### ANNEXURE B TO THE DIRECTORS' REPORT MANAGEMENT DISCUSSION AND ANALYSIS (2016-2017)

#### 1) INDUSTRY STRUCTURE & DEVELOPMENT, BUSINESS OVERVIEW AND SUSTAINABLE GROWTH OPPORTUNITIES.

##### a) Ice Cream Division

##### a) Ice Cream Division

##### Overview

India is the largest producer of milk, as the country accounts for over 1/5<sup>th</sup> of global milk production, thereby offering ice cream market in the country with a large volume of raw material for manufacturing of ice creams. The ice cream market in India is forecast to exhibit a CAGR of 17.03% during 2016-2021. Keeping up with the economy's quantum growth in recent years, the ice cream market has also set new records. The total Indian ice cream market is estimated at approx. Rs. 3000 crores with the organized sector estimated at Rs. 2000 crores.

An ice cream makes everything better, be it an everyday occasion or life's most precious moments. Our range of ice creams and frozen desserts have always fulfilled this promise by making these special moments even more beautiful. Increasing urbanization, rising disposable incomes and increasing "out of home food" consumption coupled with the ever-increasing availability of various foods in the markets close to residential areas are some of the reasons driving the ice cream segment.

The structure of the industry and the ongoing transformation offers ample and more opportunities for organized players to invest and grow. Vadial Ice Cream division has shown a sustainable annual growth consistently and aims to maintain it further in the years to come.

Since its inception, we have been committed towards delivering the best quality products at affordable prices to every customer. We are constantly working towards improving our products in terms of their nutritional profile and benefits.

### **Developments**

Taking forward our tradition of introducing innovative products at regular intervals, we have made numerous additions in 2016 including Parineeti's Favourites Ice Cream Tubs, Jumbo Ice Cream Cups, Frootful Chatpata Cola and Litchi Ice Cream Dolly.

Our existing brands like Badabite, Flingo and Gourmet continue to show substantial movement in the market. The challenge of sustaining the innovative trends has been confronted by introducing new variants like Badabite Select and Flingo Belgian Chocolate.

As multi-national ice cream brands enter India, it has become imperative for us to reinvent our strategy to consolidate our leadership. We have always endeavored to offer innovative products to the consumers and are proud of the fact that there are many products which have been introduced by us in the Indian market that have gone ahead to become regular products for all ice cream manufacturers.

The overall consumer awareness and the size of the premium ice cream segment has increased with the entry of international brands in India. Following these developments, we have also launched many variants in the premium segment like ice cream bars, ice cream sandwiches and Artisan ice cream cakes.

We have also introduced a new packaging template this year to revamp and register our presence strongly in the market and break away from the clutter.

With an upgrade to our production technology, it has become more feasible for us to offer premium and innovative products in the market.

Our Ice Trooper range continues to consolidate the kids' market and has become every kid's favourite across India. This year, we added a new variant called Cyclone to this popular range.

New mega brands, installation of state-of-the-art machines and significant expansion in production facilities will combine to make us an even stronger force to reckon with in the domestic ice-cream market.

Vadilal has India's fastest cone-making machine. This year, we have put in place a machine which can make 18,000 cones per hour. It is the first and the only ice cream producer in India to have a machine with such a huge capacity. Vadilal is the largest player in Cones, Cups and Candies categories.

Vadilal has started exclusive parlours in two formats: Scoop Shop and Hangout. These formats offer a contemporary trendy range of Premium Ice Creams and Concoctions in a very chic ambience. The purpose of launching these two formats is to present the brand in a very contemporary and modern way. It is in line with our efforts towards shifting the brands focus from mass to mass premium.

We are making steady progress in launching new products in the premium segment. We have introduced a new range of Jumbo Ice Cream Cups that are made with pure milk cream and fine ingredients. Apart from these we have also added more ice cream flavours in our popular party pack segment.

Vadilal's MELT IN parlour offering a range of high-end artisanal gelato ice cream has gained a lot of popularity in the past few years. With its success, Vadilal has once again proven its mettle in launching international ice cream experiences in India.

Vadilal has two ice cream production facilities – one at Pundhra in Gandhinagar district, Gujarat and the other at Bareilly in Uttar Pradesh. To increase the production capacity and to have better automation, we had undertaken expansion-cum-modernisation project of the factories, which has been successfully completed.

Apart from ice creams, Vadilal is also aggressively expanding in categories which offer value chain benefits and show a strong potential to grow. Vadilal already has strong backward linkages with the farmer community for its milk procurement for ice creams at its plant near Ahmedabad. Taking the relationship further, Vadilal has recently forayed in the flavoured milk segment under the brand name "Power Sip". Power Sip comes in a uniquely shaped bottle ensuring a proper grip for the customer and is available in flavours like "Kesar", "Elaichi", "Coffee" and "Rose". R&D is going on for development of other flavours.

## **b) Processed Food Division**

### **i. OVERVIEW:**

Food is one of the most interesting subjects and lucrative business across the world. With every passing day, the category is growing manifolds. The driving factors are quality, variety, convenience, innovation and most importantly taste that satisfy the craving taste pallets.

The structure of the global food industry is continually changing and evolving as food suppliers, manufacturers, and retailers adjust to meet the needs of consumers, who are increasingly demanding a wider variety of higher quality products. In the quest to meet consumer demands for variety, affordability, safety, and quality, the food retail sector is constantly evolving and generating innovative sale formats. In addition to the popular supermarket format, hypermarkets, discounters, convenience stores, and combined gasoline and grocery outlets have emerged in numerous countries in recent years.

### **ii. GLOBAL MARKET VIEW:**

Global food retail sales are about \$4 trillion annually, with supermarkets/hypermarkets accounting for the largest share of sales. Most of the leading global retailers are U.S. and European firms, as large multinational retailers expand their presence in developing countries and small retail firms increasingly account for a smaller share of total food sales. With improved technologies and economies of size, the retailers enjoy operating cost advantages over smaller local retailers. Similar to retailers, food manufacturers are reorienting their business strategies in response to consumer signals transmitted via retailers. Two common strategies are geographic expansion in developing countries and a greater

emphasis on product category management. Although multinational manufacturers are rapidly expanding their operations, firm concentration in food manufacturing is not visible at the global level.

Driven by innovation and competition from private retail brands, food manufacturers are focusing on specific product lines where they have inherent advantages. There is greater emphasis on “category management” and “focused growth” compared with the product portfolio diversification strategies of the past. This strategy allows food firms to become leaders in certain core product lines and to better cater to consumer demand for these products in different markets. Therefore, while manufacturer concentration is not evident at the global level for total packaged food sales, firm concentration may exist in specific product lines and regional markets. Firm concentration is particularly evident for those products where the manufacturer’s brands are popular, such as in soup, breakfast cereal, and baby food.

**c) Forex Division**

**RBI AUTHORISED AD.II CATEGORY LICENCE HOLDER.**

The Division is RBI approved Authorized Dealer Category II and carries out Money Changing and current account related transactions [other than trade related]. The Division takes care in Money Changing activities such as buying and selling Travelers Cheques, Travel Card, Currency Notes of all major traded currencies of the world. Besides having license under AD.II category, the division takes care of issuance of Demand Drafts, transfer of money abroad through Swifts, Telegraphic Transfer, etc. The Division is among the leading AD II category money changers and is especially competitive in permitted Outward Remittances.

The Year gone by has seen World Trade particularly India's International Trade emerging from contraction and finally things look rosy providing opportunities for Money changing as well as Forex Advisory businesses.

**2) FUTURE STRATEGY**

**a) Ice-cream Division**

India ice cream market was dominated by impulse category of ice creams in 2015, and this category is further expected to continue its dominance during the forecast period as well, owing to growing demand for premium ice creams and changing consumer taste.

Looking at the trends from the recent past, we foresee fast growth in the traditional “out of home food” category like ice creams and frozen desserts. However, along with the increasing demand for convenience, the continuing need for value as a trend is also growing. We plan to continue with the strategy of consolidating our presence in the high end premium segment. Earlier, Vadilal was only focused on offering mass segment products. However, we have been able to increase our share in the premium segment as well and it has helped the overall growth.

Distribution plays a key role in the success of our business. We are planning to increase our reach in the existing market in terms of consolidating our presence in Cash and Carry format as well as the Modern Retail segment. The logistics of ice cream, being a cold chain product, are complex and we are continuously expanding our cold chain distribution network through refrigerated vehicles and deep freezers.

We have worked on increasing the physical touch points with our consumers and executed it by putting in place a robust network of dealers, FOWs (Freezer On Wheels) and Ice Cream parlours.

Along with various ATL campaigns, we also plan various BTL activities to enhance consumer experience with Vadilal. We plan to organize innovative cross promotional activities to enhance the brand engagement with consumers and use the digital space actively as well. We are also planning to increase the branding activity at the retail level.

The Company primarily focuses on increasing the ice cream consumption by continuously offering innovative products at affordable rates. The Company is committed to eliminate the barriers in availability of ice cream with expansion in distribution.

The overall vision of the company is to increase the consumption of ice-cream at national level supported fully by appropriate promotion and communication strategies.

**b) Processed Food Division**

Vadilal has been a strong household name, not only in India but also abroad and the same has been proven correct by response Vadilal Industries saw by the launch of its ice cream products in America.

By using its century-old knowledge of making yummmicious ice creams, Vadilal has created an aura of nostalgia and has been able to evoke childhood memories in Indians who left for America years back.

With a single intention to offer rich dairy-based, no artificial flavor ice creams, Vadilal has taken strong R&D steps to cater to health-conscious Indian Americans. After Initial introduction of a wide range of flavors in tubs, Kulfis sticks and dollies, Vadilal has further launched more variants and SKUs. It has been successful in expanding its consumers base to not only ethically diversified Indians, but also to Asians at large.

While Vadilal has tasted success in the West with its ice cream range, it has also taken a strong entry into important Gulf markets. Having realized, that the pallet taste of Arabs is similar to that of Indians, Vadilal was quick to offer required product range suitable for Gulf.

Combining its decade-old expertise in distribution and futuristic marketing vision, Vadilal has been able to win the confidence of the retailers and attracted consumers. Vadilal intends to remain a strong household name amongst Indians based in Australia, America, Europe, Gulf, Southeast Asia and Africa and plans to introduce more food products.

#### 5) RISKS AND CONCERNS

##### a) Ice Creams Division

For Vadilal, competition is not seen a risk. We track our competition closely to continuously innovate and make better products that will keep us a step ahead of our competitors. The Company has tackled competition successfully in the past and can overcome them efficiently in the future too. The market is flooded with new local and regional players with cheaper and shoddy product options but Vadilal, with its experience and expertise of over 8 decades of providing quality ice cream products, is well equipped to face such challenges. However, there are certain concerns like infrastructure and rising input costs, which the Company shall keep in mind.

##### b) Processed Food Division

The major concerns for the frozen food industry has been the same for over so many years, inadequate infrastructure, poor agricultural input management and semi-organized supply chain management have been the major bottle necks. Additionally increasing fuel puts an extra burden on the overall operational costs. The special requirement for transportation makes it even difficult to keep the costs low.

The frequent fluctuation of foreign currency, especially US Dollar with respect to Indian Rupee keeps the companies on worried every time.

Another major concern is the growing numbers of unorganized players from Indian and countries like China. These players are always focused on short term gains are only concerned about momentary sales. Hence, they disturb the market by offering rates that are below par as compared to market trends. This makes it difficult for the organized players to remain competitive in terms of rates despite of having far superior quality products.

#### 6) INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY.

In view of the management, the Company has adequate internal control systems for the business processes followed by the Company. The External and Internal Auditors carry out periodical reviews of the functioning and suggest changes if required. The Company has also a sound budgetary control system with frequent reviews of actual performance as against those budgeted.

The Audit Committee of the Board meets periodically to review various aspects of the performance of the Company and also reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening them from time to time. The External Auditors also attend these meetings and convey their view on the business processes and also of the policies of financial disclosures. When found necessary, the Committee also gives suggestions on these matters.

#### 7) HUMAN RESOURCES

The Company recognizes the important role that its employees need to play for the growth of various business activities. The human resource policies and processes of the Company are in line with this.

The Company has been maintaining cordial and healthy Industrial Relations, which has helped to a great extent in achieving the steady growth.

#### 8) CAUTIONARY STATEMENT

The statements made and figures given in the various sections of "Management Discussion and Analysis" are keeping in mind the Company's objectives, estimates and expectations. The Actual results may differ from those expected depending upon the economic conditions, changes in Govt. Regulations, tax regimes and other external and internal factors.

**(xiv) Dematerialisation of Shares :**

The Company, consequent to introduction of Depository System (DS), has established an electronic connectivity with NSDL & CDSL, Depositories. Members, therefore, have the option of holding and dealing in the shares of the Company in electronic form through NSDL and CDSL. In view of the numerous advantages offered by the DS, members are requested to avail the facility of dematerialisation of the Company's shares on either of the Depositories as aforesaid.

If you wish to maintain your shareholding in the electronic form by joining DS, you will have to open an account with a Depository Participant (DP), who are agents of NSDL or CDSL and lodge your share certificates with your DP for

Dematerialisation. The DP will then ensure that the physical share certificates are cancelled and after verification by the Company, an equivalent number of shares will be credited to your account with the DP in the electronic form. You are also permitted under the DS to reconvert your electronic shareholding into the physical form of share certificates by a process of Rematerialisation. It may be noted that the DP would charge the investors for its services, which may vary from one DP to another.

It is reiterated that requests for Dematerialisation and Rematerialisation are to be made only to the DP with whom you have opened an account and not directly to the Company or its Registrar & Share Transfer Agent.

Total 6800183 Equity Shares of the Company representing 94.61% of the total paid-up capital of the Company have been dematerialised upto 31-03-2017. Trading in Equity Shares of the Company is permitted only in dematerialised form as per notification issued by SEBI.

## INDEPENDENT AUDITORS' REPORT

### INDEPENDENT AUDITOR'S REPORT

#### To the members of VADILAL INDUSTRIES LIMITED Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Vadilal Industries Limited** ('the Company'), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial

statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017, its profit and its cash flows for the year ended on that date.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) the balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
  - (d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - (e) on the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;

## **“Annexure – B”**

### **To the Auditor's Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Vadilal Industries Limited** (“the Company”) as of 31 March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## INDEPENDENT AUDITOR'S REPORT

To the Members of VADILAL INDUSTRIES LIMITED

### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Vadilal Industries Limited**, ('the Holding Company'), its subsidiary and partnership firm (the holding company, its subsidiary, partnership firm together referred to as "Group") which comprise the balance sheet as at 31 March 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Holding Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Holding Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as at 31 March 2017, its profit and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
  - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) in our opinion proper books of account as required by law have been kept by the Holding Company so far as it appears from our examination of those books;  
the consolidated balance sheet, the consolidated statement of profit and loss and the consolidated cash flow statement dealt with by this Report are in agreement with the books of account;
  - (c) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - (d) on the basis of the written representations received from the directors of the Holding Company as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (e) With respect to the adequacy of the internal financial controls over financial reporting of the Holding company and the operating effectiveness of such controls, refer to our separate report in "Annexure A"
  - (f) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group as referred to in Note 26.3.

- ii. the Group did not have any long term contracts, including derivate contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company except Rs. 0.15 Lacs which is held abeyance due to legal case pending.
- iv. The Holding company has provided requisite disclosures in the consolidated financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 based on the information available with the Holding company. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Holding Company and as produced to us by the Holding company's Management – Refer Note 27.7 of the financial statement.

#### Other Matters

We did not audit the financial statements of Partnership firm and Subsidiary whose financial statements reflect total assets (net) of ₹ 1,333.46 lacs as at March 31, 2017, and total revenues of ₹ 2,017.52 lacs and net cash inflows amounting to ₹ 227.57 Lacs for the year ended on that date, as considered in the consolidated financial statements.

These financial statements have been audited/reviewed by other auditors/ certified public accountant whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and Partnership firm and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary and Partnership firm, is based solely on report of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements above, is not modified in respect of the above matters.

#### “Annexure - A “

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Vadilal Industries Limited** (“the Holding Company”) as of 31 March 2017 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Holding Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES :**

**A) ACCOUNTING CONVENTION :**

The consolidated financial statements have been prepared in accordance with Accounting standard (AS) 21 - "Consolidated Financial Statements" and Accounting standard (AS) 23 - " Accounting for investments in associates" issued by the Institute of Chartered Accountants of India.

**B) PRINCIPLES OF CONSOLIDATION**

The consolidated financial statements relate to " Vadilal Industries Ltd." (The parent Company ), Vadilal Industries (USA) Inc., a subsidiary company, Vadilal Cold Storage (Partnership Firm) and Vadilal Forex and Consultancy Services Ltd (An Associate Company). The consolidated statements have been prepared on the following basis.

- a) The financial statements have been combined on a line -by-line basis by adding together the book values of like items of Assets, Liabilities, Income and Expenses. The intra-group balances and intra-group transactions and unrealised profits or losses have been fully eliminated .
- b) The consolidated financial statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstance and are presented to the extent possible, in the same manner as the parent company's separate financial statements.
- c) The difference between the cost/carrying amount of investments over the net assets is recognised in financial statements as goodwill or capital reserve as the case may be.
- d) Minority interest's share of net profit/loss of consolidated for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders.
- e) In case of associates where the company holds more than 20 % of equity ,investments in associates are accounted for using equity method in accordance with Accounting Standard - ( AS 23 ) " Accounting for investments in associates in consolidated financial statements" issued by the Institute of Chartered Accountants of India.
- f) The company accounts for its share in the change in the net assets of the associate, post Acquisition, after eliminating unrealised profit and losses resulting from transactions between the company and its associate to the extent of its share, through its profit and loss account to the extent such change is attributable to the associate's profit and loss account and through its reserves for the Balance, based on available information.
- g) The difference between the carrying amount of investments in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the financial statements as goodwill or capital reserve as the case may be.
- h) In case of foreign subsidiary, being non-integral foreign operations,
- 1) Revenue items are translated into rupees at the average rate prevailing during the year, which is not as per requirements of AS-11, but having no material effect on the results of consolidated accounts.
- 2) All balance sheet items are translated into rupees using the year end exchange rate.
- 3) All resulting exchange differences are accumulated in a Foreign Currency Translation Reserve Account.
- C) Investments other than in subsidiaries and associates have been accounted as per Accounting Standard (AS) 13 on Accounting for Investments.

**D) OTHER SIGNIFICANT ACCOUNTING POLICIES :**

These are set out in the notes to financial statements under "Statement of accounting policies" of the financial statements of Vadilal Industries Ltd.
