7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation to this Ministry's **General Circular No. 20/2020** dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 19.09.2025 at 9.00 am and ends on 22.09.2025 at 5.00 pm. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 15.09.2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Management's Discussion and Analysis

1. Industry structure and Developments

Paper industry is one among the high priority industries. It concentrates on accelerating growth for Paper Industry. The continuous demand for increase in paper will require a considerable increase in supply from indigenous producers. Out of total paper mills in India, two thirds of the Mills use waste paper, agricultural wastes like saw dust, as their primary fiber source. The non availability of natural resources will automatically increase the demand of product from industries using Recycled/waste paper as their raw material.

2. Opportunities and Threats

The growth rate of recycled paper industry is assumed to increase by 10% per year. There are good growth opportunities and increase in demand. The major raw materials procurement from Mills using waste paper industry is from unrecognized sector. This accounts is for around 95% of total raw materials procurement. This affects continuous supply of raw material to the industry.

3. Outlook

1. Newsprint is being imported at 5% duty at very low rates due to dumping by foreign manufacturers and this has depressed the demand and prices of newsprint manufactured by Indian Paper Mills, thereby also affecting the demand of writing and printing paper as newsprint capacities are being diverted to writing and printing paper manufacture.
2. The installed capacity for writing and printing paper has increased significantly in the last four years, thereby affecting the demand as well as prices of the paper manufactured by your company.
3. Measures are being taken to save costs and rationalize operations, they are likely to yield positive results.

The trend in consumption of papers and notebooks and eco friendly papers are increasing continuously. It will result in good demand for the industrial product.

4. Risk Management

The Company has established a risk management frame work to identify, evaluate the business risks and opportunities. The main object of the framework is to minimise the adverse impact of the risks by taking effective mitigating measures to retain the business advantages. The identified risks and mitigation measures are reviewed by the concerned Heads and all the risks identified and mitigation measures are placed before the Board. Board is of the opinion that there is no risk which affects the existence of the Company.

5. Internal control Systems and Adequacy

The Company has an adequate internal control system commensurate with its size and nature of its business. Management has overall responsibility for the Company's internal control system to safeguard the assets and to ensure reliability of financial records.

Internal audit programme covers all areas of activities and periodical reports are submitted to the Management. Audit Committee reviews all financial statements and ensures adequacy of internal control systems.

Internal control systems are designed to provide adequate financial control and accounting control and to implement accounting standards.

6. Material Development in Human Resources/ Industrial Relations Front including number of employees employed

Cordial relations have been maintained in the company. The company had 40 nos. of employees as on March 2025

7. Caution

Statements in the management discussion and analysis describing the Company's objectives, projections, estimates and expectations may be considered as "forward looking statements" within the meaning of applicable securities laws and regulations. These statements are based on certain assumptions and expectations of future events. Actual results could differ materially from those expressed or implied. The factors that might influence the operations of the Company are demand-supply conditions, finished goods prices, raw material costs & availability, change in the government regulations, WTO and natural calamities over which the Company has no control

The Company assumes no responsibility in respect of the forward-looking statements herein which may undergo changes in future on the basis of subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31ST MARCH, 2025

To
The Members of Shree Karthik Papers Limited

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of Shree Karthik Papers Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the material accounting policies, Notes to the Financial Statements and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and gives a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Emphasis of Matter

We draw attention to Note No.30 of the financial statements, which describes the effects of a fire incident at the Company's manufacturing unit on 9 March 2025. The Company incurred an expenditure of Rs. 18.55 lakhs during the year ended 31 March 2025 for replacement of spares and stores damaged by the incident, which has been disclosed as an exceptional item. The Company has also lodged an insurance claim of Rs. 90.83 lakhs, the realisation of which is uncertain as at the reporting date, and accordingly no asset or contingent asset has been recognised in the financial statements. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Standalone Financial Statements, and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance, conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that gives a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit

evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work and
- (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Refer Note 32 to Standalone Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts that were required to be transferred to the Investor Education and Protection Fund by the company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - (b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. The Management has

represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding,

whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1st April, 2023.

Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

As per the provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2025.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of the Independent Auditors' section of our report to the Members of Shree Karthik Papers Limited on the Standalone Financial Statements for the year ended March 31, 2025)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shree Karthik Papers Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the

company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE -B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' of the Independent Auditors' section of our report to the Members of Shree Karthik Papers Limited on the Standalone Financial Statements for the year ended March 31, 2025)

To the best of our information and according to the explanations provided to us by the company and the books of accounts and records examined by us in the normal course of audit we state that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (b) The company has a program of physical verification of Property, Plant and Equipments in a phased manner, in our opinion, is reasonable having regard to the size of the company and the nature if its assets. Pursuant to the program, certain Property, Plant and Equipment were were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and based on the examination of the records of the company, the title deeds of immovable properties of the company are held in the name of the company as at the balance sheet date.
 - (d) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not revalued any of its Property, Plant and Equipment and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or pending against the company as at March 31, 2025 for holding any benami property under the Benami Transactions (prohibition) Act, 1998 (as amended in 2016) and rules made thereunder.
- (ii) (a) The physical verification of inventory has been conducted by the management at reasonable intervals. The Company has maintained proper records of inventory and no material discrepancies were noticed on the physical verification of inventories as compared to the book records.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets (Primary security as current assets). In our opinion, the quarterly returns or statements filed by the company with such banks are in aggregate with the books of account of the company.
- (iii) The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) The Central Government has prescribed the maintenance of cost records under section 148(1) of the Act. We have broadly reviewed the accounts and records of the company in this connection and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however carried out a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) According to the information and explanations given to us, in respect of statutory dues:

- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities. However, there have been slight delay in few cases / delays in deposit have not been serious.

And

According to the information and explanations given to us, no undisputed amounts payable in respect of GST, Provident fund, Income tax, Duty of Customs, Cess and other material statutory dues applicable to it, were outstanding, as at 31.03.2025, for a period of more than six months from the date they became payable. Employee's State insurance is not applicable for the company.

- (b) According to the information and explanations given to us, the dues outstanding with respect to, income tax, sales tax, service tax, value added tax, goods and service tax, customs duty, and excise duty on account of any dispute, are as follows:

Name of the Statue	Amount	Period to which the amount relates	Forum where dispute is pending
CST Act, 1956	Rs.15,12,822/- (Tax) Rs.25,64,365/- (Penalty)	AY 1995-96	Central Sales tax Appellate
CST Act, 1956	Rs.4,44,575/- (Tax)	AY 2003-04	RS Puram East Circle, CBE

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)

(ix) According to the information and explanations given to us, the company has not defaulted in repayment of loans or borrowings to financial institution(s), bank(s), or government(s). The Company has not raised any money against the issue of debentures.

(a) According to the information and explanations given to us by the management, the company has obtained term loans and repaid the same as per schedule.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has availed term loans and repaid the loan appropriately.

(d) On an overall examination of the financial statements of the Company, we report that no funds have been raised on a short-term basis by the Company. Accordingly, clause 3(ix)(d) of the Order is not applicable.

(e) The Company has not raised any funds from any entity to meet the obligations of the subsidiaries.

(f) In our opinion and according to the information and explanations given to us, the company has utilized the money raised by way of term loans during the year for the purposes for which they were raised.

(x) (a) The Company has not raised money by way of an initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally), and hence reporting under clause 3(x)

(b) of the Order is not applicable.

- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports till year ended 31st March 2025 under audit, issued to the Company during the year, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) and (b) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(c) and (d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been a resignation of the statutory auditors of the Company during the year and we have taken into consideration the issues, objections, or concerns raised by the outgoing auditors.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We

further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, as at the balance sheet date, sub-section (5) of section 135 of the Companies Act, 2013 is not applicable to the company. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the order are not applicable.

c) Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

This note provides an overview of the areas that involve a higher degree of judgement or complexity, and of items that are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements where applicable.

d) Significant Estimates and judgements

Significant accounting Judgments, estimates, and assumptions:

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates, and assumptions that affect the reported balances of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgments that the management has made in the process of applying the Company's accounting policies:

1) Recognition of deferred tax assets:

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

2) Provision and contingent liability:

On an ongoing basis, the Company reviews pending cases, claims by third parties, and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies, the likelihood of which is remote, are not disclosed in the financial statements.

3) Useful lives of depreciable assets:

Management reviews the useful lives of depreciable assets at each reporting. As of March 31, 2023 management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to the previous year.

4) Evaluation of indicators for impairment of assets:

The evaluation of applicable indicators of impairment of assets requires the assessment of several external and internal factors that could result in the deterioration of the recoverable amount of the assets.

5) Defined benefit obligation:

Management's estimate of the Defined Benefit obligation is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate, and anticipation of future salary increases. Variations in these assumptions may impact the obligation amount and the annual defined benefit expenses.

6) Fair value measurements:

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

e) Revenue recognition**1. Sale of goods:**

The Company recognizes the sale of goods when the significant risks and rewards of ownership is transferred to the buyer.

2. Interest Income:

Interest income, including income arising from other financial instruments, is recognised using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or the amortized cost of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in "Other income" in the statement of profit and loss. The expected cash flows are reassessed on a yearly basis and changes, if any, are accounted prospectively.

f) Property, Plant and Equipment

Freehold Land is carried at historical cost. All other items of Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation/amortization and impairment, if any. Cost

includes purchase price, taxes and duties, labour cost, and directly attributable overheads incurred up to the date the asset is ready for its intended use. However, cost excludes Goods and Services Tax to the extent credit of the tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

Gains and losses on disposals are determined by comparing proceeds with carrying amounts. These are included in the statement of profit and loss when the asset is disposed off or derecognised.

g) Depreciation and amortization

Depreciation on Property, Plant, and Equipment (PPE) is provided under straight-line method as per the useful lives and manner prescribed under Schedule II to the Companies Act, 2013, except for a few categories where the company has received technical opinion for adopting higher /lower useful life.

Where the cost of a part of the PPE is significant to the total cost of the PPE and if that part of the PPE has a different useful life than the main PPE, the useful life of that part is determined separately for depreciation.

The Company has used the following useful lives to provide depreciation on its Property, Plant, and Equipment:

Class of Assets	Useful Lives
Building	30 years
Furniture and fixtures	10 years
Office equipment's	5 years
Computers	3 years
Plant and Machinery	15 years
River pipeline	30 years
Electrical Fittings	10 years

Improvements to Leasehold Buildings are amortized as depreciation over the lease period, which is considered as the estimated useful life by the management.

The depreciation method applied to an asset is reviewed at each financial year-end and if there has been a significant change in the expected pattern of consumption of future economic benefits embodied in the asset, depreciation is charged prospectively to reflect the changed pattern.

Depreciation in respect of tangible assets costing less than Rs. 5,000/- is provided at 100%.

h) Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for, the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less the costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

i) Foreign currency translation

Functional and presentation currency

The financial statements are presented in Indian Rupee which is also the functional and presentation currency of the Company. All amounts have been rounded off to the nearest rupee.

No foreign currency transactions occurred during the year.

j) Inventories

All inventories are valued at moving weighted average price. Finished goods and Work in progress are computed based on the respective moving weighted average price of procured materials and the appropriate share of labour and other manufacturing overheads.

Inventories are valued at cost or net realizable value, whichever is lower. Cost also includes all charges incurred for bringing the inventories to their present location and condition. Excise and customs duty accrued on the production or import of goods, as applicable, is included in the valuation of finished goods.

Inventories of stores and spare parts are valued at cost.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.

k) Employee benefits**1. Short Term and other long-term employee benefits:**

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

Compensated leave absences are encashed by employees at year end and no carry forward of leave is permitted as per the leave policy.

2. Post-Employment Benefits**a. Defined Contribution Plans**

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards the Provident Fund and Superannuation Fund. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

b. Defined Benefit Plans

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable), and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognised in OCI in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment.

l) Taxes on income

Tax expense comprises current and deferred tax.

1. Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised directly in equity is recognised in other comprehensive income/equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

2. Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits, and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

3. Minimum Alternate Tax:

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered an asset if there is convincing evidence that the Company will pay normal income tax. The carrying amount of MAT is reviewed at each reporting date and the asset will be written down to the extent the company's right of adjustment would lapse.

Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefits associated with it will flow to the Company.

m) Provisions and contingent liabilities**1) Provision:**

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability where the time value of money is essential.

The increase in the provision due to the passage of time is recognised as interest expenses

2) Contingent liabilities:

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liabilities. The company does not recognize contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognised but are disclosed when the inflow of economic benefits is probable.

o) Cash and Cash equivalents

Cash and cash equivalents for the purposes of the Cash Flow Statement comprise cash at the bank and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

p) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

q) Investments and Other financial assets

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1. Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI);
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL);
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI).

Debt instrument at FVTPL:

FVTPL is a residual category for debt instruments. Any debt instrument, that does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such an election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

De-recognition of Financial Assets:

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily de-recognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained..

2. Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and transaction cost (if any) that is attributable to the acquisition of the financial liabilities is also adjusted.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are de-recognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss..

b. Trade and other payables

These amounts represent liabilities for goods or services provided to the Company which are unpaid at the end of the reporting period. Trade and other payables are presented as current liabilities when the payment is due within a period of 12 months from the end of the reporting period. For all trade and other payables classified as current, the carrying amounts approximate fair value due to the short maturity of these instruments. Other payables falling due after 12 months from the end of the reporting period are presented as non-current liabilities and are measured at amortized cost unless designated as fair value through profit and loss at the inception.

c. Other financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognised in the profit or loss.

De-recognition of Financial Liabilities:

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or Modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

3. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

4. Compound Financial Instruments:

A financial instrument that comprises both the liability and equity components is accounted as a compound financial instrument. The fair value of the liability component is separated from the compound instrument and is subsequently measured at amortized cost. The residual value is recognised as an equity component of other financial instruments and is not re-measured after initial recognition.

The transaction costs related to compound instruments are allocated to the liability and equity components in proportion to the allocation of gross proceeds. Transaction costs related to the equity component are recognised directly in equity and the cost related to the liability component is included in the carrying amount of the liability component and amortized using the effective interest method.

r) Borrowing costs

Borrowing costs directly attributable to the acquisition/ construction of qualifying assets are capitalized

until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use/ sale. All other borrowing costs are charged to the statement of profit and loss.

s) Current and Non-current classification

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

The entity presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current, when:

- It is expected to be realised or intended to be sold or consumed in the normal operating cycle.
- It is held primarily for the purpose of trading.
- It is expected to be realised within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current, when:

- It is expected to be settled in a normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The entity classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Notes regarding Fire Incident and Related Costs:

On 9th March 2025, the Company experienced a fire accident at one of its manufacturing facilities, resulting in significant damage to certain spares and stores inventory.

Following the incident:

- i) The Company incurred an expenditure of Rs.18,55,114 during the financial year ended 31st March 2025 for the replacement of spares and stores damaged by the fire. This amount has been charged to the Statement of Profit and Loss and is separately disclosed as an exceptional item, in accordance with Ind AS 1, considering the unusual and material nature of the event.
- ii) An insurance claim of Rs.90,83,000 was lodged by the Company. Of this, only Rs.18,55,114 pertains to the fire-damaged spares and stores. The remaining amount relates to enhancement of the facility and procurement of additional spares and stores, incurred in FY 2025–26, as part of the Company's post-incident improvement plan.
- iii) As the realisation of the insurance claim is presently uncertain, no asset has been recognized in the financial statements for the year ended 31st March 2025, in accordance with Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets.

Total	604,418	647,077

B Defined benefit plans:

Gratuity liability is provided in accordance with the provisions of the Payment of Gratuity Act, 1972 based on actuarial valuation. The plan provides a lump sum gratuity payment to eligible employee at retirement or termination of their employment. The amounts are based on the respective employee's last drawn salary and the years of employment with the Company. The most recent actuarial valuation of the defined benefit obligation was carried out at the balance sheet date. The present value of the defined benefit obligations and the related current service cost and past service cost were measured using the Projected Unit Credit Method.

These plans typically expose the Company to actuarial risks such as: interest rate risk, salary risk and longevity risk.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Salary risk : The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Longevity risk: The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Principal actuarial assumptions:

Principal actuarial assumptions used to determine the present value of the defined benefit obligation are as follows:

Particulars	31.03.2025	31.03.2024
Discount Rate	6.75%	7.19%

ii. Fair Value Hierarchy

Assets and Liabilities that are disclosed at Amortised Cost for which Fair values are disclosed are classified as Level 3.

If one or more of the significant inputs is not based on observable market data, the respective assets and liabilities are considered under Level 3.

ii. Fair Value Hierarchy

The Company has classified its financial instruments into three levels in order to provide an indication about the reliability of the inputs used in determining fair values.

(i) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

(ii) Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

(iii) Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

The carrying amounts of trade receivables, cash and cash equivalents, other financial assets, current borrowings, trade payables and other current financial liabilities are a reasonable approximation of their fair values. Accordingly, the fair values of such financial assets and financial liabilities have not been disclosed separately.

iii. Valuation technique used to determine fair value

The fair value of the financial assets and liabilities are at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The carrying amounts of trade receivables, cash and cash equivalents, other financial assets, current borrowings, trade payables and other current financial liabilities are a reasonable approximation of their fair values.

The estimated fair value amounts as at March 31, 2025 have been measured as at that date. As such, the fair values of these financial instruments subsequent to reporting date may be different than the amounts reported at each year-end.

There were no transfers between Level 1, Level 2 and Level 3 during the year.

37. Financial Risk Management

The Company's activities expose it to credit risk, liquidity risk and market risk - interest rate risk. The Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis, Credit ratings
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts
Market risk – Interest rate risk	Long-term borrowings at variable rates	Cash flow forecasting, Sensitivity analysis

a. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

The company's credit risk generally arises from Cash and cash equivalents, trade receivables, and other financial assets.

Credit risk management

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Assets Group	Description of category	Particulars	Provision for expected credit loss *
Low credit risk	Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil.	Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets	12 month expected credit loss/life time expected credit loss
Moderate credit risk	Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong.	Nil	12 month expected credit loss/life time expected credit loss
High credit risk	Assets where there is a high probability of default.	Nil	12 month expected credit loss/life time expected credit loss/fully provided for

* Based on the past experience, there have not been any write off of trade receivables and hence no allowance is made for expected credit loss on trade receivables.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counterparty fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions. Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss.

Classification of Financial assets among risk categories:

(in Rs.)

Credit rating	Particulars	31-Mar-25	31-Mar-24

Moderate credit risk	Nil		
High credit risk	Nil		

b. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the business, the Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates etc. could affect the Company's income or the value of its holdings of financial instruments including cash flow. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximising the return.

Interest rate Risks

The Company uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The borrowings are fixed rate borrowings and are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

The Company does not have any variable rate borrowing which is subject to interest rate risk.
