## **Management Comment:**

Commenting on the result, **Mr. Ishank Joshi, Managing Director & CEO, Lucent Industries Ltd.** said, *"The first quarter of FY26 has been a period of strong operational progress for Lucent Industries, underscoring the effectiveness of our AI-powered platforms and outcome-based business model. Our focus on tailored branding strategies, optimized media buying, and proprietary technology solutions continues to deliver measurable value for clients. The launch of OrbitX, our AI-powered search and contextual advertising platform, positions us at the forefront of next-generation digital advertising solutions, enabling precision targeting and enhanced user-intent mapping across search, native, and social channels."*

*We recently announced our plans to acquire Mobavenue, a leading AI/ML-powered ad tech company with a strong product suite spanning Re-marketing DSP, Commerce Media DSP, Streaming & CTV DSP, Contextual & OEM DSP, and mobile-first advertising. This complements our existing platforms and aligns perfectly with our vision of becoming a global leader in AI-powered advertising and consumer growth solutions, expanding our global presence in high-growth markets such as the United Kingdom, United States, and Europe.*

*Looking ahead, we aim to capitalize on strong industry tailwinds such as growing digital ad spends, rising smartphone penetration, and the increasing role of AI in marketing. Once completed, the Mobavenue integration is expected to significantly strengthen our capabilities, deliver enhanced ROI for clients, and position us for sustained growth in both domestic and international markets."*
