## **Sanwaria Consumer Limited**

Office Hall No. 1. First Floor, Metro Walk Bittan Market, Bhopal(MP)-462016

I Ramesh Chandra Bagdi, Proprietor of Ramesh Chandra Bagdi & Associates, Company Secretary in practice have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Sanwaria Consumer Limited (CIN NO. L15143MP1991PLC006395)** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books papers minute books forms and returns filed and other records maintained by the Company and also the information provided by the Company its officers agents and authorized representatives during the conduct of secretarial audit I hereby report that in my opinion the Company has during the audit period covering the financial year ended on **31st March 2025** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent in the manner and subject to the reporting made hereinafter:

I have examined the books papers minute books forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2025 according to the provisions of:

- 1. The Companies Act 2013 ('the Act') and the rules made there under;
- 2. The Securities Contracts (Regulation) Act 1956 ('SCRA') and the rules made there under;
- 3. The Depositories Act 1996 and the Regulations and Bye-laws framed there under;
- 4. Foreign Exchange Management Act 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings
- 5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations 2011;

- (g) The Securities and Exchange Board of India(Delisting of Equity Shares) Regulations 2021 (Applicable to the company during the review period)
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Applicable to the company during the review period)
- (i) The Securities and Exchange Board of India (Depositories and Participant) Regulations, 2018 (Applicable to the company during the review period)
- 6) Other Laws applicable specifically to the Company namely;

# AS THERE IS NO BUSINESS OF THE COMPANY DURING THE YEAR UNDER REVIEW HENCE NO SPECIFIC ACTS/REGULATIONS ARE APPLICABLE TO THE COMPANY EXCEPT-EMPLOYEE PF AND MISC. PROVISIONS ACT, 1952

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

I further report that:

- ➤ The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent directors as per Regulation 17 (1) of SEBI (LODR) Regulations 2015. During the period under review there was no changes in the composition of the Board of Directors.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance in accordance with the provisions of Companies Act, 2013 and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

I further report that the Honourable NCLT, Indore Bench has vide its order dated. May, 29, 2020 admitted the application for the initiation of the Corporate Insolvency Resolution Process (CIPR) of Corporate Debtor in terms of the Insolvency and Bankruptcy Code, 2016 read with the Rules and Regulations framed there under as amended from time to time (Code). Accordingly pursuant to the provisions of Section 17 of the IBC the Powers of the Board of Directors of the Corporate Debtor stands suspended and such powers shall be vested with Mr. Rajeev Goel appointed as the Insolvency Resolution Professional (the IPR or interim Resolution Professional). Further the committee of creditors (CoC) of the Corporate Debtor

pursuant to the meeting held on July, 28, 2020 and in terms of Section 22(2) of the Code resolved with 100% voting share to replace the existing interim Resolution Professional with Mr. Gautam Mittal as the Resolution Professional (RP) for the Corporate Debtor. Accordingly the NCLT has in its meeting dated 4th September 2020 through video conferencing pronounced the approval for the appointment of Mr. Gautam Mittal as the RP(Resolution Professional) of the Corporate Debtor.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company had no specific actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above.

## **Management Discussion & Analysis Report**

## **Industry structure and Development**

The fast-moving consumer goods (FMCG) sector is an important contributor to India's GDP growth. The sector includes food & dairy products packaged food products household products drinks and others. The fast moving consumer goods (FMCG) is the fourth largest sector in the Indian economy. The growth in edible oil consumption presents an opportunity to build around a sustainable business model to capitalise the growing business prospects. The rising income level and improvement in living standards has led to steady increase in demand for edible oils. Your Company's primary business is food processing - processing of oilseeds refining of crude edible oil for use as cooking oil manufacturing of soya products and other consumer products. Considering the growing population and the food habits across India edible oils form an essential part of the modern diet. The total consumption of edible oil in India is estimated to be more in the coming days out of which domestic supply is much less due to stagnant production of edible oil seeds leaving demand-supply gap.

India ranks sixth in the world in terms of nominal gross domestic product ("GDP") and is the third largest economy in the world in terms of purchasing power parity ("PPP"). India is estimated to be among the top three global economies in terms of nominal GDP by Fiscal 2050. Since FY 2005 Indian economy's growth rate has been twice as that of world economy and it is expected to sustain the growth momentum in the long term. In the wake of COVID-19 India's normal GDP has contracted by approximately 3% in FY2021 and is expected to bounce back and reach US\$ 4 Tn by FY 2025. It is also expected that the growth trajectory of Indian economy will enable India to be among the top 3 global economies by FY 2050

## **MARKET SIZE**

Edible oils are indispensable to Indian cooking. The four key edible oils palm soybean mustard and sunflower constitute 85-88% of the total consumption in India in terms of volume. Palm oil is primarily used by the food processing enterprises. It is also used in blended oils for domestic consumption. Palm and soybean are also being used by the Hotels Restaurants and Caterers segment. India imports most of its palm oil consumption. Soybean oil mustard oil and sunflower oil is largely used for domestic consumption. The other oils include sesame oil coconut oil groundnut oil rice bran oil amongst others.

## **GOVERNMENT INITIATIVES**

Some of the major initiatives taken by the Government of India to improve the food processing sector in India are as follows:

## Goods and Service Tax (GST)

GST upon being implemented shall replace the multiple indirect taxes levied on FMCG sector with a uniform simplified and single-point taxation system. A swift move to the proposed GST may reduce prices bolstering consumption of FMCG products.

## **Food Security Bill**

The Food Security Bill has been passed recently by the Union Cabinet. As per the bill 5Kg of food grains per person per month will be provided at subsidized prices by the State Governments under the targeted public distribution system. This is expected to result in higher inflow of investments into the agriculture sector in the coming years.

## **Excise Duty**

Excise duty on other beverages and lemonade would be decreased to reduce retail sale price by 35%. Excise duty on various tobacco products other than beedi would be increased resulting in retail price of tobacco products going up by 10-15%.

#### **Relaxation of License Rules**

Industrial license is not required for almost all food and agro-processing industries barring certain items such as alcoholic beverages cane sugar and hydrogenated & animal fats as well as items reserved for exclusive manufacture in the small-scale sector

## **COMPANY OVERVIEW**

The primary Business of the company is processing of Oils seeds and paddy Currently the Company is having capacity of 2500 TPD of Solvent Extraction Plant Soya Refinery of 225 TPD and 500 TPD of Paddy processing Plant. Growing awareness easier access and changing lifestyle are the key growth drivers for the consumer market. The focus on agriculture MSMEs education healthcare infrastructure and tax rebate under Union Budget 2019- 20 was expected to directly impact the FMCG sector. Initiatives undertaken to increase the disposable income in the hands of common man especially from rural areas will be beneficial for the sector. (source https://www. ibef.org/archives/industry/fmcg-reports/indian-fmcgindustry-analysis-september-2020)

## Increasing presence on e-commerce platform:

It is estimated that 40% of all FMCG purchases in India will be online by 2020 thereby making it a US\$ 5-6 billion business opportunity. Owing to their innate desires to live independently and well Indians are spending like never before on platforms like e-commerce. They are now looking for products and services that can be bought with convenience.

# AUDITORS' CERTIFICATION OF COMPLIANCE WITH THE CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE BY PRACTICING CHARTERED ACCOUNTANT

[As per Regulation 34(3) read with Schedule V(E) of The SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015]

# INDEPENDENT AUDITOR'S REPORT TO THE BOARD OF DIRECTORS OF SANWARIA CONSUMER LIMITED

# Report on the Audit of the standalone financial statements Opinion

We have audited the accompanying standalone quarterly financial results of Sanwaria Consumer Limited ("the company") for the quarter ended March 31, 2025 and the year-to- date results for the period from April 01, 2024 to March 31, 2025, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view subject to observations given in Schedule "A" in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2025, and its Loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

## **Basis for Qualified opinion**

The Company has shown all expenses on the Cash basis, due to this the following expenses have not been included in the current year financials, hence loss has been reduced by Rs. 229.90 Lacs:

Sr. No.	Particulars	Amount (in Lacs)
1	Advertising and Publicity	0.50
2	Professional Expenses	69.32
3	Security Expenses	81.44
4	Salary Exp.	74.15
5	Audit Fee	4.48

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code

# SANWARIA CONSUMER LIMITED

of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Management's Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year-to-date standalone financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities: selection and application of appropriate accounting policies: making judgments and estimates that are reasonable and prudent: and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone financial Results as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the interim condensed standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the interim condensed standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the interim condensed standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit finding including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# **Report on other Legal and Regulatory Requirements**

As required by Section 197(16) of the Act we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

As required by the Companies (Auditor's Report) Order 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act we give in the **Annexure B** a statement on the matters specified in paragraphs 3 and 4 of the Order.

Further to our comments in **Annexure B** as required by Section 143(3) of the Act we report that:

# SANWARIA CONSUMER LIMITED

we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

the standalone financial statements dealt with by this report are in agreement with the books of account;

in our opinion the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;

on the basis of the written representations received from the directors and taken on record by the Board of Directors none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act;

we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31<sup>st</sup> March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per **Annexure C** expressed an unmodified opinion;

with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules 2014 (as amended) in our opinion and to the best of our information and according to the explanations given to us:

the Company has disclosed the impact of pending litigations on its financial position in the standalone financial statements;

the Company has made provision as required under the applicable law or Ind AS for material foreseeable losses if any on long-term contracts including derivative contracts;

there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2025;

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SANWARIA CONSUMER LIMITED ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

#### **ANNEXURE B**

Based on the audit procedures performed for the purpose of reporting a **true and fair view subject to observations given in Schedule "A"** on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit and to the best of our knowledge and belief we report that:

- i. (a) The Company has maintained proper records of Fixed Assets which provided block wise detail of the Fixed Assets but it should be more descriptive.
  - (b) As per the information and explanation given to us the Company has a regular program of physical verification of its property plant and equipment under which property plant and equipment are verified annually which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program property plant and equipment were verified during the year and no material discrepancies were noticed on such verification.

- (c) As per the information and explanation given to us the title deeds of all the immovable properties are held in the name of the Company.
- ii. In our opinion and according to the information and explanations given to us the Company is maintaining proper record of inventory. The discrepancies noticed on verification between physical stocks and the book records were not material and have properly dealt with in the books of accounts. No material discrepancies were noticed on the aforesaid verification.
- iii. The Company has granted secured or unsecured loans to companies firms and others parties covered in the register maintained under Section 189 of the Act; and with respect to the same:
  - a. In our opinion the terms and conditions of grant of such loans are not prima facie prejudicial to the Company's interest;
  - b. The schedule of repayment of principal and payment of interest has been stipulated and the repayment/ receipts of the principal amount and the interest are regular;
- iv. In our opinion the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans investments guarantees and security.
- v. In our opinion the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules 2014 (as amended). Accordingly the provisions of clause 3(v) of the Order are not applicable.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products and services and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) The Company is regular in depositing undisputed statutory dues including provident fund employees' state insurance income-tax sales-tax goods and services tax service tax duty of customs duty of excise value added tax cess and other material statutory dues as applicable with the appropriate authorities though there has been slight delay in few cases. Further no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
  - (b) The dues outstanding in respect of income-tax sales tax duty of customs duty of excise and value added tax on account of any dispute are as follows:

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF SANWARIA CONSUMER LIMITED ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

#### **ANNEXURE C**

Independent Auditor's report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act 2013 (the "Act")

 In conjunction with our audit of the standalone financial statements of Sanwaria Consumer Limited (the "Company") as at and for the year ended 31 March 2025 we have audited the internal financial controls over financial reporting of the Company as of that date.

## Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business including adherence to Company's policies the safeguarding of its assets the prevention and detection of frauds and errors the accuracy and completeness of the accounting records and the timely preparation of reliable financial information as required under the Act.

#### **Auditors' Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls over financial reporting and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

# **Meaning of Internal Financial Controls over Financial Reporting**

6. A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition use or disposition of the Company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting.

- 7. Because of the inherent limitations of internal financial controls over financial reporting including the possibility of collusion or improper management override of controls material misstatements due to error or fraud may occur and not be detected.
- 8. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that internal financial controls over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

# Opinion

8. In our opinion the Company has in all material respects adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

#### 2 Significant Accounting Policies

#### 2.1 Basis of Preparation

These financial statements have been prepared to comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 notified under Section 133 of the Companies Act, 2013 ("The Act") and Other relevant provisions of the Act.

Company's financial statements are presented in Indian Rupees (1), which is also its functional currency

The financial statements are prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value.

#### 2.2 Property, Plant and Equipment

Property, plant and equipment are stated at original cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. All repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

Depreciation on assets has been provided on a straight line basis at the useful lives specified in the Schedule II of the Companies Act, 2013. Depreciation on additions/ deductions is calculated pro-rata from/ to the period of additions/ deductions.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. Currently the residual life is considered as 5% of the value of property plant and equipment.

#### 2.3 Impairment of Non-Financial Assets - Property , Plant and Equipment

Impairment or norm-manutal assets - Property , Flammand equipment.

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipmentand intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly altributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

#### 2.5 Inventories

Inventories are valued as under -

- Raw material, Stores & Spares are valued at lower of cost (on FIFO basis) or net realisable value whichever is lower.
   Work in Process at cost including related overheads.
   Finished Goods & Stock in Trade are valued at cost or estimated realisable value whichever is lower. Cost comprises material, labour. and applicable overhead expenses.

#### 2.7 Revenue Recognition

#### Sale of Goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

#### nterest Income

Interest is recognized on a time proportion taking into account the amount outstanding and rate applicable

#### Other Income

Other Income is recognised when right to receive is established.

#### 2.8 Employee Benefits

#### (i) Short Term Employee Benefits

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like scalaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

#### (ii) Post-Employment Benefits

a) Defined Contribution Plans: The obligation to employee's provident fund is a defined contribution plan. The contribution paid/payable is recognized in the period in which the employee renders the related service. The company has defined contribution plans where the company pays pre-defined amounts and does not have any legal or constructive obligation to pay additional sums for post-employment benefits.

#### b) Defined Benefit Plans: The obligation towards gratuity is a defined benefit plan

The present value of the obligation under such Defined Benefit Plans is determined based on actuarial valuation using the Projected Unit. Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation as per IND- AS 19, i.e., "Employee Benefits".

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance sheet date, having maturity periods approximating to the terms of related obligations.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

#### 2.9 Accounting for Taxes on Income

Due to loss incurred in current period in o provision of income Tax. Provided Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxable authority.

# 2.10 Financial instruments 2.10.1 Financial Assets

#### A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on Initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

#### B. Subsequent measurement

I. Financial assets carried at amortised cost (AC)
A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset, give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

II. Financial assets at fair value through other comprehensive income (FVTOCI)
A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### III.Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

#### C. Investment in subsidiaries, Associates and Joint Ventures

A subsidiary is an entity that is controlled by the Company. The Company accounts for the investments in equity shares of subsidiaries at cost in accordance with ind AS 27- Separate Financial Statements

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income

#### E. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months
 after the reporting date), or
 Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used

(Rupees in INR, unless otherwise stated)

#### 2.10.2 Financial liabilities

#### A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Eyes of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments

#### 2.10.3 Derivative financial instruments

Derivative inancial instruments.

The Company uses various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodify contracts to mitigate the risk of changes in interest rates, exchange rates and commodify prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability

#### 2.10.4 Derecognition of financial instruments

The Company derecognizes a financial assets when the contractual rights to the cash flows from the financial assets expire to it transfers the financial assets and the transfer qualifies for derecognition under IND-AS 109. A financial liability is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

- 2.11 Provisions, Contingent Liabilities and Contingent Assets

  a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if
  - (i) the Company has a present obligation as a result of a past event
  - (ii) a probable outflow of resources is expected to settle the obligation, and (iii) the amount of the obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a his task specified on the labeling. When a second may so used, the increase in the provision due to the passage of thine is recognised as a finance cost.

b) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the

- reimbursement will be received.
- c) Contingent Liability is disclosed in the case of
- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.

- (ii) a present obligation when no reliable estimate is possible, and
  (iii) a possible obligation arising from past events where the probability of outflow of resources is not remote,
  d) Contingent Assets are decisoed, where an inflow of economic benefits is probable.
  e) Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.
- t) Dividend to equity shareholders is recognised as a liability and deducted from shareholders' Equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

  g) Basic EPS is computed by dividing the Profit or loss attributable to the equity shareholders of the Company by the weighted average
- number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

#### 2.13 Segment Reporting -Indentification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments

2.14 Use of estimates and judgement
The preparation of financial statements in conformity with Ind AS requires that management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year are described below. The company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond control of the management

Note 46: Financial instruments
The carrying amount of financial instruments carried at amortized cost are a reasonable approximation of fair value.

B. Measurement of fair values
The table shown below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined below:
-Level 1 quoted prices (madquisted) in active markets for identical assets or liabilities
-Level 2 reputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from
-Level 2 reputs for the asset or liability that are not based on observable imputs)

The following methods and assumptions were used to estimate the fair values

1) Fair value of the cash and short term deposits, current bares and advances and other current financial labilities and other similar items approximate their carrying value largely due to short term maturities of these instruments.

2) Long-term betrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors and the risk characteristics of the financed.

### Note 47: FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The Company's activities expose it to a variety of financial risks, including Credit risk, Commodity Price Risk, and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note presents information about the risks associated with its financial instruments, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

#### 1. Credit Risk

The Company is exposed to credit risk as a result of the risk of counterparties defaulting on their obligations. The Company's exposure to credit risk primarily relates to accounts receivable and cash and cash equivalents including deposit with banks.

The Company has a prudent and conservative process of managing its credit risk arising in the course of its business. All the trade receivables are reviewed and assessed for default on routine basis. Our historical experience of collecting receviables, supported by the level of default, is that credit risk is low.

The Company maintains exposure in cash and cash equivalents, term deposit with bank and derivative financial instruments. The Company's maximum exposure to credit risk as at 31st March 2025, 31-March-2024 is the carrying value of each class of financial assets.

#### 2. Commodity Price Risk

Company is under CIRP and currently not being undertake any Manufacturing activity.

#### 3. Liquidity risk

The Company is exposed to liquidity risk related to its ability to fund its obligations as they become due. The Company monitors and manages its liquidity risk to ensure access to sufficient funds to meet operational and financial requirements. The Company has access to credit facilities and debt capital markets and monitors cash balances daily. In relation to the Company's liquidity risk, the Company's policy is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions as they fall due while minimizing finance costs, without incurring unacceptable losses or risk of damage to the Company's reputation.

# Maturities of financial liabilities

The contractual undiscounted cash flows of financial liabilities are as follows:

As at 31st March 2025	Less than 1 year	1-5 years	> 5 years	Total
Borrowings	8,905,039,163		230,519,707	9,135,558,870

	9,007,773,365		230,519,707	9,238,293,072

### 4. Interest rate risk

Interest rate risk is the risk that an upward movement in the interest rate would adversely effect the borrowing cost of the company. The Company is exposed to long term and short-term borrowings. The Company manages interest rate risk by monitoring its mix of fixed and floating rate instruments, and taking action as necessary to maintain an appropriate balance.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

### a) Interest rate risk exposure

	31-Mar-25	31-Mar-24
Variable rate borrowings	8,905,039,163	8,905,039,163
Fixed rate borrowings	-	-

# b) Sensitivity analysis

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates. Hence sensitivity has been considered only on variable rate borrowing. Profit or loss estimate to higherflower interest rate expense from borrowings as a result of changes in interest rates.

Interest rates - decrease by 50 basis points	44,525,196	44,525,196

# 5. Foreign Currency Risk

The company's business objective includes safe-guarding its export earnings against adverse price movements of in foreign exchange and interest rates. The Company has adopted a structured risk management policy to hedge all these risks within an acceptable risk limit and an approved hedge accounting framework which allows for Fair Value and Cash Flow hedges. Hedging instruments include forward currency contract to achieve this objective.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements/financial information of subsidiaries, the Statement:

- a. includes the results of the following entities:
  - i. Sanwaria Singapore PTE Limited
  - ii. Sanwaria Energy Limited
- b. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations, as amended; and
- c. except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (Act') in the manner so required and give a true and fair view subject to observations given in Schedule "A" in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March 2025, and its consolidated Loss (consolidated financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

# **Basis for Qualified opinion**

The Company has shown all expenses on the Cash basis, due to this the following express have not been included in the current year financials, hence loss has been reduced by Rs.229.90 Lacs:

Sr. No.	Particulars	Amount (in Lacs)
1	Advertising and Publicity	0.50
2	Professional Expenses	69.32
3	Security Expenses	81.44
4	Salary Exp.	74.15
5	Audit Fee	4.48

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the companies Act, 2013 and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained us and other auditors is sufficient and appropriate to provide a basis for our opinion.

# Management's Responsibilities for the Consolidated Financial Results

These consolidated financial results have been prepared on the basis of the annual financial statements.

The Holding Company's Board of Directors are responsible for the preparation and presentation of these Consolidated financial results that give a true and fair view of the net loss and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities: selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated financial results by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated financial results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of the Group.

# Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably he expected to influence the economic decisions of users taken on the basis of these Consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion. forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group to express an opinion on the Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the

consolidated financial results of which we are the independent auditors. For the other entities included in the Consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the interim condensed standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the interim condensed standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (1) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the interim condensed standalone financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

## Other Matters

We rely on the certified financial statements/ financial information of one subsidiaries (Sanwaria Singapore PTE Limited) included in the Financial results whose financial statements/ financial information whose financial statements/ financial information are unaudited and have been furnished to us the management and our opinion on the statement, in so far as it relates to the amounts and disclosures, is based solely of such unaudited financial statements/ financial information. In our opinion and according to information and explanations given to us by the management, these financial statements/ financial information are not material to the group. Another subsidiary company (Sanwaria Energy Limited) is audited by us which has shown loss of Rs. 138.42 Lacs also included in the consolidation.

In case of Sanwaria Singapore PTE Limited our opinion on the statement is not modified with respect to our reliance on the financial statements/ financial information certified by the management.

# Annexure B

Independent Auditor's Report on the Internal financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act 2013 (the 'Act')

1. In conjunction with our audit of the consolidated financial statements of Sanwaria Consumer Limited (the 'Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as the 'Group') as at and for the year ended 31 March 2025 we have audited the internal financial controls over financial reporting of the Holding Company its one of subsidiary company which are companies covered under the Act as at that date.

Management's Responsibility for Internal financial Controls

7. The respective Board of Directors of the Holding Company its one subsidiary company which are companies covered under the Act are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria

# SANWARIA CONSUMER LIMITED

established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business including adherence to the company's policies the safeguarding of its assets the prevention and detection of frauds and errors the accuracy and completeness of the accounting records and the timely preparation of reliable financial information as required under the Act.

# Auditor's Responsibility

- 10. Our responsibility is to express an opinion on the internal control over financial reporting of the Holding Company its one subsidiary companies as aforesaid based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal control over financial reporting and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal control over financial reporting were established and maintained and if such controls operated effectively in all material respects.
- 11. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal control over financial reporting and their operating effectiveness. Our audit of internal control over financial reporting includes obtaining an understanding of internal control over financial reporting assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.
- 12. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal control over financial reporting of the Holding Company its one subsidiary companies as aforesaid. Meaning of Internal financial Controls over financial Reporting
- 6. A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting include those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that

# SANWARIA CONSUMER LIMITED

7. receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial Controls over financial Reporting

7. Because of the inherent limitations of internal control over financial reporting including the possibility of collusion or improper management override of controls material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal control over financial reporting to future periods are subject to the risk that the internal control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

# Opinion

16. In our opinion and based on the consideration of the certified financial statements of subsidiary companies on internal control over financial reporting together with our report of Holding Company on internal control over financial reporting which are companies covered under the Act have in all material respects adequate internal financial controls over financial reporting and such controls were operating effectively as at 31 March 2025 based on the internal control over financial reporting criteria established by the Holding Company its one subsidiary company as aforesaid considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Other Matter

9. We did not audit the internal control over financial reporting in so far as it relates to one subsidiary company which are covered under the Act whose financial statements reflect total net loss after tax Rs. 138.42 Lakhs for the year ended on that date as considered in the consolidated financial statements. The internal control over financial reporting in so far as it relates to such subsidiary company have been unaudited whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal control over financial reporting for the Holding Company its one subsidiary company as aforesaid under Section 143(3)(i) of the Act in so far as it relates to such one subsidiary company is based solely on certified financial statements prepared by management of such companies and such subsidiary company is being made only in accordance with authorizations of management and directors of the company; and provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition use or disposition of the company's assets that could have a material effect on the financial statements.

Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. Currently the residual life is considered as 5% of the value of property plant and equipment.

## 2.3 Impairment of Non-Financial Assets - Property , Plant and Equipment

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly altributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

### 2.5 Inventories

Inventories are valued as under :-

- Raw material, Stores & Spares are valued at lower of cost (on FIFO basis) or net realisable value whichever is lower.
   Work in Process at cost including related overheads.
   Finished Goods & Stock in Trade are valued at cost or estimated realisable value whichever is lower. Cost comprises material, labour. and applicable overhead expenses.

Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads in bringing them to their respective present location and condition.

### 2.6 Foreign Exchange Transactions

The Company's has not made any Foreing Exchange Transation during the year.

#### 2.7 Revenue Recognition

#### Sale of Goods

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

#### nterest Income

Interest is recognized on a time proportion taking into account the amount outstanding and rate applicable

#### Other Income

Other Income is recognised when right to receive is established.

#### 2.8 Employee Benefits

#### (i) Short Term Employee Benefits

All employee benefits failing due wholly within twelve months of rendering the service are classified as short term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, ex-gratia are recognized in the period in which the employee renders the related service.

#### (ii) Post-Employment Benefits

a) Defined Contribution Plans: The obligation to employee's provident fund is a defined contribution plan. The contribution paid/payable is recognized in the period in which the employee renders the related service. The company has defined contribution plans where the company pays pre-defined amounts and does not have any legal or constructive obligation to pay additional sums for post-employment benefits.

#### b) Defined Benefit Plans: The obligation towards gratuity is a defined benefit plan

The present value of the obligation under such Defined Benefit Plans is determined based on actuarial valuation using the Projected Unit.

Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation as per IND- AS 19, i.e., "Employee Benefits".

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance sheet date, having maturity periods approximating to the terms of related obligations.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

#### 2.9 Accounting for Taxes on Income

Due to loss incurred in current period no provision of income Tax Provided

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority

(Rupees in INR, unless otherwise stated)

# 2.10 Financial instruments 2.10.1 Financial Assets

#### A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on Initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

#### B. Subsequent measurement

I. Financial assets carried at amortised cost (AC)
A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset, give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

II. Financial assets at fair value through other comprehensive income (FVTOCI)
A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

# III.Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

### C. Investment in subsidiaries, Associates and Joint Ventures

A subsidiary is an entity that is controlled by the Company. The Company accounts for the investments in equity shares of subsidiaries at cost in accordance with ind AS 27- Separate Financial Statements

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income

#### E. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months
   after the reporting date), or
   Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used

#### 2.10.2 Financial liabilities

#### A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Eyes of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments

#### 2.10.3 Derivative financial instruments

Derivative inancial instruments.

The Company uses various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodify contracts to mitigate the risk of changes in interest rates, exchange rates and commodify prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability

#### 2.10.4 Derecognition of financial instruments

The Company derecognizes a financial assets when the contractual rights to the cash flows from the financial assets expire to it transfers the financial assets and the transfer qualifies for derecognition under IND-AS 109. A financial liability is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

- 2.11 Provisions, Contingent Liabilities and Contingent Assets

  a) Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if
  - (i) the Company has a present obligation as a result of a past event
  - (ii) a probable outflow of resources is expected to settle the obligation, and (iii) the amount of the obligation can be reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a his task specified on the labeling. When a second may so used, the increase in the provision due to the passage of thine is recognised as a finance cost.

b) Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the

- reimbursement will be received.
- c) Contingent Liability is disclosed in the case of
- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.

- (ii) a present obligation when no reliable estimate is possible, and
  (iii) a possible obligation arising from past events where the probability of outflow of resources is not remote,
  d) Contingent Assets are decisoed, where an inflow of economic benefits is probable.
  e) Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.
- t) Dividend to equity shareholders is recognised as a liability and deducted from shareholders' Equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

  g) Basic EPS is computed by dividing the Profit or loss attributable to the equity shareholders of the Company by the weighted average
- number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

#### 2.13 Segment Reporting -Indentification of Segments

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments

2.14 Use of estimates and judgement
The preparation of financial statements in conformity with Ind AS requires that management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year are described below. The company has based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond control of the management

#### Note 40: CAPITAL MANAGEMENT

The Company's objective when managing the capital is to safeguard the Company's ability to continue as a going concern.

The Company monitors capital using a ratio of "adjusted net debt" to "total equity". For this purpose, adjusted net debt is defined as total debt, comprising interest-bearing loans and borrowings and obligations under finance leases, less cash and cash equivalents. Equity comprises of Equity share capital and other equity. However, in view of certain adverse factors and liquidity problems faced by the Company, the net worth of the Company has been fully eroded and the Company is presently under CIRP process and thereby continue to operate as a going concern. The Company's adjusted net debt to adjusted equity ratio was as follows:

	31-Mar-25	31-Mar-24

Note 46: Financial instruments

"The carrying amount of financial instruments carried at amortized cost are a reasonable approximation of fair value.

The table shown below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined below.

- Level 9, quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2 in puts other than quoted prices included with Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from - Level 3, inputs for the asset or liability that are not based on observable market data (unobservable inputs).

#### C. Valuation techniques

The following methods and assumptions were used to estimate the fair values

1) Fair value of the cash and short term deposits, current loans and advances and other current financial habities and other similar items approximate their carrying value largely due to short term materies of these instruments.

2) Long-lerm borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors and the risk characteristics of the financed.

#### Note 47: FINANCIAL RISK MANAGEMENT OBJECTIVE AND POLICIES

The Company's activities expose it to a variety of financial risks, including Credit risk, Commodity Price Risk, and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note presents information about the risks associated with its financial instruments, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital.

#### 1. Credit Risk

The Company is exposed to credit risk as a result of the risk of counterparties defaulting on their obligations. The Company's exposure to credit risk primarily relates to accounts receivable and cash and cash equivalents including deposit with banks.

The Company has a prudent and conservative process of managing its credit risk arising in the course of its business. All the trade receivables are reviewed and assessed for default on routine basis. Our historical experience of collecting receviables, supported by the level of default, is that credit risk is low.

The Company maintains exposure in cash and cash equivalents, term deposit with bank and derivative financial instruments. The Company's maximum exposure to credit risk as at 31st March 2025, 31-March-2024 is the carrying value of each class of financial assets.

#### 2. Commodity Price Risk

Company is under CIRP and currently not being undertake any Manufacturing activity.

#### 3. Liquidity risk

The Company is exposed to liquidity risk related to its ability to fund its obligations as they become due. The Company monitors and manages its liquidity risk to ensure access to sufficient funds to meet operational and financial requirements. The Company has access to credit facilities and debt capital markets and monitors cash balances daily. In relation to the Company's liquidity risk the Company's policy is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions as they fall due while minimizing finance costs, without incurring unacceptable losses or risk of damage to the Company's reputation.

#### Maturities of financial liabilities

The contractual undiscounted cash flows of financial liabilities are as follows:

As at 31st March 2025	Less than 1 year	1-5 years	> 5 years	Total
Borrowings	8,905,039,163		85,749,140	8,990,788,303

	8,972,547,828	- 3	85,749,140	9,058,296,968

#### 4. Interest rate risk

Interest rate risk is the risk that an upward movement in the interest rate would adversely effect the borrowing cost of the company. The Company is exposed to long term and short-term borrowings. The Company manages interest rate risk by monitoring its mix of fixed and floating rate instruments, and taking action as necessary to maintain an appropriate balance.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

#### a) Interest rate risk exposure

	31-Mar-25	31-Mar-24
Variable rate borrowings	8,905,039,163	8,905,039,163
Fixed rate borrowings		71

#### b) Sensitivity analysis

The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in IND AS 107, since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates. Hence sensitivity has been considered only on variable rate borrowing. Profit or loss estimate to higher/lower interest rate expense from borrowings as a result of changes in interest rates.

	Impact on profit after tax		
	31-Mar-25	31-Mar-24

Interest rates - decrease by 50 basis points	44,525,196	44,525,196	

#### 5. Foreign Currency Risk

The company's business objective includes safe-guarding its export earnings against adverse price movements of in foreign exchange and interest rates. The Company has adopted a structured risk management policy to hedge all these risks within an acceptable risk limit and an approved hedge accounting framework which allows for Fair Value and Cash Flow hedges. Hedging instruments include forward currency contract to achieve this objective.
