DEVELOPERS LTD.

EARNINGS PRESENTATION

Q3/9M-FY17

- MEP Infrastructure Developers Ltd (MEP), is one of the leading players for OMT and Toll Collection projects in India.
- Founded in 2002 by current promoters Mr Dattatray Mhaiskar and Jayant Mhaiskar, MEP commenced operations with toll collection at five entry points to Mumbai for 6 years.
- MEP further added a portfolio of Toll collection projects over Short and Long term, together with OMT projects, and has recently forayed into road development / construction by participating in Hybrid Annuity Model road projects.

Company Overview

Business Mix

Tolling Projects

- 3 Long Term (LT) and 9 Short Term (ST) Tolling projects under management pan India

Hybrid Annuity Model

Infrastructure Investment Trust (InvIT):

- The option of an InvIT has emerged as an alternate source of funding to address the infrastructure financing gap in India.
- Several companies have Initiated, or are in the process of, obtaining approval from SEBI. They include IRB Infrastructure Developers Ltd, IL&FS Transportation Networks, Ltd, Sterlite Power Transmission Ltd, Reliance Infrastructure Ltd and MEP Infrastructure Developers Ltd, among others.
- SEBI has been continuously revising the InvIT regulations to make it investor friendly. In September 2016, SEBI decided to relax certain InvITs norms by reducing mandatory sponsor holding in InvITs to 15%, removing the limit on the number of sponsors and rationalising the requirements for private placement of InvITs. Later in November, SEBI put in place few more disclosure requirements from InvITs in order to make these instruments more attractive for raising capital. It included utilisation of the funds raised, justification for the fees paid to investment and project managers and methodology for its computation, disclosures about half-yearly and annual financial information having an impact on economic decisions as well as unit holding pattern.
- The company believes these are positive moves by the SEBI for a successful InvIT and is currently in advanced stages of filing its DRHP.

HAM Projects:

- Going forward, over 80% of the road projects are proposed to be awarded under EPC and HAM routes.
- For FY17, MoRTH and NHAI have lined up 40% of total road projects to be awarded on HAM requiring an investment of ~ INR 600 billion.
- 33 projects worth INR 303.3 Bn, have been awarded till date entailing a length of ~ 7,397.6 lane km.
- The company holds a market share of 13% in the space, has already achieved financial closure for its first four projects and is expected to achieve financial closure for the rest at the earliest.

TOT Projects:

- New Toll-Operate-Transfer (TOT) Model To Be Introduced For Efficient Monetization Of Existing Toll Roads.
- Around 75 operational projects have been identified; Projected TOT market of INR 80,000 crore to emerge. The first tranche of 10 projects are expected to open up for bidding by April 2017.
- The company continues to maintain its leadership position in the tolling market and will participate in TOT when it is announced.

Increased Budget Allocation:

- In Union Budget 2017-18, the government has announced increased road allocation from INR 57,000 crore to INR 64,000 crore.

Short Term/long term Toll Collection Projects

Sr. No	Name of Authority	Annual Potential Toll Collection (INR Mn)	Tenor	Number of Projects Currently Available
1	NHAI	8,690	<= 1 year	19
2	HSIIDC	400	<= 1 year	1
	Total	9,090		20

OMT Projects/ Hybrid Annuity Projects

Sr. No	Name of Authority	Estimated Project Cost (INR Mn)	EPC Period / Operations Period	Number of Projects Currently Available
1	MSRDC	3,600	3 Years	1
2	NHAI/MoRTH	2,60,075	2 – 2.5 years / 15 years	24
	Total	2,63,675		25

3Q-FY17 Highlights

- Revenues have declined at INR 12,975 Mn in 9M FY17 vis-à-vis INR 13,973 Mn in 9M FY16 due to
 - a. Temporary suspension of toll collection and impact on traffic growth due to demonetization
 - b. Completion and hand-over of major projects during the financial year such as Madurai-Kanyakumari, Kini Tasawade and RIDCOR
- EBIT has decreased due to a reduction in turnover during the period under review. EBIT margins have declined by 340 bps due to higher operating costs and employee costs.
- The authorities had announced temporary suspension of toll collection at the toll plazas operated by the company and its Subsidiaries from November 9, 2016 to December 2, 2016 post demonetization. The Company and its subsidiary companies have claimed compensation of INR 885 Mn pursuant to the relevant agreement(s) entered with the respective authorities. (Claims recognised under Other operating revenue : INR 498 Mn and Claims adjusted against depreciation and amortisation expenses amounting INR 387 Mn).
- Consequent to adoption of Ind-As, Significant maintenance obligation under OMT projects shall have to be provided in all the financial years from COD to till actual expenditure. Hence a provision for major Maintenance for HB, Mumbai Entry point Projects and BTPL totalling to INR 235.29 Mn has been recognised up to 9M FY 17.
- Finance costs have reduced to Rs.3,726 Mn from Rs.4,839 Mn. It includes INR 2,803 Mn (Previous Period: INR 2,868 Mn) relating to interest on borrowings and INR 923 Mn (Previous Period: INR 1,971 Mn) relating to accretion of Trade payables and provisions relating to resurfacing.
- We have successfully achieved financial closure for four Hybrid Annuity Projects, namely Nagpur Ring Road 1 & 2 and Arawali-Kante and Kante-Wakad. Further, we have received the Appointed Date for Nagpur Ring Road 1 & 2. Further we expect to achieve the financial closure of the 2 remaining projects at the earliest.
