Coastal containerised shipping services offered by
Shreyas Shipping and Logistics Ltd (SSL).

The pioneer and a market leader, SSL operates an
impressive fleet of its own vessels. These vessels carry
containerised cargo across major ports and terminals
on the entire Indian Coastal Line. The Company
demonstrates its diverse nature of operation by carrying
domestic as well as exim cargo.

Thus, making it a preferred partner of choice in the
industry.

On High Seas

Shreyas Shipping & Logistics Ltd dominates the coastal container shipping, across the Indian Coastal Line

Incorporated in 1988, a part of 40-year old global conglomerate Transworld Group, the Company operates in two key business segments – Shipping and Logistics (coastal and exim cargo).

During 2016-17, the Company entered into a Vessel Sharing Arrangement (VSA) with Shipping Corporation of India (SCI) to increase the service frequency and giving customers better choice of services through quicker cargo movement.

Today, the Company owns 10 vessels, with a total operating capacity of over 16,000 TEUs with a DWT of 226,000.

Vision

Be the preferred business partner for global logistics solutions, committed to the highest standards of excellence.

Mission

To consistently create experiences where passion and purpose come together to innovate, excel and contribute to a better future.

Values

- Integrity
- Transparency
- Respect
- Customer Centrality

- Social and Environmental Responsibility

Transworld Group

– four decades of global shipping and logistics services

The Transworld Group of Companies, established in 1977 by Mr. R. Sivaswamy, has evolved and advanced through a long way today. What started as a shipping agency in Mumbai has diversified into a multi-faceted shipping and logistics conglomerate today. The group offers range of services, from Ship Owning (Container & Bulk Carriers), Feederling, NVOCC, Logistics, Freight Forwarding and Supply Chain Management, Ship Management and Shipping Agencies.

Headquartered in the Jebel Ali Free Zone (Dubai, UAE), The Transworld Group has offices in the USA, Saudi Arabia, Oman, Qatar, Kuwait, Sri Lanka, Pakistan and 28 Indian cities. Along with this, the Group also has strong network partners globally. All in all, Transworld offers a one-stop shop to all its customers.

Our Fleet in Action

Our scale enables us to facilitate service flexibility for our customers, optimised scheduling and maximised vessel utilisation

Our vessel sizes are optimally suited for Indian Coastline.

Our fleet capacity ranging 569 TEUs to 2,959 TEUs, further gives us an edge to reach out to locations that do not have larger ship handling capacities.

This allows us to maximise value from our coastal containerised movement.

Moreover, our fleet undergoes regular maintenance for achieving enhanced operational efficiencies.

During 2016-17, the Company acquired two container ships – SSL Delhi (2,500 TEUs) and SSL Kolkata (1,100 TEUs) as a part of its strategy to expand Indian-registered fleet and tap potential to move cargo on local routes. This will further allow the Company to increase connectivity through higher tonnage and service frequency for ports all along the Indian coastline.

During the year, the Company also sold its 25-year old vessel, SSL Trust, to rationalise its fleet age.

The average life of a vessel is 30 years. The two acquisitions and one sell-off during the year brought down the average fleet age to 19, hence enhancing the operational life by at least another 10 years.

Anchoring services across the Indian Coastal Line

Our services have been carefully crafted covering all the strategic locations on the Indian Coastline. We are the only Indian transshipment Company that connects Mundra to Kolkata

Our Presence on the ports

SSL has strong rapport with several International Main Line Operators (MLO-the customers of feeder services). MLO selects the feeder operator depending upon the operator's frequency of sailing, experience, integrity, consistency and suitable vessels size. Feeder services are needed from the facts such as:

- Only few terminals in India have facility for operating main line vessel
- High land transport cost
- To connect and bridge the gap between all the ports
- Lack of service from main line operators due to size, cost and volume limitations

Chairman and Managing Director's Message

It gives me an immense pleasure to present to you my thoughts for the 29th Annual Report of Shreyas Shipping and Logistics Ltd. Thank you for taking the time to read this report and for your enduring interest and investment in SSL. The year that went by, witnessed another year of sustained growth and strong results. I would like to take you through my industry perspectives and our performance.

Industry Perspective

It has been eight years since the global economy started recouping the huge changes and challenges brought around by the infamous financial market crash in 2008. The resultant issues have left many large economies in 'recovery' mode.

The global container shipping continued to face challenging times marked with low ocean freights. This was owing to a mismatch in demand and supply of vessels, coupled with higher fuel costs and

excess tonnage. Nevertheless, market conditions started to show some improvement in 2016. This was a result of lower-than-demand growth of the fleet - the first time since 2010. However, much capacity discipline is still needed to support and lift freight rates in 2017.

In India, the export-import (EXIM) trade volume, has been increasing at a higher rate than the GDP. This has driven growth in the container traffic, as shippers are increasingly digressing from general or bulk shipping to container transport. Now picture this, about 22% of general cargo is containerised in India as compared to China's (65%) and the developed nations (80%). A huge gap between containerised and general cargo is still clearly visible in India. Hence, India continues to be one of the bright spots in the global EXIM trade of containerised trade.

During 2016-17, India handled a record 647.43 MT of traffic across its 12 major ports (under Ministry of Shipping), registering

Our consolidated topline improved by 21.04 % over the previous year. We achieved total revenue of ₹ 727.07 crores as against ₹ 600.69 crores in the previous year

an annual growth rate of 6.79%, as against 4.32% last year. This improvement of performance was the result of many measures initiated by the Ministry of Shipping to improve the performance of the ports. These include: mechanisation of the terminals, improving the TAT (turn-around time), quick evacuation of cargo, expansion of infrastructure and skill development of employees. Going forward, the implementation of GST, will aid in the ease of cargo movement across India. Thus, providing significant cost efficiencies to various industries, supply chains and change the warehousing landscape.

SSL Perspective

Performance

Our consolidated topline improved by 21.04 % over the previous year. We achieved total revenue of ₹ 727.07 crores as against ₹ 600.69 crores in the previous year. Our EBITDA margins strengthened to 10.06% and PAT to 4.60%. The performance was driven by our focus on rationalisation of tonnage and services to achieve better asset utilisation and reduction in operating cost.

Partnership with SCI

We are highly optimistic about our partnership with SCI. We are confident that this joint venture will take Coastal Shipping to a greater height and achieve the vision of Government of India. We are now covering all the main ports on the Indian Coast. In addition to Indian Ports, we are now geared to move cargo right from Jebel Ali upto Yangon and vice versa.

Perfectly-timed acquisitions

During the year, we acquired two container ships – SSL Delhi (2,500 TEUs) and SSL Kolkata (1,100 TEUs) at a very reasonable price. The acquisitions did not impact our leveraging capacity and we continue to still maintain a healthy debt equity of 0.76. It has strengthened our Indian-registered fleet and increased our connectivity through higher tonnage and service frequency for ports all along the Indian coast.

Focus on Krishnapatnam

During the year, we strategically changed our ECC feeder service hub from Vizag to Krishnapatnam for a considerable cost advantage. Besides, the hub is also a major terminal of transshipment cargos for other shipping lines like Maersk, Hyundai and ZIM lines who have their port chains from Singapore. We expect an additional volume of around 4,500 TEUs per month on this sector for the feeder on the ECC service.

Future Perspective

Today, we are an established player in our own space and have created a strong foundation for our future growth. Our continued initiatives towards cost rationalisation and efficiency improvement will take us to the next level of growth. We are continuously strengthening our IT infrastructure for real-time dissemination of information to our customers. And last, but definitely not the least, we are constantly harnessing the skills of our crew and providing them the best work environment to operate in.

In the end, I would like to convey my sincere acknowledgements to our precious investors, stakeholders, partners, bankers, customers, suppliers and all the regulatory and statutory authorities, for their continued faith in our ability. We hope to get your support going ahead and together build an empowering enterprise.

Best Wishes,

S. Ramakrishnan

DIVIDEND

Your Company proposes a Dividend of 10% (Re. 1/-) for the year 2016-2017. The dividend will be paid to the Members whose name appear in the Register of Members as on 21st July, 2017. In respect of shares held in dematerialized form, it will be paid to members whose names are furnished by National Securities Depository Limited and Central Depository Services (India) Limited, as beneficial owners as on that date.

REVIEW OF OPERATIONS

The year 2016-2017 continued to be a challenging year with ocean freights under pressure supplemented with increase in fuel prices. However towards the close of the financial year, the overall scenario appeared encouraging with the rise in container index globally.

On certain sectors, the freight rates have witnessed northward movement coupled with increase in volumes. Your Company continued to concentrate at rationalizing tonnage and services to achieve better asset utilization and reduction in operating cost.

Your Company's focus has been on the development of coastal trade as well as feeder services on the East coast which has resulted positively and has facilitated development of Krishnapatnam container terminal as a transshipment hub for the Company as well as for other shipping lines where transshipment port changed from the erstwhile Singapore to Kirshnapatnam.

With a view to cater the enhanced trade on the east coast of India, and in view of the increased utilization of our asset, your Company

acquired two vessels namely SSL DELHI (2500 Teus), at USD 3.87 Million and SSL KOLKATA (1100 Teus) at USD 3.875 Million. Both the vessels are deployed by your Company on the Indian coast. Your Company also sold SSL Trust which was very high on operating costs and was due for special survey and dry docking. Resultantly your Company's current fleet stands at 10 vessels, with a total capacity 16109 Teus, 226099 DWT, being India's largest container tonnage owning company. The current container ship tonnages are right sized and priced to suit the coastal trade. In addition, your Company's services are well planned to provide complete coastal coverage and thus well suited for the trade.

During the year under review, 4 vessels namely SSL Gujarat, SSL Kochi, SSL Visakhapatnam and SSL Mumbai have undergone dry docking. These vessels were therefore not available in service for 108 days throughout the year. There was no special survey due for any vessel. For the year ended 31st March, 2017, your Company posted a Total Income of ₹ 370.16 crores with a Net Profit of ₹ 4 crores.

STATUTORY AUDITORS

ANNUAL REPORT ON CSR ACTIVITIES

Brief Outline on Company's CSR policy including overview of projects or programs proposed to be undertaken and a reference to the weblink to the CSR policy and projects or programs:

Corporate Social Responsibility Policy (hereinafter referred to as 'CSR Policy') shall help Shreyas Shipping and Logistics Limited (hereinafter referred to as 'Shreyas') to pave its path towards the betterment of certain sections of the society by using its resources in the best possible manner.

The CSR Policy of the Company shall specify that the surplus arising out of the CSR projects or programmes or activities shall not form part of the business profit of a company.

Purpose:

Shreyas realises its responsibility towards the society at large. Shreyas recognises that Corporates are economic organs of society and therefore believes in making a positive difference to the society by trying to build a better tomorrow.

Shreyas intends to address the lack of quality education and empowerment opportunities among lesser privileged children and youth through holistically designed programs under the CSR initiative.

Therefore Shreyas has adopted 'English Intervention Program' which is an in-school supplemental learning program for students all classes on the Spoken and Written English Skills. The aim of this program is to help students from low income schools in the vicinity through extensive exposure to reading, vocabulary building, listening and speaking.

Activities covered under 'English Intervention Program':-

1-Identification:

- Identification of the Private aided and Unaided schools in Chembur/Govandi.
- Student strength of the same, class-wise or category-Junior/Middle/Senior sections
- Identification of Grade (Any grade between 1st to 10th) in which program can be initiated.

2-Partnering :

- Partnering with identified low-income schools to provide better quality learning opportunities to students.
- Doing Sign off formalities with schools
- Upgrading school infrastructure
- Motivating students to learn better and thus reducing dropout rate

3-Execution :

- Execution of "Spoken & Written English program
- Conduction Pre assessment, Mid assessment and End assessment

4- Impact Report

- Sharing the impact report in proficiency of English

Composition of CSR Committee:

Total amount apportioned for CSR	₹ 64.12 Lakhs

Details of CSR spent during the financial year

- Total amount to be spent for the financial year : ₹ 64.12 Lakhs
- Amount Unspent : ₹ 52.62 Lakhs
- Manner in which the amount spent during the financial year is detailed below
- Reasons for not spending the full amount:

The total CSR amount required to be spent by Shreyas till date was ₹ 64.12 lakhs. Out of which Shreyas has spent ₹ 11 lacs for the year ended 31st March, 2017. Shreyas believes in adopting a structured approach towards its CSR initiatives and has made a modest beginning. The thrust has been on identifying the CSR area which Shreyas firmly believes shall make an impact to the Society. It however does not restrict itself from evaluating other areas which are deemed important for the Company. The amount required to be spent has been set aside by the Company and shall be utilised for CSR activities in future. ₹ 1lac was offered as Donation to Anandam Trust, Chennai.

The CSR Committee hereby confirms that the implementation and the monitoring of the CSR policy is in compliance with the CSR objectives and the Policy of the Company.

12 MAJOR PORTS IN INDIA	200 MINOR PORTS IN INDIA
95% INDIA'S TRADING BY VOLUME	70% INDIA'S TRADING BY VALUE DONE BY MARITIME TRANSPORT

(Source: IBEF)

It is estimated that India can save up to US\$28 bn in infrastructure investment and another **US\$3.30 bn** in transportation cost. This is possible if **50%** of overall trade (by volume) moves closer to the ports by 2020.

And its wholly-owned subsidiary, Shreyas Relay System Ltd (SRSL), provides the necessary logistics support.

ECONOMIC REVIEW

The year 2016 witnessed quite eventful events. Right from Brexit to the new government formation in the US and from slowdown in Chinese economy to demonetisation in India. According to the IMF report, the Global economy has been estimated to grow by 3.10% in 2016 and will continue to grow at a similar rate in 2017.

During the year, the crude oil prices witnessed an up streak of 26% and hovered around US\$ 45/barrel. Among the emerging economies, China continued to provide considerable stimulus to the global economy through its public investment in infrastructure and real estate. India on the other hand saw a healthy 7% growth- emerging as the fastest-growing economy amongst the G-20 countries. The Government's decision of demonetisation and introduction of G.S.T is further expected to strengthen the Indian economy.

The Indian ports and shipping industry plays a vital role in sustaining country's trade and commerce growth. It adds to and works as an additional mode of transport. India has 12 major ports and 200 minor and intermediate port. According to the Ministry of Shipping, around 95 % of India's trading by volume and 70% by value is done through maritime transport.

Last two years saw a host of policy and regulatory reforms. This resulted in capacity building and service delivery improvement. During 2016-17, the 12 major ports under the Ministry of Shipping, handled a record 647.43 mn tonnes of cargo. This helped register an annual growth rate of 6.79%, as against 4.32% last year. The

private ports registered a traffic growth rate of 4% during the year. Kandla handled the highest amount of cargo with 105.44 mn tonnes, followed by Paradip Port with 88.95 mn tonnes and Mumbai with 63.05 mn tonnes. The port-owned terminal, JNPCT, achieved highest-ever handling of 1.53 mn TEUs during the year, registering a growth rate of 7.33%. The major ports also recorded the highest-ever capacity addition of 100.37 mn tonnes during 2016-17, increasing the overall capacities from 965.36 mn tonnes per annum in 2015-16 to 1065 mn tonnes per annum in 2016-17.

In respect of port infrastructure development, 56 projects have been awarded with a capacity of 103.52 mn tonnes per annum. This was against a target of 102 mn tonnes per annum with an investment of 9,490.51 crores in 2016-17.

In terms of efficiency improvements, total turnaround time reduced to 3.44 days as against 3.64 days during the last fiscal. Likewise, an average output per ship berth day went up to 14,583 tonnes as against 13,748 tonnes during the last fiscal.

Major ports were also benchmarked to international standards. 116 initiatives were identified. Of these, 70 initiatives have been implemented so far and the remaining is expected to be implemented by 2019. This resulted in unlocking of an 80 mn tonnes per annum capacity.

Porter's Five Force Analysis for the Shipping Industry.

1. Threat of New Entrant: MODERATE

- The new players are entering with an increase in the world trade and ease of norms and barriers
- Favourable government policies
- Huge amount of capital investment for procurement of vessel and containers and operating the vessels seem difficult

- Many foreign players involved also have their arms extended in India

2. Threat of Substitutes: LOW

- Threat of substitutes is low. But the increase

in FDI is making local manufacturing popular, and therefore a threat to the shipping industry

3. Supplier Power: LOW

- A high number of suppliers let the price factor remain weak for

them

- From the supplier's perspective, the switching cost is very high

4. Buyer Power: HIGH

- Buyer is one of the strongest factor in shipping line business; buyers may be in form of importer and exporter, clearing agent, freight forwarder or manufacturer of goods

- A high competition leads to a high bargaining power for the buyers

- Buyer's information and awareness is also moderate to high

5. Competitor Rivalry: HIGH

- A good substantial number of competitors make the overall competition high
- Industrial growth and new opportunities attract new entrants

(Source: marinelink.com)

Government Initiatives

- The Government allows FDI up to 100% under automatic route for port development projects
- Tax abatement for 10 consecutive assessment years for infrastructure development, including ports and inland waterways
- Reduction in service tax incidence on coastal shipping from 10% to 30% of the service value
- Financial assistance like exemption of customs duty and central excise duty on inputs is used in ship building and repair
- Viability Gap Funding for PPP projects

Growth Triggers

- Major investments, by both public and private sectors, over the past five years on infrastructure, technology upgrades and expansion of sea and airport facilities and dedicated logistics corridor in the rail network, are expected to strengthen the Indian logistics infrastructure
- The booming e-commerce market in India is bringing in new opportunities for Logistics Service Providers (LSPs); the evolving business model(s) in this space focuses on containing logistics and delivery costs
- The expected implementation of nationwide uniform GST is likely to transform the distribution structure of majority of industries. This eliminates the need for dedicated warehouses for each individual administrative region

OUTLOOK

Maritime transport is the most convenient, extensive and eco-friendly mode of transport. India is gifted with the vast coastline of 7,500 Km, which gives a huge invest opportunity. The 'Make In India' initiative, along with number of projects like Sagarmala project, ports modernisation, inland waterways and coastal shipping development, can increase the sector's contribution to the Indian G.D.P. The Sagarmala project, centred on the modernisation of ports and development of infrastructure, plans to develop 12 coastal economic regions with an estimated investment of ₹12 lakhs crores. This would lead to the development of manufacturing hubs, supported by port modernisation projects. So far, projects worth ₹1 lakh crores (US\$ 15 bn) under the Sagarmala programme, are at various stages of implementation and development. The Major Ports Bill introduced by the government provides greater autonomy to port boards - making decision-making quick and transparent. Moreover, shipyards have also been granted the infrastructure status. This will enable shipbuilders to avail cheaper and long-term financing for Indian shipbuilding and repair.

The Government's maritime agenda promises to increase India's port capacity to 3,130 MT. It also promises an increased performance of existing ports. Non-major ports are expected to generate over 50% of this capacity. The Government has also signed several MoUs with countries such as Korea and Egypt for cooperation in development of ports, sharing of technology, manpower training and stimulating steady growth of maritime traffic. The Government has also declared to increase 111 Inland Waterways. Of these, 37 waterways (including 5 national waterways) are in progress. The Inland Waterways will further increase the cargo handling capacity from the current 7 mn tonnes to 22 mn tonnes by 2020.

LOGISTICS

Logistics is the backbone of any economy. According to The Associated Chambers of Commerce and Industry of India (ASSOCHAM), the logistics market in India is expected to grow to US\$ 307 bn by the year 2020. Government initiatives such as Make in India, Digital India and Skills India, coupled with infrastructure investments associated with ports, airports and logistics parks, e-commerce penetration and impending GST, will provide the much-needed push to the sector. Manufacturing products, fuel, minerals and agriculture products primarily drive the logistics segment.

Sea freight in India is a major contributor to the freight movement. This is because more than 70% of the international trade is through sea ports. The segment is expected to grow around 5%, largely driven by the demands from Asia, Europe and Africa. Major ports contributed 55% of the total sea freight. The capacities will expand as three additional ports are being planned in West Bengal, Maharashtra and Tamil Nadu.

RISK MANAGEMENT

At SSL, we have a comprehensive risk management structure with benchmarks and reporting framework. Our objective is to identify, evaluate and counter potential risks through an institutionalised approach. As such, we have divided our risk categories as external and internal and identified the key risks that may impact the regular operations of The Company.

EXTERNAL

Global Trade/Demand Prospects: The demand for shipping and containerisation largely depends on factors such as Global GDP growth, Global trade patterns. i.e. movement of goods from production to consumption centres and major political and economic developments across economies.

Bunker Cost: Bunker cost, also known as the oil prices, impacts the profitability of the business. Higher oil price turns into high operating cost which, if not accompanied by a proportionate rise in freight rates, will affect the margins of shipping companies.

Unfavourable Trade Regulations: Regulations exist at several different tiers, imposed by national, regional and local authorities. Regulations often differ from city to city, which may hinder the creation of national networks, thus impacting the shipping operations.

Poor Infrastructure: Improper facilities at the terminal, insufficient integration of transport networks, weak information technology (IT) support, warehousing and distribution facilities can prove to be another hindrance in smooth operations.

INTERNAL

Diversification: Diversification provides The Company an ability to mitigate risk arising from changes to demand and supply in each segment, region, industry or among its customer base. Diversification can be on three lines:

- **Segmental diversification:** Tankers, gas carriers, dry bulk, containers, offshore vessels, passenger services, can offset the volatility associated with certain segments such as crude oil tankers, mitigate structural shift in a particular sector and can provide a hedge against event risk
- **Geographical diversification:** It helps to mitigate revenue volatility from cyclical and structural changes in regional demand patterns. Further, it balances revenues across trade lanes and enables reallocation of vessels to maximise utilisation. It also reduces region or country specific regulatory changes and geopolitical risk, among others
- **Customer diversification:** Some shipping companies are highly exposed to a few customers (e.g oil-producing companies or global freight forwarders), while others have a more diversified spread of customers. As switching costs can be low for customers, fleet utilisation can be impacted in case of switch by large customers
- **Lack of Trained Manpower:** Lack of trained and motivated manpower, with their willingness to dedicatedly align with The Company's objective, proves to be a yet another challenge that The Company may face.

Fleet operations: Fleet operations are largely determined by the following factors:

- **Age of the ship:** New ships command a premium over older ships because of the advantages such as lower fuel consumption, high speed, high automation, low staffing and maintenance expenditure.
- **Hull and other structural aspects:** Hull and the other structural aspects are important distillates. Certain countries have imposed restrictions on the plying of single hulled tankers.

- **Vessel pedigree:** Pedigree of the vessel can arise from its flag state (state under whose laws the vessel is registered or licensed), classification of the vessel and oil major approvals (for tankers).
- **Fleet utilisation:** Efficient fleet utilisation is crucial to maintain The Company's profitability. It is largely dependent on route planning, cargo management, optimum ballasting (when the ship travels empty to pick up cargo) and timing of dry docking schedules.

HUMAN RESOURCES

The Company considers its human capital as an invaluable asset. The Company continued to have cordial relationships with all its employees. The Company ensures safeguarding, training, development and growth of its workforce. The total workforce of Your Company stood at 35 shore staff & 250 floating staff on 31st March, 2017.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's philosophy with regard to internal control systems and their adequacy has been the basis behind the formulation of effective systems. It is their strict implementation that ensures The Company's assets and interests are safeguarded; checks and balances are in place to determine the accuracy and reliability of accounting data.

The Internal Audit, an independent appraisal function to examine and evaluate the efficiency and effectiveness of the internal control system, appraises periodically about activities and audit findings to the Audit Committee, Statutory Auditors and the Top Management. Internal audit ensures that the systems are designed and implemented with adequate internal controls and that it commensurates with the size and operations; transactions are executed and assets are safeguarded and deployed in accordance with the policies, existence of adequacy of internal controls in all existing policies and procedures.

INDEPENDENT AUDITOR'S REPORT

To the members of Shreyas Shipping and Logistics Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Shreyas Shipping and Logistics Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

INDEPENDENT AUDITOR'S REPORT

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 32 to the financial statements.
 - ii. The company has derivative contracts but no long term contracts. There are no material foreseeable losses for which the company is required to make a provision under applicable law or accounting standards. Refer to Note 2(h) and 30 to the financial statements.
 - iii. There have been no delays in transferring amounts to the Investor Education and Protection Fund by the Company.
 - iv. Based on the information and explanations provided to us, the Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. However, as stated in note 41 to the standalone financial statements amounts aggregating to ₹ 22,500 as represented to us by the Management have been received from transactions which are not permitted.

INDEPENDENT AUDITOR'S REPORT

Annexure B

Referred to in paragraph 2(f) on 'Report on Other Legal and Regulatory Requirements' of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shreyas Shipping and Logistics Limited ("the Company") as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT

Annexure B

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Basis of Preparation & Use of Estimates

The Financial Statements have been prepared under the historical cost convention on accrual and going concern basis. The Financial Statement have been prepared in accordance with the generally accepted accounting principles in India, to comply with the Accounting Standards specified under section 133 of The Companies Act, 2013 and the relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities. The preparation of financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) as of the date of financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

a. Fixed Assets - Tangible & Intangible

Fixed Assets are stated at cost of acquisition less accumulated depreciation. Cost of acquisition is inclusive of freight, duties, levies and any directly attributable cost of bringing the assets to their working condition for intended use.

When assets are retired or otherwise disposed off, the cost of such assets and the related accumulated depreciation are removed from the accounts. Any profit or loss on retirement or other disposal is reflected in the statement of Profit and Loss.

b. Dry Dock/Special Survey expenses

Dry Dock/ Special Survey Expenses are normally incurred once in 2 to 3 years. With effect from April,15 this is capitalised as a separate component of ships as required by Note 4(a) & (b) of Schedule II of Companies Act, 2013.

Materials procured for dry dock and remaining unutilised, if any, are included in Capital work in Progress.

c. Depreciation

Tangible assets

Depreciation for the year has been provided on the basis of useful lives and residual value as prescribed in Schedule II; except in the case of certain assets stated below, where based on past experience and technical justification, the Company has adopted useful lives or residual values other than those prescribed in Schedule II.

Assets	Useful Life	Residual Value
Fleet	As prescribed in Schedule II	Based on steel scrap rates
Dry Dock/Special Survey Expense (Component of Fleet)	Next Due Date of Dry Dock which is normally 2 to 3 years	Nil
Computers	6 years	Nil
Mobile Handsets	3 years	As prescribed in Schedule II

Depreciation has been provided prospectively, where the cost of depreciable asset has undergone change due to following :

- Increase/decrease in Long term foreign currency liability on account of exchange fluctuations
- Additions and major improvements forming an integral part of an asset.

Assets individually costing ₹5000 or less are depreciated in full in the year of acquisition.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31st March 2017

d. Revenue Recognition

- i) All Income and expenditure are accounted for, on accrual basis other than interest on overdue bills.
- ii) Operating Earnings represent the value of charter hire and freight earnings. Freight income is recognised based on percentage of completion considering voyage days as the basis.
- iii) Income and Expenses relating to unfinished leg of the voyage as at the date of Balance Sheet are carried forward and included under Current Liabilities and Current Assets respectively. Expenses aggregated under unfinished leg of voyages include fixed and semi-fixed ship operating costs.
- iv) Stores and Spares (other than lube oils and victualling) are charged off to Statement of Profit and Loss, on receipt.
- v) The company accrues the income on account of Service Export from India Scheme based on net foreign exchange earned during the year.
- vi) Dividends are recognized in profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably
- vi) Interest on deposits of surplus funds is recognised on time proportion basis.

e. Investments

Long term Investments are stated at cost. Diminution in the value of investments, other than temporary in nature, is provided for. Current investments are valued at cost or fair value whichever is lower.

f. Inventories

Inventories are valued at lower of Cost or Net Realisable Value. The cost is determined under "First in First out" formula.

g. Foreign Exchange Transactions

- i) Transactions in foreign currencies are recorded at standard exchange rates prevailing on the date of relevant transactions. The realized exchange gains or losses are recognized in the statement of Profit and Loss.
- ii) The exchange difference arising on reporting of long term foreign currency monetary items (including those arising on settlement), in so far as they relate to acquisition of depreciable capital assets are adjusted to the cost of capital asset wef 1st Apr 2007, in terms of Ministry of Corporate Affairs Notification dated 31st Mar 2009 as per option provided in Para 46/46A of AS-11 for loans taken upto 31 Mar 2017.
- iii) Other Monetary Assets and Liabilities denominated in foreign currency are translated at the year end exchange rates. The resultant gain or loss on such translation is recognised in the statement of Profit and Loss
- iv) In respect of forward exchange contracts covering either Company's earnings or payments (other than firm commitments and highly probable forecast transactions), the premium or discount arising at the inception of the contract is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the statement of profit and loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense for the period. In case of a new built ship, in respect of forward exchange contract entered into to hedge the foreign currency risk of a firm commitment or highly probable forecast transaction (not covered by Accounting Standard 11 revised 2003), the company capitalises all the related costs including premium or discount, exchange difference and profit/loss on cancellation of such contracts, if any.

h. Derivatives

Derivatives are accounted based on the ICAI Guidance note on Accounting for derivative contracts which is effective for accounting periods beginning on or after 1 April, 2016

i. Employee Benefits

The Company has a defined Contribution plan for shore employees for provident fund and contributions made to the relevant authorities under this scheme are charged to the statement of Profit and Loss. Company has no other obligation except the monthly contributions.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31st March 2017

Company has defined benefit plans for shore employees namely gratuity, leave encashment and compensated absence, the liability for which is provided based on actuarial valuation determined under Projected Unit Credit method. Contributions under gratuity scheme are made to Life Insurance Corporation of India (LIC) in accordance with the terms of the policy taken under their Group Gratuity Scheme.

Actuarial gains / losses comprise experience adjustments and the effect of changes in actuarial assumptions are recognised immediately in statement of Profit and Loss as Income / Expense.

Any other termination benefits are recognised as expenses immediately on the basis of actual expenses.

In respect of Floating staff, Provident fund and Gratuity contributions are made to Seamen's Provident Fund and Seafarers Welfare Fund Society respectively. No Gratuity is payable in respect of officers on board who are on contract with the Company. Company has no further obligation except the monthly contributions.

j. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition / construction of the underlying qualifying fixed assets are capitalised as a part of the respective asset up to the date of acquisition / completion of construction.

Term loan processing charges are accounted over the tenure of loan.

k. Leases

Assets acquired on lease where a significant portion of the risk and rewards of the ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to revenue.

l. Taxation

The Company has opted for Tonnage Tax and current tax is the aggregate of Tonnage Tax for shipping income and income tax on non-shipping income, if any. In view of Company opting for Tonnage Tax, no provision is made for deferred tax in respect of shipping income.

m. Asset Impairment

The company reviews the carrying values of tangible and intangible assets for any possible impairment at each Balance Sheet date. Impairment loss, if any, is recognised in the year in which impairment takes place.

n. Provisions and Contingent liabilities

Provisions are recognised when there is a present obligation as a result of past events where it is probable that there will be outflow of resource required to settle the obligation and when a reliable estimate of the amount of the obligation can be made. When any such present obligation can not be measured or where a realistic estimate of the obligation can not be made, contingent liabilities are recognised.

Contingent liabilities are also recognised when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more future events not wholly within the control of the company.

INDEPENDENT AUDITOR'S REPORT

To the members of Shreyas Shipping and Logistics Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Shreyas Shipping and Logistics Limited (hereinafter referred to as the "Holding Company") and its subsidiaries / associates (the Holding Company and its subsidiaries / associates together referred to as the "Group"), comprising of the Consolidated Balance Sheet as at 31st March 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as the "Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

One of the subsidiaries of the associate (in which the group has 29.22% stake) had a different accounting policy in case of valuation of containers and accounting for its depreciation up to 31st March 2016 and brought its accounting policy in line with the parent company's policy prospectively with effect from 1st April 2016. The Management is of the view that it is not practicable to adopt uniform accounting policy retrospectively resulting in no adjustment being made to fixed assets, accumulated depreciation and opening retained earnings in respect of revaluation carried out earlier amounting to ₹ 9,74,99,936.

Our opinion is not modified in respect of this matter

Other Matters

- (a) We did not audit the consolidated financial statements of Balaji Shipping Lines FZCO, Dubai, whose financial statements reflect total assets of ₹2,94,14,52,352 as at 31st March, 2017, total revenues of ₹6,16,72,053 and net cash flows amounting to ₹Nil for the period 27th to 31st March 2017. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in

INDEPENDENT AUDITOR'S REPORT

respect of this subsidiary, is based solely on the report of the other auditor.

- (b) We did not audit the financial statements of SRS Freight Management whose financial statements reflect total revenues of ₹6,72,47,238 and net cash inflows amounting to ₹21,55,870 for the period 1st April 2016 to 28th October 2016 as considered in the consolidated financial statements since the subsidiary has been sold on 28th October 2016. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.
- (c) Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor of its subsidiary / associate companies, none of the directors of the Group companies, is disqualified as on 31st March 2017 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Group excluding companies incorporated outside India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 35 [Contingent Liabilities] to the financial statements
 - ii. The Holding Company has derivative contracts but no long term contracts. There are no material foreseeable losses for which the Holding Company is required to make a provision under applicable law or accounting standards. Refer to Note 2(h) and 33 to the financial statements in respect of such items as it relates to the Group.
 - iii. There have been no delays in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.
 - iv. Based on the information and explanations provided to us, the group has provided the requisite disclosures in its financial statements as to the holdings as well as dealings in Specified Bank Notes during the period from 8th November 2016 to 30th December 2016 and these are in accordance with the books of accounts maintained by the group Companies in India. However, as stated in notes 40 to the financial statements amounts aggregating to ₹22,500 as represented to us by the Management have been received from transactions which are not permitted.

INDEPENDENT AUDITOR'S REPORT

Annexure A

Referred to in paragraph 1(f) on 'Report on Other Legal and Regulatory Requirements' of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shreyas Shipping and Logistics Limited hereinafter (referred to as the "Holding Company") and its subsidiary / associate companies (the Holding Company and its subsidiaries / associates together referred to as the "Group"), as of 31st March 2017 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary / associate companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT

Annexure A

Opinion

In our opinion, the Holding Company and its subsidiary / associate companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31st March 2017

(1) CORPORATE INFORMATION

Shreyas Shipping and Logistics Limited (SSLL) is India's first container feeder owning and operating company. SSLL started its operations in 1993 primarily to fill the gap for feeding of containers between Indian ports and internationally renowned Asian transshipment ports. SSLL's shares are listed on both Bombay Stock Exchange and National Stock Exchange. At present, it is a leading player in coastal shipping sector.

Shreyas Relay Systems Limited (SRSL) was wholly owned subsidiary of SSLL upto 26th March, 2017. SRSL specialises in offering seamless, end-to-end, multi-model transportation solutions incorporating the Road-Rail-Sea-Air routes. During the year it has become an Associate Company.

SRS Freight Management Limited (SRSFML), formerly known as Haytrans (India) Limited, was a subsidiary of SRSL Upto 28th October, 2016, is into business of Air & Sea Freight Forwarding and operates under its own CHA (Custom House Agent) license. During the year it has been sold.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation & Use of Estimates

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities

The Financial Statements have been prepared under the historical cost convention on accrual and going concern basis. The Financial Statement have been prepared in accordance with the generally accepted accounting principles in India, to comply with the Accounting Standards specified under section 133 of The Companies Act, 2013 and the relevant provisions of the Companies Act, 2013.

The preparation of financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) as of the date of financial statements and the reported income and expenses during the reporting period. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

a. Fixed Assets - Tangible & Intangible

Fixed Assets are stated at cost of acquisition less accumulated depreciation. Cost of acquisition is inclusive of freight, duties, levies and any directly attributable cost of bringing the assets to their working condition for intended use.

When assets are retired or otherwise disposed off, the cost of such assets and the related accumulated depreciation are removed from the accounts. Any profit or loss on retirement or other disposal is reflected in the statement of Profit and Loss.

b. Dry Dock/Special Survey expenses

Dry Dock/ Special Survey Expenses are normally incurred once in 2 or 3 years. With effect from April, 15 this is capitalised as a separate component of ships as required by Note 4(a) & (b) of Schedule II of Companies Act, 2013.

Material procured for dry dock and remaining unutilised, if any, are included in Capital work in Progress.

c. Depreciation

Tangible assets

Depreciation for the year has been provided on the basis of useful lives and residual value as prescribed in Schedule II; except in the case of certain assets stated below, where based on past experience and technical justification, the Company has adopted useful lives or residual values other than those prescribed in Schedule II.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31st March 2017

Assets	Useful Life	Residual Value
Fleet	As prescribed in Schedule II	Based on steel scrap rates
Dry Dock/Special Survey Expense (Component of Fleets)	Next Due Date of Dry Dock which is normally 2 to 3 years	Nil
Computers	6 years	Nil
Mobile Handsets	3 years	As prescribed in Schedule II
Trailers	10 years	As prescribed in Schedule II
Containers	As prescribed in Schedule II	Based on steel scrap rates

Depreciation on leasehold improvements is provided on the basis that the leases would be renewed consistent with past practice.

Depreciation has been provided prospectively, where the cost of depreciable asset has undergone change due to following :

- Increase/decrease in Long term foreign currency liability on account of exchange fluctuations
- Additions and major improvements forming an integral part of an asset

Assets individually costing ₹ 5000 or less are depreciated in full in the year of acquisition.

d. Revenue Recognition

- All Income and expenditure are accounted for, on accrual basis other than interest on overdue bills.
- Operating Earnings represent the value of charter hire and freight earnings. Freight income is recognised based on percentage of completion considering voyage days as the basis.

Operating Income represents Domestic Service income, (which comprise freight income from coastal shipping and other modes of inland transportation), Trailer Trip Income, Liner Service Income and Rail Income.
- Income and Expenses relating to unfinished leg of the voyage as at the date of Balance Sheet are carried forward and included under Current Liabilities and Current Assets respectively. Expenses aggregated under unfinished leg of voyages include fixed and semi-fixed ship operating costs.
- Stores and Spares (other than lube oils and victualling) are charged off to statement of Profit and Loss, on receipt.
- The revenue in respect of the duty free import licenses, under Served From India Scheme, is recognized as income in the books of account when and to the extent there is no significant uncertainty as to their ultimate realization. The company accrues income @5% of net forex on account of Service Export from India Scheme
- Interest on deposits of surplus funds in recognised on time proportion basis.
- Dividends are recognized in profit and loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably

e. Investments

Long term Investments are stated at cost. Diminution in the value of investments, other than temporary in nature, is provided for.

Current investments are valued at cost or fair value whichever is lower.

f. Inventories

Inventories are valued at lower of Cost or Net Realisable Value. The cost is determined under "First in First out" formula.

g. Foreign Exchange Transactions

- Transactions in foreign currencies are recorded at standard exchange rates prevailing on the date of relevant transactions. The realized exchange gains or losses are recognized in the statement of Profit and Loss.
- The exchange difference arising on reporting of long term foreign currency monetary items (including those arising on settlement), in so far as they relate to acquisition of depreciable capital assets are adjusted to the cost of capital asset

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31st March 2017

wef 1st Apr 2007, in terms of Ministry of Corporate Affairs Notification dated 31st Mar 2009 as per option provided in Para 46/46A of AS-11 for loans taken upto 31 Mar 2017.

- iii) Other Monetary Assets and Liabilities denominated in foreign currency are translated at the year end exchange rates. The resultant gain or loss on such translation is recognised in the statement of Profit and Loss
- vi) In respect of forward exchange contracts covering either Company's earnings or payments (other than firm commitments and highly probable forecast transactions), the premium or discount arising at the inception of the contract is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the statement of profit and loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised as income or as expense for the period. In case of a new built ship, in respect of forward exchange contract entered into to hedge the foreign currency risk of a firm commitment or highly probable forecast transaction (not covered by Accounting Standard 11 revised 2003), the company capitalises all the related costs including premium or discount, exchange difference and profit/loss on cancellation of such contracts, if any.

h. Derivatives

Derivatives are accounted as follows based on the ICAI Guidance note on Accounting for derivative contracts which is effective for accounting periods beginning on or after 1st April, 2016:

- a) Fair value hedges are marked to market and the notional Loss or Gain is accounted in the statement of Profit and Loss.
- b) Cash flow hedges are marked to market and the notional loss or gain is taken to Hedging reserve account.
- c) Other derivatives are marked to market and the notional losses or gains are booked in the statement of Profit and Loss.
- d) Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting.

i. Employee Benefits

The Group has a defined Contribution plan for shore employees for provident fund and contributions made to the relevant authorities under this scheme are charged to the statement of Profit and Loss. The Group has no other obligation except the monthly contributions.

The Group has defined benefit plans for shore employees namely gratuity and leave encashment and compensated absence, the liability for which is provided based on actuarial valuation determined under Projected Unit Credit method. Contributions under gratuity scheme are made to Life Insurance Corporation of India (LIC) in accordance with the terms of the policy taken under their Group Gratuity Scheme.

Actuarial gains / losses comprise experience adjustments and the effect of changes in actuarial assumptions are recognised immediately in statement of Profit and Loss as Income / Expense.

Any other termination benefits are recognised as expenses immediately on the basis of actual expenses.

In respect of Floating staff, Provident fund and Gratuity contributions are made to Seamens Provident Fund and Seafarers Welfare Fund Society respectively. No Gratuity is payable in respect of officers on board who are on contract with the Company. Company has no further obligation except the monthly contributions.

j. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition / construction of the underlying qualifying fixed assets are capitalised as a part of the respective asset up to the date of acquisition / completion of construction.

Term loan processing charges are accounted over the tenure of loan.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 31st March 2017

k. Leases

Assets acquired on lease where a significant portion of the risk and rewards of the ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to revenue.

Leases where the risks and rewards of ownership are substantially transferred to the company are classified as Finance Lease.

l. Taxation

The Holding Company has opted for Tonnage Tax and current tax is the aggregate of Tonnage Tax for shipping income and income tax on non-shipping income. In view of Company opting for Tonnage Tax, no provision is made for deferred tax.

m. Asset Impairment

The Group reviews the carrying values of tangible and intangible assets for any possible impairment at each Balance Sheet date. Impairment loss, if any, is recognised in the year in which impairment takes place.

n. Provisions and Contingent liabilities

Provisions are recognised when there is a present obligation as a result of past events where it is probable that there will be outflow of resource to settle the obligation and when a reliable estimate of the amount of the obligation can be made. When any such present obligation can not be measured or where a realistic estimate of the obligation can not be made, contingent liabilities are recognised.

Contingent liabilities are also recognised when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more future events not wholly within the control of the Group.

o. Investment in Associates

Investments in Associate Companies have been accounted for under the equity method as per Accounting Standard 23 'Accounting for Investments in Associates in Consolidated Financial Statements' as prescribed under section 133 of the Companies Act, 2013. The share of profits/loss of each of the associate companies (the loss being restricted to the cost of investment) has been added to/deducted from the cost of investments.

CSR Activities

Action Path: Students internalise sentence structures and vocabulary through a series of imperative statements and actions

Action Path: Teacher does a series of action, and students repeat after the teacher and learn through mirroring and priming

Listening Skills sessions

Meditation To Improve Concentration

Mother Tongue Approach To Language Learning

Music Path: This module uses the familiarity and enjoyment that a child has when listening to music as a foundation to develop language skills.

Story Path: The module aids reading comprehension by replicating the mother tongue learning process a derivative rather than an instructive curriculum. It achieves this using vividly illustrated stories as print and audio books.
