Your Company proposes to transfer standalone profit of Rs. 32.05 lakhs and consolidated profit of Rs.765.73 lakhs to the General Reserve.

6. CORPORATE GOVERNANCE

a) Corporate Governance Philosophy

Your Company has always believed that good corporate governance is more a way of doing business than a mere legal compulsion. It enhances the trust and confidence of all the stakeholders. Good practice in corporate behavior helps to enhance and maintain public trust in companies and the stock market. It is the application of best management practices, compliances of law in true letter and spirit, and adherence to ethical standards for effective management and discharge of social responsibilities for sustainable development of all stakeholders. In this pursuit, your Company's philosophy on Corporate Governance is led by a strong emphasis on transparency, fairness, independence, accountability, and integrity. The Board plays a central role in upholding and guiding this governance framework.

b) Board Diversity

Your Company recognizes the importance of a diverse Board in its success. We believe that a truly diverse Board will leverage differences in perspective, knowledge, skill, regional and industry experience, cultural and geographical backgrounds, age, ethnicity, race, and gender, which will help us retain our competitive advantage. The Policy on Board Diversity adopted by the Board sets out its approach to diversity, which is available on our website at www.tatia.co.in. Additional details on Board diversity is available in the Report on Corporate Governance that forms part of this Annual Report.

c) Board Composition and Key Managerial Personnel (KMP)

The composition of the Board of Directors of your Company is in compliance with Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "SEBI Listing Regulations") and Section 149 of the Companies Act, 2013 (the "Act").

As on the date of this report, the Board of Directors comprises of four Directors, further classified into one Executive Director and three Non-Executive Directors out of which two are Independent Directors. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Tatia Global Vennture Limited was originally incorporated under the name and style as Tatia Intimate Exports Ltd in the year 1994-95. The Company's primary business objectives are in the textile segment as well as in the infrastructure related projects and ventures. The Company's business is positioned both in organic and inorganic growth models. While the primary business objective of the Company has been heavily relied upon, the Company wants to strengthen its base through various projects and ventures, and a major diversification the Company has successfully acquired and holds a tranche of land banks through its wholly owned subsidiaries.

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

We are navigating a dynamic era marked by both remarkable advancements and significant challenges. The rapid growth in Artificial Intelligence (AI) offers vast opportunities for businesses, though it also raises concerns about employment. We are committed to aligning AI developments with human needs.

The Indian economy has continued to demonstrate resilience despite global and regional geopolitical uncertainties. Strong domestic consumption (contributing nearly 70% of GDP), coupled with government spending, investments, and exports, has helped India retain its position among the world's top economies. This macroeconomic stability has provided a favorable environment for business growth.

We are born at that era where we have ample resources to use and make maximum benefit for the mankind as a whole.

2. OPPORTUNITIES, THREATS, RISKS, CONCERNS AND OUTLOOK

The Company's business, results of operations and financial condition are affected by several risks, so the risk management function is of paramount importance and integral to the functioning of the Company. The objective of the risk management strategy includes ensuring that critical risks are identified, monitored and managed effectively to protect the Company's business.

There exist abundant opportunities for growth. However, slowdown in market activity and cut-throat competition coupled with changes in the policies of the government are areas of concern. However, with the experience and expertise of the Management, the Company would withstand competition and convert threats into opportunities.

3. SEGMENT WISE/PRODUCT WISE PERFORMANCE

The Company currently has only one segment in line with the Accounting Standard on Segment Reporting (AS-17). Segment information has been prepared in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company.

4. INTERNAL CONTROL SYSTEM AND ADEQUACY

The Company has an adequate system of internal control in place. This ensures that assets are safeguarded, and all transactions are authorized, recorded and correctly reported. The internal audit function is empowered to examine the adequacy, relevance and effective control system and compliance with policies, plans and statutory requirements. The top Management and the Audit Committee of the Board review the findings and recommend improvements to the Board.

5. FINANCIAL PERFORMANCE

Since the global pandemic situation has ceased to slow down, we are confident and look forward to the fact that in the financial year 2025-26, we will be able to again see a healthy revival and growth in the turnover. Further, the Company has planned to diversify itself into the field of commodity-trading and expand the business into various types of goods as per the Altered Object Clause of the MOA. The financial performance of the Company has been given in detail separately in the Board's Report.

6. MATERIAL DEVELOPMENTS IN HUMAN RESOURCE

The Company has continuously adopted structures that help attract best external talent and promote internal talent to higher roles and responsibilities your Company attaches significant importance to continuous upgradation of human resource to achieve a higher level of efficiency for customer satisfaction and growth.

7. CAUTIONARY STATEMENT

This Report, along with the Report on Management Discussion and Analysis and additional shareholder information provides details of the implementation of the Corporate Governance Code made by your Company.

Your Company consistently complies with the mandatory requirements of the Corporate Governance Code.

1. CORPORATE GOVERNANCE PHILOSOPHY

Your Company has always believed that good corporate governance is more a way of doing business than a mere legal compulsion. It enhances the trust and confidence of all the stakeholders. Good practice in corporate behavior helps to enhance and maintain public trust in companies and the stock market. It is the application of best management practices, compliances of law in true letter and spirit, and adherence to ethical standards for effective management and discharge of social responsibilities for sustainable development of all stakeholders.

In this pursuit, your Company’s philosophy on Corporate Governance is led by a strong emphasis on transparency, fairness, independence, accountability, and integrity. The Board of Directors is at the center of the governance system of your Company and has complied with the requirements of Corporate Governance as laid down under Chapter IV of the SEBI Listing Regulations as mentioned in the Report.

2. BOARD OF DIRECTORS

The Board is entrusted with the ultimate responsibility of the management, directions and performance of the Company. As its primary role is fiduciary in nature, the Board provides leadership, strategic guidance, objective and independent view to the Company’s Management while discharging its responsibilities, thus ensuring that the Management adheres to ethics, transparency and disclosures.

a) Composition of Board of Directors

The composition of the Board of Directors of your Company is in conformity with Regulation 17 of the SEBI Listing Regulations and Section 149 of the Act. The Board is broad-based and consists of eminent individuals from industrial, managerial, financial and marketing backgrounds with considerable expertise and experience to guide the Management in the operations of the Company.

As on the date of report, the Board comprises of one Executive Director and three Non-Executive Directors out of which two are Independent Directors out of which one is an Independent Woman Director. The Chairman of the Board is a Promoter-Executive Director. To be in line with the Company's philosophy on Corporate Governance, all statutory subjects are placed before the Board to discharge its responsibilities as trustees of the shareholders.

11. OTHER DISCLOSURES

a) Materially Significant Related Party Transactions

There were no materially significant related party transactions made by the Company that may have potential conflict with the interests of the Company at large.

Attention of the Members is drawn to the disclosures of transactions with related parties set out in Note No. 25 of the Standalone Financial Statements forming part of the Annual Report.

b) Vigil Mechanism / Whistle Blower Policy

The Company has adopted the Vigil Mechanism / Whistle Blower Policy that covers our Directors and Employees. The Company promotes ethical behavior in all its business

activities and has put in place a mechanism for reporting illegal or unethical behavior. The employees are free to report violations of applicable laws and regulations and the Code of Conduct. The mechanism provides for adequate safeguards against victimization of Directors and Employees and provides for direct access to the Chairman of the Audit Committee. This neither releases employees from their duty of confidentiality in the course of their work nor can it be used as a route for raising malicious or unfounded allegations about a personal situation.

The Company has a dedicated Whistle Blower Policy, available at the Company's website – www.tatia.co.in and it is affirmed that no personnel has been denied access to the Audit Committee.

c) Details of cyber security incidents or breaches or loss of data

k) SEBI Complaints Redress System (SCORES)

The investor complaints are processed in a centralized web-based complaints redressal system established by SEBI. The salient features of this system are the availability of a centralized database of all complaints and online uploading of Action Taken Reports (ATRs) by concerned companies.

Through SCORES, an investor can track the status of their complaints and the action taken by the Company in response. In its efforts to improve ease of doing business, the SEBI has launched a mobile app “SEBI SCORES”, making it easier for investors to lodge their grievances with SEBI, as they can now access SCORES conveniently via their smartphones.

The upgraded version of SEBI Complaint Redressal System (Scores) is <https://scores.sebi.gov.in> to register or/and lodge new complaint from April 01, 2024.

l) Prohibition of Insider Trading

In accordance with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, and the SEBI Listing Regulations, the Company has established a Code of Conduct for Prohibition of Insider Trading for the securities of the Company.

The objective of this Code is to prevent misuse of any unpublished price sensitive information (UPSI) and prohibit any insider trading activity, to protect the interest of the shareholders at large.

During the year under review, the Company adhered to the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015. No violations of the Code or instances of insider trading were observed.

Also, your Company has established a robust mechanism to deal with sharing of unpublished price sensitive information to prevent any misuse of such UPSI by any person. The Company has installed well-defined software where any information related to UPSI has been recorded in real time, also known as Structured Digital Database (SDD).

INDEPENDENT AUDITOR'S REPORT

To the Members of TATIA GLOBAL VENNTURE LIMITED

Opinion

We have audited the accompanying standalone financial statements of **Tatia Global Vennture Limited, Chennai**, which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2025; and its Profit, Total Comprehensive Loss, the changes in Equity, and Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sl. No	Key Audit Matter	Auditors' Response
1	Ind-AS 109 (Financial Instruments) requires the Company to recognise interest income by applying the effective interest rate (EIR) method. While estimating future cash receipts for the purpose of determining the EIR, factors	We have evaluated the management's process in estimation of future cash receipts for the purpose of determination of EIR including identification of factors like expected behaviour, life cycle of the financial asset and probable fluctuation in collateral value. We tested the accuracy of key data inputs and calculations used in this regard.

Sl. No	Key Audit Matter	Auditors' Response

2	Completeness in identification, accounting and disclosure of related party transactions in accordance with the applicable laws and financial reporting framework	We have assessed the systems and processes laid down by the company to appropriately identify, account and disclose all material related party transactions in accordance with applicable laws and financial reporting framework. We have designed and performed audit procedures in accordance with the guidelines laid down by ICAI in the Standard on Auditing (SA 550) to identify, assess and respond to the risks of material misstatement arising from the entity's failure to appropriately account for or disclose material related party transactions which includes obtaining necessary approvals at appropriate stages of such transactions as mandated by applicable laws and regulations.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's report, Management discussion and analysis and Report on corporate governance, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally

accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) A. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those;

- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- e) On the basis of written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g) With respect to the matter to be included in the Auditor’s Report under Section 197(16) of the Act, as amended, In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law and accounting standards, for material foreseeable losses, if any, on long-term contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the investor’s education and protection fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the

Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year, hence compliance with provision of section 123 is not applicable for the year.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility. However, we noted that during migration of the accounting system to a new server, the audit trail facility was inadvertently disabled for a limited period. Accordingly, the requirement that the audit trail be operated throughout the year was not complied with. Further, due to such temporary disablement, the audit trail records for that period could not be preserved. Management has, however, represented that adequate alternate controls were exercised during migration and corrective measures have been implemented to prevent recurrence.

**“ANNEXURE B” to the Independent Auditor’s Report of even date on the Standalone
Financial Statements of Tatia Global Vennture Limited**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s **Tatia Global Vennture Limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and jointly controlled companies, which are companies incorporated in India, as of that date.

MATERIAL ACCOUNTING POLICIES AND NOTES FORMING PART OF THE ACCOUNTS AS AT MARCH 31, 2025

CORPORATE INFORMATION

M/s. Tatia Global Vennture Limited, “TGVL” was originally incorporated in India under the name and style as Tatia Intimate Exports Limited in the year 1994-1995. The Company’s primary business objectives are in the textile segment as well as in the infrastructure related project and ventures. The Company is listed at Bombay Stock Exchange Limited (BSE).

MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION OF FINANCIAL STATEMENTS

1. The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) (as notified under the Companies (Indian Accounting Standards) Rules, 2015) prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.
2. Use of Estimates: The preparation of the financial statements in conformity with IND-AS requiring to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year.

CURRENT AND NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the Balance sheet based on Current/Non- Current classification considering an operating cycle of 12 months being the time elapsed between deployment of resources and the realization / settlement in cash and cash equivalents there against.

REVENUE RECOGNITION

1. Interest Income are recognized on the date which they have become due or upon receipt whichever is earlier. The Interest income is recognized on gross basis.
2. In respect of other incomes, accrual system of accounting is followed.

PROPERTY, PLANT AND EQUIPMENT, DEPRECIATION & IMPAIRMENT

1. Property plant and equipment is stated at cost (net of tax/ duty credits availed) excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment in value. Cost includes professional fees/ charges related to acquisition of property plant and equipment. Changes in the expected useful life are accounted for by changing the amortisation period or methodology, as appropriate, and treated as changes in accounting estimates.
2. Subsequent expenditure incurred, is capitalised only if it results in economic useful life beyond the original estimate.
3. Depreciation is provided on Property, Plant and Equipment on written down value method as per the rates specified in part C of schedule II of Companies Act, 2013.

VALUATION OF CLOSING STOCK

The Company does not hold any inventories at the year end. Hence, the valuation is dispensed with.

FINANCIAL INSTRUMENTS – INITIAL RECOGNITION

Date of recognition

Financial assets and liabilities, with the exception of loans, debt securities, and borrowings are initially recognised on the trade date, i.e., the date that the Company becomes a party to the contractual provisions of the instrument. Loans are recognised when fund transfers are initiated to the customer's account or cheques for disbursement have been prepared by the Company (as per the terms of the agreement with the borrowers) or when the Company assumes unconditional obligations to release the disbursement amount to third party on the direction of the borrower, whichever is earlier. The Company recognises debt securities and borrowings when funds reach the Company.

Initial measurement of financial instruments

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL (Fair value through profit and loss).

Transaction costs/fees which are directly attributable to acquisition of financial assets or financial liabilities are recognised immediately in statement of profit and loss in case of instruments measured at FVTPL and or, are added to, or subtracted from, this amount for other categories.

Measurement categories of financial assets and liabilities

The Company classifies all of its financial assets and financial liabilities based on the business model for managing the assets and the asset's contractual terms, measured at either:

- Amortised cost
- FVTPL
- FVTOCI

Equity instruments

Investment in Subsidiaries are carried at Cost in the Separate Financial Statements as permitted under Ind AS 27. The Company subsequently measures all equity investments other than investment in subsidiaries and associates, at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 "Financial Instruments: Presentation" and are not held for trading. Such classification is determined on an instrument-by-instrument basis. Gains and losses on these equity instruments are never recycled to profit or loss. Dividends are recognised in profit or loss as dividend income when the right of the payment has been established, except when the Company benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI (Other Comprehensive Income). Equity instruments at FVOCI are not subject to an impairment assessment.

FAIR VALUATION OF INVESTMENTS				
			Rs.in Lakhs	
Script Name	Qty	Particulars	F.Y. 2024-25	F.Y. 2023-24
M/s. Kreon Financial Services Limited	19,50,000	Opening carrying value of Investment	753.48	702.00
		Market Value at year end	427.83	753.48
		Profit / (Loss)	(-)325.65	51.48

Reclassification of financial assets and liabilities

The Company does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. Financial liabilities are never reclassified.

RETIREMENT BENEFITS

Contribution of Provident fund, Gratuity and Leave encashment benefits wherever applicable is being accounted on actual liability basis. However, there are no employees in the eligible category to avail such benefits.

FOREIGN CURRENCY TRANSACTIONS

The Company's financial statements are presented in Indian Rupees in lakhs (INR in lakhs) which is also the Company's functional currency.

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Foreign currency denominated monetary assets and liabilities are translated at the functional currency spot rates of exchange at the reporting date and exchange gains and losses arising on settlement and restatement are recognized in the statement of profit and loss.

There are no reportable Foreign Currency transactions during the year.

TAX ON INCOME

Current Tax

Current tax comprises amount of tax payable in respect to the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to tax payable or receivable in respect of prior years. Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where the Company operates and generates taxable income. Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts and is intended to realise the asset and settle the liability on a net basis or simultaneously. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised

to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority and intends to settle on net basis.

EARNINGS PER SHARE (EPS)

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered for earnings per share is the net profit for the period after deducting preference dividend, if any, and attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

PROVISIONS AND OTHER CONTINGENT LIABILITIES AND CAPITAL CONTRACTS

When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed. Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgment is required to conclude on these estimates.

IMPAIRMENT OF NON-FINANCIAL ASSETS

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment losses of continuing operations are recognised in the statement of profit and loss. For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

SEGMENT INFORMATION

An operating segment is a component of the Company that engages in the business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by Company's executive vice president and Chief Financial officer ("Chief operating decision maker"). The Company is engaged primarily in one segment, accordingly segment reporting is not applicable.

CASH AND CASH EQUIVALENTS (FOR PURPOSES OF CASH FLOW STATEMENT)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances, (with original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

LEASES

The Company's lease assets consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from the use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-to-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The right-to-use asset is initially recognised at cost which comprises of the initial amount of lease liability adjusted for lease payments made or prior to commencement date plus any direct cost i.e. lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment loss if any. The Company applies the short-term lease recognition exemption to its short-term leases of Buildings (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognised as expense on a straight-line basis over the lease term

CAPITAL MANAGEMENT

For the purpose of the Company's Capital management, capital includes equity capital and all other reserves. The Company's capital management objective is to maximize the total shareholder return by optimizing cost of capital through flexible capital structure that supports growth. The Company manages its capital structure and makes adjustment in the light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings less cash and short-term deposits.

FINANCIAL RISK MANAGEMENT

In course of its business, the Company is exposed to certain financial risks that could have significant influence on the Company's business and operational / financial performance. These include market risk including interest rate risk and equity price risk), credit risk and liquidity risk. The Board of Directors reviews and approves risk management framework and policies for managing these risks and monitors suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings. In line with the overall risk management framework and policies, the treasury function provides services to the business, monitors and manages through an analysis of the exposures by degree and magnitude of risks. Borrowings, trade payables and other financial liabilities constitute the Company's primary financial liabilities and investment in unquoted equity shares, trade receivables, loans, cash and cash equivalents and other financial assets are the financial assets.

OTHER FINANCIAL ASSETS

Credit risk refers to the risk of default on the other financial assets to the Company that may result in financial loss. The maximum exposure from other financial assets amounting to Rs.260.89 lakhs as of March 31, 2025 (Rs. 536.54 lakhs as of March 31, 2024).

Other financial assets mainly constitute receivable from Corporate Borrowers. Credit risk is being managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to allow credit terms in the normal course of business. In the case of the Company, the credit period offered varies between 30 to 60 days and there have been no significant cases of impairment historically.

CASH AND CASH EQUIVALENTS AND DEPOSITS WITH BANKS

The credit risk on cash and bank balances is limited because the counterparties are banks with high credit ratings. Therefore, the risk of default is considered to be insignificant.

Level 3: Inputs based on unobservable market data.

PROVISION FOR EXPECTED CREDIT LOSSES**FINANCIAL ASSETS FOR WHICH LOSS ALLOWANCE IS MEASURED USING LIFE TIME****EXPECTED CREDIT LOSSES**

The Company's main customer base is Corporate Borrowers. Historically the risk of default has been negligible or nil. Further, management believes that the unimpaired amounts that are past due by more than 60 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk. Hence, no impairment loss has been recognized during the reporting periods in respect of trade receivables.

LIQUIDITY RISK

The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk through cash credit limits and undrawn borrowing facilities by continuously monitoring forecast and actual cash flows. The Company invests its surplus funds in bank fixed deposit which carry minimal mark to market risks.

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk for the entity comprises two types of risk: currency risk, interest rate risk and equity price risk. Financial instruments affected by market risk include borrowings and investment in unquoted equity shares. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

CURRENCY RISK

The Company is not exposed to any currency risk since it does not has any transactions in any foreign currency.

SENSITIVITY ANALYSIS

Since the company is not exposed to any currency risk, sensitivity analysis is not applicable.

INTEREST RATE RISK

The Company is not exposed to any interest rate risk.

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows.

Rs. In lakhs

Particulars	March 31, 2025	March 31, 2024
Financial assets (Loans)	1113.87	1004.99
Fixed-rate instruments	-	-

	1113.87	1004.99
Financial liabilities	-	-
Fixed-rate instruments	-	-
Borrowings	-	7.50

FAIR VALUE SENSITIVITY ANALYSIS FOR FIXED-RATE INSTRUMENTS

The company's fixed rate instruments are carried at amortized cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

EQUITY PRICE RISK

Equity price risk is related to the change in market reference price of the investments in quoted equity securities. In the case of the Company, the sole investment in equity shares is unquoted and does not expose the Company to equity price risks, however there can be changes in the equity price based on valuations done at different reporting periods owing to the operations and general business environment in which the investee operates. In general, the investment is not held for trading purposes.

EQUITY PRICE SENSITIVITY ANALYSIS

A 1% change in prices of equity instruments held as at March 31, 2025 and March 31, 2024 would result in an increase / decrease of Rs.4.28 in Lakhs and Rs.7.53 in Lakhs in fair value of the equity instrument respectively.

BORROWINGS FROM BANKS & FINANCIAL INSTITUTIONS

The Company doesn't have any borrowings from Banks/Financial Institutions and no corresponding report is required to be filed in relation to the same.

RECEIVABLES AND PAYABLES

The receivables and payables as stated in Current Assets and Current Liabilities and in the opinion of the management have a value and realization equal to the amount at which they are stated in the Balance Sheet and no provision for doubtful debts has been made by the Company for the year ending March 31, 2025.

RECEIVABLES UNDER FINANCING ACTIVITY AND PROVISIONING/WRITE-OFF OF ASSETS

The Company doesn't have any Receivables under financing activity and the provisioning/write off of assets is NIL and hence no report is required to be filed in relation to the same.

BENAMI TRANSACTIONS/PROPERTY

No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors, referred to in the Other Matters paragraph below, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 (“the act”), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025; and its consolidated Profit, consolidated Total Comprehensive Income, the consolidated changes in Equity, and consolidated Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have designed and performed audit procedures in accordance with the guidelines laid down by ICAI in the Standard on Auditing (SA 550) to identify, assess and respond to the risks of material misstatement arising from the entity's failure to appropriately account for or disclose material related party transactions which includes obtaining necessary approvals at appropriate stages of such transactions as mandated by applicable laws and regulations.

Information Other than the Consolidated Ind AS financial statements and Auditor's Report Thereon

The Holding Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's report, Management discussion and analysis and Report on corporate governance, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the group in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and

estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of 6 fully owned subsidiaries, whose financial statements reflect total assets of Rs.723.27 Lakhs as at March 31, 2025, Total revenue from operations of Rs.1164.31 Lakhs, Profit after tax of Rs.733.68 Lakhs, total comprehensive income of Rs.733.68 Lakhs, and net cash flows of Rs.158.44 Lakhs for the year then ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion is based solely on the reports of the other auditors.

Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

- (1) A. As required by Section 143 (3) of the Act, we report to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those;
 - c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account;

- d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- e) On the basis of written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors of its subsidiary companies, none of the directors of these entities is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A” which is based on the auditors’ reports of the subsidiary companies.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Ind AS financial statements.
 - ii. The Group has made provision, as required under the applicable law and Indian Accounting standards, for material foreseeable losses, if any, on long-term contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the investor’s education and protection fund by the Group.
 - iv. (a) The respective Managements of the parent and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and to the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, no funds which are material either individually or in the aggregate have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Managements of the Holding and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and to the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, no funds which are material either individually or in the aggregate have been received by the Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or

indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us and those performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor’s notice that has caused us or the other auditor to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.

v. The Company has not declared or paid any dividend during the year, hence compliance with provision of section 123 is not applicable for the year.

vi. Based on our examination which included test checks and based on the other auditors’ report of its subsidiaries which are incorporated in India and whose books of accounts have been audited under the Act,

a) The Holding Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. However, we noted that during migration of the accounting system to a new server, the audit trail facility was inadvertently disabled for a limited period. Accordingly, the requirement that the audit trail be operated throughout the year was not complied with. Further, due to such temporary disablement, the audit trail records for that period could not be preserved. Management has, however, represented that adequate alternate controls were exercised during migration and corrective measures have been implemented to prevent recurrence.

b) The subsidiaries have used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the respective software and the audit trail feature has not been tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

(2) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the Consolidated Financial Statements, to which reporting under CARO is applicable, as provided to us by the Management of the Parent, we report that in respect of those companies where audits have been completed under Section 143 of the Act, there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the Consolidated Financial Statements.

“Annexure A” to Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s Tatia Global Vennture Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and jointly controlled companies, which are companies incorporated in India, as of that date.

CORPORATE INFORMATION

M/s. Tatia Global Vennture Ltd, “TGVL” was originally incorporated in India under the name and style as Tatia Intimate Exports Limited in the year 1994-1995 and the equity shares of the Company are listed at Bombay Stock Exchange Ltd (BSE). The Company and its Six Wholly owned Subsidiaries viz, 1. M/s. Deverbetta Lands Private Limited, 2.M/s.Kalyanang Developers Private Limited, 3. M/s.Pajjuvasami Developers Private Limited, 4. M/s.Sagarvar Gambhira Developers Private Limited, 5. M/s.Sundervans Infrastructure and Developers Private Limited, 6. M/s.Thali Estates Private Limited (together hereinafter referred to as “Group”. The Group’s primary business objectives are in the textile segment as well as in the infrastructure related project and ventures. The Consolidated financial statements are presented in Rs. In Lakhs which is also functional currency of the Group.

BASIS OF CONSOLIDATION

1. The consolidated financial statements of the group have been prepared in accordance with the Indian Accounting Standards (Ind AS) (as notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) prescribed under Section 133 of the Companies Act, 2013.
2. The Consolidated financial statements have been prepared on a historical cost basis, except for fair value through other comprehensive income (FVOCI) instruments, fair value through profit and loss (FVTPL) instruments, derivative financial instruments and certain financial assets and financial liabilities measured at fair value (refer accounting policy regarding financial instruments). The Consolidated financial statements comprise the financial statements of the Company, its six wholly owned subsidiaries as at 31st March, 2025. Control is evidenced when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.
3. The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the period are included in the Consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.
4. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the Consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member’s financial statements in preparing the Consolidated financial statements to ensure conformity with the Group’s accounting policies.
5. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on March 31,2025.

PRINCIPLES OF CONSOLIDATION

The Consolidated financial statements of the group have been prepared on a line by line consolidation balance sheet as at March 31, 2025 and Statement of Profit & Loss and Cash Flow Statement of TGVL and subsidiaries for the year ended March 31, 2025.

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognized in the Consolidated financial statements at the acquisition date.
- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- Eliminate in full intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intra-group transactions that are recognized in assets, such as inventory and PPE, are eliminated in full). Intra-group losses may indicate an impairment that requires recognition in the Consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of OCI are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the noncontrolling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies. All intra-group assets, liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full consolidation.

The Following subsidiary companies have been considered in the preparation of the consolidated financial statement

S. No	Name of the Company	% of voting power

1. Method of Accounting - The Company maintains its accounts under mercantile basis of accounting. The Company has adopted Indian Accounting Standards (IND-AS).
2. The Company has adopted Indian Accounting Standards (IND-AS).
3. Use of Estimates –The preparation of the financial statements in conformity with IND-AS requiring to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses.

CURRENT AND NON-CURRENT CLASSIFICATION

The Group presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification considering an operating cycle of 12 months being the time elapsed between deployment of resources and the realisation/ settlement in cash and cash equivalents there against.

PRESENTATION OF FINANCIAL STATEMENTS

The Group presents its balance sheet in order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in notes to the financial statements. Financial assets and financial liabilities are generally reported gross in the balance sheet. They are only offset and reported net when, in addition to having an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event, the parties also intend to settle on a net basis in all of the following circumstances:

- The normal course of business;
- The event of default;
- The event of insolvency or bankruptcy of the Group and/or its counterparties.

REVENUE RECOGNITION

1. Interest Income are recognized on the date which they have become due or upon receipt whichever is earlier. The Interest income is recognized on gross basis.
2. In respect of other incomes, accrual system of accounting is followed.

PROPERTY, PLANT AND EQUIPMENT, DEPRECIATION & IMPAIRMENT

Property plant and equipment is stated at cost (net of tax/ duty credits availed) excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment in value. Cost includes professional fees/ charges related to acquisition of property plant and equipment. Changes in the expected useful life are accounted for by changing the amortization period or methodology, as appropriate, and treated as changes in accounting estimates.

Subsequent expenditure incurred, is capitalized only if it results in economic useful life beyond the original estimate.

Depreciation is provided on Property, Plant and Equipment on written down value method as per the rates specified in part C of schedule II of Companies Act, 2013.

VALUATION OF CLOSING STOCK

Wherever applicable inventories have been valued at cost or net realized value whichever is less. However, during the year under review the parent company does not hold any inventories other than held by its subsidiaries. The company valued the inventories (Lands) at cost prices or market price whichever is less.

FINANCIAL INSTRUMENTS – INITIAL RECOGNITION

Date of recognition

Financial assets and liabilities, with the exception of loans, debt securities, and borrowings are initially recognized on the trade date, i.e., the date that the group becomes a party to the contractual provisions of the instrument. Loans are recognized when fund transfers are initiated to the customers' account or cheques for disbursement have been prepared by the group (as per the terms of the agreement with the borrowers) or when the group assumes unconditional obligations to release the disbursement amount to third party on the direction of the borrower, whichever is earlier. The group recognizes debt securities and borrowings when funds reach the group.

Initial measurement of financial instruments

The classification of financial instruments at initial recognition depends on their contractual terms and the business model for managing the instruments. Financial instruments are initially measured at their fair value, except in the case of financial assets and financial liabilities recorded at FVTPL (Fair value through profit and loss). Transaction costs/fees which are directly attributable to acquisition of financial assets or financial liabilities are recognised immediately in statement of profit and loss in case of instruments measured at FVTPL and or, are added to, or subtracted from, this amount for other categories.

Measurement categories of financial assets and liabilities

The Group classifies all of its financial assets and financial liabilities based on the business model for managing the assets and the asset's contractual terms, measured at either:

- Amortised cost
- FVTPL
- FVTOCI

Equity instruments

Investment in Subsidiaries and Joint Ventures are carried at Cost in the Separate Financial Statements as permitted under Ind AS 27. The Group subsequently measures all equity investments other than investment in subsidiaries and associates, at fair value through profit or loss, unless the Group's management has elected to classify irrevocably some of its equity investments as equity instruments at FVOCI, when such instruments meet the definition of Equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. Such classification is determined on an instrument-by-instrument basis.

Gains and losses on these equity instruments are never recycled to profit or loss. Dividends are recognised in profit or loss as dividend income when the right of the payment has been established, except when the Group benefits from such proceeds as a recovery of part of the cost of the instrument, in which case, such gains are recorded in OCI (Other Comprehensive Income). Equity instruments at FVOCI are not subject to an impairment assessment.

FAIR VALUATION OF INVESTMENTS				(Rs. In lakhs)	
Script Name	Quantity	Particulars	F.Y. 2024-25	F.Y. 2023-24	
Kreon Financial Services Limited	19,50,000	Opening carrying value of Investment	753.48	702.00	
		Market Value at year end	427.83	753.48	
Profit / (Loss)			-325.65	51.48	

Reclassification of financial assets and liabilities

The Group does not reclassify its financial assets subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line. Financial liabilities are never reclassified. The Group did not reclassify any of its financial assets or liabilities during the reporting period.

RETIREMENT BENEFITS

Contribution of Provident fund, Gratuity and Leave encashment benefits wherever applicable is being accounted on actual liability basis. However, there are no employees in the eligible category to avail such benefits.

FOREIGN CURRENCY TRANSACTIONS

The Consolidated financial statements are presented in Rs.in lakhs (INR in lakhs) which is also the Group's functional currency. Transactions in foreign currencies are initially recorded by the Group at their respective functional currency spot rates at the date the transaction first qualifies for recognition. Foreign currency denominated monetary assets and liabilities are translated at the functional currency spot rates of exchange at the reporting date and exchange gains and losses arising on settlement and restatement are recognized in the statement of profit and loss. There are no reportable Foreign Currency transactions during the year.

TAX ON INCOME

Current Tax

Current tax comprises amount of tax payable in respect to the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to tax payable or receivable in respect of prior years. Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where the Group operates and generates taxable income. Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognized amounts and is intended to realize the asset and settle the liability on a net basis or simultaneously. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority and intends to settle on net basis.

EARNINGS PER SHARE (EPS)

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Earnings considered for Earnings per share is the net profit for the period after deducting preference dividend, if any, and attributable tax thereto for the period.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

PROVISIONS AND OTHER CONTINGENT LIABILITIES AND CAPITAL CONTRACTS

When the Group can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Group records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.

Given the subjectivity and uncertainty of determining the probability and amount of losses, the Group takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgement is required to conclude on these estimates.

IMPAIRMENT OF NON-FINANCIAL ASSETS

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Group extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the entity operates, or for the market in which the asset is used.

Impairment losses of continuing operations are recognized in the statement of profit and loss. For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

SEGMENT INFORMATION

An operating segment is a component of the Company that engages in the business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by Company's executive vice president and Chief Financial officer ("Chief operating decision maker"). The Company is engaged primarily in one segment, accordingly segment reporting is not applicable.

CASH AND CASH EQUIVALENTS (FOR PURPOSES OF CASH FLOW STATEMENT)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances, (with original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

LEASES

The Group's lease asset consists of leases for buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from the use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-to-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-to-use asset is initially recognized at cost which comprises of the initial amount of lease liability adjusted for lease payments made or prior to commencement date plus any direct cost i.e. lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment loss if any.

The Group applies the short-term lease recognition exemption to its short-term leases of Buildings (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases are recognized as expense on a straight-line basis over the lease term.

CAPITAL MANAGEMENT

For the purpose of the Company's Capital management, capital includes equity capital and all other reserves. The Company's capital management objective is to maximize the total shareholder return by optimizing cost of capital through flexible capital structure that supports growth.

The Company manages its capital structure and makes adjustment in the light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings less cash and short-term deposits.

FINANCIAL RISK MANAGEMENT

In course of its business, the Company is exposed to certain financial risks that could have significant influence on the Company's business and operational / financial performance. These include market risk including interest rate risk and equity price risk), credit risk and liquidity risk.

The Board of Directors reviews and approves risk management framework and policies for managing these risks and monitors suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.

In line with the overall risk management framework and policies, the treasury function provides services to the business, monitors and manages through an analysis of the exposures by degree and magnitude of risks. Borrowings, trade payables and other financial liabilities constitute the Company's primary financial liabilities and investment in unquoted equity shares, trade receivables, loans, cash and cash equivalents and other financial assets are the financial assets.

OTHER FINANCIAL ASSETS

Credit risk refers to the risk of default on the other financial assets to the Company that may result in financial loss. The maximum exposure from the other financial assets amounting to Rs.331.83 in Lakhs as of March 31, 2025 (Rs. 96.08 in Lakhs as of March 31, 2024) respectively.

Other Financial Assets mainly constitute receivable from Corporate Borrowers. Credit risk is being managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to allow credit terms in the normal course of business. In the case of the Company, the credit period offered varies between 30 to 60 days and there have been no significant cases of impairment historically.

CASH AND CASH EQUIVALENTS AND DEPOSITS WITH BANKS

The credit risk on cash and bank balances is limited because the counterparties are banks with high credit ratings. Therefore, the risk of default is considered to be insignificant.

Level 3: Inputs based on unobservable market data.

PROVISION FOR EXPECTED CREDIT LOSSES

FINANCIAL ASSETS FOR WHICH LOSS ALLOWANCE IS MEASURED USING LIFE TIME

The Company's main customer base is Corporate Borrowers. Historically the risk of default has been negligible or nil. Further, management believes that the unimpaired amounts that are past due by more than 60 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk. Hence, no impairment loss has been recognized during the reporting periods in respect of trade receivables.

As a policy, the Company does an ageing analysis of Debtors and trade payables, the details of which is stated below.

LIQUIDITY RISK

The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk through cash credit limits and undrawn borrowing facilities by continuously monitoring forecast and actual cash flows. The Company invests its surplus funds in bank fixed deposit which carry minimal mark to market risks.

MATURITIES OF FINANCIAL LIABILITIES

The following are the contractual maturities (principal and interest in the case of loan) of non-derivative financial liabilities, based on contractual cash flows.

Rs. In lakhs

MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk for the entity comprises two types of risk: currency risk, interest rate risk and equity price risk. Financial instruments affected by market risk include borrowings and investment in unquoted equity shares. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

CURRENCY RISK

The Company is not exposed to any currency risk since it does not has any transactions in any foreign currency.

SENSITIVITY ANALYSIS

Since the company is not exposed to any currency risk, sensitivity analysis is not applicable.

INTEREST RATE RISK

The Company is not exposed to any interest rate risk.

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows.

Particulars	Rs. In lakhs	
	31 March 2025	31 March 2024
Financial assets	1113.87	1004.99
Fixed-rate instruments	-	-
	1113.87	1004.99
Financial liabilities	0.41	0.59
Fixed-rate instruments	-	-
Borrowings	-	176.23

FAIR VALUE SENSITIVITY ANALYSIS FOR FIXED-RATE INSTRUMENTS

The company's fixed rate instruments are carried at amortized cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

EQUITY PRICE RISK

Equity price risk is related to the change in market reference price of the investments in quoted equity securities. In the case of the Company, the sole investment in equity shares is unquoted and does not expose the Company to equity price risks, however there can be changes in the equity price based on valuations done at different reporting periods owing to the operations and general business environment in which the investee operates. In general, the investment is not held for trading purposes.

EQUITY PRICE SENSITIVITY ANALYSIS

A 1% change in prices of equity instruments held as at March 31, 2025 and March 31, 2024 would result in an increase / decrease of Rs. 4.28 in Lakhs and Rs.7.53 in Lakhs in fair value of the equity instrument respectively.

BORROWINGS FROM BANKS & FINANCIAL INSTITUTIONS

The Company doesn't have any borrowings from Banks/Financial Institutions and no corresponding report is required to be filed in relation to the same.

RECEIVABLES AND PAYABLES

The receivables and payables as stated in Current Assets and Current Liabilities and in the opinion of the management have a value and realization equal to the amount at which they are stated in the Balance Sheet and no provision for doubtful debts has been made by the Company for the year ending March 31, 2025.

RECEIVABLES UNDER FINANCING ACTIVITY AND PROVISIONING/WRITE-OFF OF ASSETS

The company doesn't have any Receivables under financing activity and the provisioning/write off of assets is NIL and hence no report is required to be filed in relation to the same.

BENAMI TRANSACTIONS/PROPERTY

No proceedings have been initiated during the year or are pending against the Group as at March 31, 2025 for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.

REGISTRATION OF CHARGE CREATION ON PROPERTY

The company has no charge on its receivables and hence, there are no related registration compliances involved.

UNDISCLOSED INCOME

The company doesn't have any current or previous transactions that have not been recorded in the books of accounts and has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

REVALUATION OF PLANT, PROPERTY AND EQUIPMENT

There was no revaluation of assets during the year 2024-2025.

WILFUL DEFAULTER
