## Forward Looking Statement

Certain statements in this document with words or phrases such as "will", "should", etc., and similar expressions or variation of these expressions or those concerning our future prospects are forward looking statements. Actual results may differ materially from those suggested by the forward looking statements due to a number of risks or uncertainties associated with the expectations. These risks and uncertainties include, but are not limited to, our ability to successfully implement our strategy and changes in government policies. The company may, from time to time, make additional written and oral forward looking statements, including statements contained in the company's filings with the stock exchanges and our reports to shareholders. The company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the company.
