "the Holding Company") and its subsidiary company (the Holding Company and its subsidiary together referred to as "the Group") and which includes internal financial controls with reference to financial statements of its joint operation which is incorporated in India.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary company and its joint operation company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with reference to financial statements (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal financial controls with reference to financial statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary company and its joint operation company which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2018, based the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to one subsidiary company and one joint operation, which are Companies incorporated in India, is based on the corresponding reports of the auditors of such Company incorporated in India. Our opinion is not qualified in respect of this matter.

CONSOLIDATED STATEMENT OF CHANGES IN EQUITY FOR THE PERIOD ENDED MARCH 31, 2018

A. Equity Share Capital

(₹ in Million)

Particulars	Notes	No. of shares	Amount
As at April 1, 2016		**43,653,060**	**218.64**
Changes in equity share capital	15	—	—
As at March 31, 2017		**43,653,060**	**218.64**
Changes in equity share capital	15	—	—
As at March 31, 2018		**43,653,060**	**218.64**

B. Other Equity

(₹ in Million)

Particulars	Notes	Reserves and Surplus		Other reserve	Non Controlling Interest	Other Equity
		Retained Earnings	General Reserve	FVTOCI Equity		
As at April 1, 2016	16	**4,585.34**	**419.27**	**142.13**	**(44.49)**	**5,102.25**
Profit for the year		1,562.38	—	—	(3.66)	1,558.72
Other Comprehensive Income :						
Remeasurements of post-employment benefit plans (net of tax)		(5.59)	—	—	—	(5.59)
Changes in fair value of equity instruments (compulsorily convertible debentures)		—	—	88.02	—	88.02
Total Comprehensive Income for the year		1,556.79	—	88.02	(3.66)	1,641.15
As at March 31, 2017		**6,142.13**	**419.27**	**230.15**	**(48.15)**	**6,743.40**

(₹ in Million)

Particulars	Notes	Reserves and Surplus		Other reserve	Non Controlling Interest	Other Equity
		Retained Earnings	General Reserve	FVTOCI Equity		
As at April 1, 2017	16	**6,142.13**	**419.27**	**230.15**	**(48.15)**	**6,743.40**
Profit for the year		1,156.06	—	—	(3.53)	1,152.53
Other Comprehensive Income :						
Remeasurements of post-employment benefit plans (net of tax)		(0.25)	—	—	—	(0.25)
Changes in fair value of equity instruments (compulsorily convertible debentures)		—	—	(56.36)	—	(56.36)
Total Comprehensive Income for the year		1,155.81	—	(56.36)	(3.53)	1,095.92
Final Dividend for the year ended March 31, 2017		(218.27)	—	—	—	(218.27)
Tax on final dividend for the year ended March 31, 2017		(44.43)	—	—	—	(44.43)
As at March 31, 2018		**7,035.24**	**419.27**	**173.79**	**(51.68)**	**7,576.62**

CONSOLIDATED STATEMENT OF CASH FLOW FOR THE YEAR ENDED MARCH 31, 2018

(₹ in Million)

	Year ended March 31, 2018	Year ended March 31, 2017
A. Cash Flows from Operating Activities :		
Profit before income tax	**1,749.66**	**2,386.14**
Adjustments to reconcile profit before tax to net cash flows		
Depreciation and amortisation	372.50	520.54
Interest expense	92.52	102.05
Dividend income	(71.24)	(29.27)
Profit on sale of property, plant and equipment	(0.08)	(0.07)
Interest from deposits and loans	(14.67)	(18.34)
Provision written back	(66.16)	(6.43)
Fair value loss on investments measured at FVTPL	(1.22)	(1.11)
Kalyani Mukand Limited write off (net)	(55.86)	—
Fair value gain / loss (net) on derivatives not designated as hedges	0.84	(4.70)
Receivables provided for / written off (net)	22.15	0.32
Adjustments for changes in working capital		
(Increase) / Decrease in inventories	231.13	(256.64)
(Increase) / Decrease in trade receivables	856.74	(1,212.27)
(Increase) / Decrease in other current assets	227.84	(12.06)
Increase / (Decrease) in provisions	3.84	4.69
Increase / (Decrease) in trade payables	(522.00)	912.52
Increase / (Decrease) in other financial liabilities	1.52	(0.02)
Increase / (Decrease) in other current liabilities	(282.90)	24.20
Cash generated from Operations	**2,544.61**	**2,409.55**
Income taxes paid (net of refunds)	(624.87)	(888.85)
Net Cash Flow from Operating Activities	**1,919.74**	**1,520.70**
B. Cash Flow from Investment Activities :		
Purchase of property, plant and equipment	(328.32)	(144.47)
(Increase) / Decrease in loans	4.28	2.58
(Purchase) / Sale of investments	(524.53)	(301.79)
Dividend received	71.24	29.27
Interest received	2.64	18.81
Sale of assets property, plant and equipment	0.94	14.18
Net Cash Flows from Investing Activities	**(773.75)**	**(381.42)**

CONSOLIDATED STATEMENT OF CASH FLOW FOR THE YEAR ENDED MARCH 31, 2018

(₹ in Million)

	Year ended March 31, 2018	Year ended March 31, 2017
C. Cash Flows from Financing Activities		
Repayment of borrowings	(694.10)	(877.53)
Interest paid	(94.13)	(104.56)
Dividend paid	(262.70)	—
Net Cash Flows from Financing Activities	**(1,050.93)**	**(982.09)**
Net increase / (decrease) in cash and cash equivalents	**95.06**	**157.19**
Cash and cash equivalents at the beginning of the year (Note 13)	**235.34**	**78.15**
Cash and cash equivalents at the end of the year (Note 13)	**330.40**	**235.34**

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS
(All amounts are in Rupees Millions, except per share data and unless stated otherwise)

Background

Kalyani Steels Limited ("the Company") is a public limited company domiciled in India and incorporated in February, 1973, under the provisions of Companies Act, 1956. The Company and its Subsidiary, Associate and Joint Operation are together referred to as ('the Group'). The Equity Shares of the Company are listed on two recognised stock exchanges in India i.e. BSE Limited (BSE) and National Stock Exchange of India Limited (NSE). The Company is primarily engaged in the business of manufacture and sale of iron and steel products. The Company is an integrated manufacturer of diverse range of steel products with its manufacturing facility located at Hospet Works in Karnataka. The registered office of the Company is located at Mundhwa, Pune - 411036. The CIN of the Company is L27104MH1973PLC016350.

The financial statements for the year ended March 31, 2018, were approved by the Board of Directors and authorised for issue on May 18, 2018.

1A. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

(i) Compliance with Ind AS

These consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended thereafter. For all periods up to and including the year ended March 31, 2017, the Group prepared its financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements for the year ended March 31, 2018, are the first consolidated financial statements that the Group has prepared in accordance with Ind AS. Refer Note 48 - an explanation of how the transition from Indian GAAP to Ind AS has affected the Group's financial position and financial performance.

(ii) Principles of consolidation and equity accounting

(a) Subsidiary

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases. The acquisition method of accounting is used to account for business combinations by the group. The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-company transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated Statement of Profit and Loss, consolidated Statement Changes in Equity and Balance Sheet respectively.

(b) Associates

Associates are all entities over which the group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting after initially being recognised at cost.

(c) Joint arrangements

Joint operation

The Group recognises its direct right to the assets, liabilities, revenues and expenses of joint operations and its share of any jointly held or incurred assets, liabilities, revenues and expenses. These have been incorporated in the consolidated financial statements under the appropriate headings.

(iii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following :

• Certain financial assets and liabilities (including derivative instruments) that are measured at fair value

• Defined benefit plans - plan assets measured at fair value

(iv) Current versus non-current classification

The Group presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is treated as current when it is :

• Expected to be realised or intended to be sold or consumed in normal operating cycle

• Held primarily for the purpose of trading

• Expected to be realised within twelve months after the reporting period, or

• Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when :

• It is expected to be settled in normal operating cycle

• It is held primarily for the purpose of trading

• It is due to be settled within twelve months after the reporting period, or

• There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

(v) Amended standards adopted by the Group

The amendments to Ind AS7 require disclosure of changes in liabilities arising from financing activities, see Note 46.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued):

(b) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors that makes strategic decisions for the Group. Refer Note 45 for segment information presented.

(c) Foreign currency translation

Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates (`the functional currency'). The consolidated financial statements are presented in Indian Rupee (INR), which is Kalyani Steels Limited's functional and presentation currency.

Initial Recognition

Foreign currency transactions are recorded in Indian Currency, by applying the exchange rate between the Indian Currency and the Foreign Currency at the date of transaction.

Conversion

Monetary items, designated in Foreign Currencies are revalued at the rate prevailing on the date of Balance Sheet.

Exchange Differences

Exchange differences arising on the settlement and conversion of Foreign Currency transactions are recognised as income or as expenses in the year in which they arise, except in cases where they relate to the acquisition of qualifying assets, in which cases they were adjusted in the cost of the corresponding asset. On transition to Ind AS, the Group has elected to continue the accounting policy adopted in its previous GAAP with respect to foreign exchange differences arising on long-term foreign currency monetary items related to a depreciable asset, existing as on March 31, 2017. Such exchange differences are adjusted to the cost of depreciable asset and depreciated over the balance life of the asset.

(d) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of government. Revenue is net of returns and allowances, trade discounts and volume rebates.

Based on the Educational Material on Ind AS 18 issued by ICAI, recovery of excise duty flows to the Group on its own account. This is for the reason that it is a liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not. Since the recovery of excise duty flows to the Group on its own account, revenue includes excise duty to the extent it is applicable.

However, Sales Tax / Value Added Tax (VAT), Goods and Service Tax (GST) is not received by the Group on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government, accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, which is usually on delivery of the goods in case of domestic sales and on shipment in case of export sales.

Interest Income

Interest income from debt instruments is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a timely basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group and the amount of the dividend can be measured reliably.

(e) Government grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

(f) Taxes

Current Tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.The management periodically evaluates positions taken in returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to tax authorities.

Deferred Tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except :

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised, except :

- When the deferred tax asset relating to the deductible temporary differences arises from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued):

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Current and deferred taxes are recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(g) Leases

Group as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Group is classified as a financial lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Group's general policy on the borrowing costs.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term unless the same is in line with inflation.

(h) Cash and cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents consists of cash and short-term deposits, as defined above, net of outstanding bank overdrafts and cash credit facilities as they are considered an integral part of the Group's cash management.

(i) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

(j) Inventories

Cost of inventories include all costs of purchases, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials and components, stores and spares are valued at cost or net realisable value whichever is lower. Costs are determined on weighted average basis.

Work-in-progress and finished goods are valued at cost or net realisable value whichever is lower. Costs includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity but does not include borrowing costs. Cost of work-in-progress and finished goods are determined on a weighted average basis.

Scrap is valued at net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(k) Fair value measurement :

The Group measures financial instruments at fair value on initial recognition.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

• In the principal market for the asset or liability, or

• In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level inputs that is significant to the fair value measurement as a whole :

• Level 1 – Quoted (unadjusted) market prices in active markets for identical assets and liabilities

• Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

• Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is un-observable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as unquoted financial assets. Involvement of external valuers is decided upon annually by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the Group's external valuers, which valuation techniques and inputs to use for each case.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(l) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued):

(m) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories :

- Financial assets at amortised cost
- Financial assets at fair value through other comprehensive income (FVTOCI)
- Financial assets at fair value through profit or loss (FVTPL)

Financial assets at amortised cost :

A financial asset is measured at amortised cost if both following conditions are met :

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income :

A financial asset is measured at fair value through other comprehensive income if both of the following criteria are met :

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets, until they are derecognised or reclassified, are subsequently measured at fair value and recognised in other comprehensive income except for interest income, gain/loss on impairment, gain/loss on foreign exchange which is recognised in the Statement of Profit and Loss.

Financial assets at fair value through profit or loss :

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income.

In addition, the Group may elect to classify a financial asset, which otherwise meets amortised cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Group has not designated any financial asset as at fair value through profit or loss.

After initial measurement, such financial assets are subsequently measured at fair value in the Statement of Profit and Loss.

De-recognition of financial assets

A financial asset is de-recognised when :

- The contractual rights to receive cash flows from the financial asset have expired, or
- The Group has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and either -
  - (a) The Group has transferred substantially all the risks and rewards of the asset or
  - (b) The Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure :

- Financial assets that are debt instruments and are measured at amortised cost e.g. loans, debt-securities, deposits, trade receivables and bank balance
- Financial assets that are debt instruments and are measured as at FVTOCI

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events on a financial instrument that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e. all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider :

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the Group is required to use the remaining contractual term of the financial instrument
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the Statement of Profit and Loss. This amount is reflected under the head "Other Expenses" in the Statement of Profit and Loss.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued):

The Balance Sheet presentation for various financial instruments is described below :

• Financial assets measured as at amortised cost.

ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-offs criteria, the Group does not de-recognise impairment allowance from the gross carrying amount.

The Group does not have any purchased or originated credit-impaired (POCI) financial assets, i.e. financial assets which are credit impaired on purchase/ origination.

(n) Loans and Borrowings at amortised Cost

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

(o) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

(p) De-recognition of financial liabilities

A financial liability (or a part of a financial liability) is de-recognised from its Balance Sheet when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of an new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(q) Derivatives

The Group enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through profit or loss and are included in other income / other expenses.

(r) Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

(s) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any). All significant costs relating to the acquisition and installation of property, plant and equipment are capitalised. Such cost includes the cost of replacing part of the property, plant and equipment and borrowings costs for long term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection / relining is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in Statement of Profit and Loss during the reporting period in which they are incurred.

Subsequent costs are included in the asset's carrying amount as recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for a separate asset is derecognised when replaced.

The identified components are depreciated over their useful lives, the remaining asset is depreciated over the life of the principal asset.

Depreciation on additions is provided from the beginning of the month in which the asset is put to use.

Depreciation on assets sold, discarded or demolished during the year is being provided at their respective rates on pro-rata basis up to the end of the month prior to the month in which such assets are sold, discarded or demolished.

The useful lives has been determined based on technical evaluation done by the management's expert which are higher than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

Depreciation is charged on the basis of useful life of assets on straight line method.

Freehold land is carried at historical cost.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year.

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016, measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

On transition to Ind AS, the Group has elected to continue the accounting policy adopted in its previous GAAP with respect to foreign exchange differences arising on long-term foreign currency monetary items related to a depreciable asset, existing as on March 31, 2017. Such exchange differences are adjusted to the cost of depreciable asset and depreciated over the balance life of the asset.

(t) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

Intangible assets of computer software is amortised over the useful economic life of six years and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each reporting period.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued):

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the net carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Transition to Ind AS

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its intangible assets recognised as at April 1, 2016, measured as per the previous GAAP and use that carrying value as the deemed cost of the intangible assets.

(u) Impairment of non-financial assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair vale less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses including impairment on inventories are recognised in the Statement of Profit and Loss.

Previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of asset does not exceed its recoverable amount. Such reversal is recognised in Statement of Profit and Loss.

(v) Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are unsecured and are presented as current liabilities unless payment is not due within operating cycle determined by the Group after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(w) Provisions and contingent liabilities

Provisions are recognised when the Group has a present, legal or constructive obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions are determined based on the best estimate required to settle the obligation at the Balance Sheet date. Provisions are reviewed at each Balance Sheet date and adjusted to reflect current best estimates.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but discloses its existence in the financial statements. A disclosure for a contingent liability is made where there is a possible obligation arising out of past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation arising out of a past event where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(x) Employee Benefits

(i) Short-term Employee Benefits

The distinction between short term and long term employee benefits is based on expected timing of settlement rather than the employee's entitlement benefits. All employee benefits payable within twelve months of rendering the service are classified as short term benefits. Such benefits include salaries, wages, bonus, short term compensated absences, awards, ex-gratia, performance pay etc. and are recognised in the period in which the employee renders the related service.

(ii) Post-Employment benefits

1. Defined Contribution plan

The Group makes payment to approved superannuation schemes, state government provident fund scheme and employee state insurance scheme which are defined contribution plans. The contribution paid/payable under the schemes is recognised in the Statement of Profit and Loss during the period in which the employee renders the related service. The Group has no further obligations under these schemes beyond its periodic contributions.

2. Defined Benefit plan

The employees' gratuity fund scheme is Group's defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance Sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation under the defined benefit plan, to recognise the obligation on a net basis.

(iii) Long term Employment benefits

The employee's long term compensated absences are Group's other long term benefit plans. The present value of the obligation is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of Balance Sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation, to recognise the obligation on a net basis.

In regard to other long term employment benefits, the Group recognises the net total of service costs, net interest on the net defined benefit liability (asset) and re-measurements of the net defined benefit liability (asset) in the Statement of Profit and Loss.

Gratuity

The Group provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurements gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Provident Fund

The Group operates two plans for its employees to provide employee benefits in the nature of provident fund.

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

Eligible employees receive benefits from a provident fund, which is a defined benefit plan. Both the employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. The Company contributes a part of the contributions to the "Kalyani Steels Limited Provident Fund Trust". The rate at which the annual interest is payable to the beneficiaries by the trust is being administered by the government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust and the notified interest rate.

The cost of providing benefits under above mentioned defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet as an asset / liability with a corresponding debit or credit to retained earnings through profit and loss in the period in which they occur.

Superannuation

Retirement benefit in the form of superannuation plan is a defined contribution plan. Defined contributions to insurance Company for employees covered under Superannuation scheme are accounted at the rate of 15% of such employees' basic salary. The Group recognises expense toward the contribution paid / payable to the defined contribution plan as and when an employee renders the relevant service. The Group has no obligation, other than the contribution payable to the superannuation fund.

iv) Termination benefits

Termination benefits are payable when employment is terminated by the Group before the normal retirement date or when an employee accepts voluntary redundancy in exchange for these benefits. The Group recognises termination benefits at the earlier of the following dates: (a) when the Group can no longer withdraw the offer of those benefits; and (b) when the entity recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

(y) Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(z) Dividends

The Group recognises a liability to make cash or non-cash distributions to equity holders of the Group when distribution is authorised and the distribution is no longer at the discretion of the Group. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

(aa) Earnings per share

(i) Basic Earnings per Share

Basic earnings per share is calculated by dividing the net profit for the period attributable to equity Shareholders by the weighted average number of equity shares outstanding during the financial year. Earnings considered in ascertaining the Group's earnings per share is the net profit for the period after deducting any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

(ii) Diluted Earnings per Share

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(bb) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest millions as per the requirement of Schedule III, unless otherwise stated.

1B. Standards issued but not effective

The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 on March 28, 2018. The Rules shall be effective from reporting period beginning on or after April 1, 2018 and cannot be early adopted.

(a) Ind AS 115 - Revenue from contracts with customers

Ind AS 115, revenue from contracts with customers deals with revenue recognition and establishes principles for reporting useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from an entity's contracts with customers. Revenue is recognised when a customer obtains control of a promised goods or service and thus has the ability to direct the use and obtain the benefits from the goods or service in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. The standard replaces Ind AS 18 revenue and Ind AS 11 construction contracts and related appendices.

A new five-step process must be applied before revenue can be recognised :

(i) identify contracts with customers

(ii) identify the separate performance obligation

(iii) determine the transaction price of the contract

(iv) allocate the transaction price to each of the separate performance obligations, and

(v) recognise the revenue as each performance obligation is satisfied

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued):

The new standard is mandatory for financial years commencing on or after April 1, 2018 and early application is not permitted. The standard permits either a full retrospective or a modified retrospective approach for the adoption.

There are consequential amendments to other Ind AS due to notification of Ind AS 115. The Group is in the process of evaluating the impact on the financial statements in terms of the amount and timing of revenue recognition under the new standard.

(b) Ind AS 21 - The Effects of changes in foreign exchange rates

The MCA has notified Appendix B to Ind AS 21, Foreign currency transactions and advance consideration. The appendix clarifies how to determine the date of transaction for the exchange rate to be used on initial recognition of a related asset, expense or income where an entity pays or receives consideration in advance for foreign currency-denominated contracts.

For a single payment or receipt, the date of the transaction should be the date on which the entity initially recognises the non-monetary asset or liability arising from the advance consideration (the prepayment or deferred income/contract liability). If there are multiple payments or receipts for one item, date of transaction should be determined as above for each payment or receipt.

The appendix can be applied :

(i) retrospectively for each period presented applying Ind AS 8

(ii) prospectively to items in scope of the appendix that are initially recognised

• on or after the beginning of the reporting period in which the appendix is first applied (i.e. April 1, 2018) or

• from the beginning of a prior reporting period presented as comparative information (i.e. April 1, 2017)

The Group is in the process of evaluating the impact on the financial statements in terms of the amount and timing of revenue recognition under the new standard.

(c) Ind AS 40 - Investment property

The amendments clarify that transfers to, or from, investment property can only be made if there has been a change in use that is supported by evidence. A change in use occurs when the property meets or ceases to meet the definition of investment property. A change in intention alone is not sufficient to support a transfer. The list of evidence for a change of use in the standard was re-characterised as a non-exhaustive list of examples and scope of these examples have been expanded to include assets under construction / development and not only transfer of completed properties.

The amendment provides two transition options. Entities can choose to apply the amendment :

(i) Retrospectively without the use of hindsight or

(ii) Prospectively to changes in use that occur on or after the date of initial application (i.e. April 1, 2018). At that date, an entity shall reassess the classification of properties held at that date and if applicable, reclassify properties to reflect the conditions that exist as at that date.

There is no impact of this amendment to the Group.

(d) Ind AS 12 - Income Taxes

The amendments clarify the accounting for deferred taxes where an asset is measured at fair value and that fair value is below the asset's tax base. They also clarify certain other aspects of accounting for deferred tax assets set out below :

A temporary difference exists whenever the carrying amount of an asset is less than its tax base at the end of the reporting period.

The estimate of future taxable profit may include the recovery of some of an entity's assets for more than its carrying amount if it is probable that the entity will achieve this. For example, when a fixed-rate debt instrument is measured at fair value, however, the entity expects to hold and collect the contractual cash flows and it is probable that the asset will be recovered for more than its carrying amount.

Where the tax law restricts the source of taxable profits against which particular types of deferred tax assets can be recovered, the recoverability of the deferred tax assets can only be assessed in combination with other deferred tax assets of the same type.

- Tax deductions resulting from the reversal of deferred tax assets are excluded from the estimated future taxable profit that is used to evaluate the recoverability of those assets. This is to avoid double counting the deductible temporary differences in such assessment.

An entity shall apply the amendments to Ind AS 12 retrospectively in accordance with Ind AS 8. However, on initial application of the amendment, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity.

There is no impact of this amendment to the Group.

(e) Ind AS 28 - Investment in Associates and Ind AS 112 - Disclosure of Interest in other entities

Amendment clarifies that :

(i) Disclosure requirements of Ind AS 112 are applicable to interest in other entities classified as held for sale except for summarised financial information

(ii) The option available with venture organisations, mutual funds, unit trusts and similar entities to measure their investments in associate or joint ventures at fair value through profit or loss (FVTPL) is available for each investment in an associate or joint venture

There is no impact of this amendment to the Group.

2. Significant accounting judgements, estimates and assumptions

The preparation of the Group's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures and the disclosure of contingent liabilities. This note provides an overview of the areas that involve a higher degree of judgments or complexities and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these judgments, estimates and assumptions is mentioned below.

Judgments, estimates and assumptions are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

Judgements

In the process of applying the Group's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements :

1. Legal Contingencies

The Group has received various orders and notices from tax authorities in respect of direct and indirect taxes. The outcome of these matters may have a material effect on the financial position, results of operations or cash flows. Management regularly analyses current information about these matters and provides provisions for probable contingent losses including the estimate of legal expense to resolve the matters. In making the decision regarding the need for loss provisions, management considers the degree of probability of an unfavorable outcome and the ability to make a sufficiently reliable estimate of the amount of loss. The filing of a suit or formal assertion of a claim against the Group or the disclosure of any such suit or assertions, does not automatically indicate that a provision of a loss may be appropriate.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued):

2. Segment Reporting

Ind AS 108 Operating Segments requires management to determine the reportable segments for the purpose of disclosure in financial statements based on the internal reporting reviewed by Chief Operating Decision Maker (CODM) to assess performance and allocate resources. The standard also requires management to make judgments with respect to aggregation of certain operating segments into one or more reportable segment.

The Group has determined that the Chief Operating Decision Maker (CODM) is the Board of Directors (BoD), based on its internal reporting structure and functions of the BoD. Operating segments used to present segment information are identified based on the internal reports used and reviewed by the BoD to assess performance and allocate resources.

3. Joint operation

The Group's composite Steel manufacturing facility at Ginigera is under a strategic alliance arrangement with a joint venture partner. The facility is managed by Hospet Steels Limited. The alliance confers Kalyani Steels Limited (KSL) and Mukand Limited (ML) with rights to assets, obligations for liabilities, sharing of expenses / profit / loss in the proportion of product sharing ratio (viz. 41.38% by KSL and 58.62% by ML). Thus, KSL and ML have right to the assets and obligations for the liabilities of this arrangement. Thus, the strategic alliance is a joint arrangement in the nature of joint operation. See Note 48 for further disclosures.

4. Investment in convertible debentures

The Company has invested in fully Convertible Debentures (FCDs) of DGM Realties Private Limited of face value ₹ 1319.60 Million. These FCDs shall be compulsorily converted into equity shares of DGM Realties in various tranches starting from December 31, 2019. The existing rights associated with these FCDs do not give the Company the current ability to direct control over relevant activities of DGM Realties. Hence, these investments are considered as investment in equity instruments and classified as fair value through OCI. Refer Note 5 (b) for further disclosures.

5. Control over subsidiary

The management has assessed that the Company had control over the subsidiary - Lord Ganesha Minerals Private Limited based on the facts and circumstances existing on its date of incorporation. The Company had control over its subsidiary through majority in Board representation and its exposure to the variable returns of Lord Ganesha Minerals Private Limited.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

1. Defined benefit plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on Indian Assured Lives Mortality (2006-08) Ultimate. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and benefit increases are based on expected future inflation rates. Further details about employee benefit obligations are given in Note 38.

2. Fair value measurement of unquoted financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note 41 for further disclosures.

3. Corporate guarantee

The Company had issued a corporate guarantee in favour of Carpenter Technology Mauritius Limited (CTML) to secure the payment of INR equivalent of USD 12,615,003/- being the aggregate amount of second and third tranche of consideration to be paid by Kalyani Investment Company Limited (KICL), Baramati Speciality Steels Limited (BSSL) and KSL Holdings Private Limited (KSLHPL) for purchase of stake of CTML in Saarloha Advanced Materials Private Limited, formerly known as Kalyani Carpenter Special Steels Private Limited (KCSSPL) and Triumphant Special Alloys Private Limited, formerly known as Carpenter Kalyani Special Alloys Private Limited (CKSAPL). The corporate guarantee is a financial guarantee contract to be measured at fair value. One of the important inputs in the fair valuation model is the expected default rate. The Management has assessed it to be negligible and therefore not accounted for the financial guarantee as the fair value is not material.

4. Impairment of Financial Assets

The impairment provisions for financial assets disclosed under Note 42 (III) are based on assumptions about risk of default and expected loss rates. The group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

5. Deferred Tax

At each Balance Sheet date, the Group assesses whether the realisation of future tax benefits is sufficiently probable to recognise deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax asset could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

Note 16 : Other equity

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017
A) Reserves and Surplus		
i) Retained earnings		
Balance at the beginning of the year	6,142.13	4,585.34
Add : Profit for the year	1,156.06	1,562.38
Less : Final equity dividend of previous year (refer Note iii below)	(218.27)	—
Less : Tax on final equity dividend of previous year (refer Note iii below)	(44.43)	—
Add : Other Comprehensive Income being remeasurements of post-employment benefit plans (net of tax)	(0.25)	(5.59)
Balance at the end of the year	7,035.24	6,142.13
ii) General reserve		
Balance at the beginning and end of the year	419.27	419.27
B) Other reserve :		
FVTOCI Equity investment reserve		
Balance at the beginning of the year	230.15	142.13
Fair value changes for the year	(56.36)	88.02
Balance at the end of the year	173.79	230.15
Total	**7,628.30**	**6,791.55**

Nature and purpose of reserves :

i General reserve :
Under the erstwhile Companies Act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to the introduction of the Companies Act, 2013, the requirement to mandatory transfer a specified percentage of net profit to general reserve has been withdrawn. There is no movement in general reserve during the current and previous year.

ii FVTOCI Equity investment reserve

The Group has elected to recognise changes in the fair value of investment in compulsorily convertible debentures in other comprehensive income. These changes are accumulated within the FVTOCI investment reserve within Equity. The Group will transfer amounts from the said reserve to retained earnings when the relevant debentures are de-recognised.

iii Dividend distribution made and proposed :

(₹ in Million)

Particulars	2017-18	2016-17
Cash Dividend on Equity shares declared and paid		
Final Dividend for the year ended March 31, 2017 : ₹ 5/- per equity share (March 31, 2016 : ₹ Nil per equity share)	218.27	—
Dividend distribution tax on final dividend	44.43	—
Proposed dividends on Equity Shares		
Final cash dividend proposed for the year ended March 31, 2018 : ₹ 5/- per equity share (March 31, 2017 : ₹ 5/- per equity share)	218.27	218.27
Dividend distribution tax on proposed dividend	44.87	44.43

Proposed dividend on equity shares is subject to approval of the shareholders of the Company at the annual general meeting and is not recognised as a liability (including taxes thereon) as at year end.

Bank of Baroda	168.14	233.46	471.29
The Hongkong and Shanghai Banking Corporation Limited	256.34	255.53	186.03
Total current maturities of non-current borrowings	424.48	488.99	657.32
Less : Interest accrued	3.66	5.17	7.69
Total non-current borrowings	**235.76**	**652.21**	**1,152.00**

Foreign currency term loans :

i) From Bank of Baroda, London

External Commercial Borrowing (ECB) Term Loan balance outstanding USD 5,170,000/-, repayable in eight equal half yearly installments, repayment commenced from June 22, 2016, carrying interest at six months USD LIBOR plus 200 bps p.a. payable six monthly.

ii) From The Hongkong and Shanghai Banking Corporation Limited

External Commercial Borrowing (ECB) Term Loan balance outstanding USD 3,940,987/-, repayable in 19 quarterly installments, repayment commenced from September 30, 2014, carrying interest at three months USD LIBOR plus 225 bps p.a. payable quarterly.

Details of security

Above Foreign currency term loans are secured by first pari-passu charge on the immovable and movable assets of the Group i.e. mortgage of Group's immovable properties consisting of land together with all buildings and structures thereon and all plant and machinery, attached to the earth or permanently fastened to anything attached to the earth, both present and future and hypothecation of whole of the movable property, plant and equipment of the Group, both present and future, ranking pari-passu with charges created and / or to be created in favour of Banks / Financial Institutions for their term / foreign currency loans. The foreign currency term loans are also secured by second pari-passu charge on the current assets of the Group consisting of stock of raw materials, stock in process, semi-finished and finished goods, bills receivables and book debts.

iii) 1% Non-cumulative convertible preference shares (NCCPS)

The Group has NCCPS having at par value of ₹ 10/- per Share. These Shares entitled to fixed preferential dividend of 1% p.a. out of profits of the Group. If such dividend is not declared by the Board, the right to receive dividend shall lapse. Each holder of NCCPS is entitled to one vote per Share only on resolutions places before the Group directly affecting the rights attached to NCCPS. The holders of these NCCPS have option to convert the entire amount outstanding on NCCPS into Equity Shares of the Group at par by giving one month's notice to the Group. The NCCPS which are not converted shall be redeemed on the expiry of 10 years from the date of allotment i.e. redeemable on March 31, 2020. In the event of liquidation of the Group before conversion / redemption of NCCPS, the holders of NCCPS will have priority over Equity Shares in payment of dividend and repayment of capital.

Export incentives received	28.72	7.95
Provisions written back	66.16	6.43
Total	**13,870.18**	**14,105.10**

Goods and Services tax (GST) has been effective from July 1, 2017. Consequently excise duty, value added tax (VAT), service tax etc. have been replaced with GST. Until June 30, 2017, 'Sale of products' included the amount of excise duty recovered on sales. With effect from July 1, 2017, 'Sale of products' excludes the amount of GST recovered. Accordingly, 'Revenue from operations' for year ended March 31, 2018 are not comparable with those of the previous year.

B) Gratuity

The Company has formed "Kalyani Steels Limited Employees' Group Gratuity cum Life Assurance Scheme" to manage the gratuity obligations. The joint operation at Hospet Steels Limited has formed "Hospet Steels Employees Gratuity Trust" to manage its gratuity obligations. The money contributed by the Group to the fund to finance the liabilities of the plan has to be invested. The trustees of the plan have outsourced the investment management of the fund to an insurance company - Life Insurance Corporation of India. Every permanent employee is entitled to a benefit equivalent to 15/30 days (as applicable) of the last drawn salary for each completed year of service in line with the Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Group or retirement, whichever is earlier. The benefits vest after five years of continuous service. There is no compulsion on the part of the Group to fully pre-fund the liability of the Plan. The Group's philosophy is to fund the benefits based on its own liquidity as well as level of under funding of the plan.

I) The amounts recognised in balance sheet and movements in the net benefit obligation over the year are as follows :

(₹ in Million)

Particulars	Present value of obligation	Fair value of plan assets	Net amount

March 31, 2018	**92.83**	**(78.07)**	**14.76**

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued) :

II) The net liability disclosed above relates to funded plans are as follows :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Present value of funded obligation	92.83	79.78	55.53
Fair value of plan assets	(78.07)	(61.47)	(42.29)
Deficit of funded plan	**14.76**	**18.31**	**13.24**

III) Significant estimates :

The significant actuarial assumptions were as follows :

Kalyani Steels Limited

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Discount rate	7.70%	7.10%	7.80%
Salary growth rate	10.00%	10.00%	10.00%
Attrition rate	7.00%	5.00%	5.00%
Retirement age	M1 category - 60 years Wholetime Director - 65 years Others - 55 years	M1 category - 60 years Wholetime Director - 65 years Others - 55 years	M1 category - 60 years Wholetime Director - 65 years Others -55 years
Mortality rate	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate

Hospet Steels Limited (Joint operation)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Discount rate	7.80%	8.00%	8.00%
Salary growth rate	8.00%	6.00%	6.00%
Attrition rate	1 - 3%	1 - 3%	1 - 3%
Retirement age	58 years	58 years	58 years
Mortality rate	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate

IV) Sensitivity analysis :

The sensitivity of defined obligation to changes in the weighted principal assumptions is :

(₹ in Million)

Assumption	Impact on defined benefit obligation	
	March 31, 2018	March 31, 2017
Discount rate		
1% decrease	8.01	7.88
1% increase	(6.70)	(6.83)
Future salary increase		
1% decrease	(6.25)	(5.81)
1% increase	6.96	6.08
Attrition rate		
1% decrease	0.74	5.30
1% increase	(0.69)	(4.54)

The above sensitivity analysis is based on a change in assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the Projected Unit Credit Method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance Sheet.

The method and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

The following payments are expected future benefit payments :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017
Less than a year	7.69	9.19
Between 1 - 2 years	9.84	7.47
Between 2 - 5 years	19.19	10.87
Over 5 years	108.46	99.16
Total	**145.18**	**126.69**

The weighted duration of the defined obligation is 9.46 years (March 31, 2017 - 11.52 years)

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued) :

V) The major categories of plan assets are as follows :

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Unquoted - Insurer managed funds*	100.00%	100.00%	100.00%

* The Group maintains gratuity fund, which is being administered by LIC. Fund value confirmed by LIC as at March 31, 2018 is considered to be the fair value.

VI) The Group expects to contribute ₹ 14.76 Million to the gratuity fund in the next year.

C Provident Fund

Defined Benefit : Provident fund for management employees is managed by the Group through the "Kalyani Steels Limited Non Bargainable Staff Provident Fund", in line with the provisions of Provident Fund and Miscellaneous Provisions Act, 1952 as well as the relevant provisions of the Income tax Act. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of their separation from the Group or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee. The Group does not currently have any unfunded plans. There is no compulsion on the part of the Group to fully pre-fund the liability of the Plan. The Group funds the shortfall in the year in which it arises.

Defined contribution : The Group also has certain defined contribution plans. Contributions are made to provident fund in India for workers at the 12% of basic and dearness allowance as per regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Group is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 7.61 Million (March 31, 2017 : ₹ 7.55 Million).

I) The amounts recognised in balance sheet and movements in the net benefit obligation over the year are as follows :

(₹ in Million)

Particulars	Present value of obligation	Fair value of plan assets	Net amount
April 1, 2016	**1.82**	**—**	**1.82**
Current service cost	0.19	—	0.19
Interest expense / (income)	0.14	—	0.14
Experience (gain) / loss	1.24	(0.28)	0.96
Total amount recognised in Statement of Profit or Loss	1.57	(0.28)	1.29
March 31, 2017	**3.39**	**(0.28)**	**3.11**

(₹ in Million)

Particulars	Present value of obligation	Fair value of plan assets	Net amount
April 1, 2017	**3.39**	**(0.28)**	**3.11**
Current service cost	0.62	—	0.62
Interest expense / (income)	0.24	(0.02)	0.22
Experience (gain) / loss	(2.86)	(0.07)	(2.93)
Total amount recognised in Statement of Profit or Loss	(2.00)	(0.09)	(2.09)
March 31, 2018	**1.39**	**(0.37)**	**1.02**

II The net liability disclosed above relates to funded plans are as follows :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Present value of funded obligation	1.39	3.39	1.82
Fair value of plan assets	(0.37)	(0.28)	—
Deficit of funded plan	**1.02**	**3.11**	**1.82**

III) Significant estimates :

The significant actuarial assumptions were as follows :

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Discount rate	7.70%	7.10%	7.80%

IV) The major categories of plan assets are as follows :

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Government of India securities	55.26%	51.51%	68.40%
Corporate bonds	39.86%	44.63%	29.63%
Special deposit scheme	0.28%	0.37%	0.48%
Mutual funds	4.60%	3.29%	0.80%
Others	—	0.20%	0.69%

D) Superannuation plan

The Group has formed "Kalyani Steels Limited Officers' Superannuation Scheme" and "Hospet Steels Limited Employees Superannuation Trust" to manage its superannuation scheme through Life Insurance Corporation of India. Contributions are made at 15% of basic salary for employees covered under the superannuation scheme. The obligation of the Group is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is ₹ 8.80 Million (March 31, 2017 : ₹ 8.48 Million).

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued) :

E) Risk Exposure

Through its defined benefit plan, the Group is exposed to a number of risks, the most significant of which are detailed below :

Asset Volatility : All plan assets for gratuity and superannuation are maintained in a trust managed by a public sector insurer viz. LIC of India. LIC has a sovereign guarantee and has been providing consistent and competitive returns over the years. The Group has opted for a traditional fund wherein all assets are invested primarily in risk averse markets. The Group has no control over the management of funds but this option provides a high level of safety for the total corpus. A single account is maintained for both the investment and claim settlement and hence 100% liquidity is ensured. Also interest rate and inflation risk are taken care of.

Asset volatility risk for provident fund : The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income fund, manages interest rate risk with derivatives, to minimise risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit. The Group has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The Group intends to maintain the above investment mix in the continuing years.

Changes in bond yields : A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of plans' bond holdings.

Life expectancy : This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

Future salary increase and inflation risk : Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainties in estimating this increasing risk.

Asset-Liability mismatch risk : Risk arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the Group is successfully able to neutralise valuation swings caused by interest rate movements. The Group ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans.

Note 39 : Interest in other entities

A) Subsidiary

Particulars	Ownership interest held by the Company		
	March 31, 2018	March 31, 2017	April 1, 2016
Lord Ganesha Minerals Private Limited	77.50%	77.50%	77.50%

The principal place of business of the wholly owned subsidiary is India. The principal business is mining. The ownership interest held by non-controlling interest is to the extent of 22.50% for all periods.

B) Associate

Particulars	Ownership interest held by the Company		
	March 31, 2018	March 31, 2017	April 1, 2016
Kalyani Mukand Limited	50%	50%	50%

The principal place of business of the associate is India. Currently, the Company does not carry any business.

C) Joint operation

Particulars	Ownership interest held by the Company		
	March 31, 2018	March 31, 2017	April 1, 2016
Hospet Steels Limited	41.38%	41.38%	41.38%

The principal place of business of the joint operation is India. The voting rights in the joint operation are 49.99% (March 31, 2017 : 49.99%, April 1, 2016 : 49.99%). The principal business is to act as a management company for strategic alliance arrangement between Kalyani Steels Limited and Mukand Limited.

D) Structured Entities :

	Particulars	Place of business	Principal activities
i)	Kalyani Steels Limited Non Bargainable Staff Provident Fund	India	Employee benefit trust
ii)	Kalyani Steels Limited Officers' Superannuation Scheme	India	Employee benefit trust

Derivative liabilities	—	0.13	0.85

Financial assets and liabilities classified as FVOCI (₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Investment in Debentures	1,533.79	1,590.15	1,502.13

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(₹ in Million)

Financial assets and liabilities measured at fair value - recurring fair value measurements	Level 1	Level 2	Level 3
Investment in Preference shares			
March 31, 2018	—	—	13.45
March 31, 2017	—	—	12.23
April 1, 2016	—	—	11.12
Investments in Mutual Funds			
March 31, 2018	1,176.24	—	—
March 31, 2017	657.20	—	—
April 1, 2016	355.95	—	—
Investment in Debentures			
March 31, 2018	—	—	1,533.79
March 31, 2017	—	—	1,590.15
April 1, 2016	—	—	1,502.13
Derivative asset			
March 31, 2018	—	3.24	—
March 31, 2017	—	4.22	—
April 1, 2016	—	0.23	—
Derivative liabilities			
March 31, 2018	—	—	—
March 31, 2017	—	0.13	—
April 1, 2016	—	0.85	—

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include :

The use of quoted market prices or dealer quotes for similar instruments

-The fair value for preference shares is determined using discounted cash flow analysis (Baramati Speciality Steels Limited)

- The fair value for compulsorily convertible debentures is determined using asset approach (replacement value method)

-The fair value of interest rate swaps is calculated using present value of estimated future cash flows based on observable yield curves

iii) Valuation process

The finance department of the Company includes a team that performs the valuations of assets and liabilities required for financial reporting purposes. This team appoints external valuation experts whenever the need arises for level 3 fair valuation. This team reports directly to the Chief Financial Officer (CFO). Discussions of valuation processes and results are held between the CFO and the valuation team at least once every year, in line with the Group's annual reporting period.

iv) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of such financial assets and liabilities are a reasonable approximation of their fair values.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued) :

v) Fair value measurements using significant unobservable inputs (level 3)

The following table presents the changes in level 3 items :

(₹ in Million)

Particulars	Preference shares	Debentures	Total
As at April 1, 2016	**11.12**	**1,502.13**	**1,513.25**
Purchased during the year	—	—	—
Gains / (losses) recognised in profit or loss	1.11	—	1.11
Gains / (losses) recognised in other comprehensive income	—	88.02	88.02
As at March 31, 2017	**12.23**	**1,590.15**	**1,602.38**
Purchased during the year	—	—	—
Gain / (loss) recognised in profit or loss	1.22	—	1.22
Gains / (losses) recognised in other comprehensive income	—	(56.36)	(56.36)
As at March 31, 2018	**13.45**	**1,533.79**	**1,547.24**

vi) Valuation inputs and relationships to fair value

The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value :

Particulars	Significant unobservable input		
	March 31, 2018	**March 31, 2017**	**April 1, 2016**
1) Preference shares			
i) Discount rate	10.00%	10.00%	10.00%
2) Compulsory convertible debentures			
i) Discount rate	7.40%	7.46%	6.69%
ii) Inflation rate	10.65%	11.41%	11.14%

The change by 100 bps does not have any material impact on value of investments in Preference Shares and compulsory convertible debentures.

Note 42 : Financial risk management

The Group is exposed to risks such as changes in foreign currency exchange rates and interest rates. A variety of practices are employed to manage these risks, including use of derivative instruments.

Derivative instruments are used only for risk management purposes and not for speculation. All foreign currency derivative instruments are entered into with major financial institutions. The Group's credit exposure under these arrangements is limited to agreements with a positive fair value at the reporting date. Credit risk with respect to the counterparty is actively monitored.

Presented below is a description of the risks (market risk, credit risk and liquidity risk) together with a sensitivity analysis, performed annually, of each of these risks based on selected changes in market rates and prices. These analysis reflect management's view of changes which are reasonably possible to occur over a one-year period.

I Market Risk

A) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group is engaged in international trade and thereby exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR).

i) Foreign currency risk exposure

The Group's exposure to foreign currency risk (in USD) at the end of reporting period in INR (Million), are as follows

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Financial assets			
Trade receivables	184.60	32.21	76.89
Net exposure to foreign currency risk (assets)	184.60	32.21	76.89
Financial liabilities			
Borrowings	1,688.35	2,388.59	3,271.71
Trade payables	631.97	1,154.75	301.93
Interest	7.82	9.44	11.93
Net exposure to foreign currency risk (liabilities)	2,328.14	3,552.78	3,585.57

The sensitivity of profit or loss to changes in foreign exchange rates with respect to year end payable / receivable balances in INR (Million) is as follows :

Impact on profit or loss

	March 31, 2018	March 31, 2017
USD		
Increase by 1%*	(32.29)	(35.21)
Decrease by 1%*	32.29	35.21

*Holding all other variables constant

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued) :

B) Interest risk

The Group has borrowings at variable interest rate. Profit or loss is sensitive to higher / lower interest expense from borrowings as a result of change in the interest rates. The following sensitivity analysis has been performed for non-current and current borrowings.

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Total borrowings at variable interest rate	1,755.97	2,450.06	3,327.59
Interest rate swaps	256.35	559.64	1,015.43
Net exposure to interest rate risk	1,499.62	1,890.42	2,312.16

	Impact on profit or loss	
	March 31, 2018	March 31, 2017
Increase by 0.5%*	(0.85)	(1.05)
Decrease by 0.5%*	0.85	1.05

*Holding all other variables constant

II Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Group treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, the Group's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these debt financing plans.

i) Maturities of financial liabilities

The tables below analyse the Group's financial liabilities into relevant maturity groupings based on their contractual maturities :

(₹ in Million)

March 31, 2018	Less than 1 year	More than 1 year
Non - derivative		
Borrowings	1,095.73	235.76
Trade payables	1,862.75	—
Other financial liabilities	582.00	—

(₹ in Million)

March 31, 2017	Less than 1 year	More than 1 year
Non - derivative		
Borrowings	1,308.86	652.21
Part amount received under an arrangement against sale of project promoted by the Company	—	55.86
Trade payables	2,450.91	—
Other financial liabilities	650.14	—

(₹ in Million)

April 1, 2016	Less than 1 year	More than 1 year
Non - derivative		
Borrowings	1,518.27	1,152.00
Part amount received under an arrangement against sale of project promoted by the Company	—	55.86
Trade payables	1,544.81	—
Other financial liabilities	847.76	—

III Credit risk

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

The balances with banks, loans given to employees and associated company, security deposits are subject to low credit risk since the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets.

A) Trade receivables

Senior management is responsible for managing and analysing the credit risk for each of their new clients before standard payment, delivery terms and conditions are offered. The Company assesses the credit quality of the customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment. The utilisation of credit limits is regularly monitored.

An impairment analysis is performed at each reporting date on an individual basis for all customers. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 12.

i) Expected credit loss for trade receivables under simplified approach :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Gross carrying amount	3,817.17	4,674.52	3,462.74
Expected loss rate	1.18%	0.51%	0.69%
Expected credit losses (loss allowance provision)	45.17	23.63	23.80
Carrying amount of trade receivables (net of impairment)	3,772.00	4,650.89	3,438.94

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued) :

ii) Reconciliation of loss allowance provision - trade receivables

(₹ in Million)

Loss allowance as on April 1, 2016	23.80
Changes in loss allowance	(0.17)
Loss allowance as on March 31, 2017	23.63
Changes in loss allowance	21.54
Loss allowance as on March 31, 2018	45.17

Note 43 : Capital management

The Group's objectives when managing capital are to :

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Group determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity, long term and short term borrowings. The Group's policy is aimed at combination of short-term and long-term borrowings. The Group monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Group. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Total debt includes all long and short-term debts as disclosed in Notes 17 and 21 to the financial statements.

The capital structure of the Group is as follows :

(₹ in Million)

Particulars	March 31, 2018	March 31, 2017	April 1, 2016
Borrowings	1,755.97	2,450.06	3,327.59
Less : Cash and cash equivalents	330.40	235.34	78.15
Net debt	1,425.57	2,214.72	3,249.44
Equity attributable to owners	7,846.94	7,010.19	5,365.38
Debt equity ratio	0.18	0.32	0.61

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements.

Note 44 : Corporate social responsibility (CSR)

Note 45 : Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The board of directors has been identified as the chief operating decision maker.

The Group has organised its operating segments based on product groupings. These operating segments have been aggregated into one reportable business segment : 'Forging and Engineering quality carbon and alloy steels'.

Revenues of approximately ₹ 4,625.53 Million (March 31, 2017 : ₹ 3,949.29 Million) are derived from a single customer.

During the year, total revenues from sales to customers outside India for the year ended March 31, 2018 and March 31, 2017 was ₹ 584.03 Million and ₹ 201.19 Million respectively.

All non-current assets are in India.

Note 48 : First-time adoption

Transition to Ind AS

These consolidated financial statements, for the year ended March 31, 2018, are the first, the Group has prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2017, the Group prepared its consolidated financial statements in accordance with accounting standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ("Indian GAAP"). Accordingly, the Group has prepared consolidated financial statements which comply with Ind AS applicable for periods ended on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. In preparing these consolidated financial statements, the Group's opening balance sheet was prepared as at April 1, 2016, the Group's date of transition to Ind AS. This note explains the principal adjustments made by the Group in restating its Indian GAAP consolidated financial statements, including the balance sheet as at April 1, 2016 and the financial statements as at and for the year ended March 31, 2017.

I) Exemptions availed

a) Deemed cost

Ind AS 101 permits a first time adopter to elect to continue with the carrying value for all of its property, plant and equipment and intangible assets as recognised in the financial statements as at the date of transition after making necessary adjustments for de-commissioning liabilities. Accordingly, the Group has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

b) Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVTOCI on the basis of facts and circumstances at the date of transition to Ind AS. The Group has elected to apply this exemption for its investment in debentures.

c) Leases

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The Group has elected to apply this exemption for such contracts / arrangements.

d) Long-term foreign currency monetary items

Under previous GAAP, paragraph 46/46A of AS 11 'The Effects of Changes in Foreign Exchange Rates', provided an alternative accounting treatment to companies with respect to exchange differences arising on restatement of long term foreign currency monetary items. Exchange differences on account of depreciable assets could be added/deducted from the cost of the depreciable asset, which would then be depreciated over the balance life of the asset. In other cases, the exchange difference could be accumulated in a foreign currency monetary item translation difference account and amortised over the balance period of such long term asset / liability. Ind AS 101 includes an optional exemption that allows a first-time adopter to continue the above accounting treatment in respect of the long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period. The exemption under Ind AS 101 will not be available for long-term foreign currency monetary items recognised after this date. The Group has elected to apply this exemption for such items.

II) Exceptions applied

a) Estimates

The estimates at April 1, 2016 and at March 31, 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from the following items where application of Indian GAAP did not require estimation :

- Impairment of financial assets based on expected credit loss model
- Investment in preference shares carried at FVTPL
- Investment in debentures carried at FVTOCI
- Preference shares issued to NCI

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued) :

The estimates used by the Group to present these amounts in accordance with Ind AS reflect conditions at April 1, 2016, the date of transition to Ind AS and as of March 31, 2017.

b) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

III) Explanation of transition to Ind AS

An explanation of how the transition from Indian GAAP to Ind AS has affected the Group's financial position, financial performance and cash flow is set out in the following tables and notes that accompany the tables. The reconciliation include :

- equity reconciliation as at April 1, 2016
- equity reconciliation as at March 31, 2017
- profit reconciliation for the year ended March 31, 2017; and

In the reconciliations mentioned above, certain reclassifications have been made from Indian GAAP financial information to align with Ind AS presentation.

A) Reconciliation of total equity as at March 31, 2017 and April 1, 2016

(₹ in Million)

Particulars	Notes	March 31, 2017	April 1, 2016
Total Equity as per Indian GAAP		**7,446.57**	**5,891.28**
Adjustments :			
Fair valuation of investments - Preference Shares	1	(73.33)	(74.44)
Fair valuation of investments - Debentures	1	230.15	142.13
Fair valuation of derivatives	4	4.08	(0.62)
Proportionate consolidation of assets and liabilities of Hospet Steels Limited classified as joint operation at 41.38% (previously consolidated at 49.99%)	2	0.76	0.67
De-recognition of goodwill on consolidation as per previous GAAP	6	(568.33)	(568.33)
Preference Shares issued to non-controlling interest treated as a compound financial instrument	5	(61.47)	(55.88)
Equity accounting of investment in associate	8	(10.05)	(10.05)
Deferred tax adjustments		(6.34)	(3.87)
Total Adjustments		(484.53)	(570.39)
Total Equity as per Ind AS		**6,962.04**	**5,320.89**

B) Reconciliation of total comprehensive income for the year ended March 31, 2017

(₹ in Million)

Particulars	Notes	Year ended March 31, 2017
Net profit after tax under Indian GAAP		**1,555.29**
Adjustments :		
Fair valuation of investments - Preference Shares	1	1.11
Remeasurements of post-employment benefit obligations re-classified to OCI	7	8.55
Fair valuation of derivatives	4	4.70
Proportionate consolidation of assets and liabilities of Hospet Steels Limited classified as joint operation at 41.38% (previously consolidated at 49.99%)	2	0.08
Interest on liability component of Preference Shares issued to non-controlling interest	5	(5.59)
Deferred tax on above adjustments		(5.42)
Total Adjustments		3.43
Net Profit after tax as per Ind AS		1,558.72
Other comprehensive income	9	
Remeasurements of post-employment benefit obligations	7	(8.55)
Deferred tax on above		2.96
Fair valuation of investments - Debentures	1	88.02
Total other comprehensive income		82.43
Total Comprehensive Income as per Ind AS		**1,641.15**

IV) The transition did not have any material impact on the previously reported cash flows.

V) Notes to first-time adoption

1 Fair valuation of investments

Under the previous GAAP, investments in debentures and preference shares were classified as long-term investments based on the intended holding period and reliability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Under Ind AS, these investments are required to be measured at fair value. Fair value changes with respect to investments in Preference Shares carried at FVTPL are taken through retained earnings as at the date of transition and subsequently in the Statement of Profit and Loss for the year ended March 31, 2017. This decreased retained earnings by ₹ 73.33 Million as at March 31, 2017 (April 1, 2016 : ₹ 74.44 Million). Fair value changes with respect to investment in compulsory convertible debentures designated as at FVTOCI - Equity investments reserve as at the date of transition and subsequently in the other comprehensive income for the year ended March 31, 2017. This increased other reserves by ₹ 230.15 Million as at March 31, 2017 (April 1, 2016 : ₹ 142.13 Million).

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS (Continued) :

2 Joint operation

The Company's composite Steel manufacturing facility at Ginigera is under a strategic alliance arrangement with a joint venture partner. The facility is managed by Hospet Steels Limited. The entire arrangement has been assessed as a joint operation. Under previous GAAP, Hospet Steels Limited was classified as a joint venture and accordingly accounted using proportionate consolidation method at 49.99% in the consolidated financial statements. Under Ind AS, the arrangement has been assessed as a joint operation and accordingly, the Company has recognised its share i.e. 41.38% of revenue and expenses and assets and liabilities from joint operation in its separate financial statements. This resulted in de-consolidation of assets and liabilities of Hospet Steels Limited in consolidated financial statements of the Group to the extent of 8.61% (previous GAAP at 49.99%, 41.38% under Ind AS). The impact on equity is ₹ 0.76 Million as at March 31, 2017 (April 1, 2016 : ₹ 0.67 Million) Further, the expenses incurred by the Company in the composite steel manufacturing process on behalf of other venturer was presented as Job Work Sales under Revenue from Operations. Under Ind AS, the accounting for joint operation requires the Company to recognise only its share of expenses from the joint operation. Accordingly, the amount recharged to the joint venture partner, presented as revenue in the earlier GAAP, have been offset against the respective expense line items. Similarly, the expenses incurred by the other venture partner and recharged to the Company, presented as Job Work Charges under Other Expenses have been reclassified to the respective expense line items based on the nature of such expenses.

3 Revenue

Under Indian GAAP, revenue from sale of products was presented excluding excise duty. Under Ind AS, revenue from sale of products is presented inclusive of excise duty. Excise duty paid is presented on the face of the statement of profit and loss as part of expenses. This change has resulted in an increase in total revenue and total expenses for the year ended March 31, 2017 by ₹ 1,530.86 Million. There is no impact on total equity and profits.

4 Derivatives

Under Ind AS, the interest rate swaps have been marked to market and the impact has been recognised in the income statement. The total equity has increased by ₹ 4.08 Million as at March 31, 2017 (Decrease as on April 1, 2016 : ₹ 0.62 Million) and the total profit has increased by ₹ 4.70 Million as at March 31, 2017.

5 Preference share issued to non-controlling interest as a compound financial instrument

Under previous GAAP, preference shares issued to non-controlling interest were treated as a part of Non-controlling interest. As per Ind AS 32, these Preference Shares have been treated as a compound financial instrument as they have the characteristics of both equity and liability. As on the transition date, this gives rise to two separate components - equity component of ₹ 55.30 Million and liability component of ₹ 34.70 Million. The interest accrual amounting to ₹ 21.18 Million from date of issue of shares to the date of transition has been charged to retained earnings. The interest charge for year ended March 31, 2017 is ₹ 5.59 Million.

6 De-recognition of goodwill on consolidation as per previous GAAP

Under previous GAAP, an entity is consolidated when another entity has equal to or more than 51% of the share-capital or controls the majority of the Board of Directors. Under Ind AS, an entity is consolidated when it acquires control of the entity. Control is defined as power over the entity to direct its relevant activities. Based on the control assessment carried out by the Group under Ind AS 110, Lord Ganesha Minerals Private Limited (LGMPL) has been assessed as a subsidiary from the date of its incorporation, through majority of board representation and funding provided for significant portion of its operations by the Group. Under previous GAAP, LGMPL was considered as an associate till September 30, 2015. Thereafter the Group acquired further stake to the extent of 27.50% in LGMPL on October 1, 2015 thereby it becoming a subsidiary of the Group. The pre-acquisition negative reserves and premium paid on acquisition of further stake resulted in goodwill on consolidation under previous GAAP. Under Ind AS, since LGMPL has been assessed as a subsidiary of the Group from the date of its incorporation, the pre-acquisition reserves adjusted as Goodwill on consolidation has been recognised in Group's retained earnings. Thereafter, the acquisition of further stake of 27.50% in LGMPL did not result in a loss of control by the Group and accordingly the premium paid on acquisition has been adjusted in the Group's retained earnings. The cumulative impact of the above adjustments resulted in de-recognition of goodwill on consolidation as recorded in the previous GAAP. The impact on total equity as at March 31, 2017 is ₹ 568.33 Million (April 1, 2016 : ₹ 568.33 Million).

7 Defined Benefit Obligation

Both under Indian GAAP and Ind AS, the Company recognises cost related to its post employment defined benefit plan on an actuarial basis. However, under Indian GAAP, the entire cost, including actuarial gains and losses, are recognised in the Statement of Profit and Loss. Under Ind AS re-measurements, (comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on net defined benefit liability) are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income, net of taxes.

8 Equity accounting of associate

The Group has applied equity accounting for its investment in associate - Kalyani Mukand Limited. The share of losses are restricted to the amount of investment in the associate. The impact on total equity was ₹ 10.05 Million as at March 31, 2017 (April 1, 2016 : ₹ 10.05 Million).

9 Other Comprehensive Income

Under Indian GAAP, there were no requirements to separately disclose "Other Comprehensive Income (OCI)" and hence, the Company had not presented other comprehensive income (OCI) separately. As such, items falling under OCI, net of taxes is disclosed. Hence, the Company has reconciled the profit under Indian GAAP to the profit as per Ind AS. Further, profit under Ind AS is reconciled to total comprehensive income as per Ind AS.

KALYANI

NOTICE

NOTICE is hereby given that the FORTY-FIFTH Annual General Meeting of the Members of Kalyani Steels Limited will be held on Tuesday, the 21st day of August, 2018, at 11.00 a.m. (I.S.T), at the Registered Office of the Company at Mundhwa, Pune - 411 036, to transact the following business :

ORDINARY BUSINESS

1. To consider and adopt :

a) the Audited Standalone Financial Statements of the Company for the financial year ended 31st March, 2018 and the Reports of the Board of Directors and Auditors thereon.

b) the Audited Consolidated Financial Statements of the Company for the financial year ended 31st March, 2018 and the Report of the Auditors thereon.

2. To declare dividend on Equity Shares for the financial year 2017-18.

3. To appoint a Director in place of Mr.B.N. Kalyani (DIN 00089380), who retires by rotation and being eligible, offers himself for re-appointment.

4. To appoint a Director in place of Mr.S.M. Kheny (DIN 01487360), who retires by rotation and being eligible, offers himself for re-appointment.

5. To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution :

"RESOLVED THAT pursuant to the provisions of Section 139, 142 and other applicable provisions, if any, of the Companies Act, 2013, read with Companies (Audit and Auditors) Rules, 2014 and the Companies (Amendment) Act, 2017 (including any statutory modification(s) or re-enactment thereof, for the time being in force) and pursuant to the resolution passed by the Members of the Company at Forty-Fourth Annual General Meeting held on 1st August, 2017, the Company hereby ratifies the appointment of M/s. P.G. Bhagwat, Chartered Accountants, Pune (Firm Registration No.101118W) as Auditors of the Company to hold the office for the period of four years i.e. from the conclusion of this Meeting until the conclusion of the Forty-Ninth Annual General Meeting of the Company to be held in 2022, on such remuneration plus applicable taxes thereon and reimbursement of out of pocket expenses, as may be mutually agreed between the Board of Directors of the Company and the Auditors, from time to time, based on the recommendation of the Audit Committee."

SPECIAL BUSINESS

6. Appointment of Mr.Sachin K. Mandlik as an Independent Director

To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution :

"RESOLVED THAT pursuant to the provisions of Sections 149, 152 and any other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Schedule IV to the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force) and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr.Sachin K. Mandlik (DIN 07980384), who has submitted a declaration that he meets the criteria for independence as prescribed in Section 149(6) of the Act and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in respect of whom the Company has received a notice in writing from a member proposing his candidature for the office of Director, be and is hereby appointed as an Independent Director of the Company to hold office for a term of 5 (Five) consecutive years with effect from 9th November, 2017 to 8th November, 2022."

7. Appointment of Mr.Shrikrishna K. Adivarekar as an Independent Director

To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution :

RESOLVED THAT pursuant to the provisions of Sections 149, 152 and any other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Schedule IV to the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force) and Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr.Shrikrishna K. Adivarekar (DIN 06928271), who has submitted a declaration that he meets the criteria for independence as prescribed in Section 149(6) of the Act and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in respect of whom the Company has received a notice in writing from a member proposing his candidature for the office of Director, be and is hereby appointed as an Independent Director of the Company to hold office for a term of 5 (Five) consecutive years with effect from 18th May, 2018 to 17th May, 2023."

8. Re-Appointment of Mr.B.B. Hattarki as an Independent Director

To consider and if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution :

RESOLVED THAT pursuant to the provisions of Sections 149, 152 and any other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Schedule IV to the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force) and Regulation 17 of SEBI (Listing Obligations and

Disclosure Requirements) Regulations, 2015, Mr.B.B. Hattarki (DIN 00145710), who has submitted a declaration that he meets the criteria for independence as prescribed in Section 149(6) of the Act and Regulation 16(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in respect of whom the Company has received a notice in writing from a member proposing his candidature for the office of Director, be and is hereby re-appointed as an Independent Director of the Company to hold office for a term of 5 (Five) consecutive years with effect from 1st April, 2019 to 31st March, 2024."

9. **Approval for Related Party Transactions**

To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution :

"RESOLVED THAT pursuant to the provisions of Section 188 and other applicable provisions, if any, of the Companies Act, 2013 read with Companies (Meetings of Board and its Powers) Rules, 2014 and Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment thereof for the time being in force), and subject to such other approvals, consents, permissions and sanctions of any authorities as may be necessary, consent of the Company be and is hereby accorded to the Board of Directors of the Company to enter into transaction(s) of sale, purchase or supply of goods or materials with Bharat Forge Limited upto an estimated transaction value of not exceeding ₹ 20,000 Million (Rupees Twenty Thousand Million only) (whether constitutes material transaction or otherwise, as defined in Regulation 23 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 on behalf of the Company, for each of the 5 (Five) financial years commencing from 1st April, 2019.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to negotiate and finalise the terms and conditions of transaction(s), to do all such acts, deeds and things including delegation of powers as may be necessary, proper or expedient, to give effect to this Resolution."

10. **To approve the Remuneration of the Cost Auditors**

To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution :

"RESOLVED THAT pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force), consent of the Company be and is hereby accorded for the payment of remuneration of ₹ 500,000/- (Rupees Five Hundred Thousand only) plus applicable taxes and reimbursement of out of pocket expenses, to Company's Cost Auditors, M/s.S.R. Bhargave & Co., Cost Accountants, Pune (Firm Registration No.000218), appointed by the Board of Directors of the Company, for auditing the cost records maintained by the Company for the financial year ending 31st March, 2019."

By Order of the Board of Directors
For Kalyani Steels Limited

Pune
May 18, 2018

Mrs.Deepti R. Puranik
Company Secretary

NOTES :

1. A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on a Poll instead of himself and the proxy need not be a member of the Company. A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. In case, a Proxy is proposed to be appointed by a member holding more than 10% of the total share capital of the Company carrying voting rights, then such Proxy shall not act as a Proxy for any other person or member.

   The Instrument appointing proxy should, however, be deposited at the Registered Office of the Company duly completed and signed not less than forty-eight (48) hours before the commencement of the meeting.

2. An Explanatory Statement is provided for item No.5 of the Notice, though strictly not required pursuant to Section 102 of the Companies Act, 2013.

   An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, relating to Special Business under Item Nos.6 to 10 of the Notice to be transacted at the Annual General Meeting is annexed hereto.

3. Corporate members are requested to send board resolution duly certified, authorising their representative to attend and vote on their behalf at the Annual General Meeting.

4. The Share Transfer Books and the Register of Members of the Company will remain closed from Tuesday, 14th August, 2018 to Tuesday, 21st August, 2018 (both days inclusive) for determining the names of members eligible for dividend on Equity Shares, if declared at the Annual General Meeting.

5. If the dividend on Equity Shares as recommended by the Board of Directors is declared at the Annual General Meeting, the payment of such dividend

will be made on and from Friday, 31st August, 2018 as under to those members :

a) whose names appear as beneficial owners holding shares in electronic form, as per the beneficial ownership data as may be made available to the Company by the National Securities Depository Limited (NSDL) and the Central Depository Services (India) Limited (CDSL), as of the end of the day on Monday, 13th August, 2018.

b) whose names appear in the Register of Members of the Company after giving effect to valid share transfers lodged with the Company or with the Registrar and Transfer Agents of the Company, before the close of business hours on Monday, 13th August, 2018.

6. Members holding shares in dematerialised form are requested to intimate any change in their address, bank details, ECS details etc. to their respective Depository Participants and those holding shares in physical form are requested to intimate the said changes to the Registrar and Transfer Agent of the Company, at their address given below.

7. Those Members who have not encashed / received their Dividend Warrants for the previous financial year(s) may approach the Registrar and Transfer Agent of the Company, at their address given below, for claiming their unencashed / unclaimed dividend.

8. Dividends which remain unencashed / unclaimed over a period of 7 years will have to be transferred by the Company to the Investor Education and Protection Fund (IEPF) constituted by the Central Government under Section 125 of the Companies Act, 2013. Further, under the amended provisions of Section 124 of the Companies Act, 2013, all shares in respect of which dividend has not been paid or claimed for seven consecutive years or more shall also be transferred by the Company in the name of the IEPF.

9. Equity Shares of the Company are under compulsory demat trading by all investors. Those shareholders, who have not dematerialised their shareholding, are advised to dematerialise the same to avoid any inconvenience in future.

10. Brief Profile of Director(s) proposed to be appointed / re-appointed, names of companies in which they hold directorships and memberships / chairmanships of Board Committees, shareholding and relationships between directors inter-se, are provided in the Report on Corporate Governance forming part of the Annual Report.

11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in dematerialised form are therefore requested to submit their PAN to the Depository Participants with whom they are maintaining the demat account. Members holding shares in physical form can submit their PAN details to the Registrar and Transfer Agent of the Company, at their address given below.

12. The Ministry of Corporate Affairs (MCA), Government of India, had taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by the companies and had issued circulars stating that service of notice / documents including Annual Report can be done by e-mail to its members.

To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of dematerialised holdings with the Depository through their concerned Depository Participants. Members who hold shares in physical form are requested to fill-up the E-mail Updation Form available at Company's web-site www.kalyanisteels.com and submit the same to the Registrar and Transfer Agent of the Company, at their address given below.

The Notice of the Annual General Meeting along with the Annual Report 2017-18 is being sent by electronic mode to those members whose e-mail addresses are registered with the Company / Depositories, unless any member has requested for the physical copy of the same.

13. Voting through Electronic Means :

i) In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, (as amended) and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members, holding shares as on 14th August, 2018 being the Cut-off date, facility to exercise their right to vote at the Forty-Fifth Annual General Meeting (AGM) by electronic means and the business shall be transacted through e-Voting Services. The facility of casting the votes by members using the electronic voting system from a place other than venue of the AGM ("remote e-Voting") will be provided by National Securities Depository Limited (NSDL).

The facility for voting through Ballot Paper shall be made available at the AGM and the members attending the meeting who have not cast their votes by remote e-Voting shall be able to exercise their right at the meeting through Ballot Paper.

The members who have cast their vote by remote e-Voting prior to meeting may also attend the meeting but shall not be entitled to cast their vote again.

The e-Voting commences on Saturday, 18th August, 2018 (9.00 a.m.) and ends on Monday, 20th August, 2018 (5.00 p.m.). During this period members of the Company, holding shares either in physical form or in dematerialised form, as on cut-off date of 14th August, 2018, may cast their vote electronically. The e-Voting module shall be disabled by NSDL for voting thereafter. Once the vote is cast by the member, the member shall not be allowed to change it subsequently.

The process and manner for remote e-Voting are as under :

Step 1 : Login to NSDL e-Voting system at https://www.evoting.nsdl.com/

Step 2 : Cast your vote electronically on NSDL e-Voting System.

Step 1 :

i) Visit e-Voting website of NSDL. Open web browser by typing URL:https://www.evoting.nsdl.com/

ii) Once the home page of e-Voting system is launched, click on the icon "Login" which is available under "Shareholders" section.

iii) A new screen will open. You will have to enter your User ID, password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL e-services i.e. IDEAS, you can login at https://eservices.nsdl.com/ with your existing IDEAS login. Once you login to NSDL e-services after using your login credentials, click on e-Voting and you can proceed to Step 2 i.e. cast your vote electronically.

iv) Your User ID details are given below :

Manner of holding Shares i.e. Demat (NSDL / CDSL) or Physical	Your User ID is :
For Members who hold Shares in Demat Account with NSDL	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12****** then your USER ID is IN300***12****** For Members who hold Shares in Demat Account with CDSL 16 Digit Beneficiary ID For example if your Beneficiary ID is 12************** then your User ID is 12**************
For Members holding Shares in Physical mode	EVEN Number followed by Folio Number registered with the Company. For example if Folio Number is 001*** and EVEN is 101456 then User ID is 101456001***

v) Your Password details are given below :

a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter your 'initial password' and the system will force you to change your password.

c) How to retrieve your 'initial password'?

1. If your email ID is registered in your Demat account or with the Company, your "initial password" is communicated to you on your email ID. Trace the email sent to you from NSDL from your mail box. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open .pdf file is your 8 digit Client ID for NSDL account, last 8 digits of Client ID for CDSL account or Folio Number for Shares held in physical form. The.pdf file contains your 'User ID' and 'initial password'.

2. If your email ID is not registered, your 'initial password' is communicated to you on your registered postal address.

vi) If you are unable to retrieve or have not received the 'initial password' or have forgotten your password :

a) Click on "Forgot User Details / Password?" (if you are holding Shares in your Demat account with NSDL / CDSL) option available on www.evoting.nsdl.com

b) "Physical User Reset Password?" (if you are holding Shares in physical mode) option available on www.evoting.nsdl.com

c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your Demat account number / Folio number, your PAN, your name and your registered address.

vii) After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

viii) Now you will have to click on Login.

ix) After you click on Login, home page of e-Voting will open.

Step 2 :

x) After successful Login at Step 1, you will be able to see the home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.

xi) After clicking on Active Voting Cycles, you will see all the companies "EVEN", in which you are holding Shares and whose voting cycle is in active status.

xii) Select "EVEN" of company for which you wish to cast your vote.

xiii) Now you are ready for e-Voting as the voting page opens.

xiv) Cast your vote by selecting appropriate options i.e. Assent or Dissent, verify / modify the number of Shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.

xv) Upon confirmation, the message "Vote cast successfully" will be displayed.

xvi) You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.

xvii) Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General guidelines :

a) Institutional Shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF / JPG format) of the relevant Board Resolution / Authority Letter etc. with attested specimen signature of the duly authorised signatory(ies) who are authorised to vote, to the Scrutiniser by email to evoting@kalyanisteels.com with a copy marked to evoting@nsdl.co.in

b) It is strongly recommended not to share your password with any other person and keep utmost care to keep your password confidential. Login to e-Voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such event, you will need to go through "Forgot User Details / Password?" or "Physical User Rest Password?" option available on www.evoting.nsdl.com to reset the password.

c) In case of any queries, you may refer the Frequently Asked Questions (FAQ's) for Shareholders and e-Voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request at evoting@nsdl.co.in

xviii) You can also update your mobile number and e-mail ID in the user profile details of the folio which may be used for sending future communication(s).

xix) The voting rights of members shall be in proportion to shares held by them as on the cut-off of 14th August, 2018.

xx) A person whose name is recorded in the Register of members or in the Register of Beneficial Owners maintained by the depository as on the Cut-off Date only shall be entitled to avail the facility of remote e-Voting as well as voting at the AGM through Ballot Paper. Mr.S.V. Deulkar, Partner of SVD & Associates, Company Secretaries (Membership No. FCS 1321 & CP No. 965) has been appointed as the Scrutiniser to scrutinise the e-Voting process in a fair and transparent manner.

xxi) The Scrutiniser shall immediately after conclusion of voting at AGM, first count, the votes cast at the meeting and thereafter unblock the votes cast through remote e-Voting in the presence of at least two witnesses not in the employment of the Company and shall prepare not later than three days of conclusion of the meeting, a consolidated Scrutiniser's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing who shall countersign the same. The Chairman or by the person authorised by him in writing, shall declare the result of the voting forthwith.

14. The results of voting along with the Scrutiniser's Report shall be placed on the Company's website www.kalyanisteels.com and on the website of NSDL immediately after the declaration of result by the Chairman or a person authorised by him in writing. The results shall also be immediately forwarded to the Stock Exchanges.

ANNEXURE TO THE NOTICE

Explanatory Statement as required by Section 102 of the Companies Act, 2013

As required by Section 102 of the Companies Act, 2013, the following explanatory statement sets out, the material facts relating to Special Business Items as stated in the accompanying Notice dated 18th May, 2018

ITEM NO. 5

This explanatory Statement is provided, though strictly not required, as per Section 102 of the Companies Act, 2013.

The members of the Company at their Forty-Fourth Annual General Meeting held on 1st August, 2017, had appointed M/s. P.G. Bhagwat, Chartered Accountants, Pune (Firm Registration No.101118W), as Auditors of the Company, to hold office for the period of five years i.e. from the conclusion of the Forty-Fourth Annual General Meeting till the conclusion of the Forty-Ninth Annual General Meeting to be held in 2022 and the said appointment was subject to ratification by members at every Annual General Meeting.

The Companies (Amendment) Act, 2017, has amended Section 139(1) of the Companies Act, 2013, effective from 7th May, 2018, whereby first proviso to Section 139(1) is omitted which provided for ratification of appointment of Auditors by members at every Annual General Meeting.

In view of the same, the fresh approval of the members is sought for ratification of appointment of M/s. P.G. Bhagwat, Chartered Accountants, Pune (Firm Registration No.101118W), as Auditors of the Company, for the remaining term of four years i.e. from the conclusion of this Annual General Meeting till the conclusion of the Forty-Ninth Annual General Meeting to be held in 2022.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the resolutions set out at Item No.5 of the Notice.

ITEM NO.6

Pursuant to the provisions of Sections 149, 152 and any other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Schedule IV to the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors at their meeting held on 9th November, 2017, had appointed Mr.Sachin K. Mandlik as an Additional Independent Director of the Company for the period of 5 (Five) years with effect from 9th November, 2017 to 8th November, 2022, subject to the approval of the members.

The Company has received a declaration in writing from Mr.Mandlik that he meets the criteria of independence as provided in Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, Mr.Mandlik fulfills the conditions specified in the Companies Act, 2013 and rules made thereunder and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for his appointment as an Independent Director of the Company. The Board also considers that his association would be of immense benefit to the Company and it is desirable to avail his services as an Independent Director on the Board of the Company.

The Company has received notice in writing from member as per Section 160 of the Companies Act, 2013 proposing the candidature of Mr.Mandlik as an Independent Director of the Company.

Accordingly, the Board recommends the resolution set out at Item No.6 of the Notice, for the approval of the members of the Company.

Brief Profile of Mr.Mandlik is provided in the report on Corporate Governance forming part of the Annual Report.

Except Mr.Sachin K. Mandlik, being appointee, none of the Directors or Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the resolutions set out at Item No.6 of the Notice.

ITEM NO.7

Pursuant to the provisions of Sections 149, 152 and any other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Schedule IV to the Act and the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof for the time being in force) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors at their meeting held on 18th May, 2018, had appointed Mr.Shrikrishna K.Adivarekar as an Additional Independent Director of the Company for the period of 5 (Five) years with effect from 18th May, 2018 to 17th May, 2023, subject to the approval of the members.

The Company has received a declaration in writing from Mr.Adivarekar that he meets the criteria of independence as provided Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, Mr.Adivarekar fulfills the conditions specified in the Companies Act, 2013 and rules made thereunder and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for his appointment as an Independent Director of the Company. The Board also considers that his association would be of immense benefit to the Company and it is desirable to avail his services as an Independent Director on the Board of the Company.

The Company has received notice in writing from member as per Section 160 of the Companies Act, 2013 proposing the candidature of Mr.Adivarekar as an Independent Director of the Company.

Accordingly, the Board recommends the resolution set out at Item No.7 of the Notice, for the approval of the members of the Company.

Brief Profile of Mr.Adivarekar is provided in the report on Corporate Governance forming part of the Annual Report.

Except Mr.Shrikrishna K. Adivarekar, being appointee, none of the Directors or Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the resolutions set out at Item No.7 of the Notice.

ITEM NO.8

The members at their Forty-First Annual General Meeting held on 5th September, 2014, had appointed Mr.B.B. Hattarki as an Independent Director of the Company for the period of 5 (Five) years with effect from 5th September, 2014 to 4th September, 2019.

The SEBI vide its notification dated 9th May, 2018, had notified SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, which will come in force with effect from 1st April, 2019. In terms of the said amendments no listed company shall, appoint a person or continue directorship of any person who has attained the age of seventy five years unless approval of the members is obtained by way of Special Resolution.

Mr.Hattarki born on 10th October, 1941, is a Metallurgy and Mechanical Engineer, having more than 50 years rich experience in the steel industry. The Board is of the opinion that his association would be of immense benefit to the Company and it is desirable to avail his services as an Independent Director on the Board of the Company.

In view of the same, the fresh approval of the members is sought by way of Special Resolution for the re-appointment of Mr.B.B. Hattarki as an Independent Director of the Company for the period of 5 (Five) years with effect from 1st April, 2019 to 31st March, 2024.

The Company has received a declaration in writing from Mr.Hattarki that he meets the criteria of independence as provided in Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, Mr.Hattarki fulfills the conditions specified in the Companies Act, 2013 and rules made thereunder and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for his re-appointment as an Independent Director of the Company.

The Company has received notice in writing from member as per Section 160 of the Companies Act, 2013 proposing the candidature of Mr.Hattarki as an Independent Director of the Company.

Accordingly, the Board recommends the Special Resolution set out at Item No.8 of the Notice, for the approval of the members of the Company.

Brief Profile of Mr.Hattarki is provided in the report on Corporate Governance forming part of the Annual Report.

Except Mr.B.B. Hattarki, being appointee, none of the Directors or Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the resolutions set out at Item No.8 of the Notice.

ITEM NO.9

Pursuant to Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, all Related Party Transactions shall require prior approval of the Audit Committee and all material Related Party Transactions shall require approval of the shareholders by an Ordinary Resolution. The said Regulation provides for definition of the term "Material" as follows :

"A transaction with a related party shall be considered material if transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity."

In terms of the said Regulation, approval of the members is requested for transaction(s) of sale, purchase or supply of goods or materials by Kalyani Steels Limited (KSL) to / from Bharat Forge Limited (BFL). BFL is the world's largest forging company with manufacturing facilities spread across India, Germany, Sweden, France and North America. BFL manufactures a wide range of high performance, critical and safety components for the automotive and non-automotive sector. It is India's largest manufacturer and exporter of automotive components and leading chassis component manufacturer in the world.

KSL is in operation since 1975 and has been supplying steels to BFL. Every customer of BFL lays down technical specifications for the steel to be used for supplying forgings / components to them and gives list of approved steel plants from which BFL can source the steel. This approval process involves visit to steel plants, process audit, testing of steel samples, validation on field trials etc. and depending on criticality of the use, the approval process is both time consuming as well as expensive. These customers negotiate the price with the steel plants and in turn inform their vendors / component manufacturer's to procure steel from the approved steel plants.

The Company being old source of supply of steel to BFL, has approval from many of the customers of BFL and hence has been supplying to BFL substantial part of its annual sales quantity.

These transactions are material in terms of the Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and therefore, the Board has proposed the same to be placed before the shareholders for their approval as an Ordinary Resolution at the ensuing Annual General Meeting of the Company.

The key details as required under Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 are as below :

1. Name of the Related Party : Bharat Forge Limited
2. Name of the Director or Key Managerial Personnel who is related, if any : Mr.B.N. Kalyani, Chairman (Promoter), Mr.Amit B. Kalyani and Mrs.Sunita B. Kalyani, Directors
3. Nature of Relationship : Companies under Common Control
4. Nature, Material Terms, Monetary Value and Particulars of Contract : On arm's length basis and in tune with market parameters. Monetary Value as mentioned in the resolution set out at Item No.9 of the Notice.

The Board recommends the Ordinary Resolution set out at Item No.9 of the Notice for approval by the members.

All entities falling under the definition of Related Party shall be abstained from voting, irrespective of whether the entity is a party to the particular resolution or not.

Except Mr.B.N. Kalyani, Chairman, Mr.Amit B. Kalyani and Mrs.Sunita B. Kalyani, Directors of the Company, none of the Directors and Key Managerial Personnel of the Company and their respective relatives are in any way concerned or interested in the resolutions set out at Item No.9 of the Notice.

ITEM NO.10

The Board of Directors at their meeting held on 18th May, 2018, based on the recommendation of the Audit Committee, had appointed M/s.S.R. Bhargave & Co., Cost Accountants, Pune, as Cost Auditors of the Company for auditing the cost records maintained by the Company for the financial year ending 31st March, 2019, at remuneration of ₹ 500,000/- (Rupees Five Hundred Thousand only) plus applicable taxes thereon and reimbursement of out of pocket expenses.

Pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, remuneration payable to the Cost Auditors is required to be ratified by the members of the Company. The Board recommends the resolution set out at Item No.10 of the Notice, for the approval of the members of the Company.

None of the Directors / Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the resolution.

By Order of the Board of Directors
