18. In the terms of notification issued by SEBI, the Equity Shares of the Company are under compulsory DEMAT trading for all Investors and hence, the shareholders are advised to hold their shares in DEMAT mode and to send their Share Certificates along with Dematerialization request to the RTA through their Depository Participants.
 19. As per Regulation 40 of SEBI (LODR) 2015, as amended, the transfer, transmission or transposition of securities of listed companies can only be made in dematerialized form. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to first complete their KYC with our RTA (M/s XL Softech Systems Limited) by way of filing form ISR1, ISR2, ISR3 or Nomination Form SH13, ISR4 etc. and should also consider converting their shareholdings into dematerialized form at the earliest. Members can contact to our Registrar and Share Transfer Agent (RTA) M/s XL Softech Systems Limited for assistance in this regard at: 3 Sagar Society, Road No. 2, Banjara Hills, Hyderabad- 500034. Phone No. 040-23545913/14/15 Email: xlfield@gmail.com.
- Further, pursuant to SEBI Circular dated January 25, 2022, the listed companies shall issue the securities in dematerialized form only, after processing any service requests received from the shareholders viz., issue of duplicate share certificates, endorsement, transmission, transposition, etc. a letter of confirmation will be issued to the shareholders and shall be valid for a period of 120 days, within which the shareholders shall make a request to the Depository Participant for dematerializing of those shares. If the shareholder fails to submit the dematerialisation request within 120 days, then the Company shall credit those shares in the Suspense Escrow Demat Account held by the Company. The shareholders can claim these shares transferred to Suspense Escrow Demat Account on submission of necessary documentation.

20. If the Dividend, as recommended by the Board of Directors, approved at the AGM, payment of such dividend will be made to all the eligible shareholders who hold shares of the Company as on the record date (cut-off date) viz. at the close of business hours on Friday, September 19, 2025 (for demat and physical shareholders both).

The Listing Regulations have mandated the Companies to credit the dividends electronically to the Members' bank account. Members who hold shares in electronic mode should inform their Depository Participant (DP) and the Members who hold their shares in physical mode should inform to the Company or RTA, their bank details viz. bank account No., name of the bank, branch details, IFSC Code and MICR Code to enable the Company to incorporate the same for the purpose of remittance of dividend electronically.

Those Members who have already provided their bank details but if there is any change therein, they should also update the same instantly in the manner as aforesaid. The members of Company may note that as per SEBI Circular dated November 17, 2023, no dividend warrant will be dispatched by the Company to the Members with effect from April 1, 2024, if they have not completed their KYC with the Company/RTA or respective DPs and in such a case, the unpaid dividend amount will be transferred to the Unpaid Dividend Account of the Company opened with any scheduled bank in terms of the applicable provisions of the Listing Regulations or the Act, as may be applicable. Such member(s), will however, get a notification from the Company about status of their KYC and post completion of their required KYC, unpaid dividend(s) amount will be released directly to their bank account(s) electronically.

21. SEBI has mandated that any service request from members holding securities in physical mode shall be entertained only upon registration of the PAN, KYC details and nomination. Members are requested to submit Form ISR-1 duly filled and signed along with self-attested copy of the PAN card and such other documents as prescribed in the Form, to register or update:

a. PAN, KYC details and nomination.

- b. Particulars of bank account or change in their address, for receiving dividends directly in their account through electronic clearing service (ECS) or physical instrument such as banker's cheque or demand draft.
- c. E-mail address to receive communication through electronic means, including Annual report and notice

22. The Members are requested to:

- i) Intimate changes, if any, in their registered address at an early date.
- ii) Members who have multiple Folios in identical names or joint names in the same order are requested to intimate to the company those folios to enable the company to consolidate all such share holdings into a single folio.

23. Shareholders may note that under the provisions of the Income-tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after 1st April 2020 shall be taxable in the hands of the shareholders. The Company shall therefore be required to deduct Tax at Source ("TDS") at the time of making the final dividend. In order to enable us to determine the appropriate TDS rate as applicable, Members are requested to submit the documents in accordance with the provisions of the Income-tax Act, 1961.

- A) For Resident Shareholders, TDS shall be deducted under Section 194 of the Income-tax Act, 1961 at 10% (Ten percent) on the amount of Dividend declared and paid by the Company during financial year 2025-26 provided PAN is registered by the Shareholder. If PAN is not registered or PAN is not linked with Aadhar or specified person under Section 206AB of the Income-tax Act, 1961, TDS would be deducted @ 20% (Twenty percent). However, no tax shall be deducted on the Dividend payable to a resident Individual if the total dividend to be received by them during financial year 2025-26 does not exceed Rs. 5,000/-. In cases where the shareholder furnishes valid Form 15G (applicable to any person other than a

Company or a Firm or HUF)/ valid Form 15H (applicable to an Individual above the age of 60 years) Nil/ lower TDS Certificate issued by the Income tax department, no TDS shall be deducted provided that the eligibility conditions are being met.

B) For Non-resident Shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 of the Income-tax Act, 1961 at the rates in force. As per the relevant provisions of the Income-tax Act, 1961, the withholding tax shall be at the rate of 20% (Twenty percent) (plus applicable surcharge and education cess) on the amount of Dividend payable to them. However, as per Section 90 of the Income-tax Act, 1961, the non-resident shareholder has the option to be governed by the provisions of the Double Tax Avoidance Agreement (“DTAA”) between India and the country of tax residence of the shareholder, if it is more beneficial to them. For this purpose, i.e. to avail the Tax Treaty benefits, the non-resident shareholder will have to provide the following:

- Copy of Tax Residency Certificate (“TRC”) for the period of 1st April 2024 to 31st March 2025 or 1st January 2024 to 31st December 2024 obtained from the tax authorities of the country of which the Shareholder is resident.
- Self-declaration in Form No. 10F if all the details required in this form are not mentioned in the TRC. If the shareholder has PAN in India, Form No. 10F have to be e-filed online through Income-tax portal.
- Self-attested copy of the PAN Card allotted by the Indian Income Tax authorities.
- Self-Declaration certifying the following points:
 - i. Member is and will continue to remain a tax resident of the country of its residence during the financial year 2024-25;

- ii. Member is eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company;
- iii. iii. Member has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner;
- iv. iv. Member is the ultimate beneficial owner of its shareholding in the Company and Dividend receivable from the Company; and
- v. v. Member does not have a taxable presence or a permanent establishment in India during the financial year 2024-25.

As per Finance Act, 2021, Section 206AB of the Income-tax Act, 1961 has been inserted effective from 1st July 2021, wherein higher rate of tax (twice the specified rate) would be applicable on payment made to a shareholder who is classified as ‘Specified Person’ as defined under the provisions of the aforesaid Section. However, in case a non-resident shareholder or a non-resident Foreign Portfolio/ Foreign Institutional Investor, higher rate of tax as mentioned under Section 206AB of the Income-tax Act, 1961 shall not apply if such non-resident does not have a permanent establishment in India.

- C) All shareholders are requested to check / update their correct name, PAN, address, residential status, etc. from/to your broker / DP Agent.
- D) Please note that the Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction/withholding on dividend amounts. Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review by the Company of the documents submitted by Non-Resident shareholder.

- E) Accordingly, in order to enable us to determine the appropriate TDS/withholding tax rate applicable, we request you to provide these details and documents as mentioned above before September 25, 2025.
- F) Kindly note that the aforementioned documents are required to be submitted to our Registrar and Share Transfer Agent (RTA) on or before September 25, 2025 in order to enable the Company to determine and deduct appropriate TDS/withholding tax rate. No communication on the tax determination/deduction shall be entertained post September 25, 2025. It may be further noted that in case the income-tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details/ documents from you, there would still be an option available with you to file the return of income and claim an appropriate refund, if eligible.
- G) The soft copy of TDS certificate can be emailed to you at your registered e-mail ID in accordance with the provisions of the Income-tax Act, 1961 after filing of the quarterly TDS Returns of the Company, post payment of the said Dividend. Further, you can download Form No. 26AS from the Income tax Portal after login through your PAN and can check TDS deduction details on dividend from Form No. 26AS.
- H) Separate email communication is being sent to the shareholders informing the said change in the Income-tax Act, 1961 as well as relevant procedure to be adopted by the shareholders for availing the applicable tax rate. 22. A. Pursuant to Section 20
24. The Annual Listing fee for the year 2025-26 has been paid to BSE Ltd.

Instructions about Voting:

- (i) Voting through electronic means:
- 1 The Ministry of Corporate Affairs ('MCA') has vide its General Circulars No. 20/2020 dated May 5, 2020, 02/2022 dated May 05, 2022, 10/2022 dated December 28, 2022, 09/2023 dated September 25, 2023 and the latest being 09/2024 dated September 19, 2024 (collectively referred to as 'MCA Circulars') permitting the holding of the Annual General Meeting ('AGM') through Video Conferencing ('VC') / Other Audio Visual Means ('OAVM'), without the physical presence of the Members at a common venue. Further, the Securities and Exchange Board of India ('SEBI') vide its circulars dated May 12, 2020, January 15, 2021, May 13, 2022, January 5, 2023, October 7, 2023 and the latest being October 03, 2024 ('SEBI Circulars') has also granted certain relaxations w.r.t the provisions of Regulations 36(1)(b) and 44(4) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. In compliance with the provisions of the Companies Act, 2013, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), MCA Circulars and SEBI Circulars as aforesaid, the 39th Annual General Meeting ("the AGM") of the Company is being held through VC / OAVM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency.
- Thus, the facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- 2 The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served

basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.

- 3 The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- 4 The facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- 5 The Notice calling the AGM has been uploaded on the website of the Company at www.samkrpistonsandrings.com. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins on Monday, September 22, 2025 from 09:00 a.m. and ends on Thursday, September 25, 2025 at 05:00 p.m. During this period shareholders of the Company, holding shares either in physical form or in Dematerialized form, as on the cut-off date (record date) of September 19, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote again at the AGM being conducted by VC/OAVM.

- (iii) Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.
- (iv) Once the vote on a resolution is casted by the member, the same shall not be allowed to change it subsequently or cast the vote again.
- (v) The member who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. Friday, September 19, 2025 shall be entitled to exercise his/her vote either electronically i.e. remote e-voting or e-voting system on the date of the AGM by following the procedure mentioned in the instructions given below.
- (vi) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the DEMAT account holders, by way of a single login credential, through their DEMAT accounts/ websites of Depositories/ Depository Participants.

DEMAT account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in DEMAT mode.

REVIEW OF BUSINESS OPERATIONS:

The 2 & 3-wheeler I.C. engine segment of the automotive industry has continued to face significant changes and challenges in 2024-25. Our efforts in the domestic market have resulted in slight growth, due to socio-economic and political challenges in key African markets, particularly Nigeria and Sudan. The situation in these regions impacted our business operations, and our major customer in Colombia faced setbacks, leading to a noticeable decline in exports. However, we mitigated these losses through strategic market diversification by initiating business discussion with European and American market exporters and by strengthening our domestic market presence.

The company's focus on leveraging technology and maintaining high-quality standards has been crucial in navigating these dynamic market conditions. The post-

pandemic economic recovery has also contributed to our steady growth. The Company also slightly improved the performance in after-market Sales by changing the strategies and to reach every corner of the Country.

We have continued to invest in R&D, focusing on advancing technology and meeting stringent environmental standards, thereby positioning ourselves to better serve both domestic and international markets.

FUTURE PROSPECTUS:

Looking ahead, with favourable economic indicators, supportive government policies, and projected GDP growth, India expects its auto components industry to perform well in FY 26. SAMKRG, planning to expand its market reach by exploring business opportunities in Nepal and Kenya, as well as further developing our presence in Latin America and the Middle East.

These regions offer significant growth potential for 2-wheelers, and we aim to capture a substantial market share. Additionally, our Company planning to introduce new product lines, including valves, connecting rods, bearings, and filters, in a step-wise manner. This expansion is aimed at increasing our product bandwidth and offerings in both the Indian domestic aftermarket and the export aftermarket sectors.

By leveraging our extensive distribution network and strong OEM relationships, we are well-positioned to enhance our market presence. We are dedicated to continuous innovation, ensuring our products meet the latest environmental standards and customer expectations. Our proactive approach to market changes and industry trends will help secure sustainable growth and long-term profitability for the company.

A. CONSERVATION OF ENERGY:

The Company has always been taking various energy conserving / saving measures at all points to manufacturing continuously.

Energy conservation measures taken:

- a. All foundry furnaces Retrofitted to reduce power losses.
- b. Improved Power factors through installation of additional capacitors in all plants.
- c. Optimum use of Continuous running of sealed quench furnace technique.
- d. Implementation of energy efficient Crucibles & introduced insulation with high “K” factor.
- e. Reduced lighting load.
- f. Introduced variable frequency drives
- g. Installation of Nitrogen Plant in all the 3 Plants to conserve Nitrogen Gas
- h. Installation of LED Lighting system

B. TECHNOLOGY ABSORPTION:

(A) **Research and Development (R&D) Advantages derived as a result of R&D**

Piston Rings:

- 1- To comply with BS VI norms we developed PVD coated piston rings for 4S 2Wheelers and also for Diesel, Petrol and CNG fuel engines for 2 Wheelers, Cars and Truck applications.
- 2- Developed and introduced 2nd ring for 4S vehicles with ceramic coating and MFI coating. Developed and productionized PVD coated 3-piece oil rings for 2Wh to meet with BS VI norms.
- 3- Developed and introduced oil ring for steel i-section slotted ring with Nitrated coating for 4Wheelers and Commercial Vehicles.

Piston:

- 1- To comply with BS VI norms we developed asymmetric profile on piston ring lands and skirt areas to reduce oil consumption and white smoke.
- 2- Developed and productionized hard anodized coating for piston ring grooves and crown to meet with high engine temperatures and reduce wear.
- 3- Developed and productionized special aluminium alloy to meet with high temperatures of engine. Developed thin wall thickness casting to improve weight to strength ratio.

Future Plan of Action:

- 1) Planning to develop and productionize taper and oval bore piston for Diesel Engines.
- 2) To improve quality and meet with closed tolerances. Developed sophisticated special performance CNC machines 6 Station and 4 Station.

- 3) Planning to introduce much more sophisticated surface coating technologies.
- 4) Introduced World Class practices for continuous skill development of all employees and cost reduction.

(B) EXPENDITURE ON R &D: (In lakhs)

ANNEXURE-6

Management Discussion and Analysis Report

(a) INDUSTRY STRUCTURE AND DEVELOPMENTS

Our company specializes in manufacturing auto components such as pistons, gudgeon pins, piston rings and auto shafts for various vehicle segments including commercial vehicles, tractors, heavy duty stationary engines, two wheelers, three wheelers and four wheelers. The market is divided into OEMs, the replacement market, and exports, each offering distinct advantages and challenges.

The Indian auto component industry is evolving, establishing itself as a key global supplier with substantial export potential. Our growth is closely tied to the automobile industry's performance and the broader rural economy. We are actively upgrading our manufacturing technologies to comply with the latest emission standards, such as BS6 and Euro norms. Additionally, we are expanding our product range to include valves and connecting rods, which will enhance our offerings in the domestic and export markets.

The Indian auto component industry is evolving rapidly, establishing itself as a dependable global hub. Recovery in domestic demand, along with rising export potential, is fuelling industry growth. Notable trends include:

- The two-wheeler segment has bounced back strongly, with sales volumes in the 100cc-150cc category returning to pre-COVID levels.
- There is a clear shift from low to higher CC vehicles, driven by rising demand for better performance, durability, and fuel efficiency. This trend is creating more opportunities for premium engine components.
- Electric vehicles (EVs) are expanding steadily, particularly in urban areas. While this presents long-term challenges to traditional internal combustion engine (ICE) components, it also encourages product innovation and diversification.

In response, we are modernizing our manufacturing processes and aligning capabilities with BS6, Euro emission standards, and emerging customer requirements across segments.

Strategic Initiatives and Business Focus

To stay future-ready and competitive, we are executing multiple strategic initiatives:

- **Product Expansion:** Introducing engine valves and connecting rods to strengthen our position in the OEM, aftermarket, and export markets.
- **Export Growth:** Increasing our presence in regions where Indian two-wheelers are widely used – such as Africa, Latin America, and Southeast Asia – while also addressing the needs of global brands.
- **New Segments:** Developing compressor pistons for stationary and industrial use, and exploring supply opportunities for multi-purpose and heavy-duty engines.
- **Technology Upgradation:** Leveraging expertise from Japanese and German consultants to improve product quality, cost efficiency, and production standards.
- **Operational Excellence:** Maintaining a strong focus on zero-defect quality and timely delivery from all plants.

These efforts position us to safeguard our core business while tapping into emerging market opportunities.

(b) OPPORTUNITIES AND THREATS

The rise of electric vehicles presents both opportunities and challenges for our company. While the shift towards electric mobility poses a threat to the traditional I.C. engine market, it also offers opportunities for innovation and diversification. To stay competitive, we are focusing on cost-effective manufacturing processes and adopting sophisticated technologies, supported by technical expertise from Japanese and German consultants. Our

plans to introduce new products like valves and connecting rods further diversify our portfolio, catering to evolving market demands.

Our strong relationships with domestic OEMs, agricultural tractor manufacturers, and the replacement market, along with a robust export presence, provide a solid foundation for growth. However, we must navigate risks such as foreign currency fluctuations, raw material price volatility, and intense competition from international players and the unorganized sector.

Key Opportunities:

- Continued revival in two-wheeler and tractor demand
- Rising preference for higher CC engines
- Expansion into new export geographies
- Entry into compressor and industrial applications
- A broader product portfolio to enhance OEM and distributor engagement

Major Challenges:

- Gradual transition to electric mobility
- Volatile raw material prices
- Foreign exchange fluctuations affecting exports
- Competitive pressure from international low-cost manufacturers and the unorganized sector
- Increasing compliance costs due to evolving regulations

We are addressing these with cost optimization, process modernization, and forward-looking product planning.

(c) SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The company specializes in single segment of manufacturing auto components such as pistons, gudgeon pins, piston rings and auto shafts for various vehicle segments including commercial vehicles, tractors, heavy duty stationary engines, two wheelers, three wheelers and four wheelers.

(d) OUTLOOK

In the face of the challenges, the company is committed to sustainable growth. We are

leveraging our strong distribution network and partnerships with OEMs to enhance our market presence. By implementing cost-effective measures and focusing on zero-defect quality and timely delivery, we aim to meet the evolving needs of our customers.

Looking ahead, the company is well-positioned for moderate and consistent growth. Our strategic focus will be on:

- Growing demand for higher CC two-wheelers and tractors
- Launch and scale-up of valves, connecting rods, and compressor pistons
- Expanding exports across markets using both Indian and international brands
- Balancing traditional ICE product demand while preparing for the EV transition

With continued emphasis on product quality, customer satisfaction, and operational excellence, we remain committed to long-term value creation and market leadership.

We are poised for moderate demand growth across all market segments, driven by continuous product innovation and compliance with stringent environmental standards. Our strategy includes the introduction of new products such as valves and connecting rods, expanding our offerings in the Indian domestic and export aftermarkets. This approach will help us capitalize on existing strengths while exploring new opportunities in emerging markets.

(e) RISK AND CONCERNS

The company continues to operate in a highly competitive environment, facing various risks such as technology obsolescence, regulatory changes, and geopolitical uncertainties. However, we are proactively managing these risks through strategic planning, investments in advanced technologies, and maintaining a flexible business model. Our harmonious industrial relations and comprehensive risk management strategies ensure the resilience and sustainability of our operations.

Overall, the company remains focused on leveraging its strengths and exploring new

opportunities to secure long-term growth and profitability.

Risks and Mitigation Measures

Operating in a dynamic global environment brings both internal and external risks:

- Rapid technology changes
- Shifts in emission and safety regulations
- Geopolitical instability in key markets
- Demand uncertainty due to economic fluctuations

Our risk mitigation plan includes:

- Agile, flexible manufacturing systems
- Continued investment in R&D and innovation
- Strengthening OEM partnerships
- Close monitoring of macroeconomic and forex trends
- Emphasis on process efficiency and quality systems

(f) INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:

The company maintains an adequate and effective internal control system commensurate with its size and complexity. An independent internal audit function is an important element of your company's internal control system. The internal control system is supplemented through an extensive internal audit program and periodic review by management and audit committee.

The company has a sound and scalable internal control system aligned to its operational complexity. An independent internal audit team, periodic management reviews, and oversight by the Audit Committee ensure compliance with financial, operational, and regulatory standards.

(g) FINANCIAL PERFORMANCE:

INDEPENDENT AUDITOR'S REPORT

To the Members of Samkrp Pistons and Rings Limited

Report on the Indian Accounting Standards (Ind AS) Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Samkrp Pistons& Rings Limited ("the Company"), which comprises the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the afore said Standalone Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the standalone state of affairs of the Company as at March 31, 2025 and its standalone profit (including Other Comprehensive Income), standalone changes in equity and its standalone cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Following is the Key Audit Matter identified which is of most significance:

TRADE RECEIVABLES: Trade Receivables accounts for 49.28% of total current assets of the company.

The Company is not exposed to potential risk of financial loss as there is no risk of default on receivables from the customers. As the company has good valued customers both in domestic OEM's and Replacement market and Export.

We have performed the following procedures in relation to recoverability of Trade Receivables

- Tested the accuracy of trade receivables at year end on sample basis
- Obtained a list of Outstanding Receivables and evaluated its recoverability through discussion with management.
- Assessed the recoverability Trade Receivables through sample basis through our evaluation of management assessment with reference to

- (a) Credit Profile of Customers
- (b) Historical Payment pattern of customers
- (c) Tested subsequent settlement of trade receivables after the balance sheet date on a sample basis.

Based on above procedures we found the key judgements and assumptions used by management in the recoverability of assessment of Trade Receivables to be supported based on available evidence.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone Ind AS Financial Statements, Secretarial Report and our auditor's report thereon, which we obtained prior to the date this auditor's reports.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS Financial Statements that give a true and fair view of the standalone financial position, standalone financial performance (including other comprehensive income), standalone changes in equity and standalone cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls. and operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - B to the Auditor's Report

(Referred to in paragraph 2(f) of our Report on Other Legal and Regulatory Requirements of even date to the Members of Samkrg Pistons& Rings Limited)

Report on the Internal Financial Controls with reference to Standalone Ind AS Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Standalone Ind AS Financial Statements of **Samkrg Pistons& Rings Limited** ("the Company") as of 31st March, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the existence of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the

Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to Standalone Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to Standalone Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER INFORMATION:

1. **CORPORATE INFORMATION:** Samkrp Pistons and Rings Limited (the company) is engaged in the Manufacturing of Automobile components. The Company has manufacturing plants at Bonthapally, Sangareddy Dist. (T.S.) and two units at Srikakulam District, Andhra Pradesh. The Company is a Public Limited Company and is listed on the BSE Limited Stock Exchange. The Functional Currency of the company is Indian Rupees. The Financial Statements prepared under Company (Accounting Standards) Rules, 2015, as amended for the year ended 31st March, 2025 were adopted by the company as on 29th MAY 2025.

SIGNIFICANT ACCOUNTING POLICIES**1. BASIS OF PREPARATION**

The Financial Statements have been prepared in accordance with Section 133 of the Companies Act, 2013, Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015. The Financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all periods presented in the financial statements. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III of the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents the company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets.

Transactions and balances with values below the rounding off norm adopted by the company have been reflected as "0" in the relevant notes in these financial statements.

The Financial Statements of the Company for the year ended 31/03/2025 were approved for issue in accordance with the resolution of the board of directors on 29/05/2025

2. **Basis of Measurement:** These Financial Statements are prepared under historical cost convention unless otherwise stated.
3. **Revenue Recognition:** Revenue from contracts with customers are recognized as per Ind AS 115 when control of the goods or services are transferred to the customers at the fair value of consideration received or receivable. The Company recognizes revenue when the same can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below. Revenue is measured at the value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Amounts disclosed as revenue are exclusive of GST and net of returns, trade allowances, rebates, discounts, and amounts collected on behalf of third parties.

(i) Sale of Goods

Sales are recognized when substantial risk and rewards of ownership are transferred to customer, In case of domestic customers, sales generally take place when goods are dispatched or delivery is handed over to the transporter. In case of export customers, sales generally take place when goods are shipped on-board based on bill of lading.

- ii) Interest Income is recognized on time proportion basis taking into account the amount invested and rate of interest.
- iii) Revenue in respect of other claims is recognized on accrual basis to the extent the ultimate realization is reasonably.

4. **Expenses** are accounted on accrual basis.

5. **Employee Benefits:**

- (i) Contributions to defined contribution schemes such as ESI, Labor welfare fund, employee pension scheme are charged as expense based on the amount of contribution required to be made as and when services are rendered by the employees. Companies provident fund contribution in respect of certain employees is made to government administered fund and charged as an expense to the statement of profit and loss. The above benefits are classified as Defined contribution schemes as the company has no further defined obligations beyond the monthly contribution.
- (ii) Defined benefit plans: In accordance with payment of Gratuity Act, 1972, the company provides gratuity a defined benefit retirement plan covering eligible employees. The plan provides for a payment to vested employees at retirement, death while in employment or on termination of employment, an amount equivalent to 15 days salary payable for each completed year of service, subject to maximum as may be prescribed. Vesting occurs upon completion of five years of service, except in case of death while in employment in which case the legal heirs would receive the gratuity. Accordingly, a lump sum provision is made as per management policy.

6. **Property, Plant and Equipment:** Property, plant and equipment are stated at acquisition cost includes related duties freight etc., and interest on borrowed fund if any directly attributable to acquisition/ construction of qualifying fixed assets and is net of duty/tax credit availed.

Subsequent expenditure related to an item of property, plant and equipment are added to book value only if they increase the future benefits from existing asset beyond its previously assessed standard of performance. In all such cases, the useful life of assets subsequently added to parent asset are brought at par and depreciated in line with parent asset.

Losses arising from the retirement of, and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognized in statement of profit or loss.

Depreciation is provided on SLM basis, based on useful life of the assets in accordance with Schedule II of the Companies Act, 2013.

Free hold land is not depreciated.

The residual value of 5% is retained in books for all assets other than the assets whose useful life has elapsed as on 01-04-2014 or those assets whose book value has already been reduced below 5% of acquisition cost.

The depreciation has been provided on SLM basis based on the life of the asset given below:

- Building 30 years
- Plant and Machinery 15 years
- Lab Equipment 10 years
- Electrical Installation 10 years
- Office Equipment 5 years
- Vehicles 8 years
- Computers 3 years

De-recognition: The carrying amount of an item of property, plant and equipment shall be derecognized

- (i) On disposal or

(ii) When no future economic benefits are expected from its use or disposal

7. **Intangible Assets:** Separately purchased intangible assets are initially measured at cost. Subsequently, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses if any.

The useful lives of intangible assets are assessed as either finite or indefinite. Finite life assets are amortized on a straight-line basis over the period of their expected useful lives.

Estimated useful lives by major class of finite life intangible assets are as follows:

Computer Software 10 Years

The amortization period and amortization method for finite life intangible assets is reviewed at each financial year and adjusted prospectively, if appropriate.

8. **Foreign Currencies:** The Company's financial statements are presented in INR, which is also the functional currency of the company.

Transactions and Balances: Transactions in foreign currencies are initially recognized by the company at its functional currency spot rates at the date the transaction when it first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognized in profit and loss statement.

9. **Income Taxes:** Income tax expense for the year comprises of current tax and deferred tax. It is recognized in profit and loss.

Current tax is the expected tax payable / receivable on the taxable income / loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of the previous years.

Deferred tax is recognized in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amounts used for taxation purposes.

A deferred tax liability is recognized based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted by the end of the reporting period.

A deferred tax asset is recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

10. **Dividend:** Final Dividend on shares are recorded as a liability on the date of approval by the shareholders.
11. **Use of Estimates:** The preparation of Financial Statements is in conformity with Indian accounting standards (Ind AS), requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities and disclosure relating to contingent liabilities as at the date of financial statements and reported income and expenses during the year. The management believes that the estimates used in preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between actual results and estimates are recognized in the periods in which results are known / materialize.
12. **Financial Instruments:** Financial Assets and Financial Liabilities are recognized when the company becomes a party to contractual provisions of the instrument.

A Financial Asset is:

- Cash
- A Contractual right to receive cash or another Financial Asset.
- A Contractual right to exchange Financial Assets or Liabilities with another entity under potentially favourable conditions; or
- An equity instrument of another entity.

B Financial Liability is:

- A Contractual obligation to deliver cash or another financial asset; or
- To exchange Financial Instruments with another entity under potentially unfavourable conditions.

A derivative is a Financial Instrument that derives its value from underlying price or index; requires little or no initial net investment; and is settled at a future date.

IND AS 109 divides all Financial Assets into Two Classifications:

Those measured at amortised at cost.

Those measured at Fair Value.

When assets are measured at fair value, gains and losses are recognized entirely in profit or loss (Fair value through profit or loss, FVTPL), or recognized in other comprehensive income (Fair value through other comprehensive income, FVTOCI).

The classification of Financial Asset is made at the time it is initially recognized, namely when the entity becomes a party to contractual provisions of the instrument.

13. **Provisions and contingent liabilities:**

- (a) **Provisions:** Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Current provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

- (b) **Contingent Liabilities:** Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed by the occurrence of non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is probable that an outflow of resources will be required to settle of reliable estimate of the amount cannot be made.

14. **Cash and cash equivalents:** In the cash flow statement, cash and cash equivalents include cash, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

15. **Segment Reporting under Ind AS-108:**

The Company is engaged in a single segment (i.e. the business of “automotive components” from where it is earning its revenue and incurring expenses. The operating results are regularly reviewed and performance is assessed by its Chief Operating Decision Maker (CODM). All the company resources are dedicated to this single segment and all the discrete financial information is available for this segment. The geographical information in respect of customers

Is given in Note 38, Notes to accounts and Significant accounting policies.

16. IND AS-23 BORROWING COST: Ind AS 23, 'Borrowing Costs' The amendments clarify that if a specific borrowing remains outstanding after the related qualifying asset is ready for its intended use or sale, it becomes part of general borrowings. As the Company does not have any borrowings, there is no impact on account of this amendment.

17. UNCERTAINTY OVER INCOME TAX TREATMENTS TO IND AS 12 INCOME TAXES.

Appendix C, Uncertainty over Income Tax Treatments, to Ind AS 12, 'Income Taxes' The appendix explains how to recognize and measure deferred and current income tax assets and liabilities where there is uncertainty over a tax treatment. In particular, it discusses:

- How to determine the appropriate unit of account, and that each uncertain tax treatment should be considered separately or together as a group, depending on which approach better predicts the resolution of the uncertainty;
- That the entity should assume a tax authority will examine the uncertain tax treatments and have full knowledge of all related information, i.e., that detection risk should be ignored;
- That the entity should reflect the effect of the uncertainty in its income tax accounting when it is not probable that the tax authorities will accept the treatment;

That the impact of the uncertainty should be measured using either the most likely amount or the expected value method, depending on which method better predicts the resolution of the uncertainty; and that the judgments and estimates made must be reassessed whenever circumstances have changed or there is new information that affects the judgments.

- The application of this guidance is not expected to have an impact on the separate financial statements.

18. CURRENT VS NON-CURRENT CLASSIFICATION:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset as current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period,

Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period,

There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as noncurrent assets/noncurrent liabilities.

19. Ind AS 116 - Leases

The Company elects not to apply IND AS 116, as it has got short term leases (Recognition Exemption)

20. Functional and presentation currency:

These financial statements are presented in Indian Rupees (INR), which is the company's functional currency. All financial information is presented in INR rounded to the nearest Lakhs except share and per share data, unless otherwise stated.

Exchange differences are recognized in the Statement of Profit and Loss.

21. Capital management

The Company's objective for managing capital is to ensure as under:

- i) To ensure the company's ability to continue as a going concern
- ii) Maintaining a strong credit rating and debt equity ratio in order to support business and maximize the share holders' value.
- iii) Maintain an optimal capital structure.
- iv) Compliance of financial covenants under the borrowing facilities.

For the purpose of capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Company

The Company manages its capital structure keeping in view of:

- i) Compliance of financial covenants under the borrowing facilities.
- ii) Changes in economic conditions

In order to achieve this overall objective of capital management, amongst other things, the Company aims to ensure that it meets financial covenants attached to the borrowing's facilities defining capital structure requirements, where breach in meeting the financial covenants may permit the lender to call the borrowings.

There has been no breach in the financial covenants of any borrowing facility in the current period. There is no change in the objectives, policies or processes for managing capital over previous year. To maintain the capital structure, the Company may vary the dividend payment to shareholders. (Refer Note 41 Notes on Significant Accounting Policies)

22. Financial risk management

The Company's principal financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that it derives directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks under appropriate policies and procedures.

i. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits.

a. Foreign exchange risk

The Company is subject to the risk that changes in foreign currency values impact the Company's export revenues and imports of raw material and property, plant and equipment. The net unhedged exposure to the Company on holding financial assets (Trade Receivables and capital advances) and liabilities (trade payables and capital creditors) other than in their functional currency amounted to Rs.16.39 Crores.

The Company is exposed to foreign exchange risk arising from various currency exposures, primarily with respect to US Dollar and Euro and Yen. The Company manages currency exposures within prescribed limits.

Foreign exchange transactions are covered with strict limits placed on the amount of uncovered exposure, if any, at any point in time. The aim of the Company's approach to management of currency risk is to leave the company with no material residual risk.

b. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company is not exposed to any significant /material interest rate risk.

ii. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer

Leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks, financial institutions, foreign exchange transactions and other financial instruments.

Credit risk is managed by company's established policy, procedures and control relating to customer credit risk management. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

iii. Liquidity risk

Liquidity risk is the risk that the Company, will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31-03-2025 and 31-03-2024.

Cash Flow from operating activities provides the funds to service the financial liabilities on a day to day basis.

The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an ongoing basis to meet its operational needs. Any short-term surplus cash generated, over and above the amount required for working capital management and other operational requirements is retained as cash and cash equivalent (to the extent required) and any excess is invested in interest bearing term deposits to optimize the cash return on investments while ensuring sufficient liquidity to meets is liabilities.

iv. Fair value hierarchy

The Company uses the following hierarchy for determining and or disclosing the fair value of financial instruments by valuation techniques:

The following is the basis of categorizing the financial instruments measured at fair value into Level 1 to Level 3.

Level 1 - This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - This level includes financial assets and liabilities, measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as of March 31, 2025. The Company uses Level 2 for determining and or disclosing the fair value of financial instrument.

23. TAXES AND INCOME

- a) Current tax: Provision for Income Tax is determined in accordance with the provisions of Income Tax Act, 1961.
- b) Taxable temporary differences will always lead to Deferred Tax Liability.
- c) The timing deference on account of depreciation charged on the assets as per the companies act and as per the Income Tax Act has been provided.
