CDSL e-Voting System – For e-voting

- a) In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44(1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide Members facility to exercise their right to vote on Resolutions proposed to be considered at the 48th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the Members using an electronic voting system from a place other than venue of the 48th Annual General Meeting (AGM) ("remote e-voting") will be provided by Central Depository Services (India) Limited (CDSL).

The facility for voting through polling paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.

The members who have cast their vote by remote e-voting prior to the 48th Annual General Meeting (AGM) may also attend the 48th Annual General Meeting (AGM) but shall not be entitled to cast their vote again.

In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.tmtindia.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e., BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e., www.evotingindia.com

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING

- (i) The voting period begins on Saturday, 27th of September, 2025 at 09:00 A.M and ends on Monday, 29th of September 2025 at 05:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., Tuesday, 23rd September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed

that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION & ANALYSIS

OVERVIEW:

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India (SEBI) and other statutory requirements. Our Management accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, so that the financial statements reflect in a true and fair manner the form and substance of transactions and reasonably present our state of affairs, profits and cash flows for the year.

INDIAN ECONOMY:

The International Monetary Fund (IMF) on Tuesday raised its growth outlook for India for financial year 2025-26 (FY26) to 6.4 per cent from 6.2 per cent projected in April, citing a more benign external environment and lower inflation.

The 20 basis points (bps) upgrade was part of an update to the multilateral lender's World Economic Outlook (WEO) report, which also scaled up India's Gross Domestic Product (GDP) forecast for FY27 by 10 bps to 6.4 per cent.

"In India, growth is projected to be 6.4 percent in [FY 2026 and FY 2027], with both numbers revised slightly upward, reflecting a more benign external environment than assumed in the April reference forecast," the report said.

In response to a query on the rationale for the upward revision in India's growth projection at, Deniz Igan, division chief, IMF, attributed the upgrade mainly to the suspension of higher tariff rates and lower inflation because of falling food prices.

"What has been the driver of this relatively stable growth is the fact that there has been a reform momentum supporting robust consumption growth and a push for public investment," she said at a press briefing.

"...And to continue the recent good growth performance that we have seen, priorities [for India] would include fostering job creation and absorbing excess labor from the agricultural sectors by reskilling [them]. At the same time, continuing to invest in infrastructure and removing trade restrictions," Igan suggested.

"In the medium term, India needs to continue to invest in education, take a step towards land reforms, expand the social safety net and reduce red tape to allow businesses to perform better," she emphasised.

The IMF pegged global growth 20 bps higher than its April forecast at 3 per cent for 2025, and raised it by 10 bps to 3.1 per cent for 2026. "This reflects stronger-than-expected front-loading in anticipation of higher tariffs, lower average effective US tariff rates than announced in April, an improvement in financial conditions, including due to a weaker US dollar and fiscal expansion in some major jurisdictions," the IMF noted.

Pierre-Olivier Gourinchas, chief economist, IMF says that the modest decline in trade tensions, however fragile, has contributed to the resilience of the global economy so far, along with a few other developments.

"First, concerns about future tariffs led to a strong surge in exports to the US in the first quarter of the year. This front-loading helped support activity in Europe and Asia. Second, financial conditions improved,

and monetary conditions eased as global inflation continues to recede. Third, the dollar has depreciated by roughly 8 percent since January," he added.

In emerging markets and developing economies, the IMF projected growth to be 4.1 per cent in 2025 and 4 per cent in 2026. Relative to the forecast in April, growth in 2025 for China is revised upward by 80 bps to 4.8 per cent.

The risks to the outlook include a rebound in effective tariff rates which could lead to weaker growth and geopolitical tensions that could disrupt global supply chains and push commodity prices up.

"Elevated uncertainty could start weighing more heavily on activity, also as deadlines for additional tariffs expire without progress on substantial, permanent agreements. Larger fiscal deficits or increased risk aversion could raise long-term interest rates and tighten global financial conditions," the IMF noted. On the upside, global growth could be lifted if trade negotiations lead to a predictable framework and to a decline in tariffs.

On inflation, the WEO update said global headline inflation is expected to fall to 4.2 per cent in 2025 and 3.6 percent in 2026, a path similar to the one projected in April.

GLOBAL ECONOMY:

India could become the world's second-largest economy by the year 2038, reported EY. With strong economic fundamentals, a young population, and a sustainable fiscal position, India is expected to continue its robust growth despite global uncertainties.

The report, called the 'EY Economy Watch', mentioned that if current growth trends continue, India may become the world's second-largest economy by 2038 in PPP terms, with a GDP projected at \$34.2 trillion.

Unlike many other big economies in the world, India has some unique advantages. The average age of people in India in 2025 is just 28.8 years. This means there's a huge number of young, working people who can drive the economy forward for decades.

Further, India has the second-highest savings rate among the world's largest economies. This is great because it means more money is available for big projects and new businesses.

Moreover, the government's borrowing is actually going down. While other countries are seeing their debt pile up, India's debt-to-GDP ratio is expected to fall from over 81% in 2024 to about 75% by 2030.

The report also mentions that India's strong economy doesn't rely too much on what's happening in other countries. Our huge domestic market means people within India are buying and selling things, which keeps the economy healthy even when global trade is slow.

The report compares India to other major economies like the USA, China, Germany, and Japan. While they are all very successful, they face some big challenges that India doesn't. For example, China is dealing with an ageing population, and the USA has a lot of debt. Germany and Japan also have older populations and are very dependent on global trade, which can be a risk.

In simple terms, India's mix of a young population, high domestic demand, and good financial health gives it the most promising path for long-term growth.

According to EY India's Chief Policy Advisor, DK Srivastava, the country's strong points will help it grow even when the world economy is facing problems. He says India is well on its way to achieving its goal of becoming a "Viksit Bharat" (developed India) by 2047.

India is also expected to become the third-largest economy in market exchange rate terms by 2028, surpassing Germany. Even potential disruptions, like US tariffs affecting 0.9% of GDP, are projected to have only a minor impact on growth if countered with export diversification and stronger domestic demand.

With a combination of a young population, rising domestic consumption, fiscal discipline, and structural reforms, India appears well-positioned to climb the global economic ladder in the coming decades.

OPERATIONS:

The Operations of the Company are at minimal scales and the management is actively working towards bagging new orders for execution and is evaluating all the possibilities of bringing back the glory of the Company with good order book and generation of sizable revenues.

FUTURE OUTLOOK:

The management is actively scouting for new orders and markets. In the coming years, the management will strive to identify and produce distinct varieties of products to cater to the needs of overseas markets.

OPPORTUNITIES & THREATS

Strength: Huge demand for natural agro products produced in India in foreign countries, providing high export potential.

Weakness: The necessity of any product may come at any time and any material required in this connection needs to be purchased in bulk quantity whenever it is available, requiring heavy capital investments in stocks.

Opportunities: We are a very old Company having vast amount of experience which will enable us to execute any orders received by the Company.

Threats: The business of the Company is exposed to normal industry threats.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The philosophy we have with regard to internal control systems and their adequacy has been formulation of effective systems and their strict implementation to ensure that assets and interests of the Company are safeguarded; checks and balances are in place to determine the accuracy and reliability of accounting data. The Company has a well-defined organization structure with clear functional authority, limits for approval of all transactions. The Company has a strong reporting system, which evaluates and forewarns the management on issues related to compliance. Company updates its internal control system from time to time, enabling it to monitor employee adherence to internal procedures and external regulatory guidelines.

INDEPENDENT AUDITORS' REPORT

To
The Members of
TMT (India) Limited
Hyderabad

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

I have audited the accompanying standalone financial statements of TMT (INDIA) LIMITED, ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (herein after referred to as the "standalone financial statements").

In my opinion and to the best of my information and according to the explanations given to me, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

I conducted my audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). My responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to my audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. I believe that the audit evidence obtained by me is sufficient and appropriate to provide a basis for my audit opinion on the Standalone Financial Statements.

Emphasis of matters

1. We draw attention to note 5 of part B of Notes on significant accounting policies where the management has detailed out the issue with respect to the investment made by the company in M/s. Sree Rayalaseema Alkalis and Allied Chemicals Ltd and the fact that investments are shown in books based on substance over form.

My opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significance in my audit of the standalone financial statements of the current period. These matters were addressed in the context of my audit of the standalone financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters. I have determined the matters described below to be the key audit matters to be communicated in my report.

S.No.	Key Audit Matters	Auditor's response
1.	Revenue Recognition Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers".	I have assessed the Company's process to identify the impact of Adoption of the new revenue accounting standard. My audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: The application of the new revenue accounting standard involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report and Corporate Governance Report, but does not include the Standalone Financial Statements and my auditor's report thereon.

My opinion on the Standalone Financial Statements does not cover the other information and I do not express any form of assurance, conclusion thereon.

In connection with my audit of the Standalone Financial Statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or my knowledge obtained during the course of my audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

My objective is to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee

that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, I am also responsible for expressing my opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. I consider quantitative, materiality and qualitative factors in (i) planning the scope of my audit work and in evaluating the results of my work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, I determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. I describe these matters in my auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, I determine that a matter should not be communicated in my report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on my audit I report, that:
 - a) I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of my audit.
 - b) In my opinion, proper books of account as required by law have been kept by the Company so far as it appears from my examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d) In my opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.
 - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to my separate Report in "Annexure -A". My report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In my opinion and to the best of my information and according to the explanations given to us, the managerial remuneration paid by the Company during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in my opinion and to the best of my information and according to the explanations given to me:
 - i. The Company does not have any pending litigations which would impact its financial positions in its standalone financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no amount, required to be transferred, to the Investor Education and Protection Fund by the Company in accordance with the relevant provisions of the Act.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to my notice that has caused me to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. As stated in Notes to the standalone financial statements
 - (a) The Company has neither declared nor paid any dividend during the year. Hence reporting under this clause is not applicable.
 - vi. Based on my examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of my audit I did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, I give in "Annexure-B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of my report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

I have audited the internal financial controls over financial reporting of M/s. TMT (INDIA) LIMITED ("the Company") as of March 31, 2025 in conjunction with my audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my audit. I conducted my audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. My audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the

maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In my opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

"ANNEXURE - B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 of Report on Other Legal and Regulatory Requirements, of my report of even date)

To the best of my information and according to the explanations provided to me by the Company and the books of account and records examined by me in the normal course of audit, I state that:

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment and relevant details of right-of-use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The fixed assets of the company have been physically verified by the management during the year as per a programme of verification, which in my opinion is reasonable having regard to the size of the company and the nature of its assets. According to the information and explanations given to me, no material discrepancies were noticed on such verification.
 - (c) Based on my examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, I report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder
- ii.
 - (a) The management has conducted physical verification of inventory at reasonable intervals during the year, in my opinion, the coverage and procedure of such verification by the management is appropriate. As informed to me, the inventory does not have any net realisable value and written off in books of account
 - (b) The Company has not been sanctioned working capital limits in excess of 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii) (b) of the Order is not applicable.
- iii. The Company has made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which:
 - (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii) (a) of the Order is not applicable.
 - (b) In my opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
 - (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
 - (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

(f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii) (f) is not applicable.

The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

iv. According to the information and explanations given to me and on the basis of my examination of the records of the Company, the company has complied with the provisions of sections 185 and 186 of the Companies Act, 2013, with respect to loans, investments, guarantees and security made during the year.

(v) In my opinion and according to the information and explanations given to me, The Company has not accepted any deposit during the year and does not have any unclaimed deposits as at March 31, 2025 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.

(vi) The maintenance of cost records has not been prescribed by the Central Government under subsection (1) of section 148 of the Companies Act for the business activities carried out by the Company. Thus reporting under Clause 3(vi) of the order is not applicable to the Company.

vii. (a) The company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, custom duty, excise duty, GST, Cess and other material statutory dues as applicable to it.

According to the information and explanations given to me, no undisputed amounts payable in respect of income tax, service tax, sales tax, customs duty, excise duty, GST and Cess were in arrears, wherever applicable, as at 31st March, 2025 for a period of more than six months from the date they became payable

(b) According to the information and explanations given to me, there are no dues of sales tax, income tax, customs duty, service tax, excise duty, GST and Cess which have not been deposited on account of any dispute.

viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

ix. (a) The company has not taken any loans or other borrowings from financial institutions, banks and government. Hence reporting under clause 3(ix)(a) of the Order is not applicable.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix) (c) of the Order is not applicable.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix) (f) of the Order is not applicable.
- (x) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) I have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of my audit procedures.
- xii. In my opinion and according to the information and explanations given to me, the company is not a nidhi company. Accordingly, paragraph 3 (xii) is not applicable.
- xiii. According to the information and explanations given to me and based on my examination of the records of the company, transactions with related parties are in compliance with section 177 and 188 of the Companies Act.
- xiv. (a) In my opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) I have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of my audit procedures.
- xv. In my opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. And hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In my opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable.
- (b) In my opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi) (d) of the Order is not applicable.
- xvii. The Company has incurred cash losses during the financial year covered by my audit and the immediately preceding financial year as below.

PARTICULARS	FY 2024-25	FY 2023-24
Cash loss incurred (Amount in INR thousands)	(4597.72)	(3425.09)

- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and my knowledge of the Board of Directors and Management plans and based on my examination of the evidence supporting the assumptions, nothing has come to my attention, which causes me to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. I, however, state that this is not an assurance as to the future viability of the Company. I further state that my reporting is based on the facts up to the date of the audit report and I neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx) (a) of the Order is not applicable for the year.
- (b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act.

TMT (INDIA) LIMITED

Notes to Accounts for the year ended March 31, 2025

Note: 17 - Accounting Policies under Ind AS:

(A) Significant Accounting Policies

1. Statement of Compliance and basis of preparation of Financial Statements

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind-AS) as notified by Ministry of Corporate Affairs, Government of India vide Notification dated February 16, 2015. Accounting policies have been applied consistently to all periods presented in these financial statements. The Financial Statements are prepared under historical cost convention from the books of accounts maintained under accrual basis except for certain financial instruments which are measured at fair value and in accordance with the Indian Accounting Standards prescribed under the Companies Act, 2013

2. Application of Indian Accounting Standards (Ind-AS)

All Listed companies are required to adopt Ind AS.

All amounts included in the financial statements are reported in of Indian Rupees (Rupees in thousands) except number of equity shares and per share data, unless otherwise stated

3. Use of estimates and judgment

The preparation of financial statements requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known/materialised.

4. Functional and presentation currency

These financial statements are presented in Indian rupees, the national currency of India, which is the functional currency of the Company.

5. Revenue Recognition

i) Trading Income

Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discount and volume rebates. Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, it is probable that economic benefits associated with the transaction will flow to the entity, the associated costs incurred or to be incurred in respect of the transaction can be measured reliably and there is no continuing management involvement with the goods. The point of transfer of risks and rewards depends upon the terms of the contract of sale with individual customers.

Other Operating Revenue

The income relating to the core activities of the company which are not included in revenue from sales/services for e.g. dispatch earned, subsidy, claims against losses on trade

transactions, interest on credit sales and trade related advances (other than on overdue) etc., which are derived based on the terms of related trade agreements with business associates or schemes on related trade, are accounted for under 'Other Operating Revenue'.

ii) Claims

Claims are recognized in the Statement of Profit & Loss (Net of any payable) on accrual basis including receivables from Govt. towards subsidy, cash incentives, reimbursement of losses etc, when it is not unreasonable to expect ultimate collection. Claims recognized but subsequently becoming doubtful are provided for through Statement of Profit and Loss. Insurance claims are accounted upon being accepted by the insurance company

iii) Service Income

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction shall be recognized by reference to the stage of completion (Percentage of Completion Method) of the transaction at the end of the reporting period. The outcome of a transaction can be estimated reliably when all the following conditions are satisfied:-

- a) The amount of revenue can be measured reliably;
- b) It is probable that the economic benefits associated with the transaction will flow to the company;
- c) The stage of completion of the transaction can be measured reliably;

Costs incurred for the transaction and to complete the transaction can be measured reliably.

iv) Dividend and interest income

Dividend income from investments is recognized when the Company's right to receive payment is established and it is probable that the economic benefits associated with the transactions will flow to the Company and the amount of income can be measured reliably.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.

v) Revenue Recognition on Actual Realization

Revenue is recognized on accrual basis except in the following items which are accounted for on actual realization since realizability of such items is uncertain, in accordance with the provisions of Ind AS-115:-

- a) Duty credit / exemption under various promotional schemes of EXIM policy in force, Tax credit, refund of custom duty on account of survey shortage, and refund of income-tax/service tax / sales-tax /VAT and interest thereon etc.
- b) Decrees pending for execution/contested dues and interest thereon, if any:
- c) Interest on overdue recoverable where realizability is uncertain.

d) Liquidated damages on suppliers/underwriters.

6. Property, Plant and Equipment

All Property, Plant and Equipment (PPE) are stated at carrying value in accordance with previous GAAP, which is used as deemed cost on the date of transition to Ind AS using the exemption granted under Ind AS 101.

The cost of an item of property, plant and equipment is recognized as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The cost of an item of PPE is the cash price equivalent at the recognition date. The cost of an item of PPE comprises:

- i) Purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- ii) Costs directly attributable to bringing the PPE to the location and condition necessary for it to be capable of operating in the manner intended by management .
- iii) The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs either when the PPE is acquired or as a consequence of having used the PPE during a particular period for purposes other than to produce inventories during that period.

The carrying value of assets held by the company has fallen below the residual value and hence no depreciation has been charged.

7. Non-Current Assets Held for Sale

The company classifies a non-current asset (or disposal group of assets) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. The non-current asset (or disposal group) classified as held for sale is measured at the lower of its carrying amount and the fair value less costs to sell.

8. Depreciation

The carrying value of assets held by the company has fallen below the residual value and hence depreciation has been charged on WDV basis.

9. Borrowing Costs

The Company capitalizes borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset as a part of the cost of the asset.

The Company recognizes other borrowing costs as an expense in the period in which it incurs them.

A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

10. Foreign currencies

Transactions in currencies other than the functional currency are recognized at the rates of exchange prevailing at the dates of the transactions.

At the end of each reporting period, monetary items denominated in foreign currencies are re-translated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are re-translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not re-translated.

Foreign currency monetary items (except overdue recoverable where realizability is uncertain) are converted using the closing rate as defined in the Ind AS-21. Non-monetary items are reported using the exchange rate at the date of the transaction. The exchange difference gain/loss is recognized in the Statement of Profit and Loss.

Liability in foreign currency relating to acquisition of fixed assets is converted using the closing rate. The difference in exchange is recognized in the Statement of Profit and Loss.

11. Inventory

Inventories are valued at lower of cost or net realizable value.

Basis of determination of cost remain as follows: First in first out basis

12. Provisions

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

13. Contingent Liabilities / Assets

Contingent Liabilities

Contingent liabilities are not recognized but disclosed in Notes to the Accounts when the company has possible obligation due to past events and existence of the obligation depends upon occurrence or non-occurrence of future events not wholly within the control of the company.

Contingent liabilities are assessed continuously to determine whether outflow of economic resources have become probable. If the outflow becomes probable then relative provision is recognized in the financial statements.

Where an entity is jointly and severally liable for an obligation, the part of the obligation that is expected to be met by other parties is treated as a contingent liability. The entity recognises a provision for the part of the obligation for which an outflow of resources embodying economic benefits is probable, except in the extremely rare circumstances where no reliable estimate can be made.

Contingent Assets

Contingent Assets are not recognized in the financial statements. Such contingent assets are assessed continuously and are disclosed in Notes when the inflow of economic benefits becomes probable. If it's virtually certain that inflow of economic benefits will arise then such assets and the relative income will be recognized in the financial statements.

14. Leases

Assets held under lease, in which a significant portion of the risks and rewards of ownership are transferred to lessee are classified as finance leases. Other leases are classified as operating leases. The company normally enters into operating leases which are accounted for as under:-

- (i) Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease.
- (ii) Where the company is a lessee, operating lease payments are recognized as an expense on a straight-line basis over the lease term. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized on a straight-line basis over the lease term.

15. Employee benefits

- i. Provision for gratuity, leave encashment/availment and long service benefits i.e. service award, compassionate gratuity and employees' family benefit scheme is made on the basis of actuarial valuation using the projected unit credit method. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to Statement of Profit or Loss.
- ii. Provision for post-retirement medical benefit is made on defined contribution basis.
- iii. Provident fund contribution is made to Provident Fund Trust on accrual basis.
- iv. Payment of Ex-gratia and Notice pay on Voluntary Retirement are charged to revenue in the year incurred.
- v. Short-term employee benefit obligations:

Short-term employee benefit obligations are measured on an undiscounted basis and are recorded as expense as the related service is provided. A liability is recognized for the amount expected to be paid under PLI / PRP Scheme, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

16. Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit or loss and other comprehensive income/ statement of profit or loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences

to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

17. Impairment

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a revalue amount, in which case the impairment loss is treated as a revaluation decrease.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

At the end of each reporting period, the company reviews the carrying amounts of its tangible, intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, The Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Impairment of financial assets :

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected. For Available for Sale (AFS) equity investments, a significant or prolonged decline in the fair value of the security below its cost is considered to be objective evidence of impairment.

For all other financial assets, objective evidence of impairment could include:

- i. Significant financial difficulty of the issuer or counterparty;
- ii. Breach of contract, such as a default or delinquency in interest or principal payments;
- iii. It becoming probable that the borrower will enter bankruptcy or financial re-organization; or the disappearance of an active market for that financial asset because of financial difficulties.

For certain categories of financial assets, such as trade receivables, assets are assessed for impairment on individual basis. Objective evidence of impairment for a portfolio of receivables could include company's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of zero days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets that are carried at cost, the amount of impairment loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment loss will not be reversed in subsequent periods.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables; such impairment loss is reduced through the use of an allowance account for respective financial asset. When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognized in profit or loss.

For financial assets measured at amortised cost, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed through profit or loss to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognized.

De-recognition of financial assets

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred

asset, The Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss.

18. Earnings per share

A earnings per equity is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equityholders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any shares splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

19. Discontinued operations

A discontinued operation is a component of the Company's business that represents a separate line of business that has been disposed off or is held for sale, or is a subsidiary acquired exclusively with a view to resale. Classification as a discontinued operation occurs upon the earlier of disposal or when the operation meets the criteria to be classified as held for sale.

20. Financial instruments

Non-derivative financial instruments consist of:

financial assets, which include cash and cash equivalents, trade receivables, unbilled revenues, finance lease receivables, employee and other advances, investments in equity and debt securities and eligible current and non-current assets;

financial liabilities, which include long and short-term loans and borrowings, bank overdrafts, trade payables, eligible current and non-current liabilities.

Non derivative financial instruments are recognized initially at fair value including any directly attributable transaction costs. Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset.

Subsequent to initial recognition, nonderivative financial instruments are measured as described below:

a) Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents include cash in hand, at banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the statement of financial position, bank overdrafts are presented under borrowings within current liabilities.

b) Investments in liquid mutual funds, equity securities (other than Subsidiaries, Joint Venture and Associates) are valued at their fair value. These investments are measured at fair value and changes therein, other than impairment losses, are recognized in other comprehensive income and presented within equity, net of taxes. The impairment losses, if any, are reclassified from equity into statement of income. When an available for sale financial asset is derecognized, the related cumulative gain or loss recognized in equity is transferred to the statement of income.

c) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Loans and receivables are initially recognized at fair value plus directly attributable transaction costs and subsequently measured at amortized cost using the effective interest method, less any impairment losses. Loans and receivables comprise trade receivables, unbilled revenues and other assets.

The company estimates the un-collectability of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

d) Trade and other payables

Trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short term maturity of these instruments.

21. Segment Information.

The company has only one reportable business segment, which is supply of designs and drawings and operates in a single business segment. Accordingly, the amounts appearing in the financial statements relate to the company's single business segment.

22. Prior Period Errors

Errors of material amount relating to prior period(s) are disclosed by a note with nature of prior period errors, amount of correction of each such prior period presented retrospectively, to the extent practicable along with change in basic and diluted earnings per share. However, where retrospective restatement is not practicable for a particular period then the circumstances that

lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes to Accounts.

(B) Notes to the Financial Statements

1. General Information

The company has closed down the operations of Palmarosa cultivation and extraction of essential oil.

The Company has also closed down the trading operations of Garcinia, Curcumin and essential oils.

The Company could secure some civil works from the Indian Railways through its civil contractor M/s KEC International Limited. The ordered civil works were carried out by the Company through a sub-contractor M/s Sree Devi Prime Projects LLP and revenue also generated during the year of reporting.

2. Basis of preparation of Financial Statements

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind-AS) as notified by Ministry of Corporate Affairs, Government of India vide Notification dated February 16, 2015. Accounting policies have been applied consistently to all periods presented in these financial statements. The Financial Statements are prepared under historical cost convention from the books of accounts maintained under accrual basis except for certain financial instruments which are measured at fair value and in accordance with the Indian Accounting Standards prescribed under the Companies Act, 2013.

These financial statements are presented in Indian rupees, the national currency of India, which is the functional currency of the Company. All amounts included in the financial statements are reported in Indian rupees (in Rupees) except number of equity shares and per share data, unless otherwise stated.

The accounting policies have been applied consistently to all periods presented in these financial statements.

3. Use of estimates and judgment

The preparation of financial statements requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialised.

4. Commitments

(a) **Capital Commitments:** Estimated amount of contracts including foreign currency contracts net of advances remaining to be executed on capital account and not provided for is Rs.NIL (P.Y. Rs.NIL).

(b) **Other Commitments:** Estimated amount of contracts including foreign currency contracts net of advances remaining to be executed on account of external projects and not provided for is Rs.NIL (P.Y. Rs.NIL).

5. Financial Instruments- Fair Values and Risk Management

a. Financial Instruments by Categories

The following tables show the carrying amounts and fair values of financial assets and financial liabilities by categories. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

The investments shown in Schedule 6 includes Rs.5.00Lakhs towards 50,000 Equity Shares of Rs.10/- each in M/s Sree Rayalaseema Alkalis and Allied Chemicals Ltd. Due to fraudulent transfer of Company's shareholding in respect of the above shares, Company has filed a case before the Company Law Board and preferred an appeal against the CLB Order before the Hon High Court of Andhra Pradesh, for rectification of register of members. The Hon'ble High Court of Andhra Pradesh was pleased to allow the appeal filed by the Company Partially and remanded the matter to the Company Law Board (CLB), directing the CLB to adjudicate the matter afresh. Subsequent to the remand the Company lost track of the case and thereafter the CLB was dissolved and we are making an effort to find out the status of the case remanded to CLB .

6. Financial risk management

The company's activities expose it to the following financial risks:

Market risk (see (a));

Credit risk (see (b)); and

Liquidity risk (see (c)).

The company has not arranged funds that have any interest rate risk.

a) Market risk

i. Foreign Exchange Risk

The company does not deal with import and export transactions and hence foreign exchange risk is not applicable to the Company.

ii. Price Risk

The company's exposure to price risk arise as the investments held by the company are classified in balance sheet at fair value through other comprehensive income.

As of March 31, 2025 and March 31, 2024, every increase or decrease of the respective equity prices would impact other component of equity by approximately INR 6.88 and 8.26 (in Lakhs) respectively. It has no impact on profit or loss.

b) Credit Risk

Credit risk refers to the risk of default on its obligation by a counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. Accordingly, credit risk from trade receivables has been separately evaluated from all other financial assets in the following paragraphs.

Trade Receivables :

The company has outstanding trade receivables amounting to .0 and 10.87 (in lakhs) as of March 31, 2025 and March 31, 2024, respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers.

Credit risk exposure:

An analysis of age of trade receivables at each reporting date is summarized as follows:

(As at 31st March 2025, Amount in Rs)

Particulars	Gross amount	Impairment	Carrying Value
Not past due	-	-	-

Past due more than 120 days	10,87,430	-	10,87,430
Total	10,87,430	-	10,87,430

Trade receivables are generally considered credit impaired after 120 days past due, unless the amount is considered receivable, when recoverability is considered doubtful based on the recovery analysis performed by the company for individual trade receivables.

In the Financial Year of 2024 -2025 Trade receivables considered as bad debts were written off amounting to Rs.13.82L.

Financial assets:

Credit risk relating to cash and cash equivalents is considered negligible because our counter parties are banks. There will be no credit risk related to employee loans as they are adjusted against their salaries.

c) Liquidity Risk

Our liquidity needs are monitored on the basis of monthly and yearly projections. The company's principal sources of liquidity are cash and cash equivalents, cash generated from operations and availability of funding through an adequate amount of committed credit facilities to meet obligations when due.

Due to the dynamic nature of underlying businesses, the company maintains flexibility in funding by maintaining availability under committed credit lines.

Short term liquidity requirements consist mainly of sundry creditors, expense payable, employee dues arising during the normal course of business as of each reporting date. The company maintains sufficient balance in cash and cash equivalents to meet short-term liquidity requirements.

The company assesses long-term liquidity requirements on a periodical basis and manages them through internal accruals and committed credit lines.

The table below provides details regarding the contractual maturities of non-derivative financial liabilities.
