DIRECTORS' REPORT

To,

**The Shareholders,
SBEC Systems (India) Limited**

Dear Members,

Your Directors take pleasure in presenting the 36th Annual Report of the Company together with the Audited Financial Statement for the financial year ended 31st March 2025.

FINANCIAL RESULT

The Company's financial performance (Standalone & Consolidated) for the financial year ended March 31, 2025 along-with that of the previous financial year ended March 31, 2024 are summarized below: (Rs. in Lacs)

PARTICULARS	Standalone		Consolidated	
	Year ended March 31, 2025	Year ended March 31, 2024	Year ended March 31, 2025	Year ended March 31, 2024
Revenue & Other Income	376.91	319.06	376.91	319.06
Total Expenditure	205.32	180.34	205.32	180.34

- (ii) The Listing Agreement entered into by the Company with BSE Ltd. (Stock Exchange),

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc mentioned above except to the extent as mentioned below:

1. **The Securities and Exchange Board of India on September 17, 2018 had issued directions to the Promoter group of the Company (namely Shri Umesh Kumar Modi, Kumkum Modi, Jayesh Modi, Longwell Investments Private Limited, A to Z Holdings Pvt. Ltd., Moderate Leasing and Capital Services Limited and SBEC Systems (India) Limited), severally or jointly to make a public announcement to acquire the shares of Target Company (i.e. SBEC SUGAR LIMITED) in accordance with the provisions of the Takeover Regulations, 2011, within a period of 45 days from the date of the above mentioned order. The shareholding/ voting rights of the promoter group had increased from 54.46% (2,59,51,083 Shares) as on June 30, 2014 to 63.86% (3,04,32,117 shares) as on September 30, 2014. In addition to the aforesaid acquisition, one of the lending promoters i.e. Moderate Leasing and Capital Services limited had also acquired 1.31% of SBEC Sugar Limited during March 18, 2015 to March 23, 2015, which increased the shareholding of promoter group to 65.17%. As per the said impugned order, the promoter group have violated the provisions of Regulation 3(2) of the Takeover Regulations, 2011 by acquiring shares in excess of the prescribed limit without making an announcement for open offer.**

Against the said impugned SEBI order, M/S SBEC Systems (India) Limited had filed appeal no. 1 (No. 443/2018) before the Securities Appellant Tribunal, Mumbai.

Whereas the promoter group namely (Shri Umesh Kumar Modi, Ms. Kumkum Modi, Mr. Jayesh Modi, Longwell Investments Private Limited, A to Z Holdings Pvt. Ltd., Moderate Leasing and Capital Services Limited) had filed appeal no. 2 (No. 444/2018) before the Securities Appellant Tribunal, Mumbai.

The Hon'ble Securities Appellate Tribunal upon hearing the said Appeal vide its order dated January 29, 2020 has allowed the Appeal No. 1 (Appeal No.443 of 2018) and partly allowed Appeal No. 2 (Appeal No.444 of 2018), whereby, the directions issued by SEBI for open offer vide order dated September 17, 2018 qua promoters namely SBEC System (India) Limited, Shri. Umesh Kumar Modi, Smt. Kumkum Modi, Shri. Jayesh Modi and Longwell Investment Private Limited has been set aside, however, the directions issued by SEBI for Open Offer vide order dated September 17, 2018 issued qua the promoters namely A to Z Holdings Pvt. Ltd. and Moderate Leasing & Capital Services Ltd. (the acquirer of the shares) has been modified in terms of Regulation 32(1)(b) and they had been directed to sell the shares acquired in violation of the SAST Regulation and to transfer the proceeds of the same to the Investor Protection Fund established under the SEBI (Investor Protection and Education Fund), 2009 within a period of 6 (Six) months from the date of the order i.e. from January 29, 2020.

The promoters namely A to Z Holdings Pvt. Ltd. and Moderate Leasing & Capital Services Ltd. (the acquirer of the shares) could not comply with the order dated January 29, 2020, therefore, the said promoters approached the Hon'ble Securities Appellate Tribunal vide Misc. Application no. 209 / 2020 seeking an extension of 6 (six) months for compliance of the order dated January 29, 2020 inter-alia on the grounds of operations of the said promoters being shut due to the pandemic COVID – 19. The said Misc. Application was listed before Hon'ble Securities Appellate Tribunal on July 29, 2020 and dismissed vide order dated July 29, 2020.

In the meantime, the Securities Exchange Board of India filed a Civil Appeal bearing nos. 2995 – 2996 / 2020 before the Hon'ble Supreme Court of India on July 29, 2020 against the order dated January 29, 2020 passed by Hon'ble Securities Appellate Tribunal.

Furthermore, the promoters namely A to Z Holdings Pvt. Ltd. and Moderate Leasing & Capital Services Ltd. have also filed a Civil Appeal bearing no. 3002 / 2020 before the Hon'ble Supreme Court of India on August 11, 2020 against the order dated July 29, 2020 passed by Hon'ble Securities Appellate Tribunal.

It is important to point out that both the Civil Appeals before the Hon'ble Supreme Court of India have been connected and the pleadings

therein are complete. The said Civil Appeals were last listed before the Hon'ble Supreme Court of India on 4th March 2025, and vide Order dated 4th March, 2025 Hon'ble Supreme Court of India allowed the Appeal filed by SEBI and ordered that "The respondents shall, jointly and severally make a public announcement to acquire shares of SBEC Sugar Limited in accordance with the provisions of SEBI SAST Regulations, 2011 within a period of three months from the date of this order.

In compliance with the order passed by Hon'ble Supreme Court of India SBEC Systems India Limited shall make the proposed Public Announcement along with PACs to acquire 26% of the equity share capital of the SBEC Sugar Limited from the public shareholders in accordance with the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

2. The Shareholding of promoters and the promoter's group are dematerialized only to the extent of 60% shares as on 31.03.2025.

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices are given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exist for seeking and obtaining further information and clarifications on agenda items before the meeting and for meaningful participation at the meeting.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SBEC SYSTEMS (INDIA) LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying Ind AS standalone financial statements of M/s. SBEC SYSTEMS (INDIA) LIMITED ('the Company'), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year then ended and notes to the financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 & its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Standalone Ind AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income/ loss, statement of changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone financial statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work; and (ii) evaluating the results of our work and to evaluate the effective of an identified misstatement in the standalone financial statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143 (11) of the Act, we give in the Annexure "A" statement on the matter specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the Directors as on 31 March, 2025 taken on record by the Board of directors, none of the Directors is disqualified as on 31 March, 2025 from being appointed as a Director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Companies Act read with – Schedule V of the Act, as amended in our opinion and to the best of our information and according to the explanations given to us, the company has not paid any remuneration to its directors during the year under audit as such compliance of provisions of section 197 of the Companies Act 2013 does not arise.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company does not have any pending litigations which would impact its financial statements as at March 31, 2025.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as on March 31, 2025.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the note 38(k) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the note 38(l) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") provide any guarantee security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (a) and (b) above contain any material misstatement.

- v. The company has not declared or paid any dividend during the year.
- vi. Based on a test check examination the company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements.

Annexure 'A' to Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date on the Financial Statements for the year ended March 31, 2025)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
 (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, Plant & Equipment have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the company and the nature of its business.
- (c) According to the information and explanation given to us and the records examined by us and based on the title deed / conveyance deed of all Immovable properties (other than the properties where the company is lessee, and the lease agreements are duly executed in favour of the lessee), we report that, the title deeds, comprising all the movable property of land and buildings which are freehold /leasehold, are held in the name of company as at the balance sheet date.
- (d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.
- (e) According to the information and explanations given to us and on the basis of examination of the records of the company, the company does not hold any Benami Property during the year and no proceedings has been initiated against the company for holding any Benami Property under the Benami Transaction (Prohibition) Act, 1988 and rules made thereunder (refer Note 38 (e)).
- (ii) (a) According to the information and explanation given to us and the records examined by us, the company has not held any inventory during the current financial year or at the end of previous financial year. As such, reporting under clause (ii)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us, at any point of time of the year, the company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate from banks and financial institutions on the basis of current assets at any point of time of the year. Accordingly, clause (ii)(b) of the Order is not applicable.
- (iii) As per the records and information provided, the company has neither granted any loans, secured or unsecured to companies, firms, limited liability partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013 nor there was any loan outstanding at the beginning of the year.
 In view of the above (a), (b), (c), (d), (e) & (f) of Paragraph (iii), reporting does not arise.
- (iv) According to information and explanation provided to us and on the basis of the records examined by us, the Company has complied with the provisions of sections 186 of the Act, in respect of investment made in current/earlier year. Apart from this the company has not given any loans, provided any guarantee or securities under section 185 & 186 of the Act during current/previous years.
- (v) In our opinion and according to information and explanation given to us, the company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the order are not applicable.
- (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the books of accounts and records, the company is regular in depositing undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess, and any other statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amount is payable in respect thereof which were outstanding at the year-end for a period of more than six months from the date they become payable.
- (b) According to the information and explanations given to us, there are no statutory dues including of income-tax, sales-tax, service tax, goods and service tax, duty of customs, duty of excise and value-added tax cess and any other statutory dues that have not been deposited with the appropriate authorities on account of any disputes.
- (viii) As per the information and explanation provided by the management and on the basis of books of accounts and records, the company does not have any transactions not recorded in the books or amount that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, which were previously unrecorded in the books of accounts of the company (refer note 37 (a)).
- (ix) (a) The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any bank or financial institution or lenders during the year.
- (b) According to the information and explanation given to us and on the basis of records examined by us, the Company has not been declared willful defaulter by any bank or financial institution or Lender.
- (c) According to the information and explanation given to us and on the basis of records examined by us, the term loan was applied for the purpose

for which such loan was obtained and the same was not diverted.

- (d) According to the information and explanation given to us and on the basis of records examined by us, the Company has not raised any fund on short-term basis, as such utilisation for long-term purpose does not apply.
- (e) The Company has not taken any term loan during the year to meet the obligations of its subsidiaries, associates or joint ventures. Hence, reporting under clause 3(ix)(e) of the Order is not applicable.
- (f) The Company has not raised any loans during the year on the pledge of securities held in subsidiaries, associates or joint ventures and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) According to the information and explanation provided by the management and based upon the audit procedures performed, we report that no fraud by the company or fraud on the company by its officers or employees has been noticed or reported during the period covered by our audit.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and upto the date of this report.
- (xii) According to the information and explanation provided by the management and based upon the audit procedures performed, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanation provided by the management and based upon the audit procedures performed, all transactions with the related parties are in compliance with Section 177 and 188 of the Companies Act, where applicable, and the requisite details have been disclosed in the financial statements, etc., as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports issued to the Company during the year.
- (xv) According to the information and explanation provided by the management and based on the examination of Books of Accounts and records, in our opinion, during the year, the Company has not entered into any non-cash transactions with any of its directors or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a), (b) and (c) of the Order are not applicable.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year and hence provisions of this clause is not applicable.
- (c) & (d) Clause are not applicable to the company.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) Since the company's net worth, turnover or net profit during immediately preceding financial year remained below the prescribed threshold limit under section 135(1) of the Companies Act, 2013, accordingly, mandatorily incurring the expenditure on corporate social responsibility is not applicable.
- (xxi) The reporting under clause (xxi) is not applicable in respect of audit of standalone financial statements of the company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure “B” to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”) as referred to in paragraph 1(f) of ‘Report on Other Legal and Regulatory Requirements’ section

Opinion

We have audited the internal financial control with reference to financial statement of **SBEC SYSTEMS (INDIA) LIMITED** (“the Company”) as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria, established by the Company considering the essential components of internal control stated in the Guidance Note of Audit of Internal Financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements, criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

- Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

- (1) A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Note No: 2 Material Accounting Policies

The material accounting policies applied by the company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all periods presented in these financial statements, unless otherwise indicated.

a) Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS", under the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013 (the Act) as amended from time to time and other relevant provisions of The Companies Act, 2013.

b) Functional Currency

The financial statements are presented in Indian Rupees (INR) which is also the company's functional currency and all values are rounded to the nearest Lakh (Rs. '00,000) and accordingly amount up to Rs. 500 has been taken as zero (0) due to rounding off.

c) Basis of preparation and presentation of financial statements

The financial statements have been prepared and presented on accrual basis under the historical cost convention on going concern basis except for certain financial assets and liabilities which are measured at fair value or amortized cost at the end of each financial year.

The financial statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

The statement of Cash flows is prepared under Indirect Method.

All assets and liabilities have been classified as current and non-current as per the company's normal operating cycle and other criteria as set out in Schedule III to the Companies Act, 2013.

d) Use of Accounting judgments, estimates and assumptions:

In preparation of financial statements in conformity with recognition and measurement principle of IND AS requires management to make judgment, estimates and assumptions. These judgments, estimates and assumptions affect the reported accounts of assets and liabilities, disclosures including disclosure of contingent assets and contingent liabilities as on the date of financial statements and the reported amount of revenues and expenses during the period. Actual result may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Information about significant areas of estimates uncertainty and critical judgment in applying accounting policies that have the most significant effects to the carrying amounts of assets and liabilities within the next financial year are:

(i) Revenue Recognition

- (a) Revenue (other than those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs.

The Company recognizes revenue from contracts with customers based on a Five-Step Model as set out in Ind AS 115 i.e.:

Step 1: Identification of contract(s) with customers that creates enforceable rights and sets out the criteria that must be met.

Step 2: Identification of the separate performance obligations in the contract with customer to transfer goods or services to the customer.

Step 3: Determination of transaction price for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocation of transaction price to the separate performance obligations in a contract that has more than one performance obligations that depicts the amount of consideration to which the company expects to be entitled to in exchange for satisfying each performance obligation.

Step 5: Recognition of revenue when (or as) each performance obligation is satisfied.

Revenue from contract is recognized (net of goods & services tax) at a point in time when performance obligation in contract is fulfilled in accordance with the terms and conditions with the respective customers.

Revenue is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured. Where significant uncertainty exists with regard to realization of revenue at the time of accrual, the underlying revenue is not recognized to that extent. Revenue is measured at the fair value of the consideration received or receivable taking into account contractually defined terms of payment net of goods and service tax, wherever applicable.

- b) Interest income is recognized on a time proportionate basis taking into account the amount outstanding and the effective interest rate and the amount can be measured. Interest on Income Tax refund is accounted for on receipt basis.
- c) Dividend income is recognized in the statement of profit or loss on the date that the company's right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be reliably measured. This is generally when the shareholders approve the dividend.

ii) **Property, plant & equipment**

Property, plant & equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses. The cost comprises purchase price including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use.

An item of Property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted if appropriate.

In respect of new projects, all expenses including interest on specific borrowings incurred up to the date of commencement of commercial production are capitalized. In respect of substantial expansion of business, at the existing locations, only direct costs are capitalized together with the interest on the funds relatable to them up to the date of commercial production.

iii) **Intangible Asset**

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

iv) **Investment Property**

i) **Recognition and measurement:**

Investment property comprises of land which is measured initially at cost, including transaction costs and other direct costs attributable to bringing asset to its working condition for intended use. Subsequent to initial recognition, investment property is stated at cost less depreciation and any accumulated impairment loss, if any. Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes.

ii) **Subsequent Expenditure:**

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably.

iii) **Reclassification from/to investment property:**

Transfers to (or from) investment property are made only when there is a change in use. Transfers between investment property, owner-occupied property and inventories do not change the carrying amount of the property transferred.

v) **Depreciation and Amortisation**

- (a) Depreciation on Property, Plant & Equipment (PPE) is provided on Straight Line Method (SLM) over the useful lives as specified under Schedule II of the Companies Act, 2013. The estimated useful lives and residual values of PPE are reviewed at the end of each financial year.

Depreciation on the Property, Plant & Equipment (PPE) added/ disposed off/ discarded during the year is provided from/ upto the date when added/ disposed off/ discarded.

- (b) Intangible assets are amortized on straight line basis over the estimated economic life of the assets.
- (c) Depreciation on eligible Investment Property is provided as per the Companies Act, 2013.

vi) **Impairment of non- financial asset**

The company assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of the assets or cash generating unit's (CGU) fair value less cost of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other asset or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount as impairment loss and is recognized in the statement of profit and loss.

vii) Inventories

Stores, Spare Parts and Components are valued at cost. For this purpose, cost is ascertained on FIFO basis.

Goods/spares purchased for resale to customers are valued at lower of cost or net realizable value. Provision for obsolescence is made on the stocks, wherever required.

viii) Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset."

As a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis or another systematic basis as per the terms of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the lease receivable. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

As a Lessee

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability where applicable for all lease arrangements, except for short-term leases and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options considered for arriving at ROU and lease liability when it is reasonably certain that they will be exercised."

The lease liability is initially measured at amortized cost at the present value of the future lease payments where applicable. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment, whether it will exercise an extension or a termination option. ROU asset are separately presented/disclosed under PPE.

Lease liability obligations is presented separately under "Financial Liabilities" and lease payments are classified as financing cash flows.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ix) Foreign Currency Transactions

- (a) The company has determined Indian Rupee (INR) as transaction currency. Accordingly, transactions in foreign currency are recorded at exchange rates prevailing on the date of transaction.

All monetary items or foreign currency assets & liabilities remaining unsettled at the balance sheet date are restated at exchange rate prevailing on that date and the gain / loss arising on account of realization/settlement of foreign currency transactions and on translation of foreign currency assets and liabilities are recognized in the Statement of Profit & loss as exchange fluctuation.

x) Employee Benefits

Employee benefits have been recognized in following ways:

Short term Employee Benefits

Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related service. The company recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post-Employment Benefits

- (a) Defined Contribution Plan- Provident Fund and Family Pension

The Company contributes to a recognized Provident Fund and Family Pension fund which is a defined contribution scheme. The contribution is accounted for on an accrual basis and recognized in the Statement of profit and loss. The eligible employees of the company are entitled to receive post-employment benefits in respect of provident fund and family pension fund. The contributions made to state managed retirement benefit schemes dealt with as payments to defined contribution schemes where the company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

Defined Benefit Plan-Gratuity

The company's Gratuity benefit scheme is defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs are deducted.

The calculation of the Company's obligation is performed annually by a using discount rate of 7.23% under the projected unit credit method by the company instead of through qualified actuary since such liability is vested in a single employee. The gratuity liability is unfunded.

The Company recognizes actuarial gains or losses arising on defined benefit plan immediately in OCI as prescribed by Ind AS-19.

xi) Borrowing Cost

Borrowing cost consists of interest and other costs incurred in connection with the borrowing of funds and also include exchange differences to the extent regarded as adjustment to the same.

Borrowing cost directly attributable to the acquisition and/or construction of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial time to get ready for its intended use. All other borrowing cost are charged to the Statement of Profit and Loss as incurred.

xii) Fair Value Measurement

The Company measures financial instruments and specific investments other than subsidiary, joint venture and associates, at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as below, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For this purpose, fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Where there is not feasible, a degree of judgement required in establishing the fair value, judgment includes consideration of inputs such as liquidity risk, credit risk and volatility.

xiii) Financial Instruments**Classification**

A financial instrument is any contract that give rise to a financial asset of one entity and financial liability or equity instruments of another entity.

The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Initial recognition and measurement

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial assets and financial liabilities.

Subsequent measurement

Non-derivative financial Instruments

(i) Financial assets carried at amortized cost:

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade receivables, loans and other financial assets.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets and the asset's contractual cash flow represents SPPI.

Financial instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, dividend income, impairment losses and reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of profit and loss.

(iii) Financial assets at fair value through profit or loss (FVTPL):

FVTPL is a residual category for financial assets. Any financial assets, which does not meet the criteria for categorization at amortised cost or as FVTOCI, is classified as at FVTPL. Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

Equity Instruments

All equity investments (except investments in subsidiaries, joint ventures and associates) in scope of Ind AS 109 are measured at fair value.

Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, other than investment in Subsidiary, Associates and Joint Ventures, the company makes an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment, however such amount is transferred to Retained earnings.

Investments in subsidiaries, joint ventures and associates

Investment in subsidiaries, joint ventures and associates are carried at cost less accumulated impairment losses where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount.

On disposal of investments in subsidiary, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the standalone Statement of profit and loss.

Derecognition

The Company derecognizes a financial asset when the rights to receive cash flows from the asset have expired or it transfers the right to receive the contractual cash flow on the financial assets in a transaction in which substantially all the risk and rewards of ownership of the financial asset are transferred.

Financial Liabilities:

The Company's financial liabilities include borrowings, trade and other payables.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at fair value through profit or loss, loans and borrowings, payables, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities at amortized cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amount of income recognised in accordance with the principles of Ind AS 115.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously

xiv) Accounting for Provisions, Contingent Liabilities and Contingent Assets

Provision and liabilities are recognized in the period when it became probable that there will be a future outflow of funds resulting from past event or operation that can be reasonably estimated. The timing of recognition requires application of judgments to existing fact and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flow at pre-tax rate that reflects current market assessment of the time value money and the risk specific to the liability.

In the normal course of business, contingent liabilities are arising from litigation and other claims against the company. Potential liabilities that are possible to be quantified reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

The company does not recognize the contingent asset since whose existence will only be confirmed by the occurrence or non - occurrence of one or more uncertain future events not wholly within the control of the entity.

xv) Taxation

Income tax expense comprises of both current and deferred taxes are recognized in the Statement of Profit and Loss.

Current tax

Current Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to the items recognized directly in equity, in which case it is recognized in equity or other comprehensive income (OCI). Current tax for current and prior periods is recognized at the amount expected to be paid or recovered from the tax authorities, in accordance with the Income Tax Act, 1961. The tax rates and the tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Deferred Tax

Deferred Tax assets and liabilities are recognized on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow for all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

xvi) Cash and Cash Equivalents (for purposes of Cash Flow Statement)

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise Cash at bank, Cash on hand and demand deposits with bank with an original maturity of three months or less from the date of acquisition.

xvii) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

xviii) Earnings Per Share

Basic Earnings Per Share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

The Company has not issued any potential equity shares, and accordingly, the Basic Earnings Per Share and Diluted Earnings Per Share are the same.

xix) Statement of Cash Flow

Cash flows are reported using the indirect method, whereby profit/ loss before exceptional items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

xx) Segment Information

The company prepares its segment information in conformity with the accounting policies adopted for preparing the standalone financial statements of the company as a whole. Unallocable cost are allocated to the segment concerned.

Unallocable items include general corporate income and expense items which are not allocated to any segment.

xxi) Recent Indian Accounting Standards (Ind AS) developments

Ministry of Corporate Affairs ("MCA") notifies amendments to the existing standards or new standards. The notification with respect to Ind AS 116 & 117 which would have been applicable from April 1, 2025 would be applied to the extent applicable to the company, as below:

(ii) Other money for which company is contingently liable

During the financial year 2014-15 the promoter group of SBEC Sugar Limited (Target Company) had acquired some equity shares of SBEC Sugar Limited resulting in an increase from 54.46% (2,59,51,083 Shares) as on June 30, 2014 to 63.86% (3,04,32,117 shares) as on September 30, 2014. In addition to the aforesaid acquisition, one of the lending promoters i.e. Moderate Leasing and Capital Services Limited had also acquired 1.31% of SBEC Sugar Limited during March 18, 2015 to March 23, 2015, which increased the shareholding of promoter group to 65.17% which was in violation of the SEBI (Substantial Acquisition of Shares and Takeovers) (SAST) Regulations, 2011. The Securities and Exchange Board of India had on September 17, 2018 issued directions to the Promoter group severally or jointly to make a public announcement to acquire the shares of Target Company in accordance with the provisions of the Takeover Regulations, 2011, within a period of 45 days from the date of the above mentioned order.

Against the said impugned SEBI order, M/S SBEC Systems (India) Limited had filed appeal no. 1 (No. 443/2018) before the Securities Appellate Tribunal, Mumbai.

The Hon'ble Securities Appellate Tribunal upon hearing the said Appeal vide its order dated January 29, 2020 had allowed the Appeal, whereby, the directions issued by SEBI for open offer vide order dated September 17, 2018 qua promoters namely SBEC System (India) Limited, Shri. Umesh Kumar Modi, Smt. Kumkum Modi, Shri. Jayesh Modi and Longwell Investment Private Limited had been set aside, however, the directions issued by SEBI for Open Offer vide order dated September 17, 2018 issued qua the promoters namely A to Z Holdings Pvt. Ltd. and Moderate Leasing & Capital Services Ltd. (the acquirer of the shares) had been modified in terms of Regulation 32(1)(b) and they had been directed to sell the shares acquired in violation of the SAST Regulation and to transfer the proceeds of the same to the Investor Protection Fund established under the SEBI (Investor Protection and Education Fund), 2009 within a period of 6 (Six) months from the date of the order i.e. from January 29, 2020.

In the meantime, the Securities Exchange Board of India filed a Civil Appeal bearing nos. 2995 – 2996 / 2020 before the Hon'ble Supreme Court of India on July 29, 2020 against the order dated January 29, 2020 passed by Hon'ble Securities Appellate Tribunal.

Furthermore, the promoters namely A to Z Holdings Pvt. Ltd. and Moderate Leasing & Capital Services Ltd. had also filed a Civil Appeal bearing no. 3002 / 2020 before the Hon'ble Supreme Court of India on August 11, 2020 against the order passed by Hon'ble Securities Appellate Tribunal.

Hon'ble Supreme Court of India Vide Order dated 4th March, 2025 allowed the Appeal filed by SEBI and ordered that "The respondents shall, jointly and severally make a public announcement to acquire shares of SBEC Sugar Limited in accordance with the provisions of SEBI SAST Regulations, 2011 within a period of three months from the date of this order".

In compliance with the order passed by Hon'ble Supreme Court of India SBEC Systems (India) Limited shall make the proposed

Public Announcement along with PACs to acquire 26% of the equity share capital of the SBEC Sugar Limited from the public shareholders in accordance with the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SBEC SYSTEMS (INDIA) LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying Ind AS Consolidated Financial Statements of M/s. SBEC SYSTEMS (INDIA) LIMITED (hereinafter referred to as "the Parent Company") and its associate, which comprise the Consolidated Balance Sheet as at March 31, 2025, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended and notes to the financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such associate company as audited by other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Parent Company and its associate as at March 31, 2025, of its consolidated profit (including Other Comprehensive Income), Consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of other auditors referred to in the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated Ind AS financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Consolidated Ind AS Financial Statements and Auditor's Report thereon

The Parent Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Consolidated Financial Statements

The Parent Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income/ loss, consolidated statement of changes in equity and consolidated cash flows of the Parent and its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, management is responsible for assessing the Parent's and its associate's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Parent and of its associate are responsible for overseeing the financial reporting process of the Parent and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Parent's and its associate's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities of the Parent and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Parent and its associate regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements include the parent's share of total comprehensive profit of Rs. NIL for the year ended 31 March, 2025, as considered in the consolidated financial statements, in respect of an Associate, whose financial statements/financial information have not been audited by us. That financial statements/ financial information have been audited by other auditor whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of that Associate, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid Associate, is based solely on the reports of the other auditor.

The consolidated financial statements of the company for the year ended March 31, 2023 included in the consolidated financial statements, were audited by the predecessor auditor who expressed a modified opinion on those statements on May 29, 2023. Opening balances and carried forward balances pertaining to figures of earlier years have been considered by us on the basis of our predecessor's certification.

Report on Other Legal and Regulatory Requirements

1. As required by paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we report that the CARO report of the associate – SBEC Sugar Ltd (CIN: L15421UP1991PLC019160) included in the consolidated financial statements has issued the Report till the date of Parent Auditors report and the same is appearing in Annexure A.
2. As required by section 143(3) of the act based on our audit and on the consideration of reports of the Other auditors on separate financial statements of such subsidiaries and the associate company as were audited by other auditors, as noted in "Other Matters" paragraph, we report, to the extent applicable that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - (b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Change in Equity, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) in our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of parent Company and taken on record by the Board of Directors and the reports of the statutory auditors of associate Company incorporated in India, none of the directors of the Group companies and its associate Company incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Companies Act read with – Schedule V of the Act, as amended in our opinion and to the best of our information and according to the explanations given to

us, the parent and its associate has not paid any remuneration to its directors during the year under audit as such compliance of provisions of section 197 of the Companies Act 2013 does not arise.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Parent company does not have any pending litigations which would impact its financial statements as at March 31, 2025. However, the pending litigation existing at the year-end in the associate company would not have any adverse impact on the financial position of the company other than those disclosed in Note 27(i) and (ii).
 - ii. The Parent and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as on March 31, 2025.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Parent and its associate.
 - iv.
 - (a) The respective Management of Parent and its associate has represented that, to the best of its knowledge and belief, other than as disclosed in the note 38(k) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The respective Management of Parent and its associate has represented, that, to the best of its knowledge and belief, other than as disclosed in the note 38(l) to the consolidated financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") provide any guarantee security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (a) and (b) above contain any material misstatement.
 - v. The Parent and its associate have not declared or paid any dividend during the year.
 - vi. Based on a test check examination the company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements.

The Company does not have any subsidiary; however, it has an associate company i.e. SBEC Sugar Limited. Information on related party relationships of the company is provided in Note No 30.

The Consolidated Financial statement comprises the financial statements of the parent and its associate company.

The Consolidated financial statements of the company for the year ended 31st March, 2025 were approved by the Board of Directors on 29th May 2025.

Note No: 2 Material Accounting Policies

The material accounting policies applied by the company in the preparation of its Consolidated financial statements are listed below. Such accounting policies have been applied consistently to all periods presented in these financial statements, unless otherwise indicated.

a) Compliance with Ind AS

These Consolidated financial statements have been prepared in accordance with Indian Accounting Standards (referred to as "Ind AS", under the Companies (Indian accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013 (the Act) as amended from time to time and other relevant provisions of The Companies Act, 2013.

b) Functional Currency

The Consolidated financial statements are presented in Indian Rupees (INR) which is also the company's functional currency and all values are rounded to the nearest Lakh (Rs. '00,000) and accordingly amount up to Rs. 500 has been taken as zero (0) due to rounding off.

c) Basis of preparation and presentation of Consolidated financial statements

The consolidated financial statements have been prepared and presented on accrual basis under the historical cost convention on going concern basis except for certain financial assets and liabilities which are measured at fair value or amortized cost at the end of each financial year.

The Consolidated financial statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

The statement of Cash flows is prepared under Indirect Method.

All assets and liabilities have been classified as current and non-current as per the company's normal operating cycle and other criteria as set out in Schedule III to the Companies Act, 2013.

d) Use of Accounting judgments, estimates and assumptions:

In preparation of Consolidated financial statements in conformity with recognition and measurement principle of IND AS requires management to make judgment, estimates and assumptions. These judgments, estimates and assumptions affect the reported accounts of assets and liabilities, disclosures including disclosure of contingent assets and contingent liabilities as on the date of financial statements and the reported amount of revenues and expenses during the period. Actual result may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods which are affected.

Information about significant areas of estimates uncertainty and critical judgment in applying accounting policies that have the most significant effects to the carrying amounts of assets and liabilities within the next financial year are:

(i) Revenue Recognition:

- (a) Revenue (other than those items to which Ind AS 109 Financial Instruments are applicable) is measured at fair value of the consideration received or receivable. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers and supersedes current revenue recognition guidance found within Ind ASs.

The Company recognizes revenue from contracts with customers based on a Five-Step Model as set out in Ind AS 115 i.e.:

Step 1: Identification of contract(s) with customers that creates enforceable rights and sets out the criteria that must be met.

Step 2: Identification of the separate performance obligations in the contract with customer to transfer goods or services to the customer.

Step 3: Determination of transaction price for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocation of transaction price to the separate performance obligations in a contract that has more than one performance obligations that depicts the amount of consideration to which the company expects to be entitled to in exchange for satisfying each performance obligation.

Step 5: Recognition of revenue when (or as) each performance obligation is satisfied.

Revenue from contract is recognized (net of goods & services tax) at a point in time when performance obligation in contract is fulfilled in accordance with the terms and conditions with the respective customers.

Revenue is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and can be reliably measured. Where significant uncertainty exists with regard to realization of revenue at the time of accrual, the underlying revenue is not recognized to that extent. Revenue is measured at the fair value of the consideration received or receivable taking into account contractually defined terms of payment net of goods and service tax, wherever applicable.

- (b) Interest income is recognized on a time proportionate basis taking into account the amount outstanding and the effective interest rate and the amount can be measured. Interest on Income Tax refund is accounted for on receipt basis.
- (c) Dividend income is recognized in the statement of profit or loss on the date that the company's right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be reliably measured. This is generally when the shareholders approve the dividend.

(ii) Property, plant & equipment

Property, plant & equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses. The cost comprises purchase price including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use.

An item of Property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognized.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted if appropriate.

In respect of new projects, all expenses including interest on specific borrowings incurred up to the date of commencement of commercial production are capitalized. In respect of substantial expansion of business, at the existing locations, only direct costs are capitalized together with the interest on the funds relating to them up to the date of commercial production.

(iii) Intangible Asset

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

(iv) Investment Property**i) Recognition and measurement:**

Investment property comprises of land which is measured initially at cost, including transaction costs and other direct costs attributable to bringing asset to its working condition for intended use. Subsequent to initial recognition, investment property is stated at cost less depreciation and any accumulated impairment loss, if any. Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes.

ii) Subsequent Expenditure:

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably.

iii) Reclassification from/to investment property:

Transfers to (or from) investment property are made only when there is a change in use. Transfers between investment property, owner-occupied property and inventories do not change the carrying amount of the property transferred.

(v) Depreciation and Amortisation**(a) Depreciation on Property, Plant & Equipment (PPE) is provided on Straight Line Method (SLM) over the useful lives as specified under Schedule II of the Companies Act, 2013. The estimated useful lives and residual values of PPE are reviewed at the end of each financial year.**

Depreciation on the Property, Plant & Equipment (PPE) added/ disposed off/ discarded during the year is provided from/ upto the date when added/ disposed off/ discarded.

(b) Intangible assets are amortized on straight line basis over the estimated economic life of the assets.**(c) Depreciation on eligible Investment Property is provided as per the Companies Act, 2013.****(vi) Impairment of non-financial asset**

The company assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of the assets or cash generating unit's (CGU) fair value less cost of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other asset or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount as impairment loss and is recognized in the statement of profit and loss.

(vii) Inventories

Stores, Spare Parts and Components are valued at cost. For this purpose, cost is ascertained on FIFO basis.

Goods/spares purchased for resale to customers are valued at lower of cost or net realizable value. Provision for obsolescence is made on the stocks, wherever required.

(viii) Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether:

(i) the contract involves the use of an identified asset**(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and****(iii) the Company has the right to direct the use of the asset."****As a Lessor**

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis or another systematic basis as per the terms of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the lease receivable. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

As a Lessee

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability where applicable for all lease arrangements, except for short-term leases and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options considered for arriving at ROU and lease liability when it is reasonably certain that they will be exercised.\

The lease liability is initially measured at amortized cost at the present value of the future lease payments where applicable. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment, whether it will exercise an extension or a termination option. ROU asset are separately presented/disclosed under PPE.

Lease liability obligations is presented separately under "Financial Liabilities" and lease payments are classified as financing cash flows.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

(ix) Foreign Currency Transactions

- (a) The company has determined Indian Rupee (INR) as transaction currency. Accordingly, transactions in foreign currency are recorded at exchange rates prevailing on the date of transaction.

All monetary items or foreign currency assets & liabilities remaining unsettled at the balance sheet date are restated at exchange rate prevailing on that date and the gain / loss arising on account of realization/settlement of foreign currency transactions and on translation of foreign currency assets and liabilities are recognized in the Statement of Profit & loss as exchange fluctuation.

(x) Employee Benefits

Employee benefits have been recognized in following ways:

Short term Employee Benefits

Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related service. The company recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Post-Employment Benefits

- (a) Defined Contribution Plan- Provident Fund and Family Pension

The Company contributes to a recognized Provident Fund and Family Pension fund which is a defined contribution scheme. The contribution is accounted for on an accrual basis and recognized in the Statement of profit and loss. The eligible employees of the company are entitled to receive post-employment benefits in respect of provident fund and family pension fund. The contributions made to state managed retirement benefit schemes dealt with as payments to defined contribution schemes where the company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

Defined Benefit Plan-Gratuity

The company's Gratuity benefit scheme is defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs are deducted.

The calculation of the Company's obligation is performed annually by a using discount rate of 7.23% under the projected unit credit method by the company instead of through qualified actuary since such liability is vested in a single employee. The gratuity liability is unfunded.

The Company recognizes actuarial gains or losses arising on defined benefit plan immediately in OCI as prescribed by Ind AS-19.

(xi) Borrowing Cost

- (a) Borrowing cost consists of interest and other costs incurred in connection with the borrowing of funds and also include exchange differences to the extent regarded as adjustment to the same.

Borrowing cost directly attributable to the acquisition and/or construction of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial time to get ready for its intended use. All other borrowing cost are charged to the Statement of Profit and Loss as incurred.

(xii) Fair Value Measurement

The Company measures financial instruments and specific investments other than subsidiary, joint venture and associates, at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as below, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For this purpose, fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

Where there is not feasible, a degree of judgement required in establishing the fair value, judgment includes consideration of inputs such as liquidity risk, credit risk and volatility.

(xiii) Financial InstrumentsClassification

A financial instrument is any contract that give rise to a financial asset of one entity and financial liability or equity instruments of another entity.

The financial asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

Initial recognition and measurement

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue of the financial assets and financial liabilities.

Subsequent measurement**Non-derivative financial Instruments****(i) Financial assets carried at amortized cost:**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade receivables, loans and other financial assets.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI):

Financial assets are subsequently measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets and the asset's contractual cash flow represents SPPI.

Financial instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). However, the Company recognises interest income, dividend income, impairment losses and reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of profit and loss.

(iii) Financial assets at fair value through profit or loss (FVTPL):

FVTPL is a residual category for financial assets. Any financial assets, which does not meet the criteria for categorization at amortised cost or as FVTOCI, is classified as at FVTPL. Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

Equity Instruments

All equity investments (except investments in subsidiaries, joint ventures and associates) in scope of Ind AS 109 are measured at fair value.

Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, other than investment in Subsidiary, Associates and Joint Ventures, the company makes an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment, however such amount is transferred to Retained earnings.

Investments in subsidiaries, joint ventures and associates

Investment in subsidiaries, joint ventures and associates are carried at cost less accumulated impairment losses where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount.

On disposal of investments in subsidiary, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the standalone Statement of profit and loss.

Derecognition

The Company derecognizes a financial asset when the rights to receive cash flows from the asset have expired or it transfers the right to receive the contractual cash flow on the financial assets in a transaction in which substantially all the risk and rewards of ownership of the financial asset are transferred.

Financial Liabilities:

The Company's financial liabilities include borrowings, trade and other payables.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at fair value through profit or loss, loans and borrowings, payables, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as

a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amount of income recognised in accordance with the principles of Ind AS 115.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously

(xiv) **Accounting for Provisions, Contingent Liabilities and Contingent Assets**

Provision and liabilities are recognized in the period when it became probable that there will be a future outflow of funds resulting from past event or operation that can be reasonably estimated. The timing of recognition requires application of judgments to existing fact and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flow at pre-tax rate that reflects current market assessment of the time value money and the risk specific to the liability.

In the normal course of business, contingent liabilities are arising from litigation and other claims against the company. Potential liabilities that are possible to be quantified reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

The company does not recognize the contingent asset since whose existence will only be confirmed by the occurrence or non - occurrence of one or more uncertain future events not wholly within the control of the entity.

(xv) **Taxation**

Income tax expense comprises of both current and deferred taxes are recognized in the Statement of Profit and Loss.

Current tax

Current Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to the items recognized directly in equity, in which case it is recognized in equity or other comprehensive income (OCI). Current tax for current and prior periods is recognized at the amount expected to be paid or recovered from the tax authorities, in accordance with the Income Tax Act, 1961. The tax rates and the tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Deferred Tax

Deferred Tax assets and liabilities are recognized on temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow for all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(xvi) **Cash and Cash Equivalents (for purposes of Cash Flow Statement)**

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise Cash at bank, Cash on hand and demand deposits with bank with an original maturity of three months or less from the date of acquisition.

(xvii) **Earnings Per Share**

Basic Earnings Per Share is calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

The Company has not issued any potential equity shares, and accordingly, the Basic Earnings Per Share and Diluted Earnings Per Share are the same.

(xix) **Statement of Cash Flow**

Cash flows are reported using the indirect method, whereby profit/ loss before exceptional items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

(xx) **Segment Information**

The company prepares its segment information in conformity with the accounting policies adopted for preparing the standalone financial statements of the company as a whole. Unallocable cost are allocated to the segment concerned.

Unallocable items include general corporate income and expense items which are not allocated to any segment.

(xxi) **Recent Indian Accounting Standards (Ind AS) developments**

Ministry of Corporate Affairs ("MCA") notifies amendments to the existing standards or new standards. The notification with respect to Ind AS 116 & 117 which would have been applicable from April 1, 2025 would be applied to the extent applicable to the company, as below:

(ii) Other money for which company is contingently liable

During the financial year 2014-15 the promoter group of SBEC Sugar Limited (Target Company) had acquired some equity shares of SBEC Sugar Limited resulting in an increase from 54.46% (2,59,51,083 Shares) as on June 30, 2014 to 63.86% (3,04,32,117 shares) as on September 30, 2014. In addition to the aforesaid acquisition, one of the lending promoters i.e. Moderate Leasing and Capital Services Limited had also acquired 1.31% of SBEC Sugar Limited during March 18, 2015 to March 23, 2015, which increased the shareholding of promoter group to 65.17% which was in violation of the SEBI (Substantial Acquisition of Shares and Takeovers) (SAST) Regulations, 2011. The Securities and Exchange Board of India had on September 17, 2018 issued directions to the Promoter group severally or jointly to make a public announcement to acquire the shares of Target Company in accordance with the provisions of the Takeover Regulations, 2011, within a period of 45 days from the date of the above mentioned order.

Against the said impugned SEBI order, M/S SBEC Systems (India) Limited had filed appeal no. 1 (No. 443/2018) before the Securities Appellate Tribunal, Mumbai.

The Hon'ble Securities Appellate Tribunal upon hearing the said Appeal vide its order dated January 29, 2020 had allowed the Appeal, whereby, the directions issued by SEBI for open offer vide order dated September 17, 2018 qua promoters namely SBEC System (India) Limited, Shri. Umesh Kumar Modi, Smt. Kumkum Modi, Shri. Jayesh Modi and Longwell Investment Private Limited had been set aside, however, the directions issued by SEBI for Open Offer vide order dated September 17, 2018 issued qua the promoters namely A to Z Holdings Pvt. Ltd. and Moderate Leasing & Capital Services Ltd. (the acquirer of the shares) had been modified in terms of Regulation 32(1)(b) and they had been directed to sell the shares acquired in violation of the SAST Regulation and to transfer the proceeds of the same to the Investor Protection Fund established under the SEBI (Investor Protection and Education Fund), 2009 within a period of 6 (Six) months from the date of the order i.e. from January 29, 2020.

In the meantime, the Securities Exchange Board of India filed a Civil Appeal bearing nos. 2995 – 2996 / 2020 before the Hon'ble Supreme Court of India on July 29, 2020 against the order dated January 29, 2020 passed by Hon'ble Securities Appellate Tribunal.

Furthermore, the promoters namely A to Z Holdings Pvt. Ltd. and Moderate Leasing & Capital Services Ltd. had also filed a Civil Appeal bearing no. 3002 / 2020 before the Hon'ble Supreme Court of India on August 11, 2020 against the order passed by Hon'ble Securities Appellate Tribunal.

Hon'ble Supreme Court of India Vide Order dated 4th March, 2025 allowed the Appeal filed by SEBI and ordered that "The respondents shall, jointly and severally make a public announcement to acquire shares of SBEC Sugar Limited in accordance with the provisions of SEBI SAST Regulations, 2011 within a period of three months from the date of this order".

In compliance with the order passed by Hon'ble Supreme Court of India SBEC Systems (India) Limited shall make the proposed Public Announcement along with PACs to acquire 26% of the equity share capital of the SBEC Sugar Limited from the public shareholders in accordance with the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
