## VISION OF GROWINGTON

"**Growington Ventures India Limited** " aims to supply each one of our customers with the freshest, highest quality fruits.

In order to turn our vision into a viable reality, our aim is to source fruits from every country, so that the customers can experience the unique taste of every fruit which they never tried before, all with our signature "freshness".

Our commitment is focused on fulfilling the needs of our valued customers, strengthening their confidence, and enhancing the prosperity of growers.

Our vision and mission is to be innovative in this changing era. We believe innovation in this field means constant renewal and improvement — which is why we are open to accept new fruits along with our existing product line.

In the future, we also intend to broaden our business line by launching various outlets in some of the major cities in India.

We wish to contribute towards the healthier, happier society where people can enjoy their livelihood as a result of fair and ethical growing trade.

## CHAIRMAN'S GREETINGS

### **Dear Shareholders,**

I am delighted to share the 15<sup>th</sup> Annual Report of **Growington Ventures India Limited** for the Financial Year 2024-25.

We are thrilled to provide an update on our progress towards establishing the Company as a leading importer and the global trader of premium fruits in India. Looking back on the past year, I am pleased to report that it has been exceptionally fulfilling for our Company, marked by significant strides toward achieving our strategic goals.

I am honored and privileged to have this opportunity to address and share an overview of our Company's performance highlights and accomplishments during the Financial Year 2024-25.

### **"Behind the Balance Sheet: Financial Insights"**

In line with our mission, Growington Ventures India Limited has showcased remarkable financial performance in the current financial year. Looking ahead, we remain steadfast in our pursuit of sustained and progressive growth in the foreseeable future. Our Company has witnessed substantial expansion during this financial year, with the Profit Before Tax (PBT) of Rs. 375.36/- lakhs signifying an impressive 36.09% surge from the preceding year, predominantly fueled by the acquisition of new clients. Furthermore, our Profit After Tax (PAT) for this financial year has soared to Rs. 245.85/- lakhs marking a noteworthy increase of 40.08% as compared in Financial Year 2023-24.

### **Outlook and strategy going forward**

As we reflect on our journey, our steadfast commitment to our vision and mission has propelled us to extraordinary heights in the Financial Year 2024-25. Yet, our ambitions remain undeterred as we set our sights on the promising horizon ahead. Our strategy for the coming years hinges on leveraging our strengths and unwavering dedication to explore new frontiers in diverse geographies. We are poised to expand our teams, forging ahead with resolute determination to conquer new markets.

Furthermore, our focus will be on enhancing customer experiences through value-added services, nurturing deeper relationships, and ensuring heightened satisfaction among our valued clientele.

As we embark on the new Financial Year, we do so with confidence, knowing that the support of our dedicated team members will be instrumental in sustaining our momentum of growth. With optimism and enthusiasm, we eagerly anticipate further expanding our presence both domestically and on the global stage.

**Warm Regards,**

**VIKRAM BAJAJ**  
**CHAIRMAN**

**NOTES:**

1. Pursuant to General Circular No. 09/2024 dated September 19, 2024 issued by the Ministry of Corporate Affairs (MCA), Circular dated October 3, 2024 issued by SEBI and such other applicable circulars issued by MCA and SEBI (the Circulars), and all other relevant circulars issued from time to time, physical attendance of the Members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.growington.in](http://www.growington.in). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) respectively and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
7. Members who would like to express any views, or, during the AGM ask questions do so in advance by sending in writing their views or questions, as may be, along with their name, DP ID and Client ID number/folio number, email id and mobile number, to reach the Company's email address at [growingtons@gmail.com](mailto:growingtons@gmail.com) latest by, 18<sup>th</sup> September, 2025 by 05:00 P.M.

8. When a pre-registered speaker is invited to raise at the AGM his/her questions, already emailed in advance as requested in para (ii) above, but he / she does not respond, the turn will go to the next pre-registered speaker to raise his/her questions. Accordingly, all speakers are requested to get connected to a device with a video/ camera along with stable internet speed.

9. The Company reserves the right to restrict the number of questions/speakers as appropriate, for smooth conduct of the AGM.

10. The Register of Members and Share Transfer books will remain closed from Friday, 19<sup>th</sup> September, 2025 to Thursday, 25<sup>th</sup> September, 2025 (both days inclusive).

**Process for Registration of email addresses:**

**THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-**

**THE REMOTE E-VOTING PERIOD BEGINS ON 22<sup>ND</sup> SEPTEMBER, 2025 AT 09:00 A.M. AND ENDS ON 24<sup>TH</sup> SEPTEMBER, 2025 AT 05:00P.M. THE REMOTE E-VOTING MODULE SHALL BE DISABLED BY NSDL FOR VOTING THEREAFTER. --	--

**Important note:** Members who are unable to retrieve User ID/Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

**Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.**

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at <a href="mailto:evoting@nsdl.com">evoting@nsdl.com</a> or call at 022 - 4886 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at <a href="mailto:helpdesk.evoting@cdslindia.com">helpdesk.evoting@cdslindia.com</a> or contact at toll free no. 1800-21-09911

**B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.**

**How to Log-in to NSDL e-Voting website?**

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

*Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.*

4. Your User ID details are given below:

<b>Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical</b>	<b>Your User ID is:</b>
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example: if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example: if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example: if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
  - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
  - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’,

you need to enter the 'initial password' and the system will force you to change your password.

c) How to retrieve your 'initial password'?

(i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

(ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).

b) **Physical User Reset Password?**" (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).

c) If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.com](mailto:evoting@nsdl.com) mentioning your demat account number/folio number, your PAN, your name and your registered address etc.

d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.

9. After you click on the "Login" button, Home page of e-Voting will open.

**Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.****How to cast your vote electronically and join General Meeting on NSDL e-Voting system?**

1. After successful login at Step 1, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select “EVEN” of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join Meeting”.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

**General Guidelines for shareholders**

1. ### NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors duly met on 28<sup>th</sup> May 2024, 19<sup>th</sup> June 2024, 15<sup>th</sup> July 2024, 12<sup>th</sup> August 2024, 14<sup>th</sup> August 2024, 30<sup>th</sup> August 2024, 16<sup>th</sup> October 2024, 14<sup>th</sup> November 2024, 07<sup>th</sup> January 2025, 03<sup>rd</sup> February 2025, 11<sup>th</sup> February 2025 and 1<sup>st</sup> March 2025. The maximum gap between two Board Meetings was not more than one hundred and twenty (120) days as per the Section 173(1) of the Companies Act, 2013.

The details of Board meetings held during the financial year, attendance of Directors at the meetings, etc., have been provided separately in the report on corporate governance forming part of this Annual Report.

### COMMITTEES OF BOARD

Pursuant to various requirements under the Act and the Listing Regulations, the Board of Directors has constituted various committees such as Audit Committee, Nomination & Remuneration Committee, Stakeholders Relationship Committee, Risk Management Committee and Sexual Harassment Committee.

The details of all the above committees along with composition, terms of reference, attendance at meetings and meetings held during the year, are provided in the “Corporate Governance Report” forming part of this Annual Report.

### DECLARATION FROM INDEPENDENT DIRECTORS ON ANNUAL BASIS

The Independent directors have submitted their declaration of independence, as required under section 149(7) of the Act stating that they meet the criteria of independence as provided in section 149(6) of the Act, read with regulation 16 and 25 of the Listing Regulations, 2015, as amended. The independent directors have also confirmed compliance with the provisions of section 150 of the Act read with rule 6 of Companies (Appointment and Qualifications of Directors) Rules, 2014, as amended, relating to inclusion of their name in the databank of independent directors.

The Board took on record the declaration and confirmation submitted by the independent directors regarding their meeting the prescribed criteria of independence, after undertaking due assessment of the veracity of the same as required under Regulation 25 of the Listing Regulations, 2015.

### MEETING OF INDEPENDENT DIRECTORS

As required under Regulation 25(3) of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and Schedule IV of the Act, Mrs. Ankita Mundhra, Mr. Abhimanyu Kumar and Mr. Dharendra Radheshyam Maurya, the Independent Directors of the Company had a separate meeting held on 03<sup>rd</sup> February, 2025.

### PARTICULARS OF EMPLOYEES

The Company does not have any employee drawing a remuneration beyond the limit in terms of the provisions of Section 197(12) of the Act read with Rules 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

### RELATED PARTY TRANSACTIONS

All Related Party Transactions that were entered into during the Financial Year ended 31<sup>st</sup> March, 2025 were on an arm's length basis and were in the ordinary course of business. Therefore, the provisions of Section 188 of the Companies Act, 2013 were not attracted. Further, there are no materially significant related party transactions during the year under review made by the Company with Promoters, Directors, or other designated persons which may have a potential conflict with the interest of the Company at large. Thus, disclosure in Form AOC-2 is not required. However, the disclosure of transactions with related party for the year, as per Accounting Standard-18 - Related Party Disclosures is given in Note No. 37 to the Balance Sheet as on 31<sup>st</sup> March, 2025.

### STATEMENT IN RESPECT OF ADEQUACY OF INTERNAL FINANCIAL CONTROL WITH REFERENCE TO THE FINANCIAL STATEMENTS

The Company has documented its internal financial controls considering the essential components of various critical processes, both physical and operational. This includes its design, implementation and maintenance, along with periodic internal review of operational effectiveness and sustenance and whether these are commensurate with the nature of its business and the size and complexity of its operations.

This ensures orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention of errors, accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

Internal financial controls with reference to the financial statements were adequate and operating effectively.

### POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND SENIOR MANAGEMENT

The Company has formulated and adopted a Nomination and Remuneration Policy in accordance with the provisions of Companies Act, 2013 read with the rules issued thereunder and the Listing Regulations, 2015. The said Policy of the Company, inter alia, formulates the criteria for appointment of Executive, Non-Executive and Independent Directors on the Board of Directors of the Company and persons in the Senior Management of the Company, their remuneration and such other matters as provided

under sub-section (3) of Section 178 of the Act.

The policy aims to attract, retain and motivate qualified people at the executive and at the board levels and ensures that the interests of Board members & senior executives are aligned with the business strategy, objectives, values and long-term interests of the Company. The Policy is available on the website of the Company at [www.growington.in](http://www.growington.in).

Disclosure regarding Managerial Remuneration as required under Section 197(12) of the companies act, 2013 read with rule 5(1) of the companies (Appointment and Remuneration of Managerial Personnel) rules, 2014 is attached to the Board's Report as **Annexure - E**

#### **ESTABLISHMENT OF CORPORATE SOCIAL RESPONSIBILITY (CSR) POLICY AND RELATED DISCLOSURE/ COMPLIANCES**

The Board of Directors confirms that the provisions as laid down in Section 135 of the Companies Act, 2013 and the rules made thereunder is not applicable to our Company for the Financial Year 2024-25 and hence, no disclosure is required to be given by the Board.

The Company has not formed any Corporate Social Responsibility Committee as the provisions of Section 135 of the Companies Act, 2013 relating to formation of such a Committee and the formulation of a Corporate Social Responsibility Policy is not applicable to the Company.

#### **PREVENTION OF SEXUAL HARASSMENT AT WORKPLACE**

Your Company firmly believes in providing a safe, supportive, and friendly workplace environment. A positive workplace environment and great employee experience are integral part of its culture. Your Company continues to take various measures to ensure a workplace free from discrimination and harassment based on gender.

Your Company has a Sexual Harassment Committee to provide clarity around the process to raise such a grievance and resolved. During the Financial Year 2024-25, there was no complaint as regards sexual harassment received by the Committee during the year. Disclosures in relation to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 are provided in the 'Business Responsibility and Sustainability Report and Corporate Governance Report forming part of this Annual Report.

#### **MAINTENANCE OF COST RECORDS**

The Company is not required to maintain Cost Records.

#### **DIRECTORS' RESPONSIBILITY STATEMENT**

Pursuant to Section 134 (5) of Companies Act, 2013, the directors would like to state that:

- a) in the preparation of the Annual Accounts for the year ended March 31<sup>st</sup> 2025, the applicable accounting standards have been followed and there are no material departures from the same;
- b) the directors have selected such accounting policies and applied them consistently and made judgments and estimates, that are reasonable and prudent, so as to give a true and fair view of the state of affairs of the Company at the end of the financial year i.e., March 31, 2025;

- c) the directors have taken proper and sufficient care for the maintenance of adequate accounting records, in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the directors have prepared the annual accounts on a 'going concern' basis;
- e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and
- f) the directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

#### **DEVELOPMENT AND IMPLEMENTATION OF RISK MANAGEMENT POLICY**

The Company has a comprehensive risk management framework that seeks to minimize adverse impact on business objectives and ensures appropriate identification and treatment of risks. The Company understands that risk evaluation and risk mitigation is an ongoing process within the organization and is fully committed to identify and mitigate the risks in the business. The identification of risks is done at strategic, business and operational levels. The Company has formulated and implemented a risk management policy in accordance with Listing Regulations, to identify and monitor business risk and assist in measures to control and mitigate such risks.

The Company, through its risk management process, aims to contain the risks within its risk appetite. There are no risks which in the opinion of the Board threaten the existence of the Company. However, some of the risks which may pose challenges are set out in the Management Discussion and Analysis which forms part of this Annual Report.

#### **STATEMENT OF DEVIATION AND/ OR VARIATION IN UTILIZATION OF PROCEEDS PURSUANT TO REGULATION 32 OF SEBI (LISTING OBLIGATION AND DISCLOSURE REQUIREMENTS) REGULATION, 2015**

As per Regulation 32 of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, the Company have submitted to the stock exchange, the statement indicating deviation, if any, in the use of proceeds from the objects stated in the offer document, indicating category wise variation between projected utilization of funds made by it in its offer document, as applicable and the actual utilization of funds.

The Board of Directors at the general meeting held on 12<sup>th</sup> March, 2022 seek the shareholder's approval by way of Special Resolution for raising the funds upto 7500000 warrants out of which company had issued 73,99,998 warrants at a price of Rs. 13.50/- each entitling them for subscription of equivalent number of Equity Shares of Rs. 10/- each. The Company has received an amount of Rs. 9,98,99,973.00 towards issue of convertible warrants into Equity Shares (One Equity Share for one warrant issued) on preferential basis and fully utilized Rs. 9,98,99,973.00 till 30.09.2024. The object of raising the funds were to utilize the proceeds in the expansion and diversification its business, meet long-term working capital, general corporate purpose and such other purpose as the Board may decide from time to time. The report on the utilization of issue proceeds is attached to the Board's Report as **Annexure - F.**

**VIGIL MECHANISM/WHISTLE BLOWER POLICY**

The Company is committed to highest standards of ethical, moral and legal business conduct. Accordingly, the Board of Directors has formulated a Whistle Blower Policy which is in compliance with the provisions of Section 177(10) of the Companies Act, 2013. The employees are free to report any instances of unethical behavior, actual or suspected fraud, violation of applicable laws and regulations, violation of code of conduct, financial irregularities, abuse of authority, disclosure of price sensitive information etc. The Policy provides for adequate safeguards against victimization of Directors and Employees who avail of the mechanism and also have provided them direct access to the Chairman of the Audit Committee. It is affirmed that no case was reported under this policy during the period under review. The Vigil Mechanism/ Whistle Blower Policy is available on the website of the Company at [www.growington.in](http://www.growington.in).

**DETAILS OF APPLICATION/ ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016.**

Neither any application was made nor any proceeding is pending under the Insolvency and Bankruptcy Code, 2016.

**DETAILS OF DIFFERENCE BETWEEN AMOUNT OF THE VALUATION DONE AT THE TIME OF ONE TIME SETTLEMENT AND THE VALUATION DONE WHILE TAKING LOAN FROM BANKS OR FINANCIAL INSTITUTIONS ALONG WITH THE REASONS THEREOF.**

As Company has not done one time settlement during the period under review, hence no disclosure is required.

**ACKNOWLEDGEMENTS**

Your directors place on records their deep appreciation to employees at all levels for their hard work, dedication and commitment. The enthusiasm and unstinting efforts of the employees have enabled to remain at the forefront of the Company.

The Directors would like to thank shareholders, government agencies, bankers & all other business associates for their continued support during the year. We place on record our appreciation for the contributions made by the employees at all levels.

**FORM NO. MR-3 SECRETARIAL AUDIT REPORT**  
**FOR THE FINANCIAL YEAR ENDED 31<sup>st</sup> MARCH, 2025**

*[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]*

To,  
The Members,  
**GROWINGTON VENTURES INDIA LIMITED**  
Shiv Chamber, 4th Floor,  
Plot No. 21, Sector – 11,  
CBD Belapur  
Navi Mumbai – 400614

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **GROWINGTON VENTURES INDIA LIMITED** (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

The Company’s Management is responsible for preparation and maintenance of secretarial and other records and for devising proper systems to ensure compliance with the provisions of applicable laws and Regulations.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31<sup>st</sup> March, 2025, to the extent applicable, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct investment and External Commercial Borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), to the extent applicable:

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; as amended
- b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; as amended
- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999, as replaced by the SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021: Not Applicable during the year under review.
- e) The Securities & Exchange Board of India (Issue and listing of Debt securities) Regulations, 2008: No instances were reported during the year under review.
- f) The Securities & Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
- g) The Securities & Exchange Board of India (Delisting of Equity Shares) Regulations, 2009: No delisting was done during the year under review.
- h) The Securities & Exchange Board of India (Buyback of Securities) Regulations, 2018; as amended: No buy-back was done during the year under review.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) Provisions of Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as applicable on the Company being listed on Main Board of the Bombay Stock Exchange;

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

**We further report that:**

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

b) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

c) None of the Directors in any meeting dissented on any resolution and hence there was no instance of recording any dissenting member's view in the minutes.

It is stated that the compliance of all the applicable provisions of the Companies Act, 2013 and other laws is the responsibility of the management. We have relied on the representation made by the Company and its officers for systems and mechanism set-up by the Company for compliances under applicable Laws. Our examination, on a test-check basis, was limited to procedures followed by the Company for ensuring the compliance with the said provisions. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted its affairs. We further state that this is neither an audit nor an expression of opinion on the financial activities / statements of the Company.

**We further report that** there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

## **CORPORATE GOVERNANCE REPORT**

---

The Directors present the Company's Report on Corporate Governance for the year ended 31<sup>st</sup> March, 2025 in terms of Regulation 34(3) read with Schedule V of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirement), Regulations, 2015 ("Listing Regulation").

### **PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE**

Corporate Governance encompasses laws, procedures, practices and implicit rules that determine management's ability to take sound decisions vis-a-vis its entire stakeholders- in particular, its shareholders, creditors, the state and employees. There is a global consensus on the objective of Good Corporate Governance is Maximizing long- term shareholder value.

Effective corporate governance practices constitute the strong foundation on which successful commercial enterprises are built to last. The Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behavior and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large.

Since shareholders are residual claimants, this objective follows from a premise that in well – performing capital and financial markets, whatever maximizes shareholder value must necessarily maximize corporate value, best satisfy the claims of creditors, employees and the state.

A Company which proactively complies with the law and adds value to it through Corporate Governance initiatives would also command a higher value in the eyes of present and prospective shareholders.

The basic philosophy of the Company is that Corporate Governance is not an end in itself but is a catalyst in the process of maximization of shareholder value. Therefore, shareholder value as an objective is the basic premise in all aspects of corporate governance.

### **COMPLIANCE WITH THE CLAUSE OF CORPORATE GOVERNANCE**

The Company has complied with the clause of Corporate Governance. The information provided in this Report on Corporate Governance for the purpose of unanimity is as on 31<sup>st</sup> March, 2025. This Report is updated as on the date of the Report wherever applicable.

## CORPORATE GOVERNANCE STRUCTURE:

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

---

### 1. Economic overview

#### 1.1 Global

The baseline forecast is for the world economy to continue growing at 3.2 percent during 2024 and 2025, at the same pace as in 2023. A slight acceleration for advanced economies—where growth is expected to rise from 1.6 percent in 2023 to 1.7 percent in 2024 and 1.8 percent in 2025—will be offset by a modest slowdown in emerging market and developing economies from 4.3 percent in 2023 to 4.2 percent in both 2024 and 2025. The forecast for global growth five years from now—at 3.1 percent—is at its lowest in decades. Global inflation is forecast to decline steadily, from 6.8 percent in 2023 to 5.9 percent in 2024 and 4.5 percent in 2025, with advanced economies returning to their inflation targets sooner than emerging market and developing economies. Core inflation is generally projected to decline more gradually.

#### 1.2 India Foreign Trade policy 2024

In the 2015-16 fiscal year, the government of India launched the Foreign Trade Policy (FTP) to increase exports of goods and services and create jobs. In general, the main goal of foreign trade policy is to make trade easier by reducing the costs and time involved, and aligning local practices with global standards (such as those set by the WTO or outlined in free trade agreements). This, in turn, will help businesses become more competitive in the international trade market.

This year, India's Commerce and Industry Minister, Piyush Goyal, presented the new foreign trade policy for 2023-28 and set an ambitious goal to achieve US\$2 trillion in exports by 2030. The policy included new initiatives that directly benefit Indian SMEs seeking to expand their reach and sell more products or services globally. Here's a quick summary of some of the highlights that could affect you as a micro, small or medium sized business owner.

#### 1.3 India

The fruit and vegetables sector plays an important role in providing fresh and nutritious food to consumers around the world, especially in growing towns and cities. The sector generates income not only for producers, but also for the actors along the value chain that links farms to consumers (FAO, 2018). Fruit and vegetables can generate high returns per hectare, making it possible to reduce poverty if

the right investment, capacities and services are in place.

The fruit and vegetable sector is a vital component of India's agricultural economy. It not only contributes to the country's GDP but also plays a crucial role in ensuring food security, providing employment, and supporting rural livelihoods.

## 1.4 Total Import

The demand for foreign Imported Fruits in India has experienced strong growth in recent times because of changing customer taste preferences and innovative international trade opportunities. Exotic and off-season fruits represent a key market trend that shapes the entire fruit market in India. **Fruit import in India** is analyzed in this article, with major market trends and driving forces behind the increasing demand.

### Current Market Overview

**Fruits import in India** has fluctuated throughout the last few years. Fresh fruit imports during the fiscal year 2023-24 exceeded ₹143 billion but registered a year-to-year decrease as they surpassed ₹200 billion previously. While the fresh fruit import numbers have decreased, the market demand for imported fruits continues to stay high. The fruit import market is forecast to exceed \$819.7 million in 2025 based on a projected 5.54% annual growth from 2025 to 2029.

### **Top Imported Fruits and Market Statistics**

Several fruits dominate India's import market, with dragon fruit, apples, pears, grapes, and exotic varieties gaining popularity.

- Dragon Fruit
- Data indicates the Indian apple industry will produce 2.55 million metric tons within the marketing year 2024-25 as domestic output increases by 6% from the previous period. The rising demand from consumers will lead to a ten percent increase in apple imports, which will reach 600,000 metric tons.
- The Pears import forecast for India in MY 2023-24 amounts to 35,500 metric tons. Imported pears function in a small market segment because they provide distinctive fruit variants and better quality than Indian agricultural fruits.
- Grapes will experience an increase of more than 3% in MY 2023-24 while reaching 2.95 MMT production levels. Indian domestic apple production remains strong, yet the market still demands premium foreign varieties that keep imports active.
- Kiwifruit, along with Cherries and Avocados, is experiencing rising popularity in urban India because consumers believe these fruits offer health benefits to their bodies. Supermarket distribution of these

products shows rising demand despite fluctuating exact import statistics.

A CAGR of 5.9% will drive the Indian fruits and vegetables market to grow from \$44.75 billion in 2024 to \$62.41 billion in 2030. Fruits have been projected to be the most rapidly increasing segment within this market sector. The herbal and fruit market is set to expand through 2025 to 2031 at a projection range between 8.1% and 10.1% due to improving disposable spending capability alongside greater awareness about health issues as well as increasing exotic fruit availability.

### 1.5 Outlook

India's diverse climate allows for the cultivation of a wide variety of fruits, including mangoes, bananas, pomegranates, grapes, apples, and oranges. In the fiscal year 2022-23, India exported approximately 674,291.70 MT of fresh fruits, valued at around ₹2,736.99 crores (approximately \$339 million). The country is also the second-largest importer of fresh fruits, primarily sourcing from Thailand, Vietnam, and Chile.

The Fruit market covers the total gross production value for over 55 items including citrus fruits, tree fruits, berries, tropical fruits, melons, and stone fruits.

#### Highlights:-

- Gross production value in Fruit market is projected to amount to US\$70.15bn in 2025. An annual growth rate of 2.79% is expected (CAGR 2025-2029), resulting in gross production value of US\$78.31bn in 2029.
- The import value in Fruit market is projected to amount to US\$819.7m in 2025. An annual growth rate of 5.54% is expected (CAGR 2025-2029).
- The export value in Fruit market is projected to amount to US\$876.8m in 2025. An annual growth rate of 3.80% is expected (CAGR 2025-2029).

## 2. Description of our Business and Operations

**Growington Ventures India Limited** (Formerly known as VMV Holidays Ltd.) marked the completion of 15 years since the date of its incorporation i.e. August 03, 2010, under Companies Act, 1956 having its registered office in Navi Mumbai, State of Maharashtra.

During the period under review, the Company has diversified its main business activities towards import of fruits and trading in imported fruits such as Dragon Fruit, Apple and other exotic fruits by purchasing the same from the importers in the domestic market and to expand the base of agro-products. This will give us more verticals to service our valued clients and improve market hold. We will provide our goods on Indian Market in a large extent. We focused on covering the maximum possible locations by expanding our network of our own offices and agents.

Dragon Fruit is a tropical fruit that requires specific climate and soil conditions. It has a growing demand in India due to its nutritional benefits and unique taste. It is highly perishable and require proper storage and handling to maintain their quality. Significant portion of dragon fruit is sourced through import from Vietnam, Thailand and other countries and dealing with importers in the domestic market.

We get associated with agents by entering into agency agreements with fix terms to have limited cost and better revenue for handling our import and export operations at India, Indian Sub-continent, South Africa, Turkey, Gulf, Upper Gulf, South East Asia like Vietnam and Thailand and Far East etc. so that we have worldwide coverage in cost effective manner.

The Company constantly make an effort to add more value to our products and services, thereby providing ultimate customer satisfaction.

The brief road map for activities undertaken by the company are illustrated below:

- Identification of suppliers in with capacity to supply large volume of generic products at competitive prices.
- Negotiating the terms of sale and delivery of products.
- Financing and assurance of payment to the supplier.
- Managing logistics and transport.
- Distribution and sale of the products through its network.

As the economy, consumer and channel landscapes rapidly evolve; we continue to be agile to leverage our strengths, capture opportunities and navigate through the challenges. Our strategy is constantly evolving in line with the trends and forces shaping our markets and impacting our multi-stakeholders. We remain committed to delivering growth.

### **3. Opportunities and Threats**

The Company bears the normal risk in terms of inherent business risk in the kind of business the company is into. The Board of the company has taken a balanced approach for investing in these activities and evaluating the potential as well as the risk to return on capital.

### **4. Industry& Business Outlook**

Your Management is evaluating various business opportunities and evaluating the potential as well as the risk to return on capital. In the backdrop of a challenging operating environment in this fiscal, we dynamically managed our business to deliver strong bottom-line performance and made significant progress on our strategic priorities. We will continue to take approach in financial year

2024-25 where operating environment is expected to remain challenging with further input cost inflation and market growth. Our strategic clarity, the strength of our brands, our execution prowess, agility and adaptability will continue to hold us in good stead.

## **5. Risks and Concern**

Company has a Risk Management Committee to look after the risk related matters of the Company. Risk Committee meetings are held to address the risk issues relating to various businesses and support areas and monitor critical risk factors in order to effectively address them. Risk Management limits on foreign exchange exposure and credit limits for counter parties are set and reviewed periodically. Your Company considers reviewing current practices on risk management initiatives to strengthen the risk management frame work.

## **6. Internal Control System and their Adequacy**

Internal Control Systems are embedded in all processes across all functions in your Company. These systems are being reviewed regularly and whenever necessary, they are modified or redesigned to ensure better efficiency, effectiveness and improved controls. The application systems for individual businesses are backed by an integrated Accounting System. These integrated systems form part of the overall control environment.

Process and systems are subject to Internal Audit through an annual internal audit plan. These are further supported by the Statutory Auditor who validate that the financial reporting is true and fair. The results of all audits are discussed with the Senior Management and reviewed by the Audit Committee. The Audit Committee meetings are held every quarter.

# Standalone Financial Statements

## INDEPENDENT AUDITOR'S REPORT

**To the Members of Growington Ventures India Limited**

### **REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS**

#### **Opinion**

We have audited the accompanying Standalone Financial Statements of **Growington Ventures India Limited** ("the Company"), which comprise the Balance sheet as at March 31, 2025, the Statement of Profit and Loss, (including the Statement of Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the Standalone Financial Statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2025, its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

<b>Descriptions of the Key Audit Matter</b>	<b>How our audit addressed the Key Audit Matter</b>
<p><b><u>Revenue Recognition</u></b>  <u>(Refer Note No. 1 and 23 of the Standalone Financial Statement):</u>            Revenue from the sale of goods (hereinafter referred to as “Revenue”) is recognised when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such revenue recognition in case of sale of goods is when the control over the same is transferred to the customer. The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred.</p> <p>We determine this to be key audit matter to our audit report due to quantum of amount involved.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>▪ Assessed the Company’s revenue recognition accounting policies in line with Ind AS 115 (“Revenue from Contracts with Customers”) and tested thereof.</li> <li>▪ Evaluated the design, implementation and operating effectiveness of Company’s controls in respect of revenue recognition.</li> <li>▪ Tested the effectiveness of such controls over revenue cut off at year-end.</li> <li>▪ On a sample basis, tested supporting documentation for sales transactions recorded during the year which included sales invoices, customer contracts and shipping documents.</li> <li>▪ Performed analytical review procedures on revenue recognised during the year to identify any unusual and/or material variances</li> <li>▪ Tested selected samples of revenue transactions recorded before and after the financial year end date to determine whether the revenue has been recognised in the appropriate financial period.</li> <li>▪ Evaluated the appropriateness and adequacy of disclosures in the financial statements in respect of revenue recognition with the applicable standards.</li> </ul> <p>Based on above procedures, we concluded that the revenue has been recognised and measured as per IND AS 115.</p>

<b>Descriptions of the Key Audit Matter</b>	<b>How our audit addressed the Key Audit Matter</b>
<p><b>Inventory Management</b>  <u>(Refer Note No. 1 and 8 of the Standalone Financial Statement):</u></p> <p>The carrying value of inventory as at 31 March 2025 is Rs.52.01 lakhs. The inventory is valued at the lower of cost and net realizable value. We considered the value of inventory as a key audit matter given the relative size of its balance in the financial statements and significant judgment involved in comparison of net realizable value with cost to arrive at valuation of inventory.</p> <p>We determine this to be key audit matter to our audit report due to quantum of amount involved.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>▪ We understood and tested the design and operating effectiveness of controls as established by the management in determination of net realizable value of inventory.</li> <li>▪ Assessing the appropriateness of Company's accounting policy for valuation of stock-in-trade and compliance of the policy with the requirements of the prevailing Indian accounting standards.</li> <li>▪ We considered various factors including the actual selling price prevailing around and subsequent to the year-end.</li> <li>▪ Further, for the purpose of determination of physical quantity of the inventory as at the year end, physical verification was done by the management of the Company and we have relied upon their report.</li> </ul> <p>Based on the above procedures performed, the management's determination of the net realizable value of the inventory as at the year end and comparison with cost for valuation of inventory is considered to be reasonable.</p>

We have determined that there are no other key audit matters to communicate in our report

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Board of Directors for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, based on our audit, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rule, 2014.
  - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with companies (Indian Accounting Standards) Rules, 2015, as amended;
  - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of section 197(16) of the Act, as amended,
 

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - I. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Note 36 to the Standalone Financial Statements.
    - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as on March 31, 2025.
    - III. There has been no delay in transferring amounts, if any, required to be transferred, to the Investor Education and Protection Fund by the Company.

- IV. (a) The management has represented to us that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented to us that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries and
- (c) Based on our audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under paragraph 2(h) (iv)(a) &(b) above, contain any material misstatement.
- V. The Board of Directors of the Company have not proposed / paid any dividend for the year ended 31 March, 2025, hence, no compliance of Section 123 of the Act was required.
- VI. Based on our examination, which included test checks, the Company has used accounting software including Payroll accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all the relevant transactions recorded in the accounting software, as described in Note 41 to the Standalone Financial Statements.

Further, during our audit, we did not come across any instance of audit trail feature being tampered with in respect of accounting software and the audit trail has been preserved by the company as per the statutory requirements for record retention.

## ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

The Annexure referred to in paragraph 1 under the heading ‘Report on Other Legal and Regulatory Requirements’ of our Independent Auditors’ Report of even date in respect to statutory audit of **Growington Ventures India Limited** for the year ended March 31 2025, we report that:

- i. In respect of matters specified in clause (i) of the order:
    - a. i) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
    - ii) The Company has maintained proper records showing full particulars of intangible assets.
  - b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of verification of property, plant and equipment to cover all the items in a phased manner, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification
  - c. According to the information and explanations given by the management, and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the Standalone Financial Statements are held in the name of the Company.
  - d. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year.
  - e. Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its Standalone Financial Statements does not arise.
- ii. In respect of matters specified in clause (ii) of the Order:
    - a. According to the information and explanations given to us, the inventory (excluding inventory in transit) has been physically verified by the management during the year and in our opinion, the frequency of verification is reasonable and procedure and coverage as followed by the management were appropriate. In respect to inventory for goods in transit, subsequent evidence of receipts has been linked with inventory records. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
    - b. During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, which are not in agreement with the books of account, however such differences between the amounts disclosed to the banks and those as per the books of accounts as given in the table below have been reconciled. (Also refer Note 17 to the Financial Statements)

Name of the Bank	Aggregate Working Capital limits sanctioned	Quarter ended	Amount disclosed as per quarterly return/statements	Amount as per books of accounts	Difference	Reason
Indian Bank	600.00	30 <sup>th</sup> June 2024	795.05	1012.77	(217.72)	The difference is due to adjustments pertaining to goods in transit and adjustment of debit/credit notes of provisional prices which are not considered in statements submitted to banks.
	600.00	30 <sup>th</sup> Sept 2024	799.00	1112.98	(313.98)	
	600.00	31 <sup>st</sup> Dec 2024	795.16	1237.82	(442.65)	
	750.00	31 <sup>st</sup> Mar 2025	799.39	1323.74	(524.35)	

iii. In respect of matters specified in clause (iii) of the Order:

According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted secured/unsecured loans/advances in the nature of loans to any Company/Firm/Limited Liability Partnership/other party during the year. The Company did not stand guarantee, or provided security to any Company/Firm/Limited Liability Partnership/other party during the year.

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the investments made and loans given by the Company.

v. According to information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Hence reporting under clause (v) of the order is not applicable.

vi. According to information and explanations given to us, the Company is not required to maintain Cost records, thus, the reporting under this clause is not applicable

vii. In respect of matters specified in clause (vii) of the Order:

a. According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company is generally regular in depositing undisputed statutory dues including Income Tax, Goods & Services Tax, Duty of Customs, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed dues as above were outstanding as at March 31, 2025 for a period of more than six months from the date they became payable.

- b. According to the information and explanations given to us and the records of the Company examined by us, there are no disputed statutory dues of the Company so the reporting under this clause is not required.
- viii. According to the information and explanations given to us, there are no transactions which were not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961), that has not been recorded in the books of account.
- ix. In respect of matters specified in clause (ix) of the Order:
  - a. According to the records of the Company examined by us and the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
  - b. According to the information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - c. The Company has not raised any term loans outstanding during the year hence, the requirement to report on the clause (ix)(c) of the order is not applicable to the company.
  - d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
  - e. According to the information and explanations given to us and on an overall examination of the Standalone Financial Statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under Companies Act, 2013.
  - f. The Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- x. In respect of matters specified in clause (x) of the Order:
  - a. The company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3(x)(a) of the Order is not applicable to the company.
  - b. The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under Clause 3(x) (b) of the Order is not applicable to the Company.
- xi. In respect of matters specified in clause (xi) of the Order:
  - a. According to the information and explanations given to us and as represented by the Management and based on our examination of the books and records of the Company and in accordance with generally accepted auditing practices in India, no material case of frauds by the Company or on the Company has been noticed or reported during the year.

- b. According to the information and explanations given to us, during the year, no report under subsection (12) of Section 143 of the Companies Act, 2013 has been filed by the Secretarial Auditor or by us in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c. As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. In our opinion and according to the information and explanation provided to us, the company is not a Nidhi Company, therefore, the reporting under Clause 3 (xii)(a), 3(xii)(b) and 3(xii)(c) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given by the management, the Company has entered into transactions with related parties in compliance with the provisions of section 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- xiv. In respect of matters specified in clause (xiv) of the Order:
  - a. In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
  - b. The internal audit reports of the company issued till date of the audit report, for the period under audit have been considered by us.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. In respect of matters specified in clause (xvi) of the Order:
  - a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.
  - b. The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.
  - c. The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
  - d. As represented by the Management, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable. We have not, however, separately evaluated whether the information provided by the management is accurate and complete.
- xvii. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not incurred any cash losses during the current year 2024-25 and immediately preceding financial year 2023-24.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly clause 3(xviii) is not applicable to the company.

- xix. According to the information and explanations given to us and on the basis of the financial ratios (refer Note 38 of the Standalone Financial Statements), ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. In respect of matters specified in clause (xx) of the Order:  
The Company is not liable to undertake any CSR Expenditure, thus the reporting under this clause is not applicable to the Company
- xxi. The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

## **ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of even date)

### **Report on the Internal Financial Controls with reference to Standalone Financial Statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

1. We have audited the internal financial controls with reference to financial statements of **Growington Ventures India Limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

2. The Company’s management and Board of directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor’s Responsibility**

3. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to these Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statement. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to these Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to these Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

**Meaning of Internal Financial Controls with reference to these Standalone Financial Statements**

6. A company's internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements**

7. Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by Institute of Chartered Accountants of India.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

#### **1. A. Corporate Information**

Growington Ventures India Limited (CIN: L63090MH2010PLC363537) formerly Known as VMV Holidays Limited is established in 2010 having registered office at Shiv Chamber, 4th Floor, Plot No 21, Sector 11, CBD Belapur, Navi Mumbai, Maharashtra - 400614, India. The company has its primary listings on the BSE Limited.

The Company has been engaged in the business of import of various variety of fruits globally and trading the same in the normal course of business.

#### **1 B. Statement of compliance and basis of preparation of Financial Statements**

##### **a. Statement of Compliance**

These ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("the Act") read with Rule 4A of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards), as amended, and other relevant provisions of the Companies Act, 2013 ("the Act"). The accounting policies are applied consistently to all the periods presented in the financial statements.

##### **b. Basis of Preparation**

The financial statements have been prepared on the going concern basis and at historical cost and on accrual method of accounting, except for certain financial assets and liabilities that are measured at fair value/ amortised cost. (Refer note 3(f) below).

Historical cost is the amount of cash or cash equivalents paid or the fair value of the consideration given to acquire assets at the time of their acquisition, or the amount of proceeds received in exchange for the obligation, or at the amount of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business.

##### **c. Functional Currency and Presentation Currency**

The financial statements are prepared in Indian Rupees (₹) which is the functional currency of the company and the currency of the primary economic environment in which the company operates and all values are rounded to the nearest lakhs, up to 2 decimal places except as otherwise indicated.

##### **d. Current and Non-Current Classification**

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the schedule III to the Companies Act, 2013 and Ind AS 1 – '*Presentation of Financial Statements*'.

All assets and liabilities are classified as current when it is expected to be realized or settled within the Company's normal operating cycle, i.e. twelve months. All other assets and liabilities are classified as non- current.

Deferred tax assets and liabilities are classified as non-current only.

**e. Application of New Accounting Pronouncements**

The Company has applied the following Ind AS pronouncements pursuant to issuance of the Companies (Indian Accounting Standards) Amendment Rules, 2023 with effect from 1st April, 2023. The effect is described below :

- i. Ind AS 1 – Presentation of Financial Statements – The amendment requires disclosure of material accounting policies instead of significant accounting policies. In the Financial Statements the disclosure of accounting policies has been accordingly modified . The impact of such modifications to the accounting policies is insignificant.
- ii. Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors – The amendment has defined accounting estimate as well as laid down the treatment of accounting estimate to achieve the objective set out by accounting policy. There is no impact of the amendment on the Financial Statements.
- iii. Ind AS 12 – Income taxes – the definition of deferred tax asset and deferred tax liability is amended to apply initial recognition exception on assets and liabilities that does not give rise to equal taxable and deductible temporary differences. There is no impact of the amendment on the Financial Statements.

**1 C. Summary of Material Accounting Policies**

**a. Property, Plant and Equipments**

Property, plant and equipment are stated at their cost of acquisition, installation or construction less accumulated depreciation and impairment losses, if any, except freehold land which is stated at cost less impairment losses if any.

The cost of property, plant and equipment comprises its purchase price, and any cost directly attributable to bringing the asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located

Subsequent expenditures on major maintenance or repairs includes the cost of the replacement of parts of assets and overhaul costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

If significant parts of an item of property, plant and equipment have different useful life, then they are accounted for as separate items (major components) of property, plant and equipment. Likewise, expenditure towards major inspections and overhauls are identified as a separate component and depreciated over the expected period till the next overhaul expenditure.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the asset, and is recognised in Statement of Profit and Loss. Major inspection and overhaul expenditure is capitalized, if the recognition criteria are met.

Capital work in progress comprises expenditure for acquisition and construction of tangible assets that are not yet ready for their intended use. Costs, net of income, associated with the commissioning of the asset are capitalized until the period of commissioning has been completed and the asset is ready for its intended use. At the point when the asset is capable of operating in the manner intended by the management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Such items are classified to the appropriate category of property, plant and equipment when completed and ready for their intended use. Advances given towards acquisition/construction of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under "Other non-current assets".

#### **b. Depreciation**

Depreciation on property, plant and equipment is provided on written down value (WDV) method.

Depreciation commences when the assets are ready for their intended use. Depreciated assets and accumulated depreciation amounts are retained fully until they are removed/retired from active use.

Depreciation is provided to allocate the costs of property, plant and equipment, net of their residual values, over their useful life as specified in Schedule II of the Companies Act, 2013.

The assets residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed during each financial year and adjusted prospectively, if appropriate. In respect of an asset for which impairment loss is recognized, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

#### **c. Leases**

The Company has applied Ind AS 116 "Leases" with effect from 1<sup>st</sup> January 2025. The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration, to assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether

- the contract involves the use of identified asset;
- the Company has substantially all of the economic benefits from the use of the asset through the period of lease; and
- the Company has the right to direct the use of the asset.

#### *As a Lessee*

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are initially measured at cost, less any

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the initial amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are subsequently depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

#### *Short-term leases and leases of low-value assets*

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or lower and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

#### **d. Intangible Assets and Amortization**

Intangible assets acquired separately are, on initial recognition, measured at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for intangible asset with a finite useful life are reviewed at the end each reporting period.

Intangible assets with infinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash generating unit level. The assessment of infinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

The amortisation period and the amortisation method are reviewed at each financial year end, if the expected useful life of the asset is different from previous estimates; the change is accounted for prospectively as a change in accounting estimate.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

**e. Impairment of Non- Financial Assets**

The Company assesses at the end of each reporting period the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, then an impairment review is undertaken and an impairment loss, if any, is recognized in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less costs of disposal and the asset's value in use. In case, where it is not possible to estimate the recoverable amount of an individual non-financial asset, the Company estimates the recoverable amount for the smallest cash generating unit to which the non-financial asset belongs.

Fair value less costs of disposal is the price that would be received to sell the asset in an orderly transaction between market participants and does not reflect the effect of factors that may be specific to the entity and not applicable to entities in general. Value in use is determined as the present value of the estimated future cash flows expected to arise from the continued use of the asset in its present form and its eventual disposal.

Impairment charges and reversals are assessed at the level of cash-generating unit (CGU). A cash-generating unit (CGU) is the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or group of assets.

A cash generating unit is treated as impaired when the carrying amount of the assets or cash generating unit exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the period in which asset or cash generating unit is identified as impaired.

Impairment loss recognised in prior accounting period(s) is reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

depreciation, if there was no impairment. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

#### **f. Foreign Currency Translation**

Foreign currency transactions are translated into the functional currency at the exchange rates that approximates the rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies outstanding at the end of the reporting period are translated into the functional currency at the exchange rates prevailing on the reporting date. Non-monetary items are translated using the exchange rates prevailing on the transaction date, subsequently measured at historical cost and not retranslated at period end.

All exchange differences on monetary items are recognized in the Statement of Profit and Loss.

#### **g. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through the statement of profit and loss) are added or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through the statement of profit and loss are recognized immediately in the statement of profit and loss.

##### **(i) Financial Assets**

The Company's financial assets comprise:

- a. Current financial assets mainly consist of trade receivables, investments in liquid equity shares, mutual funds, non-convertible debenture, cash and bank balances, fixed deposits with banks and financial institutions and other current receivables.
- b. Non-current financial assets mainly consist of financial investments in equity, bond and fixed deposits, non-current receivables from related party and employees and non-current deposits.

##### *➤ Recognition and Initial Measurement*

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are added to fair value. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

##### *➤ Subsequent Measurement*

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at Amortized Cost;
- Financial assets at Fair Value Through Other Comprehensive Income (FVOCI);

## GROWINGTON VENTURES INDIA LIMITED

### Notes to Standalone Financial Statements for the year ended 31 March 2025

- Financial assets at Fair Value Through Profit or Loss (FVTPL); and

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- *Financial assets at Amortized Cost:* A 'financial assets' is measured at the amortized cost if both the following conditions are met:
  - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
  - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets at amortised cost category is the most relevant to the Company. It comprises of current financial assets such as trade receivables, cash and bank balances, fixed deposits with bank and financial institutions, other current receivables and non-current financial assets such as financial investments – fixed deposits. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment, if any are recognised in the statement of profit and loss.

- *Financial assets at FVOCI:* A 'financial assets' is measured at the FVOCI if both of the following conditions are met:
  - The objective of the business model is achieved by collecting contractual cash flows and selling the financial assets; and
  - The asset's contractual cash flows represent SPPI on the principal amount outstanding

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in Other Comprehensive Income. However, the interest income, impairment losses & reversals, and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in other comprehensive income is reclassified from the equity to statement of profit and loss. Interest earned whilst holding fair value through other comprehensive income debt instrument is reported as interest income using the EIR method.

For equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

- *Financial assets at FVTPL:* FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL, if such designation reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with any gains and losses arising on re-measurement are recognized in the Statement of Profit and Loss.

- *Equity Instruments:* Any equity investments instruments in the scope of Ind AS 109 "Financial Instruments" are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified at cost.

For equity instruments which are classified as FVTPL, all subsequent fair value changes are recognised in the statement of profit and loss.

➤ *Financial Assets -derecognition*

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred and the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in Other Comprehensive Income and accumulated in other equity is recognised in Standalone Statement of Profit and Loss.

➤ *Impairment of Financial Assets*

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period.

In case of financial assets, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments – for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk of trade receivable. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

**(ii) Financial Liabilities**

➤ *Recognition And Initial Measurement*

The Company recognises a financial liability in its balance sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings including bank overdrafts and derivative financial instruments.

➤ *Subsequent Measurement*

Financial liabilities are measured subsequently at amortized cost or FVTPL.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

#### *Financial liabilities at FVTPL*

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. These gains/ losses are not subsequently transferred to the statement of profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit or loss.

Further, the provisionally priced trade payables are marked to market using the relevant forward prices for the future period specified in the contract and is adjusted in costs.

#### *Financial liabilities at amortised cost (Borrowings and Trade and Other payables)*

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR (Effective Rate Interest) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR (Effective Rate Interest) amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

#### ➤ *Financial Liabilities- derecognition*

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

#### ➤ *Equity Instruments*

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

#### ➤ *Offsetting Financial Instruments*

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

**(iii) Derivative Financial Instruments**

The Company enters into forward contracts to mitigate the risk of changes in exchange rates. The Company does not hold derivative financial instruments for speculative purposes. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

**h. Inventories**

Inventories are valued after providing for obsolescence, as follows:

**1. Stock in trade:**

These are valued at the lower of cost and net realisable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Cost of Stock-in-trade is determined on weighted average basis and includes cost of purchase and other cost incurred in bringing the inventories in the present location and condition.

Obsolete, defective, slow moving and unserviceable inventories, if any, are identified at the time of physical verification and where necessary, they are duly provided for.

**i. Revenue Recognition**

The Company is primarily in trading of products like fruits, etc. Revenue comprises from sale & trading of various products

***(i) Revenue from Operation***

Revenue from sale of product is recognised at the point in time when control of the goods is transferred to the customer, generally on delivery of the product.

At contract inception, the Company assess the goods promised in a contract with a customer and identifies as a performance obligation of each promise to transfer to the customer. Revenue from contracts with customers is recognized when control of goods is transferred to customers and the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold is net of variable consideration and excluding taxes or duties collected on behalf of the Government.

**a. Sale of Goods**

Sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The revenue is measured on the basis of the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Company transfers the promised goods to

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are taken into account.

#### **(ii) Other Income**

- a) *Interest income* is recognized using the effective interest rate method. For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.
- b) *Dividend Income* is recognised only when the right to receive payment is established.

#### **j. Employee Benefits**

##### *a) Short-Term Benefits*

Short term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized as an expense at the undiscounted amount in the statement of profit and loss of the period in which the related service is rendered.

Accumulated compensated absences, which are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service, are treated as short term employee benefits. The Company measure the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlements that has accumulated at the reporting date.

#### **k. Taxation**

Income tax expense represents the sum of current tax and deferred tax and includes any adjustments related to past periods in current and/or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in Equity or Other Comprehensive Income.

##### *a) Current Tax*

Current income tax is measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and the tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to income tax is included in other income.

Current tax relating to the items recognized outside the statement of profit and loss is recognized in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

#### **b) Deferred Tax**

Deferred tax is recognized on all temporary differences between the tax bases of assets and liabilities and their carrying amounts in the Company's financial statements except when the deferred tax arises from the initial recognition of goodwill or initial recognition of an asset or liability in a transaction that is not a business combination and affects neither the accounting nor taxable profits or loss at the time of transaction. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and unused tax losses to the extent it is probable that future taxable profits will be available against which the deductible temporary difference, the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities, and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax are recognised in the Statement of Profit and Loss, except when the same relate to items that are recognised in Other Comprehensive Income or directly in Equity, in which case, the current and deferred tax relating to such items are also recognised in Other Comprehensive Income or directly in Equity respectively.

#### **l. Borrowing Costs**

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised, if any. All other borrowing costs are expensed in the period in which they occur.

#### **m. Cash and Cash Equivalents**

Cash and cash equivalents consist of cash on hand, cash at banks, fixed deposits and short-term highly liquid investments with an original maturity of three months or less.

For the purpose of presentation in the statement of cash flows, cash and cash equivalent includes cash on hand, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, cash at bank and bank overdraft which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

**n. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

**o. Provisions, Contingent Liabilities and Contingent Assets***Provisions*

Provisions represent liabilities for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of a past events, and it is probable that an outflow of resources will be required to settle such an obligation and the amount can be estimated reliably. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in statement of profit and loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

*Contingent Liabilities*

Contingent liabilities are possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that arises from past events is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent Liabilities are not recognized but disclosed in the financial statements when the possibility of an outflow of resources embodying economic benefits is more.

*Contingent Assets*

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognised.

**p. Earnings per share**

Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. Partly paidup shares are included as fully paid equivalents according to the fraction paid-up.

Diluted earnings per share are computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Standalone Financial Statements for the year ended 31 March 2025**

#### **q. Dividends**

Dividends paid are recognised in the period in which the dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders and is recognised directly in other equity.

#### **r. Segment Reporting**

Operating segment is reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM). The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Inter-segment revenues have been accounted for based on prices normally negotiated between the segments with reference to the costs, market prices and business risks, within an overall optimization objective for the Company. Revenue and expenses are identified with segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, will be included under "Unallocated/ Others".

#### **s. Key Accounting Estimates and Judgments**

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses, and disclosures of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed in the paragraphs that follow.

##### *(i) Useful Economic Lives and Impairment of Other Assets*

The estimated useful life of property, plant and equipment (PPE) and intangible asset is based on a number of factors including the effects of obsolescence, usage of the asset and other economic factors (such as known technological advances).

The Company reviews the useful life of PPE and intangibles at the end of each reporting date and any changes could affect the depreciation rates prospectively.

The Company also reviews its property, plant and equipment for possible impairment if there are events or changes in circumstances that indicate that the carrying value of the assets may not be recoverable. In assessing the property, plant and equipment for impairment, factors leading to significant reduction in profits, such as the Company's business plans and changes in regulatory environment are taken into consideration.

*(ii) Contingencies and Commitments*

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Company. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such liabilities are disclosed in the notes but are not provided for in the financial statements.

Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on the Company's financial position or profitability.

*(iii) Fair Value Measurements and Valuation Processes*

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in the notes to the financial statements.

*(iv) Recognition of Deferred Tax Assets For Carried Forward Tax Losses*

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

*(vi) Assessment of Impairment of investments in subsidiaries*

The Company reviews its carrying value of investments in subsidiaries, associates and joint ventures annually, or more frequently when there is indication for impairment.

If the recoverable amount is less than its carrying amount, the impairment loss is accounted for. Determining whether the investment in subsidiaries, associates and joint ventures is impaired requires an estimate in the value in use of investments. The Management carries out impairment assessment for each investment by comparing the carrying value of each investment with the net worth of each company based on audited financials, comparable market price and comparing the performance of the investee companies with projections used for valuations, in particular those relating to the cash flows, sales growth rate, pre-tax discount rate and growth rates used and approved business plans.

### (33) Capital Management

Equity share capital and other equity are considered for the purpose of Company's Capital Management.

The Company's capital management is intended to create value for shareholders by facilitating the achievement of long-term and short-term goals of the Company.

The Company determines the amount of capital required on the basis of annual business plans in consonance with the long term and short term strategic instruments and expansion plans. The Company's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings and strategic acquisitions. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings and the capital markets. The Company is not subject to any externally imposed capital requirements. The Company regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and elongate the maturity of its debt portfolio, and closely monitors its judicious allocation amongst competing capital expansion projects and strategic acquisitions, to capture market opportunities at minimum risk.

The Net Debt to Equity at the end of the reporting period was as follows:

Particulars	31st March 2025	31st March 2024
Short-Term Borrowings	789.09	297.69
Total Borrowings (a)	789.09	297.69
Less:

iv) Other financial liabilities	2.59	-
<b>Total Financial Liabilities</b>	<b>1,540.70</b>	<b>943.92</b>

**B. Fair value heirarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of investment in quoted equity shares and mutual funds.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices). This level of hierarchy includes the Company's over-the-counter (OTC) derivative contracts.

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair value is determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. This Level includes investment in unquoted equity shares and preference shares.

For assets and liabilities which are measured at fair value as at Balance Sheet date, the classification of fair value calculations by category is summarized below:

(Amount in Lakhs)

Particulars	As at 31st March 2025			As at 31st March 2024		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
<i>Financial assets</i>						
Investment in Quoted Equity Shares	-	-	-	-	-	-
<b>Total financial assets</b>	-		-	-		-

(i) Current financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.

(ii) Investments carried at fair value are generally based on market price quotations. Investments in equity shares included in Level 3 of the fair value hierarchy have been valued using the cost approach to arrive at their fair value. Cost of unquoted equity instruments has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

(iii) Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

(iv) There have been no transfers between Level 1 and Level 2 for the years ended 31st March, 2025 and 31st March, 2024.

### (35) Financial Risk Management

The Company has a system-based approach to risk management, anchored to policies & procedures and internal financial controls aimed at ensuring early identification, evaluation and management of key financial risks (such as market risk, credit risk and liquidity risk) that may arise as a consequence of its business operations as well as its investing and financing activities.

Accordingly, the Company's risk management framework has the objective of ensuring that such risks are managed within acceptable and approved risk parameters in a disciplined and consistent manner and in compliance with applicable regulations. It also seeks to drive accountability in this regard.

It is the Company's policy that derivatives are used exclusively for hedging purposes and not for trading or speculative purposes. The Board of Directors reviewed policies for managing each of these risks which are summarised below:-

#### (A) Management of Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the underlying business, the Company maintains sufficient cash and liquid investments available to meet its obligation.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. The management also considers the cash flow projections and level of liquid assets necessary to meet these on a regular basis.

The following table shows the maturity analysis of the Company's financial assets and financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

(Amount in Lakhs)

Trade Payables	646.23	646.23	-	646.23

#### (B) Management of Market Risk

The Company's business activities are exposed to a variety of financial risks; namely:

- Currency Risk
- Interest Rate Risk

The above risks may affect the Company's income and expenses, or the value of its financial instruments. The company's exposure to and managements of these risks are explained below.

**Growington Ventures India Limited**

CIN : L63090MH2010PLC363537

**Notes to Standalone Financial Statements for the year ended 31st March, 2025****(i) Currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's foreign currency denominated creditors.

The Company's exposure to foreign currency (USD) risk at the end of the reporting period expressed in INR are as follows:-

(Amount in Lakhs)

Particulars	As at 31 March 2025		As at 31 March 2024	
	In USD	Rs. In lakhs	In USD	Rs. In lakhs
Trade Receivable	-	-	-	-
Trade payables	-	-	0.46	39.54

**Foreign Currency Sensitivity**

10% increase or decrease in foreign exchange rates will have no material impact on profit.

**(ii) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in the market interest rates relates primarily to the Company's borrowings obligations with floating interest rates. The borrowings of the Company are principally denominated in Indian Rupees (linked to MCLR)

The Company invests surplus funds in term deposits to achieve the Company's goal of maintaining liquidity, carrying manageable risk and achieving satisfactory returns.

The exposure of the Company's financial liabilities to interest rate risk is as follows:

(Amount in Lakhs)

Particulars	As at 31st March 2025	As at 31st March 2024
Floating Rate Rupee borrowings	789.09	297.69
<b>Total</b>	<b>789.09</b>	<b>297.69</b>

**Sensitivity**

Profit or loss is sensitive to higher/ lower interest expense from borrowings as a result of changes in interest rates as below:

(Amount in Lakhs)

Particulars	Impact on profit before tax	
	31st March	31st March 2024
Interest expense rates – increase by -- basis points (2024: 50 bps)*	(3.95)	(1.49)
Interest expense rates – decrease by --- basis points (2024: 50 bps)*	3.95	1.49

**(iii) Price Risk**

Market price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is not an active investor in equity markets.

The Company invests in mutual fund schemes. Such investments are susceptible to market price risk of the underlying assets, whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

**(C) Management of Credit Risk**

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

Receivables are deemed to be past due or impaired with reference to the Company's normal terms and conditions of business. These terms and conditions are determined on a case to case basis with reference to the customer's credit quality and prevailing market conditions. Receivables that are classified as 'past due' in the above tables are those that have not been settled within the terms and conditions that have been agreed with that customer. The Company based on past experiences does not expect any material loss on its receivables and hence no allowance is deemed necessary on account of Expected Credit Loss.

The credit quality of the Company's customers is monitored on an ongoing basis and assessed for impairment where indicators of such impairment exist. The Company uses simplified approach for impairment of financial assets. If credit risk has not increased significantly, 12-month expected credit loss is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime expected credit loss is used. The solvency of the debtor and their ability to repay the receivable is considered in assessing receivables for impairment. Where receivables have been impaired, the Company actively seeks to recover the amounts in question and enforce compliance with credit terms.

**(36) Contingent liabilities and commitments**  
 In the ordinary course of business, the Company faces claims and assertions by various parties. The Company assesses such claims and assertions and monitors the legal environment on an ongoing basis, with the assistance of external legal counsel, wherever necessary. The Company records a liability for any claims where a potential loss is probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible but not probable, the Company provides disclosure in the financial statements but does not record a liability in its accounts unless the loss becomes probable.

The following is a description of claims and assertions where a potential loss is possible, but not probable. The Company believes that none of the contingencies described below would have a material adverse effect on the Company's financial condition, results of operations or cash flow.

**(a) Contingent liabilities:**

The Company had no Contigent Liabilities as on 31st March, 2025 and 31st March, 2024.

**(b) Commitments:**

Particulars	31st March 2025	31st March 2024

# Consolidated Financial Statements

## INDEPENDENT AUDITOR'S REPORT

To the Members of Growington Ventures India Limited

### REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS

#### Opinion

We have audited the accompanying Consolidated Financial Statements of **Growington Ventures India Limited** (herein after referred to as the "Holding Company") and its Subsidiary (Holding Company and its Subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2025, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the based solely on such unaudited financial statement of Subsidiary referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2025, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us in terms of their reports referred to in the Other Matters section below is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Descriptions of Key Audit Matter	How we addressed the matter in our audit
<p><b><u>Revenue Recognition</u></b>  <u>(Refer Note No.1 and 22 of the Consolidated Financial Statements):</u>            Revenue from the sale of goods (hereinafter referred to as “Revenue”) is recognised when the Holding Company and its subsidiary (Elementures Foodstuff Trading LLC) performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such revenue recognition in case of sale of goods is when the control over the same is transferred to the customer. The timing of revenue recognition is relevant to the reported performance of the Holding Company and its subsidiary (Elementures Foodstuff Trading LLC). The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred.</p> <p>We determine this to be key audit matter to our audit report due to quantum of amount involved.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>Assessed the Holding Company's/Subsidiary Company's revenue recognition accounting policies in line with Ind AS 115 (“Revenue from Contracts with Customers”) and tested thereof.</li> <li>Evaluated the design, implementation and operating effectiveness of Holding Company's/Subsidiary Company's controls in respect of revenue recognition.</li> <li>Tested the effectiveness of such controls over revenue cut off at year-end.</li> <li>On a sample basis, tested supporting documentation for sales transactions recorded during the year which included sales invoices, customer contracts and shipping documents.</li> <li>Performed analytical review procedures on revenue recognised during the year to identify any unusual and/or material variances</li> <li>Tested selected samples of revenue transactions recorded before and after the financial year end date to determine whether the revenue has been recognised in the appropriate financial period.</li> <li>Evaluated the appropriateness and adequacy of disclosures in the financial statements in respect of revenue recognition with the applicable standards.</li> </ul> <p>Based on above procedures, we concluded that the revenue has been recognised and measured as per IND AS 115.</p>

Descriptions of Key Audit Matter	How we addressed the matter in our audit
<p><b>Inventory Management</b>  <u>(Refer Note No.1 and 7 of the Consolidated Financial Statements):</u>            The carrying value of inventory of the Holding Company and its subsidiary (Elementures Foodstuff Trading LLC) as at 31 March 2025 is Rs. 52.01 Lakhs. The inventory is valued at the lower of cost and net realizable value. We considered the value of inventory as a key audit matter given the relative size of its balance in the Consolidated Financial Statements and significant judgment involved in comparison of net realizable value with cost to arrive at valuation of inventory.</p> <p>We determine this to be key audit matter to our audit report due to quantum of amount involved.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>▪ We understood and tested the design and operating effectiveness of controls as established by the management in determination of net realizable value of inventory.</li> <li>▪ Assessing the appropriateness of Holding Company's/Subsidiary Company's accounting policy for valuation of stock-in-trade and compliance of the policy with the requirements of the prevailing Indian accounting standards.</li> <li>▪ We considered various factors including the actual selling price prevailing around and subsequent to the year-end.</li> <li>▪ Further, for the purpose of determination of physical quantity of the inventory as at the year end, physical verification was done by the management of the Holding Company's/Subsidiary Company's and we have relied upon their report.</li> </ul> <p>Based on the above procedures performed, the management's determination of the net realizable value of the inventory as at the year end and comparison with cost for valuation of inventory is considered to be reasonable.</p>

We have determined that there are no other key audit matters to communicate in our report

#### **Information Other than the Consolidated Financial Statements and Auditor's report thereon**

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Consolidated Financial Statements and our and other auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Board of Directors for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

**Auditor's Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to Consolidated Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matters

The consolidated Financial Statement includes the unaudited Financial Statement of Elementures Foodstuff Trading LLC, the Subsidiary located outside India whose financial statements have been prepared in accordance with the accounting principles generally accepted in its country. The Holding Company's management has converted the financial statements of Elementures Foodstuff Trading LLC located outside India from accounting principles generally accepted in its country to accounting principles generally accepted in India. Our opinion in so far as it relates to the balances and affairs of Elementures Foodstuff Trading LLC located outside India is based on the unaudited financial statement approved and furnished to us by the Management of the Holding Company and the conversion adjustments prepared by the management of the Holding Company.

The accompanying consolidated financial statements includes unaudited statement in respect of Elementures Foodstuff Trading LLC whose financial statement includes the Group's share of total assets of ₹55.36 lakhs as at 31 March 2025, total revenues of ₹ 243.01 lakhs, total net profit/(loss) after tax of ₹ 1.90 lakhs, total comprehensive income of ₹ 1.85 lakhs for the year ended March 31, 2025, respectively and net cash inflows of ₹ 28.13 lakhs for the year ended on that date, as considered in the the consolidated financial statements whose financial statements have not been audited by their auditors.

The unaudited financial statement have been approved and furnished to us by the Management of Holding Company and our opinion on the financial statement, in so far as it relates to the amounts and disclosures included in respect of Elementures Foodstuff Trading LLC, is based solely on such unaudited financial statement. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the financial statement is not modified in respect of the above matters with respect to our reliance on the financial statements certified by the Management.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of this matter with respect to our reliance on the unaudited financial statement.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure A**, a statement on the matter specified in paragraph 3(xxi) of CARO 2020.

2. As required by Section 143(3) of the Act, based on our audit and Unaudited Financial Statements of the Subsidiary, incorporated outside India, referred to in the Other Matters paragraph above we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 1(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rule, 2014.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company and the written representations received from the directors of Subsidiary incorporated outside India, none of the directors of the Group, incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to Consolidated Financial Statements of the Group and the operating effectiveness of such controls, refer to our separate report in “**Annexure B**” which is based on the auditors’ reports of the Holding. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to Consolidated Financial Statements of those companies
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, and based on the unaudited financial statement of such subsidiary company incorporated outside India which were not audited by us, the Managerial remuneration paid by the Holding Company and its subsidiary companies incorporated outside India to any of its directors during the year is in accordance with the provisions of Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group– Refer Note 35 to the Consolidated Financial Statements.

- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as on March 31, 2025.
- iii. There has been no delay in transferring amounts, if any, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
- iv. (a) The respective Managements of the Holding Company and its Subsidiary whose subsidiary incorporated outside India whose financial statements have not been audited under the Act have represented to us and to the management of such subsidiary respectively that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such Subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such Subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
  
(b) The respective Managements of the Holding Company and its Subsidiary whose subsidiary incorporated outside India whose financial statements have not been audited under the Act have represented to us and the other auditors of such Subsidiary that, to the best of their knowledge and belief, no funds have been received by the Holding Company or any of such Subsidiary from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such Subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
  
(c) Based on the audit procedures performed, that have been considered reasonable and appropriate in the circumstances, performed by us and that performed by the auditor of the Subsidiary, which is incorporated outside India whose financial statements have been unaudited under The Companies Act, 2013, and complies under the law of the country of incorporation, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under 2 (h) (iv)(a) and (b) above, contain any material misstatement.
- v. The Board of Directors of the Company have not proposed / paid any dividend for the year ended 31 March, 2025, hence, no compliance of Section 123 of the Act was required.
- vi. Based on our examination, which included test checks, the Holding Company and its subsidiary has used accounting software including Payroll accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all the relevant transactions recorded in the accounting software, as described in Note 39 to the Consolidated Financial Statements.

Further, during our audit, we did not come across any instance of audit trail feature being tampered with in respect of accounting software and the audit trail has been preserved by the company as per the statutory requirements for record retention.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT**

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report on Consolidated Financial Statements to the Members of even date)

**Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

1. In conjunction with our audit of the Consolidated Financial Statements of the Group as of and for the year ended March 31, 2025, we have audited the internal financial controls with reference Consolidated financial statements of **Growington Ventures India Limited**(hereinafter referred to as “the Holding Company”) and its Subsidiary which are companies incorporated outside India, Based on unaudited financial of subsidiary companies incorporated outside India(covered entities) with respect to the internal financial controls with reference to Financial Statements of respective Subsidiary, as of that date.

**Management’s responsibility for internal financial controls**

2. The respective Board of Directors of the Holding Company, its Subsidiary which are companies incorporated outside India are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated Financial Statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor’s responsibility**

3. Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Holding company and Subsidiary which are companies incorporated outside India based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the

design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated outside India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to Consolidated Financial Statement of the Holding Company, its subsidiary companies, which are companies incorporated outside India.

#### **Meaning of internal financial control with reference to Consolidated Financial Statements**

6. A Company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements

#### **Inherent limitation of internal financial control with reference to Consolidated Financial Statements**

7. Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

8. In our opinion to the best of our information and according to the explanations given to us and based on the consideration of other auditors referred to in the Other Matters paragraph below, the Holding Company, its subsidiary companies, which are companies incorporated outside India, have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to Consolidated Financial Statements criteria established by the respective companies considering the essential components of internal control stated in the

Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Other Matters**

9. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements insofar as it relates to 1 subsidiary company which are companies incorporated outside India, is based solely on the unaudited financial statements of such company incorporated outside India. Our opinion is not modified in respect of the above matters.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

#### **1. A. Corporate Information**

Growington Ventures India Limited (CIN: L63090MH2010PLC363537) formerly Known as VMV Holidays Limited is established in 2010 having registered office at Shiv Chamber, 4th Floor, Plot No 21, Sector 11, CBD Belapur, Navi Mumbai, Maharashtra - 400614, India. The company has its primary listings on the BSE Limited.

The Company has been engaged in the business of import of various variety of fruits globally and trading the same in the normal course of business.

#### **1 B. Statement of compliance and basis of preparation of Financial Statements**

##### **1.B.1**

##### **a. Statement of Compliance**

These ('financial statements') of the Group have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("the Act") read with Rule 4A of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards), as amended, and other relevant provisions of the Companies Act, 2013 ("the Act"). The accounting policies are applied consistently to all the periods presented in the financial statements. The Consolidated Financial Statements presents the Financial Position of the Group.

##### **b. Basis of Preparation**

The financial statements have been prepared on the going concern basis and at historical cost and on accrual method of accounting, except for certain financial assets and liabilities that are measured at fair value/ amortised cost. (Refer note 3(f) below).

Historical cost is the amount of cash or cash equivalents paid or the fair value of the consideration given to acquire assets at the time of their acquisition, or the amount of proceeds received in exchange for the obligation, or at the amount of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business.

##### **c. Functional Currency and Presentation Currency**

The financial statements are prepared in Indian Rupees (₹) which is the functional currency of the Group and the currency of the primary economic environment in which the Group operates and all values are rounded to the nearest lakhs, up to 2 decimal places except as otherwise indicated.

##### **d. Current and Non-Current Classification**

All assets and liabilities are classified as current or non-current as per the Group's normal operating cycle (twelve months) and other criteria set out in the schedule III to the Companies Act, 2013 and Ind AS 1 – '*Presentation of Financial Statements*'.

All assets and liabilities are classified as current when it is expected to be realized or settled within the Group's normal operating cycle, i.e. twelve months. All other assets and liabilities are classified as non- current.

Deferred tax assets and liabilities are classified as non-current only.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

#### **e. Application of New Accounting Pronouncements**

The Group has applied the following Ind AS pronouncements pursuant to issuance of the Companies (Indian Accounting Standards) Amendment Rules, 2023 with effect from 1st April, 2023. The effect is described below :

- i. Ind AS 1 – Presentation of Financial Statements – The amendment requires disclosure of material accounting policies instead of significant accounting policies. In the Financial Statements the disclosure of accounting policies has been accordingly modified . The impact of such modifications to the accounting policies is insignificant.
- ii. Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors – The amendment has defined accounting estimate as well as laid down the treatment of accounting estimate to achieve the objective set out by accounting policy. There is no impact of the amendment on the Financial Statements.
- iii. Ind AS 12 – Income taxes – the definition of deferred tax asset and deferred tax liability is amended to apply initial recognition exception on assets and liabilities that does not give rise to equal taxable and deductible temporary differences. There is no impact of the amendment on the Financial Statements.

#### **1 C. Basis of Consolidation**

##### **a. Subsidiary**

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which controls commences until the date on which control ceases.

##### **b. Non-Controlling Interest (NCI)**

Non-controlling interest in the net assets of the consolidated subsidiaries consists of:

- a) The amount of equity attributable to non-controlling shareholders at the date on which the investments in the subsidiary companies were made.
- b) The non-controlling share of movements in equity since the date the Parent-Subsidiary relationship comes into existence.

The total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interest having deficit balance.

##### **c. Loss of Control**

When the Group loses control over a subsidiary, it derecognizes the assets and liabilities of the subsidiary, and any related NCI and other components of equity. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognised in the Statement of Profit and Loss.

##### **d. Transaction Eliminated on Consolidation**

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

The financial statements of the Company and its Subsidiaries used in the consolidation procedure are drawn upto the same reporting date, i.e., 31st March 2024.

The financial statements of the Company and its subsidiary companies are combined on a line-by-line basis by adding together of like items of assets, liabilities, income and expenses, after eliminating material intra-group balances and intra-group transactions and resulting unrealised profits or losses on intra-group transactions. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

#### **e. Business Combinations**

The Group applies the acquisition method in accounting for business combinations. The consideration transferred by the Group to obtain control of a subsidiary is calculated as the sum of the fair values of assets transferred on acquisition-date, liabilities incurred and the equity interests issued by the Group, which includes the fair value of any asset or liability arising from a contingent consideration arrangement. Acquisition costs are expensed as incurred.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values on acquisition-date.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the excess is recognized capital reserve.

Contingent consideration is classified either as equity or financial liability. Amount classified as financial liability are subsequently re-measured to fair value with changes in fair value recognized in Statement of Profit and Loss.

#### **f. Asset Acquisition**

In case of acquisition of an asset or a group of assets that does not constitute a business, the Group identified and recognises individual identifiable assets acquired (including those assets that meet the definition of, and recognition criteria for, intangible assets in Ind AS 38, Intangible Assets) and liabilities assumed. The cost of the group shall be allocated to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of purchase. Such a transaction or event does not give rise to goodwill.

### **1 D. Summary of Material Accounting Policies**

#### **a. Property, Plant and Equipments**

Property, plant and equipment are stated at their cost of acquisition, installation or construction less accumulated depreciation and impairment losses, if any, except freehold land which is stated at cost less impairment losses if any.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

The cost of property, plant and equipment comprises its purchase price, and any cost directly attributable to bringing the asset to working condition and location for its intended use. It also includes the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent expenditures on major maintenance or repairs includes the cost of the replacement of parts of assets and overhaul costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure are charged to the statement of profit and loss for the period during which such expenses are incurred.

If significant parts of an item of property, plant and equipment have different useful life, then they are accounted for as separate items (major components) of property, plant and equipment. Likewise, expenditure towards major inspections and overhauls are identified as a separate component and depreciated over the expected period till the next overhaul expenditure.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the asset, and is recognised in Statement of Profit and Loss. Major inspection and overhaul expenditure is capitalized, if the recognition criteria are met.

Capital work in progress comprises expenditure for acquisition and construction of tangible assets that are not yet ready for their intended use. Costs, net of income, associated with the commissioning of the asset are capitalized until the period of commissioning has been completed and the asset is ready for its intended use. At the point when the asset is capable of operating in the manner intended by the management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Such items are classified to the appropriate category of property, plant and equipment when completed and ready for their intended use. Advances given towards acquisition/construction of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under "Other non-current assets".

#### **b. Depreciation**

Depreciation on property, plant and equipment is provided on written down value (WDV) method. Depreciation commences when the assets are ready for their intended use. Depreciated assets and accumulated depreciation amounts are retained fully until they are removed/retired from active use. Depreciation is provided to allocate the costs of property, plant and equipment, net of their residual values, over their useful life as specified in Schedule II of the Companies Act, 2013.

The assets residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed during each financial year and adjusted prospectively, if appropriate. In respect of an asset for which impairment loss is recognized, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

**c. Leases**

The Company has applied Ind AS 116 “Leases” with effect from 1<sup>st</sup> January 2025. The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration, to assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether

- the contract involves the use of identified asset;
- the Company has substantially all of the economic benefits from the use of the asset through the period of lease; and
- the Company has the right to direct the use of the asset.

**As a Lessee**

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are initially measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities. The cost of right-of-use assets includes the initial amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are subsequently depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate

used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or lower and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

**d. Intangible Assets and Amortization**

Intangible assets acquired separately are, on initial recognition, measured at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for intangible asset with a finite useful life are reviewed at the end each reporting period.

Intangible assets with infinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash generating unit level. The assessment of infinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

The amortisation period and the amortisation method are reviewed at each financial year end, if the expected useful life of the asset is different from previous estimates; the change is accounted for prospectively as a change in accounting estimate.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

**e. Impairment of Non- Financial Assets**

The Group assesses at the end of each reporting period the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, then an impairment review is undertaken and an impairment loss, if any, is recognized in the statement of profit and loss wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less costs of disposal and the asset's value in use. In case, where it is not possible to estimate the recoverable amount of an individual non-financial asset, the Group estimates the recoverable amount for the smallest cash generating unit to which the non-financial asset belongs.

Fair value less costs of disposal is the price that would be received to sell the asset in an orderly transaction between market participants and does not reflect the effect of factors that may be specific to the entity and not applicable to entities in general. Value in use is determined as the present value of the estimated future cash flows expected to arise from the continued use of the asset in its present form and its eventual disposal.

Impairment charges and reversals are assessed at the level of cash-generating unit (CGU). A cash-generating unit (CGU) is the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or group of assets.

A cash generating unit is treated as impaired when the carrying amount of the assets or cash generating unit exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the period in which asset or cash generating unit is identified as impaired.

Impairment loss recognised in prior accounting period(s) is reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation, if there was no impairment. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

**f. Foreign Currency Translation**

Foreign currency transactions are translated into the functional currency at the exchange rates that approximates the rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies outstanding at the end of the reporting period are translated into the functional currency at the exchange rates prevailing on the reporting date. Non-monetary items are translated using the exchange rates prevailing on the transaction date, subsequently measured at historical cost and not retranslated at period end.

All exchange differences on monetary items are recognized in the Statement of Profit and Loss.

**g. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through the statement of profit and loss) are added or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through the statement of profit and loss are recognized immediately in the statement of profit and loss.

**(i) Financial Assets**

The Group's financial assets comprise:

- a. Current financial assets mainly consist of trade receivables, investments in liquid equity shares, mutual funds, non-convertible debenture, cash and bank balances, fixed deposits with banks and financial institutions and other current receivables.
- b. Non-current financial assets mainly consist of financial investments in equity, bond and fixed deposits, non-current receivables from related party and employees and non-current deposits.

➤ *Recognition and Initial Measurement*

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are added to fair value. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

➤ *Subsequent Measurement*

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at Amortized Cost;
- Financial assets at Fair Value Through Other Comprehensive Income (FVOCI);
- Financial assets at Fair Value Through Profit or Loss (FVTPL); and

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

- *Financial assets at Amortized Cost:* A 'financial assets' is measured at the amortized cost if both the following conditions are met:
  - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
  - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets at amortised cost category is the most relevant to the Group. It comprises of current financial assets such as trade receivables, cash and bank balances, fixed deposits with

bank and financial institutions, other current receivables and non-current financial assets such as financial investments – fixed deposits. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment, if any are recognised in the statement of profit and loss.

- *Financial assets at FVOCI:* A 'financial assets' is measured at the FVOCI if both of the following conditions are met:
  - The objective of the business model is achieved by collecting contractual cash flows and selling the financial assets; and
  - The asset's contractual cash flows represent SPPI on the principal amount outstanding

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in Other Comprehensive Income. However, the interest income, impairment losses & reversals, and foreign exchange gains and losses are recognised in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in other comprehensive income is reclassified from the equity to statement of profit and loss. Interest earned whilst holding fair value through other comprehensive income debt instrument is reported as interest income using the EIR method.

For equity instruments, the Group may make an irrevocable election to present subsequent changes in the fair value in OCI. If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

- *Financial assets at FVTPL:* FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVOCI, is classified as FVTPL.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVOCI criteria, as at FVTPL, if such designation reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with any gains and losses arising on re-measurement are recognized in the Statement of Profit and Loss.

- *Equity Instruments:* Any equity investments instruments in the scope of Ind AS 109 "Financial Instruments" are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified at cost.

For equity instruments which are classified as FVTPL, all subsequent fair value changes are recognised in the statement of profit and loss.

➤ *Financial Assets -derecognition*

The Group derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred and the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in Other Comprehensive Income and accumulated in other equity is recognised in Consolidated Statement of Profit and Loss.

➤ *Impairment of Financial Assets*

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period.

In case of financial assets, the Group follows the simplified approach permitted by Ind AS 109 – Financial Instruments – for recognition of impairment loss allowance. The application of simplified approach does not require the Group to track changes in credit risk of trade receivable. The Group calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

**(ii) Financial Liabilities**

➤ *Recognition And Initial Measurement*

The Group recognises a financial liability in its balance sheet when it becomes party to the contractual provisions of the instrument. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs. The Group's financial liabilities include trade and other payables and borrowings including bank overdrafts and derivative financial instruments.

➤ *Subsequent Measurement*

Financial liabilities are measured subsequently at amortized cost or FVTPL.

*Financial liabilities at FVTPL*

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. These gains/ losses are not subsequently transferred to the statement of profit and loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Group has not designated any financial liability as at fair value through profit or loss.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

Further, the provisionally priced trade payables are marked to market using the relevant forward prices for the future period specified in the contract and is adjusted in costs.

#### *Financial liabilities at amortised cost (Borrowings and Trade and Other payables)*

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR (Effective Rate Interest) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR (Effective Rate Interest) amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in profit or loss.

#### ➤ *Financial Liabilities- derecognition*

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

#### ➤ *Equity Instruments*

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

#### ➤ *Offsetting Financial Instruments*

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

#### **(iii) Derivative Financial Instruments**

The Group enters into forward contracts to mitigate the risk of changes in exchange rates. The Group does not hold derivative financial instruments for speculative purposes. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value with changes in fair value recognized in the Statement of Profit and Loss in the period when they arise. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

#### **h. Inventories**

Inventories are valued after providing for obsolescence, as follows:

##### **1. Stock in trade:**

These are valued at the lower of cost and net realisable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

costs necessary to make the sale. Cost of finished goods and Work-in-progress includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity, but excluding borrowing costs. Cost of Stock-in-trade is determined on weighted average basis and includes cost of purchase and other cost incurred in bringing the inventories in the present location and condition.

Obsolete, defective, slow moving and unserviceable inventories, if any, are identified at the time of physical verification and where necessary, they are duly provided for.

#### **i. Revenue Recognition**

The Company is primarily in trading of products like fruits, etc. Revenue comprises from sale & trading of various products

##### ***(i) Revenue from Operation***

Revenue from sale of product is recognised at the point in time when control of the goods is transferred to the customer, generally on delivery of the product.

At contract inception, the Group assess the goods promised in a contract with a customer and identifies as a performance obligation of each promise to transfer to the customer. Revenue from contracts with customers is recognized when control of goods is transferred to customers and the Group retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration and excluding taxes or duties collected on behalf of the Government.

##### **a. Sale of Goods**

Sale of goods is recognised at the point in time when control of the goods is transferred to the customer. The revenue is measured on the basis of the consideration defined in the contract with a customer, including variable consideration, such as discounts, volume rebates, or other contractual reductions. As the period between the date on which the Group transfers the promised goods to the customer and the date on which the customer pays for these goods is generally one year or less, no financing components are taken into account.

##### ***(ii) Other Income***

- a) *Interest income* is recognized using the effective interest rate method. For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset.
- b) *Dividend Income* is recognised only when the right to receive payment is established.

#### **j. Employee Benefits**

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

#### *a) Short-Term Benefits*

Short term employee benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized as an expense at the undiscounted amount in the statement of profit and loss of the period in which the related service is rendered.

Accumulated compensated absences, which are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service, are treated as short term employee benefits. The Group measure the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlements that has accumulated at the reporting date.

#### **k. Taxation**

Income tax expense represents the sum of current tax and deferred tax and includes any adjustments related to past periods in current and/or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in Equity or Other Comprehensive Income.

##### *a) Current Tax*

Current income tax is measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and the tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to income tax is included in other income.

Current tax relating to the items recognized outside the statement of profit and loss is recognized in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

##### *b) Deferred Tax*

Deferred tax is recognized on all temporary differences between the tax bases of assets and liabilities and their carrying amounts in the Group's financial statements except when the deferred tax arises from the initial recognition of goodwill or initial recognition of an asset or liability in a transaction that is not a business combination and affects neither the accounting nor taxable profits or loss at the time of transaction. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognized for deductible temporary differences, the carry forward of unused tax credits and unused tax losses to the extent it is probable that future taxable profits will

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

be available against which the deductible temporary difference, the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities, and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax are recognised in the Statement of Profit and Loss, except when the same relate to items that are recognised in Other Comprehensive Income or directly in Equity, in which case, the current and deferred tax relating to such items are also recognised in Other Comprehensive Income or directly in Equity respectively.

#### **l. Borrowing Costs**

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised, if any. All other borrowing costs are expensed in the period in which they occur.

#### **m. Cash and Cash Equivalents**

Cash and cash equivalents consist of cash on hand, cash at banks, fixed deposits and short-term highly liquid investments with an original maturity of three months or less.

For the purpose of presentation in the statement of cash flows, cash and cash equivalent includes cash on hand, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, cash at bank and bank overdraft which are subject to an insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

#### **n. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

#### **o. Provisions, Contingent Liabilities and Contingent Assets**

##### *Provisions*

Provisions represent liabilities for which the amount or timing is uncertain. Provisions are recognized when the Group has a present obligation (legal or constructive), as a result of a past events, and it is probable that an outflow of resources will be required to settle such an obligation and the amount can be estimated reliably. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

statement of profit and loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

#### *Contingent Liabilities*

Contingent liabilities are possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that arises from past events is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Contingent Liabilities are not recognized but disclosed in the financial statements when the possibility of an outflow of resources embodying economic benefits is more.

#### *Contingent Assets*

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognised.

#### **p. Earnings per share**

Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. Partly paidup shares are included as fully paid equivalents according to the fraction paid-up.

Diluted earnings per share are computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

#### **q. Dividends**

Dividends paid are recognised in the period in which the dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders and is recognised directly in other equity.

#### **r. Segment Reporting**

Operating segment is reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM). The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Group. Inter-segment revenues have been accounted for based on prices normally negotiated between the segments with reference to the costs, market prices and business risks, within an overall optimization objective for the Group. Revenue and expenses are identified with segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the Group as a whole

and are not allocable to segments on a reasonable basis, will be included under "Unallocated/Others".

**s. Key Accounting Estimates and Judgments**

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses, and disclosures of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed in the paragraphs that follow.

*(i) Useful Economic Lives and Impairment of Other Assets*

The estimated useful life of property, plant and equipment (PPE) and intangible asset is based on a number of factors including the effects of obsolescence, usage of the asset and other economic factors (such as known technological advances).

The Group reviews the useful life of PPE and intangibles at the end of each reporting date and any changes could affect the depreciation rates prospectively.

The Group also reviews its property, plant and equipment for possible impairment if there are events or changes in circumstances that indicate that the carrying value of the assets may not be recoverable. In assessing the property, plant and equipment for impairment, factors leading to significant reduction in profits, such as the Group's business plans and changes in regulatory environment are taken into consideration.

*(ii) Contingencies and Commitments*

In the normal course of business, contingent liabilities may arise from litigation, taxation and other claims against the Group. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such liabilities are disclosed in the notes but are not provided for in the financial statements.

Although there can be no assurance regarding the final outcome of the legal proceedings, the Group does not expect them to have a materially adverse impact on the Group's financial position or profitability.

## **GROWINGTON VENTURES INDIA LIMITED**

### **Notes to Consolidated Financial Statements for the year ended 31 March 2025**

#### *(iii) Fair Value Measurements and Valuation Processes*

Some of the Group's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Group uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Group engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in the notes to the financial statements.

#### *(iv) Recognition of Deferred Tax Assets For Carried Forward Tax Losses*

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

#### *(v) Assessment of Impairment of investments in subsidiaries*

The Group reviews its carrying value of investments in subsidiaries, associates and joint ventures annually, or more frequently when there is indication for impairment.

If the recoverable amount is less than its carrying amount, the impairment loss is accounted for. Determining whether the investment in subsidiaries, associates and joint ventures is impaired requires an estimate in the value in use of investments. The Management carries out impairment assessment for each investment by comparing the carrying value of each investment with the net worth of each Group based on audited financials, comparable market price and comparing the performance of the investee companies with projections used for valuations, in particular those relating to the cash flows, sales growth rate, pre-tax discount rate and growth rates used and approved business plans.

**(32) Capital Management**

Equity share capital and other equity are considered for the purpose of Company's Capital Management.

The Company's capital management is intended to create value for shareholders by facilitating the achievement of long-term and short-term goals of the Company.

The Company determines the amount of capital required on the basis of annual business plans in consonance with the long term and short term strategic instruments and expansion plans. The Company's capital requirement is mainly to fund its capacity expansion, repayment of principal and interest on its borrowings and strategic acquisitions. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings and the capital markets. The Company is not subject to any externally imposed capital requirements. The Company regularly considers other financing and refinancing opportunities to diversify its debt profile, reduce interest cost and elongate the maturity of its debt portfolio, and closely monitors its judicious allocation amongst competing capital expansion projects and strategic acquisitions, to capture market opportunities at minimum risk.

The Net Debt to Equity at the end of the reporting period was as follows:

(Amount in Lakhs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
Short-Term Borrowings	789.09	297.69

iv) Other financial liabilities	2.83	-
<b>Total Financial Liabilities</b>	<b>1,554.34</b>	<b>1,042.43</b>

**B. Fair value heirarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of investment in quoted equity shares and mutual funds.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices). This level of hierarchy includes the Company's over-the-counter (OTC) derivative contracts.

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair value is determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. This Level includes investment in unquoted equity shares and preference shares.

**Growington Ventures India Limited****CIN : L63090MH2010PLC363537****Notes to Consolidated Financial Statements for the year ended 31st March 2025**

For assets and liabilities which are measured at fair value as at Balance Sheet date, the classification of fair value calculations by category is summarized below:

*(Amount in Lakhs)*

Particulars	As at 31st March 2025			As at 31st March 2024		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
<i>Financial assets</i>						
Investment in unquoted equity shares	-	-	-	-	-	-
<b>Total financial assets</b>	-	-	-	-	-	-

(i) Current financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.

(ii) Investments carried at fair value are generally based on market price quotations. Investments in equity shares included in Level 3 of the fair value hierarchy have been valued using the cost approach to arrive at their fair value. Cost of unquoted equity instruments has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.

(iii) Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

(iv) There have been no transfers between Level 1 and Level 2 for the years ended 31st March, 2025 and 31st March, 2024.

#### (34) Financial Risk Management

The Group has a system-based approach to risk management, anchored to policies & procedures and internal financial controls aimed at ensuring early identification, evaluation and management of key financial risks (such as market risk, credit risk and liquidity risk) that may arise as a consequence of its business operations as well as its investing and financing activities.

Accordingly, the Company's risk management framework has the objective of ensuring that such risks are managed within acceptable and approved risk parameters in a disciplined and consistent manner and in compliance with applicable regulations. It also seeks to drive accountability in this regard.

It is the Company's policy that derivatives are used exclusively for hedging purposes and not for trading or speculative purposes.

The Board of Directors reviewed policies for managing each of these risks which are summarised below:-

#### (A) Management of Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the underlying business, the Company maintains sufficient cash and liquid investments available to meet its obligation.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. The management also considers the cash flow projections and level of liquid assets necessary to meet these on a regular basis.

The following table shows the maturity analysis of the Company's financial assets and financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

(Amount in Lakhs)

Particulars	Amount	Within 1 year	More than 1 year	Total

<b>Non-derivative liabilities</b>				
Borrowings	297.69	297.69	-	297.69
Trade Payables	744.74	744.74	-	744.74

#### (B) Management of Market Risk

The Company's business activities are exposed to a variety of financial risks; namely:

- currency risk
- interest rate risk

The above risks may affect the Company's income and expenses, or the value of its financial instruments. The company's exposure to and managements of these risks are explained below.

**(i) Currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's foreign currency denominated creditors.

The Company's exposure to foreign currency (USD) risk at the end of the reporting period expressed in INR are as follows:-

(Amount in Lakhs)

Particulars	As at 31 March 2025		As at 31 March 2024	
	In USD	Rs. In lakhs	In USD	Rs. In lakhs
Trade Receivable	-	-	-	-
Trade payables	0.30	26.05	1.30	115.70

**Foreign Currency Sensitivity**

10% increase or decrease in foreign exchange rates will have no material impact on profit.

**(ii) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in the market interest rates relates primarily to the Company's borrowings obligations with floating interest rates. The borrowings of the Company are principally denominated in Indian Rupees (linked to MCLR). The Company invests surplus funds in term deposits to achieve the Company's goal of maintaining liquidity, carrying manageable risk and achieving satisfactory returns.

The exposure of the Company's financial liabilities to interest rate risk is as follows:

(Amount in Lakhs)

Particulars	Impact on profit before tax	
	31 March 2025	31 March 2024
Interest expense rates – increase by 50 basis points (2024: 50 bps)*	(3.95)	(1.49)
Interest expense rates – decrease by 50 basis points (2024: 50 bps)*	3.95	1.49

\* Holding all other variables constant

**(iii) Price Risk**

Market price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company is not an active investor in equity markets.

The Company invests in mutual fund schemes. Such investments are susceptible to market price risk of the underlying assets, whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

**(C) Management of Credit Risk**

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

Receivables are deemed to be past due or impaired with reference to the Company's normal terms and conditions of business. These terms and conditions are determined on a case to case basis with reference to the customer's credit quality and prevailing market conditions. Receivables that are classified as 'past due' in the above tables are those that have not been settled within the terms and conditions that have been agreed with that customer. The Company based on past experiences does not expect any material loss on its receivables and hence no allowance is deemed necessary on account of Expected Credit Loss.

The credit quality of the Company's customers is monitored on an ongoing basis and assessed for impairment where indicators of such impairment exist. The Company uses simplified approach for impairment of financial assets. If credit risk has not increased significantly, 12-month expected credit loss is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime expected credit loss is used. The solvency of the debtor and their ability to repay the receivable is considered in assessing receivables for impairment. Where receivables have been impaired, the Company actively seeks to recover the amounts in question and enforce compliance with credit terms.

**Growington Ventures India Limited****CIN : L63090MH2010PLC363537****Notes to Consolidated Financial Statements for the year ended 31st March 2025****(35) Contingent liabilities and commitments**

In the ordinary course of business, the Group faces claims and assertions by various parties. The Group assesses such claims and assertions and monitors the legal environment on an ongoing basis, with the assistance of external legal counsel, wherever necessary. The Group records a liability for any claims where a potential loss is probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible but not probable, the Group provides disclosure in the financial statements but does not record a liability in its accounts unless the loss becomes probable.

The following is a description of claims and assertions where a potential loss is possible, but not probable. The Group believes that none of the contingencies described below would have a material adverse effect on the Group's financial condition, results of operations or cash flow.

**(a) Contingent liabilities:**

The Group had no Contingent Liabilities as on 31st March, 2025 and 31st March, 2024.

**(b) Commitments:**
