NOTES:

1. An explanatory statement pursuant to Section 102 of the Companies Act, 2013 ("the Act") relating to the Special Business to be transacted at the Annual General Meeting is annexed hereto.
2. A Member entitled to attend and vote at the Annual General Meeting (AGM) is entitled to appoint a proxy to attend and vote on poll instead of himself and such proxy need not be a member of the Company.

A person can act as proxy on behalf of members not exceeding fifty and holding in the aggregate not more than 10% of the total share capital of the Company carrying voting rights. The holder of the proxy shall prove his/her identity at the time of attending the meeting.
3. A form of proxy is enclosed to this annual report. No instrument of proxy shall be valid unless:
 - a. it is signed by the member or by his / her attorney duly authorised in writing or, in the case of joint holders, the signature of any one holder on proxy form will be sufficient, but names of all the joint holders should be stated or, in the case of body corporate, it is executed under its common seal, if any, or signed by its attorney duly authorised in writing; provided that an instrument of proxy shall be sufficiently signed by any member, who for any reason is unable to write his/her name, if his / her thumb impression is affixed thereto, and attested by a judge, magistrate, registrar or sub-registrar of assurances or other government gazetted officers or any officer of a Nationalised Bank;
 - b. it is duly stamped and deposited at the Registered Office of the Company not less than 48 hours before the time fixed for the meeting i.e. by 10:30 a.m. on Saturday, 20th September, 2025, together with the power of attorney or other authority (if any), under which it is signed or a copy of that power of attorney certified by a notary public or a magistrate unless such a power of attorney or the other authority is previously deposited and registered with the Company / Registrar & Share Transfer Agent;
4. Members / proxies are requested to bring duly filled attendance slips, sent herewith, to attend the Meeting and proxy holder shall prove his identity at the time of attending the meeting;
5. Every member entitled to vote at the Annual General Meeting of the Company can inspect the proxies lodged with the Company at any time during the business hours of the Company during the period beginning twenty-four (24) hours before the time fixed for the commencement of the Annual General Meeting and ending on the conclusion of the meeting. However, a prior notice of not less than three (3) days in writing of the intention to inspect the proxies lodged shall be required to be provided to the Company;
6. Institutional / Corporate Members (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., together with attested specimen signature(s) of the duly authorised representative(s), to attend the AGM on its behalf and to vote through remote e-voting. The said Resolution / Authorisation shall be sent by email through its registered email address to the scrutinizer email id: saravana1015@gmail.com with a copy marked to evoting@kfintech.com and to the Company at secdept@suryavanshi.com.
7. The Register of Members and Transfer Books of the Company will be closed from **Saturday, September 13, 2025, to Monday, September 22, 2025 (both days inclusive)** for the purpose of the Annual General Meeting.
8. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc.:
 - a. For shares held in electronic form: to their Depository Participants (DPs).
 - b. For shares held in physical form: to the Company/ Kfintech in prescribed Form ISR-I and other forms pursuant to SEBI Circular. SEBI Circular mandated the furnishing of PAN, address with PIN, email address, mobile number, bank account details and nomination by holders of physical securities.

Further, Shareholders holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of folios. Such frozen folios shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, if the securities continue to remain frozen as on 31st December, 2025.

9. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4 and/or ISR-5. It may be noted that any service request can be processed only after the folio is KYC compliant.
10. In terms of Regulation 40 of LODR Regulations, except in case of transmission or transposition of securities, requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized form with a depository. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, all Members holding shares in physical form are requested to demat their shares at the earliest.
11. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them as under:
 - a. Members holding shares in physical mode: Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form ISR-3 or SH-14 as the case may be.
 - b. Members holding shares in electronic mode: Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
12. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or KFinTech, the details of such folios together with the share certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.
13. Pursuant to Section 101 and 136 of the Act read with relevant Rules made thereunder and Regulation 36(1)(a) of LODR Regulations, soft copy of the Annual Report and other communications shall be served to members through electronic mode to those members who have registered their e-mail address either with the Company or KFinTech or with any Depositories. As per provisions of Section 20 of the Act read with Rules made thereunder, a document may be served on any member by sending it to him by post or by registered post or by speed post or by courier or by delivering at his office or address, or by such electronic or other mode as may be prescribed including by facsimile telecommunication or to electronic mail address, which the member has provided to his / her Depository Participant / the Company's Registrar & Share Transfer Agent from time to time for sending communications, provided that a member may request for delivery of any document through a particular mode, for which he shall pay such fees as may be determined by the Company in its Annual General Meeting. Those members, who desire to receive notice / financial statement / other documents through e-mail, are requested to communicate their e-mail ID and changes thereto, from time to time, to his / her Depository Participant (in case of Shares held in dematerialised form) / KFinTech in Form ISR I (in case of Shares held in physical form).

Accordingly, soft copy of the Annual Report including the notice of the 12th Annual General Meeting of the Company in electronic form, inter-alia, indicating the process and manner of e-voting along with Attendance Slip and Proxy Form would be sent to all members whose email IDs are registered with the Company / KFin / Depository Participant(s). Members may also note that the Notice of the 12th Annual General Meeting and the Annual Report for the financial year 2024 - 25 will also be available on the Company's website www.aanandalakshmi.com for download and also on the website of KFin <http://www.kfintech.com/>. Even after registering for e-communication, members are entitled to receive such communication in printed form, upon making a request for the same to the Company's investor email id: secdept@suryavanshi.com.

14. The Company's Registrar & Share Transfer Agent is **KFIN Technologies Limited**, Selenium Tower B, Plot No 31 & 32, Gachibowli, Financial District, Nanakramguda, Serilingampally, Hyderabad – 500032, Tel No. 040-67162222, Fax No. 040-23420814, e-mail: einward.ris@kfintech.com, Website: <https://www.kfintech.com>
15. Brief resume and other requisite details of Mr. Devender Kumar Agarwal in terms of Regulation 36(3) of Securities and Exchange Board of India (Listing Obligation & Disclosure Requirement) Regulations 2015 (LODR Regulations) is provided in the Annual Report. None of the Directors of the Company are inter-se related to each other.
16. Members holding shares in the same name under different Ledger Folios are requested to apply for consolidation of such Folios and send the relevant share certificates to the RTA/Company.
17. As per Securities and Exchange Board of India (SEBI), it is now mandatory to furnish a Copy of PAN Card to the Company or its RTA in the following cases viz. Transfer of Shares, Deletion of Name, Transmission of Shares and Transposition of Shares. Shareholders are requested to furnish a copy of the PAN card for all the above-mentioned transactions.
18. A Statement giving the details of the Director(s) seeking appointment/re-appointment in the accompanying notice, as required under Regulation 36 of SEBI (Listing Obligations and disclosure requirements), Regulations, 2015 and Secretarial Standard – 2, is annexed.
19. **E-voting**
 - i. In terms of the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 ("the Rules"), as amended and Regulation 44 of LODR Regulations read with SEBI circular dated 9th December, 2020, the Company is providing remote e-voting facility to those members whose names appear in the register of members/list of Beneficial Owners as received from National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL") as on the "cut-off date" fixed for the purpose, to exercise their right to vote at the 12th AGM by electronic means. STATUTORY AUDITORS

M/s K.S. Rao & Co., Chartered Accountants, Hyderabad (ICAI Firm Registration No.003109S) were appointed as Statutory Auditors in the AGM held on 29th September 2017 for a period of 5 years until the conclusion of 9th AGM.

The Company reappointed M/s K.S.Rao & Co., Chartered Accountants as Statutory Auditor for second term of Five years in the 9th AGM held on 30th September 2022 until the conclusion of 14th AGM of the company.

EXPLANATION TO AUDITORS' QUALIFICATIONS, RESERVATIONS, ADVERSE REMARKS OR DISCLAIMERS

Following are the replies / clarifications in respect of the observations made by the statutory auditor in their audit report.

1. The management would like to inform that the interest payable on statutory dues would be verified with individual statutory authorities and all the provisions relating to the same shall be made in the subsequent financial year.
2. The management is in the process of reconciling and reviewing such long-pending balances. A decision on write-back / settlement / adjustment, if any, will be taken in due course in accordance with accounting standards, Board approval, and applicable tax implications. The existence of these payables does not affect the Company's ability to continue as a going concern, since there are no claims presently being pursued by creditors and adequate liquidity exists.
3. Commission income earned during the year has been recognized at year end on the basis of confirmations/settlements received from principals. While this approach ensures accurate recognition, it results in year-end recognition instead of periodic recognition. The Company is in the

process of strengthening its internal control system to enable more timely recognition of such income on a periodic basis going forward. It is clarified that there is no impact on the total commission income recognized for the year.

ANNEXURE- IV

AANANDA LAKSHMI SPINNING MILLS LIMITED

**MANAGEMENT DISCUSSION ANALYSIS FORMING PART OF THE ANNUAL
REPORT**

I. INDUSTRY STRUCTURE OVERVIEW AND DEVELOPMENT

The Company is in the business of trading of any textile related products or represent for sales, any other manufacturing facilities of textile related products at its factory at Bhongir, Yadadri , Telangana and the Company is in the business of Real Estate, Land Plotting and selling as well.

Textile

The textiles and apparel industry contributes 2.3% to the country's GDP, 13% to industrial production and 12% to exports. The textile industry in India is predicted to double its contribution to the GDP, rising from 2.3% to approximately 5% by the end of this decade. India's home textile industry is expected to expand at a CAGR of 8.9% during 2023-32 and reached US\$ 23.32 billion in 2032 from US\$ 10.78 billion in 2023.

Real Estate

The Indian real estate market has undergone a remarkable transformation in recent years, evolving into one of the most dynamic sectors of the economy. This shift has been fuelled by sustained economic growth, rapid urbanization, infrastructure development, and a rising demand for both residential and commercial spaces. The sector today contributes significantly to employment generation and economic output, accounting for nearly 7% of India's GDP. With projections placing its market size at \$1 trillion by 2030, real estate stands as a foundational pillar of India's long-term development strategy. Your Company has demonstrated strong performance in FY2024-25, showcasing continued growth and robust customer trust. The Company's revenue in FY 2024-25 is Rs. 254.14 lakhs more than last year, across all launched projects.

2. GOVERNMENT INITIATIVES

Real Estate

The Indian real estate sector has seen significant growth due to various government initiatives aimed at boosting housing supply, promoting transparency, and attracting investments. Key initiatives include the Pradhan Mantri Awas Yojana (PMAY) for affordable housing, the Real Estate Regulatory Authority (RERA) for transparency, and the introduction of Real Estate Investment Trusts (REITs). These initiatives, along with others like the Benami Transactions Act, have collectively contributed to a more transparent, accountable, and investment-friendly environment for the Indian real estate sector.

Textile

The Indian government has launched several initiatives to boost the textile sector, focusing on boosting production, attracting investment, and promoting exports. These include the PM MITRA scheme for mega textile parks, the Production Linked Incentive (PLI) scheme for textiles, and the Rebate of State and Central Taxes and Levies (RoSCTL) scheme. Additionally, there are schemes aimed at skill development, technological upgradation, and promoting sustainable practices within the industry. These initiatives, along with other measures, are part of a comprehensive strategy to transform the Indian textile sector, boost its competitiveness, and contribute to the country's economic growth.

3. OPPORTUNITIES AND THREATS

Opportunities:

Textile

The rapid rise of online shopping platforms and organised retail stores is significantly fuelling the industry's growth. India's strategic position offers an advantage for global companies looking to move sourcing away from China,

supported by trade agreements like CEPAs and FTAs. Government initiatives such as PM MITRA Parks are attracting substantial investment and creating an integrated textile value chain, which is helping generate employment. The widespread use of social media and digital technology is shaping consumer demand for fashionable and branded apparel.

Real Estate

India's residential real estate segment is entering a phase of sustained growth, driven by rising urban aspirations, evolving lifestyles, and a stronger emotional connection to home ownership. Buyers today seek more than just a home they expect integrated living, thoughtful design, wellness-focused amenities, and long term value. This has fueled demand in the premium and luxury segments, especially among affluent and globally exposed consumers, including NRIs

Threats:**Textile**

Capital intensity: The textile sector in India requires significant capital investment, which affects its ability to compete on a global scale. Resource management: Improper management of resources like energy, water, dyes, and other materials drive up costs and harm the environment. Inefficient energy use, in particular, leads to increase in production expenses and deplete natural resources. Consumer demand: Shifting consumer preferences and fluctuating demand for textiles and apparel affects the business. Slow market demand and rapidly changing trends leads to excess inventory, low production, and declining exports. Volatile costs: Rising labour costs due to a shortage of skilled workers, combined with reliance on labour-intensive technologies, as well as fluctuations in raw material and transportation prices, have the capability to disrupt business operations.

Real Estate

The real estate sector faces a multitude of threats, including economic downturns, rising interest rates, regulatory changes, market volatility, and competition from proptech companies. Other significant threats include supply chain disruptions, affordability concerns, and the impact of geopolitical events.

4. RISKS AND CONCERNS:**Textile**

The Company has identified key risks such as Technology obsolescence, Market/Industry Risks, Logistics Risks, Political environmental risks, Disaster risks, Financial Risks, Labour Shortage and Foreign Exchange Rate Risks. Key Risks include fluctuation in raw materials prices, increased global and local competition, sales channel disruption. Retaining the existing talent pool and attracting new talent.

Real Estate

The declining inventory and stable absorption are positive signs but challenges remain. Streamlining approvals is essential to attract investment and expedite project completion. Effective cost management is crucial to combat price volatility caused by global economic uncertainty. Close monitoring is required to maintain the supply and demand of raw materials and other commodities.

5. OUTLOOK:

Your company believes that the completion in the emerging markets will be met by developing production system based on cost efficiency, high productivity and maintaining stringent quality parameters, etc. Availability of quality raw material at competitive prices, uninterrupted quality power supply and labour are the three critical inputs for an industry. The company will give utmost priority to maintain the above issues.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an adequate and effective internal control system commensurate with the size and complexity of the organization. The Company has undertaken a comprehensive review of all internal control systems to take care of the needs of the expanding size of the Company and believes that these systems provide, among other things, a reasonable assurance that transactions are executed with management authorization. It also ensures that they are recorded in all material respect to permit preparation of financial statements in conformity with established accounting principles along with the assets of the Company being adequately safeguarded against significant misuse or loss. The company has also upgraded the IT support systems. A system of internal audit to meet the statutory requirement as well as to ensure proper implementation of management and accounting controls is in place. The Audit Committee periodically reviews the adequacy of the internal audit functions.

7. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

The aim is to create an inclusive working environment that attracts and retains the best people, enhances their flexibility, capability and motivation and encourages them to be involved in the growth of the Company. We believe in sophisticated equipment and skilled employee resources, together with strong management and design capabilities. As on 31.03.2025 the Company has 6 employees on rolls of the company.

8. ACCOUNTING TREATMENT

In the preparation of the financial statements the Company has followed the Indian Accounting Standards (IND AS) specified under Section 133 of the Act, read with relevant rules made there under. The Significant Accounting policies which are consistently applied have been set out in the notes to the financial statements.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF
ANANDALAKSHMI SPINNING MILLS LIMITED,
HYDERABAD.

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the financial statements of **ANANDALAKSHMI SPINNING MILLS LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2025, the statement of Profit and Loss, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended, (AS), of the state of affairs of the Company as at March 31, 2025, its Profit and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- i. The Company has not provided for the interest Payable on non-remittance of Tax Deducted at Source aggregating to ₹ 17.68 /- Lakshs (previous year ₹ 14.99/- Lakshs)

Consequent to the above the profit for the year is overstated by ₹ 2.69 /-Lakshs and current liabilities are understated by ₹ 17.68 /- Lakshs

- ii. As of March 31, 2025, the company has certain long pending Trade payables aggregating to ₹ 58.58 /- Lakshs of which the period of limitation is already expired as per the Limitation Act, 1963. In the absence of sufficient evidence, we are unable to determine whether any adjustments required to be made to the accompanying financial statements in respect of the said Payables.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

Key Audit Matters

Key Audit Matters ('KAM') are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined that there are no Key Audit Matters to be communicated in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) Except for the effects of the matters described in the basis for qualified opinion we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, Except for the effects of the matters described in the basis for qualified opinion and for the matters stated in the paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014., proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, Except for the effects of the matters described in the basis for qualified opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B.**"
 - (h) With respect to the other matters to be included in the auditor's report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its Managing Director during the year is in accordance with the provisions of Section 197 of the Act.
 - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 21 to the financial statements
- ii. The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year and has not proposed any final dividend for the year.
- vi. Based on our examination, which included test checks and information provided to us, the company has used accounting software for maintaining its books of account which did not have a feature of recording audit trail (edit log) facility. In the absence of an audit trail, the question our commenting on whether the audit trail was tampered with does not arise.

Accordingly, we are unable to report on preservation and integrity of audit trail as required under Rule 11(g) of the Companies (Audit and Auditors) Rules ,2014.

Annexure to the Auditor's Report:

The Annexure referred to in Para I under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date, to the members of **ANANDALAKSHMI SPINNING MILLS LIMITED**, HYDERABAD, for the year ended 31st March 2025.

1. a. A. The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 B. The Company is maintaining proper records showing full particulars of Intangible assets.
- b. As explained to us, the management has physically verified the fixed assets during the year and there is a regular programme of physical verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of the assets. No discrepancies were noticed on such verification.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than Properties where the company is the lessee, and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- d. The company did not revalue its Property, Plant and Equipment (including Right of Use assets) during the year. Therefore, the provisions of paragraph 3 (i)(d) of the Order are not applicable.
- e. According to the information and explanations given to us and on our verification of records of the Company, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988. (45 of 1988) and rules made thereunder.
2. a. The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable and the procedures of physical verification of inventories followed by the management are reasonable. The discrepancies noticed on physical verification between the physical stocks and books of account were not material.
- b. The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets. Therefore, the provisions of paragraph 3 (ii)(b) of the Order are not applicable.
3. During the year, the Company has not made investments in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the provisions of paragraph 3 (iii) of the Order are not applicable.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 with respect to the interest-free loans sanctioned. However, the Company has not complied with the provisions of section 186, as the loans are Interest free.
5. The Company has not accepted any deposits and also there were no amounts which are deemed to be the deposits. Hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013, and the rules made thereunder, do not apply to this Company.
6. We have broadly reviewed the cost records maintained by the Company pursuant to sub-section (1) of section 148 of the Companies Act and are of the opinion that prime facie the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or Complete.
7. a. According to the records, the company is generally regular in depositing undisputed statutory dues including Goods and service tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and all other material statutory dues with the appropriate authorities and there were no arrears of statutory dues as at March 31, 2025 for a period of more than six months from the date they became payable, except the following:

Name of the Statute	Nature of the Dues	Amount in ₹ lakhs	Period to which the amount relates	Due date	Date of payment
The Income Tax Act ,1961 .	Tax Deducted at Source	16.32	2016-2022	Various Dates	Not yet paid

- b. According to the records of the Company and the information and explanations given to us, there were no statutory dues referred to in sub-clause (a) have not been deposited on account of any dispute, except the following:

Name of the Statute	Nature of Dues	Amount in ₹ lakhs	Period to which the amount relates	Forum where dispute is pending
AP GST Act, 1957	Sales Tax	3.25	2001-02	Hon'ble High Court Hyderabad
The Telangana General Sales Tax ,1957	Sales Tax	10.05	2014-2015	Hon'ble High Court Hyderabad

8. According to the information and explanations given to us and based on our verification, there were no transactions which are not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Therefore, the provisions of paragraph 3 (viii) of the Order are not applicable.
9. a. The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b. The Company has not been declared wilful defaulter by any bank or financial institution or any other lender.
- c. The Company has applied the term loans taken during the year for the purpose for which the loans were obtained.
- d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e. The Company has not taken any funds from any entity or person on account of or to meet the obligations of associates.
- f. The Company has not raised any loans during the year on pledge of securities held in its subsidiaries, joint venture, or associate Companies. Therefore, the Provisions of Paragraph 3(ix)(f) of the Order are not applicable.
10. a. The Company did not raise any money by way of an initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of paragraph 3 (x)(a) of the Order are not applicable.
- b. The Company has not made any Preferential allotment or Private placement of shares or convertible debentures during the year. Therefore, the provisions of paragraph 3 (x)(b) of the Order are not applicable.
11. a. According to the information and explanations given to us, we report that during the year, the management of the Company has not come across any fraud and consequently paragraph 3(xi)(a) is not applicable.
- b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report;
- c. According to the information and explanations given to us and based on our verification, during the year, the Company has not received any Whistle-blower complaints. Therefore, the provisions of paragraph 3 (xi)(c) of the Order are not applicable.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of paragraph 3(xii) of the Order are not applicable

13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our audit procedures, the company is required to appoint an internal auditor under Section 138 of the Companies Act, 2013. However, no such appointment has been made during the year. Consequently, the company does not have an internal audit system commensurate with the size and nature of its business.
15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Therefore, the provisions of paragraph 3(xv) of the Order are not applicable.
16.
 - a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Therefore, the provisions of paragraph 3(xvi) (a) and (b) of the Order are not applicable.
 - b. The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Therefore, the provisions of paragraph 3(xvi)(c) of the Order are not applicable.
 - c. The Group has no Core Investment Company (CIC). Therefore, the provisions of paragraph 3(xvi)(d) of the Order are not applicable.
17. The company has not incurred any cash losses in the financial year and also in the immediately preceding financial year.
18. There is no resignation of statutory auditors during the year. Therefore, the provisions of paragraph 3(xviii) of the Order are not applicable.
19. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
20. The Provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility are not applicable to the Company. Therefore, the provisions of paragraph 3(xx) of the Order are not applicable.
21. As the Company is not required to present the consolidated financial statements, paragraph 3(xxi) of the Order is not applicable.

Annexure – B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **ANANDALAKSHMI SPINNING MILLS LIMITED**, HYDERABAD ("the Company") as of 31 March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified opinion

According to the information and explanations given to us and based on our audit, the following weaknesses have been identified as at March 31, 2025:

The Company does not have an adequate internal control system for timely recognition of Commission Income earned periodically during the year. As a result, commission income is recognised only at the year end, which may result in income is not being recognised in the appropriate period and not in compliance with the accrual basis of accounting.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial Controls with reference to financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the Controls criteria, the company has maintained adequate internal financial Controls with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as of March 31, 2025, based on "the internal Controls with reference to financial statements criteria established by the company considering the essential components of internal Controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the company, and these material weaknesses do not affect our opinion on the financial statements of the Company.

Notes forming part of the financial statement as at 31st March, 2025**1. Corporate information:**

Aananda Lakshmi Spinning Mills **Limited** (The 'Company') is a Public Limited Company incorporated on 21.03.2013 and its Registered Office is situated on the 6th Floor, Surya Towers, 105, S.P. Road, Secunderabad-500003, Telangana State. The Company was engaged in manufacturing cotton and Polyester yarns. The Company's Shares are listed on BSE.

The operations of its spinning division discontinued with effect from September 22, 2020, as the Division has become unviable due to Continued cash losses. The Board of Directors have also resolved to dispose of the non – current assets of the said division. (Refer Note. 40)

At present the Company by amending its objects taken up the business of developing land, buildings and other properties and for that purpose the Company has Converted Part of its land as Stock in Trade.

Though, the Company has accumulated losses of ₹ 3,449.58 Lakhs as at March 31, 2025, and also current liabilities are in excess of Current assets, Considering the market value of its new activity the Financials are prepared on a going concern basis.

2. Basis of Preparation:

These Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as financial statements).

The financial statements have been prepared on a historical cost basis, except the following financial instruments which have been measured at fair value at the end of each reporting period, as required by the relevant Ind AS and as explained in the accounting policies mentioned below.

Certain Financial Assets and Liabilities measured at fair value

Deferred Benefit Plans and Other Long-Term Employee Benefits

The accounting Policies applied by the Company are consistent with those used in the prior periods, unless otherwise stated elsewhere in these financial statements.

Financial Statements are presented in Indian Rupees, which is the functional currency of the Company.

These financial statements were approved by the Board of Directors and authorised for Issuance in their meeting held on May 28, 2025.

3. Material Accounting policies:**a) Significant accounting estimates, assumptions, and judgements:**

The preparation of Company's financial statements requires management to make accounting estimates, assumptions and judgements that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures of contingencies at the end of the reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amounts of assets or liabilities in future periods.

Estimates and Assumptions:

i. Impairment of non-current assets:

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value, less costs of disposal and its value in use. The fair value-less costs of disposal are calculated based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices and less incremental costs for disposing of the assets. The value in use calculation is based on a Discounted Cash Flow ("DCF") model. The value in use is sensitive to the discount rate (generally weighted average cost of capital) used for the DCF model as well as the expected future cash-inflows and the growth rate used for exploration purposes.

ii. Defined Benefit Plans:

The present value of the gratuity obligation is determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, rate of increment in salaries and mortality rates. Due to complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All the assumptions are reviewed at each reporting date.

iii. Fair Value measurement of financial instruments:

When the fair values of financial assets and financial liabilities on reporting date cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques i.e., the DCF model. The inputs to these models are taken from observable markets.

iv. Contingencies:

Management judgement is required for estimating the possible inflow/outflow of resources, if any, in respect of contingencies/claims/litigations against the company/by the company as it is not possible to predict the outcome of pending matters with accuracy.

v. Property, Plant and Equipment:

Based on evaluations done by the technical assessment team, the management has adopted the useful life and residual value of its Property, Plant and Equipment. Management believes that the assigned useful lives and residual value are reasonable.

vi. Income Taxes:

Management judgment is required for the calculation of provision for income taxes and deferred tax assets/liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets/liabilities. The factors used in estimates may differ from the actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

vii. Life -Time Expected Credit Loss on Trade and Other Receivables:

Trade and other receivables are stated at net of trade payable to the respective parties where there is a written understanding between the Company and the particular customer/vendor. Trade Receivables and Other Receivables do not carry any interest and are stated at their transaction value as reduced by life-time expected credit losses ("LTECL"). Management has evaluated LTECL for receivables as follows:

Particulars	0 -365 Days	365 - 730 Days	730-1460 Days	1460 -1827Days
Expected loss Rate (%)	0	15.00	40.00	75.00

b) Current Vs Non-current classifications

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it satisfies any of the following criteria:

- i. Expected to be realised or intended to be sold or consumed in normal operating cycle;
- ii. Held primarily for the purpose of trading;
- iii. Expected to be realised within twelve months after the reporting period, or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current assets.

A liability is classified as current when it satisfies any of the following criteria:

- i. Expected to settle the liability in normal operating cycle;
- ii. Held primarily for the purpose of trading;
- iii. Due to be settled within twelve months after the reporting period, or
- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. However, a period of 12 months is considered as the ultimate operating cycle.

c) Property, Plant and Equipment:

Property, Plant and Equipment are stated at cost net of input credits, less accumulated depreciation, and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

The company adopted cost model as its accounting policy, in recognition of the property, Plant and Equipment and recognises the transaction value as the cost.

Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Capital work in progress includes cost of property, plant, and equipment under installation/under development as at the balance sheet date.

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising from derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the Statement of Profit and Loss. Property, Plant and Equipment which are found to be not usable or retired from active use or when no further benefits are expected from their use are removed from the books of account and the carrying value if any is charged to Statement of Profit and Loss.

Assets costing five thousand rupees or less are fully depreciated in the year of purchase.

Depreciation on Property, Plant and Equipment is provided based on the useful lives of the assets as estimated by the Management, which are in line with Schedule II to the Companies Act, 2013

Estimated useful life of the assets are as follows:

Type of the Asset	Method of Depreciation	Useful life considered (Years)
Buildings	SLM	3 - 60
Plant and Equipment	SLM	5-15
Furniture and Fittings	SLM	10
Vehicles	SLM	8
Data processing Equipment	SLM	3-6
Office Equipment	SLM	5

d. Intangible Assets:

Intangible assets are carried at cost, net of accumulated amortisation expenses and impairment losses, if any. The cost of an intangible asset comprises of purchase price and attributable expenditure on making the asset ready for its intended use.

Computer software:

Computer software is recognised at cost and is amortised over the useful life as estimated by the Management which is about 3 years for all the intangible computer software assets, and the useful life is reviewed at every financial year ending.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

An intangible asset is derecognised on disposal or when no future economic benefits are expected from its use. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss.

e) Impairment of non-financial assets:

- The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.
- Reversal of impairment losses recognised in prior years is recorded when there is an indication that the impairment losses recognised for the asset no longer exist or have decreased. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

f) Leases:

The determination of whether an agreement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to date of transition, the Company has determined whether the arrangement contains lease on the basis of facts and circumstances existing on the date of transition.

Classification on inception of lease:

i. Operating lease:

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases.

ii. Finance Lease:

A lease is classified as a financial lease where the lessor transfers substantially all the risks and rewards incidental to the ownership of the leased item.

The Company has adopted Ind AS 116-Leases effective 1st April 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised in the Reserves on the date of initial application (1st April 2019). Accordingly, previous period information has not been restated and continues to be reported under Ind AS 17 – Leases.

Accounting of Operating leases:

i. Where the Company is the lessee:

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short-term and Cancellable leases having a lease term up to 36 months. For remaining leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the period of the lease. In case the escalation in operating lease payments is in line with the expected general inflation rate then the lease payments are charged to statement of profit and loss instead of straight-line method.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date. They are subsequently measured at cost, less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the lease period.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

ii. where the Company is the lessor:

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term. Initial direct costs such as legal costs, brokerage costs, etc., are added to the carrying amount of the leased assets and recognised as an expense over the lease term.

g) Inventories:

- i. Raw Materials, Stores and Spares and Consumables are stated at lower of Cost and Net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost in which they will be incorporated and expected to be sold at or above cost. Cost is determined on a weighted average basis.
- ii. Work-in-progress and finished goods are stated at the lower of cost and net realizable value.
- iii. Cost includes direct materials, labour and a proportion of manufacturing overheads based on actual production. Cost is determined on a weighted average basis.

- iv. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

h) Revenue recognition:

Revenue from contracts with customers includes Sale of Goods and Services and is recognised when control of goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services.

Revenue is measured at the fair value of consideration received or receivable and is recognized when the control in all respects, over the Goods or Services is transferred to and accepted by the customer and the company has not retained any significant risks of ownership and future obligations with respect to such Goods or Services. Specifically, the following basis is adopted for various sources of income:

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

- i. **Sale of goods:** Revenue is recognised when the significant risks and rewards of ownership of the goods have been passed to the buyer and are disclosed net off discounts, taxes collected and returns.
- ii. **Interest:** Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.
- iii. **Dividend:** Dividend income is recognized when the company's right to receive the payment is established.
- iv. **Export Incentives:** Export benefits are recognised on an accrual basis.

i) Foreign Currency Transactions:

- i. **Functional and Reporting Currency:** The Company's functional and reporting currency is Indian National Rupee.
- ii. **Initial Recognition:** Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency the exchange rate between the reporting currency and the foreign currency on the date of the transaction.
- iii. **Conversion on reporting date:** Foreign currency monetary items are reported at the closing rate. Foreign currency non-monetary items are reported at historical cost.
- iv. **Exchange Differences:** Exchange differences arising on the settlement of monetary items or on reporting monetary items of company at rates different from those at which they were initially recorded during the year or reported in previous financial statements are recognised as income or as expenses in the year in which they arise.

j) Borrowing Costs:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

k) Retirement and other employee benefits:

- i. Employer's contribution to Provident Fund/Employee State Insurance, which is in the nature of defined contribution scheme, is expensed off when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to these funds.

- ii. The company operates a gratuity plan which is in the nature of defined benefit obligation. The company's liability is provided based on independent actuarial valuation on projected unit credit method made at the end of each financial year as per the requirements of Ind AS 19 on "Employee Benefits".
- iii. Gratuity liability is considered as a post-employment benefit expense as per Ind AS -19. Accordingly, Actuarial gain/loss) on re-measurement of present value of defined benefit obligation and actual return on plan assets excluding net interest is recognised under other comprehensive income for the year.
- iv. Accumulated leaves, which are expected to be utilised within the next twelve months, are treated as short-term employee benefits. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.
- v. The Company treats accumulated leaves expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

l) Earnings Per Share:

Basic earnings per share are calculated by dividing the profit for the period attributable to equity shareholders by the weighted average number of Equity Shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m) Provisions:

Provisions are recognised when there is a present legal or constructive obligation that can be estimated reliably, as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not recognised for future operating losses.

Any reimbursement that the Company can be virtually certain to collect from a third party with respect to the obligation is recognised as a separate asset. However, this asset may not exceed the amount of the related provisions.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provisions are reversed. Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provisions due to the passage of time is recognised as a finance cost.

n) Contingencies:

Where it is not probable that an inflow or an outflow of economic resources will be required, or the amount cannot be estimated reliably, the asset or the obligation is not recognised in the statement of balance sheet and is disclosed as a contingent asset or contingent liability. Possible outcomes on obligations/rights, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent assets or contingent liabilities.

o) Taxes on Income:

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Current tax includes taxes to be paid on the profit earned during the year and for the prior periods.

Deferred income taxes are provided based on the balance sheet approach considering the temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if it is probable that they can be utilised against future taxable profits.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes off the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-off is reversed to the extent that it becomes reasonably certain that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

p) Prior period items:

In case prior period adjustments are material in nature, the company prepares the restated financial statement as required under Ind AS 8 - "Accounting Policies, Changes in Accounting Estimates and Errors". In case of immaterial items, such adjustments are shown under respective items in the Statement of Profit and Loss.

q) Cash and cash equivalents:

Cash and cash equivalents include cash on hand and at the bank, deposits held at call with banks, other short-term highly liquid investment with original maturities of three months or less that are readily convertible to a known amount of cash which are subject to an insignificant risk of changes in value and are held for meeting short-term cash commitments.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

r) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the Executive Management/Chief operating decision maker ("CODM").

s) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets:

a. Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit or loss. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the asset.

b. Subsequent measurement:

For the purpose of subsequent measurement, financial assets are classified in to following categories

- a. Debt instruments at amortised cost
- b. Debt Instruments at fair value through profit and loss (FVTPL)
- c. Equity instruments at fair value through profit and loss (FVTPL)

a. Debts Instruments at amortised cost:

A 'Debt Instrument' is measured at the amortised cost if both the following conditions are met:

- i. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortisation is included in other income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

b. Debt Instruments at Fair value through profit and loss (FVTPL):

As per the Ind AS 101 and Ind AS 109, the Company is permitted to designate the previously recognised financial asset at initial recognition irrevocably at fair value through profit and loss on the basis of fact and circumstances that exists on the date of transition to Ind AS. Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of Profit and Loss.

c. Equity instruments at fair value through profit and loss (FVTPL):

Equity instruments in the scope of Ind AS 109 are measured at fair value. The classification is made on initial recognition and is irrevocable. Subsequent changes in the fair values at each reporting date are recognised in the Statement of Profit and Loss.

c. Derecognition:

A financial asset or where applicable, a part of a financial asset is primarily derecognised when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement ₹ and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognise the

transferred asset to the extent of the company's continuing involvement. In that case, the company also recognises an associated liability. The transferred assets and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

d. Impairment of financial assets:

In accordance with Ind AS 109, the Company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on financial instruments.

Expected credit loss is the difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the entity expects to receive.

The management uses a provision matrix to determine the impairment loss on the portfolio of trade and other receivables. The provision matrix is based on its historically observed expected credit loss rates over the expected life of the trade receivables and is adjusted for forward-looking estimates.

The expected credit loss allowance or reversal recognised during the period is recognised as income or expense, as the case may be, in the statement of profit and loss. In the case of balance sheet, it is shown as an adjustment from the specific financial asset.

Financial liabilities:

a. Initial recognition and measurement:

At initial recognition, all financial liabilities are recognised at fair value and in the case of loans, borrowings and payables, net of directly attributable transaction costs.

b. Subsequent measurement:

i. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognised in the profit or loss. The company does not designate any financial liability at fair value through profit or loss.

ii. Financial liabilities at amortised cost:

Amortised cost, in the case of financial liabilities with maturity more than one year, is calculated by discounting the future cash flows with an effective interest rate. Effective interest rate amortisation is included as finance costs in the statement of profit and loss. Financial liability with maturity of less than one year is shown at transaction value.

c. Derecognition:

Financial liability is derecognised when the obligation under the liability is discharged, cancelled, or expires. The difference between the carrying amount of financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or finance costs.

Reclassification:

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date, which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

t) Fair Value Measurement:

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either

- in the principal market for such asset or liability, or
- in the absence of a principal market, in the most advantageous market which is accessible to the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a. Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- b. Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurements is directly or indirectly observable.
- c. Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re assessing the categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

u) Recent pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and lease back transactions, applicable with effect from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements.

On May 9, 2025, MCA notifies the amendments to Ind AS 21 Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

42. Financial Risk Management objectives and policies:

The company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include market risk, credit risk and liquidity risk. The company's risk management policies focus on the unpredictability of financial risks and seek guidelines, where appropriate, to minimize the potential adverse impact of such risks. There has been no change to the company's exposure to these financial risks or the manner in which it manages and measures the risks.

The following sections provide the details regarding the Company's exposure to the financial risks associated with financial instruments held in the ordinary course of business and the objectives, policies and processes for the management of these risks.

The Company's principal financial liabilities comprise loans and borrowings, trade, and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents which are derived from its operations.

The company is exposed to market risk, credit risk and liquidity risk. The Company's management oversees the mitigation of the risks. The Company's financial risk activities are governed by appropriate policies and procedures and those financial risks are identified, measured, and managed in accordance with the Company's policies and risk objectives. The management / board reviews and agrees policies for managing each of these risks, which are summarized below.

A. Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks such as equity risk. Financial instruments affected by market risk include loans and advances, deposits, investments in debt securities, mutual funds, and other equity funds.

a. Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of the Company and the Company's financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to interest rate risk arises primarily from the loans and advances given by the company, investment in debt securities, investment in debt mutual funds and cash and cash equivalents.

The company's policy is to manage its interest rate risk by investing in fixed deposits, debt securities and debt mutual funds. Further, as there are no borrowings the company's policy to manage its interest cost does not arise.

The company is not exposed to significant interest risk as at the respective reporting dates.

b. Other price risk:

Other price risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

The company invests surplus cash funds in Liquid, Debt, Equity and Balanced mutual funds. Mutual fund investments are susceptible to market price risk mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenor of the underlying portfolio in the liquid schemes they do not pose any significant price risk.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

Amount in ₹ Lakhs

B. Credit risk:

Credit risk is the risk of loss that may arise on outstanding financial instruments when a counterparty defaults on its obligations. The Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets (including investment securities cash and short-term deposit) the Company minimise credit risk by dealing exclusively with high credit rating counterparties. The Company's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Company trades only with recognised and creditworthy third parties. It is the Company's policy that all customers who wish to trade on credit terms are subject to credit verification procedures.

In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to bad debts is not significant.

a. Exposure to credit risk:

At the end of the reporting period the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statement of financial position. No other financial assets carry a significant exposure to credit risk.

b. Credit risk concentration profile:

At the end of the reporting period there were no significant concentrations of credit risk. The maximum exposures to credit risk in relation to each class of recognised financial assets is represented by the carrying amount of each financial assets as indicated in the balance sheet.

c. Financial assets that are neither past due nor impaired:

Trade and other receivables that are neither past due nor impaired are creditworthy debtors with a good payment record with the Company. Cash and short-term deposits investment securities that are neither past due nor impaired are placed with or entered with reputable banks financial institutions or companies with high credit ratings and no history of default.

d. Financial assets that are either past due or impaired:

Trade receivables that are past due or impaired at the end of the reporting period for which lifetime expected credit loss has been provided by the company according to its policy. These are shown in the balance sheet at carrying value.

C. Liquidity risk:

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The company ensures that it has sufficient cash on demand to meet expected operational demands including the servicing of financial obligations; this excludes the potential impact of extreme circumstances that cannot reasonably be predicted.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:
