(N) **MEMBERS WHO STILL HOLD SHARE CERTIFICATES IN PHYSICAL FORM ARE ADVISED TO DEMATERIALIZE THEIR SHAREHOLDING TO AVAIL THE BENEFITS OF DEMATERIALIZATION, WHICH INCLUDE EASY LIQUIDITY, SINCE TRADING IS PERMITTED IN DEMATERIALIZED FORM ONLY, ELECTRONIC TRANSFER, SAVINGS IN STAMP DUTY AND ELIMINATION OF ANY POSSIBILITY OF LOSS OF DOCUMENTS AND BAD DELIVERIES**

(O) **Communication through e-mail:** The Companies (Management and Administration) Rules, 2014 allow companies to give notice through electronic mode. Further, in line with circular issued by the Securities and Exchange Board of India (SEBI) and consequent changes in the Rule 11 of the Companies (Accounts) Rules, 2014 as well as SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, companies can send Annual Report in electronic mode to Members who have registered their

e-mail addresses for the purpose.

In view of the above, the Company would communicate the important and relevant information, events and send the documents including the intimations, notices, annual reports, financial statements etc. in electronic form, to the email address of the respective Member.

To support green initiative of the Government in full measure, Members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses in the following manner:

- In respect of electronic holdings with the Depository through their concerned Depository Participants.
- Members who hold shares in physical form are requested to register their e-mail ID with rahul.shah@kalpatarupower.com quoting your name and folio number.

(P) With a view to serving the Members better and for administrative convenience, an attempt would be made to consolidate multiple folios. Members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company to consolidate their holdings in one folio.

(Q) Members who have neither received nor encashed their dividend warrant(s) for the financial years from 2008-09 upto 2014-15, are requested to write to the Company, mentioning the relevant Folio number or DP ID and Client ID, for issuance of duplicate/revalidated dividend warrant(s).

(R) The Ministry of Corporate Affairs (MCA) on May 10, 2012 notified the IEPF (Uploading of information regarding unpaid and unclaimed amounts lying with companies) Rules, 2012 (IEPF Rules), which is applicable to the Company. The objective of the IEPF Rules is to help the Members ascertain status of the unclaimed amounts and overcome the problems due to misplacement of intimation thereof by post etc. In terms of the said IEPF Rules, the Company has uploaded the information in respect of the Unclaimed Dividends on the website of the Company viz. www.kalpatarupower.com

(S) **The instructions for Members voting electronically are as under:**

The businesses as set out in the Notice may be transacted through electronic voting system and the Company will provide a facility for voting by electronic means. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to offer the facility of voting through electronic means, as an alternate, to all its Members to enable them to cast their votes electronically. The facility of casting the votes by the Members using an electronic voting system from a place other than venue of the AGM (**remote e-voting**) will be provided by Central Depository Services (India) Limited (**CDSL**). The facility for voting shall be made available at the Meeting through ballot or polling paper and the Members attending the Meeting who have not cast their

vote by remote e-voting shall be able to exercise their right at the Meeting. Please note that the voting through electronic means is optional for Members.

ANNEXURE TO THE NOTICE

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.

Item No. 5

At the meeting of Board of Directors of the Company held on March 8, 2016, Mr. Imtiaz I. Kanga (DIN: 00136272) was appointed as an Additional Director and holds the office upto the date of ensuing Annual General Meeting in terms of Section 152, 161 of the Companies Act, 2013 (Act) read with Articles of Association of the company.

Pursuant to Section 160 of the Act, the Company has received a notice in writing from a Member along with the deposit of requisite amount under section 160 of the Companies Act, 2013 signifying its intention to propose Mr. Imtiaz I. Kanga as candidate for the office of Director of the company, liable to retire by rotation.

Mr. Imtiaz I. Kanga is not disqualified from being appointed as Director in terms of section 164 (2) of the Companies Act, 2013.

The brief profile of Mr. Imtiaz I. Kanga, the nature of his expertise, the names of companies in which he holds directorships / memberships of Committees of Board, as required to be given pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed to the Notice.

Mr. Imtiaz I. Kanga is interested in the resolution set out at Item No. 5 of the Notice with regards to his appointment. The relatives of Mr. Imtiaz I. Kanga may be deemed to be interested in the resolution set out at Item No. 5 of the Notice, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors / Key Managerial Personnel of the company and their relatives is, in any way, concerned or interested, financially or otherwise, in these resolutions.

The Board recommends the resolution at Item No. 5 for your approval.

ITEM NO. 6

Section 42, 71 of the Companies Act, 2013 read with the Companies (Prospectus and Allotment of Securities) Rules, 2014 provides that a company cannot issue securities on a private placement basis unless the proposed offer of securities or invitation to subscribe to securities has been previously approved by the shareholders of such company, by a special resolution for each offer or invitation, and further provides that in case of an offer or invitation for secured / unsecured non-convertible redeemable debentures (NCDs), it shall be sufficient if the company passes a special resolution once a year for all the offers and invitations for such NCDs to be made during the said year.

In order to meet the financial needs of the Company, the Company may make an offer of NCDs or invite subscription to NCDs on private placement basis, in one or more tranches, during the period of 1 (one) year from the date of passing of the special resolution by the Members, for an aggregate amount not exceeding ₹ 300 Crores (Rupees Three Hundred Crores). It is proposed that the Board which term shall be deemed to include any Committee of Directors which the Board may have constituted / will constitute to exercise any or all of its powers including the powers conferred by this resolution, be authorized to issue NCDs within the aforesaid limits, on such terms and conditions as it may deem fit.

The Board recommends the resolution at Item No. 6 for your approval.

None of the Directors or any key managerial personnel of the Company or any of their relatives is concerned or interested, financially or otherwise, in the resolution at out at Item No. 6.

Item No. 7

The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of M/s. K. G. Goyal & Associates as a cost auditor of the Company to conduct the audit of the cost records of biomass power plants and tower manufacturing plants of the Company for the financial year ending March 31, 2017, for a remuneration of ₹ 1,00,000/- (Rupees One Lacs only) plus applicable Taxes and reimbursement of out of pocket expenses.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the Members of the Company.

Accordingly, consent of the Members is sought for passing an ordinary resolution as set out at Item No. 7 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending March 31, 2017.

The Board recommends the resolution at Item No. 7 for your ratification.

None of the Directors or any key managerial personnel of the Company or any of their relatives is concerned or interested, financially or otherwise, in the resolution at out at Item No. 7.

Cautionary Statement Regarding Forward-Looking Statement

This Report may contain certain forward-looking statements relating to the future business, development and economic performance. Such Statements may be subject to a number of risks, uncertainties and other important factors, such as but not limited to (1) competitive pressure; (2) legislative and regulatory developments; (3) global, macro-economic and political trends; (4) fluctuations in currency exchange rates and general market conditions; (5) delay or inability in obtaining approving from authorities; (6) technical developments; (7) litigations; (8) adverse publicity and news coverage, which could cause actual developments and results to differ materially from the statements made in this presentation. Kalpataru Power Transmission Limited assumes no obligation to update or alter forward-looking statements whether as a result of new information, future events or otherwise.

Making Growth Sustainable

At KPTL, we continue to make growth sustainable preferring return ratios over revenue ratios.

To grow is the basic tenet of any business. To sustain growth over a longer period of time is the true measure of a mature business.

As a multi-discipline multi-nation infrastructure development conglomerate, at KPTL we remain steadfast in enriching the quality of our growth in order to make it sustainable. Marching forward on our defined business path exposes

us to many a nuances of the external environment, some favorable and some testing ones. We choose to temporarily calibrate our approach towards what appears best suited for a particular phase of journey. Yet, from the longer-term perspective, we stay focused on quality and sustainable growth.

While domestic power sector went through very testing times in the last

couple of years, we calibrated our approach with increased thrust on international markets. This shift served us very well in not only sustaining growth on immediate basis but also clawing deeper out overseas credentials. With the growth momentum accelerating in our domestic markets, we have recalibrated our efforts and attention with adequate allocations to domestic opportunities.

In the dynamically evolving global world order, one needs to set and achieve priorities in an equally dynamic manner. At KPTL, it is better done one priority at a time. The capability-building program, though, remains in continuum. Diversity, a well-conceived and hard earned virtue of ours continues to yield dual advantages – launch pad in good times and shock absorber in not so good times.

With right prioritization, continued capability building and our quintessential diversity, at KPTL we continue to make growth sustainable.

Chairman's Message

We continue to scout for new business avenues, though only under our existing diversified umbrella. Our quest for geographic expansion yielded rich results with successful foray into Malawi, Afghanistan, Botswana & Mauritania.

Dear Shareholders,

It gives me immense pleasure to connect with you through this 35th Annual Report of our Company. The Indian economy has shown signs of resilience amidst global slowdown. Despite twin consecutive monsoon deficits, the Government has rightfully increased its focus towards rural economy as well the infrastructure projects. The Union Budget 2016 increased its capital expenditure allocations by 3.9% to ₹ 2,470.2 billion, which shall trigger new infrastructure projects. The Government's Discom rescue scheme UDAY (Ujwal Discom Assurance Yojna) aims to address perennial issues clogging the power sector for long. It can empower the Discoms to break-even in next 2-3 years. The Government needs to intensify impending structural reforms in order to enhance the ease of doing business in India. Forecast of a good monsoon coupled with sustained foreign investments can add the necessary fillip to country's socio-economic development.

Despite beginning FY16 with moderate order book, we stayed focused on enhancing our profitability and achieved it through further strengthening of our cost leadership and speedy execution prowess. During the year, our standalone revenue declined by 1% at ₹ 4,364.6 Cr. and consolidated revenue grew by 3% at ₹ 7,380.4 Cr. Our EBITDA during the year was ₹ 467 Cr. and we have managed to improve our EBITDA margin to 10.8% in FY16 from 9.8% in FY15, attributable largely to operational efficiencies. As compared to FY15, our PAT grew by 20% at ₹ 199.5 Cr. in FY16. During the year, we have received orders worth ₹ 7,450 Cr. in KPTL.

We have always believed in continuous small and meaningful changes yielding long-term results. We have undertaken various transformational initiatives the initial results of which get reflected in our FY16 performance.

Business Approach

- Long term approach on sustainability with a clear focus, viz. Capex in manufacturing capacities, international assets, etc.
- Focus on large-sized margin-accretive orders adding sustainably to our bottom-line
- Successfully forayed into new geographies: Malawi, Afghanistan, Botswana & Mauritania

Enhancing Efficiencies

- Modernization of Gandhinagar plant has led to savings in conversion cost
- Enhanced capacity of our Raipur plant to rationalize & optimize the cost of production
- Processes and systems further strengthened through strict adherence to SAP & SOP (Standard Operation Processes)

HR Initiatives

- Accelerated our team building efforts by adding talent across key leadership roles in T&D segment
- Re-aligned existing roles and functions for gainfully deploying our human capital
- Proud to be a 'Great Place to Work' enterprise with an effective 360 degree feedback
- Leadership development programmes, trainings etc. stemmed to lift talent pool morale

New Projects Snapshot

- Increased width of PQ's in substation business & Railway electrification with expansion into new geographies
- Significant growth in T&D domestic orders with PGCIL & SEBs
- Significant increase in order book of railways & pipeline division
- Won third transmission line BOOM project from REC through tariff based competitive bidding process

In our subsidiary JMC Projects, we are speeding up execution of legacy projects while scouting for new margin-accretive projects. All four BOOT projects are operational on full toll basis. During FY16, its sales grew by 3% to

₹ 2,483.7 Cr. The operating profit improved by 15.1% at ₹ 265.7 Cr. in FY16 over FY15. The net profit grew by 37% to ₹ 41 Cr. in FY16 as compared to last year. At the end of FY16, JMC Projects standalone order book stood at ₹ 6,200 Cr.

Going ahead, we expect sizable orders from Power Grid Corporation of India Limited (PGCIL) & SEBs for our domestic transmission business. On the international front we have lot of opportunities in African & CIS market with huge order in pipeline. We continue to maintain our focus on Quality Assurance & Safety Standards.

The Government plans to invest ₹ 8.56 trillion between FY16 and FY20 on revamping Indian Railways through improved infrastructure, communication and passenger safety. India's gas production is expected to touch 90 Billion Cubic Metres (BCM) in 2040 from 35 BCM in 2013, signifying tremendous opportunity in laying new pipeline projects. There lies a huge scope of development of various infrastructural projects in India. We continue to bid and win projects which enhance our operational efficiency and leverage our execution skills.

I take this opportunity to express my gratitude to all the stakeholders for their unwavering belief in Kalpataru Power Transmission Limited and also extend my gratitude to our 'human capital' for their passion, dedication and valuable contribution.

We chose to stay focused on improving our profitability margins while executing the carried forward projects and stay selective in picking up new orders that are margin-accretive.

SUSTAINING GROWTH THROUGH PRIORITIZATION

We entered FY16 with a moderate order book, an effect of subdued demand as well as liquidity environment of the preceding year across our global operating geographies including India. We chose to stay focused on improving our profitability margins while executing the carried forward projects and stay selective in picking up new orders that are margin-accretive.

During the year, we have focused our energies on enhancing our business fundamentals and operational efficiencies. We have initiated certain organizational transformation, productivity management

and cost control initiatives which has resulted in structural operational margins. Cost leadership plans have translated in conversion cost savings at our plants. We foresee cost control as a continuous process and see tremendous cost saving opportunities based on nature of order as labor-oriented or material ones.

Having over 3 decades of diversified global expertise under our belt, KPTL is now eyeing to augment its growth sustainable plan by getting its priorities right. At home turf, we are focusing on large size orders in T&D business where we can add scale

and harness our proficiency of bringing economies of scale to the project. We are actively scouting and bidding for projects which are margin accretive towards KPTL's bottom-line. For our International T&D projects, we have chosen adequately funded projects. In our pipeline business, we are working with a precision of selecting the right clientele that would add meaningful contribution to our profit.

Overall, we have our business strategies in place by getting our priorities right with adept and prompt focus on receivables.

Modernization of Gandhinagar plant has led to cost efficiency by savings in conversion cost. Also, we have enhanced our manufacturing capacity of Raipur plant during FY 16 to rationalize overall capacity to optimize overall cost of production.

SUSTAINING GROWTH THROUGH STRENGTHENED CAPABILITIES

We are on an appropriate path leveraging our right capacities for making growth sustainable.

Over the years, KPTL's global diversity has enriched and evolved its project planning, design, sourcing and execution skills. Modernization of Gandhinagar plant has led to cost efficiency by savings in conversion cost. Also, we have enhanced capacity of our Raipur plant to rationalize overall manufacturing capacity of the Company for optimizing overall cost of production. Our strengths lie in design and engineering, procurement, fabrication, erection, installation & construction, testing and commissioning, post commissioning operation and maintenance. We leverage our contemporary system to provide design solutions in accordance with global standards and local needs. We have developed deep understanding of local working conditions including topographical conditions, geo-political environment, local laws and skilled labor availability. We leverage our in-house developed repository of the finest global practices and develop unique solutions suiting local environment and work conditions. This has further strengthened our global project execution credentials. Also, our various successful BOOT projects across T&D and Road segments highlight our efficient project-management prowess.

Our design experts are members of committee formed by CBIP (Central Board of Irrigation and Power) to revise "Manual on Transmission Lines (Publication No. 323)",

which is used for design of transmission line towers. Our Quality System is certified for internationally recognized standard like ISO and our plants are CE Certified for supply within European Economic Area (EEA). We are capable of Designing, Manufacturing and Construction of transmission line towers complying to international quality standards such as EN (Europe), ASTM/AM (America), GOST (Ukraine), CSA (Canada) and ASNZ (Australia and New Zealand). We have also won accolades from our clientele at both domestic and international front for execution of a well-planned strategy and deftly laid out business processes.

We have achieved zero accident across Power Grid Corporation of India Ltd. (PGCIL) orders signifying our strict focus on Quality Assurance and Safety.

We leverage modern technology such as Aerial survey and LIDAR for our complex operations. KPTL's fabrication plants are equipped with novel CNC punching/drilling machines and galvanized bath, well fitted to cater diverse client needs.

We are on an appropriate path leveraging our right capacities for making growth sustainable.

Awards

KPTL's project Satpura-Ashta Transmission Line undertaken for M.P. Power Transmission Co. Ltd. awarded **8th INDIA POWER AWARDS 2015** for its valued contribution to Energy Sector

KPTL won various awards from PGCIL for its excellence.

- "Best Transmission Line EPC Player in the country"
- "Best safety norms on PGCIL Projects (Zero Fatal accidents)"
- Runners up award namely "Maximum volume of work in 2015-16 on PGCIL Projects"

SUSTAINING GROWTH THROUGH DIVERSITY

KPTL has successfully established its presence into diversified business comprising of T&D segment, Cross Country Pipeline, Oil & Gas field Surface Facilities, Civil Infrastructure Projects, Power Generation (biomass) as well as Railway projects. We have forayed into high potential post-harvest value chain for agri-commodities through our subsidiary Shree Shubham Logistics. Keeping in mind global infrastructure needs and developmental activities, we are set to take advantage of our well-structured diversified business experience.

Our strategy to expand our presence in global arena has further fortified our diverse business portfolio. We have our footprints at over 40 countries across Africa, Middle East, CIS, SAARC, South East Asia, U.S.A, Canada and Europe. Also during the year, we have successfully ventured into new geographies like Malawi, Afghanistan, Botswana & Mauritania.

At the home turf, we have expanded our transmission line BOOT portfolio while nurturing our existing assets. Our PPP road BOOT projects are set for long term

assets creation essential for a balanced revenue model. Also, we have substantial L1 orders in hand to augment our business revenue. We are constantly looking out for new avenues which would further bring business growth backed by sustainability.

Keeping in mind global infrastructure needs and developmental activities, we are set to take advantage of our well-structured diversified business experience.

At KPTL, we are a leading global EPC player with diversified interests in power transmission & distribution (T&D), oil & gas pipeline, railways, infrastructure development, civil contracting and agri-commodity (post-harvest) logistics.

Our global footprints span India, Africa, Middle East, SAARC, North America, CIS region and Far East. We are currently executing turnkey projects in 21 countries. During the year 2015-16, we have secured projects worth ₹ 7,450 Cr.

- Clientele includes energy majors GAIL, IOCL, HPCL, BPCL, Cairn India, Reliance Industries, etc.

Railways

- Undertake tracklaying, signaling & telecommunication, and overhead electrifications works in India and overseas
- Leverage KPTL's electrification prowess and JMC's civil construction expertise

Construction (under subsidiary company, JMC Projects)

- A leading civil contracting company in India
- Execute civil & structural works for factories, buildings, roads and highways, metro stations, etc. across the country and focusing on international market
- Strong workforce of over 3,000 professionals

- Operates through Integrated business model focusing on the midstream agri-commodity value chain
- Wide network of ware houses across Rajasthan, Gujarat, Madhya Pradesh and Maharashtra
- Also undertake activities such as procurement, collateral management and funding facilitation besides primary processing

Under railway division, KPTL undertakes track laying, signaling & telecommunication, and overhead electrifications works in India and overseas. Kalpataru group tactfully leverages KPTL's electrification prowess and JMC's civil construction expertise.

Management Discussion and Analysis

ECONOMIC REVIEW

As per International Monetary Fund's (IMF) World Economic Outlook report, the global economy grew by 3.1% in 2015. The global economy growth remained muted in 2015 where advanced economies showed mix signs of revival and the emerging economies witnessed a slowdown. Oil and commodities prices remained subdued due to slowdown in emerging economies. The U.S. outperformed the developed economies in 2015 with 2.4% growth. The U.S. Federal Reserve increased rates by 25 bps signaling the end of a monetary policy easing and reinstating economy's growth confidence. IMF predicts emerging economies would be improving at a modest growth rate of 4.1% in 2016, pegging the global economic growth at 3.2%.

India economy overview

Amidst the global slowdown, the Indian economic growth has been resilient. The fall in global commodity prices majorly crude has helped India to move steadily on its recovery trajectory. With significant reduction in crude oil prices the government has not only saved on the subsidy expenditure but has also milked the opportunity by increasing excise duty on petrol & diesel. This has enabled the government to achieve its fiscal deficit target of 3.9%. The inflation has also remained under check where the Wholesale Price Inflation (WPI) remained in the negative territory for the complete year FY16.

As per the Central Statistics Office (CSO) estimates, the Indian economy is expected to grow at 7.6% in FY16. Softening Consumer Price index-based (CPI-based) inflation at 5.18% in February, 2016 indulged The Reserve Bank of India (RBI) cut its repo rate by 75bps in FY16 to a five year low of 6.50%. During FY16, the Indian Rupee (INR) depreciated 6.4% at ₹ 66.30 against USD due to U.S.

Fed hike, devaluation of Chinese Yuan and slowdown in global economy. But as compared to world currencies the INR has shown resilience.

Exhibit 2: India's GDP

India's exports fell 15.9% to USD 261.1 billion mainly due to real rupee strength, declining commodity receipts and weak global demand in FY16 while imports contracted by 15.3% to USD 379.6 billion. The trade deficit for FY16 was USD 118.5 billion. As per RBI estimates, India's merchandise exports and imports are expected to grow 1.7% and 4.4%, respectively, in FY17. Manufacturing booster 'Make in India' and the new Foreign Trade Policy (FTP) 2015-2020 initiative aims exports of goods and services to USD 900 billion by FY20.

To further strengthen the economic recovery the central government has increased its focus towards the infrastructure sector as well as the rural economy. The budget allocated capital expenditure was increased by 3.9% at ₹ 2,470.2 billion focusing on many new infrastructure projects.

SECTOR OVERVIEW

Transmission and Distribution

The investment in the Transmission and Distribution industry globally are focused towards construction of new transmission lines, new systems to support heavy industrial facilities, modernization and expansion of antiquated infrastructure and the need to reroute lines from closed plants to population centers. Transmission expansion in developing economies is mainly driven by accessibility to electricity to growing populations.

Independent transmission companies and merchant transmission developers are stepping in to provide the necessary stimulus. New sources for finance such as infrastructure funds and pension funds are beginning to target the electricity transmission sector. International funding and development institutions are widening their scopes to include transmission proposals.

Developing economies of Asia, Africa, Middle East and Latin America are expected to drive the growth in the power sector. Investment estimates of over USD 1,070 billion are anticipated to materialize this global growth. With 1,658 GW planned or expected to be added to the generation capacity another 1.04 million km of transmission lines are expected to be built up by 2020.

India

Policy makers in India have recognized that economic growth over the years has increased the burden on the existing infrastructure. An infrastructural deficit could act as a key hindrance to India's economic growth. India has laid huge focus on adding power generation capacities which has almost tripled over the last decade. However, the investment in T&D sector has lagged to meet the supply needs of the growing power generation capacities. Over the past year, central government's focus toward transmission investments has increased to build strong grid connectivity. The government's focus has also turned toward reducing transmission constraints and ensuring seamless power transfer across and within states.

With increased demand for higher flow of power across long distance, the Transmission industry in India has steadily moved towards high voltage lines. Currently, the transmission network in India is majorly of 400-765kV AC lines while HVDC networks are at 800kV. However there is a growing shift towards 1,200kV AC lines, for efficient supply of power over long distance. This growing shift towards higher voltage lines would lead to increased capex for T&D companies.

The government's vision of "Power for All" by 2019 is a very strong initiative towards significantly enhancing the grid network in India and also connecting the remote locations. This new initiative would lead to huge investment in the T&D sector in India which as per government estimates stands at close to Rs. 2.5 lakh crore.

The power transmission sector has seen robust capacity addition in FY16. As per the Central Electric Authority (CEA), between April –November 2015 at an all India level 15,721 Ckms of transmission lines have been added in the 220 kV voltage level and above level as compared to around 18,000 Ckms of lines in FY15. As on September 2015, total transmission lines added (AC and HVDC) was 3,29,158 Ckms. Going forward the CEA has set a target of 3,64,921 Ckms of new transmission lines for FY17.

Power of 'UDAY'

Central government has announced new rescue plan UDAY (Ujwal Discom Assurance Yojna) which provides a permanent resolution of past as well as potential future issues of the power sector and empowers the discoms to break-even in next 2-3 years. The scheme intends to achieve four key initiatives: a) reduction in interest cost of DISCOMs principally through phased takeover of discom debt by state governments; b) improving operational efficiencies of DISCOMs; c) reduction in cost of power purchase; and d) enforcing financial discipline on DISCOMs through an alignment with state finances.

The scheme envisages a significant state government support mainly in the form of taking over of 75% of discom debt (50% in H2 FY16 & 25% in FY17) by the respective State Governments & reduction in interest rate for the balance 25% of discom debt which may be issued in the form of discom bonds backed by State Government Guarantee. The scheme also envisages the states taking over the future losses of discoms from FY17 onwards in a graded manner.

Nine of the 16 states with stressed discom situation have signed the MOU with the union government in agreement of participation for UDAY scheme. RBI has notified that the UDAY bonds will be privately placed to ensure minimal market disruptions. RBI has also allowed these special bonds to be classified under Held-to-Maturity (HTM), restricting the threat of an immediate sell-off.

ICRA believes that the UDAY scheme is a significant positive for the power sector. ICRA estimates that if the scheme is implemented, the aggregate relief to discoms is likely to be around ₹ 880 billion per year by FY19 which translates into a reduction in losses by around ₹ 0.95/unit on an all India basis, although the per unit impact on the most affected states namely Uttar Pradesh, Tamil Nadu, Rajasthan and Haryana are likely to be significantly higher. This in turn should enable the distribution utilities to break-even over the next 3-4 year period.

The budgetary allocations towards schemes in power sector are up by over 50% to ₹ 12,200 Cr. Further, the Government's support to discom and decision to create 100-smart city, Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY), Restructured Accelerated Power Development and Reforms Programme (R-APDRP), and North East India transmission investment would brew-up the sector. Also, Power for All, Make in India and others schemes to catalyze the growth by dedicated green energy transmission corridors are being developed to cater to renewable energy projects. Land acquisition bill under discussion would boost the stalled projects and will ensure timely completion of infrastructure projects including transmission lines.

Africa

As per Africa Power Vision (APV), Africa will achieve an 80% residential electrification rate by 2040 and 90% for industry / business, with sufficient energy to deliver to those connected, while also implementing off-grid solutions. The installed capacity in the African region is expected to touch 240.6 GW by the end of 2020 growing at a CAGR of 10.1% as compared to 2014 capacity.

Exhibit 6: Transmission Line Length (over 100KV, in lac km)

Source: Global Electricity. Transmission - Report 2014-2020

With adequate collaboration between research firms, individuals and companies working within the energy sector agree that the resources and solutions are in place for electrification in Africa. A combined investment in grid and off-grid, fossil fuels and renewables, could speed the electrification of Africa leading to better growth prospects for the transmission & distribution sector. McKinsey's 2015 report 'Powering Africa' estimates the sub-Sahara Africa region would require about USD 490 billion of capital for new generating capacity, plus another USD 345 billion for transmission and distribution.

Middle East

The Middle East is among the most electricity intensive regions in the world, with a per capita electricity consumption of more than double the global average. As per Global Transmission Report 2013, the highest growth in generation capacity of 8.1% was witnessed in the Middle East region. The aggregate investment in the power transmission segment is expected to be over USD 38.7 billion by 2020. At USD 14.5 billion, Saudi Arabia attracts 37.4% of aggregate investments. Qatar and the UAE are expected to invest almost similar levels in their transmission segments.

Exhibit 7: Transmission Line Length (over 100KV, in lac km)

CIS Countries

The installed capacity of Ukraine by 2012 was about 53,800 MW. As per Ukraine's updated Energy Strategy 2030, about 8,100 MW of new capacity was planned to be added over by 2020. The progress on expansion of transmission network is muted due to limited demand. About 1,979 km of new transmission line would be added by 2020.

SAARC

Sri Lanka has already achieved a grid connectivity of 98%, which is commendable by South Asian standards. Current total installed power generation capacity of the country is approximately 4,050 MW. In FY15, Sri Lanka's Cabinet of Ministers prepared and executed a ten year plan 'Sri Lanka Energy Sector Development Plan for a Knowledge Based Economy 2015 – 2025' to aligned with the country's development drive and achieve self-sufficiency in power.

Asia Pacific

As per Frost & Sullivan, an increase in grid investments in 2015 is expected to drive the Asia-Pacific (APAC) transmission and distribution (T&D) market. Frost & Sullivan estimates that the T&D equipment market earned revenues of USD 22.66 billion in 2014 is estimated to surpass USD 24.11 billion in 2015. Efforts to extend the grid to remote communes in developing nations like Vietnam, Indonesia and the Philippines will also lend momentum to the Asia Pacific T&D equipment as well as EPC industry.

Investments in transmission and distribution are predicted to be strong in Indonesia, as rural electrification is the highest priority of the country's utilities, which aim to achieve 90% electrification

by 2025. Similar plans in the Philippines and Malaysia, where electrification rates are below 100%, will mean more investments in these areas as well.

The Asia-Pacific region has fast emerged as one of the key market for T&D players, with steady activity in China, reforms in many markets, electrification agendas and a focus on renewables driving a surge in mergers and acquisitions. As per EY, in terms of M&A the deal value is expected to breach USD 74.1 billion in 2015, an increased 100% over 2014. China contributed USD 51.7 billion or 69% of total regional deal value.

North America

As per Elecrama report 2016, In 2040, the U.S. electricity demand is expected to increase 24% from 2012. Spending on renewable energy projects has grown at a 37% CAGR over the past six years. It states approximately 70% of transformers and transmission lines are over 25 years old and 60% of distribution poles are 30 to 50 years old relative to useful lives of 20 years and 50 years respectively. The Investment in infrastructure is forecast to exceed USD 49 billion in 2016 towards replacements, up gradation and expansion. Smart Grid, demand response & consumer connect are focus areas of technological development which would provide growth to the T&D industry.

Railway

The focus and functioning of Indian Railway is set to change following the FY16 Railway Budget with an outlined five-year plan which includes: 1) capex of ₹ 8.56 trillion over FY16-20, which is ~3.5x the capex during FY11-15; 2) minimal populism; and 3) noted key structural reform measures like delegation of power, proposing an independent Rail Development Authority (RDA) for setting tariff & performance norms, expediting project sanctioning and concentrating resource allocation to priority projects. The Budget fosters the transformation with more pragmatic and efficiency-enhancing measures such as potential rationalization of freight tariffs to ensure competitiveness, zero-based budgeting & focus on cost savings, and increasing accountability by defining key result areas (KRAs) for zonal and divisional managers.

Key Highlights of budget

- Revenue generation targeted at ₹ 1.84 trillion
- FY17 targeted at Operating Ratio (OR) - 92%
- CAPEX pegged at ₹ 1.21 trillion; implementation through joint ventures with states, new frameworks for PPP, etc
- FY17 targeted commissioning 2,800 kms of track; commissioning Broad Gauge lines at over 7 kms/day against an average of about 4.3 kms/day in the last 6 years. It plans to increase it to 19 kms/ day in FY19
- Awarded dedicated freight corridors (DFC) worth ₹ 24,000 Cr; propose to take up North-South, East-West & East Coast freight corridors through innovative financing including PPP
- Finalized bids for two loco factories; proposed to increase the current procurement of train sets by 30%

- Life Insurance Corporation of India (LIC) has agreed to fund ₹ 1.5 lakh crore over next five years for construction of new lines and route electrification

India seems to have taken the pointers from China, U.S. and Japan by increasing planned expenditure. Channeling public resources for railway infrastructure will bring direct and indirect multiplier effects on the economy and fuel India's GDP growth, via 1) robust backward and forward linkages; 2) linking new markets/regions and providing last-mile connectivity to raw materials; 3) boosting price competitiveness of manufacturing by lowering input costs; 4) enhancing productivity through logistic efficiencies; and 5) flocking in private investments.

Construction:

Building 100 Smart Cities, Sagar Mala project, Pradhan Mantri Awas Yojana etc would be some of the major schemes giving a significant fillip to the construction industry in India. Increased impetus to the creation of affordable housing mission, along with quicker approvals and other supportive policy changes will soon result in an increase in construction activity. Likewise, the Atal Mission for Rejuvenation and Urban Transformation (AMRUT) will bring in increased activity in infrastructure and related sectors. With relaxed FDI norms the construction Industry is well poised to attract huge investments going forward.

Roads, rail, urban infra, defence, state spending, to spearhead next leg of growth

With the focus on building a new India, the Central and state governments are making substantial allocations in sectors such as roads, railway, urban infra, defence, power T&D, irrigation and water. Cumulatively, the Central government is estimated to expend more than ₹ 27 lakh Cr over the next five years. With the Centre increasing its allocation to states, the latter too are expected to spend ₹ 25 lakh Cr over the next five years.

Rising state government expenditure to spur order intake

Fund allocations to states by the Central government were raised substantially in the Union Budget 2015 from 32% of Union tax revenue to 42% for FY16. This should significantly spur development expenditure by state governments going forward. Cumulatively, state governments are budgeted to spend 65% more versus the Centre in FY16. The combined expenditure of states is budgeted at ₹ 25 lakh Cr for FY16; of this, capital expenditure is estimated at 14%.

Oil and Gas pipeline infrastructure

The oil and gas sector is among the six core industries in India and plays a major role in influencing decision making for all the other important sections of the economy. India is the fifth-largest Liquefied Natural Gas (LNG) importer after Japan, South Korea, the United Kingdom and Spain and accounts for 5.5% of the total global trade.

The country's gas production is expected to touch 90 Billion Cubic Metres (BCM) in 2040 from 35 BCM in 2013. Gas pipeline

infrastructure in the country stood at 15,808 km in December 2015. By FY16, India's demand for gas may touch 124 MTPA against a domestic supply of 33 MTPA and higher imports of 47.2 MTPA, leaving a shortage of 44 MTPA, as per projections by the Petroleum and Natural Gas Ministry of India.

By the end of the 13th five year plan, India is expected to have a natural gas pipeline network of around 31,432 kms with a design capacity of 782 MMSCMD with a nationwide gas grid and more uniform pipeline network coverage in place.

Exhibit 8: Summary – Pipeline infrastructure in 2030

Pipelines	Design Capacity (mmscmd)	Length (Kms)
Existing before 2012	306	12,144
Expected addition in the 12 th plan	416	15,928
Expected addition in the 13 th plan	60	3,360
Incremental Capacity addition in MBVPL / MBPL / Surat Paradip pipelines beyond 13 th plan till 2030*	33	1,295
Total	815	32,727

Agri Logistic

Warehousing and logistic have become a central function for many industries as they act as a storage place for all the materials starting from raw materials to finished goods spread over entire life cycle of any product. The industry is expected to grow at a CAGR of 12-13% for next 3 to 5 years. The key demand would be from importers and exporters for specialized services and custom-built warehouses. The boom of ecommerce in India is also one of the major demand drivers for logistics. The total logistics market accounts for over 6.2% of India's GDP and warehousing accounts for approximately 20% of the total Indian logistics industry. Currently, India has more than 2,000 million square feet of warehousing space out of which only 8% approximately is accounted by organized sector and the rest by unorganized sector consisting of third party logistics (3PL), individuals, etc.

Food wastage in India has always been an issue and efforts have been evaluated to combat hunger and improving food security which is subjected to bureaucracy and corruption. A huge amount of food is lost due to weak food supply chain. As on May, 2015, the cumulative storage capacity of various agencies such as Food Corporation of India (FCI), Central Warehousing Corporation, state warehousing corporations, cooperatives and private parties stood at just 121.11 million metric tonnes (mmt), while the marketable surplus of food grains in 2013-14 alone was approximately 159 mmt. In terms of volumes, studies conducted by Indian Council of Agricultural Research indicate that harvest and post-harvest losses of major crops and commodities in India are in the range of 4-6% of the total production. As per KPMG and the Associated Chambers of Commerce and Industry of India (ASSOCHAM), there

is a shortage of more than 10 million tonnes of cold storage for agri-produce in India.

With growing agri-produce, increased exports, Government's intention to curb agricultural wastage there is a need for better warehouse and logistics facility in India. The Warehousing (Development and Regulation) Act that aims to make warehousing receipts negotiable and set up accreditation agencies for warehousing registration, covering agri-warehousing under priority sector lending by RBI, tax holiday on warehousing income and subsidy schemes like that of NABARD are some of the key schemes which would support the growth of agri-warehousing sector in India.

SEGMENTAL OPERATIONAL PERFORMANCE

The Company has two key business segments, viz. Transmission & Distribution and Infrastructure EPC. Geographically, the revenue of the Company can be divided in two different segments – domestic and international. Revenue from domestic segment was ₹ 1,975 Cr (45%) and international segment contributed revenue of ₹ 2,390 Cr (55%) in FY16.

The other segment contributed ₹ 66 Cr in FY16 through generation and sale of power produced from two small biomass based power generation plants in Rajasthan.

Transmission & Distribution Segment (T & D)

T&D segment being the major business for the company contributes 86% of the total revenue of the Company. The revenue in T&D segment was declined to ₹ 3,739 Cr. in FY16 from ₹ 4,034 Cr. in the previous fiscal year due to delays in conversion of order and softening of commodity prices over the last one year.

Since inception, the Company has witnessed strong presence and performance in the T&D space. Subsequently, transmission sector is estimated to draw more investment globally, our T & D segment is expected to cater to the global prerequisite backed by well-timed project execution proficiencies.

Production (including outsourced) and dispatches of transmission line towers were 1,44,887 MT and 1,46,749 MT, respectively in FY16 as compared to 1,51,480 MT and 1,49,539 MT in FY15.

The Company erected 1,17,298 MT of transmission towers at various locations domestically and internationally and about 3,287 CKM of stringing work done to connect the grid to sub-station or sub-station to sub-station in FY16 as compared to about 1,60,000 MT of erection and about 2,600 CKM of stringing work in FY15.

During FY16, the segment has received following top 5 projects apart from several orders in Domestic and International orders:

- Design, Testing, Manufacturing and Supply of Tower Parts, Conductor, OPGW, Earth-wire, Insulator, Hardware & other relevant Accessories upto Site Store to (a) setup Alipurduar (Powergrid SS) Siliguri (Powergrid SS) 400kV D/C Transmission Line (2nd) with Quad Moose conductor in West Bengal (b) Kishanganj (Powergrid SS) - Darbhanga (DMTCL SS) 400kV D/C line with Quad Moose conductor in Bihar (c) 2 nos.

400kV line bays at Darbhanga for termination of Kishanganj - Darbhanga 400kV D/c(quad) line (d) 80MVAR switchable line reactors (with 400 ohm NGR) in each circuit at Darbhanga end of Kishanganj - Darbhanga 400kV D/c (quad) line of approx. ₹ 864 Cr.

- Design and Testing of towers, Supply of towers and line materials & Construction of Transmission Line Tower Package-TWOI for 765 kV D/C Vemagiri - Chilakaluripeta Transmission Line associated with “Beyond Vemagiri” Transmission System Project - Powergrid Southern Interconnector Transmission System Ltd of approx. ₹ 779 Cr.
- Manufacture, Supply, Erection, Testing and Commissioning of 400 KV D/C Line with QUAD Moose ACSR from Rasipalayam 400 kV SS to Palavadi 400 kV SS - Tamil Nadu Transmission Corporation Ltd. of approx. ₹ 770 Cr.
- Supply and Erection of 765kV D/C Chittorgarh-Ajmer Transmission Line for (Part-I & Part-II) associated with Green Energy Corridors for 148 km of approx. ₹ 443 Cr.
- Supply, Erection, Testing and Commissioning - 3 Nos. of 400kV Quad Moose DC lines from 400kV Julurupadu Sub Station to 400kV Suryapet Sub Station in Nalgonda Dist. - Transmission Corporation of Telangana Limited, Hyderabad of approx. ₹ 437 Cr.

During the year, the Company has received orders of approx. ₹ 6,650 Cr for this segment.

Infrastructure EPC

The segment includes cross country oil & gas pipeline laying and railway EPC business of the company. The revenue in this segment was increased to ₹ 559 Cr. in FY16 from ₹ 318 Cr. in the previous fiscal year.

During FY16, segment has received following projects:

- Construction of Pipeline and Associated Facilities in Spread 4, Spread 5 and Spread G of DNEPL Project worth around ₹ 188 Cr.
- Pipeline laying project from ONGC namely Nawagam Koyali Project worth around ₹ 187 Cr.
- Two projects in consortium from Rail Vikas Nigam limited (STS) worth around ₹ 181 Cr.
- Project in consortium from Rail Vikas Nigam limited (JMC & STS) worth around ₹ 78 Cr.
- Amlohri-Nigahi Project of NCL Singrauli, Madhya Pradesh worth around ₹ 65 Cr.

During the year, the Company has received orders of approx. ₹ 800 Cr for this segment.

The standalone order book at the end of FY16 is ₹ 8,300 Cr. with the following break-up:

- Transmission & Distribution - ₹ 7,000 Cr.
- Infra (Pipeline & Railways) - ₹ 1,300 Cr.

Construction

The order booked by JMC during FY16 was around ₹ 3,155 Cr and value of order on hand as on 31st March, 2016 stood at around ₹ 6,200 Cr. During the year, JMC has bagged certain prestigious orders, some of which are highlighted as under:

Factories & Buildings

- Construction of administrative building, schools, lecture hall complex, hostels etc. at Central University of Bihar Campus, Panchanpur, Gaya, Bihar.
- Township package for Gadawara STPP, Stage-I (2x800MW) NTPC. Scope includes Civil, MEP, Landscaping and other works like finishes, Doors/windows, electrical, plumbing at Gadawara, M.P.
- Civil, MEP, Landscape and other miscellaneous works, Landscaping & External development for Purva Palm Beach situated on Hennur Road, Bangalore.
- Civil structure works including finishing package of Ozone Avenue - Residential apartments situated at Devanahalli, Bangalore, Karnataka
- Prestige Falcon

Infrastructure

- Upgradation of 53.65 km road from Devengere to Channagiri of SH76 in Davengere, Karnataka.
- Construction of Flyover in Bhiwandi Nizampur City Municipal Corporation Limit on Kalyan Bhiwandi Road from Rajiv Gandhi Chowk to Sai Baba Temple at Bhiwandi, Mumbai.
- Infrastructure Development for sector - 5, 7, 15, 16 & 22 (Phase-I) in Naya Raipur by Naya Raipur Development Authority at Raipur, C.G.

Water Supply

Under Rural drinking water scheme of Bhagalpur, Pipe line supply and laying project at Bhagalpur, Bihar.

International

Design, Improvement works and Management and Maintenance Services for the Nekemte-Bure Road Upgrading Project at Ethiopia

Financial Review – Consolidated

The consolidated revenue of the Company grew 3%, with net revenue of ₹ 7,380 Cr during the year. The consolidated order book of the Company is approx. ₹ 14,500 Cr.

On a standalone basis, the company reported net revenue of ₹ 4,365 Cr in FY16, a dip of 1% over the last year. Revenue in the power transmission and distribution segment slides by 7% to ₹ 3,739 Cr in FY16 from ₹ 4,034 Cr in FY15. Infrastructure segment recorded a growth of 76% in FY16 over the last year.

EBITDA grew by 9% in FY16 over the last year. PAT was up by 20% in FY16 to ₹ 199 Cr from ₹ 166 Cr mainly on account of lower material consumption and finance cost.

Net fixed assets (including capital work in progress), at the end of FY16 is ₹ 543 Cr as against ₹ 559 Cr in the previous year. During the year under review, the depreciation is ₹ 84 Cr and net addition in the fixed asset is ₹ 46 Cr. As per the requirement of the Companies Act, 2013, the depreciation is charged on the useful life of assets.

Net current assets increased to ₹ 855 Cr as against ₹ 795 Cr in the previous year due to increase in inventories and trade receivables.

Borrowing levels of the Company has reduced and remains at a comfortable level with debt/equity ratio of 0.27.

The Company enjoys A1+ and AA rating for its short-term and long-term borrowing from CRISIL & CARE both. The company has sufficient working capital limits to support its growth plan.

OUTLOOK

The global T&D segment will witness steady growth in the coming days due to higher energy demand, integration of renewable energy in the grid. In India T&D segment offers tremendous opportunity as large scale investment by the Central and State government is unfolding. KPTL being a player in both global and domestic market will significantly benefit from this. The company showed a strong growth in the EPC of oil and gas and Railway and with legacy orders in Railway segments are nearly completed, the outlook remains very positive, especially in the Railway segment given the thrust of government towards upgrading and expanding the rail network and laying 15,000 km of additional pipeline to complete gas grid.

RISK MANAGEMENT

Risk management framework is an important ingredient of your company's sustainable business model. The current economic environment, in combination with significant growth ambitions of the Company, carried with it and evolving set of risk. It counters the impact of unfavorable internal and external events and attempts to ensure business continuity across different stages of the economic cycle. More so in-case of a cyclical industry like infrastructure where global liquidity, government policies, government spending, competition and corporate sentiments have a huge bearing on the industry's prospects. The Company recognizes that this risks need to be managed to protect its customers, employees, shareholders and stakeholders, to achieve its business objectives and enable sustainable growth. Risk and opportunity management is therefore a key element of the overall Company's strategy. Our risk management framework reduces the volatility due to unfavorable internal and external events, facilitates risk assessment and mitigation procedure, lays down reporting procedure and enables timely reviews by the management. This section provides an overview of the key risks and control framework and its approach to risk management. The following section discusses some of these risks and mitigation plans.

Economic Risk

Company's business may be affected by interest rates, changes in Government policy, taxation and other economic developments affecting India.

The Company has defined conservative internal prudential norms. The Company ensures a favorable debt equity ratio, moderate liquidity, strong clientele with timely payment track-record and focus on select markets minimize the impact in adverse. The Company has geographically diversified into multiple countries thereby reducing its dependency on one market or country.

Succession Planning Risk

Scarcity of management resources along with growing cost pose big challenge against building an effective succession structure at senior and middle management level.

The Company grooms its internal resources through various training programs on continuous basis and intend to build in-house trained team.

Execution Risk

Most of the projects that the company undertakes are by their nature long term and, consequently involves a variety of implementation risks, including construction delays, delay or disruption in supply of raw materials, delays in arranging the right of way, Managing locational issues, availability of timely skilled manpower, this can lead to cost overruns. Bank guarantee encashment may also impact Company's reputation.

The Company deploys a well-defined standard operating procedure – from project planning to delivery – and adheres to rigorous internal checks and balances with regard to every project.

Safety Risk

The Company is committed to conduct all its activities in such a manner so as to avoid harm to employees and the community.

Credit Risk

If a customer defaults in making payments on a project on which the company has devoted significant resources it could have an adverse effect on company's financials.

While selecting a project, the Company prefers clients with a good credit history and projects that are supported by reputed financial institution. In its global portfolio, the company prefers projects that are funded by multilateral funding agencies.

Input Price Risk / Commodity Price Risk

Company's business is significantly dependant on availability, cost and quality of the raw materials and fuels for the construction and development of projects taken. The principal raw materials include steel, zinc, aluminum conductors, copper, diesel oil, concrete, cement, metal, ballasts, reinforcement bars, electrodes and valves etc. Prices and supply of these are varied due to economic conditions, competition, production levels, and import duties etc.

The Company passes off such negative impacts to its client partially or completely by adding price escalation clause in most of the contracts. In case of firm price contracts, company tries to pass on back to back firm price contract to its vendor/contractor and/or also hedge itself through price discovery, wherever possible.

Currency Risk

With operations in many countries, any adverse movement in any particular currency can adversely impact financials. In present uncertain time, it becomes more difficult to judge the market and take appropriate decision.

The Company deploys twin pronged approach of maintaining a balanced order book mix (domestic and overseas orders) and currency hedging whenever possible to mitigate this risk. Foreign exchange risk is tracked and managed within the risk management framework. Short-term foreign currency asset-liability mismatch is continuously monitored and hedged.

Cyber Risk

At KPTL, the use of information and telecommunication technologies is increasing, resulting in greater security threats to its digital infrastructure. These impacts may include the loss of sensitive data or information, legal and regulatory breaches and reputational damage.

The Company continues to strengthen its cybersecurity policies, standards, technical safeguard, ongoing monitoring of new and existing threats and IT security awareness initiatives which include IT disaster recovery, emergency response and business continuity management capabilities to enable the reduction of the impacts of a cybersecurity event.

Regulatory Compliance Risks

The Company recognises that timely compliance with the ongoing frequently changing regulatory requirements can at times be challenging, and therefore will:

- Strive to understand the changing regulatory standards, so as to strengthen its decision making processes and integrate these in the business strategy of each of the segment in which it operates
- Drive business performance through the convergence of risk, compliance processes and controls mechanisms to ensure continued operational efficiency and effectiveness.

Political Risk

Social / Civil unrest, act of terrorism within India or internationally can have an impact on the Company's operations. Political and civil unrest and tensions globally may have an impact on a safe and timely execution of project, which may have financial implications.

The Committee reviewed the Company's risk management practices and activities on a quarterly basis. This included a review of risks to the achievement of key business objectives covering growth, profitability, talent aspects, operational excellence and actions taken to address these risks.

INTERNAL CONTROLS

The Company has an adequate system of internal controls implemented by the management towards achieving efficiency in operation, optimum utilization of the Company's resources and effective monitoring thereof and compliance with applicable laws and regulations.

The Company's internal audit department conduct regular audits to ensure adequacy of internal control systems, adherence to management instructions and compliance with laws and regulations of the country, as well as to suggest improvements.

The Internal Audit Function provides assurance to the Board and Senior Management in the various Businesses and Functions that the system of internal control deployed is appropriately designed to manage the key business risks and is operating effectively.

Audit plans, internal auditor's observations and recommendations, significant risk areas assessments and adequacy of internal controls are also periodically reviewed by the Audit Committee.

The Company has ERP system - SAP, to have better internal control systems and flow of information. Further, the Company is adhering to the rules and regulations of ISO guideline.

ENVIRONMENT, HEALTH AND SAFETY

Preservation and promotion of environment is of fundamental concern in all our business activities. Safety of Men, Machine and Materials are being prime concern of the Company and it provides better work place environment to all by engineering controls & implementing safe work methodology.

The Company has installed various instruments and equipment at its manufacturing facilities to maintain and increase environmental friendly and healthy working condition. At projects, the use of mechanical winch machine has been implemented for prevention of accidents & enhance productivity.

As per specific requirement of customers, the Company is carrying out fumigation of its export supplies and dull finishing of products to avoid reflection when it is installed at site. The Company is developing green area at and around all its facilities.

The Company has bagged the Safety Award from Power Grid Corporation of India Limited in the month of April 2016 and achieved Zero Fatality in PGCIL Projects during the FY16. This is a very proud moment for the organization as the whole team had shown a very strong commitment towards safety at all levels.

The Company has been awarded IMS certification at Unit II & International Projects including ISO 14001 (EMS) & OHSAS 18001 at Gandhinagar and EMS recertification at Raipur unit successfully completed recently.

STANDALONE FINANCIAL STATEMENTS

Independent Auditor's Report

TO
THE MEMBERS OF
KALPATARU POWER TRANSMISSION LIMITED

Report On the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Kalpataru Power Transmission Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

Independent Auditor's Report

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act, as applicable.
 - e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Auditor’s Report on the Standalone Financial Statements

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Kalpataru Power Transmission Limited (“the Company”) as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Annexure “A” to the Auditor’s Report on the Standalone Financial Statements

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” to the Auditor’s Report on the Standalone Financial Statements

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

- (i)
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings, are held in the name of the Company as at the balance sheet date. Immovable properties of land and buildings whose title deeds have been pledged as security for loans are held in the name of the Company based on the confirmations directly received by us from lenders. In respect of immovable properties of land and buildings that have been taken on lease and disclosed as fixed asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals and no material discrepancies were noticed on physical verification.
- (iii) According to the information and explanations given to us, the Company has granted loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013, in respect of which:
 - (a) The terms and conditions of the grant of such loans are, in our opinion, *prima facie*, not prejudicial to the Company’s interest.
 - (b) The schedule of repayment of principal and payment of interest has been stipulated and repayments or receipts of principal amounts and interest have been regular as per stipulations.
 - (c) There is no overdue amount remaining outstanding as at the balance sheet date.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) The maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, *prima facie*, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees’ State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues applicable to it to the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income-tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2016 for a period of more than six months from the date they became payable.

Significant Accounting Policies

for the year ended March 31, 2016

A. Basis of preparation of Financial Statement

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention except for certain fixed assets which are revalued.

B. Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

C. Fixed Assets:

Fixed assets are stated at cost of acquisition/construction net of recoverable taxes and include amounts added on revaluation, less accumulated depreciation / amortization and impairment loss, if any. All costs, including finance costs and adjustment arising from exchange rate variations attributable to fixed assets till assets are put to use, are capitalized.

D. Depreciation and Amortization:

Depreciation is provided on all depreciable fixed assets existing as on March 31, 2014 based on remaining useful life and on assets added after March 31, 2014 as per useful life prescribed in Schedule II to the Companies Act, 2013 on pro-rata basis, except:

- Depreciation on plant and machinery of bio-mass energy plants is provided considering the useful life of plant as 20 years, as specified in CERC and RERC Regulations.
- Depreciation on assets of overseas projects is provided at the rates and methods as per the requirement of laws of respective foreign countries as detailed in note no. 11.2
- Depreciation on Furniture & Fixtures at construction sites is provided considering the useful life of 3 years based on past experience.
- Intangible assets are amortized over a period of five years.

Depreciation is provided on Straight Line Method (SLM) except on assets pertaining to Research and Development Centre and one Unit (erstwhile Export Oriented Unit) is provided on the basis of written down value method.

E. Impairment of assets:

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, except in case of revalued assets.

F. Investments:

Long term investments are stated at cost after deducting the provision for diminution in value, if any, other than of a temporary nature. Current investments are stated at lower of cost and fair value.

G. Inventories:

Raw materials, Fuel, Semi finished goods, Finished goods, scraps, construction work in progress, construction materials and other stores and spares, tools are stated at lower of cost and net estimated realizable value. The cost of inventories is computed on weighted average basis.

H. Revenue Recognition:

(i) Transmission & Distribution Division:

Sales are recognized on delivery of materials and transfer of significant risk & reward. Sales include excise duty, freight receipts and export benefits but exclude Value Added Tax.

Erection and works contract revenue for work completed is recognized on percentage of completion method based on completion of physical proportion of the contract work. When it is probable that total contract cost will exceed the total contract revenue, the expected loss is recognized immediately.

(ii) Infrastructure EPC Division:

Revenue is recognized by adding the aggregate cost and proportionate margin using the percentage completion method. Percentage of completion is determined as a proportion of cost incurred to date to the total estimated contract cost. When it is probable that total contract cost will exceed the total contract revenue, the expected loss is recognized immediately.

(iii) Bio-mass Energy Division:

Revenue is recognized on supply of electricity generated to the customer.

Significant Accounting Policies

for the year ended March 31, 2016

- (iv) Others

Dividends are recorded when the right to receive payment is established. Interest income is recognized on time proportion basis.
- I. Trade receivables as at the year end under the contract are disclosed net of advances relating to the respective contracts received and outstanding at the year end.
- J. **Operating Cycle:**

Operating cycle for the business activities of the company covers the duration of the specific project/ contract including the defect liability period, wherever applicable and extends up to the realization of receivables (including retention monies) within the agreed credit period normally applicable to the respective project/contract.
- K. **Employee Benefits:**
 - (i) Gratuity liability is provided under a defined benefit plan, under Group Gratuity Cash Accumulation Schemes under an irrevocable trust. The Company's liability towards gratuity is determined on the basis of actuarial valuation done by an independent actuary, taking effect of actuarial gains and losses.
 - (ii) Contribution to Provident Fund, a defined contribution plan is charged to the Statement of Profit and Loss.
 - (iii) Provision for compensated absences is made on actuarial valuation as at the Balance Sheet date.

- M. **Foreign Currency Transactions and Translations:**

Foreign currency transactions are accounted during the year at the exchange rates prevailing for the month on the date of transaction.

Foreign currency monetary assets and liabilities, remaining unsettled at the end of the year are translated at the exchange rate prevailing at the end of the year and differences are adjusted in the Statement of Profit and Loss.

In case of transactions covered by forward exchange contracts, which are not intended for trading or speculation purpose, premium or discount are amortized as expenses or income over the life of the contract.

Any profit or losses arising on settlement or cancellation of such forward contracts or options are recognized in the Statement of Profit and Loss for year in which settlement or cancellation takes place.

Translation of overseas jobs / projects of non-integral foreign operations:

 - a) Assets and liabilities at the rates prevailing at the end of the year.
 - b) Income and expenses at the exchange rate prevailing on the date of transaction.
 - c) Resulting exchange differences are accumulated in foreign currency translation reserve account.
- N. **Borrowing Costs:**

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. All other borrowing costs are recognized as expense in the period in which they are incurred.
- O. **Taxes on Income:**
 - a) Tax on income for the current period is determined on the basis of estimated taxable income and tax credit computed in accordance with the provisions of the Income Tax Act, 1961.
 - b) Deferred tax is recognised on timing difference between estimated taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period(s) and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.
 - c) Deferred tax assets arising on account of unabsorbed losses or unabsorbed depreciation are recognized and carried forward only to the extent that there is virtual certainty supported by convincing evidence and Deferred tax assets arising on account of other timing differences are recognised to the extent there is reasonable certainty, that sufficient future taxable income will be available against which such deferred tax assets can be realised.
- P. **Provisions and Contingent Liabilities:**
 - i) Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and that probability requires an outflow of resources.
 - ii) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no disclosure is made.

CONSOLIDATED FINANCIAL STATEMENTS

Independent Auditor's Report on Consolidated Financial Statements

TO
THE MEMBERS OF
KALPATARU POWER TRANSMISSION LIMITED

Report On the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **KALPATARU POWER TRANSMISSION LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and jointly controlled entities, comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act, as applicable. The respective Board of Directors of the companies included in the Group and of its jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and jointly controlled entities as at March 31, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Independent Auditor's Report on Consolidated Financial Statements

Other Matter

We did not audit the financial statements of 19 subsidiaries and 2 jointly controlled entities, whose financial statements reflect total assets of ₹ 4,65,010.73 lacs as at March 31, 2016, total revenues of ₹ 2,80,291.70 lacs and net cash outflows amounting to ₹ 1,097.37 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and jointly controlled entities is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, as applicable.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2016 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and jointly controlled companies incorporated in India, none of the directors of the Group companies and jointly controlled companies incorporated in India is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in "Annexure A", which is based on the auditors' reports of the Holding company, subsidiary companies and jointly controlled companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's / subsidiary company's and jointly controlled company's incorporated in India internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and jointly controlled entities.
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary companies and jointly controlled companies incorporated in India.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of **KALPATARU POWER TRANSMISSION LIMITED** (hereinafter referred to as “the Holding Company”) and its subsidiary companies and jointly controlled entities, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and jointly controlled companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and joint controlled companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

Annexure “A” to the Auditor’s Report on Consolidated Financial Statements

and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Holding Company, its subsidiary companies and jointly controlled companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 12 subsidiary companies and 2 jointly controlled entities, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Significant Accounting Policies on Consolidated Financial Statements

for the year ended March 31, 2016

A. Basis of Preparation:

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention except for certain fixed assets which are revalued.

B. Principles of Consolidation:

The consolidated financial statements relate to the Kalpataru Power Transmission Limited ('the Company') its subsidiary companies, and jointly controlled entities. The consolidated financial statements have been prepared on the following basis;

- (i) The financial statement of the subsidiary companies and jointly controlled entities (JCE) used in the consolidation are drawn up to the same reporting date as of the parent.
- (ii) The financial statements of the Company and its subsidiaries have been combined on line-by-line basis by adding together, the book value of like items of assets, liabilities, income and expenses after eliminating intra group balances, intra group transactions and unrealized profits or losses, unless cost cannot be recovered.
- (iii) The excess of cost to the Group of its investments in subsidiary companies and Jointly controlled entities over its share of equity of the subsidiary companies / Jointly Controlled entities at the dates on which the investments in the subsidiary companies / Jointly Controlled Entities were made, is recognized as "Goodwill" being an asset in the consolidated financial statements and is tested for impairment on annual basis.
- (iv) Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movement in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year of subsidiaries attributable to the minority interest is identified and adjusted against the profit after tax of the group in order to arrive at the income attributable to shareholders of the Company.
- (v) Interest in Jointly Controlled Entities (JCE) are consolidated on a line-by-line basis by adding together the book values of like assets, liabilities, income and expenses on a proportionate basis to the extent of the group's equity interest in such entity as per AS 27 Financial Reporting of Interests in Joint Ventures. The intra-group balances, intra-group transactions and unrealized profits and losses have been eliminated to the extent of the Group's share in the entity except in three jointly controlled entities which have been reported by not using proportionate consolidation and the share of the profit/ loss only from joint venture entities has been accounted for, for the reason, as explained in Note No. 27 of these notes to accounts.

C. Fixed Assets:

- (i) Fixed assets are stated at cost of acquisition / construction / revalued amount less accumulated depreciation less impairment losses, if any.
- (ii) Cost includes all identifiable expenditure incurred to bring the fixed assets to their working condition for their intended use. When the fixed asset is demolished, disposed off or destroyed, the costs and related depreciation is removed from the books of account and the resultant profit or loss is reflected in the Statement of Profit and Loss. Finance cost on borrowings for acquisition or construction of qualifying fixed assets for the period up to the date of acquisition of fixed assets or when the assets are ready to be put in use is included in the cost of fixed assets.

D. Depreciation and Amortization:

Tangible Assets

Depreciation is provided on all tangible assets existing as on 31st March 2014 based on remaining useful life and on assets added after 31st March, 2014 as per useful life prescribed in Schedule II to the Companies Act, 2013 on pro-rata basis, except:

- a) Depreciation on plant and machinery of bio-mass energy plants is provided considering the useful life of plant as 20 years, as specified in CERC and RERC Regulations.
- b) Depreciation on assets of overseas projects is provided at the rates and methods as per the requirement of laws of respective foreign countries.

Significant Accounting Policies on Consolidated Financial Statements

for the year ended March 31, 2016

- c) Depreciation on Plant & Machinery and Shuttering Materials of a subsidiary is provided taking useful life of 10 years and 3 years respectively based on technical evaluation.
- d) Depreciation on Furniture & Fixtures at Construction Sites of parent company is provided taking useful life of 3 years based on past experience.
- e) Depreciation on fumigation covers and dunnages is provided taking useful life of 5 years and 3 years respectively.

Depreciation is provided on Straight Line Method (SLM) except on assets pertaining to Research and Development Centre, one Unit (erstwhile Export Oriented Unit), Real Estate and mining activities is provided on the basis of written down value method.

Intangible Assets

- a) Amortisation in respect of Toll Collection Rights is provided, in the ratio of revenue generated for the year to total projected revenue for entire concession period, as prescribed in Schedule II to the Companies Act, 2013
- b) Other Intangible assets are amortized over a period of three to five years.

E. Impairment of assets:

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, except in case of revalued assets.

F. Revenue Recognition:

- (i) Transmission & Distribution:

Sales are recognized on delivery of materials. Sales include excise duty, freight receipts and export benefits but exclude Value Added Tax.

Erection and Works Contract revenue for work completed are recognized on percentage of completion method based on completion of physical proportion of the contract work. When it is probable that total contract cost will exceed the total contract revenue, the expected loss is recognized immediately.

- (ii) Infrastructure EPC Division:

Revenue is recognized by adding the aggregate cost and proportionate margin using the percentage completion method. Percentage of completion is determined as a proportion of cost incurred to date to the total estimated contract cost. When it is probable that total contract cost will exceed the total contract revenue, the expected loss is recognized immediately

- (iii) Bio-mass Energy:

Revenue is recognized on supply of electricity generated to the customer.

- (iv) Construction:

Revenue is recognized on percentage of completion method based on completion of physical proportion of the contract work. Income on account of claims and extra item work is recognized to the extent group expects reasonable certainty about receipts or acceptance from the client. When it is probable that total contract cost will exceed the total contract revenue, the expected loss is recognized immediately.

- (v) Warehousing:

Revenues from warehousing facilities are recognized when services are rendered, which coincides with agreement entered with customers and other entities.

- (vi) Others:

Dividends are recorded when the right to receive payment is established. Interest income is recognized on time proportion basis.

Significant Accounting Policies on Consolidated Financial Statements

for the year ended March 31, 2016

N. Borrowing Cost:

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. All other borrowing costs are recognized as expense in the period in which they are incurred.

O. Taxes on Income:

- a) Tax on income for the current period is determined on the basis of estimated taxable income and tax credit computed in accordance with the provisions of the Income Tax Act, 1961.
- b) Deferred tax is recognized on timing difference between estimated taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period(s) and quantified using the tax rates and laws enacted or substantively enacted as on the balance sheet date.
- c) Deferred tax assets arising on account of unabsorbed losses or unabsorbed depreciation are recognized and carried forward only to the extent that there is virtual certainty supported by convincing evidence and Deferred Tax Assets arising on account of other timing differences are recognized to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.
- d) Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax and future economic benefit associated with it will flow to the Company.

P. Accounting for Project Mobilization expenses:

Expenditure incurred on mobilization and creation of facilities for site is written off in proportion to work done at respective sites so as to absorb such expenditure during the tenure of the contract.

Q. Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

R. Provisions and Contingent Liabilities:

- i) Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and that probability requires an outflow of resources.
- ii) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no disclosure is made.

- 36. (a)** One of the Subsidiaries has filed a writ petition in High Court of Rajasthan against order of Board of Revenue alleging violation of the principle of natural justice of audi alteram partem i.e. hearing the other party/side in the case where Board of Revenue questioned the purchase of land by the subsidiary at Alwar from the then owners. The value of land & building involved in the matter at book value is ₹ 831.76 lacs (Previous Year ₹ 831.76 lacs). The subsidiary does not expect any liability on account of the same.
- (b)** One of the Subsidiaries had received a letter from its term lender for projects in Rajasthan stating that the subsidy applied under Scheme of Development /Strengthening of Agriculture Marketing Infrastructure, Grading and Standardization (AMIGS) for its Agri Logistics Parks has not been approved on technical grounds as stated in Joint Monitoring Committee report and has recalled the advance subsidy of ₹ 225 lacs (Previous Year ₹ 150 lacs). The said advance capital subsidy received by the subsidiary company is credited to the relevant fixed assets of the subsidiary company in the year of receipt. The subsidiary company has represented the matter to National Bank for Agriculture and Rural Development (NABARD) and Directorate of Marketing & Inspection (DMI), Delhi. DMI has initiated the process for reviewing the same in the light of submissions made by the company. The subsidiary company believes that the projects are well qualified under the said subsidy scheme and the same would be approved by the relevant sanctioning authorities.
- 37.** During the year, Haryana Vidyut Prasaran Nigam Limited has deducted / withheld from one of the jointly controlled entity, ₹ 385.48 lacs (Parent's share ₹ 191.65 lacs) of unitary charges for the month of February and March 2016 due to system unavailability in February 2016 caused by Jat Agitation. As per Transmission Agreement, same has been recognised as revenue during the year by the subsidiary since the Act has been accepted as "Force Majeure Event" by the Authority and Independent Engineer.
- 38.** In respect of one of the projects of the Company, a customer has raised claims against the Company with regard to tower supplies made from March 2012 to April 2013. Based on legal advise the management believes that it has a strong case in arbitration. In view thereof, no provision has been made at this stage.

Notes on Consolidated Financial Statements

for the year ended March 31, 2016

44. The Management is of the opinion that as at the Balance Sheet date, there are no indications of a material impairment in the value of fixed assets. Hence, the need to provide for an impairment loss does not arise except provided in the books.
45. In the opinion of the management the balances shown under trade receivables, accrued value of work done, loans and advances and other assets, whether current or noncurrent, have approximately the same realizable value as shown in the accounts.
46. Figures pertaining to the group companies have been re-classified wherever necessary to bring them in line with the parent's financial statements.
