Form No MR 3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Dutron Polymers Limited
[CIN: L25209GJ1981PLC004786]
Dutron House, Nr Mithakhali Underbridge
Navrangpura,
Ahmedabad - 380 009.

I have conducted a secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. DUTRON POLYMERS LIMITED (CIN: L25209GJ1981PLC004786) (hereinafter called "the Company") during the financial year from 1st April, 2017 to 31st March, 2018 ("the year" / "audit report" / "period under review")

I conducted the Secretarial Audit in a manner that provided me a reasonable basis for evaluating the Company's corporate conducts/statutory compliances and expressing my opinion thereon.

I am issuing this report based on

- A. My verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period ended on 31.03.2018, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter;

- B. Compliance certificates confirming compliance with all laws applicable to the Company given by the key managerial personnel of the Company and taken on record by the Board of Directors; and
- C. The representations made and information provided by the Company, its officers, agents and authorised representatives during my conduct of the Secretarial Audit.
1. I report as regards to compliance with specific statutory provisions that:
- a. I have examined the books, papers, minute books and other records maintained by the Company and the forms, returns, reports, disclosures and information filed or disseminated during the year according to the applicable provisions/ clauses of:
- i. The Companies Act, 2013 (the Act) and the rules made there under;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;
 - iii. The Depositories Act, 1996 and the regulations and bye-laws framed there under;
 - iv. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:
 - i. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - ii. Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - iii. Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - v. Secretarial Standards (SS-1) on "Meetings of the Board of Directors" and Secretarial Standards (SS-2) on "General Meetings" issued by The Institute of Company Secretaries of India.
 - vi. Listing agreements entered into by the Company with BSE Limited (BSE).

During the period under review, to the best of my knowledge and belief and based on the records, information, explanations and representations furnished to me, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc.

I am informed that, during / in respect of the year:

- vii. The Company was not required to comply with the following laws / guidelines / regulations and consequently was not required to maintain any books, papers, minute books or other records or file any forms / returns under:
1. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and External Commercial Borrowings (FEMA);
 2. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment (FEMA)
 3. Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;

8. Indian Stamp Act, 1999;
9. Negotiable Instruments Act, 1881;
10. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
11. The Custom Act, 1962
12. The Sale of Goods Act, 1979
13. Micro, Small And Medium Enterprise Development Act, 2006 and many other Acts.
14. The Motor Vehicle Act, 1988
15. Goods and Services tax Act, 2014

2. I further report as regards Board processes that:

- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The Board also has a woman director. There was no change in composition of the Board of Directors during the period under review.
- b. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c. A system exists for directors to seek and obtain further information and clarifications on the agenda items before the meetings and for their meaningful participation at the meetings.
- d. I am informed that, at the Board Meetings held during the year:
 - i. No majority decisions were carried through; and
 - ii. The decisions of the Board on other matters were unanimous and no dissenting views have been recorded as part of the minutes.

3. I further report as regards the compliance mechanism in place that:
 - a. There are reasonably adequate systems and processes in the Company commensurate with its size and operations to monitor and ensure compliance with applicable laws, rules, regulations and guidelines
4. I further report that during the audit period there were no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Dutron Polymers Limited
Dutron House, Nr Mithakhali Underbridge
Navrangpura, Ahmedabad – 380 009

I have conducted a secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Dutron Polymers Limited (CIN : L25209GJ1981PLC004786) (hereinafter called "the Company") during the financial year from 1st April, 2017 to 31st March, 2018 ("the year" / "audit report" / "period under review").

I conducted the Secretarial Audit in a manner that provided me a reasonable basis for evaluating the Company's corporate conducts / statutory compliances and expressing my opinion thereon.

I am issuing this report based on

- A. My verification of the books, papers, minute books, registers and other records maintained by the Company and furnished to us, forms / returns filed and compliance related action taken by the company during the year as well as after 31st March, 2018 but before the issue of this report;
 - B. Compliance certificates confirming compliance with all laws applicable to the Company given by the key managerial personnel of the Company and taken on record by the Board of Directors; and
 - C. The representations made and information provided by the Company, its officers, agents and authorised representatives during my conduct of the Secretarial Audit.
1. I report as regards to compliance with specific statutory provisions that:
- a. I have examined the books, papers, minute books and other records maintained by the Company and the forms, returns, reports, disclosures and information filed or disseminated during the year according to the applicable provisions / clauses of :
 - i. The Companies Act, 2013 (the Act) and the rules made there under;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;
 - iii. The Depositories Act, 1996 and the regulations and bye-laws framed there under;
 - iv. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:
 - i. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - ii. Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - iii. Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - v. Secretarial Standards (SS-1) on "Meetings of the Board of Directors" and Secretarial Standards (SS-2) on "General Meetings" issued by The Institute of Company Secretaries of India.
 - vi. Listing agreements entered into by the Company with BSE Limited (BSE).
 - b. During the period under review, to the best of my knowledge and belief and based on the records, information, explanations and representations furnished to me, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc.

I am informed that, during / in respect of the year:

- i. The Company was not required to comply with the following laws / guidelines / regulations and consequently was not required to maintain any books, papers, minute books or other records or file any forms / returns under:
 1. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and External Commercial Borrowings (FEMA);
 2. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment (FEMA)
 3. Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 4. Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

 8. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - ii. There was no other law that was specifically applicable to the Company, considering the nature of its business. Hence the requirement to report on compliance with specific laws did not arise.
2. I further report as regards Board processes that:
- a. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The Board also has a woman director. There was no change in composition of the Board of Directors during the period under review.
 - b. Adequate notice is given to all directors to schedule the Board Meetings. Notice of Board meetings were sent at least seven days in advance. Agenda and detailed notes on agenda were sent at least seven days before the Board meetings with the exception of the following items, which were either circulated separately or at the meetings:
 - i. Supplementary agenda notes and annexure in respect of unpublished price sensitive information such as audited accounts / results, unaudited financial results and connected papers; and
 - ii. Additional subjects/ information and supplementary notes.Consent of the Board for circulating the above items separately or at the meeting is obtained as required under the Secretarial Standards.
 - c. A system exists for directors to seek and obtain further information and clarifications on the agenda items before the meetings and for their meaningful participation at the meetings.
 - d. I am informed that, at the Board Meetings held during the year:
 - i. No majority decisions were carried through; and
 - ii. The decisions of the Board on other matters were unanimous and no dissenting views have been recorded as part of the minutes.
3. I further report as regards the compliance mechanism in place that:
- a. There are reasonably adequate systems and processes in the Company commensurate with its size and operations to monitor and ensure compliance with applicable laws, rules, regulations and guidelines
4. I further report that during the audit period there were no specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

MANAGEMENT DISCUSSION AND ANALYSIS

INTRODUCTION

Dutron Polymers Ltd. was formed to manufacture Plastic Pipes and Fittings, in ISI marked segment of the industry at Dist. Kheda, Gujarat. Today, the Company has been recognized as one of the most reliable quality plastic pipes & fittings manufacturers in India. Its products HDPE, PVC & CPVC pipes and fittings cater to several market areas- agriculture, industries, building, construction and infrastructure projects. The Company is ISO 9001:2015 certified and has been steadily growing its base in all parts of the country, especially in Gujarat and neighboring states.

ECONOMIC REVIEW

The world economy showed some signs of recovery. India saw a major revamping of indirect taxes by introduction of GST. This increased ease of doing business, which showed signs of growth in industrial production and services indicators during the last quarter of the year. This, in turn, is likely to result in strong economy growth during current year.

INDIA'S PLASTIC PIPE INDUSTRY

Plastic pipe demand in India has been growing in same line with India's economic growth. Plastic pipes are used for Agriculture, Housing, Infrastructure and Industries to carry water air or chemicals. In post GST era, organized plastic pipe suppliers are getting boost. However, building and housing sectors remained stagnant during the year. Yet, plastic pipe manufacturing capacities were added mainly from organized players during the year to cater to higher potential demand in near future. Your Company also installed one new 350 kg/hr capacity PVC pipe plant during the year.

BUSINESS OUTLOOK

During the year, Gujarat Government's water supply schemes enhanced PVC pipe market demand significantly. Your Company was also significantly benefited from it. Sardar Sarovar Narmada Nigam Limited's water distribution project is likely to continue in current year. This will create huge additional demand of PVC pipes. Dutron has planned aggressive marketing to reach various segments of the markets, particularly in Western India. Addition of PVC pipe capacity by about 1440 MTPA will provide adequate availability of PVC pipes during high demand season. Dutron has been one of the early users of Japan's Sekisui CPVC compound - 'Durastream' in India. HDPE pipe market growth largely depends on Agriculture season and Industrial projects. Thus, with India's economic growth,; we shall see demand for Dutron's HDPE pipes also growing.

OPPORTUNITIES AND THREATS

The Government's various infrastructure spending plans in irrigation, drinking water, affordable housing and Smart City projects will give very good opportunity to your company in next couple of years. Replacement of metal plumbing pipes with plastic pipes are increasing taking place in India. Post GST era will continue to benefit organized plastic pipes manufacturers like your company.

Major risks and threats to your company are related to Global Economic Situation and how India is affected in this. Stagnant building and construction industry is a threat faced by your company.

BUSINESS, OPERATIONAL AND FINANCIAL RISKS

The major risks and concerns which may have impact on Company's business are as follows:

1. Indian Economy and International Economic trends
2. Foreign Currency rate fluctuations
3. Interest rate fluctuations and high rates on inflation
4. Unforeseen circumstances like natural calamities- floods, earthquakes-, closure due to violence
5. Delay in the government spending on infrastructure

Since the company is 100% dependent on import of raw material for CPVC pipes, fluctuations of foreign currency rate affect the most in profitability on CPVC pipes sales. However, it is expected that this fluctuation will decrease due to actions by RBI. Further, Plastic Pipes manufacturing industry is competitive industry and reflects with demand-supply chain. Trusted quality, and customer confidence is directly linked with economic factors like consumer reliance, technology and its upgradation etc.

INTERNAL CONTROL SYSTEMS

The Company has built adequate systems of internal controls towards achieving efficiency and effectiveness in operation, optimum utilization of resources, and effective monitoring thereof as well as compliance with all applicable laws. The internal control mechanism comprises of well-defined organization structure, documented policy guidelines, pre-determined authority levels and processes commensurate with the level of responsibility.

FINANCIAL PERFORMANCE

The highlight of financial performance is discussed in the Directors' Report. The Audit Committee also reviews financial performance of the Company from time to time.

HUMAN RESOURCES MANAGEMENT

Dutron's belief in trust, transparency and teamwork has yielded improvement in employee efficiency at all levels. The Company's commitment to harmonious industrial relations resulted in enhancing effectiveness of operations and enabled the achievement of benchmarks in industry. The Company's ongoing objective is to create an inspirational work climate where talented employees engage in creating sustained value for the stakeholders. The Company has developed an environment of harmonious and cordial relations with its employees.

CAUTION STATEMENT

Statements in this Management Discussion and Analysis Report describing the Company's objectives, estimates etc. may be "forward looking statements" within the applicable laws and regulations. Actual results may vary from these expressed or implied; several factors that may affect Company's operations include dependency on telecommunication and information technology system, Government policy and several other factors. The Company takes no responsibility for any consequences of the decisions made, based on such statement and holds no obligation to update these in future.

CORPORATE GOVERNANCE REPORT

Corporate Governance is about commitment to values and ethical business conduct. Corporate Governance at DUTRON is a rigorous and well-established framework that helps to manage the Company's affairs in a fair, accountable and transparent manner. "Transparency" and "Accountability" which are the two columns of good governance are piped in the Company's robust business practices to ensure ethical and responsible leadership both at the Board and at the Management level. Responsible corporate conduct is integral to the manner that we conduct our business and our actions are governed by values and principles, which are reinforced across all levels within the Company. Your Company has evolved guidelines and best practices over the years to ensure timely disclosure of information regarding our financials, performance, product offerings, distribution network and governance. Dutron Polymers Limited has established a tradition of the highest standards of corporate governance principals and best practices. The Company is committed to introducing corporate governance practices in tandem with domestics and international developments to position it to conform to the best governance practices. To succeed, maintain sustainable growth and create long-term value requires the highest standards of corporate discipline. Your Company continues to focus its resources, strengths and strategies to achieve these.

1. OUR GOVERNANCE PHILOSOPHY

The Company's philosophy on corporate governance envisages the attainment of the highest levels of transference, accountability and equity in all facets of its operation and in all its interactions with its stake holders including shareholders, employees, the government, lenders and the society. The Company believes that all its operations and actions must focus the goal of enhancing overall shareholder value, over a sustained period of time. Your Company continuously strives for excellence by adopting best governance and disclosure practices. In this context, your Company has been making significant disclosures on the Board composition and functioning, management thoughts on the performance and outlook from time to time.

2. GOVERNANCE PRACTICES BEYOND REGULATORY REQUIREMENTS

Our governance practices go beyond the statutory and regulatory requirements. Our endeavor is more to follow the spirit of good governance than mere compliance with the conditions specified by regulatory authorities. With this objective, we have formulated, inter alia the following policy documents and introduced best practices of governance:

2.1 Code of Ethics

Our policy document on 'Code of Ethics', in essence, directs that our employees should conduct the business with integrity by excluding consideration of personal advantage. The Code requires Directors and Employees to act honestly, fairly, ethically, and with integrity, conduct themselves in professional, courteous and respectful manner.

2.2 Business Policies

Our 'Business Policies' contains the policy on fair market practices, inside information, financial records and accounting integrity, external communication, work ethics, personal conduct, policy on prevention of sexual harassment, health, safety & environment and quality.

2.3 Prohibition of Insider Trading Policy

The Company has adopted a 'Code of Conduct for Prevention of Insider Trading' in accordance with the requirements of Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992. This Code is amended from time to time reflecting the changes brought in by SEBI in the Insider Trading Regulations. The said Code is applicable to all Directors and such Designated Employees who are reasonably expected to have access to unpublished price sensitive information relating to the Company.

2.4 Whistle Blower Policy

We have established a mechanism for our employees to report concerns about unethical behavior, actual or suspected fraud, or violation of our Code of Conduct & Ethics policy. Our whistle blower policy also safeguards the whistle blower from any adverse personnel action and allows direct access to the Chairperson of the Audit Committee in exceptional cases. We further affirm that no employee has been denied access to the Audit Committee.

2.5 Risk Management

The Company is exposed to risks from market fluctuations of foreign exchange, interest rates, commodity prices, business risk, compliance risks and people risks.

- Foreign Exchange Risk: The Company's policy is to actively manage its long term foreign exchange risk within the framework laid down by the Company's FOREX Policy approved by the Board.
- Interest Rate Risk: Given the interest rate fluctuations, the Company has adopted a prudent and conservative risk mitigating strategy to minimize the interest costs.
- Commodity Price Risk: The Company is exposed to the risk of price fluctuation on raw materials as well as finished goods in all of its products. The Company proactively manages these risks in inputs through forward booking, inventory management, proactive management of vendor development and relationships. The Company's strong reputation for quality, product differentiation and service, the existence of a powerful brand image and a robust marketing network mitigates the impact of price risk on finished goods.

- Risk Element in Individual Businesses: Apart from the risks on account of interest rate, foreign exchange and regulatory changes, various businesses of the Company are exposed to certain operating business risks, which are managed by regular monitoring and corrective actions.
- Compliance Risk: The Company is exposed to risks attached to various statutes and regulations including the Competition Act, 2002. The Company is mitigating these risks through regular reviews of legal compliances, through internal as well as external compliance audits.
- People Risk: Retaining the existing talent pool and attracting new manpower are major risks. The Company has initiated various measures such as rollout of strategic talent management system, training and integration of learning activities.

INDEPENDENT AUDITORS' REPORT

To
The Shareholders of
DUTRON POLYMERS LIMITED

OPINION

We have audited the accompanying standalone financial statements of Dutron Polymers Limited ("the Company") which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit & Loss, the Statement of Cash Flow and the Statement of Changes in the Equity for the year then ended, and notes to the financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, the Statement of Profit & Loss, the Statement of Cash Flow and the Statement of Changes in the Equity for the year ended on that date.

BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

RESPONSIBILITY OF MANAGEMENT FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

AUDITORS' RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure - A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for our audit.

- a. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- b. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- c. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- d. On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- e. Concerning the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure - B.
- f. Concerning the other matters to be included in the Auditor's Report by Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 1. The Company does not have any pending litigations which would impact its financial position.
 2. The Company did not have any long-term contracts including derivative contracts for which there were any foreseeable material losses.
 3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - A TO INDEPENDENT AUDITORS' REPORT

REPORT ON INTERNAL FINANCIAL CONTROLS

[Under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")]

We have audited the internal financial controls over financial reporting of Dutron Polymers Limited ("the Company") as of 31st March, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my / our audit opinion on the Company's internal financial control system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 29 SIGNIFICANT ACCOUNTING POLICIES

• **Basis of Preparation of Financial Statements**

- a) The financial statements have been prepared under the historical cost convention in accordance with generally accepted accounting principles on going concern basis and provisions of the Companies Act, 2013 as adopted consistently by the Company. The accounts are materially complying with Accounting Standards issued by The Institute of Chartered Accountants of India.
- b) The Company generally follows mercantile system of accounting and recognizes significant items of income and expenditure on accrual basis. However Municipal Tax is recognized on Cash Basis.

• **Disclosure of Accounting Policies**

The Accounting Principles and policies, recognized as appropriate for measurement and reporting of the financial performance and the financial position on Accrual Basis except otherwise disclosed using historical cost i.e. not taking into account changing money values/impact of inflation, are applied in the preparation of the financial statement and those which are considered material to the affairs are suitably disclosed. The statement on Significant Accounting policy excludes disclosures regarding Accounting Standards in respect of which there are no material transactions during year.

• **Valuation of Inventories**

The Company has kept proper records of its inventories. The Cost of inventory is ascertained as sum total of cost of procurement, cost of conversions and cost of bringing inventories to its present location and conditions excluding any abnormal cost, administrative, financial, and selling and storage cost. While net realizable value is calculated on the basis of estimated sales price in the ordinary course of business less estimated cost of completion and estimated cost necessary to make sale. Net realizable value is calculated on the basis of most reliable evidence at the time of valuation. The comparison of cost and net realizable value is made item by item or by group of items.

Inventories are generally valued at cost or market value whichever is lower. Closing stock of raw material has been valued at cost price after adjusting CENVAT credit / ITC availed. Balance in CENVAT credit account / ITC has been grouped along with excise balances under the head of loans & advances. The closing stock of finished goods & scrap material has been valued including Excise Duty.

• **Current versus Non-Current Classification**

The Group presents assets and liabilities in the balance sheet based on Current / Non-Current classification. An asset is treated as Current when it is:

- ◆ Expected to be realized or intended to be sold or consumed in normal operating cycle
- ◆ Held primarily for the purpose of trading
- ◆ Expected to be realized within twelve months after the reporting period, or
- ◆ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-Current.

A liability is Current when:

- ◆ It is expected to be settled in normal operating cycle
- ◆ It is held primarily for the purpose of trading
- ◆ It is due to be settled within twelve months after the reporting period, or
- ◆ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as Non-Current assets and liabilities.

The Company classifies all other liabilities as Non-Current. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

- **Functional and Presentation Currency**

These standalone financial statements are presented in Indian Rupees, which is the functional currency of the Company. All financial information presented in Indian Rupees has been rounded to the nearest Rupee, except otherwise indicated.

- **Employee Benefits**

- (i) **Short term employee benefits**

Short term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

- (ii) **Defined contribution plans**

Obligations for contributions to defined contribution plans are expensed as the related service is provided and the Company will have no legal or constructive obligation to pay further amounts. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in future payments is available.

- (iii) **Defined benefit plans**

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed periodically by an independent qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized immediately in other comprehensive income (OCI). Net interest expense (income) on the net defined liability (asset) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognized in Statement of Profit & Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognized immediately in Statement of Profit & Loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

- (iv) **Other long term employee benefits**

The Company's net obligation in respect of long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is measured on the basis of a periodical independent actuarial valuation using the projected unit credit method. Re-measurement are recognized in Statement of Profit & Loss in the period in which they arise

- **Fair Value Measurement**

The Company measures financial assets, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ◆ In the principal market for the asset or liability, or
- ◆ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ◆ Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ◆ Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ◆ Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company management determines the policies and procedures for recurring and non-recurring fair value measurement. Involvement of external valuers is decided upon annually by Company management. The management decides after discussion with external valuers about valuation technique and inputs to use for each case.

At each reporting date, the Company's management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Company, in conjunction with the Company's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

• **Revenue Recognition**

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company assesses its revenue arrangements against specific criteria, i.e. whether it has exposure to the significant risks and rewards associated with the sale of goods or the rendering of services, in order to determine if it is acting as a principal or as an agent.

Revenue is recognized, net of trade discounts, goods and service tax or other taxes, as applicable.

(i) Sale of Goods

Revenue from sale of goods is recognized in the statement of profit & loss when the significant risks and rewards in respect of ownership of goods have been transferred to the buyer as per the terms of the respective sales order and the Company neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold. Revenue from the sale of goods is measured at the fair value of consideration received or receivable, net of returns and allowances and discounts.

(i) Interest Income

For all financial assets measured either at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Interest income is included in other income in the statement of profit & loss.

(ii) Dividend Income

Dividend income from investments is recognized when the right to receive the payment is established which is generally when shareholders approve the dividend.

• **Property, Plant & Equipment and Depreciation**

(i) Recognition and Measurement

Items of property, plant & equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises: - its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates. - Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. - the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the Company incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period. - income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognized in Statement of Profit and Loss. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognized in Statement of Profit and Loss. Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.

(i) Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(ii) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment of the Company has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Act, except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on independent technical evaluation and management's assessment thereof, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc

Useful life is taken as per Schedule II of Companies Act, 2013.

Depreciation method, useful life and residual values are reviewed at each financial year end and adjusted if appropriate. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

• **Intangible Assets**

(i) Recognition and Measurement

Intangible assets are carried at cost less accumulated amortization and impairment losses, if any. The cost of an intangible asset comprises of its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use. Expenditure on research and development eligible for capitalization are carried as Intangible assets under development where such assets are not yet ready for their intended use

(ii) Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(iii) Amortization

Intangible assets are amortized over their estimated useful life on Straight Line Method.

The estimated useful lives of intangible assets and the amortization period are reviewed at the end of each financial year and the amortization method is revised to reflect the changed pattern, if any.

- **Non-Current Assets Held for Sale**

Assets are classified as held for sale and stated at the lower of carrying amount and fair value less costs to sell if the asset is available for immediate sale and its sale is highly probable. Such assets or group of assets are presented separately in the Balance Sheet as "Assets Classified as Held for Sale". Once classified as held for sale, intangible assets and property, plant and equipment are no longer amortized or depreciated.

- **Impairment of Assets**

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. The following intangible assets are tested for impairment each financial year even if there is no indication that the asset is impaired:

- i) an intangible asset that is not yet available for use; and
- ii) an intangible asset that is having indefinite useful life.

If the carrying amount of the assets exceeds the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of profit & loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of profit & loss, to the extent the amount was previously charged to the Statement of profit & loss. In case of revalued assets, such reversal is not recognized.

- **Foreign Currency Transactions**

Transactions in foreign currency are recorded at the approximate exchange rate prevailing on the date of transactions. Foreign currency monetary assets and monetary liabilities not covered by forward exchange contracts are translated at year end exchange rates and profit and loss so determined and realized exchange gains/losses are recognized in purchase proceed of imports. The company has made PROFIT due to Foreign Exchange Fluctuations (Purchase proceeds of imports) amounting to ₹ 25,95,060 during the year.

- **Government Grants and Subsidies**

The company recognizes the Government grants only when there is reasonable assurance that:

- a) The enterprise will comply with the conditions attached to them and
- b) The grant will be received.

During the year, the company has not received any grant/subsidy.

- **Provisions and Contingent Liabilities**

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. If effect of the time value of money is material, provisions are discounted using an appropriate discount rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed in the Notes to the Standalone Financial Statements. Contingent liabilities are disclosed for:

- i) possible obligations which will be confirmed only by future events not wholly within the control of the Company, or
- ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made

- **Borrowing Costs**

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate (EIR) applicable to the respective borrowing. Borrowing costs include interest costs measured at EIR and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, allocated to qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalization of such asset are added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are recognized as an expense in the period which they are incurred.

- **Earnings per Share**

Basic earnings per share are computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for the events for bonus issue, bonus element in a rights issue to existing shareholders, share split and Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

- **Insurance Claims**

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect the ultimate collection

- **Goods and Services Tax Input Credit**

Goods and Services Tax input credit is accounted for in the books in the period in which the underlying goods or services received is accounted and when there is reasonable certainty in availing / utilizing the credits

- **Segment Reporting**

The Company operates in one reportable business segment i.e. "Manufacturing of Plastic Pipes". Hence as per Ind AS 108, disclosure of segment is not applicable to it.

- **Taxes on Income**

Provision for current income taxes is made on taxable income at the rate applicable to the relevant assessment year. Deferred taxes are recognized for future tax consequences attributable to timings difference between the financial statements, determination of income and their recognition for tax purpose. The effect on deferred tax assets and liabilities of a change in tax rates is recognized for tax purposes. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in profit & loss account using the tax rates and tax laws that have been enacted or substantively enacted by balance sheet date.

Deferred tax assets are recognized and carried forward only to the extent that there is a virtual certainty of realization of such assets. Considering this, the company has applied for provision for deferred tax.

NOTE NO. 30 SIGNIFICANT ACCOUNTING ASSUMPTIONS

The preparations of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and accompanying disclosures including disclosures of contingent liabilities. Uncertainty about these assumptions may result into an outcome that requires a material adjustment to the carrying amount of assets or liabilities affected in future period. The estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and assumptions are reviewed on the ongoing basis. The revision to accounting estimates are recognized in the year in which the estimates are revised and in any future affected.

- **Estimates and Assumptions**

The key assumptions that concerning the future and other key sources of estimation on reporting date, which may cause a material adjustment to the carrying amount of assets and liabilities within the next financial year, are listed below. The Company based its estimates and assumptions on parameters available when financial statements are made. Existing circumstances and assumptions about future circumstances may change due to market change or circumstances arising beyond the control of the company.

- (i) **Useful Lives of Property, Plant and Equipment**

The company reviews useful life of its property, plant and equipment at end of each reporting period.

(ii) Defined Benefit Plans

The cost of defined benefit gratuity plan and other post employment and the present value of the gratuity obligations are determined using actuarial valuations. An actuary makes assumptions which may differ from the actual developments in the future. These include determination of discount rate, future salary increase, mortality rate. Due to complexity of the valuations, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds.

The mortality rate is based on publicly available mortality tables of India. Future salary and gratuity increase are based on expected future inflation rates in India.

Details of Gratuity valuations are given in section (vi) (b) below.

(iii) Provision for Inventories

Provision is made in the financial statements for slow and non moving inventories based on estimate regarding their usability.

(iv) Impairment of Trade Receivables

For the purpose of measuring lifetime expected credit loss allowances of trade receivables, the Company has used practical expedient as permitted under Ind AS 109. The expected credit loss allowance is made on a provision matrix based on past experience and adjusted for forward looking information.

(v) Impairment of Other Financial Assets

The impairment of loss of other financial assets are based on assumption about risk of default coupled with past experiences and information about future.

(vi) Employee Benefit

(a) Defined Contribution Plans

1. Provident Fund / Employee's Pension Fund
2. Employee's State Insurance

The company has recognized following expense in profit and loss account :

Particulars	2017-18 (₹)	2016 -17 (₹)
Employer's Contribution to PF / Pension Fund	12,52,850	9,70,372
Employer's Contribution to ESI	32,526	10,347

(b) Defined Benefit Plans

Gratuity (Included in Employee Benefit Expenses in Note 20 of financial statements) is payable to all eligible employees as provisions of Payment of Gratuity Act, 1972..Benefit will be paid at the time of separation as per the tenure of employment and salary of employee.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation for gratuity were carried out as at 31st March, 2018. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amount recognized in the Company's financial statements as at the Balance Sheet date.

NOTE NO. 35 FINANCIAL RISK MANAGEMENT

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk;
- Market risk

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports to the Board of Directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company, through its training, standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country, in which the

customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Summary of Company's exposure to the credit risk is as follows:

Particulars	As at 31st March, 2018	As at 31st March, 2017
Past dues not impaired	29,87,746	34,43,982
Not past dues not impaired	22,28,25,287	9,22,21,842
Total in ₹	22,58,13,033	9,56,65,824

Expected credit loss assessment - The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (e.g. timeliness of payments, available press information etc.) and applying experienced credit judgment.

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. Historical trends of impairment of trade receivables do not reflect any significant credit losses. Given that the macroeconomic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of minimal credit losses to continue

Cash and cash equivalents - As at the year end, the Company held cash and cash equivalents of ₹ 6,47,787 (previous year ₹ 47,34,937). The cash equivalents are held with banks.

Other financial assets - Other financial assets are neither past due nor impaired.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company enjoys overdraft limit from the bank.

The Company invests its surplus funds in bank fixed deposit which carry no/low mark to market risks. The Company monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Exposure to liquidity risk - Remaining contractual maturities of financial liabilities at the reporting date has been defined. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

The details of contractual maturities of significant liabilities as on 31st March, 2018 are follows.

Particulars Amount in ₹	Carrying Amount	Less than 1 Year	1 - 3 Years	3 - 5 Years	More than 5 Years	Total
Trade Payables (See Note 6)	3,54,82,364	3,54,82,364	0.00	0.00	0.00	3,54,82,364
Other Current Financial Liabilities (See Note 7)	52,38,832	52,38,832	0.00	0.00	0.00	52,38,832
Total	4,07,21,196	4,07,21,196	0.00	0.00	0.00	4,07,21,196

c) Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. We are exposed to market risk primarily related to interest rate change. However, it does not constitute a significant risk. Hence, sensitive analysis is not given.

i) Currency risk

The Company is exposed to currency risk on account of its operations with other countries. The functional currency of the Company is Indian Rupee. The exchange rate between the Indian Rupee and foreign currencies has changed substantially in recent periods and may continue to fluctuate in the future. However, overall impact of foreign currency risk on the financial statement is not significant.

Following is the currency profile of non-derivative financial assets and financial liabilities :

Particulars	Amount as at 31st March, 2018 (\$)	Amount as at 31st March, 2017 (\$)
Financial Assets		
Cash and Cash Equivalents	Nil	Nil
Trade Receivables	Nil	Nil
Other Current Assets	Nil	Nil
Total	Nil	Nil
Financial Liabilities		
Trade Payables	5,45,044	4,28,560
Current Borrowings	Nil	Nil
Other Current Financial Liabilities	Nil	Nil
Next Exposure	5,45,044	4,28,560

Sensitivity analysis:

A reasonably possible strengthening (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Particulars	Profit (Loss) for the year ended on 31st March, 2018		Profit (Loss) for the year ended on 31st March, 2017	
	Strengthening	Weaking	Strengthening	Weaking
1% Movement				
USD	5396	5505	4243	4329

ii) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing financial assets or borrowings because of fluctuations in the interest rates, if such assets/borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing borrowings will fluctuate because of fluctuations in the interest rates. Exposure to interest rate risk Company's interest rate risk arises from borrowings and finance lease obligations. The interest rate profile of the Company's interest-bearing borrowings is as follows:

Particulars Total in ₹	Amount as at 31st March, 2018	Amount as at 31st March, 2017
Non-Current Borrowings		
- Fixed Rate Borrowings	7,98,06,953	7,56,38,552
- Variable Rate Borrowings	Nil	Nil
Current Borrowings		
- Fixed Rate Borrowings	12,22,03,119	7,10,82,775
- Variable Rate Borrowings	2,47,26,880	68,93,802
Total	22,67,36,952	15,36,15,129

Fair value sensitivity analysis for fixed-rate instruments:

The Company does not account for any fixed-rate borrowings at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

Cash flow sensitivity analysis for variable-rate instruments:

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

Particulars	Profit (Loss) for the year ended on 31st March, 2018		Profit (Loss) for the year ended on 31st March, 2017	
	Increase	Decrease	Increase	Decrease
100 bps Movement				
Variable Rate Borrowings	2,47,269	(2,47,269)	68,938	(68,938)

The risk estimates provided assume a change of 100 basis points interest rate for the interest rate benchmark as applicable to the borrowings summarized above. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

iii) Commodity rate risk

The Company's operating activities involve purchase of plastic raw materials and sale of HDPE, PVC and CPVC Pipes, whose prices are exposed to the risk of fluctuation over short periods of time. Commodity price risk exposure is evaluated and managed through procurement and other related operating policies. As of 31st March, 2018 and 31st March, 2017 the Company had not entered into any material derivative contracts to hedge exposure to fluctuations in commodity prices.

NOTE NO. 36 CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and all other equity capital and all other equity reserves attributable to the equity holders of the company. The primary objective of the capital policy of the company is to safeguard the Company's ability to remain as going concern and maximize the shareholder value.

The Company manages its capital structure and makes adjustments in the light of changes in economic conditions, annual operating plans and long term and other strategic investment plans. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to the shareholders, return capital to shareholders or issue new shares. The current capital structure is through equity with no financing through borrowings. The company is not subject to any externally imposed capital requirements.

No changes were made in the objectives, policies or processes for managing capital during the years ended on 31st March, 2018 and 31st March, 2017.

NOTE NO. 37 RECENT ACCOUNTING PRONOUNCEMENTS

Ind AS 115 Revenue from Contract with Customers: In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2018, notifying Ind AS 115 'Revenue from Contracts with Customers' (New Revenue Standard), which replaces Ind AS 11 'Construction Contracts' and Ind AS 18 'Revenue'. The core principle of the New Revenue Standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Some of the key changes introduced by the New Revenue Standard include additional guidance for multiple-element arrangements, measurement approaches for variable consideration, specific guidance for licensing of intellectual property. Significant additional disclosures in relation to revenue are also prescribed. The New Revenue Standard also provides two broad alternative transition options – Retrospective Method and Cumulative Effect Method – with certain practical expedients available under the Retrospective Method. The Company is in the process of evaluating the impact of the New Revenue Standard on the present and future arrangements and shall determine the appropriate transition option once the said evaluation has been completed. Also Appendix B to Ind AS 21, foreign currency transactions and advance consideration was notified along with the same notification which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency. The Company has evaluated the effect of these on the financial statements and the impact is not expected to be material. The amendments will come into force from 1st April, 2018.

As per our report of even date attached.
