Continental Petroleum Limited

“CHAIRMAN & MANAGING DIRECTOR’S STATEMENT”

Respected Shareholders, Colleagues, and Partners

It gives me immense pleasure to present to you the Annual Report for the financial year 2024–25. This year has been one of resilience, consolidation, and forward momentum for Continental Petroleum Limited, as we continue our journey towards sustainable growth, operational excellence, and long-term value creation for all stakeholders.

Financial Performance

Despite global challenges and a highly competitive domestic environment, your Company has delivered a strong performance. We have successfully increased turnover, while also expanding our net profit margins—demonstrating the strength of our business model and the strategic choices we made in recent years.

Our focus on high-margin businesses, cost optimization, and prudent financial management has resulted in improved profitability and higher earnings per share, ensuring continued value for our shareholders.

Verticals Overview

1. Lubricants & Greases

We consolidated our operations by strategically exiting low-margin bulk sales and focusing on packaged lubricants. This shift has allowed us to strengthen our brand presence, improve margins, and expand our distribution network. Our packaged products are increasingly being recognized for their superior quality and reliability, both in domestic markets and in exports.

2. Hazardous Waste Incineration

As environmental stewardship becomes a national priority, our hazardous waste incineration business has witnessed robust growth. By providing safe and compliant disposal solutions, we have not only created a profitable business but also contributed significantly to environmental protection and sustainability. We are further enhancing capacity and compliance frameworks to serve a wider industrial base in the coming years.

3. EPC Projects (Power & Transmission)

Our EPC division has seen encouraging progress, with projects under the RDSS (Revamped Distribution Sector Scheme) advancing steadily. By March 2025, we have achieved meaningful milestones in the execution of power and transmission

projects, which are expected to contribute substantially to revenues in the coming years. This business line positions us strongly in the nation's energy and infrastructure growth story.

Corporate Social Responsibility (CSR)

At Continental Petroleums, we believe growth must be inclusive and sustainable. During the year, we undertook several CSR initiatives that reflect our deep commitment to community development and environmental conservation. Notably, we planted over **7,000 trees** in and around our factory premises, creating green belts that enhance biodiversity and improve the quality of life in surrounding communities.

We have also supported local educational programs and health awareness drives, staying true to our vision of being a responsible corporate citizen.

Forward Outlook

Looking ahead, we remain confident in our strategy. Our priorities will be:

- Scaling up the EPC order book with a focus on execution excellence,
- Expanding our lubricants and greases footprint across domestic and export markets,
- Enhancing capacity and technology in hazardous waste management, and
- Continuously strengthening governance, transparency, and ESG practices.

We will continue to invest in people, processes, and technologies that drive sustainable growth. With a focus on innovation and responsible business practices, Continental Petroleums Limited is well-positioned to seize emerging opportunities in energy, environment, and industrial growth.

Acknowledgements

On behalf of the Board, I extend my heartfelt gratitude to our shareholders, employees, customers, partners, and regulators for their unwavering support and trust. I also wish to place on record my appreciation for the dedication and hard work of our management team and staff, whose efforts remain the cornerstone of our success.

Together, we will continue to build a stronger, more sustainable company , contributing to national progress while delivering long-term stakeholder value.

Thanking You

CORPORATE OVERVIEW

Vision:

To build a self-sustaining institution that upholds the highest ethical standards, leading innovation in the manufacturing of lubricants and greases, environmentally responsible hazardous waste management, and EPC projects, while making a positive impact on industry and society.

Mission:

Our mission is to be a leading manufacturer in the automotive and industrial sectors, providing high quality products and exceptional services to our clients. We aim to contribute to society by managing hazardous waste through incineration, while actively participating in EPC projects to drive progress and development.

Independent Auditor's Report

To

The Members

CONTINENTAL PETROLEUMS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of Continental Petroleum Limited ("the Company"), which comprise the balance sheet as at 31st March 2025, and the statement of profit and loss (including Other Comprehensive Income), the cash flow Statement and the statement of changes in equity and for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, for example, Management Discussion and Analysis, Board's Report including Annexures to Board's

Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

We have been provided the aforesaid reports and based on the work we have performed, we did not observe any material misstatement of this other information and accordingly, we have nothing to report in this.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors for the year is in accordance with the provisions of the section 197 of the Act.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

3. Further to our comments in Annexure A, as required by Section 143(3) of the Act based on our audit, we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report "Annexure B".

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv.a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kinds of funds) by the company to or in any person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries.

b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party ("Ultimate beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate beneficiaries.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under clause (i) and (ii) of Rule 11 (e) as provided under (a) and (b) above contain any material misstatement.

v. Based on our examination which included test checks, the Company has used tally accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility, which have operated throughout the year for all relevant transactions recorded in the software. Based on our procedures performed, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Report on Internal Financial Controls Over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of CONTINENTAL PETROLEUMS LIMITED ("the Company") as of 31st March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting. Meaning of Internal Financial Controls over Financial Reporting A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting.

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to Permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of Unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the 31st March, 2025 financial statements of the Company, and these material weaknesses does not affect our opinion on the financial statements of the Company.

*** ROI as per GN

$ROI = \frac{MV(T1) - MV(T0) - \sum [C(t)]}{(T0) + \sum [W(t) * C(t)]}$

where, T1 = End of time period

T0 = Beginning of time period

t = Specific date falling between T1 and T0

MV(T1) = Market Value at T1

MV(T0) = Market Value at T0

C(t) = Cash inflow, cash outflow on specific date

W(t) = Weight of the net cash flow (i.e. either net inflow or net outflow) on day 't', calculated as $[T1 - t] / T1$

Companies may provide ROI separately for each asset class (e.g., equity, fixed income, money market, etc.).

SIGNIFICANT ACCOUNTING POLICIES

Notes on accounts forming part of the Ind AS financial statements as at end for the year ended 31st March, 2025

NOTE '1': COMPANY OVERVIEW

Continental Petroleum's Limited is a listed public limited Company incorporated on 22/07/1986, having registered office at A-2, Opp. Udyog Bhawan, Tilak Marg, C- Scheme, Jaipur- 302005. It's Corporate Identification Number is (CIN) L23201RJ1986PLC003704). The Company is engaged in production of liquid or gaseous fuels, illuminating oils, lubricating oil, or Greases or other products from crude petroleum or bituminous minerals, and government order supplier and contractor

NOTE '2': BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES:

2.1 Statement of Compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards

Notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 01, 2017. These financial statements comprising of Balance Sheet, Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows and Statement of Changes in Equity for the year ended March 31, 2025 have been prepared in accordance with Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2020.

2.2 Basis of Preparation of Accounts

The financial statements are prepared on going concern, accrual and historical cost basis except certain financial assets and liabilities which have been measured at fair value.

The Company has adopted all the Ind AS and that was carried out in accordance with Ind AS 101 "First time adoption of Indian Accounting Standards". The transition was carried out from Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, which was the previous GAAP. Reconciliations and descriptions of the effect of the transition have been summarized in Note 23 (12) (ii) and 23 (12) (iii).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements for the year ended March 31, 2025 were approved by the Board of Directors and authorize for issue on May 20, 2025.

2.3 Functional and Presentation Currency

The financial statements are prepared in Indian Rupees ("INR") which is the Company's presentation currency and the functional currency for all its operations. All financial information presented in INR has been rounded to the nearest Lakh with two decimal places unless stated otherwise.

2.4 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

The Company based its assumptions and estimates or parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Property, Plant & Equipment and Intangible Assets

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

2.5 Classification of Assets and Liabilities as Current and Non-Current

All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realization in cash and cash equivalent, the Company has determined its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.6 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made

Sale of Goods

Revenue from the sale of goods is recognized, when all the significant risks and rewards of ownership of the goods have passed to the buyer, the Company no longer has effective control over the goods sold, the amount of revenue and costs associated with the transaction can be measured reliably and no significant uncertainty exists regarding the amount of consideration that will be derived from the sales of goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

2.7 Inventory

Inventories are valued at the lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.8 Property, Plant & Equipment

Property, Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the costs to the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred.

The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset only if the recognition criteria for a provision are met and amount is considered material. Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

Depreciation

Depreciation is calculated on Straight Line basis over the useful lives of the assets as prescribed in Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.9 Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. Amortization methods and useful lives are reviewed periodically including at each financial year end.

Research and Development Costs

Research costs are expensed as incurred. Development expenditures are recognized as an intangible asset when they meet necessary recognition criteria.

2.10 Leases

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognized as operating lease. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term, unless the lease agreement explicitly states that increase is on account of inflation.

2.11 Impairment of Assets

Non-Financial asset

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss.

Financial Assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

2.12 Financial Assets & Liabilities

Financial Instruments

a) Initial Recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

b) Subsequent Measurement

(i) Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

(iv) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

c) De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

d) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

2.13 Foreign Exchange Transactions/Translations

Financial statements are presented in INR, which is Company's functional currency. Monetary assets and liabilities denominated in foreign currencies (except financial instruments designated as Hedge Instruments) are translated at the functional currency spot rates of exchange at the reporting date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

All exchange differences are included in profit or loss except any exchange differences on monetary items designated as an effective hedging instrument of the currency risk of designated forecasted sales or purchases, which are recognized in the other comprehensive income.

2.14 Employee Benefits

Short-term Employee Benefits are recognized as an expense on accrual basis. The Company does not have any liability towards long-term employee benefits.

2.15 Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be paid to or recovered from the taxation authorities in accordance with Income Tax Act 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in other comprehensive income or in equity.

Deferred Tax

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

2.16 Provision, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes.

Contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent assets are not recognized in financial statements and are disclosed in notes when it is virtually certain that economic benefits will inflow to the Company.

2.17 Segment Reporting

Identification of Segments: An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's chief operating decision maker to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the chief operating decision maker evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

2.18 Earnings Per Share

The Company presents basic and diluted earnings per share (EPS) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equities shares outstanding for the effects of all dilutive potential equity shares.

2.19 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.20 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.21 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

2.22 Fair Value Management

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

2.23 Recent accounting pronouncements

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The Company is evaluating the requirement of the amendment and the impact on the financial statements. The effect on adoption of Ind AS 21 is expected to be insignificant.

Ind AS 115, Revenue from Contract with Customers:

Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach)

The Company is evaluating the requirement of the amendment and the impact on the financial statements. The effect on adoption of Ind AS 115 is expected to be insignificant.

26. Members holding shares of the Company as on Monday, 22nd September, 2025 shall be entitled to vote at the Annual General Meeting of the Company. A person who is not a member as on the cut-off date should treat this notice for information purposes only.

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins Friday, 26th September, 2025 (9:00 A.M. IST) and ends on Sunday, 28th September, 2025 (05:00 P.M. IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Monday, 22nd September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

NOTES TO MEMBERS

To the kind attention of the Members of the Company holding shares in physical form: As you all aware, the shares of the Company are mandated by the Securities and Exchange Board of India (SEBI) for trading in dematerialized form by all Members. Members may please note that with effect from April 1, 2019, shares held in physical form cannot be transferred. Members in their own interest are requested to have their physical holdings dematerialized through a Depository Participant by opening a demat account.

We give below a brief overview of Depository, Depository Participants and Dematerialization (Demat) of Shares in order to encourage Members of the Company to convert their physical holdings to Demat form. Depository/Depository Participant:

A Depository can be compared to a bank. A Depository holds securities (like shares, debentures, bonds, Government Securities, units etc.) of Members in electronic form. Besides holding securities, a Depository also provides services related to transactions in securities. In India National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) are the 2 Depositories.

A Depository interfaces with the members through its agents called Depository Participants (DPs). If a member wants to avail the services offered by the Depository, the member has to open an account with a DP. This is similar to opening an account with any branch of a bank in order to utilize the bank's services. NSDL/CDSL provides its services to members through its agents called Depository Participants (DPs). These agents are appointed by NSDL/CDSL with the approval of SEBI. According to SEBI Regulations, amongst others, 3 categories of entities i.e .Banks, Financial Institutions and Members of Stock Exchanges [brokers] registered with SEBI can become DPs. You can get a list of DPs from NSDL's/CDSL's office or from their respective websites viz., at www.nsdl.co.in and www.cdslindia.com.

You can select your DP to open a Demat account just like you select a bank for opening a savings account. Some of the important factors for selection of a DP can be: Convenience - Proximity to your office/residence, business hours; Comfort - Reputation of the DP, past association with the organization, whether the DP is in a

position to give the specific service you may need? ; Cost - The service charges levied by DP and the service standards. You can approach any DP of your choice and fill up an account opening form. At the time of opening an account, you may have to sign an agreement with the DP in a NSDL/CDSL prescribed standard agreement, which details you and your DPs rights and duties. You will have to submit the documents relating to Proof of Identity, Proof of Address, Passport size photographs etc., with the prescribed account opening form.

Procedure and Benefits of Dematerialization (Demat) of shares are given below:

1. Demat is a process by which shares/securities held in physical form are cancelled and destroyed and the ownership thereof is retained in fungible form in a Depository by way of electronic balances.
2. The benefits of Demat are: Elimination of bad deliveries; Elimination of all risks associated with physical certificates; No stamp duty on transfers; Immediate transfer and trading of shares; Faster disbursement of non-cash corporate benefits like rights, bonus etc.; Periodic status reports and information available on internet; Ease related to change of address of member; Elimination of problems related to transmission of demat shares and ease in pledging the shares.
3. Procedure for getting demat shares in the name of legal heirs in the event of death of sole beneficial owner with nomination: - If the value of shares of the Company as on date of application is up to Rs. 5 Lakhs, the legal heirs should submit the following documents to the DP: Notarized copy of the death certificate; Transmission Request Form(TRF);Affidavit-to the effect of the claim of legal ownership to the shares; Deed of indemnity- Indemnifying the depository and DP; NOC from legal heirs, if applicable or family settlement deed duly executed by all legal heirs of the deceased beneficial owner. - If the value of the shares of the Company as on date of application is more than Rs. 5 Lakhs, the legal heirs should additionally submit one of the following documents to the DP: Surety Form; Succession certificate; Probated will and Letter of administration. Members holding shares in physical form are advised to dematerialize their shares to avoid the risks associated with the physical holding of such share certificates.

SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in physical form can submit their PAN details to the Company's Registrar and Transfer Agent (R&T): Beetal Financial & Computer Services Pvt. Ltd, Beetal House, 3rd Floor, 99, Madangir, Near Dada Harsukhdas Mandir, New Delhi, Delhi, 110062.
