**EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT 2013****ITEM NO. 2**

For creation of security through mortgage or pledge or hypothecation or otherwise or through combination for securing the limits as may be sanctioned by the lenders, for the loans to be sanctioned by any one or more Company's bankers and /or by any one or more persons, bodies corporate, or financial institutions or banks, the Company would be required to secure all or any of the movable and immovable properties of the Company present and future situated at Singampunari and Viralimalai. Section 180(1)(a) of the Companies Act, 2013, necessitates the members to pass a Special Resolution authorising the Board of Directors or its Committees to sell, lease or otherwise dispose off the whole or substantially the whole of the undertaking of the Company as aforesaid to the lenders including creation of charges on the property of the company if any.

This resolution is an enabling resolution.

The Board recommends the Resolution as set out in item no. 2 of the Notice for approval of the Members as a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item No. 2.

ITEM NO. 3

In terms of provisions of section 180(1)(c) of the Companies Act, 2013, the Board of Directors of the Company cannot, except with the consent of the Company in a general meeting by Special Resolution, borrow money, where the money to be borrowed, together with the money already borrowed by the company will exceed the aggregate of its paid up share capital and free reserves, apart from temporary loans obtained from the Company's bankers in the ordinary course of business and or to create charge on the assets of the company, including movable and immovable properties wherever situate, both present and future.

The members by way of Postal Ballot, on 27 August 2014, had accorded their consent by way of an Special Resolution under section 293(1)(d) of the Companies Act, 1956 as applicable at that time, to the Directors for borrowing moneys up to a limit of ₹ 500 crores (excluding temporary loans obtained from the Company's bankers in the ordinary course of business). Approval of the members is now sought in accordance with the provisions under section 180(1)(c) of the Companies Act 2013, wherein a special resolution is necessary to enhance the present limit of ₹ 500 crores to ₹ 1500 crores and also to create charge on the assets of the company, including movable and immovable properties wherever situated, both present and future.

This resolution is an enabling resolution.

The Board recommends the Resolution as set out in item no. 3 of the Notice for approval of the Members as a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item No. 3.

ITEM NO. 4 AND 5

The equity shares of your Company are listed and actively traded on National Stock Exchange of India Limited (NSE) and Bombay Stock Exchange Limited (BSE). With a view to encourage the participation of small investors by making equity shares of the Company affordable, increasing the liquidity of the equity shares and to expand the retail shareholders' base, the Board of Directors at its meeting held on 28 May 2018 considered, approved and recommended a bonus issue of One equity shares for every One equity share held as on the 'record date' to be determined by the Board by capitalizing a part of the amount standing to the credit of General Reserve account or such other account as may be considered appropriate by the Board of Directors of the Company.

The current authorized share capital of your Company is ₹15 Crores (Rupees Fifteen Crores only) divided into 1.5 Crores equity shares of ₹ 10 (Rupees Ten only).

The issue of bonus shares as aforesaid would require increase in the authorized share capital of the Company and consequential alteration to the existing Clause V of the Memorandum of Association of the Company. The Board of Directors at its meeting held on 28 May 2018 has proposed to increase the authorized share capital to ₹ 15 Crores (Rupees Fifteen Crores only) divided into 1.5 Crores (One Crore Fifty Lakhs) equity shares of ₹ 10 (Rupees Ten only) each.

Pursuant to the provisions of Sections 13, 61, 63 and other applicable provisions of the Companies Act, 2013, increase in the authorised share capital, alteration of the capital clause of the Memorandum and Articles of Association and capitalisation of the reserves for the purpose of issue of bonus shares of the Company requires approval of the members.

THE RECORD DATE FOR ISSUE OF BONUS SHARES : 19 JULY 2018

The Board recommends the Resolutions as set out in item no 4 as a Special Resolution and Item no.5 of the he Notice for approval of the Members as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested, financially or otherwise, in the resolutions set forth in Item No. 4 and 5 of this Notice except to the extent of their shareholding and held by them in the Company.

ITEM NO. 6 AND 7

- 3.11. For the purpose of calculating the ceiling, perquisites shall be evaluated as per Income Tax Rules, wherever applicable and in the absence of any such rule, the same shall be evaluated at actual cost.
- 4. The Board of Directors are authorised to enhance the salary and perquisites as above, not exceeding 15% each year.
- 5. The aggregate of the remuneration and perquisites as aforesaid in any financial year shall not exceed the limit from time to time under Section 197, Section 198 and other applicable provisions of the Act and Rules made thereunder, read with Schedule V of the said Act or any statutory modification(s) or re-enactment thereof for the time being in force, or otherwise as may be permissible at law.

The Board recommends the Resolutions as set out in item nos. 6 and 7 of the Notice for approval of the Members as a Special Resolution.

None of the Directors except Shri Vidyashankar Krishnan and Shri K. Venkatramanan may be concerned or interested in the resolutions set out at Item 6 and 7

ITEM NO. 8 TO 10

As per the provisions of Section 149, Section 152 and Schedule IV of the Companies Act, 2013 read with rules thereunder, the Company had appointed Shri. N. Srinivasan, Shri V. Vaidyanathan and Shri. A. Gopalakrishnan, as Independent Directors as per the requirement of the Companies Act, 2013 at the 68th Annual General Meeting of the Company held on 27 August 2014 for a term of 5 years, with effect from 01 April 2014 to 31 March 2019. Since, the three Independent Directors of the Company have completed one term, they are further eligible for re-appointment for one more term. The Performance evaluation of the Independent Directors were conducted by the entire Board (excluding the Director being evaluated) on the basis of criterias such as Transparency, Analytical Capabilities, Performance, Leadership, Ethics and ability to take balanced decisions regarding stakeholders, etc. Accordingly, based on the performance evaluation of the Independent Directors, the Nomination & Remuneration Committee and Board of Directors of the Company at their meeting held on 28 May 2018, have approved and recommended the reappointment of the aforesaid Independent Directors, for a second term as provided in the resolutions, and they shall not be liable to retire by rotation at the Annual General Meeting as provided under Section 152(6) of the Companies Act, 2013.

The Company has received declarations from all the Independent Directors confirming that they meet with the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies

Act, 2013 and as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In the opinion of the Board, they fulfill the conditions specified in the said Act for re-appointment as Independent Directors. The Company has also received notice pursuant to Section 160 of the Companies Act, 2013 from members proposing the candidature for appointment of aforesaid Independent Directors.

Shri N. Srinivasan (DIN 00116726) : Shri N. Srinivasan an Independent Director is 73 years old. He is eligible for re-appointment as Director for a period of five consecutive years from 01 April 2019. Although Shri N. Srinivasan will be completing 75 years subsequently during the tenure of his Directorship 2019-2024, it is desirable to appoint him, keeping in view his rich and varied experience in the Industry and due to his involvement in the operations of the Company over a long period of time. It would be in the interest of the Company to continue the employment of Shri N. Srinivasan as an Independent Director.

Shri. V. Vaidyanathan (DIN 00081792), Independent Director is already completed 75 years. He is eligible for re-appointment as a Director for a period of five consecutive years from 01 April 2019. Since, he is in the Board from 1979 and has taken active part in all activities including expansion and implementation of all projects started by the company, his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Shri Vaidyanathan as an Independent Director.

Shri . A. Gopalakrishnan (DIN 06414546): Shri . A. Gopalakrishnan an Independent Director is 73 years old. He is eligible for re-appointment as Director for a period of five consecutive years from 01 April 2019. Although Shri . A. Gopalakrishnan will be completing 75 years subsequently during the tenure of his Directorship 2019-2024, it is desirable to appoint him, as he has vast experience in manufacturing and project implementation of forging facilities and all round experience of a forging plant. His immense knowledge about Forging Industry has benefited the company. It would be in the interest of the Company to continue the employment of Shri A. Gopalakrishnan as an Independent Director.

The Board recommends the Resolutions as set out in item nos. 8 to 10 of the Notice for approval of the Members as a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and their relatives, other than Independent Directors for their respective appointment, are in any way concerned or interested in the Resolutions, as set out in item nos. 8, 9 and 10 of the Notice.

ITEM NO. 11

Pursuant to the provisions contained in Rule 14 of the Companies (Audit and Auditors) Rules 2014, the appointment and remuneration paid to Shri S. Hariharan, cost auditor appointed at the Board meeting dated 28th May 2018, ought to be ratified by the shareholders subsequently.

Accordingly, consent of the members is sought for passing the resolution as set out in the Notice for ratification for the financial year ending 31 March 2019.

The Board recommends the Resolutions as set out in item no. 11 of the Notice for approval of the Members as an Ordinary Resolution.

**6. MANAGEMENT DISCUSSION AND ANALYSIS :****GLOBAL SCENE**

1. Economic activity in 2017 ended on a high note—growth in the second half of the year was above 4 percent, the strongest since the second half of 2010, supported by a recovery in investment. Outcomes exceeded the October 2017 World Economic Outlook forecasts in the euro area, Japan, the United States, and China, and continued to improve gradually in commodity exporters. Financial conditions remain supportive, despite the recent volatility in equity markets and increases in bond yields following signs of firming inflation in advanced economies.
2. With broad-based momentum and expectations of a sizable fiscal expansion in the United States over this year and the next, global growth is now projected at 3.9 percent for 2018–19, a 0.2 percentage point upgrade for both years relative to the October 2017 forecast.
3. Advanced economies are projected to grow at 2.5 percent in 2018 — 0.2 percentage point higher than in 2017—and 2.2 percent in 2019. In the United States, growth is expected to rise from 2.3 percent in 2017 to 2.9 percent in 2018, before moderating slightly to 2.7 percent in 2019.
4. The recovery in the euro area is projected to pick up slightly from 2.3 percent in 2017 to 2.4 percent this year, before moderating to 2 percent in 2019.
5. Japan's growth is projected to moderate to 1.2 percent in 2018 (from a strong above-trend out-turn of 1.7 percent in 2017) before slowing further to 0.9 percent in 2019. The upward revision of 0.5 percentage point in 2018 and 0.1 percentage point in 2019 relative to the October WEO reflects more favorable external demand prospects, rising private investment, and the supplementary budget for 2018. Japan's medium-term prospects, however, remain weak, owing largely to a shrinking labor force.
6. In China, growth is projected to soften slightly from 6.9 percent in 2017 to 6.6 percent in 2018 and 6.4 percent in 2019. The forecast is higher (by 0.1 percentage point in both 2018 and 2019) relative to the October WEO, reflecting an improved external demand outlook. Over the medium term, the economy is projected to continue rebalancing away from investment toward private consumption and from industry to services, but nonfinancial debt is expected to continue rising as a share of GDP, and the accumulation of vulnerabilities clouds the medium-term outlook.
7. Growth in India is projected to increase from 6.7 percent in 2017 to 7.4 percent in 2018 and 7.8 percent in 2019 (unchanged from the October WEO), lifted by strong private consumption as well as fading transitory effects of the currency exchange initiative and implementation of the national goods and services tax. Over the medium term, growth is expected to gradually rise with continued implementation of structural reforms that raise productivity and incentivize private investment.
8. The Dow Jones Industrial Average (DJIA) has increased by approximately 19% because US stock markets are seen as a haven for investment in a sea of gloom.
9. Commodities – The Dow Jones Commodity Index (DJCI) has increased by 16% in the last one year due to considerable revival of business sentiments in commodities. This is indicative of growth in various economies in both developed and developing countries.
10. At 3.8 percent, global growth last year was 0.5% faster than in 2016 and the strongest since 2011. Two-thirds of countries accounting for about three-fourths of global output experienced faster growth in 2017 than in the previous year (the highest share of countries experiencing a year-over-year growth pickup since 2010). The preliminary outcome for global growth in 2017 was 0.2 percentage point stronger than forecast in the October 2017 World Economic Outlook, with upside surprises in the second half of 2017 in advanced as well as emerging market and developing economies.

INDIA

11. The Indian economy expanded 7.7 percent year-on-year in the first three months of 2018, higher than a downwardly revised 7 percent advance in the previous quarter and beating market forecasts of a 7.3 percent growth. It is the highest growth rate since the second quarter of 2016, boosted by a jump in investment.
12. During F18 the automotive industry posted growth rates of approximately 8% in the car segment and 12% in the CV segment.
13. Steel prices have increased by about 31% compared to the lows in the previous year.
14. The INR ended the year higher by approximately 0.75%, ending the year at a level of ₹ 65.05 per USD. Please refer graph below. Further weakening of the INR is anticipated. However, if FDI inflows are moderate, the pressure on the INR will be relieved.

**M M FORGINGS – Achievements**

15. The following were important developments witnessed during the year :

Health, Safety and Environment

22. The Company follows a policy of zero tolerance towards accidents. Wherever possible, visible controls and fail-safe systems are provided to ensure prevention of accidents. Regular communication, periodic reviews of practices and training play a vital role in maintaining safety standards.
23. The Company ensures compliance with all pollution control regulations. Adequate pollution control equipments have been installed to treat effluents and to control air pollution.

Risk Management

24. The Company is a leading manufacturer of automotive components. Automotive industry is subjected to cyclical variations in performance and is very sensitive to policy changes. The market is very competitive. Prices of raw materials change based on supply and demand. Margins remain under constant pressure. Any steep reduction in off-take exposes the Company to high fixed costs.
25. A considerable portion of the customers of the Company are situated outside of India. Hence, demand for the Company's product is subject to the health of the global economy.
26. The Company has spread its risks by increasing the geographic spread of its customer base. The Company proposes to improve capacity utilization in its existing facilities. Working capital management will receive high priority.

M M FORGINGS – forging ahead

27. Our goals in the coming months:
 - ❖ Focus on improving sales in keeping with market conditions.
 - ❖ Increase the production capacity to 1,00,000 Tons.
 - ❖ Focus on cost reduction continuously - particularly on reducing energy consumption and improving productivity.
 - ❖ Enhance IT systems with the continued development of the ERP system in place.
 - ❖ Continue the evolution into green sources of energy in the coming months.
 - ❖ Reduce the impact on the environment.

**Auditors Certificate on Corporate Governance**

To

The Members of M M Forgings Limited

We have examined the compliance of conditions of Corporate Governance by M M Forgings Ltd ('the Company') for the year ended 31st March 2018, as per Regulations 17-27, clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulation').

The Compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedure and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.

We have complied with the relevant applicable requirements of the standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

In Our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as specified in Regulations 17 to 27, clauses (b) to (i) of sub – regulation (2) of Regulation 46 and paragraphs C, D, and E of Schedule V of the Listing Regulations, as applicable.

We state that such compliance is neither an assurance as to the future viability of the Company nor as to the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

To

The Members

MM FORGINGS LIMITED

**“SVK TOWER” A 24/25, THIRU VI KA INDUSTRIAL ESTATE,
GUINDY, CHENNAI-600032**

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **MM Forgings Limited** (hereinafter called the company). Secretarial Audit was conducted based on records made available to me, in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion/understanding thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and made available to me and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I, on strength of those records, and information so provided, hereby report that in my opinion and understanding, the company, during the audit period covering the financial year ended on 31st March, 2018, appears to have complied with the statutory provisions listed hereunder and also in my limited review, that the Company has proper and required Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **MM Forgings Limited** (“the Company”) for the financial year ended on 31st March, 2018 according to the provisions as applicable to the Company during the period of audit:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

INDEPENDENT AUDITOR'S REPORT

To the Members of **M M FORGINGS LIMITED**

Report on the IND AS Standalone Financial Statements

We have audited the accompanying Standalone Ind AS Financial statements of M/S. M.M. Forgings Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including other comprehensive income) the statement of changes in equity and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of The Companies Act, 2013 (The Act) with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income and cash flows and changes in equity of the Company in accordance with the Accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of The Act, read with relevant rules issued thereunder.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design and implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

In conducting our Audit, We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the Auditor's report under the provisions of the Act and rules made there under and the Order issued under Section 143 (11) of The Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by The Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the Audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the over all presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Annexure B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of M.M Forgings Ltd ('the Company') as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control systems over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and Directors of the company; and (3) provide reasonable assurance regarding prevention or timely direction of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes forming part of the financial statements****1 Corporate information**

The Company is engaged in the manufacture of Steel Forgings . The plants for manufacture are located at Singampunari-Pasumpon Muthuramalingam District, Viralmalai-Pudukkottai District and Karainathangal Village-Kanchipuram District, all within the state of Tamil Nadu. The company has its Wind Farm at Panakudi Village-Tirunelveli District and at Meenakshipuram, Theni District, Kallapalayam, Paladam, Coimbatore District. The company has its Solar site at Bommakkotai, Virudhunagar District.

2 Significant accounting policies followed by the company:-**2.1 Basis of accounting and preparation of financial statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. Sales does not include Excise Duty.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Work-in-progress and finished goods include appropriate proportion of overheads .

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and amortisation

Depreciation has been provided on straight-line method as per the rates prescribed in Schedule XIV to the Companies Act, 2013 and accelerated depreciation is provided, wherever necessary.

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and the residual value of the assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The expected life is based on historic experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology.

Property, Plant And Equipment are stated at Cost Less accumulated Depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the Property, Plant and Equipment are put to use. The Company depreciates Property, Plant and Equipment over their estimated useful life using Straight Line Method. The estimated useful life of assets are as follows:

Building	: 30 Years
Plant And Machinery	: 15 Years
Office Equipment	: 5 Years
Computer Equipments	: 5 Years
Furniture And Fittings	: 10 Years
Vehicles	: 5 Years

Based on technical evaluation, the Management believes that the useful life as given above represents the period over which the Management expects to use these assets. Hence, the useful life for these assets is different from the useful life as prescribed under Part C of Schedule II to The Companies Act, 2013. Depreciation method, useful life and residual values are reviewed periodically, including at each financial year end.

Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each Balance Sheet Date is classified as Capital Advances under Other Non Current assets and the cost of assets not put to use before such date are disclosed under Capital Work in Progress. Subsequent expenditures relating to Property, Plant And Equipment are capitalised only when it is possible that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and Maintenance Costs are recognised in Net Profit in the Statement of Profit And Loss when

**Note 2 Significant accounting policies (contd.)**

incurred. The cost and related accumulated Depreciation are eliminated from the Financial Statements upon sale or retirement of the Asset and the resultant Gains or Losses are recognised in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

2.7 Revenue recognitionSale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer. Sales does not include excise duty.

2.8 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

2.9 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes all expenses incurred in connection with the acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.10 Foreign currency transactions and translationsInitial recognition

Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

The Loss, if any, in the case of Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are considered/ restated at the year-end rates. However, gains if any, are not considered.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognised as income or expense in the Statement of Profit and Loss. The exchange differences arising on restatement / settlement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. The amount capitalised in the current year is at ₹ 26426648 (Last Year ₹ 16109811).

Accounting of forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts.

2.11 Investments

Long-term investments (excluding investment in properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

2.12 Employee benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences,

Defined contribution plans

The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.

Defined benefit plans

For defined benefit plans in the form of gratuity fund / Super Annuation fund, the same are covered under Group Gratuity Scheme of LIC and Super Annuation Fund with LIC.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

2.13 Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign

**Note 2 Significant accounting policies (contd.)**

currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. .

2.14 Segment reporting

The Company is engaged in only one segment - Manufacture of Steel Forgings

2.15 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the statement of Profit and Loss.

2.18 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technological feasibility has been established, in which case such expenditure is capitalised. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

2.19 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.20 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.21 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

2.22 Service tax / GST input credit

Service tax / GST input credit is accounted for in the books in the period in which the underlying service / GST received is accounted and when there is no uncertainty in availing / utilising the credits.

The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind As financial statements. The Board of Directors of the respective companies in The Group are responsible for maintenance of adequate adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design and implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated Ind As financial statements by the Directors of the Holding Company.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

In conducting our Audit, We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the Auditor's report under the provisions of the Act and rules made there under and the Order issued under Section 143 (11) of The Act.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by The Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the Audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the over all presentation of the financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

**Annexure B to the Auditors' Report**

Report on the Internal Financial Controls under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of M.M Forgings Ltd ('the Company') as of 31 March 2018 in conjunction with our audit of the Consolidated Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control systems over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and Directors of the company; and (3) provide reasonable assurance regarding prevention or timely direction of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018,

M M FORGINGS LIMITED

based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Notes forming part of the consolidated financial statements****1 Corporate information**

The Company is engaged in the manufacture of Steel Forgings . The plants for manufacture are located at Singampunari-Pasumpon Muthuramalingam District, Viralmalai-Pudukkottai District and Karainathangal Village-Kanchipuram District, all within the state of Tamil Nadu. The company has its Wind Farm at Panakudi Village-Tirunelveli District and at Meenakshipuram, Theni District, Kallapalayam, Paladam, Coimbatore District. The company has its Solar site at Bommakkotai, Virudhunagar District. The Subsidiary Company DVS Industries Private Limited is located at Pant Nagar, Rudrapur, Uttarkhand

2 Significant accounting policies followed by the company:-**2.1 Basis of accounting and preparation of financial statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. Sales does not include Excise Duty.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Inventories

Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Work-in-progress and finished goods include appropriate proportion of overheads .

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and amortisation

Depreciation has been provided on straight-line method as per the rates prescribed in Schedule XIV to the Companies Act, 2013 and accelerated depreciation is provided, wherever necessary.

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and the residual value of the assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The expected life is based on historic experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology.

Property, Plant And Equipment are stated at Cost Less accumulated Depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the Property, Plant and Equipment are put to use. The Company depreciates Property, Plant and Equipment over their estimated useful life using Straight Line Method. The estimated useful life of assets are as follows:

Building	: 30 Years
Plant And Machinery	: 15 Years
Office Equipment	: 5 Years
Computer Equipments	: 5 Years
Furniture And Fittings	: 10 Years
Vehicles	: 5 Years

Based on technical evaluation, the Management believes that the useful life as given above represents the period over which the Management expects to use these assets. Hence, the useful life for these assets is different from the useful life as prescribed under Part C of Schedule II to The Companies Act, 2013. Depreciation method, useful life and residual values are reviewed periodically, including at each financial year end.

Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each Balance Sheet Date is classified as Capital Advances under Other Non Current assets and the cost of assets not put to use before such date are disclosed under Capital Work in Progress. Subsequent expenditures relating to Property, Plant And Equipment are capitalised only when it is possible that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and Maintenance Costs are recognised in Net Profit in the Statement of Profit And Loss when

**Notes forming part of the consolidated financial statements**

incurred. The cost and related accumulated Depreciation are eliminated from the Financial Statements upon sale or retirement of the Asset and the resultant Gains or Losses are recognised in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

2.7 Revenue recognitionSale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer. Sales does not include excise duty.

2.8 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

2.9 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes all expenses incurred in connection with the acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.10 Foreign currency transactions and translationsInitial recognition

Transactions in foreign currencies entered into by the Company and its integral foreign operations are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement of foreign currency monetary items at the Balance Sheet date

The Loss, if any, in the case of Foreign currency monetary items (other than derivative contracts) of the Company and its net investment in non-integral foreign operations outstanding at the Balance Sheet date are considered/ restated at the year-end rates. However, gains if any, are not considered.

Treatment of exchange differences

Exchange differences arising on settlement / restatement of short-term foreign currency monetary assets and liabilities of the Company and its integral foreign operations are recognised as income or expense in the Statement of Profit and Loss. The exchange differences arising on restatement / settlement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such assets. The amount capitalised in the current year is at ₹ 26426648 (Last Year ₹ 16109811).

Accounting of forward contracts

Premium / discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts.

2.11 Investments

Long-term investments (excluding investment in properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

2.12 Employee benefits

Employee benefits include provident fund, superannuation fund, gratuity fund and compensated absences,

Defined contribution plans

The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.

Defined benefit plans

For defined benefit plans in the form of gratuity fund / Super Annuation fund, the same are covered under Group Gratuity Scheme of LIC and Super Annuation Fund with LIC.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

2.13 Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign

**Notes forming part of the consolidated financial statements**

currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. .

2.14 Segment reporting

The Company is engaged in only one segment - Manufacture of Steel Forgings

2.15 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

2.16 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company. Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the statement of Profit and Loss.

2.18 Research and development expenses

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are also charged to the Statement of Profit and Loss unless a product's technological feasibility has been established, in which case such expenditure is capitalised. Fixed assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

2.19 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.20 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

2.21 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

2.22 Service tax / GST input credit

Service tax / GST input credit is accounted for in the books in the period in which the underlying service / GST received is accounted and when there is no uncertainty in availing / utilising the credits.
