IMPORTANT NOTES:

1. The Register of Members and the Share Transfer books of the Company will remain closed from 30.07.2019 to 05.08.2019. (both days inclusive).
2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, is annexed hereto.
3. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE IN THE MEETING INSTEAD OF HIMSELF / HERSELF, AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. A PERSON CAN ACT AS A PROXY ON**

BEHALF OF NOT EXCEEDING 50 MEMBERS AND HOLDING IN AGGREGATE NOT MORE THAN 10% OF THE TOTAL SHARE CAPITAL OF THE COMPANY.

The instrument of Proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the meeting. A Proxy form is sent herewith. Proxies submitted on behalf of the companies, societies etc., must be supported by an appropriate resolution/authority, as applicable.

4. Members holding shares in electronic form are hereby informed that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrars cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members. Members holding shares in physical form and desirous of either registering bank particulars or changing bank particulars already registered against their respective folios for payment of dividend are requested to write to the Company.
5. The amount of dividend remaining unpaid or unclaimed for a period of seven years from the due date is required to be transferred to the Investor Education and Protection Fund (IEPF), constituted by the Central Government. The Company had, accordingly, transferred Rs 12,08,588 (Rupees Twelve Lacs, Eight Thousand Five Hundred Eighty Eight only) being the unpaid and unclaimed dividend amount pertaining to Dividend, 2010-11 to the Investor Education and Protection Fund of the Central Government
6. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
7. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company
8. Electronic copy of the Annual Report of the 29th Annual General Meeting of the Company inter alia indicating the process and manner of electronic voting ('e-voting') along with Attendance Slip, Proxy Form and Route Map is being sent to all the members whose email IDs are registered with the Company/Depository Participant(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Notice of the 29th Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip, Proxy Form and Route Map is being sent in the permitted mode.

9. The Company has paid the Annual Listing Fees for the year 2019-2020 to the BSE Limited on which the Company's Securities are presently listed.
10. The Ministry of Corporate Affairs ('MCA') had notified the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 effective from 7th September, 2016 ('IEPF Rules 2016'). Amongst other things, the Rules provides for the manner of transfer of the unpaid and unclaimed dividends to the IEPF and the manner of transfer of shares in case any dividend has not been paid/claimed by the shareholders on such shares during the last seven years to the designated Account as prescribed by the IEPF Authority. In pursuance of Compliance of said rules Company has transferred 42428 (Forty Two Thousands Four Hundred Twenty Eight) Equity Shares to Investor Education and Protection Fund (IEPF).
11. Voting through electronic means

Industry Scenario and Developments

Food processing has an important role to play in linking Indian farmers to consumers in the domestic and international markets.

The Indian food processing industry accounts for 32 per cent of the country's total food market, one of the largest industries in India and is ranked fifth in terms of production, consumption, export and expected growth. It contributes around 8.80 and 8.39 per cent of Gross Value Added (GVA) in Manufacturing and Agriculture respectively, 13 per cent of India's exports and six per cent of total industrial investment. The Indian gourmet food market is currently valued at US\$ 1.3 billion and is growing at a Compound Annual Growth Rate (CAGR) of 20 per cent (<https://www.ibef.org>). India's organic food market is expected to increase by three times by 2020

The Food Processing Industry in India is one of the largest in terms of production, consumption, export and growth prospects (<http://www.indialawoffices.com>). Demand for instant food, packed food, ready-to-eat food has increased significantly. The food sector has emerged as a high-growth and high-profit sector due to a large agriculture sector, abundant livestock, immense potential of value addition and cost competitiveness. India is the second-largest producer of fruits and vegetables.

Currently, food processing accounts for almost one-third of the total food market in India. The food processing industry is valued at US\$258 billion, and is the fifth largest industry domestically in terms of production, consumption, export, and expected growth in the country. It contributes to around 14 percent of manufacturing Gross Domestic Product (GDP) and 13 percent of India's total food exports (<https://www.india-briefing.com>). The Confederation of India Industry (CII) estimates that the food processing sector have the potential to attract as much as US\$ 33 billion of investment over the next 10 years and also to generate employment of nine million people-days.

Government initiatives were rolled-out to increase the capacities in the entire supply chain of food processing. Private consumption combined with ongoing structural reforms are expected to continue to boost economic activity in India. Greater transparent regulatory environment and evolving of food laws are making India emerge as an attractive business destination, creating opportunities for investment and growth especially in the processed foods sector. Consumers in India are fast evolving; they are young, aspirational and have higher disposable income. The young India is more health and fitness conscious. Rise in lifestyle diseases has also prompted the Indian consumers to evaluate their food habits more closely and make lifestyle changes, where required.

The global mushroom industry has expanded very rapidly in the last two decades by the addition of newer types of mushrooms for commercial cultivation. The global Mushroom market accounted for US\$ 38.13 Bn in 2017, expanding at a CAGR of 7.9% from 2018 to 2026 (<https://www.prnewswire.com/news-releases/global-mushroom-market-2018-2026>). Rising consumption of processed food items, rising consumer awareness regarding the health benefits offered by mushrooms, and improvement in packaging technologies are some of the key factors influencing the growth of the mushroom market at present. However, mushroom as a vegetable is yet to find regular place among the Indian consumers. Despite of favourable agro-climate, abundance of agro wastes, relatively low-cost labour and a rich fungal biodiversity, India has witnessed a lukewarm response in its growth.

Business Overview

India's vast agricultural resources alone creates huge potential for investments in its food processing and equipment industry. Major areas holding scope for value added processing are in the canning, packaging, frozen food, Freeze dried food and thermo-processing industries.

The Company nestled in the foothills of the Himalayas near the banks of the Holy Ganges is engaged in the growing and processing of Culinary Herbs, Mushrooms, Fruits and Vegetables catering to the Domestic and International markets mainly in Europe, USA, Canada & Australia.

The Company offers a wide range of Vacuum Freeze Dried, Air-Dried, Frozen and IQF (Individually Quick Frozen) product range of mushrooms, herbs, spices and fruits / vegetables, meeting strict quality & hygiene standards. Canned button mushroom in various shapes and sizes is also available as per the customer requirement. The Company is a single point source of supply of Frozen / IQF (Individually Quick Frozen), Air Dried, Canned as well as Freeze Dried products to the customers as per their requirements. A tempting food item i.e. retail packs of Culinary Herbs for Indian customers are also available in various varieties.

- High packaging cost

Future Outlooks

Keeping in view the availability of diverse raw material (fruit and vegetable), change in life style, rising income, increased urbanization and positive government support, there exists a good potential for expansion of fruit and vegetable processing industry in the country. Establishment of fruit processing units in rural sector shall help in reducing the post-harvest losses, develop wide variety of value added products, and utilize by-products of food industry to improve the economic lot of growers, processors and nutritional status of Indian population.

Rising consumption of processed food items, rising consumer awareness regarding the health benefits offered by mushrooms, and improvement in packaging technologies are some of the key factors influencing the growth of the mushroom market at present. Global mushroom market value is expected to exceed USD 50 billion in the next seven years due to growing mushroom demand in from the recent past.

The reason for growth of food processing industry in India are

- Increased urbanization in the country has given a boost to the food industry in India.
- Majority of the women in the country are working as a result of which families have extra income which they are spending in buying food.
- The standard of living in the country has improved as a result of which there has been an increased demand for food.
- Supermarkets and malls have opened all over the country and this has helped in making shopping for food a pleasurable experience.
- The consumers can select, inspect and pick up food items that they like in an ambience that is comfortable. This too has helped to boost the sale of food products in the country

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
FLEX FOODS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **FLEX FOODS LIMITED** ("The Company"), which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of the affairs of the Company as at 31st March, 2019, and the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No	Key Audit Matters	Auditor response
1.	<p><i>Evaluation of uncertain tax positions</i></p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes 32 to the Financial Statements</p>	<p><i>Principal Audit Procedures</i></p> <p>Obtained details of completed tax assessments and demands for the year ended March 31, 2019 from management.</p> <p>We also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2018 to evaluate whether any change was required to management's position on these uncertainties.</p>
2.	<p><i>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers" (new revenue accounting standard)</i></p> <p>The application of the new revenue accounting standard involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, new revenue accounting standard contains disclosures which involve collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p><i>Principal Audit Procedures</i></p> <p>We assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to implementation of the new revenue accounting standard. • Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls. • Selected a sample of continuing and new contracts and performed the following procedures: • Read, analysed and identified the distinct performance obligations in these contracts. • Compared these performance obligations with that identified and recorded by the Company.

		<ul style="list-style-type: none"> • Considered the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration. • Samples in respect of revenue recorded for time and material contracts were tested using a combination of approved time sheets including customer acceptances, subsequent invoicing and historical trend of collections and disputes. Considering any trade discount/ volume discount given to the customer as adjustment to sales consideration and verifying the control process adopted by the company in recognizing the same in financial statement.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit

evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:-
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant Books of Account.
 - d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder.
 - e) On the basis of the written representations received from the directors as on 31st March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) There is no matter or transaction in our opinion, that may have any adverse effect on the functioning of the Company;
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A";
 - h) With respect to the other matters to be included in the auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its director during the year is in accordance with the provisions of section 197 of the Act; and
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Note 32 to the Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF “FLEX FOODS LIMITED” FOR THE YEAR ENDED 31ST MARCH 2019

Referred to in paragraph 1(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Flex Foods Limited of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of the Section 143 of the Companies Act, 2013.

Report on the Internal Financial Controls

We have audited the Internal Financial Controls over financial reporting of “**FLEX FOODS LIMITED**” (“the Company”) as of 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and Directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

1 COMPANY OVERVIEW & SIGNIFICANT ACCOUNTING POLICIES

I COMPANY OVERVIEW

Flex Foods Ltd. is a public limited company and incorporated on 5th February, 1990 with the Registrar of Companies, having Corporate Identification Number (CIN) L15133UR1990PLC023970. The Registered office of Company is situated at Lal Tappar Industrial Area, P. O. Resham Majri, Haridwar Road, Dehradun (Uttarakhand).

Flex Foods Ltd. is engaged mainly in the business of cultivation and processing of Mushrooms, Herbs, Fruits & Vegetables in Freeze Dried, Air Dried and Individually Quick Frozen form. Flex Foods Ltd. has been selling its products mainly to the European and US markets.

II SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Accounting Standards) Rules 2015 as amended from time to time by the Ministry of Corporate Affairs and Companies (Accounting Standards) Rules 2016, the provisions of Companies Act, 2013, and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Financial statements of the company are prepared under the historical cost convention on the accrual basis except for the following assets and liabilities which have been measured at their fair value.

- Certain financial assets and liabilities measured at fair value (refer relevant accounting policies for more details)
- Biological Assets which are valued at fair value less cost to sale at each reporting period.

The financial statements are presented in Indian Rupees (INR). Amount has been rounded off to nearest thousands.

B. USE OF ESTIMATES AND JUDGEMENTS

The preparation of the financial statements is in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates.

The estimates and underlying assumptions are reviewed on a going concern basis.

Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, in the period of the revision and future periods if the revision affects both current and future period.

C. CLASSIFICATION OF EXPENDITURE/INCOME

Except otherwise indicated:

- All expenditure and income are accounted for under the natural heads of account.
- All expenditure and income are accounted for on accrual basis except when ultimate realisation of income is uncertain.

D. REVENUES

- Revenues from sales of goods are recognized when the significant risk and rewards of the ownership of the goods have been transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods and the amount of revenue can be measured reliably. The timing of transfers of risks and rewards normally happen upon shipment.
- Sales returns / rate differences are adjusted from the sales of the year in which the returns take place / rate differences accepted.
- Sales are adjusted for rebate & discount allowed.
- Interest income is recognized on time apportionment basis. Effective interest method is used to compute the interest income on long terms loans and advances.
- Further, revenues are recognized at gross value of consideration received excluding Goods and Service Tax (GST).

**E. PROPERTY, PLANT AND EQUIPMENT (PPE)****Recognition and measurement:**

Property, plant and equipment are initially recognized at cost after deducting refundable purchase taxes and including the cost directly attributable for bringing the asset to the location and conditions necessary for it to be capable of operating in the manner intended by the management, borrowing cost in accordance with the established accounting policy, cost of restoring and dismantling, if any, initially estimated by the management. After the initial recognition the property, plant and equipment are carried at cost less accumulated depreciation and impairment losses.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

The estimated useful lives, residual values and depreciation method are reviewed at each financial year end and the effect of any change is accounted for on prospective basis.

The carrying amount of the all property, plant and equipment are derecognized on its disposal or when no future economic benefits are expected from its use or disposal and the gain or loss on de-recognition is recognised in the statement of Statement of Profit and Loss.

I. BIOLOGICAL ASSETS

The Company recognizes biological assets when, and only when, the Company controls the assets as a result of past events, it is probable that future economic benefits associated with such assets will flow to the Company and the fair value or cost of the assets can be measured reliably. Expenditure incurred on biological assets are measured on initial recognition and at the end of each reporting period at its fair value less costs to sell in terms

of Ind AS 41. The gain or loss arising on initial recognition of such biological assets at fair value less costs to sell and from a change in fair value less costs to sell of biological assets are included in Statement of Profit and Loss for the period in which it arises.

J. AGRICULTURAL PRODUCE

Agricultural produce harvested from the Company's biological assets are valued at fair value less cost to sell at the point of harvest. A gain or loss arising on initial recognition of agricultural produce at fair value less costs to sell shall be included in Statement of Profit and Loss for the period in which it arises.

K. FINANCIAL INSTRUMENTS

Initial Recognition:

- (i) The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables/payables and where cost of generation of fair value exceeds benefits, which are initially measured at transaction price. Transaction costs directly related to the acquisition or issue of the financial assets and financial liabilities (other than financial assets and financial liabilities through profit & loss account) are added to or deducted from the cost of financial assets or financial liabilities. Transaction cost directly attributed to the acquisition of financial assets or financial liabilities at fair value through profit & loss account are recognized immediately in the statement of profit & loss.

Subsequent Recognition:

Non-derivative financial instruments

- (i) **Financial assets carried at amortised cost:** A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- (ii) **Financial assets at fair value through other comprehensive income:** A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

L. TRADE RECEIVABLES

Trade receivables represents amount billed to customers as credit sales and are net off;

- a) any amount billed but for which revenues are reversed under the different accounting standard and
b) impairment for trade receivables, which is estimated for amounts not expected to be collected in full.

M. LOANS AND ADVANCES

Loans and advances are non derivative financial assets with fixed and determinable payments. This category includes the loans, cash and bank balances, other financial assets and other current assets.

Subsequent to initial measurement, loans and receivables are carried at amortized cost based on effective interest rate method less appropriate allowance for doubtful receivables.

Loans and advances are further classified as current and non-current depending on whether they will be realized within 12 months after the balance sheet date or beyond.

N. FINANCIAL LIABILITIES

- (i) Financial Liabilities are initially recognised at the fair value of the consideration received less directly attributable transaction cost.
- (ii) Subsequent to initial measurement, financial liabilities are measured at amortised cost. The difference in the initial carrying amount of the financial liabilities and their redemption value is recognised in the statement of profit & loss over the contractual term using the effective interest rate method. This category includes the following class of liabilities; trade and other payables, borrowing; and other financial liabilities.
- (iii) Financial Liabilities are further classified as current and non-current depending whether they are payable within 12 months after the balance sheet date or beyond.
- (iv) Financial Liabilities are derecognized when the company is discharged from its obligation, they expire, are cancelled or replaced by a new liability with substantial modified terms.

O. EARNING PER SHARE

Basic Earnings Per Share is computed by dividing the net profit attributable to the equity shareholders of the company to the weighted average number of Shares outstanding during the period & Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders of the company after adjusting the effect of all dilutive potential equity shares that were outstanding during the period, the weighted average number of shares outstanding during the period including the weighted average number of equity shares that could have issued upon conversion of all dilutive potential.

P. INCOME TAXES

(i) CURRENT TAX

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current tax is expected tax payable on the taxable income for the year, using the tax rate enacted at the reporting date.

Current tax assets and liabilities are offset where the company has legal enforceable right to offset and intends either to settle on net basis, or to realise the assets and settle the liability simultaneously.

(ii) DEFERRED TAX ASSETS / LIABILITIES

Deferred tax is recognised for all taxable temporary differences and is calculated based on the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax is measured at the tax rates that are expected to be applied when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the assets can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset and when the deferred tax balances relate to taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but the Group intends to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

(iii) CURRENT AND DEFERRED TAX FOR THE YEAR

Current and Deferred Tax are recognised in the Statement of Profit & Loss, except when they relates to items that are recognized in other comprehensive income or directly in equity, in which case, the current tax and deferred tax is recognized directly in other comprehensive income or equity respectively.

Q. EMPLOYEES BENEFITS

The Company provides for the various benefits plans to the employees. These are categorized into defined benefits plans and defined contributions plans. Defined benefit plans includes the amount paid by the company towards the liability for Provident fund to the employees provident fund organization and Employee State Insurance fund in respect of ESI and defined benefits plans includes the retirement benefit such as gratuity and company absentees both accumulated and non-accumulated.

- (i) In respect of Defined Contribution Plans contribution made to the specified fund based on the services rendered by the employees are charged to Statement of Profit & Loss in the year in which services are rendered by the employee.
- (ii) Liability in respect of Defined Long Term benefit plan is determined at the present value of the amounts payable determined using actuarial valuation techniques performed by an independent actuarial at each balance sheet date using the projected unit credit methods. Gains and losses through re-measurements of the net defined benefit liability/assets are recognized in other comprehensive income. Past Service cost is recognized in the Statement of Profit & Loss in the period of plan amendment.
- (iii) Liabilities for accumulating paid absences is determined at the present value of the amounts payable determined using the actuarial valuation techniques performed by an independent actuarial at each Balance Sheet date using the projected unit credit method. Actuarial gain or losses in respect of accumulating paid absences are charged to Statement of Profit & Loss.
- (iv) Liabilities for short term employee benefits are measured at undiscounted amount of the benefits expected to be paid and charged to Statement of Profit & Loss in the year in which the related service is rendered.

R. IMPAIRMENT

Financial assets

The company recognizes loss allowances using the expected credit loss model for the financial assets which are not fair valued through statement of profit and loss. Loss allowance on trade receivables, with no significant financing component is measured at an amount equal to lifetime expected credit loss. For all financial assets expected credit losses are measured at an amount equal to 12-month ECL unless there has been significant increase in credit risk from initial recognition in which case these are measured at lifetime expected credit loss. The amount of expected credit losses or reversal that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the profit or loss for the period.

Intangible assets, property, plant and equipment

Intangible assets, property plant & equipment are evaluated for recoverability wherever events or changes in

circumstances indicate that their carrying amount may not be recoverable.

For impairment testing, assets that do not generate independent cash flows are grouped together into cash generating units (CGUs).

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such asset is considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit & Loss if there have been changes in the estimates used to determine the recoverable amount. The carrying amount is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss has been recognized for the asset in prior years.

S. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

- (i) A provision is recognized, if as a result of past event the company has present legal or constructive obligations that is reasonably estimable and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pretax rate that reflects current market assessments of the time value of money and the risk specific to liability.
- (ii) Contingent liabilities are disclosed for possible obligations arising out of uncertain events not wholly in control of the company. Contingent assets are not recognised in the financial statements. However due disclosures are made in the financial statements for the contingent assets, where economic benefits is probable and amount can be estimated reliably.

T. FOREIGN CURRENCY TRANSACTIONS

- (i) The Company's functional currency is Indian Rupees. Transactions in currency other than Indian Rupees are recorded at the rate, as declared by the custom and excise department, ruling on the date of transaction.
- (ii) Foreign Currency monetary assets and liabilities remaining unsettled as at the balance sheet date are translated using the exchange rates as at the Balance Sheet date. Non-monetary assets and liabilities which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary assets and liabilities which are carried at fair value or other similar valuation denominated in foreign currency are reported using the exchange rates that existed when the fair values were determined.
- (iii) Exchange differences arises on settlement/translation of Foreign Currency monetary assets and liabilities are recognised as income/expense through the Exchange Fluctuation Account in the year they arise.
- (iv) Transaction gain or losses realized upon settlement of foreign currency transaction are included in determining the net profit for the period in which transaction is settled.
- (v) Exchanges difference arises on settlement / translation of foreign currency monetary assets and liabilities relating to acquisition of Property, Plant and Equipment till the period they are put to use for commercial production, are capitalized to the cost of assets acquired and provided for over the useful life of the Property, Plant and Equipment .

U. DEPRECIATION

- (i) Normal depreciation on all property, plant & equipment except Land & Intangible Assets are provided from the date of put to use for commercial production on Straight Line Method at the useful lives prescribed in Schedule-II to The Companies Act, 2013 and after providing for the residual value (maximum to the extent of 5%) of the Fixed Assets as determined by the Management.
- (ii) Depreciation/Amortization on addition/deletions to Fixed Assets is provided on *pro-rata* basis from/to the date of addition/deletions.
- (iii) Depreciation/Amortization on additions/deletions to the fixed assets due to exchange rate fluctuation is provided on *pro-rata* basis since inception.
- (iv) The estimated useful lives, residual values and depreciation method are reviewed at each financial year end and the effect of any change is accounted for on prospective basis.

V. GOVERNMENT GRANTS

- (i) Capital Subsidy received from Government as contribution towards Capital Outlay for setting up the PPE is treated as Capital Grants which is recognized as Income in the Statement of Profit & Loss over the period and in the proportion in which depreciation is charged.
- (ii) Revenue Grants are recognized in Statement of Profit & Loss.

**W. PURCHASES**

- (i) Purchases returns / rebates are adjusted from the purchases of the year in which the returns take place / rebates allowed.
- (ii) Purchases are accounted for "Net of GST Credit availed on eligible inputs".

X. CLAIMS BY/AGAINST THE COMPANY

Claims by/ against the Company arising on any account are provided for in the accounts on receipts/acceptances.

Y. BORROWING COST

Borrowing cost are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing cost directly attributable to the acquisition or construction of qualifying /eligible assets, intended for commercial production are capitalised as part of the cost of such assets. All other borrowing costs are recognized as an expense in the year in which they are incurred.

Z. APPLICATION OF NEW AND REVISED INDIAN ACCOUNTING STANDARDS (IND AS)

Effective 1st April 2018, the Company has adopted Ind AS 115 "Revenue from Contracts with Customers". This has been replaced for an existing Ind AS 18 "Revenues" earlier adopted by the Company. The adoption of the same will not result into any material change in the principle of reorganization of revenue by the company except that under the earlier Ind AS the amount of commission paid was adjusted against the revenues whereas now the same has been considered as part of the cost and revenue is recognized with Gross Amount. This is done based on the main concept laid down by Ind AS 115 for reorganizing the revenue at consideration which the entity expect to receive in exchange of the promised goods and services.

Further during the year, the Company has adopted all other Indian Accounting Standards (Ind AS) that are notified by the Ministry of Corporate Affairs and are relevant to its operations and effective for the financial year beginning on or after 1st April 2018.

In March, 2019, the Ministry of Corporate Affairs (MCA) issued the companies (Indian Accounting Standards) Amendment rules, 2019, notifying amendments in the various Indian Accounting Standards which are effective for the financial periods beginning on or after 1st April 2019, The standards which might have impact on the financials of the Company are listed as under:

- Ind AS 103 - Business Combination
- Ind AS 107 - Financial Instrument : Disclosures
- Ind AS 109 - Financial Instruments
- Ind AS 113 - Fair Value Measurement
- Ind AS 115 - Revenue from Contracts with Customers
- Ind AS 116 - Leases
- Ind AS 1 - Presentation of Financial Statements
- Ind AS 2 - Inventories
- Ind AS 7 - Statement of Cash Flows
- Ind AS 12 - Income Taxes
- Ind AS 16 - Property, Plant and Equipment
- Ind AS 17 - Leases –(Omitted)
- Ind AS 19 - Employee Benefits
- Ind AS 21 - The Effects of Changes in Foreign Exchange Rates
- Ind AS 23 - Borrowing Costs
- Ind AS 32 - Financial Instruments: Presentation
- Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets
- Ind AS 38 - Intangible Assets
- Ind AS 40 - Investment Property

The Company is in the process of assessing the changes required/ possible impact of these Ind AS's on the financial statements in the period of initial application and accordingly will adopt these changes by suitably amending its accounting policies as well the presentations and disclosures in the financial Statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

The expected benefits increases are based on the same assumptions as are used to measure the Company's defined benefit plan obligations as at 31st March 2019. The Company is expected to contribute Rs. 85.06 lacs to defined benefits plan obligation fund for the year ending 31st March 2020.

The significant accounting assumptions are the discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonable possible changes of the respective assumptions occurring at the end of the reporting period while other assumptions are constant.

If the discount rate increases/(decreases by 0.5%), the defined benefit plan obligations would decrease by Rs. 23.74 Lacs (increase by Rs.25.09 Lacs) as at 31st March 2019.

If the expected salary growth increases/(decreases by 0.5%), the defined benefit plan obligations would increase by Rs. 24.20 Lacs (decrease by Rs.22.02 Lacs) as at 31st March 2019.

The sensitivity analysis presented about may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Financial Risk Management :

In the course of business, amongst others, the Company is exposed to several financial risks such as Credit Risk, Liquidity Risk, Interest Rate Risk, Exchange Risk & Commodity Price Risk. These risks may be caused by the internal and external factors resulting into impairment of the assets of the Company causing adverse influence on the achievement of Company's strategies, operational and financial objectives, earning capacity and financial position.

The Company has formulated an appropriate policy and established a risk management framework which encompass the following process.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

- identify the major financial risks which may cause financial losses to the company
- assess the probability of occurrence and severity of financial losses
- mitigate and control them by formulation of appropriate policies, strategies, structures, systems and procedures
- monitor and review periodically the adherence, adequacy and efficacy of the financial risk management system.

The Company enterprise risk management system is monitored and reviewed at all levels of management, Internal Auditors, Statutory Auditors, Audit Committee and the Board of Directors from time to time.

Credit Risk:

Credit Risk refers to the risks that arise on default by the counter party on its contractual obligation resulting into financial loss to the company. The company may carry this Risk on Trade and other receivables, liquid assets and some of the non current financial assets.

In case of Trade receivables, the company has framed appropriate policy for extending credits period & limit to each customer based on their profile, financial position and their external rating etc. The collections of trade dues are strictly monitored . In case of Export customers, even credit guarantee insurance is also obtained.

Company's exposure to Credit Risk is also influenced by the concentration of risk from top five customers. The details in respect of the % of sales generated from the top customer and top five customers are given hereunder.

Particulars	Current Year	Previous Year
Revenue from Top Customer	40%	47%
Revenue from Top Five Customers	75%	74%

The credit risk on cash, cash equivalent and fixed deposit are insignificant as counter parties are public sector banks. The non current financial assets include security deposit with Govt. body, hence no associated credit risk

Liquidity Risk

Liquidity Risk arises when the company is unable to meet its short term financial obligations as and when they fall due.

The company maintains adequate liquidity in the system so as to meet its all financial liabilities timely. In addition to this, the company's overall financial position is very strong so as to meet any eventuality of liquidity tightness.

Contractual maturities of financial liabilities are given as under:

Particulars	As at 31st March 2019	Due within 12 months from Balance Sheet Date	Due beyond 12 months of Balance Sheet Date
Borrowings	2,686.43	1,855.12	831.31
Trade payables	635.14	635.14	-
Other Financial Liability	167.54	167.54	-
Other Liabilities	243.60	243.60	-
Current Tax Liability	0.91	0.91	-

Interest Rate Risk :

Generally market linked financial instruments are subject to interest rate risk. The company does not have any marked linked financial instrument both on the asset or liability side. Hence no interest rate risk.

In case of the borrowings by the company, the company is subject to interest rate risk on account of any fluctuation in the base rate fixed by the banks. Every fluctuation in the base rate of the bank either on the higher or lower side will result into financial loss or gain to the company

The borrowings of the company amounting to Rs. 2136.43 Lacs as on 31.03.2019 out of total Rs. 2686.43 lacs, is linked with the Base Rate of the Banks.

Based on the structure of debt as at year end, a one percentage point increase in the debt would cause an additional expense in the net financing cost of Rs. 21.36 Lacs.

Foreign Exchange Risk :

The company is exposed to the foreign currency risk from transactions. Transactional exposures are arising from the transactions entered into foreign currency. Management keeps a close watch of the maturity of the financial assets in foreign currency and payment obligations of the financial liabilities.

The company imported goods for insignificant amounts on trade account. Approximately 74% of revenue were earned in foreign currency due to nature of business being exports. In a way, Company is a net foreign exchange earner.

The Company did not undertake hedging to cover exchange risk and kept its foreign exchange exposure open mainly due to its supplies to customers overseas which were on Credit and it resorted to discounting of such supply bills with its bankers. In this situation, the Exchange rate was crystallised on the date of discounting & did not remain open ended till the date of realization of Export proceeds. This measure also mitigated the Exchange Rate Risk.

Based on one percentage point variations in the exchange rate, the profit for the year based on the foreign currency transaction entered during the period will be effected by 5.26%.

Commodity Price Risk :

Raw materials which company procures from the open market are agricultural products, production of which is directly effected by weather conditions and pricing is linked to the prevailing demand & supply conditions of the products. Company mitigate this risk by bulk buying during season for off season use.

The company has been operating in a global competitive environment due to its dependence mainly on Exports. The competition has been becoming more fierce and it has been subject to major competition from other Asian Countries largely China which has been causing pressure on the product prices & volumes resulting into drop in the selling prices and profit margins.

In order to combat this situation, the Company formulated manifold plans and strategies to develop new customers, focus on newer product developments to increase its product portfolio and also accelerate its efforts to develop domestic market for its products. In addition to this, it has also been focusing on improvement in products quality and productivity of operations. With these measures, company expects to counter the commodity price risk.

Risk Management Strategy Related to Biological Assets**Regulatory and Environmental Risks**

The Company is subject to laws and regulations in the locations in which it operates. The company has established environmental policies and procedures aimed at compliance with local environmental and other laws.

Supply and Demand Risk

The Company is exposed to risks arising from fluctuations in the price and sales volume of its product i.e. Fresh Mushroom. Management performs regular industry trend analysis to project harvest volumes and pricing. Where possible, the company manages this risk by aligning its harvest volumes to market supply and demand.

Climate and other Risks

The company's biological asset is exposed to the risk of damage from climatic changes, diseases and other natural forces. The company has extensive processes in place aimed at monitoring and mitigating these risks, including growing under controlled conditions.
