## DISCLAIM ER

1. Statements in this "Presentation" describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and Indian demand supply conditions, finished goods prices, input material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the company conducts business and other factors such as litigation and labour negotiations. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statement, on the basis of any subsequent development, information or events, or otherwise.
2. Numbers mentioned in this note other than Raymond Ltd standalone results, including quarterly consolidated revenues and results and additional information including but not limited to retail sales and branded sales etc. have been compiled by the management and are being provided only by way of additional information. These are not to be construed as being provided under any legal or regulatory requirements. The accuracy of this information and the provisional quarterly consolidated numbers have neither been vetted nor approved by the Audit Committee and the Board of Directors of Raymond Ltd., nor have they been vetted or reviewed by the Auditors, and therefore may differ significantly from the actual. The Company assumes no responsibility for the use of information mentioned herein.
3. Previous years figures have been regrouped wherever necessary.
