- i. The Company has no employees and the Company did not remunerate its Directors and CFO during the year in view of the losses;
- ii. The Remuneration paid to the Company Secretary (Key Managerial Personnel) is provided in the Notes to Financial Statements of the Company. However, since there were changes in the position of Company Secretary during the year, the percentage increase in remuneration of the Company Secretary during the year is not applicable.

15. RECEIPT OF ANY COMMISSION FROM COMPANY OR RECEIPT OF COMMISSION/REMUNERATION FROM ITS HOLDING OR SUBSIDIARY COMPANY BY MD / WTD / ANY DIRECTOR

During the year under review, the Company has not paid any commission to any of its Directors. Further, the Company does not have a holding/subsidiary company.

16. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirements of Section 134(3)(c) of the Act, the Directors hereby confirm that:

- a) in the preparation of the Annual Financial Statements for the Financial Year ended March 31, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- b) the directors have selected such accounting policies as mentioned in Notes to Financial Statements and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2025 and of the loss of the Company for the Financial Year ended on that date;
- c) proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the Annual Financial Statements for the Financial Year ended March 31, 2025 have been prepared on a going concern basis; and
- e) proper internal financial controls were in place, the same were followed by the Company and that such internal financial controls were adequate and were operating effectively;
- f) proper systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

17. INTERNAL CONTROLS

The Company has adequate internal control systems which monitor business processes, financial reporting and compliance with applicable regulations.

The entity-level policies include Anti-Fraud Policies (such as Code of Conduct for Directors and Senior Managerial Personnel and Whistle Blower Policy) and other policies (such as Insider Trading Policy and Code of Fair Disclosure of Unpublished Price Sensitive Information).

These internal controls are reviewed by Internal Auditors every year. The Company has carried out evaluation of design and effectiveness of these controls and has noted no significant material weaknesses or deficiencies that can impact Financial Reports.

18. SUBSIDIARY/ JOINT VENTURE/ ASSOCIATE COMPANIES

- ii. The Company obtained a loan amounting to ₹11 lakh from Mr. Sanjay Anand, who was, during the year, a Non-Executive Director of the Company, to fulfill the day-to-day administrative and statutory expenses/obligations of the Company. During the year under review, the Company partially repaid the said loan, with an outstanding balance of ₹2 Lakh remaining as on March 31, 2025.

Mr. Sanjay Anand had furnished a declaration in writing to the Company declaring that the said loan is given out of his owned funds and not out of funds acquired by him by borrowing or accepting loans or deposits from others. The said loan was duly approved by the Members of the Company at their AGM held on September 29, 2023.

21. PARTICULARS OF CONTRACTS AND ARRANGEMENTS WITH RELATED PARTIES

As per the SEBI Listing Regulations, if any related party transaction exceeds Rs 1,000 Crore or 10% of the Annual Consolidated Turnover as per the last Audited Financial Statement whichever is lower, it would be considered as material and require approval from Members. In this regard, the Members of the Company at their AGM held on September 29, 2023, approved the availing loan of upto Rs. 1,00,00,000 (Rupees One Crore) from then Non-Executive Director, Mr. Sanjay Anand (resigned w.e.f. February 07, 2025) to meet the day-to-day administrative expenses, statutory expenses and obligations as aforementioned.

However, during the year under review, the Company has not entered into any transactions with related parties as per Section 188 of the Act and thus, there were no material transactions of the Company with any of its Related Parties as per the Act. Therefore, the disclosure of Related Party Transactions as required under Section 134(3)(h) of the Act in Form AOC-2 is not provided by the Company for FY 2024-25.

The Policy on materiality of related party transactions and on dealing with related party transactions as approved by the Board is available at <http://www.vrwoodart.com/5policies.html>.

22. CORPORATE SOCIAL RESPONSIBILITY

The provisions with respect to Corporate Social Responsibility are not applicable to the Company as the Company does not fall within the purview of Section 135 of the Act and Rules made thereunder.

23. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

As the Company did not conduct any operations during the year under review, disclosures as required under Section 134(3)(m) of the Act read with Rule 8(3) of the Companies (Accounts) Rules, 2014 with respect to conservation of energy, technology absorption and foreign exchange earnings and outgoings are not applicable to your company during the year under review.

24. RISK MANAGEMENT

The Company has put in place a mechanism for periodical reviews to ensure that risk, if any, is controlled by the Management through the means of a properly laid-out framework. The Audit Committee has additional oversight in the area of financial risks and controls.

25. VIGIL MECHANISM/ WHISTLE BLOWER POLICY

The Company has formed and adopted Vigil Mechanism / Whistle Blower Policy as per Section 179 of the Act and Regulation 22 of the Listing Regulations for directors and employees to report their genuine concerns about unethical behavior. The Vigil Mechanism provided for adequate safeguards against victimization of Directors or employees or any other person who availed the mechanism and no person has been denied access to the Chairperson of the Audit Committee. The said policy is available on the website of the Company and the web link of the same is <http://www.vrwoodart.com/5policies.html>.

**SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH 2025**

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,
The Members,
V.R. WOODART LIMITED

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **V.R. WOODART LIMITED (CIN: L51909MH1989PLC138292)** (hereinafter called “**the Company**”) for the Financial Year ended **31st March, 2025**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, Minute books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on 31st March 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March 2025, according to the provisions of:

- i The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- iii The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- e) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the review period there were no events/ actions in pursuance of:

- a) Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- b) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
- d) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.

- vi Other laws specifically applicable to the Company

The Company had no business operations during the year under review and as such there are no specific laws applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

- i Secretarial Standards issued by The Institute of Company Secretaries of India.
- ii The Listing Agreement entered into by the Company with BSE Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except to the extent that:

1. *There was a delay of about 46 days in filling up the vacancy for the post of Company Secretary and Compliance Officer (Pursuant to Reg. 6(1A) of the SEBI (LODR) Regulations, 2015) by the Company caused due to resignation of the earlier Company Secretary and Compliance Officer.*

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at a shorter notice and except for the Unpublished Price Sensitive Information which were, pursuant to Clause 1.3.7. of Secretarial Standard 1 (SS-1), circulated separately or placed at the meetings of the Board and the Committees. A system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairperson, the decisions of the Board were unanimous and there are no instances of dissenting views.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there were no action/ events taken place which may have material bearing on the Company's affairs in pursuance of above referred laws, rules, regulations, guidelines, standards, etc.

Yours sincerely

ANNEXURE II**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****Caveat:**

This section of the Annual Report has been included in adherence to the spirit enunciated in the Code of Corporate Governance approved by the Securities and Exchange Board of India. Shareholders and Readers are cautioned that in the case of data and information external to the Company, though the same are based on sources believed to be reliable, no representation is made on its accuracy or comprehensiveness. Further, utmost care has been taken to ensure that the opinion expressed therein contain its perceptions on most of the important trends having a material impact on the Company's operations.

The opinions expressed by the management may contain certain forward-looking statements in the current scenario, which is extremely dynamic and increasingly fraught with risk and uncertainties. The Company undertakes no obligation to publicly update or revise any of the opinions or forward-looking statements expressed in this report, consequent to new information, future events, or otherwise. Estimation and expectation made in the Report may differ from actual performance due to various Economic conditions, Government Policies and other related factors.

Industry Structure and Development:

India Woodwork Industry is one of the fastest-growing industries in India's economy. India possesses around 100,000 registered wood-ware units and more than 200,000 artisans along with countless other woodworking-related units in the sector. Wood has always been a major part of Indian handicrafts and various beautiful things are crafted out of it. India Woodwork Industry has not only specialized in serving an architectural purpose but also manufactures furniture both in traditional as well as ultramodern styles. In the rural areas of India, furniture and other household utensils are carved out of wood in different shapes and styles.

Opportunities:

The Indian wooden furniture market has enormous opportunities for manufacturers to innovate and deal with growing demand in the wood furniture market. Local manufactures are partnering with foreign manufacturers to improve their quality and designs in the market. The need for modular furniture provides immense opportunities for wooden furniture and hardware owners in the market. Furniture manufacturers are considering several factors while designing furniture, such as the furniture's functionality, look, feel, and value while designing furniture.

The wood furniture market in India is competitive due to the presence of a large number of small and local manufacturers in the market, accounting for a larger share in production. Southern and Northern India has a high demand for furniture products, but it is in the South where most manufacturers and distribution networks exist. The need for kiln-dried hardwood lumber exported from the United States has been rising by the importers and manufacturers in the market.

PRACTISING COMPANY SECRETARY'S CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of
V.R. Woodart Limited

I have examined the compliance of the conditions of Corporate Governance by V.R. Woodart Limited ('the Company') for the year ended on March 31, 2025, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management of the Company. My examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the examination of the relevant records, and the representations made by the Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2025.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Yours sincerely

Independent Auditor's Report

**To the Members of
V R WOODART LIMITED**

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **V R WOODART LIMITED** ('the Company'), which comprise the balance sheet as at 31st March 2025, and the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the cash flow statement for the year then ended, and notes to the Ind AS financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as 'Ind AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, its Loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Ind AS financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Refer note no. 30 of the financial statement regarding preparation of accounts on a going concern basis through the net worth of the Company has already been eroded completely and Company has limited its operations.

Our conclusion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current year. Based on our professional judgement, we have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the state of affairs, loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to

events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditors Report) Order 2020 ("the Order") as amended issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 & 4 of the Order, to the extent applicable
- 2) As required by Section 143(3) of the Act we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the cash flow statement dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act;
 - e) On the basis of the written representations received from the directors as on 31st March 2025 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164(2) of the Act; and
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
- B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i). As informed to us, the Company does not have any pending litigation which would impact its financial position, as on 31st March, 2025.
 - ii). The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii). There were no amounts that were required to be transferred, to the Investor Education and Protection Fund by the Company; and
- C) Based on our examination, the Company has used accounting software's for maintaining its books of account during the year ended March 31, 2025, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software.

Further, during the course of our examination, we did not come across any instance of the audit trail feature being tampered with, in respect of the accounting software's for the period for which the audit trail feature was enabled and operating.

Additionally audit trail has been preserved by the Company as per the statutory requirements for record retention.

- D) With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, no managerial remuneration was paid to any director during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

(c) According to the information and explanations given to us and on the basis of the books and records examined by us, the loans taken during the year have been applied for the purposes for which those were obtained.

(d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that funds raised on short-term basis have not been utilised for long-term purposes.

(e) & (f) Company does not have any subsidiaries or associate companies. Accordingly, the provisions of clause 3(ix) (e) & (f) of the Order are not applicable to the Company and hence not commented upon.

(x)(a) According to the information and explanations given to us and on the basis of the books and records examined by us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, reporting under clause 3 (x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of the books and records examined by us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable.

(xi)(a) On the basis of books and records of the Company examined by us and according to the information and explanations given to us, we report that no material fraud by the Company or any fraud on the Company has been noticed or reported during the year in the course of our audit.

(b) According to the information and explanations given to us, no report under section 143(12) of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) As represented to us by the management, the Company has not received any whistle-blower complaint during the year and up to the date of this report.

(xii) The Company is not a Nidhi Company. Accordingly, reporting under clause 3(xii) of the Order is not applicable.

(xiii) According to the information and explanations given to us and on the basis of records of the Company examined by us, transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

(xiv) (a) According to the information and explanations given to us, in our opinion the Company has an adequate internal audit system commensurate with the size and nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of the audit procedures.

(xv) According to the information and explanations given to us and on the basis of the books and records examined by us, the Company has not entered into non-cash transactions with directors or persons connected to its directors to which provision of section 192 of Companies Act are applicable. Accordingly, reporting under clause 3(xv) of the Order is not applicable.

(xvi)(a) As per the information and explanations given to us and on basis of books and records examined by us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934; the Company has not conducted any Non-banking Financial or Housing Finance activities during the year; the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and company is not part of any group that has CIC as a part of the group. Annexure B to the Independent Auditor's Report of even date on the Ind AS Financial Statements V R WOODART LIMITED for the year ended 31st March 2025

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of **V R WOODART LIMITED** ("the Company") as of 31st March, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. General Information

V.R. Woodart Limited (the company) is a public Company domiciled in India and incorporated under the provisions of The Companies Act, 1956. The Company's equity shares are listed on the Bombay Stock Exchange Limited. The main object of the Company is manufacturing of wood products.

The financial statements of the Company for the year ended March 31, 2025 were approved for issue in accordance with the resolution of the Board of Directors on May 28, 2025.

2. Material accounting policies

(A) Statement of Compliance

The Company's financial statements have been prepared in compliance with Indian Accounting Standards (the 'Ind AS') notified under Section 133 of the Companies Act, 2013 (the 'Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

(B) Basis of presentation

The Balance sheet and the Statement of profit and loss are prepared and presented in the format prescribed in the Division II of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7, Statement of Cash Flows. The disclosure requirements with respect to items in the Balance sheet and Statement of profit and loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

(C) Basis of measurement

The Ind AS financial statements have been prepared on a historical cost convention on accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:-

- i) Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments)
- ii) Share based payment transactions
- iii) Specify others, if any.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services and the time between the rendering of service and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and noncurrent classification of assets and liabilities.

(D) Use of estimates

The preparation of Ind AS financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying Ind AS financial statements are based upon the

Management's evaluation of the relevant facts and circumstances as at the date of the Ind AS financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected.

2.1 Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

2.2 Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability accessible to the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming the market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The Company's management determines the policies and procedures for fair value measurement such as derivative instrument.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

All assets and liabilities for which fair value is measured or disclosed in the Ind AS financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.3 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods:

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer on delivery of goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Rendering of Services:

Revenue from sale of services is recognised as per terms of the contract with customers when the outcome of the transactions involving rendering of services can be estimated reliably.

Interest Income:

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in the other income in the statement of profit and loss.

2.4 Taxes

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

(A) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the year end date. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

(B) Deferred tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in Ind AS financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current and deferred tax is recognized in statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.5 Impairment of non-financial assets

The Company assesses at each year end whether there is any objective evidence that a non-financial asset or a group of non-financial assets is impaired. If any such indication exists, the Company estimates the asset's recoverable amount and the amount of impairment loss.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognized in Statement of Profit and Loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through Statement of Profit and Loss.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

2.6 Provisions and contingent liabilities

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The Company records a provision for decommissioning costs. Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognized as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognized in the statement of profit and loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.7 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and demand deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, cash in banks and demand deposits.

2.8 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(A) Financial assets

(i) Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Debt Instruments: Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method (EIR).

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and

recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity instruments: All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument- by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss. The Company has currently exercised irrevocable option to classify its investment in equity instruments of PQR Private Limited. Other than this no other equity instrument qualifies definition of financial asset in case of the Company.

(iii) Impairment of financial assets

In accordance with Ind AS 109, Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on financial assets that are measured at amortized cost and FVOCI.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payment is more than 30 days past due.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

(iv) Derecognition of financial assets

A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

(B) Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

(C) Embedded derivatives

An embedded derivative is a component of a hybrid (combined) instrument that also includes a non- derivative host contract – with the effect that some of the cash flows of the combined instrument vary in a way similar to a standalone derivative. Derivatives embedded in all other host contract are separated if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss. Embedded derivatives closely related to the host contracts are not separated.

Reassessment only occurs if there is either a change in the terms of the contract that significantly modifies the cash flows that would otherwise be required or a reclassification of a financial asset out of the fair value through profit or loss.

(D) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.9 Contributed equity

Equity shares are classified as equity share capital. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

2.10 Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit or loss for the year after deducting preference dividends and any attributable tax thereto for the year. The weighted average number of equity shares outstanding during the year and for all the years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

2.11 Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest lakhs as per requirement of Schedule III of the Act, unless otherwise stated.
