“NCC HOUSE” | Madhapur | Hyderabad – 500 081 | India

Sep - 2014

- HISTORICAL BACKGROUND
- INDUSTRY OUTLOOK
- SEGMENTS
- FOCUSED GROWTH STRATEGY

HISTORICAL BACK GROUND

VISION

- ⊗ To be a world class construction and infrastructure enterprise committed to quality, timely completion, customer satisfaction, continuous learning and enhancement of stakeholders value.

MISSION

- ⊗ To build a strong future ensuring increased returns to shareholders and enhanced support to associates.
- ⊗ To adopt latest technologies in the field of engineering, construction, operation & maintenance of infrastructure projects.
- ⊗ To encourage innovation, professional integrity, up gradation of knowledge & skills of employees and a safe working environment.
- ⊗ To be a responsible corporate citizen committed to social cause.

VALUES

- ⊗ Openness and Trust
- ⊗ Integrity & Reliability
- ⊗ Team Work & Collaboration
- ⊗ Commitment
- ⊗ Creativity

Experience, Size and Know-how

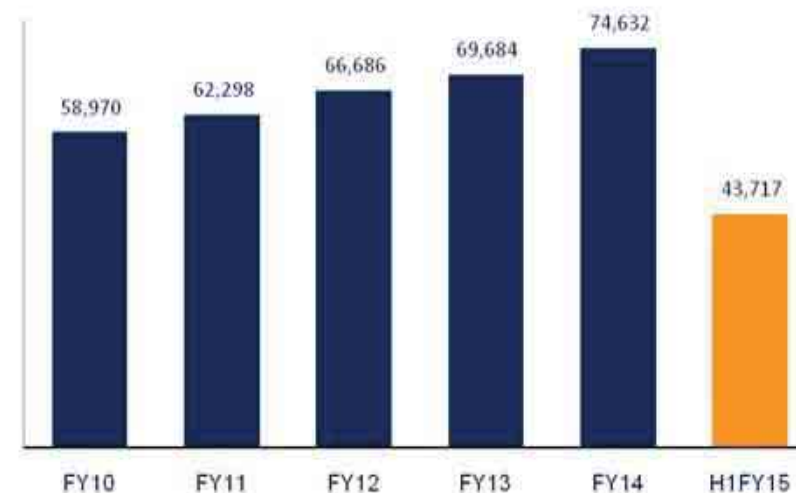

NCC amongst most experienced firms in industry

2011	Company rebranded as NCC Order Book crosses INR 220 Billion
2010	Order Book crosses INR 160 Billion
2008	Mining division started
2007	Oil & Gas, Metals and Power divisions started
2006	Net worth crosses INR 9 Billion (\$68 million)
2005	Turnover crosses INR 10 Billion (\$225 million)
2004	Irrigation Division started
2001	ISO – 9001 – 2000 Certified
1999	Water Division & Electrical Division established
1998	Transportation Division established
1996	Property Division (Real Estate) established
1995	Turnover crosses INR 1 Billion
1992	Initial Public Offering (IPO)
1990	Became a Limited Company
1978	NCC set up as partnership firm

NCC achieved significant scale to bid for and win large contracts

Consolidated Revenues (Rs. Mn)

Market capitalization: US\$ 151.69Mn as of Mar 31, 2014 (Source: NSE)

- **Fastest growing** Construction Company in 2006
- Twelve research reports during last two years with **BUY recommendation**
- A return of **95%** to GDR holders in the first year
- Recognition by Forbes Asia as "**Best Under a Billion**"
- Invitation by "**World Economic Forum**" to participate in their conference

Strong management team and experienced staff are NCC's key strengths

- 30+year history in Indian construction industry
- Strong, experienced and dedicated management team and skilled work force
 - 4,582 employees including 3,000 engineers as on June 30, 2014
 - Almost two thirds of managers have engineering degrees
- Project managers reporting to Director / Regional Head are responsible for the quality and timely completion of their projects
- Introduced Employee Stock Option in 2004 to attract, retain and motivate employees

Strong financial position and excellent credit rating

- Relatively low levels of long-term bank loans
 - Short term loans primarily used for working capital requirements
- Able to borrow on good terms and at favourable rates due to strong standing in construction industry and good track record
 - Committed facility for issuance of bank guarantees and letters of credit
- High net worth enables NCC to compete for bigger projects with stringent pre-qualification criteria
- INR 3.0 billion commercial paper borrowing programme - Rated as CRISIL A1. Indicates very strong degree of safety with respect to timely payment of interest and principal on instruments
- Loan portfolio of INR 57 billion rated as CRISIAL A1 by CRISIL(1).
- Long term debt program of INR 4.0 billion rated as CRISIL A+/Negative by CRISIL.

(1) Subsidiary of Standard & Poor in India

INDUSTRY OUTLOOK

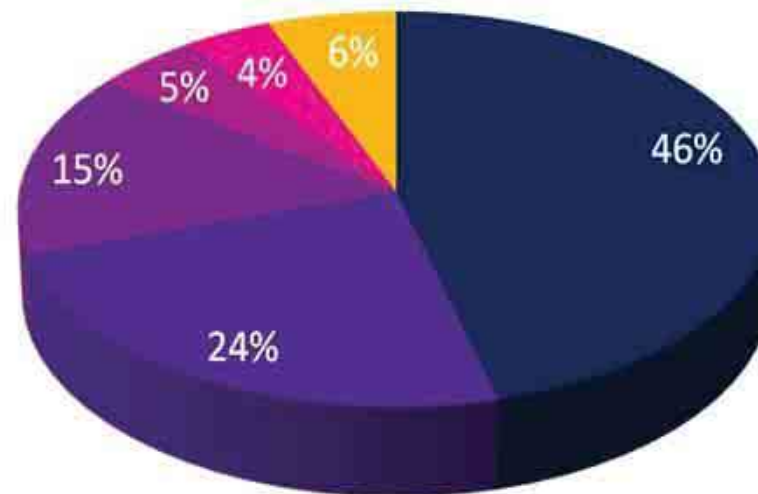

Growth in Order Booking

Total Order Book: Rs. 203,950 Mn

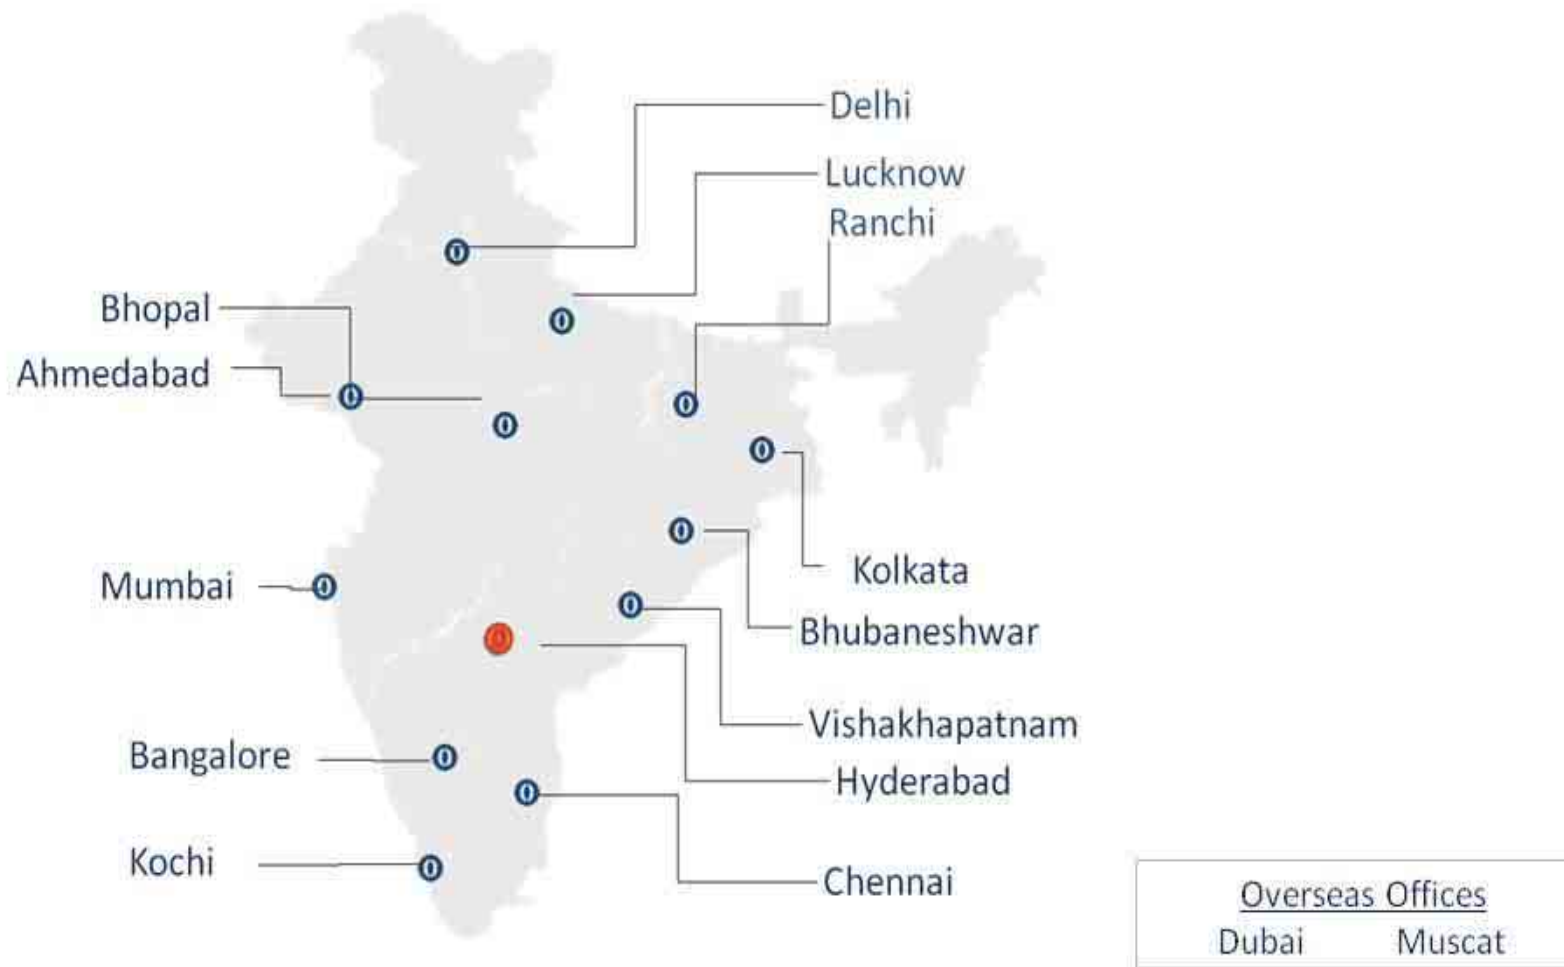

(₹ Mn)

(As on Sep, 2014)

- Buildings, Roads, Oil & Gas
- Railways, Water & Environment
- Metals, Power & Mining
- Intrnational
- Irrigation
- Electrical

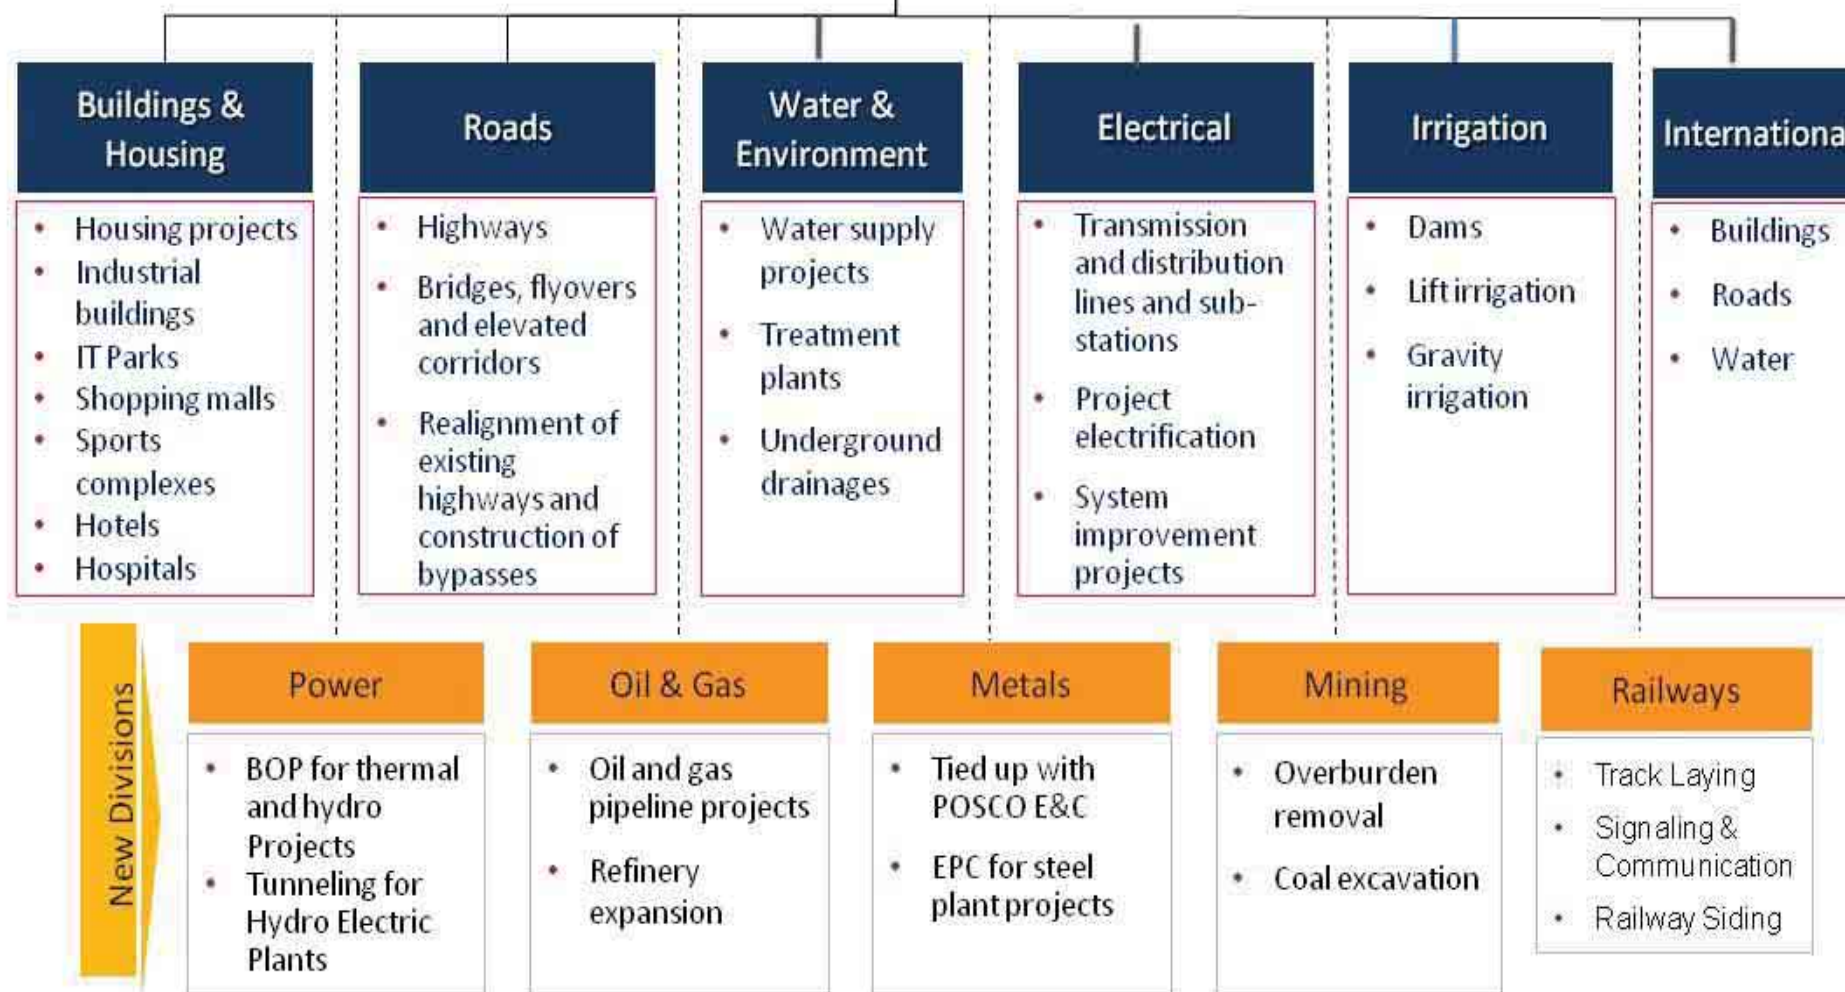

Executing Projects Across India

SEGMENTS

NCC

Diversified operating base across 11 divisions helps mitigate risk against a slowdown in any one division

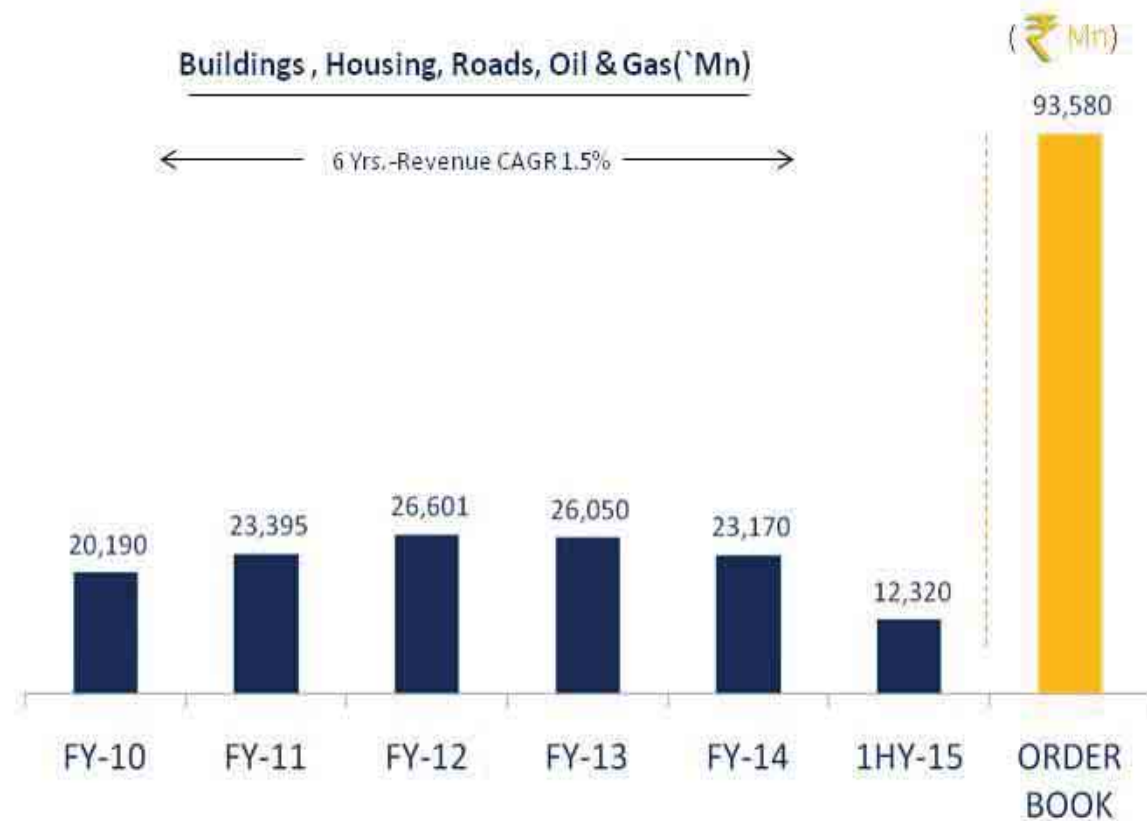

Buildings & Housing, Roads, Oil & Gas

- ✓ Construction spending for Urban infrastructure expected to amount to Rs. 231bn(US\$ 5.8 bn) in Eleventh Five year plan
- ✓ Key drivers include growing Indian industry & economy, increasing urbanization and household growth

NCC's key business divisions

- Industrial buildings
- Commercial buildings
- Housing projects
- IT parks and shopping malls
- Sports complexes
- Hospitals

Buildings & Housing

Some of the Major Projects Executed are:

Buildings & Housing

PROJECT: GOVT. HOSPITAL, CHENNAI

Project: Tuberculosis Research Center, Chennai

Scope : New patient care & clinical facility at TB Hospital, Chennai

Project: Army Medical College, New Delhi

Project: Apollo Hospital, Bhubaneswar

Buildings & Housing

Project: ESIC Medical College -Gulbargha, Karnataka

Buildings & Housing

Project: ESIC Medical College – MANDI – Himachal Pradesh

Buildings & Housing

Project: Wipro Technologies, Cochin

Scope : Superstructure & Civil Work for Software Dvlpt, Centre

Project: IDCO, Bhubaneswar

Scope : Software Complex (Fortune Towers)

Project: Patri Computer, Mumbai

Scope : I.T.Centre at MIDC Knowledge Park, Airoli, Navi Mumbai

Project: Satyam School, Hyderabad.

Scope : Civil works incl. survey, excavation, and finishing works.

Buildings & Housing

Project: Delhi Devp. Authority, Navsaad Vihar Housing society, Delhi.

Scope : Multi Storied apartments & Site development work.

Project: Army Welfare Housing org., Panchakula, New Delhi.

Scope : Accommodation for AWHO on part 'A' of Plot in sector-20

Project: SBI, Mumbai.

Scope : 186 Officer's Flats & 12 Guest Rooms at Mumbai.

Project: Singapore Class Township, Pocharam, Hyderabad

Scope : 2080 Residential Flats (4floors X50X8 and 14flooresX10X4.)

Buildings & Housing

Project: Shriram Srishti, Bangalore.

Scope : Multistoried residential Apartments at Shriram Smaruddhi.

Project: Samrudhi, Bangalore.

Scope : Multistoried residential Apartments at Shriram Symphony

Project: SPPL White House, Karnataka.

Karnataka Housing Board, Bangalore, Karnataka

Buildings & Housing

IDA Green Wood - Lucknow

Sahara Homes

DG MAP-VIZAG - MODEL BLOCK

J.N.T.U. - HYDERABAD - Auditorium

Buildings & Housing

Project: JMD, Delhi
Scope: Commercial Complex at Gurgaoni.

Project: KBH-DOC, Chamrajnagar, Karnataka
Scope: Construction of District Office Complex

Project: NAC, Hyderabad (Reward received for early completion)
Scope: Building, Infrastructure & ancillary structure..

Project: Cabinet Secretariat Building, New Delhi

Buildings & Housing

Project: SAAP Gachibowli, Hyderabad
Scope: Accommodation for Athletics.

Project: District Office Complex - Haveri

Project: NBCC – NETAJI NAGAR, NEW DELHI

Buildings & Housing

Delhi Metro Bhavan, New Delhi

NIT, Warangal, AP

Project: Satyam, Hyderabad

Scope: Development Centre at Bachupalli.

Times of India - Mumbai

Irrigation

- ✓ Construction investment in irrigation sector expected to be Rs. 1033bn (US\$25.9 bn) during 11th Five Year plan
- ✓ Construction investment in Hydropower sector expected to be around US\$18.5 billion during 11th Five Year plan being 57% of total investment in power sector
 - ✓ Increasing importance being given to hydro-power
 - ✓ Construction intensive nature of hydro power projects

NCC's key business divisions

- New business division started in April 2004: Most projects in JV
 - Dam projects
 - Lift irrigation projects
 - Gravity irrigation projects
 - Hydroelectric power projects

Some of the Major Projects Executed are:

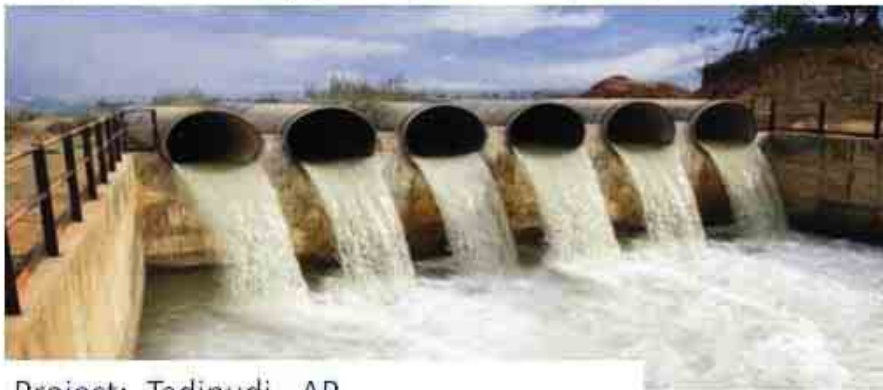

Irrigation

Project: Gundalkamma Reservoir Project, Ongole
Scope: Water supply of 80,000 acres, Dam, bund, Right & Left canals

Project: Devadula, AP
Scope: Devadula Lift Irrigation Project - AP

Project: Tadipudi , AP
Scope: Tadipudi Ettipotala Project

Gandikota Reservoir – Gandikota-AP

Irrigation

J.Chokka Rao GLIS - Warangal - Phase-II-Devadula Phase - II	9806.30
Sanjay Sagar Project, Basoda, M.P.-Construction of Earth Dam, Concrete Sluice and Central spillway of Sanjay Sagar (Bah) Project	524.20
Govt.of AP - CAD Irrigation (Thotapally)-Construction of Thotapally Barrage	1404.15
Govt.of AP - CAD Irrigation (Gundalakamma)-Construction of Gundalakamma Reservoir	1372.40
J.Chokkarao Devadula Phase III, Pkg. IV-Devadula Phase II	4707.20
Narmada Development Division-Irrigation Project	40.46
Govt of Andhra Pradesh, Irrigation & CAD Department, Dowlaiswaram	235.33

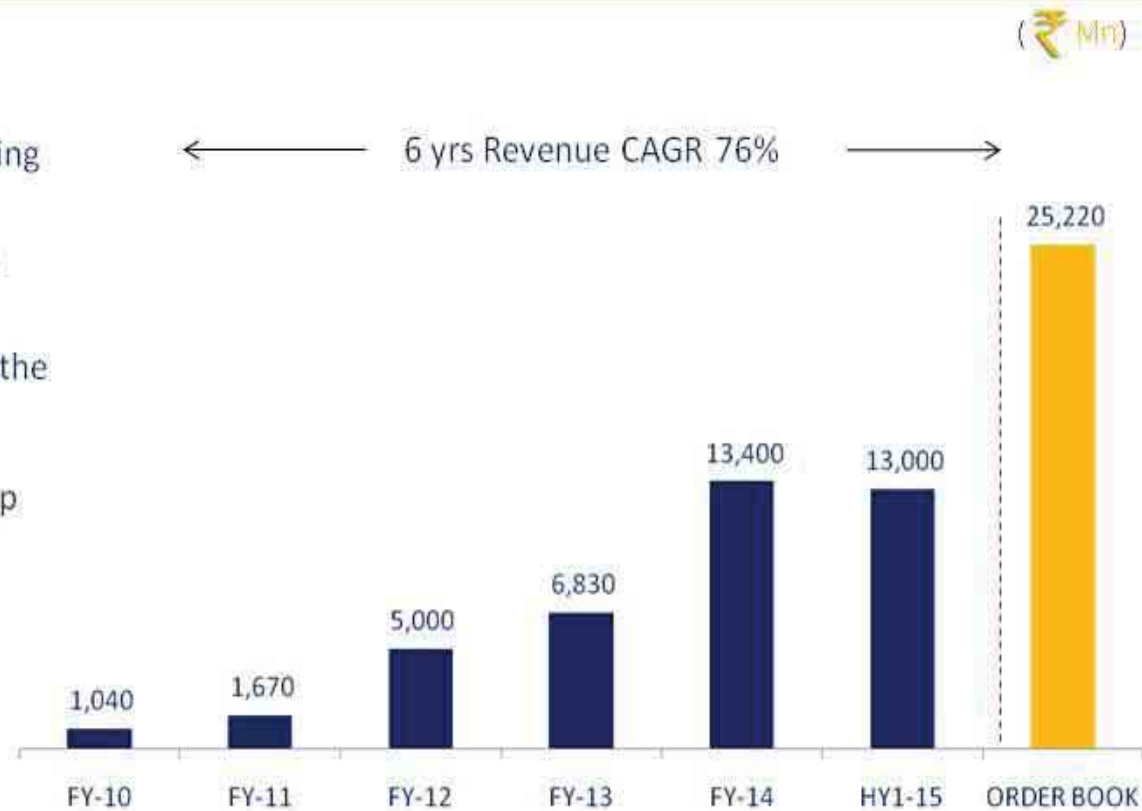

Power

- ✓ The performance of the power sector directly impacts the overall economy of the country, as it is the most important constituent of infrastructure.
- ✓ The Indian Govt.'s current economic plan, with its emphasis on greater industrialization and infrastructure development, has created tremendous demand on the generation and supply of power.
- ✓ NCC's Power division has been mooted with the express purpose of harnessing the business opportunities in the EPC segment in the coming years

NCC's key business divisions

- The Company is concentrating on Balance of Plant(BOP) works pertaining to various thermal and hydro-power projects in various parts of the country.
- The division will also take-up tunneling work for hydro-electric power projects.

Hydro Power - Manali

Project: Gowtami Powr Project, Peddapuram
Scope: 460 mw combined cycle power plant at Kakinada

Project: Duhagan Hydro Electric Project
Scope: Upstream Head Race Tunnel – Tunnel inside view

Himachal Power Projects Ltd. - Power Project at Sikkim	1582.55
NAGAI Power (P)Ltd. -Pulvarised Coal fired electric Power plant at Okkur Village in Nagai Pattinam Dist. - Tamilnadu	5490.00

Metals

- ✓ Metal Industry is the mainstay of an economy as it meets the requirements of a wide range of industries such as infrastructure, engineering, automobile, electrical and electronics.
- ✓ The rapid pace of industrialisation in India is constantly pushing up the demand curve for steel and other metals
- ✓ The level of investment in the sector has reached dramatic heights and the lead players are augmenting their production capabilities considerably

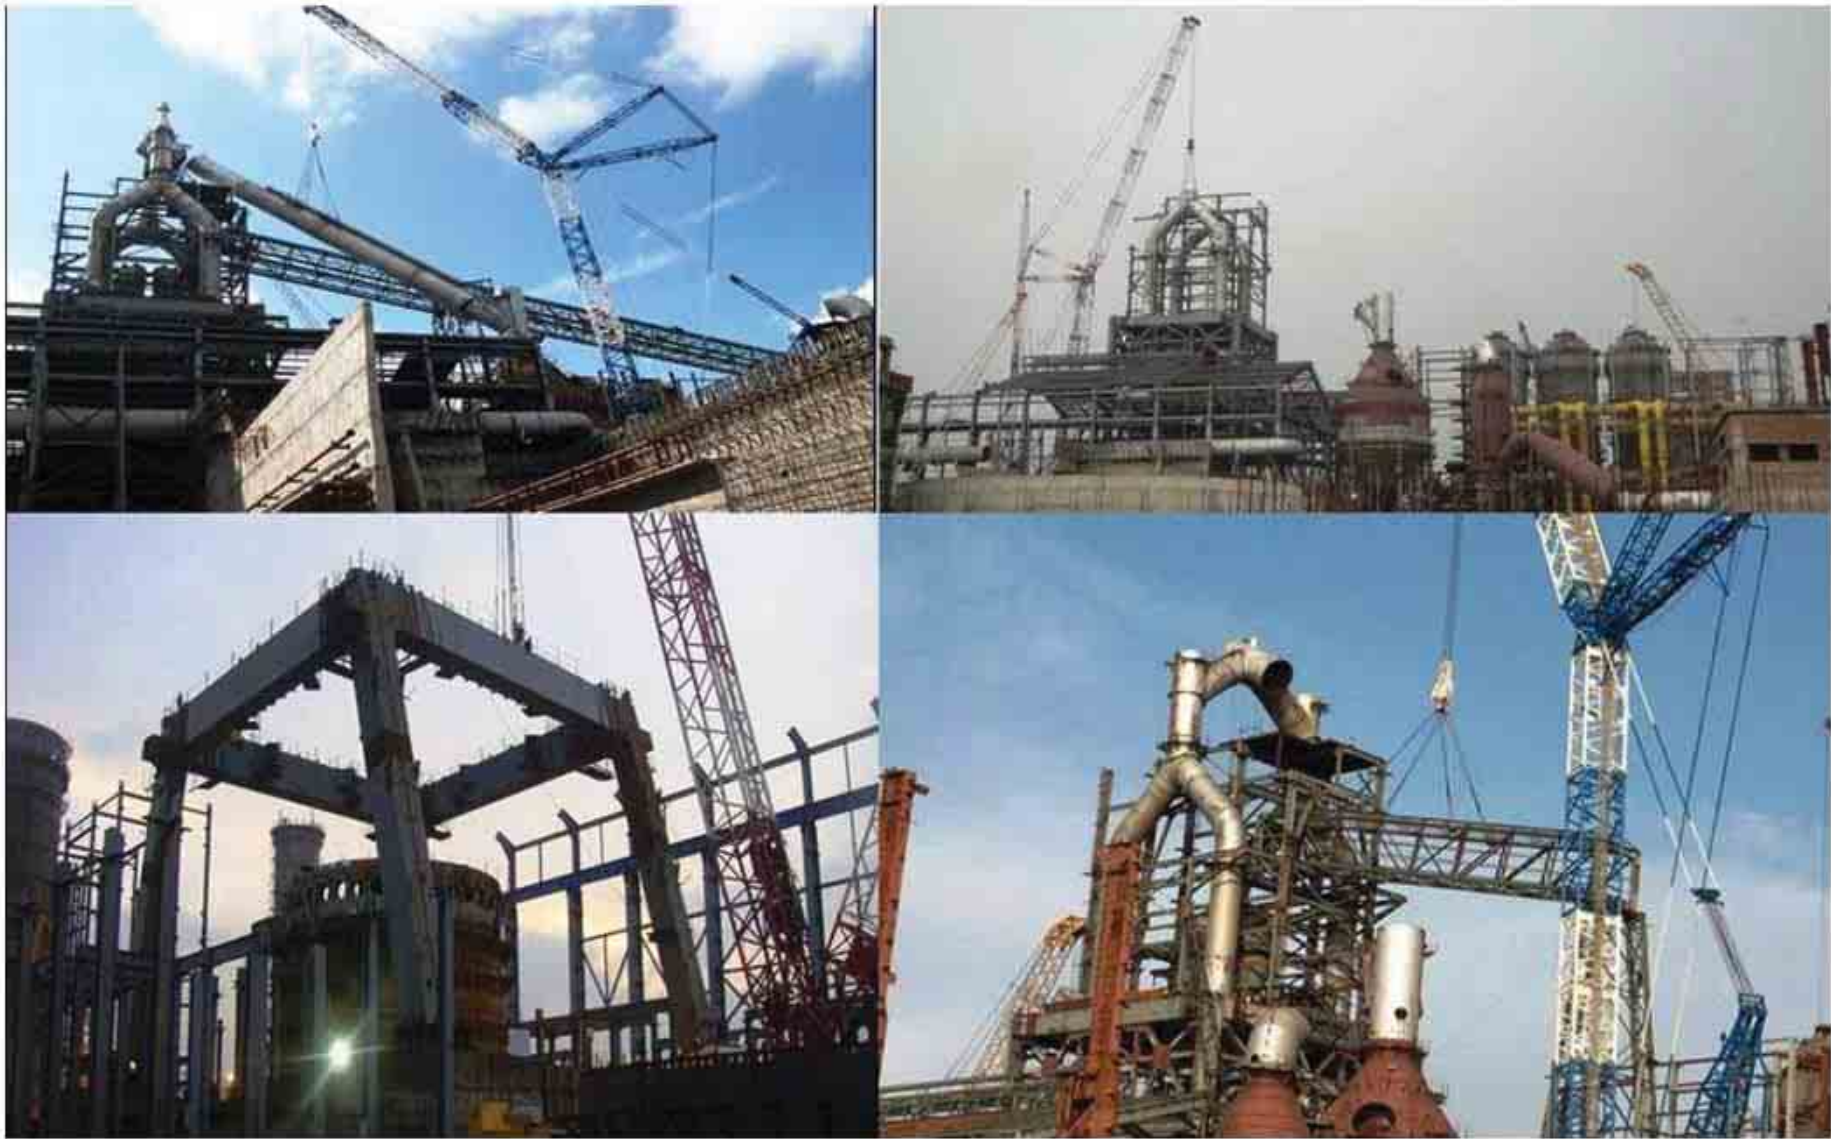

NCC's key business divisions

- NCC has signed a MoU with POSCO E&C of South Korea, the fourth largest steel producer in the world
- The Company intends to leverage the proven capabilities of POSCO E&C to bid for EPC contracts of various steel plant expansion projects and grassroots steel plants that are coming up in the country.

SAIL-IISCO STEEL PLANT, Blast Furnace Project, Burnpur – West Bangal

IISCO STEEL PLANT – BLAST FURNACE

NTPC-BARH-BIHAR

Metals

SAIL - IISCO Steel Plant - ISP - BFP - 2.5 MTPA new stream expansion & ISP-Setting UP of blast furnace Complex.	7190.31
SAIL IISCO Steel Plant - Burnpur - 48 A - 2 - Structural works for Basic Oxyzen furnace,continous casting plant and Line & Domestic Plant	3483.77

Mining

- ✓ A number of opportunities exist in this space in view of the government planning to open private sector participation in mining.
- ✓ Untapped potential for Indian players in global market

NCC's key business divisions

- Established in 2008, this division caters to the coal needs of the Group company's power generating assets as well as rising demand.
- It also seeks to enter the ferrous and non-ferrous metal segments
- Bid for overburden removal projects

HEMM at Medapalli Open Cast Project, Ramagundam- AP

Mining

Mahanadi Coal Fields Ltd- MCL- Kulda OCP Drilling, Excavation, Dumping, Dozing and other allied works at Basundara area	880.10
Mahanadi Coal Fields Ltd-MCL-Kaniha - Drilling, Excavation, Dumping, Dozing and other allied works at Lingaraj area	356.70
SCCL - Opencast Project ,Kothagudem - Blast hole drilling, controlled blasting with shock tube intiation, excavation, loading, Transportation and dumping	3599.77

International

- ✓ India has miniscule Rs22bn (US\$0.5bn) share of Rs176tn(US\$4trillion) global construction business.
- ✓ Construction business internationally offers excellent opportunity for project exports
- ✓ Untapped potential for Indian construction players in global market

- NCC has opened regional offices in Dubai(UAE) and Muscat(Sultanate of Oman) for participation in various roads, Water supply projects and building projects, where NCC has proven expertise.

(1) Order book as on Sep 30, 2014

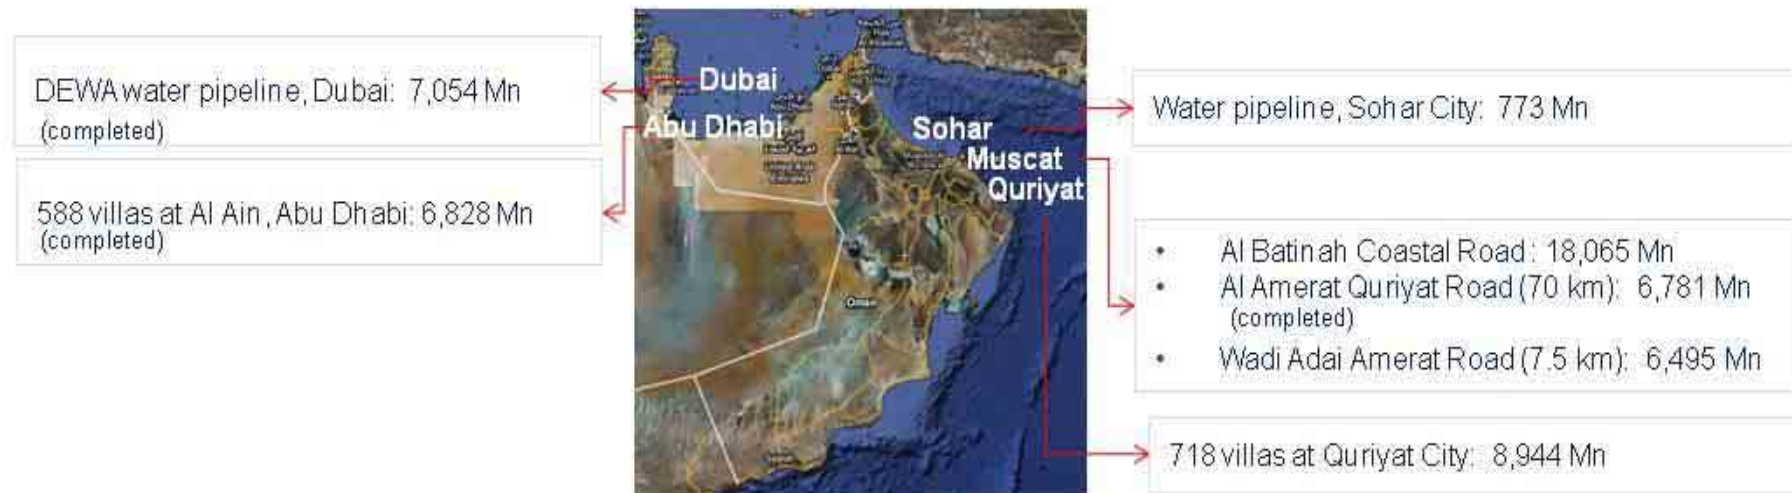

International Presence

- NCC has presence in Oman and UAE through subsidiaries
 - NCCL International LLC in Muscat
 - Nagarjuna Contracting Co. LLC in Dubai
- Key focus areas internationally are also built around expertise gained in the domestic market
 - Transportation(Roads & Bridges)
 - Water & Sanitation
 - Buildings
- NCC is opportunistically trying to build its international presence in Saudi Arabia, GCC and some other North African Nations
- International projects are typically higher ROCE projects

(₹ Mn)

Exquisite, non fading colours and textures

NCCUIL is tied up with Avant Enterprises LLC for marketing Premium segment flooring tiles in the Indian Market. Avant Manufactures the flooring tiles with cutting edge materials and elegant designs which are available in more than 20 countries. And NCC has got the string foot print in the Indian infrastructure business, and NCC has got the exclusive marketing right in entire Indian Market for selling the flooring tiles. This tie up gives the win win situation for both the companies

Avant Flooring is available in a large range of colours to suit any application. From heavy duty factories and indoor stadiums, to dark and dramatic boardrooms, and light and airy living rooms, you name it, we have a floor that fits. Choose from a selection of traditional colours or opt for something a little more daring.

A Joint venture with

AVANT™

Client List

NCC URBAN –FACADE

NCC Urban Facade windows and doors combine high quality materials with perfect operation and provide a highlight of trendsetting designs and advantages. The beauty of this allows you to find ideal solutions for your windows, doors and sun protection which will match your life style and way of living perfectly.

The three design styles studio, home and ambiente are reflected through their individuality, diversity and comfort – in proper clear style.

UPVC/aluminium

The material combination UPVC/aluminium unites a high degree of functionality, best heat and sound insulation, and a wealth of possibilities for individual design with a highly weather-resistant aluminium clad and an easy to maintain surface.

We have infrastructure and machineries to execute 1,20,000 sqm UPVC Works and 1,00,000 sqm of Façade Works

We have core team with experience from reputed organizations like Shapoorji Pallaonji Fabricators, Alufit (I) Pvt Ltd and Global Façade Solutions etc. With this core team we are developing infrastructure which will be one of major player in Façade Solutions Field and in the process we have already bagged two orders from Brigade Entreprises Limited one of reputed and Major Developers in Southern INDIA

Sole Distributor in the market of India

NATURE is a range of natural colors of clay. It has a wide range of tones and smooth or grainy finishes. Nature offers a controlled and natural range of finishes without priming.

Faveton Terracotta is a company focused in the production of adaptable products that can provide a higher level of comfort and habitability. This positions us among the best options on the ventilated façade market.

More than 50 years of experience in the extrusion world together with the interest in manufacturing products for the everyday comfort situates us on a high position in the ventilated façade market.

Production headquarter is located geographically in Spain, with the advantage of being very well situated opposite important international shipping ports and also with the possibility of land transport freight.

This innovative industrial production plant is very well equipped with the most modern technologies that allow an optimum solution to greater projects. What is more it also has a special tile production line that together with the technical specialized support lead to manufacture any piece and color that architects can imagine for the projection of singular projects.

The usage of first quality raw material together with high level of production gives an extreme technical product.

FAVETON has selected a number of official international distributors around the world and this, added to our own engineering technology, guarantees an optimum placement of the materials.

Faveton products: Ceram, Acqua, Bersal, Special Tiles, Louver, Brick Tile and Faveton Design

NCC HARMONY

DUBAI

Total Built up area : 4.00 Million Sq ft
