#### Item No.3

# Appointment of CS Kishor Dudhatra, Practising Company Secretary as a secretarial auditor of the company

Pursuant to the provisions of Section 204 of the Act, read with the Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, and Regulation 24A of the SEBI Listing Regulations, the company is required to appoint a Secretarial Auditor for a term of 5(five) consecutive years with the approval of its shareholders at the AGM to undertake the secretarial audit. The SEBI Listing Regulations specifically mandate that the secretarial auditor be a peer reviewed company secretary.

In view of the aforesaid, upon recommendation of the Audit Committee, the Board of Directors of the Company at its meeting held on 11<sup>th</sup> August, 2025, recommended the appointment of CS Kishor Dudhatra, Practising Company Secretary, Peer reviewed company secretary in practice (Peer Review No. 1919/2022), as the Secretarial Auditor of the Company, for a period of five (5) consecutive financial years commencing from FY 2025-26 to the FY 2029-30, to undertake Secretarial Audit of the Company and to issue the Secretarial Audit Report for the aforesaid period.

CS Kishor Dudhatra, Practicing Company Secretaries, registered with The Institute of Company Secretaries of India and has Peer Review Certificate No. 1919/2022, issued by The Institute of Company Secretaries of India (ICSI). His expertise includes conducting secretarial audits, Due Diligence Audits, Compliance Audits etc.

CS Kishor Dudhatra has given his consent to act as the Secretarial Auditors of the Company and has confirmed that his appointment, if made, will be within the limit specified under Section 204 of the Act. He has also confirmed that he is not disqualified to be appointed as Secretarial Auditors in terms of the provisions of the Section 204 of the Act and the Rules made thereunder, read with Regulation 24A of the Listing Regulations.

In view of his qualifications and experience in undertaking Secretarial Audit, it is proposed to appoint CS Kishor Dudhatra as Secretarial Auditors of the Company. The Board, based on the recommendation of the Audit Committee, approved a Secretarial audit fee of INR 40,000/- (excluding out of pocket expenses, if any) for the FY 2025-26. The Secretarial audit fee payable to CS Kishor Dudhatra for the subsequent years of his term shall be fixed by the Board of Directors of the Company based on recommendation of the Audit Committee, in consultation with the secretarial auditor.

None of the directors, Key managerial personnel of the company and their relatives are concerned or interested, financially or otherwise and do not have any conflict of interest in the Resolution. Accordingly, the Board of Directors recommends passing of Resolution set out herein above for approval by the members.

#### MANAGEMENT DISCUSSION AND ANALYSIS:

#### MANAGEMENT DISCUSSION

#### A. INDUSTRY STRUCTURE AND DEVELOPMENTS AND OUTLOOK:

India's gem and Jewellery industry has shown remarkable resilience and perseverance in the face of global challenges. The industry Based on its potential for growth and value addition, the Government declared the Gems & Jewellery sector as a focus area for export promotion. Despite inflation in the USA, the three years long Russia-Ukraine war, and the Israel -Hamas Conflict in middle east for almost a year, a key market, the industry has managed to put up a commendable performance.

### As Per Report From Gem & Jewellery Export Promotion Council And India Brand Equity Foundation:

- The Government has reduced custom duty on cut and polished diamond and coloured gemstones from 7.5% to 5% and NIL
- -India's gold demand in 2025 is projected to remain robust, ranging between 700-800 tonnes despite a 31 per cent increase value-wise in 2024 -- World Gold Council
- In FY 2025, India's Gems & Jewellery exports stood at Rs. 2,43,162 crore (US\$ 28.50 billion). In March 2025, India's Gems & Jewellery exports stood at Rs. 2,20,379 crore (US\$ 25.82 billion).
- -India ranks first among the top exporters in cut & polished diamonds, and second in gold jewellery, silver jewellery and lab-grown diamonds in the year 2022. The India-UK Free Trade Agreement is expected to more than double India's gems and jewellery exports to the UK, reaching Rs. 21,183 crore (US\$ 2.5 billion) within the next two years.

#### **B. OPPORTUNITIES AND THREATS:**

India is the world's largest cutting and polishing center for diamonds, with the cutting and polishing industry being well supported by government policies. India's Gems and Jewellery sector has been contributing in a big way to the country's foreign exchange earnings (FEEs). In the coming years, growth in the Gems & Jewellery sector would largely be contributed by the development of large retailers/brands. Established brands are guiding the organised market and are opening opportunities to grow. Increasing penetration of organised players provides variety in terms of products and designs. Also, the relaxation of restrictions on gold import is likely to provide a fillip to the industry. The demand for jewellery is expected to be significantly supported by the recent positive developments in the industry. India's Gems & Jewellery industry is expected to reach US\$ 100 billion by 2027.

Despite the promising growth prospects, India's Gems & Jewellery industry faces several significant threats. Intense global competition from emerging low-cost manufacturing hubs such as China and Thailand could undermine India's dominant position in the diamond cutting and polishing market.

#### C. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

A detail of segments is given in financial statement.

#### D. INITIATIVES

The initiatives are being taken by the Company for improving the quality standards and reduction of costs at appropriate level. New machineries are imported to provide better result and to cope up with changing requirement of the industry. The employees at all levels are being made aware of the changing conditions and the challenges of the open market conditions and to train the personnel to tackle the difficult situations which will improve the overall productivity, profitability. Company is negotiating for export orders with international buyers and management is hopeful to achieve higher export turnover during the year. Company has entered in to Real Estate business along with existing business. Company is negotiating for land at Ahmedabad for development.

#### E. RISKS AND CONCERNS:

Company is in the Gems and Jewellery business and real estate Business and fluctuation in price of commodity in international markets as well as fluctuation of dollar price may impact the entire industry. The unavailability of fund is also affecting India's position in the international market. Government has restricted import and now days most government of policies are demotivating import of Gold. Today people have more faith in gold than government bonds. Future unfavorable government policies may have impact on business of the company.

While rising interest rates are a cause for concern, the desire for larger, more luxurious homes will also see a surge. The popularity of WFH and hybrid working arrangements has increased the Demand for vacation houses. We anticipate that these trends will continue in 2024-25. To mitigate risk at all level company have experienced management and staff.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
SHUKRA JEWELLERY LIMITED

Panchdhara Complex 3rd Floor Near The Grand Bhagawati Hotel S.G. Highway Bodakdev Ahmedabad - Gujarat 380054

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SHUKRA JEWELLERY LIMITED** (hereinafter called the "Company") for the Financial year ended March 31, 2025 (hereinafter called the "Period Under Audit"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the period under audit covering the financial year ended on 31st March, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on March 31, 2025 according to the applicable provisions of:

# INDEPENDENT AUDITOR'S REPORT

To,
The Members of,
Shukra Jewellery Limited

# **Report on the Audit of Standalone Financial Statements**

# Opinion

We have audited the standalone financial statements of **Shukra Jewellery Limited** (the "Company") which comprise the Standalone Balance Sheet as at 31 March 2025, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

# **Basis of Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

# **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not observed any matters that classifies as the key audit matter to be communicated in our audit report

# Information other than the Standalone Financial Statements and Auditor's report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

# Management's Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

# **Auditor's Responsibilities for the Audit of Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to
  design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i)
  of the Act, we are also responsible for expressing our opinion on whether adequate
  internal financial controls systems are in place and the operating effectiveness of such
  controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exits related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statement of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure 'A'** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books except for the matters stated in the paragraph below on reporting under Rule 11(g).
- c) The Company has no branches hence, the provisions of section 143(3)(c) is not applicable.
- d) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report agree with the books of account.
- e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 4 of the Companies Indian Accounting Standard Rules, 2015 as amended.
- f) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the company.
- g) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as

on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

- h) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph above on reporting under Section 143(3)(b) and paragraph below on reporting under Rule 11(g).
- i) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
- j) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the company has not paid any remuneration to its director during the period
- k) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - *i.* The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There have been no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv.

- The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary companies and joint venture company incorporated in India or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- 2. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including

foreign entities ("Funding Parties"), with the understanding, whether recorded in

writing or otherwise, that the Company shall:

 directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties

or

provide any guarantee, security or the like from or on behalf of the Ultimate

Beneficiaries.

3. Based on such audit procedures as considered reasonable and appropriate in the

circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of rule 11(e) as provided under

clause (1) and (2) contain any material misstatement.

v. The company has neither declared nor paid any dividend during the year. Hence,

reporting the compliance with section 123 of the Act is not applicable.

vi. The Company has not used accounting software with an audit trail (edit log) facility

starting from 1<sup>st</sup> April 2024 but the same has been used starting from period 7<sup>th</sup> October 2024. Consequently, we are unable to report whether the audit trail facility

has been operated and maintained throughout the year for all transactions recorded

in the software, or if the audit trail feature has been tampered with.

Based on our examination, which include test checks we report that due to significant

loss of data company was unable to preserve the original audit trail as required. The

company has subsequently recompiled its books of accounts for the period based on

the available supporting documents and has reinstated the accounting records to the extent possible. As a result, the audit trail, as envisaged under the statutory

requirements, has not been maintained for the financial year ended 31st March, 2025

- xviii. There has been no resignation of the statutory auditors during the year and accordingly, the provisions of clause 3(xviii) of the Order is not applicable;
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Ind AS financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as on the date of this audit report and that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the

future viability of the Company. We further state that our reporting is based on the facts up to date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. Based on our examination, the provisions of section 135 is not applicable to the company. Accordingly, clause 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

# "Annexure B" to the Independent Auditor's Report of even date on the Standalone Financial Statements of SHUKRA JEWELLERY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **SHUKRA JEWELLERY LIMITED** as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

# **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

# **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### 2. BASIS OF PREPARTAION OF FINANCIAL STATEMENTS

# a) Basis of preparation and compliance with Ind AS

i. These financial statements as and for the year ended March 31, 2025 (the "Ind AS Financial Statements") are prepared in accordance with Ind AS.

In accordance with the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company had adopted Indian Accounting Standards (Ind AS) notified under Section 133 read with Rule 4A of Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, "Ind ASs") with effect from April 1, 2017.

ii. These financial statements were approved by the Board of Directors on May 29, 2025.

# b) Basis of measurement

The IND AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including equity Shares financial instruments which have been measured at fair value as described below.

#### Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

# Notes to the financial statements for the year ended 31st March, 2025

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

For other fair value related disclosures refer note no 31.

# c) Functional and Presentation Currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates.

### 3. SIGNIFICANT ACCOUNTING POLICIES

The company has applied following accounting policies to all periods presented in the IND AS Financial Statement.

## a) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty.

Revenue from sales is recognized when all significant risks and rewards of ownership of the commodity sold are transferred to the customer which generally coincides with delivery.

Revenue in case of Jewellery business is derived from sale of Gems and Jewellery items and Revenue in case of Real Estate Business in derived from Sale of Flat. Further the sale is booked only

# Notes to the financial statements for the year ended 31st March, 2025

when the registry is done with the government for the respective member/buyer when possession is handed over and sale deed is executed.

# b) Property, Plant and Equipment

## i. Property, Plant and Equipment

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

# ii. Depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a written down value basis.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

# c) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

# Notes to the financial statements for the year ended 31st March, 2025

#### **Financial Assets**

# Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

## **Subsequent Measurement**

Subsequent measurement of financial assets is described below –

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit and loss. The losses arising from impairment are recognized in the statement of profit and loss. This category generally applies to trade and other receivables.

However, reporting entity does not have such financial assets to be measured at amortized cost using EIR method.

## Financial Assets - De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement; and either
  - (a) the Company has transferred substantially all the risks and rewards of the asset, or
  - (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained

# Impairment of financial assets

In accordance with IND AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits and trade receivables or any

# Notes to the financial statements for the year ended 31st March, 2025

contractual right to receive cash or another financial asset that result from transactions that are within the scope of IND AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

# Financial liabilities - Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through statement of profit and loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings. The measurement of financial liabilities depends on their classification, as described below:

## Financial liabilities at fair value through statement of profit and loss:

Financial liabilities at fair value through statement of profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through statement of profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

## Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (hereinafter referred as EIR) method. Gains and losses are recognized in statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

## Financial liabilities - De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

# Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

# Notes to the financial statements for the year ended 31st March, 2025

For more information on financial instruments refer note no 31.

# d) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of twelve months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

# e) Impairment of Non-financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account.

## f) Inventories

Inventories are valued at the lower of cost and net realizable value.

Cost of Inventories includes the Purchase price, Cost of conversion and Cost incurred to bring the asset to its present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Inventories encompass goods purchased and held for resale, Finished Goods produced or Work In Progress by the entity.

Inventories for the company include and are valued at as follows:

Polished Diamonds: Valued at cost or realizable value whichever is less.

Gold: Valued at cost or realizable value whichever is less.

WIP: Valued at cost or realizable value whichever is less.

In case of Real Estate Business, Cost includes cost of land, construction, development cost, borrowing cost and other related overheads as the case may be. Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessary to make the sale.

# Notes to the financial statements for the year ended 31st March, 2025

## g) Taxation

#### **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### **Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

# h) Employee Benefit Schemes

## i. Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives

# Notes to the financial statements for the year ended 31st March, 2025

and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

# ii. Post-employment benefits

#### Defined benefit plans - Provident fund

As per the provision of Employee Provident Fund & Miscellaneous Act, the Company has an obligation to take the registration under the act and make contribution to PF.

The company is in process of complying with the provisions of EPF A/c, Gratuity and other applicable labour laws.

# i) Foreign Currency Transactions

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date.

All exchange differences are included in the statement of profit and loss.

The Company has applied paragraph 46A of AS 11 under Indian GAAP. IND AS 101 gives an option, which has been exercised by the Company, whereby a first time adopter can continue its Indian GAAP policy for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognized in the Indian GAAP financial statements for the period ending immediately before the beginning of the first INS AS financial reporting period. Hence, foreign exchange gain/loss on long-term foreign currency monetary items recognized up to March 31, 2016 has been deferred/capitalized. A long-term foreign currency monetary item is an item having a term of 12 months or more at the date of its origination.

# j) Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

# k) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue are accounted for based on the cost price. Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses/ assets/ liabilities".

For more information on financial instruments Refer note no. 28.

# Notes to the financial statements for the year ended 31st March, 2025

#### I) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

# m) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are elaborated in note no. 32.

# 28. Segment Reporting

## (A) Basis of Segmentation

The segment reporting of the Company has been prepared in accordance with Ind AS-108, "Operating Segment" (specified under section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2015). For management purposes, the Company is organized into business units based on its products and services and has two reportable segments as follows:

- Diamonds and Gold Jewellery
- Real Estate Business

Segments have been identified as reportable segments by the Company's chief operating decision maker ("CODM"). Segment profit amounts are evaluated regularly by the Board, which has been identified as the CODM, in deciding how to allocate resources and in assessing performance.

Segment Revenue, Results, Assets and Liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

# **Fair Value Hierarchy**

The table shown below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined below:

<u>Level 1</u>: Quoted prices (unadjusted) in active markets for identical assets or liabilities

<u>Level 2</u>: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

<u>Level3</u>: Inputs for the asset or liability that are not based on observable market data(unobservable inputs)

# Notes to the financial statements for the year ended 31st March, 2025

| Financial Instruments                        | As at 31st March, 2025 | As at 31 <sup>st</sup> March, 2024 |
|--|------------------------|------------------------------------|
| Financial Assets Investment in Quoted Shares |                        |                                    |
| Level 1                                      | 3,11,41,700            | 3,68,89,650                        |
| Level 2                                      | -                      | -                                  |
| Level 3                                      | -                      | -                                  |

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used toestimate the fair values:

- Cash and Cash Equivalents, Other Current Assets/Liabilities: Approximate their carrying amounts largely
  due to the short-term maturities of these instruments.
- Trade Payables and Trade Receivables: All trade payables are recorded at transaction price except the trade payables to foreign suppliers. Trade payables to foreign suppliers are recorded @ the exchange rate prevailing on the reporting date and the difference is considered in profit and loss account.
- Loans Current & Non-Current and Other Current Liabilities: All the amounts given/taken as loans do not carry any interest obligation and it is not practicable to estimate the timing of repayment of this loan. Thus, it is considered as repayable/receivable on demand and the face value (i.e. amount payable on demand) of such asset is considered its fair value.
- Non-Current Borrowings: The amount is borrowed for construction of real estate project and the interest
  of same is capitalized to the project cost, whereas cost of availing loan is apportioned to over a period of
  loan, thus same is reduced from the value of loan.

There has been no transfer between Level 1 and Level 3 during the above periods.

# 32. Critical Estimates and Judgments in applying Accounting Policies:

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Information about estimates and judgments made in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as follows:

i) Property, plant and equipment and useful life of property, plant and equipment and intangible assets The carrying value of property, plant and equipment is arrived at by depreciating the assets over the useful life of assets. The estimate of useful life is reviewed at the end of each financial year and changes are accounted for prospectively.

#### ii) Impairment of Non-Financial Assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use.

The management has not assessed the impairment loss on the asset of the company.

# iii) Provisions and Contingencies

# Notes to the financial statements for the year ended 31st March, 2025

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with the applicable Ind AS.A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provisions are determined by discounting the expected future cash flows.

#### iv) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

# 33. Capital Management

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth and maximize the shareholders' value. The company's overall strategy remains unchanged from previous year. The following table summarizes the capital of the company

#### INDEPENDENT AUDITOR'S REPORT

To, The Members of, Shukra Jewellery Limited

## **Report on the Audit of Consolidated Financial Statements**

## **Opinion**

We have audited the consolidated financial statements of Shukra Jewellery Limited ("the Holding Company") and its associate (the Holding Company and its associate together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended and notes to the Consolidated Financial Statements including a summary of Material accounting policies and other explanatory information (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules , 2015, as amended ("Ind AS"),of the consolidated state of affairs of the Group as at March 31, 2025, their consolidated profit including other comprehensive income, consolidated changes in equity and their consolidated cash flows for the year ended on that date.

# **Basis of Opinion**

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence

obtained by us, is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Information other than the Consolidated Financial Statements and Auditor's report Thereon

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual report, for example, Directors' Report and Management Analysis including Annexures thereon but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Management's Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group pany in accordance with the accounting principles generally accepted in India, including the Indian Accounting standards (Ind AS) specified under section 133 of the Act, read with relevant rules issued there under.

The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective board of directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Management & Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Holding Company.

#### Auditor's Responsibilities for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether adequate internal financial controls systems are in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exits related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities
  or business activities within the Group to express an opinion on the Consolidated Financial
  Statements. We are responsible for the direction, supervision and performance of the audit of
  the financial statements of such entities included in the consolidated financial statements of
  which we are the independent auditors.

Materiality is the magnitude of misstatement in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

We communicate with those charged with governance of the Group included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls with reference to financial statements that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matter

We did not audit the financial statements / financial information of 1 associate company, whose standalone / consolidated financial statements / financial information reflect total assets of 1358.67/-Lacs as at 31st March, 2025, total revenues of 156.16/- Lacs and net cash inflows amounting to 20.28/-Lacs for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these associates, and our

report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid associates is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

#### **Report on Other Legal and Regulatory Requirements**

- 1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the Consolidated Financial Statements of the Group, where audit under Section 143 of the Act has not yet been completed, we report, to the extent applicable that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Group so far as it appears from our examination of those books except for the matters stated in the paragraph below on reporting under Rule 11(g);
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
- d) There are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the company.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group incorporated in India is disqualified as on March 31, 2025 from being appointed as a director in terms of section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, we give our separate report in the "Annexure A".
- 2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2021, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - The Consolidated Financial Statements disclose the impact of pending litigations as at March 31, 2025, on the consolidated financial position of the Group on Contingent Liabilities to the Consolidated Financial Statements;

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its associate company incorporated in India;

iv.

- The management has represented that, to the best of its knowledge and belief, no
  funds have been advanced or loaned or invested (either from borrowed funds or share
  premium or any other sources or kind of funds) by the company to or in any other
  persons or entities, including foreign entities ("Intermediaries"), with the
  understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary companies and joint venture company incorporated in India or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- 2. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
- 3. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of rule 11(e) as provided under clause (1) and (2) contain any material misstatement.
- v. a) The Group has not proposed / paid any dividend during the year.
  - b) As stated in Note 54A to the Consolidated Financial Statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. The Company has not used accounting software with an audit trail (edit log) facility starting from 1<sup>st</sup> April 2024 but the same has been used starting from period 7<sup>th</sup> October 2024. Consequently, we are unable to report whether the audit trail facility has been

operated and maintained throughout the year for all transactions recorded in the

software, or if the audit trail feature has been tampered with.

Based on our examination, which include test checks we report that due to significant loss

of data company was unable to preserve the original audit trail as required. The company has subsequently recompiled its books of accounts for the period based on the available supporting documents and has reinstated the accounting records to the extent possible.

As a result, the audit trail, as envisaged under the statutory requirements, has not been

maintained for the financial year ended 31st March, 2025

3. With respect to the other matters to be included in the Auditor's Report in accordance with the

requirements of section 197(16) of the Act, as amended;

In our opinion and to the best of our information and according to the explanations given to us, the

remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the

Limit laid down under Section 197 of the Companies Act.

4. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the

Companies (Auditor's Report) order, 2020 ("CARO"/ "the order") issued by the Central Government

in terms of Section 143(11) of the Act, based on the CARO reports issued by us for the Company and

its associate included in the Consolidated Financial Statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these

CARO reports.

"Annexure A" to the Independent Auditor's Report of even date on the Consolidated Financial Statements of SHUKRA JEWELLERY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **SHUKRA JEWELLERY LIMITED** as of March 31, 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### 2. BASIS OF PREPARTAION OF FINANCIAL STATEMENTS

#### a) Basis of preparation and compliance with Ind AS

i. These consolidated financial statements as and for the year ended March 31, 2025 (the "Ind AS Financial Statements") are prepared in accordance with Ind AS.

In accordance with the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company had adopted Indian Accounting Standards (Ind AS) notified under Section 133 read with Rule 4A of Companies (Indian Accounting Standards) Rules, 2015, as amended, and the relevant provisions of the Companies Act, 2013 (collectively, "Ind ASs") with effect from April 1, 2017.

ii. These consolidated financial statements were approved by the Board of Directors on May 29, 2025.

## b) Basis of measurement

The IND AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including equity Shares financial instruments which have been measured at fair value as described below.

#### Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at themeasurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

## Notes to the consolidated financial statements for the year ended 31st March, 2025

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on thebasis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy asexplained above.

For other fair value related disclosures refer note no 31.

## c) Functional and Presentation Currency

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates.

#### 3. SIGNIFICANT ACCOUNTING POLICIES

The company has applied following accounting policies to all periods presented in the IND AS Financial Statement.

#### a) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, net of discounts, volume rebates, outgoing sales taxes and other indirect taxes excluding excise duty.

Revenue from sales is recognized when all significant risks and rewards of ownership of the commodity sold are transferred to the customer which generally coincides with delivery.

Revenue in case of Jewellery business is derived from sale of Gems and Jewellery items and Revenue in case of Real Estate Business in derived from Sale of Flat. Further the sale is booked only

## Notes to the consolidated financial statements for the year ended 31st March, 2025

when the registry is done with the government for the respective member/buyer when possession is handed over and sale deed is executed.

## b) Property, Plant and Equipment

#### i. Property, Plant and Equipment

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognized.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

## ii. Depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and any provision for impairment. Depreciation commences when the assets are ready for their intended use.

Depreciation is calculated on the depreciable amount, which is the cost of an asset less its residual value. Depreciation is provided at rates calculated to write off the cost, less estimated residual value, of each asset on a written down value basis.

Depreciation methods, useful lives and residual values are reviewed at each financial year end and changes in estimates, if any, are accounted for prospectively.

## c) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

## Notes to the consolidated financial statements for the year ended 31st March, 2025

#### **Financial Assets**

## Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through statement of profit and loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### **Subsequent Measurement**

Subsequent measurement of financial assets is described below –

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the statement of profit and loss. The losses arising from impairment are recognized in the statement of profit and loss. This category generally applies to trade and other receivables.

However, reporting entity does not have such financial assets to be measured at amortized cost using EIR method.

#### Financial Assets - De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement; and either
  - (a) the Company has transferred substantially all the risks and rewards of the asset, or
  - (b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained

#### Impairment of financial assets

In accordance with IND AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits and trade receivables or any

## Notes to the consolidated financial statements for the year ended 31st March, 2025

contractual right to receive cash or another financial asset that result from transactions that are within the scope of IND AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

## Financial liabilities - Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through statement of profit and loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings. The measurement of financial liabilities depends on their classification, as described below:

#### Financial liabilities at fair value through statement of profit and loss:

Financial liabilities at fair value through statement of profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through statement of profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

#### Loans and Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (hereinafter referred as EIR) method. Gains and losses are recognized in statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

#### Financial liabilities - De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

#### Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

## Notes to the consolidated financial statements for the year ended 31st March, 2025

For more information on financial instruments refer note no 31.

## d) Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of twelve months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

#### e) Impairment of Non-financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account.

#### f) Inventories

Inventories are valued at the lower of cost and net realizable value.

Cost of Inventories includes the Purchase price, Cost of conversion and Cost incurred to bring the asset to its present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Inventories encompass goods purchased and held for resale, Finished Goods produced or Work In Progress by the entity.

Inventories for the company include and are valued at as follows:

Polished Diamonds: Valued at cost or realizable value whichever is less.

Gold: Valued at cost or realizable value whichever is less.

WIP: Valued at cost or realizable value whichever is less.

In case of Real Estate Business, Cost includes cost of land, construction, development cost, borrowing cost and other related overheads as the case may be. Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessary to make the sale.

## Notes to the consolidated financial statements for the year ended 31st March, 2025

#### g) Taxation

#### **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### **Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences, except when it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting dateand are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year whenthe asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## h) Employee Benefit Schemes

#### i. Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives

## Notes to the consolidated financial statements for the year ended 31st March, 2025

and compensated absences which are expected to occur in next twelve months. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

#### ii. Post-employment benefits

#### Defined benefit plans - Provident fund

As per the provision of Employee Provident Fund & Miscellaneous Act, the Company has an obligation to take the registration under the act and make contribution to PF.

The company is in process of complying with the provisions of EPF A/c, Gratuity and other applicable labour laws.

## i) Foreign Currency Transactions

In the financial statements of the Company, transactions in currencies other than the functional currency are translated into the functional currency at the exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in other currencies are translated into the functional currency at exchange rates prevailing on the reporting date.

All exchange differences are included in the statement of profit and loss.

The Company has applied paragraph 46A of AS 11 under Indian GAAP. IND AS 101 gives an option, which has been exercised by the Company, whereby a first time adopter can continue its Indian GAAP policy for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognized in the Indian GAAP financial statements for the period ending immediately before the beginning of the first INS AS financial reporting period. Hence, foreign exchange gain/loss on long-term foreign currency monetary items recognized up to March 31, 2016 has been deferred/capitalized. A long-term foreign currency monetary item is an item having a term of 12 months or more at the date of its origination.

## j) <u>Earnings Per Share</u>

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

## k) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. Revenue and expenses are identified to segments on the basis of their relationship to the operating activities of the segment. Inter segment revenue are accounted for based on the cost price. Revenue, expenses, assets and liabilities which are not allocable to segments on a reasonable basis, are included under "Unallocated revenue/ expenses/ assets/ liabilities".

For more information on financial instruments Refer note no. 28.

## Notes to the consolidated financial statements for the year ended 31st March, 2025

#### I) Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### m) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates under different assumptions and conditions.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are elaborated in note no. 32.

#### 28. Segment Reporting

## (A) Basis of Segmentation

The segment reporting of the Company has been prepared in accordance with Ind AS-108, "Operating Segment" (specified under section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2015). For management purposes, the Company is organized into business units based on its products and services and has two reportable segments as follows:

- Diamonds and Gold Jewellery
- Real Estate Business

Segments have been identified as reportable segments by the Company's chief operating decision maker ("CODM"). Segment profit amounts are evaluated regularly by the Board, which has been identified as the CODM, in deciding how to allocate resources and in assessing performance.

Segment Revenue, Results, Assets and Liabilities include the respective amounts identifiable to each of the segments and amount allocated on a reasonable basis. Unallocated expenditure consists of common expenditure incurred for all the segments and expenses incurred at corporate level. The assets and liabilities that cannot be allocated between the segments are shown as unallocated corporate assets and liabilities respectively.

## **Fair Value Hierarchy**

The table shown below analyses financial instruments carried at fair value, by valuation method. The different levels have been defined below:

<u>Level 1</u>: Quoted prices (unadjusted) in active markets for identical assets or liabilities

<u>Level 2</u>: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

<u>Level3</u>: Inputs for the asset or liability that are not based on observable market data(unobservable inputs)

## Notes to the consolidated financial statements for the year ended 31st March, 2025

| Financial Instruments               | As at 31st March, 2025 | As at 31 <sup>st</sup> March, 2024 |
|-------------------------------------|------------------------|------------------------------------|
| Financial Assets                    |                        |                                    |
| Investment in Quoted Shares Level 1 | 3,11,41,700            | 3,68,,89,650                       |
|                                     | 3,22,12,7              | 3,00,,00,000                       |
| Level 2                             | -                      | -                                  |
| Level 3                             | -                      | -                                  |

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants. The following methods and assumptions were used toestimate the fair values:

- Cash and Cash Equivalents, Other Current Assets/Liabilities: Approximate their carrying amounts largely due to the short-term maturities of these instruments.
- Trade Payables and Trade Receivables: All trade payables are recorded at transaction price except the trade payables to foreign suppliers. Trade payables to foreign suppliers are recorded @ the exchange rate prevailing on the reporting date and the difference is considered in profit and loss account.
- Loans Current & Non-Current and Other Current Liabilities: All the amounts given/taken as loans do not carry any interest obligation and it is not practicable to estimate the timing of repayment of this loan. Thus, it is considered as repayable/receivable on demand and the face value (i.e. amount payable on demand) of such asset is considered its fair value.
- Non-Current Borrowings: The amount is borrowed for construction of real estate project and the interest
  of same is capitalized to the project cost, whereas cost of availing loan is apportioned to over a period of
  loan, thus same is reduced from the value of loan.

There has been no transfer between Level 1 and Level 3 during the above periods.

#### 32. Critical Estimates and Judgments in applying Accounting Policies:

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Information about estimates and judgments made in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as follows:

i) Property, plant and equipment and useful life of property, plant and equipment and intangible assets The carrying value of property, plant and equipment is arrived at by depreciating the assets over the useful life of assets. The estimate of useful life is reviewed at the end of each financial year and changes are accounted for prospectively.

#### ii) Impairment of Non-Financial Assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use.

The management has not assessed the impairment loss on the asset of the company.

### iii) Provisions and Contingencies

## Notes to the consolidated financial statements for the year ended 31st March, 2025

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with the applicable Ind AS.A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Where the effect of time value of money is material, provisions are determined by discounting the expected future cash flows.

#### iv) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

#### 33. Capital Management

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth and maximize the shareholders' value. The company's overall strategy remains unchanged from previous year. The following table summarizes the capital of the company
