Criteria for Determining Qualifications, Positive Attributes & Independence of Director (Evaluation Criteria):

i. Qualifications of Director:

A director shall possess appropriate skills, experience and knowledge in one or more fields of engineering, finance, law, management, sales, marketing, administration, research, corporate governance, operations or other disciplines related to the Company's business.

ii. Positive attributes of Directors:

A director shall be a person of integrity, who possesses relevant expertise and experience and who shall uphold ethical standards of integrity and probity; act objectively and constructively; exercise his responsibilities in a bona-fide manner in the interest of the Company; devote sufficient time and attention to his professional obligations for informed and balanced decision making; and assist the Company in implementing the best corporate governance practices.

iii. Independence of Independent Directors:

An Independent director should meet the requirements of the Companies Act, 2013 and SEBI Listing Regulations 2015 concerning independence of directors.

12. EXPLANATIONS OR COMMENTS BY THE BOARD ON EVERY QUALIFICATION, RESERVATION OR ADVERSE REMARKS OR DISCLAIMER MADE (1) BY THE STATUTORY AUDITORS IN THEIR REPORT AND (2) BY THE COMPANY SECRETARIES IN PRACTICE IN THEIR SECRETARIAL AUDIT REPORT:

(1) Statutory Auditors qualification/comments on Company's financial statement.

We draw your attention to Note No. 33 to the financial statements which states that the Company has ceased production and revenue operations from the financial year ended March 31, 2016 and incurred net loss of Rs. 1,928.71 Lakhs for the year ended March 31, 2025 and accumulated losses aggregate to Rs. 16,657.76 Lakhs as of March 31, 2025. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of continued financial and operational support from the holding company.

Significant time has elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial statements which have been prepared by the management under the going concern assumption, cannot be ascertained.

Management response to statutory Auditors qualification / comment on the Company's financial statement.

During the quarter and year ended on March 31, 2025, the Company incurred a loss of Rs. 457.13 Lakhs and Rs. 1,928.71 Lakhs respectively. The accumulated losses of the Company as at March 31, 2025, are Rs. 16,657.76 Lakhs. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders.

However, the Company continues to receive financial and operational support from Sharp Corporation, Japan, the majority shareholder and holding company and as at March 31, 2025, the Company has received a support letter from Sharp Corporation, Japan for financial and operational support until March 31, 2026. Based on this continued support from the holding company, the management is of the opinion that the Company will be able to continue as a going concern. Nevertheless, the recognition and measurement of assets has been considered at cost in case of Freehold Land and that in case of other assets, at lower of their carrying value or net realizable value. Therefore, in the opinion of the management, no further adjustments would be required if going concern assumption is not considered as appropriate.

(2) OBSERVATIONS / COMMENTS IN SECRETARIAL AUDIT REPORT.

The suspension of trading in securities of the Company for non-compliances of Regulation 33 of SEBI (LODR) for FY 2023-24 and trading in the shares was allowed on Trade for Trade basis in Z group only on the first trading day of every week for six months w.e.f. MANAGEMENT DISCUSSION & ANALYSIS

The management presents Management Discussion and Analysis report in pursuance to Regulation 34(2) (e) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time).

Financial and operational performance and segment reporting:

Your Company was principally engaged in the manufacture and sale of liquid crystal display televisions (LED TVs) and Air Conditioners (AC).

The financial highlights for the fiscal 2024-2025 are dealt with in the Directors' Report. During the current year under review, your company has suffered a loss of Rs. 1928.71 Lakhs as against Rs. 1,785.32 Lakhs in previous year. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. Following are the details of key financial ratios that registered more than 25% change during FY 2024-2025.

- The Current ratio change was negative at 42.62% this was due to decrease in cash and cash equivalents and increase in current borrowings.
- Debt service coverage ratio (in times) was negative at 33.92 % due to increase in losses accompanied by increased interest cost without any loan repayments.
- Disclosures under 52(4) of LODR.

In absence of any operation/turnover, bad debts/accounts receivable, long term debts the disclosures relating to following ratios are not applicable : Return on Equity Ratio, Trade Receivable turnover ratio, Trade payables turnover ratio, Net Capital turnover ratio, Net Profit Ratio, Return on Capital employed, Return on Investment and Inventory Turnover Ratio.

- The net worth as at March 31, 2025 is negative Rs. 11,790.57 Lakhs as compared to previous year of negative Rs 9,932.97. The Company continued to incur operational costs and interest costs which together with absence of revenue resulted in a Loss.

The Company continues to receive financial and operational support from Sharp Corporation, Japan, the majority shareholder and holding company.

Risk Management:

The objective of risk management is to ensure that it is adequately estimated and controlled to enhance shareholder as well as stakeholder's values. Risk is pertinent to virtually all business activities though in varying degrees and forms. It is the constant endeavor of the Company to identify, assess, prioritize and manage existing as well as emerging risks in a planned and cohesive manner.

Internal control systems and their adequacy:

The Internal Control Structure of Company is adequate to ensure the effectiveness of its operations, propriety in the utilization of funds, safeguarding of assets against unauthorized use or disposition, true and fair reporting and compliance with all the applicable regulatory laws and company policies. The Company's internal controls are supported by documented policies, guidelines and procedures and periodical review by the management.

The Company has independent Internal Auditors to conduct Internal Audit. The Internal Auditors place their report every quarter, before Audit committee. Suggestions for improvement are considered and the audit committee follows up on corrective action.

The Company has related party transaction policy ensuring compliance under Companies Act, 2013 and SEBI (Listing Obligation and Disclosure Requirement) Regulation, 2015 as amended or re-enacted from time to time and intended to ensure the proper approval and reporting of transactions between the Company. Whistle Blower policy is in order to have access to management and report unethical and improper practice or behavior or wrongful conduct in the Company to Audit Committee Chairman.

Human resources:

Your company continues to maintain a cordial and healthy atmosphere with the employees at all levels.

The total number of employees as on March 31, 2025 is 95.

CAUTIONERY STATEMENT:

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be treated as 'Forward Looking Statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a down trend in consumer durable industry, significant changes in government policies, laws and political environment in India or abroad and also exchange rate fluctuations, interest and other costs.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHARP INDIA LIMITED

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of Sharp India Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of the material accounting policies and other explanatory information. (Herein after referred to as 'financial statements')

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the basis for qualified opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2025, and its net losses and other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified opinion

We draw your attention to Note No. 33 to the financial statements which states that the Company has ceased production and revenue operations from the financial year ended March 31, 2016 and incurred net loss of Rs. 1,928.71 Lakhs for the year ended March 31, 2025 and accumulated losses aggregate to Rs. 16,657.76 Lakhs as of March 31, 2025. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the management considers the going concern assumption as appropriate in view of continued financial and operational support from the holding company.

Significant time has elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial statements which have been prepared by the management under the going concern assumption, cannot be ascertained.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

Key audit matters

Key audit matters are those matters that in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Qualified Opinion section, we have determined that there are no other key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other

information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing (SAs), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit

procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless Law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. Further to our comments in Annexure A, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a. We have sought and except as described in the Basis for Qualified Opinion Section above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b. In our opinion, and except as described in the Basis for Qualified Opinion section above of our report, proper

books of account as required by Law have been kept by the Company so far as it appears from our examination of those books;

 - iv.
 - a. The management has represented that to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies) including foreign entities (intermediaries) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; (Refer Note No. 34 to the financial statements)
 - b. The management has represented that to the best of its knowledge and belief, no funds have been received by the company from any other person(s) or entity(ies) including foreign entities (funding parties) with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide any

guarantee, security or the like on behalf of the Ultimate Beneficiaries; (Refer Note No. 34 to the financial statements)

- c. Based on the audit procedures considered reasonable and appropriate in the circumstances carried out by us, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) & (ii) of Rule 11(e), (as mentioned in point No. (a) & (b) above), contain any material misstatements.
- v. The company has not declared or paid any dividend during the year and as such the compliance of section 123 of the Act has not been commented upon.
- vi. Based on our examination which included appropriate test checks, the company has used accounting software for maintaining its books of account which has the feature of recording audit trail (edit log) facility and the

same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure B referred to in Paragraph 2 (f) under the heading ‘Report on Other Legal Regulatory Requirements’ of the Independent Auditor’s Report of even date to the members of the Sharp India Limited for the year ended March 31, 2025

Independent Auditor’s Report on the internal financial controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls with reference to financial statements of Sharp India Limited (‘the Company’) as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Responsibilities of Management for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (‘the Guidance Note’) issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company’s business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance the guidance note and Standards on Auditing as specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls over financial reporting, issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls system with reference to financial statements of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements include those policies and procedures that:

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- provide reasonable assurance regarding prevention or timely

detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanation given to us and based on our audit, we have identified material weakness stated below:

The company has prepared the financial statements for the year ended March 31, 2025 on a going concern basis as set out in Note No. 33 to the financial statements, though the Company has ceased production and revenue operations from the financial year ended March 31, 2016 and incurred net loss of Rs. 1,928.71 Lakhs for the year ended March 31, 2025 and its accumulated losses aggregate to Rs. 16,657.76 Lakhs as of March 31, 2025. However, the management has not put in place internal control system to prepare and review the business plans and scheme of revival in order to justify the going concern assumption. This could potentially result in the company incorrectly applying the going concern basis of preparation of the financial statements.

A ‘material weakness’ is a deficiency, or a combination of deficiencies, in internal financial control with reference to financial statements such that, there is a reasonable possibility that a material misstatement of the Company’s annual or interim financial statements will not be detected or prevented on a timely basis.

Qualified Opinion

In our opinion, except for the possible effects of the material weakness described in the Basis for Qualified Opinion para in relation to the going concern assumption on the achievement of objective of the control criteria, the Company has maintained in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as of March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note issued by ICAI.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2025 and said material weakness has affected our opinion on the financial statements of the Company for the year ended on that date and we have issued a qualified opinion on the financial statements as mentioned in ‘Basis for Qualified Opinion’ para of our Independent Auditor’s report for the year ended on that date.

Note 1: General Information

Sharp India Limited ('the Company') was incorporated on July 5, 1985. The registered office of the company is located in at Gat. No. 686/4, Koregaon Bhima, Shirur, Pune, 412 216. The equity shares of the company are listed on Bombay Stock Exchange. The Company is principally engaged in the manufacture and sale of light emitting diode televisions ('LED TVs') and Air-conditioners ('ACs'). The Company also provides feasibility study services to group companies in India.

Sharp Corporation ('Sharp') incorporated in Japan, holds 75 per cent of the issued share capital of the Company. The Company has a technical collaboration with Sharp for the manufacture of 'LED TVs' and 'ACs'.

Refer Note 32 of the financial statements.

Note 2: Material accounting policies**(a) Basis of preparation***(i) Compliance with Ind AS*

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and comply in all material aspects with Indian Accounting Standards (Ind AS) as issued under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereof issued by the Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with rule 7 of the Companies (Accounts) Rules, 2014. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) and the guidelines issued by the Securities and Exchange Board of India are also applied.

The accounting policies as set out below have been applied consistently to all years presented in these financial statements.

Amounts in the financial statements are presented in Indian Rupees in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013 unless otherwise stated.

The Board of Directors have authorised these financial statements for issue on May 28, 2025.

(ii) Historical cost convention

The financial statements have been prepared on accrual and historical cost basis, except for the following:

- Defined benefit plans – plan assets measured at fair value.

*(iii) Applicable Amendments from current financial year**New standards and amendments*

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. MCA has notified below new standards / amendments which were effective from 1 April, 2024.

Amendment to Ind AS 116 – Lease Liability in a sale and leaseback

The amendment requires an entity to recognise lease liability including variable lease payments which are not linked to index or a rate in a way it does not result into gain on Right of use asset it retains.

Introduction of Ind AS 117

MCA notified Ind AS 117, a comprehensive standard that prescribe, recognition, measurement and disclosure requirements to avoid diversities in practice for accounting insurance contracts and it applies to all companies i.e., to all "insurance contracts" regardless of the issuer. However, Ind AS 117 is not applicable to the entities which are insurance companies registered with IRDAI.

The Company has reviewed the new pronouncement and based on its evaluation has determined that these amendments do not have an impact on the financial statements.

(b) Cashflow Statement:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities based on the extent of information available.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, balances with banks, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(c) Current Vs. Non- Current Classification:

The Company presents assets and liabilities in the Balance Sheet based on Current/Non-current classification.

An asset is treated as current when it is:

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading

- c) Expected to be realized within twelve months after the reporting period, or
- d) Cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as Non-current.

A liability is current when it is:

- a) Expected to be settled in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

(d) Segment reporting

Ind AS 108 operating segment requires Management to determine the reportable segments for the purpose of disclosure in financial statements based on the internal reporting reviewed by the CODM to assess performance and allocate resource.

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The board of directors of the Company are identified as the Chief operating decision maker.

Refer note 32 for segment information presented.

(e) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses as the case may be.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(f) Revenue recognition and Other Income

i) Sale of goods

The Company was engaged in manufacture and sale of a range of electronic items.

Sales are recognised when control of the products has transferred, being when the products are delivered to the customer, the customer has full discretion over the channel and price to sell the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract, the acceptance provisions have lapsed, or the company has objective evidence that all criteria for acceptance have been satisfied.

A receivable is recognised when the goods are delivered, as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

The Company has however, not had any sale transactions during the current and previous reporting period.

ii) Services rendered

The Company provides feasibility study services to certain Sharp Group companies in India. Revenue from such services is recognised as and when services are rendered as per the terms of contract.

Revenue from services measured at fair value which is usually the transaction value net of goods and service tax. The company has not rendered any such services to its group companies during the year.

iii) Other Income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

(g) Income tax & Deferred Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated based on the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company measures its tax balances based on either the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Refer Note 7 of the financial statements.

(h) **Impairment of assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

The management periodically assesses using external or internal source, whether there is an indication that an asset may be impaired.

(i) **Inventories**

Raw materials and stores, packing material, work in progress, traded and finished goods

Raw materials and components, stores and packing material, work in progress and finished goods are stated at the lower of cost and net realizable value. Cost of raw materials comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Allowance is made to the carrying amount of inventory based on Management's assessment/technical evaluation and past experience of the Company taking into account its age, usability, obsolescence, expected realizable value etc.

(j) **Financial assets**

(i) *Classification*

The Company classifies its financial assets at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) *Recognition*

Financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

(iii) *Measurement*

At initial recognition, the Company measures a financial asset at fair value. Subsequently these assets are measured at amortised

cost.

(iv) *Impairment of financial assets*

The Company assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Refer Note 27 of financial statements on how the Company determines whether there has been a significant increase in credit risk.

(v) *Derecognition of financial assets*

A financial asset is derecognized only when:

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity neither has transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

(k) **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(l) **Property, plant and equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives:

Particulars	Useful lives (in years)
Buildings	
- Factory	29.94
- Others	60
Plant and machinery	2-15
Furniture, fittings and equipment (including office equipment)	4-10
Computers	3-6
Vehicles	5

An item of Property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

The management has estimated, supported by independent assessment by professionals, the useful lives of certain Plant and machinery, Factory buildings, Moulds, jigs and fixtures, Vehicles and Office equipment as per table above, which are lower than those indicated in Schedule II.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than

its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other income or other expenses as the case may be.

(m) Intangible assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. And Intangible assets are recorded at the consideration paid for acquisition.

(i) Computer software

Computer softwares are shown at historical cost and are subsequently carried at cost less accumulated amortization and impairment losses.

(ii) Amortization methods and periods

The Company amortizes computer software over a period of 6 years on Straight Line Basis.

(iii) Derecognition

An Intangible asset is derecognized on disposal or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

(n) Borrowings

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other income/expenses.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Long-term debt is specified in Ind AS Schedule III as a borrowing having a period of more than twelve months at the time of origination. The portion of non-current borrowings, which is due for payments within twelve months of the reporting date is classified under "current borrowings" while the balance amount is classified under non-current borrowings.

(o) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

(p) Provisions

Provisions for legal claims are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are discounted only if the impact of discounting is considered material.

However, a disclosure for contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Commitments are future liabilities for contractual expenditure, classified and disclosed as estimated amount of contracts remaining to be extracted on capital account and not provided for.

(q) Employee benefits*(i) Short-term obligations*

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These are recognized on the basis of the actual obligations calculated and are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity and
- (b) defined contribution plans such as provident & pension fund, superannuation fund and employee deposit linked insurance scheme.

Gratuity obligations

The Company, on a prudent basis, accrues its gratuity obligations on the basis of actual liability using gross undiscounted basis. Accordingly, the changes in the gratuity obligations are recognized in profit or loss.

Refer Note 25 of the financial statements.

Defined contribution plans

The Company pays provident, pension, superannuation and employee deposit linked insurance scheme contributions to publicly administered provident & pension fund, contribution to superannuation fund and employee deposit linked insurance scheme as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

(r) Earnings/ (Loss) per share*(i) Basic earnings/ (loss) per share*

Basic earnings/ (loss) per share is calculated by dividing:

- the profit/(loss) attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) *Diluted earnings/ (loss) per share*

Diluted earnings/ (loss) per share adjusts the figures used in the determination of basic earnings/ (loss) per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Note 3: Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

1. Going concern

Refer Note 33 of the financial statements

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1. Fair valuation measurement of unquoted financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Refer note 26 for further disclosures.

2. Events after the Reporting Period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorization for issue. Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed if material.

Note :

- (i) The Company had imported refrigerators during the financial year ended 31 March 2009 by paying nil duty on such imports under the free trade agreement with Thailand. The custom authorities have challenged the classification under which the refrigerators were imported under concessional rate of duty. The dispute is pending with the CESTAT authorities. The Company has deposited Rs. 54.04 Lakhs under protest against this demand with the customs authorities which has been fully provided for. During the year ended 31 March 2019, the company has received an order stating the appeal of the Company has been dismissed. The outstanding provision amounting to Rs. 20.80 Lakhs as on 31 March 2025 represents interest on the demand upto the date of payment.
- (ii) The company owed amount of Rs. 8.36 Lakhs to one of its vendors from Chennai since 1998. The reason for the long pending dues was a request received from the vendor for holding back the payment, followed by Court Order for withholding the payment. The Vendor has been engaged in a dispute with Indian Bank for the last 27 years. There was an Order in 2016 from Debt Recovery Tribunal (DRT) of Chennai ordering the company pay sum of Rs. 12.34 Lakhs jointly with the vendor & its director along with Interest @ 6% from 1998. However, the Recovery Officer who was supposed to issue Notice has not acted upon the DRT Order as yet. The company has recently moved DRT Chennai to revise its Order to limit the liability of the company only to Rs. 8.36 lakhs. The company has requested DRT Chennai to exempt the payment of interest as the there was no fault from the side of the company and the company was always ready to pay the dues as evidenced from Balance Confirmation Letters and representations to Court and DRT. The matter is being pursued closely by the Company. On a conservative basis, the company has provided for the amount demanded by the company excluding interest. The amount of interest has been shown as a contingent liability.

Defined Contribution Plan

The Company has certain defined contribution plans i.e., contribution to provident and pension fund, contribution to superannuation fund and employee deposit linked insurance scheme. Contributions are made to provident fund for employees at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the Government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is as follows:

Particulars	For the year ended 31 March 2025	For the year ended 31 March 2024
Defined contribution plans		
-Provident fund	19.32	15.77

-Employees' deposit linked insurance scheme	0.91	0.99
-Admin Charges	1.43	1.34
	42.06	37.22

A Provision for compensated absences

Provision for compensated absences cover the Company's liability for earned leave which are classified as other long-term benefits. The entire amount of provision is presented as current since the Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all the employees to avail the full amount of accrued leave or require payment for such leave within the next 12 months.

B Gratuity

The Company has accrued gratuity on the basis of actual liability using gross undiscounted basis. The liability is net of the amounts contributed to an Insurer, along-with interest accrued thereon, specifically to fund these liabilities.

Funding Arrangement & Policy

The money contributed by the Company to the fund to finance the liabilities of the plan has to be invested. The trustees of the plan have outsourced the investment management of the fund to an insurance company. The insurance company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investment that can be held by the fund, it is not possible to explicitly follow an asset-liability matching strategy to manage risk actively. There is no compulsion on the part of the Company to fully pre fund the liability of the Plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of under funding of the plan.

The expected contribution payable to the plan next year is NIL.

The weighted average duration of the defined benefit obligation is 4.46 years

Amounts for the current and previous four periods are as follows :

Particulars	March 31, 2025	March 31, 2024	March 31, 2023	March 31, 2022	March 31, 2021

Other financial liabilities	45.62	51.80
Total financial liabilities	11,889.20	10,098.61

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

<i>Assets and liabilities which are measured at amortised cost for which fair values are disclosed</i>	Notes	Level 1	Level 2	Level 3	Total
At 31 March 2025					
Financial liabilities					
Borrowings	13	-	-	11,681.08	11,681.08
Total financial liabilities		-	-	11,681.08	11,681.08
At 31 March 2024					
Financial liabilities					
Borrowings	13	-	-	9,858.18	9,858.18
Total financial liabilities		-	-	9,858.18	9,858.18

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. However, the Company does not have any financial instruments that are measured using Level 1 inputs.

Level 2: The fair value of derivatives is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of all financial assets and liabilities except for borrowings are a reasonable approximation of their fair values. The fair value of borrowings are based on discounted cash flows using a current borrowing rate. They are classified as Level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

27 Financial risk management

The Company's activities exposes it to market risk, liquidity risk and credit risk. The operative management of the treasury activities of the Company is responsible for managing the financial risk position and maintaining adequate liquidity. The financial risks are reviewed and monitored on a regular basis.

(A) Credit risk

Credit risk mainly arises from cash and cash equivalents, deposits with banks as well as security deposits.

The maximum exposure arising from these financial assets is their carrying value as disclosed in the balance sheet.

(i) Credit risk management

For banks and financial institutions, only high rated banks are accepted and hence, these are subject to low credit risk with risk of default being negligible. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets. Further, the Company has sales on one-off basis, which are made solely to its related parties. As such, it does not bear any credit risk with respect to receivables, if any.

For security deposits also, generally the Company is subject to low credit risk with risk of default being negligible. However, considering the nature of balances the Company evaluates the balances and recognises a loss allowance, if any, on a specific identification

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. The Company obtains necessary funds mainly through loans from its parent company i.e. Sharp Corporation, Japan and fellow subsidiaries. The management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

(i) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity group based on their contractual maturities.

31 March 2025	Less than 1 year	1-3 years
Borrowings including interest accrued	11,816.90	-
Employee benefits payable	45.62	-
Trade payables	26.68	-
Other financial liabilities	-	-
Total	11,889.20	-

31 March 2024	Less than 1 year	1-3 years

Employee benefits payable	51.80	-
Trade payables	41.56	-
Other financial liabilities	-	-
Total	10,098.61	-

The amounts disclosed in the tables above are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Notes to Financial Statements**(All amounts in INR lakhs, unless otherwise stated)****(C) Market risk****(i) Foreign currency risk and exposure**

The Company operates internationally where transactions are conducted in currencies different from the Indian Rupees (INR). This exposes the Company to risks arising from exchange rates fluctuations. For this purpose, the Company has an exchange rate risk management policy which aims to neutralise the possible negative effects of the changes in exchange rates on Company cash-flows. The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to Japanese Yen and US Dollar. However, due to minimal operations, the gross exposure is not very significant.

(ii) Interest rate risk exposure:

The Company has availed fixed - rate borrowings and hence is not exposed to any interest rate risk.

28 Capital Management**Risk management**

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or sell assets to reduce debt.

Refer Note 33 on Going Concern.

30 Contingencies

- (i) The Company has evaluated the impact of the recent Supreme Court Judgment in case of "Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal" and the related circular (Circular No. C-I/1(33)2019/Vivekananda Vidya Mandir/284) dated March 20, 2019 issued by the Employees' Provident Fund Organisation in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. In the assessment of the management, the aforesaid matter is not likely to have a significant impact and accordingly, no provision has been made in these financial statements.
- (ii) The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The draft rules for the Code on Social Security, 2020 have been released by the Ministry of Labour and Employment on November 13, 2020. The Company is in the process of assessing the additional impact on Provident Fund contributions and on Gratuity liability contributions and will complete their evaluation and give appropriate impact in the financial statements in the period in which the rules are notified and become effective.
- (iii) The company owed amount of Rs. 8.36 Lakhs to one of its vendors from Chennai since 1998. The reason for the long pending dues was a request received from the vendor for holding back the payment, followed by Court Order for withholding the payment. The Vendor has been engaged in a dispute with Indian Bank for the last 27 years. There was an Order in 2016 from Debt Recovery Tribunal (DRT) of Chennai ordering the company pay sum of Rs. 12.34 Lakhs jointly with the vendor & its director along with Interest @ 6% from 1998. However, the Recovery Officer who was supposed to issue Notice has not acted upon the DRT Order as yet. The company has recently moved DRT Chennai

Notes to Financial Statements**(All amounts in INR lakhs, unless otherwise stated)**

to revise its Order to limit the liability of the company only to Rs. 8.36 lakhs. The company has requested DRT Chennai to exempt the payment of interest as there was no fault from the side of the company and the company was always ready to pay the dues as evidenced from Balance Confirmation Letters and representations to Court and DRT. The matter is being pursued closely by the Company. On a conservative basis, the company has provided for the amount demanded by the company excluding interest. The amount of interest has been shown as a contingent liability.

32 Segment reporting

The Company was exclusively engaged in the business of 'consumer electronics' consisting of all types of Color Televisions, LED TVs and Air-conditioners which constitute one single segment. The Company is domiciled in India. Revenue from operations is within India. There is no revenue from operations during the FY 2024-2025 (FY 2023-2024 - Rs.NIL).

33 Going concern assessment

During the year ended on March 31, 2025, the Company incurred a loss of 1928.71 Lakhs. The accumulated losses of the Company as at March 31, 2025 are Rs. 16,657.76 Lakhs. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. However, the Company continues to receive financial and operational support from Sharp Corporation, Japan, the majority shareholder and holding company and as at March 31, 2025, the Company has received support letter from Sharp Corporation, Japan for financial and operational support until March 31, 2026. Based on this continued support from the holding company, the management is of the opinion that the Company will be able to continue as a going concern. Nevertheless, the recognition and measurement of assets has been considered at cost in case of Freehold Land and that in case of other assets, at lower of their carrying value or net realizable value. Therefore in the opinion of the management, no further adjustments would be required if going concern assumption is not considered as appropriate.
