Less: Finance Costs	12,897	30,255
Less: Depreciation and Amortization Expenses	16	28
Less: Provision for Doubtful Assets	27,15,341	-
Profit/(Loss) before Exceptional Items and Tax	(22,98,696)	(3,93,949)
Less: Exceptional Items	-	-
Profit/(Loss) before tax	(22,98,696)	(3,93,949)
Tax Expenses		
Current Tax	-	-
Deferred Tax	(4,84,798)	(14,756)
Profit/(Loss) for the year	(18,13,898)	(3,79,192)

OPERATIONS

During the year under review, the total revenue earned by the Company was much higher at Rs. 47.55 crores as against 5.77 crores earned in the previous year. While the finance costs during the year much lower to Rs. 1.29 crores as against Rs. 3.02 crores incurred in the previous year which is mainly due to reduction of interest on intercorporate borrowings to Rs 1.02 crores as against Rs 2.53 crores incurred in previous year. In view of the above, mainly due to provision for doubtful assets created Rs 271.53 crores, the net loss of your Company during the year at Rs. 181.39 crores against loss of Rs. 37.92 crores in the previous year.

SHARE CAPITAL

The Authorised Share Capital of your Company as on March 31, 2025, stood at Rs. 25,00,00,000 divided into 2,37,50,000 Equity Shares of Face Value Rs.10/- each and 1,25,000 Preference Shares of Rs. 100/- each. The Issued, Subscribed and the Paid-Up Equity Share Capital of the Company stood at Rs. 10,95,63,600 divided into 1,09,56,360 Equity Shares of Face Value Rs.10/- each. There has been no change in the Share Capital of the Company during the period under review.

DIVIDEND

On account of the accumulated loss, your Directors regret their inability to recommend any dividend for the year under review.

RESERVES

The Board has not transferred any amount to the General Reserve for the year ended 31st March, 2025 due to losses incurred.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In terms of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, a Management Discussion and Analysis Report is attached as **Annexure I** and forms part of this Report.

DETAILS OF SUBSIDIARY, JOINT VENTURE OR ASSOCIATE COMPANIES

During the year under review, the Company does not have any Subsidiaries. However, the Company had two associate companies

and one joint venture company as follows:-

- i) Majerhat Estates & Developers Limited – Associate Company
- ii) Williamson Financial Services Limited - Associate Company
- iii) D1 Williamson Magor Bio Fuel Limited - Joint Venture Company

D1 WILLIAMSON MAGOR BIO FUEL LIMITED

The operation of D1 Williamson Magor Bio Fuel Limited (D1WML) being un-economical, D1WML has suspended all its projects in view of which the Company has made provision in its Account against its entire investment in D1WML.

CONSOLIDATED FINANCIAL STATEMENTS AND AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

As required under Section 129(3) of the Companies Act, 2013, Consolidated Financial Statements of the Company, its two Associate Companies and one Joint Venture Company as mentioned above prepared in accordance with the applicable Accounting Standards issued by the Institute of Chartered Accountants of India and the Auditors' Report on the Consolidated Financial Statements are appended in the Annual Report.

A statement containing the salient features of the financial statements of the Company's aforesaid two Associate Companies and one Joint Venture Company pursuant to the first proviso to sub-section (3) of Section 129 of the Companies Act, 2013 prepared in **Form AOC-1** is attached to the financial statements of the Company for your information.

DEPOSIT

The Company neither invited nor accepted any deposit from the public during the financial year 2024-25. No amount on account of principal or interest on deposit from public was outstanding as on the date of the balance sheet.

DEBENTURE AND DEBENTURE TRUSTEES

The Company had allotted 1000 Secured, Redeemable, Non – Convertible Debentures of Rs. 10,00,000/- each at par on 4th October 2018 to the following:

- a) 5 Secured, Redeemable, Freely Transferable, Non – Convertible Debentures with a face value of Rs. 10,00,000/- each on a private placement basis to IL&FS Financial Services Limited and;
- b) 995 Secured, Redeemable, Freely Transferable, Non – Convertible Debentures with a face value of Rs. 10,00,000/- each on a private placement basis to IL&FS Infrastructure Debt Fund.

The Company and IL&FS Infrastructure Debt Fund ("IDF"), IL&FS Infra Asset Management Limited and others had entered into a settlement agreement dated 5th May, 2023 to amicably settle the disputes inter-alia relating to default in payment obligations of 995 Secured, Redeemable, Non-convertible Debentures (NCDs) of Face Value of Rs 10,00,000/- each.

The Company had appointed a debenture trustee for the aforesaid transaction. The detail of debenture trustee is given below:

Vistra ITCL (India) Limited

The IL&FS Financial Centre, Plot C-22 / G Block, Bandra Kurla Complex, Bandra (East) Mumbai - 400051. Tel: 022-26593535.

ONE-TIME SETTLEMENT WITH ANY BANK OR FINANCIAL INSTITUTION

During the year under review, the Company has not entered into any one-time settlement with Banks or Financial Institutions. Hence, the details of difference between amount of the valuation done at the time of one-time settlement and the valuation done while taking loan from the Banks or Financial Institutions along with the reasons thereof is not applicable.

MATERIAL CHANGES AND COMMITMENTS BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THIS REPORT

There are no material changes or commitments that have occurred between the end of the financial year and the date of this Report.

INTERNAL FINANCIAL CONTROLS AND RISK MANAGEMENT

The Company has in place a satisfactory internal control system to ensure proper recording of financial and operational information and to exercise proper and timely compliance of all regulatory and statutory compliances as applicable to the Company.

The Internal Audit of the various operations of the Company is periodically conducted by an outside agency which submits its report to the Audit Committee of the Board of Directors of the Company. The Audit Committee takes the same into consideration for the purpose of evaluation of Internal Financial Controls in the Company.

The Company has in place a process to inform the Board about the risk assessment and minimization procedures. It has an appropriate Risk Management system in place for identification and assessment of risks, measures to mitigate them, and mechanisms for their proper and timely monitoring and reporting. Presently, Regulation 21 of the SEBI LODR with respect to Risk Management Committee is not applicable to your Company. Committee of the Board of Directors of the Company monitors and

reviews the risks associated with the Company's business operations and manages them effectively in accordance with the risk management system of the Company. However, the Board has constituted Risk Management Committee for monitoring and reviewing of the risk assessment, mitigation and risk management plan from time to time. As on 31st March, 2025, the Committee comprises of Mr. Debasish Lahiri, Mr. Lakshman Singh and Mr. Chandan Mitra. Mr. Debasish Lahiri was the Chairman of the Committee.

The Company has adopted policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of fraud and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial disclosures.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to requirement under section 134(5) of the Companies Act, 2013, with respect to Directors' Responsibility Statement, it is hereby confirmed that:

- i) in the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures, if any;
- ii) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- iii) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- iv) the Directors had prepared the annual accounts on a going concern basis;
- v) the Directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively;
- vi) the Directors had devised a proper system to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

BOARD MEETINGS

During the year ended 31st March 2025, Four Board Meetings were held as follows, the details of which are given in the Corporate Governance Report:

27th May 2024, 13th August 2024, 12th November 2024 and 14th February 2025.

SEPARATE MEETING OF INDEPENDENT DIRECTORS

During the year, a separate meeting of the Independent Directors was held on 12th February 2025 in terms of requirements of Schedule IV of the Companies Act, 2013, without the attendance of non-independent directors and members of management. The evaluation process prescribed in paragraph VII of Schedule IV to the Act was carried out at the said Meeting.

REPORT ON CORPORATE GOVERNANCE

In terms of requirements of Regulation 34(3) of the Listing Regulations, a Report on Corporate Governance and the Auditors' Certificate regarding Compliance to Corporate Governance requirement are attached as **Annexure II** and **Annexure III** respectively and form part of this Report.

BOARD EVALUATION

Pursuant to provision of the Act and the Listing Regulation and based on Policy devised by the Nomination and Remuneration Committee (NRC), the formal evaluation of the performance of the Independent Directors, Non – Independent Directors, Chairperson and the Board of Directors as a whole and all Board Committees was carried out by the Board at its meeting held on 14th February 2025 for the financial year ended 31st March, 2025 in accordance with the relevant provisions of Section 134 of the Act read with the Rule related thereto and Section 178 of the Act and Schedule IV to the Act and also in accordance with the guidance note issued by the Securities and Exchange Board of India ('SEBI') vide its circular No. SEBI/HO/CFD/CIR/P/2017/004 dated 5th January, 2017 and the same was found to be satisfactory.

The Board performance was evaluated based on inputs received from all Directors after considering criteria such as Board Composition and structure, effectiveness of Board and information provided to the Board etc.

The performance of the committees was evaluated by the Board of the Directors based on inputs received from all the committee members after considering criteria such as composition and structure of committees, effectiveness of committee meetings etc.

BOARD OF DIRECTORS

The Company has formulated a Related Party Transaction Policy and the same is disclosed on the website of the Company and can be accessed at www.wmtea.com.

STATUTORY AUDITORS

M/s V. Singhi & Associates, Chartered Accountants, the Statutory Auditors of the Company have been appointed at the Seventy First Annual General Meeting of the Company held on 20th September, 2022 to hold office till the conclusion of the Seventy Sixth Annual General Meeting of the Company to be held in the year 2027.

STATUTORY AUDIT REPORT

In the Auditors Report dated 28th May, 2025, the Auditors have given Qualified Opinion in relation to the Standalone and Consolidated Financial Statements of the Company for the Financial Year ended 31st March 2025. The basis for qualified opinion and Board's response in relation to the said opinion are as under:-

Sl. No.	Audit Qualification	Management's Response									
(a)	<p>Non-recognition of Interest Expense</p> <p>The Auditor drawn attention to Note 47 of the Standalone Financial Statement relating to non-recognition of interest expense on secured borrowings from financial institutions and unsecured inter-corporate borrowings. As the matter is under dispute / negotiation, the Company has neither recognized nor ascertained any finance cost on such secured borrowings for the period given hereunder:</p> <table border="1"> <thead> <tr> <th>Sl. No.</th><th>Name of the Secured Lender</th><th>Period for which interest has not been provided for</th></tr> </thead> <tbody> <tr> <td>1</td><td>InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)</td><td>From August, 2019 upto March, 2025</td></tr> <tr> <td>2</td><td>HDFC Bank Limited</td><td>From April, 2021 upto March, 2025</td></tr> </tbody> </table>	Sl. No.	Name of the Secured Lender	Period for which interest has not been provided for	1	InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)	From August, 2019 upto March, 2025	2	HDFC Bank Limited	From April, 2021 upto March, 2025	As the Company is under re-structuring process and is in continuous dialogue with the lenders with regard to it, the Board of Directors has decided not to recognize interest expense on its borrowings for the current period in the Audited Financial Results as the same is unascertainable at present.
Sl. No.	Name of the Secured Lender	Period for which interest has not been provided for									
1	InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)	From August, 2019 upto March, 2025									
2	HDFC Bank Limited	From April, 2021 upto March, 2025									

Sl. No.	Audit Qualification	Management's Response
	<p>Interest expense on unsecured inter-corporate borrowings amounting to Rs. 4,64,188 thousand for the year ended 31st March, 2025 including Rs. 1,06,766 thousand for the quarter ended on that date has not been recognised by the Company. As a result, finance cost, liability on account of interest and total Comprehensive loss is understated to that extent. Further, penal/compound interest and other adjustments in respect of borrowings have not been recognised and amount payable to the lenders and other parties in this respect are lacking confirmation from respective parties and consequential reconciliation. Pending final determination of amounts with respect to these, adjustments and impacts arising therefrom have not been ascertained and as such cannot be commented upon by us.</p> <p>This constitutes a departure from the requirements of Indian Accounting Standard 109 "Financial Instruments" and accrual basis of accounting.</p>	
(b)	<p>Default in repayment of principal and interest</p> <p>The Auditor drawn attention to Note 48 of the Standalone Financial Statement with respect to default in repayment of Principal and Interest on Non-Convertible Debentures issued to IL&FS Financial Services Limited and subsequent settlement agreed upon. In earlier years, Security provided by the Company by way of mortgage/pledge of certain properties with the Debenture Trustee against issue of above debentures have been invoked by the Debenture Trustee from time to time.</p> <p>The Management has ascertained and decided to adjust disposal proceeds and payment made as per the settlement agreement from the outstanding value of debentures and estimated interest as per the repayment schedule. We are unable to ascertain the effect of the same as of now due to the lack of requisite confirmations and pending reconciliations.</p>	<p>The company and IL&FS Infrastructure Debt Fund (IDF) and IL&FS Infra Asset Management Limited have entered into a settlement agreement dated 05th May, 2023 for settlement of Debt. Pursuant to the agreement entered, the claim made by them have been settled during the year ended 31st March 2024 and the Land owned by another company has been acquired by Vistra (ITCL) India Limited - Security Trustee under SARFESI Acquisition Act, 2002. In terms of the settlement agreement, no claim lies against and the company's obligation have been fully absolved.</p>
(c)	<p>Default in payment of interest and repayment of principal of secured and unsecured loans</p> <p>The Auditor drawn attention to Note No 47(c), 47(d), 52, 53 and 54 of the Financial Statement with respect to default in payment of interest and repayment of principal of Loan borrowed from secured and unsecured lenders of the Company.</p>	<p>The company is in dialogue with the lenders for settlement of their dues. Hence the amount is not ascertainable, so the same has not been paid. The cases where we have ascertained the amount, those are being paid by the company either partly or fully.</p>
(d)	<p>Recognition of Deferred Tax Assets</p> <p>The Auditor drawn attention to Note 31 (c) of the Standalone Financial Statements where the Management has considered recognition of deferred tax assets amounting to Rs. 14,03,564 thousand as at 31st March, 2025 assuming virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such assets can be realised.</p> <p>Considering the management's assessment of going concern assumption in the Standalone Financial Statements, the condition of reasonable certainty for recognizing the deferred tax assets as per Ind AS 12 "Income Taxes" has not been met. Consequently, deferred tax assets are overstated and total comprehensive loss for the year ended 31st March, 2025 is understated to that extent.</p>	<p>The Company is taking all measure to recuperate by interalia, recovering its loans and Interest from its borrower and achieve to the extent possible the reversal of the NPA and entering into One Time Settlements (OTS) with its lenders and generally improving its business conditions etc.</p> <p>Hence the board is of the view, that once the company revives and settle the dues it would be having sufficient profits against which it would be able to utilize the deferred tax assets.</p>

Sl. No.	Audit Qualification	Management's Response
(e)	<p>Balances of receivables, unsecured and secured loan creditors and their balance confirmations.</p> <p>The Auditor drawn attention to Note 33 to the Standalone Financial Statements, relating to trade and other receivables and liabilities including those payable to loan creditors lacking reconciliation and confirmation. Non-determination/ recognition of amount payable in respect of claims pursuant to the undertaking executed between the company and the lenders in respect of certain group companies regarding company's obligation in respect of the settlement arrived at with corporate lenders. Pending determination of the company's obligation and finalization of terms and conditions following the agreement arrived at with the parties, adjustments to be made in this respect are currently not ascertainable and as such cannot be commented upon by us.</p>	<p>The Company is in disagreement with regard to interest charged and is in conversation for waiver / reduction of interest. Hence, it is not quantifiable at this point of time. Once it is finalized the balance confirmations can be provided.</p>
(f)	<p>Material Uncertainty related to Going Concern</p> <p>The Auditor drawn attention to Note 46 of the Standalone Financial Statements with respect to material uncertainty related to Going Concern. The Company has defaulted in repayment of borrowings to its financial institutional lenders and others. In view of the Management, the Company would be able to improve its net working capital position to discharge its current and non-current financial obligations. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Financial Statements".</p>	<p>The company is taking all measures to recover its loans from its Borrowers and entering into One Time Settlement (OTS) with its lenders. The company has already entered into settlement with IL& FS, SREI & Kotak Bank. Under such circumstances the company is assured to improve its working and therefore the Going Concern status of the company is not believed to be compromised at this point of time.</p>

SECRETARIAL AUDIT REPORT

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board has appointed Messrs. MKB & Associates, Company Secretaries to conduct the Secretarial Audit of the Company for the year ended 31st March 2025. The Secretarial Auditors' Report is attached to this Report as **Annexure VI** and forms part of the Directors' Report.

There are certain qualifications or reservations or adverse remarks made by the Secretarial Auditors in their Report and the response of the Company to the same is as under:-

- Mr. Lakshman Singh, Mr. Chandan Mitra, Mr. Debasish Lahiri and Ms. Lyla Cherian, the directors of the Company have been disqualified to become directors under Section 164(2) of the Companies Act, 2013 with effect from 30th September, 2022.

We would like to state that that Company had failed to redeem its Non-convertible Debentures (NCDs) on due date being 30th September, 2021 and the period of one year expired on 30th September, 2022. Accordingly, Mr. Lakshman Singh, Mr. Chandan Mitra, Mr. Debasish Lahiri and Ms. Lyla Cherian, the directors of the Company have been disqualified to become directors under Section 164(2)(b) of the Companies Act, 2013. However, during the financial year a settlement agreement dated 5th May, 2023 was entered between the Company and IL&FS Infrastructure Debt Fund, IL&FS Infra Asset Management Limited and others.

- The Company has appointed Mr. Tabrez Ahmed (DIN: 10570558) and Mr. Tapas Guha (DIN: 10812348) as the Independent Directors of the Company through Ordinary Resolution of the Shareholders of the Company.

We would like to state that the votes cast in favour of the resolution exceed the votes cast against the resolution and the votes cast by the public shareholders in favour of the resolution exceed the votes cast against the resolution and thus the appointment of Mr Tabrez Ahmed and Mr. Tapas Guha as an independent director is deemed to have been passed in compliance of applicable Regulations of SEBI (LODR) Regulations, 2015.

- c. The Shareholding Pattern for the quarter ended June, 2024 has been uploaded on Stock Exchange with a delay of 1 (one) day. The said delay occurred due to non-receipt of Benpos from the Depository. The Depository withheld the Benpos due to non-receipt of its fees.

We would like to state that the default occurred due to non-receipt of Benpose from the Depository. The Depository withheld the Benpose due to non-receipt of its fees.

- d. The Company has conducted Non-Banking Financial Activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the RBI Act, 1934.

We would like to state that the Company received the Notice No. KOL. DOS. RSG. NO. S949/03.03.008/2022-23 dated July 04, 2022 from the Reserve Bank of India (RBI) for surrender of original certificate of Registration pursuant to an order dated June 29, 2022 passed by RBI for cancellation of certificate of Registration No. N.05.05534 dated March 31, 2003 issued to the Company for Non- Banking Financial Company under Section 45-IA(6) of the Reserve Bank of India Act, 1934. In this regard the company filed an appeal before the Appellate Authority for NBFC, Ministry of Finance against the said order which was rejected vide order dated May 04, 2023.

The Company has filed writ petition dated January 04, 2024 in the Hon'ble High Court of Calcutta against the rejection order of appellate authority.

FRAUD REPORTING BY AUDITORS

During the year under review, no instances of fraud has been reported to the Audit Committee under Section 143(12) of the Companies Act, 2013 against the Company by its officers or employees, the details of which would need to be mentioned in the Board's Report neither by the Statutory Auditors nor the Secretarial Auditors.

ANNUAL SECRETARIAL COMPLIANCE REPORT

The Company has undertaken an Audit of all the applicable compliances as per the SEBI Regulations and Circulars/Guidelines issued thereunder.

The Annual Secretarial Compliance Report issued by a Practising Company Secretary (PCS) has been submitted to the Stock Exchanges within the stipulated time pursuant to regulation 24A of SEBI (LODR) Regulations, 2015.

EXTRACT OF ANNUAL RETURN

Pursuant to Section 92(3) read with Section 134(3)(a) of the Companies Act, 2013 the Annual Return as on March 31, 2025 is available on the Company's website on Form_MGT_7_2024-25.pdf (www.wmtea.com)

CORPORATE SOCIAL RESPONSIBILITY

In terms of Section 135(5) of the Companies Act, 2013, certain class of companies are required to spend at least 2% of Average Net Profits made during the three immediately preceding financial years, in pursuance of its Corporate Social Responsibility Policy. Your Company had a net loss of Rs. 181.39 Crores during the financial year ended 31st March, 2025 and there was no Average Net Profit during the above period computed in terms of Section 198 of the Act, and hence the Company was not required to make expenditure in CSR Activities. A report on CSR activities voluntarily undertaken by the Company during the year is attached as **Annexure VII**.

The Company however, has constituted a CSR Committee and adopted a CSR Policy which can be accessed at www.wmtea.com. The Corporate Social Responsibility Committee of the Board as on 31st March, 2025 consisted of 3 Directors, namely, Mr. Ashim Kumar Mookherjee and Ms. Lyla Cherian, Non – Executive Independent Directors and Mr. Debasish Lahiri, Non – Executive Non – Independent Director. Mr. Ashim Kumar Mookherjee is the Chairperson of the Committee.

PARTICULARS OF EMPLOYEES

The relevant particulars required to be furnished pursuant to Section 197(12) of the Companies Act 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Personnel) Rules, 2014 in this regard are attached as **Annexure VIII** to this Report.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

A statement giving details of conservation of energy, technology absorption and foreign exchange earnings and outgo in terms of Rule 8(3) of the Companies (Accounts) Rules, 2014 is attached as **Annexure IX** to this Report.

PREVENTION OF INSIDER TRADING

Your Company has adopted and implemented a Code of Conduct for Prevention of Insider Trading in compliance with the SEBI (Prohibition of Insider Trading) Regulations, 2015. All Directors, employees and other designated persons, who could have access to unpublished price sensitive information of the Company are governed by this code.

The trading window regarding dealing with equity shares of the Company is duly closed during declaration of financial results and occurrence of any other material event as per the code. During the year under review there has been due compliance with the code.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS

During the year under review, there were no significant or material order passed by the regulators or courts or tribunals impacting the going concern status and the Company's operations in future.

However, the Hon'ble High Court at Calcutta vide judgment and order dated 26 February 2021 in I.A. G.A. 1 of 2019 (T.A. No. 12 of 2019/G.A. 2174 of 2019) with C.S. No. 177 of 2019 in IL & FS Financial Services v/s Aditya Khaitan & Ors., has, inter alia, restrained the Company from transferring, alienating or encumbering any of its assets till the disposal of the suit. The commercial suit is presently pending before the High Court. The written statement on behalf of the Company has been filed.

The Hon'ble High Court of Delhi at New Delhi vide its ex-parte, interim order in O.M.P.(I) (COMM.) 459/2019 in KKR India Financial Services Limited & Anr. Vs. Williamson Magor & Co. Limited & Ors., has, inter-alia, restrained the Company from selling, transferring, alienating, disposing, assigning, dealing or encumbering or creating third party rights on their assets. Arbitration proceedings under the aegis of ICC was initiated by InCred Financial Services Limited (formerly KKR India Financial Services Limited). The proceedings have been concluded, and the matter is reserved for passing award. In the meantime, parties have been given liberty to apprise the Tribunal of any settlement if arrived in the meantime.

The Company received the Notice No. KOL. DOS. RSG. NO. S949/03.03.008/2022-23 dated July 04, 2022 from the Reserve Bank of India (RBI) for surrender of original certificate of Registration pursuant to an order dated June 29, 2022 passed by RBI for cancellation of certificate of Registration No. N.05.05534 dated March 31, 2003 issued to the Company for Non- Banking Financial Company under Section 45-IA(6) of the Reserve Bank of India Act, 1934. In this regard the company filed an appeal before the Appellate Authority for NBFC, Ministry of Finance against the said order which was rejected vide order dated May 04, 2023.

The Company has filed writ petition dated January 04, 2024 in the Hon'ble High Court of Calcutta against the rejection order of appellate authority.

Members' attention is also invited to Notes on Contingent Liabilities, in the notes forming part of the Financial Statements.

Since the Financial Year 2018-19 the Company's economic health declined due to a great portion of its Loan Assets turning into Non Performing Assets ('NPA') as per the norms of the RBI. Further, the Company had provided security in respect of the borrowing of some of its Group Companies ('the Borrowers') by pledging a lot of the Company's investments in Shares in companies ('the Shares'). As the Borrowers defaulted, the Lenders invoked the pledge by disposing of the Shares at any price they fetched. This ultimately affected the financials of the Company on account of loss of revenue from those investments and cast adverse effect on its Net Owned Fund. The fixed overhead expenses added to the negative value of the Net Owned Fund.

The Company is taking all measures to recuperate by, inter alia, recovering its loans with interests (so long remaining unrecoverable) from its Borrowers and achieve to the maximum extent possible (if not fully) the reversal of the NPA by means of, striking One Time Settlements (OTS) with its Lenders and thereby reducing the interest liability and generally improving its business conditions, etc. Under such circumstances, the Company is self-assured to improve its workings. In the opinion of the Board, the Company's going concern status is not believed to be threatened at this stage.

STATE OF COMPANY'S AFFAIR

The Company's main business being investment in shares and securities, the Management regularly monitors the changing market conditions and trends. There is no change in the nature of business of the Company.

DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

The Company is committed to provide a safe and conducive work environment to all its employees and associates and has zero tolerance towards sexual harassment at workplace. The Company has adopted the policy against Sexual Harassment of Women at Workplace, for the purpose of preventing, prohibiting and redressing sexual harassment of female employees including permanent, temporary, on training and on contract basis at all the workplace within the company, which are based on the fundamental principles of justice and fair play.

Statement of Complaints under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013:

(a) the number of complaints of sexual harassment received in the year	:	Nil
(b) the number of complaints disposed off during the year	:	N.A.
(c) the number of cases pending for more than 90 days	:	Nil

A STATEMENT WITH RESPECT TO THE COMPLIANCE OF THE PROVISIONS RELATING TO THE MATERNITY BENEFIT ACT 1961 [Disclosure made in accordance with the Companies (Accounts) Second Amendment Rules, 2025, notified by MCA on May 30, 2025]

The Board affirms that the Company remains fully committed to upholding its Maternity Policy in strict compliance with applicable laws, including the Maternity Benefit Act, 1961, and in alignment with internal human resource protocols. The policy is designed to support the health, well-being, and work-life balance of women employees during and after pregnancy.

DIRECTORS AND OFFICERS LIABILITY INSURANCE POLICY

The Company has a Directors and Officers Liability Insurance Policy which protects Directors and Officers of the Company for any breach of fiduciary duty.

GREEN INITIATIVES

As part of our green initiative, the electronic copies of this Annual Report including the Notice of the 74th AGM are sent to all members whose email addresses are registered with the Company /Registrar/Depository Participant(s).

As per SEBI Circular No. SEBI/HO/CFD/CFD-PoD2/P/CIR/2024/133 dated October 03, 2024 the requirement of sending physical copies of annual report to those shareholders who have not registered their email addresses has been dispensed with for Listed Entities who would be conducting their AGMs within 30th September 2025. In this respect the physical copies are not being sent to the shareholders. The copy of the same would be available on the website: www.wmtea.com. The initiatives were taken for asking the shareholders to register or update their email addresses.

The Company is providing e-voting facility to all its Members to enable them to cast their votes electronically on all resolutions set forth in the Notice. This is pursuant to Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014. The instructions for e-voting are provided in the Notice.

CORPORATE INSOLVENCY RESOLUTION PROCESS INITIATED UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016

DMP Vanijya Private Limited, Vishnu Infracomplex Pvt. Limited and Vishnu Solutions Pvt. Limited have filed applications before National Company Law Tribunal (NCLT), Kolkata for initiating Corporate Insolvency Resolution Process (CIRP) under Insolvency and Bankruptcy Code, 2016 which are being contested by the Company.

COST RECORDS AND COST AUDIT

Maintenance of Cost Records and requirement of cost audit as prescribed under the provisions of Section 148(1) of the Companies Act 2013 are not applicable for the business activities carried out by the Company.

ACKNOWLEDGEMENT

The Board of Directors take this opportunity to express their grateful appreciation for the excellent assistance and cooperation received from the banks and other authorities. The Board of Directors also thank the employees of the Company for their valuable service and support during the year. The Board of Directors also gratefully acknowledge with thanks the cooperation and support received from the shareholders of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRIAL STRUCTURE AND DEVELOPMENTS

Annexure – I

Despite the geopolitical tensions due to Russia-Ukraine War, disturbances in Middle East, recent trade tariff actions have heightened uncertainty across regions, creating fresh challenges for both global growth and inflation. Financial markets have reacted with notable volatility marked by a sharp decline in the dollar index, widespread equity sell-offs, and significant easing in bond yields and crude oil prices.

Amid these global headwinds, India continues to strengthen its standing as one of the world's fastest-growing economies. Key developments such as the anticipated signing of the UK-India Free Trade Agreement alongside strong domestic demand, regulatory reforms, technological advancements, and the sustained focus on the Make in India initiative, are expected to propel the country toward continued prosperity.

According to the IMF's World Economic Outlook (April 2025), global growth has been projected at 2.8% in 2025 and 3.0% in 2026, which is below the historical average of 3.7% for the period 2000-2019. It is worth noting that at 6.5% for FY2025 and FY2026, the IMF pegs India's real GDP growth as the highest among all major nations — including that of China. IMF also forecasts global headline inflation to decline to 4.3% in CY2025 and further to 3.6% in CY2026.

Regrettably, CY2025 has witnessed considerable uncertainty, thanks to US announcing reciprocal tariffs on several nations, including India, and punitively high tariffs on China. This action, if it continues, would lead to reduced exports, along with unfavourable trade balances, export rates and forex rates; and for most nations, especially large trading ones, to a reduction in GDP growth. While the US has paused the imposition of higher tariffs for 90 days for most nations except China with the assumption that this will induce many countries to sit at the negotiating table, it is still too early to tell what the final outcome will be with several countries considering retaliatory tariffs on US exports. It remains to be seen how long this tariff war will last; and how it can significantly impact the economies of nations.

India has emerged as the fastest growing major economy in the world and is currently the fifth largest economy of the world and is on track to become the third largest economy over the next three years. The economic growth of India was ensured by the government through various financial stimulus packages and the focus on infrastructural development. India is poised to fortify its position as a global hub for innovation and research. Government support for initiatives emphasizes the pivotal role of Research and Development (R&D), such as positioning the nation as a manufacturing stronghold to make India self-reliant.

The Company is carrying on the business of investment and lending mainly to the Group Companies. The business strategy is largely dependent on the economic environment of the Country. The Management continues to review the business strategy from time to time depending on the changes in Government policies.

OPPORTUNITIES

- Digitalization and data driven decision making
- Recovery in economic activity
- Low retail penetration of financial services / products in India
- Changing demographic profile of the country in favour of the young

THREATS

- Regulatory changes
- Impact on demand in the backdrop of sustained inflation
- Competition from local and multinational players
- Uncertain global political environment

RISK & CONCERNS

Any slowdown in economic growth in India could cause the business of the Company to suffer. Similarly, any sustained volatility in global commodity prices including a significant increase in the price of oil and petroleum products could once again spark off a new inflationary cycle, thereby curtailing the purchasing power of the consumers. Further, the Company is exposed to specific risk that is particular to its business and environments within which it operates, including market risk, competition risk, credit risk, liquidity and interest rate risk, human resource risk, operational risk, information security risks, regulatory risk and macro-economic risks. The level and degree of each risk varies depending upon the nature of activity undertaken by them.

SEGMENT WISE PERFORMANCE

During the Financial Year ended 31 March 2025, the Company operated mainly under a single segment viz Investment and Lending.

The Company has received the Notice No. KOL. DOS. RSG. NO. S949/03.03.008/20022-23 dated July 04, 2022 from the Reserve Bank of India (RBI) for surrender of original certificate of Registration pursuant to an order dated June 29, 2022 passed by RBI for cancellation of certificate of Registration No. N.05.05534 dated March 31, 2003 issued to the Company for Non- Banking Financial Company under Section 45-IA(6) of the Reserve Bank of India Act, 1934. In this regard the company filed an appeal before the Appellate Authority for NBFC, Ministry of Finance against the said order which was rejected vide order dated May 04, 2023.

The Company has filed writ petition dated January 04, 2024 in the Hon'ble High Court of Calcutta against the rejection order of appellate authority.

OUTLOOK

Earnings of the Company particularly depend on the performance of the Companies where your Company has invested funds in equities and lent money. During the year, some of the said companies have not fared well for various reasons explained above. The Stock market was also very volatile and wide fluctuations have been witnessed in the Stock prices. The Government at the Centre is taking various measures to ensure more liquidity in the market at a lower cost which is expected to help the Company directly and indirectly. Revival of economic growth for which the government is striving hard should boost the demand growth and also the stock market. The companies in which your Company has invested and lent funds should derive benefits from the measures taken by the Government and your Company will be a beneficiary of the same.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains a system of Internal Control commensurate with its size. The Internal Auditors, an independent firm of chartered Accountant, regularly review the operations and conduct a risk based audit with a view to not only test adherence to laid down policies and procedure but also to suggest improvements in processes and systems. Their audit program is agreed upon by the Audit Committee. Internal Audit observations and recommendations are reported to the Audit Committee, which monitors the implementation of such recommendations and also reviews the adequacy of Internal Control System at regular intervals and provides guidance for improvement.

The Risk Management Committee formed by the Board of Directors of the Company also has a policy by which it periodically reviews the various risks to which the Company is exposed to and ensures proper record maintenance and proper legal compliances for exercising effective Internal Controls. The Audit Committee of the Board provides necessary oversight and directions to the internal audit function and periodically reviews the findings and ensures corrective measures are taken.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

This section is covered in the Board's Report under the section of Financial Results and Operations.

DETAILS OF SIGNIFICANT CHANGES (i.e. CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS, ALONG WITH DETAILS EXPLANATIONS:-

Ratio	2024-25	2023-24	Change (%)	Reason
Debtors Turnover Ratio (number of times)	-	-	-	Not applicable
Interest Coverage Ratio (number of times)	(211.37)	(12.07)	(1,651.87)	There is change in the ratio on account of higher Loss incurred during the current year as compared to last year.
Current Ratio (number of times)	0.12	0.52	(76.49)	Due to decrease in current asset .
Debt Equity Ratio (number of times)	(2.50)	(9.40)	(73.47)	Due to higher loss in current year the Equity has become more negative.
Operating Profit Margin	-	-	-	Not applicable
Net Profit Margin (%)	(381.50)	(657.23)	41.95	The Company incurred higher loss in the current year and also had higher income under the head other income as compared to last year.
Return on Net Worth (%)	-	-	-	Due to Net Worth being negative disclosure of the ratio is not given as it would be misleading.

**MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED**

There is no material development on the Human Resources front. The Company maintains harmonious relationship with its employees. The Company is having 2 persons employed currently.

CAUTIONARY STATEMENT

Statements in the Management Discussion & Analysis Report in regard to projections, estimates and expectations have been made in good faith. Many unforeseen factors may come into play and affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. Market information contained in this Report has been based on information gathered from various published and unpublished reports, and their accuracy, reliability and completeness cannot be assured.

Chief Executive Officer (CEO) / Chief Financial Officer (CFO) Certification

We, pursuant to Regulation 17 (8) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 certify following in respect of the Audited Financial Statements and Cash Flow of the Company for the Year ended 31st March 2025:

- a) We have reviewed financial statements and the cash flow statement for the year and that to the best of our knowledge and belief:
 - i. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. These statements together present a true and fair view of the listed entity's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b) There are, to the best our knowledge and belief, no transactions entered into by the listed entity during the year which are fraudulent, illegal or violative of the listed entity's code of conduct.
- c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal controls systems of the listed entity pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- d) We have indicated to the Auditors and the Audit Committee
 - i. Significant changes in internal control over financial reporting during the year;
 - ii. Significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - iii. Instances of significant fraud, if any, of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the listed entity's internal control system over financial reporting.

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

Annexure – III

TO THE MEMBERS OF WILLIAMSON MAGOR & CO. LIMITED

We have examined the compliance of conditions of Corporate Governance by Williamson Magor & Co. Limited ("the Company") for the year ended March 31, 2025, as stipulated in Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and part C and D of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015 as amended ("SEBI LODR").

Management's Responsibility

1. The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.
2. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the SEBI LODR, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

3. We have conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on 'Reports or Certificates for Special Purposes' and the Guidance Note on 'Certification of Corporate Governance', both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on 'Reports or Certificates for Special Purposes' requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
4. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
5. The procedure selected depends on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria.
6. The procedures include but are not limited to verification of secretarial records and financial information of the Company. We have obtained necessary representations and declarations from directors including independent directors of the Company.
7. The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has, in all material respects, complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27, clauses (b) to (i) of regulation 46 (2) and part C and D of Schedule V to the SEBI LODR for the year ended March 31, 2025 except for the following:
 - a) Pursuant to default in repayment of Principal and Interest on Debentures issued, Mr. Lakshman Singh, Mr. Chandan Mitra, Mr. Debashish Lahiri and Ms. Lyla Cherian, the directors of the Company have been disqualified to become directors under Section 164(2)(b) of the Companies Act, 2013 as on 31st March, 2025.
 - b) Pursuant to the default in repayment of principal and payment of interest on Non-Convertible Debentures and loans from Financial Institution and other Lenders. On default, the credit facility advanced to the Company by the lenders have henceforth been recalled. Further, the lenders have taken legal action against the Company and the matter is subjudice. Moreover, security provided by the Company by way of pledge of certain securities with the Debenture Trustee against issue of above Debentures have been invoked and disposed of by the Debentures Trustee. The Management has ascertained and decided to adjust disposal proceeds from the outstanding value of the debentures and estimated interest as per the best judgement. The Company has entered into a settlement agreement dated 5th May, 2023. Consideration as per the agreement has been paid. However, the sale of mortgaged property is yet to be materialized.

- c) Pursuant to letter dated 4th July, 2022, the Reserve Bank of India has notified cancellation of Certificate of Registration of the Company as Non- Banking Financial Institution in terms of its order dated 29th June, 2022. The Company filed a petition with the Appellate Authority of NBFC Registration for the restoration of the Certificate of Registration. The Appellate Authority has rejected the petition and passed the final order for cancellation of Registration dated 4th May, 2023. The company has filed writ petition for restoration of the licence and the matter is subjudice.
- d) There was a delay of 1 (one) day in uploading the Shareholding Pattern for the quarter ended June 30, 2024, on the Stock Exchanges, as required under Regulation 31 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Other Matters and Restrictions on Use

- 9. We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.
- 10. The certificate is addressed and provided to the Company's members solely for complying with the requirement of the SEBI LODR, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

REMUNERATION POLICY OF WILLIAMSON MAGOR & CO. LIMITED

Annexure V

PREAMBLE

Every Listed Company is required to adopt a policy relating to the remuneration of the Directors, Key Managerial Personnel and other employees. The Nomination and Remuneration Committee of the Board of Directors of the Company ('Board') formed pursuant to Section 178 of the Companies Act, 2013 ('Act') has formulated the criteria for determining qualifications, positive attributes and independence of a Director and recommended to the Board a policy relating to the remuneration for the directors, key managerial personnel and other employees.

The Committee shall specify the manner for effective evaluation of performance of Board, its Committees and individual directors to be carried out either by the Board, by the Remuneration Committee or by an independent external agency and review its implementation and compliance.

Towards compliance of the above provisions of the Act and also Regulation 19(4) read with Part D (A) (1) of Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors of Williamson Magor & Co. Limited ('WM'), being a Listed Company, has adopted this Remuneration Policy which is subject to review by the Nomination and Remuneration Committee of the Board and as when deemed necessary.

OBJECTIVES OF THE POLICY

The strategy of the Remuneration Policy is aimed at attracting and retaining a high standard of relevant talent to motivate qualified persons/Board Members and employees at the Executive level, to provide a well balanced and performance related remuneration package, taking into account the interest of the shareholders, industry standards and the regulatory provisions as applicable to the Company.

SELECTION CRITERIA OF BOARD MEMBERS

1. The Remuneration Policy ensures nomination of a suitable person for appointment as a Director of the Company with the objective of maintenance of Board diversity and such persons should possess basic academic qualification, requisite knowledge, experience in fields of varied industries and business skills that will benefit the Company and its business operations.
2. The criteria for determining positive attributes for appointment of any person as a Director includes the following :
Achiever, constructive, creative, decisive, deliberative, devoted, diligent, disciplined, dynamic, enterprising, focused, result oriented, self confident and sees the whole picture.
3. In case of appointment of an Independent Director, the aforesaid Committee considers the criteria for determining independence of a person as stipulated in Section 149(6) of the Act and the Rules made there under as also provided in Regulation 19 (4) read with Part D (A) (1) of Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

REMUNERATION OF EXECUTIVE DIRECTOR, MANAGER, COMPANY SECRETARY, CFO

Remuneration of Executive Director, if any, Manager under the Companies Act, 2013 ('Manager'), Chief Financial Officer ('CFO'), the Company Secretary of the Company is approved by the Board of Directors ('Board') of the Company within the broad Remuneration Policy formulated and recommended by the Nomination and Remuneration Committee of the Board and in conformity with the relevant provisions of the Companies Act, 2013 and also subject to the approval of the Shareholders in their General Meeting, if required.

The Company does not have any Executive Director. The Company Secretary and the Manager & CFO are entitled to performance bonus for each financial year up to such an amount as may be determined by the Board. Such remuneration is linked to short and long term performance objectives appropriate to the working of the Company and its goals as well as the group to which the Company belongs to as well as on the concerned employee's qualification and the grade and the overall performance of such employee of the Company as a whole.

REMUNERATION OF NON EXECUTIVE DIRECTORS

Commission of the Non- Executive and the Independent Directors of the Company is determined by the Board based, inter alia, on Company's performance and the prevailing regulatory provisions and is payable on a uniform basis to reinforce the principle of collective responsibility. All the Non-Executive Directors and the Independent Directors are also entitled to sitting fees for attending Meetings of the Board and Committees thereof, the quantum of which is determined by the Board within the limits as laid down in the Articles of Association of the Company. The sitting fees, as determined by the Board, is presently Rs. 10,000/- for attending each meeting of the Board, Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee. The Non-Executive and the Independent Directors are reimbursed out of pocket expenses for attending Board and Committee Meetings of the Company at a city other than the one in which they reside.

PUBLICATION AND OTHER PROVISIONS

The Policy is annexed to the Report of the Board of Directors in terms of the relevant provisions of the Act. The provisions of the Articles of Association of the Company and all the applicable laws and regulations shall deal with any matter not provided in this policy and the right to interpret this policy shall vest in the Board of Directors of the Company.

CRITERIA FOR EVALUATION OF INDEPENDENT DIRECTORS AND THE BOARD

The Nomination and Remuneration Committee has approved the following criteria for evaluation of Independent directors and the Board in terms of Regulation 19(4) read with Part D (A) (2) of Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 :

- I. Regular attendance in Board and Committee Meetings.
- II. Participation in discussions and contribution towards betterment and improvement of the Company's business operations.
- III. Expression of independent opinion on various matters taken up by the Board.
- IV. Adequate knowledge about the Company's business and the Country's business and economic scenario.
- V. Innovative ideas for growth of the Company and in solving problems faced by the Company.
- VI. In case of conflict of interest, prompt in disclosing the same.
- VII. Possessing long term vision for growth of the Company.

**FORM NO. MR-3****SECRETARIAL AUDIT REPORT****FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2025**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members,

WILLIAMSON MAGOR & CO. LIMITED

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **WILLIAMSON MAGOR & CO. LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The Company's Management is responsible for preparation and maintenance of secretarial and other records and for devising proper systems to ensure compliance with the provisions of applicable laws and Regulations.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit and considering the relaxations granted by Ministry of Corporate Affairs and Securities and Exchange Board of India, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2025 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2025 to the extent applicable, according to the provisions of:

- i) The Companies Act, 2013 (as amended) (the Act) and the rules made thereunder;
- ii) The Securities Contracts (Regulation) Act, 1956 and Rules made thereunder;
- iii) The Depositories Act, 1996 and Regulations and Bye-laws framed thereunder;
- iv) The Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct investment and External Commercial Borrowings;
- v) The Regulations and Guidelines prescribed under the Securities & Exchange Board of India Act, 1992 ("SEBI Act") or by SEBI, to the extent applicable:
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 2011
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021
 - e) The Securities and Exchange Board of India (Issue and listing of Non-convertible Securities) Regulations, 2021

- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

We have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards issued by The Institute of Company Secretaries of India.
- b) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except that:

- i. *Mr. Lakshman Singh, Mr. Chandan Mitra, Mr. Debasish Lahiri and Ms. Lyla Cherian, the directors of the Company have been disqualified to become directors under Section 164(2) of the Companies Act, 2013 with effect from 30th September, 2022.*
- ii. *the Company has appointed Mr. Tabrez Ahmed (DIN: 10570558) and Mr. Tapas Guha (DIN: 10812348) as the Independent Directors of the Company through Ordinary Resolution of the Shareholders of the Company.*
- iii. *The Shareholding Pattern for the quarter ended June, 2024 has been uploaded on Stock Exchange with a delay of 1 (one) day. The said delay occurred due to non-receipt of Benpos from the Depository. The Depository withheld the Benpos due to non-receipt of its fees.*
- iv. *the Company has conducted Non-Banking Financial Activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the RBI Act, 1934.*

We further report that during the year under review:

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- b) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c) None of the directors in any meeting dissented on any resolution and hence there was no instance of recording any dissenting member's view in the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that consequent to default in redemption of Non-Convertible Debentures by the Company, the debenture holder or debenture trustee have invoked various shares given as security by the company. The management has adjusted the sale proceeds taken on the closing market price on the date of invocation against the outstanding amount of principal and interest on the Non-Convertible Debentures. Subsequent to the aforesaid adjustment, as on 31.03.2025, the company continues to be in default in payment of principal from the quarter ended 30th September, 2021 and interest amount on Non-Convertible Debentures from the quarter ended 31st December, 2021.

We further report that vide letter dated 4th July, 2022, the Reserve Bank of India has notified cancellation of Certificate of Registration of the Company as Non-Banking Financial Institution in terms of its order dated 29th June, 2022. The company filed a petition with the Appellate Authority of NBFC Registration for the restoration of the Certificate of Registration. The Appellate Authority has rejected the petition and passed the final order for cancellation of Registration dated 4th May, 2023. The Company has filed writ petition dated January 04, 2024 in the Hon'ble High Court of Calcutta against the rejection order of appellate authority.

We further report that the Securities and Exchange Board of India (SEBI) has during the year under review imposed a penalty of Rs. 2,00,000/- for failure to take prior approval of the Audit Committee for the transaction with Babcock Borsing Limited in the Financial Year 2014 - 2015 and failure to make disclosure of the transaction with Babcock Borsing Limited in the Annual Report for the Financial Year 2014 - 2015. The Company has paid the requisite amount of penalty to Securities Exchange Board of India.

This report is to be read with our letter of even date which is annexed as **Annexure – I** which forms an integral part of this report.

ANNUAL REPORT ON CSR ACTIVITIES

Annexure VII

[Pursuant to Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended.]

1. Brief outline on CSR Policy of the Company: Your Company is conscious of its social responsibilities and the environment in which it operates. The CSR activities of the Company shall primarily include one or more of the items covered under Schedule VII of the Act. The Company did not have any official CSR project during the financial year ended 31st March, 2025. The Board has a CSR Committee and has adopted a CSR Policy pursuant to which the CSR activities are undertaken in one or more of the fields covered under Schedule VII to the Companies Act, 2013. The detailed CSR Policy of the Company can be accessed at <http://www.wmtea.com>
2. The Composition of the CSR Committee: The Composition of CSR Committee is furnished under the head Corporate Social Responsibility in the Directors Report.
3. Provide the web-link where Composition of CSR committee, CSR Policy and CSR projects approved by the board are disclosed on the website of the company: The detailed Composition of CSR committee, CSR Policy and CSR projects of the Company can be accessed at <http://www.wmtea.com>
4. Details of impact assessment of CSR projects carried out in pursuance of sub-rule (3) of Rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014, if applicable: Not Applicable.
5. Details of the amount available for set-off in pursuance of sub-rule (3) of Rule 7 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 and amount required for set-off for the financial year, if any: Not Applicable.
6. Average net profit of the company as per Sec 135(5): Rs. (4,03,398) thousand,
7. (a) Two percent of average net profit of the company as per section 135(5)- Rs. (8,068) thousand
 (b) Surplus arising out of the CSR projects or programmes or activities of the previous financial years: NA
 (c) Amount required to be set off for the financial year, if any: NA
 (d) Total CSR obligation for the financial year (7a+7b-7c): NA

8. (a) CSR amount spent or unspent for the financial year:

Amount Unspent (Rs. in Lakhs)					
Total Amount Spent for the Financial Year (Rs. in Lakhs)	Total Amount transferred to Unspent CSR Account as per section 135(6)		Amount transferred to any fund specified under Schedule VII as per second proviso to section 135(5)		
	Amount (Rs In Lakh)	Date of Transfer	Name of the Fund	Amount (Rs In Lakh)	Date of Transfer
Not Applicable					

(b) Details of CSR amount spent against ongoing projects for the financial year:

Sl. No.	Name of the Project	Item from the list of activities in Schedule VII to the Act	Local area (Yes/ No)	Location of the project	Project duration. (in years)	Amount allocated for the project (Rs. in Lakhs)	Amount spent in the current financial year (Rs. in Lakhs)	Amount transferred to Unspent CSR Account for the project as per Section 135(6) (Rs in Lakhs)	Mode of Implementation - Direct (Yes/No)	Mode of Implementation - Through Implementing Agency	Name	CSR Registration Number
				State	District							
Not Applicable												

(c) Details of CSR amount spent against other than ongoing projects for the financial year:

Sl. No.	Name of the Project	Item from the list of activities in Schedule VII to the Act	Local area (Yes/ No)	Location of the project	Amount spent for the project (in Rs.)	Mode of Implementation - Direct (Yes/ No)	Mode of Implementation - Through Implementing Agency	Name	CSR Registration Number
Not Applicable									

- (d) Amount spent in Administrative Overheads- Not Applicable
- (e) Amount spent on Impact Assessment, if applicable- Not Applicable
- (f) Total amount spent for the Financial Year (8b+8c+8d+8e)- Not Applicable
- (g) Excess amount for set off, if any- Not Applicable

9. (a) Details of unspent CSR amount for the preceding three financial years:

Sl. No.	Preceding Financial Year	Amount transferred to unspent CSR account under Section 135 (6)	Amount spent in the reporting financial year	Amount transferred to any fund specified under Schedule VII as per Section 135(6), if any	Amount remaining to be spent in succeeding financial years
				Amount	Date of Transfer
				Name of the Fund	
Not Applicable					

(b) Details of CSR amount spent in the financial year for ongoing projects of the preceding financial year(s):

Sl. No.	Project Id	Name of the Project	Financial Year in which the project was commenced	Project Duration	Total Amount allocated for the Project (In Rs.)	Amount spent on the Project in the reporting Financial Year (In Rs.)	Cumulative amount spent at the end of reporting financial year (in Rs.)	Status of the project – Completed / Ongoing
Not Applicable								

10. In case of creation or acquisition of capital asset, furnish the details relating to the asset so created or acquired through CSR spent in the financial year (asset-wise details).
- (a) Date of creation or acquisition of the capital asset(s)- NA
 - (b) Amount of CSR spent for creation or acquisition of capital asset. - NA
 - (c) Details of the entity or public authority or beneficiary under whose name such capital asset is registered, their address etc.- NA
 - (d) Provide details of the capital asset(s) created or acquired (including complete address and location of the capital asset).
– NA
11. Specify the reason(s), if the Company has failed to spend two percent of the average net profit as per Section 135(5): Not Applicable

Additional Information-

In terms of the requirements of Section 135 of the Companies Act, 2013 and Rules made thereunder, the Company was not required to spend on CSR activities during the financial year ended 31st March, 2025 since the Company had no average net profits during the three immediately preceding financial years.

INDEPENDENT AUDITOR'S REPORT

To the Members of WILLIAMSON MAGOR & Co. LIMITED

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of Williamson Magor & Co. Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31st March, 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity, the Standalone Statement of Cash Flows for the year ended 31st March, 2025, and notes to the Standalone Financial Statements, including a summary of material accounting policy information and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the matters described in the Basis for Qualified Opinion section of our Report, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act and other principles generally accepted in India of the state of affairs of the Company as at 31st March, 2025, its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

a. Non-recognition of Interest Expense

We draw attention to Note 47 of the Standalone Financial Statement relating to non-recognition of interest expense on secured borrowings from financial institutions and unsecured inter-corporate borrowings. As the matter is under dispute / negotiation, the Company has neither recognized nor ascertained any finance cost on such secured borrowings for the period given hereunder :

Sl. No.	Name of the Secured Lender	Period for which interest has not been provided for
1	InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)	From August, 2019 upto March, 2025
2	HDFC Bank Limited	From April, 2021 upto March, 2025

Interest expense on unsecured inter-corporate borrowings amounting to Rs. 4,64,188 thousand for the year ended 31st March, 2025 including Rs. 1,06,766 thousand for the quarter ended on that date has not been recognised by the Company. As a result, finance cost, liability on account of interest and total Comprehensive loss is understated to that extent. Further, penal/compound interest and other adjustments in respect of borrowings have not been recognised and amount payable to the lenders and other parties in this respect are lacking confirmation from respective parties and consequential reconciliation. Pending final determination of amounts with respect to these, adjustments and impacts arising therefrom have not been ascertained and as such cannot be commented upon by us.

This constitutes a departure from the requirements of Indian Accounting Standard 109 "Financial Instruments" and accrual basis of accounting.

b. Default in repayment of principal and interest

We draw attention to Note 48 of the Standalone Financial Statement with respect to default in repayment of Principal and Interest on Non-Convertible Debentures issued to IL&FS Financial Services Limited and subsequent settlement agreed upon. In earlier years, Security provided by the Company by way of mortgage/pledge of certain properties with the Debenture Trustee against issue of above debentures have been invoked by the Debenture Trustee from time to time.

The Management has ascertained and decided to adjust disposal proceeds and payment made as per the settlement agreement from the outstanding value of debentures and estimated interest as per the repayment schedule. We are unable to ascertain the effect of the same as of now due to the lack of requisite confirmations and pending reconciliations.

c. Default in payment of interest and repayment of principal of secured and unsecured loans

We draw attention to Note No 47(c), 47(d), 52, 53 and 54 of the Financial Statement with respect to default in payment of interest and repayment of principal of Loan borrowed from secured and unsecured lenders of the Company.

d. Recognition of Deferred Tax Assets

We draw attention to Note 31(c) of the Standalone Financial Statements where the Management has considered recognition of deferred tax assets amounting to Rs. 14,03,564 thousand as at 31st March, 2025 assuming virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such assets can be realised.

Considering the management's assessment of going concern assumption in the Standalone Financial Statements, the condition of reasonable certainty for recognizing the deferred tax assets as per Ind AS 12 "Income Taxes" has not been met. Consequently, deferred tax assets are overstated and total comprehensive loss for the year ended 31st March, 2025 is understated to that extent.

e. Balances of receivables, unsecured and secured loan creditors and their balance confirmations.

We draw attention to Note 33 to the Standalone Financial Statements, relating to trade and other receivables and liabilities including those payable to loan creditors lacking reconciliation and confirmation. Non-determination/ recognition of amount payable in respect of claims pursuant to the undertaking executed between the company and the lenders in respect of certain group companies regarding company's obligation in respect of the settlement arrived at with corporate lenders. Pending determination of the company's obligation and finalization of terms and conditions following the agreement arrived at with the parties, adjustments to be made in this respect are currently not ascertainable and as such cannot be commented upon by us.

f. Material uncertainty related to Going Concern

We draw attention to Note 46 of the Standalone Financial Statements with respect to material uncertainty related to Going Concern. The Company has defaulted in repayment of borrowings to its financial institutional lenders and others. In view of the Management, the Company would be able to improve its net working capital position to discharge its current and non-current financial obligations. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Financial Statements".

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that in our professional judgement were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section we have determined the matters described below to be the key audit matters to be communicated in our report.

Serial. No.	Key Audit Matters	Auditor's Response to Key Audit Matters
1	<p>Valuation of unquoted financial assets held at fair value</p> <p>The valuation of the Company's unquoted financial assets held at fair value is a key audit matter due to the significance of the amount and complexity involved in the valuation process. Management makes significant judgements because of the complexity of the techniques and assumptions used in valuing some of the level 3 investment securities given the limited external evidence and unobservable market data available to support the Company's valuations.</p>	<p>Principal Audit Procedures :</p> <ul style="list-style-type: none"> Assessed the valuation methodologies including evaluation of independent external valuers' competence, capability and objectivity. Assessed the reasonableness of key assumptions based on our knowledge of the business and industry. Checked, on a sample basis, the accuracy and relevance of the input data used.

Serial. No.	Key Audit Matters	Auditor's Response to Key Audit Matters
2	<p>Impairment loss allowances for loans and advances</p> <p>Impairment loss allowance of loans and advances ("Impairment loss allowance") is a key audit matter as the Company has significant credit risk exposure. The value of loans and advances on the Standalone Balance Sheet is significant and there is a high degree of complexity and judgment involved for the Company in estimating individual and collective credit impairment provisions and write-offs against these loans. The Company's model to calculate expected credit loss ("ECL") is inherently complex and judgment is applied in determining the three-stage impairment model ("ECL Model"), including the selection and input of forward-looking information. ECL provision calculations require the use of large volumes of data. The completeness and reliability of data can significantly impact the accuracy of the modelled impairment provisions. The accuracy of data flows and the implementation of related controls are critical for the integrity of the estimated impairment provisions.</p>	<p>We started our audit procedures with the understanding of the internal control environment related to Impairment loss allowance. Our procedures over internal controls focused on recognition and measurement of impairment loss allowance. We assessed the design and tested the operating effectiveness of the selected key controls implemented by the Company.</p> <p>We also assessed whether the impairment methodology used by the Company is in line with the requirements of Ind AS 109, "Financial Instruments". More particularly, we assessed the approach of the Company regarding the definition of default, Probability of Default, Loss Given Default and incorporation of forward-looking information for the calculation of ECL.</p> <p>For loans and advances which are assessed for impairment on a portfolio basis, we performed particularly the following procedures:</p> <ul style="list-style-type: none"> • tested the reliability of key data inputs and related management controls; • checked the stage classification as at the Standalone Balance Sheet date as per definition of default; • calculated the ECL provision manually for a selected sample; and <p>assessed the assumptions made by the Company in making accelerated provision, considering forward looking information and based on the status of a particular industry as on the reporting date.</p>

Emphasis of Matter

- We draw attention to Note 43 to the Standalone Financial Statements which states that the registration of the company as a Non-Banking Finance Company stands cancelled by the Reserve Bank of India due to erosion of its net worth.
- We draw attention to Note 55 to the Standalone Financial Statements regarding claims filed against McNally Bharat Engineering Company Limited and provision made there against.

Our opinion is not modified in respect of this matter.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Financial Performance highlights, Board's Report including Annexure to Board's Report, Management Discussions and Analysis, Business Responsibility Report, Shareholders Information and other information in the Integrated Annual Report but does not include the Standalone Financial Statements and our auditors' report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information as identified above when it becomes available, and in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of auditors' report, we conclude that there is a material misstatement of this information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information, which we will obtain after the date of auditors' report and if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including total comprehensive profit, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also

includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure- A**, a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and except for the effects/ possible effects of the matters described in Basis for Qualified Opinion Section above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) in our opinion, except for the effects/ possible effects of the matters described in Basis for Qualified Opinion Section above, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) Subject to the matters specified in qualified opinion section of our report, in our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the information received from the Company, the following directors are disqualified w.e.f 30th September, 2022 as per section 164(2)(b) of Companies Act, 2013:
 - Mr. Chandan Mitra (DIN: 09069336)
 - Mr. Lakshman Singh (DIN: 00027522)
 - Mr. Debashis Lahiri (DIN: 09451354)
 - Ms. Lyla Cherian (DIN: 09452847)
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**";
 - g) With respect to the matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act (as amended), the Company has neither paid nor provided for any remuneration to its directors during the year.
 - h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. except for the possible effects of the matter described in the Basis for Qualified Opinion section of our Report, the Company has disclosed the impact of pending litigations as at 31st March, 2025 on its financial position in the Financial Statements. (Refer Note 30 to the Financial Statements).
 - ii. the Company did not have any material foreseeable losses on long-term contracts including derivative contracts, and
 - iii. there were no amounts due which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - a) the management has represented that, to the best of its knowledge and belief, and as disclosed in Note No. 59(g)(i), no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) the management has represented that, to the best of its knowledge and belief, and as disclosed in Note No. 59(g)(ii), no funds (which are material either individually or in the aggregate) has been received by the Company from any other person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly lend to or invest in any other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c) based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has neither declared nor paid any dividend during the year.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year ended 31st March, 2025 for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Annexure – A to the Independent Auditor's Report

(Referred to in paragraph-1 under 'Report on Other Legal and Regulatory Requirements' of our Report of even date to the members of Williamson Magor & Co. Limited on the Standalone Financial Statements for the year ended 31st March, 2025)

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company does not have any intangible assets as at 31st March, 2025. Accordingly, Clause 3(i)(a)(B) of the Order is not applicable.
 - b) As explained to us, Property, Plant and Equipment have been physically verified by the management at reasonable intervals. In the absence of evidence for physical verification we are unable to comment whether material discrepancies exists.
 - c) According to the information and explanations given to us and on the basis of our examination of the records provided to us, we report that, the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company.
 - d) The Company has not revalued its Property Plant and Equipment or intangible assets or both during the year.
 - e) According to the information and explanations given to us and represented by the management, no proceedings have been initiated during the year or are pending against the Company as at 31st March, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and the rules made thereunder. Accordingly, further reporting under clause 3(i)e of the Order is not applicable to the Company.
- ii. In respect of the Company's Inventories:
 - a) The Company's nature of operations does not require it to hold any item of inventories. Accordingly, clause 3(ii)(a) of the Order is not applicable.
 - b) The Company has not been sanctioned working capital limits in excess of Rs. 5 crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. The Company has made investments in companies, during the year, in respect of which:
 - a) As the company's principal business is to give loans, reporting under clause 3 (iii) (a) (A) and (B) of the Order is not applicable.
 - b) In our opinion, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are, prima facie, not prejudicial to the Company's interest.
 - c) According to the information and explanations given to us and on the basis of our examination of the records provided to us, the schedule of repayment of principal and payment of interest is not being stipulated and we are unable to make specific comment on the regularity of repayment of principal and payment of interest.
 - d) There is an overdue amount remaining outstanding as at the balance sheet date. The total amount overdue for more than 90 days is stated below:

(Rs. in thousands)

No. of Cases	Principal amount overdue	Interest Overdue	Total Overdue
12	34,50,091	4,68,653	39,18,744

The management has taken necessary reasonable steps to recover the principal and interest amount.

- e) As the company's principal business is to give loans and advances, reporting under clause 3 (iii) (e) of the Order is not applicable.
- f) The Company has granted loans or advances in the nature of loans to promoters and related parties as defined in clause (76) of section 2 of the Act which are either repayable on demand or given without specifying any terms or period of repayment. The aggregate amounts of loan and advances granted is as stated below:

(Rs. in thousands)

	All Parties	Promoters	Related Parties
Aggregate Amount of loans/advance in nature of loans			
-Repayable on demand(A)			
-Agreement does not specify any terms or period of repayment (B)	33,72,882	-	17,74,060
Total (A+B)	33,72,882		17,74,060
Percentage of loans/advances in nature of loans to the total loans			52.60%

The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

- iv. According to the information and explanations given to us and on the basis of our examination of records of the Company, in respect of investment made and loans, guarantees and security given by the Company, in our opinion the provisions of sections 185 and 186 of the Act, have been complied with.
- v. According to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits in terms of directives issued by Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed thereunder to the extent notified. Accordingly, Clause 3 (v) of the Order is not applicable.
- vi. According to the information and explanations given to us, the maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Accordingly, Clause 3 (vi) of the Order is not applicable.
- vii. (a) According to the information and explanation given to us and based on our examination, there were delays during the year in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Income tax, Goods and Service Tax and other material statutory dues as applicable to it. There were no such delays in respect of amount payable towards Investor Education and Protection Fund, Employee's State Insurance, Sales tax, Wealth tax, service tax, Custom duty, Excise Duty, Value Added tax, Cess as applicable to it.

There were no undisputed amounts payable in respect of Provident Fund, Investor Education and Protection Fund, Employee's State Insurance, Income Tax, Sales Tax, Custom Duty, Excise Duty, Value Added tax, Cess and other material statutory dues in arrear as at March 31, 2025 for a period of more than six months from the date they become payable read with Note No. 26 except as detailed below:

(Rs. in thousands)

Name of the Statute	Nature of Dues	Amount	Period to which the amount relates	Due Date
Income Tax Act, 1961	Tax Deducted at Source	0.4	Earlier Years	
		2	September 2021	7th October, 2021
		0.4	August 2023	7th September, 2023
		75	October 2023	7th November, 2023
		288	November 2023	7th December, 2023
		114	December 2023	7th January, 2024
		15	January 2024	7th February, 2024
		14	February 2024	7th March, 2024
		15	March 2024	30th April, 2024
		75	April 2024	7th May, 2024
		44	May 2024	7th June, 2024
		41	June 2024	7th July, 2024
		139	July 2024	7th August 2024
		49	August 2024	7th September, 2024
Goods & Services Tax	Outward Tax Liability	3,072	June 2023	20th July, 2023
		772	July 2023	20th August, 2023
		68	August 2023	20th September, 2023
		68	April 2024	20th May 2024
		40	May 2024	20th June 2024
		44	June 2024	20th July 2024
		38	July 2024	20th August 2024
		36	August 2024	20th October, 2024

- (b) According to the information and explanations given to us, the Company has not deposited the following disputed dues with the appropriate authorities:

Name of the Statute	Nature of Dues	Amount (Rs. in thousands)	Period to which the amount relates	Forum where dispute is pending
Central Excise Act, 1944	Interest on Duty of Excise	711	1987-1988	Hon'ble High Court of Chennai
Finance Act, 1994	Service tax penalty and interest thereon	11,931 and interest thereon	2004-05 and 2005-06	Customs, Excise and Service Tax Appellate Tribunal, East Zonal Bench, Kolkata

- viii. According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transaction, previously unrecorded as income in the books of account, in the tax assessment under the Income Tax Act, 1961. Accordingly, clause 3 (viii) of the Order is not applicable.
- ix. (a) In our opinion and according to the information and explanations given to us, the Company has defaulted in repayment of borrowings and in the payment of interest to financial institutions during the year ended on 31st March, 2025. The details of such defaults are as under:

Nature of Borrowings	Name of Lender	Amount not paid on due date (Rs. In thousands)	Whether Principal or interest	No. of days delay or unpaid since	Remarks
Term Loan	Housing Development & Finance Corporation Limited	6,47,832	Principal	1277	Under Dispute
Term Loan	KKR India Financial Services Private Limited	10,00,000	Principal	1277	Under Dispute
Term Loan	SREI Infrastructure Finance Limited	16,615	Principal	31	The Company has paid Rs. 5,500 thousand in April 2025.
		332	Interest		

The above amounts have been disclosed on the basis described in Note No. 47(c), 47(d) and 52 of the financial statement. The above defaults and amount due are however subject to confirmation and reconciliation with respective parties and completion of the settlement with respect to the Company's borrowing by the lenders.

- (b) According to the information and explanation given to us, and based on our examination, the Company is not declared as wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanation given to us, and based on our examination, the Company had taken term loans which were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanation given to us, and based on our examination, the Company has not raised any funds on short term basis which have been utilized for long term purposes.
- (e) According to the information and explanation given to us, and based on our examination, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures. Hence, reporting under Clause 3 (ix) (e) of the order is not applicable.
- (f) According to the information and explanation given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x. (a) According to the information and explanations given to us and based on our examination of the books and records, we report that the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the order is not applicable.
- (b) According to the information and explanations given to us and based on our examination of the books and records, we report that the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence, reporting under clause 3 (x) (b) of the order is not applicable.

- xi. (a) According to the information and explanations given to us and as represented by the Management and based on our examination of books and records of the company and in accordance with generally accepted auditing practices, no fraud by the Company or no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report.
- c) According to the information and explanation given to us, no whistle blower complaint has been received during the year by the company.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3 (xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the books and records of the Company, we report that the transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- xiv. (a) According to the information and explanations given to us and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditors for the period under audit were considered by us in determining the nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the books and records, we report that the Company has not entered into any non-cash transactions with directors or persons connected with them during the year. Accordingly, clause 3 (xv) of the Order is not applicable.
- xvi. (a) The Company is required to get registered under section 45-IA of the Reserve Bank of India Act, 1934, however the company's certificate of registration has been cancelled during the year by the Reserve Bank of India.
- (b) The Company has conducted Non-Banking Financial activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the RBI Act, 1934.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Hence, reporting under clause 3 (xvi) (c) of the Order is not applicable.
- (d) In our opinion, and accordingly to the information given to us, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3 (xvi) (d) of the Order is not applicable.
- xvii. According to the information and explanations given to us and based on our examination and after taking the impact of basis of qualified opinion to the extent quantifiable, the Company has not incurred any cash losses during the financial year and cash loss of Rs. 1,04,730 thousand was incurred during preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination we are of the view that there are certain events and conditions that exist which indicate material uncertainty and cast a significant doubt on the company's ability to continue as a going concern and the company will not be capable of meeting its liabilities existing at 31st March, 2025 as and when they fall due within the period of one year from the above said date.
- xx. (a) According to the information and explanations given to us, the company is not required to make any Corporate Social Responsibility (CSR) expenditure under Section 135 of the said Act. Hence, reporting under clause 3 (xx) (a) and (b) of the Order is not applicable for the year.

**Annexure – B to the Independent Auditor's Report**

(Referred to in paragraph-2(f) under 'Report on Other Legal and Regulatory Requirements' of our Report of even date to the members of Williamson Magor & Co. Limited on the Standalone Financial Statements for the year ended 31st March, 2025)

Report on the Internal Financial Controls with reference to the aforesaid Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the financial statements of Williamson Magor & Co. Limited ("the Company") as of 31st March, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Basis for Qualified Opinion**

According to the information and explanation given to us and based on our audit, the following material weakness have been identified in the Investment Company's internal financial controls over financial reporting with reference to Financial Statement as at 31st March, 2025.

- The Company did not have an appropriate internal control system in relation to the granting of loans and advances /other advances to promoter group companies and other companies, including ascertaining economic substance and business rationale of the transaction, establishing segregation of duties and determining credentials of the counter parties.
- With respect to Inter-Corporate Deposits (ICD), the Company did not have appropriate system to evaluate the credit worthiness of the parties and recoverability of monies given including interest thereon.
- Certain individual details of debit and credit balances and reconciliation thereof with control balances of receivable/payable were not available. IT Control systems and procedures needs strengthening in terms of framework for Internal Control over financial reporting with reference to financial statements taking into account related controls and procedures as stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India so that to facilitate required reconciliations and provide details for documentation with respect to internal financial controls in the respective areas.
- Supporting audit evidence with respect to certain Inter Corporate Deposits (ICDs), Short-term Borrowings and Advances for repayment/adjustment by lenders to determine the basis and terms and conditions were not available.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting with reference to financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the effects/possible effects of the material weaknesses described in Basis for Qualified Opinion Section above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate and effective internal financial controls with reference to the financial statements as of 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Note 1

Corporate Information

Williamson Magor & Co. Limited ("the Company") was incorporated as Public Company in the year 1949. The Company limited by shares is domiciled in India, having its registered office at Four Mangoe Lane, Surendra Mohan Ghosh Sarani, Kolkata-700001.

The Company currently operates as an Investment Company (Refer Note No 43). The Equity Shares of the Company are listed on the Bombay Stock Exchange, the National Stock Exchange of India and the Calcutta Stock Exchange Limited.

The financial statements were approved by the Board of Directors on 28th May, 2025.

Note 2

Material Accounting Policy Information

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of Preparation

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act and the Rules made thereunder (as amended from time to time) and applicable RBI directions.

The Company presents its Standalone Financial Statements to comply with Division III of Schedule III to the Act which provides general instructions for the preparation of Financial Statements of a Non-Banking Financial Company (NBFC to comply with Ind AS) and the requirements of Ind AS. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 41.

Financial Assets and Financial Liabilities are generally reported gross in the Balance Sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default

The Standalone Financial Statements have been prepared and presented on the Going Concern basis and at Historical Cost, except for the following assets and liabilities, which have been subsequently measured at fair value:

- Certain Financial assets and liabilities at fair value (Refer Note 2.4)
- Employee's Defined Benefit Plan as per actuarial valuation (Refer Note 2.11)

2.2 Functional and Presentation Currency

The Standalone Financial Statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All Financial information presented in INR has been rounded off to thousands, unless otherwise stated.

2.3 Use of Estimates and Judgements

The preparation of the Standalone Financial Statements in conformity with Ind AS requires the management of the Company to make estimates, assumptions and judgements that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in the financial statements have been disclosed as applicable in the respective notes to accounts. Changes in estimates are reflected in the Standalone Financial Statements in the period in which changes are made and, if material, their effect are disclosed in the notes to the Standalone Financial Statements.

This note provides an overview of the areas where there is a higher degree of judgement or complexity. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgements are:

- Defined Benefit Obligations - Note 2.11
- Recognition of Revenue – Note 2.12
- Current Tax- Note 2.14

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

- Deferred Tax – Note 2.14
- Impairment of Financial Assets – Note 2.6

Estimates and assumptions are continuously evaluated based on most recent available information. Revisions to accounting estimates are recognised prospectively in the Standalone Statement of Profit and Loss in the period in which the estimates are revised and future period affected.

Although these estimates are based on managements' best knowledge of current events and action, uncertainty about these assumptions and estimates could result in outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods.

2.4 Fair Value Measurement

The Company measures financial instruments and other derivatives at fair values except Equity Investments in Joint Ventures and Associates at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a Non-Financial Asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities (for which fair value is measured or disclosed in the Standalone Financial Statements) are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the Standalone Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted Financial Assets measured at fair value, and for non-recurring measurement, such as assets held for disposal in discontinued operations.

At each reporting date, the management analyses the movements in the values of assets and liabilities, which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

2.5 Property, Plant and Equipment (PPE) and Depreciation

PPE are stated at Acquisition or Construction cost less Accumulated Depreciation and Impairment Loss. Cost comprises the purchase price and any attributable cost of bringing the asset to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning (if any).

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the cost of the item can be measured reliably. Expenditure incurred after the PPE have been put into operations, such as repair and maintenance expenses are charged to the Standalone Statement of Profit and Loss during the year in which they are incurred.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

2.5.1 Depreciation

Depreciation is recognised so as to write-off the Cost of assets less their Residual values as per Written Down Value method, over the estimated Useful lives as prescribed in Schedule II to the Act.

Residual value is estimated as 5% of the original cost of PPE.

The PPE's residual values and useful lives are reviewed, at each financial year end, and if expectations differ from previous estimates the same is accounted for as change in accounting estimates.

Depreciation on additions to/deductions from PPE during the year is charged on pro-rata basis from the date of such addition or, as the case may be, up to the date on which such asset has been available for use/disposed of.

2.5.2 Derecognition

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the de-recognition of an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in the Standalone Statement of Profit and Loss.

2.6 Financial Instruments

A Financial Instrument is any contract that gives rise to a Financial Asset of one entity and a financial liability or equity instrument of another entity.

2.6.1 Financial Assets

Initial recognition and measurement

All Financial assets are recognised initially at fair value. However, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are included therein.

Subsequent measurement

For the purposes of subsequent measurement, financial assets are classified in four categories:

- Debt Instruments at Amortised cost
- Debt Instruments at Fair Value Through Other Comprehensive Income (FVTOCI)
- Debt Instruments, Derivatives and Equity Instruments, Mutual funds at Fair Value Through Profit or Loss (FVTPL)
- Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI)

Debt Instruments at Amortised Cost

A 'Debt Instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in Finance Income in the Standalone Statement of Profit and Loss. The losses arising from impairment are recognised in the Standalone Statement of Profit and Loss.

Debt Instruments at FVTOCI

A 'Debt Instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the Financial assets, and
- b) The asset's contractual cash flows represent Solely Payments of Principal and Interest (SPPI).

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the Other Comprehensive Income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the Standalone Statement of Profit and Loss.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Standalone

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt Instruments at FVTPL

FVTPL is a residual category for debt instruments. Any debt instruments, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Standalone Statement of Profit and Loss.

Equity Instruments

All equity investments (other than investments in associates and joint ventures) are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the Company has irrevocable option to present in OCI subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Company classifies equity instruments as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to the Standalone Statement of Profit and Loss, even on sale of investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Standalone Statement of Profit and Loss.

Classification and Provisioning

Loan asset classification of the Company is given in the table below :

Particulars	Criteria	Provision
Standard Assets	The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business.	0.25% of the outstanding loan portfolio of standard assets.
Sub- Standard Assets	An asset for which, interest/principal payment has remained overdue for more than 3 months and less than 12 months	10% of the outstanding loan portfolio of standard assets.
Loss Assets	An asset for which, interest/principal payment has remained overdue for a period of 12 months or more	100% of the outstanding loan portfolio of standard assets.

Impairment of Financial Assets

The Company applies the Expected Credit Loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, and other contractual rights to receive cash or other financial assets, and financial guarantees not designated as at FVTPL.

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Write off

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial assets (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

De-recognition of Financial Assets

A Financial Asset (or, where applicable, a part of a Financial Asset or part of a group of similar Financial Assets) is primarily derecognised (i.e. removed from the Balance Sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Reclassification of Financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification of financial assets like equity instruments and financial liabilities is made. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised as profit or loss.
FVTPL	Amortised cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss on the reclassification date

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Investments in Associates and Joint Ventures

Investments in Associates and Joint ventures are accounted for at cost in the Standalone Financial Statements and the same are tested for impairment in case of any indication of impairment.

2.6.2 Financial Liabilities and Equity Instruments

Classification as Debt or Equity

Debt and equity instruments, issued by the Company, are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial Liabilities

Initial Recognition

All Financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, debt securities and other borrowings.

Subsequent Measurement

After initial recognition, all financial liabilities are subsequently measured at FVTPL except borrowings which are measured at amortised cost using the Effective Interest Rate (EIR) method. Any gains or losses arising on derecognition of liabilities are recognised in the Standalone Statement of Profit and Loss.

De-recognition of Financial Liabilities

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the Standalone Statement of Profit and Loss.

Finance costs

Borrowing costs on financial liabilities are recognised using the EIR Method as explained above.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Standalone Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.7 Expected Credit Loss

Expected Credit Losses ('ECL') are recognised for Financial Assets held under amortised cost, debt instruments measured at FVTOCI, and certain loan commitments as approved by the Board and internal policies for business model.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL resulting from default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL resulting from all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial Assets where 12 months ECL is recognised are considered to be in 'stage 1'; Financial Assets that are considered to have significant increase in credit risk are considered to be in 'stage 2'; and Financial Assets which are in default or Financial Assets for which there is objective evidence of impairment are considered to be in 'stage 3'.

The treatment of the different stages of Financial Assets and the methodology of determination of ECL is set out below:

Unimpaired and without significant increase in credit risk (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments that remain in stage 1.

We have ascertained default events based on past behavioural trends witnessed for each homogenous portfolio. These trends are established based on customer centric scores, economic trends of industry segments in wholesale portfolios.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default occurring over the remaining life of the loan exposure. However, unless identified at an earlier stage, the Company have determined all assets deemed to have suffered a significant increase in credit risk when 30 days past due.

Based on other indications of borrower's delaying payments beyond due dates though not 30 days past due and other indications like non-cooperative borrowers, customer's overall indebtedness, death of customer, adverse impact on the business, serious erosion in the value of the underlying collateral, certain accounts are included in stage 2.

The measurement of risk of defaults under stage 2 are done by classifying them into homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles.

The default risk is assessed using probability of default (PD) derived from past behavioural trends of default across the identified homogenous portfolios.

For retail portfolios in stage 2, the probability of defaults initially based on are average lifetime probability of defaults experienced for stage 2 customers in each homogenous groups in the past. These past trends factor in the past customer centric behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed probability of defaults are then aligned considering future economic conditions that are determined to have a bearing on ECL.

For wholesale loans, the default risk is established based on multiple factors like Nature of security, Customer industry segments external credit ratings, credit transition probabilities, current conditions and future macroeconomic conditions.

Credit impaired (stage 3)

The Company determines that a Financial asset is credit impaired and in stage 3 by considering relevant objective evidence, primarily whether

- Contractual payments of either principal or interest are past due for more than 90 days;
- The loan is otherwise considered to be in default

Interest income is recognised by applying the effective interest rate to the net amortised cost amount i.e. gross carrying amount less ECL allowance.

Movement between stages

Financial assets can be transferred between different categories depending on their relative increase in credit risk since initial recognition. Financial assets are transferred out of stage 2 if their credit risk is no longer considered significantly increased since initial recognition based on assessments described above.

Except for restructured assets, financial assets are transferred out of stage 3 when they no longer exhibit any evidence of credit impairment as described above. Restructured loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period typically 12 months post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Restructured Financial assets

A loan where repayment terms are renegotiated on substantially different terms as compared to the original contracted terms due to significant credit distress of the borrower are classified as credit impaired.

Measurement of ECL

The assessment of credit risk and the estimation of ECL are unbiased and probability weighted and incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money, a Probability of Default (PD), a Loss Given Default (LGD) and the Exposure at Default (EAD).

ECL is calculated by multiplying the PD, LGD and EAD. For stage 1 assets, the 12 months ECL is calculated. For assets in stage 2 and 3, Lifetime ECL is calculated using the lifetime PD.

The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected draw downs of committed facilities.

The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

The ECL for stage 2 and stage 3 is determined based on the expected future cash flows based on the estimates supported by past trends. Collateral is taken into account if it is likely that the recovery of the outstanding amount will include realisation of collateral based on the estimated value of the collateral at the time of estimated realisation, less costs for obtaining and selling the collateral. The cash flows are discounted at a reasonable approximation of the original effective interest rate.

2.8 Cash and Cash Equivalents

Cash and Cash Equivalents comprise cash in hand and cash at bank including fixed deposits with original maturity period of three months or less and short-term highly liquid investments with an original maturity of three months or less which are subject to insignificant risk of changes in value.

2.9 Earnings Per Share (EPS)

The basic EPS is computed by dividing the profit/loss after tax for the year attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year.

For the purpose of calculating diluted EPS, profit/loss after tax for the year attributable to the equity shareholders and the weighted average number of Equity Shares outstanding during the year is adjusted for the effects of all dilutive potential Equity Shares.

2.10 Impairment of Non-Financial Assets

At the end of each reporting period, the Company reviews the carrying amounts of Non-Financial Assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest cash-generating units for which a reasonable and consistent allocation basis can be identified. Recoverable amount is the higher of fair value less costs of disposal and value in use.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Standalone Statement of Profit and Loss.

2.11 Employee Benefits

Short-Term Employee Benefits

Liabilities for salaries and wages, including non-monetary benefits in respect of employees' services up to the end of the reporting period, are recognised as liabilities (and expensed) and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the Standalone Balance Sheet.

Post-employment Benefits

Defined Contribution Plan

Employee Benefits under defined contribution plans comprises of Contributory Provident Fund, Post Retirement Benefit Scheme, etc. are recognized based on the undiscounted amount of obligations of the Company to contribute to the plan.

Defined Benefits Plan

Defined Benefits plan comprising of gratuity, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligations which are computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefits expense in the Standalone Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Standalone Statement of Changes in Equity and in the Standalone Balance Sheet through Other Comprehensive Income. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Other Long-Term Employee Benefits

Other long-term employee benefits comprise of leave encashment towards un-availed leave and compensated absence, these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Re-measurement of leave encashment towards un-availed leave and compensated absences are recognized in the Standalone Statement of Profit and Loss except those included in cost of assets as permitted in the period in which they occur.

2.12 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

a. Interest Income

Interest income is accounted for all financial instruments measured at Amortised Cost or at Fair Value Through Other Comprehensive Income, interest income is recorded using the Effective Interest Rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instruments to the gross carrying amount of the financial asset. Interest income on all trading assets and Financial Assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

b. Dividend Income

Dividend Income is recognized as and when the Company's rights to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

2.13 Borrowings Costs

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such assets up to the date when such assets are ready for its intended use.

Other borrowing costs are charged to the Standalone Statement of Profit and Loss in the period in which they are incurred.

2.14 Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused tax losses.

Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax law) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred tax assets and liabilities are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities in the Standalone Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income or directly in equity.

Deferred tax assets and tax liabilities are offset where the entity has a legally enforceable right to set off current tax assets against

**Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025**

current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle on a net basis.

2.15 Provisions, Contingent Liabilities and Contingent Assets**Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When the effect of the time value of money is material, the Company determines the level of provision by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

Contingent Assets / Liabilities

A contingent liability is a present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. A contingent liability is disclosed. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the Standalone Financial Statements since this may result in the recognition of income that may never be realised. A Contingent asset is disclosed where an inflow of economic benefits is probable.

2.16. Recent Accounting Pronouncements

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Third Amendment Rules 2024, dated 28th September 2024, to amend the following Ind AS which is effective from 30th September 2024.

Amendment to Ind AS 104

An insurer or insurance company may provide its financial statement as per Ind AS 104 for the purposes of consolidated financial statements by its parent or investor or venturer till the Insurance Regulatory and Development Authority notifies the Ind AS 117 and for this purpose, Ind AS 104 shall, as specified in the Schedule to these rules, continue to apply.

The said amendment is not applicable to the Company and accordingly, has no impact on the Company's financial statements.

* Remeasurement of Post-employment benefit obligation

Nature and Purpose of Reserves:

Retained Earnings:

The Retained earnings comprises of General Reserve and Surplus which is used from time to time to transfer profits by appropriations. It is a free reserve of the Company and can be utilised in accordance with the provisions of the Companies Act, 2013 and as per the approval of the Board. It includes the remeasurement of defined benefit plans as per actuarial valuations which will not be reclassified to the Standalone Statement of Profit and Loss in subsequent periods.

Statutory Reserve:

Statutory Reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 ("the RBI Act"). In terms of section 45-IC of the RBI Act, a Non-Banking Finance Company is required to transfer an amount not less than 20 per cent of its net profit to a Reserve Fund before declaring any dividend. Appropriation from this Reserve Fund is permitted only for the purposes specified by RBI.

Capital Reserve:

Capital Reserve was created through business combinations and shall be utilised as per the provisions of the Companies Act, 2013.

Fair value of Equity Instruments through Other Comprehensive Income:

This reserve represents the cumulative effect of fair value fluctuations of Investments made by the Company in equity instruments of other entities. The cumulative gain or loss arising on such changes are recognised through Other Comprehensive Income (OCI) and is accumulated under this reserve. The amount from this reserve will not be reclassified to the Standalone Statement of Profit and Loss in subsequent periods.

Contingent Liabilities and Commitments

A) Contingent Liabilities

(₹ '000)

Particulars	As at 31st March, 2025	As at 31st March, 2024
a) Claims against the Company not acknowledged as debts:		
Excise matters under dispute (Note i)	711	711
Service Tax Matters under dispute (Note ii)	11,931	11,931
Others	128,363	128,363
b) Guarantees given for loans granted to companies within the group	10,16,330	10,16,330

The probable cash outflow in respect of the above is not determinable at this stage.

Notes:

- Representing claim in respect of Interest on Excise Duty pending before the Hon'ble High Court at Chennai.
- Representing demand as per Order issued by the Commissioner of Service Tax, Kolkata in respect of various service tax matters. The above includes penalty and interest for delayed payment of the taxes which have not been quantified in the Order.

B) Other commitments

- The Company has given an undertaking to ICICI Bank Limited not to transfer, assign, dispose of, pledge, charge or create any lien or in any way dispose of the existing Equity Shares to the extent of 13,04,748 shares or future shareholdings in McNally Bharat Engineering Company Limited without prior approval of the bank.
- In the matter of InCred Financial Services Limited (formerly KKR Financial Service Private Limited), the Company has been restrained from selling, transferring, alienating, disposing, assigning, dealing or encumbering or creating third party rights on their assets of the Company vide ex-parte, interim order passed by Hon'ble High Court of Delhi in O.M.P. (I) (COMM.) 459/ 2019 dated 13th December, 2019.

Note 31

(₹ '000)

Income Tax Disclosure

The Major Components of Income Tax Expense are stated below:

a) Income Tax Recognized in Profit or Loss

Particulars	As at 31st March, 2025	As at 31st March, 2024
Current Income Tax	-	-
Adjustment in respect of current income tax of previous year	-	-
Total Current Tax Expense	-	-
Deferred Tax		
(Decrease)/Increase in Deferred Tax Assets	(5,02,202)	1,10,383
Decrease/(Increase) in Deferred Tax Liabilities	35	(98)
Deferred Tax	(5,02,236)	1,10,285
Tax Expense	(5,02,236)	1,10,285

b) Deferred Tax related to items recognized in OCI during the year

(₹ '000)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Tax on Gain/(Loss) on FVTPL financial assets	-	-
Income Tax charged to OCI	-	-

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

c) Component of Deferred Tax

(₹ '000)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Deferred Tax Liabilities		
Depreciation	(63)	(98)
Deferred Tax Assets		
Unabsorbed Business Loss	3,74,068	4,24,328
Provision for investment & doubtful advances	10,29,559	4,77,097
Total Deferred Tax Assets	14,03,564	9,01,327

The Company has carried forward capital losses available for set off under Income Tax Act, 1961. However, in view of inability to assess future taxable income, the extent of deferred tax assets which may be adjusted in subsequent years is not ascertainable with virtual certainty at this stage and accordingly the deferred tax assets have not been recognized on unabsorbed capital loss.

The ultimate realization of deferred tax assets is dependent upon the future taxable income of the company. Deferred tax assets have been carried forward in this financial statement based on the management's assessment of reasonable certainty for reversal/ utilization thereof against future taxable income.

d) Reconciliation of Tax Expense

(₹ '000)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Profit / (Loss) before Tax	(22,98,696)	(3,93,949)

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

iv. Sensitivity Analysis Method

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

(₹ '000)

Particulars	31st March, 2025	31st March, 2024
Principal Actuarial Assumptions at the Balance Sheet Date		
Discount Rate	6.65%	6.97%
Salary Escalation – Staff	5.00%	5.00%
Annual Expected Future Service	7	8
Mortality Rate during Employment	IIAM 2012-2015 Ultimate	IIAM 2012-2015 Ultimate
Early Retirement & Disablement (All causes combined)	1.00%	1.00%
Rate of Employee Turnover		
Age - Up to 28 Years	0.01%	0.01%
Age - 29 to 45 Years	0.03%	0.03%
Age - 46 and above	0.06%	0.06%

Disability: Voluntary Retirement has been ignored.

Through its post-employment benefit obligations, the Company is exposed to a number of risks, the most significant of which are detailed below:

1. Interest Rate Risk: The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
2. Salary Inflation Risk: Higher than expected increases in salary will increase the defined benefit obligation.

Capital Management

The primary objective of the Company's capital management policy is to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximize shareholder's value.

The Company manages its capital structure and makes adjustments thereto in light of changes in economic conditions and requirements of the financial covenants. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Note 38 : Financial Instruments- Fair Value Measurement (Contd.)

Level 1 hierarchy includes financial instruments valued using quoted market prices. Listed equity instruments and traded debt instruments which are traded in the stock exchanges are valued using the closing price at the reporting date.

Level 2 hierarchy includes financial instruments that are not traded in active market. This includes OTC derivatives and debt instruments valued using observable market data such as yield etc. of similar instruments traded in active market. All derivatives are reported at discounted values hence are included in level 2. Borrowings have been fair valued using market rate prevailing as on the reporting date.

Level 3 if one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

iii. Valuation techniques used for valuation of instruments categorized as level 3.

For valuation of investments in equity shares and associates which are unquoted, peer comparison has been performed wherever available. Valuation has been primarily done based on the cost approach wherein the net worth of the Company is considered and price to book multiple is used to arrive at the fair value. In cases where income approach was feasible valuation has been arrived using the earnings capitalization method. For inputs that are not observable for these instruments, certain assumptions are made based on available information. The most significant of these assumptions are the discount rate and credit spreads used in the valuation process. For valuation of investments in debt securities categorized as level 3, market polls which represent indicative yields are used as assumptions by market participants when pricing the asset.

Note 39

The Company has a process whereby periodically all long-term contracts are assessed for material foreseeable losses. At the year end, the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses details whereof need to be provided under any law / Indian Accounting Standards.

Note 40

Financial Risk Management

The Company has operations in India. Whilst risk is inherent in the Company's activities, it is managed through a risk management framework, including on-going identification, measurement and monitoring subject to risk limits and other controls. The Company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the Company is exposed to and how the entity manages the risk.

Risk	Arising from	Executive governance structure	Management
Credit Risk	Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations	Board appointed Risk Management Committee	Credit risk is <ul style="list-style-type: none"> measured as the amount at risk due to repayment default of a customer or counterparty to the Company. Various metrics such as installment default rate, overdue position, collection efficiency, customers non-performing loans etc. are used as leading indicators to assess credit risk. monitored by Risk Management Committee using level of credit exposures, portfolio monitoring, repurchase rate, bureau data of portfolio performance and industry, geographic, customer, portfolio concentration risks; and assessment of any major change in the business environment including economic, political as well as natural calamity/pandemic. managed by a robust control framework by the risk and collection department which continuously align credit and collection policies and resourcing, obtaining external data from credit bureaus and reviews of portfolios and delinquencies by senior and middle management team comprising of risk, analytics, collection and fraud containment along with business. The same is periodically reviewed by the Board appointed Risk Management Committee.
Liquidity and funding risk	Liquidity risk arises from mismatches in the timing of cash flows. Funding risk arises from	Board appointed Asset Liability Committee (ALCO)	Liquidity and funding risk is <ul style="list-style-type: none"> measured by <ul style="list-style-type: none"> identification of gaps in the structural and dynamic liquidity statements. assessment of incremental borrowings required for meeting the repayment obligation as well as Company's business plan in line with prevailing market conditions.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Financial Risk Management (Contd.)

Risk	Arising from	Executive governance structure	Management
	<ul style="list-style-type: none"> inability to raise incremental borrowings and deposits to fund business requirement or repayment obligations when long term assets cannot be funded at the expected term resulting in cash flow mismatches Amidst volatile market conditions impacting sourcing of funds from banks 		<ul style="list-style-type: none"> monitored by <ul style="list-style-type: none"> assessment of the gap between visibility of funds and the near-term liabilities given current liquidity conditions and evolving regulatory directions for NBFCs. a constant calibration of sources of funds in line with emerging market conditions in banking periodic reviews by ALCO relating to the liquidity position and stress tests assuming varied 'what if' scenarios and comparing probable gaps with the liquidity buffers maintained by the Company. managed by Company's treasury team under the guidance of ALCO through various means like liquidity buffers, sourcing of long-term funds, positive asset liability mismatch, keeping strong pipeline of sanctions and approvals from banks and assignment of loans
Market Risk	Market risk arises from fluctuation in the fair value of future cash flow of financial instruments due to changes in the market variables such as interest rates and equity prices.	Board appointed Asset Liability Committee/ Senior Management	<p>Market risk is</p> <ul style="list-style-type: none"> measurement of market risks encompasses exposure to equity investments, foreign exchange rates which would impact our external commercial borrowings and interest rate risks on investment portfolios as well as the floating rate assets and liabilities with differing maturities is measured using changes in equity prices, and sensitivities movements; monitored by assessments of fluctuation in the equity price, movements of interest rate sensitivities under simulated stress test scenarios given range of probable interest rate movements on both fixed and floating assets and liabilities; and managed by Company's treasury team under the guidance of ALCO and Investment Committee.

The Board of Directors provides guiding principles for overall risk management, as well as policies covering specific areas, such as, credit risk, liquidity risk, and investment of available funds. The Company's risk management is carried out by its Risk Management Committee as per such policies approved by the Board of Directors. Accordingly, Company's Risk Management Committee identifies, evaluates and manages financial risks.

Financial Risk Management (Contd.)

Liquidity and funding risk

ALCO monitors asset liability mismatches to ensure that there are no imbalances or excessive concentrations on either side of the balance sheet. The table below summarizes the maturity profile of the undiscounted contractual cash flow of financial liabilities.

(₹ '000)

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Financial Risk Management (Contd.)

Disputed and defaulted liability have been considered as due within 12 months in compliance with Ind AS 1: Presentation of Financial Statements.

a) Interest rate risk

The Company holds shorter duration investment portfolio and thus it has a minimum fair value change impact on its investment portfolio. The interest rate risk on the investment portfolio and corresponding fair value change impact is monitored.

On assets and liabilities

Interest rate sensitivity on fixed and floating rate assets and liabilities with differing maturity profiles is measured by using the duration gap analysis. The same is computed monthly and sensitivity of the market value of equity assuming varied changes in interest rates are presented and monitored by ALCO.

b) Price risk

Company's equity investments carry a risk of change in prices. To manage its price risk arising from investments in equity securities, Company periodically monitors the sectors it has invested in, performance of the investee companies, measures mark-to-market gains/losses and reviews the same.

c) Credit Risk

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Company. It has a diversified lending model and focuses on commercial lending.

Classification of financial assets under various stages

The Company classifies its financial assets in three stages having the following characteristics

Stage 1: unimpaired and without significant increase in credit risk since initial recognition on which a 12-months allowance for ECL is recognized;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognized; and

Stage 3: objective evidence of impairment and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognized.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk when they are 30 days past due (DPD) or one installment overdue on the reporting date and are accordingly transferred from stage 1 to stage 2. For stage 1 an ECL allowance is calculated based on a 12-months Point in Time (PIT) probability weighted probability of default (PD). For stage 2 and 3 assets a life time ECL is calculated based on a lifetime PD.

The Company has calculated ECL using three main components: PD, LGD (loss given default) and EAD (exposure at default) along with an adjustment considering forward macro-economic conditions.

Particulars	Nature of businesses	PD			EAD	LGD
		Stage 1	Stage 2	Stage 3		
Loans	Working capital and term loans to small and mid-sized corporates	External ratings or internal evaluation with a management overlay for each customer or customer industry segment.	100%	EAD is computed taking into consideration the time to default based on historic trends across rating profile	Based on estimates of cash flows	

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Financial Risk Management (Contd.)

Financial instruments other than Loans were subjected to simplified ECL approach under Ind AS 109 - 'Financial Instruments'.

Note 43

The Company had received an order passed by the Reserve Bank of India ("RBI") for cancellation of Certificate of Registration (No. 05.05534 dated March 31, 2003) vide letter no. KOL.DOS.RSG.No.S949/03.03.008/2022-23 dated July 04, 2022 under Section 45-IA(7) of the Reserve Bank of India Act, 1934. The RBI had also instructed the Company to follow RBI Norms until the NBFC operations are ceased by the company.

The Company had filed a petition with the Appellate Authority of NBFC Registration for the restoration of the Certificate of Registration. The Appellate Authority has rejected the petition and passed the final order dated May 04, 2023 for cancellation of Registration. Further, a Writ Petition before the Calcutta High Court has been filed by the Company for restoration of the licence and the matter is subjudice.

The Standalone Financial Statements of the Company for the year ended 31st March, 2025 have been prepared considering the prudential norms applicable to the Non-Banking Financial Company.

Note 44

The main business of the Company is Investment activity; hence, there are no separate reportable segments as per Ind AS 108 on 'Operating Segment'.

Note 45

Based on Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 dated 19th October, 2023 provisions are made for standard assets at 0.25 percent of the balance of such assets as at 31st March, 2025 which has been disclosed separately as "Provision for Standard Assets" in Note 19.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Note 46

During the year, the Company's financial performance has been adversely affected due to external factors beyond the control of the Company due to the classification of loans and advances as Non-Performing Assets and diminution in the value of Investments resulting in negative net worth. The Company has defaulted in repayment of its loans due to the liquidity issues faced by the Company. However, the management is having constant negotiations and discussions with the lenders for early settlement of disputes and are confident that with the lenders' support and various other measures taken by it, the Company will be able to generate sufficient cash inflows through profitable operations improving its net working capital position to discharge its current and non-current financial obligations. Accordingly, the Board of Directors have decided to prepare the Standalone Financial Statements on a going concern basis.

Note 47

- The Company has requested the Inter-Corporate lenders to consider the waiver of interest for the current financial year which is yet to be confirmed. Accordingly, interest expense of Rs. 4,64,188 thousand on inter-corporate borrowings for the year ended 31st March, 2025 (Rs. 4,24,354 thousand for the year ended 31st March, 2024) has not been recognized in the Standalone Financial Statements.
- The Company is in disputes with the secured lenders, namely HDFC Bank Limited and InCred Financial Services Limited (formerly KKR Financial Services Limited), and accordingly, the Board of Directors has decided not to recognize interest on such borrowings for the current year in the Standalone Financial Statements as the same is not ascertainable at present.
- In earlier years, the Company could not repay the term loan due to InCred Financial Services Limited (formerly KKR Financial Services Limited). The matter has been referred to Arbitration.
- A lender of the Company, namely HDFC Bank Limited, has filed a suit before the Honorable High Court at Calcutta against the Company and its Group Company for default in repayment of loans borrowed by the Company. The Company has decided to contest and defend its case.

Note 48

The company had defaulted in redemption of Non-Convertible Debentures (NCD). Consequently, the debenture holder and/or debenture trustee have invoked various shares and securities given by the company and its group companies. In the absence of any invocation statement and/or confirmation from IL&FS, the company has adjusted the value of NCD and interest thereon from such invocation at the closing market price of the said shares on the date of invocation, the details of which are given here under:

(₹ '000)			
	Period	Adjusted by way of invocation	
		Principal	Interest
Non - Convertible Debentures	FY 2019-20	-	13,49,98
	FY 2020-21	1,25,000	13,36,25
	FY 2021-22	1,26,944	5,50,74
	FY 2022-23	1,37,149	-

On the basis of available information with the company, the Management has exercised significant care to consider such adjustments to the carrying value of outstanding debentures. Consequently, the management has determined the stated default:

(₹ '000)				
	Period	Adjusted by way of invocation		Due on
		Principal	Interest	
Non - Convertible Debentures	Quarter ended December'21	64,032	25,239	31.12.2021
	Quarter ended March'22	1,09,375	24,965	31.03.2022
	Quarter ended June'22	1,09,375	2,49,65	30.06.2022
	Quarter ended September'22	1,09,375	24,965	30.09.2022
	Quarter ended December'22	1,09,375	24,343	31.12.2022
	Quarter ended March'23	1,09,375	23,600	31.03.2023

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Note 49

As on 31st March, 2025, the Company has four directors namely, Mr. Lakshman Singh, Mr. Chandan Mitra, Mr. Debashis Lahiri and Ms. Lyla Cherian who are disqualified under section 164(2)(b) of the Companies Act, 2013. The disqualification of the Directors of the Company have occurred pursuant to default in repayment of principal amount of Non-Convertible Debentures and payment of interest amount of Non-Convertible Debentures.

Note 50

In earlier years, the Company had issued Non-Convertible Debentures worth 10,00,000 thousand to IL & FS which matured at the end of the Financial Year 2022-23. The company defaulted in repayment of the dues, consequently invocations were made from time-to-time by the debenture trustee towards recovery of its dues.

One-time settlement agreement dated 5th May, 2023 has been signed by the Debenture-holder, the Company and Guarantors along with other borrowers. According to the MoU, the Company and other borrowers had settled their respective liability towards debt securities in part for cash consideration of Rs. 4,96,700 thousand which was paid by a group company on behalf of the company and other borrowers and the balance is to be settled by selling the collateral Neemrana Land, jointly owned by Vedica Sanjeevani Projects Private Limited and Christopher Estates Private Limited by the end of the year. The proceeds from the sale of Neemrana Land shall be adjusted to settle the outstanding dues only on Final Settlement Date in the manner as may be communicated by the Debenture holder in writing. However, the sale of Neemrana Land has not yet been materialized. The necessary accounting adjustments, if any, will be carried out upon completion of the sale and subsequent communication with the respective lenders.

Note 51

In the earlier years, Kotak Mahindra Bank Limited ("KMBL") had agreed to invest in Compulsory Convertible Preference Shares ("CCPS") of McNally Bharat Engineering Limited ("MBECL") to the tune of Rs. 1,44,800 thousand and the Company had entered into a Share Subscription Shareholder's Agreement along with a Put Option Agreement with KMBL. As per the terms of agreement KMBL exercised put option to sell the said shares to the Company. On its failure to recover the amount, KMBL filed an application under section 9 of Arbitration & Conciliation Act before the Bombay High Court. An order of injunction was passed upon the Company restraining it from transferring, disposing of or alienating its assets and an undertaking was taken from the company that Rs. 5,000 thousand would be paid by it upfront which has since been paid.

The CCPS liability of Rs. 1,48,800 thousand has been settled for an amount of Rs. 63,000 thousand vide a settlement agreement dated 26th December, 2023. As per the mentioned terms, Fixed Deposit of Rs. 8,000 thousand in KMBL have been encashed and adjusted and all payments have been made. The outstanding liability has been fully settled. The Company is yet to receive a No Due Certificate from KMBL.

Note 52

In the earlier years, the company had settled and accounted for a term loan of Rs. 6,00,000 thousand at Rs. 4,79,108 thousand given by SREI as per MoU entered between borrower, lender and guarantors on 28.09.2020. However, the Company has defaulted/delayed the payment as per terms and conditions of the MoU. In the matter, the Company entered into a debt restructuring agreement for the balance Rs. 1,20,000 thousand payable in monthly instalments which was acknowledged as debt by the Company and necessary expense been recorded and guaranteed by Mr. Aditya Khaitan, Promoter of the Company. However, as on 31st March 2025, the Company has not paid Rs. 16,947 thousand (including interest) due for the month of February 2025 and March 2025. Subsequently, the Company has paid Rs. 5,500 thousand for the dues of February 2025 in April 2025.

Note 53

In earlier year, pursuant to the put option agreement entered into by the Company with Aditya Birla Finance Limited ("the Investor"), the Investor had invested in one of the promoter group company namely McNally Bharat Engineering Company Limited (MBECL) by subscribing to 1,12,90,000 Compulsorily Convertible Preference Shares (CCPS) @ Rs 62/- per CCPS aggregating to Rs. 6,99,980 thousand. On the Investor's failure to realize the amount on exercising the put option, it initiated arbitration proceedings and the Arbitral Tribunal passed an interim award upon the group companies and the Company declaring it to be jointly and severally liable to pay a sum of Rs. 8,10,000 thousand. The Company filed an application challenging the award and the adjudication order dated 7th June, 2023 has been passed by the Arbitrator.

As per the order and the consent terms agreed, in the current year, the group companies have paid a sum of Rs. 34,400 thousand during the year. The Company has recognized the liability in the name of group companies under the head 'Borrowings other than Debt Securities' in Note No. 16 with the corresponding charge to Statement of Profit & Loss under the head 'Other Expenses' in Note No. 29.

Note 54

In the earlier year, one of the lenders of the Company, Aryan Mining and Trading Corporation Private Limited had assigned its receivable from the Company to Danta Vyapar Kendra Limited amounting to Rs. 38,392 thousand. The Company has defaulted in the payment of Rs. 41,874 thousand (including interest thereon) due as on 31st March, 2025.

Notes forming part of the Standalone Financial Statements for the year ended 31st March, 2025

Note 55

In the earlier years, the company had given Inter Corporate Loans and Advances to McNally Bharat Engineering Company Limited (MBECL). On 29th April 2022 National Company Law Tribunal (NCLT) Kolkata Branch II has passed the order against MBECL for initiation of the Corporate Insolvency Resolution Process (CIRP) as per the provision of the Insolvency Bankruptcy Code, 2016. The company had filed its claim of Rs. 15,96,621 thousand before the Interim Resolution Professional (IRP) of MBECL. The Resolution Professional (RP) had admitted the Claim to the extent of the principal amounting to Rs. 1,30,000 thousand only. The Resolution Plan has been approved by NCLT on 19th December 2023 but is not effective till the payment is made by the Resolution Applicant. However, the Company has already made provisions against the Inter-corporate deposit given and its interest of Rs. 15,01,338 thousand. Further, the Company's investment in MBECL, being a promoter shareholder, are locked for trading. Therefore, in accordance with Ind AS 113 Fair Value Measurement and as per the resolution plan, Investment in equity instruments of MBECL has been valued at Rs. Nil thousand.

Note 56

In earlier year, upon exercise of put option by IL&FS Financial Services Limited for loan extended to McNally Bharat Engineering Company Limited by subscribing 1,61,29,000 CCPS issued by said group company @ Rs. 62/- per CCPS, amounting to Rs. 9,99,988 thousands the Company recognized the liability to that extent and showed as receivable from McNally Bharat Engineering Company Limited as 'Other Receivable' in Note 6.

Note 57

An Adjudicating Order No. Order/SV/VC/2024-25/30271 dated 10th April, 2024 was passed by SEBI Adjudicating Officer imposing a penalty of Rs. 200 thousands. The same has been paid during the year and disclosed as 'Other Expenses' in Note 29.

Note 58

Corporate Social Responsibility

As per section 135 of the Companies Act, 2013 a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. In terms of the requirement of section 135 of the Companies Act, 2013 and rules made thereunder, the Company was not required to spend on CSR activities during the Financial Year ended 31st March, 2025 since the Company had an average net loss during the immediately preceding Financial Year.

	8	Any other financial item(s)	NIL	NIL

II	Audit Qualification (each audit qualification separately):	
	Qualification - 1	
	a. Details of Audit Qualification:	<p>(1) <u>Going Concern Assumption in preparation of the Statement</u></p> <p>The Company had defaulted in repayment of borrowings to its financial institutional lenders and others. In view of the Management, the Company would be able to improve its net working capital position to discharge its current and non-current financial obligations. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Financial Statements".</p>
	b. Type of Audit Qualification:	Qualified Opinion
	c. Frequency of qualification:	Repetitive
	d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
	e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
	(i) Management's estimation on the impact of audit qualification:	Estimation not possible
	(ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
	(iii) Auditors' Comments on (i) or (ii) above:	Not able to comment on impact of going concern assumption at present (Refer (a) Basis for Qualified Opinion).

Qualification - 2											
a. Details of Audit Qualification:	<p>(2) Non-recognition of Interest Expense</p> <p>We draw attention to Note No. 5 of the Statement relating to non-recognition of interest expense on secured borrowings from financial institutions and unsecured inter-corporate borrowings. As the matter is under dispute / negotiation, the Company has neither recognized nor ascertained any finance cost on such secured borrowings for the period given hereunder:</p> <table><tr><th>Sl. No.</th><th>Name of the Secured Lender</th><th>Period for which interest has not been provided for</th></tr><tr><td>1</td><td>InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)</td><td>From August, 2019 upto March, 2025</td></tr><tr><td>2</td><td>HDFC Bank Limited</td><td>From April, 2021 upto March, 2025</td></tr></table> <p>Interest expense on unsecured inter-corporate borrowings amounting to Rs. 4,64,188 thousand for the year ended 31st March, 2025 including Rs. 1,06,766 thousand for the quarter ended on that date has not been recognised by the Company. As a result, finance cost and liability on account of interest to that extent is understated and Total Comprehensive Loss is understated. Further, penal/compound interest and other adjustments in respect of borrowings have not been recognised and amount payable to the lenders and other parties in this respect are lacking confirmation from respective parties and consequential reconciliation. Pending final determination of amounts with respect to these, adjustments and impacts arising therefrom have not been ascertained and as such cannot be commented upon by us.</p> <p>This constitutes a departure from the requirements of Indian Accounting Standard 109 "Financial Instruments" and accrual basis of accounting.</p>		Sl. No.	Name of the Secured Lender	Period for which interest has not been provided for	1	InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)	From August, 2019 upto March, 2025	2	HDFC Bank Limited	From April, 2021 upto March, 2025
Sl. No.	Name of the Secured Lender	Period for which interest has not been provided for									
1	InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)	From August, 2019 upto March, 2025									
2	HDFC Bank Limited	From April, 2021 upto March, 2025									
b. Type of Audit Qualification:	Qualified Opinion										
c. Frequency of qualification:	Annual										
d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	<p>The Company has disagreement with lenders regarding the steep interest rates hence nothing is provided nor paid by the company.</p> <p>As the matter is under dispute, the Board of Directors has decided not to recognize interest expense on its borrowings for the current period in the Audited Financial Results as the same is unascertainable at present.</p>										
e. For Audit Qualification(s) where the impact is not quantified by the auditor:											
(i) Management's estimation on the impact of audit qualification:	Not Applicable										
(ii) If management is unable to estimate the impact, reasons for the same:	Not Applicable										
(iii) Auditors' Comments on (i) or (ii) above:	Not able to comment on impact of going concern assumption at present (Refer (b) Basis for Qualified Opinion).										

Qualification - 3	
a. Details of Audit Qualification:	<p>(3) Default in repayment of Interest and Principal of Debt Securities</p> <p>We draw attention to Note No. 6 of the Statement with respect to default in repayment of Principal and Interest on Non-Convertible Debentures issued to IL&FS Financial Services Limited and subsequent settlement agreed upon. In earlier years, Security provided by the Company by way of mortgage/pledge of certain properties with the Debenture Trustee against issue of above debentures have been invoked by the Debenture Trustee from time to time.</p> <p>The Management has ascertained and decided to adjust disposal proceeds and payment made as per the settlement agreement from the outstanding value of debentures and estimated interest as per the repayment schedule. We are unable to ascertain the effect of the same as of now due to the lack of requisite confirmations and pending reconciliations.</p>
b. Type of Audit Qualification:	Qualified Opinion
c. Frequency of qualification:	Repetitive
d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
(i) Management's estimation on the impact of audit qualification:	Estimation not possible
(ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
(iii) Auditors' Comments on (i) or (ii) above:	The Management need to take confirmation and do reconciliation to calculate the impact on Debt Securities. (Refer (c) Basis for Qualified Opinion).

Qualification - 4	
a. Details of Audit Qualification:	<p>(4) Balances of receivables, unsecured and secured loan creditors and their balance confirmations.</p> <p>We draw attention to Note No. 13 with respect to certain balances, relating to trade and other receivables and liabilities including those payable to loan creditors lacking reconciliation and confirmation. Non-determination/ recognition of amount payable in respect of claims pursuant to the undertaking executed between the company and the lenders in respect of certain group companies regarding company's obligation in respect of the settlement arrived at with corporate lenders. Pending determination of the company's obligation and finalization of terms and conditions following the agreement arrived at with the parties, adjustments to be made in this respect are currently not ascertainable and as such cannot be commented upon by us.</p>
b. Type of Audit Qualification:	Qualified Opinion
c. Frequency of qualification:	Repetitive

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
(i) Management's estimation on the impact of audit qualification:	Estimation not possible
(ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
(iii) Auditors' Comments on (i) or (ii) above:	The Management need to take confirmation and do reconciliation to calculate the impact of Borrowings and Loans and Advances. (Refer (d) Basis for Qualified Opinion).

Qualification - 5	
a. Details of Audit Qualification:	<p><u>(5) Default in payment of interest and repayment of principal of secured and unsecured loans</u></p> <p>We draw attention to Note No 5(b), 5(c), 7 & 9 of the Statement with respect to default in payment of interest and repayment of principal of Loan borrowed from secured and unsecured lenders of the Company.</p>
b. Type of Audit Qualification :	Qualified Opinion
c. Frequency of qualification:	Whether appeared first time
d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
((i) Management's estimation on the impact of audit qualification:	Estimation not possible
(ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
(iii) Auditors' Comments on (i) or (ii) above:	Not able to comment on impact at present. (Refer (e) Basis for Qualified Opinion).

Qualification - 6	
a. Details of Audit Qualification:	<p><u>(6) Recognition of Deferred Tax Assets</u></p> <p>We draw attention to Note No. 14 of the Statement relating to recognition of Deferred Tax Assets amounting to Rs. 14,03,564 thousand as at 31st March, 2025. Considering the management's assessment of going concern assumption in the Statement, the threshold of reasonable certainty for recognizing the deferred tax assets as per Indian Accounting Standard 12 "Income Taxes" has not been met. Consequently, deferred tax assets are overstated and total comprehensive income for the year ended 31st March, 2025 is understated by that extent.</p>
b. Type of Audit Qualification :	Qualified Opinion

	c. Frequency of qualification:	Repetitive
	d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of WILLIAMSON MAGOR & Co. LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Financial Statements of Williamson Magor & Co. Limited ("the Parent Company"), which comprise the Consolidated Balance Sheet as at 31st March, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flows for the year ended 31st March, 2025, and notes to the Consolidated Financial Statements, including a summary of material accounting policy information and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the matters described in the Basis for Qualified Opinion section of our Report, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act and other principles generally accepted in India of the state of affairs of the Company as at 31st March, 2025, its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

a. Non-recognition of Interest Expense

We draw attention to Note 47 of the Consolidated Financial Statement relating to non-recognition of interest expense on secured borrowings from financial institutions and unsecured inter-corporate borrowings. As the matter is under dispute / negotiation, the Parent Company has neither recognized nor ascertained any finance cost on such secured borrowings for the period given hereunder:

Sl. No.	Name of the Secured Lender	Period for which interest has not been provided for
1	InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)	From August, 2019 upto March, 2025
2	HDFC Bank Limited	From April, 2021 upto March, 2025

Interest expense on unsecured inter-corporate borrowings amounting to Rs. 4,64,188 thousand for the year ended 31st March, 2025 including Rs. 1,06,766 thousand for the quarter ended on that date has not been recognised by the Parent Company. As a result, finance cost, liability on account of interest and total Comprehensive loss is understated to that extent. Further, penal/compound interest and other adjustments in respect of borrowings have not been recognised and amount payable to the lenders and other parties in this respect are lacking confirmation from respective parties and consequential reconciliation. Pending final determination of amounts with respect to these, adjustments and impacts arising therefrom have not been ascertained and as such cannot be commented upon by us.

This constitutes a departure from the requirements of Indian Accounting Standard 109 "Financial Instruments" and accrual basis of accounting.

b. Default in repayment of principal and interest

We draw attention to Note 48 of the Consolidated Financial Statement with respect to default in repayment of Principal and Interest on Non-Convertible Debentures issued to IL&FS Financial Services Limited and subsequent settlement agreed upon. In earlier years, Security provided by the Parent Company by way of mortgage/pledge of certain properties with the Debenture Trustee against issue of above debentures have been invoked by the Debenture Trustee from time to time.

The Management has ascertained and decided to adjust disposal proceeds and payment made as per the settlement agreement from the outstanding value of debentures and estimated interest as per the repayment schedule. We are unable to ascertain the effect of the same as of now due to the lack of requisite confirmations and pending reconciliations.

c. Default in payment of interest and repayment of principal of secured and unsecured loans

We draw attention to Note No 47(c), 47(d), 52, 53 and 54 of the Financial Statement with respect to default in payment of interest and repayment of principal of Loan borrowed from secured and unsecured lenders of the Parent Company.

d. Recognition of Deferred Tax Assets

We draw attention to Note 31(c) of the Consolidated Financial Statements where the Management has considered recognition of

deferred tax assets amounting to Rs. 14,03,564 thousand as at 31st March, 2025 assuming virtual certainty supported by convincing evidence that sufficient future taxable income would be available against which such assets can be realised.

Considering the management's assessment of going concern assumption in the Consolidated Financial Statements, the condition of reasonable certainty for recognizing the deferred tax assets as per Ind AS 12 "Income Taxes" has not been met. Consequently, deferred tax assets are overstated and total comprehensive loss for the year ended 31st March, 2025 is understated to that extent.

e. Balances of receivables, unsecured and secured loan creditors and their balance confirmations.

We draw attention to Note 33 to the Consolidated Financial Statements, relating to trade and other receivables and liabilities including those payable to loan creditors lacking reconciliation and confirmation. Non-determination/ recognition of amount payable in respect of claims pursuant to the undertaking executed between the Parent Company and the lenders in respect of certain group companies regarding Parent Company's obligation in respect of the settlement arrived at with corporate lenders. Pending determination of the Parent Company's obligation and finalization of terms and conditions following the agreement arrived at with the parties, adjustments to be made in this respect are currently not ascertainable and as such cannot be commented upon by us.

f. Material uncertainty related to Going Concern

We draw attention to Note 46 of the Consolidated Financial Statements with respect to material uncertainty related to Going Concern. The Parent Company has defaulted in repayment of borrowings to its financial institutional lenders and others. In view of the Management, the Parent Company would be able to improve its net working capital position to discharge its current and non-current financial obligations. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Parent Company's ability to continue as a going concern. **Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Financial Statements".**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Parent Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that in our professional judgement were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section we have determined the matters described below to be the key audit matters to be communicated in our report.

Sl. No.	Key Audit Matters	Auditor's Response to Key Audit Matters
1	<p>Valuation of unquoted financial assets held at fair value</p> <p>The valuation of the Parent Company's unquoted financial assets held at fair value is a key audit matter due to the significance of the amount and complexity involved in the valuation process. Management makes significant judgements because of the complexity of the techniques and assumptions used in valuing some of the level 3 investment securities given the limited external evidence and unobservable market data available to support the Parent Company's valuations.</p>	<p>Principal Audit Procedures:</p> <ul style="list-style-type: none"> Assessed the valuation methodologies including evaluation of independent external valuers' competence, capability and objectivity. Assessed the reasonableness of key assumptions based on our knowledge of the business and industry. Checked, on a sample basis, the accuracy and relevance of the input data used.
2	<p>Impairment loss allowances for loans and advances</p> <p>Impairment loss allowance of loans and advances ("impairment loss allowance") is a</p>	<p>We started our audit procedures with the understanding of the internal control environment related to Impairment loss allowance. Our procedures over internal controls focused on recognition and measurement of impairment loss allowance. We assessed the design and tested the operating effectiveness of</p>

Sl. No.	Key Audit Matters	Auditor's Response to Key Audit Matters
	key audit matter as the Parent Company has significant credit risk exposure. The value of loans and advances on the Consolidated Balance Sheet is significant and there is a high degree of complexity and judgment involved for the Parent Company in estimating individual and collective credit impairment provisions and write-offs against these loans. The Parent Company's model to calculate expected credit loss ("ECL") is inherently complex and judgment is applied in determining the three-stage impairment model ("ECL Model"), including the selection and input of forward-looking information. ECL provision calculations require the use of large volumes of data. The completeness and reliability of data can significantly impact the accuracy of the modelled impairment provisions. The accuracy of data flows and the implementation of related controls are critical for the integrity of the estimated impairment provisions.	<p>the selected key controls implemented by the Parent Company.</p> <p>We also assessed whether the impairment methodology used by the Parent Company is in line with the requirements of Ind AS 109, "Financial Instruments". More particularly, we assessed the approach of the Parent Company regarding the definition of default, Probability of Default, Loss Giving Default and incorporation of forward-looking information for the calculation of ECL.</p> <p>For loans and advances which are assessed for impairment on a portfolio basis, we performed particularly the following procedures:</p> <ul style="list-style-type: none"> • tested the reliability of key data inputs and related management controls; • checked the stage classification as at the Consolidated Balance Sheet date as per definition of default; • calculated the ECL provision manually for a selected sample; and <p>assessed the assumptions made by the Parent Company in making accelerated provision, considering forward looking information and based on the status of a particular industry as on the reporting date.</p>

Emphasis of Matter

- We draw attention to Note 43 to the Consolidated Financial Statements which states that the registration of the Parent Company as a Non-Banking Finance Company stands cancelled by the Reserve Bank of India due to erosion of its net worth.
- We draw attention to Note 55 to the Consolidated Financial Statements regarding claims filed against McNally Bharat Engineering Company Limited and provision made there against.

Our opinion is not modified in respect of this matter.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Parent Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Financial Performance highlights, Board's Report including Annexure to Board's Report, Management Discussions and Analysis, Business Responsibility Report, Shareholders Information and other information in the Integrated Annual Report but does not include the Consolidated Financial Statements and our auditors' report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information as identified above when it becomes available, and in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of auditors' report, we conclude that there is a material misstatement of this information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information, which we will obtain after the date of auditors' report and if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance including total comprehensive profit, changes in equity and cash flows of the Parent Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Parent Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Parent Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Parent Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Parent Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements:

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Parent Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Parent Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure- A**, a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and except for the effects/ possible effects of the matters described in Basis for Qualified Opinion Section above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) in our opinion, except for the effects/ possible effects of the matters described in Basis for Qualified Opinion Section above, proper books of account as required by law have been kept by the Parent Company so far as it appears from our examination of those books;
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) Subject to the matters specified in qualified opinion section of our report, in our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the information received from the Parent Company, the following directors are disqualified w.e.f 30th September, 2022 as per section 164(2)(b) of Companies Act, 2013:
 - Mr. Chandan Mitra (DIN: 09069336)
 - Mr. Lakshman Singh (DIN: 00027522)
 - Mr. Debashis Lahiri (DIN: 09451354)
 - Ms. Lyla Cherian (DIN: 09452847)
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Parent Company and the operating effectiveness of such controls, refer to our separate report in **"Annexure B"**;
 - g) With respect to the matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act (as amended), the Parent Company has neither paid nor provided for any remuneration to its directors during the year.
 - h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. except for the possible effects of the matter described in the Basis for Qualified Opinion section of our Report, the Parent Company has disclosed the impact of pending litigations as at 31st March, 2025 on its financial position in the Financial Statements. (Refer Note 30 to the Financial Statements).
 - ii. the Parent Company did not have any material foreseeable losses on long-term contracts including derivative contracts, and
 - iii. there were no amounts due which were required to be transferred to the Investor Education and Protection Fund by the Parent Company.
 - iv.
 - a) the management has represented that, to the best of its knowledge and belief, and as disclosed in Note No. 59(g)(i), no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) the management has represented that, to the best of its knowledge and belief, and as disclosed in Note No. 59(g)(ii), no funds (which are material either individually or in the aggregate) has been received by the Parent Company from any other person or entity, including foreign entity ("Funding Parties"), with the

understanding, whether recorded in writing or otherwise, that the Parent Company shall, whether, directly or indirectly lend to or invest in any other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c) based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Parent Company has neither declared nor paid any dividend during the year.
- vi. Based on our examination which included test checks, the Parent Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year ended 31st March, 2025 for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

**Annexure – B to the Independent Auditor's Report**

(Referred to in paragraph-2(f) under 'Report on Other Legal and Regulatory Requirements' of our Report of even date to the members of Williamson Magor & Co. Limited on the Consolidated Financial Statements for the year ended 31st March, 2025)

Report on the Internal Financial Controls with reference to the aforesaid Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the financial statements of Williamson Magor & Co. Limited ("the Parent Company") as of 31st March, 2025 in conjunction with our audit of the Consolidated Financial Statements of the Parent Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Parent Company's management and the Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Parent Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Parent Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Parent Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Parent Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Parent Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Parent Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Parent Company are being made only in accordance with authorizations of management and directors of the Parent Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Parent Company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanation given to us and based on our audit, the following material weakness have been identified in the Investment Parent Company's internal financial controls over financial reporting with reference to Financial Statement as at 31st March, 2025.

- The Parent Company did not have an appropriate internal control system in relation to the granting of loans and advances /other advances to promoter group companies and other companies, including ascertaining economic substance and business rationale of the transaction, establishing segregation of duties and determining credentials of the counter parties.
- With respect to Inter-Corporate Deposits (ICD), the Parent Company did not have appropriate system to evaluate the credit worthiness of the parties and recoverability of monies given including interest thereon.
- Certain individual details of debit and credit balances and reconciliation thereof with control balances of receivable/payable were not available. IT Control systems and procedures needs strengthening in terms of framework for Internal Control over financial reporting with reference to financial statements taking into account related controls and procedures as stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India so that to facilitate required reconciliations and provide details for documentation with respect to internal financial controls in the respective areas.
- Supporting audit evidence with respect to certain Inter Corporate Deposits (ICDs), Short-term Borrowings and Advances for repayment/adjustment by lenders to determine the basis and terms and conditions were not available.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting with reference to financial statements, such that there is a reasonable possibility that a material misstatement of the Parent Company's annual or interim financial statements will not be prevented or detected on a timely basis.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the effects/possible effects of the material weaknesses described in Basis for Qualified Opinion Section above on the achievement of the objectives of the control criteria, the Parent Company has maintained, in all material respects, adequate and effective internal financial controls with reference to the financial statements as of 31st March, 2025, based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 1

Corporate Information

Williamson Magor & Co. Limited ("the Parent Company") was incorporated as Public Company in the year 1949. The Parent Company limited by shares, is domiciled in India, having its registered office at Four Mangoe Lane, Surendra Mohan Ghosh Sarani, Kolkata-700001.

The Parent Company currently operates as an Investment Parent Company (Refer Note No 43). The Equity Shares of the Parent Company are listed on the Bombay Stock Exchange, the National Stock Exchange of India and the Calcutta Stock Exchange Limited.

The financial statements were approved by the Board of Directors on 28th May, 2025.

Note 2

Material Accounting Policy Information

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of Preparation

The Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act and the Rules made thereunder (as amended from time to time) and applicable RBI directions.

The Parent Company presents its Consolidated Financial Statements to comply with Division III of Schedule III to the Act which provides general instructions for the preparation of Financial Statements of a Non-Banking Financial Company (NBFC to comply with Ind AS) and the requirements of Ind AS. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 41.

Financial Assets and Financial Liabilities are generally reported gross in the Balance Sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business
- The event of default

The Consolidated Financial Statements have been prepared and presented on the Going Concern basis and at Historical Cost, except for the following assets and liabilities, which have been subsequently measured at fair value:

- Certain Financial assets and liabilities at fair value (Refer Note 2.4)
- Employee's Defined Benefit Plan as per actuarial valuation (Refer Note 2.11)

2.2 Functional and Presentation Currency

The Consolidated Financial Statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Parent Company operates. All Financial information presented in INR has been rounded off to thousands, unless otherwise stated.

2.3 Use of Estimates and Judgements

The preparation of the Consolidated Financial Statements in conformity with Ind AS requires the management of the Parent Company to make estimates, assumptions and judgements that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in the financial statements have been disclosed as applicable in the respective notes to accounts. Changes in estimates are reflected in the Consolidated Financial Statements in the period in which changes are made and, if material, their effect are disclosed in the notes to the Consolidated Financial Statements.

This note provides an overview of the areas where there is a higher degree of judgement or complexity. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgements are:

- Defined Benefit Obligations - Note 2.11
- Recognition of Revenue – Note 2.12
- Current Tax- Note 2.14
- Deferred Tax – Note 2.14
- Impairment of Financial Assets – Note 2.6

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

Estimates and assumptions are continuously evaluated based on most recent available information. Revisions to accounting estimates are recognised prospectively in the Consolidated Statement of Profit and Loss in the period in which the estimates are revised and future period affected.

Although these estimates are based on managements' best knowledge of current events and action, uncertainty about these assumptions and estimates could result in outcomes requiring a material adjustment to the carrying amounts of assets and liabilities in future periods.

2.4 Fair Value Measurement

The Parent Company measures financial instruments and other derivatives at fair values except Equity Investments in Joint Ventures and Associates at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Parent Company .

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

A fair value measurement of a Non-Financial Asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Parent Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities (for which fair value is measured or disclosed in the Consolidated Financial Statements) are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the Consolidated Financial Statements on a recurring basis, the Parent Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted Financial Assets measured at fair value, and for non-recurring measurement, such as assets held for disposal in discontinued operations.

At each reporting date, the management analyses the movements in the values of assets and liabilities, which are required to be remeasured or re-assessed as per the Parent Company 's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

2.5 Property, Plant and Equipment (PPE) and Depreciation

PPE are stated at Acquisition or Construction cost less Accumulated Depreciation and Impairment Loss. Cost comprises the purchase price and any attributable cost of bringing the asset to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning (if any).

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Parent Company in future periods and the cost of the item can be measured reliably. Expenditure incurred after the PPE have been put into operations, such as repair and maintenance expenses are charged to the Consolidated Statement of Profit and Loss during the year in which they are incurred.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

2.5.1 Depreciation

Depreciation is recognised so as to write-off the Cost of assets less their Residual values as per Written Down Value method, over the estimated Useful lives as prescribed in Schedule II to the Act.

Residual value is estimated as 5% of the original cost of PPE.

The PPE's residual values and useful lives are reviewed, at each financial year end, and if expectations differ from previous estimates the same is accounted for as change in accounting estimates.

Depreciation on additions to/deductions from PPE during the year is charged on pro-rata basis from the date of such addition or, as the case may be, up to the date on which such asset has been available for use/disposed of.

2.5.2 Derecognition

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the de-recognition of an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in the Consolidated Statement of Profit and Loss.

2.6 Financial Instruments

A Financial Instrument is any contract that gives rise to a Financial Asset of one entity and a financial liability or equity instrument of another entity.

2.6.1 Financial Assets

Initial recognition and measurement

All Financial assets are recognised initially at fair value. However, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are included therein.

Subsequent measurement

For the purposes of subsequent measurement, financial assets are classified in four categories:

- Debt Instruments at Amortised cost
- Debt Instruments at Fair Value Through Other Comprehensive Income (FVTOCI)
- Debt Instruments, Derivatives and Equity Instruments, Mutual funds at Fair Value Through Profit or Loss (FVTPL)
- Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI)

Debt Instruments at Amortised Cost

A 'Debt Instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in Finance Income in the Consolidated Statement of Profit and Loss. The losses arising from impairment are recognised in the Consolidated Statement of Profit and Loss.

Debt Instruments at FVTOCI

A 'Debt Instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the Financial assets, and
- b) The asset's contractual cash flows represent Solely Payments of Principal and Interest (SPPI).

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the Other Comprehensive Income (OCI). However, the Parent Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the Consolidated Statement of Profit and Loss.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Consolidated Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

Debt Instruments at FVTPL

FVTPL is a residual category for debt instruments. Any debt instruments, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Parent Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Consolidated Statement of Profit and Loss.

Equity Instruments

All equity investments (other than investments in associates and joint ventures) are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the Parent Company has irrevocable option to present in OCI subsequent changes in the fair value. The Parent Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Parent Company classifies equity instruments as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to the Consolidated Statement of Profit and Loss, even on sale of investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Consolidated Statement of Profit and Loss.

Classification and Provisioning

Loan asset classification of the Parent Company is given in the table below:

Particulars	Criteria	Provision
Standard Assets	The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business.	0.25% of the outstanding loan portfolio of standard assets.
Sub - Standard Assets	An asset for which, interest/principal payment has remained overdue for more than 3 months and less than 12 months	10% of the outstanding loan portfolio of standard assets.
Loss Assets	An asset for which, interest/principal payment has remained overdue for a period of 12 months or more	100% of the outstanding loan portfolio of standard assets.

Impairment of Financial Assets

The Parent Company applies the Expected Credit Loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, and other contractual rights to receive cash or other financial assets, and financial guarantees not designated as at FVTPL.

The Parent Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

Write off

Loans and debt securities are written off when the Parent Company has no reasonable expectations of recovering the financial assets (either in its entirety or a portion of it). This is the case when the Parent Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

De-recognition of Financial Assets

A Financial Asset (or, where applicable, a part of a Financial Asset or part of a group of similar Financial Assets) is primarily derecognised (i.e. removed from the Balance Sheet) when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The Parent Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Parent Company has transferred substantially all the risks and rewards of the asset, or (b) the Parent Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Parent Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Parent Company continues to recognise the transferred asset to the extent of the Parent Company's continuing involvement. In that case, the Parent Company also recognises an associated liability.

The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Parent Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Parent Company could be required to repay.

Reclassification of Financial assets

The Parent Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification of financial assets like equity instruments and financial liabilities is made. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Parent Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Parent Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Parent Company either begins or ceases to perform an activity that is significant to its operations. If the Parent Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Parent Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various classifications and how they are accounted for :

Original Classifications	Revised Classifications	Accounting Treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortized cost and fair value is recognised as profit or loss.
FVTPL	Amortised cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss on the reclassification date

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

Investments in Associates and Joint Ventures

Investments in Associates and Joint ventures are accounted for at cost in the Consolidated Financial Statements and the same are tested for impairment in case of any indication of impairment.

2.6.2 Financial Liabilities and Equity Instruments

Classification as Debt or Equity

Debt and equity instruments, issued by the Parent Company, are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Parent Company after deducting all of its liabilities. Equity instruments issued by the Parent Company are recognised at the proceeds received, net of direct issue costs.

Financial Liabilities

Initial Recognition

All Financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, are recognised net of directly attributable transaction costs.

The Parent Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, debt securities and other borrowings.

Subsequent Measurement

After initial recognition, all financial liabilities are subsequently measured at FVTPL except borrowings which are measured at amortised cost using the Effective Interest Rate (EIR) method. Any gains or losses arising on derecognition of liabilities are recognised in the Consolidated Statement of Profit and Loss.

De-recognition of Financial Liabilities

The Parent Company de-recognises financial liabilities when and only when, the Parent Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the Consolidated Statement of Profit and Loss.

Finance costs

Borrowing costs on financial liabilities are recognised using the EIR Method as explained above.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Consolidated Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.7 Expected Credit Loss

Expected Credit Losses ('ECL') are recognised for Financial Assets held under amortised cost, debt instruments measured at FVTOCI, and certain loan commitments as approved by the Board and internal policies for business model.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL resulting from default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL resulting from all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial Assets where 12 months ECL is recognised are considered to be in 'stage 1'; Financial Assets that are considered to have significant increase in credit risk are considered to be in 'stage 2'; and Financial Assets which are in default or Financial Assets for which there is objective evidence of impairment are considered to be in 'stage 3'.

The treatment of the different stages of Financial Assets and the methodology of determination of ECL is set out below:

Unimpaired and without significant increase in credit risk (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments that remain in stage 1.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

We have ascertained default events based on past behavioural trends witnessed for each homogenous portfolio. These trends are established based on customer centric scores, economic trends of industry segments in wholesale portfolios.

Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default occurring over the remaining life of the loan exposure. However, unless identified at an earlier stage, the Parent Company have determined all assets deemed to have suffered a significant increase in credit risk when 30 days past due.

Based on other indications of borrower's delaying payments beyond due dates though not 30 days past due and other indications like non-cooperative borrowers, customer's overall indebtedness, death of customer, adverse impact on the business, serious erosion in the value of the underlying collateral, certain accounts are included in stage 2.

The measurement of risk of defaults under stage 2 are done by classifying them into homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles.

The default risk is assessed using probability of default (PD) derived from past behavioural trends of default across the identified homogenous portfolios.

For retail portfolios in stage 2, the probability of defaults initially based on are average lifetime probability of defaults experienced for stage 2 customers in each homogenous groups in the past. These past trends factor in the past customer centric behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed probability of defaults are then aligned considering future economic conditions that are determined to have a bearing on ECL.

For wholesale loans, the default risk is established based on multiple factors like Nature of security, Customer industry segments external credit ratings, credit transition probabilities, current conditions and future macroeconomic conditions.

Credit impaired (stage 3)

The Parent Company determines that a Financial asset is credit impaired and in stage 3 by considering relevant objective evidence, primarily whether

- Contractual payments of either principal or interest are past due for more than 90 days;
- The loan is otherwise considered to be in default

Interest income is recognised by applying the effective interest rate to the net amortised cost amount i.e. gross carrying amount less ECL allowance.

Movement between stages

Financial assets can be transferred between different categories depending on their relative increase in credit risk since initial recognition. Financial assets are transferred out of stage 2 if their credit risk is no longer considered significantly increased since initial recognition based on assessments described above.

Except for restructured assets, financial assets are transferred out of stage 3 when they no longer exhibit any evidence of credit impairment as described above. Restructured loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period typically 12 months post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Restructured Financial assets

A loan where repayment terms are renegotiated on substantially different terms as compared to the original contracted terms due to significant credit distress of the borrower are classified as credit impaired.

Measurement of ECL

The assessment of credit risk and the estimation of ECL are unbiased and probability weighted and incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money, a Probability of Default (PD), a Loss Given Default (LGD) and the Exposure at Default (EAD).

ECL is calculated by multiplying the PD, LGD and EAD. For stage 1 assets, the 12 months ECL is calculated. For assets in stage 2 and 3, Lifetime ECL is calculated using the lifetime PD.

The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected draw downs of committed facilities.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

The ECL for stage 2 and stage 3 is determined based on the expected future cash flows based on the estimates supported by past trends. Collateral is taken into account if it is likely that the recovery of the outstanding amount will include realisation of collateral based on the estimated value of the collateral at the time of estimated realisation, less costs for obtaining and selling the collateral. The cash flows are discounted at a reasonable approximation of the original effective interest rate.

2.8 Cash and Cash Equivalents

Cash and Cash Equivalents comprise cash in hand and cash at bank including fixed deposits with original maturity period of three months or less and short-term highly liquid investments with an original maturity of three months or less which are subject to insignificant risk of changes in value.

2.9 Earnings Per Share (EPS)

The basic EPS is computed by dividing the profit/loss after tax for the year attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year.

For the purpose of calculating diluted EPS, profit/loss after tax for the year attributable to the equity shareholders and the weighted average number of Equity Shares outstanding during the year is adjusted for the effects of all dilutive potential Equity Shares.

2.10 Impairment of Non-Financial Assets

At the end of each reporting period, the Parent Company reviews the carrying amounts of Non-Financial Assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Parent Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest cash-generating units for which a reasonable and consistent allocation basis can be identified. Recoverable amount is the higher of fair value less costs of disposal and value in use.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Consolidated Statement of Profit and Loss.

2.11 Employee Benefits

Short-Term Employee Benefits

Liabilities for salaries and wages, including non-monetary benefits in respect of employees' services up to the end of the reporting period, are recognised as liabilities (and expensed) and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the Consolidated Balance Sheet.

Post-employment Benefits

Defined Contribution Plan

Employee Benefits under defined contribution plans comprises of Contributory Provident Fund, Post Retirement Benefit Scheme, etc. are recognized based on the undiscounted amount of obligations of the Parent Company to contribute to the plan.

Defined Benefits Plan

Defined Benefits plan comprising of gratuity, post-retirement medical benefits and other terminal benefits, are recognized based on the present value of defined benefit obligations which are computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefits expense in the Consolidated Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Consolidated Statement of Changes in Equity and in the Consolidated Balance Sheet through Other Comprehensive Income. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

Other Long-Term Employee Benefits

Other long-term employee benefits comprise of leave encashment towards un-availed leave and compensated absence, these are recognized based on the present value of defined obligation which is computed using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. These are accounted either as current employee cost or included in cost of assets as permitted.

Re-measurement of leave encashment towards un-availed leave and compensated absences are recognized in the Consolidated Statement of Profit and Loss except those included in cost of assets as permitted in the period in which they occur.

2.12 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Parent Company and the revenue can be reliably measured.

a. Interest Income

Interest income is accounted for all financial instruments measured at Amortised Cost or at Fair Value Through Other Comprehensive Income, interest income is recorded using the Effective Interest Rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instruments to the gross carrying amount of the financial asset. Interest income on all trading assets and Financial Assets mandatorily required to be measured at FVTPL is recognised using the contractual interest rate in net gain on fair value changes.

b. Dividend Income

Dividend Income is recognized as and when the Parent Company's rights to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

2.13 Borrowings Costs

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such assets up to the date when such assets are ready for its intended use.

Other borrowing costs are charged to the Consolidated Statement of Profit and Loss in the period in which they are incurred.

2.14 Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused tax losses.

Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax law) enacted or substantively enacted by the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred tax assets and liabilities are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note : 2 Material Accounting Policy Information (contd.)

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income or directly in equity.

Deferred tax assets and tax liabilities are offset where the entity has a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Parent Company intends to settle on a net basis.

2.15 Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are recognised when the Parent Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When the effect of the time value of money is material, the Parent Company determines the level of provision by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability.

Contingent Assets / Liabilities

A contingent liability is a present obligation that arises from past events, where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. A contingent liability is disclosed. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Parent Company.

Claims against the Parent Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in the Consolidated Financial Statements since this may result in the recognition of income that may never be realised. A Contingent asset is disclosed where an inflow of economic benefits is probable.

2.16. Recent Accounting Pronouncements

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Third Amendment Rules 2024, dated 28th September 2024, to amend the following Ind AS which is effective from 30th September 2024.

Amendment to Ind AS 104

An insurer or insurance Company may provide its financial statement as per Ind AS 104 for the purposes of consolidated financial statements by its parent or investor or venturer till the Insurance Regulatory and Development Authority notifies the Ind AS 117 and for this purpose, Ind AS 104 shall, as specified in the Schedule to these rules, continue to apply.

The said amendment is not applicable to the Company and accordingly, has no impact on the Parent Company's financial statements.

* Remeasurement of Post-employment benefit obligation

Nature and Purpose of Reserves:**Retained Earnings:**

The Retained earnings comprises of General Reserve and Surplus which is used from time to time to transfer profits by appropriations. It is a free reserve of the Company and can be utilised in accordance with the provisions of the Companies Act, 2013 and as per the approval of the Board. It includes the remeasurement of defined benefit plans as per actuarial valuations which will not be reclassified to the Consolidated Statement of Profit and Loss in subsequent periods.

Statutory Reserve:

Statutory Reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 ("the RBI Act"). In terms of section 45-IC of the RBI Act, a Non-Banking Finance Company is required to transfer an amount not less than 20 per cent of its net profit to a Reserve Fund before declaring any dividend. Appropriation from this Reserve Fund is permitted only for the purposes specified by RBI.

Capital Reserve:

Capital Reserve was created through business combinations and shall be utilised as per the provisions of the Companies Act, 2013.

Fair value of Equity Instruments through Other Comprehensive Income:

This reserve represents the cumulative effect of fair value fluctuations of Investments made by the Company in equity instruments of other entities. The cumulative gain or loss arising on such changes are recognised through Other Comprehensive Income (OCI) and is accumulated under this reserve. The amount from this reserve will not be reclassified to the Consolidated Statement of Profit and Loss in subsequent periods.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 30

Contingent Liabilities and Commitments

A) Contingent Liabilities

(₹ '000)

Particulars	As at 31st March, 2025	As at 31st March, 2024
a) Claims against the Company not acknowledged as debts:		
Excise matters under dispute (Note i)	711	711
Service Tax Matters under dispute (Note ii)	11,931	11,931
Others	128,363	128,363
b) Guarantees given for loans granted to companies within the group	10,16,330	10,16,330

The probable cash outflow in respect of the above is not determinable at this stage.

Notes:

- Representing claim in respect of Interest on Excise Duty pending before the Hon'ble High Court at Chennai.
- Representing demand as per Order issued by the Commissioner of Service Tax, Kolkata in respect of various service tax matters. The above includes penalty and interest for delayed payment of the taxes which have not been quantified in the Order.

B) Other commitments

- The Parent Company has given an undertaking to ICICI Bank Limited not to transfer, assign, dispose of, pledge, charge or create any lien or in any way dispose of the existing Equity Shares to the extent of 13,04,748 shares or future shareholdings in McNally Bharat Engineering Company Limited without prior approval of the bank.
- In the matter of InCred Financial Services Limited (formerly KKR Financial Service Private Limited), the Company has been restrained from selling, transferring, alienating, disposing, assigning, dealing or encumbering or creating third party rights on their assets of the Parent Company vide ex-parte, interim order passed by Hon'ble High Court of Delhi in O.M.P. (I) (COMM.) 459/ 2019 dated 13th December, 2019.

Note 31

Income Tax Disclosure

The Major Components of Income Tax Expense are stated below:

a) Income Tax Recognized in Profit or Loss

(₹ '000)

Particulars	For the Year ended 31st March, 2025	For the Year ended 31st March, 2024
Current Income Tax	-	-
Adjustment in respect of current income tax of previous year	-	-
Total Current Tax Expense	-	-
Deferred Tax		
(Decrease)/Increase in Deferred Tax Assets	(5,02,202)	1,10,383
Decrease/(Increase) in Deferred Tax Liabilities	35	(98)
Deferred Tax	(5,02,236)	1,10,285
Tax Expense	(5,02,236)	1,10,285

b) Deferred Tax related to items recognized in OCI during the year

(₹ '000)

Particulars	For the Year ended 31st March, 2025	For the Year ended 31st March, 2024
Tax on Gain/(Loss) on FVTPL financial assets	-	-
Income Tax charged to OCI	-	-

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

c) Component of Deferred Tax

(₹ '000)

Particulars	For the Year ended 31st March, 2025	For the Year ended 31st March, 2024
Deferred Tax Liabilities		
Depreciation	(63)	(98)
Deferred Tax Assets		
Unabsorbed Business Loss	3,74,068	4,24,328
Provision for investment & doubtful advances	10,29,559	4,77,097
Total Deferred Tax Assets	14,03,564	9,01,327

The Parent Company has carried forward capital losses available for set off under Income Tax Act, 1961. However, in view of inability to assess future taxable income, the extent of deferred tax assets which may be adjusted in subsequent years is not ascertainable with virtual certainty at this stage and accordingly the deferred tax assets have not been recognized on unabsorbed capital loss.

The ultimate realization of deferred tax assets is dependent upon the future taxable income of the Parent Company. Deferred tax assets have been carried forward in this financial statement based on the management's assessment of reasonable certainty for reversal/ utilization thereof against future taxable income.

d) Reconciliation of Tax Expense

(₹ '000)

Particulars	For the Year ended 31st March, 2025	For the Year ended 31st March, 2024
Profit / (Loss) before Tax	(22,98,696)	(3,93,949)
Applicable Tax Rate	25.17%	25.17%
Tax on accounting profit	-	-
Income not allowed/exempt for tax purposes	-	-
Expenses not allowed for tax purposes	-	-
Effect on recognition of previously unrecognized allowances/disallowances	-	-
Difference in tax due to income chargeable to tax at Special Rates	-	-
Effect of Rate change	-	-
Tax expense recognized in profit or loss	-	-

Note 32

Details of dues to Micro, Small and Medium Enterprises as per MSMED Act, 2006

In accordance with the Notification No G.S.R. 719E dated 16th November 2007, issued by the Ministry of Corporate Affairs, certain disclosures are required to be made relating to Micro, Small & Medium Enterprises as defined under the said Act. Based on the information/ documents available with the Parent Company, disclosures required are as under:

Particulars	Balance as at 31st March, 2025 (Rs. in '000)	Balance as at 31st March, 2024 (Rs. in '000)
a) Principal amount remaining unpaid to any supplier as at the end of the accounting year.	6,643	4,924
b) Interest due thereon remaining unpaid to any supplier as at the end of the accounting year.	-	-
Total (a) & (b)	6,643	4,924
c) The amount of interest paid along with the amounts of the payments made to the supplier beyond the appointed day.	-	-
d) Amount of interest due and payable for the year	-	-
e) The amount of interest accrued and remaining unpaid at the end of the accounting year.	-	-
f) The amount of further interest due and payable even in the succeeding year, until such date when the interest dues as above are actually paid.	-	-

Dues to Micro, Small and Medium Enterprises have been determined to the extent such parties have been identified based on information collected by the management. This has been relied upon by the auditors.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 33

Balance Confirmation

Certain debit and credit balances including trade and other receivables, loans, other financial and non-financial assets, trade and other payables, debt securities and borrowings, and other financial and non-financial liabilities are subject to reconciliation with individual details and balances and confirmation thereof. Adjustments/ impact and related disclosures including those relating to MSME and interest thereagainst if any payable in this respect are currently not ascertainable.

Note 34

Earnings Per Share (EPS)

Net Profit for the year has been used as the numerator and number of shares have been used as denominator for calculating the basic and diluted earnings per share.

(₹ '000)

Particulars	As at 31st March, 2025	As at 31st March, 2024
A. Basic		
i) Number of Equity Shares at the beginning of the year	1,09,56,360	1,09,56,360
ii) Number of Equity Shares at the end of the year	1,09,56,360	1,09,56,360
iii) Weighted average number of Equity Shares outstanding during the year	1,09,56,360	1,09,56,360
iv) Face Value of each Equity Share (Rs.)	10	10
v) Profit / (Loss) after Tax for Equity Shareholders (Rs. in thousands)	(18,13,898)	(3,79,192)
vi) Basic Earnings / (Loss) Per share (v / iii) (Rs.)	(165.56)	(34.61)
B. Diluted		
i) Number of Dilutive potential Equity Shares	-	-
ii) Diluted Earnings / (Loss) per Share [Same as A (vi) above] (Rs.)	(165.56)	(34.61)

Note 35

50 % Decrease in Employee Turnover Rate	239909	0.074%	172319	0.081%
50 % Increase in Employee Mortality Rate	239756	0.010%	172206	0.015%
50 % Decrease in Employee Mortality Rate	239708	-0.010%	172154	-0.015%

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

iv. Sensitivity Analysis Method

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

(₹ '000)

Particulars	31st March, 2025	31st March, 2024
Principal Actuarial Assumptions at the Balance Sheet Date		
Discount Rate	6.65%	6.97%
Salary Escalation – Staff	5.00%	5.00%
Annual Expected Future Service	7	8
Mortality Rate during Employment	IIAM 2012-2015 Ultimate	IIAM 2012-2015 Ultimate
Early Retirement & Disablement (All causes combined)	1.00%	1.00%
Rate of Employee Turnover		
Age - Up to 28 Years	0.01%	0.01%
Age - 29 to 45 Years	0.03%	0.03%
Age - 46 and above	0.06%	0.06%

Disability : Voluntary Retirement has been ignored.

Through its post-employment benefit obligations, the Parent Company is exposed to a number of risks, the most significant of which are detailed below:

1. Interest Rate Risk: The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
2. Salary Inflation Risk: Higher than expected increases in salary will increase the defined benefit obligation.

A. Defined Contribution Plans

(₹ '000)

Note 37

Capital Management

The primary objective of the Parent Company's capital management policy is to ensure that the Parent Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximize shareholder's value.

The Parent Company manages its capital structure and makes adjustments thereto in light of changes in economic conditions and requirements of the financial covenants. In order to maintain or adjust the capital structure, the Parent Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

(₹ '000)

Regulatory capital	31st March, 2025	31st March, 2024
Common Equity Tier1 capital (CET1)	(36,88,769)	(15,97,444)
Tier 2 capital instruments (CET2)	-	-
Total capital	(36,88,769)	(15,97,444)

- Inter Corporate Borrowings	-	35,34,471	-	-	38,55,065	-

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 38 : Financial Instruments- Fair Value Measurement (Contd.)

Level 1 hierarchy includes financial instruments valued using quoted market prices. Listed equity instruments and traded debt instruments which are traded in the stock exchanges are valued using the closing price at the reporting date.

Level 2 hierarchy includes financial instruments that are not traded in active market. This includes OTC derivatives and debt instruments valued using observable market data such as yield etc. of similar instruments traded in active market. All derivatives are reported at discounted values hence are included in level 2. Borrowings have been fair valued using market rate prevailing as on the reporting date.

Level 3 if one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

iii. Valuation techniques used for valuation of instruments categorized as level 3.

For valuation of investments in equity shares and associates which are unquoted, peer comparison has been performed wherever available. Valuation has been primarily done based on the cost approach wherein the net worth of the Parent Company is considered and price to book multiple is used to arrive at the fair value. In cases where income approach was feasible valuation has been arrived using the earnings capitalization method. For inputs that are not observable for these instruments, certain assumptions are made based on available information. The most significant of these assumptions are the discount rate and credit spreads used in the valuation process. For valuation of investments in debt securities categorized as level 3, market polls which represent indicative yields are used as assumptions by market participants when pricing the asset.

Note 39

The Parent Company has a process whereby periodically all long-term contracts are assessed for material foreseeable losses. At the year end, the Parent Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses details whereof need to be provided under any law / Indian Accounting Standards.

Note 40

Financial Risk Management

The Parent Company has operations in India. Whilst risk is inherent in the Parent Company's activities, it is managed through a risk management framework, including on-going identification, measurement and monitoring subject to risk limits and other controls. The Parent Company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the Parent Company is exposed to and how the entity manages the risk

Risk	Arising from	Executive governance structure	Management
Credit Risk	Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations	Board appointed Risk Management Committee	Credit risk is <ul style="list-style-type: none"> measured as the amount at risk due to repayment default of a customer or counterparty to the Parent Company. Various metrics such as installment default rate, overdue position, collection efficiency, customers non-performing loans etc. are used as leading indicators to assess credit risk. monitored by Risk Management Committee using level of credit exposures, portfolio monitoring, repurchase rate, bureau data of portfolio performance and industry, geographic, customer, portfolio concentration risks; and assessment of any major change in the business environment including economic, political as well as natural calamity/pandemic. managed by a robust control framework by the risk and collection department which continuously align credit and collection policies and resourcing, obtaining external data from credit bureaus and reviews of portfolios and delinquencies by senior and middle management team comprising of risk, analytics, collection and fraud containment along with business. The same is periodically reviewed by the Board appointed Risk Management Committee.
Liquidity and funding risk	Liquidity risk arises from mismatches in the timing of cash flows. Funding risk arises from	Board appointed Asset Liability Committee (ALCO)	Liquidity and funding risk is <ul style="list-style-type: none"> measured by <ul style="list-style-type: none"> identification of gaps in the structural and dynamic liquidity statements. assessment of incremental borrowings required for meeting the repayment obligation as well as Parent Company's business plan in line with prevailing market conditions.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 40

Financial Risk Management (Cont.)

Risk	Arising from	Executive governance structure	Management
	<ul style="list-style-type: none"> inability to raise incremental borrowings and deposits to fund business requirement or repayment obligations when long term assets cannot be funded at the expected term resulting in cash flow mismatches Amidst volatile market conditions impacting sourcing of funds from banks 		<ul style="list-style-type: none"> monitored by <ul style="list-style-type: none"> assessment of the gap between visibility of funds and the near-term liabilities given current liquidity conditions and evolving regulatory directions for NBFCs. a constant calibration of sources of funds in line with emerging market conditions in banking periodic reviews by ALCO relating to the liquidity position and stress tests assuming varied 'what if' scenarios and comparing probable gaps with the liquidity buffers maintained by the Parent Company. managed by Parent Company's treasury team under the guidance of ALCO through various means like liquidity buffers, sourcing of long-term funds, positive asset liability mismatch, keeping strong pipeline of sanctions and approvals from banks and assignment of loans
Market Risk	Market risk arises from fluctuation in the fair value of future cash flow of financial instruments due to changes in the market variables such as interest rates and equity prices.	Board appointed Asset Liability Committee/ Senior Management	<p>Market risk is</p> <ul style="list-style-type: none"> measurement of market risks encompasses exposure to equity investments, foreign exchange rates which would impact our external commercial borrowings and interest rate risks on investment portfolios as well as the floating rate assets and liabilities with differing maturities is measured using changes in equity prices, and sensitivities movements; monitored by assessments of fluctuation in the equity price, movements of interest rate sensitivities under simulated stress test scenarios given range of probable interest rate movements on both fixed and floating assets and liabilities; and managed by Parent Company's treasury team under the guidance of ALCO and Investment Committee.

The Board of Directors provides guiding principles for overall risk management, as well as policies covering specific areas, such as, credit risk, liquidity risk, and investment of available funds. The Parent Company's risk management is carried out by its Risk Management Committee as per such policies approved by the Board of Directors. Accordingly, Parent Company's Risk Management Committee identifies, evaluates and manages financial risks.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 40

Financial Risk Management (Contd.)

Liquidity and funding risk

ALCO monitors asset liability mismatches to ensure that there are no imbalances or excessive concentrations on either side of the balance sheet.

The table below summarizes the maturity profile of the undiscounted contractual cash flow of financial liabilities.

(₹ '000)

Particulars	31st March, 2025			31st March, 2024		
	Within 12 Months	After 12 Months	Total	Within 12 Months	After 12 Months	Total

Total	61,71,303	-	61,71,303	66,03,560	-	66,03,560

Disputed and defaulted liability have been considered as due within 12 months in compliance with Ind AS 1: Presentation of Financial Statements.

a) Interest rate risk

The Parent Company holds shorter duration investment portfolio and thus it has a minimum fair value change impact on its investment portfolio. The interest rate risk on the investment portfolio and corresponding fair value change impact is monitored.

On assets and liabilities

Interest rate sensitivity on fixed and floating rate assets and liabilities with differing maturity profiles is measured by using the duration gap analysis. The same is computed monthly and sensitivity of the market value of equity assuming varied changes in interest rates are presented and monitored by ALCO.

b) Price risk

Parent Company's equity investments carry a risk of change in prices. To manage its price risk arising from investments in equity securities, Parent Company periodically monitors the sectors it has invested in, performance of the investee companies, measures mark-to-market gains/losses and reviews the same.

c) Credit Risk

Credit risk is the risk of financial loss arising out of a customer or counterparty failing to meet their repayment obligations to the Parent Company. It has a diversified lending model and focuses on commercial lending.

Classification of financial assets under various stages

The Parent Company classifies its financial assets in three stages having the following characteristics

Stage 1: unimpaired and without significant increase in credit risk since initial recognition on which a 12-months allowance for ECL is recognized;

Stage 2 : a significant increase in credit risk since initial recognition on which a lifetime ECL is recognized; and

Stage 3 : objective evidence of impairment and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognized.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk when they are 30 days past due (DPD) or one installment overdue on the reporting date and are accordingly transferred from stage 1 to stage 2. For stage 1 an ECL allowance is calculated based on a 12-months Point in Time (PIT) probability weighted probability of default (PD). For stage 2 and 3 assets a life time ECL is calculated based on a lifetime PD.

The Parent Company has calculated ECL using three main components: PD, LGD (loss given default) and EAD (exposure at default) along with an adjustment considering forward macro-economic conditions.

Note 43

The Parent Company had received an order passed by the Reserve Bank of India ("RBI") for cancellation of Certificate of Registration (No. 05.05534 dated March 31, 2003) vide letter no. KOL.DOS.RSG.No.S949/03.03.008/2022-23 dated July 04, 2022 under Section 45-IA(7) of the Reserve Bank of India Act, 1934. The RBI had also instructed the Parent Company to follow RBI Norms until the NBFC operations are ceased by the Parent Company.

The Parent Company had filed a petition with the Appellate Authority of NBFC Registration for the restoration of the Certificate of Registration. The Appellate Authority has rejected the petition and passed the final order dated May 04, 2023 for cancellation of Registration. Further, a Writ Petition before the Calcutta High Court has been filed by the Parent Company for restoration of the licence and the matter is subjudice.

The Consolidated Financial Statements of the Parent Company for the year ended 31st March, 2025 have been prepared considering the prudential norms applicable to the Non-Banking Financial Company.

Note 44

The main business of the Parent Company is Investment activity; hence, there are no separate reportable segments as per Ind AS 108 on 'Operating Segment'.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 45

Based on Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 dated 19th October, 2023 provisions are made for standard assets at 0.25 percent of the balance of such assets as at 31st March, 2025 which has been disclosed separately as “Provision for Standard Assets” in Note 19.

Note 46

During the year, the Parent Company's financial performance has been adversely affected due to external factors beyond the control of the Parent Company due to the classification of loans and advances as Non-Performing Assets and diminution in the value of Investments resulting in negative net worth. The Parent Company has defaulted in repayment of its loans due to the liquidity issues faced by the Parent Company. However, the management is having constant negotiations and discussions with the lenders for early settlement of disputes and are confident that with the lenders' support and various other measures taken by it, the Parent Company will be able to generate sufficient cash inflows through profitable operations improving its net working capital position to discharge its current and non-current financial obligations. Accordingly, the Board of Directors have decided to prepare the Consolidated Financial Statements on a going concern basis.

Note 47

- The Parent Company has requested the Inter-Corporate lenders to consider the waiver of interest for the current financial year which is yet to be confirmed. Accordingly, interest expense of Rs. 4,64,188 thousand on inter-corporate borrowings for the year ended 31st March, 2025 (Rs. 4,24,354 thousand for the year ended 31st March, 2024) has not been recognized in the Consolidated Financial Statements.
- The Parent Company is in disputes with the secured lenders, namely HDFC Bank Limited and InCred Financial Services Limited (formerly KKR Financial Services Limited), and accordingly, the Board of Directors has decided not to recognize interest on such borrowings for the current year in the Consolidated Financial Statements as the same is not ascertainable at present.
- In earlier years, the Parent Company could not repay the term loan due to InCred Financial Services Limited (formerly KKR Financial Services Limited). The matter has been referred to Arbitration.
- A lender of the Parent Company, namely HDFC Bank Limited, has filed a suit before the Honorable High Court at Calcutta against the Parent Company and its Group Parent Company for default in repayment of loans borrowed by the Parent Company. The Parent Company has decided to contest and defend its case.

Note 48

The Parent Company had defaulted in redemption of Non-Convertible Debentures (NCD). Consequently, the debenture holder and/or debenture trustee have invoked various shares and securities given by the Parent Company and its group companies. In the absence of any invocation statement and/or confirmation from IL&FS, the Parent Company has adjusted the value of NCD and interest thereon from such invocation at the closing market price of the said shares on the date of invocation, the details of which are given here under:

(₹ '000)			
	Period	Adjusted by way of invocation	
		Principal	Interest
Non - Convertible Debentures	FY 2019-20	-	13,49,98
	FY 2020-21	1,25,000	13,36,25
	FY 2021-22	1,26,944	5,50,74
	FY 2022-23	1,37,149	-

On the basis of available information with the Parent Company, the Management has exercised significant care to consider such adjustments to the carrying value of outstanding debentures. Consequently, the management has determined the stated default:

(₹ '000)				
	Period	Amount of Default		Due on
		Principal	Interest	
Non - Convertible Debentures	Quarter ended December'21	64,032	25,239	31.12.2021
	Quarter ended March'22	1,09,375	24,965	31.03.2022
	Quarter ended June'22	1,09,375	2,49,65	30.06.2022
	Quarter ended September'22	1,09,375	24,965	30.09.2022
	Quarter ended December'22	1,09,375	24,343	31.12.2022
	Quarter ended March'23	1,09,375	23,600	31.03.2023

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 49

As on 31st March, 2025, the Parent Company has four directors namely, Mr. Lakshman Singh, Mr. Chandan Mitra, Mr. Debashis Lahiri and Ms. Lyla Cherian who are disqualified under section 164(2)(b) of the Companies Act, 2013. The disqualification of the Directors of the Parent Company have occurred pursuant to default in repayment of principal amount of Non-Convertible Debentures and payment of interest amount of Non-Convertible Debentures.

Note 50

In earlier years, the Parent Company had issued Non-Convertible Debentures worth 10,00,000 thousand to IL & FS which matured at the end of the Financial Year 2022-23. The Parent Company defaulted in repayment of the dues, consequently invocations were made from time-to-time by the debenture trustee towards recovery of its dues.

One-time settlement agreement dated 5th May, 2023 has been signed by the Debenture-holder, the Parent Company and Guarantors along with other borrowers. According to the MoU, the Parent Company and other borrowers had settled their respective liability towards debt securities in part for cash consideration of Rs. 4,96,700 thousand which was paid by a group Company on behalf of the Parent Company and other borrowers and the balance is to be settled by selling the collateral Neemrana Land, jointly owned by Vedica Sanjeevani Projects Private Limited and Christopher Estates Private Limited by the end of the year. The proceeds from the sale of Neemrana Land shall be adjusted to settle the outstanding dues only on Final Settlement Date in the manner as may be communicated by the Debenture holder in writing. However, the sale of Neemrana Land has not yet been materialized. The necessary accounting adjustments, if any, will be carried out upon completion of the sale and subsequent communication with the respective lenders.

Note 51

In the earlier years, Kotak Mahindra Bank Limited ("KMBL") had agreed to invest in Compulsory Convertible Preference Shares ("CCPS") of McNally Bharat Engineering Limited ("MBECL") to the tune of Rs. 1,44,800 thousand and the Parent Company had entered into a Share Subscription Shareholder's Agreement along with a Put Option Agreement with KMBL. As per the terms of agreement KMBL exercised put option to sell the said shares to the Parent Company. On its failure to recover the amount, KMBL filed an application under section 9 of Arbitration & Conciliation Act before the Bombay High Court. An order of injunction was passed upon the Parent Company restraining it from transferring, disposing of or alienating its assets and an undertaking was taken from the Parent Company that Rs. 5,000 thousand would be paid by it upfront which has since been paid.

The CCPS liability of Rs. 1,48,800 thousand has been settled for an amount of Rs. 63,000 thousand vide a settlement agreement dated 26th December, 2023. As per the mentioned terms, Fixed Deposit of Rs. 8,000 thousand in KMBL have been encashed and adjusted and all payments have been made. The outstanding liability has been fully settled. The Parent Company is yet to receive a No Due Certificate from KMBL.

Note 52

In the earlier years, the Parent Company had settled and accounted for a term loan of Rs. 6,00,000 thousand at Rs. 4,79,108 thousand given by SREI as per MoU entered between borrower, lender and guarantors on 28.09.2020. However, the Parent Company has defaulted/delayed the payment as per terms and conditions of the MoU. In the matter, the Parent Company entered into a debt restructuring agreement for the balance Rs. 1,20,000 thousand payable in monthly instalments which was acknowledged as debt by the Parent Company and necessary expense been recorded and guaranteed by Mr. Aditya Khaitan, Promoter of the Parent Company. However, as on 31st March 2025, the Parent Company has not paid Rs. 16,947 thousand (including interest) due for the month of February 2025 and March 2025. Subsequently, the Parent Company has paid Rs. 5,500 thousand for the dues of February 2025 in April 2025.

Note 53

In earlier year, pursuant to the put option agreement entered into by the Parent Company with Aditya Birla Finance Limited ("the Investor"), the Investor had invested in one of the promoter group Company namely McNally Bharat Engineering Company Limited (MBECL) by subscribing to 1,12,90,000 Compulsorily Convertible Preference Shares (CCPS) @ Rs 62/- per CCPS aggregating to Rs. 6,99,980 thousand. On the Investor's failure to realize the amount on exercising the put option, it initiated arbitration proceedings and the Arbitral Tribunal passed an interim award upon the group companies and the Parent Company declaring it to be jointly and severally liable to pay a sum of Rs. 8,10,000 thousand. The Parent Company filed an application challenging the award and the adjudication order dated 7th June, 2023 has been passed by the Arbitrator.

As per the order and the consent terms agreed, in the current year, the group companies have paid a sum of Rs. 34,400 thousand during the year. The Parent Company has recognized the liability in the name of group companies under the head 'Borrowings other than Debt Securities' in Note No. 16 with the corresponding charge to Statement of Profit & Loss under the head 'Other Expenses' in Note No. 29.

Notes forming part of the Consolidated Financial Statements for the year ended 31st March, 2025

Note 54

In the earlier year, one of the lenders of the Parent Company, Aryan Mining and Trading Corporation Private Limited had assigned its receivable from the Parent Company to Danta Vyapar Kendra Limited amounting to Rs. 38,392 thousand. The Parent Company has defaulted in the payment of Rs. 41,874 thousand (including interest thereon) due as on 31st March, 2025.

Note 55

In the earlier years, the Company had given Inter Corporate Loans and Advances to McNally Bharat Engineering Company Limited (MBECL). On 29th April 2022 National Company Law Tribunal (NCLT) Kolkata Branch II has passed the order against MBECL for initiation of the Corporate Insolvency Resolution Process (CIRP) as per the provision of the Insolvency Bankruptcy Code, 2016. The Parent Company had filed its claim of Rs. 15,96,621 thousand before the Interim Resolution Professional (IRP) of MBECL. The Resolution Professional (RP) had admitted the Claim to the extent of the principal amounting to Rs. 1,30,000 thousand only. The Resolution Plan has been approved by NCLT on 19th December 2023 but is not effective till the payment is made by the Resolution Applicant. However, the Parent Company has already made provisions against the Inter-corporate deposit given and its interest of Rs. 15,01,338 thousand. Further, the Parent Company's investment in MBECL, being a promoter shareholder, are locked for trading. Therefore, in accordance with Ind AS 113 Fair Value Measurement and as per the resolution plan, Investment in equity instruments of MBECL has been valued at Rs. Nil thousand.

Note 56

In earlier year, upon exercise of put option by IL&FS Financial Services Limited for loan extended to McNally Bharat Engineering Company Limited by subscribing 1,61,29,000 CCPS issued by said group Company @ Rs. 62/- per CCPS, amounting to Rs. 9,99,988 thousands the Parent Company recognized the liability to that extent and showed as receivable from McNally Bharat Engineering Company Limited as 'Other Receivable' in Note 6.

Note 57

An Adjudicating Order No. Order/SV/VC/2024-25/30271 dated 10th April, 2024 was passed by SEBI Adjudicating Officer imposing a penalty of Rs. 200 thousands. The same has been paid during the year and disclosed as 'Other Expenses' in Note 29.

Note 58

Corporate Social Responsibility

As per section 135 of the Companies Act, 2013 a Company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. In terms of the requirement of section 135 of the Companies Act, 2013 and rules made thereunder, the Parent Company was not required to spend on CSR activities during the Financial Year ended 31st March, 2025 since the Parent Company had an average net loss during the immediately preceding Financial Year.

Note 59

Additional Regulatory Information

The following additional disclosures are made pursuant to notification of Ministry of Corporate Affairs dated 24th March, 2021.

- No proceedings have been initiated or pending against the Parent Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- None of the banks, financial institutions or other lenders from whom the Parent Company has borrowed funds has declared the Parent Company as a wilful defaulter at any time during the current year or in previous year.
- Details of Transaction with the companies struck off under section 248 of Companies Act, 2013 or section 560 of the Companies Act, 1956 are as follows:

Name of Struck off Company	Nature of Transaction	Balance Outstanding (2024-25)	Balance Outstanding (2023-24)	Relationship with struck off Company
NA	NA	Nil	Nil	No

- All the charges which are required to be registered with Register of Companies (ROC) have been duly registered under the provisions of Companies Act 2013 and rules made thereunder. However, following are open charges and are yet to be satisfied as there are disputes with the lenders with respect to the loans obtained by the group companies.

Statement on Impact of Audit Qualifications (for audit report with modified opinion) submitted along-with Annual Audited Consolidated Financial Results

Statement on Impact of Audit Qualifications for the Financial Year ended March 31, 2025

[See Regulation 33 of the SEBI (LODR) (Amendment) Regulations, 2016]

(₹'000)

I	Sl.	Particulars	Audited Figures (as reported before adjusting for qualifications)	Adjusted Figures (audited figures after adjusting for qualifications)
	1	Turnover / Total income	4,75,469	4,75,469
	2	Total Expenditure	27,74,165	32,38,353
	3	Net Profit/(Loss)	(18,13,918)	(22,78,107)
	4	Earnings Per Share	(165.56)	(207.92)
	5	Total Assets	39,09,369	39,09,369
	6	Total Liabilities	61,84,485	66,48,673
	7	Net Worth	(22,75,116)	(27,39,304)
	8	Any other financial item(s)	NIL	NIL

II	Audit Qualification (each audit qualification separately):	
	Qualification - 1	
	a. Details of Audit Qualification:	<p>(1) <u>Going Concern Assumption in preparation of the Statement</u></p> <p>The Parent Company had defaulted in repayment of borrowings to its financial institutional lenders and others. In view of the Management, the Parent Company would be able to improve its net working capital position to discharge its current and non-current financial obligations. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Parent Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Financial Statements".</p>
	b. Type of Audit Qualification:	Qualified Opinion
	c. Frequency of qualification:	Repetitive
	d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
	e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
	(i) Management's estimation on the impact of audit qualification:	Estimation not possible
	(ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
	(iii) Auditors' Comments on (i) or (ii) above:	Not able to comment on impact of going concern assumption at present (Refer (a) Basis for Qualified Opinion).

Qualification - 2											
a. Details of Audit Qualification:	<p>(2) Non-recognition of Interest Expense</p> <p>We draw attention to Note No. 5 of the Statement relating to non-recognition of interest expense on secured borrowings from financial institutions and unsecured inter-corporate borrowings. As the matter is under dispute / negotiation, the Parent Company has neither recognized nor ascertained any finance cost on such secured borrowings for the period given hereunder:</p> <table><tr><th>Sl. No.</th><th>Name of the Secured Lender</th><th>Period for which interest has not been provided for</th></tr><tr><td>1</td><td>InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)</td><td>From August, 2019 upto March, 2025</td></tr><tr><td>2</td><td>HDFC Bank Limited</td><td>From April, 2021 upto March, 2025</td></tr></table> <p>Interest expense on unsecured inter-corporate borrowings amounting to Rs. 4,64,188 thousand for the year ended 31st March, 2025 including Rs. 1,06,766 thousand for the quarter ended on that date has not been recognised by the Parent Company. As a result, finance cost and liability on account of interest to that extent is understated and Total Comprehensive Loss is understated. Further, penal/compound interest and other adjustments in respect of borrowings have not been recognised and amount payable to the lenders and other parties in this respect are lacking confirmation from respective parties and consequential reconciliation. Pending final determination of amounts with respect to these, adjustments and impacts arising therefrom have not been ascertained and as such cannot be commented upon by us.</p> <p>This constitutes a departure from the requirements of Indian Accounting Standard 109 "Financial Instruments" and accrual basis of accounting.</p>		Sl. No.	Name of the Secured Lender	Period for which interest has not been provided for	1	InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)	From August, 2019 upto March, 2025	2	HDFC Bank Limited	From April, 2021 upto March, 2025
Sl. No.	Name of the Secured Lender	Period for which interest has not been provided for									
1	InCred Financial Services Limited (formerly KKR India Financial Services Private Limited)	From August, 2019 upto March, 2025									
2	HDFC Bank Limited	From April, 2021 upto March, 2025									
b. Type of Audit Qualification:	Qualified Opinion										
c. Frequency of qualification:	Annual										
d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	<p>The Parent Company has disagreement with lenders regarding the steep interest rates hence nothing is provided nor paid by the company.</p> <p>As the matter is under dispute, the Board of Directors has decided not to recognize interest expense on its borrowings for the current period in the Audited Financial Results as the same is unascertainable at present.</p>										
e. For Audit Qualification(s) where the impact is not quantified by the auditor:											
(i) Management's estimation on the impact of audit qualification:	Not Applicable										
(ii) If management is unable to estimate the impact, reasons for the same:	Not Applicable										
(iii) Auditors' Comments on (i) or (ii) above:	Not able to comment on impact of going concern assumption at present (Refer (b) Basis for Qualified Opinion).										

Qualification - 3	
a. Details of Audit Qualification:	<p>(3) Default in repayment of Interest and Principal of Debt Securities</p> <p>We draw attention to Note No. 6 of the Statement with respect to default in repayment of Principal and Interest on Non-Convertible Debentures issued to IL&FS Financial Services Limited and subsequent settlement agreed upon. In earlier years, Security provided by the Parent Company by way of mortgage/pledge of certain properties with the Debenture Trustee against issue of above debentures have been invoked by the Debenture Trustee from time to time.</p> <p>The Management has ascertained and decided to adjust disposal proceeds and payment made as per the settlement agreement from the outstanding value of debentures and estimated interest as per the repayment schedule. We are unable to ascertain the effect of the same as of now due to the lack of requisite confirmations and pending reconciliations.</p>
b. Type of Audit Qualification:	Qualified Opinion
c. Frequency of qualification:	Repetitive
d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
(i) Management's estimation on the impact of audit qualification:	Estimation not possible
(ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
(iii) Auditors' Comments on (i) or (ii) above:	The Management need to take confirmation and do reconciliation to calculate the impact on Debt Securities. (Refer (c) Basis for Qualified Opinion).

Qualification - 4	
a. Details of Audit Qualification:	<p>(4) Balances of receivables, unsecured and secured loan creditors and their balance confirmations.</p> <p>We draw attention to Note No. 13 with respect to certain balances, relating to trade and other receivables and liabilities including those payable to loan creditors lacking reconciliation and confirmation. Non-determination/ recognition of amount payable in respect of claims pursuant to the undertaking executed between the Parent company and the lenders in respect of certain group companies regarding company's obligation in respect of the settlement arrived at with corporate lenders. Pending determination of the company's obligation and finalization of terms and conditions following the agreement arrived at with the parties, adjustments to be made in this respect are currently not ascertainable and as such cannot be commented upon by us.</p>
b. Type of Audit Qualification:	Qualified Opinion
c. Frequency of qualification:	Repetitive

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
(i) Management's estimation on the impact of audit qualification:	Estimation not possible
(ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
(iii) Auditors' Comments on (i) or (ii) above:	The Management need to take confirmation and do reconciliation to calculate the impact of Borrowings and Loans and Advances. (Refer (d) Basis for Qualified Opinion).

Qualification - 5	
a. Details of Audit Qualification:	<p><u>(5) Default in payment of interest and repayment of principal of secured and unsecured loans</u></p> <p>We draw attention to Note No 5(b), 5(c), 7 & 9 of the Statement with respect to default in payment of interest and repayment of principal of Loan borrowed from secured and unsecured lenders of the Company.</p>
b. Type of Audit Qualification :	Qualified Opinion
c. Frequency of qualification:	Whether appeared first time
d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
((i) Management's estimation on the impact of audit qualification:	Estimation not possible
(ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
(iii) Auditors' Comments on (i) or (ii) above:	Not able to comment on impact at present. (Refer (e) Basis for Qualified Opinion).

Qualification - 6	
a. Details of Audit Qualification:	<p><u>(6) Recognition of Deferred Tax Assets</u></p> <p>We draw attention to Note No. 14 of the Statement relating to recognition of Deferred Tax Assets amounting to Rs. 14,03,564 thousand as at 31st March, 2025. Considering the management's assessment of going concern assumption in the Statement, the threshold of reasonable certainty for recognizing the deferred tax assets as per Indian Accounting Standard 12 "Income Taxes" has not been met. Consequently, deferred tax assets are overstated and total comprehensive income for the year ended 31st March, 2025 is understated by that extent.</p>
b. Type of Audit Qualification :	Qualified Opinion

	c. Frequency of qualification:	Repetitive
	d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:	Not quantified
	e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
	((i) Management's estimation on the impact of audit qualification:	Estimation not possible
	((ii) If management is unable to estimate the impact, reasons for the same:	Estimation not possible
	((iii) Auditors' Comments on (i) or (ii) above:	Not able to comment on impact at present. (Refer (f) Basis for Qualified Opinion).
