9 TDS on Dividend

The Board of Directors of the Company (“**Board**”) have at their meeting held on May 21, 2025 recommended a final dividend of ₹ 11.00 per equity share having a face value of ₹ 10.00 each for the Financial Year ended March 31, 2025.

In terms of the provisions of the Income-tax Act, 1961 (“**the Act**”), dividend paid or distributed by a Company on or after April 1, 2020 is taxable in the hands of the Shareholders. The Company shall therefore be required to deduct tax at source at the time of payment of dividend. The deduction of tax at source will be based on the category of Shareholders and subject to fulfillment of conditions as provided herein below:

➤ For Resident Shareholders:

- a. Tax will be deducted at source (“TDS”) under Section 194 of the Act @ 10% on the amount of dividend payable unless exempt under any of the provisions of the Act. However, in case of individuals, TDS would not apply if the aggregate of total dividend distributed to them by the Company during the financial year does not exceed ₹10,000/-.

- b. Tax at source will not be deducted in cases where a Shareholder provides Form 15G (applicable to Individuals) / Form 15H (applicable to an individual above the age of 60 years), provided that the eligibility conditions are being met.
- c. For shareholders who have not linked PAN and Aadhaar, the PAN will be considered as invalid and higher rate of taxes shall apply.

For all Members (i.e. holding shares either in Dematerialised Form and / or Physical Form):

The forms for tax exemption can be downloaded from **MUFGIPL**'s website. The URL for the same is <https://web.in.mpms.mufig.com/client-downloads.html>

The aforementioned documents (duly completed and signed) are required to be uploaded on the URL <https://web.in.mpms.mufig.com/formsreg/submission-of-form-15g-15h.html>

On this page, the user shall be prompted to select / share the following information to register their request.

- a. Select the company (Dropdown)
- b. Folio / DP-Client ID
- c. PAN
- d. Financial year (Dropdown)
- e. Form selection
- f. Document attachment – 1 (PAN)
- g. Document attachment – 2 (Forms)
- h. Document attachment – 3 (Any other supporting document)

Please Note:

- i. That the upload of documents (duly completed and signed) on the website of **MUFGIPL** should be done on or before the **Record Date** for the dividend, i.e. **Thursday, September 11, 2025** in order to enable the Company to determine and deduct appropriate TDS / Withholding Tax. Incomplete and / or unsigned forms and declarations will not be considered by the Company. No

communication on the tax determination / deduction shall be considered after the **Record Date for the dividend, i.e. Thursday, September 11, 2025.**

- ii. Members may note that in case the tax on dividend is deducted at a higher rate in absence of receipt of the aforementioned details / documents, an option is available to Members to file the return of income as per the Income Tax Act, 1961 and claim an appropriate refund, if eligible.
- iii. All communications / queries in this respect should be addressed to MUFGIPL at their dedicated weblink at <https://web.in.mpms.mufg.com/formsreg/submission-of-form-15g-15h.html>
- iv. All fields mentioned in the Form are mandatory and the Company may reject the form submitted, if it does not fulfill the requirement of law.
- v. A valid Permanent Account Number (“**PAN**”) will be mandatorily required.
- vi. NIL / lower tax shall be deducted on the dividend payable to the following resident Shareholders on submission of self-declaration:
 - a. **Insurance Companies:** Declaration by Shareholders qualifying as Insurer as per Section 2(7A) of the Insurance Act, 1938 along with self-attested copy of PAN card.
 - b. **Mutual Funds:** Declaration by Mutual Fund Shareholders eligible for exemption under Section 10(23D) of the Income- tax Act, 1961 along with self-attested copies of registration documents and PAN card.
 - c. **Alternative Investment Funds (AIFs) established in India:** Declaration that the Shareholder is eligible for exemption under Section 10(23FBA) of the Act and they are established as Category I or Category II **AIFs** under the SEBI regulations. Copy of self-attested registration documents and PAN card should be provided.
 - d. **New Pension System Trust:** Declaration along with self-attested copy of documentary evidence supporting the exemption and self-attested copy of PAN card.

e. **Other Shareholders:** Declaration along with self-attested copy of documentary evidence supporting the exemption and self-attested copy of PAN card.

f. Shareholders who have provided a valid certificate issued under Section 197 of the Act for lower / nil rate of deduction or an exemption certificate issued by the income tax authorities along with Declaration.

➤ **For Non-Resident Shareholders (including Foreign Institutional Investors and Foreign Portfolio Investors)**

Tax is required to be withheld in accordance with the provisions of Section 195 and Section 196D of the Act at applicable rates in force. As per the relevant provisions of the Act, the tax shall be withheld @ 20% (plus applicable surcharge and cess) on the amount of dividend payable. However, as per Section 90 of the Act, a non-resident Shareholder has the option to be governed by the provisions of the Double Tax Avoidance Agreement (“**DTAA**”) between India and the country of tax residence of the Shareholder, if they are more beneficial to the shareholder. For this purpose, i.e. to avail the tax treaty benefits, the non-resident Shareholder will have to provide the following:

- a. Self-attested copy of PAN card, if any, allotted by the Indian income tax authorities;
- b. Self-attested copy of Tax Residency Certificate (“**TRC**”) obtained from the tax authorities of the country in which the Shareholder is resident valid for the F.Y. 2025-26;
- c. Form 10F filed on the e-filing portal (as required by Notification No.03/2022) valid for the F.Y. 2025-26;
- d. Self-declaration by the non-resident Shareholder for meeting treaty eligibility requirements and satisfying beneficial ownership requirements.
- e. In case of Foreign Institutional Investors and Foreign Portfolio Investors, self-attested copy of SEBI registration certificate.
- f. In case Shareholders are tax residents of Singapore, they are required to furnish the letter issued by the competent authority or any other evidence demonstrating the non applicability of Article 24 - Limitation of Relief under the India-Singapore DTAA.

NIRLON

Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review by the Company of the documents submitted by non-resident Shareholders and meeting the requirements of the Act, read with the applicable tax treaty. In absence of the same, the Company will not be obligated to apply the beneficial DTAA rates at the time of tax deduction on dividend amounts.

➤ **TDS to be deducted at higher rate in case of non- linkage of PAN with Aadhaar**

As per Section 139AA of the Income Tax Act, every person who has been allotted a PAN and who is eligible to obtain an Aadhaar Card, shall be required to link the PAN with the Aadhaar Card. In case of failure to comply with this, the PAN allotted shall be deemed to be invalid / inoperative and tax shall be deducted at the rate of 20% as per the provisions of Section 206AA of the Act. Shareholders may visit <https://www.incometax.gov.in/iec/foportal/> for FAQ's issued by the Government on PAN Aadhar linking.

The Company will rely upon results provided by the Government utility to determine applicability of higher rate for cases where PAN-Aadhar Card is not linked.

To enable the Company to determine the appropriate TDS / withholding tax rate applicable, it is required that Shareholders provide the above details and documents to **MUFGIPL not later than Thursday, September 11, 2025.**

To summarise, dividend will be paid after deducting TDS as under:

- i. NIL for resident Shareholders receiving dividend upto ₹10,000/-, or in case of submission of Form 15G / Form 15H (as applicable) along with submission of self-attested copy of the PAN card.
- ii. 10% for other resident Shareholders in case a copy of PAN card is provided / available.
- iii. 20% for resident Shareholders if a copy of PAN card is not provided / not available / PAN-Aadhaar not linked.

- iv. Tax for non-resident shareholders will be assessed on the basis of documents submitted by them.
- v. 20% plus applicable surcharge and cess for non-resident Shareholders in case the relevant documents are not submitted.
- vi. Lower / NIL TDS on submission of a self-attested copy of a valid certificate issued under Section 197 of the Act.

The aforesaid rates will be subject to applicability of Section 206AA of the Act.

In terms of Rule 37BA of Income Tax Rules 1962, if dividend income on which tax has been deducted at source is assessable in the hands of a person other than the deductee, then such deductee should file declaration with the Company in the manner prescribed by the Rules.

In case tax on dividend is deducted at a higher rate in the absence of receipt or defect in any of the aforementioned details / documents, Shareholders will be able to claim refund of the excess tax deducted by filing their income tax return. No claim shall lie against the Company for such taxes deducted.

➤ **Updating of PAN, e-mail address and Other Details**

- a. Shareholders holding shares in **Dematerialised Form** are requested to update their records such as tax residential status, permanent account number (**PAN**), registered e-mail addresses, mobile number/s and other details with their relevant depositories through their Depository Participants (**DPs**).
- b. Shareholders holding shares in **Physical Form** are requested to furnish details to **MUFGIPL**.

The Company is obligated to deduct TDS based on the records available with **MUFGIPL**, and no request will be entertained for revision of TDS returns.

As abundant caution, a Special Resolution for his continuation on his attaining 75 years is once again proposed.

Mr. Singh is a post graduate in Mathematics from the Advanced Centre for Pure Mathematics, Punjab University, Chandigarh in 1973, and after a brief stint teaching Pure Mathematics & Statistics to graduate classes, joined the Indian Administrative Service (**IAS**).

Apart from the regular field assignments for IAS Officers, he has wide experience in regulatory areas of Finance, Industry, Urban Development and infrastructure. Mr. Singh worked both as Commissioner of the Hyderabad Municipal

Corporation & Vice Chairman of the Hyderabad Urban Development Authority. He had long stints as the Managing Director of Andhra Pradesh Industrial Development Corporation & Commissioner of Taxation in Andhra Pradesh.

Mr. Singh was posted to Punjab & Sind Bank as Chairman in March, 2005 when the Bank was making continuous losses and had accumulated historically highest NPAs (18%). He spent four and half years in the Bank during which the Bank recorded the highest growth in the Industry and NPAs came down to the lowest level in the whole industry (0.6% gross). As Secretary in the Department of Industrial Policy & Promotion, his major initiatives were:

- Rationalization and consolidation of the FDI policy;
- Re-inventing and establishing the Delhi Mumbai Industrial Corridor Project (**DMIDC**); and
- Putting together the manufacturing policy for the Country.

After retirement from the Indian Administrative Service, Mr. Singh was selected by the Government of India for appointment as Chairman, National Highways Authority of India (**NHAI**). Major policy initiatives like rescheduling of premium payable to Government, exit policy etc. during his tenure retrieved the sector from a slump. An innovative dispute resolution mechanism saw amicable settlements of disputes amounting to more than ₹17,000.00 crore.

Mr. Singh also serves on the Board of Macrotech Developers Limited, earlier known as "Lodha Developers Limited" (listed company), as a Non-Executive and Non-Independent Director, (Chairman of the Stakeholders Relationship and Risk Management Committees, and also a Member of the Nomination and Remuneration and Corporate Social Responsibility Committees).

Mr. Singh and his immediate relatives do not hold any equity shares in Nirlon Limited.

Mr. Singh is not related to any Promoter / Director / KMP of the Company, and has confirmed that he

meets with the criteria for an Independent Director as required, and is not disqualified to act as a Director of the Company.

Mr. Singh is the Chairman of the Board, Audit and Risk Management Committees and also a Member of the Nomination and Remuneration, Stakeholders Relationship and Independent Directors' Committees of the Company.

Mr. Singh attended five (5) Board Meetings during the F.Y. 2024-25.

Mr. Singh has experience of over 50 years in various fields, and having regard to his qualifications, knowledge and rich experience, his continuation on the Board of the Company as a Non-Executive Independent Director will be in the best interest of the Company during his term up to May 12, 2029.

iii. Mr. Rahul V. Sagar, one of the Promoters of the Company, (DIN: 00388980) age 54 years, (D.O.B. 28-05-1971), Executive Director & Chief Executive Officer (CEO) of the Company.

As Mr. Sagar's present term will be expiring on January 31, 2026, it would in the interest of the Company continue to avail the managerial services of Mr. Sagar. The Board of Directors, based on the recommendation made by the Audit Committee and Nomination & Remuneration Committee at their respective meetings held on August 11, 2025, proposed Mr. Rahul V. Sagar's re-appointment, and payment of his remuneration was approved, subject to Shareholders' approval at the ensuing shareholder's meeting by way of a Special Resolution, for a another period of five (5) years effective from February 1, 2026, not liable to retire by rotation. Mr. Sagar is graduate with a B.A. in Economics, and has been occupying the office of Director since June, 2006. Subsequently, Shareholders at their Meeting held on September 28, 2006 confirmed his appointment as a Director liable to retire by rotation.

Mr. Sagar has been occupying the office of the Executive Director since July 1, 2009. Shareholders re-appointed him as the Executive Director not liable

to retire by rotation w.e.f. February 1, 2016 for a period of five years through the Postal Ballot, and thereafter, he was re-appointed as the Executive Director and CEO of the Company not liable to retire by rotation w.e.f. February 1, 2021 for a period of five (5) years through the Postal Ballot.

Mr. Sagar is not related to any Director / KMP of the Company except Mr. Kunal V. Sagar, one of the Promoters of the Company, and has confirmed that he is not dis-qualified to act as a Director/ Executive Director/ CEO of the Company, and meets with the criteria and eligible as required to be appointed as the Executive Director and CEO of the Company.

Mr. Sagar holds 13,29,750 equity shares in the Company. Mr. Sagar neither holds any directorships in any other listed or any public limited company. Mr. Sagar is a Director and shareholder of Nirlon Management Services Pvt. Ltd., a related party with whom the Company does transactions.

Prior to joining Nirlon Limited, he worked as the Chief Operating Officer of Sempertrans Nirlon Private Limited.

The following Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("the Act"), sets out all material facts relating to the business mentioned at Item Nos. 4 to 7 of the accompanying 66th AGM Notice dated August 11, 2025

Item no. 4:

Continuation of Mr. Rajinder Pal Singh (DIN: 02943155) as a Non-Executive Independent Director of the Company for his appointed term of five (5) years effective from May 13, 2024 to May 12, 2029, notwithstanding that on October 20, 2026, he shall attain 75 years of age during the aforesaid tenure.

Mr. Singh is a post graduate in Mathematics from Advanced Centre for Pure Mathematics, Punjab University, Chandigarh in 1973 and Indian Administrative Service (IAS) – retired.

Mr. Singh would be attaining the age of 75 years on October 20, 2026.

In view of the specific provisions of the Regulation 17 (1A) of SEBI (Listing Obligations and Disclosure Requirements),

NIRLON

(Amendment) Regulations, 2015 (“SEBI LODR”), a Members Resolution is required for the continuation of Mr. Singh as a Non-Executive Independent Director, who was already appointed by way of a Special Resolution by the Shareholders of the Company at their 64th Annual General Meeting held on September 15, 2023 for another period of five (5) years effective from May 13, 2024, not liable to retire by rotation, as a Non-Executive Independent Director of the Company.

During the aforesaid tenure, as Mr. Singh would be attaining age of 75 years as stated above. Hence, a specific consent of the Members is required by way of a special resolution for his continuation as a Non-Executive Independent Director of the Company upon his attaining age of 75 years, specifically in that behalf under the SEBI LODR, as amended, even though his re-appointment was approved by way of a Special Resolution as stated above. Therefore, as abundant caution, a Special Resolution is once again proposed for his continuation on his attaining 75 years.

Mr. Singh is the Chairman of the Board of Directors of the Company, and has experience of over 50 years in various fields. Having regard to his qualifications, knowledge, rich experience and familiarity with the Company’s operations, his continuation on the Board of the Company as a Non-Executive Independent Director will be in the best interest of the Company during his term up to May 12, 2029. The same was already approved by the Shareholders of the Company by way of a Special Resolution.

In compliance with the Companies Act and Regulation 17 (1A) of the LODR 2015, the approval of the Members is sought for the continuation of Mr. Singh as a Non - Executive Independent Director of the Company, by way of a **Special Resolution**.

No director, KMP or their relatives except Mr. Singh, to whom the resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution set out in **item no. 4**.

The Board recommends the **Special Resolution** as set out in **Item no. 4** of this notice for the approval of the Members.

Item No. 5:

Re-appointment of Mr. Rahul V. Sagar (DIN: 00388980) age 54 years (D.O.B. 28-05-1971), as Executive Director & Chief Executive Officer (CEO) of the Company and Payment of his Managerial Remuneration for a period of five (5) years w.e.f. February 1, 2026 to January 31, 2031

I. Background

Mr. Rahul V. Sagar (**DIN: 00388980**) (D.O.B. 28-05-1971) age 54 years, is a graduate with a B.A. in Economics. He is a Promoter of Nirlon Limited, and the brother of Mr. Kunal V. Sagar, also a Promoter of the Company.

Mr. Sagar has been occupying the office of a Director since June, 2006. Subsequently, Members at their Meeting held on September 28, 2006 confirmed the appointment of Mr. Sagar as a Director.

Prior to joining Nirlon Limited, Mr. Sagar worked as the Chief Operating Officer of Sempertrans Nirlon Private Limited.

Mr. Sagar has been occupying the office of the Executive Director since July 1, 2009. Mr. Sagar was re-appointed w.e.f. February 1, 2016 for a period of five (5) years by Members through the Postal Ballot results declared on August 29, 2016, and is not liable to retire by rotation. Mr. Sagar was additionally designated as the Chief Executive Officer (‘CEO’) of the Company effective from November 12, 2018.

Subsequently, the Members’ of the Company approved by way of a special resolution, through a postal ballot process on December 26, 2020, the re-appointment of Mr. Sagar as the Executive Director and CEO of the Company for another term of five (5) years effective from February 1, 2021.

It may be noted that during the current tenure of Mr. Sagar, the Company’s performance has shown significant improvement, including the development of an additional approx. 11.60 Lakhs sq. ft of chargeable area comprising Phase 5 of Nirlon Knowledge Park (**NKP**), which has been successfully completed and licensed, and the Company has also signed a Third Management Services Agreement (**TMSA**) with Nirlon Management Services Private Limited (NMSPL) effective from April 1, 2024 for a further period of 3 (three) years.

It is in the interest of the Company to re-appoint Mr. Sagar as an Executive Director and CEO for a further period of five (5) years for the smooth continuation of the Company’s operations.

II. Contribution and Achievements

The continuation of Mr. Sagar will be of great value to the Company considering his many achievements to date, some of which are listed below:

- i. Consistent improvements in the results of the Company over the past five years, and consistent increases in Net Profit after Depreciation over the past five years (as per the Annual Reports);
- ii. Ensuring contracted escalations in license fees for phases 1, 2, 3, 4, & 5 licensees were implemented on schedule;
- iii. Ensuring that almost the entire chargeable area in the existing 1,2,3,4 & 5 phases was successfully licensed to various reputed licensees;
- iv. Ensuring that all licensee renewals were executed in a timely manner. All licensees in NKP phases 1, 2, 3 & 4 have renewed their licensees, largely on improved terms;
- v. Making constant improvement in providing professional and focused property management services for NKP phases 1, 2, 3, 4 & 5. This includes billing and recovery of CAM from phases 1, 2, 3, 4 & 5, and an additional percentage of property management fees on CAM;
- vi. Further strengthening of the relationship with the Company's lender.

III. Consideration and Recommendation

- i. Mr. Sagar has a proven financial, commercial, and timely project implementation track record. His familiarity with the Company as Promoter Director is a great support to the Company to successfully implement its future plans.
- ii. Pursuant to the provisions of Section 203 of the Companies Act, 2013, it is mandatory that a

Company having a paid up share capital of ₹ 10.00 cr. or more (the Company's paid-up share capital is in excess of ₹ 10.00 cr.) shall have whole-time Key Managerial Personnel as Chief Executive Officer / Managing Director / Whole - time Director/Manager in addition to a Company Secretary (CS) and a Chief Financial Officer (CFO).

- iii. Mr. Sagar is not disqualified to act as a director and also not disqualified to be re-appointed as Executive Director and CEO under the Companies Act, 2013.
- iv. As the Executive Director and CEO's term will be expiring on January 31, 2026, it is in the interest of the Company that Mr. Sagar continues as Executive Director & CEO. In view of the above, the re-appointment of Mr. Rahul V. Sagar as an Executive Director & CEO w.e.f. February 1, 2026 for another term of Five (5) years, with remuneration to be finalised periodically by the Nomination and Remuneration and Audit Committee based on their recommendation to the Board from time to time.

The Board, based on the recommendation made by the Nomination and Remuneration and Audit Committee at their meeting held on August 11, 2025 respectively, subject to Members' approval, unanimously approved the re-appointment of Mr. Rahul V. Sagar as Executive Director and C.E.O. and payment of his Managerial Remuneration on the terms and condition as set out in this Explanatory Statement for a further period of five (5) years w.e.f. February 1, 2026 as the current term will be expiring on January 31, 2026.

While considering the re-appointment of Mr. Sagar, the Board has considered the above listed contributions, achievements and proven track record of Mr. Sagar as Executive Director & CEO of Nirlon Ltd.

- d. Crisil Ratings has assigned and re-affirmed "CRISIL AA+/ Stable" rating to this HSBC facility and the same rating continues till date.

9. Sustainability Initiatives

NKP provides an international quality, sustainable development that has an extensive sylvan, traffic free central park at its core, around which buildings are thoughtfully located to create the ambience of an urban oasis.

The NKP masterplan was created factoring various social and environmental considerations in 2006, well before CSR and ESG were mainstream concepts.

The opportunity and challenge was to create a financially value accretive plan to transform a defunct 23 acre factory into a global standard Office Park, while addressing social and environmental responsibilities by retaining most of the approx. 600 old growth trees, open spaces and reusing certain characteristic elements from the Company's industrial heritage.

The project has prioritized sustainability from the conceptualization of the Master Plan to detailing of individual built forms. The development gives precedence to the primacy of its urban landscaping highlighting the retention of old, mature trees to provide ambience to its buildings, linking public spaces through a series of parks with extensive green cover, and prioritizing pedestrian movement over vehicular. As part of the design, the orientation of office buildings and roads / pedestrian paths between and around old growth trees has helped retain approx. 500 out of 600 such trees and the Company has planted approx. 500 more.

The building and hardscape footprint has been kept to a minimum, reducing the heat island effect, allowing a better microclimate for users and better storm water management.

Buildings have also been designed to maximize natural light and energy conservation through their orientation / layout and façade schemes, based on careful solar path analysis. District cooling systems, roof top insulation, low-e double glazing, natural clay facades and reflective surfaces ensure efficient cooling of the office premises. Treated water from the STP is reused for flushing and landscaping purposes, and OWC's process organic waste.

The focus on trees and plant life in NKP has also resulted in a proliferation of bird and insect life throughout the Campus. Birds are attracted by old trees and plant species endemic to the region. Insects are drawn by seasonally flowering plants. The resulting symbiotic relationships keep the vegetation naturally fresh and healthy. The plant, creeper and tree species used have been selected to complement and integrate with those already available in the region.

The resulting unique Master Plan has allowed NKP to carve out a distinctive niche among Mumbai's office parks, and has contributed to making the Campus a preferred destination for its several marquee occupants and their employees.

The juxtaposition between Mumbai's daily congestion, noise and bustle outside NKP's walls and the serenity, green open spaces and oasis like ambience of the Campus, consistently contribute to the satisfaction of occupiers and its approx. 25,000 daily users.

xi. Dividend Distribution (DD) Policy

Regulation 43 A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Regulations”) requires the top 1,000 listed entities (by market capitalisation) to disclose a dividend distribution policy in the annual report and on the corporate website.

The Company has its Board meeting held on June 30, 2020 adopted a DD Policy and uploaded the same on its website. Kindly refer to the link https://www.nirlonltd.com/pdf/dividend%20distribution%20policy_jun_2020.pdf

Aims of the DD Policy

The Company is committed to create value for all its stakeholders. The focus will continue to be on sustainable returns, through an appropriate strategy for both medium and long term value creation. Accordingly, the Board would continue to adopt a progressive and dynamic dividend policy, addressing the immediate as well as long term perspective.

Nirlon Limited’s Dividend Distribution Policy

1. Background and Applicability

Regulation 43 A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Regulations”) requires the top 1000 listed companies (by market capitalisation) to disclose a dividend distribution policy in the annual report and on the corporate website.

Nirlon Limited was ranked at 398 out of the top 500 companies based on the market capitalisation as on March 31, 2020 by the BSE.

The Board of Directors (“Board”) of Nirlon Limited (“Company”), at its meeting held on June 30, 2020,

adopted this Dividend Distribution Policy (“Policy”) in order to comply with the above requirement as well as to establish the parameters to be considered by the Board before declaring or recommending any dividend keeping in view the Company’s long term growth objectives from internal cash accruals.

The Company currently has only one class of shares, viz. Equity, for which this Policy is applicable.

2. Dividend Distribution Philosophy

The Company is committed to value creation for all its stakeholders. The focus will continue to be on sustainable returns, through an appropriate capital strategy for both medium and long term value creation.

Accordingly, the Board would continue to adopt a progressive and dynamic dividend policy, ensuring the immediate as well long term needs of the business.

3. Dividend

Dividend represents the profit of the Company, which is distributed to shareholders in proportion to the amount paid-up on shares they hold. Dividend includes interim dividend. The dividend for any financial year shall normally be paid out of the Company’s profits for that year. This will be arrived at after providing for depreciation in accordance with the provisions of the Companies Act, 2013 and the rules thereunder (“Act”). If circumstances require, the Board may also declare dividend out of accumulated profits of any previous financial year(s) in accordance with provisions of the Act and Regulations, as applicable.

4. Interim and Final Dividend

The Board may also declare interim dividends during a financial year. Additionally, the Board may recommend final dividend for the approval of the shareholders at the annual general meeting of the Company. The date of the Board meeting in which the dividend proposal will be considered will be provided to the stock exchange/s as required by the Regulations.

**5. Circumstances under which shareholders may or may not expect Dividend**

The Board will assess the Company's financial requirements, including present and future organic and inorganic growth opportunities and other relevant factors, and declare dividend in any financial year after taking these into account. Further, the Board shall take into consideration the advice of the executive management of the Company and the planned and further investments for growth apart from other parameters set out in this Policy.

Notwithstanding the above, the Board may not declare or recommend dividend for a particular period if it is of the view that it would be prudent to conserve capital for the then ongoing or planned business expansion or other factors which may be considered by the Board such as the following circumstances:

- Whenever the Company undertakes or proposes to undertake a significant expansion project requiring higher allocation of capital;
- Whenever there is a need for significantly higher working capital requirements adversely impacting free cash flow;
- Whenever it undertakes any acquisitions or joint ventures requiring significant allocation of capital; and
- In the event of inadequacy of profit or whenever the Company has incurred losses.

6. Some financial parameters and other internal and external factors that could be considered for declaration of Dividend:

- Distributable surplus available as per the Act and Regulations;
- The Company's liquidity position and future cash flow needs;
- Track record of dividends distributed by the Company;
- Payout ratios of comparable companies;

- Prevailing taxation policy or any amendments expected thereof, with respect to dividend distribution;
- Capital expenditure requirements considering expansion and acquisition opportunities;
- Cost and availability of alternative sources of financing;
- Stipulations/ covenants of loan and other financing agreements;
- Macroeconomic and business conditions in general;
- Providing for unforeseen events and contingencies with financial implications; and
- Any other relevant factors that the Board may deem fit to consider before declaring dividend.

7. Utilization of retained earnings

The Company shall endeavor to utilise the retained earnings in a manner which shall be beneficial to the interests of the Company and also its shareholders. Subject to applicable law, the Company's retained earnings shall be applied for:

- Funding inorganic and organic growth needs including working capital, capital expenditure, repayment of debt, etc.;
- Buyback of shares subject to applicable limits;
- Payment of dividend in future years;
- Issue of bonus shares; or
- Any other permissible purpose.

8. Modification of the Policy

The Board is authorised to change / amend this Policy from time to time at its sole discretion taking into account the national or global economic conditions, Company's growth, financial position and investment plans and / or in pursuance of any amendments made to the Act the Regulations or any other applicable law.

9. Disclaimer

This document does not solicit investments in the Company's securities, nor is it an assurance of guaranteed returns (in any form), for investments in the Company's equity shares.

NIRL ON

10. Parameters that shall be adopted with regard to various classes of shares

The Company has issued only one class of shares viz. equity shares. The parameters for dividend payments in respect of any other class of shares will be as per the respective terms of issue and in accordance with the applicable law, and will be determined, if and when the Company decides to issue such other classes of shares.

11. Conflict in Policy

In the event of any conflict between this Policy and the provisions contained in the Act and/or the Regulations, the Act and /or the Regulations shall prevail.

II. Codes

i. Code for fair disclosure of unpublished price sensitive information and Policy for determination of legitimate purposes

The Board earlier adopted the internal Code of Conduct ('ICCPIT') for Regulating, Monitoring and Reporting of Trades under the SEBI (Prohibition of Insider Trading) Regulations, 2015 (PIT) and the same was effective from June 20, 2015.

Thereafter, the PIT Regulations were amended, and the ICCPIT was amended suitably.

Aims of the ICCPIT

It is mandatory under the SEBI LODR, that every listed entity should have a framework to avoid insider trading and abusive self-dealing.

Further, Regulation 8 (1) of the PIT Regulations, 2015 mandates that listed companies formulate and display on their website a code of practices and procedures for fair disclosure of unpublished price sensitive information by adhering to the principles as set out in the Regulations. The principles of fair disclosure are also a part of ICCPIT, and the Company is compliant in this regard.

For more detail, kindly refer to the link: [https:// www.nirlonltd.com/pdf/iccpit_jun_20.pdf](https://www.nirlonltd.com/pdf/iccpit_jun_20.pdf)

ii. Code of Conduct for Board Members and Designated Employees (CCBE)

The SEBI LODR 2015 provides specific regulation with respect to the CCBE. The CCBE originally adopted by the Board was amended suitably.

Aims of CCBE

The CCBE envisages that the Board and Designated Employees must act within the boundaries of the authority conferred upon them, and with a duty to comply with the requirements of applicable laws, while discharging their duties and responsibilities. The principles prescribed in the CCBE are general in nature, and lay down broad standards of compliance and ethics, as required by Regulation 17 (5) (a) and 26 of the SEBI LODR, 2015. The Board and Designated Employees shall also refer to other applicable policies and procedures of the Company for specific instructions and guidelines, which are to be read in conjunction with the CCBE.

For more detail, kindly refer to the link: [https:// www.nirlonltd.com/pdf/ccbe_nov_18_v1.pdf](https://www.nirlonltd.com/pdf/ccbe_nov_18_v1.pdf)

iii. Code of Conduct for Independent Directors (CCID)

The Board adopted the Code of Conduct for Independent Directors (CCID) and the same was effective from November 13, 2014. As the SEBI LODR provides specific regulation with respect to the CCID, the CCID originally adopted by the Board was amended suitably.

Aims of the CCID

To provide guidance for the professional conduct of Independent Directors (IDs) of the Company in order to adhere to desired standards by the IDs, and for fulfillment of their responsibilities in a professional and faithful manner, so as to promote confidence in the investment community, particularly stakeholders, regulators etc.

For more detail, kindly refer to the link: [https:// www.nirlonltd.com/pdf/ccid_mar_16.pdf](https://www.nirlonltd.com/pdf/ccid_mar_16.pdf)

**15. i. Annual Evaluation by the Directors**

Pursuant to the provisions of the Companies Act, 2013 read with the rules issued thereunder and the SEBI Listing Obligations & Disclosure Requirements Regulations, 2015 (including any statutory modification(s) or re-enactment(s) for the time being in force), the process for evaluation of the annual performance of the Directors, Board and various Committees was carried out. Regulation 17 of the SEBI Listing Obligations & Disclosure Requirements Regulations, 2015 mandates that the Board shall monitor and review the Board evaluation framework.

The Companies Act, 2013 states that a formal annual evaluation needs to be made by the Board of its own performance and that of its committees and individual Directors.

The Independent Directors at their separate meeting held on March 25, 2025 reviewed the performance of Non- Independent Directors, the Board as a whole and the Chairperson of the Company. This was done after taking into account the views of Executive Director and Non- Executive Directors, as well as evaluating the quality, quantity and timeliness of flow of information between the Management and the Board necessary for the Board to effectively and reasonably perform its duties.

This evaluation covered various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, execution and performance of specific duties, obligations and governance.

ii. Familiarization Programme for Independent Directors:

The Company's Board is diverse with Independent Directors (IDs), who are highly qualified with rich experience. IDs had / have been associated with various Government agencies and departments, and have been associated with various corporate and business organizations including the Company. They are familiar with the Company's business activities. Moreover, the Company provides them updates by providing a regular brief on the operations

as well making suitable arrangements for visits by the Independent Directors to the NKP site.

ANNEXURE 7 TO THE DIRECTORS' REPORT

Management Discussion and Analysis

1. Overview:

A total of approx. 47.63 lakh sq.ft. of construction has been completed in NKP comprising Phases 1-5.

During the Year under review, the Company continued to successfully license and manage all five phases of Nirlon Knowledge Park (**NKP**), which corresponds to approx. 30.80 lakh sq. ft. of licensable area.

License Fees from all five phases are recognized in the Profit & Loss Account for the entire year

Operations Summary: Industrial Park / Information Technology Park – Goregaon (East), Mumbai:

a. Occupancy & Licensee Fee Renewals/ Escalations:

During the Year under review, on the strength of consistently strong demand for well located and well managed Grade A Commercial Real Estate in established Indian metros, the Company has been successful in ensuring that during FY 2024-25, chargeable area in Phases 1 - 5 of NKP achieved 99.5% occupancy, and was licensed to well regarded, predominantly institutional occupants. Accordingly, license fees for all five phases are being regularly received by the Company.

A large occupant in NKP has surrendered approximately 4,50,000 sq. ft. and has moved out of NKP in F.Y. 2024-2025 and F.Y. 2025-2026 in a phased manner. This 4,50,000 sq. ft. has been relicensed to a combination of existing and new licensees at commercially competitive rates.

Escalations of license fees (approx. 15% every three years) took effect substantially as contracted during the Year under review. Renewals of expiring licenses with existing Licensees, as well as fresh licenses were also successfully executed during the year. These renewals / fresh licenses / escalations ensured the Company's financial performance continued to be strong. As on June 30, 2025 approx. 99.5% of NKP was successfully committed or licensed.

b. Loan Repayments:

The Company has availed a loan of ₹1,230.00 Crore (a Green Loan) including a sub - limit of ₹80.00 crore by way of an Overdraft limit from The Hongkong and

Shanghai Banking Corporation Limited ("**HSBC**"). Outstanding loan amounts as on March 31, 2025 aggregated to ₹1,150.00 Crore (**as per IGAAP**).

The Company executed and registered a Mortgage Deed by creating a first and exclusive charge in favour of HSBC by mortgaging the Company's immovable property, i.e. land, buildings and structures standing on the Land, situate at Goregaon (East), Mumbai 400 063, as per the facility documents executed by and between the Company and HSBC.

This Loan facility is rated and re-affirmed by Crisil Rating as AA+/Stable as on the date of this Report.

c. Profitability and Cash Flow:

The Year under review saw stable occupancy, as well an increase in Gross Income and Profitability. The increase in Gross Income and Profitability was driven by License Fee escalations and renewals (for the most part at improved terms) during the F.Y. 2024-2025.

The Company's profit before tax during the Year under review increased from ₹301.53 Crore to ₹338.41 Crore when compared to the previous year (**as per Ind AS**).

The Company continued to generate strong and improved free cash flows during the Year under review after accounting for all expenses including payment of interest to its lender.

In the context of the available free cash flows, improved profitability and close to full occupancy levels, after suitable deliberation, the Board of Directors have recommended for shareholder's consideration a final dividend of ₹11.00 per share (@110%) for the Year under review, in addition to the interim dividend of ₹15.00 per share (@150%) already paid during the Year under review.

d. Priorities

Key priorities for the Company during the F.Y. 2025–26 are as follows:

- i. To ensure the new licensees are able to occupy and commence their operations as contracted.

NIRLON

- ii. To make every effort to renew other licenses due for renewal in the normal course at competitive rates at the earliest;
- iii. To ensure the continued satisfaction of its licensees by maintaining and operating NKP to the highest possible standards, such that all 5 phases remain as fully occupied as possible;
- iv. To ensure the ongoing scheduled servicing of its loans;
- v. To continue to work on making its ESG initiatives as meaningful as possible;
- vi. To continue to work on reducing its carbon footprint, increasing the share of its electrical power sourced from renewables and further improving the efficiencies in its water consumption;
- vii. To continue to proactively identify and evaluate the emerging trends/paradigms in the commercial office space market and the IT / Financial Services / Banking / GCC sectors, in so far as the same could have an impact on the Company's business, and to implement mitigation strategies for the same; and

2. Business Climate Summary: Opportunities, Risks and Concerns:

Macro-Economic Environment

i. Global:

Geopolitics and the global economic environment increasingly continue to have a bearing on real estate demand in India, and consequently Mumbai. The quantum of investments into India, and specifically Indian real estate are, inter alia, driven by economic conditions and, on a more micro level, by changing business trends for commercial real estate in the developed world. Since the last election in the United States, new paradigms (tariffs, protectionism and increasingly bilateral trade and diplomacy etc.) are evolving. Accordingly, the economic implications of this developing 'new order' are currently, uncertain and appear likely to remain so for some time to come. The apprehension of a tariff driven reemergence of inflation, coupled with a weakening jobs market and lower demand/consumption leading to global recessionary pressures remains real. This uncertainty continues to weigh on economic policy and investment decision making. Under these

circumstances, while the US Federal Reserve continues to remain cautious, considering the overall macro stability of the Indian Economy, the RBI has taken a more growth oriented approach and has reduced benchmark rates during the course of the year.

The potential effects of tariffs in the short term and medium term will need to be evaluated and monitored carefully.

ii. In India:

The year under review continued to see increasingly strong demand for commercial real estate in India from institutional investors as well as end users. For institutional investors, this has increasingly been driven by the desire and imperative to be part of a market that has shown strength and resilience amid global uncertainty, and offers the possibility for sustained growth over the medium to long term.

Additionally, for investors from developed economies, the combination of India's enormous domestic potential for growth, continuing efficiencies of cost as compared to their home markets and availability of the required talent pool continue to be significant attractions.

As mentioned during earlier years in this analysis, continued demand for commercial real estate in Mumbai is dependent on the City continuing to be an investment destination of choice for Indian as well as multinational corporates. Over the past approx. two decades, other metros in India have also established themselves as vibrant and attractive destinations for commercial real estate by offering a business / investment friendly climate, with lower living costs for employees, and competitive salary costs and real estate prices for employers.

In this context, successive and continuing State Government initiatives to simplify the regulatory and ease of doing business frame work in Maharashtra and Mumbai are welcome and much needed. The successful implementation of these initiatives and the improving transport and allied infrastructure, should help Mumbai in retaining its pre-eminent position as a preferred business / investment destination in India.

The traditional strengths of Mumbai, including its Financial Services Industry, business ethos and a large, cosmopolitan and educated work force remain

very relevant, and should also continue to enhance the City's desirability as a dynamic and competitive international investment destination.

At the Central Government level too, investors and entrepreneurs look forward to the continuance of stable, pro investment and business supportive policies, which incrementally build on existing legislation and / or introduce fresh initiatives targeted to accelerate investment, infrastructure, job creation and economic growth.

From a real estate perspective, the increasing emergence of, and investor response to Indian Real Estate Investment Trusts (**REITs**) are welcome, and should continue to lead to the broadening and deepening of the real estate capital markets in India.

With the help of a supportive regulatory framework for SM-REITs, fractional ownership of commercial real estate is on the rise, thereby increasing the attractiveness of the real estate sector as an alternate investment vehicle.

iii. Demand for Commercial Real Estate in Suburban Mumbai

Demand for commercial real estate in suburban Mumbai continues to be driven by the Information Technology (IT), the multinational Banking and Financial Services Industries (BFSI) and, to some extent, corporate offices sectors. The demand from multinationals, especially in the GCC sector, has been increasing over the past years. With the cost arbitrage available in India as compared to developed economies, this trend is likely to continue for the foreseeable future. However, it may be mentioned that the increasingly inward looking and 'onshoring' economic policies and trends in the United States, can lead to a change in the present mutually beneficial relationship, and needs to be carefully analysed, and, to the extent possible, anticipated.

Though demand is strong, the business model for these sectors continues to be based on relatively inexpensive commercial real estate, in suburbs beyond Borivali in the West, Mulund in the East, in satellite cities like Navi Mumbai, and in other cities in India like Pune, Hyderabad and Bangalore. These markets could keep commercial rates under pressure in the Company's micro market.

However, the demand for high quality, well planned ESG conscious and professionally managed commercial developments like NKP in your Company's micro market is estimated to remain steady. The micro market, and specifically NKP itself, is advantageously located on the Western Express Highway and is in close proximity to the commuter rail network, the Mumbai Metro and the airport. The creation of the Metro Line in Mumbai with a Metro station approx. 300 metres South East of NKP is a tremendous additional connectivity advantage to NKP. In addition, emergence of the recently opened Coastal Road which connects the suburbs of Bandra directly to South Mumbai via the Bandra-Worli Sea Link has greatly enhanced intra-city connectivity. The entire coastal road, when complete, will significantly improve connectivity from/to the northern part of Mumbai, where NKP is located. These infrastructure developments further enhance Mumbai's position as a preferred destination of Grade A Licensees such as International Banks and Financial Services Companies.

3. Material developments in Human Resources / Industrial Relations, including number of people employed by the Company

As per statutory requirements, during the F.Y.2024-25, there were 3 (three) employees and all were Key Managerial Personnel i.e. the Executive Director & Chief Executive Officer, the Company Secretary and the Chief Financial Officer.

4. Details of Significant Changes (i.e. change of 25% or more as compared to the immediately previous financial year) in the following key Financial Ratios:

- a. Current Ratio: Increased by 203.97%** on account of increase in cash & cash equivalents.
- b. Net Capital Turnover ratio: Increased by 81.35%** on account of increase in revenue and reduction in net average working capital.

5. Disclosure of Accounting Treatment & Internal Financial Controls:

In the preparation of the annual Financial Statements for the F.Y. ended March 31, 2025, the applicable Accounting Standards have been followed along with proper explanations relating to material departures, if any.

NIRLON

The Directors have laid down proper internal financial controls to be followed by the Company, and such financial controls are adequate and have been operating effectively.

27. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same approach to adapt or mitigate the risk along-with its financial implications, as per the following format

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Environmental Green building practices (including energy efficiency, water conservation, waste management, sustainable materials, indoor environment quality, etc.) are material to NKP due to the nature of business. If neglected, there may be a significant impact on the environment, operational efficiency, and stakeholder well-being. NKP has been designed and developed with a strong emphasis on sustainability and environmental responsibility. NKP Phase I to V have achieved LEED Gold and Platinum, LEED Zero Water for sustainable water practices and Platinum level TRUE certificate for Waste Management. Green buildings cater to climate change adaptation and mitigation and also align with the sustainability goals of occupants.	Opportunity	The development of sustainable green buildings by NKP help in achieving improved operational efficiency and overall well-being of the occupants. This is a significant opportunity for the Company towards reducing its energy consumption and associated carbon footprint, water conservation, waste management, among other areas, thereby reducing operational cost.	NA	Positive Implication The financial impact of this opportunity is higher capital costs during the development stage. However, there is improved marketability post completion with a larger profile of potential clients who are also committed to the same goal of sustainable business practices. In addition, achievement of operation efficiency by developing green buildings, helps in reducing the operational cost of running the asset.
2	Social Community initiatives: The Company is committed to supporting local community initiatives in the areas of healthcare, education, environment and to improve the quality of life for disadvantaged sections of society. These initiatives are undertaken as part of the CSR program.	Opportunity	The Company's focus on improving social infrastructure, the environment and disadvantaged sections of society is an opportunity to help/support the local community in its neighborhood in a direct, meaningful and expeditious manner.	NA	Negative Implication Financial implications are the cost of implementing and driving community initiatives.
3	Health, safety and wellbeing Considering the nature of the business of NKP, health, safety and wellbeing is of high importance. Recognizing the importance of a safe and secure environment, NKP has implemented comprehensive health and safety management systems and procedures across the knowledge park to ensure a healthy and safe environment for licensees and other stakeholders. These initiatives not only safeguard individuals but also enhance stakeholder trust. By prioritizing health and safety, NKP aligns with best practices and regulatory standards, reinforcing its commitment to responsible business conduct.	Opportunity	For NKP, prioritizing health and safety is not only an ethical imperative and a regulatory obligation, but also a strategic opportunity that aligns with the company's commitment to responsible business conduct. Implementing robust health and safety management systems enhances efficiency, employee well-being, and stakeholder trust.	NA	Positive implication Effective safety programs lead to mitigation of workplace incidents, thereby minimizing expenses related to medical treatments, workers' compensation, and equipment repairs, insurance premiums and enhance employee productivity, thereby reducing associated costs.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N)
No.

8. Does the entity have any project related to reducing Green House Gas emission? If yes, then provide details.

Yes. NKP's focus on carbon footprint reduction and sustainable design is a strategic opportunity that drives operational excellence, stakeholder engagement, and long-term financial performance. The Company's Design Philosophy and Master Plan have incorporated sustainability and a 'Green' ethos since inception.

The Company is proactively focusing on optimizing energy consumption and transitioning towards renewable energy sources to reduce greenhouse gas emissions and support an environmentally- friendly ecosystem. Measures such as sourcing of 100% renewable energy for NKP common areas, implementing energy-efficient systems and equipment, etc. have been implemented. Please refer to Q4 under leadership indicator, principle 6 for more details.

9. Provide details related to waste management by the entity, in the following format:

* Waste data reported above includes waste from common areas only, most of which is recovered from licensees. This does not include waste quantity of licensees.

** The quantity reported for plastic waste in FY25 is significantly lower compared to FY24. This is due to the reporting approach-FY24 figures included mixed dry waste, which encompassed plastic waste, whereas in FY25, only plastic waste has been reported separately.

*** The increase in e-waste reported for FY25 compared to FY24 is attributed to the disposal of electronic equipment that reached the end of its operational life.

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by the Company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

The Company has adopted a comprehensive waste management process to store, manage, handle, transport and dispose all categories of waste generated in the knowledge park. The Company follows a process of Re-Use, Reduce and Re-Cycle to minimize waste reduction. It has employed a robust waste management system that emphasizes segregation, recycling, and responsible disposal:

- Segregation and Recycling: Waste is meticulously sorted into categories such as organic, inorganic, and hazardous materials.*
- Organic Waste Processing: Organic waste is composted on-site, converting it into nutrient-rich manure used for landscaping.*
- E-Waste Management: Electronic waste is collected and sent to authorized recyclers, ensuring safe disposal and recovery of valuable materials.*
- Hazardous Waste Handling: Other hazardous waste is stored securely and disposed of through certified vendors, adhering to environmental regulations.*

11. 5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Yes, Nirlon Knowledge Park (NKP) has developed a comprehensive Emergency Preparedness Plan to address various emergency situations such as fires, floods, and earthquakes, among others. This helps the Company to effectively manage any potential emergencies within its operations, construction and maintenance. This plan encompasses clear communication protocols, procedures for hazard prevention and mitigation, and first aid provisions. It ensures effective emergency management, by promptly notifying and escalating emergencies to the appropriate levels for immediate action and resolution. This contributes to minimizing risk and its adverse implications on all relevant stakeholders.

In the event of an emergency, the situation is thoroughly investigated, and appropriate preventive measures are implemented to avoid future occurrences. The park's commitment to safety and environmental standards is further demonstrated through its certifications, including LEED Gold and Platinum ratings and the WELL Health-Safety Rating.

Leadership Indicators

1. Channels / platforms where information on products and services of the entity can be accessed (provide web link, if available).

<https://www.nirlonltd.com/>

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

Nirlon Limited recognizes the importance of creating awareness and educating its occupiers on safe and responsible usage of its premises and services. Campus Guidelines and Waste Management Guidelines have been developed for licensees. In addition, health and safety infrastructure with appropriate signages have been developed and periodic fire drills are conducted across the office park to spread awareness on safe and responsible conduct.

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

The Company has robust Standard Operating Procedures and a Crisis Management Policy in place to ensure business continuity and effective communication in the event of disruptions due to natural disasters, infrastructure failures, or security threats. The Crisis Management Team (CMT), composed of key personnel including Operations, Property Management, Engineering, Security, and Fire Safety representatives, is responsible for immediate response, coordination, and restoration activities during emergencies.

The policy outlines specific response procedures for various scenarios such as fires, floods, earthquakes, bomb threats, and terrorist attacks. For each type of crisis, communication mechanisms are clearly defined to ensure timely information dissemination to all stakeholders, including occupants and licensees.

This ensures that all relevant stakeholders are promptly informed of any potential or actual disruptions, thereby ensuring safety and preparedness.

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/NA) If yes, provide details in brief. INDEPENDENT AUDITOR'S REPORT

To the Members of Nirlon Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Nirlon Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income/Loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its profit including other comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Key audit matters	How our audit addressed the key audit matter
Related party transactions (Refer note 31 of the financial statements)	
The Company has paid ₹ 1,690 lakhs for property and lease management services to Nirlon Management Services Private Limited, a related party. Determination of transaction price for such related party transactions is a key audit matter considering the significance of the transaction and the judgements involved in determining the transaction value.	Our procedures included the following: <ul style="list-style-type: none">• Verified the compliance with the various requirements for entering into such related party transactions.• Obtained an understanding of the process and tested internal controls over related party transactions through inspection of evidence of performance of these controls.• Performed the test of details including the following key procedures:<ul style="list-style-type: none">• Read the reports obtained by management from external experts;• Read the approvals obtained from audit committee, board of directors and shareholders for the transactions;• Assessed the disclosures in the Financial Statements for compliance with relevant accounting standards and other regulations.

We have determined that there are no other key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Ind AS financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of the Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income/loss, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors and Those Charged with Governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on

NIRLON

the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

The interim dividend declared and paid by the Company during the year and until the date of this audit report is in accordance with section 123 of the Act.

As stated in note 35 to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, audit trail feature is not enabled for direct changes to data when using certain access rights, as described in note 38 to the financial statements. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, in respect of accounting software where the audit trail has been enabled. Additionally, the audit trail of relevant prior years has been preserved by the company as per the statutory requirements for record retention, to the extent it was enabled and recorded in those respective years, as stated in Note 38 to the financial statements.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF Nirlon Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Nirlon Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NIRLON

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to Financial Statements as at and for the Year ended March 31, 2025

Background of the Company

Nirlon Limited (the Company) (CIN: L17120MH1958PLC011045) is a Company limited by shares, incorporated and domiciled in India. The Company is engaged in development and management of the industrial park/ information technology (IT) park. The registered office of the Company is located at Pahadi Village, Off the Western Express Highway, Goregaon (East), Mumbai.

The financial statements were approved for issue in accordance with a resolution passed by the Board of Directors of the Company on 21 May 2025.

The financial statements once approved by the Board of directors needs to be adopted by the shareholders at the annual general meeting of the company. The Board of directors can withdraw and re-issue the financial statements so adopted only in specific cases such as non-compliance with the applicable accounting standards, with the approval of Tribunal, after following the appropriate procedure as per Companies Act, 2013.

Note 1: Material Accounting Policies

(a) Basis of preparation

(i) Compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value (Refer accounting policy for financial instruments)

The financial statements are presented in Indian Rupees ('INR') and all values are rounded to nearest lakhs (₹ 00,000), except when otherwise indicated.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

(ii) Current versus Non-current classification

The Company segregates assets and liabilities into current and non-current categories for presentation in the Balance Sheet after considering its normal operating cycle and other criteria set out in Ind AS 1, "Presentation of Financial Statements".

For this purpose, current assets and liabilities include the current portion of non-current assets and liabilities respectively. Deferred tax assets and liabilities are always classified as non-current. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period up to twelve months as its operating cycle.

(b) Property, plant & equipments

All items of property, plant and equipment are stated at historical cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Capital work- in- progress includes cost of property, plant and equipment under installation / under development as at the Balance Sheet date.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant & equipments has been provided on straight line method over the estimated useful lives of the assets, based on technical evaluation done by management's expert, which are lower than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets.

Useful life considered for calculation of depreciation for various assets class are as follows-

Asset class	Useful Life
Office Equipment	3 - 15 years
Furniture & Fixtures	15 years

The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

NIRLON

Notes to Financial Statements as at and for the Year ended March 31, 2025

(c) Investment properties

Property that is held for long-term rental yields or for capital appreciation or for both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction cost and where applicable borrowing costs. Subsequent expenditure is capitalised to assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance cost are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

Though the Company measures investment properties using cost-based measurement, the fair value of investment properties are disclosed in the notes (refer note 3). Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

Depreciation methods, estimated useful lives and residual value

Investment property consists of Freehold Land, Building, Plant & Equipment, Office Equipment and Furniture & Fixture, which is depreciated using the straight line method over the estimated useful lives of the assets, based on technical evaluation done by management's expert, which is at a variance than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Useful life considered for calculation of depreciation for assets class are as follows-

Asset class	Useful Life (in Years)
Buildings	3-75
Plant & Equipments	3-60
Office Equipments	5-30
Furniture & Fixtures	3-30

The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

(d) Impairment of Non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use.

Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(e) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(I) Financial Assets

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

Notes to Financial Statements as at and for the Year ended March 31, 2025

Initial Recognition & Measurement

With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

Subsequent Measurement

For purposes of subsequent measurement financial assets are classified in following categories:

- Debt instruments at fair value through Profit and Loss (FVTPL)
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments at amortised cost
- Equity instruments

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of Profit and Loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income). For investment in debt instruments, this will depend on the business model in which the investment is held. For investment in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for equity instruments at FVTOCI.

Debt instruments at amortised cost

A Debt instrument is measured at amortised cost if both the following conditions are met:

- a) **Business Model Test:** The objective is to hold the debt instrument to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes).
- b) **Cash flow characteristics test:** The contractual terms of the debt instrument give rise on specific dates to cash flows that are solely payments of principal and interest on principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter

period, where appropriate, to the gross carrying amount of the financial asset.

Debt instruments at fair value through OCI

A Debt instrument is measured at fair value through other comprehensive income if following criteria are met:

- a) **Business Model Test:** The objective of financial instrument is achieved by both collecting contractual cash flows and for selling financial assets.
- b) **Cash flow characteristics test:** The contractual terms of the debt instrument give rise on specific dates to cash flows that are solely payments of principal and interest on principal amount outstanding.

Debt instrument included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI), except for the recognition of interest income, impairment gains or losses and foreign exchange gains or losses which are recognised in Statement of Profit and Loss. On derecognition of asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI financial asset is reported as interest income using the EIR method.

Debt instruments at FVTPL

FVTPL is a residual category for financial instruments. Any financial instrument which does not meet the criteria for amortised cost or FVTOCI is classified as at FVTPL. A gain or loss on a Debt instrument that is subsequently measured at FVTPL and is not a part of a hedging relationship is recognised in statement of profit or loss and presented net in the Statement of Profit and Loss within other gains or losses in the period in which it arises. Interest income from these Debt instruments is included in other income.

Equity Instruments

For all equity instruments, the Company may make an irrevocable election to present in other comprehensive income all subsequent changes in the fair value.

The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

NIRLON

Notes to Financial Statements as at and for the Year ended March 31, 2025

Derecognition

A financial asset is derecognised only when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a “pass through” arrangement and either:
 - (a) The Company has transferred the rights to receive cash flows from the financial assets or
 - (b) The Company has retained the contractual right to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all the risks and rewards of the ownership of the financial assets. In such cases, the financial asset is derecognised.

Where the entity has not transferred substantially all the risks and rewards of the ownership of the financial assets, the financial asset is not derecognised. Where the Company has neither transferred nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 34 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognise on initial recognition of the receivables.

(II) Financial Liabilities

The measurement of financial liabilities depends on their classification, as described below:

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end

of financial year which are unpaid. The amounts are unsecured and are usually paid within 120 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at fair value and subsequently measured at amortised cost using EIR method.

Borrowings

Borrowings are initially recognised at fair value, net of transaction cost incurred. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method.

Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortization process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

Lease Deposits

Lease deposits received are financial liability and need to be measured at fair value on initial recognition. The difference between the fair value and the nominal value of deposits is considered as rent in advance and recognised over the lease term on a straight line basis. Unwinding of discount is treated as interest expense (finance cost) for deposits received and is accrued as per the EIR method.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(III) Derivative financial instruments

Derivative financial instruments such as forward contracts are taken by the Company to hedge its foreign currency risks, are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

Notes to Financial Statements as at and for the Year ended March 31, 2025

(IV) Offsetting of financial instruments

Financials assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(f) Fair Value Measurement

The Company measures certain financial instruments at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

(g) Taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The Company's liability for current tax is calculated using the Indian tax rates and laws that have been enacted at the end of the reporting period. The Company periodically evaluates positions taken in the tax returns with respect

to situations in which applicable tax regulations are subject to interpretations. It establishes provisions where appropriate on the basis of amount expected to be paid to tax authorities.

Deferred income tax is provided in full, using the Balance Sheet approach on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(h) Employee Benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to

NIRLON

Notes to Financial Statements as at and for the Year ended March 31, 2025

the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Other long-term employee benefit obligations

The liabilities for compensated absences that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the Balance Sheet if the entity does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity and
- (b) Defined contribution plans such as provident fund, Employee State Insurance Corporation (ESIC).

(iv) Termination Benefits

Termination benefits are expensed at the earlier of when the Company can no longer withdraw the offer of those benefits and when the Company recognizes cost of a restructuring. If benefits are not expected to be settled wholly within 12 months of the reporting date, then they are discounted.

Gratuity Obligations

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and

the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet.

Defined Contribution plans

Defined Contribution Plans such as Provident Fund and ESIC are charged to the Statement of Profit and Loss as an expense, when an employee renders the related services. If the contribution payable to scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset.

(i) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(j) Earnings per share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Notes to Financial Statements as at and for the Year ended March 31, 2025

(k) Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition/construction of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings.

Investment income earned on the temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

(l) Foreign currency translation

Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (i.e. functional currency). The financial statements are presented in Indian rupee (₹), which is Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year-end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing cost are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other income or other expenses.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(m) Provisions & contingent liabilities

Provisions

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the probability of outflow of resources is remote.

(n) Leases

Company as a lessor

At inception of contract, the Company assesses whether the Contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At inception or on reassessment of a contract that contains a lease component, the Company allocates consideration in the contract to each lease component on the basis of their relative standalone price.

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

NIRLON

Notes to Financial Statements as at and for the Year ended March 31, 2025

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

(o) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

(p) Revenue recognition

Revenue from contract with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue from operations also consist of the revenue received/ receivable from tenants for the Common Area Maintenance (CAM) services provided as per the terms of agreement with the tenants and third parties, if any.

Contract assets are transferred to receivables when the rights become unconditional. Contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract liabilities are recognised as revenue as and when the performance obligation is satisfied. Contract liability is the entity's obligation to transfer goods or services to a customer for which the entity has received consideration from the customer in advance.

Leasing Income

License fee / lease income and income incidental to it, arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms, unless there is another systematic basis which is more representative of the time pattern of the lease.

Other operating revenue comprises of car parking charges which are recognised as income as per the terms and conditions of the agreement with lessees.

Interest income

Interest income from debt instruments is recognised using the effective interest rate method.

Insurance claims and scrap sales are accounted for in the books on an accrual basis.

(q) Dividend distribution to equity shareholders

The Company recognises a liability to pay dividend to equity holders when the distribution is authorised, and the distribution is no longer at the discretion of the Company. A corresponding amount is recognised directly in equity.

(r) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgments are:

- Estimation of Useful life of Property, plant and equipment and Investment property (Note 2 and 3)
- Estimation of taxes (Note 16 and 26)
- Estimation of provision and assessment of the likely outcome of contingent liabilities (Note 28)
- Estimation of fair value measurement of financial assets and liabilities (Note 33)

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(s) New and amended standards

The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2024. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

• Ind AS 117 Insurance Contracts

The Ministry of corporate Affairs (MCA) notified the Ind AS 117, Insurance Contracts, vide notification dated 12 August 2024, under the Companies (Indian Accounting Standards) Amendment Rules, 2024, which is effective from annual reporting periods beginning on or after 1 April 2024.

Ind AS 117 Insurance Contracts is a comprehensive new accounting standard for insurance contracts covering recognition and measurement,

Notes to Financial Statements as at and for the Year ended March 31, 2025

presentation and disclosure. Ind AS 117 replaces Ind AS 104 Insurance Contracts. Ind AS 117 applies to all types of insurance contracts, regardless of the type of entities that issue them as well as to certain guarantees and financial instruments with discretionary participation features.

The application of Ind AS 117 had no impact on the Company's financial statements as the Company has not entered any contracts in the nature of insurance contracts covered under Ind AS 117.

- **Ind AS 116 Leases – Lease Liability in a sale and leaseback**

The MCA notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, which amend Ind AS 116, Leases, with respect to Lease Liability in a Sale and Leaseback.

The amendment specifies the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction, to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right of use it retains.

The amendment is effective for annual reporting periods beginning on or after 1 April 2024 and must be applied retrospectively to sale and leaseback transactions entered into after the date of initial application of Ind AS 116.

The amendment had no impact on the Company's financial statements.

(t) Standards notified but not yet effective

D. Terms and conditions of transactions with related parties:

The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. Transactions relating to dividends were on the same terms and conditions as applied to other shareholders. For the year ended March 31, 2025, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (March 31, 2024: ₹ Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

II) Defined benefit plans

Gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement / termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is an unfunded plan.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation and the plan assets as at Balance Sheet date:

Particulars	(₹ in lakh)	
	As at March 31, 2025	As at March 31, 2024
Defined benefit obligation	28.23	25.50
Net defined benefit obligation	28.23	25.50
Classified in the financial statements as under:		
Current liabilities	1.43	1.10
Non-current liabilities	26.80	24.40
	28.23	25.50

(i) Reconciliation of the net defined benefit liability

The following table shows a reconciliation from the opening balances to the closing balances for net defined benefit (asset) liability and its components:

Particulars	(₹ in lakh)	
	Year ended March 31, 2025	Year ended March 31, 2024
Opening liability	25.50	22.14
Past Service Cost	0.28	-
<i>Expense recognised in statement of Profit and Loss</i>		
Interest cost	1.74	3.12
<i>Actuarial gains / (losses) recognised in other comprehensive income</i>		
Loss from change in demographic assumptions	0.93	0.28
Changes in financial assumptions	(0.22)	(0.04)
Closing liability	28.23	25.50

(ii) Actuarial assumptions

The following were the principal actuarial assumptions at the reporting date (expressed as weighted averages).

Particulars	As at March 31, 2025	As at March 31, 2024
Mortality	IALM (2012-14) Ultimate	IALM (2012-14) Ultimate
Employee Attrition Rate (Past Service (PS))	PS: 0 to 5 years - 5% PS: 5 to 42 years- 1.5%	PS: 0 to 5 years - 5% PS: 5 to 42 years- 1.5%
Discount rate	6.35%	6.97%
Salary growth rate	8.00%	8.00%

Notes to Financial Statements as at and for the Year ended March 31, 2025

(iii) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Increase in assumptions		Decrease in assumptions	
	As at March 31, 2025	As at March 31, 2024	As at March 31, 2025	As at March 31, 2024
Discount rate (1% movement)	(1.50)	(1.54)	1.59	1.64
Salary growth rate (1% movement)	(0.01)	0.01	(0.01)	(0.01)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance Sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the previous year.

Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

- Interest rate risk : A decrease in the bond interest rate will increase the plan liability.
- Longevity risk : The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
- Salary risk : The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

(iv) The weighted average duration of the defined benefit obligation is 5.84 years (March 31, 2024 – 6.74 years)

(v) Expected future cash flows

(₹in lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Less than a year	1.43	1.09
Between 1 - 2 years	0.86	0.84
Between 3 - 5 years	2.63	2.56
Beyond 5 years	36.65	35.77

III) Other employee benefits

The liability for compensated absences as at March 31, 2025 is ₹ 26.46 lakhs (March 31, 2024 ₹ 20.15 lakhs).

33. Fair Value Measurements

A. Accounting classification and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

There are no financial assets and liabilities designated at Fair value through other comprehensive income.

*Level 2 of fair value hierarchy

B. Measurement of fair value

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and cash equivalents, other bank balances, trade receivables, other current financial assets, trade payables, security deposits from licensees and other current financial liabilities approximate their carrying amounts largely due to short term maturities of these instruments.
2. The fair values of the Company's interest-bearing borrowings are determined by using discounted cash flow method using discount rate that reflects the borrowing rate as at the end of the reporting period. The own non-performance risk as at March 31, 2025 and March 31, 2024 was assessed to be insignificant.

C. Fair value hierarchy

The fair value of financial instruments as referred to above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

During the year there were no transfer between level 1 & level 2 and no transfer into & out of level 3 fair value measurements.

Notes to Financial Statements as at and for the Year ended March 31, 2025

34. Financial risk management

The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors have established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee reports regularly to the Board of Directors on its activities. The Company's financial risk management is an integral part of how to plan and execute its business strategies.

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk and
- Market risk

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables. The carrying amounts of financial assets represent the maximum credit risk exposure.

Particulars	(₹in lakh)	
	As at March 31, 2025	As at March 31, 2024
Trade receivables	381.68	319.80
Cash and bank balances	17,393.60	6,095.22
Other financial assets	1,511.58	1,245.38
Total	19,286.86	7,660.40

i. Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However credit risk with regards to trade receivable is not significant for the Company as the Company has 3 to 12 months of rentals as deposit from the licensees.

ii. Cash and bank balances

The Company held cash and cash equivalent and other bank balance of ₹ 17,393.60 lakhs as at March 31, 2025 (March 31, 2024: 6,095.22 lakhs). The same are held with banks and financial institutions with good credit rating. Also, the Company invests its short term surplus funds in bank fixed deposit which carry no mark to market risks for short duration, therefore does not expose the Company to credit risk.

iii. Other financial assets

The Company has held other financial assets which majorly comprise of the security deposits, margin money held with banks and recoverable from related parties. The margin money held is with the banks and financial institution with good credit rating. The security deposits are held with reputed power distribution company and municipal corporation for water supply, therefore does not expose the Company to credit risk.

(B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

	24,954.33	11,691.09	1,93,038.52	2,29,683.94	1,46,571.38

(C) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk), will affect the Company's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates is very minimal. There are no foreign currency payables or receivable as at the end of each reporting period for which Company is exposed to foreign currency risk.

The Company closely tracks and observes the movement of foreign currency with regards to ` and also forward cover rate. The Company decides to cover or keep the foreign currency exposure open based on the above.

(ii) Cash flow and fair value interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long term debt obligation at floating interest rates.

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

35. Capital management**a. Risk Management**

For the purpose of Company's capital management, capital includes issued equity share capital, securities premium, all other equity reserves attributable to the equity shareholders of the Company and borrowings. The primary objective of the Company's capital management is to ensure that it maintains an efficient capital structure and maximises shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions, annual operating plans and long term and other strategic investment plans. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders or issue new shares. No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2025 and March 31, 2024.

The Company monitors capital using a ratio of 'adjusted net debt' to 'equity'. For this purpose, adjusted net debt is defined as interest-bearing loans and accrued interest thereon less cash and bank balances. Equity comprises all components of equity including share premium and all other equity reserves attributable to the equity share holders.

The Company's adjusted net debt to equity ratio is as follows.

(₹in lakh)
