ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT **of Even Date on the Standalone Financial Statements of ULTRACAB (INDIA) LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ULTRACAB (INDIA) LIMITED (“the Company”) as of 31st March, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Preparation of Financial Statements

The financial statements are prepared in accordance with Ind-As and Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use.

(b) Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include computation of percentage of completion which requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post-sales customer support and the useful lives of fixed tangible assets and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(c) Revenue Recognition

Revenue on sale of products is recognised when the products are delivered to customers, all significant contractual obligations have been satisfied and the collection of the resulting receivable is reasonably expected. Sales & Purchases are stated net of trade discount, returns and taxes collected.

(d) Provisions and contingent liabilities

A provision is recognized, if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date.

Contingent Liabilities represents claims against the company not acknowledged as debts includes, a) the appeal lying with DCCT (A), Commercial Tax Department, Gujarat for demand of ₹2.28 lacs of FY 2010-11 (tax paid of ₹0.57 lacs); b) the appeal lying with DCCT (A), VAT Department, Gujarat for demand of ₹10.26 lacs of FY 2011-12 (tax paid of ₹2.28 lacs); c) the Appeal lying with The CESTAT, Ahmedabad for demand of ₹2.16 lacs (tax paid of ₹0.25 lacs); d) DCCT (A), Commercial Tax Department, Gujarat for demand of ₹1.72 lacs of FY 2013-14 (tax paid of ₹0.34 lacs);

(e) Fixed Assets & Depreciation thereon

- i) Fixed assets are stated at cost of acquisition as reduced by accumulated depreciation. The cost of assets includes other direct/ indirect and incidental cost incurred to bring them into their present location.
- ii) Pursuant to the enactment of Companies Act 2013, the company has applied the estimated useful lives as specified in Schedule II, except in respect of plants & machineries where useful life of some Machineries is technically assessed as 25 years in place of 15 years based on Chartered Engineer's certificate.

(f) Retirement benefits to employees

- Gratuity

The company provides for gratuity, a defined benefit retirement plan covering eligible employees. The gratuity plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and tenure of employment with the company.

The provision for gratuity for the FY 2018-19 is Reversed by ₹ 96,782.44/- by the management of the company on the basis of estimations.

- Provident Fund

Eligible employees receive benefits from a provident fund, which is a defined benefit plan. Both the employee and the company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary.

(g) Foreign currency transactions

Foreign currency denominated monetary assets and liabilities are translated at exchange rates in effect at the Balance sheet date. The gains or losses resulting from such translations are included in the statement of profit & loss.

Revenue, expense and cash-flow items denominated in foreign currencies are translated using the exchange rate in effect on the date of the transaction. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

The net foreign exchange gain of ₹1,57,114.11/- has been credited to the profit & loss account. (previous year net foreign exchange loss ₹11,455/-)

(h) Inventories

Inventories are stated at lower of cost or net realisable value. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. We have not physically verified the inventories. The value of the inventories is taken as per information & explanation of the management, as certified by the management.

(i) Provision for Current Tax & Deferred Tax

Provision for income tax is made on the basis of estimated taxable income for the year at current rates. Tax expenses comprises of Current Tax, Fringe Benefit Tax and Deferred Tax at applicable enacted or substantively enacted rates. Deferred Tax represents the effect of difference between bases of Particular Heads of Balance sheet in Books of Accounts and Income Tax.

(j) Earnings per share

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders (after deducting tax expenses) by the weighted average number of equity shares outstanding during the period.

(k) Current Assets, Loans and Advances & Liabilities

In the opinion of the Board of Directors, the Current Assets, Loans and Advances and Current Liabilities are approximately stated if realized in the ordinary course of business.
