There is a rise in the demand for tyres due to the growing production of automobiles. The tyre industry in India has the potential to become a global leader in Indian manufacturing and also across the globe. The industry exemplifies the Make in India initiative, having achieved self-reliance. India is among the leading tyre manufacturers globally.

Apart from conventional radial and bias tyres, the industry offers advanced smart, noise reduction, puncture-proof and electric vehicle versions. It is also expanding presence in the premium and luxury tyre segments, which are dominated by imports. Demand for tyres in the domestic market is expected to remain robust going ahead as the automobile industry continues to scale new highs amid a positive economic environment. The Indian tyre industry has been witnessing a rise in the demand for production of tyres for export and domestic sales. Additionally, a large and growing population of vehicles will continue to support tyre demand in the replacement market.

According to ICRA Limited (Credit rating Agency) the domestic tyre sale volumes are expected to see a moderate growth of 4-6 per cent this fiscal after witnessing an estimated pace of 6-8 per cent in the previous financial year. This growth in the last fiscal was driven by factors such as elevated base and subdued growth in the commercial vehicle (CV) segment. However, ICRA Limited anticipates domestic demand from original equipment manufacturers (OEMs) in certain consumer segments like PV (passenger vehicle) and two-wheeler as well as for replacement to remain healthy, supporting overall tyre volume expansion in FY 2024-25. While revenues are likely to expand by 5-7 per cent this fiscal, high natural rubber prices and increasing crude prices are likely to moderate the tyre industry's margins by 200-300 basis points (bps) in FY 2024-25 and it expects the replacement market, which contributes to over two-thirds of the industry volumes, to remain stable, aided by healthy demand across the segments.

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013. Further, the financial performance during the year under reference has been improved in terms of sales. Even though there has been a increase in the turnover, during financial year ended on 31st March, 2025, the

Company has reported Standalone profit before Depreciation & Tax of Rs. 133.18 Lakhs.

#### **Key Financial Ratio**

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations 2018, the Company is required to provide details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefor. However, there were no significant changes which needs to be reported in the current year as compared to the previous year.

#### **Opportunities & Threats**

#### **Opportunities**

- Revival in economic activity: With the economic growth, demand revival in likely to sustain in consumer
  durables, particularly in automobiles and it would have a positive impact on the tyre sector. Besides
  emphasis on infrastructure in terms of development of Roads will also increase demand for tyres.
- Improvement in Automobile Industry prospect: Growing economy leads to improving Automobile Industry prospect which further leads to Increasing Original Equipment Manufacturer ("OEM") demand that in turn leads to subsequent rise in replacement demand. With continued emphasis being placed by the Central Government on development of infrastructure, particularly roads, agricultural and manufacturing sectors, the Indian economy and the automobile sector/ tyre industry are poised for an impressive growth.
- Access to global sources for raw materials: with the access to global sources for raw materials, Indian tyre
  industry can stabilize price fluctuation in raw materials and control their margins. Furthermore, Indian
  tyre companies can also follow and maintain global quality standards and international process and system
  certifications, which will help them during export.

#### **Threats**

Like any other Company, your Company is also exposed to various threats like introduction of other transport facilities, cheaper imports of tyres, expectation of rise in natural rubber prices, competition, retention of employees, labour issues, increase in raw material prices and its timely availability, etc.

#### Risks and concerns

Risk is an integral and unavoidable component of business. In today's challenging and competitive environment, mitigating risks is imperative. Common risks include changing regulations, competition, business risk, technology obsolescence, investments and retention of talent. Business risk, inter alia, further includes financial risk, social risk, political risk, environmental risk and legal risk. For managing risks more efficiently, the Company has undertaken a detailed risk management exercise and has identified key risks that can have a critical impact on the Company's performance. The Company has in place a robust risk management framework that identifies and evaluates business risks and opportunities.

#### **Human Resources**

Our teams are integral to our business. We have embraced a culture of excellence and meritocracy to nurture our people. We believe in selecting the right talent, training them and instilling in them the spirit of passion towards their respective works. Furthermore, the company places paramount importance on fostering open, transparent communication channels with employees.

Employing a robust on boarding model, the company effectively integrates newly acquired associates into its cultural fabric, fostering a sense of belonging and alignment with organizational values.

#### Outlook

The global economy continues to face uncertain macroeconomic conditions, including the ongoing effects of inflation, which have led to higher interest rates and lower consumer confidence. Vehicle manufacturing is expected in the next five years to cater to the growing domestic and export markets. The tyre industry is poised for positive growth in the short to medium term. The industry is hoping to normalize production and recover sales after the harshest year in recent history. It is expected that by 2025, the industry will have to find ways of compensating for falling margins and rising investment.

In our opinion and to the best of our information and according to the explanations given to us, aforesaid Ind AS Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company for the period **April 01, 2024 to March 31, 2025**, the Profit and other comprehensive income, changes in equity and its cash flows for the year ended March 31, 2025.

#### **Basis for Opinion**

We conducted our audit of the Ind AS Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Ind AS Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Standalone Financial Statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### **Principal Audit Procedures**

Our audit consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

- We evaluated the design of internal controls relating to revenue recognition.
- We selected sample of Sales transactions and tested the operating effectiveness of the internal control relating to revenue recognition.
- We carried out a combination of procedures involving enquiry and observation, re performance and inspection.
- We have tested sample of Sale transactions to their respective customer contracts, underlying invoices and related documents.
- We have performed cut-off procedures for sample of revenue transactions at year-end in order to conclude on whether they were recognized in accordance with Ind-AS 115.

#### Other Information - Information other than financial statement and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with Governance. We have nothing to report in this regard.

#### Responsibility of Management for Ind AS Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be

expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in the
  aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone
  financial statements may be influenced.
- We consider quantitative materiality and qualitative factors in planning the scope of our audit work and in evaluating the results of our work, and to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected

### Annexure 'B' to Independent Auditors' Report

(Referred to Para 2(f) under the heading of "Report on Other Legal and Regulatory Requirements" section of our report of even date to the members of Tirupati Tyres Limited for the year ended March 31, 2025)

Report on the Internal Financial Controls Over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **TIRUPATI TYRES LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the Ind AS Standalone Financial Statements of the Company for the year ended on that date.

# Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over Financial Reporting, both applicable to an audit of the Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### 1.1 Basis of preparation of financial statements

### a. Accounting Convention: -

These financial statements of the Company have been prepared in accordance with Generally Accepted Accounting Principles in India ("Indian GAAP"). Indian GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with the Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the Historical Cost Convention and the Companies (Accounting Standards) Amendment Rules 2016 and the relevant provisions of the Companies Act, 2013.

### b. Functional and Presentation Currency:-

The functional and presentation currency of the company is Indian rupees. This financial statement is presented in Indian rupees. All amounts disclosed in the financial statements and notes are rounded off to lakhs the nearest INR rupee in compliance with Schedule III of the Act, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

#### c. Use of Estimates and Judgments

The preparation of financial statement in conformity with accounting standard requires the Management to make estimates, judgments, and assumptions. These estimates, judgments and assumptions affects the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statement and reported amounts of revenue and expenses during the period. Accounting estimates could change form period to period. Actual result could differ from those estimates. As soon as the Management is aware of the changes, appropriate changes in estimates are made. The effects of such changes are reflected in the period in which such changes are made and, if material, their effects are disclosed in the notes to financial statement. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in future periods affected.

### d. Current and Non - Current Classification

An asset or a liability is classified as Current when it satisfies any of the following criteria:

- i. It is expected to be realized / settled, or is intended for sales or consumptions, in the Company's Normal Operating Cycle;
