VISION

“Building on the foundation of trust, we shall be at the forefront of science-led opportunities by delivering innovative solutions.”

VALUES

TRUST

Like the earth, we are dependable. We work with integrity of purpose, honesty in action and fairness in all our dealings.

SPEED

Blazing ahead, like fire, we constantly strive to work with speed in the way we observe, think and act.

INNOVATION

Enlivening, like the air, in the constant quest for the horizon, the never-ending search for a better, newer way to do things; Innovation for us, is a way of life.

ADAPTABILITY

Adaptive, like water, we are constantly transforming ourselves. Being nimble footed, we are highly responsive to change.

Marketing

Custom Synthesis and Contract Manufacturing

- Provides contract research and contract manufacturing services
- Wide end use segments across global agrochemical, pharmaceutical and technology sectors
- Associated with leading innovators primarily in Japan, Europe & US
- R&D facility at Udaipur with GLP accreditation
- Plan to commercialize 2-3 new patented molecules every year

Scope of Services

- Contract research, process development, analytical method development
- Synthesis of high purity product and impurities for analytical reference standards, 5 batch analysis under GLP conditions,
- Scale up studies, process detailed engineering and
- Commercial scale contract manufacturing

Focus on Molecules

Which are patented;
In early stages of their life cycles;
Of high / medium value and low volume;
Involve complex chemistries;
Would lead to high growth rates on commercialization
across geographies

Capabilities

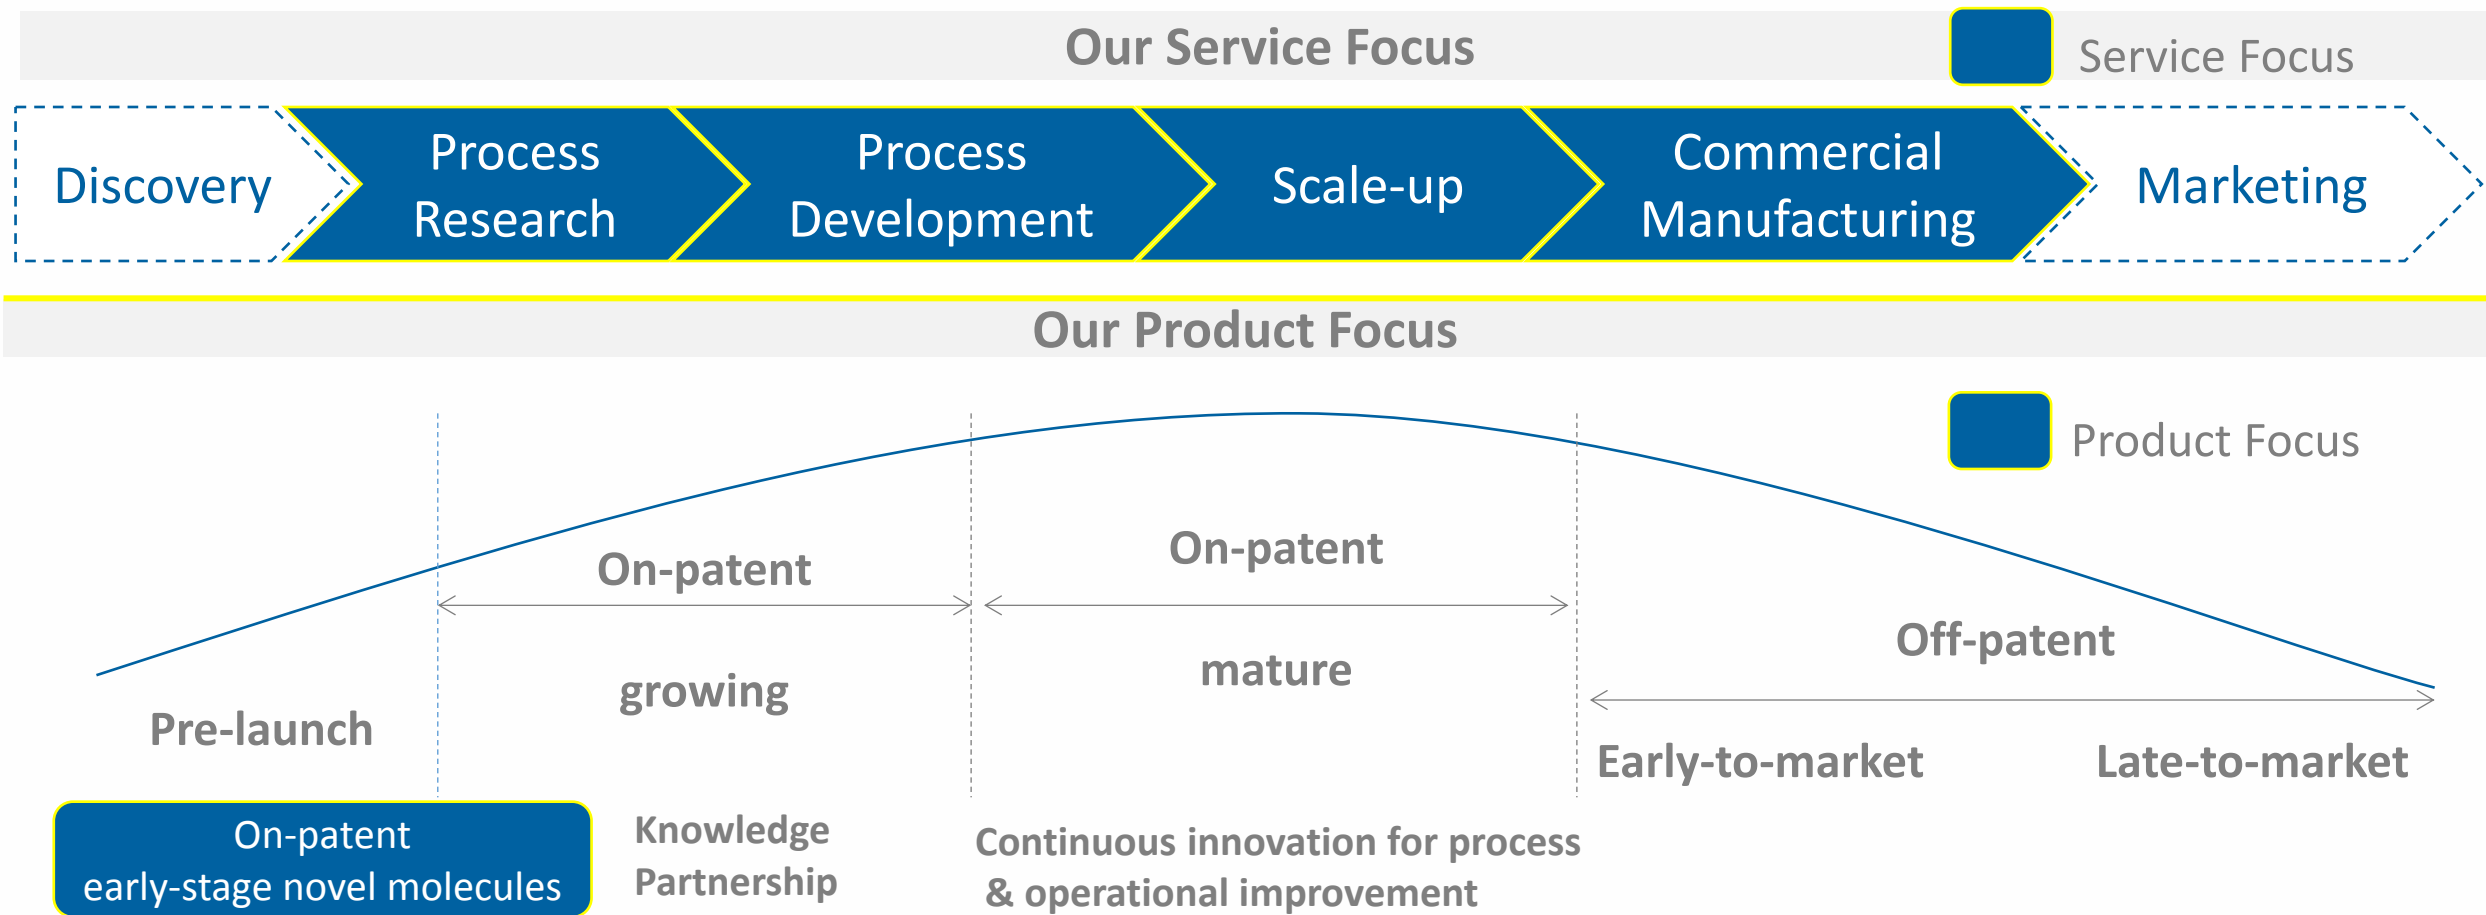

In-house process research
Process engineering team
Large scale manufacturing capabilities
Integrates infrastructure for end – to – end activities

Benefits

Capitalizing on complete product life-cycle
First or second supplier position
Strengthens global innovator relationships
Key growth driver, visibility for top line growth
Long term sustainability for margins

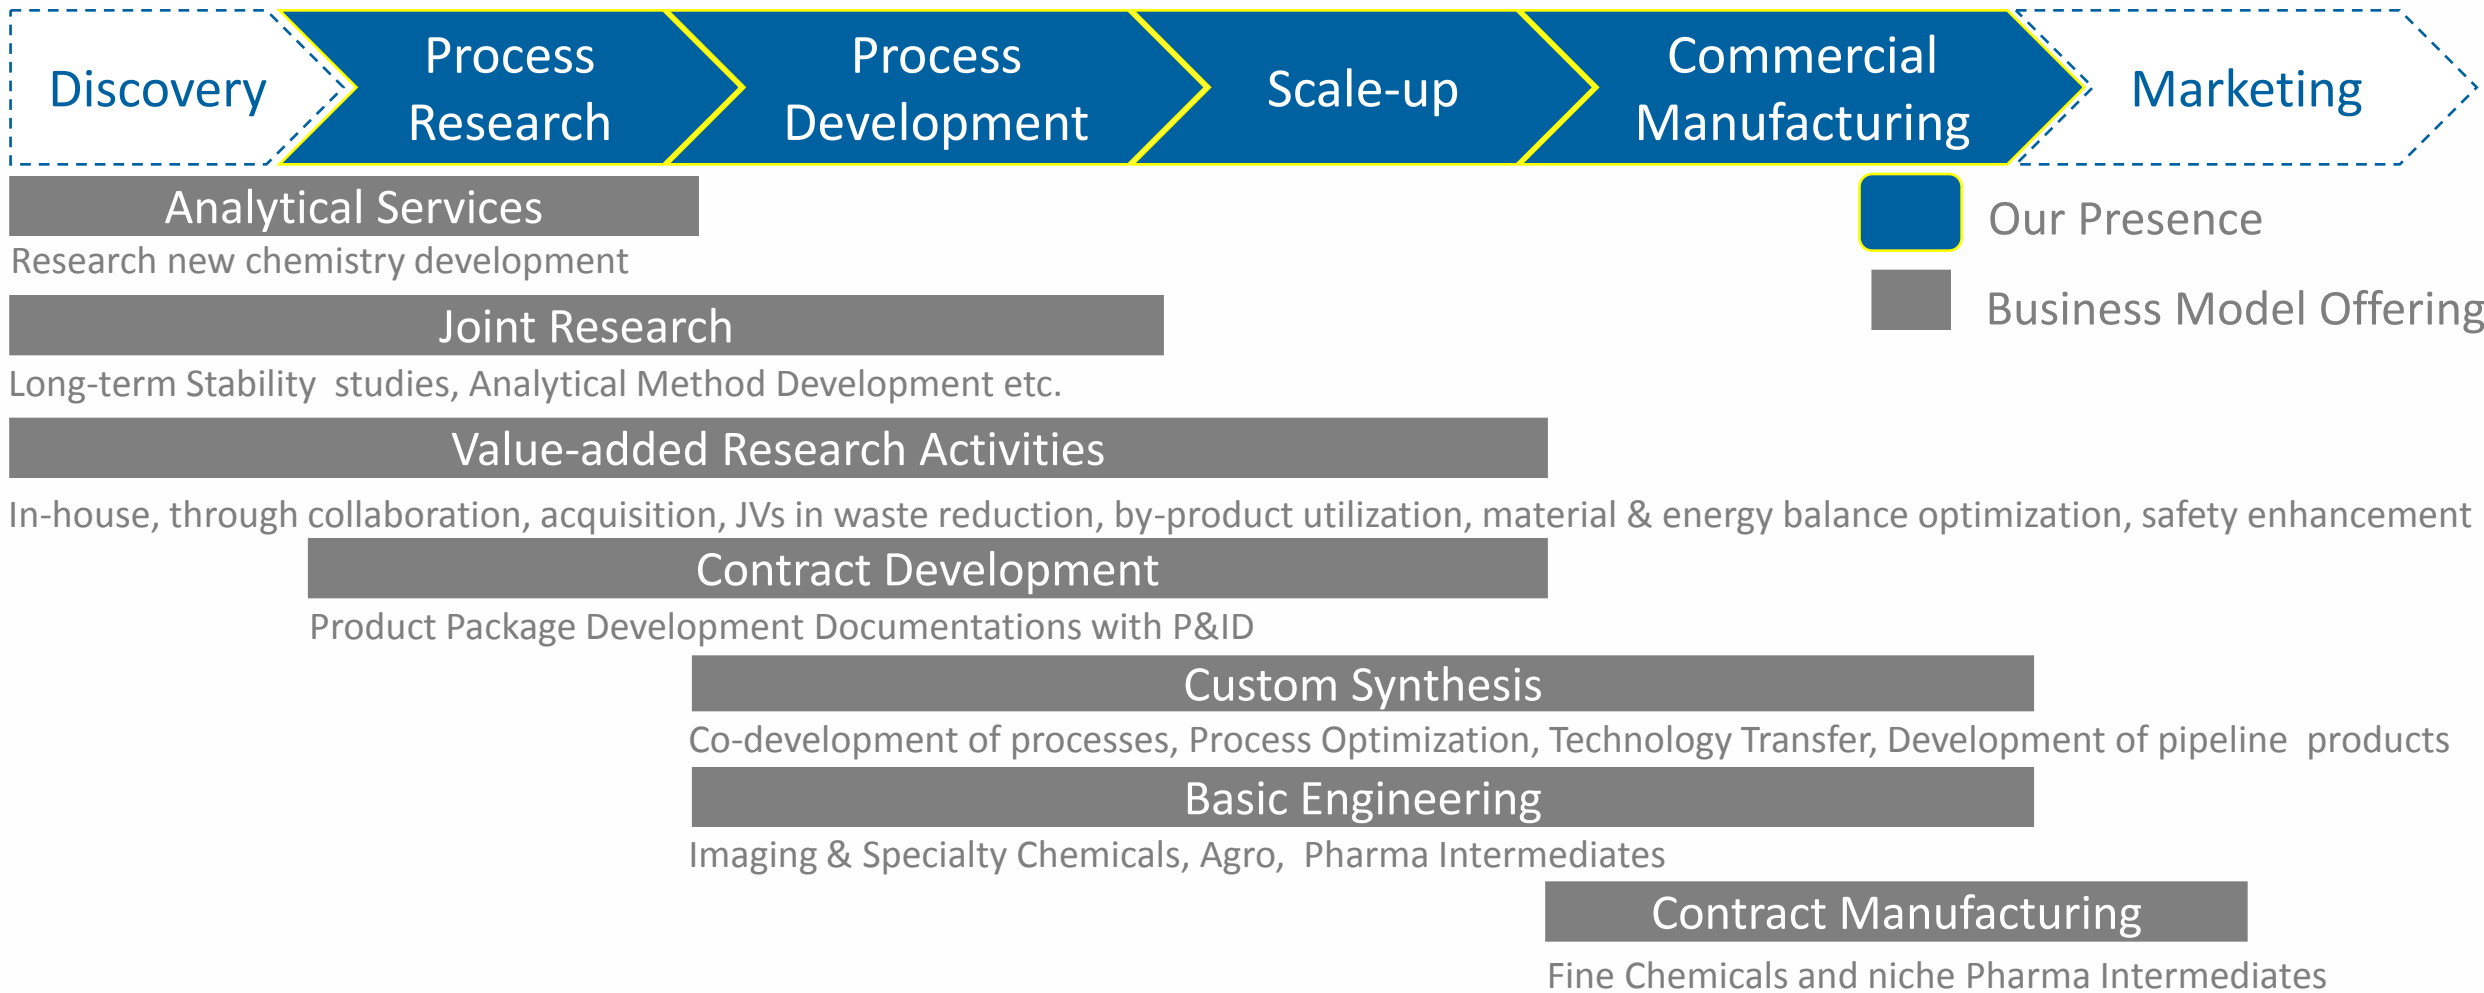

One stop shop for process scale up and large scale manufacturing for global innovators

CSM EXPORTS TO PROVIDE UNIQUE SOLUTIONS & TECHNOLOGIES TO GLOBAL PARTNERS

Business model is to partner with global innovators and focus on early stage and proprietary molecules

CSM EXPORTS TO PROVIDE UNIQUE SOLUTIONS & TECHNOLOGIES TO GLOBAL PARTNERS

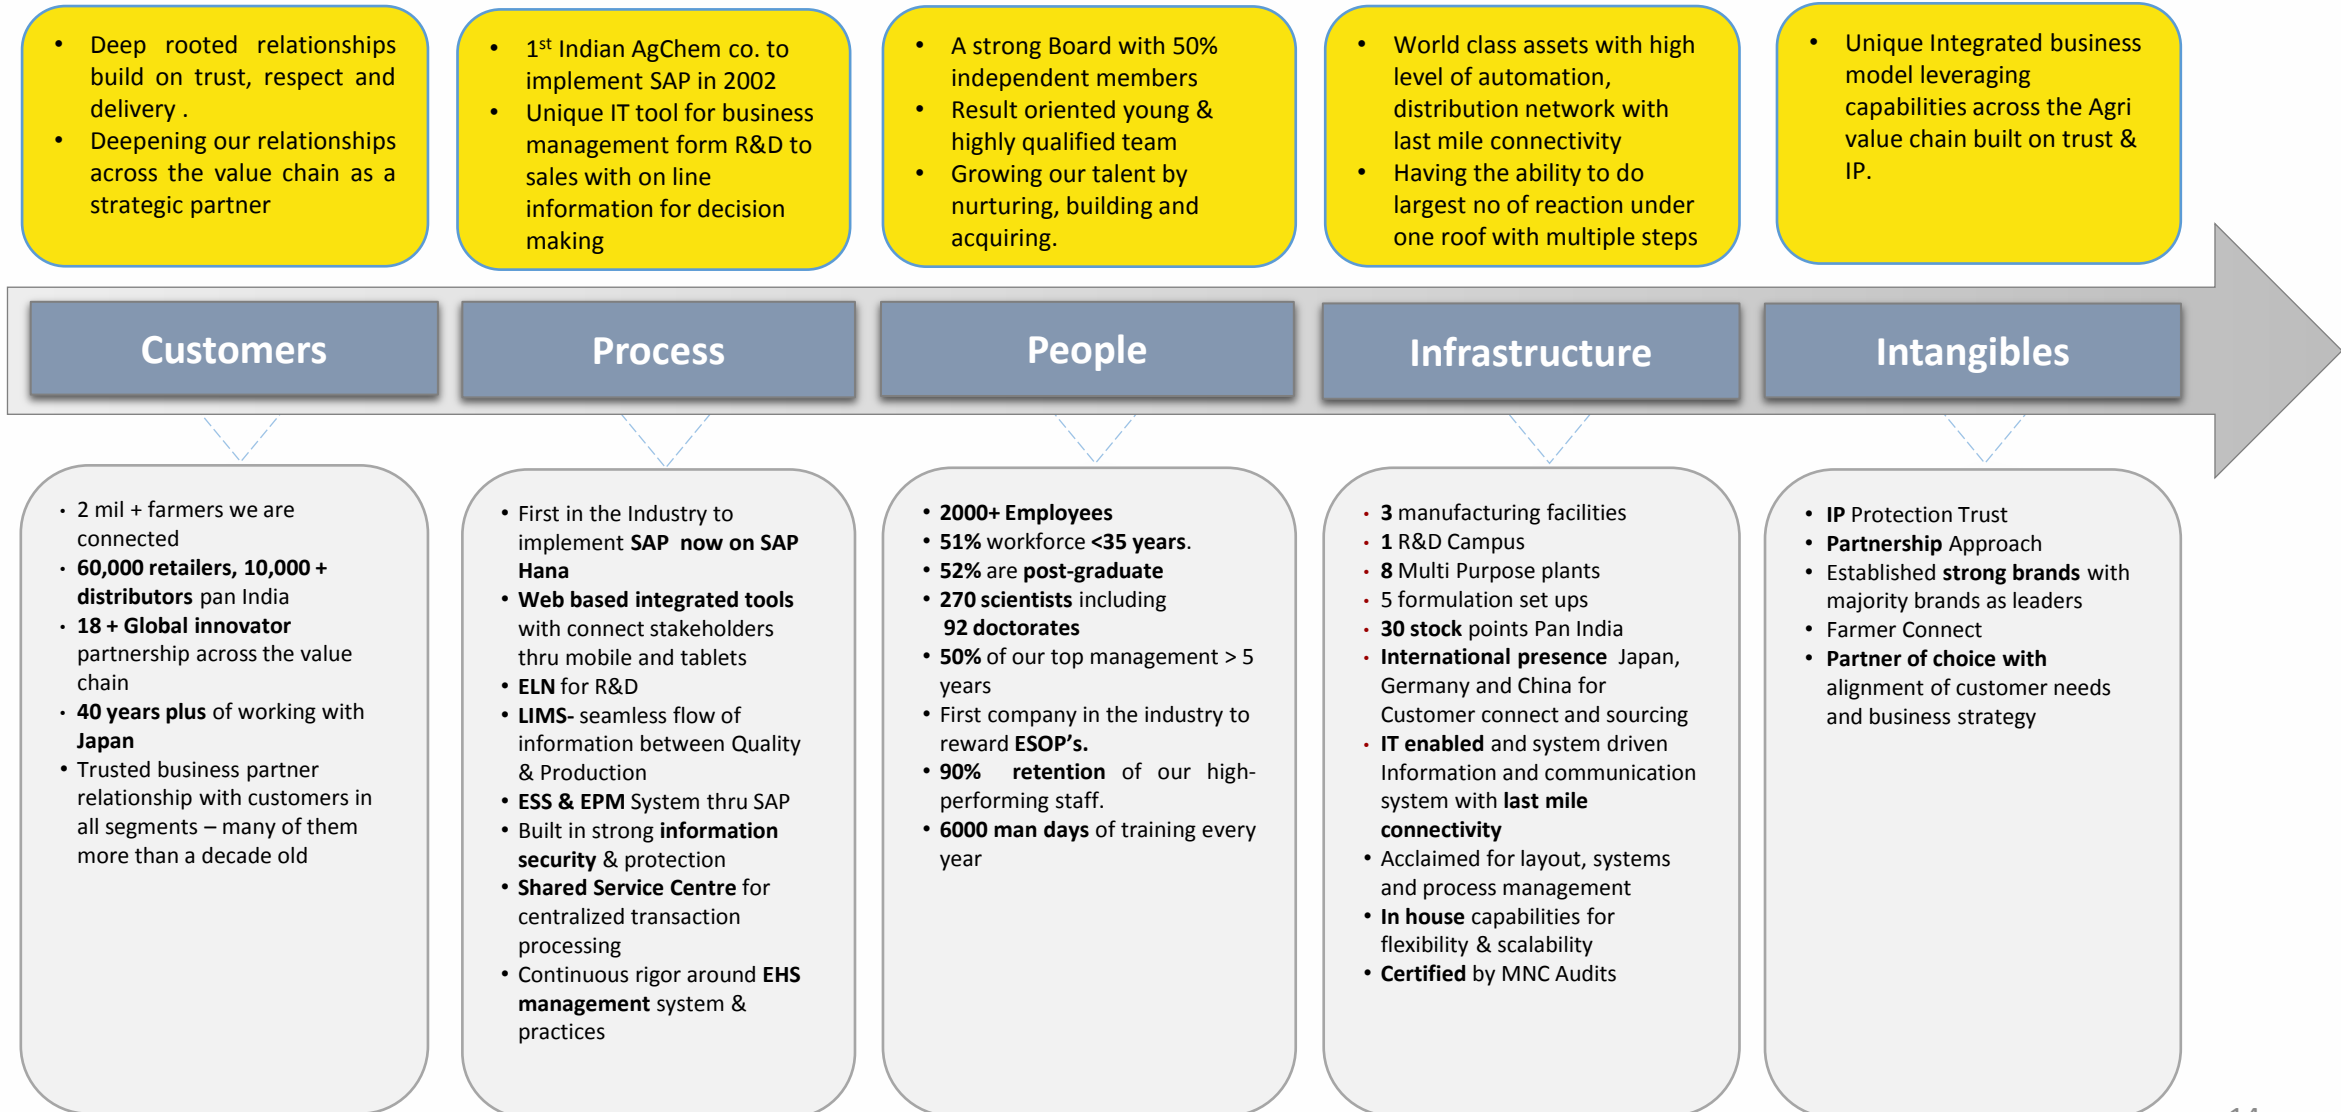

Offering Services across entire spectrum of CSM space

OUR ASSETS

Inspired by Science

R&D & SCALE-UP FACILITIES

Inspired by Science

• Research & Development Lab

- World class state of the art R&D Lab at Udaipur
- 270 scientists, 150 process & 30 analytical chemists
- Work station with complete online utilities
- In-house library with vast array of knowledge resources
- NABL ISO 17025 Accredited and GLP certified

• Kilo Lab

- Flexible Reactor for quick change over
- Distillation facility to establish recycling of solvents
- Capability of handle varying temperature & pressure reactions

• Pilot Plant

- Capability to carry various reactions including high pressure & Cyro, etc.
 - Unit processes such as crystallization, filtration, vacuum distillation, continuous distillation, evaporation, etc
- Integrated from process evaluation, bench scale trials, kilo lab, pilot plant to commercial production
- Centralized LIMS system for data and information management

MANUFACTURING FACILITIES

Inspired by Science

- **Multi-locational manufacturing facilities**
 - 5 Multi-product plants in Panoli spread over 47,000 sq. mtr
 - Formulation units in Panoli - WDG, WG, SC, SL, EC, DP, GR, etc.
 - 3 Multi-product plants in Jambusar with ample scope for expansion 90,000 sq. mtr.
 - Integrated process development team to handle scale up, safety and waste treatment aspects
 - High quality Plant & Machineries like various MOC's of reactors, vessels, heat exchange systems and support equipment, vacuum systems, fractionating columns, filters & dryers
- **ISO 9001:2000, ISO 14001, ISO 17025 and OHSAS 18001**
- **Best in class quality systems and analytical infrastructure**
- **Complete documentation for input traceability and batch logs**
- **Waste treatment facilities** - Incinerator's, MEE, ETP, STP, RO and scrubbers for solid, liquid & gas, Captive gas based power plant
