Management Response – Performance & Future Outlook

"The quarter gone by witnessed improvement in Generic Engineering Construction and Projects Limited (GECPL) financial performance backed by healthy order book, diversified business portfolio and strong execution capabilities. Being headquartered in Mumbai, not only are we strategically located in the core market of Mumbai but have gradually expanded our presence to different states of India, establishing a Pan-India presence.

In the near-term, we expect the operating environment to continue to remain challenging. In this scenario, we will manage our business with agility, with continued focus on improving project delivery and high emphasis on maintain healthy margins. We will continue to drive consistent and profitable growth through strengthening core business verticals, scaling up international markets, cost management and optimal investments."
