MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

We are engaged in the business of Manufacturing Wires & Cables in India. Our Company was incorporated in the year 2007 and is engaged in the manufacture and export of wires and cables in India. We are using advanced technology and machineries for manufacturing quality products. We started our business with PVC cables and wires in India which are now supplied across different networks worldwide. Our quality products are sold not only in India but also in countries like UK, UAE, Africa, Singapore etc. Our manufacturing facility is situated at Shapar (Rajkot, Gujarat) India. Our facility involves modern technology, tools, high-tech machines which spin out the quality standard of cables.

We have a well-equipped research and development unit that helps us immensely to offer innovative products to our clients. R & D is always a boon for staying ahead of others in this extremely competitive environment and our cables and wires have always assisted in the growth of a substantial segment of Indian industry. Our manufacturing facility, spread over 11483.19 sq m area and has 100 per cent in house facility from wire drawing machine until testing on finished products. Our Company has purchased additional Machinery to enhance the production capacities of power and control cables twice.

2. OPPORTUNITIES AND THREATS

Our Company has adequate production capacity to meet an increase in demand. We have more than 1300 products in cable segments, and we are continued to do so. We are approved by various Government authorities to supply them regularly to meets their requirements. We are also approved vendor of various Large Public and Private sector Industries. Increasing overseas demand, Infrastructure development, transmission needs, Growth in sectors other than power like, Mechanical cables, Auto cables, Special cables and Power cables. The company has vast opportunities to expand its product base and also to extend its operations across globe including untapped countries.

Government's focus on Infrastructure developments such as roads, railways, ports, housing, smart cities is expected to create demand for electrical Wires and Cables. Slowdown in the infrastructure activities may impact the near to mid-term growth prospects for Industrial and Infra segments.

The world market is evaluating Indian companies as an alternative to other Asian countries. Having a wide product range and state of the art manufacturing facilities, gives an opportunity to capture the export market especially the developing countries in Africa and South East Asia. Global economic slowdown led due to pandemic or other factors might reduce the growth opportunity.

3. FINANCIAL PERFORMANCE

It was an unprecedentedly challenging year. But our agile management of the business environment and focused approach to fulfillment needs helped us record strong growth.

The key highlights of financial performance are as under:

Revenue from operations: Revenue from operations stood at Rs. 10735.98 Lacs in FY 2023 against Rs. 8513.46 Lacs in FY 2022, registering growth of 26.11%.

EBIDTA: Earnings before interest, depreciation, tax, and amortization (EBIDTA) for the FY 2023 was Rs. 1244 Lacs compared to Rs. 890.33 Lacs in the previous FY 2022 which increased by 39.72% as compared to last year.

Profit before Tax: Profit before tax for the FY 2023 was Rs.777.13 Lacs compared to Rs.448.54 Lacs in the previous FY 2022.

Net Profit Margin: Profit after tax (PAT) for the year was Rs.581.70 Lacs which is higher by 85.15% as compared to the Profit after Tax (PAT) of Rs.314.17 Lakh in 2021-22.

4. RISK & CONCERNS

Our performance in the year is testimony of the strength of our risk management system that helped us sail through the turmoil successfully. The Company has a Risk Management Manual in place that defines the policies, strategies to decide on the risk taking ability of the organization. Company acknowledges risks, not limited to operational, financial or compliance that could affect the future performance and market positioning of your Company. The Company constantly reviews its exposure to various types of risk, whether it be regulatory, operational, environmental, financial.

The Company's well-established process of risk management includes identification of design gaps, analysis and assessment of various risks, formulation of risk mitigation strategies and implementation of the same to minimize the impact of such risks on the operations. The process ensures that new risks, which might arise, or the impact of existing risks which might have increased, are identified and a strategy is put in place for mitigating such risks.

Company embraces a risk management portfolio for forecasting and mitigating the impact of internal and external risk factors. The internal risks which are mainly associated with the operations of the Company and the external risks which are linked with the economic and market volatilities are stated below:

Internal Risks:

- **Policy Risk:** Company integrates the risk control measures into the organization's overall governance by periodically assessing the risks of the policies for internal operations and the statutory issues. Based on the risk assessment, the policies are amended from time to time.
- **Employee Turnover Risk:** Company retains a team of qualified and experienced personnel where the attrition rate is lower than the industry average. The loss of key personnel to competition is a risk where your Company's technical information would be acquired by the competitors. Company is motivating and rewarding employees to retain talent. Your Company also maintains a policy to acquire talent as a succession plan to support the Company's growth strategy.

- **Working Capital Risk:** Company caters to the infrastructural and industrial segments, which largely depends on the economy. Therefore, any setback in the economy directly impinges on the demand emerging from the infrastructural and industrial segments. The risk of economic downturn could lead to fund scarcity and delayed realization of receivables which in turn would affect the working capital requirements of Company. Company gives priority to the customers who have sound financial locus standing. Company closely monitors the working capital requirements by constant follow up on receivables and maintaining lean and symmetric inventories.
- **Operational Risk:** It related to people, processes, systems and external factors have a potential risk on your Company's performance. To reduce such risk, your Company has a risk-review policy in all areas of operations.
- **Technology Risk:** Company is agile on the technology frontier by constantly reviewing new technology in terms of product and process to avoid obsolescence. The Company has a background of constantly upgrading the technology to maintain its position at par with international players and remain ahead of its peers in the home-turf.
- **Product Development Risk:** Company has been consistently developing new and higher range products. The products have to be validated by type testing and long-term accelerated ageing test from a recognized independent testing laboratory. As these tests have significant cost involvement, any failure in the product development results to financial and opportunity loss. The R&D and in-house testing laboratories of Company have equipped with comprehensive testing facilities which can verify and assess the quality of the product during the process and final stage prior to conducting the certification tests at an independent laboratory.

External Risks:

- **Competition Risk:** The nature of competitive risk is distinct for each product group. The risk involves entry barriers which are gradually being made more stringent by the customers to screen out several players. It is imperative for Company to acquire performance record credentials from the user on supply and installation to qualify as an eligible bidder. It is also necessary to repeat test and revalidate test reports for specific type & design of the product. Company has to keep at par with the development and innovation introduced by the multinational companies to avoid the risk of obsolescence. Company is addressing to the quality conscious customers to retain its market share.
- **Market Demand Risk:** Company is dependent on the infrastructural sector, industries and original equipment manufacturers. The Government policies have a direct bearing on the demand from the various market segments. Company has a broad base clientele, wide product range and flexible manufacturing set-up, therefore, it can somewhat off-set the cyclical or depressed demand of affected segment with the other segments. From time-to-time, the Company makes changes in its product-mix to suit the order and demand pattern.
- **Customer Risk:** To mitigate these risks, your Company maintains constant touch with its clientele to understand and deliver products and services aligned to its changing priorities. Your Company maintains strong business relationship with large customers by providing technical guidance and information, support on urgent and crisis requirements

to remain virtually indispensable to the client. Your Company has built a reputation as a preferred supplier with most of its customers by creating a quality trust in a bid to protect itself from competition and entry of new players.

- **Raw Material Price Risk:** The prices of international commodities e.g., copper, aluminum and polymers, which are the key raw material components, are subject to considerable price volatility. Since the market prices of cables are generally on firm price basis, the seesawing prices of these commodities can severely impact the cost of the product where the consequential risk must be borne by Company. Company gives priority to customers who allow price variation on input raw materials.

5. INTERNAL CONTROL SYSTEMS

The Company's internal control systems are commensurate with the nature of its business and the size and complexities of its operations. These systems are designed to ensure that all assets of the Company are safeguarded and protected against any loss and that all transactions are properly authorized, recorded and reported. The Company has an adequate system of internal control in place, which assures of:

- ❖ Authorization, recording, analyzing and reporting of transactions.
- ❖ Recording and adequate safeguarding of assets.
- ❖ Upkeep of accounting records and trustworthiness of financial information.
- ❖ Corporate policies for financial reporting, accounting, information security, investment appraisal and corporate governance.
- ❖ Audit Committee of the Board which monitors and reviews all risks and control issues and financial matters.
- ❖ Computerized and integrated financial and accounting functions, information feedback system of process parameters and backtracking from finished products to raw material stage.
- ❖ Routine evaluation of all financial operating and information technology system.
- ❖ Laying down risk assessment and minimization procedures and regular review of the same.

6. CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

Report on Corporate Governance for the year 2022-23

INDEPENDENT AUDITOR'S REPORT

Financial Year: 2022-23

To,

**The Members,
ULTRACAB (INDIA) LIMITED**

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **ULTRACAB (INDIA) LIMITED**, which comprise the Balance Sheet as at **31st March 2023**, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, Statement of changes in equity for the year ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the **Companies Act, 2013** ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, Profit, its Cash Flows and Statement of Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In our opinion there are no Key Audit Matters to communicate in audit report.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Annual Report including Annexures to Annual Report, Business Responsibility Report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, cash flows and statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of written representations received from the directors as on **31st March, 2023**, taken on record by the Board of Directors, none of the directors is disqualified as on **31st March, 2023**, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure - B**".
 - g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. There are no pending litigations as at **31st March, 2023** which impact on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no amounts, required to be transferred, to the Investor Education and protection Fund by the Company during the year ended on **31st March, 2023**.

- iv. (i) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no fund have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (iii) Based on the audit procedures performed that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations referred in sub-para (a) and (b) above contain any material mis-statement.
- v. No dividend has been declared or paid during the year hence compliance with section 123 of the Companies Act, 2013 is not applicable.
 - vi. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

- h) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid/payable by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE “A” TO THE AUDITOR’S REPORT

referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date of **ULTRACAB (INDIA) LIMITED**

In our opinion and to the best of our knowledge and as per the information and explanations given to us, the books and the records examined by us in the normal course of audit, we report that:

- i. a) (A) The Company has maintained electronic records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company has maintained proper records showing full particulars of intangible assets
- b) All property, plant and equipment have been physically verified by the management annually which in our opinion is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.
- c) The title deeds of immovable properties are held in the name of the company.
- d) The company has not revalued its property, plant and equipment (including right of use assets) or intangible assets during the year ended March 31, 2023.

- ii. a) The inventories were physically verified by the management during the year at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the company and the nature of its operations. No discrepancies of 10% or more in aggregate of each class of inventories were noticed on such physical verification of inventories when compared with the books of accounts.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.
- iii. (a) During the year, the company has not made investments, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or any other parties hence clause 3(iii)(a) to 3(iii) (f) is not applicable to the company.

- iv. The provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantee or securities provided, are not applicable as the Company has not granted loan, made investment and provided guarantee or securities.
- v. The company has not accepted any deposit or amount which is deemed to be deposit from the public. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of the cost records has not been specified for the activities of the company by the Central Government u/s 148(1) of the Companies Act, 2013. Hence reporting under clause 3(vi) of the Order is not applicable.
- vii. a) The company is generally regular in depositing undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, duty of customs cess and any other statutory dues applicable to the company with the appropriate authorities. The provisions relating to sales-tax, service tax, duty of excise, value added tax are not applicable to the company. According to the information and explanations given to us, no undisputed amounts payable in respect of these statutory dues were pending at the end of the year for a period of more than six months from the date they became payable.
b) There is no statutory dues referred in foregoing paragraph vii) a), which have not been deposited on account of any dispute.
- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year. Hence clause 3(viii) of the Order is not applicable to the company.
- ix. a) The company has not defaulted in repayment of loans and borrowings or in the payment of interest thereon to any lender during the year.
b) The company is not a declared wilful defaulter by any bank or financial institution or government or government authority.
c) In our opinion and according to the information and explanations given to us, the company has utilised the money obtained by way of term loans during the year for the purposes for which they were obtained
d) According to the information and explanations given to us and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short term basis have been used for long term purposes by the company.

- e) The Company does have any subsidiary, associates or joint venture (as defined under the Companies Act 2013). Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- f) The Company does have any subsidiary, associates or joint venture (as defined under the Companies Act 2013). Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- x. a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year hence the clause 3(x)(a) of the Order is not applicable.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year hence the clause 3(x)(b) of the Order is not applicable.
- xi. a) No fraud by the company or no fraud on the Company has been noticed or reported during the year.
- b) During the year, no report under sub-section (12) of section 143 of the Act has been filed by secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- xiii. All transactions with the related parties are in compliance with sections 177 and 188 of Companies Act where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.
- xiv. a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b) We have considered the internal audit reports of the Company issued till date for the period under audit.

- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause 3 (xvi)(b) of the Order is not applicable to the Company.
- c) The Company is a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the requirement to report on clause 3 (xvi)(c) of the Order is not applicable to the Company.
- d) There is no group company /Core Investment Company. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly, requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios disclosed in notes to the Standalone Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying Financial Statements, our knowledge of the Board of Directors' and management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. Since the provisions of Section 135 of the Companies Act, 2013 with regard to corporate social responsibility are not applicable to the company hence clause 3(xx) of the Order is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date of **ULTRACAB (INDIA) LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ULTRACAB (INDIA) LIMITED** (“the Company”) as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy

1. Corporate information

Ultracab (India) Limited (the 'Company') is a public limited company domiciled in India. Its shares are listed on the Bombay Stock Exchange ('BSE'). The Company is mainly engaged in the business of manufacturing and exporting of electric wires and cables.

2. Summary of basis of compliance, basis of preparation and presentation, critical accounting estimates, assumptions and judgements and significant accounting policies

2.1 Basis of preparation of financial statements

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under companies (Indian accounting standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the company.

2.2 Basis of preparation and presentation

The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.

The Standalone Financial Statements have been prepared on the historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act.

2.3 Critical accounting estimates, assumptions and judgements

The preparation of the Standalone Financial Statements requires management to make estimates, assumptions and judgments that affect the reported

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

balances of assets and liabilities and disclosures as at the date of the Standalone Financial Statements and the reported amounts of income and expense for the periods presented.

The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates considering different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying values of assets and liabilities within the next financial year are discussed below.

2.3.1 Deferred income tax assets and liabilities

Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits

The amount of total deferred tax assets could change if management estimates of projected future taxable income or if tax regulations undergo a change.

2.3.2 Useful lives of property, plant and equipment ('PPE') and intangible assets

Management reviews the estimated useful lives and residual value of PPE and Intangibles at the end of each reporting period. Factors such as changes in the expected level of usage, technological developments and product lifecycle, could significantly impact the economic useful lives and the residual values of these assets. Consequently, the future depreciation charge could be revised and may have an impact on the profit of the future years.

2.3.3 Employee benefit obligations

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments. These include the estimation of the appropriate discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, the employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

2.3.4 Provisions and contingencies

From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being subject to uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount can be reasonably estimated. Significant judgement is required when evaluating the provision including, the probability of an unfavourable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances. Contingent liabilities are disclosed in the notes forming part of the Standalone Financial Statements. Contingent assets are not disclosed in the Standalone Financial Statements unless an inflow of economic benefits is probable.

2.4 Foreign currency translation

The functional currency of the Company (i.e. the currency of the primary economic environment in which the Company operates) is the Indian Rupee in (Rs.). The financial statements have been rounded off to the nearest Rs. Lakh.

On initial recognition, all foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Monetary assets and liabilities, denominated in a foreign currency, are translated at the exchange rate prevailing on the balance sheet date and the resultant exchange gains or losses are recognised in the Standalone Statement of Profit and Loss.

2.5 Property, plant and equipment

An item of property, plant and equipment ('PPE') is recognised as an asset if it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. These recognition principles are applied to the costs incurred initially to acquire an item of PPE, to the pre-operative and trial run costs incurred (net of sales), if any and also to the costs incurred subsequently to add to, replace part of, or service it and subsequently carried at cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of PPE includes interest on borrowings directly attributable to the acquisition, construction or production of a qualifying asset. A qualifying asset is an asset that necessarily takes a substantial period of time to be made ready for its intended use or sale. Borrowing costs and other directly attributable cost

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

are added to the cost of those assets until such time as the assets are substantially ready for their intended use, which generally coincides with the commissioning date of those assets

Machinery spares that meet the definition of PPE are capitalised and depreciated over the useful life of the principal item of an asset.

"All other repair and maintenance costs, including regular servicing, are recognised in the Standalone Statement of Profit and Loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items."

PPE acquired and put to use for projects are capitalised and depreciation thereon is included in the project cost till the project is ready for commissioning.

Depreciation methods, estimated useful lives and residual value

Depreciation on PPE (except leasehold improvements) is calculated using the written-down value method to allocate their cost, over their estimated useful lives. Freehold land is not depreciated.

Schedule II to the Act prescribes the useful lives for various class of assets. For certain class of assets, based on technical evaluation and assessment, Management believes that the useful lives adopted by it reflect the periods over which these assets are expected to be used. Accordingly for those assets, the useful lives estimated by the management are different from those prescribed in the Schedule. Management's estimates of the useful lives for various class of PPE are as given below:

Assets	Useful life
Buildings	30-60 Years
Plant and Equipment	5-25 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office Equipment	3 Years

Useful lives of assets are reviewed at the end of each reporting period

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

Losses arising from the retirement of, and gains or losses arising from disposal/adjustments of PPE are recognised in the Standalone Statement of Profit and Loss.

2.6 Intangible assets

Intangible assets comprise software licenses, product registration fees and rights to use railway wagon.

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

The intangible assets with a finite useful life are amortised using straight line method over their estimated useful lives. The management's estimates of the useful lives for various class of Intangibles are as given below:

Assets	Useful life
Trademark	7 Years

The estimated useful life is reviewed annually by the management.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Standalone Statement of Profit and Loss.

2.7 Capital work-in-progress ('CWIP') and intangible assets under development

Projects under commissioning and other CWIP/ intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost

Subsequent expenditures relating to property, plant and equipment are capitalised only when it is probable that future economic benefit associated with these will flow to the Company and the cost of the item can be measured reliably.

Advances given to acquire property, plant and equipment are recorded as non-current assets and subsequently transferred to CWIP on acquisition of related assets.

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

2.8 Investment property

Investment properties are land and buildings that are held for long term lease rental yields and/ or for capital appreciation. Investment properties are initially recognised at cost including transaction costs. Subsequently investment properties comprising buildings are carried at cost less accumulated depreciation and accumulated impairment losses, if any.

Depreciation on buildings is provided over the estimated useful lives as specified in note 2.5 above. The estimated useful lives and depreciation method of investment properties are reviewed, and adjusted on prospective basis as appropriate, at each reporting date. The effects of any revision are included in the Standalone Statement of Profit and Loss when the changes arise.

An investment property is de-recognised when either the investment property has been disposed of or do not meet the criteria of investment property i.e. when the investment property is permanently withdrawn from use and no future economic benefit is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Standalone Statement of Profit and Loss in the period of de-recognition.

2.9 Research and development expenses

Research expenses are charged to the Standalone Statement of Profit and Loss as expenses in the year in which they are incurred. Development costs are capitalised as an intangible asset under development when the following criteria are met:

- the project is clearly defined, and the costs are separately identified and reliably measured;
- the technical feasibility of the project is demonstrated;
- the ability to use or sell the products created during the project is demonstrated;
- the intention to complete the project exists and use or sale of output manufactured during the project;
"a potential market for the products created during the project exists or their usefulness, in case of internal use, is demonstrated, such that the project will generate probable future economic benefits; and"
- adequate resources are available to complete the project.

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

These development costs are amortised over the estimated useful life of the projects or the products they are incorporated within. The amortisation of capitalised development costs begins as soon as the related product is released to production.

2.10 Non-current assets held for sale and discontinued operations

Non-current assets (including disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable.

Non-current assets classified as held for sale are measured at lower of their carrying amount and fair value less cost to sell

Non-current assets classified as held for sale are not depreciated or amortised from the date when they are classified as held for sale.

A discontinued operation is a component of the entity that has been disposed off or is classified as held for sale and: represents a separate major line of business or geographical area of operations and; is part of a single co-ordinated plan to dispose of such a line of business or area of operations. The results of discontinued operations are presented separately in the Standalone Statement of Profit and Loss.

2.11 Financial instruments

2.11.1 Investments and other financial assets:

- **Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through OCI, or through profit or loss), and
- those measured at amortised cost.
-

The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will be recorded in profit or loss

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

- **Debt instruments**

Measurement

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Standalone Statement of Profit and Loss.

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost

Assets that are held for collection of contractual cash flows, where those cash flows represent solely payments of principal and interest, are measured at amortised cost. A gain or loss on a debt investment (unhedged) that is subsequently measured at amortised cost is recognised in the Standalone Statement of Profit and Loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate ('EIR') method.

Fair value through Other Comprehensive Income ('FVTOCI')

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVTOCI. Movements in the carrying amount are recorded through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains or losses which are recognised in the Standalone Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the Standalone Statement of Profit and Loss. Interest income from these financial assets is included in other income using the EIR method

Fair value through profit or loss ('FVTPL')

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. A gain or loss on a debt investment (including current investments) that is subsequently measured at FVTPL (unhedged) is recognised net in the Standalone Statement of Profit and

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

Loss in the period in which it arises. Interest income from these financial assets is included in other income.

- **Equity instruments**

The Company subsequently measures all equity investments at fair value, except investment in subsidiaries and joint ventures which are measured at cost. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to the Standalone Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified to equity. Dividends from such investments are recognised in the Standalone Statement of Profit and Loss within other income when the Company's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

- **Cash and cash equivalents**

The Company considers all highly liquid investments, which are readily convertible into known amounts of cash, that are subject to an insignificant risk of change in value with a maturity within three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

- **Trade Receivables**

Trade receivables that do not contain a significant financing component are measured at transaction price.

- **Impairment of financial assets**

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

- **Derecognition of financial assets**

A financial asset is derecognised only when the Company

- has transferred the rights to receive cash flows from the financial asset; or

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company transfers an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. Where the Company has transferred substantially all risks and rewards of ownership, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised. Where the Company has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

- **Effective interest method**

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

2.11.2 Debt and equity instruments

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

2.11.3 Financial liabilities

- **Classification as debt or Equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

- **Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include borrowings, trade payables and other financial liabilities.

- **Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

- a) **Trade and other payable**

These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. These payable are classified as 'current liabilities' if payments are due within one year or less otherwise they are presented as 'non-current liabilities'. Trade payables are subsequently measured at amortised cost using the effective interest method.

- b) **Derecognition**

Liability is removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

2.11.4 Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis,

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value.

2.12 Inventories

Inventories are valued at lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary on an item-by-item basis. Cost includes all charges in bringing the goods to their present location and condition, including other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, taxes and duties. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.13 Revenue recognition

2.13.1 Sale of goods

Revenue is recognised upon transfer of control of promised goods to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods.

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery of goods, based on contracts with the customers.

Revenue towards satisfaction of performance obligation is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

2.13.2 Interest income

For all debt instruments measured either at amortised cost or at FVTPL, interest income is recorded using the EIR method.

2.13.3 Dividend income

Dividend income is accounted for when Company's right to receive the income is established.

Accounting Policy (cont.)

2.13.4 Insurance claims

Insurance claims are accounted for on the basis of claims admitted and to the extent that there is no uncertainty in receiving the claims

2.14 Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a defined period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

As a lessee, The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in-substance fixed payments and lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option;

The lease liability is measured at amortised cost using the effective interest method.

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. The Company applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date

2.15 Employee benefits plans

2.15.1 Defined Contribution Plan

The company's contribution to provident fund is considered as a defined contribution scheme and are charged as expense based on the amount of contribution required to be made and when the services are rendered by the employees.

2.15.2 Defined Benefit Plan

The company operates a defined benefit plan for its employees, viz., gratuity liability. The costs of providing benefits under this plan are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for the plan using the projected unit credit method. Remeasurements comprising of actuarial gains and losses, the effect of changes to the return on plan assets (excluding net interest) is reflected immediately in the balance sheet with a charge or credit recognised in OCI in the period in which they occur. Remeasurements recognised in OCI are reflected immediately in retained earnings and is not reclassified to in the statement of profit and loss. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

2.15.3 Short-term employee benefits

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

2.15.4 Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the estimated future cash outflows expected to be made by the Company in respect of services.

Accounting Policy (cont.)

2.16 Borrowing costs

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of qualifying assets is added to the cost of the assets upto the date the asset is ready for its intended use. Capitalisation of borrowing costs is suspended and charged to the Standalone Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are recognised in the Standalone Statement of Profit and Loss in the period in which they are incurred.

2.17 Government grants

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants and subsidies will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire noncurrent assets are recognised as deferred revenue in the Standalone Balance Sheet and transferred to the Standalone Statement of Profit and Loss on systematic and rational basis over the useful lives of the related asset.

2.18 Income tax

Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the Standalone Statement of Profit and Loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to realise the asset or to settle the liability on a net basis.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the Standalone Financial Statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the Standalone Balance Sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

of the transaction. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying value of its assets and liabilities

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

Current and deferred tax are recognised as an expense or income in the Standalone Statement of Profit and Loss, except when they relate to items credited or debited either in Other Comprehensive Income or directly in equity, in which case the tax is also recognised in OCI or directly in equity.

2.19 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate of the amount can be made. Provisions are determined based on best estimate required to settle the obligation at the balance sheet date. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of the money is material). The increase in the provisions due to passage of time is recognised as interest expense.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past

ULTRACAB (INDIA) LIMITED

Notes to Financial Statements

Accounting Policy (cont.)

events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets are not disclosed in the Standalone Financial Statements unless an inflow of economic benefits is probable

3. Recent Indian Accounting Standard (Ind AS) pronouncements which are not yet effective

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, as and when they become effective. The Ministry of Corporate Affairs (MCA) has notified certain amendments to Ind AS, through Companies (Indian Accounting Standards) Amendment Rules, 2022 on 31st March, 2023. These amendments maintain convergence with IFRS by incorporating amendments issued by International Accounting Standards Board (IASB) into Ind AS and has amended the following standards:

- i. Ind AS 1 - Presentation of Financial Statements
- ii. Ind AS 8 – Accounting Policies, Changes in accounting estimates & errors
- iii. Ind AS 12 – Income Taxes
- iv. Ind AS 101 - First-time adoption of Ind AS
- v. Ind AS 102 - Share Based Payment
- vi. Ind AS 103 – Business Combinations
- vii. Ind AS 107- Financial Instruments: Disclosures
- viii. Ind AS 109 – Financial Instruments
- ix. Ind AS 115 - Revenue from Contracts with Customers

These amendments shall come into force with effect from April 01, 2023.

The Company is assessing the potential effect of the amendments on its financial statements. The Company will adopt these amendments, if applicable, from applicable date.
