32nd ANNUAL REPORT 2024-25

OUR COMMITMENT TO SUSTAINABILITY

Sustainability Management

At Mayur, sustainability is a core part of our business strategy. We believe that responsible actions benefit both our organization and society. Since joining the United Nations Global Compact in 2020, we publish our progress annually and made sustainability a priority across our operations—including responsible sourcing practices, collaborating with our suppliers, Sustainable product Development and work to reduce environmental impact with Key Focus Areas: Establishing Meaningful Objectives, Community Involvement, Efficient Use of Resources, Innovation, Monitoring and Reporting, Building Customer Trust in our Value Chain.

Corporate Strategy

Our sustainability strategy identifies 15 key focus areas in Environment, Human Rights, Labour, and Anti-Corruption, based on a comprehensive assessment of material issues for the organization and stakeholders. This approach amplifies our positive impact and aligns our efforts with stakeholder concerns. Our Prioritizes strategy on 5P-Purpose, People, Planet, Prosperity, Product approach. Integrating pillars into corporate strategy.

Our Sustainability Approach

-Systematic thinking:

We adopt a systems-thinking approach, evaluating all options holistically to identify solutions that address root causes, resolve interlinked challenges, and create synergistic value.

-Long-termism:

Sustainability demands a forward-looking mindset. We go beyond short-term gains by anticipating future challenges and embedding resilience into our decisions.

- Improvism:

We aim to improve through innovation and continuous improvement, focusing on deep positive impacts for a sustainable future. Focus includes eco-friendly materials, reduced chemical use, improved product Quality.

Messgae from the Chairman

Mr. Suresh Kumar Poddar

Dear Shareholders

I begin with a salute and gratitude to the unparalleled bravery and courage shown by our armed forces during Operation Sindoor. Their unwavering commitment to upholding the sovereignty of the nation stands as a profound testament to the indomitable spirit of our defence personnel. Their heroic actions reinforce our collective resolve to maintain national unity and reflect the nation's uncompromising stance against any threat to its security and territorial integrity.

I am pleased to share the 32nd Integrated Annual Report of your Company for the financial year 2024-25 and convey my sincere thanks to you for the trust you have reposed in our business. Your confidence has infused new energy within the Company to further evolve and grow the operations while always staying relevant to customers. It is with great pleasure and pride that I address you today to share the achievements of Mayur Uniquoters during the Financial year 2024-25.

Throughout our journey, we have continually gained invaluable insights, cherished memorable milestones, and celebrated

remarkable successes that have deeply satisfied our customers. Our unwavering dedication to delivering high-quality products has earned us the trust and loyalty of our clientele, a trust for which we are profoundly grateful. We are humbled by the confidence placed in us and remain committed to consistently surpassing expectations. Mayur remains committed to leveraging these opportunities by focusing on delivering superior products and integrating sustainability. Our global presence in the artificial leather industry has been strengthened by our continuous efforts to innovate and produce environment-friendly products.

The global demand for synthetic leather materials has seen a paradigm shift due to its increasing application across automotive, furnishing, bags, clothing, and many others. The global synthetic leather market size was valued at USD 49.10 billion in 2025 and is projected to reach around USD 97.29 billion by 2034, accelerating at a CAGR of 7.9% from 2025 to 2034. The Asia Pacific synthetic leather market size surpassed USD 19.45 billion in 2024 and is expanding at a CAGR of 8.23% during the forecast period.

The Asia Pacific encountered the largest value share of more than 43% in the year 2024 and expected to maintain the same trend over the analysis period. India, China, and South Korea are the major countries that drive the growth of the market in the region. Further, increasing

disposable income along with rising population across the region offers numerous opportunities for the market growth.

During the year, Mayur Uniquoters Corp. ("MUC") that is our wholly owned subsidiary ("WOS") company has made a strategic investment in the company i.e. UAB Futura Textiles, in Lithuania, Europe to gain more access to the global market and to align with our commitment to sustainable practices and this is our new step down subsidiary company in the global market.

Guided by humility and a commitment towards our stakeholders I share that financial year 2024-2025 has been a pivotal year for Mayur, one that marks the successful delivery of the strategic commitments we made in prior years. This period has not only reinforced our long-term vision but also demonstrated the tangible outcomes of our disciplined capital allocation and best-in-class execution.

Mayur's reach extends far beyond India's borders, with 35% of our revenue generated from exports. This international footprint is a testament to the global trust in our products and the efficacy of our export strategy. Our success in international markets is a reflection of our dedication to quality, innovation, and sustainability.

PVC synthetic leather is expected to dominate the synthetic leather

market. PVC synthetic leather is a widely used synthetic leather that offers a cost-effective and durable alternative to genuine leather. It is commonly used in applications such as automotive interiors, furniture, footwear and consumer goods such as bags and wallets. Several factors contribute to the dominance of PVC synthetic leather in the market. The Opportunities for the synthetic leather industries are raised by replacing conventional leather with bio-based leather which is produced from natural fibers like flax and cotton. The flexibility and strength of these synthetic fibers provide opportunities for expanding the synthetic leather market size.

Furthermore, the global expansion of the furnishing industry is accelerating the growth of the synthetic leather market as increased furniture production drives demand for affordable and durable materials such as artificial leather to enhance design versatility and product longevity. During the financial year 2024-25 the Company has been awarded the "BEST EMPLOYER 2024" in Large Scale Industries category by the Employer's Association of Rajasthan.

The Company has total annual production capacity of 48.60 million linear meters of PVC coated fabric and 5.00 million linear meters of PU coated fabric, which makes it one of the largest manufacturers of artificial leather in India. The Company is supplying directly to US automotive companies i.e. Mercedes Benz, BMW, Chrysler and Ford also supplying to Honda, Maruti, MG Hector, Mahindra, Tata, Volkswagen, Nissan, Toyota, Kia, Hyundai in India. Your company exports the products to United States, United Kingdom, South Africa, China and other European Countries etc. We have a diversified clientele across various industries

and caters to the synthetic leather requirements of reputed players in automobiles and footwear industry.

The Company is also in furnishing business through our wholly owned subsidiary Mayur Tecfab Private Limited under the brand name "TEXTURE AND HUES" to serve our retail customers in India. Your company, being a leader in the synthetic leather industry and an organized player, has been able to leverage the emerging opportunities and has delivered exemplary performance in the coming years both in national and international business.

During the financial year 2024-25, we delivered strong financial performance in terms of revenues and profitability growth. Despite the challenges, Your Company has achieved total revenue amounting to Rs. 85,987.06 Lakh and the Net Profit After Tax (PAT) amounting to Rs. 14,100.87 Lakh on Standalone basis. While the total revenue amounting to Rs. 92,086.25 Lakh and the Net Profit After Tax (PAT) amounting to Rs. 14,928.94 Lakh on Consolidation basis. This significant achievement highlights our robust financial management and commitment to long-term sustainability. Additionally, our business reported excellent profit growth during the financial year 2024-25, reflecting our strategic investments in technology and innovation.

Your Company continuously wishes to contribute reward to shareholders of the Company, by announcing dividends to enhance the net worth and confidence of our esteemed shareholders. Accordingly, your Board of Directors has recommended Rs. 5/- per Equity share as dividend for the financial year 2024-25 in the ensuing 32nd Annual General Meeting of the Company.

Looking ahead, as we continue to expand our production capacity and streamline operations, we anticipate significant benefits from increased operational efficiencies and cost reductions. Our commitment to investing in R&D remains a cornerstone of our strategy, enabling us to innovate and introduce new products that meet the evolving needs of our customers. Additionally, we ensure that our growth contributes positively to global sustainability. By integrating these strategic priorities, we are well-positioned to continue delivering value to our stakeholders and driving long-term success.

Further, during the year 2024-25 we have spent Rs.2.58 Crores in CSR activities focused on Promoting Health, Promote Rural Sports and Nationally recognised Sports, Environment Sustainability and Education. As we move forward, we do so with optimism and confidence. The global market dynamics may continue to evolve, but our unwavering commitment to quality, innovation and customer excellence will remain our guiding principles. Together with our dedicated team, loyal customers and valued partners, we look forward to a future of more opportunities and continued success

We are immensely grateful to all our Customers, Business Partners, Board of Directors, Bankers, Employees, and other Stakeholders for their unwavering support and belief in our company. We look forward to continuing this journey together and creating a brighter future ahead.

With Warm Regards

CSR Initiatives

Immunization Program

In response to rising population and health concerns, Mayur Uniquoters Limited has been consistently working for several years in the Phagi block of Jaipur district to reduce maternal and infant mortality rates. Through focused community awareness and vaccination drives, the company aims to enhance maternal and child health. In the current year, 1,662 children below the age of one and 2,642 pregnant women were immunized under this initiative.

Strengthening AYUSH Infrastructure

To support the Government of India's AYUSH program, Mayur provided one year's supply of medicines to two government Ayurvedic hospitals located in Dhodsar and Chithwadi villages. These hospitals serve over 10,000 patients across five villages. Additionally, support was extended for the construction of a Yoga Center at the Chithwadi hospital, enabling regular yoga sessions and holistic health practices.

Promotion of Sports

To encourage local athletic talent, financial assistance was provided to athlete Mukesh Nitharwal for nutritional support during his training for a 20 km race walk event. Moreover, the company contributed ₹40 lakhs to the construction of a state-of-the-art sports complex, which will serve as a valuable training facility for thousands of aspiring athletes in the region.

Nutrition Support (Poshan Abhiyaan)

In alignment with the Government of India's Poshan Abhiyaan, which targets the elimination of Severe Acute Malnutrition (SAM) and Moderate Acute Malnutrition (MAM) among children, pregnant women, lactating mothers, and adolescent girls, Mayur supported this national initiative through active participation. Under the guidance of the Sub-Divisional Officer, nutrition kits were distributed to 461 children in the Chomu tehsil and Etawah Bhopji blocks, in collaboration with the ICDS department. This step aims to contribute meaningfully towards eradicating malnutrition at the grassroots level.

Nature Conservation Initiatives

Under the Hariyalo Rajasthan – Ek Ped Maa Ke Naam campaign and the Chief Minister’s Vriksharopan Maha Abhiyan, Mayur participated in the Intensive Tree Plantation Program at Nidhi Van Phase II, Gram Panchayat Dhoblai. A total of 10,386 fruit and shade trees were planted across 30 bighas of grazing land. This initiative not only contributes to environmental conservation but also supports local biodiversity and improves panchayat income. The green cover now provides shelter for numerous birds, small animals, and travelers—creating a thriving natural ecosystem.

Strengthening Government Nursery Infrastructure

Continuing its support for environmental sustainability, Mayur facilitated the construction of 16 concrete nursery beds at the government nursery in revenue village Badhawali (Panchayat Dhodsar). These beds are expected to nurture over 20,000 plants annually, with a target of 60,000 plants in the coming years. In FY 2024–25, plants worth Rs. 8 lakhs were distributed, generating revenue for the local panchayat. The nursery is expected to become self-sustaining soon.

Development of Dhodsar Park

To enhance the quality of life in Dhodsar village, the company laid interlocking tiles to create well-defined walking paths within the community park. This initiative promotes regular walking and fitness among villagers. The efforts were well received, with appreciation from a visiting IAS team and commendation from the District Collector and other government officials.

Community Infrastructure

A multi-purpose community hall measuring 53 by 58 feet was constructed in Dhodsar village for public use. The hall is open to all residents for various community functions and gatherings, directly benefiting over 10,000 people from Dhodsar and surrounding areas.

Support for Girl Child Education

To promote education among girls, the company supported the **Girls' Library cum Reading Hall** managed by Jaitpura Gram Panchayat.

Two air-conditioners and a **6-kilowatt solar power grid** were installed to ensure a comfortable, eco-friendly, and cost-effective study environment.

The solar setup has eliminated the electricity bill, creating a sustainable model to support girls preparing for competitive exams.

Recognition – Bhamashah Samman

In acknowledgment of its continued efforts in strengthening education across government schools, **Mayur Uniquoters Limited** was once again conferred with the prestigious **Shiksha Vibhushan Samman** by the **Government of Rajasthan**.

The award was presented by the Hon'ble Education Minister, **Mr. Madan Dilawar**, at **Mohanlal Sukhadia Auditorium, Udaipur**, on **1st September 2024**.

This recognition fuels our commitment and pride in contributing to the nation's educational development.

Infrastructure Support to Schools

To improve classroom conditions and promote quality learning, Mayur Uniquoters Limited provided **150 single-seater desks** to Government Higher Secondary School, Madore (Phagi), and 30 double-seater desks to Government Primary School, Dhakla Ki Dhani ensuring greater comfort for students during study hours.

As part of efforts to strengthen enrollment and improve the quality of education in government schools, **six new classrooms** were constructed at Mahatma Gandhi Government School (English Medium), Bhojlawar. These additional classrooms offer a better teaching environment and enhance the school's capacity to accommodate more students.

To foster a vibrant and engaging educational atmosphere, **painting and renovation work** was undertaken at several schools including Bhatton Ki Gali, Biharipura, Dhodhsar Balika, and Vijaysinghpura Government Schools. These refreshed facilities provide a more cheerful and motivating space for students and teachers alike.

Scholarships for Meritorious Students

Continuing the tradition of recognizing academic excellence, **Mayur extended scholarships to students who scored above 80% in the Rajasthan Board's 10th and 12th class examinations.**

A total of **91 students from Class 10** and **132 students from Class 12** across 18 government schools received financial assistance amounting to **Rs. 25 lakhs.**

Notably, the top-performing student—a girl from Government School, Phagi—who secured **98% marks**, was awarded a **Rs. 2.5 lakh scholarship.**

Additionally, **8 previously awarded students** received further support totaling **Rs. 7.09 lakhs** to continue their education, including those pursuing **medical studies, NEET, and REET coaching.**

To encourage educators, a team of **six dedicated teachers** from Government Higher Secondary School, Phagi—along with their families—were taken on a **3-day educational tour** to culturally significant locations such as **Somnath, Dwarka, Gir Forests, and Porbandar.** This initiative aims to recognize and motivate teachers to create student-friendly learning environments.

Student Success Stories (From Mayur-Supported Schools)

Several students from government schools supported by Mayur have achieved academic success:

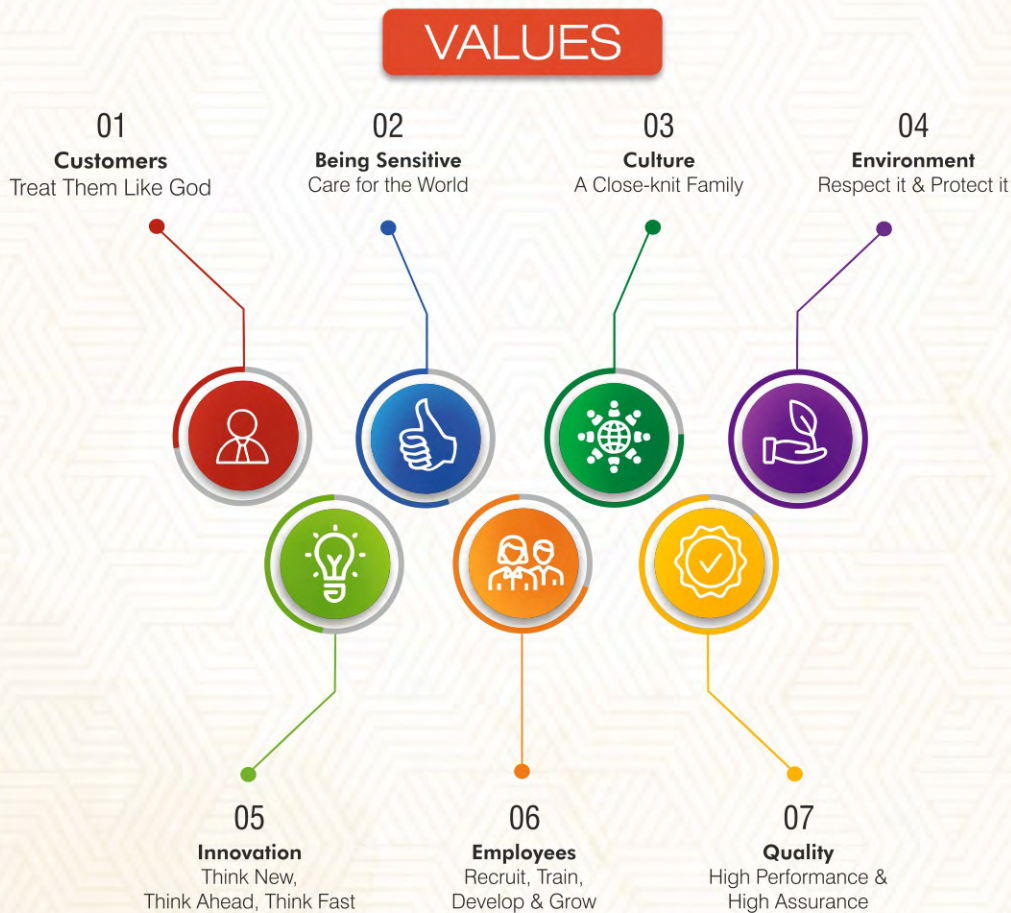

Sunil Verma secured admission to **Medical College, Churu**, and **Manvendra Singh** joined **AYUSH Medical College, Ludhiana** – both alumni of Government School, Bhatton Ki Gali.

Khushi Meena, a student from Government Higher Secondary School, Phagi, earned a place at **Madhav Prasad Tripathi Medical College, Siddharth Nagar**, through consistent hard work and perseverance.

Kanisha Jain, after scoring **95% in Class 12**, cracked **JEE Mains**, supported in part by the **Rs. 75,000 scholarship** from Mayur.

Corporate Vision, Mission & Values

Experience *True* Luxury

Mayur Uniquoters Ltd. has established itself as a pioneer in the Artificial Leather Industry in India across various segments such as Automotive, Footwear, Leather Goods, and Accessories. With three decades of relentless innovation and evolution in the B2B segment, we are thrilled to announce that Texture & Hues has successfully completed its first milestone and continues to grow every day.

"Home is where the heart is!" At TEXTURE AND HUES, we design products that cater to your every mood and imagination. Our collection is inspired by nature, from the sandy dunes to feather-light tunes, from soothing waves to starlit sunsets, from luminous clouds to magical moments. We believe that your home is an expression of you. Through extensive study of color and design trends, we bring this extraordinary curation to light, helping to convert your dreams into reality.

Mayur has always focused on designing superior quality and high-performance products. It has emerged as one of India's best lifestyle brands, and in a short span of time, we have spread our wings and established our presence across India.

Statutory Reports

lakhs in the previous financial year. Accordingly, there is a remarkable increase in Net Profit After Tax (PAT) by 17.95% during the financial year 2024-25.

Revenue and Profit (Consolidated)

The total income during the year under review amounted to Rs. 92,086.25 lakhs as compared Rs. 83,482.67 lakhs in previous financial year and net profit after tax (PAT) amounted to Rs. 14,928.94 lakhs as compared to Rs. 12,246.83 lakhs in previous year. Accordingly, there is an increase of 21.90% in the financial year 2024-25

During the financial year under review, there is an increase in the profit after tax (PAT) due to implementation of effective cost savings plans, increase in sales price along with the significant increase in sales in overseas subsidiaries.

3. DIVIDEND

Mayur has always endeavored to retain a balance by providing an appropriate return to the shareholders while simultaneously retaining a reasonable portion of the profit to maintain healthy financial leverage with a view to support and fund the future expansion plans.

During the financial year under review, the Board of Directors with the approval of the shareholders had declared the final dividend for the financial year 2023-24 of Rs. 3.00 per share of face value Rs 5.00 each (i.e.60%). Also, the Board at its meeting held on May 08, 2025 has recommended a dividend of Rs. 5.00 per share of face value Rs. 5.00 each (i.e.100%) and the same is subject to the approval of shareholders at the ensuing Annual General Meeting to be held on September 17 2025. The total dividend payout for financial year 2023-24 was Rs. 1,318.58 lakhs and proposed final dividend payout for the financial year 2024-25 will be Rs. 2,172.63 lakhs. The dividend payout is in accordance with the company's dividend distribution policy.

Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of the Members effective April 1, 2020 and the Company is required to deduct tax at source (TDS) from dividend paid to the Members at prescribed rates as per the Income-Tax Act, 1961.

The Dividend Distribution Policy, in terms of Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), can be accessed on the Company's website at www.mayuruniquoters.com/pdf/dividend-distribution-policy.pdf

4. TRANSFER TO RESERVES

Your Board do not propose to transfer any amount to the General Reserve for the financial year ended March 31, 2025.

There were no other changes in the directors/ KMPs of the company that took place during the year under review and after the year end till the date of the report.

The relevant details as required under Listing Regulations and the Secretarial Standards on General Meeting ('SS-2') issued by ICSI are furnished as Annexure A to the Notice of AGM, forming part of the Annual Report.

15. DECLARATION BY INDEPENDENT DIRECTORS

All Independent Directors of the Company have given requisite declarations under Section 149(7) of the Act, and Regulation 25 of the Listing Regulations, that they meet the criteria of independence as laid down under Section 149(6) of the Act along with Rules framed thereunder, Regulation 16(1)(b) of SEBI (LODR) Regulations and have complied with the Code of Conduct of the Company as applicable to the Board of directors and Senior Management. In terms of Regulation 25(8) of the SEBI (LODR) Regulations, the Independent Directors have confirmed that they are not aware of any circumstance or situation, which exists or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgement and without any external influence. The Company has received the declarations from all Independent Directors that they are exempted from appearing in the test or they have

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

passed the online proficiency exam as required by the Indian Institute of Corporate Affairs (IICA) and also received the confirmation of their registration in the Independent Directors Database maintained by the IICA, in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

The Independent Directors of the Company have complied with the Code for Independent Directors as prescribed in Schedule IV to the Act.

In the opinion of the Board, the Independent Directors possess the requisite expertise and experience (including the proficiency) and are persons of high integrity and repute. They fulfill the conditions specified in the Act as well as the Rules made thereunder and are independent of the management.

The terms & conditions for the appointment of Independent Directors are given on the website of the Company i.e. www.mayuruniquoters.com/appointment-letter-of-independent-director.php

16. FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS

Your Company believes that a Board which is well familiarized with the Company and its affairs, can contribute significantly to effectively discharge its role of trusteeship in a manner that fulfils stakeholders aspirations and societal expectation.

In pursuit of this and in compliance with the requirements of the Act and the listing regulations, the Company has put in place a familiarization programme for the Independent Directors to familiarize them with their role, rights, and responsibility as Directors, the working of the Company, nature of the industry in which the Company operates, business model etc. and the Company Secretary brief the Directors about their legal and regulatory responsibilities as Director. All new Independent Directors inducted into the Board attend an orientation program which enables them to augment their knowledge & skills, so that they can discharge their responsibilities effectively and efficiently.

The details of such familiarization programmes imparted to Independent Directors are posted on the website of the Company and can be accessed at www.mayuruniquoters.com/familiarisation-programme-for-independent-directors.php

Apart from the above, the Directors are also given an update on the environmental and social impact of the business, corporate governance, developments and investor relations matters.

17. ANNUAL EVALUATION OF THE BOARD

Pursuant to the provisions of the Act and Listing Regulations, performance evaluation has been carried out by the Board, Nomination Remuneration Committee and by the Independent Directors on the basis of questionnaire. The Board has carried out an annual performance evaluation of its own, individual Directors including Independent Directors (without the presence of the director being evaluated) and its Committees.

Board evaluation was carried out on various aspects revealing the efficiency of the Board's functioning such as Development of suitable strategies and business plans, size, structure and expertise of the Board and their efforts to learn about the Company and its business, obligations and governance.

The performance of Committees was evaluated by the Board on parameters such as whether the Committees of the Board are appropriately constituted, Committees has an appropriate number of meetings each year to accomplish all of its responsibilities, Committees maintain the confidentiality of its discussions and decisions.

Performance evaluation of every Director was carried out by Board and Nomination & Remuneration Committee on parameters such as appropriateness of qualification, knowledge, skills and experience, time devoted to Board deliberations and participation in Board functioning, extent of diversity in the knowledge and related industry expertise, attendance and participations in the meetings and workings thereof and initiative to maintain high level of integrity & ethics.

Independent Director's performance evaluation was carried out on parameters such as Director upholds ethical standards of integrity, the ability of the director to exercise objective and independent judgment in the best interest of Company, the level of confidentiality maintained. The Directors expressed their satisfaction with the evaluation process.

In their separate meeting, the Independent Directors had carried out performance evaluation of Non-Independent Directors and the Board as a whole. The Independent Directors also carried out the performance evaluation of the Chairman, taking into account the views of Executive and Non-Executive Directors.

The quality, quantity and timeliness of flow of information between the Company Management and the Board which is necessary for the Board to effectively

Statutory Reports

and reasonably perform their duties were also evaluated in the said meeting.

The Board found the evaluation satisfactory and no observations were raised during the said evaluation in current year as well as in previous year.

18. AUDITORS AND AUDITORS' REPORT

Statutory Auditors

Members of the Company in their 29th Annual General Meeting (AGM) held on July 29, 2022 have appointed M/s. Walker Chandio & Co LLP, Chartered Accountants (FRN 001076N/N500013) as Statutory Auditors of the Company to hold office for a period of up to 5 (five) years i.e. till the conclusion of 34th Annual General Meeting (AGM) of the Company to be held in the calendar year 2027. Pursuant to Section 139 and 141 of the Act and relevant rules framed there under the Company has also received the eligibility from Statutory Auditor confirming their non disqualification for continuing as auditors of Company.

The Statutory Auditor has issued Audit Reports with unmodified opinion on the Standalone and Consolidated Financial Statements of the Company for the financial year ended March 31, 2025. Further the Statutory Auditors have not reported any frauds under Section 143(12) of the Act. The Notes on the Financial Statements referred to in the Audit Report are self-explanatory and therefore, do not call for any further explanation or comments from the Board.

Secretarial Auditor

Pursuant to the provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 ("Listing Regulations") and Section 204 of the Companies Act, 2013 and Rules made thereunder, M/s. V. M. & Associates, Company Secretaries, Jaipur (FRN P1984RJ039200), was appointed as Secretarial Auditor to conduct the secretarial audit of the Company for the Financial Year 2024-25.

The Secretarial Audit Report received in form MR-3 from M/s. V.M. & Associates, Company Secretaries, in respect of the Secretarial Audit of the Company for the financial year ended on March 31, 2025, is enclosed as Annexure-III to this Report. The Secretarial Audit Report for the financial year 2024- 25, does not contain any qualification(s), reservation(s) or adverse remarks and no fraud was reported by the Secretarial Auditors under Section 143(12) of the Act in their Report.

Further as per the provisions of Regulation 24A of the Listing Regulations read with SEBI Notification No. SEBI/LAD-NRO/GN/2024/218 dated December 12, 2024, a listed entity shall appoint or reappoint a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years with the approval of its shareholders in its Annual General Meeting. Accordingly, it is proposed to appoint M/s. V.M. & Associates, Company Secretaries as Secretarial Auditor of the Company for a period of five years commencing from April 01, 2025 to March 31, 2030 subject to the approval of shareholder in the Annual General Meeting of the Company.

Brief resume and other details of M/s. V.M. & Associates, Company Secretaries in Practice, are separately disclosed in the Notice of ensuing AGM.

M/s. V.M. & Associates have given their consent to act as Secretarial Auditors of the Company and confirmed that their aforesaid appointment (if made) would be within the prescribed limits under the Act & Rules made thereunder and Listing Regulations. They have also confirmed that they are not disqualified to be appointed as Secretarial Auditors in terms of provisions of the Act & Rules made thereunder and SEBI (LODR) Regulations.

Cost Audit and Records

The cost accounts and records as required to be maintained under Section 148(1) of Act, are duly made and maintained by your Company. In accordance with the provisions of Section 148 of the Act and rules made there under, the Board of Directors of the Company has appointed M/s. Pavan Gupta & Associates, Cost Accountants, (FRN 101351), as the Cost Auditor of the Company for the financial year 2024-25.

The Company has received Cost Audit Report on the cost accounts of the Company for the financial year ended on March 31, 2025 and the same has been filed with Ministry of Corporate Affairs (MCA).

The Board has re-appointed M/s. Pavan Gupta & Associates, Cost Accountants (FRN:101351) as Cost Auditor to conduct the audit of cost records of your Company for the financial year 2025-26.

The remuneration payable to the Cost Auditor is subject to ratification by the Members at the Annual General Meeting. Accordingly, the necessary Resolution for ratification of the remuneration payable to M/s. Pavan Gupta & Associates, Cost Accountants, for the audit of cost records of the Company for the financial year 2025-

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

26, has been included in the Notice of the ensuing Annual General Meeting of the Company. The Directors recommend the same for approval by the Members.

During the financial year 2024-25, no fraud was reported by the Cost Auditor of the Company in their Audit Report.

Internal Auditor

In accordance with the provisions of Section 138 of the Act and Rules made thereunder, the Board of Directors of the Company has appointed M/s. S. Bhandari & Co., Chartered Accountants, (FRN: 000560C) as an Internal Auditor to conduct the Internal Audit of the Company for the financial year 2024-25.

Further the Board of Directors has re-appointed M/s. S. Bhandari & Co., Chartered Accountants as an Internal Auditor of the Company to conduct the Internal Audit for the financial year 2025-26.

Their scope of work includes review of operational efficiency, effectiveness of systems & processes, compliances and assessing the internal control strengths in all areas. Internal Auditors findings are discussed and suitable corrective actions are taken as per the directions of Audit Committee on an on-going basis to improve efficiency in operations.

During the financial year 2024-25, no fraud was reported by the Internal Auditor of the Company in their Audit Report.

19. BOARD'S COMMITTEES

The Company has constituted various Committees of the Board as required under the Act, and the Listing Regulations. For details like composition, number of meetings held, attendance of members, etc. of such Committees, please refer to the Corporate Governance Report which forms a part of this Annual Report as Annexure-VIII. The intervening gap between the meetings was within the period prescribed under the provisions of Section 173 of the Act and Listing Regulations.

20. PREVENTION OF INSIDER TRADING

To comply with the provisions of Regulation 9 of the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, your Company has established systems and procedures and has framed a Code of Conduct to regulate, monitor and report trading by its designated persons and their immediate relatives and procedures for fair disclosure of Unpublished Price Sensitive Information.

The trading window is closed during the time of declaration of results which prohibits the Directors of

the Company and other designated persons and their relatives to deal in the securities of the Company on the basis of any UPSI, available to them by virtue of their position in the Company. The trading window is also closed on the occurrence of any material events as per the code. The same is available on the Company's website i.e.

www.mayuruniquoters.com/pdf/policy-of-practice-and-procedure-for-fair-disclosure-of-unpublished-price-sensitive-information.pdf

21. DISCLOSURE RELATED TO POLICIES

Vigil Mechanism/Whistle Blower Policy

The Company has adopted a Whistle Blower Policy, as part of vigil mechanism as per the provisions of Section 177 of the Act, and Regulation 22 of Listing Regulations for Directors and Employees of the Company. Under the Vigil Mechanism Policy, the protected disclosures can be made by a victim through an e-mail or a letter to the Chairperson of the Audit Committee. The Policy provides for adequate safeguards against victimization of Directors and Employees who avail of the vigil mechanism.

The main objective of this policy is to provide a platform to Directors and Employees wishing to raise concerns regarding any irregularity, misconduct or unethical matters / dealings within the Company, which may have a negative bearing on the organization either financially or otherwise. The policy is available on the Company's website at the weblink

www.mayuruniquoters.com/pdf/mul-whistle-blower-policy.pdf

During the financial year under review, no whistleblower event was reported and mechanism is functioning well. and it is affirmed that no personnel of the Company have been denied access to the Chairperson of the Audit Committee.

Corporate Social Responsibility (CSR)

The Company has implemented Corporate Social Responsibility Policy ("CSR Policy") in accordance with the provisions of Section 135 of the Companies Act, 2013 read with The Companies (Corporate Social Responsibility Policy) Rules, 2014 on recommendation of Corporate Social Responsibility Committee (CSR Committee) and on approval of the Board of Directors of the Company. CSR Committee undertakes CSR activities in accordance with its CSR Policy uploaded on the Company's website at www.mayuruniquoters.com/pdf/csr-policy.pdf

The Company has spent a sum of Rs. 258.33 lakhs towards CSR activities during the financial year under review. The Annual Report on CSR activities for the

Governance Report forming part of this Annual Report. Your Company has also formulated a Nomination and Remuneration Policy ("NRC Policy") in accordance with Section 178(3) of the Companies Act, 2013 for Directors, Key Managerial Personnel (KMP) and Senior Management of the Company. This policy formulates the criteria for determining qualifications competencies, positive attributes and independence for the appointment of a Director and it also provides guidelines to the NRC relating to the Appointment, Removal & Remuneration of Directors, KMP and Senior Management of the Company.

It also provides a manner for effective evaluation of the performance of the Board, its Committees and individual Directors. The said policy of the Company is uploaded on website of the Company at www.mayuruniquoters.com/pdf/nomination-remuneration-policy-board-performance-evaluation-policy.pdf

22. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013

In order to prevent sexual harassment of women at workplace "The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013" was notified on December 09, 2013. Under the said Act, every Company is required to set up an Internal Complaints Committee to look into complaints relating to sexual harassment at work place of any women employee.

Your Company has always believed in providing a safe and harassment free workplace for every individual working in Mayur's premises through various interventions and practices. The Company always endeavors to create and provide an environment that is free from discrimination and harassment including sexual harassment.

In terms of the provisions of the Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013, the Company has in placed a robust policy for prevention of Sexual Harassment of Women at workplace. The policy aims at prevention of harassment of employees as well as contract workers and lays down the guidelines for identification, reporting and prevention of sexual harassment and your Company has also set up an Internal Complaints Committee to look into complaints relating to sexual harassment at work place of any women employee and follows the guidelines provided in the policy.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

No. of Complaints remaining unresolved at the end of the year i.e., March 31, 2025	0

23. MATERNITY BENEFIT COMPLIANCE

Pursuant to Clause (xiii) of sub-rule (5) of Rule 8 of the Companies (Accounts) Rules, 2014, the Board of Directors hereby confirms that the Company has complied with the provisions of the Maternity Benefit Act, 1961 during the year under review. All eligible female employees are extended maternity benefits in accordance with the Act, including paid maternity leave, nursing breaks, and protection from dismissal during the maternity period. During the review period, no instances of non-compliance were observed.

24. ANNUAL RETURN

Pursuant to Section 92(3) read with Section 134(3)(a) of the Act, the Company has placed a copy of the Annual Return as on March 31, 2025 on its website at www.mayuruniquoters.com/pdf/annual-return-for-the-fy-ended-on-31-03-2025.pdf

25. DEPOSIT

The Company has neither invited nor accepted or renewed any deposit amount falling within the purview of Section 73 of the Companies Act, 2013 (the Act) read with the Companies (Acceptance of Deposit) Rules, 2014, during the year under review. No amount of principal or interest was outstanding as on March 31, 2025. Hence, the requirement of providing details relating to deposits as also of deposits which are not in compliance with Chapter V of the Act, is not applicable.

26. INTERNAL FINANCIAL CONTROL AND ITS ADEQUACY

The Company has adequate Internal Financial Controls (IFC) System operating effectively to ensure the orderly and efficient conduct of its business including adherence to company policies, safeguarding of its assets, optimal utilization of resources, prevention & detection of frauds and errors, accuracy & completeness of accounting records and timely preparation of reliable financial information. The Internal Control is supplemented by the detailed

internal audit programme, reviewed by management and by the Audit Committee.

The standard controls defined in the IFC framework are reviewed by the Internal auditors and management concurrently to strengthen the existing processes and activities of the company by way of formulating new guidelines and incorporating necessary changes in the standard operating procedure of the Company.

Based on the results of assessments carried out by the management, no reportable or significant deficiencies, no material weakness in the design or operation of any control was observed during the period. The Audit Report of the Company does not contain any reportable weakness in the Company related to IFC. The internal financial controls with reference to the Financial Statements are commensurate with the size and nature of business of the Company and are operating effectively.

27. CONSERVATION OF ENERGY, RESEARCH AND DEVELOPMENT, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO.

The Information on Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Outgo as stipulated under Section 134(3)(m) of the Act read with Rule 8 of the Companies (Accounts) Rules, 2014 is attached to this report as Annexure V.

28. PARTICULARS OF EMPLOYEES

Your Company firmly believes that a well-planned human resource management programme that is tailored to your organization and staff can actually improve your business's bottom line.

Our teams are integral to our business. We have embraced a culture of excellence to nurture our people. We believe in selecting the right talent, training them and instilling in them the spirit of Mayur Uniquoters. We focus on developing the most superior workforce so that the organization and individual employees can accomplish their work goals in service to customers. We also aim at achieving advance flexibility, innovation, competitive advantage and improved business performance.

Mayur follows a performance measuring tool like Job Performance Analysis and other Key Performance Indicators (KPI), applicable depending on their position in the organization, by which periodical evaluation of the employees' performance is done based on their area of working. This also encourage them to work hard and efficiently at all levels of work.

The statement of disclosure of remuneration under Section 197 of the Act read with Rule 5(1) of the

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 ('Rules'), is attached to this report as Annexure VI.

Further, as per second proviso to Section 136(1) of the Act read with second proviso of Rule 5 of the Rules, the Board's Report and Financial Statements are being sent to the Members of the Company excluding the statement of particulars of employees as required under Rule 5(2) of the Rules. Any member interested in obtaining a copy of the said statement may write to the Compliance Officer at secr@mayur.biz. The said statement is also available for inspection by the Members at the Registered Office of your Company on all days except Saturday, Sunday and Public Holidays up to the date of AGM i.e. September 17, 2025 between 11:00 a.m. to 5:00 p.m.

29. MANAGEMENT DISCUSSION AND ANALYSIS

Management Discussion & Analysis Report for the year under review, as stipulated under Regulation 34(2) (e) of SEBI (LODR) Regulations is annexed herewith as Annexure-VII.

30. CORPORATE GOVERNANCE

Your Company is committed to maintain the highest standards of Corporate Governance and adhere to the Corporate Governance requirements set out by Securities and Exchange Board of India. The corporate governance report and certificate received from, M/s. V.M & Associates practicing Company Secretaries for confirming the compliance of conditions as required by Regulation 34(3) read with Part E of Schedule V of the listing regulations, form part of the Board's Report and the same is annexed herewith as Annexure-VIII.

31. INVESTOR EDUCATION AND PROTECTION FUND

It is hereby informed that pursuant to Section 124 of the Act and the applicable Rules, the shares on which dividend has not been paid or claimed by the shareholders for seven consecutive years or more shall also be transferred to the IEPF Authority. Therefore the concerned shareholders are requested to contact to the Nodal Officer of the Company. The Details of Nodal Officer of the Company are as follows:

S.No.	Particulars	Details
1.	Name:	Mr. Kapil Arora
2.	Designation	Company Secretary and Compliance Officer
3.	Address :	Mayur Uniquoters Limited, Village Jaitpura, Jaipur- Sikar Road, Tehsil : Chomu, Jaipur -303704 (Rajasthan) India
4.	Email ID :	secr@mayur.biz
5.	Phone :	91-1423-224001
6.	Fax :	91-1423-224420

The above mentioned details of Nodal Officer can also be accessed on the website of the Company, the link of the same is

www.mayuruniquoters.com/pdf/contact-details-of-nodal-officer-and-procedure-to-claim-refund.pdf

During the financial year under review, the Company has transferred the amount of unpaid dividend till the financial year 2017-18 (Second Interim Dividend) to the Investor Education and Protection Fund under the provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016. The same is available on the Company's website i.e. www.mayuruniquoters.com and the Company has transferred 18,909 Equity shares of Rs. 5/- each to Investor Education and Protection Fund (IEPF) pursuant to Section 124 of the Companies Act, 2013 within the scheduled time.

Further, all the shares in respect of which dividend has remained unclaimed for seven consecutive years or more from the date of transfer to unpaid dividend account shall also be transferred to the demat account of IEPF Authority. The said requirement does not apply to shares in respect of which there is a specific order of Court, Tribunal or Statutory Authority, restraining any transfer of the shares.

In the interest of the shareholders, the Company sends periodical reminders to the shareholders to claim their dividends in order to avoid transfer of dividends/shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and detail of shareholders whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website i.e. www.mayuruniquoters.com

32. BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

Annexure-III

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Mayur Uniquoters Limited
Jaipur - Sikar Road
Village – Jaitpura, Tehsil - Chomu
Jaipur – 303 704 (Rajasthan)

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Mayur Uniquoters Limited** (hereinafter called “**the Company**”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2025 ('**Audit Period**') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (**Not applicable to the Company during the Audit Period**);
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (**Not applicable to the Company during the Audit Period**);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 (**Not applicable to the Company during the Audit Period**);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (**Not applicable to the Company during the Audit Period**);
 - (h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018;
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; and
 - (j) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018
- (vi) As confirmed by the management, there are no sector specific laws that are applicable specifically to the company.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India;
- ii. The Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Ltd.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda

were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the company has completed buyback of 5,00,000 (Five Lakhs) equity shares of Rs. 5/- (Rupees Five only) each at a price of Rs. 800/- (Rupees Eight Hundred Only) per share in accordance with the provisions of the Act and The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018

PARTICULARS REQUIRED UNDER SECTION 134(3)(M) OF THE COMPANIES ACT, 2013 READ WITH THE COMPANIES (ACCOUNTS) RULES, 2014

The information on Conservation of Energy, R&D, Technology Absorption, Foreign Exchange Earnings and Outgo as required under Section 134 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 are as follows:

(A) Conservation of Energy

Energy conservation is one of the strongest pillars of preserving natural resources at the Company. The Company's positive vision towards the Environmental, Social and Governance has also made energy management important across the Company.

The Company considers energy management as the proactive and systematic monitoring, control and optimizing the energy consumptions as one of the crucial components aiming to uphold a responsible business strategy.

By integrating energy management into our business strategy, the Company not only enhances its financial performance but also fulfils its environmental and social responsibilities, positioning itself as a leader in sustainability and responsible corporate citizenship.

Its objective is to continually increase the efficacy of performance of conservation of energy throughout the organization, consolidate these improvements, and move on to the next level.

(i) The steps taken or impact on conservation of energy:

- Installation of thermopac & Coal Yard LED Light Installation Work.
- Installation of Cooling Tower Fan VFD (Variable Frequency Drive) system for saving energy consumption.
- Installation of Cooling Tower Pump VFD (Variable Frequency Drive) system for saving energy consumption.
- Installation of Retro Fitting Installation for saving energy consumption
- Identification and replacement of old conventional light with LED lights to reduce energy consumption.
- Installation of timer for boring motor for saving in Power and reduction of chances of Motor derate.
- Installation of new energy efficient LED Flood Light (70 watt) in place of Old Light (250 watt) for the reduction of power consumption.
- Installation of new energy efficient LED High Bay Light (140 watt) in place of Old Light (250 watt) to reduce power consumption.

(ii) The steps taken by the Company for utilising alternate sources of energy: None

(iii) The capital investment on energy conservation equipment's: Nil

(B) Technology Absorption

(i) The efforts made towards technology absorption:

The Company recognizes that to remain competitive and prevent technological obsolescence, continuous investment in advanced technology across various product lines is essential. Accordingly, the Company is committed to introducing new products aligned with evolving customer demands. To uphold its leadership position, the Company has consistently developed and implemented state-of-the-art technologies, while also focusing on absorbing, adapting, and effectively developing new products.

Hence, the Company is actively developing innovative technologies aimed to minimizing environmental footprint, reducing capital expenditure, and enabling environmental friendly manufacturing processes. Additionally, the Company is making consistent efforts to develop products that align with the evolving needs and expectations of the Customer.

Efforts made towards technology absorption, adaptation and innovation

We have achieved notable progress in developing materials that combine Recycled Yarn with Bio-based PVC, In our quest to enhance sustainability, we have transitioned from regular fabrics to recycled fabrics in our Bio PVC products, sourcing sustainable bio polymers and bio fibers is also a key area and Some variants of Product are also available with bio fillers, increasing the bio content of the product upon customer request. As

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

part of our commitment to transparency and environmental stewardship, we have conducted Life Cycle Assessments (LCA) and Environmental Product Declarations (EPDs) for several of our products.

- (ii) The benefits derived like product improvement, cost reduction, product development or import substitution: The Company has embedded R&D activities into its manufacturing process which is continuous activity. The constant efforts are made to improve production efficiency, maximizing revenue and minimizing expenditure and impact on environment. The benefits of ongoing continuous R&D as embedded in the manufacturing process are derived by achieving the desired results.

The adoption of the latest technology and innovative ideas has enabled our Company to have an edge on others due to high productivity, Sustainable products, better services and increased consumer confidence. It also has enabled the Company to explore new areas of generating the revenue. Huge savings have been accomplished in cost on power and fuel, wastage, better inventory management and reduce one process. It has also led to reduction in the water and air pollution. We installed key environmental technologies including Bag Filter Units to control particulate emissions, and a upgraded Zero Liquid Discharge (ZLD) system to ensure complete wastewater recycling and Coal Dust Extraction and collection system for further enhance air Quality. These initiatives reflect our commitment to pollution control and sustainable resource use.

Collaborative Efforts- Our success in sustainable product development is bolstered by strong collaborations with leading automotive manufacturers. These partnerships are instrumental in advancing our sustainability initiatives and ensuring that our products meet the rigorous demands of the automotive industry.

- (iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year): Not Applicable
- (a) the details of technology imported: NA
- (b) the year of import: NA
- (c) whether the technology been fully absorbed: NA
- (d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof: NA
- (e) the expenditure incurred on Research and Development:

(Rs. in Lakhs)

Particulars	2024-25	2023-24
In Terms of Capital	48.65	11.87

Annexure-VI

DISCLOSURE UNDER SECTION 197(12) OF THE COMPANIES ACT, 2013 READ WITH RULE 5(1) OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014

- (i) The ratio of the remuneration of each Director to the median remuneration of the employees of the Company for the FY 2024-25 as well as the percentage increase in remuneration of each Director, Chief Financial Officer and Company Secretary is as under:

S. No.	Name of Director/ Key Managerial Personnel	Title	Ratio of Remuneration of Director to Median Remuneration of employees [#]	% increase in Remuneration in Financial Year 2024-25
1.	Mr. Suresh Kumar Poddar	Chairman and Managing Director & CEO (DIN: 00022395)	73.22	14.66
2.	Mr. Arun Bagaria	Whole Time Director (DIN:00373862)	50.61	9.75
3.	Mr. Vinod Kumar Sharma	Chief Financial Officer	NA	6.54
4.	Mr. Pawan Kumar Kumawat	Company Secretary	NA	9.88

The Independent Directors of the Company are entitled to sitting fee and commission on Net Profits / remuneration as per statutory provisions of the Companies Act, 2013 (as amended) and as per terms approved by the Members of the Company. The criteria of making payments to the Independent Directors and details of remuneration paid to them have been provided in the Corporate Governance Report. The ratio of remuneration and percentage increase for the Independent Directors' Remuneration is, therefore, not considered for the purpose above.

The median remuneration of the employees of the Company as on March 31, 2025 was Rs. 3.52 lakhs.

[#]Ratio of remuneration to median remuneration of the employees is calculated on the basis of total amount paid as remuneration during the financial year 2024-25.

- (ii) The percentage increase in the median remuneration of employees in the financial year 2024-25 is 8.64%.
- (iii) The total number of permanent employees on the rolls of the Company: 401
- (iv) The average percentile increase already made in the salaries of the employees other than the managerial personnel in the financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the remuneration.
- Average increase in the remuneration of all employees excluding KMP is 6.38%
 - Average increase in the remuneration of KMP is 14.01%.
 - The average increase is dependent on the individual performance, inflation, Company's performance, prevailing industry trends and benchmarks.
- (v) It is hereby affirmed that the remuneration is as per the remuneration policy of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report popularly known as MDAR is the communication straight from the management to their valued shareholders giving them insights into the present business conditions of the company and its future potential. It gives a bird's eye view about the Company's objective, predictions and forward looking statements. This report is an integral part of the Boards' Report. Aspects on industry structure and developments, opportunities and threats, outlook, risks, internal control systems and their adequacy, material developments in human resources and industrial relations have been covered in this Report.

Company's financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values as per the provisions of the Companies Act, 2013 ("the Act") and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, and relevant amendments Rules issued thereafter.

Our Vision is to be preferred supplier to automotive, footwear and leather goods to the leading OEM's in the World. Our values and guiding principle have been woven around seven major aspects which are evidently visible in all the activities performed by the Company i.e. Customer Satisfaction, Innovation, Quality Product and Service, Employee Growth, Culture, Being Sensitive towards Society and Environment Protection. This guiding principle is now the culture of the organization and ensures that both internal and external customers are satisfied.

GLOBAL ECONOMIC OVERVIEW

The global economy in financial year 2024–25 has seen a mix of cautious optimism and a continued uncertainty. Encouragingly, inflation has shown signs of moderation across major economies, offering some relief after years of elevated price pressures. This easing trend, supported by more stable commodity prices and improved supply chain dynamics, has allowed central banks, especially in advanced economies, to hold firm on tight monetary policies without further aggressive rate hikes. While interest rate cuts have been limited, the more predictable inflation path has helped stabilize financial markets and laid the foundation for a gradual economic recovery.

However, this progress has been overshadowed by renewed geopolitical and trade tensions, particularly between the United States and China.

A year marked by significant global elections, the immediate impact of which is evident, while long term effects remain to be seen, added another layer complexity. Monetary policy, particularly interest rate adjustments in major economies, remained a central focus. Emerging markets exhibited diverse performance, influenced by commodity markets and debt vulnerabilities. Trade tensions and supply chain disruptions continued to strain global commerce and investment, while geopolitical volatility persisted. Concurrently, technological advancements, especially in AI and renewable energy, presented both, significant opportunities for productivity gains and challenges related to workforce adaptation. This confluence of factors created a dynamic and uncertain economic landscape for businesses and policymakers worldwide.

The U.S.-led multiple waves of tariffs against trading partners have caused major policy shifts, resetting the global trade system and giving rise to uncertainty. This has overshadowed the positive developments that the world has achieved during the post-pandemic revival in the last two years. As per World Economic Outlook, IMF the, effective tariff rates at levels not seen in a century and a highly unpredictable environment. Global headline inflation is expected to decline at a slightly slower pace in April 2025 than what was expected in January 2025.

Heightened uncertainty has affected the consumer sentiment, discouraging them from making bigticket expenditures. Business sentiment is also damaged. On top of that, inflation in the U.S. could rise again as US President Trump's policies on trade, deportation, and tax are inflationary.

The newly emerged situation has triggered a downward revision of global growth prospects by the forecasting agencies. The International Monetary Fund (IMF) in its World Economic Outlook ("WEO") on 22 April has dropped global GDP projection from 3.3% in 2024 to 2.8% for 2025 and 3% in 2026, down from 3.3% for both years in its January 2025 WEO Update.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

DOMESTIC ECONOMY OVERVIEW

India has continued to showcase remarkable economic resilience despite a highly volatile and challenging global environment. In the face of ongoing global trade tensions, geopolitical uncertainties, and policy unpredictability, India has maintained its position as one of the world's fastest-growing major economies. The performance of India's economic in FY 2024-25 has been characterised by a combination of strong growth drivers and emerging challenges. Following a splendid 9.2% GDP growth in FY 2023-24, the Indian economy is estimated to grow by 6.5% in FY 2024-25 (per the Second Advance Estimate).

The Reserve Bank of India (RBI) has also played a critical role in sustaining this momentum through its proactive monetary policy measures. The RBI has implemented a cumulative repo rate cut of 100 bps since February 2025 lowering it from 6.5% to 5.5%. The lower repo rate is expected to gradually reduce borrowing costs for businesses and consumers, thereby enhancing credit availability. Increased access to affordable credit is essential for sustaining consumption, encouraging investment, and supporting overall economic activity. This accommodative stance demonstrates the RBI's commitment to balancing inflation control with growth promotion. Additionally, the RBI has also addressed the system-wide liquidity availability through a host of measures easing the overall financial conditions.

India's macroeconomic stability is further reinforced by prudent fiscal management. The government's efforts to maintain fiscal discipline while investing in key sectors have strengthened the economy's fundamentals. Structural reforms in areas such as labour laws, taxation, and financial regulations continue to improve the business environment, attracting both domestic and foreign investment. India's continued focus on enhancing manufacturing capacity, expanding exports, and driving infrastructure will be the key pillars of India's journey towards its economy. The Make-in-India programme and Production Linked Incentives (PLI) scheme stands out as the pivotal drivers of domestic manufacturing. These efforts are designed to boost local production, attract foreign investment, and create a competitive edge in creating millions of jobs and improving India's global supply chain.

INDUSTRIAL STRUCTURE AND DEVELOPMENTS

The global synthetic leather market size is calculated at USD 49.10 billion in 2025 and is forecasted to reach around USD 97.29 billion by 2034, accelerating at a CAGR

of 7.9% from 2025 to 2034. Globally increasing demand from the footwear sector is expected to be a key factor propelling the overall market growth. The new research study consists of industry trends, detailed market analysis, patent analysis, value chain analysis, SWOT analysis, and market forecast and opportunity analysis. The growth in the market size over the next decade is likely to be the result of the anticipated surge in demand for vegan and sustainable materials.

North America is expected to grow significantly in the synthetic leather market during the period. North America is experiencing a rise in the demand for the use of eco-friendly products. At the same time, the industries are also using advanced technologies for the development of cruelty-free products. Furthermore, their use in the development of shoes, bags, etc is growing, which in turn contributes to the same. Thus, all these factors enhance the market growth.

The high cost of natural leather is another factor that has driven the need for natural leather replacements. PVC leather is another essential type of synthetic leather that has grown in popularity due to its diverse variety of uses, which include shopping bags, cosmetic bags, wallets, suitcases, purses, and travel bags. It is used in various applications, including fabrics, footwear, clothing, upholstery, and others, where a leather-like finish is required, and the material is unusable, unsuitable, and cost-prohibitive. The production process has evolved over the past few years for the shell coating to go on top of the synthetic polymer blend.

Synthetic Leather Market Key Takeaways

- Asia Pacific held market share of 43% in 2024.
- By product, the polyurethane (PU) synthetic leather segment registered a maximum market share of 53% in 2024.
- By application, the footwear segment is expected to capture the biggest revenue share of 31% in 2024.
- By application, the automotive industry is expected to grow at the fastest CAGR of 20.15% from 2025 to 2033 in terms of revenue.

The footwear segment led the market and accounted for 29.11% of the global revenue in 2024. Synthetic leather is widely used to manufacture shoe uppers, shoe lining, and soles for sports shoes, formal shoes, flip flops, soccer shoes, sandals, slippers, and boots. These shoes are also cost-effective, environmentally friendly, and long-lasting. Synthetic leather shoes possess higher water

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

resistance than genuine leather shoes, which can get stained due to exposure to certain elements. Faux leather shoes are durable enough to be used for a more extended period when walking or running.

The synthetic leather market is expected to grow significantly over the forecast period owing to the rising demand for synthetic leather in footwear and automotive applications. Synthetic leathers are blends of polyurethane and polyvinyl chloride. At present, several market players are also engaged in the introduction of bio based materials for leather. Increasing demand for synthetic leather in the footwear industry owing to cheaper prices is expected to fuel the market growth over the forecast period.

Synthetic leather has been replacing genuine leather at a steady rate. The market is expected to gain considerable market share in the footwear segment in the coming years on account of rising usage of artificial leather grades in boots, sneakers, women's sandals, and men's formal shoes. Moreover, increasing per capita disposable income is expected to boost the demand for synthetic leather in various application segments.

Increasing market penetration of synthetic leather materials in automotive interior applications is expected to be a critical factor for growth. Car manufacturers are adopting synthetic leather materials owing to their high durability, wear resistance, and cost-effective production. Passenger vehicles targeted primarily at the middle income class consumer group are the major end user of faux leather in automotive segment. Faux leather is affordable and easier to maintain as compared to real leather, which aids in attracting a large number of consumers. Utilization of artificial leather reduces the overall cost of the vehicle, thereby assisting manufacturers in achieving stable economies of scale.

Increasing demand of footwear expected to be a major factor that propels the overall market growth for synthetic leather. Synthetic leather is a suitable alternative as it comprises of a cloth base that is coated with synthetic resins. Thus, synthetic leather completely serves the purpose of real leather by offering a leather-like finish, thereby anticipated to augment its demand across wide application area that includes footwear, fabrics, upholstery, clothing, and others. The production process of synthetic leather has evolved over the past few years to curb down the rate of hunting and protect the animal life.

The global demand for leather materials has seen a paradigm shift owing to its increasing application across automotive, furnishing, bags, clothing, and many others.

Manufacturers have been focusing significantly to shift their sources for raw materials towards the Asian suppliers for example India, Vietnam and China because of low cost of labour & freight along with an abundance of raw material in the region.

BUSINESS OUTLOOK

The Asia Pacific synthetic leather market size was estimated at USD 19.45 billion in 2024 and is predicted to be worth around USD 42.91 billion by 2034, at a CAGR of 8.23% from 2025 to 2034.

The Asia Pacific encountered the largest value share of more than 43% in the year 2024 and expected to maintain the same trend over the analysis period. India, China, and South Korea are the major countries that drive the growth of the market in the region. Further, increasing disposable income along with rising population across the region offers numerous opportunities for the market growth.

North America and Europe witness sluggish growth owing to the maturity of the market. In addition, the ongoing trade war between China and the U.S. along with drastic decline in the cross-border trade with the spread of the coronavirus pandemic that originated in Wuhan, China, has initiated trust issues between the two countries that further expected to negatively impact market growth in the upcoming years. High climate control, superior comfort, and easy-to-style properties of synthetic leather have made them increasingly in the fashion industry. Besides this investment from leading fashion brands towards developing apparel and footwear from artificial leather coupled with increasing demand from consumers will pump up the market growth in upcoming years.

In India rapid urbanization and shifting customer preferences are driving key developments in artificial leather market. The demand for sustainable and eco-friendly materials is increasing, mirroring the global trend of lessening reliance on conventional leather. Government measures promoting the use of substitutes for animal leather contribute to this trend by pushing businesses to employ ecologically friendly production procedures. Furthermore, growing disposable income among Indian customers has resulted in an increased interest in fashion and lifestyle items manufactured of synthetic leather, notably in sectors such as footwear, bags, and upholstery. Innovations in manufacturing technologies are also opening up new business prospects. The development of high-grade synthetic materials that have the appearance and feel of genuine leather is attracting customers who want both quality and affordability. This tendency is especially noticeable among young, fashion-conscious

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

shoppers who are increasingly looking for fashionable but more sustainable solutions. The growth of e-commerce platforms in India expands the reach of artificial leather items, making them more accessible to a larger audience. Furthermore, as firms address environmental issues, collaboration with sustainability-focused groups might open up new opportunities for growth. There is a noticeable tendency toward the construction of local production units, which not only serve domestic markets but also minimize transportation costs and carbon footprints. Overall, the mix of shifting consumer behavior, technical improvements, and supporting government legislation offers a dynamic environment for India's artificial leather sector, with plenty of room for growth and innovation.

Mayur, has the largest capacity for manufacturing of synthetic leather in domestic organized segment with capacity of annual production of 48.60 Million linear meters of PVC coated fabric and 5.00 Million Linear meter of PU coated fabric. MUL manufactures more than 400 variants of artificial leather from PVC polymer which finds application in footwear (shoes/sandals insole and uppers), automotive (seat upholstery and inner linings), furniture & fashion items (apparel) and leather goods.

Mayur, has a diversified clientele across various industries and caters to the synthetic leather requirements of reputed players like BMW, Mercedes Benz, Chrysler, Ford, Hyundai, MG, KIA, Maruti Suzuki, Tata, Toyota, Mahindra & Mahindra, ISUZU, Suzuki, Honda, Renault, Skoda/Volkswagen, Stellantis, Hero, Bajaj, Royal Enfield, TVS, Piaggio, Sonalika Tractor, Lear, TS Tech Sun, Bharat Seat, Krishna Maruti, Sharda Motors, S.I. Interpact Group, Swaraj Auto, Polor Auto etc. among automotives and Bata, Paragon, Lancer, Action, Relaxo, VKC Group etc. among footwear segment.

Mayur is also exporting to automotive OEM i.e. Mercedes Benz and BMW in the European market. Mayur has a subsidiary company named Mayur Uniquoters SA (Pty) Ltd in South Africa, which will develop logistics to facilitate exports to Mercedes Benz and BMW.

We have also into the retail furnishing business under the brand name **"TEXTURE AND HUES"** to serve our retail customer through our wholly owned subsidiary company 'Mayur Tecfab Private Limited' and we are getting good response in the retail business from the our dealers.

OPPORTUNITIES AND THREATS

Growing international demand for artificial leather contributes notably to the expansion of the India Artificial Leather Market Industry. India is strategically positioned to become a leading export hub for artificial leather products, especially in markets in Europe and North

America. The Export Promotion Council for Handicrafts reported an increase in exports of synthetic leather goods by approximately 15% in the last financial year, with numbers projected to rise owing to favorable trade agreements and the global emphasis on sustainable materials. This favorable export landscape provides additional impetus for manufacturers to scale their production and enhance product quality.

The rising demand for animal-free and sustainable products is a major driver of the Global Synthetic Leather Market. This is because synthetic leather is seen as a viable alternative to traditional leather and is increasingly being used in various industries, including fashion, automotive, and furniture.

OPPORTUNITIES

- Development of new types of high quality PU coated fabric
- Product Diversification
- Growing Demand from the Footwear and Automotive Industry
- Strong and eco-sustainable product
- Export opportunities to neighboring countries
- Modernized manufacturing units
- Optimizing production cost
- Trained / skilled manpower at competitive wage level
- Being a Cheaper alternative to natural leather with good aesthetic quality, demand to continue to remain strong
- Presence in global market

THREATS

- Unfavorable foreign exchange rate fluctuations
- Lack of poor policies for the specific development of the sector
- Some raw material not available locally; it increases cost and lead tuff competitiveness
- Non-biodegradability of synthetic leather
- Irregular supply of raw material
- Increase in competition
- Increase in logistic cost

SEGMENT-WISE PERFORMANCE

The Company deals only in one segment i.e. manufacturing and sale of PU/PVC Synthetic Leather, accordingly there is only a single reportable segment.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The overview of financial performance with respect to operational performance of the Company can be obtained from the various following ratio analysis.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

- Debtor Turnover Ratio is 3.33 times
- Inventory Turnover Ratio is 3.15 times
- Interest Coverage Ratio is 133.24 times
- Current Ratio is 8.08 times
- Debt to Equity Ratio is 0.01 times
- Operating Profit Margin Ratio is 23.39 percentage
- Net Profit Margin Ratio is 17.19 percentage

RISKS AND CONCERNS

The risks and opportunities inherent to all corporations are inseparable elements. The Directors and management of the Company make constructive decisions to protect the interests of stakeholders. The Company has implemented a Risk Management Policy, which is continuously monitored and reviewed under the guidance of Audit and Risk Management Committee. This Committee convene periodically to identify processes exposed to risks, determine risk mitigation strategies, and oversee their implementation.

The Company recognises that the emerging and identified risks need to be managed and mitigated to:

Protect its shareholders and other stakeholder's interest,

Achieve its business objective, and

Enable sustainable growth.

The Company is continuously and carefully monitoring the risks and concerns related to the business for example: macro-economic factors, foreign exchange fluctuation, geographical concentration, change in the Government policies and legislation, increase in the raw material prices etc. The Company has also taken several insurance policies to mitigate other risks and concerns of the Company.

RESEARCH AND DEVELOPMENT (R&D)

Research and Development activities have played a pivotal role in differentiating the overall attributes of synthetic leather from traditional leather. In this direction, your Company has increased its R&D efforts in scope and scale for comprehensive and integrated research works in the identified thrust areas.

Our R&D work towards the development of synthetic leather with various new textures, colors, patterns, and functionalities to develop synthetic leather with superior properties. We continuously strive towards in-house product development /innovation and sustainable synthetic leather in tune with evolving industry trends.

With experienced and qualified human resources our R&D capabilities are the driving forces of our current momentum and future growth of the organization. With innovation

instilled into culture of the company at various levels, R&D is a crucial attribute in fostering our vision to become a global leader in the synthetic leather Industry.

The Company is providing new products from time to time which helps in expanding the business to new dimensions. Customer from OEMs, automobile, footwear, furniture and upholstery, leather goods, sports equipment and fashion industry have varied requirements which are all successfully fulfilled in our prototype laboratories. To mention their achievements, the R&D wing delivers a good number of samples on every working day.

Strategically, Mayur is well placed to create PVC/PU leather products for every part of interior trim applications meeting worldwide standards. We are augmenting our research capabilities and expanding our product portfolio to address the prospective demand across global markets.

Further to meet out the requirements of the customers in the new era as per the international standards and advance technology, we are planning for setting up a new world-class R&D Centre which will focus on developing, demonstrating, innovative and environment friendly, customer centric products and process technologies for developing new and critical product in the artificial synthetic leather industry.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

To ensure effective internal controls across business processes and systems, the Company has established a robust framework that is designed to provide reliable and quality assurance related to the Company's financial and operational information so that it can comply with applicable laws and safeguard its assets. The framework comprises both entity-level controls and business process controls. The adequacy and efficacy of these controls are evaluated on a regular basis:

To facilitate the same, following measures have been initiated:

- The internal control systems are evaluated with respect to their compliance with the operating systems and policies of the Company across all locations.
- The Company has put in place robust data security management.
- The Company is employing data analytics in the internal audit.
- All operations are executed through Standard Operating Procedures (SOPs) in all functional activities, and these are updated and validated periodically as per the business need.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

Commensurate with the size and nature of operations, the Company has adequate systems of internal control comprising authorization levels, supervision, checks and balances and procedures through documented guidelines which provide that all transactions are authorized, recorded and reported correctly and compliance with policies and statutes are ensured.

The Company has an independent internal audit system to monitor the entire operations and services. The top management and Audit Committee of the Board review the findings of the Internal Auditor and takes remedial actions accordingly.

The division also assesses opportunities for improvement in business processes, systems & controls and it provides the recommendations for design to add value to the organization and it also follows up on the implementation of corrective actions and improvements in business processes after review by the audit committee and senior management.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATION

The Company always believes that its growth is closely linked with the growth and overall development of its employees. The Company is committed to upgrade the skill of its employees and to create an environment where

excellence is recognized and rewarded. The target is to place right people at right position and to enhance the efficiency, working speed, competency and time management skill of its employees. The Company's endeavour is to create an environment where people can use all of their capabilities in promoting the business of the Company. The number of people employed, as of March 31, 2025 are 473.

CAUTIONARY STATEMENT

Statement in the Management Discussion and Analysis and Directors Report describing the Companies strengths, objectives, strategies, projection and estimate are forward looking and progressive within the meaning of all applicable laws and regulation. Actual results may vary depending upon the various aspects of the economic such as government policies, rules and regulations, economic conditions and other incidental factors. Important factors that could make a difference to our Company's operations include raw material availability and prices, cyclical demand and pricing in our principal markets, changes in government regulations, tax regimes, economic developments within India and outside the countries in which we conduct business and other incidental factors. Management will not be in any way responsible for the actions taken based on such statements.

REPORT ON CORPORATE GOVERNANCE

CORPORATE GOVERNANCE REPORT FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2025

To comply with Regulation 34 read with Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ['SEBI (LODR) Regulations'], the report containing details of Corporate Governance of Mayur Uniquoters Limited ("the Company" or "Mayur") for the financial year 2024-25 is as follows:

Corporate Governance is all about maintaining a valuable relationship and trust with all stakeholders. We consider stakeholders as partners in our success and we remain committed towards maximizing stakeholders' value, be it shareholders, employees, suppliers, customers, investors, communities or policy makers. This approach to value creation emanates from our belief that sound governance system, based on relationship and trust, is integral to creating enduring value for all.

Mayur believes that Corporate Governance is an integral element of any responsible company and reflects its core values and principles, encompassing its culture, practices, policies and relationship with its stakeholders. Your Company's commitment towards the adoption of best corporate governance practices goes beyond compliance with the law and endeavors to embrace responsibility for corporate actions and the impact of its initiatives on all its stakeholders. Your Company continuously strives for the betterment of its corporate governance mechanisms to improve efficiency, transparency, accountability and achieve business excellence in its day-to-day operations within which all stakeholders of the Company, viz., its Members, Directors, management, society and environment at large have aligned objectives. Company's Governance framework enshrines ethical and responsible conduct of business to create lasting stakeholder value and ensure that the Company's businesses are being conducted in an accountable and fair manner.

Mayur is a professionally managed Company, which is run by highly qualified and expert professionals and the Company has a defined policy framework for ethical conduct of businesses. The Board of Mayur is responsible and committed to sound principles of Corporate Governance & Sustainability. The Board plays a crucial role in overseeing how the management serves the short and long-term interests of the members and other stakeholders, this belief is also reflected in our governance

practices, under which we strive to maintain an effective, informed and independent Board. The Board strongly agrees that good governance is not merely an objective, but only the means to achieve the objective of operating as a global citizen. We keep our governance practices under continuous review and benchmark ourselves to the best practices. The Board and its Committees guide, support and complement the management team's ideas and initiatives, which in turn assumes accountability, strives to achieve the set objectives and enhance value creation for all.

COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate Governance is creation and enhancing long term sustainable value for the stakeholders through ethically driven business process. At Mayur, it is imperative that your Company affairs are being managed in a fair and transparent manner.

Mayur's Corporate Governance philosophy is based on fostering and maintaining the culture of trust, ethics, honesty, transparency and fixing accountability, which are fundamental to a good corporate governance framework. These are reflection of core values of the Company which have been imbibed in our day-to-day functioning. Following these good practices enable the Company to create sustainable long-term value for its stakeholders.

At Mayur, responsible corporate conduct is fundamental to the way we do our business. Our actions are governed by our values and principles, which are reinforced at all levels within the Company. Maintaining high standards of corporate governance practices is a testimony to well-founded systems and processes of the Company assuring trust and confidence to all stakeholders on the conduct of the business. We are committed to do things the right way which means taking business decisions and acting in a way that is ethical and in compliance with applicable legislations.

Our Code of Business Principles (the Code) is an extension of our values and reflects our continued commitment to ethical business practices across our operations. We acknowledge our individual and collective responsibilities to manage our business activities with integrity. Our Code inspires us to set high standards of governance which go beyond what is prescribed under legislations in many areas of our functioning.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

To succeed, we believe it requires the highest standards of corporate behaviour towards everyone we work with, the communities we touch and the environment on which we have an impact. This is our road to consistent, competitive, profitable and responsible growth and creating long-term value for our shareholders, our people and our business partners. The above principles have been the guiding force for whatever we do and shall continue to be so in the years to come.

Your Board has adopted a comprehensive framework within which the Company, Board of Directors (the Board), Statutory Board Committees may effectively operate for the benefit of its varied stakeholders and your Company is committed to conduct its business based on the highest standard of corporate governance and in compliance with the applicable laws, rules, regulations and statutes. Your company believes in building and retaining the trust of its stakeholders by placing special emphasis on formulation and compliance of principles of Corporate Governance. Mayur, being a value-driven organization for all the stakeholders, it has always worked towards building trust with shareholders, employees, customers, suppliers and other stakeholders based on the principle of good Corporate Governance viz. integrity, equity, transparency, fairness, disclosure accountability and commitment to

values. These main drivers together with the Company's outgoing contribution to the local communities through meaningful corporate social responsibility initiatives will play a pivotal role in fulfilling our vision to be the most admired and competitive Company in our industry and our mission to create the value for all our stakeholders. These practices have been followed since inception and have led to the sustained growth of the Company.

We believe, Corporate Governance is not just a destination, but a journey to constantly improve sustainable value creation. It is an upward-moving target that we collectively strive towards achieving. Our multiple initiatives towards maintaining the highest standards of governance are detailed hereinafter.

BOARD COMPOSITION AND CATEGORY OF DIRECTORS

A Board of Directors is essentially a panel of people who are elected to represent shareholders. At Mayur, we believe that an active and well-informed Board is necessary to ensure highest standards of corporate governance. All statutory and other significant and material information are placed before the Board to enable it to discharge its fiduciary duties keeping in mind the interests of all its stakeholders and the Company's corporate governance philosophy.

At Mayur, the Board of Directors has an optimum combination of Executive and Non-Executive Directors including Independent Directors. The composition of the Board, category of Directors and details of other Directorships and Committee memberships as on March 31, 2025 as follows:

FAMILIARISATION PROGRAMMES IMPARTED TO INDEPENDENT DIRECTORS

An appropriate induction programme for new Directors and ongoing training for existing Directors is a major contributor in maintaining the high Corporate Governance standards of the Company. In this regard, Independent Directors are familiarized with their roles, rights and responsibilities in the Company as well as the nature of industry in which the Company operates through induction programs at the time of their appointment as Director. On appointment, the concerned Director is issued a Letter of Appointment setting out the details as specified in Schedule IV of the Act. Each newly appointed Independent Director is taken through a formal induction program giving brief description on Company's manufacturing, marketing, finance and other important aspects. The Directors are briefed about their legal and regulatory responsibilities as a Director. The induction for Independent Directors includes interactive sessions with Business and Functional heads. The management provides such information and training either at the meeting of Board of Directors or otherwise. The details of familiarization programs for Independent Directors are uploaded on the website of the Company, i.e. <https://www.mayuruniquoters.com> at the weblink: <https://www.mayuruniquoters.com/familiarisation-programme-for-independent-directors.php>

SEPARATE MEETING OF INDEPENDENT DIRECTORS

Abiding the highest norms of Corporate Governance, separate Meeting of the Independent Directors of the Company is held every year in terms of the Schedule IV to the Act, and Regulation 25 of the SEBI (LODR) Regulations, 2015.

Accordingly, during the financial year 2024-25, the Independent Directors met separately on January 11, 2025 without the presence of any Non-Independent Director or representatives of management inter alia, to discuss:

- Review of the performance of Non-Independent Directors and the Board of Directors as a whole.
- Review of the performance of the Chairperson of the Company taking into account the views of the Executive and Non-Executive Directors.
- Assess the quality, quantity and timeliness of flow of information between the management and the Board of directors that is necessary for the Board to effectively and reasonably perform their duties.

CODE OF BUSINESS CONDUCT AND ETHICS FOR DIRECTORS AND SENIOR MANAGEMENT

The code of conduct has been circulated to all the members of the Board and Senior Management Personnel and they have affirmed their compliance with the said code of conduct for the financial year ended on March 31, 2025. The Code envisages procedures to be followed and disclosures to be made while dealing in the securities of the Company. The code of conduct has been posted on the Company's website:

www.mayuruniquoters.com/pdf/code-of-conduct-for-board-members-and-senior-management.pdf

This code ensures compliance with the provisions of Regulation 17(5) of the SEBI (LODR) Regulations, 2015. A declaration to this effect signed by Mr. Suresh Kumar Poddar, Chairman and Managing Director & CEO (DIN: 00022395) of the Company stating that the members of Board of Directors and Senior Management Personnel have affirmed compliance with the code of conduct of Board of Directors and senior management is annexed as Annexure A to the Corporate Governance Report.

BOARD COMMITTEES

The Board Committees play a vital role in strengthening the Corporate Governance practices. The Board Committees are set up under formal approval of the Board to carry out clearly defined roles which are considered to be performed by Members of the Board as a part of good governance practice. The Board supervise the execution of responsibilities by the Committee. Minutes of the proceedings of all the Committee meetings are circulated to the Board to take note of the same. The Board Committees may request special invitees to join the meeting, as appropriate.

Majority of the members constituting the Committees are Independent Directors. The recommendations, observations and decisions of the Committees are placed before the Board for information and approval. During the year under review, all recommendations of the Committees were accepted by the Board.

The Board has Five Committees namely Audit Committee, Nomination and Remuneration Committee, Corporate Social Responsibility Committee, Stakeholders Relationship Committee, and Risk Management Committee.

A. AUDIT COMMITTEE

Brief description and terms of reference

The Committee is governed by the regulatory requirements mandated by the Act and Regulation 18 of the SEBI (LODR) Regulations, 2015. The primary objective of the Committee is to monitor and provide an effective supervision of the management's financial reporting process, to ensure accurate and timely disclosures, with the highest level of transparency, integrity and quality of financial reporting. The terms of reference of the Audit Committee, inter alia, include the following:

1. Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible;
2. Recommendation for appointment, remuneration and terms of appointment of auditors of the Company;

x. Depository System

Shareholders can trade in the Company's shares only in electronic form. The process for getting the shares dematerialized is as follows:

- Shareholder shall submit the shares certificate along with Dematerialization Request Form (DRF) to Depository Participant (DP).
- DP processes the DRF and generates a unique Dematerialization Request No.
- DP forwards DRF and Share Certificates to Registrar and Share Transfer Agent (RTA).
- RTA after processing the DRF confirms or rejects the request of Depositories.
- If confirmed by the RTA, depositories give credit to shareholder in his account maintained with DP.
- Physical shares received for dematerialization are processed and dematerialized within the stipulated period, provided the same are in order in all respect. Bad deliveries are immediately returned to the DP.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

CERTIFICATE ON CORPORATE GOVERNANCE

To,
The Members,
Mayur Uniquoters Limited
Jaipur-Sikar Road, Village Jaitpura
Tehsil – Chomu
Jaipur – 303 704 (Rajasthan)

1. We have examined the compliance of conditions of Corporate Governance of **Mayur Uniquoters Limited (“the Company”)** for the year ended on March 31, 2025 as stipulated in Regulations 17 to 27 and clauses (b) to (i) and (t) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [collectively referred to as “**SEBI Listing Regulations**”].

Management’s Responsibility for compliance with the conditions of SEBI Listing Regulations

2. The compliance with the conditions of Corporate Governance is the responsibility of the management of the Company, including the preparation and maintenance of all relevant supporting records and documents. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in SEBI Listing Regulations.

Our Responsibility

3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with the Corporate Governance requirements by the Company.
5. We have conducted our examination in accordance with the Guidance Note on Corporate Governance Certificate and the Guidance Manual on Quality of Audit & Attestation Services issued by the Institute of Company Secretaries of India (“ICSI”).

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, and the representation made by the directors and the management, we hereby certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned SEBI Listing Regulations.
7. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

8. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the SEBI Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

S. No.	Material identified issue	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Oxygen Zone Development	O	The establishment of an Oxygen Zone in Mayur offers a promising opportunity. This initiative not only contributes to environmental sustainability but also brings about long-term benefits for the ecosystem. By undertaking this project, the company can effectively enhance its brand image, while fostering a deeper sense of community engagement and connection.	<p>1. We have extraordinary accomplishment In the Nidhi Van Phase II of Gram Panchayat Dhoblai, 10386 fruit and shade trees were planted in the Hariyalo Rajasthan - Ek Ped Maa Ke Naam Intensive Tree Plantation Block Level Program under the Chief Minister's Vriksharopan Maha Abhiyan on 30 hectares pastureland. Through this program, along with the income of the Gram Panchayat, work of environmental protection is also being done. With the creation of such a forest, thousands of birds, and small animals along with passersby will get shelter and protection. It is an excellent way to make nature good and beautiful and to return to it. These sites, conveniently positioned within a radius of 1 km and 3 km near our Dhodsar factory, evoke a sense of joy and fulfillment.</p> <p>2. During this reporting period, a total of 10386 plants were established, and we have successfully planted 33386 trees on 30 hectares of land so far.</p>	Positive
2.	Air Quality	R	Air quality poses various risks for companies, including potential health hazards for employees, decreased productivity, increased absenteeism, higher healthcare costs, and potential damage to the company's reputation. Poor air quality can lead to respiratory issues, allergies, and other health problems, which can result in reduced employee performance and efficiency. Moreover, high levels of air pollution can lead to increased sick leaves and healthcare expenses for both employees and the Company.	<p>Air Quality Bag Filter was installed in Thermopack unit as a technological intervention to improve air quality. The site plan highlights ten emission points, and specific points of critical emissions have been identified for monitoring purposes.</p> <p>We have further improved the water quality by inducing technological advancement in our ETP process by installing oil skimmer & tank for separating the oil & Inhouse lab setup done for testing of waste water. For online Monitoring installed Meter for track Water consumption at plant and To ensure water quality and regulatory compliance, the treated water is also tested in a government-approved laboratory.</p>	Negative

3.	Clean water & Sanitation	R	Clean water and sanitation risks for companies include compromised employee health, increased operational costs, regulatory non-compliance, reputational damage, and legal liabilities. Insufficient access to clean water can lead to waterborne diseases, while poor sanitation facilities can impact productivity and cause accidents. Non-compliance with regulations can result in fines and penalties, damaging reputation and stability. Inadequate facilities may lead to legal liabilities and financial burdens.	We have further improved the water quality by inducing technological advancement in our ETP process by installing oil skimmer & tank for separating the oil & Inhouse lab setup done for testing of waste water and we installed ZLD plant at our Dhodsar Unit for Reducing our waste water.	Negative
4.	Reduction in GHG emission	R	Greenhouse gas emissions can lead to regulatory non-compliance, reputational damage, increased operational costs, legal liabilities, and vulnerability to climate change impacts. Failing to address these emissions can result in fines, penalties, and negative perceptions from stakeholders, affecting the company's stability and long-term sustainability.	<p>The Company has done baseline measurement of year in 2021-22 with Global PCCS as a second party consultant.</p> <p>For 2024-25, we are doing GHG accounting with MNIT as second party consultant. We are actively analyzing and monitor our GHG gas emissions for better understanding of its environmental impact. They analysis our GHG accounting according to GHG protocol.</p> <p>For Decreasing the GHG, we are moving towards sourcing from Local Suppliers: for reducing the transportation distance</p> <p>Green Supply chain: We want our supply chain to comply with our policies and we have conducted sustainability assessment for our key suppliers</p> <p>As part of our ongoing efforts, we continue to engage in conducting a comprehensive Life Cycle Assessment (LCA) of our product. Our primary objective is to gain a thorough understanding of the product's carbon dioxide (CO₂) emissions throughout its manufacturing process. Moreover, we are actively exploring opportunities to replace certain components with Sustainable alternatives. By adopting this approach, we aim to mitigate our ecological impact and transition towards a more sustainable product.</p>	Negative

				necessary medications. Our commitment to safety is further reinforced through rigorous internal audits, monthly theme audits, and daily patrols to uphold stringent safety standards. Additionally, we conduct regular mock drills in alignment with factory protocols to enhance preparedness. Hazard identification and risk assessment (HIRA) are integral components of our safety practices, aimed at sustaining a safe workplace environment. As part of our continuous improvement approach, safety committee meetings are held at regular intervals to evaluate current safety protocols, identify and mitigate potential risks, foster a culture of proactive safety engagement, and drive the implementation of effective measures to maintain a safe and compliant workplace. Furthermore, we maintain a fully equipped ambulance on-site to promptly address any emergencies. As part of our commitment to fostering a culture of safety, awareness program by 'TCI Safe Safar' raise awareness about health and safety among employees and transport personnel. This program encouraged thousands, including members of the Mayur team, to take a formal pledge to uphold safe work practices. By promoting proactive risk management and collaborative responsibility, further strengthened safety consciousness across our workforce and supply chain. Such efforts reflect our ongoing dedication to maintaining a safe, healthy, and compliant workplace environment.	
7	Employee Training and Development	O	<p>The Company sees employee training and development as an opportunity which:</p> <ul style="list-style-type: none"> • helps in the adaption of changing technologies and trends • helps in identifying and grooming of potential leaders • helps in employee retention. • helps the employees in acquiring new skills, knowledge and competencies relevant to their roles and responsibility 	The Company ensures comprehensive employee training and development, covering various aspects. This includes skill matrix preparation, identification of training needs, creating training calendars, executing programs, and evaluating their effectiveness. In the year 2024-25, the Company conducted training sessions on different sustainability topics including code of conduct, labour policies, sustainability policies etc. Additionally, we provide training on 5S, Kaizen, Fire safety, industrial safety, hazard & risk, Chemical handling, MSDS, Emergency procedures and IATF practices. Environment management is a crucial area where we implement an impactful employee training	Positive

8	Resource optimization and Value creation	O	The Company actively involved in strategically managing and maximizing the utilization of resources to enhance productivity, reduce costs, and improve overall performance. By effectively harnessing available resources, businesses can generate value for stakeholders and position themselves for sustainable growth and competitive advantage. This opportunity arises due to the collaboration between optimizing resource allocation and driving value across various aspects of the organization.	Enhancing the efficiency and capacity of operational energy stands as an important component within the Company's overall strategy. In our strong and steady commitment to this cause, our proficient engineering team constantly endeavors to execute projects aiming to support energy efficiency. Across the entire organization, these initiatives are pushed by enthusiastic energy champions present at each site, leading energy teams to facilitate the seamless implementation of energy conservation projects.	Positive
9	Quality Education	O	<p>Quality education within a community is a great opportunity for the Company. By supporting and investing in education initiatives, companies can contribute to the development of a skilled workforce. This, in turn, can benefit businesses through access to a pool of talented individuals who possess the necessary knowledge and skills for employment.</p> <p>Providing education can create a positive brand image which can have a positive impact on businesses operating within that community.</p>	<p>The Company initiated multiple programs for quality education in reporting year 2024-25.</p> <p>1. Infrastructure Development:- To strengthen the level of enrollment and education in government schools, new classrooms are constructed from time to time as per the use and demand. This year, 6 new classrooms were constructed in Mahatma Gandhi Government School English Medium, Bhojlaw. This provides an excellent work area to the teachers.</p> <p>The condition of the buildings of government schools improves by painting and coloring the building. 				<p>children. In Quality of education we provide 150 single seater furniture was provided to Government Higher Secondary School, Madore, Phagi. This will help the children to sit comfortably in the classroom and study</p> <p>2. Scholarship:- As part of our ongoing commitment to education, we provide annual scholarships to help students pursue their dreams. This year, we extended this support to meritorious students from government schools in Rajasthan who secured over 80% marks in their Class 10th and 12th examinations conducted by the Rajasthan Board of Secondary Education (RBSE). Through this initiative, we aim to recognize academic excellence and empower bright young minds to continue their educational journey without financial barriers.</p> <p>In this journey we give financial assistance total of 223 students—91 from Class 10 and 132 from Class 12—across 18 government schools were awarded scholarships amounting to over ₹ 25 lakh. Notably, the highest-scoring student, a girl from the Government School in Phagi, secured an outstanding 98% and was awarded a special scholarship of ₹ 2.5 lakh in recognition of her exceptional achievement. Apart from this, previously successful 8 students were given an amount of Rs 7 lakh 9 thousand for their further studies including medical education, NEET, and REET competitive work.</p> <p>3. Educational tour:- To recognize and encourage teachers who contribute to creating a positive and engaging educational environment, we continued our tradition from last year by organizing an educational tour for a group of 6 dedicated teachers from Government Higher Secondary School, Phagi. Accompanied by their families, the group embarked on a 3-day, 2-night tour to prominent educational and cultural sites in western India. The itinerary included visits to Somnath, Dwarka, the Gir Forests, and Porbandar, offering both inspiration and appreciation for their invaluable role in shaping young minds.</p>

				<p>4. Support Girl Child Education:- To support the smooth functioning of the girls' library-cum-reading hall established and operated by the Jaitpura Gram Panchayat, the company provided two air-conditioners and facilitated an online grid connection powered by a 6-kilowatt solar panel system. This initiative has created a more comfortable and conducive environment for girls preparing for competitive examinations, while also reducing the electricity cost to zero, ensuring sustainability and uninterrupted study sessions.</p>	
10	Health Care, Family Planning & Immunization	O	<p>By actively engaging in promoting and supporting these initiatives, the Company will have advantages by Investing in comprehensive health care services and family planning programs that enables companies to foster a healthier and more productive workforce. This, in turn, contributes to higher employee satisfaction, reduced absenteeism, and increased overall efficiency. Supporting immunization efforts not only demonstrates corporate social responsibility but also helps prevent the spread of diseases, safeguarding both employees and the community at large. Businesses can create a positive impact such as enhanced brand reputation, increased customer loyalty, and improved employee morale.</p>	<p>1. Poshan Abhiyaan Support:-In alignment with the Government of India's Poshan Abhiyaan, which aims to eliminate malnutrition—including Severe Acute Malnutrition (SAM) and Moderate Acute Malnutrition (MAM)—among children, pregnant women, lactating mothers, and adolescent girls, Mayur actively contributed to this crucial mission. Under the guidance of the Sub-Divisional Officer, Mayur provided nutrition kits to 461 children through the Block Officers of Chomu Tehsil and Etawah Bhopji as part of the ICDS department's national program. This initiative plays a vital role in addressing malnutrition at its roots and improving the health and future prospects of vulnerable groups</p> <p>2. Immunization:- In response to the challenges posed by increasing population and disease prevalence, Mayur Company has been actively working in the backward block of Phagi, Jaipur district, for several years to reduce maternal and infant mortality rates. This is achieved through community awareness programs and vaccination drives focused on maternal and child health. Continuing this vital initiative, this year, a total of 1,662 children under one year of age and 2,642 pregnant mothers were successfully vaccinated as part of the immunization program. To further strengthen this effort, Mayur Company is committed to ongoing health education, ensuring regular follow-up vaccinations, and collaborating with local healthcare providers to enhance</p>	Positive

				<p>fabrics to recycled fabrics in our Bio PVC products. For instance, our product combining Bio PVC with Regular Fabric has been upgraded to use recycled fabric. This change reflects our ongoing efforts to reduce environmental impact by minimizing the use of virgin materials. Several innovative combinations of Bio PVC with Recycled material Fabric and Bio PVC with Bio Filler and Recycled material Fabric have been developed and tested. Test packages for these advanced materials have been dispatched, with feedback eagerly anticipated. These developments underscore our dedication to incorporating recycled and bio-based components into our products, aligning with our sustainability goals.</p> <p>3. Life Cycle Assessment and Environmental Product Declarations</p> <p>As part of our commitment to transparency and environmental stewardship, we have conducted Life Cycle Assessments (LCA) and Environmental Product Declarations (EPDs) for several of our products. For example, the LCA project for Regular PVC combined with Regular Fabric has been completed, providing valuable insights into the environmental impact of our materials. Similarly, we have completed an LCA project for Bio PVC combined with Recycled Fabric, further demonstrating our commitment to evaluating and improving the sustainability of our products. Product data for combinations of Regular Polyurethane (PUR) and Regular Fabric have also been submitted for LCA and EPD studies. These initiatives highlight our proactive approach to understanding and mitigating the environmental footprint of our products, ensuring that we remain at the cutting edge of sustainable manufacturing.</p> <p>4. Collaborative Efforts</p> <p>Our success in sustainable product development is bolstered by strong collaborations with leading automotive manufacturers. These partnerships are instrumental in advancing our sustainability initiatives and ensuring that our products meet the rigorous demands of the automotive industry</p>

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

PRINCIPLE 2 Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

- Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	Current Financial Year 2024-25	Previous Financial Year 2023-24	Details of improvements in environmental and social impacts
R & D	0.00%	0.00%	The Company is focused on providing its customers with innovative solutions that safeguard the environment and customer wellbeing. Environmental and Social considerations are integrated into the Company's R&D. The Company is in the process of streamlining its data management system which will enable it to capture this data, moving forward.
Capex	7.92%	12.80%	1. Equipment purchase for Improvement of air Quality. 2. Installed a Zero Liquid Discharge (ZLD) system to ensure complete wastewater recycling and eliminate effluent discharge, promoting water conservation and environmental compliance. 3. Installed Coal Dust extraction and collection system. 4. Sustainable formulation development and aim to expand our portfolio further.

- Does the entity have procedures in place for sustainable sourcing? (Yes/No)
Yes. The Company is procuring its raw materials from the suppliers who are doing their respective businesses sustainably.
 - If yes, what percentage of inputs were sourced sustainably?
More than 44%.

- Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

The Company does not have any specific product to reclaim at the end of life. However, at the plant sites, there are systems in place to recycle, reuse and dispose in line with regulatory requirement for the above-mentioned waste being generated during the course of manufacturing.

- Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Our Plants are registered as importer to comply with the requirements of the Plastic Waste Management Rules, 2016. Consistent with the objective established by Extended Producer Responsibility (EPR), we have formed a partnership with an authorized third party waste recycler to manage the recycling of plastic.

PRINCIPLE 3 Businesses should respect and promote the well-being of all employees, including those in their value chains

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

10. Health and safety management system:

- a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

Yes, the Occupational Health Management System, including the Environmental Management System, has been implemented in accordance with the requirements of ISO 45001:2018 and ISO 14001:2015 standards. This system covers all manufacturing units of the Company.

The Company firmly believes that ensuring a safe and healthy work environment is critical to the well-being of its employees. Adopting best practices in occupational health and safety not only enhances overall operational performance but also plays a key role in attracting and retaining top talent.

- b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

While consistently implementing measures to enhance employee well-being and healthcare, the Company has also established a comprehensive Hazard Identification and Risk Management System to ensure continuous improvement in occupational health and safety.

As a result, all manufacturing units have mitigation plans in place for high-risk areas, including machine safety. These mitigation plans clearly define roles and responsibilities, monitoring and control measures, competency training, and awareness programs for individuals involved in such activities.

- c. Whether you have processes for workers to report the work related hazards and to remove themselves from such risks. (Y/ N)

Yes, the Company has established systems that allow employees and workers to report any work-related hazards. The workforce is periodically provided with the necessary training and awareness sessions to help them identify and report such hazards to the EHS (Environment, Health & Safety) team.

In parallel, the EHS Manager at each location conducts daily floor interactions and site walkthroughs to monitor the implementation of health and safety measures. As part of the system, all near-miss incidents, safety suggestions, and observations of unsafe acts or conditions are promptly recorded, followed by timely corrective actions to ensure a safe working environment.

- d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

Yes. Employees have access to non-occupational medical and healthcare services through company-organized medical camps. These camps offer consultations and health check-ups by reputed doctors from various specialties and hospitals, along with awareness workshops and options for online consultations.

Additionally, all employees and their eligible dependents are covered under either a comprehensive medical insurance policy or the Employees' State Insurance (ESI) scheme. An ambulance facility is also available at all plant locations to provide immediate support in case of medical emergencies.

11. Details of safety related incidents, in the following format:

Safety Incident/ Number	Category	2024-25	2023-24
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	0	0
	Workers	7	5
Total Recordable work- related injuries	Employees	2	1
	Workers	20	31
No. of Fatalities	Employees	0	0
	Workers	0	0
Hi consequence work-related injury or ill-health (excluding fatalities)	Employees	0	0
	Workers	0	0

12. Describe the measures taken by the entity to ensure a safe and healthy work place.

Our facilities fully comply with all applicable health and safety regulations and uphold high standards of social governance. The health and safety of our employees are of utmost importance. Accordingly, the Company ensures that its operations do not expose employees or workers to any workplace risks or injuries.

To promote a safe working environment, the Company has implemented several structured and proactive safety initiatives. These initiatives are monitored at various levels and at regular intervals to ensure their continuity, consistency, and effectiveness. The key proactive measures include:

- | | |
|--|---|
| a) Conducting internal safety inspections and audits | d) Organizing mock drills for emergency preparedness |
| b) Holding regular safety review meetings | e) Reviewing safety performance and implementing corrective actions |
| c) Providing comprehensive safety training | f) Recording and analyzing potential incident observations |

Working Conditions	

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions

The Company is fully committed to maintaining a safe and secure work environment for all employees and workers. While no major safety-related incidents or significant risks have been reported, the Company continuously evaluates its health and safety practices through regular audits and assessments.

As part of its proactive approach, the following corrective and preventive actions have been taken or are currently underway:

- **Implementation of Corrective Measures:** In response to minor safety observations, immediate corrective actions such as equipment adjustments, signage updates, and reinforcement of safe operating procedures have been implemented.
- **Behavior-Based Safety Programs:** Awareness initiatives and training sessions have been enhanced to promote a culture of safety and prevent unsafe behaviors.
- **Root Cause Analysis and Preventive Planning:** All reported incidents, including near misses, are thoroughly investigated to identify root causes and implement preventive actions.
- **Infrastructure Improvements:** Where required, physical infrastructure upgrades have been carried out to eliminate potential hazards and improve workplace safety.
- **Periodic Safety Audits:** Regular safety audits and inspections are conducted to ensure compliance with established standards and continuous improvement.

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

The Company identifies and engages with various stakeholders with the intention of understanding and addressing their expectations and developing short, medium and long-term strategies of the Company. The internal and external groups of key stakeholders identified on the basis of their immediate impact on the operations and working of the Company include Employees, Shareholders, Customers, Communities, Suppliers, Government Authorities, Partners and Vendors.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

Gross wages paid to females as % of total wages	2.74%	1.88%

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? **(Yes/No)**

Yes. The Company's Human Resources (HR) function is designated as the focal point for addressing human rights impacts or issues within the organization. In addition, the Company has implemented a Whistle Blower Policy that provides a secure and confidential mechanism for employees to report concerns related to misuse or abuse of authority, fraud or suspected fraud, violations of Company policies, manipulation of records, or any actions that could adversely affect the interests of the Company. The policy also incorporates necessary safeguards to protect whistleblowers from retaliation or any adverse consequences arising from the reporting of such concerns.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

The Company is committed to upholding the principles of human rights across the organization and among its business partners. It provides equal employment opportunities without any discrimination based on disability, gender, caste, religion, race, ethnicity, background, or color, and to maintain a work environment free from any form of harassment related to these factors. A Code of Conduct and Whistle Blower Mechanism are in place to allow individuals to report grievances in a secure and confidential manner. The Company has well-defined policies and procedures to ensure the effective resolution of any reported human rights violations. Additionally, the Company has implemented robust processes and policies to prevent sexual harassment in the workplace, ensuring timely and appropriate redressal of complaints.

6. Number of Complaints on the following made by employees and workers:

	FY 2024-25			FY 2023-24		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	NIL	NIL		NIL	NIL	
Discrimination at workplace						
Child Labour						
Forced Labour/ Involuntary Labour						
Wages						
Other human rights related issues						

7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:

	FY 2024-25 Current Financial Year	FY 2023-24 Previous Financial Year
Total Complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)	Nil	Nil
Complaints on POSH as a % of female employees / workers	0.00%	0.00%
Complaints on POSH upheld	Nil	Nil

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

The Company has established strict safeguards to protect complainants from any form of retaliation, victimization, or adverse consequences when reporting cases of discrimination or harassment. These mechanisms include:

Confidential Handling: All complaints are treated with strict confidentiality to protect the identity of the complainant.

Non-Retaliation Policy: The Company follows a zero-tolerance approach toward retaliation. Any attempt to intimidate or penalize the complainant will result in disciplinary action.

Whistle Blower Protection: The Whistle Blower Policy ensures that individuals reporting grievances in good faith are protected against any negative repercussions.

Independent Investigation: All complaints are reviewed by an impartial committee or authority to ensure a fair and unbiased resolution process.

Awareness and Training: Regular training and awareness programs are conducted to educate employees on anti-discrimination, anti-harassment policies, and the protection available to complainants.

9. Do human rights requirements form part of your business agreements and contracts? **(Yes/No)**

Yes the Company incorporates human rights requirements into its business agreements and contracts. All vendors, suppliers, and business partners are expected to comply with applicable laws and uphold internationally recognized human rights principles.

Total fuel consumption (E)	88022664.05	76307622.19
Energy consumption through other sources (F)	-	-
Total energy consumed from nonrenewable sources (D+E+F)	103577582.7	90612570.19
Total energy consumed (A+B+C+D+E+F)	104444861.7	90913495.39
Energy intensity per rupee of turnover (Total energy consumed / Revenue from operations)	0.012	0.012
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed / Revenue from operations adjusted for PPP)	-	-
Energy intensity in terms of physical output (Total energy consumed / Linear meter)	3.39	3.03

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.
No

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2024-25	FY 2023-24
Water withdrawal by source (in kilolitres)		
(i) Surface water	0.00	0.00
(ii) Groundwater	26224.00	17958.20
(iii) Third party water	6859	9414
(iv) Seawater / desalinated water	0.00	0.00
(v) Others	0.00	0.00
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	33083.00	27372.20
Total volume of water consumption (in kilolitres)	44714.37	41061.20
Water intensity per rupee of turnover (Total water consumption / Revenue from operations)	0.0054	0.0053
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption / Revenue from operations adjusted for PPP)	-	-
Water intensity in terms of physical output (Total water consumed / Linear meter)	0.0014	0.0014

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

4. Provide the following details related to water discharged.

Parameter	FY 2024-25	FY 2023-24
Water discharge by destination and level of treatment (in kilolitres)		
(i) To Surface water	Not applicable, all plants are Zero Liquid Discharge Plants	Not applicable, all plants are Zero Liquid Discharge Plants
- No treatment		
- With treatment – please specify level of treatment		
(ii) To Groundwater		
- No treatment		
- With treatment – please specify level of treatment		
(iii) To Seawater		
- No treatment		
- With treatment – please specify level of treatment		
(iv) Sent to third-parties		
- No treatment		
- With treatment – please specify level of treatment		
(v) Others		
- No treatment		
- With treatment – please specify level of treatment		
Total water discharged (in kilolitres)		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation. Yes, the company has successfully implemented a Zero Liquid Discharge (ZLD) system with a capacity of 5 KLD at the Dhodsar plant through the installation of an Effluent Treatment Plant (ETP) and a Sewage Treatment Plant (STP). The primary input for the ZLD facility consists of process water, which is treated accordingly. The purified water from the ETP is reintegrated into our operations, while remaining Utilize in cleaning of solar panels.

In the fiscal year 2024-25, we utilized 11,631.37 KLD of recycled water in our operations, thereby diminishing our reliance on groundwater resources.

At our facilities in Jaitpura and Gwalior, we implement sewage treatment plants (STPs), with the water procured from these installations repurposed for horticultural applications. Furthermore, at the Gwalior plant, we engage in water recycling through an advanced distillation process.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify Unit	FY 2024-25	FY 2023-24
NOx	Mg/Nm ³	159.19	174.74
Sox	Mg/Nm ³	102.00	86.72
Particulate matter (PM)	Mg/Nm ³	117.22	143.16
Persistent organic pollutants (POP)	-	-	-
Volatile Organic Compounds (VOC)	-	-	-
Hazardous air pollutants (HAP)	-	-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, Independent assessment has been done by SCS Enviro Services Pvt Ltd., Team Institute of Science and Technology Private limited and Vibrant Enviro Lab.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:*

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	<i>Metric tonnes of CO₂ equivalent</i>	37813.90	32072.40
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	<i>Metric tonnes of CO₂ equivalent</i>	11274.17	10900.37
Total Scope 1 and Scope 2 emission intensity per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations)	<i>Metric tonnes of CO₂ equivalent/Thousand Rupees</i>	0.00598	0.00562
Total Scope 1 and Scope 2 emissions per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP)	-	-	-
Total Scope 1 and Scope 2 emission intensity in terms of physical output		0.00145	0.00143

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, for FY 2024-25 GHG accounting and Report are Prepared and Evaluate By Malaviya National Institute of Technology Jaipur for all manufacturing location Dhodsar, Jaitpura & Gwalior.

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

Yes, we are doing projects for reducing Green House Emissions:

A. Afforestation

have extraordinary accomplishment of planting a total of 10386 trees across four distinct locations: Badawali, Bhomiya Ji Park, Singod Kalan, and Jaitpura School Ground. These sites, conveniently positioned within a radius of 1 km and 3 km near our Dhodsar factory, evoke a sense of joy and fulfillment.

B. Energy Efficiency Drive

At Our Gwalior Plant they Utilized DMF distillation Water to be reuse in our existing system/Process Plant to Reduce water raw water Consumption. Also they Start initiative that Thermopac start from 7:30 AM instead of 7:00 AM, Energy saving of half hours which would be 7012 kwh in Month.

C. Renewable Energy

We are plan to installing 275KW solar at our Gwalior plant and in this step we have installed 490KWP Installed Solar system at Dhodsar Plant, and 118.81KWP solar system is installed at Jaitpura plant which show our journey to reduce dependency on grid and shift towards Renewable energy.

As part of our commitment at our Dhodsar plant improving operational efficiency and reducing energy consumption, undertook several cooling Tower VFD Pump and Fans installations and retrofitting projects across key production and utility areas. They ingratiate to replace LED light at their street and coal yard. these initiatives are designed to lower electricity usage, enhance process optimization which save Total Estimated Annual Energy is 29,882.8 kWh and support our broader sustainability objective during this fiscal year which includes .

D. Sustainable Product Development

1. Recycled Yarn and Bio PVC Combinations

We have achieved notable progress in developing materials that combine Recycled Yarn with Bio-based PVC. One of our key products, utilizing Recycled Yarn and Regular PVC, has successfully passed initial quality and feasibility assessments. Building on this success, we developed a product incorporating Recycled Yarn and Bio PVC. Although initial feedback highlighted the need for an additional bio filler component, our response was swift and effective. We created a new variant that includes Recycled Yarn, Bio PVC, and Bio Filler. Preliminary customer testing has yielded positive results, and we are now preparing for further emission testing and seat development evaluations.

2. Bio PVC with Various Fabric Combinations

In our quest to enhance sustainability, we have transitioned from regular fabrics to recycled fabrics in our Bio PVC products. For instance, our product combining Bio PVC with Regular Fabric has been upgraded to use recycled fabric. This change reflects our ongoing efforts to reduce environmental impact by minimizing the use of virgin materials. Several innovative combinations of Bio PVC with Recycled material Fabric and Bio PVC with Bio Filler and Recycled material Fabric have been developed and tested. Test packages for these advanced materials have been dispatched, with feedback eagerly anticipated. These developments underscore our dedication to incorporating recycled and bio-based components into our products, aligning with our sustainability goals.

3. Life Cycle Assessment and Environmental Product Declarations

As part of our commitment to transparency and environmental stewardship, we have conducted Life Cycle Assessments (LCA) and Environmental Product Declarations (EPDs) for several of our products. For example, the LCA project for Regular PVC combined with Regular Fabric has been completed, providing valuable insights into the environmental impact of our materials. Similarly, we have completed an LCA project for Bio PVC combined with Recycled Fabric, further demonstrating our commitment to evaluating and improving the sustainability of our products. Product data for combinations of Regular Polyurethane (PUR) and Regular Fabric have also been submitted for LCA and EPD studies. These initiatives highlight our proactive approach to understanding and mitigating the environmental footprint of our products, ensuring that we remain at the cutting edge of sustainable manufacturing.

4. Collaborative Efforts

Our success in sustainable product development is bolstered by strong collaborations with leading automotive manufacturers. These partnerships are instrumental in advancing our sustainability initiatives and ensuring that our products meet the rigorous demands of the automotive industry

a. Collaborations with Mercedes

Our collaboration with Mercedes has yielded significant progress in sustainable product development. While Mercedes initially approved a product combining Recycled PES and Regular PVC, subsequent developments incorporating Recycled PES and Bio PVC were met with requests for Bio filler added material. However, ongoing efforts have resulted in the development of a product combining Recycled PES, Bio PVC, and Bio Filler, with positive preliminary testing feedback. Mercedes' completion of LCA projects for products featuring Regular PVC + Regular Fabric and Bio PVC + Recycled Fabric further underscores their commitment to environmental stewardship and innovative solutions

b. Collaborations with BMW

We have played a crucial role in expanding our portfolio of sustainable products. Notably, BMW's standard and light quality products have undergone fabric upgrades from regular to recycled, demonstrating a commitment to incorporating eco-friendly materials into automotive components. Test packages for various material combinations, including Bio PVC and Recycled PES Fabric, have been sent to BMW, feedback pending. These collaborative efforts highlight BMW's dedication to environmental sustainability and driving innovation in automotive manufacturing.

c. Collaboration with FCA

We are advancing our sustainability initiatives. Product data for an LCA and EPDs study on Regular PU and Regular Fabric combinations was submitted, showcasing our commitment to transparency and environmental responsibility. This partnership underscores FCA's dedication to exploring eco-friendly alternatives in automotive manufacturing, fostering a shared vision for a greener future.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2024-25	FY 2023-24
Plastic Waste (A)	105.58	97.028
E-waste (B)	1.12	2.97
Bio-medical waste (C)	0.00	0.00
Construction and demolition waste (D)	0	0
Battery waste (E)	0	0
Radioactive waste (F)	0	0
Other Hazardous waste. Please specify, if any. (G)	80.10	64.44
Other Non-hazardous waste generated (H). Please specify, if any. (tonnes) (Break-up by composition i.e. by materials relevant to the sector)	3217.06	3319.54
Total (A+B + C + D + E + F + G + H)	3403.87	3483.97
Waste intensity per rupee of turnover (Total waste generated / Revenue from operations) MT/Lakhs	0.042	0.045
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated / Revenue from operations adjusted for PPP)	-	-
Waste intensity in terms of physical output	0.00011	0.00012
Waste intensity (optional) – the relevant metric may be selected by the entity	-	-
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	1026.32	931.41
(ii) Re-used	2298.20	2419.99
(iii) Other recovery operations	-	-
Total	3324.52	3351.40
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	-	-
(ii) Landfilling	34.97	24.80
(iii) Other disposal operations	44.37	38.30
Total	79.34	63.10

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

For Dhodsar Plant, non-hazardous waste is recycled or reused, while hazardous materials like used oil are recycled by authorized recycler. The remaining waste undergoes pre-processing & landfilling.

At the Jaitpura and Gwalior Plants, waste is recycled, pre-processed, and co-processed by the authorized agencies.

At Dhodsar plant, we installed ETP and STP for water treatment, water from the ETP is reused in our process, and reject water is evaporated through Solar Pond. At our Gwalior and Jaitpura plant, we have STP installed and the water is used for gardening. Dhodsar uPlant have ZLD for Process use Water and it is efficient to reduce Waste water in our operation.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
No, we don't have any of our offices in any of ecological Sensitive area			

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No)	Relevant Web link
We are conscious of our environmental actions and our plant operations. However, we do not conduct EIA for our projects.					

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

S.No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
Yes, we are following all applicable environmental laws, regulations, and guidelines in India.				

PRINCIPLE 7 Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations.

The Company believes that conducting business as a good corporate citizen of the Country enhances brand value and leads to sustainable growth. The Company is associated / affiliated with 9 (Nine) trade and industry chambers / associations.

- b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/National)
1	The Council of EU Chambers of Commerce in India	National
2	Confederation of Indian Industries	National
3	Council for Leather Exports	National
4	Indian Footwear Components Manufacturers Association	National
5	Automotive Component Manufactures Association of India	National
6	The Plastics Export Promotion Council	National
7	The Synthetic & Rayon Textiles	National
8	The Rajasthan Textile Mills Association	State
9	Rajasthan Chamber of Commerce	State

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities.

Name of Authority	Brief of Case	Corrective action taken
There are no cases of anti-competitive conduct on the Company in FY 2024-25.		

PRINCIPLE 8 Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of projects	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes/No)	Results Communicated in public domain (Yes/No)	Relevant Weblink
Not Applicable					

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

S.No.	Name of project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R & R	Amount paid to PAFs in the FY (In INR)
Not Applicable						

3. Describe the mechanisms to receive and redress grievances of the community.
To ensure effective redressal of grievances, the Company has introduced a Vigil Mechanism/Whistle Blower Mechanism that enables all stakeholders to freely and confidentially communicate their concerns. Additionally, the Company has implemented a comprehensive Sexual Harassment of Women at Workplace Policy, which is available on the Company's website for transparency. For grievances related to labor issues, a dedicated Committee has been established to maintain a Complaint Register and address concerns promptly. Furthermore, a Suggestion Scheme has been introduced to facilitate the resolution of grievances through constructive feedback and collaborative solutions.

Vigil Mechanism / Whistle Blower Policy

The Company has established a Vigil Mechanism, also known as the Whistle Blower Policy, which allows employees, community members, and external stakeholders to confidentially report any concerns or grievances.

Sexual Harassment Redressal Policy

In compliance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, Mayur Uniquoters has instituted a comprehensive policy to prevent and address sexual harassment. An Internal Complaints Committee (ICC) has been formed to investigate complaints thoroughly and ensure a safe, respectful, and inclusive workplace environment.

Grievance Handling Platform

The Company maintains a dedicated grievance-handling platform via email and other communication channels, enabling stakeholders to directly register complaints. To facilitate unbiased discussion and resolution, a Workers' Committee has been established, which maintains a formal complaint register. If complainants remain dissatisfied with proposed solutions, they can utilize the Company's Suggestion Scheme to propose alternative resolutions, fostering collaborative and harmonious outcomes.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY 2024-25	FY 2023-24
Directly sourced from MSMEs / small producers	13.00%	13.39%
Directly from within India	45.00%	44.34%

Note: Only for Raw Material.

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost.

Location	FY 2024-25	FY 2023-24
Rural	58.00%	60.00%
Semi-urban	0.00%	0.00%
Urban	39.00%	38.00%
Metropolitan	3.00%	2.00%

(Place to be categorized as per RBI Classification System - rural / semi-urban / urban / metropolitan)

PRINCIPLE 9 Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.
During the year under review, the Company maintained its focus on customer services. Any query/complaint is reported by customer to Marketing by verbal message or written communication or through mail. Quality Person visits the customer gather information, suggest suitable parameters, take trials, collect sample and send to the quality department at plant with all details for further analysis. Quality department analyses the sample/ report and gives results/ feedback which is sent to customer and close the query/ complaint, accordingly. Sometimes goods return/ claim is there in case material is not workable before closing complaint/ query.
2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and Social parameters relevant to the product	Not Applicable
Safe and responsible usage	
Recycling and/or safe disposal	

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Statutory Reports

3. Number of consumer complaints in respect of the following:

	FY 2024-25			FY 2023-24		
	Number of complaints filed during the year	Number of complaints pending resolution at close of the year	Remarks	Number of complaints filed during the year	Number of complaints pending resolution at close of the year	Remarks
Data Privacy	NIL	None	None	NIL	None	None
Advertising						
Cyber Security						
Delivery of essential services						
Restrictive Trade Practices						
Unfair Trade Practices						
Others						

4. Details of instances of product recalls on account of safety issues:

	Number	Reasons for recall
Voluntary recalls	0	-
Forced recalls	0	-

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes.

Web link of the policy: www.mayuruniquoters.com/pdf/mayur-sustainability-policy-2023.pdf

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

No regulatory action has ever been done regarding advertising, essential services, cyber security, data privacy or product recalls.

7. Provide the following information relating to data breaches:

a. Number of instances of data breaches	None
b. Percentage of data breaches involving personally identifiable information of customers	0%
c. Impact, if any, of the data breaches	Not Applicable

**For and on behalf of the Board of Directors of

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

INDEPENDENT AUDITOR'S REPORT

To the Members of Mayur Uniquoters Limited
Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying Standalone Financial Statements of **Mayur Uniquoters Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
<p>1. Recoverability of carrying value of assets of the cash generating unit ('CGU') Gwalior Plant</p> <p>Refer to the Company's material accounting policies in note 1 (h) and the property, plant and equipment related disclosures in note 46 of the Standalone Financial Statements.</p> <p>The Company has considered its property, plant and equipment, inventory, trade receivables and other attributable assets and liabilities of the Gwalior Plant as a single CGU. As at 31 March 2025, carrying value of CGU is Rs. 10,142.39 lakhs.</p> <p>During the current and previous years, the CGU has incurred operating losses and the economic performance of this CGU has been significantly lower than the budgets. Since, the recoverability of the CGU is largely dependent upon the operational performance of the aforesaid CGU, there is a potential risk of impairment charge in accordance with Ind AS 36, Impairment of assets ('Ind AS 36') not being recognised by the management because of anticipated business performance of the CGU.</p>	<p>Our audit procedures included, but were not limited to the following:</p> <ul style="list-style-type: none">• Obtained an understanding of the management's process for identification of impairment indicators and process undertaken by the management for impairment assessment. Assessed whether the methodology used by the management to estimate the recoverable value of the CGU is in accordance with Ind AS 36;• Evaluated the design, implementation and tested the operating effectiveness of key controls placed around the impairment assessment process of the recoverability of the CGU. These included controls around estimation of recoverable value of assets, the process by which such information was produced;• Obtained the management experts' report on recoverable value and assessed the professional competence and objectivity of such external valuation expert engaged by the management for performing the required valuation to estimate the recoverable value of the CGU;

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

Key audit matter	How our audit addressed the key audit matter
<p>Due to presence of such impairment indicators, the Company has assessed the recoverability (fair value) of the property, plant & equipment ('PPE') having carrying values of Rs. 7,454.21 lakhs for CGU as at 31 March 2025 with the help of an external valuation expert using the reproduction cost method (indexation method) under cost approach for PPE (other than land and building) and sales comparison method under market approach for land and building as per Ind AS 36. Remaining carrying values of CGU of Rs. 2,688.18 lakhs, majorly includes Inventory of Rs. 1,031.59 lakhs and GST input of Rs. 948.21 lakhs are recoverable with no impairment risk as per management assessment.</p> <p>Such valuation model requires management to make significant estimates and assumptions related to selection of the discount rates, estimated future life and market values of property to be considered for impairment testing as per Ind AS 36.</p> <p>Considering the materiality of the amounts involved, significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the recoverable value used in the impairment evaluation which are inherently subjective, we have determined recoverability of Gwalior Plant as a key audit matter as this involved significant auditor attention in the current year.</p>	<ul style="list-style-type: none"> • Obtained the property, plant and equipment register of the Company for the identified CGU and reconciled the gross book value, net book value and other details of PPE used for valuation with the PPE register shared by the management of the Company to us; • Assessed the reasonableness of the assumption used for the discount rates, estimated future life and market values of property and considered evidence available to support these assumptions in light of our understanding of the business. • With the support of our auditor's experts, we evaluated the appropriateness of valuation methodology and reasonableness of assumptions used by the management's expert; • Compared the carrying value of net assets with the recoverable value to check for any impairment/ provision required to be recognised; and • Evaluated the appropriateness and adequacy of the disclosures made by the management in the Standalone Financial Statements in accordance with applicable Accounting Standards.
<p>2. Revenue recognition</p> <p>Refer note 1 (d) to the accompanying Standalone Financial Statements for significant accounting policy on revenue recognition and note 25 for the details of revenue recognised during the year.</p> <p>The Company derives its revenue from sale of products (PU/PVC synthetic leather).</p> <p>The Company recognizes revenue from sale of goods upon the transfer of control of the goods sold to the customer in accordance with Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115'). The Company uses a variety of shipment terms across its operating markets, and this has an impact on the timing of revenue recognition. Further, the revenue is recorded based on the prices specified in the respective contracts, net of estimated volume discounts and returns at the time of sale. Such estimates are derived based on historical experience of the Company.</p> <p>Owing to the significance of amount, volume of transactions, size of distribution network, customers with varied terms of shipment, fraud risk in our audit strategy, we have considered revenue recognition as a key audit matter.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Understood the process of revenue recognition and evaluated the appropriateness of the accounting policy adopted by the management on revenue recognition including determination of transaction price and satisfaction of performance obligations, in accordance with Ind AS 115; • Evaluated the design and tested operating effectiveness of key controls around revenue recognition for a sample of transactions; • Performed substantive testing, on a sample basis, on revenue transactions recorded during the year, and transactions recorded before and after year end by inspecting supporting documents such as customer contracts, purchase orders, proofs of dispatch and delivery, invoices, etc., including review of contracts with customers to assess the appropriateness of Company's identification of performance obligations, determination of transaction price and the management's estimate involved for volume discounts and returns to ensure the accuracy and completeness of revenue recorded; • Performed substantive analytical procedures for the revenue recorded considering both qualitative and quantitative factors to identify any unusual trends or any unusual items; and • Evaluated the adequacy of disclosures made in the accompanying Standalone Financial Statements in respect of revenue recognition in accordance with financial reporting framework.

MAYUR UNIQUOTERS LIMITED

Information other than the Standalone Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the Standalone Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The accompanying Standalone Financial Statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
11. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
16. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
17. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying Standalone Financial Statements;
 - b) Except for the matter stated in paragraph 17(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Standalone Financial Statements dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with Ind AS specified under section 133 of the Act;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of section 164(2) of the Act;
 - f) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 17(b) above on reporting under section 143(3)(b) of the Act and paragraph 17(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
 - g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2025 and the operating effectiveness of such controls, refer to our separate report in Annexure B wherein we have expressed an unmodified opinion; and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

- i. The Company, as detailed in note 36 to the Standalone Financial Statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2025.;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025.;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2025;
- iv.
 - a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 50 (ii) (A) to the Standalone Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 50 (ii) (B) to the Standalone Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The final dividend paid by the Company during the year ended 31 March 2025 in respect of such dividend declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

As stated in note 44 to the accompanying Standalone Financial Statements, the Board of Directors of the Company have proposed final dividend for the year ended 31 March 2025 which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

- vi. As stated in note 47 to the Standalone Financial Statements and based on our examination which included test checks, except for instance mentioned below, the Company, in respect of financial year commencing on 1 April 2024, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, other than the consequential impact of the exception given below. Furthermore, except for instance mentioned below the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Nature of exception noted	Details of exception
Instances of accounting software for maintaining books of account for which the feature of recording audit trail (edit log) facility was not operated throughout the year for all relevant transactions recorded in the software.	The audit trail feature was not enabled at the database level for accounting software to log any direct data changes, used for maintenance of all accounting records by the Company.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

Annexure A to Independent Auditor's Report

Annexure A referred to in Paragraph 16 of the Independent Auditor's Report of even date to the members of Mayur Uniquoters Limited on the Standalone Financial Statements for the year ended 31 March 2025

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress and relevant details of right-of-use assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its property, plant and equipment, capital work-in-progress and relevant details of right-of-use assets under which the assets are physically verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain property, plant and equipment, were verified during the year and no material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in note 3(a) to the Standalone Financial Statements, are held in the name of the Company. For title deeds of immovable properties in the nature of land situated at Dhodsar and Gwalior with gross carrying values of Rs 845.97 lakhs and Rs 966.86 lakhs as at 31 March 2025, which have been mortgaged as security for loans or borrowings taken by the Company, confirmations with respect to title of the Company have been directly obtained by us from the respective lenders.
- (d) The Company has adopted cost model for its property, plant and equipment (including right-of-use assets) and intangible assets. Accordingly, reporting under clause 3(i)(d) of the Companies (Auditor's Report) Order, 2020 (hereinafter referred to as 'the Order') is not applicable to the Company.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and inventory lying with third parties. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records. In respect of inventory lying with third parties, these have substantially been confirmed by the third parties and in respect of goods-in-transit, these have been confirmed from corresponding receipt and dispatch inventory records.
- (b) As disclosed in note 16 to the Standalone Financial Statements, the Company has been sanctioned a working capital limit in excess of Rs. 500.00 lakhs by banks based on the security of current assets. The quarterly returns, in respect of the working capital limits have been filed by the Company with such banks and such returns are in agreement with the books of account of the Company for the respective periods, which were not subject to audit/review.
- (iii) The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to Companies, Firms, Limited Liability Partnerships (LLPs) or any other parties during the year. Accordingly, reporting under clause 3(iii) of the Order is not applicable to the Company.
- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act in respect of investments made, as applicable. Further, the Company has not entered into any transaction covered under section 185 and section 186 of the Act in respect of loans granted, guarantees and security provided by it.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of section 148 of the Act in respect of the products of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) In our opinion, and according to the information and explanations given to us, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, duty of customs, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities by the Company, though there have been slight delays in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Gross amount (Rs. in lakhs)	Amount paid under protest (Rs. in lakhs)	Period to which the amount relates	Forum where dispute is pending
Goods and Service Tax Act, 2016	Goods and Service Tax	1,073.23	-	Financial year (FY) 2017-18, 2018-19, 2019-20, 2022-23 and 2023-24	Commissioner Appeals
		81.58	-	Financial year (FY) 2020-21, 2021-22, 2022-23 and 2023-24	Assistant/ Deputy Commissioner
Custom Act, 1962	Custom Duty	123.23	-	Financial year (FY) 2016-2017 and 2017-2018	Principal Commissioner- Customs (Customs Act, 1962)
Income-Tax Act, 1961	Income-Tax	308.31	219.07	Assessment year 2019-20	CIT (Appeals)
		576.06	-	Assessment year 2018-19	Hon'ble Jaipur High court
		87.85	17.69	Assessment year 2020-21	CIT (Appeals)

- (viii) According to the information and explanations given to us, we report that no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and there has been no utilisation during the current year of the term loans obtained by the Company during any previous years. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) In our opinion and according to the information and explanations given to us, the Company has not raised any funds on short term basis during the year. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.
- (e) In our opinion and according to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) In our opinion and according to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries.
- (x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no fraud on the Company has been noticed or reported during the period covered by our audit.
- (b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.
- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the Standalone Financial Statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system which is commensurate with the size and nature of its business as required under the provisions of section 138 of the Act.
- (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.
- (d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any Core Investment Company (CIC).

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

- (xvii) The Company has not incurred any cash losses in the current financial year as well as the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information in the Standalone Financial Statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) According to the information and explanations given to us, the Company does not have any unspent amounts towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project as at the end of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

Annexure B to Independent Auditor's Report

Annexure B to the Independent Auditor's Report of even date to the members of Mayur Uniquoters Limited on the Standalone Financial Statements for the year ended 31 March 2025

Independent Auditor's Report on the internal financial controls with reference to the Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the Standalone Financial Statements of **Mayur Uniquoters Limited** ('the Company') as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

Notes forming part of the Standalone Financial Statements for the year ended 31 March 2025

Background

Mayur Uniquoters Limited ('the Company') is a Company limited by shares, incorporated and domiciled in India, with its registered office situated at Sikar Road, Jaitpura, Jaipur, Rajasthan, India, 303704. The Company is primarily engaged in the business of manufacturing of coated textile fabrics, artificial leather and PVC vinyl (PU/PVC synthetic leather"), which are widely used in different segments such as footwear, furnishings, automotive OEM, automotive replacement market, and automotive exports. The equity shares of the Company are presently listed with BSE Limited (BSE) and National Stock Exchange of India Limited (NSE).

Note 1: Summary of Material Accounting Policies

This note provides a list of the material accounting policies adopted in the preparation of these Standalone Financial Statements for the year ended 31 March 2025. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of Preparation

(i) Compliance with Ind AS

The Standalone Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The Standalone Financial Statements are prepared on accrual and going concern basis. The Standalone Financial Statements for the year ended 31 March 2025 were authorized and approved for issue by the Board of Directors on 8 May 2025.

(ii) Historical Cost Convention

The Standalone Financial Statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value or amortized cost, defined benefit obligations.

b) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors assesses the financial performance and position of the Company and makes strategic decisions and has been identified as chief operating decision maker (CODM). Refer note 40 for reportable segments determined by the Company.

c) Foreign Currency Translation

(i) Functional and Presentation Currency

Items included in the Standalone Financial Statements are measured using the currency of

the primary economic environment in which the Company operates ('the functional currency'). The Standalone Financial Statements are presented in Indian rupee (Rs.), which is Company's functional and presentation currency.

(ii) Transactions and Balances

Monetary and non-monetary transactions in foreign currencies are initially recorded in the functional currency of the Company at the exchange rates at the date of the transactions.

Monetary foreign currency assets and liabilities remaining unsettled on reporting date are translated at the rates of exchange prevailing on reporting date. Gains/ (losses) arising on account of realization / settlement of foreign exchange transactions and on translation of monetary foreign currency assets and liabilities are recognised in the Statement of Profit and Loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss in the Statement of Profit and Loss

d) Revenue Recognition

To determine whether to recognise revenue, the Company follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Under Ind AS 115 - Revenue from contracts with customers, revenue is recognised upon transfer of control of promised goods or services to customers. Revenue is measured at the transaction price agreed with the customers received or receivable, excluding discounts, incentives, performance bonuses, price concessions, amounts collected on behalf of third parties, or other similar items, if any, as specified in the contract with the customer. Revenue is recorded provided the recovery of consideration is probable and determinable.

Sales are recognised when control of the products has transferred, the customer has full discretion over sale price, and there is no unfulfilled obligation that could affect the customer's acceptance of the products.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

The Company manufactures and sells a range of artificial leather domestically as well as outside India.

Revenue from the sale of products is recognised at a point in time, upon transfer of control of products to the customers and is measured at transaction price received/receivable, net of discounts, and applicable taxes.

The Company does not have any contract where the period between the transfer of promised goods to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money using the practical expedient in Ind AS 115.

Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

Contract asset is recognized as a right to consideration in exchange for goods or services transferred to the customer. Contract liabilities arises on account of the advance payments received from customer for which performance obligation has not yet been completed.

e) Government Grants

Grant from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Grants are recognized where there is reasonable assurance that the grant will be received and all the conditions attached with them will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as

- (a) Deferred income which is recognised in profit and loss on a systematic basis over the useful life of the asset or
- (b) income in proportion to the fulfillment of its obligations, wherever applicable.

f) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

Tax expense comprises current and deferred tax. Current and deferred tax is recognised in profit or loss except to the extent that it relates to items

recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Standalone Financial Statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current/deferred tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

g) Leases

As a Lessee

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Company. Contracts may contain both lease and non-lease components. The Company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the Company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

include net present value of the following lease payments:

- Fixed payments (including in substance fixed payments), less any lease incentives receivable
- Variable lease payments that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- Amounts expected to be payable by the Company under residual value guarantees
- The exercise price of a purchase option if the Company is reasonably certain to exercise that option, and
- Payments of penalties for terminating the lease, if the lease term reflects the Company exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for lease in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in similar economic environment with similar terms, security and conditions.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- The amount of the initial measurement of lease liability
- Any lease payments made at or before the commencement date less any lease incentives received
- Any initial direct costs, and
- Restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low value assets are recognised on a straight-line basis as an expense in profit or loss. Short term leases are leases with a lease term of twelve months or less.

h) Impairment of Non Financial Assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at

each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

i) Cash and Cash Equivalents

For the purpose of presentation in the cash flow statement, cash and cash equivalents includes cash on hand, deposits held at call with banks/ financial institutions, other short-term, other highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Other Bank Balances

Other bank balances consist of term deposits with banks, which have original maturities of more than three months but less than 12 months. Such assets are recognised and measured at amortised cost (including directly attributable transaction cost) using the effective interest method, less impairment losses, if any.

j) Inventories

Inventories are measured at the lower of cost and net realisable value.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

Raw materials, stock-in-trade and stores and spares:

The cost of inventories is calculated on weighted average basis, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their present location and condition. Raw materials, components and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

Work-in-progress and finished goods:

Cost includes raw material costs and an appropriate share of fixed production overheads based on normal operating capacity. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

The comparison of cost and net realisable value is made on an item-by-item basis.

k) Investments and Other Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit and Loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVOCI).

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade date, on which the Company commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised Cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other income or other expenses. Impairment losses are presented as separate line item in the Statement of Profit and Loss.

- **Fair Value Through Other Comprehensive Income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the Statement of Profit and Loss and recognised in other income. Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gain and losses are presented in other income and impairment expenses are presented as separate line item in Statement of Profit and Loss.

- **Fair Value Through Profit or Loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

profit or loss and is not part of a hedging relationship is recognised and presented net in the Statement of Profit and Loss within other income or other expenses in the period in which it arises. Interest income from these financial assets is included in other income.

Investments in Mutual Funds, Alternate Investment Funds and Equity Instruments

Investment in mutual funds and equity instruments are classified as fair value through profit or loss as they are not held within a business model whose objective is to hold assets in order to collect contractual cash flows and the contractual terms of such assets do not give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Investment in Bonds

Investment in bonds are financial assets with fixed or determinable payments that are quoted in an active market. These are classified as financial assets measured at amortised cost as they fulfill the following conditions:

- Such assets are held within a business model whose objective is to hold assets in order to collect contractual cash flows.
- The contractual terms of such assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- The Company recognises these assets on the date when they are originated and are initially measured at fair value plus any directly attributable transaction costs.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iv) Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI

debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 43 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(v) Derecognition of Financial Assets

A financial asset is derecognised only when :

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has significantly transferred all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Company has not significantly transferred all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains significantly all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(vi) Income Recognition

Interest Income

Interest income from financial assets at fair value through the profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using effective interest method is recognised in the Statement of Profit and Loss as part of other income. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit impaired.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

l) Investment in Subsidiaries

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

Investments in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

m) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

n) Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost comprises the purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation Methods, Estimated Useful Lives and Residual Value

Depreciation is calculated using the straight-line method to allocate the cost of the assets, net of their residual values, over their estimated useful lives as follows:

Particulars	Estimate of useful life
Buildings	15-60 years
Plant and Equipments	7.5-15 years
Electrical Installation and Equipments	10 years
Furniture & Fixtures	10 years
Vehicles	8 years
Office Equipments	5 years
Computers	3-6 years

The useful lives have been determined based on technical evaluation done by the management's expert and management estimate, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss within other income or other expenses.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date are classified as capital advances under non-current assets.

Capital work-in-progress excluding capital advances includes property, plant and equipment under construction and not ready for intended use as on Balance Sheet date.

o) Intangible Assets

Intangible assets that are acquired by the Company are measured initially at cost. All intangible assets are with finite useful lives and are measured at cost less accumulated amortisation and impairment, if any.

Amortisation and Useful Lives

Intangible assets are amortised over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at the end of each reporting period.

Intangible assets comprise software having an estimated useful life of 4 years.

p) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

q) Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the Standalone Financial Statements.

r) Employee Benefits

(i) Short-Term Obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and

are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the Balance Sheet.

(ii) Other Long-Term Employee Benefit Obligations

The liabilities for compensated absences are not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method less fair value of plan assets as at Balance Sheet date. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit and loss.

The obligations are presented as current liabilities in the Balance Sheet as the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-Employment Obligations

The Company operates the following post-employment schemes: (a) Defined benefit plan (Gratuity) (b) Defined contribution plans (Provident Fund).

Defined Benefit Plan (Gratuity)

The Company contributes to the Gratuity Fund managed by the Life Insurance Corporation of India under its New Company Gratuity Cash Accumulation Plan.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit and loss as past service cost.

Defined Contribution Plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

s) Contributed Equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

t) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

u) Earnings Per Share

Basic earnings per share are calculated by dividing the profit or loss for the year attributable to equity to the owners of the Company by the weighted average number of equity shares outstanding during the year.

The Company does not have any dilutive potential equity shares.

v) Rounding of Amounts

All amounts disclosed in the Standalone Financial Statements and notes have been rounded off to the nearest lakhs upto two decimal places as per the requirement of Schedule III, unless otherwise stated.

w) New and Amended Standards Adopted by the Company

The Ministry of Corporate Affairs notified new standards or amendment to existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

The Company applied following amendments for the first-time during the current year which are effective from 1 April 2024:

Amendments to Ind AS 116 - Lease liability in a sale and leaseback

The amendments require an entity to recognise lease liability including variable lease payments which are not linked to index or a rate in a way it does not result into gain on Right-of-use asset it retains.

Introduction of Ind AS 117

MCA notified Ind AS 117, a comprehensive standard that prescribe, recognition, measurement and disclosure requirements, to avoid diversities in practice for accounting insurance contracts and it applies to all Companies i.e., to all "insurance contracts" regardless of the issuer. However, Ind AS 117 is not applicable to the entities which are insurance Companies registered with IRDAI.

The Company's has reviewed the new pronouncements and based on its evaluation has determined that these amendments do not have a significant impact on the Company's Standalone Financial Statements.

Note 2: Critical Estimates and Judgements

The preparation of Standalone Financial Statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Standalone Financial Statements.

The areas involving critical estimates or judgements are:

- Estimates of defined benefit obligation – Note 23
- Estimate of useful life of property, plant and equipment – Note 3 (a)
- Impairment of trade receivables –Note 43 (A)
- Impairment assessment of non-financial asset –Note 46
- Measurement of contingent liabilities –Note 36

Estimation and judgements are continuously evaluated. They are based on historical experience and other factors including expectation of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Note:- 3 Standards Issued but not yet Effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. There are no such recently issued standards or amendments to the existing standards for which the impact on the Standalone Financial Statements is required to be disclosed.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

3(b) Leases

This note provides information for leases where the Company is a lessee. The Company leases various premises, where the rental contracts are generally short term except in case of lease hold land where it is up to 99 years.

Land lease

Leasehold land represents land taken on lease under long term multi-decade lease term, capitalised at the present value of the aggregate future minimum lease payments (which include annual lease rentals in addition to the initial payment made at the inception of the lease). There are no contingent payments.

(i) Amounts recognised in Standalone Balance Sheet

The Balance Sheet shows the following amounts relating to lease.

Particulars	As at 31 March 2025	As at 31 March 2024
Right-of-use assets		
Gross carrying amount		
Balance at the beginning of the year	1,015.77	1,015.77
Additions during the year	-	-
Derecognition during the year	-	-
Balance as at 31 March 2025	1,015.77	1,015.77
Accumulated amortisation		
Balance at the beginning of the year	68.66	58.25
Amortisation during the year	10.41	10.41
Derecognition during the year	-	-
Balance as at 31 March 2025	79.07	68.66
Net carrying value as at 31 March 2025	936.70	947.11
Lease liabilities		
Current	*	*
Non-current	158.24	158.25
Total	158.24	158.25

* Amount below the rounding-off norms adopted by the Company

Note: Title deeds of land lease situated at plot no. S-1 to S-30, part of M-8 & M-9 to M-13, IIDC, industrial area/estate-Sitapur phase-1,Village-Sitapur(Pahadi) Tehsil & District Morena (M.P.).sitapur, Morena(M.P.) of Rs.966.86 lakhs as at 31 March 2025 have been mortgaged as a security for borrowing taken by the Company - refer note 16(iii).

(ii) Amounts recognised in the Standalone Statement of Profit and Loss

The Statement of Profit and Loss shows the following amounts relating to leases.

Particulars	Year Ended 31 March 2025	Year Ended 31 March 2024
Depreciation charge on right-of-use assets (refer note 32)	10.41	10.41
Interest expense (refer note 31)	15.82	15.83
Expenses relating to short term leases (refer note 33)	58.72	58.68
Total	84.95	84.92

The total cash outflow for leases including interest and short term leases for the year ended 31 March 2025 was Rs.74.54 lakhs (31 March 2024 Rs.74.51 lakhs).

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

23. Provisions		
Gratuity (net of plan assets)	84.71	64.29
Compensated absences (net of plan assets)	260.57	231.12
Total	345.28	295.41

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

(A) Compensated absences

The entire amount of the provision of Rs.260.57 lakhs (31 March 2024: Rs.231.12 lakhs) is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is not expected to be taken or paid within the next 12 months.

Particulars	As at 31 March 2025	As at 31 March 2024
Compensated absences not expected to be settled within the next 12 months (gross)	284.98	268.26

The Company contributes to the compensated absences fund managed by the Life Insurance Corporation of India under its Group Leave Encashment Scheme. The liability for compensated absences is determined on the basis of independent actuarial valuation done at year end. plan assets are measured at fair value as at Balance Sheet date.

(B) Defined contribution

The Company has defined contribution plan for its employees' retirement benefits comprising Provident Fund & Employees' State Insurance Fund. The Company and eligible employees make monthly contribution to the above mentioned funds at a specified percentage of the covered employees salary. The obligation of the Company is limited to the amount contributed and it has no further contractual or any constructive obligation. The expense recognised during the year towards Provident Fund is Rs. 108.47 lakhs (31 March 2024: Rs. 98.29 lakhs). The expense recognised during the period towards Employees' State Insurance is Rs. 5.36 lakhs (31 March 2024: Rs.7.35 lakhs).

(C) Post-employment obligations

Defined benefit plans- Gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the Company makes contributions to fund managed by the Life Insurance Corporation of India.

(i) The amounts recognised in the Standalone Balance Sheet and the movements in the net defined benefit obligation over the year are as follows:

Particulars	Present value of obligation	Fair value of plan assets	Net amount
As at 1 April 2024	782.11	297.09	485.02
Current service cost	87.06	-	87.06
Interest expense/ (income)	55.88	21.22	34.66

Total amount recognised in other comprehensive income	74.89	(1.38)	76.27
Employer contributions	-	6.64	(6.64)
Benefit payments	(39.16)	(37.94)	(1.22)
As at 31 March 2024	782.11	297.09	485.02

Particulars	As at 31 March 2025	As at 31 March 2024
Current	84.71	64.29
Non-current	512.11	420.73
Deficit of funded plans	596.82	485.02
(ii) The net liability disclosed above relates to funded plan as follows:		
Present value of funded obligations	901.88	782.11
Fair value of plan assets	305.06	297.09
Deficit of funded plans	596.82	485.02
(iii) The significant actuarial assumptions were as follows:		
Discount rate	6.50%	7.15%
Salary growth rate	9.00%	10.00%
Mortality rate	100% of Indian assured lives mortality (2012-14)	100% of Indian assured lives mortality (2012-14)
Attrition rate (On-roll employees)		
Up to 30 years	43.69%	35.97%
31-44 years	15.47%	14.61%
Above 44 years	7.51%	7.22%
Attrition rate (Contractual employees)		
Up to 30 years	37.03%	24.00%
31-44 years	11.90%	24.00%
Above 44 years	10.17%	24.00%

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

(iv) Sensitivity analysis

a) The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions for on-roll employees are:

Particulars	Increase/decrease		Impact on defined benefit obligation			
	Change in assumption in %		Increase in assumption		Decrease in assumption	
	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024
Discount rate	1.00	1.00	(5.90%)	(6.3%)	6.60%	7.00%
Salary growth rate	1.00	1.00	5.50%	5.60%	(5.2%)	(5.4%)
Attrition rate	50.00	50.00	(2.4%)	(2.7%)	4.00%	4.50%
Mortality rate	10.00	10.00	0.00%	0.00%	0.00%	0.00%

b) The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions for contractual employees are:

Particulars	Increase/decrease		Impact on defined benefit obligation			
	Change in assumption in %		Increase in assumption		Decrease in assumption	
	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024
Discount rate	1.00	1.00	(7.10%)	(4.4%)	8.20%	4.80%
Salary growth rate	1.00	1.00	7.90%	4.70%	(7.0%)	(4.4%)
Attrition rate	50.00	50.00	(7.7%)	(11.6%)	15.50%	20.80%
Mortality rate	10.00	10.00	0.00%	0.00%	0.00%	0.00%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance Sheet.

The methods and types of assumptions use in preparing the sensitivity analysis did not change compared to the prior period.

Particulars	As at 31 March 2025	As at 31 March 2024
(v) The major categories of plan assets are as follows:		
Funds managed by insurer	100%	100%
Total	100%	100%

(vi) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk: The plan exposes the Company to the risk of fall in the interest rates. A fall in the interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements)

Salary escalation risk: The present value of the defined benefit plan is calculated with assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic risk: The Company has used certain mortality and attrition assumption in valuation of the liability. The Company is exposed to the risk of the actual experience turning out to be worse.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

Regulatory risk: Gratuity benefit is paid in accordance with the requirement of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulation requiring higher gratuity payouts.

Liquidity risk : This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Asset liability mismatching or market risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/ fall in interest rate.

Investment risk : The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

(vii) Defined benefit liability

The Company's best estimate of contribution towards post-employment benefit plans for the year ended 31 March 2026 are Rs. 450.38 lakhs (year ended 31 March 2025 are Rs.402.99 lakhs).

The weighted average duration of the defined benefit obligation is 6 years (31 March 2024: 7 years). The expected maturity analysis of undiscounted gratuity for on-roll employees are as follows:

Particulars	Less than a year	Between 1-Less than 5 years	Between 5-Less than 10 years	10 years or more	Total
As at 31 March 2025					
Defined benefit obligation	98.35	329.65	333.38	365.26	1,126.64

Total financial liabilities	-	7,182.18	-	7,737.75

*The fair values of the investments is measured using quoted prices or NAV declared by mutual funds and are classified as level 1 fair values in the fair value hierarchy.

(i) Fair value hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. There are no instruments categorised in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. There are no instruments categorised in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, cash and cash equivalents, other bank balances, other financial assets, other financial liabilities, short term borrowings, lease liabilities are considered to be the same as their fair values, due to their short-term nature.

Majorly the security deposits and fixed deposits are redeemable on demand and bonds are redeemable at par hence the fair values of security deposits and bank deposits are approximately equivalent to the carrying amount.

The Non-current borrowings and lease liabilities are carried at amortised cost. There is no material difference between carrying amount and fair value of non-current borrowings as at 31 March 2025 and 31 March 2024.

Other note:

The investment in equity shares of subsidiaries are measured at cost. Refer note 4 for further details.

43. Financial risk management

The Company's activities expose it to market risk, liquidity risk and credit risk.

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The carrying amounts of financial assets represent the maximum credit risk exposure.

A default on a financial asset is when the counterparty fails to make contractual payments as per agreed terms. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Assets are written off when there is no reasonable expectation of recovery.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting year. To assess whether there is a significant increase in credit risk the Company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

Trade and other receivables

Credit risk refers to the risk of default on its obligation by the counter party resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivable amounting to Rs.24,605.00 lakhs, Rs. 23,467.61 lakhs as at 31 March 2025 and 31 March 2024, respectively. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate. The Company has a credit risk management policy in place to limit credit losses due to non-performance of financial counterparties and customers. The Company monitors its exposure to credit risk on an ongoing basis at various levels. Outstanding customer receivables are regularly monitored. The Company closely monitors the acceptable financial counterparty credit ratings and credit limits and revise where required in line with the market circumstances.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

Due to the geographical spread and the diversity of the Company's customers, the Company is not subject to any significant concentration of credit risks at Balance Sheet date.

On account of adoption of Ind AS 109, the Company uses a simplified approach (lifetime expected credit loss model) for the purpose of computation of expected credit loss for trade receivables.

The Company calculates expected credit loss on its trade receivables using 'allowance matrix' and also takes into account 'delay risk' on trade receivables.

Significant estimates: The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting year. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109, "Financial Instruments", which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Management judgment is required for assessing the recoverability of trade receivables and the valuation of the allowances for impairment of trade receivables. The Company makes impairment allowance for trade receivables based on an assessment of the recoverability of trade receivables. Allowances are applied to trade receivables where events or changes in circumstances indicate that the balances may not be collectible. The impairment allowance is estimated by management based on historical experience and current economic environment. The Company assesses the expected credit losses by calibrating historical experience with forward-looking estimates. This may include information regarding the industry in which debtors are operating, historical and post year-end payment records, as well as creditworthiness of debtors.

Reconciliation of loss allowance on trade receivables

Particulars	Amount
Loss Allowance on 1 April 2023	436.93
Changes in loss allowance during the year including bad debts written-off against provision	0.55

Bank balances other than Cash and cash equivalents	189.97	0%	-	189.97
Other financial assets	11,549.30	0%	-	11,549.30
Total	18,897.14	0%	-	18,897.14
As at 31 March 2024				
Cash and cash equivalents	3,548.25	0%	-	3,548.25
Bank balances other than Cash and cash equivalents	181.33	0%	-	181.33
Other financial assets	8,054.02	0%	-	8,054.02
Total	11,783.60	0%	-	11,783.60

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding to meet obligations when due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

Contractual maturities of financial liabilities:

Particulars	Less than 1 years	1-5 years	More than 5 years
As at 31 March 2025			
Borrowings	541.99	267.13	-
Lease liabilities	15.83	63.31	1,341.14
Trade payables	5,288.79	-	-
Other financial liabilities	990.34	-	-
Total	6,836.95	330.44	1,341.14
As at 31 March 2024			
Borrowings	712.75	808.41	-
Lease liabilities	15.83	63.31	1,356.97
Trade payables	5,058.22	-	-
Other financial liabilities	1,161.36	-	-
Total	6,948.16	871.72	1,356.97

MAYUR UNIQUOTERS LIMITED

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting year:

Particulars	As at 31 March 2024
Working capital limit	11,902.39
Total	11,902.39

(C) Market risk

(i) Foreign currency risk

The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD, GBP, ZAR and EUR. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The Company maintains EEFC bank account for export sales realisation which is generally used for repayment of import obligations (arising out of purchase of raw materials, services and capital goods), therefore, the risk is not a material risk to the Company.

The Company's exposure to foreign currency risk at the end of the reporting year expressed in INR, are as follows:

Particulars	As at 31 March 2025			
Currency	USD	GBP	ZAR	EUR
Exposure to foreign currency risk (assets)				
EEFC account balance	4,174.85	-	-	-
Trade receivables	11,267.39	101.67	3,417.80	324.75
Exposure to foreign currency risk (liabilities)				
Capital creditors payables	160.34	-	-	97.23
Trade payables	1,139.04	-	-	207.19

Particulars	As at 31 March 2024			
Currency	USD	GBP	ZAR	EUR
Exposure to foreign currency risk (assets)				
EEFC account balance	2,556.47	-	-	-
Trade receivables	10,620.18	107.94	2,145.45	28.21
Exposure to foreign currency risk (liabilities)				
Capital creditors payables	198.57	-	-	9.50
Trade payables	1,226.32	-	-	19.17

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

Sensitivity#

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments:

Particulars	Impact on profit after tax and other equity	
	As at 31 March 2025	As at 31 March 2024
USD Sensitivity		
INR/USD - Appreciates by 2.63% (31 March 2024 - 1.49%)	278.34	131.03
INR/USD - Depreciates by 2.63% (31 March 2024 - 1.49%)	(278.34)	(131.03)
Euro Sensitivity		
INR/Euro - Appreciates by 2.34% (31 March 2024 -0.75%)	0.36	*
INR/Euro - Depreciates by 2.34% (31 March 2024 -0.75%)	(0.36)	*
GBP Sensitivity		
INR/GBP - Appreciates by 5.18% (31 March 2024- 3.43%)	3.94	2.77
INR/GBP - Depreciates by 5.18% (31 March 2024- 3.43%)	(3.94)	(2.77)
ZAR Sensitivity		
INR/ZAR - Appreciates by 8.14% (31 March 2024- 1.15%)	208.18	(18.46)
INR/ZAR - Depreciates by 8.14% (31 March 2024- 1.15%)	(208.18)	18.46

* Amount below the rounding-off norms adopted by the Company

Holding all other variables constant

(ii) Interest rate risk

The exposure of the Company's borrowing to interest rate changes at the end of the reporting year are as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
Variable rate borrowings	744.81	1,359.92

The Company on a regular basis monitors the changes in interest rate in the market to manage the portfolio of variable rate borrowings.

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Impact on profit after tax and other equity	
	As at 31 March 2025	As at 31 March 2024
Interest Rates – Increase by 1.00 basis points (31 March 2024 - 1.00 bps)*	8.02	14.83
Interest Rates – Decrease by 1.00 basis points (31 March 2024 - 1.00 bps)*	(8.02)	(14.83)

*Holding all other variables constant

(iii) Price risk

The Company's exposure to price risk arises from investments held by the Company and classified in the Balance Sheet as fair value through Profit and Loss. To manage its price risk arising from investments, the Company diversifies its portfolio.

Sensitivity

The table below summarises the impact of increases/decreases of the Company's profit for the year and other equity. The analysis is based on the assumption that the fair value of investments had increased by 5% decreased by 5% with all other variables held constant.

Particulars	As at 31 March 2025	As at 31 March 2024
Increase in fair value of investments by 5%	981.37	827.56
Decrease in fair value of investments by 5%	(981.37)	(827.56)

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

(iv) Commodity price risk

Commodity price risk arises due to fluctuation in prices of key raw materials. The Company has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices and freight costs. The Company's commodity risk is managed centrally through well-established control processes. Further, selling price of finished goods are adjusted due to fluctuation in market prices of key raw materials and the Company expects that the net impact of such fluctuation would not be material.

44. Events occurring after the reporting year

The Board of Directors has recommended final dividend of Rs.5.00 (i.e. 100%) per Equity Share of Rs.5.00 each aggregating to Rs. 2,172.63 lakhs, which is subject to the approval of shareholders in the ensuing Annual General Meeting.

45. Capital management

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2025 and 31 March 2024.

The Company has complied with the debt covenants as per the terms of borrowing facilities throughout the reporting period.

46. Impairment of non-financial assets

In accordance with Ind AS 36 "Impairment of Assets", the Company has identified Gwalior Plant (the 'Plant') as a separate cash generating unit (CGU) for the purpose of impairment review. Management periodically performs an impairment assessment of the CGUs basis internal and external indicators, in order to determine whether the recoverable value is below the carrying amount as at 31 March 2025.

The Company has considered its property, plant and equipment, inventory, trade receivables and other attributable assets and liabilities of the Gwalior Plant as a single CGU. As at 31 March 2025, carrying value of CGU is Rs. 10,142.39 lakhs.

The Plant has incurred operating losses during the current and previous years and the economic performance of the Plant, has been significantly lower than the budgets. Therefore, basis these indicators, the Plant has been assessed for recoverability as at 31 March 2025 as to whether, the carrying value exceeds the recoverable value of the Plant. The Company has assessed the recoverability (fair value) of the property, plant & equipment ('PPE') having carrying values of Rs. 7,454.21 lakhs for CGU as at 31 March 2025 with the help of an external valuation expert using the reproduction cost method (indexation method) under cost approach for PPE (other than land and building) and sales comparison method under market approach for land and building as per Ind AS 36. Remaining carrying values of CGU of Rs. 2,688.18 lakhs, majorly includes Inventory of Rs. 1,031.59 lakhs and GST input of Rs. 948.21 lakhs are recoverable with no impairment risk.

Such valuation model requires management to make significant estimates and assumptions related to selection of the discount rates, estimated future life and market values of property to be considered for impairment testing as per Ind AS 36."

Based on above, recoverable value (fair value less cost of disposal) calculated as at 31 March 2025 is Rs. 10,674.84 lakhs.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(All amounts Rs. in lakhs, unless otherwise stated)

Key assumptions used in determining the recoverable value are:

- (a) Discount rate
- (b) Estimated future life
- (c) Market values of property

If we apply sensitivity on discount rate and market values, the recoverable value will still exceed the carrying value of the CGU. Hence, no impairment required to be recognized.

47. Note on audit trail

The Ministry of Corporate Affairs (MCA) has prescribed a requirement for Companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules, 2021 requiring Companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company has used accounting software for maintaining its books of account which has a feature of audit trail (edit log) facility and the same was enabled at the application level. During the year ended 31 March 2025, the Company has not enabled the feature of recording audit trail (edit log) at the database level for the said accounting software to log any direct data changes due to high consume storage space on the disk and can impact database performance significantly.

48. Capitalisation of expenditure incurred during construction period (refer note 3a)

The costs that are directly attributable to the acquisition or construction of property, plant and equipment have been apportioned to certain property, plant and equipment on reasonable basis. details of such costs capitalised is as under :-

Particulars	Year Ended 31 March 2025	Year Ended 31 March 2024
Other expenses (includes professional charges and freight)	-	6.26
Employee benefits expense	-	0.45
Total	-	6.71

Formulae for ratios

S. No.	Ratio	Formulae
(a)	Current ratio	Total current asset/Total current liabilities
(b)	Debt-equity ratio	Net debt ¹ /Total equity
(c)	Debt service coverage ratio	Earnings ² /Net finance charges ³
(d)	Return on equity ratio	Net profit after tax/Average net worth ⁴
(e)	Inventory turnover ratio	Cost of goods sold/Average inventory ⁵
(f)	Trade receivables turnover ratio	Revenue from operations/Closing trade receivables
(g)	Trade payables turnover ratio	Total purchases/Closing trade payable
(h)	Net capital turnover ratio	Revenue from operations/Average working capital ⁶
(i)	Net profit ratio	Net profit after tax/Revenue from operations
(j)	Return on capital employed	Earnings before interest and tax/Capital employed ⁷
(k)	Return on investment	Earnings on investments/Average investments

1. Net debt = Total borrowings

2. Earnings = Net profit before tax+ Depreciation and amortization+ Finance cost+ Non cash expense

3. Net finance charges = Interest and principal repayments including lease payments

4. Average networth calculated on the year end closing basis.

5. Average inventory calculated on the year end closing basis.

6. Average working capital = Current assets - Current liabilities.

7. Capital employed = Tangible net worth(including intangible assets) + Total debt + Deferred tax liabilities

50. Additional regulatory information required by schedule III of Companies Act, 2013

(i) Details of benami property:

No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder.

(ii) Utilisation of borrowed funds and share premium:

(A) The Company has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities (intermediaries) with the understanding (whether recorded in writing or otherwise) that the intermediary shall:

(a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (ultimate beneficiaries) or

(b) Provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

(B) The Company has not received any funds from any person(s) or entity(ies), including foreign entities (funding party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

(a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or

(b) Provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

(iii) Compliance with approved scheme(s) of arrangements:

No scheme of arrangement has been approved by the Competent Authority in terms of Sections 230 to 237 of the Companies Act, 2013, hence, this is not applicable.

(iv) Undisclosed income:

There are no transactions not recorded in the books of account that have been surrendered or disclosed as income during the current or previous year in the tax assessments under the Income-tax Act, 1961.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Standalone

(v) Details of crypto currency or virtual currency:

The Company has not traded or invested in crypto currency or virtual currency during the current or previous year.

(vi) Valuation of property, plant and equipment and intangible assets:

As the Company has chosen cost model for its property, plant and equipment (including right-of-use assets) and intangible assets, the question of revaluation does not arise.

(vii) Loans or advances to specified persons:

The Company has not granted any loans or advances in the nature of loans to promoters, directors, KMPs or the related parties (as defined under Companies Act, 2013,) either severally or jointly with any other person.

(viii) Borrowings secured against current assets:

The Company had sanctioned borrowings limits as disclosed in note 16. The quarterly returns/ statements of current assets filed by the Company with the bank were in agreement with the books of account for the year ended 31 March 2025.

(ix) Willful defaulter:

The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(x) Transaction with struck-off Companies:

The Company has not entered into any transaction with the struck off Companies.

(xi) Registration of charges or satisfaction with registrar of Companies:

There are no charges or satisfaction yet to be registered with Registrar of Companies beyond the statutory period.

(xii) Compliance with number of layers of Companies:

The Company complies with the number of layers prescribed under clause (87) of Section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.

(xiii) Utilisation of borrowings availed from banks and financial institutions:

The borrowings obtained by the Company have been utilised for the purpose for which the same was obtained.

51. Per transfer pricing legislation under section 92-92F of the Income-Tax Act 1961, the Company is required to use certain specific methods in computing arm's length price of international transactions with associated enterprises and maintains adequate documentation in this respect. The legislations require that such information and documentation to be contemporaneous in nature. The Company has appointed independent consultants for conducting the Transfer Pricing Study to determine whether the transactions with associated enterprises undertake during the financial year are on an "arm's length basis". The Company is in the process of conducting a transfer pricing study for the current financial year and expects such records to be in existence latest by the due date as required by law. However, in the opinion of the management the update would not have a material impact on these Standalone Financial Statements. Accordingly, these Standalone Financial Statements do not include any adjustments for the transfer pricing implications, if any.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

INDEPENDENT AUDITOR'S REPORT

To the Members of Mayur Uniquoters Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of **Mayur Uniquoters Limited** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as listed in Annexure A, which comprise the Consolidated Balance Sheet as at 31 March 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements/ financial information and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India of the consolidated state of affairs of the Group, as at 31 March 2025, and their consolidated profit (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

Key audit matter	How our audit addressed the key audit matter
<p>1. Recoverability of carrying value of assets of the cash generating unit ('CGU') Gwalior Plant</p> <p>Refer to the Group's material accounting policies in note 1 (i) and the property, plant and equipment related disclosures in note 44 of the Consolidated financial statements.</p> <p>The Group has considered its property, plant and equipment, inventory, trade receivables and other attributable assets and liabilities of the Gwalior Plant as a single CGU. As at 31 March 2025, carrying value of CGU is Rs. 10,142.39 lakhs.</p> <p>During the current and previous years, the CGU has incurred operating losses and the economic performance of this CGU has been significantly lower than the budgets. Since, the recoverability of the CGU is largely dependent upon the operational performance of the aforesaid CGU, there is a potential risk of impairment charge in accordance with Ind AS 36, Impairment of assets ('Ind AS 36') not being recognised by the management because of anticipated business performance of the CGU.</p> <p>Due to presence of such impairment indicators, the Holding Company has assessed the recoverability (fair value) of the property, plant & equipment ('PPE') having carrying values of Rs. 7,454.21 lakhs for CGU as at 31 March 2025 with the help of an external valuation expert using the reproduction cost method (indexation method) under cost approach for PPE (other than land and building) and sales comparison method under market approach for land and building as per Ind AS 36. Remaining carrying values of CGU of Rs. 2,688.18 lakhs, majorly includes Inventory of Rs. 1031.59 lakhs and GST input of Rs. 948.21 lakhs are recoverable with no impairment risk as per Management assessment.</p> <p>Such valuation model requires management to make significant estimates and assumptions related to selection of the discount rates, estimated future life and market values of property to be considered for impairment testing as per Ind AS 36.</p> <p>Considering the materiality of the amounts involved, significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the recoverable value used in the impairment evaluation which are inherently subjective, we have determined recoverability of Gwalior plant as a key audit matter as this involved significant auditor attention in the current year.</p>	<p>Our audit procedures included, but were not limited to the following:</p> <ul style="list-style-type: none"> • Obtained an understanding of the management's process for identification of impairment indicators and process undertaken by the management for impairment assessment. Assessed whether the methodology used by the management to estimate the recoverable value of the CGU is in accordance with Ind AS 36; • Evaluated the design, implementation and tested the operating effectiveness of key controls placed around the impairment assessment process of the recoverability of the CGU. These included controls around estimation of recoverable value of assets, the process by which such information was produced; • Obtained the management experts' report on recoverable value and assessed the professional competence and objectivity of such external valuation expert engaged by the management for performing the required valuation to estimate the recoverable value of the CGU; • Obtained the property, plant and equipment register of the Holding Company for the identified CGU and reconciled the gross book value, net book value and other details of PPE used for valuation with the PPE register shared by the management of the Holding Company to us; • Assessed the reasonableness of the assumption used for the discount rates, estimated future life and market values of property and considered evidence available to support these assumptions in light of our understanding of the business. • With the support of our auditor's experts, we evaluated the appropriateness of valuation methodology and reasonableness of assumptions used by the management's expert; • Compared the carrying value of net assets with the recoverable value to check for any impairment/ provision required to be recognised; and • Evaluated the appropriateness and adequacy of the disclosures made by the management in the consolidated financial statements in accordance with applicable accounting standards.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

Key audit matter	How our audit addressed the key audit matter
<p>2. Revenue recognition</p> <p>Refer note 1 (e) to the accompanying consolidated financial statements for significant accounting policy on revenue recognition and note 25 for the details of revenue recognised during the year.</p> <p>The Holding Company derives its revenue from sale of products (PU/PVC synthetic leather).</p> <p>The Holding Company recognises revenue from sale of goods upon the transfer of control of the goods sold to the customer in accordance with Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115'). The Holding Company uses a variety of shipment terms across its operating markets, and this has an impact on the timing of revenue recognition. Further, the revenue is recorded based on the prices specified in the respective contracts, net of estimated volume discounts and returns at the time of sale. Such estimates are derived based on historical experience of the Holding Company.</p> <p>Owing to the significance of amount, volume of transactions, size of distribution network, customers with varied terms of shipment, fraud risk in our audit strategy, we have considered revenue recognition as a key audit matter.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> Understood the process of revenue recognition and evaluated the appropriateness of the accounting policy adopted by the management on revenue recognition including determination of transaction price and satisfaction of performance obligations, in accordance with Ind AS 115; Evaluated the design and tested operating effectiveness of key controls around revenue recognition for a sample of transactions. Performed substantive testing, on a sample basis, on revenue transactions recorded during the year, and transactions recorded before and after year end by inspecting supporting documents such as customer contracts, purchase orders, proofs of dispatch and delivery, invoices, etc., including review of contracts with customers to assess the appropriateness of Group's identification of performance obligations, determination of transaction price and the management's estimate involved for volume discounts and returns to ensure the accuracy and completeness of revenue recorded; Performed substantive analytical procedures for the revenue recorded considering both qualitative and quantitative factors to identify any unusual trends or any unusual items, and Evaluated the adequacy of disclosures made in the accompanying consolidated financial statements in respect of revenue recognition in accordance with financial reporting framework.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

6. The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

7. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act the respective Board of Directors of the companies included in the Group, covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

8. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
9. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
11. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated financial statements, of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

15. We did not audit the financial statements/ financial information of of Mayur Uniquoters Corporation Group (Subsidiary: Mayur Uniquoters Corporation and its two step down subsidiaries Futura Textiles Incorporation and UAB Futura Textiles) and two subsidiaries Mayur Uniquoters SA (PTY) Limited and Mayur Tecfab Private Limited, whose financial statements/ financial information reflects total assets of Rs. 17,534.55 lakhs as at 31 March 2025, total revenues of Rs. 24,976.88 lakhs and net cash outflows of Rs. 178.81 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements/ financial information have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of section 143 of the Act in so far as it relates to the aforesaid subsidiaries, are based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

16. As required by section 197(16) of the Act based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 15, on separate financial statements of the subsidiaries, we report that the Holding Company, incorporated in India whose financial statements have been audited under the Act have paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. Further, we report that one subsidiary company, incorporated in India whose financial statements have been audited under the Act have not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable in respect of such subsidiary.
17. As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued till date by us and by the respective other auditors as mentioned in paragraph 15 above, of companies included in the consolidated financial statements for the year ended 31 March 2025 and covered under the Act we report that following are the qualifications remarks reported by us and the other auditors in the Order reports of the companies included in the consolidated financial statements for the year ended 31 March 2025 for which such Order reports have been issued till date and made available to us:

Name	CIN	Holding Company / Subsidiary / Associate / Joint Venture	Clause number of the CARO report which is qualified or adverse

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

18. As required by section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiary incorporated in India whose financial statements have been audited under the Act, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - b) Except for the matter stated in paragraph 18(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015;
 - e) On the basis of the written representations received from the directors of the Holding Company, and taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors of its subsidiary, covered under the Act, none of the directors of the Group companies, are disqualified as on 31 March 2025 from being appointed as a director in terms of section 164(2) of the Act.
 - f) The qualification relating to the maintenance of accounts and other matters connected therewith with respect to the consolidated financial statements are as stated in, paragraph 18(b) above on reporting under section 143(3)(b) of the Act and paragraph 18(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
 - g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary company, covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure B' wherein we have expressed an unmodified opinion; and
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and other financial information of the subsidiary company, incorporated in India whose financial statements have been audited under the Act:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, as detailed in note 36 to the consolidated financial statements;
 - ii. The Holding Company, and its subsidiaries did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025.;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, during the year ended 31 March 2025. Further, there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiary company covered under the Act, during the year ended 31 March 2025.;
 - iv. a. The respective managements of the Holding Company and its subsidiary company incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiary respectively that, to the best of their knowledge and belief, as disclosed in note 48 (ii) (A) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Holding Company or its subsidiary company, to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, or any such subsidiary company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The respective managements of the Holding Company and its subsidiary company incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiary company respectively that, to the best of their knowledge and belief, as disclosed in the note 48 (ii) (B) to the accompanying consolidated financial statements, no funds have been received by the Holding Company or its subsidiary from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Holding Company, or any such subsidiary company shall, whether directly or indirectly, lend or

MAYUR UNIQUOTERS LIMITED

Financial Statements - Consolidated

invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c. Based on such audit procedures performed by us and that performed by the auditors of the subsidiary company, as considered reasonable and appropriate in the circumstances, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The final dividend paid by the Holding Company during the year ended 31 March 2025 in respect of such dividend declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

As stated in note 42 to the accompanying consolidated financial statements, the Board of Directors of the Holding Company have proposed final dividend for the year ended 31 March 2025 which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend. Further, the subsidiary company incorporated in India has not declared or paid any dividend during the year ended 31 March 2025.

- vi. As stated in note 45 to the consolidated financial statements and based on our examination which included test checks and that performed by the auditor of the subsidiary, except for the instances mentioned below, the Holding Company and its subsidiary, in respect of financial year commencing on 1 April 2024, have used an accounting software for maintaining their books of account which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we and the auditor of the above referred subsidiary did not come across any instance of audit trail feature being tampered with other than the consequential impact of the exception given below. Furthermore, the audit trails has been preserved by the Holding Company and its subsidiaries as per the statutory requirements for record retention.

Nature of exception noted	Details of exception
Instances of accounting software for maintaining books of account for which the feature of recording audit trail (edit log) facility was not operated throughout the year for all relevant transactions recorded in the software.	The audit trail feature was not enabled at the database level for accounting software to log any direct data changes, used for maintenance of all accounting records by the Holding Company.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

Annexure B to the Independent Auditor's Report of even date to the members of Mayur Uniquoters Limited on the consolidated financial statements for the year ended 31 March 2025

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of Mayur Uniquoters Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary company, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, and its subsidiary company, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary company, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary company, the Holding Company and its subsidiary company, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India .

Other Matter

9. We did not audit the internal financial controls with reference to financial statements insofar as it relates to one subsidiary company, which is company covered under the Act, whose financial statements reflect total assets of ¹ 757.77 lakhs and net assets of ¹ 519.38 lakhs as at 31 March 2025, total revenues of ¹ 947.50 lakhs and net cash inflows amounting to ¹ 4.70 lakhs for the year ended on that date, as considered in the consolidated financial statements. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary company have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company and its subsidiary company, as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such subsidiary company, is based solely on the reports of the auditors of such companies. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

Notes to the Consolidated Financial Statements

Background

Mayur Uniquoters Limited ('the Holding Company or 'Company') is a Company limited by shares, incorporated, and domiciled in India, with its registered office situated at Sikar Road, Jaitpura, Jaipur, Rajasthan, India, 303704. The Holding Company (collectively referred to as 'the Group') is primarily engaged in the business of manufacturing of coated textile fabrics, artificial leather and PVC vinyl (PU/PVC synthetic leather"), which are widely used in different segments such as footwear, furnishings, automotive OEM, automotive replacement market, and automotive exports and all subsidiary companies of the Group are involved in the business of trading products purchased from Holding Company. The equity shares of the Holding Company are presently listed with BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) in India.

Note 1: Summary of Material Accounting Policies

This note provides a list of the material accounting policies adopted in the preparation of these consolidated financial statements for the year ended 31 March 2025. These policies have been consistently applied to all the years presented, unless otherwise stated. The consolidated financial statements are for the group consisting of Mayur Uniquoters Limited ('the Company') and its subsidiaries.

a) Basis of Preparation

(i) Compliance with Ind AS

The consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The consolidated financial statements are prepared on accrual and going concern basis.

The consolidated financial statements for the year ended 31 March 2025 were authorized and approved for issue by the Board of Directors on 08 May 2025.

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets that are measured at fair value; and
- defined benefit plans – plan assets measured at fair value.

b) Principles of consolidation

Subsidiaries are all entities over which the Holding Company has control. The Holding Company owned 100% of equity capital of all subsidiaries companies. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group which is basically exercised through voting and economic rights and powers over the investees. They are de-consolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been aligned where necessary to ensure consistency with the policies adopted by the Group.

The subsidiaries considered in the consolidated financial statements are:

Name of the subsidiary	Country of incorporation	Ownership interest	Financial year ends on for consolidation purposes
Mayur Uniquoters Corporation	United States of America	100%	31 March 2025
Futura Textiles Incorporation	United States of America	100%	31 March 2025
Mayur Uniquoters SA (PTY) Limited	South Africa	100%	31 March 2025
Mayur Tecfab Private Limited	India	100%	31 March 2025
UAB Futura Textiles, Europe (w.e.f. 26 September 2024)^	Lithuania, Europe	100%	31 March 2025

^ step-down subsidiary of Mayur Uniquoters Corporation

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

c) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors assesses the financial performance and position of the Group, and makes strategic decisions and has been identified as chief operating decision maker (CODM). Refer note 38 for reportable segments determined by the Group.

d) Foreign Currency Translation

(i) Functional and Presentation Currency

Items included in the consolidated financial statements are measured using the currency of the primary economic environment in which the entities of the Group operates ('the functional currency'). The consolidated financial statements are presented in Indian rupee (Rs.), which is Group's functional and presentation currency.

(ii) Transactions and balances

Monetary and non-monetary transactions in foreign currencies are initially recorded in the functional currency at the exchange rates at the date of the transactions.

Monetary foreign currency assets and liabilities remaining unsettled on reporting date are translated at the rates of exchange prevailing on reporting date. Gains / (losses) arising on account of realization / settlement of foreign exchange transactions and on translation of monetary foreign currency assets and liabilities are recognised in the consolidated statement of profit and loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss in the consolidated statement of profit and loss.

(iii) Foreign subsidiaries

In the Group's financial statements, all assets, liabilities and transactions of Group entities with a functional currency other than the INR are translated into INR upon consolidation. The functional currencies of entities within the Group have remained unchanged during the reporting period. The results and financial position of

foreign subsidiaries having a functional currency different from the presentation currency are translated into the presentation currency as follows:

- Assets and liabilities are translated at the closing rate at the date of that balance sheet.
- Income and expenses are translated at monthly average exchange rates, and
- All resulting exchange differences are recognised in other comprehensive income.

Income and expenses have been translated into INR at the average rate over the reporting period. Exchange differences are charged or credited to other comprehensive income and recognised in the currency translation reserve in other equity. On disposal of a foreign operation, the related cumulative translation differences recognised in other equity are reclassified to profit or loss and are recognised as part of the gain or loss on disposal.

e) Revenue Recognition

To determine whether to recognise revenue, the Group follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

Under Ind AS 115 - Revenue from Contracts with Customers, revenue is recognised upon transfer of control of promised goods or services to customers. Revenue is measured at the transaction price agreed with the customers received or receivable, excluding discounts, incentives, performance bonuses, price concessions, amounts collected on behalf of third parties, or other similar items, if any, as specified in the contract with the customer. Revenue is recorded provided the recovery of consideration is probable and determinable.

Sales are recognised when control of the products has transferred, the customer has full discretion over sale price, and there is no unfulfilled obligation that could affect the customer's acceptance of the products.

The Group manufactures and sells a range of artificial leather domestically as well as outside India.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

Revenue from the sale of products is recognised at a point in time, upon transfer of control of products and completion of performance obligation .i.e. upon shipment, upon delivery, as services are rendered or upon completion of service respectively according to contract with customers and is measured at transaction price received/receivable, net of discounts, and applicable taxes.

The Group does not have any contract where the period between the transfer of promised goods to the customer and payment by the customer exceeds one year. As a consequence, the Group does not adjust any of the transaction prices for the time value of money using the practical expedient in Ind AS 115.

Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Group holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

Contract asset is recognized as a right to consideration in exchange for goods or services transferred to the customer. Contract liabilities arises on account of the advance payments received from customer for which performance obligation has not yet been completed.

f) Government Grants

Grant from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Grants are recognized where there is reasonable assurance that the grant will be received and all the conditions attached with them will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as

- (a) Deferred income which is recognised in profit and loss on a systematic basis over the useful life of the asset or
- (b) income in proportion to the fulfillment of its obligations, wherever applicable.

g) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

Tax expense comprises current and deferred tax. Current and deferred tax is recognised in profit or loss except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Group measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current/deferred tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

h) Leases

As a Lessee

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Group. Contracts may contain both lease and non-lease components. The Group allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the Group is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include net present value of the following lease payments:

- Fixed payments (including in substance fixed payments), less any lease incentives receivable
- Variable lease payments that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- Amounts expected to be payable by the Group under residual value guarantees
- The exercise price of a purchase option if the Group is reasonably certain to exercise that option, and
- Payments of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for lease in the Group, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in similar economic environment with similar terms, security and conditions.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- The amount of the initial measurement of lease liability
- Any lease payments made at or before the commencement date less any lease incentives received
- Any initial direct costs, and
- Restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low value assets are recognised on a straight-line basis as an expense in profit or loss. Short term leases are leases with a lease term of twelve months or less.

i) Impairment of Non Financial Assets

The Group's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the assets of the CGU (or group of CGUs) on a pro rata basis.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

In respect of assets for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

j) Cash and Cash Equivalents

For the purpose of presentation in the cash flow statement, cash and cash equivalents includes cash on hand, deposits held at call with banks/ financial institutions, other short-term, other highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Other Bank Balances

Other bank balances consist of term deposits with banks, which have original maturities of more than three months but less than 12 months. Such assets are recognised and measured at amortised cost (including directly attributable transaction cost) using the effective interest method, less impairment losses, if any.

k) Inventories

Inventories are measured at the lower of cost and net realisable value.

Raw materials, stock-in-trade and stores and spares:

The cost of inventories is calculated on weighted average basis, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their present location and condition. Raw materials, components and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

Work-in-progress and finished goods:

Cost includes raw material costs and an appropriate share of fixed production overheads based on normal operating capacity. Net realisable value is the

estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

The comparison of cost and net realisable value is made on an item-by-item basis.

l) Investments and Other Financial Assets

(i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the statement of profit and loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVOCI).

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Recognition

Regular way purchases and sales of financial assets are recognised on trade date, on which the Group commits to purchase or sale the financial asset.

(iii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

Debt Instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

- **Amortised Cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Interest income from these financial assets is included in other income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other income or other expenses. Impairment losses are presented as separate line item in the statement of profit and loss.

- **Fair Value Through Other Comprehensive Income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the statement of profit and loss and recognised in other income. Interest income from these financial assets is included in other income using the effective interest rate method. Foreign exchange gain and losses are presented in other income and impairment expenses are presented as separate line item in statement of profit and loss.

- **Fair Value Through Profit or Loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised and presented net in the statement of profit and loss within other income or other expenses in the period in which it arises. Interest income from these financial assets is included in other income.

Investments in Mutual Funds, Alternate investment funds and Equity Instruments

Investment in mutual funds and equity instruments are classified as fair value through profit or loss as they are not held within a business model whose objective is to hold assets in order to collect contractual cash flows and the contractual terms of such assets do not give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Where the Group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the statement of profit and loss. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive payments is established.

Investment in Bonds

Investment in bonds are financial assets with fixed or determinable payments that are quoted in an active market. These are classified as financial assets measured at amortised cost as they fulfill the following conditions:

- Such assets are held within a business model whose objective is to hold assets in order to collect contractual cash flows.
- The contractual terms of such assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- The Group recognises these assets on the date when they are originated and are initially measured at fair value plus any directly attributable transaction costs.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iv) Impairment of Financial Assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

significant increase in credit risk. Note 41 details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 *Financial Instruments*, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(v) Derecognition of Financial Assets

A financial asset is derecognised only when :

- the Group has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(vi) Income Recognition

Interest Income

Interest income from financial assets at fair value through the profit or loss is disclosed as interest income within other income. Interest income on financial assets at amortised cost and financial assets at FVOCI is calculated using effective interest method is recognised in the statement of profit and loss as part of other income. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit impaired.

m) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

n) Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Cost comprises the purchase price, borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to Statement of profit and loss during the reporting period in which they are incurred.

Depreciation Methods, Estimated Useful Lives and Residual Value

Depreciation is calculated using the straight-line method to allocate the cost of the assets, net of their residual values, over their estimated useful lives as follows:

Particulars	Estimate of Useful life
Buildings	15-60 years
Plant and Equipments	7.5-15 years
Electrical Installation & Equipments	10 years
Furniture & Fixtures	10 years
Vehicles	8 years
Office Equipments	5 years
Computers	3-6 years

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

The useful lives have been determined based on technical evaluation done by the management's expert and management estimate, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of profit and loss within other income or other expenses.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date are classified as capital advances under non-current assets.

Capital work-in-progress excluding capital advances includes property, plant and equipment under construction and not ready for intended use as on Balance Sheet date.

o) Intangible Assets

Intangible assets that are acquired by the Group are measured initially at cost. All intangible assets are with finite useful lives and are measured at cost less accumulated amortisation and impairment, if any.

Amortisation and Useful Lives

Intangible assets are amortised over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at the end of each reporting period.

Intangible assets comprise software having an estimated useful life of 4 years.

p) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. Borrowings are classified as current liabilities unless the Group has an unconditional right to defer

settlement of the liability for at least twelve months after the reporting period.

q) Provisions and Contingent Liabilities

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but discloses its existence in the consolidated financial statements.

r) Employee Benefits

(i) Short-Term Obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(ii) Other Long-Term Employee Benefit Obligations

The liabilities for compensated absences are not expected to be settled wholly within twelve months after the end of the period in which the employees render the related service. These obligations are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method less fair value of plan assets as at balance sheet date. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit and loss.

The obligations are presented as current liabilities in the balance sheet as the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-Employment Obligations

The Group operates the following post-employment schemes: (a) Defined benefit plan (Gratuity) (b) Defined contribution plans (Provident Fund).

Defined Benefit Plan (Gratuity)

The Group contributes to the Gratuity Fund managed by the Life Insurance Corporation of India under its New Group Gratuity Cash Accumulation Plan.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit and loss as past service cost.

Defined Contribution Plans

The Group pays provident fund contributions to publicly administered provident funds as per local regulations. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

s) Contributed Equity

Equity Shares are classified as Equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

t) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

u) Earnings Per Share

Basic earnings per share are calculated by dividing the profit or loss for the year attributable to equity to the owners of the Group by the weighted average number of equity shares outstanding during the year.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

The Group does not have any dilutive potential equity shares.

v) Rounding of Amounts

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakhs upto two decimal places as per the requirement of Schedule III, unless otherwise stated.

w) New and amended standards adopted by the Group

The Ministry of Corporate Affairs notified new standards or amendment to existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

The group applied following amendments for the first-time during the current year which are effective from 1 April 2024:

Amendments to Ind AS 116 - Lease liability in a sale and leaseback

The amendments require an entity to recognise lease liability including variable lease payments which are not linked to index or a rate in a way it does not result into gain on Right of Use asset it retains.

Introduction of Ind AS 117

MCA notified Ind AS 117, a comprehensive standard that prescribe, recognition, measurement and disclosure requirements, to avoid diversities in practice for accounting insurance contracts and it applies to all companies i.e., to all "insurance contracts" regardless of the issuer. However, Ind AS 117 is not applicable to the entities which are insurance companies registered with IRDAI.

The Group has reviewed the new pronouncements and based on its evaluation has determined that these amendments do not have a significant impact on the Consolidated Financial Statements.

Note 2: Critical Estimates and Judgements

The preparation of consolidated financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies. This note provides overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

The areas involving critical estimates or judgements are:

- Estimates of defined benefit obligation – Note 23
- Estimate of useful life of property, plant and equipment – Note 3 (a)
- Impairment of trade receivables – Note 41 (A)
- Impairment assessment of non-financial asset –Note 44
- Measurement of contingent liabilities –Note 36

Estimation and judgements are continuously evaluated. They are based on historical experience and other factors including expectation of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

Note:-3 Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. There are no such recently issued standards or amendments to the existing standards for which the impact on the Consolidated Financial Statements is required to be disclosed.

3(b) Leases

This note provides information for leases where the Holding Company is a lessee. The Holding Company leases various premises, where the rental contracts are generally short term except in case of lease hold land where it is upto 99 years.

Land lease

Leasehold land represents land taken on lease under long term multi-decade lease term, capitalised at the present value of the aggregate future minimum lease payments (which include annual lease rentals in addition to the initial payment made at the inception of the lease). There are no contingent payments.

(i) Amounts recognised in Consolidated Balance Sheet

The Balance Sheet shows the following amounts relating to lease.

Particulars	As at 31 March 2025	As at 31 March 2024
Right-of-use assets		
Gross carrying amount		
Balance at the beginning of the year	1,015.77	1,015.77
Additions during the year	-	-
Derecognition during the year	-	-
Balance as at 31 March 2025	1,015.77	1,015.77
Accumulated amortisation		
Balance at the beginning of the year	68.66	58.25
Amortisation during the year	10.41	10.41
Derecognition during the year	-	-
Balance as at 31 March 2025	79.07	68.66
Net carrying value as at 31 March 2025	936.70	947.11
Lease liabilities		
Current	*	*
Non-current	158.24	158.25
Total	158.24	158.25

* Amount below the rounding-off norms adopted by the Group

Note: Title deeds of land lease situated at plot no. S-1 to S-30, part of M-8 & M-9 to M-13, IIDC, industrial area/estate-Sitapur phase-1,Village-Sitapur(Pahadi) Tehsil & District Morena (M.P.).sitapur, Morena(M.P.) of Rs.966.86 lakhs as at 31 March 2024 have been mortgaged as a security for borrowing taken by the Holding Company - refer note 16(iii).

(ii) Amounts recognised in the Consolidated Statement of Profit and Loss

The Statement of Profit and Loss shows the following amounts relating to leases.

Particulars	Year Ended 31 March 2025	Year Ended 31 March 2024
Depreciation charge on right-of-use assets (refer note 32)	10.41	10.41
Interest expense (refer note 31)	15.83	15.83
Expenses relating to short term leases (refer note 33)	675.99	361.54
Total	702.23	387.78

The total cash outflow for leases including interest and short term leases for the year ended 31 March 2025 was Rs. 691.82 lakhs (31 March 2024 Rs.377.37 lakhs).

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

Note: Contract balances

The following table provides information about contractual liability from contract with customers:

Contract liabilities (advances from customers against sale of goods)	As at 31 March 2025	As at 31 March 2024
Opening balance	73.18	189.33
Revenue recognized that was included in the contract liability balance at the beginning of the year:	(73.18)	(189.33)
Addition during the year	123.55	73.18
Closing balance	123.55	73.18

During the year ended 31 March 2025, revenue includes Rs.73.18 lakhs (31 March 2024: Rs.189.33 lakhs) included in the contract liability balance at the beginning of the reporting period, and Rs.73.18 lakhs (31 March 2024: Rs.189.33 lakhs) from performance obligations satisfied in the current and previous year respectively. Further the balance As at 31 March 2025 is expected to settle within one year or less.

Refund liabilities	As at 31 March 2025	As at 31 March 2024
Opening balance	54.60	28.53
Revenue recognized that was included in the contract liability balance at the beginning of the year	(54.60)	(28.53)
Addition during the year	134.72	54.60
Closing balance	134.72	54.60

Trade receivable	As at 31 March 2025	As at 31 March 2024
Opening balance	15,830.52	13,360.71
Changes during the year	2,401.33	2,469.81
Closing balance	18,231.85	15,830.52

Particulars	As at 31 March 2025	As at 31 March 2024
23. Provisions		
Gratuity (net of plan assets)	84.89	64.46
Compensated absences (net of plan assets)	267.60	236.21
Total	352.49	300.67

(A) Compensated absences

The entire amount of the provision of Rs.267.60 lakhs (31 March 2024: Rs.236.21 lakhs) is presented as current, since the Group does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Group does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is not expected to be taken or paid within the next 12 months.

Particulars	As at 31 March 2025	As at 31 March 2024
Compensated absences not expected to be settled within the next 12 months (gross)	288.08	270.94

The Group contributes to the compensated absences fund managed by the Life Insurance Corporation of India under its Group Leave Encashment Scheme. The liability for compensated absences is determined on the basis of independent actuarial valuation done at year end. plan assets are measured at fair value as at balance sheet date.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

(B) Defined contribution plans

The Group has defined contribution plan for its employees' retirement benefits comprising Provident Fund & Employees' State Insurance Fund. The Group and eligible employees make monthly contribution to the above mentioned funds at a specified percentage of the covered employees salary. The obligation of the Group is limited to the amount contributed and it has no further contractual or any constructive obligation. The expense recognised during the year towards provident fund is Rs. 108.47 lakhs (31 March 2024: Rs. 98.29 lakhs). The expense recognised during the period towards Employees' State Insurance is Rs. 5.36 lakhs (31 March 2024: Rs.7.35 lakhs).

(C) Post-employment obligations

Defined benefit plans- Gratuity

The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the Holding Company makes contributions to fund managed by the Life Insurance Corporation of India.

(i) The amounts recognised in the Consolidated Balance Sheet and the movements in the net defined benefit obligation over the year are as follows:

Particulars	Present value of obligation	Fair value of plan assets	Net amount
As at 1 April 2024	750.28	298.47	451.81

As at 31 March 2024	750.28	298.47	451.81

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

Particulars	As at 31 March 2025	As at 31 March 2024
Current	84.89	64.46
Non-current	475.84	387.35
Deficit of funded plans	560.73	451.81
(ii) The net liability disclosed above relates to funded plan as follows:		
Present value of funded obligations	866.82	750.28
Fair value of plan assets	306.09	298.47
Deficit of funded plans	560.73	451.81
(iii) The significant actuarial assumptions were as follows:		
Discount rate	6.50%	7.15%
Salary growth rate	9.00%	10.00%
Mortality rate	100% of Indian assured lives mortality (2012-14)	100% of Indian assured lives mortality (2012-14)
Attrition rate (On-roll employees)		
Up to 30 years	43.69%	35.97%
31-44 years	15.47%	14.61%
Above 44 years	7.51%	7.22%
Attrition rate (Contractual employees)		
Up to 30 years	37.03%	24.00%
31-44 years	11.90%	24.00%
Above 44 years	10.17%	24.00%

(iv) Sensitivity analysis

a) The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions for on-roll employees are:

Particulars	Increase/decrease		Impact on defined benefit obligation			
	Change in assumption in %		Increase in assumption		Decrease in assumption	
	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024
Discount rate	1.00	1.00	(5.90%)	(6.3%)	6.60%	7.00%
Salary growth rate	1.00	1.00	5.50%	5.60%	(5.2%)	(5.4%)
Attrition rate	50.00	50.00	(2.4%)	(2.7%)	4.00%	4.50%
Mortality rate	10.00	10.00	0.00%	0.00%	0.00%	0.00%

b) The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions for contractual employees are:

Particulars	Increase/decrease		Impact on defined benefit obligation			
	Change in assumption in %		Increase in assumption		Decrease in assumption	
	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024
Discount rate	1.00	1.00	(7.10%)	(4.4%)	8.20%	4.80%
Salary growth rate	1.00	1.00	7.90%	4.70%	(7.0%)	(4.4%)
Attrition rate	50.00	50.00	(7.7%)	(11.6%)	15.50%	20.80%
Mortality rate	10.00	10.00	0.00%	0.00%	0.00%	0.00%

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

c) The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions for Component Company's (Mayur TecFab Private Limited) on-roll employees are:

Particulars	Increase/decrease		Impact on defined benefit obligation			
	Change in assumption in %		Increase in assumption		Decrease in assumption	
	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024	As at 31 March 2025	As at 31 March 2024
Discount rate	1.00	1.00	-9.00%	-9.30%	10.40%	10.70%
Salary growth rate	1.00	1.00	10.00%	10.30%	-8.90%	-9.10%
Attrition rate	50.00	50.00	-12.60%	-15.80%	18.10%	24.30%
Mortality rate	10.00	10.00	-0.10%	-0.10%	0.10%	0.10%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance Sheet.

The methods and types of assumptions use in preparing the sensitivity analysis did not change compared to the prior period.

Particulars	As at 31 March 2025	As at 31 March 2024
(v) The major categories of plan assets are as follows:		
Funds of holding Company managed by insurer	100%	100%
Total	100%	100%

(vi) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk: The plan exposes the Company to the risk of fall in the interest rates. A fall in the interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements)

Salary escalation risk: The present value of the defined benefit plan is calculated with assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic risk: The Company has used certain mortality and attrition assumption in valuation of the liability. The Company is exposed to the risk of the actual experience turning out to be worse.

Regulatory risk: Gratuity benefit is paid in accordance with the requirement of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulation requiring higher gratuity payouts.

Liquidity risk : This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Asset liability mismatching or market risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/ fall in interest rate.

Investment risk : The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

(vii) Defined benefit liability

The Holding Company's best estimate of contribution towards post-employment benefit plans for the year ended 31 March 2026 are Rs. 450.38 lakhs (year ended 31 March 2025 are Rs.402.99 lakhs).

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

The weighted average duration of the defined benefit obligation is 6 years (31 March 2024: 7 years). The expected maturity analysis of undiscounted gratuity for Holding Company's on-roll employees are as follows:

Particulars	Less than a year	Between 1-less than 5 years	Between 5-less than 10 years	10 years or more	Total
As at 31 March 2025

* The fair values of the investments is measured using quoted prices or NAV declared by mutual funds and are classified as level 1 fair values in the fair value hierarchy.

(i) Fair value hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded debentures and mutual funds that have quoted price. The fair value of all equity instruments (including debentures) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. There are no instruments categorised in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. There are no instruments categorised in level 3.

There are no transfers between levels 1 and 2 during the year.

The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

(ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, cash and cash equivalents, other bank balances, other financial assets, other financial liabilities, short term borrowings, lease liabilities are considered to be the same as their fair values, due to their short-term nature.

Majorly the security deposits and fixed deposits are redeemable on demand and bonds are redeemable at par hence the fair values of security deposits and bank deposits are approximately equivalent to the carrying amount.

The Non-current borrowings and lease liabilities are carried at amortised cost. There is no material difference between carrying amount and fair value of non-current borrowings as at 31 March 2025 and 31 March 2024.

41. Financial risk management

The Group's activities expose it to market risk, liquidity risk and credit risk.

The Group's board of directors has overall responsibility for the establishment and oversight of the Group's risk management framework.

(A) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers. The carrying amounts of financial assets represent the maximum credit risk exposure.

A default on a financial asset is when the counterparty fails to make contractual payments as per agreed terms. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

Assets are written off when there is no reasonable expectation of recovery.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting year. To assess whether there is a significant increase in credit risk the Group compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forwarding-looking information.

Trade and other receivables

Credit risk refers to the risk of default on its obligation by the counter party resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivable amounting to Rs.18,231.85 lakhs, Rs. 15,830.52 lakhs as at 31 March 2025 and 31 March 2024, respectively. The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate. The Group has a credit risk management policy in place to limit credit losses due to non-performance of financial counterparties and customers. The Group monitors its exposure to credit risk on an ongoing basis at various levels. Outstanding customer receivables are regularly monitored. The Group closely monitors the acceptable financial counterparty credit ratings and credit limits and revise where required in line with the market circumstances.

Due to the geographical spread and the diversity of the Group's customers, the Group is not subject to any significant concentration of credit risks at balance sheet date.

On account of adoption of Ind AS 109, the Group uses a simplified approach (lifetime expected credit loss model) for the purpose of computation of expected credit loss for trade receivables.

The Group calculates expected credit loss on its trade receivables using 'allowance matrix' and also takes into account 'delay risk' on trade receivables.

Significant estimates: The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Group uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

market conditions as well as forward looking estimates at the end of each reporting year. For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109, "Financial Instruments", which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Management judgment is required for assessing the recoverability of trade receivables and the valuation of the allowances for impairment of trade receivables. The Group makes impairment allowance for trade receivables based on an assessment of the recoverability of trade receivables. Allowances are applied to trade receivables where events or changes in circumstances indicate that the balances may not be collectible. The impairment allowance is estimated by management based on historical experience and current economic environment, The Group assesses the expected credit losses by calibrating historical experience with forward-looking estimates. This may include information regarding the industry in which debtors are operating, historical and post year-end payment records, as well as creditworthiness of debtors.

Reconciliation of loss allowance on trade receivables

Particulars	Amount
Loss Allowance on 1 April 2023	436.93
Changes in loss allowance during the year including bad debts written-off against provision	3.30
Loss Allowance on 1 April 2024	440.23

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits accounts in different banks across the country.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes security deposits, investment in subsidiaries and other investments. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

Expected credit loss for investment carried at amortised cost and other financial assets.

Assets	Estimated gross carrying amount of default	Expected probability of default	Expected credit loss	Carrying amount net of impairment provision
As at 31 March 2025				
Investments (Excluding Investment carry at fair value)	1,535.46	0%	-	1,535.46
Cash and cash equivalents	8,310.03	0%	-	8,310.03
Bank balances other than Cash and cash equivalents	489.97	0%	-	489.97
Other financial assets	11,566.74	0%	-	11,566.74

(All amounts Rs. in lakhs, unless otherwise stated)

(C) Market risk

(i) Foreign currency risk

The Group operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD, GBP, ZAR and EUR. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Group's functional currency (INR). The Group maintains EEFC bank account for export sales realisation which is generally used for repayment of import obligations (arising out of purchase of raw materials, services and capital goods), therefore, the risk is not a material risk to the Group.

The Group's exposure to foreign currency risk at the end of the reporting year expressed in INR, are as follows:

Particulars Currency	As at 31 March 2025		
	USD	GBP	EUR
Exposure to foreign currency risk (assets)			
EEFC account balance	4,174.85	-	-
Trade receivables	3,048.55	101.67	243.93
Exposure to foreign currency risk (liabilities)			
Capital creditors payables	160.34	-	97.23
Trade payables	1,139.04	-	207.19

Particulars Currency	As at 31 March 2024		
	GBP	ZAR	EUR
Exposure to foreign currency risk (assets)			
EEFC account balance	2,556.47	-	-
Trade receivables	2,109.59	107.94	28.21
Exposure to foreign currency risk (liabilities)			
Capital creditors payables	198.57	-	9.50
Trade payables	1,226.32	-	19.17

Sensitivity#

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments:

Particulars	Impact on profit after tax and other equity	
	As at 31 March 2025	As at 31 March 2024
USD Sensitivity		
INR/USD - Appreciates by 2.63% (31 March 2024 - 1.49%)	116.59	36.14
INR/USD - Depreciates by 2.63% (31 March 2024 - 1.49%)	(116.59)	(36.14)
Euro Sensitivity		
INR/Euro - Appreciates by 2.34% (31 March 2024 -0.75%)	(1.06)	*
INR/Euro - Depreciates by 2.34% (31 March 2024 -0.75%)	1.06	*
GBP Sensitivity		
INR/GBP - Appreciates by 5.18% (31 March 2024- 3.43%)	3.94	2.77
INR/GBP - Depreciates by 5.18% (31 March 2024- 3.43%)	(3.94)	(2.77)

* Amount below the rounding-off norms adopted by the Group

Holding all other variables constant

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

(ii) Interest rate risk

The exposure of the Group's borrowing to interest rate changes at the end of the reporting year are as follows:

Particulars	As at	As at
	31 March 2025	31 March 2024
Variable rate borrowings	744.81	1,359.92

The Group on a regular basis monitors the changes in interest rate in the market to manage the portfolio of variable rate borrowings.

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Impact on profit after tax and other equity	
	As at	As at
	31 March 2025	31 March 2024
Interest Rates-Increase by 1.00 basis points (31 March 2024 - 1.00 bps)*	8.02	11.02
Interest Rates-Decrease by 1.00 basis points (31 March 2024 - 1.00 bps)*	(8.02)	(11.02)

*Holding all other variables constant

(iii) Price risk

The Group's exposure to price risk arises from investments held by the Group and classified in the Balance Sheet as fair value through Profit and Loss. To manage its price risk arising from investments, the Group diversifies its portfolio.

Sensitivity

The table below summarises the impact of increases/decreases of the Group's profit for the year and other equity. The analysis is based on the assumption that the fair value of investments had increased by 5% decreased by 5% with all other variables held constant.

Particulars	As at	As at
	31 March 2025	31 March 2024
Increase in fair value of investments by 5%	981.37	827.56
Decrease in fair value of investments by 5%	(981.37)	(827.56)

(iv) Commodity price risk

Commodity price risk arises due to fluctuation in prices of key raw materials. The Group has a risk management framework aimed at prudently managing the risk arising from the volatility in commodity prices and freight costs. The Group's commodity risk is managed centrally through well-established control processes. Further, selling price of finished goods are adjusted due to fluctuation in market prices of key raw materials and the Group expects that the net impact of such fluctuation would not be material.

42. Events occurring after the reporting year

The Board of Directors of the Holding Company has recommended final dividend of Rs.5.00 (i.e. 100%) per Equity Share of Rs.5.00 each aggregating to Rs. 2,172.63 lakhs, which is subject to the approval of shareholders in the ensuing Annual General Meeting.

43. Capital management

The Group's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2025 and 31 March 2024.

The Group has complied with the debt covenants as per the terms of borrowing facilities throughout the reporting period.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

(All amounts Rs. in lakhs, unless otherwise stated)

44. Impairment of non-financial assets

In accordance with Ind AS 36 "Impairment of Assets", the Holding Company has identified Gwalior plant (the 'Plant') as a separate cash generating unit (CGU) for the purpose of impairment review. Management periodically performs an impairment assessment of the CGUs basis internal and external indicators, in order to determine whether the recoverable value is below the carrying amount as at 31 March 2025.

The Holding Company has considered its property, plant and equipment, inventory, trade receivables and other attributable assets and liabilities of the Gwalior Plant as a single CGU. As at 31 March 2025, carrying value of CGU is Rs. 10,142.39 lakhs.

The Plant has incurred operating losses during the current and previous years and the economic performance of the Plant, has been significantly lower than the budgets. Therefore, basis these indicators, the Plant has been assessed for recoverability as at 31 March 2025 as to whether, the carrying value exceeds the recoverable value of the Plant. Holding Company has assessed the recoverability (fair value) of the property, plant & equipment ('PPE') having carrying values of Rs. 7,454.21 lakhs for CGU as at 31 March 2025 with the help of an external valuation expert using the reproduction cost method (indexation method) under cost approach for PPE (other than land and building) and sales comparison method under market approach for land and building as per Ind AS 36. Remaining carrying values of CGU of Rs. 2,688.18 lakhs, majorly includes Inventory of Rs. 1,031.59 lakhs and GST input of Rs. 948.21 lakhs are recoverable with no impairment risk.

Such valuation model requires management to make significant estimates and assumptions related to selection of the discount rates, estimated future life and market values of property to be considered for impairment testing as per Ind AS 36. "

Based on above, recoverable value (fair value less cost of disposal) calculated as at 31 March 2025 is Rs. 10,674.84 lakhs.

Key assumptions used in determining the recoverable value are:

- (a) Discount rate
- (b) Estimated future life
- (c) Market values of property

If we apply sensitivity on discount rate and market values, the recoverable value will still exceed the carrying value of the CGU. Hence, no impairment required to be recognized.

45. Note on audit trail

The Ministry of Corporate Affairs (MCA) has prescribed a requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules, 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Holding Company and its one subsidiary have used accounting software for maintaining their books of account which has a feature of audit trail (edit log) facility and the same was enabled at the application level. During the year ended 31 March 2025 the Holding Company has not enabled the feature of recording audit trail (edit log) at the database level for the said accounting software to log any direct data changes due to high consume storage space on the disk and can impact database performance significantly.

46. Capitalisation of expenditure incurred during construction period (refer note 3a)

The costs that are directly attributable to the acquisition or construction of property, plant and equipment have been apportioned to certain property, plant and equipment on reasonable basis. details of such costs capitalised is as under :-

Particulars	Year Ended 31 March 2025	Year Ended 31 March 2024
Other expenses (includes professional charges and frieght)	-	6.26
Interest expense (31 March 2024 - 7.48%)	-	-
Employee benefits expense	-	0.45
Total	-	6.71

48. Additional regulatory information required by schedule III of Companies Act, 2013

(i) Details of benami property:

No proceedings have been initiated or are pending against the Group for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and the rules made thereunder.

(ii) Utilisation of borrowed funds and share premium:

(A) The Group has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies), including foreign entities (intermediaries) with the understanding (whether recorded in writing or otherwise) that the intermediary shall:

(a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (ultimate beneficiaries) or

(b) Provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

(B) The Group has not received any funds from any person(s) or entity(ies), including foreign entities (funding party) with the understanding (whether recorded in writing or otherwise) that the Group shall:

(a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or

(b) Provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

(iii) Compliance with approved scheme(s) of arrangements:

No scheme of arrangement has been approved by the Competent Authority in terms of Sections 230 to 237 of the Companies Act, 2013, hence, this is not applicable.

(iv) Undisclosed income:

There are no transactions not recorded in the books of account that have been surrendered or disclosed as income during the current or previous year in the tax assessments under the Income-tax Act, 1961.

(v) Details of crypto currency or virtual currency:

The Group has not traded or invested in crypto currency or virtual currency during the current or previous year.

(vi) Valuation of property, plant and equipment and intangible assets:

As the Group has chosen cost model for its property, plant and equipment (including right-of-use assets) and intangible assets, the question of revaluation does not arise.

(vii) Loans or advances to specified persons:

The Group has not granted any loans or advances in the nature of loans to promoters, directors, KMPs or the related parties (as defined under Companies Act, 2013,) either severally or jointly with any other person.

(viii) Borrowings secured against current assets:

The Group had sanctioned borrowings limits as disclosed in note 16. The quarterly returns/ statements of current assets filed by the Group with the bank were in agreement with the books of account for the year ended 31 March 2025.

(ix) Willful defaulter:

The Group has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(x) Transaction with struck-off Companies:

The Group has not entered into any transaction with the struck off Companies.

(xi) Registration of charges or satisfaction with registrar of Companies:

There are no charges or satisfaction yet to be registered with Registrar of Companies beyond the statutory period.

49. Compliance with number of layers of Companies:

The Group complies with the number of layers prescribed under clause (87) of Section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Financial Statements - Consolidated

50. Utilisation of borrowings availed from banks and financial institutions:

The borrowings obtained by the Group have been utilised for the purpose for which the same was obtained.

51. Per transfer pricing legislation under section 92-92F of the Income-Tax Act 1961, the Group is required to use certain specific methods in computing arm's length price of international transactions with associated enterprises and maintains adequate documentation in this respect. The legislations require that such information and documentation to be contemporaneous in nature. The Group has appointed independent consultants for conducting the Transfer Pricing Study to determine whether the transactions with associated enterprises undertake during the financial year are on an "arm's length basis". The Group is in the process of conducting a transfer pricing study for the current financial year and expects such records to be in existence latest by the due date as required by law. However, in the opinion of the management the update would not have a material impact on these consolidated financial statements. Accordingly, these consolidated financial statements do not include any adjustments for the transfer pricing implications, if any.

The deemed venue for the 32nd AGM of the Company shall be the registered office of the Company situated at Jaipur-Sikar Road, Village-Jaitpura, Tehsil Chomu, District-Jaipur, Rajasthan-303704.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to 1,000 members on first come first serve basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, Scrutinizers etc. who are allowed to attend the AGM without restriction on account of first come first serve basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of

ascertaining the quorum under Section 103 of the Companies Act, 2013.

5. Since this AGM is being held through VC/ OAVM pursuant to the MCA Circulars and SEBI Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for the appointment of the proxy(ies) by the members to attend the AGM and cast vote for the members is not available for this AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed hereto.
6. In line with the measures undertaken by the MCA for promotion of Green Initiative, the MCA has introduced the provision for sending the notice of the meeting and other shareholder correspondences through electronic mode. Accordingly, the electronic copies of the Notice of the AGM along with the Annual Report for the Financial Year 2024-25 is being sent to all the shareholders whose email addresses are registered/ available with the Company/ Depository Participants and Registrar to an Issue ("RTA") as on the cut-off date i.e. Friday, August 08, 2025 and the same also have been uploaded on the website of the Company at www.mayuruniquoters.com. Further pursuant to Regulation 36 of Listing Regulations, a Letter for providing the weblink for accessing the Annual Report of the Company for the financial year 2024-25 is being send to those shareholders, who have not registered their e-mail ID with the Company/Depositories.

The Company shall send the physical copy of the Integrated Annual Report FY 2024-25 only to those Members who specifically request for the same at secr@mayur.biz mentioning their Folio No/DP ID and Client ID.

The Notice and Annual Report can also be accessed from the website of the Stock Exchanges i.e BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. Effective from April 01, 2024, SEBI has mandated that the shareholders, who hold shares in physical mode and whose folios are not updated with any of the KYC details [viz., (i) PAN (ii) Contact Details (iii) Bank Account Details and (iv) Signature, shall be eligible to get dividend only in electronic mode. Accordingly, payment of final dividend, subject to approval at the AGM, shall be paid to physical shareholders only after

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Notice

the above details are updated in their folios. Shareholders are requested to complete their KYC by writing to the Company's RTA.

Ltd., if shares are held in physical form, in prescribed Form ISR-1 as available on website of RTA at www.beetalfinancial.in/BEETALFINANCIAL/downloadf.aspx and also available on the website of the Company at www.mayuruniquoters.com Further the shareholders are requested to submit duly filled Form ISR-1 along with all necessary documents at the address of RTA at "Beetal House", 3rd Floor, 99 Madangir, Behind Local Shopping Centre Near Dada Harsukhdas Mandir, New Delhi- 110062 or at the E-mail ID of RTA i.e. beetalrta@gmail.com To prevent fraudulent transactions, members are requested to exercise due diligence and not to leave their Demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
9. Pursuant to the provisions of Section 112 and Section 113 of the Companies Act, 2013, the members such as the President of India or the Governor of a State or a body corporate/Institutional Members can attend the AGM through VC/OAVM and cast their votes by authorizing their representatives to participate and vote at the AGM. Accordingly, it is requested to send a certified copy of the Board resolution/ Authority Letter at E-mail ID cs.vmanda@gmail.com and secr@mayur.biz not later than 48 hours before the scheduled time of the commencement of the Meeting by such body corporate/Institutional members. Institutional shareholders (i.e., other than individuals, HUF, NRI, etc.) can also upload their Board Resolution/ Power of Attorney/Authority Letter etc. by clicking on **"Upload Board Resolution/Authority Letter"** displayed under **"e-Voting"** tab in their login.
10. In case of Joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote at the meeting.
11. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Companies Act, 2013 and other documents referred to in this AGM Notice will be available for inspection at the Registered office of the Company at Jaipur-Sikar Road, Village-Jaitpura Tehsil-Chomu, Jaipur Rajasthan- 303704, India between 3:00 P.M (IST) and 5:00 P.M (IST) in working days till the date of AGM.
12. The Board has recommended final dividend of Rs.5.00/- per equity share and the Dividend, if any declared at 32nd AGM of the Company, will be paid within a period of 30 days from the date of declaration to those Shareholders whose name(s) stand registered:
 - a. as Beneficial Owner as at the end of business hours on August 22, 2025 for the physical holding and demat holding as per the lists to be furnished by Central Depository Services (India) Limited (CDSL) and National Securities Depository Limited (NSDL) in respect of the shares held in electronic form,
 - b. as Member in the Register of Members of the Company and in case of transmission of shares, the name of the Shareholder should be registered after giving effect to valid share transmissions, if any, in physical form lodged with the Company as at the end of business hours on August 22, 2025, and
13. Pursuant to the amendments introduced in the Income Tax Act, 1961 ('the IT Act') vide Finance Act, 2020, w.e.f. April 1, 2020, dividend declared, paid or distributed by a Company on or after April 1, 2020, is taxable in the hands of the shareholders. The Company shall, therefore, be required to deduct TDS at the time of payment of dividend at the applicable tax rates. The rates of TDS would depend upon the category and residential status of the shareholder. Members are requested to complete and/ or update their Residential Status, PAN, Category as per the IT Act with their Depository Participants ('DPs') or in case shares are held in physical form, with the RTA/ Company by sending documents by, Friday, August 22, 2025.
14. Members are requested to quote their Regd. Folio Number/DP and Client ID Nos. in all their correspondence with the Company or its Registrar and Share Transfer Agent.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Notice

15. Members having multiple folios in the same order of name(s) may inform the Company for consolidation into one folio.
16. It has been observed that some members have still not surrendered their old Share Certificates for Equity Shares of Rs. 10.00 each for exchange with the new Share Certificates for Equity Shares of Rs. 5.00 each. The Members are once again requested to surrender the old Share Certificates having face value of Rs. 10.00 each to the RTA or the Company to exchange for the new Share Certificates having face value of Rs. 5.00 each.
17. Non- Resident Indian Members are requested to inform Registrar and Share Transfer Agent of the Company regarding any change in their residential status on return to India for permanent settlement, particulars of their bank account maintained in India with complete name, branch account type, account number and address of the bank with pin code number, if not furnished earlier. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
18. Members are requested to address all correspondence, including on dividends, to the Registrar and Share Transfer Agents, Beetal Financial and Computer Services Private Limited "Beetal House" 3rd Floor, 99 Madangir, Behind Local Shopping Centre, Near Dada Harsukhdas Mandir, New Delhi-110062.
19. Members wishing to claim dividends that remain unclaimed, are requested to correspond with the Registrar and Share Transfer Agents as mentioned above, or to the Company Secretary, at the Company's registered office address. Also to be noted that dividends which are not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will be transferred to the Investor Education and Protection Fund ("IEPF") as per Section 124 of the Act.

Further, those shares on which dividend remains unclaimed for seven consecutive years will be transferred to the IEPF as per Section 124 of the Act, and the applicable rules.
20. It is also informed to the members that pursuant to the provisions of Sections 124 and 125 of the Companies Act, 2013, The Company has transferred the unpaid or unclaimed dividends declared up to

financial years 2017-18 (Third Interim Dividend), to the IEPF established by the Central Government.

Further pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the Company has uploaded the details of unpaid and unclaimed amounts lying with the Company on the website of the Company i.e. www.mayuruniquoters.com

In this regard, the concerned Shareholders may still claim the shares or apply for refund to the IEPF Authority in Web Form No.IEPF-5 available on www.iepf.gov.in

21. In case the Dividend has remained unclaimed in respect of financial years from 2017-18 (Final Dividend) to the financial year 2023-24, the Shareholders may approach the Company with their dividend warrants for revalidation with the Letter of Undertaking for issue of duplicate dividend warrants.
22. The annual accounts of the subsidiary company along with the related detailed information is available for inspection at the Corporate Office i.e. Jaipur-Sikar Road, Village: Jaitpura Tehsil: Chomu, Distt. Jaipur, Rajasthan- 303704 of the Company and of the subsidiary concerned and copies will also be made available to Shareholders of the Company and its subsidiary company upon request and the same are also available on the website of the Company i.e. www.mayuruniquoters.com
23. SEBI has mandated the listed companies to issue securities in demat only while processing service request i.e. issue of duplicate certificates, claim from unclaimed suspense account, renewal/exchange of securities certificates, sub-division/split and consolidation of securities certificate/folio, transmission, and transposition. Accordingly, Members are requested to make the mentioned service requests by submitting duly filled Form ISR-4 and Form ISR-5 which is also available on the website of the Company at www.mayuruniquoters.com.
24. As per Regulation 40 of Listing Regulations, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019. Accordingly, the Company/ Registrar and Share Transfer Agent has stopped accepting any fresh lodgment of transfer of shares in physical form. Members holding shares in physical form are advised to dematerialize their shareholdings immediately.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Notice

25. Members holding shares in physical form and desirous of making a nomination or cancellation/variation in nomination already made in respect of their shareholding in the Company as permitted under Section 72 of the Companies Act, 2013 in respect of the physical shares held by them in the Company, can make nominations in Form SH- 13 and Form SH- 14 for fresh nomination/ cancellation/variation as the case may be which can be procured from the website of RTA i.e. www.beetalfinancial.com or from the website of the Company i.e. www.mayuruniquoters.com. The Members holding shares in demat form are also advised to avail nomination facility by contacting their respective depository participants for making such nominations.

Further, SEBI vide its Circular dated March 16, 2023 and Master Circular dated June 23, 2025 has mandated to furnish Form ISR-3 for opting out of Nomination by physical shareholders in case the shareholder do not wish to register for the Nomination.

26. Process and manner for members opting for voting through electronic means:

I. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has appointed and entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized E-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

A member may exercise his/ her vote at the General Meeting by electronic means and the Company may pass any resolution by electronic voting system in accordance with the provisions of the aforesaid Rule.

II. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories

as on the Cut-off date i.e. Wednesday, September 10, 2025 shall be entitled to avail the facility of remote e-voting as well as e-voting system on the date of the AGM. Any recipient of the notice, who shall has no voting rights as on the Cut-off date, shall treat this notice as intimation only.

III. A person who has acquired the shares and has become a member of the Company after the dispatch of the notice of the AGM and prior to the Cut-off date i.e. Wednesday, September 10, 2025 shall be entitled to exercise his/her vote either electronically i.e. remote e-voting or e-voting system on the date of the AGM by following the process mentioned in this part.

IV. The remote e-voting will commence on Saturday at 10:00 A.M. (IST) on September 13, 2025 and will end on Tuesday at 05:00 P.M.(IST) on September 16, 2025. During this period, the member of the Company holding shares either in physical form or in Demat form as on the Cut-off date i.e. Wednesday, September 10, 2025 may cast their vote electronically. The members will not be able to cast their vote electronically beyond the date and time mentioned above and the remote e-voting module shall be disabled for voting by CDSL thereafter.

V. Once the vote on a resolution is cast by a member, he/she shall not be allowed to change it subsequently or cast the vote again.

VI. The voting rights of the members shall be in proportion to their share in the paid up equity share capital of the Company as on the Cut-off date i.e. Wednesday, September 10, 2025.

VII. The Company has appointed CS Manoj Maheshwari, Practicing Company Secretary, Jaipur (Membership No. FCS: 3355 CP No. 1971) as the Scrutinizer and failing him CS Priyanka Agarwal, Practicing Company Secretary, Jaipur (Membership No. FCS 11138; CP No.: 15021), as an alternate Scrutinizer for conducting the remote e-voting process as well as the e-voting system on the date of the AGM, in a fair and transparent manner.

The Scrutinizer /Alternate Scrutinizer shall immediately after the conclusion of voting at the AGM, unblock the votes cast through remote e-voting and e-voting on the date of the AGM and prepare and submit ,not later

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Notice

than 2 working days from the conclusion of the Meeting, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, forthwith to the Chairman of the Company or any person authorized by him in writing and the Results shall be declared by the Chairman or any person authorized by him thereafter.

The Results declared along with the Scrutinizer's Report shall be placed on the website of the Company www.mayuruniquoters.com and on Service Provider's website i.e. www.evotingindia.com immediately after the declaration of Result by the Chairman or any person authorized by him in writing. The results shall also be forwarded to the stock exchanges where the shares of the Company are listed.

The resolutions will be deemed to be passed on the date of AGM subject to receipt of the requisite number of votes in favour of the resolutions.

27. THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(i) The voting period begins on Saturday at 10:00 A.M. (IST) on September 13, 2025 and will end on Tuesday at 05:00 P.M.(IST) on September 16, 2025. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Wednesday, September 10, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities

are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/ NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("THE ACT") FORMING PART OF THE NOTICE

Item No. 4:

The Board, on the recommendation of Audit Committee, has approved the appointment of M/s Pavan Gupta & Associates, Cost Accountants (Firm Registration No. 101351) as Cost Auditor to conduct the audit of the cost records of the Company, for the financial year ending on March 31, 2026. In accordance with the provisions of Section 148 of the Act read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors, has to be ratified by the members of the Company. Accordingly, the resolution as set out at Item No. 4 of the notice seeks the consent of the members for the ratification of payment of remuneration amounting to Rs. 4,00,000/- (Rupees Four Lakhs Only) plus applicable GST and reimbursement of out-of-pocket expenses at actuals to the Cost Auditor for the financial year ending on March 31, 2026.

None of the Directors, Key Managerial Personnel of the Company and their relatives are in any way concerned or

interested, financially or otherwise, in the resolution as set out at item no. 4 of the Notice.

The Board recommends the Ordinary Resolution as set out in item no.4 in the Notice for approval by the members.

Item No. 5:

In accordance with Section 204 of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 ("the Act"), every listed company and certain prescribed class of companies are required to annex a Secretarial Audit Report issued by a Company Secretary in practice, with their Board's Report prepared under Section 134(3) of the Act.

Further, the Securities and Exchange Board of India ("SEBI") vide its notification dated December 12, 2024, amended Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 ("the Listing Regulations"). The amended provisions read with the SEBI circular no. SEBI/HO/CFD/CFD-PoD-2/CIR/P/2024/185 dated December 31 2024 inter-alia prescribes the term of appointment/ re-appointment, eligibility criteria, qualifications and disqualifications of the Secretarial Auditor of a listed entity.

Pursuant to the aforesaid amendment, every listed entity is required to appoint a Secretarial Auditor who holds a valid Peer Review Certificate and annex the Secretarial Audit Report to its Annual Report. Moreover, the Listing Regulations stipulates that the appointment/ re-appointment of an individual as Secretarial Auditor cannot be for more than one term of 5 (five) consecutive years and in case of a firm, it cannot exceed two terms of 5 (five) consecutive years each. Such appointment/re-appointment must be approved by the shareholders of the Company at the Annual General Meeting, based on recommendation of the Board of Directors. Additionally, any association of the individual or firm as the Secretarial Auditor of the listed entity prior to March 31, 2025 shall be excluded while calculating the permissible tenure.

Accordingly, in compliance with the above provisions and based on the recommendation of the Audit Committee, the Board of Directors, at its meeting held on May 08, 2025, approved and recommended for the approval of the members, the appointment of M/s V.M. & Associates, Practicing Company Secretaries, as the Secretarial Auditors of the Company for a term of 5 (five) consecutive years, commencing from April 01, 2025 to March 31, 2030.

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Notice

It is pertinent to note that M/s V.M. & Associates served as the Secretarial Auditor of the Company for the FY 2024-25 and in preceding years. While considering their appointment, the Board of Directors and the Audit Committee considered several factors, including the firm's familiarity with the Company's business and operations, technical expertise, professional competence, industry knowledge and ability to navigate a dynamic and regulated business environment. Based on this evaluation, M/s V.M. & Associates was found to be suitably qualified to conduct the Secretarial Audit of the Company effectively.

Brief Profile of the Secretarial Auditor:

M/s V.M. & Associates (Firm Registration No.: P1984RJ039200 and Peer Review Certificate No.: 5447/2024) ("VM"/ "The firm") is a leading firm of Practicing Company Secretaries with over three decades of rich and diverse professional experience. Renowned for its commitment to excellence, the Firm specializes in Secretarial Audits, Due Diligence, IPOs and provides a comprehensive range of advisory, representation and compliance services under Company Law, SEBI Regulations, FEMA Regulations, RBI Directions, Mergers & Acquisitions, amongst others.

Over the years, VM has successfully catered to clients across a broad spectrum of industries including Banking, Financial Services, Information Technology, Leather, Textiles, Mining, Wire & Cables, Stock Broking, Education, Tourism, Real Estate, FMCG etc.

Backed by a dedicated and highly skilled team of professionals, VM is committed to meeting the evolving expectations of the corporate sector, while upholding the highest standards of corporate governance and professional integrity.

M/s V.M. & Associates shall be paid an annual audit fee of 7,60,000/- (Rupees Seven Lakhs Sixty Thousand Only) plus applicable taxes and reimbursement of out-of-pocket expenses incurred at actuals, for conducting the Secretarial Audit of the Company for the FY 2025-26. Further, the Board of Directors, based on the recommendation of Audit Committee, shall be authorised to revise the terms and conditions of appointment, including any increase in remuneration for the remaining duration of the term, in such manner and to such extent as may be mutually agreed with the Secretarial Auditors.

M/s V.M. & Associates has given its consent to act as the Secretarial Auditor of the Company and has provided the requisite consent-cum-eligibility letter, confirming that the

proposed appointment, if made, will be within the limit specified by the Institute of Companies Secretaries of India and in compliance with the provisions of the Act and the Listing Regulations.

Accordingly, the Board of Directors recommends the Ordinary Resolution as set out at item no. 5 of the accompanying Notice for approval of the Members of the Company.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested, financially or otherwise in the resolution set out at item no. 5 of the Notice.

Item No. 6:

Mr. Suresh Kumar Poddar was appointed as Chairman and Managing Director & CEO (DIN: 00022395) of the Company for a period of 3 years by passing a special resolution by the shareholders at the Annual General Meeting of the Company held on July 29, 2022. The tenure of Mr. Suresh Kumar Poddar will be completed on March 31, 2026. Mr. Suresh Kumar Poddar has already attained the age of 78 years.

Section 196(3) of the Companies Act, 2013, inter alia, provides that no company shall continue the employment of a person who has attained the age of 70 years, as Managing Director, Whole Time Director or Manager unless it is approved by the members by passing a special resolution.

Mr. Suresh Kumar Poddar is one of the Promoters and contributor to the growth and development of the Company and he is perfect in the execution of Mission and Vision of the Company.

During his tenure, the Company has achieved decent growth. He is responsible for overall strategic planning and business development of the Company. Head of Departments of Sales, Marketing, Productions, Quality, Audit, HR, Finance & Accounts and other departments reports to him on daily basis.

Moreover; the Company is aggressively concentrating on business expansion plans besides exploring opportunities both in India and abroad. Since, there has been a considerable increase in the duties and responsibilities performed by him and thereafter considering his performance and remuneration, the Nomination and Remuneration Committee at their meeting held on May 08, 2025 reviewed the performance of Mr. Suresh Kumar Poddar as Chairman and Managing

MAYUR UNIQUOTERS LIMITED

32nd ANNUAL REPORT 2024-25

Notice

Director & CEO and recommended his re- appointment with effect from April 01, 2026 for a period of 3 years, for the approval of the Board.

On the recommendations made by the Nomination and Remuneration Committee, the Board of Directors at their meeting held on May 08, 2025 has approved the proposal to re-appoint Mr. Suresh Kumar Poddar as Chairman and Managing Director & CEO (DIN: 00022395) of the Company with effect from April 01, 2026 for a period of 3 years on the terms and conditions of his re- appointment as mentioned in the resolution.

In terms of section 160 of the Companies Act, 2013, the Company has received a notice in writing from a member for proposing the candidature of Mr. Suresh Kumar Poddar to be re-appointed as Chairman and Managing Director & CEO (DIN: 00022395) of the Company as per the provisions of the Companies Act, 2013.

Mr. Suresh Kumar Poddar satisfies all the conditions set out in Part-I of Schedule V to the Companies Act, 2013 and also the conditions as set out under sub-section (3) of

section 196 of the Companies Act, 2013 for being eligible for reappointment. The Company has received his consent to act as Chairman and Managing Director & CEO and disclosure for non disqualification/ debarment by any Statutory Authority.

Details of Mr. Suresh Kumar Poddar are provided in the "Annexure A" to the Notice pursuant to the provisions of (i) Regulation 36 of the Listing Regulations and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India.

Mr. Suresh Kumar Poddar being appointee together with his relatives may be deemed to be concerned or interested, financially or otherwise in the said resolution. None of the other Directors, Key Managerial Personnel of the Company and their relatives except Mr. Arun Bagaria, Whole Time Director (DIN: 00373862) designated as Executive Director of the Company being interested in the said resolution as set out at item no. 6 of the Notice.

The Board recommends the Special Resolution as set out at item no. 6 in the Notice for approval by the members.
