## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We submit herewith the “Management Discussion and Analysis Report” on the business of the Company as applicable to the extent relevant.

### ECONOMIC AND INDUSTRY OVERVIEW

#### **GLOBAL ECONOMY**

Manufacturing and goods trade remain soft, while services are comparatively resilient. Global textiles are growing steadily on the back of “China+1” sourcing shifts, sustainability regulations, and demand for technical textiles. The global textile market is estimated at about USD 760 billion in 2025 and projected to reach ~USD 974 billion by 2030 (CAGR ~5.1%).

#### **INDIAN ECONOMY**

##### **India—textiles and apparel (T&A) snapshot**

- India is the 6th-largest T&A exporter with an estimated **3.9–4.1%** share of global trade. T&A (including handicrafts) comprised **~8.2%** of India’s total exports in **FY24**, and **~8.6%** in **FY25** (provisional).
- **FY24/ FY25 policy:** The Production Linked Incentive (PLI) for Textiles carries a **₹10,683 crore** outlay, focused on MMF and technical textiles; incentive years are FY26–FY30, tied to performance over FY25–FY29. The scheme has begun catalyzing fresh investment and exports.
- **Budget support:** Ministry of Textiles allocation rose from **₹4,417 crore (BE FY25)** to **₹5,272 crore (BE FY26)**, with sizable increases toward PLI, jute, and silk.
- **Market development:** *Bharat Tex 2024* concluded with product launches, MoUs, and investment intents, underscoring India’s push to be a global hub.

##### **Trade headwinds and mitigants**

Export markets (US/EU) remain sensitive to demand and tariff dynamics. Industry bodies flag risks from tariff actions in key markets, reinforcing the need to diversify geographies and leverage FTAs/CEPA corridors (e.g., Japan). Government is courting investment into PM-MITRA parks and evaluating PLI facilitation for smaller firms to scale apparel exports.

# ANNUAL REPORT – 2024-25

---

## 2) Structure and Development of India's Textile Industry

India remains cost-competitive across the value chain, with strengths in raw-material availability, a complete manufacturing ecosystem, and a deep labor pool. Government programs—PLI for Textiles, PM-MITRA parks, RoDTEP/RoSCTL, and skill initiatives—are aimed at scaling MMF and technical textiles, improving compliance and sustainability, and attracting FDI.

## 3) Opportunities

- Technical textiles & MMF: Priority under PLI; majority of approved applications are in technical textiles, indicating a structural shift toward higher-value products.
- Market access & investment: Active outreach to Japan/EU/UK/UAE and use of PM-MITRA parks to anchor integrated value chains and attract OEMs.
- Events & branding: Bharat Tex strengthens buyer linkages and showcases regional capabilities.

## 4) Discussion on Financial and Operational Performance

The financial statements have been prepared in accordance with the Companies Act, 2013 and applicable accounting standards. Detailed financial information is provided in the Balance Sheet, Statement of Profit and Loss, Cash Flow Statement, and notes forming part of this Annual Report.

## 5) Internal Control Systems and Risk Management

The Company maintains a robust internal control framework to safeguard assets, ensure reliable financial reporting, and promote compliance. Independent internal auditors conduct periodic audits across locations; findings and Action Taken Reports are reviewed by the Audit Committee at regular intervals to strengthen control effectiveness.

Key external risks include: raw-material availability and prices (cotton/MMF), global demand cycles, tariff/regulatory actions in key markets, FX volatility, and logistics. Policy support (PLI/PM-MITRA), budget allocations, and export-market diversification partially mitigate these risks.

## 6) Human Resource Development

The Company continues to invest in people, capability building, and a performance-driven culture grounded in trust, transparency, and teamwork. Policies focus on merit-based growth, retention, and productivity.

## 7) Cautionary Statement

This report contains forward-looking statements based on current expectations, estimates, and projections. Actual results may differ materially due to factors including raw-material dynamics, global demand, trade policies, regulatory changes, foreign-exchange movements, and macroeconomic conditions in India and our export markets.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS"), the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, profit, other comprehensive income, change in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**AS part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:**

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls in place with reference to the financial statements and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or if such disclosures are inadequate, to modify our opinion, our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear risk on our independence, and where applicable, related safeguards.

## **ANNEXURE - "B" TO THE AUDITORS' REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of PARAS PETROFILS LIMITED as of 31st March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management, override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
