NOTICE

STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("THE ACT")

The following Statement sets out all material facts relating to the Special Businesses mentioned in the Notice:

ITEM NO. 4 & 5

Shri Sandeep H. Junnarkar (DIN: 00003534) and Shri Chandra Raj Mehta (DIN: 00002011) were appointed as Independent Directors of the Company and they hold office as such up to 31st March, 2019 ('first term').

The Nomination and Remuneration Committee (NRC) of the Board of Directors, on the basis of the report of performance evaluation, has recommended re-appointment of Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta, as Independent Directors for a second term of 5 (five) consecutive years on the Board of the Company effective 1st April, 2019.

The Board of Directors, based on the reports of performance evaluation and as per the recommendation of the NRC, considers that, given their experience, knowledge and background and contributions made by them during their tenure, the continued association of Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta would be beneficial to the Company and it is desirable to continue to avail their services as Independent Directors. Accordingly, it is proposed to re-appoint Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta as Independent Directors of the Company, not liable to retire by rotation, for a second term of 5 (five) consecutive years on the Board of the Company effective 1st April, 2019.

Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta are not disqualified from being appointed as Directors in terms of Section 164 of the Act and have given their consent to act as Directors.

The Company has also received declarations from Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta, that they meet with the criteria of independence as prescribed both under Section 149(6) of the Act and under Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

In the opinion of the Board, Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta, fulfill the conditions for their re-appointment as Independent Directors as specified in the Act and the Listing Regulations. Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta are independent of the management.

Details of Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta, are provided in the "Annexure" to the Statement. They shall be paid remuneration by way of fee for attending meetings of the Board or Committees thereof and meeting(s) of Independent Directors or for any other purpose whatsoever as may be decided by the Board, reimbursement of expenses for participating in the Board and other meetings.

Copies of the letter of appointment issued by the Company to Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta, as Independent Directors for their first term setting out the terms and conditions are available for inspection by members at the Registered Office of the Company. The said terms and conditions of appointment are also available on the website of the Company at www.riil.in.

Save and except Shri Sandeep H. Junnarkar and Shri Chandra Raj Mehta and their relatives, to the extent of their shareholding interest, if any, in the Company, none of the other Directors / Key Managerial Personnel of the Company/ their relatives are, in any way, concerned or interested, financially or otherwise, in the resolutions set out at Item No. 4 and 5 of the Notice.

This Statement may also be regarded as an appropriate disclosure under the Act and Listing Regulations.

In accordance with the provisions of Section 149 read with Schedule IV to the Act, re-appointment of Independent Directors for the second term requires approval of members by way of a Special Resolution.

The Board commends the Special Resolutions set out at Item No. 4 and 5 of the Notice for approval by the members.

ITEM NO. 6

The Board of Directors of the Company ("Board"), at its meeting held on 12th April, 2018 has, based on the report of performance evaluation and subject to the approval of members, re-appointed Shri Dilip V. Corporate Governance Report

This report is prepared in accordance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), and the report contains the details of Corporate Governance systems and processes at Reliance Industrial Infrastructure Limited (RIIL or the Company):

1. Statement on Company's philosophy on Code of Governance

At RIIL, Corporate Governance is all about maintaining a valuable relationship and trust with all stakeholders. We consider stakeholders as partners in our success. We remain committed to maximising stakeholders' value, be it shareholders, employees, suppliers, customers, investors, communities or policy makers. This approach to value creation emanates from our belief that sound governance system, based on relationship and trust is integral to creating enduring value for all. We have a defined policy framework for ethical conduct of businesses. We believe that any business conduct can be ethical only when it rests on the six core values viz. Customer Value, Ownership Mindset, Respect, Integrity, One Team and Excellence.

The Company is committed to achieve and maintain the highest standards of Corporate Governance. Over the years, governance processes and systems have been strengthened within the Company and corporate governance has been an integral part of the way business is done.

The Company is of the view that good governance goes beyond good working results and financial propriety. The objective of the Company is not only to achieve excellence in Corporate Governance by conforming to prevalent mandatory guidelines on Corporate Governance but also to improve on these aspects on an ongoing basis with a continuous attempt to innovate in adoption of best business practices.

The Company not only adheres to the prescribed corporate governance practices as per the Listing Regulations but has also undertaken several initiatives towards maintaining the highest standards of Governance and these include:

- **Appropriate Governance Structure with defined roles and responsibilities**

The Company has put in place an internal governance structure with defined roles and responsibilities of every constituent of the system. The Company's shareholders appoint the Board of Directors, which in turn governs the Company. The Board has established four Committees to discharge its responsibilities in an effective manner. The functions of the Executive Director are under the overall supervision and authority of the Board of Directors of the Company. The Chairman of the Board guides the Board for effective governance structure in the Company. The Chairman takes a lead role in managing the Board and facilitating effective communication amongst Directors. The Company Secretary assists the Chairman in management of the Board's administrative activities such as meetings, schedules, agendas, communication

and documentation. The Company Secretary acts as the Secretary to all the Committees of the Board.

- **Independent Board with defined role and responsibilities**

The Board of the Company comprises 6 directors, out of which 3 are independent directors. The Board's actions and decisions are aligned with the Company's best interests. The Company has defined guidelines and an established framework for the meetings of the Board and Committees which seek to systematize the decision-making process at the meetings of the Board and Board Committees in an informed and efficient manner. The Board critically evaluates the strategic direction of the Company, management policies and their effectiveness. The agenda for the Board review, *inter-alia*, includes a review of annual operating plans, capital allocation and budgets, compliance of laws, rules, regulations, Corporate Social Responsibility activities. The Board also reviews related party transactions, possible risks and risk mitigation measures and financial reports from the Chief Financial Officer.

- **Ethics / Governance Policies**

The Company strives to conduct business and strengthen relationship in manner that is dignified, distinctive and responsible.

The Company adheres to ethical standards to ensure integrity, transparency, independence and accountability in dealing with all stakeholders. In this direction, the Company has adopted various codes and policies to enable it to discharge its duties and functions in an ethical manner. Some of the Codes and policies are:

1. Code of Conduct
2. Code of Conduct for Prohibition of Insider Trading
3. Health, Safety and Environment Policy
4. Vigil Mechanism and Whistle-Blower Policy
5. Policy on Materiality of Related Party Transactions and on Dealing with Related Party Transactions
6. Corporate Social Responsibility Policy
7. Policy for Selection of Directors and determining Directors' Independence
8. Remuneration Policy for Directors, Key Managerial Personnel and other Employees
9. Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information
10. Policy for Preservation of Documents
11. Policy on Determination and Disclosure of Materiality of Events and Information and Web Archival Policy
12. Dividend Distribution Policy

Corporate Governance Report

- **Audits, internal checks and balances**

Messrs D T S & Associates, Chartered Accountants, were appointed as Statutory Auditors of the Company, at the Annual General Meeting of the Company held on 28th July, 2017 for a term of 5 (five) consecutive years. The Company has an Internal Audit Cell besides external firms acting as independent internal auditors that reviews internal controls and operating systems and procedures. With respect to Legal Compliances, the Company conducts its business with high standards of legal, statutory and regulatory compliances. The Company has instituted a legal compliance programme in conformity with the best international standards, supported by a robust online system that covers all its activities. The purview of this system includes various statutes such as industrial and labour laws, taxation laws, corporate and securities laws, health, safety and environmental laws and specific laws applicable to the Company's business operations.

- **Management initiatives for Internal Controls**

The Company has robust internal control systems, including internal financial controls with reference to financial statements, commensurate with its nature of business which meets the following objectives:

- providing assurance regarding the effectiveness and efficiency of operations;
- efficient use and safeguarding of resources;
- compliance with policies, procedures and applicable laws and regulations; and
- transactions being accurately recorded and promptly reported.

These controls have been documented and digitised in the business processes and are regularly tested for design and operating effectiveness.

Periodical internal audits are being conducted of all its functions and activities to ensure that systems and processes are followed across all areas. The Audit Committee of the Directors of the Company regularly reviews the adequacy of internal control systems through such audits.

- **Corporate Governance practices**

It is the Company's constant endeavour to adopt the best Corporate Governance practices which include the following:

- All securities related filings with Stock Exchanges are reviewed every quarter by the Company's Stakeholders Relationship Committee of Directors.
- The Company also undergoes quarterly secretarial compliance certification conducted by an independent company secretary in whole-time practice. The quarterly secretarial audit reports are

placed before the Board and the annual secretarial audit report placed before the Board, is included in the Annual Report.

- Activities relating to transfer, transmission, demat, remat etc. of shares of the Company, redressal of investors complaints which are undertaken through Karvy Computershare Private Limited, the Share Transfer Agent, are audited by the R&T Auditors of the Company on a monthly basis and reports of R&T Auditors are placed before the Stakeholders Relationship Committee of Directors on a quarterly basis.

- **Shareholders' communications**

The Board recognises the importance of two-way communication with shareholders and giving a balanced report of results and progress and responding to questions and queries raised in a timely and consistent manner. The Company's website (www.riil.in) has information for institutional and retail shareholders alike. Shareholders seeking information related to their shareholding may contact the Company directly or through Company's Share Transfer Agent, details of which are available on the Company's website.

- **Role of the Company Secretary in overall governance process**

The Company Secretary plays a key role in ensuring that the Board (including Committees thereof) procedures are followed and regularly reviewed. The Company Secretary ensures that all relevant information, details and documents are made available to the Directors and senior management for effective decision-making at the meetings as well as in day-to-day administration of Company's affairs. The Company Secretary is primarily responsible to assist and advice the Board in the conduct of affairs of the Company, to ensure compliance with applicable statutory requirements to provide guidance to directors and to facilitate convening of meetings. He interfaces between the management and regulatory authorities for governance matters.

2. Board of Directors

Board composition and category of Directors

The Company believes that an active and well informed Board is necessary to ensure the highest standards of Corporate Governance. It is well-recognized that an effective Board is a pre-requisite for strong and effective Corporate Governance. The Company has a Board with an optimum mix of Executive and Non-Executive Directors including one woman Director. More than fifty percent of the Board of Directors are Non-Executive Directors. Half of the Board of Directors are Independent Directors. All Directors are from diverse backgrounds to effectively contribute to the Company's decision making process.

The day-to-day management of the Company is entrusted with the Executive Director and the Senior Management Personnel of the Company who function under the overall supervision, direction and control of the Board of Directors.

The composition of the Board and category of Directors are as follows:

Category	Name of Directors

Board's Report

Industry Structure, Developments, Opportunities and Outlook

Infrastructure sector is a key driver for the Indian economy. The sector is responsible for propelling India's overall development and enjoys focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country.

The Government has set out large-scale infrastructure development programmes which provide significant opportunities for industry players to help transform the sector and partner India's socio-economic progress. The Government continues to focus on Railways, Roads, Sagarmala project (for ports and coastal development), Housing for All, Inland waterways and Make in India initiatives.

Urban and rural infrastructure and road development is one of the top priority areas for the Government. A favourable ease of doing business environment and numerous initiatives announced for the infrastructure sector is expected to boost demand for infrastructure services. Further liberalisation on foreign direct investment (FDI) for infrastructure projects in the country has increased the pace of infrastructural developments. There are several industries which are directly or indirectly dependent on the development of infrastructure sector.

The Government of India has taken significant initiatives to strengthen the economy of the country and make it one of the strongest economies in the world. Owing to higher infrastructure spending and continued reforms in fiscal and monetary policy, the Indian economic outlook has been further strengthened. The Government of India is striving to move steadily to minimize bottlenecks and attract higher investment for the infrastructure sector.

The Company will continue to seek growth opportunities with its focus on the infrastructure sector.

Challenges, Risks and Concerns

Infrastructure Industry in India has registered great progress in the recent years. Creation of infrastructure is vital for India's economic development as the opportunities for future growth are enormous in the country.

Underlying challenges in productivity, profitability, performance, labour, and sustainability could disrupt the industry's growth. The combination of increasing project complexity and competition and decreasing experience and skill-sets is a risk multiplier, increasing the risk of deliverable delays, quality construction problems, and employee safety concerns.

It is important to innovate and adopt new methods while implementing infrastructure projects. Modern construction equipment and machineries used in infrastructure development, help reduce the cost of project and also shorten the project completion time. In order to keep up with the challenges which the infrastructure sector has to offer, the Company focuses on deploying the latest machineries with trained work force.

Some of the greater challenges that hinder infrastructure progress of the economy are easy access to finance, availability of land and delays in project completion leading to cost and time overruns. However, the Government has undertaken some key reforms

that include stronger co-operation between the private and public sectors, enforcing of a unified legal framework, single window approval process, creation of better dispute-resolution mechanisms and removing bottlenecks.

The Company's ability to foresee and manage business risks is crucial in its efforts to achieve constructive outcome. While the Company's long term outlook, is subject to a few risks and uncertainties, with its strong financials and past track record, the Company is well positioned to mitigate those risks.

Human Resource Development

The Company has a team of able and experienced professionals. The Company believes that the quality of its employees is the key to its success in the long run. The Company continues to have cordial relations with its employees. The Company provides personal development opportunities and all round exposure to its employees.

Internal Controls

The Company has robust internal control systems and procedures commensurate with its nature of business which meets the following objectives:

- providing assurance regarding the effectiveness and efficiency of operations;
- efficient use and safeguarding of resources;
- compliance with policies, procedures and applicable laws and regulations; and
- transactions being accurately recorded and promptly reported.

The Company continues to have periodical internal audits conducted of all its functions and activities to ensure that systems and processes are followed across all areas.

The Audit Committee of Directors of the Company regularly reviews the adequacy of internal control systems through such audits. The Internal Auditor reports directly to the Audit Committee.

The Company also has a budgetary control system to monitor expenditure against approved budgets on an ongoing basis.

Internal Financial Controls

Internal Financial Controls are an integrated part of the risk management process, addressing financial and financial reporting risks. The Company has in place adequate internal financial controls with reference to financial statements.

Assurance on the effectiveness of internal financial controls is obtained through management reviews, control self-assessment, continuous monitoring by functional experts as well as testing of the internal financial control systems by the Statutory Auditors and Internal Auditors during the course of their audits.

We believe that these systems provide reasonable assurance that our internal financial controls are designed effectively and are operating as intended.

Risk Management

The Company has in place a Risk Management Policy which was reviewed by the Audit Committee and approved by the Board of Directors of the Company. The Policy provides for a robust risk management framework to identify and assess risks such as safety, health and environment, operational, strategic, financial, security, property, regulatory, reputational and other risks and put in place an adequate risk management infrastructure capable of addressing these risks. Further, a risk assessment group has been constituted by the Board of Directors of the Company, comprising functional executives/ experts to identify, monitor and report on the potential risks associated with the Company's business and periodically keeps the Audit Committee and the Board of Directors apprised of such risks and the measures taken by the Company to mitigate such risks.

Given below are significant potential risks of the Company and measures in place to mitigate them:

Operational Risk: Disruptions in operating the Company's pipelines and equipments may arise due to natural calamities, equipment failures or other unexpected or unforeseen interruptions. The Company consistently works towards monitoring the health of the pipelines and maintaining or improving operational efficiencies.

Safety, Health and Environment Risks: The Company's activities of transporting petroleum products through its pipelines are inherently hazardous. Any accident, explosion, leakages or acts of terrorism may cause property damage or bodily injury and adversely impact surrounding communities and environment which may result in litigations and disruption of operations. The Company has structured inspections of its operating facilities for identifying and mapping operational hazards, investigating root cause analysis and to eliminate any such occurrence by developing mitigation plans.

Further, there is a comprehensive insurance plan in place to cover the above risks.

FOR THE FINANCIAL YEAR ENDED 31 MARCH 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Reliance Industrial Infrastructure Limited
5th Floor, NKM International House
178 Backbay Reclamation, Babubhai Chinai Road,
Behind LIC Yogakshema Building, Mumbai 400 020

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Reliance Industrial Infrastructure Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March 2018 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment. Provisions relating to Foreign Direct Investment and External Commercial Borrowings were not applicable to the Company during the Audit Period;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 ;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 **(Not Applicable to the Company during the Audit Period);**
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 **(Not Applicable to the Company during the Audit Period);**
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 **(Not Applicable to the Company during the Audit Period);**
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(Not Applicable to the Company during the Audit Period);**
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not Applicable to the Company during the Audit Period); and**
- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India; and
- (ii) The Listing Agreements entered into by the Company with Stock Exchanges.

During the audit period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test check basis, the Company has complied with the following laws applicable specifically to the Company:

- Petroleum Act, 1934 and rules made thereunder
- The Petroleum and Natural Gas Regulatory Board Act, 2006 and the rules made thereunder.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice of meetings of the Board of Directors were given to all directors and agenda and detailed agenda notes in respect of such meetings, except where consent of the directors was received for scheduling meeting at a shorter notice, were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

ANNEXURE VII

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To the Members,

Reliance Industrial Infrastructure Limited

We have examined the compliance of conditions of Corporate Governance by Reliance Industrial Infrastructure Limited, for the year ended on 31st March, 2018, as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance as stipulated in the said Listing Regulations. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the relevant records of the Company in accordance with the Generally Accepted Auditing Standards in India, to the extent relevant and as per the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India.

In our opinion and to the best of our information and according to the explanations given to us, and based on the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations.

We state that such compliance is neither an assurance as to future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Section E: Principle-wise Performance

PRINCIPLE 1 – ETHICS, TRANSPARENCY AND ACCOUNTABILITY BUSINESSES SHOULD CONDUCT AND GOVERN THEMSELVES WITH ETHICS, TRANSPARENCY AND ACCOUNTABILITY

1. **Coverage of Policy relating to Ethics, Bribery and Corruption (e.g. joint ventures, suppliers, contractors and NGOs, among others)**

The Company has a defined Code of Business Conduct and Ethics. This Code covers the Company and is applicable to all Directors, Management Personnel and employees. The Code of Conduct serves as a roadmap to all Directors and employees of the Company across all levels and grades. The Company has adequate control measures in place to address the issues relating to ethics, bribery and corruption in the context of appropriate policy.

2. **Stakeholder complaints received in the past financial year and percentage of complaints satisfactorily resolved by the management**

The Company received 04 investor complaints from its shareholders during FY 2017-18, which were promptly resolved. No complaint was outstanding as on 31st March, 2018. Save and except the above, no complaint was received from any other stakeholders.

PRINCIPLE 2 – PRODUCT LIFE CYCLE SUSTAINABILITY

BUSINESSES SHOULD PROVIDE GOODS AND SERVICES THAT ARE SAFE AND CONTRIBUTE TO SUSTAINABILITY THROUGHOUT THEIR LIFE CYCLE

1. **List up to 3 products or services whose design has incorporated social or environmental concerns, risks and/or opportunities**

The following are the services whose design have incorporated social and environmental concerns:

a) Product transportation through pipelines having Supervisory Control and Data Acquisition (SCADA) and Leak Detection system (LDS)

SCADA installed on pipeline, monitors the operation parameter with real time data, as well as ensures that all safety interlocks for pumps and valves as well as of pipelines operation are active all the time. In case of emergency, pipeline operating pumps will be stopped from Remote locations and affected pipeline section will be isolated, to ensure minimum product loss thus enhancing the safety in pipeline operation and minimum damage to environment.

LDS provide the comfort of online monitoring of any leak from pipeline as well as identifying the leak locations on real time basis. This will help to handle the emergency in shortest possible response.

b) Regular security surveillance to ensure safe operation and environment protection

Regular Security Surveillance with foot patrolling on pipeline route by Security and Surveillance team, ensures that no third party activities are carried out on pipeline Right of Use, which can result in pipeline damage.

2. **For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):**

a) **Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?**

b) **Reduction during usage by consumers (energy, water) has been achieved since the previous year?**

As an infrastructural facilities and support services provider, the operations of the Company require minimal energy consumption. Continuous efforts are made to reduce the consumption of energy viz. use of low energy consuming LED lights being encouraged at workplace, upgradation of anode beds for reducing power requirement of Cathodic Protection system, conversion of Gas Operated Sectionalising valves to motor operated by installing smart actuators for better reliability, installation of online corrosion monitoring system on pipelines etc.

3. **Procedures in place for sustainable sourcing (including transportation)**

The Company is in the business of providing infrastructural facilities and support services and as such does not source any materials from outside for carrying out its business activities.

Business Responsibility Report

4. Steps taken to procure goods and services from local and small producers, including communities and capability building initiatives, undertaken for local and small vendors

The Company is in the business of providing infrastructural facilities and support services which includes product transportation, hiring of construction machineries and IT support services. The Company strives to establish effective business relationship with local industry. The Company has deployed local vendors and contractors for maintenance of pipeline infrastructure, commutation, house-keeping and horticulture contracts.

5. Mechanism to recycle products and waste

The Company is in the business of providing infrastructural facilities and support services which does not generate any significant waste products.

BUSINESSES SHOULD RESPECT, PROTECT AND MAKE EFFORTS TO RESTORE THE ENVIRONMENT

1. Coverage of the policy related to Principle 6 to the Company and its extension to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others

The Company believes in safeguarding the environment while executing its operations. To this effect, it takes every effort towards environmental conservation. The Company's Health Safety and Environment Policy aims that protection of the environment is of paramount importance. The Company ensures to do business with minimal environmental impact that aims at the rational use of natural resources and reduced waste and emissions.

The Company also adheres to the Environmental Policy of Reliance Industries Limited, a major stakeholder, which addresses issues related to Group companies, Joint ventures, suppliers, contractors and customers.

2. The Company's strategies/initiatives to address global environmental issues, such as climate change, global warming and more

The Company adheres to all legal requirements and norms of energy conservation and other environmental conservation standards stipulated by the Government of India. The Company has implemented prescribed parameters pertaining to safety, environment and sustainability arising

out of review of its pipeline performance carried out during the last financial year and the same was found satisfactory.

3. Identification and assessment of potential Environmental Risk

Regular assessment of the environmental risks and mitigation strategies are undertaken by the Company. The Company has systems in place that ensure continuous monitoring of potential environmental risks involved in its operations. Environmental audits are carried out regularly, which helped in identifying potential risks and necessary corrective actions are taken to mitigate the same. Periodic audits conducted as part of these management systems which helped the Company to identify potential risks at its locations.

4. Company's initiatives towards clean development mechanism

Keeping in view its nature of operations, the Company has not identified any project towards Clean Development Mechanism.

5. The Company's initiatives on – clean technology, energy efficiency and renewable energy, among others

The Company uses clean technology in an efficient manner for its business operations. Please refer Energy Conservation, Technology Absorption section of the Board's Report included in this Annual Report for further details.

6. Reporting on the emissions/waste generated by the Company as per the permissible limits given by CPCB/SPCB

There is no manufacturing process involved in Company's operational activities. Transportation of petroleum products and water through underground pipelines does not generate any hazardous waste or emission. However procedures are in place to mitigate the accidental release of the products and communication of all such incidences to the governing authorities. Efficient control equipment and robust procedures help the Company to meet the applicable environmental standards continuously. Half yearly compliance being submitted to local governing authorities and Ministry of Environment and Forest.

5. Steps undertaken to ensure that community development initiatives are successfully adopted by the Community

Engagement with the community helps in identifying needs of the stakeholders and leads to greater sense of ownership among the people, ensuring sustained outcomes. Their capacities are built through multiple training programmes to make them self-sufficient and capable of managing the programme even in the absence of a third party. The Company continues to support initiatives to provide medical care needs necessary for the community. Multiple interactions are held with communities through meetings, meetings with local administration and officials from the line departments to understand the primary necessities. The Company encourages regular feedback from the beneficiaries to continuously improve facilities and specialised services in locations where there is a demand.

PRINCIPLE 9 – CUSTOMER VALUE

BUSINESSES SHOULD ENGAGE WITH, AND PROVIDE VALUE TO THEIR CUSTOMERS AND CONSUMERS RESPONSIBLY

1. Percentage of customer complaints/consumer cases pending as on the end of financial year

The Company's main customers are Reliance Industries Limited and its group companies. The Company proactively interacts with its customers to understand their requirements and concerns and find ways and means to address their concerns, requirements and improve their satisfaction level.

During FY 2017-18, no complaint was received from any of the customers.

2. Product information and product labelling

The Company is into the business of providing infrastructural facilities and support services viz. transportation of petroleum products and water through its underground pipelines, hiring of construction machineries and providing IT support services and as such does not require to display any such information.

3. Case filed by any stakeholder against the Company regarding Unfair Trade Practices, irresponsible advertising and/or Anti-Competitive behaviour during the last five years and pending as on end of the financial year

No such case has been filed against the Company.

4. Consumer survey/consumer satisfaction trends carried out by the Company

As mentioned hereinabove, Reliance Industries Limited and its group companies are the main customers of the Company. Customer satisfaction is significant for the Company as it ensures the Company's overall reputation in the geographies it operates in.

To understand its customers better, the Company follows several modes of engagement. Such modes include customer audits, customer surveys, direct feedback taken by visiting managers/plant personnel and site visits organised for customers. These modes help the Company to understand customer requirements, satisfaction levels and customer behaviour. The Company also conducts one-to-one meetings with its customers to enable efficient communication and resolve specific needs / concerns.

**STANDALONE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2018**

Independent Auditor's Report

To the Members of Reliance Industrial Infrastructure Limited

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of **Reliance Industrial Infrastructure Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the Financial Position, Financial Performance including Other Comprehensive Income, Cash Flows and Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone

Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the Standalone Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2018, and its Profit including Other Comprehensive Income, its Cash Flows and the Statement of Changes in Equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018, from being appointed as a director in terms of section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rules 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would have impact on its financial position.
 - ii. The Company did not have material foreseeable losses on long term contracts including derivative contracts that require provision under any law or accounting standards for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company except ₹ 2.88 lakh, which are held in abeyance due to pending legal cases.

“Annexure A” to the Independent Auditors’ Report

(Referred to in Paragraph 1 under “Report on Other Legal and Regulatory Requirements” of our report of even date)

- (i) In respect of its fixed assets :
- a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets on the basis of available information.
 - b) As explained to us, all the fixed assets have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such physical verification.
 - c) According to the information and explanations given to us and the title deeds / lease deeds and other records examined by us, we report that the title deeds / lease deeds in respect of all the immovable properties of lands which are freehold, immovable properties of land that have been taken on lease and disclosed as fixed assets in the financial statement and buildings are held in the Company’s name or in the Company’s erstwhile name as at the balance sheet date.
- (ii) As explained to us, physical verification of the inventories have been conducted at reasonable intervals by the management, which in our opinion is reasonable, having regard to the size of the Company and nature of its inventories. No material discrepancies were noticed on such physical verification.
- (iii) The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Consequently, the requirement of clause (iii) (a) to clause (iii) (c) of paragraph 3 of the Order is not applicable to the Company.
- (iv) The Company has not directly or indirectly advanced loan to the persons covered under Section 185 of the Act or given guarantees or securities in connection with the loan taken by such persons. The Company has complied with provisions of Section 186 of the Act with respect to investments made. The Company, being infrastructure facilities provider as defined under Section 186 of the Act read with Schedule VI to the Act, the provisions of Section 186 of the Act with respect to loans given, guarantees and security provided are not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Therefore, the clause (v) of paragraph 3 of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under subsection (1) of Section 148 of the Act applicable in respect of certain activities undertaken by the company and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) In respect of Statutory dues :
- a) According to the records of the Company, undisputed statutory dues including provident fund, employees’ state insurance, income tax, sales tax, service tax, goods and services tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues have been regularly deposited with appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues, were outstanding as at March 31, 2018 for a period of more than six months from the date they became payable.
 - b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, goods and services tax, duty of customs, duty of excise, value added tax, cess on account of any dispute, which have not been deposited.
- (viii) The Company has not raised loans from financial institutions or banks or government or by issue of debentures and hence clause (viii) of paragraph 3 of the Order is not applicable to the Company.
- (ix) The company has not raised money by way of initial public offer or further public offer (including debt instruments) or term Loan and hence clause (ix) of paragraph 3 of the Order is not applicable to the Company.
- (x) Based on the audit procedures performed for the purpose of reporting the true and fair view of the Standalone Financial Statements and as per information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a nidhi Company. Therefore, the provisions of clause (xii) of paragraph 3 of the Order are not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, the Company has not entered into any transactions with related parties that require approval under section 177 and section 188 of the Act and the rules made thereunder. Hence, clause (xiii) of paragraph 3 of the Order is not applicable to the Company.
- (xiv) In our opinion and according to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year and hence clause (xiv) of paragraph 3 of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transaction with the directors or persons connected with them and covered under section 192 of the Act. Hence, clause (xv) of the paragraph 3 of the Order is not applicable to the Company.
- (xvi) To the best of our knowledge and as explained, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

“Annexure B” to the Independent Auditors’ Report

(Referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Control over financial reporting of **Reliance Industrial Infrastructure Limited** (“the Company”) as of 31st March, 2018 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for the Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

A. CORPORATE INFORMATION

Reliance Industrial Infrastructure Limited ("the Company") is a listed entity incorporated in India, having its registered office and principal place of business at NKM International House, 5th Floor, 178 Backbay Reclamation, Behind LIC Yogakshema Building, Babubhai Chinai Road, Mumbai - 400 020, India.

The Company is mainly engaged in "Infrastructure Activity" catering to Indian Customers.

B. SIGNIFICANT ACCOUNTING POLICIES

B.1 BASIS OF PREPARATION AND PRESENTATION

The Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- (i) Certain Financial Assets and Liabilities.
- (ii) Defined benefit plans - Plan Assets.

The Financial Statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Company's Financial Statements are presented in Indian Rupees (₹), which is also its functional currency and all values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

B.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

Depreciation on property, Plant and Equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013 except that the cost of Leasehold Land is amortised over the period of lease.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

(b) Leases

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease.

Leased Assets: Assets held under finance leases are initially recognised as Assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset ranging from 18 years to 99 years. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

(c) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Intangible Assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Other Indirect expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Intangible Assets Under Development.

Gains or losses arising from derecognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible assets comprising of Software are amortised over the period of 5 to 10 years.

(d) Inventories

Inventories are measured at lower of cost or net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost is determined on weighted average basis.

(e) Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(f) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(g) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined Benefit Plans

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of Defined Benefit Plans in respect of post-employment are charged to the Other Comprehensive Income.

(h) Tax Expenses

The tax expense for the period comprises of Current Tax and Deferred Income Tax. Tax is recognised in the Statement of Profit and loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in Equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(i) Foreign Currencies Transactions and Translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets

(j) Revenue Recognition

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from operations is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest income

Interest Income from a Financial Asset is recognised using effective interest rate method.

Dividend Income

Dividend Income is recognised when the Company's right to receive the amount has been established.

(k) Financial instruments

(i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

c) **Financial Assets measured at Fair Value Through Profit Or Loss (FVTPL)**

A financial asset which is not classified in any of the above categories is measured at Fair Valued Through Profit or Loss.

C. **Investment in Associates**

The Company has accounted for its investments in associates at cost.

D. **Other Equity Investments:**

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. **Impairment of Financial Assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to :

- (1) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- (2) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For Trade Receivables, the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) **Financial Liabilities**

A. **Initial Recognition and Measurement**

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. **Subsequent Measurement**

Financial Liabilities are carried at Amortized Cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) **Derecognition of Financial Instruments**

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) **Offsetting**

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

C. **CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

The preparation of the Company's Financial Statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial year.

a) **Depreciation / Amortisation and useful lives of Property, Plant and Equipment / Intangible Assets**

Property, Plant and Equipment / Intangible Assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated

Notes to the Standalone Financial Statements for the year ended 31st March, 2018

technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of Trade Receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

D. STANDARDS ISSUED BUT NOT EFFECTIVE

On March 28, 2018, the Ministry of Corporate Affairs (MCA) has notified Ind AS 115 - Revenue from Contract with Customers and certain amendment to existing Ind AS. These amendments shall be applicable to the Company from April 01, 2018.

a) Issue of Ind AS 115 - Revenue from Contracts with Customers

Ind AS 115 will supersede the current revenue recognition guidance including Ind AS 18 Revenue, Ind AS 11 Construction Contracts and the related interpretations. Ind AS 115 provides a single mode of accounting for revenue arising from contracts with customers based on the identification and satisfaction of performance obligations.

b) Amendment to Existing issued Ind AS

The MCA has also carried out amendments of the following accounting standards:

- i) Ind AS 21 - The Effects of Changes in Foreign Exchange Rates
- ii) Ind AS 40 - Investment Property
- iii) Ind AS 12 - Income Taxes
- iv) Ind AS 28 - Investments in Associates and Joint Ventures; and
- v) Ind AS 112 - Disclosure of Interests in Other Entities

Application of above standards are not expected to have any significant impact on the Company's Financial Statements.

VI. Actuarial Assumptions

Mortality Table (IALM)

	Gratuity (Funded)	
	2017- 18	2016 - 17
	2006-08	2006-08
	(Ultimate)	(Ultimate)
Discount Rate (per annum)	8.00%	7.46%
Expected Rate of Return on Plan Assets (per annum)	8.00%	7.46%
Rate of Escalation in Salary (per annum)	6.00%	6.00%
Rate of Employee Turnover	2.00%	2.00%

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The Expected Rate of Return on Plan Assets is determined considering several applicable factors, mainly the composition of Plan assets held, assessed risks, historical results of return on Plan assets and the Company's policy for Plan Assets Management.

VII. The expected contributions for Defined Benefit Plan for the next financial year will be in line with FY 2017-18.

VIII. Sensitivity Analysis

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

Particulars	(₹ in Lakh)			
	31st March, 2018		31st March, 2017	
	Decrease	Increase	Decrease	Increase
Delta Effect of (-/+) 0.5% Change in Rate of Discounting	22.12	(20.84)	19.79	(18.60)
Delta Effect of (-/+) 0.5% Change in Rate of Salary Increase	(21.32)	22.45	(18.94)	19.98
Delta Effect of (-/+) 0.5% Change in Rate of Employee Turnover	(1.74)	1.68	(2.10)	2.01

These plans typically expose the Group to actuarial risks such as: Investment Risk, Interest Risk, Longevity Risk and Salary Risk.

Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest Risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

Longevity Risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs based on unobservable market data.

Valuation methodology

All financial Instruments are initially recognised and subsequently re-measured at fair value as described below :

- The fair value of investments in quoted Equity Shares, Bonds and Mutual Funds is measured at quoted price or NAV.
- All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

B. Financial Risk management

(i) Liquidity Risk

Liquidity risk is the risk that suitable sources of funding for the Company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due, so that the Company is not forced to obtain funds at higher rates. The Company monitors rolling forecasts of the Company's cash flow position and ensure that the Company is able to meet its financial obligation at all times including contingencies.

(ii) Credit Risk

Credit risk is the risk that a customer or counter party to a financial instrument will fail to perform or pay amounts due causing financial loss to the Company. It arises from cash and cash equivalents, derivative financial instruments, deposits from financial institutions and principally from credit exposures to customers relating to outstanding receivables. The Company deals with highly rated counter parties.

- 29** The Company is mainly engaged in 'Infrastructure Activity' catering to Indian customers. All the activities of the Company revolve around this main business. Accordingly, the Company has only one identifiable segment reportable under Ind AS 108 "Operating Segment". The Executive Director (the 'Chief Operational Decision Maker as defined in IND AS 108 – Operating Segments) monitors the operating results of the entity's business for the purpose of making decisions about resource allocation and performance assessment. Revenue of ₹ 64 38.35 lakh (Previous Year ₹ 70 50.84 lakh) arose from Sale of Services to Reliance Industries Limited (Entity exercising significant influence, the largest customer), Revenue of ₹ 19 24.43 lakh (Previous Year ₹ 19 66.77 lakh) arose from Sale of Services to Reliance Corporate IT Park Limited. **CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH, 2018**

Independent Auditor's Report

To the Members of Reliance Industrial Infrastructure Limited Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of **Reliance Industrial Infrastructure Limited** ("the Group"), and its associate company comprising of the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the Consolidated Financial Position, Consolidated Financial Performance (including Other Comprehensive Income), Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The Board of Directors of the Company and of its associate included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about

whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Consolidated Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated State of Affairs (financial position) of the Group as at 31st March, 2018, their Consolidated profit (financial performance including other comprehensive income), their Consolidated Cash Flows and Consolidated statement of Changes in Equity for the year ended on that date.

Other Matters

The Consolidated Financial Statements include the Group's share of net profit of ₹ 1 13.19 lakh for the year ended 31st March, 2018, as considered in the Consolidated Financial Statements, in respect of one associate, whose financial statements have not been audited by us. These financial statements and other financial information have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this associate, and our report in terms of sub-sections (3) of Section 143 of the Act, insofar as it relates to the aforesaid associate, is based solely on the reports of the other auditor.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and

- belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Company as on 31st March, 2018 taken on record by the Board of Directors of the Company, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and its associate and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company does not have any pending litigations which would have an impact on its financial position.
 - The Company did not have material foreseeable losses on long term contracts including derivative contracts that require provision under any law or accounting standards for which there were any material foreseeable losses.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company except ₹2.88 lakh, which are held in abeyance due to pending legal cases.

“Annexure A” to Independent Auditors’ Report

(Referred to in paragraph 2(f) under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Control over financial reporting of **Reliance Industrial Infrastructure Limited** (hereinafter referred to as “the Company”) as of 31st March, 2018 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting is based solely on our report on the Standalone Financial Statement of the Company for the year ended 31st March, 2018, since it did not have any subsidiary companies, associate companies or jointly controlled companies which are incorporated in India as on that date.

Company's Consolidated Financial Statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakh, (₹ 00,000), except when otherwise indicated.

B.2 PRINCIPLES OF CONSOLIDATION

The Consolidated Financial Statements have been prepared on the following basis:

- (1) Investment in Associate Companies has been accounted under the Equity Method as per Indian Accounting Standard (IND AS 28) - "Accounting for Investments in Associates and Joint Ventures".
- (2) The Company accounts for its share of post-acquisition changes in net assets of associate, after eliminating unrealised profits and losses resulting from transactions between the Company and its associate to the extent of its share, through its Consolidated Profit and Loss Statement, to the extent such change is attributable to the associate's Profit and Loss Statement and through its reserves for the balance based on available information.
- (3) As far as possible, the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's Separate Financial Statements.
- (4) Investments other than in associate have been accounted as per relevant Indian Accounting Standard.

B.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

Depreciation on Property, Plant and Equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013 except that the cost of Leasehold Land is amortised over the period of lease.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

(b) Leases

Leases are classified as finance leases whenever the terms of the lease, transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease.

Leased Assets: Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset ranging from 18 years to 99 years. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

(c) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Intangible Assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Other Indirect expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Intangible Assets Under Development.

Gains or losses arising from derecognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible assets comprising of Software are amortised over the period of 5 to 10 years.

(d) Inventories

Inventories are measured at lower of cost or net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost is determined on weighted average basis.

(e) Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(f) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(g) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

Post-Employment Benefits

Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined Benefit Plans

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of Defined Benefit Plans in respect of post-employment are charged to the Other Comprehensive Income.

(h) Tax Expenses

The tax expense for the period comprises of Current Tax and Deferred Income Tax. Tax is recognised in the Statement of Profit and loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in Equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(i) Foreign Currencies Transactions and Translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets

(j) Revenue Recognition

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from operations is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Interest income

Interest Income from a Financial Asset is recognised using effective interest rate method.

Dividend Income

Dividend Income is recognised when the Company's right to receive the amount has been established.

(k) Financial instruments

(i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

B. Subsequent measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit Or Loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at Fair Valued Through Profit or Loss.

C. Investment in Associates

The Company has accounted for its investments in associates at cost.

D. Other Equity Investments:

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to :

- (1) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- (2) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For Trade Receivables, the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial Liabilities are carried at Amortized Cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derecognition of Financial Instruments

The company derecognizes a Financial Asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2018

C. CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's Financial Statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial year.

a) Depreciation / Amortisation and useful lives of Property, Plant and Equipment / Intangible Assets

Property, Plant and Equipment / Intangible Assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of Trade Receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

D. STANDARDS ISSUED BUT NOT EFFECTIVE

On March 28, 2018, the Ministry of Corporate Affairs (MCA) has notified Ind AS 115 - Revenue from Contract with Customers and certain amendment to existing Ind AS. These amendments shall be applicable to the Company from April 01, 2018.

a) Issue of Ind AS 115 - Revenue from Contracts with Customers

Ind AS 115 will supersede the current revenue recognition guidance including Ind AS 18 Revenue, Ind AS 11 Construction Contracts and the related interpretations. Ind AS 115 provides a single mode of accounting for revenue arising from contracts with customers based on the identification and satisfaction of performance obligations.

b) Amendment to Existing issued Ind AS

The MCA has also carried out amendments of the following accounting standards:

- i) Ind AS 21 - The Effects of Changes in Foreign Exchange Rates
- ii) Ind AS 40 - Investment Property
- iii) Ind AS 12 - Income Taxes
- iv) Ind AS 28 - Investments in Associates and Joint Ventures; and
- v) Ind AS 112 - Disclosure of Interests in Other Entities

Application of above standards are not expected to have any significant impact on the Company's Financial Statements.

VI. Actuarial Assumptions

Mortality Table (IALM)

Gratuity (Funded)

	2017-18	2016-17
	2006-08 (Ultimate)	2006-08 (Ultimate)
Discount Rate (per annum)	8.00%	7.46%
Expected Rate of Return on plan Assets (per annum)	8.00%	7.46%
Rate of Escalation in Salary (per annum)	6.00%	6.00%
Rate of Employee Turnover	2.00%	2.00%

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The Expected Rate of Return on Plan Assets is determined considering several applicable factors, mainly the composition of Plan assets held, assessed risks, historical results of return on Plan Assets and the Company's policy for Plan Assets Management.

VII. The expected contributions for Defined Benefit Plan for the next financial year will be in line with FY 2017-18.

VIII. Sensitivity Analysis

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

Particulars	(₹ in Lakh)			
	31st March, 2018		31st March, 2017	
	Decrease	Increase	Decrease	Increase
Delta Effect of (-/+) 0.5% Change in Rate of Discounting	22.12	(20.84)	19.79	(18.60)
Delta Effect of (-/+) +0.5% Change in Rate of Salary Increase	(21.32)	22.45	(18.94)	19.98
Delta Effect of (-/+) 0.5% Change in Rate of Employee Turnover	(1.74)	1.68	(2.10)	2.01

These plans typically expose the Group to actuarial risks such as: Investment Risk, Interest Risk, Longevity Risk and Salary Risk.

Investment Risk : The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest Risk : A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

Longevity Risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The financial instruments are categorized into three levels based on the in-puts used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs based on unobservable market data.

Valuation Methodology

All financial instruments are initially recognized and subsequently re-measured at fair value as described below:

- The fair value of investment in quoted Equity Shares, Bonds and Mutual Funds is measured at quoted price or NAV.
- All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

B. Financial Risk management

Liquidity Risk

Liquidity risk is the risk that suitable sources of funding for the Company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due, so that the Company is not forced to obtain funds at higher rates. The Company monitors rolling forecasts of the Company's cash flow position and ensure that the Company is able to meet its financial obligation at all times including contingencies.

Credit Risk

Credit risk is the risk that a customer or counterpart to a financial instrument will fail to perform or pay amounts due causing financial loss to the Company. It arises from cash and cash equivalents, financial instruments and principally from credit exposures to customers relating to outstanding receivables. The Company deals with highly rated counter parties.

- 29 The Audited Financial Statements of Foreign Associate have been prepared in accordance with the International Financial Reporting Standards. The differences in accounting policies of the Company and its associate are not material and there are no material transactions from 1st January, 2018 to 31st March, 2018 in respect of associate having financial year ended 31st December, 2017.
