ANNEXURE TO NOTICE**EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013**

The following Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice:

Item No. 5

The Board of Directors of the Company at its meeting held on 10th November, 2014 on the recommendation of Nomination and Remuneration Committee, appointed Smt. Kiran Aggarwal as an Additional Director (Non-executive Independent) under Section 161(1) of the Companies Act, 2013 and Article 94 of the Articles of Association of the Company and she holds office as such up to the date of this Annual General Meeting. The Company has received notices in writing along with requisite deposit from a member under Section 160 of the Companies Act, 2013 proposing her candidature for the office of Director of the Company.

In terms of provisions of Section 149 and 152 of the Companies Act, 2013 which became effective from 1st April, 2014 an Independent Director of a company can be appointed for a term of five consecutive years and shall not be liable to retire by rotation. Accordingly, it is proposed to appoint Smt. Kiran Aggarwal as an Independent Director of the Company to hold office as such for a period of 5 years i.e. up to 31st March, 2020, not liable to retire by rotation.

Smt. Kiran Aggarwal has given a declaration pursuant to Section 149(7) of the Companies Act, 2013, to the effect that she meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013. She does not hold by herself or for any other person on a beneficial basis, any share in the Company. In the opinion of the Board, Smt. Kiran Aggarwal fulfills the conditions specified in the Companies Act, 2013, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Clause 49 of the Listing Agreement for her appointment as an Independent Director of the Company and is independent of the management. The draft letter for appointment of Smt. Kiran Aggarwal as an Independent Director is available for inspection by any member at the Registered Office of the Company during 11:00am and 1:00pm on all working days of the Company upto and including the date of this Annual General Meeting and will also be available for inspection at the venue of the said Meeting.

The Board considers that her association would be of immense benefit to the Company and it is desirable to avail services of Smt. Kiran Aggarwal as an Independent Director. Smt. Kiran Aggarwal would bring with her immense experience to the Board, interalia in the areas of management, administration and corporate governance. Accordingly, the Board recommends the resolution in relation to appointment of Smt. Kiran Aggarwal as an independent Director for five consecutive years for a term upto 31st March, 2020 for the approval by the members of the Company.

Except Smt. Kiran Aggarwal, being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item no.5. This explanatory Statement may also be regarded as a disclosure under Clause 49 of the Listing agreement with the stock exchanges.

As required under Clause 49 of the Listing Agreement with the Stock Exchanges, additional information required to be furnished in respect of Smt. Kiran Aggarwal is set out in the Annexure to the Notice.

Item No. 6

Messrs D. Sabyasachi & Co., Cost Accountants, were appointed as Cost Auditors for the year ending 31st March, 2016 by the Board of Directors on the recommendation of the Audit Committee at a remuneration of Rs.55,000/- plus Service Tax as applicable thereon and reimbursement of travelling and other incidental expenses that may be incurred for the purpose to audit the cost records maintained by the Company in accordance with the Companies (Cost Records and Audit) Rules, as amended.

As per Rule 14 of The Companies (Audit and Auditors) Rules, 2014 the remuneration payable to the Cost Auditors as approved by the Board is required to be ratified subsequently by the Members of the Company. Accordingly, consent of the members is sought for passing an Ordinary Resolution as setout in Item No.6 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2016.

None of the Directors/Key Managerial Personnel of the Company /their relatives is, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item no. 6 of the Notice.

The Board commends the Ordinary Resolution set out at Item no. 6 of the Notice for approval by the members.

**Item No. 7**

The members of the Company, in the Extra-Ordinary General Meeting held on 10th December, 2012, had appointed Shri Y.S.Lodha as Managing Director of the Company for a period of 3 (Three) years with effect from 4th November, 2012. The current term of office of Shri Y.S.Lodha as the Managing Director of the Company is due to expire on 3rd November, 2015. Having regard to the qualifications, experience and association of Shri Y.S.Lodha with the Company and considering the overall performance of the Company and its growth during his tenure, the Board of Directors at its meeting held on 16th May, 2015 has re-appointed Shri Y.S.Lodha as the Managing Director of the Company, not liable to retire by rotation, for a further period of 5 (Five) years effective from 4th November, 2015 till 3rd November, 2020, subject to approval of the members at the Annual General Meeting. GENERAL & CORPORATE MATTERS

During the year under review, your Company has reported a best ever performance in its history, both in terms of Revenue and Profit from Operations, when viewed in the context of intensely competitive landscape prevailing in the industry. Gross revenue from operations for the year grew by around 54% to Rs.69606.32 lacs as compared to Rs.45237.86 lacs during the previous year mainly driven by higher sales revenue in cables business segment. The Exports revenue including project exports, stood at Rs.7038.61 lacs during the year under review as compared to Rs 4185.07 lacs for the previous year. Despite a significant increase in finance costs with interest rates remaining at elevated levels throughout the year, the Profit (before depreciation and tax) for the year increased by robust 140% and stood at Rs.7497.38 lacs as compared to Rs.3127.38 lacs in the previous year due to increased revenue from both i.e. cables and EPC business segments and better products mix. Although the EPC business segment recorded comparatively moderate growth in Revenue which increased by approx. 32% to Rs.20071.01 lacs, its profitability improved substantially owing to gradual strengthening of execution capabilities and award of a large project after a long wait in telecom cable networking arena in which the Company possesses requisites skill and knowledge quotient meeting the contemporary technological requirements. The current business verticals of the EPC segment, viz. Telecom, Power and Sewerage pipeline are now geared up for sustained improvement in performance with comfortable backlog of orders in hand and in pipeline.

During the year under review, your Company consolidated its position further in the industry through optimum capacity utilisation and new products launches as per evolving industry standards. To keep abreast with the latest trends in the industry, your Company was also vigilant about technological upgradation of its production facilities, with the aim of improving assets performance and cost competitiveness.

The domestic telecom cable industry is expected to grow at a reasonable pace over the medium-term but competitive conditions are likely to persist. As per conceived strategy, the Company has been fairly successful in de-risking its business model during last few years from being a manufacturer of telecommunication cables to a comprehensive end-to-end solution provider across the broader communications industry networks besides diversifying into power distribution and sewerage pipeline projects, etc. The Company's focus in future, therefore, shall be to sustain momentum in both the business segments namely, cables and EPC, by leveraging its inherent strength of products development as per evolving industry standards and superior project execution capabilities to drive both the near-term and long-term growth. With a view to achieve a better value addition in certain niche telecommunication cable products, the Company has equipped itself for supplying connectorised cable assemblies for various carrier network applications and is geared to meet the increasing demand for such products in the domestic and overseas market places. The recent spectrum auction by the Government of India will lead to accelerated investment by telecom operators in data network expansion including last mile connectivity through deployment of fibre in addition to rolling out new networks and upgrading the existing ones. The Company, therefore, envisages a new stream of revenue from Fibre-To-The-Home and last mile connectivity cable products and accordingly has equipped itself for manufacturing and supplying products, the full benefit of which is expected to accrue in future which will further add to the performance of the Company.

DIVIDEND AND RESERVES

After considering the Company's profitability, free cash flow and overall financial performance, the Board of Directors of the Company is pleased to recommend a Dividend of Rs. 5/- per equity share of Rs.10/- each (i.e. 50%) for the financial year ended March 31, 2015. The total quantum of Dividend on equity shares, if approved by the Members, will be about Rs. 592.54 lacs while about Rs 120.63 lacs will be paid by the Company towards Tax on Dividend and Surcharge/Education Cess thereon. Your Board also recommends a transfer to General Reserve of Rs. 1141.15 lacs leaving a surplus of Rs. 6350.48 lacs in the statement of Profit and Loss to be carried forward.

**DEPOSITS**

Your Company has not accepted any Deposits within the meaning of Section 73 to 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014.

CORPORATE GOVERNANCE

Pursuant to Clause 49 of the Listing Agreement with the Stock Exchanges, the Management Discussion and Analysis, Report on Corporate Governance and a Certificate by the Managing Director (CEO) confirming compliance by all the Board Members and Senior Management Personnel with Company's Code of Conduct and Auditors' Certificate regarding compliance of conditions of Corporate Governance are made a part of the Annual Report.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

As a part of its initiative under Corporate Social Responsibility (CSR), the Company has undertaken CSR activities in the areas of promoting education and employment enhancing skills directed towards improving the quality of life and increasing the resources of the surrounding communities, in the area where the Company operates.

These activities are largely in accordance with Schedule VII of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014. The CSR activities during the year were implemented through Madhav Prasad Priyamvada Birla Apex Charitable Trust, a registered trust under Section 12A of the Income Tax Act, 1961.

The Annual Report on CSR activities is given in Annexure-I, which is attached hereto and forms a part of the Directors' Report.

Additionally, the Audit Committee and the Board of Directors provide risk oversight through their review of potential risks which could negatively impact the operations, the proposed budget and plan, the Company's strategic framework and any risks that may negatively impact it besides inherent risks associated with turnkey projects of EPC business segment. The management is committed to ensure an effective internal control environment commensurate with the size, scale and complexity of the operations, which provides assurance on the efficiency of the Company's operations and safety/security of its assets besides orderly and legitimate conduct of Company's business in the circumstances, which may reasonably be foreseen. The Company has defined organisation structure, authority levels delegated powers, internal procedures, rules and guidelines for conducting business transactions.

The Company's system and process relating to internal controls and procedures for financial reporting have been designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles (GAAP) in India, the Companies Act, 2013 and rules framed thereunder and all other applicable regulatory / statutory guidelines, etc. for disclosure with reference to financial statements. The Company's internal controls over financial reporting inter alia includes the policies and procedures that pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets, provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP in India and in compliance to other applicable statutory and regulatory provisions, provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of Company's assets that could have a material effect on the financial statements and for preventing and detecting fraud and other irregularities or deliberate mis-statements. Management is responsible for establishing and maintaining adequate disclosure controls and procedures and adequate internal controls over financial reporting with respect to financial statements besides its effectiveness in the context of applicable regulations. The Internal Auditor, the Audit Committee as well as the Board of Directors conduct from time to time an evaluation of the adequacy and effectiveness of the system of internal controls for financial reporting with respect to financial statements.

**INDUSTRIAL RELATIONS**

Industrial relations remained cordial throughout the year. Your Directors recognize and appreciate the sincere and hard work, loyalty, dedicated efforts and contribution of all the employees in the growth and performance of the Company during the year.

The Company continues to accord a very high priority to both industrial safety and environmental protection and these are ongoing process at the Company's plant and facilities to maintain high awareness levels. The Company has also stressed the need to adopt the highest safety standards on Engineering, Procurement and Construction EPC business segment projects with the emphasis on ensuring that safety on all projects under execution are given a great deal of importance. The Company as a policy re-evaluates safety standards and practices from time to time in order to raise the bar of safety for its people as well as users and customers.

RECOGNITION

The Company's manufacturing facilities continue to remain certified by independent and reputed external agency as being compliant as well as aligned with the external standards for Quality Management System ISO 9001:2008 and Environmental Management System ISO 14001:2004. **SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2015**

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule no. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
Vindhya Telelinks Limited
Udyog Vihar, P.O. Chorhata
REWA - 486 006 (M.P.)

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Vindhya Telelinks Limited ('the Company'). The secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2015 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent and in the manner reported hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2015 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder ;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder ;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder ;
- (iv) The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder ;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - (c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during the Audit period).
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; and
 - (e) The Equity Listing Agreements with BSE Limited and National Stock Exchange of India Limited.
- (vi) The Factories Act, 1948;
- (vii) The Industrial Dispute Act, 1947;
- (viii) The Payment of Wages Act, 1936;
- (ix) The Minimum Wages Act, 1948;
- (x) The Employees State Insurance Act, 1948;

DISCLOSURE OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNING AND OUTGO PURSUANT TO SECTION 134(3)(m) OF THE COMPANIES ACT, 2013 READ WITH RULE 8(3) OF THE COMPANIES (ACCOUNTS) RULES, 2014.

(A) Conservation of Energy:

The Company has a well structured energy management system in place and regular efforts are made to optimize process parameters and energy conservation. Additionally, while undertaking modernization and technological upgradation of production facilities, due consideration is also given in selection of plant and equipments which conforms to the best in class energy conservation parameters. The other identified key initiatives for conservation of energy during the year were -

(i) the steps taken or impact on conservation of energy:

- Redesigned the ducting of air conditioning system in the plant area to optimize energy consumption;
- Installed new air compressors of improved specification to reduce the overall air line pressure from 7 Bar to 6.2 Bar and reduction in compressed air consumption through optimized usage of machinery;
- Replaced conventional tube lights with LED's; and
- Re-alignment of plant layout for smooth process flow, better efficiency and minimum material movement.

(ii) the steps taken by the company for utilizing alternate sources of energy:

- Company is evaluating the economic viability for installation of Solar Street Lights and Solar panels for Plant Lighting.

(iii) the capital investment on energy conservation equipments:

- Capital expenditure has not been accounted for separately.

(B) Technology absorption:

(i) the efforts made towards technology absorption:

- Proactively embraced compelling adjacencies to the core business, products and services by imperceptible innovations;
- Transforming the products development as per evolving industry's standards to adapt to the changing landscape in the wire & cable industry;
- Redefining the market place with disruptive innovation and development of newer products; and
- Investment in people and processes to consciously seed and steer work place innovation in manufacturing, packaging, promotion and customer services.

(ii) the benefits derived like product improvement, cost reduction, product development or import substitution, etc.:

- Flexible and agile manufacturing, keeping pace with rapid changing market needs. Launch of new products, improvements in productivity and overall operating efficiency;
- Enhanced products range to address emerging market opportunities;
- Development of products meeting wider applications by modifying manufacturing processes; and
- Differentiated products, improved service delivery and customer satisfaction.

(iii) in case of imported technology (imported during the last three years reckoned from the beginning of the financial year):

- Not applicable as no technology was imported during the last three years.

(iv) the expenditure incurred on Research and Development:

- R & D expenditure has not been accounted for separately.

(C) Foreign exchange earnings and Outgo:

Details of foreign exchange earning and outgo are contained in Note No.45(a),45(b) and 45(e) respectively of the Notes to the Financial Statements.

Management Discussion and Analysis

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Company is engaged in the business of manufacturing and sale of Telecommunication cables, other types of wires & cables, FRP rods/ Glass rovings, etc. and Engineering, Procurement and Construction (EPC) business.

The Indian copper cable market is going through a rough weather as requirement has almost dwindled to negligible levels. The traditional PIJF copper telecom cable is being deployed predominantly by the incumbent basic telecom service providers mainly for maintenance and last mile connectivity of the existing copper cable networks. However, copper telecom cable in different type of construction having quad units is still being procured by Railways for their network requirements. But the volumes are not as significant as the basic telephony service provider used to buy. High cost of copper as a commodity being traded in metal exchanges played a spoilsport because of its volatility.

Optical fibre cable has become a defacto medium of communication in present day telecom networks which is playing a major role, starting from backbone, access, metro, intra-city and final premise distribution networks. Such is the bandwidth carrying capacity of fibre in terms of one of the passive elements in the telecom network and the throughput is limited by the design aspects of active elements in the network. All high speed data centric applications in both 3G and 4G LTE Networks invariably warrants the use of optical fibre cables which are being deployed in the network, thereby driving the demand for optical fibre cables in a big way. Even the cell towers have to be connected with optical fibre cables, to have the required bandwidth capability for taking care of the high bandwidth applications.

The recent spectrum auction from Government of India is well received by all telecom operators in general and the for using the resultant spectrum from this auction, the operators have to deploy both Greenfield installations and enhance the capacities in their existing networks by way of incremental deployment of optical fibre cables. The "Digital India" initiative aims to make every household and every individual digitally empowered. The emphasis in budget on e-governance, computerization, e-visas, FDI in e-commerce and digital classrooms will need high speed broadband connectivity. Digital forces of social media, mobility, analytics, and cloud are shaping the new virtual world. The ambitious "Digital India" plan launched by the Government of India, which is an umbrella initiative with an initial outlay of Rs.1.13 Lac Crores, covers nine programmes that include broadband highways, increased mobile density, electronic manufacturing and e-kranti or electronic delivery of services in the next three to five years which provide immense opportunities for the products manufactured and EPC projects undertaken by the Company in building a robust and secure infrastructure. The "Digital India" will primarily run on National Optical Fibre Network (NOFN) project being implemented by Bharat Broadband Network Limited (BBNL) as a special purpose vehicle connecting 250,000 village councils using more than 500,000 kms of optical fibre cables. This project is already giving a fillip to the optical fibre cable manufacturing industry in a big way. Apart from this last mile connectivity requirements in terms of FTTH applications will spurt the demand for optical fibre cables and the market is well poised to sustain the growth momentum.

The EPC Division of the Company currently concentrates on three primary business verticals viz. Telecom, Power and Sewerage Projects. In Telecom, it provides solutions in trenching and laying of optical fibre cables, installation and commissioning of telecom equipments, FTTx installation, civil work and maintenance of network. In the power domain the services are offered to the power transmission and distribution sector with a focus primarily in the power distribution networks including those in rural India, renovation and augmentation of existing distribution systems, underground transmission, feeder segregation, installation of High Voltage Distribution System (HVDS) and Low Voltage Distribution Systems (LVDS), distribution lines, substation and transmission lines, capacitor bank, lighting projects, and end to end LED solutions, etc. The Company has also gained credential in city sewerage projects which are being executed through trenchless technology.

There is no material change in the industry structure as was reported last year.

BUSINESS REVIEW AND OUTLOOK

Although the telecom industry witnessed rough weather two years back, it bounced back due to the announcement of big ticket projects like NOFN (National Optical Fibre Network), NFS (Network for Spectrum) from Government of India and a Greenfield 4G LTE network by a leading private sector telecom service provider on a pan-India basis along with other telecom operator's regular roll-outs propelled the cable industry in a big way, thereby increasing the consumption of optical fibre cables. This growth trend is expected to continue in the near future in terms of enhanced consumption of optical fibre cables.

The National Optical Fibre Network (NOFN) project undertaken by the Government aims at connecting 2,50,000 gram panchayats in the country by laying 5,00,000 KMs of optical fiber cable for creating a robust telecom network and digital highways for providing internet connectivity and deliver services like education, healthcare, e-commerce online will be the backbone for mobile networks carrying 3G and 4G services. The NOFN project upon implementation will also provide synergies between wireless networks and optic fibre networks for broadband proliferation. In addition to NOFN project, the Government is set to speed up, after much delay, the process for building an alternative communication network (NFS) for the defence forces to free-up spectrum for telecom department. The state run BSNL has awarded the contracts to eligible bidders for all seven packages during the year 2014-15. Other private telecom operators are also aggressively upgrading their existing 2G and 3G networks by providing fibre backhaul and fibre links to the radio base stations. The spread of 4G-LTE mobile network by BWA operators is also driving up the demand for

high fibre count optical fibre cables in the mobile backhaul besides deployment of optical fibre in tower verticals in lieu of co-axial cable that runs between the radio heads and ground level base stations. FTTx will obviously be the choice for all the players in the telecom industry to have ultimate experience of triple play services (voice, video, and data) with 100 Mbps download and upload speeds. Accordingly, the deployment of contemporary products e.g. micro optical fibre cable and drop cable in access and last mile connectivity will accelerate the demand growth for a variety of optical fibre cables. All the above projects and initiatives speak for better prospects for telecom cable industry in the near to medium term. However, considering high capital spending requirement, collaboration among operators is likely to increase. Over past one year many operators have entered into several mutually beneficial arrangements for sharing their infrastructure including optical fibre networks, etc., which may restrict anticipated demand growth. Despite this, your Company with its underlying strength of better quality of products with state-of-the-art manufacturing infrastructure will strive to maintain its market share and profitability in the upcoming demand of telecom cables.

The Government of India is coming up with projects wherein, infrastructure is going to be given top priority for uplifting the economy to higher growth rates. Some of the bigger infrastructure projects being envisaged by the Government are, smart cities, roads, telecommunications, "Make in India", Railways, Power Generation, ports, defence production facilities, etc. To exploit the emerging opportunities, the Company's EPC Division's strategy is focused on expanding its participation in telecommunications, power and sewerage pipeline verticals given the growth potential by providing high quality services to customers and grow business by leveraging on its strength and synergies.

SEGMENT-WISE PERFORMANCE

Sale of Products (Cables, etc.)

The Company's sales turnover on account of sale of products comprising of Telecommunication cables, other wires and cables, FRP Rod/Glass Rovings and traded goods, etc. increased from Rs. 29411.65 lacs in the previous year to Rs. 48514.16 lacs, during the year under review, mainly due to increase in demand from public sector customers, private operators, supplies to Railways and exports.

The increase in revenue from OFC business at Rs. 33237.44 lacs as compared to Rs. 15902.91 lacs in the previous year is very significant. The Company has been constantly looking for export opportunities in this area and trying to expand the customer base across wider geography.

There may not be any significant improvement in the domestic OFC prices as the bargaining power of buyers and the existence of overcapacity will constrain the ability of domestic players to resort to any considerable price hikes in the near future. Keeping this in view, the Company has taken a strategic decision to participate in turnkey projects which eventually will lead to additional revenue opportunities by cross-marketing its business to the customers besides helping in retention of the customers under the changed business environment.

The Company's established strategy of continued and focused work on customer service, innovation and market expansion helped in achieving a satisfactory growth both in terms of turnover and bottom line in cables business segment. The present pace of reforms in the telecommunication field, will definitely auger well for all stakeholders and the increased demand will continue to drive the growth in the near future. Latest technological developments in both active and passive equipments are the key to success in the industry for a cost-effective rollout and long-term utility of the broadband networks. All these developments have already made the near term prospects for telecom cable industry exciting particularly in the backdrop of huge infrastructure projects in the pipeline/ under execution.

Sale of Services (EPC Contracting/Turnkey Services)

Company's efforts to encash the opportunities in certain Mega Projects reaped results and it successfully won two big projects – one each in Telecom and Power Sectors.

In the Telecom Vertical, the Company won one package of the Defence NFS Project as a lead bidder and has been awarded the contract to roll-out state-of-the-art Intrusion Proof Network for Defence Services in the states of Himachal Pradesh, Punjab, Haryana and Delhi & NCR. The Company also expects to bag Annual Maintenance Contract for maintaining the Network for a period of seven years as per the terms of the contract/tender at pre-determined prices. Another big project worth Rs.475 Crores has been bagged in the Power Vertical for strengthening of Distribution Network under special plan (BRGF-Phase II) in the state of Bihar work for which shall begin in early 2015-16. EPC Segment currently has a robust order book position of over Rs.1500 Crores and these two Projects are expected to help it leap into another league with higher revenues and better profitability. Also the experience of executing these projects would create credentials required to be eligible for such mega projects and explore for opportunities outside India also.

With better growth expected in Indian economy in the coming years and the major thrust being given by the government to infrastructure development, the EPC Segment of the company is likely to grow at a higher pace.

OVERALL REVIEW

During the year under review, your Company's performance has witnessed significant improvement. The Company has increased its market share in domestic business and also achieved sustained business through exports besides moderate growth in EPC Division business activities.

FINANCIAL REVIEW

- The revenue from operations(gross) increased by robust 54% to Rs. 69606.32 lacs in 2014-15 as compared to Rs. 45237.86 lacs in the previous year.

- The aggregate other income increased to Rs.1023.45 lacs as against Rs. 636.81 lacs compared from the previous year mainly due to dividend and interest income, foreign exchange gain, etc.
- The Company achieved profit before depreciation of Rs. 7494.38 lacs as against profit before depreciation of Rs.3127.38 lacs as compared to previous year mainly due to higher contribution from both the business segments.
- The finance costs are higher at Rs. 3389.07 lacs (previous year Rs. 2217.98 lacs) due to utilization of working capital limits and higher long term borrowings.
- There was no change in the capital structure during the year. However, the increase in Reserves & Surplus by Rs. 5784.86 lacs is because of the net profit in the current year.
- The additions to the fixed assets of Rs. 2445.92 lacs during the year mainly consist of capital expenditure incurred for augmenting production capacity of the Company's OFC Unit.
- The inventory has increased to Rs. 8006.64 lacs as on March 31, 2015 from Rs. 7579.53 lacs as at the end of the previous year mainly due to increase in work-in-progress and raw materials on the back of increased volume of business.
- The trade receivables level at Rs. 34937.87 lacs as on March 31, 2015 as compared to Rs. 26274.04 lacs as on March 31, 2014 has increased due to higher sales in the cables division in the last quarter and extended credit to customers and retention money withheld by the customers of EPC Division as per the governing terms of the contracts awarding to the Company and/or as per evolving industry norms.
- For detailed information on the financial performance with respect to operational performance, a reference may please be made to the financial statements.

OPPORTUNITIES, THREATS & BUSINESS OUTLOOK

- The Government's mandate to all telecom service providers to procure a minimum percentage of total infrastructure spending by sourcing from local manufacturers and Preferential Market Access Policy (PMA) may provide sustained demand for telecom cables to domestic manufacturers.
- The Indian optical fibre cable manufacturers facilities were operating at low capacities for many years now and they were mainly dependent on exports to utilize a decent capacity to cover costs, since the domestic market has been erratic both in procurement and payments. With changed environment in telecom sector, the industry is finally seeing improved business sentiment with better capacity utilisation mainly due to some of the private operators' thrust in building world class telecom networks using optical fibre cables especially for 4G LTE data centric network.
- The increasing usage of Smartphones across the entire strata of the population both urban and rural parts of our country warrants the deployment of high bandwidth capable optical fibre cables in all backbone, metro, access, subscriber segments of telecom network(s). With the greater exposure to social media networks, the data traffic growth is set to reach exponential levels which can't be catered by the existing network capabilities and huge usage of optical fibre cables is underway across the country.
- With clarity on the licensing and spectrum front workable guidelines around merger and acquisition for telecom operators, allowing 100 percent foreign direct investment, permission to sell and trade spectrum will ensure much needed consolidation and long term viability in the sector. Further, with the satisfactory progress in certain large scale projects e.g. NOFN and dedicated countrywide optical fibre cable network for the defence forces (NFS), the outlook for telecom cable industry seems promising over medium-term.
- The customer base in telecommunication cable industry is relatively concentrated. The Company has, however, been able to retain and expand its customer base in domestic and overseas market places with enlargement of products range and consistent quality.
- The reduction of import duties under various regional and bilateral Free Trade Agreements is impacting the profitability and economic viability of the domestic telecom cable industry. Clearly, there is a need to ensure that the current duty structure are, at the very least, kept unchanged.
- Telecom Sector is impacted substantially by government policies and investment. While no reversal in the planned investment is envisaged, prices and demand are definitely subject to changes in policies on tendering and indenting. However, as explained above the Government's ambitious targets for telecommunication expansion and broadband penetration seamlessly upto village levels should see favourable regulatory environment in India.
- With the Indian Optical Fibre Cables and other specialty Copper Cable market now forecast to be set for a period of strong growth, some of the global cable manufacturers may enter the market which shall further intensify the competition. Though growth in demand is expected to absorb additional capacity to certain extent, increasing market share and sustaining margins will pose a challenge in the short-term.
- The projects undertaken by the Company's EPC Division are sometimes faced with Right-of-the-Way (RoW) and environmental related challenges which impact the completion timeline of the projects. Large part of project cash flows is linked to the project completion and hence a delay in the completion impacts the working capital cycle. It is hoped that the new Government will simplify the processes, costs and rules in rolling out networks and acquiring permissions, specifically put in place a national

framework for enabling the rollout of fibre on the ground and eliminate the mind boggling complexity and liaising with scores of municipal corporations that set their own rules with costs that vary dramatically from one to another.

RISKS AND CONCERNS

The risks that may affect the functioning of the Company include, but are not limited to:

- Economic conditions;
- Dependence on limited number of major clients;
- Increasing cost of raw materials and logistics;
- Volatile forex fluctuations;
- Technology challenges;
- Competitive market conditions;
- Inverted duty structure;
- Compliance and regulatory pressures including changes to tax laws.

Your Company has a defined risk management strategy with senior management identifying potential risk, evolving mitigation responses and monitoring the occurrence of risk.

INTERNAL CONTROL FRAMEWORK

The Company's system of financial, operational and compliance control and risk management is embedded in the business process by which the Company pursues its objectives. The management is committed to ensuring an effective internal control environment, commensurate with the size and complexity of the business, which provides assurance on the efficiency of the Company's operations and safety/security of its assets besides orderly and legitimate conduct of Company's business in the circumstances, which may reasonably be foreseen. The Company has a defined organization structure, authority levels delegated powers, internal procedures, rules and guidelines for conducting business transactions.

The Company has engaged a firm of Chartered Accountants for internal auditing, who besides conducting periodic audits, independently reviews and strengthens the control measures. **12.10 Share Transfer System :**

The trading in Company's equity shares on the stock exchanges is permitted only in dematerialised form for all classes of investors as per notification issued by the Securities & Exchange Board of India (SEBI).

All transactions in connection with transfer, transmission, etc. are processed by the Registrar and Share Transfer Agents of the Company on weekly basis and the same are placed before the Committee of Directors/Committee of Officers, as the case may be, for approval at regular interval. With a view to expedite the process of share transfer in physical segment, the Board of Directors has delegated the authority to a Committee of Officers for approving transfer upto 1000 equity shares in each request. Further, to expedite the process of share transfer, the powers for processing of share transfer have been delegated to the Registrar and Share Transfer Agent of the Company in compliance with SEBI Circular No. CIR/MIRSD/8/2012 dated 05.07.2012. A summary of transfer/transmission of equity shares so approved by the Committee of officers is placed at every Board Meeting. The process of share transfer requests in physical form including despatch of share certificates is completed within 15 days on receipt of duly completed documents in all respects. The request for dematerialisation of equity shares is generally confirmed/rejected within an average period of 15 days. The Company obtains from a Company Secretary in practice half-yearly certificate of compliance with the share transfer formalities as required under Clause 47(c) of the Listing Agreement with Stock Exchanges and files a copy of the certificate with the Stock Exchanges.

The Company's representatives visit the office of the Registrar and Share Transfer Agents from time to time to monitor, supervise and ensure that there are no delays or lapses in the system.

Independent Auditors' Report

TO THE MEMBERS OF VINDHYA TELELINKS LIMITED

Report on the standalone Financial Statements

We have audited the accompanying standalone financial statements of Vindhya Telelinks Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note No. 35 to the standalone financial statements regarding non provision for the shortfall in the market value of a quoted investment for the stated reason.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure a statement on the matters specified in the paragraphs 3 and 4 of the said Order.
- As required by Section 143 (3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 31 and 32 to the financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts, which were required to be transferred during the year to the Investor Education and Protection Fund by the Company.

Annexure referred to in the Independent Auditors' report to the members of Vindhya Telelinks Limited on the standalone financial statements for the year ended 31st March, 2015.

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) Major items of fixed assets were physically verified during the year by the management in accordance with a regular program of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. No material discrepancies were noticed on such verification.
- (ii) (a) As explained to us, inventories except stock in transit, have been physically verified by the management at reasonable intervals.
- (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management were reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories. No material discrepancies were noticed on verification, between physical stocks and book records.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties required to be covered in the register maintained under section 189 of the Act. Therefore, the provisions of clause 3(iii)(a)&(b) of the Order are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, there are reasonably adequate internal control systems, commensurate with the size of the Company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit, we have neither come across nor have been informed of any continuing failure to correct major weaknesses in the internal control system of the company.
- (v) The Company has not accepted deposits during the year from the public within the provisions of section 73 of the Act and the Rules framed there under.
- (vi) We have broadly reviewed the books of accounts maintained by the company, pursuant to rules made by the Central Government for the maintenance of cost records under sub-section (1) of section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been maintained and the required statement are in the process of compilation. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

- (vii) (a) According to the records of the Company, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth tax, Service tax, Duty of Customs, Duty of Excise, Cess, Value Added tax and any other statutory dues with the appropriate authorities. There were no arrears of undisputed statutory dues as at 31st March, 2015, which were outstanding for a period of more than six months from the date they became payable.
- (b) There are no disputed dues which have remained unpaid as on 31st March, 2015 on account of Income-tax, Duty of custom, Duty of excise, Sales-tax, Value Added tax, Wealth Tax, Service tax, Cess except as follows:

Name of the Statute	Nature of dues	Amount (Rs. in lacs)	Period to which amount relates	Forum where dispute pending
WBVAT Act, 2003	Sales tax	9.39	FY 2009-10	Sales Tax Appellate Tribunal, West Bengal

- (c) Based on the information and explanations obtained, the company has no liability or requirement to transfer any amount to Investor Education & Protection Fund in accordance with the relevant provisions of the Act and the Rules thereunder.
- (viii) The Company has no accumulated losses at the end of the year and has not incurred cash losses during the financial year covered by our audit or in the immediately preceding financial year.
- (ix) On the basis of the verification of records and information and explanations given to us, the Company has not defaulted in repayment of dues to banks. The Company did not have any outstanding debentures and loans from financial institutions during the year.
- (x) According to the information and explanations given to us, the Company has given a cross corporate guarantee to a bank for credit facilities sanctioned to Birla Ericsson Optical Limited (joint venture) amounting to Rs.13,750 lakhs in note no 31 (a) (v). In our opinion, the terms and conditions of the guarantee given by the Company, for the credit facilities sanctioned to the joint venture by the bank, are not prejudicial to the interest of the Company. According to the information and explanation given to us, the Company has not given any guarantee for loans taken by others from financial institutions.
- (xi) Based on information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (xii) Based on the audit procedure performed and the representation obtained from the management, we report that no case of fraud on or by the Company has been noticed or reported during the year under audit.

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2015****1. NATURE OF OPERATIONS**

The Company is engaged in the business of manufacturing and sale of telecommunication cables, other types of wires & cables, FRP rods/glass rovings, etc. and Engineering, Procurement and Construction (EPC) business.

2. SIGNIFICANT ACCOUNTING POLICIES**(a) Basis of Preparation**

The financial statements of the Company are prepared and presented under the historical cost convention and comply in all material respects with accounting principles generally accepted in India, the applicable Accounting Standards as notified under the relevant provisions of the Companies Act, 2013 as amended/ changed from time to time. All income & expenditure are accounted for on accrual basis except certain insurance claims and government subsidy/incentives, which are recognised on acceptance basis, as and when the amount whereof can be ascertained with reasonable certainty.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India requires management to make judgement, estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

(c) Fixed Assets including Intangible Assets

Tangible assets are stated at cost (net of recoverable taxes, trade discounts and rebates, claims, etc.) less accumulated depreciation, amortization and impairment loss, if any. The cost of a tangible asset comprises its purchase price and any directly attributable costs of bringing the asset to working condition for its intended use and adjustments arising from exchange rate variations attributable to the assets. Expenditure for additions, improvements, renewals and insurance spares (determined on the basis of irregular use) are capitalised and expenditure for repairs and maintenance are charged to the Statement of Profit and Loss. Tangible assets retired from active use and held for disposal are stated at the lower of their net book value and net realisable value and are disclosed separately. When assets are sold or discarded their cost and accumulated depreciation are removed from the accounts. Losses arising from the retirement of, and gains or losses arising from disposal of tangible assets are included in the Statement of Profit and Loss. Tangible assets which are not ready for their intended use on the date of Balance Sheet are shown as capital work-in-progress.

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any.

(d) Depreciation and Amortisation

Depreciation on tangible assets is provided to the extent of depreciable amount on Straight Line Method on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 on pro-rata basis from the month the assets are put to use except in case of new project where it is provided for the period of use. Depreciation on sale of tangible assets is provided upto the month prior to the month in which the assets are sold or disposed off. Depreciation on incremental cost arising on account of capitalised insurance spares is amortised over the residual life of the respective assets. Premium on leasehold land is amortised on straight line basis over the period of lease.

An intangible asset is measured at cost and amortised so as to reflect the pattern in which the assets economic benefits are consumed. The useful life has been estimated as five years.

(e) Impairment

An asset is treated as impaired when the carrying cost of an asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(f) Government Grants and Subsidies

Government grants and subsidies (including incentives) are recognised when there is reasonable assurance that the conditions attached to them will be complied and grant/subsidy will be received.

(g) Leases
Where the Company is the Lessor
(i) Operating Lease

Assets subject to operating leases are included in fixed assets. Lease income is recognised in the Statement of Profit and Loss on a straight line basis over the lease term. Costs, including depreciation are recognised as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.

(ii) Finance Lease

Finance lease transactions where significant risk & rewards of ownership are effectively transferred, are recognised as outright sales. Profit or Loss resulting from outright sale of the asset being leased, is recognised in the statement of profit and loss immediately. Finance income, if any, is recognised over the lease term. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.

Where the Company is the Lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

(h) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost and quoted/fair value determined on an individual investment basis. Non-current investments are stated/carried at cost. However, provision for diminution in the value of Non-current (long term) investments is made only if such decline is other than temporary.

(i) Inventories

Inventories are valued as follows:

Raw materials and Stores & spares	:	Lower of cost and net realisable value. However, raw materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a transaction moving weighted average basis.
Stock-in-trade (Traded goods)	:	Lower of cost and net realisable value. Cost is determined on a transaction moving weighted average cost basis.
Work-in-progress and Finished goods (Own manufactured)	:	Lower of cost and net realisable value. Cost includes direct materials (determined on a transaction moving weighted average cost basis), labour and proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty.
Scrap material	:	Estimated net realizable value*

Note: Estimated net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(j) Revenue Recognition
(i) Sale of Products

Revenue from the sale of products is recognised on transfer of significant risks and rewards incidental to ownership to the customer which generally coincides with despatch of products to customers. Sale of products includes excise duty. Revenue to the extent of price variation disputes, if any, which are subjected to resolution through arbitration is recognised based on interim relief granted by a court and/or after receipt of revenue in execution of the final award in favour of the Company, as the case may be.

(ii) Contract Revenue

The Company follows the percentage of completion method as per Accounting Standard (AS-7) to recognise revenue in respect of contracts executed. The stage of completion of the project is determined by the proportion to the contract cost incurred for work performed upto the Balance Sheet date bear to the estimated total contract cost.

Contract Revenue is accounted for on the basis of bills submitted to clients/bills certified by clients or on technical evaluation of work executed based on joint inspection with customers and do not include material supplied by customers/clients free of cost. The income on account of claims/rewards or extra item works are recognised to the extent company expects reasonable certainty about receipt or acceptance from the clients/customers. In case the total cost of a contract, based on technical and other estimates, is expected to exceed the corresponding contract value, such expected loss is fully provided for.

(iii) Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

(iv) Dividend

Dividend income is recognised when the Company's right to receive dividend payment is established.

(v) Export incentives

Export incentives are accounted for in the year of export.

(k) Foreign Currency Transactions

(i) Initial Recognition

Foreign Currency Transactions are recorded in the reporting currency, by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and foreign currency at the date of the transaction or that approximates the actual rate at the date of transaction.

(ii) Conversion

Monetary items denominated in foreign currencies at the year end are restated at year end rates.

(iii) Exchange Differences

Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expense in the year in which they arise.

Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss, except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

(iv) Forward Exchange Contracts not intended for trading or speculation purposes

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the year in which the exchange rate(s) change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for that year.

(v) Translation of Integral foreign operations

In respect of a Branch, which is having integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate at the date of transaction. Branch monetary assets and liabilities are restated at the year end rate(s).

(l) Employee Benefits

The Company makes regular contributions to Recognised Provident Fund (managed by trust) /Family Pension Fund, Approved Superannuation Fund and Employees State Insurance Scheme (to the extent applies and extend to the Company) as per Company's schemes, which are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. Gratuity, Pension and Compensated absences benefits payable as per Company's schemes are considered defined benefit and are charged to the Statement of Profit and Loss on the basis of actuarial valuation made at the end of each financial year by independent actuaries using Projected Unit Credit Method. For the purpose of presentation of defined benefit plans, the allocation between short term and long term provisions is made as determined by the independent actuaries. Actuarial gains and losses comprise experience adjustments and effects of changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the year in which they arise.

Ex-gratia or other amount disbursed on account of selective employees separation scheme are charged to the Statement of Profit and Loss as and when incurred.

(m) Income Taxes

Tax expense comprises current and deferred tax. Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Deferred tax resulting from timing difference between taxable and accounting income is accounted for using the tax rules and laws that are enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which deferred tax assets can be realised. However, Deferred tax assets arising on account of brought forward losses and unabsorbed depreciation are recognised only when there is virtual certainty of realisation of such assets backed by convincing evidence. Deferred tax assets are reviewed and assessed at the Balance Sheet date to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specific period.

(n) Segment Reporting Policies

(i) Identification of segments

The Company's operating businesses are organised and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and services and serves different markets. The analysis of geographical segments is based on the geographical location of the customers.

(ii) Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

(iii) Unallocated items

Include general corporate income and expense items which are not allocated to any business segment.

(iv) Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(o) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised in the Accounts when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognised but are disclosed in the financial statements. Contingent Assets are neither recognised nor disclosed in the financial statements.

(p) Cash and Cash Equivalents

Cash and cash equivalent in the cash flow statement comprises cash at bank and on hand and short-term investments with an original maturity of three months or less.

31. Contingent liabilities and Commitments (to the extent not provided for) -

(a) Contingent liabilities :

- (i) Claims against the Company/disputed liabilities not acknowledged as debts Rs.96.75 lacs (Rs. 96.75 lacs).
- (ii) Pending cases with income tax appellate authorities where income tax department has preferred appeals – liability not ascertainable.
- (iii) Sales tax matter under litigation Rs. 18.96 lacs (Rs 18.96 lacs).
- (iv) Appeals preferred by the Company against the claim/levy of differential sales tax due to timely non-submission of declaration forms for concessional sales tax. The demand(s)/levy on merits of the cases have been stayed and are pending before the appellate authorities, liabilities against which are unascertainable until final outcome in the pending cases.
- (v) Cross corporate guarantee given in connection with loan/ credit facilities aggregating to Rs. 13750.00 lacs (outstanding as on March 31, 2015 Rs.8023.16 lacs) to a joint venture and corporate guarantee given of Rs.5800.00 lacs in connection with performance of obligations assumed by a body corporate under a supply contract. [(Refer Note No. 46(b)).

The future cash outflow in respect of items (i) to (iv) above is determinable only on receipt of the decisions/judgements in the cases pending at various forums and authorities concerned.

(b) Commitments:

- (i) Estimated amount of contracts remaining to be executed on Capital Account (Net of advances) and not provided for Rs. 690.19 lacs (Rs. 277.79 lacs).
- (ii) Commitment relating to Derivatives are disclosed in Note No. 37.

- 32.** The Company has filed a law suit against an overseas supplier and its Indian agent. The supplier in order to overreach the said law suit invoked alleged arbitration agreement which is subject matter of the suit filed by the Company, interalia, claiming recovery of an aggregate amount equivalent to Rs.3544.13 lacs as at 31st March, 2015, as damages for the unsupplied goods for the period from October, 2002 to September, 2006. The Civil Court stayed the Arbitration proceedings and the said stay order has been confirmed by the High Court of Madhya Pradesh at Jabalpur and also by the Hon'ble Supreme Court. An order of the High Court of Madhya Pradesh referring the parties to Arbitration has also been stayed by the Hon'ble Supreme Court in the Special Leave Petitions filed by the Company, which are pending before the Hon'ble Supreme Court. Based on appraisal of the matter, the Company has been legally advised that the said claim against the Company is unsustainable and there is no likelihood of any liability arising against the Company.
- 33.** The Company is eligible for certain incentives in respect of its investment in plant and machinery towards expansion/technical upgradation of the OFC Unit pursuant to confirmation received under the Industrial Promotion Policy, 2014 read with Madhya Pradesh Nivesh Protsahan Yojna, 2014 of the Government of Madhya Pradesh. Accordingly, the Company has accrued, interalia, VAT and CST assistance by way of reimbursement (net of input tax rebate on the amount of VAT and CST) effective from 27th March, 2014, for a period of 10 years, subject to compliance with certain eligibility conditions attached thereto. The same shall be appropriately dealt with in the Books of Account as and when the Company's claim for reimbursement from time to time during the eligibility period is formally approved by the designated competent authority of the State Government.
- 34.** The Provision for tax has been made as per Minimum Alternate Tax(MAT) under section 115JB of the Income Tax Act, 1961. The Company is entitled to avail credit under section 115JA(1A). Accordingly, MAT credit entitlement has been considered as an asset.

35. In the opinion of the management, the decline in the market value of quoted Non-current investment (trade) in a Company (carrying cost Rs.3193.75 lacs) by Rs. 1347.32 lacs (Rs. 1937.79 lacs) at the year end is temporary, in view of the strategic long term nature of the investment and having regard to intrinsic asset base/net worth and future growth potential anchored on state-of-the-art manufacturing facilities of the investee company and hence, does not call for any provision there against. However, there is no diminution in the value of quoted Non-current investments, if market value of all Non-current investments is taken together.

Independent Auditors' Report

TO THE MEMBERS OF VINDHYA TELELINKS LIMITED

Report on the Consolidated Financial statements

We have audited the accompanying consolidated financial statements of Vindhya Telelinks Limited (hereinafter referred to as "the Holding Company"), and its subsidiaries (together referred to as "the Group") and a jointly controlled entity comprising of the Consolidated Balance Sheet as at 31st March, 2015, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group, including jointly controlled entity in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the Companies included in the Group and of jointly controlled entity are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and jointly controlled entity for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and audit evidence obtained by the other auditors in terms of their report referred to in other matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and jointly controlled entity as at 31st March, 2015, their consolidated profit and their consolidated cash flow for the year ended on that date.

Emphasis of Matter

We draw attention to Note No. 36 to the consolidated financial statements regarding non provision for the shortfall in the market value of a quoted investment for the stated reason.

Our opinion is not modified in respect of this matter.

Other Matters

- (a) We did not audit the financial statement of all the subsidiaries (three), whose financial statement reflect total assets of Rs. 14940.81 lacs as at 31st March, 2015, total revenues of Rs. 1689.79 lacs and net cash flows amounting to Rs. 2. SIGNIFICANT ACCOUNTING POLICIES:**(a) Basis of Preparation**

The financial statements of the Group are prepared and presented under the historical cost convention and comply in all material respects with accounting principles generally accepted in India, the applicable Accounting Standards as notified under the relevant provisions of the Companies Act, 2013 as amended/ changed from time to time. All income & expenditure are accounted for on accrual basis except certain insurance claims and government subsidy/incentives, which are recognised on acceptance basis, as and when the amount whereof can be ascertained with reasonable certainty.

(b) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India requires management to make judgement, estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

(c) Fixed Assets including Intangible Assets

Tangible assets are stated at cost (net of recoverable taxes, trade discounts and rebates, claims, etc.) less accumulated depreciation, amortization and impairment loss, if any. The cost of a tangible asset comprises its purchase price and any directly attributable costs of bringing the asset to working condition for its intended use and adjustments arising from exchange rate variations attributable to the assets. Expenditure for additions, improvements, renewals and insurance spares (determined on the basis of irregular use) are capitalised and expenditure for repairs and maintenance are charged to the Statement of Profit and Loss. Tangible assets retired from active use and held for disposal are stated at the lower of their net book value and net realisable value and are disclosed separately. When assets are sold or discarded their cost and accumulated depreciation are removed from the accounts. Losses arising from the retirement of, and gains or losses arising from disposal of tangible assets are included in the Statement of Profit and Loss. Tangible assets which are not ready for their intended use on the date of Balance Sheet are shown as Capital work-in-progress.

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any.

(d) Depreciation and Amortisation

Depreciation on tangible assets is provided to the extent of depreciable amount on Straight Line Method on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 on pro-rata basis from the month the assets are put to use except in case of new project where it is provided for the period of use. Depreciation on sale of tangible assets is provided upto the month prior to the month in which the assets are sold or disposed off. Depreciation on incremental cost arising on account of capitalised insurance spares is amortised over the residual life of the respective assets. Premium on leasehold land is amortised on straight line basis over the period of lease.

An intangible asset is measured at cost and amortised so as to reflect the pattern in which the assets economic benefits are consumed. The useful life has been estimated as five years.

(e) Impairment

An asset is treated as impaired when the carrying cost of an asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(f) Government Grants and Subsidies

Government grants and subsidies (including incentives) are recognised when there is reasonable assurance that the conditions attached to them will be complied and grant/subsidy will be received.

(g) Leases**Where the Group is the Lessor****(i) Operating Lease**

Assets subject to operating leases are included in fixed assets. Lease income is recognised in the Statement of Profit and Loss on a straight line basis over the lease term. Costs, including depreciation are recognised as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc are recognised immediately in the Statement of Profit and Loss.

(ii) Finance Lease

Finance lease transactions where significant risk & rewards of ownership are effectively transferred, are recognised as outright sales. Profit or Loss resulting from outright sale of the asset being leased, is recognised in statement of profit and loss immediately. Finance income, if any, is recognised over the lease term. Initial direct costs such as legal costs, brokerage costs, etc are recognised immediately in the Statement of Profit and Loss.

Where the Group is the Lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

**(h) Investments**

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at lower of cost and quoted/fair value determined on an individual investment basis. Non-current investments are stated/carried at cost. However, provision for diminution in the value of Non-current (long term) investments is made only if such decline is other than temporary.

(i) Inventories

Inventories are valued as follows:

Raw materials and Stores & spares	:	Lower of cost and net realisable value. However, raw materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a transaction moving weighted average basis.
Stock-in-trade (Traded goods)	:	Lower of cost and net realisable value. Cost is determined on a transaction moving weighted average cost basis.
Work-in-progress and Finished goods (Own manufactured)	:	Lower of cost and net realisable value. Cost includes direct materials (determined on a transaction moving weighted average cost basis), labour and proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty.
Scrap material	:	Estimated net realizable value

Note: Estimated net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(j) Revenue Recognition**(i) Sale of Products**

Revenue from the sale of products is recognised on transfer of significant risks and rewards incidental to ownership to the customer which generally coincides with despatch of products to customers. Sale of products includes excise duty and adjustments made towards liquidated damages and price variation, wherever applicable. Revenue to the extent of price variation disputes, if any, which are subjected to resolution through arbitration is recognised based on interim relief granted by a court and/or after receipt of revenue in execution of the final award in favour of the Company, as the case may be.

(ii) Contract Revenue

The Company follows the percentage of completion method as per Accounting Standard (AS-7) to recognise revenue in respect of contracts executed. The stage of completion of the project is determined by the proportion to the contract cost incurred for work performed upto the Balance Sheet date bear to the estimated total contract cost.

Contract Revenue is accounted for on the basis of bills submitted to clients/bills certified by the clients or on technical evaluation of work executed based on joint inspection with customers and do not include material supplied by customers/clients free of cost. The income on account of claims/rewards or extra item works are recognised to the extent Company expects reasonable certainty about receipt or acceptance from the clients/customers. In case the total cost of a contract, based on technical and other estimates, is expected to exceed the corresponding contract value, such expected loss is fully provided for.

(iii) Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

(iv) Dividend

Dividend income is recognised when right to receive dividend payment is established.

(v) Export incentives

Export incentives are accounted for in the year of export.

(k) Foreign Currency Transactions**(i) Initial Recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the prevailing exchange rate between the reporting currency and foreign currency at the date of the transaction or that approximates the actual rate at the date of transaction.

**(ii) Conversion**

Monetary items denominated in foreign currencies at the year end are restated at year end rates.

(iii) Exchange Differences

Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expense in the year in which they arise.

Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss, except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

(iv) Forward Exchange Contracts not Intended for Trading or Speculation Purposes

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the year in which the exchange rate(s) change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or expense for that year.

(v) Translation of Integral Foreign Operations

In respect of a branch, which is having integral foreign operations, all transactions are translated at rates prevailing on the date of transaction or that approximates the actual rate at the date of transaction. Branch monetary assets and liabilities are restated at the year end rate(s).

(l) Employee Benefits

The Group makes regular contributions to recognised Provident Fund (managed by trust) /Family Pension Fund, approved Superannuation Fund and Employees State Insurance Scheme (to the extent applies and extend to the Company) as per Company's schemes, which are recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. Gratuity, Pension and Compensated absences benefits payable as per Company's schemes are considered defined benefit and are charged to the Statement of Profit and Loss on the basis of actuarial valuation made at the end of each financial year by independent actuaries using Projected Unit Credit Method. For the purpose of presentation of defined benefit plans, the allocation between short term and long term provisions is made as determined by the independent actuaries. Actuarial gains and losses comprise experience adjustments and effects of changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the year in which they arise.

Ex-gratia or other amount disbursed on account of selective employees separation scheme are charged to the Statement of Profit and Loss as and when incurred.

(m) Income Taxes

Tax expense comprises current and deferred tax. Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Deferred tax resulting from timing difference between taxable and accounting income is accounted for using the tax rules and laws that are enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which deferred tax assets can be realised. However, Deferred tax assets arising on account of brought forward losses and unabsorbed depreciation are recognised only when there is virtual certainty of realisation of such assets backed by convincing evidence. Deferred tax assets are reviewed and assessed at the Balance Sheet date to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specific period.

(n) Segment Reporting Policies**(i) Identification of Segments**

The Company's operating businesses are organised and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and services and serves different markets. The analysis of geographical segments is based on the geographical location of the customers.

**(ii) Allocation of Common Costs**

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

(iii) Unallocated Items

Include general corporate income and expense items which are not allocated to any business segment.

(iv) Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the Financial Statements of the Company as a whole.

(o) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised in the Accounts when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but are disclosed in the financial statements. Contingent Assets are neither recognised nor disclosed in the financial statements.

(p) Cash and Cash Equivalents

Cash and cash equivalent in the cash flow statement comprises cash at bank and on hand and short-term investments with an original maturity of three months or less.

31. Contingent Liabilities and Commitments (to the extent not provided for) -

(a) Contingent liabilities :

- (i) Claims against the Group/disputed liabilities not acknowledged as debts Rs.96.79 lacs (Rs. 96.79 lacs).
- (ii) Pending cases with income tax appellate authorities where income tax department has preferred appeals – liability not ascertainable.
- (iii) Sales tax matter under litigation Rs. 33.43 lacs (Rs 33.43 lacs).
- (iv) Appeals preferred by the Parent Company and Joint Venture against the claim/levy of differential sales tax due to timely non-submission of declaration forms for concessional sales tax. The demand(s)/levy on merits of the cases have been stayed and are pending before the appellate authorities, liabilities against which are unascertainable until final outcome in the pending cases.
- (v) Bills of exchange under letter of credit discounted with banks and outstanding at the end of the year Rs. 50.69 lacs (Rs. 325.74 lacs).
- (vi) Cross corporate guarantee given by the Parent Company as a collateral security in connection with loan/ credit facilities aggregating to Rs. 11917.12 lacs (outstanding as on March 31, 2015 Rs. 6953.67 lacs) sanctioned by the bank to a Joint Venture.
- (vii) The Parent Company has given a corporate guarantee to an entity subject to a ceiling of Rs. 5800.00 lacs towards performance of contractual obligations and liabilities assumed by Universal Cables Limited under a contract for supply of cables with a customer.

The future cash outflow in respect of items (i) to (iv) above is determinable only on receipt of the decisions/judgements in the cases pending at various forums and authorities concerned.

(b) Commitments:

- (i) Estimated amount of contracts remaining to be executed on capital account (Net of advances) and not provided for Rs. 922.06 lacs (Rs. 296.82 lacs).
- (ii) Commitment relating to derivatives are disclosed in Note No. 38.

32. The Parent Company and its Joint Venture have filed a two separate law suit against an overseas supplier and its Indian agent. The supplier in order to overreach the said law suit invoked alleged arbitration agreement which is subject matter of the suit filed by the Company, inter alia, claiming recovery of an aggregate amount equivalent to Rs.4016.56 lacs as at 31st March, 2015, as damages for the unsupplied goods for the period from October, 2002 to September, 2006. The Civil Court stayed the Arbitration proceedings and the said stay order has been confirmed by the High Court of Madhya Pradesh at Jabalpur and also by the Hon'ble Supreme Court. An order of the High Court of Madhya Pradesh referring the parties to arbitration has also been stayed by the Hon'ble Supreme Court in the Special Leave Petitions filed by the Company, which are pending before the Hon'ble Supreme Court. Based on appraisal of the matter, the Company has been legally advised that the said claim against the Company is unsustainable and there is no likelihood of any liability arising against the Company.

33. During the year, a fire accident occurred in the factory premises of Joint Venture on October 27, 2014. The Joint Venture has lodged claim with the insurance company towards value of raw material damaged, replacement value of damaged equipments and expenses incurred on repairing of building. The Surveyor has filed interim report with the insurance Company. Pending settlement of final claim, the Company has received on account payment of Rs. 66.65 lacs from the Insurer, subsequent to the end of financial year. The Management is hopeful of settlement and recovery of remaining claim amount.

34. The Parent Company is eligible for certain incentives in respect of its investment in plant and machinery towards expansion/ technical upgradation of the OFC Unit pursuant to confirmation received under the Industrial Promotion Policy, 2014 read with Madhya Pradesh Nivesh Protsahan Yojna, 2014 of the Government of Madhya Pradesh. Accordingly, the Company has accrued, inter alia, VAT and CST assistance by way of reimbursement (net of input tax rebate on the amount of VAT and CST) effective from 27th March, 2014, for a period of 10 years, subject to compliance with certain eligibility conditions attached thereto. The same shall be appropriately dealt with in the books of account as and when the Company's claim for reimbursement from time to time during the eligibility period is formally approved by the designated competent authority of the State Government.

35. The Provision for tax has been made the in Parent Company as per Minimum Alternate Tax(MAT) under section 115JB of the Income Tax Act, 1961. The Parent Company and its joint venture are entitled to avail credit under section 115JA(1A). Accordingly, MAT credit entitlement has been considered as an asset.
36. In the opinion of the management, the decline in the market value of quoted non-current investment (trade) in a company (carrying cost Rs. 3638.64 lacs) by Rs. 1653.26 lacs (Rs. 2086.64 lacs) at the year end is temporary, in view of the strategic long term nature of the investment and having regard to intrinsic asset base/net worth and future growth potential anchored on state-of-the-art manufacturing facilities of the investee company and hence, does not call for any provision there against. However, there is no diminution in the value of quoted Non-current investments, if market value of all non-current investments is taken together.
