Letter to Shareholders

Dear Shareholders,

I, Sahil Gupta, Managing Director of the Company, heartily welcome you all to this Twelfth Annual General Meeting being held at Bhavnagar. We are in the midst of a humanitarian crisis. Its scale, severity and geographical spread are unseen in a century. It has filled the hearts of all Indians with enormous pain and grief. Several of our employees and shareholders have borne the brunt of this pandemic. Within our Rudra Group Family, the suffering of any member becomes suffering of all. I, and my colleagues on the Board offer our heartfelt condolences to all those in our Rudra Family who have lost their loved ones to this pandemic.

I now request that all of us observe a minute of silence in memory of the departed souls.

This is the Seventh year of operations of the Company after IPO. Economically Financial year 2021-22 was satisfactory for the company, Company had initiated many steps to restore the Company's financial position but emotionally Financial year 2021-22 was worst, as one of the dynamic Founder and Managing Director, Mr. Nikhil Gupta is no longer with us and had been passed away in Corona Pandemic. The enterprise shall permanently deprive itself of his exceptional ability to conduct business.

Apart from overall recessionary trend prevailing in the market coupled with wild fluctuations in steel prices, Company's performance during the year was satisfactory. I am also happy to inform you that your company has improved its performance by leaps and bounds. While ensuring improvement in profitability even in volatile times, your company has also succeeded in streamlines its operations which has played major role in achieving this improvement. The revenue of the Company have increased by 45.85% over the previous year.

This improvement in performance was possible mainly on account of optimal use of available resources by using best possible business model and also continued support of the investors and stakeholders. This was supplemented by support at all the level of operations by all the staff members of your Company.

Further, in this integrated report, Company has tried to cover Financial and non financial performance for FY 2021-22. As a Company we always believe that transparency is core factor for development of the Company and it maintains the trust level of the shareholders.

I would like to thank the entire management team, the Bankers and also Business Associates for enabling your Company to grow. I also take this opportunity to thank my fellow Directors for their immense efforts in formulating and steering your Company's strategies and policies.

This year, as the previous one, witnessed high volatility in market conditions. Your Company could withstand this only on account of efforts at all levels. Your Company is presently focusing on improving efficiency and also on tackling vibrant and volatile market conditions by adopting different business models. I am confident that your Company will achieve greater heights in the times to come and also will deliver long term value addition to its shareholders.

Thank You.

Yours sincerely,

Sahil Gupta

Instructions to Members

I. FOR REMOTE ELECTRONIC VOTING [E-Voting]

Pursuant to the provisions of section 108 of the Act read with rule 20 of the Companies (Management and Administration) Rules, 2014 and the Listing Regulations as amended from time to time, the Company is pleased to offer e-voting facility to members to exercise their votes electronically on all resolutions set forth in the notice convening the **12th Annual General Meeting (AGM)** scheduled to be held at **10 A.M. on Friday, September 30, 2022.**

The company has engaged the services of KFin Technologies Limited (KFinTech) to provide remote e-voting facility for members to cast their votes in a secure manner. Mr. Nandish Dave Proprietor of M/s. N S Dave & Associates, Practicing Company Secretaries will act as the scrutiniser to scrutinise e-voting and conduct the voting process at the AGM in a fair and transparent manner. In terms of the requirements of the Act and the Rules made there under, the Company has fixed **September 23, 2022**, as the cut-off date. The voting rights of the members / beneficial owners shall be reckoned on the equity shares held by them as on cut-off date, i.e. **September 23, 2022.**

The remote e-voting facility begins on **Tuesday, September 27, 2022** (9:00 a.m. Indian Standard Time) and ends on **Thursday, September 29, 2022** (5:00 p.m. Indian Standard Time). During this period, the members of the company, holding shares either in physical form or in dematerialised form, as on the cut-off date, are entitled to avail the facility to cast their vote electronically. The remote e-voting will not be allowed beyond the aforesaid date and time and the e-voting facility shall be disabled by KFintech upon expiry of the aforesaid period. Once the vote on a resolution is cast by a member, he / she shall not be allowed to change it subsequently or cast the vote again.

A. Login method for remote e-Voting for Individual shareholders holding securities in demat mode

Pursuant to the SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, e-voting process has been enabled to all individual shareholders who hold shares in dematerialized form, by way of single login credential, through their demat accounts / websites of Depositories / DPs in order to increase the efficiency of the voting process.

Accordingly, the shareholders would be able to cast their vote without having to register again with the e-voting service provider (ESP). Shareholders are advised to update their mobile number and e-mail ID with their DPs to access e-Voting facility.

B. Login method for e-voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode

- 1) *Members whose email addresses are registered with the Company/ Depository Participants(s), will receive an email from Kfintech which will include details of E-Voting Event Number (EVEN), USER ID and password. They will have to follow the following process:*
 - i) Open your web browser during the voting period and navigate to <https://emeetings.kfintech.com/>
 - ii) Enter the login credentials (i.e. User ID and password). In case of physical folio, User ID will be **E-Voting Event Number 6964 (EVEN)** followed by folio number. In case of demat account, User ID will be your DP ID and Client ID. However, if you are already registered with Kfintech for e-voting, you can use your existing User ID and password for casting your vote.
 - iii) After entering these details appropriately, click on "LOGIN".
 - iv) You will now reach password change menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A - Z), one lower case (a-z), one numeric value (0-9) and a special character (@,#,\$,etc.).The system will prompt you to change your password and update your contact details like mobile number, e-mail ID, etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
 - v) You need to login again with the new credentials.
 - vi) On successful login, the system will prompt you to select the E-Voting event (i.e. **6964**).
 - vii) Select the EVEN of "**Rudra Global Infra Products Limited**" and click on "SUBMIT".
 - viii) Now you are ready for e-voting as "Cast Vote" page opens.
 - ix) On the voting page, enter the number of shares (which represents the number of votes) as on the cut-off date under "FOR / AGAINST" or alternatively, you may partially enter any number in "FOR" and partially "AGAINST" but the total number in "FOR/AGAINST" taken together not exceeding your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the shareholder does not indicate either "FOR" or "AGAINST" it will be treated as "ABSTAIN" and the shares held will not be counted under either head.
 - x) Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/demat accounts.
 - xi) Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item it will be treated as abstained.
 - xii) You may then cast your vote by selecting an appropriate option and click on "SUBMIT".
 - xiii) A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you have voted on the resolution, you will not be allowed to modify your vote. During the voting period, members can login any number of times till they have voted on the resolution(s).
 - xiv) Corporate / institutional members (i.e. other than Individuals, HUF, NRI etc.,) are also required to upload in the e-voting portal, the scanned certified true copy (PDF Format) of the board resolution / authority letter etc., together with attested specimen signature(s) of the duly authorised representative(s) or alternatively to e-mail, to the scrutiniser at e-mail, rsaevoting@gmail.com with a copy marked to evoting@kfintech.com The scanned image of the above mentioned documents should be in the naming format "Rudra – 12th AGM".

Annexure- II**Management Discussions and Analysis Report****INDUSTRY STRUCTURE AND OUTLOOK:**

Steel is a cornerstone and key driver for the world's economy. Steel has been an important ingredient for economic growth. Steel has uses in various sectors viz. infrastructure, automobile, manufacturing, construction, etc. and thus, steel is an important factor driving India's GDP growth. Financial year 2021-22 witnessed resurgence in Covid cases due to second wave of Covid-19 (Delta Variant) resulting in frequent lockdowns and huge disruption of economic and general activities, which impacted both the lives and livelihoods of countless people. The Government and Administration across the Country have acted with remarkable agility in handling the crisis.

However, during the year even though Covid pandemic was there, total performance of steel industry was tremendous in India. Huge scope for growth is offered by India's comparatively low per capita steel consumption and the expected rise in consumption due to increased infrastructure construction and the thriving automobile and railways sectors. In FY22, the production of crude steel and finished steel stood at 133.596 MT and 120.01 MT, respectively. The consumption of finished steel stood at 105.751 MT in FY22. In April 2022, India's finished steel consumption stood at 9.072 MT.

In FY22, exports and imports of finished steel stood at 13.49 MT and 4.67 MT, respectively. In FY22, India's export rose by 25.1% YoY, compared with 2021. In FY21, India exported 9.49 MT of finished steel.

Economically Financial year 2021-22 was satisfactory for the Company, as company earned Net profit of Rs. 844.20 Lakh as against Net Loss of Rs. 3040.45 Lakh in Previous year; but emotionally Financial year 2021-22 was worst, as Company has loose one of the dynamic Founder and managing director of the Company i.e. Mr. Nikhil Gupta in corona pandemic. The enterprise shall permanently deprive itself of his exceptional ability to conduct business.

Our Company, incorporated in 2010 and listed on BSE board in 2015 is ISO 14001:2004, ISO 9001:2008 and BS OHSAS 18001:2007 certified. Our Company is engaged in manufacturing of superior quality TMT bars and billets. The registered office of our Company is situated at MD House; Plot No. 2715/A, Near Central Salt, Waghawadi Road, Bhavnagar – 364001.

Our Company "RUDRA GLOBAL INFRA PRODUCTS LIMITED" forms part of the esteemed Rudra Group. Rudra Group is promoted by a team of young entrepreneurs and experienced veterans with proven track records. The group started its journey in 1991 with a steel re-rolling mill having modest capacity of around 1000 MT per month. Today, the group is engaged in various backward & forward integrated businesses like Ship Recycling, Induction Furnace, Re-rolling mill, producing more than 1.25 Lakhs MT per annum of steel, with a group turnover of around Rs. 475 Crore per annum. Fulfilling its objective of consistent growth in quality steel manufacturing, our Company has launched its premiere TMT Brand "Rudra TMX" manufactured from premium quality billets.

PRODUCT WISE PERFORMANCE:

Our Company is engaged in the manufacturing of TMT bars and Billets. Irrespective of worst economic Situation, Covid 19 Pandemic, and number of competitors the overall demand of our products is high on account of superior quality and hence overall performance of our Company has improved during the current year in comparison with the earlier performance. The gross turnover of the company for the Financial Year ended March 31, 2022 and its segment wise comparison with previous Financial Year is given below:

Type of Product	2021-22		2020-21	
	Qty.	Rs. (In Lac)	Qty.	Rs. (In Lac)
MS Billets	5533	2491.36	12079	3770.01
TMT Bars	60531	30660.13	49192	19272.59
Other steel	4396	1051.02	-	-

RISK AND CONCERN:

The development of the company would depend on overall macro and micro economic policy of the Government. The rapid technological advancement requiring huge investments is another area of concern for the company.

OPPORTUNITIES AND THREATS:

The industry has vast opportunities for expansion to meet up the increasing demand. As mentioned above, Irrespective of worst economic Situation, covid 19 Pandemic, and number of competitors the overall demand of our company's products is high and hence the company can take benefit of this opportunity. In addition to this, various thrusts to industrialization (Make in India) and infrastructure development given by our Government, the overall demand for steel products is certainly going to increase. With already established brand and quality, the company will certainly reap benefits of these policies.

The following factors have been considered for determining the materiality of Threat/Risk Factors:

1. General economic and business conditions in the markets in which we operate and in the local, regional, national and international economies;
2. Changes in laws and regulations relating to the sectors/areas in which we operate;
3. Major change in policy and/or practice of road transport.
4. Third wave of the Corona;

FINANCIAL PERFORMANCE:

The Revenue of the company for the year ended March 31, 2022 was Rs.350.64 Crore as against Rs. 237.81 Crore of previous year. The EBT for the year under review was Rs. 8.24 Crore as compared to EBT of Rs. (30.33) Crore for the preceding year.

INTERNAL CONTROL:

Your Company has well-established and robust internal control systems in place which are commensurate with the nature of its businesses, size & scale and complexity of its operations. Roles and responsibilities are clearly defined and assigned. Standard operating procedures are in place and have been designed to provide a reasonable assurance. Your Company has carried out the evaluation of design and operating effectiveness of the controls to ensure adherence to the Standard operating procedures and noted no significant deficiencies/material weaknesses.

In addition to the above, internal audits are undertaken on a continuous basis by senior officer of the company covering all business operations periodically to validate the existing controls. The Internal audit program is reviewed by the Audit Committee at the beginning of the year to ensure that the coverage of the areas is adequate.

The Audit Committee reviews the adequacy and effectiveness of internal control systems and provides guidance for further strengthening them.

CAUTIONARY STATEMENT:

Statements in the Management Discussions and Analysis Report in regard to projections, estimates and expectations may be “forward looking statement” within meaning of applicable securities laws and regulations. Many unforeseen factors may come into play and affect the actual results, which would be different from what directors envisage in terms of future performance and outlook. Annexure-XII**Nomination & Remuneration Policy****1. Preface:**

RUDRA GLOBAL INFRA PRODUCTS LIMITED (“The Company”), in order to attract motivated and retained manpower in competitive market, to harmonize the aspirations of human resources consistent with the goals of the Company and in terms of the provisions of the Companies Act, 2013 and the SEBI (Listing Regulations and Disclosure Requirements) Regulation, 2015 as amended from time to time, this policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated and recommended by the Nomination and Remuneration Committee and approved by the Board of Directors.

2. Objective:

The Key Objectives of the Nomination and Remuneration Policy would be:

- A. To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management.
- B. To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation of the Board.
- C. To recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management.

3. Definition:

- a) “Board” means Board of Directors of the Company.
- b) “Director” means Directors of the Company.
- c) “Committee” means the Nomination and Remuneration Committee of the Company as constituted or re-constituted by the Board.
- d) “Company” means RUDRA GLOBAL INFRA PRODUCTS LIMITED.
- e) “Independent Director” means a Director referred to in Section 149(6) of the Companies Act, 2013.
- f) **Key Managerial Personnel** means:
 - i. Executive Chairman or Chief Executive Officer and/or Managing Director;
 - ii. Wholetime Director;
 - iii. Chief Financial Officer;
 - iv. Company Secretary;
 - v. Such other Officer as may be prescribed under the applicable statutory provisions / regulations.
- g) “Senior Management” means personnel of the Company who occupy the position of Head of any department/ division/ unit.

Unless the context otherwise requires, words and expressions used in this policy and not defined herein but defined in Companies Act, 2013 as may be amended from time to time shall have the meaning respectively assigned to them therein.

4. Guiding principles:

The guiding principle is to lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (including Independent Director) and persons who may be appointed in Senior Management and Key Managerial positions and to determine their remuneration.

- A. To carry out evaluation of performance of Directors, Key Management Personnel as well as Senior Management Personnel.
- B. The level and composition of remuneration and the other terms of employment is reasonable and sufficient to attract, retain and motivate executives of the Company shall be competitive in order to ensure that the Company can attract and retain competent Executives.
- C. To determine remuneration based on Company’s size and financial position and trends and practice on remuneration prevailing in the similar Industry. When determining the remuneration policy and arrangements for Directors/ KMP’s and Senior Management, the Committee considers pay and employment conditions with peers / elsewhere in the competitive market to ensure that pay structures are appropriately aligned and that levels of remuneration remain appropriate in this context.
- D. The Committee while designing the remuneration package considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the company successfully. The Committee considers that a successful remuneration policy must ensure that a significant part of the remuneration package is linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

5. Coverage:**A. Policy on Appointment and Nomination of Directors, Key Managerial Personnel and Senior Management:****1) Appointment criteria and qualifications:**

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director and KMP and recommend to the Board his / her appointee.

- b) A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.
- c) The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years.

INDEPENDENT AUDITORS' REPORT

To,

The Members,

Rudra Global Infra Products Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited standalone financial statements of **Rudra Global Infra Products Limited** ("the company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including other Comprehensive Income), the Statement in Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statement, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in india, of the state of affairs of the company as at 31st March, 2022 and profit and total comprehensive income, change in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matter related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of written representations received from the directors as on 31st March, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
 - iii. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund.
 - iv. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and

(iii) As per the information and explanation provided to us, the representation under sub clause (i) and (ii) is not contained any material misstatement.

v. The company has not declared or paid any dividend during the year under audit.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" a statement on the matters Specified in paragraphs 3 and 4 of the Order.

ANNAEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Rudra Global Infra Products Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Rudra Global Infra Products Limited** as of 31st March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 3.5 : Financial Risk Management

In course of its business, the Company is exposed to certain financial risks that could have significant influence on the Company's business and operational/ financial performance. These include market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk.

The Board of Directors reviews and approves risk management framework and policies for managing these risks and monitors suitable mitigating actions taken by the management to minimise potential adverse effects and achieve greater predictability to earnings. In line with the overall risk management framework and policies, the management monitors and manages risk exposure through an analysis of degree and magnitude of risks.

(i) Market Risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realizable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

(a) Foreign Currency Risk Management:

The Company undertakes transactions denominated in foreign currencies and thus it is exposed to exchange rate fluctuations. The Company actively manages its currency rate exposures, arising from transactions entered and denominated in foreign currencies, and uses derivative instruments such as foreign currency forward contracts to mitigate the risks from such exposures. The company does not use derivative instruments to hedge risk exposure.

(b) Interest Rate Risk Management:

The Company is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. The Company's risk management activities are subject to management, direction and control under the framework of risk management policy of interest rate risk. The management ensures risk governance framework for the company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives

For the company's total borrowings, the analysis is prepared assuming that amount of the liability outstanding at the end of the reporting period was outstanding for the whole year.

Particulars	As at March 31,	As at March 31,
	2022	2021
Total Borrowings (Rs. In Lacs)	13,524.90	17,625.08

(ii) Credit Risk

Credit risk refers to the risk that a counterparty or customer will default on its obligation resulting in a loss to the company. Financial instruments that are subject to credit risk principally consist of Loans, Trade and Other Receivables, Cash and Cash Equivalents, Investments and Other Financial Assets.

Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risk. The Company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in independent markets. Ongoing credit evaluation is performed on the financial condition of accounts receivable and, where appropriate. The average credit periods are generally in the range of 14 days to 90 days. Credit limits are established for all customers based on internal rating criteria.

The financial statements up to year ended March 31, 2022 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act. Previous period figures in the financial statements have been restated in Ind AS.

B.1.2 Basis of Measurement

The standalone financial statements have been prepared on a historical cost basis, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value at the end of each reporting period, as explained in relevant schedule notes.

B.1.3 Functional and presentation currency

Indian rupee is the functional and presentation currency.

B.1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Useful lives of Property, plant and equipment
- Valuation of financial instruments
- Provisions and contingencies
- Income tax and deferred tax
- Measurement of defined employee benefit obligations

Payments to defined contribution plans i.e., Company's contribution to provident fund are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

In respect of provident fund, eligible employees of the Company are entitled to receive benefits in respect of provident fund, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions are made to the provident fund as set up by Government.

For defined benefit plans i.e. gratuity, the Company has an obligation towards gratuity. The plan provides for payment to vested employees at retirement, death while in employment or on termination of employment in accordance with the scheme of the company. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- Service cost;
- Net interest expense or income; and
- Re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

B.6 Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax:

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and TDS/TCS receivables.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India. MAT Credit Entitlement, is classified as unused tax credits under deferred tax by way of a credit to the statement of profit and loss.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

B.7 Property, Plant and Equipment**Cost:**

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Property, Plant and Equipment not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided using the written down method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirements of Schedule II of the Act. The estimate of the useful life of the assets has been assessed based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal. Cost of lease-hold land is amortized equally over the period of lease.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-recognition:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss.

B.8 Impairment Losses

At the end of each reporting period, the Company determines whether there is any indication that its assets (property, plant and equipment, intangible assets and investments in equity instruments in subsidiaries carried at cost) have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognised, if the carrying amount exceeds the recoverable amount.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

B.9 Inventories

Inventories are taken as verified, valued and certified by the management. The company has been following the practice of accounting for the quantity of raw material and finished goods on the basis of the weight (in MTs). Inventories are stated at lower of cost and net realisable value.

Cost of raw materials, stores, spares, consumable tools comprises cost of purchases and includes taxes and duties other refundable or eligible for credits. Cost of inventories also includes all other related costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Cost of inventories is determined as follows:

Raw Material - At Cost

Finished Goods - At lower of cost or net realizable value

Traded Goods - At lower of cost or net realizable value

Consumable & Store Spare - At Cost

B.10 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liability is disclosed for possible obligations which will be confirmed only by future events not within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognized since this may result in the recognition of income that may never be realized.

B.11 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

After initial recognition:

(i) Financial assets (other than investments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Income on such debt instruments is recognised in profit or loss and is included in the "Other Income".

The Company has not designated any debt instruments as fair value through other comprehensive income.

(ii) Financial assets (i.e. investments in instruments other than equity of subsidiaries) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Other Income".

Investments in equity instruments of subsidiaries

The Company measures its investments in equity instruments of subsidiaries at cost in accordance with Ind AS 27. At transition date, the Company has elected to continue with the carrying value of such investments measured as per the previous GAAP and use such carrying value as its deemed cost.

Impairment of financial assets:

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

De-recognition of financial assets:

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial liabilities and equity instruments

Equity instruments

Equity instruments issued by the Company are classified as equity in accordance with the substance and the definitions of an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an

extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

B.12 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

C. Critical Accounting judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the financial statements that are not readily apparent from other sources. The judgments, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the key estimates that have been made by the Management in the process of applying the accounting policies:

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments.

Allowance for doubtful trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts.

Estimated irrecoverable amounts are derived based on a provision matrix which takes into account various factors such as customer specific risks, geographical region, product type, currency fluctuation risk, repatriation policy of the country, country specific economic risks, customer rating, and type of customer, etc.

Individual trade receivables are written off when the management deems them not to be collectable.

Defined benefit plan

The cost of the defined benefit plans and other post-employment benefits and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter that is subject to change the most is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit obligation.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases are after considering the expected future inflation rates for the country.

INDEPENDENT AUDITORS' REPORT

To,
The Members,
Rudra Global Infra Products Limited

Report on the Audit of the consolidated Financial Statements**Opinion**

We have audited consolidated financial statements of **Rudra Global Infra Products Limited** (herein after referred to as "the company") and its one subsidiary (the company and its subsidiary together referred to as 'the group'), which comprise the Consolidated Balance Sheet as at 31st March 2022, the Consolidated Statement of Profit and Loss (including other Comprehensive Income), the Consolidated Statement in Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the financial statement, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st March, 2022 and consolidated total comprehensive income (comprising of profit and consolidated other comprehensive income), consolidated change in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matter related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting

from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion proper books of account as required by law have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the consolidated Statement of Profit and Loss including Consolidated Other Comprehensive Income, consolidated Statement of Changes in Equity and the consolidated Cash Flow statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of written representations received from the directors as on 31st March, 2022, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group's internal financial controls over financial reporting.
- g) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:
 - i. The group has disclosed the impact of pending litigations on its financial position in its consolidated Ind AS financial statements.
 - ii. The group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
 - iii. There were no amounts which required to be transferred by the group to the Investor Education and Protection Fund.
 - iv. (i) The respective management of the company and its subsidiary, whose financial statements have been audited, has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company or its subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company or its subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The respective management of the company and its subsidiary, whose financial statements have been audited. has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received

by the company or its subsidiary from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise, that the company or its subsidiary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and

(iii) As per the information and explanation provided to us on the company and its subsidiary, whose financial statements have been audited, the representation under sub clause (i) and (ii) is not contained any material misstatement.

- v. Since the Holding Company has not declared or paid any dividend during the year, the question of commenting on whether the same is in accordance with Section 123 of the Companies Act, 2013 does not arise.

ANNAEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Rudra Global Infra Products Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Rudra Global Infra Products Limited** (hereinafter referred to as “the Company”), and its subsidiary as of 31st March, 2022 in conjunction with our audit of the consolidated financial statements of the group for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to group’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A group's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations management and directors of the group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the group's assets that could have a material effect on the consolidated financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 3.4 : Capital Management

For the purpose of the company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objectives of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise return to stakeholders through the optimisation of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual planning and budgeting and corporate plan for working capital, capital outlay and long-term product and strategic involvements. The funding requirements are met through internal accruals and a combination of both long-term and short-term borrowings.

The Company monitors the capital structure on the basis of total debt (long term and short term) to equity and maturity profile of the overall debt portfolio of the Company.

Note 3.5 : Financial Risk Management

In course of its business, the Company is exposed to certain financial risks that could have significant influence on the Company's business and operational/ financial performance. These include market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk.

The Board of Directors reviews and approves risk management framework and policies for managing these risks and monitors suitable mitigating actions taken by the management to minimise potential adverse effects and achieve greater predictability to earnings. In line with the overall risk management framework and policies, the management monitors and manages risk exposure through an analysis of degree and magnitude of risks.

(i) Market Risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realizable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes cannot be normally predicted with reasonable accuracy.

(a) Foreign Currency Risk Management:

The Company undertakes transactions denominated in foreign currencies and thus it is exposed to exchange rate fluctuations. The Company actively manages its currency rate exposures, arising from transactions

entered and denominated in foreign currencies, and uses derivative instruments such as foreign currency forward contracts to mitigate the risks from such exposures. The company does not use derivative instruments to hedge risk exposure.

(b) Interest Rate Risk Management:

The Company is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. The Company's risk management activities are subject to management, direction and control under the framework of risk management policy of interest rate risk. The management ensures risk governance framework for the company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives

For the company's total borrowings, the analysis is prepared assuming that amount of the liability outstanding at the end of the reporting period was outstanding for the whole year.

Particulars	As at March 31, 2022	As at March 31, 2021
Total Borrowings (Rs. In Lacs)	13,525.71	17,625.89

(ii) Credit Risk

Credit risk refers to the risk that a counterparty or customer will default on its obligation resulting in a loss to the company. Financial instruments that are subject to credit risk principally consist of Loans, Trade and Other Receivables, Cash and Cash Equivalents, Investments and Other Financial Assets.

Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risk. The Company's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties

Trade receivables consist of a large number of customers, spread across diverse industries and geographical areas. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in independent markets. Ongoing credit evaluation is performed on the financial condition of accounts receivable and, where appropriate. The average credit periods are generally in the range of 14 days to 90 days. Credit limits are established for all customers based on internal rating criteria.

Net Trade Receivables	3,970.14	7,068.32

(iii) Liquidity Risk

The Company monitors its risk of shortage of funds through using a liquidity planning process that encompasses an analysis of projected cash inflow and outflow.

The Company's objective is to maintain a balance between continuity of funding and flexibility largely through cash flow generation from its operating activities and the use of bank loans. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding

RUDRA GLOBAL INFRA PRODUCTS LIMITED**(CIN: L28112GJ2010PTC062324)****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED
MARCH 31, 2022****A. Company Overview**

Rudra Global Infra Products Limited (formerly known as “M. D. Inducto Cast Limited”) (“the Company”) is public limited company and domiciled in India and is incorporated as per the provisions of the Companies Act with its registered office located at “M.D.House”, Plot No. 2715/A, Near Central Salt, Waghawadi Road, Bhavnagar – 364001. The Company is listed on the Bombay Stock Exchange (BSE). The Company is currently into the business of manufacturing and trading of Billets, TMT Bars.

B. Significant Accounting Policies**B.1 Basis of Preparation and Presentation****B.1.1 Statement of Compliance**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements up to year ended March 31, 2022 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act. Previous period figures in the financial statements have been restated in Ind AS.

B.1.2 Basis of Measurement

The Consolidated financial statements have been prepared on a historical cost basis, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value at the end of each reporting period, as explained in relevant schedule notes.

B.1.3 Functional and presentation currency

Indian rupee is the functional and presentation currency.

B.1.4 Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Useful lives of Property, plant and equipment
- Valuation of financial instruments
- Provisions and contingencies
- Income tax and deferred tax
- Measurement of defined employee benefit obligations
- Export Incentive

B.2 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

B.2.1 Sale of Goods

Revenue from sale of goods is recognized when the Company transfers all significant risks and rewards of ownership to the buyer, while the Company retains neither continuing managerial involvement nor effective control over the products sold.

Revenue is exclusive of excise duty and is reduced for estimated customer returns, commissions, rebates and discounts and other similar allowances.

B.2.2 Other Operating Revenue

Other Operating Revenue comprises of income from ancillary activities incidental to the operations of the company and is recognised when the right to receive the income is established as per the terms of contracts.

B.2.3 Dividend and Interest income

Dividend income is recognized when the right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably).

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably).

B.3 Foreign currency transactions

The company is exposed to currency fluctuations on foreign currency transactions. Transactions denominated in foreign currency are recorded at the original rates of exchange in force/ notional determined exchange rates at the time transactions are affected. Exchange difference arising on foreign exchange transactions settled during the year is recognized in the Statement of profit and loss of the year.

In the case of forward contract, if any, difference between the forward rates and the exchange rates on the transaction dates is recognized as income or expenses over the lives of the related contracts. The Profit/Loss arising out of the cancellation or renewal of forward exchange contract is recorded as Income/ Expense for the period.

B.4 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

B.5 Employee benefits

Retirement benefit costs and termination benefits:

Payments to defined contribution plans i.e., Company's contribution to provident fund are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

In respect of provident fund, eligible employees of the Company are entitled to receive benefits in respect of provident fund, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions are made to the provident fund as set up by Government.

For defined benefit plans i.e. gratuity, the Company has an obligation towards gratuity. The plan provides for payment to vested employees at retirement, death while in employment or on termination of employment in accordance with the scheme of the company. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- Service cost;
- Net interest expense or income; and
- Re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

B.6 Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax:

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Provisions for current income taxes are presented in the balance sheet after off-setting advance taxes paid and TDS/TCS receivables.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India. MAT Credit Entitlement, is classified as unused tax credits under deferred tax by way of a credit to the statement of profit and loss.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

B.7 Property, Plant and Equipment

Cost:

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Property, Plant and Equipment not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided using the written down method based on the useful life of the assets as estimated by the management and is charged to the Statement of Profit and Loss as per the requirements of Schedule II of the Act. The estimate of the useful life of the assets has been assessed based on technical advice which considered the nature of the asset, the usage of the asset, expected physical wear and tear, the operating conditions of the asset, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation on items of property, plant and equipment acquired / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal. Cost of lease-hold land is amortized equally over the period of lease.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

De-recognition:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss.

B.8 Impairment Losses

At the end of each reporting period, the Company determines whether there is any indication that its assets (property, plant and equipment, intangible assets and investments in equity instruments in subsidiaries carried at cost) have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognised, if the carrying amount exceeds the recoverable amount.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

B.9 Inventories

Inventories are taken as verified, valued and certified by the management. The company has been following the practice of accounting for the quantity of raw material and finished goods on the basis of the weight (in MTs). Inventories are stated at lower of cost and net realisable value.

Cost of raw materials, stores, spares, consumable tools comprises cost of purchases and includes taxes and duties other refundable or eligible for credits. Cost of inventories also includes all other related costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Cost of inventories is determined as follows:

Raw Material - At Cost

Finished Goods - At lower of cost or net realizable value

Traded Goods - At lower of cost or net realizable value

Consumable & Store Spare - At Cost

B.10 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent liability is disclosed for possible obligations which will be confirmed only by future events not within the control of the Company or present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognized since this may result in the recognition of income that may never be realized.

B.11 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets:

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

After initial recognition:

(i) Financial assets (other than investments) are subsequently measured at amortised cost using the effective interest method.

Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost:

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Income on such debt instruments is recognised in profit or loss and is included in the "Other Income".

The Company has not designated any debt instruments as fair value through other comprehensive income.

(ii) Financial assets (i.e. investments in instruments other than equity of subsidiaries) are subsequently measured at fair value.

Such financial assets are measured at fair value at the end of each reporting period, with any gains (e.g. any dividend or interest earned on the financial asset) or losses arising on re-measurement recognised in profit or loss and included in the "Other Income".

Investments in equity instruments of subsidiaries

The Company measures its investments in equity instruments of subsidiaries at cost in accordance with Ind AS 27. At transition date, the Company has elected to continue with the carrying value of such investments measured as per the previous GAAP and use such carrying value as its deemed cost.

Impairment of financial assets:

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

De-recognition of financial assets:

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial liabilities and equity instruments

Equity instruments

Equity instruments issued by the Company are classified as equity in accordance with the substance and the definitions of an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

B.12 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

C. Critical Accounting judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised

in the financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the key estimates that have been made by the Management in the process of applying the accounting policies:

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments.

Allowance for doubtful trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts.

Estimated irrecoverable amounts are derived based on a provision matrix which takes into account various factors such as customer specific risks, geographical region, product type, currency fluctuation risk, repatriation policy of the country, country specific economic risks, customer rating, and type of customer, etc.

Individual trade receivables are written off when the management deems them not to be collectable.

Defined benefit plan

The cost of the defined benefit plans and other post-employment benefits and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter that is subject to change the most is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit obligation.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases are after considering the expected future inflation rates for the country.
