ANNEXURE TO THE NOTICE

Explanatory Statement under Section 102(1) of the Companies Act, 2013

In conformity with the provisions of Section 102 of the Companies Act, 2013, the following explanatory statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice and should be taken as forming part of the Notice:

Item No.4:

The Board of Directors of the Company is authorized to make contributions to bona fide charitable and other funds under Section 181 of the Companies Act, 2013, provided that prior permission of the Members is required for such contributions in case any amount, the aggregate of which, in any financial year, exceeds five per cent of its average net profits for the three immediately preceding financial years. The Board of Directors of the Company propose to take approval of the members to contribute any amount the aggregate of which will in any Financial Year does not exceed Rs. 1.00 Crore (Rupees One Crore Only).

None of the Promoters/ Directors/KMP of the Company/their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Resolution set out at Item no. 4 of this Notice. The Board recommends the resolution set forth for the approval of the Members.

Item No.5:

Our Company is mainly engaged in the business of providing the educational support service to the pre-schools, K-12 and premium category pre-schooling in India. In order to augment the fund requirement, the Board of Directors proposed to issue the convertible warrants on preferential basis.

Bennett Coleman and Company Limited (BCCL), a prominent name in Indian/International media space, has agreed to subscribe to the convertible warrants and to support funding requirements towards brand building through advertising in the print and non-print media.

Pursuant to provisions of Section 42 and 62 (1)(c) of Companies Act, 2013 (the "Act") and Regulation 160 of SEBI ICDR Regulations, any preferential allotment of Securities needs to be approved by the shareholders by way of a Special Resolution.

Accordingly, the consent of the shareholders is being sought to enable the Board to issue convertible warrants as may be permitted under applicable laws to BCCL in accordance with the provisions of the Companies Act, 2013 and Rules made thereunder, SEBI ICDR Regulations, as amended, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and any other applicable laws, including with respect to the pricing of the securities proposed to be issued.

The proposed allottee of convertible warrants has not sold any equity shares of the Company during the six months preceding the Relevant Date i.e, Wednesday 31st July, 2019.

In compliance with the above mentioned provisions, the Board of Directors proposes to pass resolution as set in the notice for approval of Shareholders' as a Special Resolution.

The disclosures in accordance with the Companies Act, 2013, and the other disclosures as per the SEBI (ICDR) Regulations, 2009 and the other applicable provisions of law, in relation to the Special Resolution set out in the accompanying Notice are as follows:

1. **The objects of the preferential issue:**

The proceeds of the proposed issue will be utilized for any one or in combination with any one or more of the purposes such as to augment the resources for Brand Building, Advertisements, and General Corporate Purposes of the Company.

2. **The total number of securities to be issued, pricing and relevant date:**

It is proposed to issue and allot upto 4,34,000 warrants at a price of Rs. 115/- per warrant, each convertible into 1 (One) equity share of face value of Rs. 10/- each at a premium of Rs. 105/- per share aggregating to not more than Rs. 5,00,00,000/- to the proposed allottee.

The price of each equity share to be issued in lieu of Warrants is fixed at Rs. 115/- (Rupees One Hundred and Fifteen Five Only) per share including premium of Rs. 105/- (Rupees One Hundred and Five Only) per share as determined in terms of SEBI (ICDR) Regulations on the basis of the Relevant Date. Further, the Company undertakes to re-compute the price of the equity shares, if at all required, in terms of the provisions of these regulations where it is required to do so. If the amount payable on account of the re-computation, if required, of price is not paid within the time stipulated in these regulations, the specified securities shall continue to be locked- in till the time such amount is paid by the allottees.

The relevant date determined in accordance with the SEBI (ICDR) Regulations is Wednesday, 31st July, 2019.

3. **Basis on which the price is arrived at:**

The equity shares of Company are listed on BSE Limited and are frequently traded in accordance with SEBI (ICDR) Regulations.

In terms of the applicable provisions of SEBI (ICDR) Regulations the price at which Warrants shall be allotted shall not be less than higher of the following:

- Average of the weekly high and low of the volume weighted average price of the equity shares of the Company quoted on the Stock Exchange, during the Twenty Six (26) weeks preceding the Relevant Date; or
- Average of the weekly high and low of the volume weighted average price of the equity shares of the Company quoted on the Stock Exchange, during the Two (2) weeks preceding the Relevant Date.

The pricing of the Warrants to be allotted on preferential basis is Rs. 115/- per Warrant convertible into equivalent number of Equity Share of face value of Rs. 10/- each, which is not lower than the price determined in accordance with applicable provisions of SEBI (ICDR) Regulations.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(Management Discussion and Analysis is part of Directors Report for the Year Ended 31st March, 2019)

Unless indicated otherwise, the following discussion of our financial condition and results of operation is based on the audited financial statements for our Company for the year ended on 31st March, 2019, including annexures, schedules and notes thereon and the report thereon appearing in the Annual Financial Statements are prepared in accordance with the Companies Act and Indian GAAP, in each case, to comply with Accounting Standards and the relevant provisions of the Companies Act, 2013,

Indian Education and Business Overview

Education is one of the largest, most thriving industries in India. Our Company is a growing educational sector company, which is the key to nation building. It is also well-accepted that providing the right knowledge and skills to the youth can ensure fiscal and national progress. The country's sustained financial growth is further boosting the demand for quality education. New opportunities in the pre-school segment include teacher's training, inclusion of day care services, provisioning of after school extra-curricular activities and edutainment products. Our Company also intends to exploit the opportunities that are available in the Education Sector and our operations will cover all aspects for development of Education.

Pre-school Education

Indian pre-schools market is experiencing rapid growth, even among small towns and non-metros due to rising number of working mothers, increasing trend of nuclear families and escalating demand for high quality pre-school education for toddlers.

Competition

The industry in which we operate is highly competitive and fragmented. The organized players in the industry compete with each other by providing high quality-education and value added services. We have a number of competitors offering services similar to us. We believe that the principal elements of competition in educational sector are quality education, method of teaching, proper infrastructure and other related facilities and services.

General Economic and Business Conditions

As a Company with its complete operations in India, we are affected by general economic conditions in the country and in particular economic factors that affect the education sector in India.

Our Strength

- Significant experience and strong presence in Gujarat & other regions of India.
- Good Reputation and Brand Image.
- Experienced execution team & associates.

Internal Control System and Adequacy

The Company has an adequate internal control system commensurate with its size and the nature of its business in order to achieve efficiency in operation and optimum utilization of resources. These controls

ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

Discussion on financial performance with respect to operational performance

The Company has not incurred losses during the year under review.

Risks

The Company has adequate Risk Management System and it faces the risk of competition from local players in the cities it expands. This risk is addressed by building a brand and processes to provide consumer centric services and quality education.

Development in Human Resources

Management is successful in building experienced team and nurture them to be leaders. Since the management has a long term vision, the challenge to recruit employees with the right knowledge and skill is very important.

Human Resources and Industrial Relations

During the year under review, your company had cordial and harmonious industrial relations at all the levels of organization. The Company believes that the industry has the tremendous potential to impact the society, nation and the world positively. Its employees are major stakeholders and their efforts have direct stake in the business prospects of the organization. The employees have extended a very productive cooperation in the efforts of the management to carry the Company to greater heights.

Forward looking and cautionary statements

Certain statements made in this report, are forward looking statements and actual results may differ from such expectations or projections about the future, as several factors would make significant difference to the Company's operations such as economic conditions affecting demand and supply, government's regulations, level of competitions prevailing at the relevant times, etc. The Company assumes no responsibility to public to amend, modify or revise any such statements on the basis of subsequent developments, information or events.

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
SHANTI EDUCATIONAL INITIATIVES LIMITED
CIN: L80101GJ1988PLC010691

We are appointed by the Board of Directors of Shanti Educational Initiatives Limited (hereinafter called “the Company”) to conduct Secretarial Audit for the financial year ended 31st March, 2019.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Shanti Educational Initiatives Limited. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Management's Responsibility for Secretarial Compliances

The Company's Management is responsible for preparation and maintenance of secretarial records and for devising proper systems to ensure compliance with the provisions of applicable laws and regulations. Our responsibility is to express an opinion on the Secretarial records, Standards and procedures followed by the Company with respect to Secretarial Compliances.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Shanti Educational Initiatives Limited (“the Company”) for the financial year ended on 31st March, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under. During the Audit exercise, we noted that the Company has maintained statutory registers, minutes books and has entered the transactions in the statutory registers maintained. The Company has also established the whistle blower policy and has formed required sub committees as required under the Companies Act, 2013 and the listing agreement with the stock exchange (BSE).
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder; we have noted that the Company has complied with the continuous listing requirements under Rule 19A of the SCRA and other compliance under Rule 19 (2) (b) of the SCRA.

- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; The Company has duly executed the tri partite agreement with NSDL and CDSL and complied with the requirements under Clause 55A of SEBI (Depositories and Participants) Regulations, 1996.
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; - As informed to us by the management, *there was no Foreign Direct Investment or Overseas Direct Investment or ECB in the Company during the reporting year.*
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; Continuous and event based reporting was duly made to the Stock Exchanges on dealing of securities beyond the prescribed limits.
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992/2015; The Company had duly closed the trading windows under Regulations 12 and made reporting under Regulation 13 for dealing in securities beyond prescribed limits.
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; *Not Applicable to the company during the reporting period*
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; *Not Applicable to the company during the reporting period*
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; *Not Applicable to the company during the reporting period*
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; *Not Applicable to the company during the reporting period*
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; *Not Applicable to the company during the reporting period*
- (vi) Direct and Indirect Tax laws including The Income Tax Act, 1961 and the rules made there under, Service Tax etc. The Company has obtained the required registrations under various acts of direct and indirect tax laws and was generally regular in filing the returns with the authorities.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India and made effective from 1st July, 2015;
- ii. The Listing Agreements entered into by the Company with BSE Limited and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 made effective from 1st December, 2015

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings and agenda items were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as per Company policy. However, there were no dissenting members' views noticed in the board minutes for the reporting period.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. The Company has accordingly appointed the internal auditors to take care of internal systems and processes.

Disclaimers:

Independent Auditor's Report

To the Members of

M/S. SHANTI EDUCATIONAL INITIATIVES LIMITED

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of M/S. SHANTI EDUCATIONAL INITIATIVES LTD. ("the Company"), which comprises the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of Changes in Equity and Cash Flow Statement for the year ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian accounting Standards prescribed under section 133 of the Act read with the companies (Indian Accounting standards)Rule, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31' March 2019 and its profit & total Comprehensive Income ,Changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics, We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide separate opinion on these matters.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgements and estimates that are responsible and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is included in Annexure A. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B, statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The balance sheet, the statement of profit and loss including Other Comprehensive Income, statement of changes in equity and the cash flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the companies (Accounts) Rules, 2014;
 - e) On the basis of written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act; and
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our Separate Report in "Annexure-C". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- 1) The Company does not have any pending litigations for which provision have not been made which would impact its financial position.
 - 2) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any.

***Annexure "A" to the Independent Auditor's Report
Responsibilities for Audit of Financial Statement***

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(1) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other *matters*, the planned scope and timing of the audit and significant audit findings, including any *significant* deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure "C" to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the Act')

We have audited the internal financial controls over financial reporting of MIS. SHANTI EDUCATIONAL INITIATIVES LTD. ("the Company"), as of 31 March, 2019, in conjunction with our audit of the standalone financial statements of the Company for the year ended that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibility include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards of Accounting, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding or internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company, (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the reconciliations

A Reclassification

In the preparation of these Ind-AS Financial Statements, the Company has made several presentation differences between previous GAAP and Ind- AS. These differences have no impact on reported profit or total equity. Accordingly, some assets and liabilities have been reclassified into another line item under Ind- AS at the date of transition. Further, in these Financial Statements some line items are described differently under Ind AS compared to previous GAAP, although the assets and liabilities included in these line items are unaffected.

B Excise duty and sales commission

Under previous GAAP, revenue from sale of products was presented net of excise duty under revenue form operations. Whereas, under Ind AS, revenue form sale of products including excise duty. The corresponding excise duty expense is presented in Other expenses in the Statement of profit and loss. The change does not affect total equity as at April 01, 2017 and March 31, 2018, profit before tax or total profit for the year ended March 31, 2018. Moreover, revenue from sale of products was presented net of sale commission under Ind AS.

C Borrowings classified at amortised cost

Terms loans from banks and financial institution are carried at amortised cost under Ind AS and the interest expense has been recognised based on effective interest method.

SHANTI EDUCATIONAL INITIATIVES LIMITED

1. NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2019

A. General Information

SHANTI EDUCATIONAL INITIATIVES LIMITED (“the Company”) is Public Company domiciled in India and incorporated on May 12, 1988 under the Companies Act, 1956 as Chiripal Enterprises and commencement of business was issued on July 12, 1988. Further the name was changed from Chiripal Enterprise Ltd to **Shanti Educational Initiatives Ltd**, vide fresh certificate of incorporation dated April 16, 2010. CIN number is L80101GJ1988PLC010691. The Company engaged in the business of providing education services and activities. The Company caters only to domestic market.

B. Significant Accounting policies

I. Statement of compliance

The financial statements have been prepared in accordance with Ind AS specified under the section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016.

Upto the year ended March 31, 2018, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company’s first Ind AS financial statements. The date of transition to Ind AS is April 1, 2017. Refer the Basis of preparation and presentation as well as details of first-time adoption exemptions availed by the Company mentioned hereunder.

II. Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes in to account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

III. Revenue recognition

Revenue from sale of goods and services is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is allocated.

SHANTI EDUCATIONAL INITIATIVES LIMITED

Revenue is measured based on the transaction price as specified in the contract with the customer. It excludes discounts, incentives, volume rebates, goods & services tax and amounts collected on behalf of third parties. In determining the transaction price, the Company considers below, if any:

Variable consideration:

This includes discounts, incentives, volume rebates, etc. It is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

Significant financing component:

Generally, the Company receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good to the customer and when the customer pays for that good or service will be one year or less.

Consideration payable to a customer:

Such amounts are accounted as reduction of transaction price and therefore, of revenue unless the payment to the customer is in exchange for a distinct good that the customer transfers to the Company. Further, in accordance with Ind AS 37, the Company recognises a provision for onerous contract when the unavoidable costs of meeting the obligations under a contract exceed the economic benefits to be received.

Contract balances:

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional i.e. only the passage of time is required before payment of consideration is due.

Contract liabilities: A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. Contract liabilities are recognised as revenue when the Company performs under the contract.

Transition to New Standards

Ind AS 115, Revenue from contracts with customers was issued on 28 March 2018 and supersedes Ind AS 11, Construction Contracts and Ind AS 18, Revenue and it applies, with limited exception, to all revenue arising from contracts with its customers. Under Ind AS 115, revenue is recognised when a customer obtains control of goods or services. The Company has adopted Ind AS 115 using the cumulative effect method (without practical expedients) with the effect of initially applying this standard recognised at the date of initial application i.e. April 1, 2018. Accordingly, the comparative information i.e. information for the year ended 31 March 2018, has not been restated. Further, the Company did not have any impact on adoption of new standard Ind AS 115 on the transition date April 1, 2018 and for the year ended March 31, 2019.

Sale of services

Income from service rendered is recognised on accrual basis based on the terms of agreements and when services are rendered.

Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

SHANTI EDUCATIONAL INITIATIVES LIMITED

Sale of Franchisee and other material traded are recognized net of refunds/returns and discounts, if any, if significant risk and rewards of ownership of products are passed on to customers but excluding value added tax and service tax till 30-06-2017 and w.e.f. 01.7.2017 excluding GST, wherever, applicable.

Revenue from Franchisee constitute one time franchisee fees (non-refundable) is recognized upon receipt of fee from franchisee. The recurring revenue from franchisee and royalty is recognized on accrual basis but excluding service tax and GST wherever applicable.

IV. Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Company as a lessor

Amount due from the lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to the accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

Rental income from operating leases is recognised on straight-line basis over the term of the relevant lease. Initial direct cost incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on straight-line basis over the lease term.

The Company as a lessee

Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's general policy on borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

Lease payments under an operating lease shall be recognised as an expense on a straight-line basis over the lease term unless either:

- a. another systematic basis is more representative of the time pattern of the user's benefit even if the payments to the lessors are not on that basis; or
- b. the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. If payments to the lessor vary because of factors other than general inflation, then this condition is not met.

V. Foreign currency translations

The functional currency of the Company has been determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is INR.

In preparing the financial statements of the Company, transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in Statement of Profit and Loss in the period in which they arise except for:

- exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;

SHANTI EDUCATIONAL INITIATIVES LIMITED

- exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised initially in other comprehensive income and reclassified from equity to Statement of Profit and Loss on repayment of the monetary items.

VI. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

VII. Employee Benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Post employment and other long term employee benefits are recognized as an expense in the profit & loss account for the year in which the liabilities are crystallized

VIII. Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

SHANTI EDUCATIONAL INITIATIVES LIMITED

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

For the purposes of measuring deferred tax liabilities and deferred tax assets on non-depreciable assets the carrying amounts of such properties are presumed to be recovered entirely through sale.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

IX. Property, plant and equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.

Assets in the course of construction are capitalised in the assets under construction account. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences. Costs associated with the commissioning of an asset and any obligatory decommissioning costs are capitalised where the asset is available for use but incapable of operating at normal levels until a period of commissioning has been completed. Revenue generated from production during the trial period is capitalised.

Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Property, plant and equipment retired from active use are stated at the lower of their net book value and net realisable value and are disclosed separately. Freehold land is not depreciated.

X. Depreciation and amortisation

All fixed assets, except building, are depreciated on a written down value method. Depreciation is provided on SLM Method in case of building. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Depreciation on additions to / deletions from fixed assets made during the period is provided on pro-rata basis from / up to the date of such addition / deletion as the case may be. Useful life is as under:

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

SHANTI EDUCATIONAL INITIATIVES LIMITED

XI. Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives (10 Years). The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and Loss when the asset is derecognised.

XII. Impairment of assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

XIII. Inventories

Inventories are measured at lower of cost and net realizable value. In determining the cost of franchise materials/goods, weighted average method is used.

XIV. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

SHANTI EDUCATIONAL INITIATIVES LIMITED

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

XV. Financial Instruments

Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Statement of Profit and Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through Profit and Loss are recognised immediately in Statement of Profit and Loss.

A. Financial assets

a) Recognition and initial measurement

- i) The Company initially recognises loans and advances, deposits, debt securities issues and subordinated liabilities on the date on which they originate. All other financial instruments (including regular way purchases and sales of financial assets) are recognised on the trade date, which is the date on which the Company a party to the contractual provisions of the instrument. A financial asset or liability is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue.

b) Classification

On initial recognition, a financial asset is classified as measured at; amortised cost, FVOCI or FVTPL.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables. For more information on receivables, refer to Note 9. A debt instrument is classified as FVOCI only if it meets both the of the following conditions and is not recognised at FVTPL;

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

SHANTI EDUCATIONAL INITIATIVES LIMITED

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

All other financial assets are classified as measured at FVTPL.

In addition, on initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces the accounting mismatch that would otherwise arise.

c) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

d) Impairment

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) Financial assets that are debt instruments and are measured as at FVTOCI
- c) Lease receivables under Ind AS 17
- d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18 (referred to as 'contractual revenue receivables' in these illustrative financial statements)
- e) Loan commitments which are not measured as at FVTPL
- f) Financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- I) Trade receivables or contract revenue receivables; and
- II) All lease receivables resulting from transactions within the scope of Ind AS 17

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly,

SHANTI EDUCATIONAL INITIATIVES LIMITED

lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- i) All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- ii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

- i) Financial assets measured as at amortised cost, contractual revenue receivables and lease receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.
- ii) Loan commitments and financial guarantee contracts: ECL is presented as a provision in the balance sheet, i.e. as a liability.
- iii) Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'accumulated impairment amount' in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

e) Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL.

B. Financial liabilities and equity instruments

a) Classification as debt or equity

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

b) Equity instruments

SHANTI EDUCATIONAL INITIATIVES LIMITED

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

c) Financial liabilities

Financial liabilities are classified as either financial liabilities 'at FVTPL' or 'other financial liabilities'.

Financial liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is either held for trading or it is designated as at FVTPL.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in Statement of Profit and Loss. The net gain or loss recognised in Statement of Profit and Loss incorporates any interest paid on the financial liability and is included in the 'other gains and losses' line item in the [Statement of comprehensive income/Statement of Profit and Loss].

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit and Loss.

d) Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

The following table shows various reclassification and how they are accounted for:

Original classification	Revised classification	Accounting treatment
Amortised cost	FVTPL	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in P&L.
FVTPL	Amortised Cost	Fair value at reclassification date becomes its new gross carrying amount. EIR is calculated based on the new gross carrying amount.
Amortised cost	FVTOCI	Fair value is measured at reclassification date. Difference between previous amortised cost and fair value is recognised in OCI. No change in EIR due to reclassification.
FVTOCI	Amortised cost	Fair value at reclassification date becomes its new amortised cost carrying amount. However, cumulative gain or loss in OCI is adjusted against fair value. Consequently, the asset is measured as if it had always been measured at amortised cost.
FVTPL	FVTOCI	Fair value at reclassification date becomes its new carrying amount. No other adjustment is required.
FVTOCI	FVTPL	Assets continue to be measured at fair value. Cumulative gain or loss

		previously recognized in OCI is reclassified to P&L at the reclassification date.

XVI. Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

XVII. Earnings per share

Basic earnings per share is computed by dividing net income by the weighted average number of common shares outstanding. Diluted earnings per share is computed by dividing income available to shareholders and assumed conversion by the weighted average number of common shares.

XVIII. First time adoption – mandatory exceptions, optional exemptions

a. Overall principle

The Company has prepared the balance sheet as per Ind AS as on the transition date by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain exception and certain optional exemptions availed by the Company as detailed below.

b. Derecognition of financial assets and financial liabilities

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after the transition date.

c. Classification of debt instruments

The Company has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTOCI criteria based on the facts and circumstances that existed as of the transition date.

d. Impairment of financial assets

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind ASs, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

e. Assessment of embedded derivatives

The Company has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed at the later of the date it first became a party to the contract and the date when there has been a change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

f. Deemed cost for property, plant and equipment and intangible assets

The Company has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets recognised as of transition date measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

XIX. Standard issued not yet effective

Following are the new standards and amendments to existing standards (as notified by Ministry of Corporate Affairs (MCA) on 30th March, 2019) which are effective for annual period beginning after 1st April, 2019. The Company intends to adopt these standards or amendments from the effective date.

Ind AS 116 – Leases:

Ind AS 116 Leases replaces existing lease accounting guidance i.e. Ind AS 17 Leases. It sets out principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases, except short-term leases and leases for low-value items, under a single on-balance sheet lease accounting model. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. Lessor accounting largely unchanged from the existing standard – i.e. lessors continue to classify leases as finance or operating leases.

Based on the preliminary assessment, the Company does not expect any significant impacts on transition to Ind AS 116. This assessment is based on currently available information and may be subject to changes arising from further reasonable and supportable information when the standard will be adopted. The quantitative impacts would be finalised based on a detailed assessment which has been initiated to identify the key impacts along with evaluation of appropriate transition options.

There are no other standards, changes in standards and interpretations that are not in force up to reporting period that the Company expects to have a material impact arising from its application in its financial statements.

Amendments to existing Ind AS

The following amendments to existing standards are not expected to have a significant impact on the Company's financial statements. This assessment is based on currently available information and may be subject to changes arising from further reasonable and supportable information being made available to the Company when it will adopt the respective amended standards.

- 1) Amendment to Ind AS 23 Borrowing Costs
- 2) Amendment to Ind AS 28 Investments in Associate and Joint Ventures
- 3) Amendment to Ind AS 23 Borrowing Costs
- 4) Amendment to Ind AS 28 Investments in Associate and Joint Ventures
- 5) Amendment to Ind AS 103 Business Combinations
- 6) Amendment to Ind AS 109 Financial Instruments
- 7) Amendment to Ind AS 111 Joint Arrangements

C. Critical Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation and presentation of financial statements requires management to make certain judgments, estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as below:

- Useful lives of property, plant and equipment and intangible assets
- Measurement of Defined Benefit Obligations
- Provisions and contingencies
- Expected credit loss for receivables
- Impairment testing of intangible assets and goodwill
- Fair value measurement and valuation techniques
- Current tax and Deferred tax asset / liabilities recognition and recognition of MAT credit and evaluation of recoverability of deferred tax assets.
- Fair valuation of Investments

b) Measurement of fair values:**(i) Financial Instrument measured at Amortised Cost:**

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are reasonable approximation of their fair values since the company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

(ii) Levels 1, 2 and 3

Level 1 : It includes Investment in equity shares and mutual fund that has a quoted price and which are actively traded on the stock exchanges. It is been valued using the closing price as at the reporting period on the stock exchanges.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

(iii) There have been no transfers between Level 1 and Level 2 during the years.

31 Financial Risk Management

The Company's financial liabilities comprise mainly of borrowings, trade, other payables and financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade receivables and other receivables.

The Company is exposed to Market risk, Credit risk and Liquidity risk. The Board of the Company monitors the risk as per risk management policy. Further The Audit Committee has additional oversight in the area of financial risks and controls.

The following disclosures summarize the Company's exposure to financial risks and information regarding use of derivatives employed to manage exposures to such risks. Quantitative sensitivity analysis have been provided to reflect the impact of reasonably possible changes in market rates on the financial results, cash flows and financial position of the Company.

(a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk for the Company comprises two types of risks: interest rate risk and currency risk. Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables and loans.

Within the various methodologies to analyze and manage risk, Company has implemented a system based on "sensitivity analysis" on symmetric basis. This tool enables the risk managers to identify the risk position of the entities. Sensitivity analysis provides an approximate quantification of the exposure in the event that certain specified parameters were to be met under a specific set of assumptions.

SHANTI EDUCATIONAL INITIATIVES LIMITED

Notes to the Financial Statements for the Year Ended March 31, 2019

31 Financial Risk Management (Cont...)

The potential economic impact, due to these assumptions, is based on the occurrence of adverse / inverse market conditions and reflects estimated changes resulting from the sensitivity analysis. Actual results that are included in the Statement of profit and loss may differ materially from these estimates due to actual developments in the global financial markets.

The analyses exclude the impact of movements in market variables on the carrying values of gratuity, pension and other post-retirement obligations and provisions.

The following assumption has been made in calculating the sensitivity analysis:

The sensitivity of the relevant statement of profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2019 and March 31, 2018.

(i) Interest rate risk

The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The Company has exposure to interest rate risk, arising principally on changes in interest rates. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like long term and short term loans. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings. Hedging activities are evaluated regularly to align with interest rate views and defined risk appetite, ensuring the most cost-effective hedging strategies are applied.

(a) Interest rate sensitivity

The sensitivity analyses below have been determined based on the exposure to interest rates for both derivatives and non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

The following table provides a break-up of the Company's fixed and floating rate borrowings and interest rate sensitivity analysis.

31 Financial Risk Management (Cont...)

(b) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk primarily trade receivables and other financial assets including deposits with banks. Credit risk arising from trade receivables is managed in accordance with the Company's established policy, procedures and control relating to customer credit risk management.

Other financial assets

This comprises mainly of deposits with banks and other intercompany receivables. Credit risk arising from these financial assets is limited.

Trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy and procedures. Trade receivables are non-interest bearing and generally have a credit period not exceeding 90 days. Concentrations of credit risk with respect to trade receivables are limited, due to the customer base being large and diverse. All trade receivables are reviewed and assessed for default on a quarterly basis. Historical experience of collecting receivables of the Company is supported by low level of past default and hence the credit risk is perceived to be low.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties.

(c) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing from both banks and financial institutions at an optimised cost.

The table below analysis non-derivative financial liabilities of the Company into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts disclosed under the ageing buckets are the contractual undiscounted cash flows and includes contractual interest payments.

32 Capital management:

For the purpose of the Company's capital management, capital includes paid-up equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital, as well as level of dividends to equity share holders.

The Company manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using Debt-Equity ratio, which is net debt divided by total equity. The Company's policy is to keep the net debt to equity ratio below 2. The Company includes within net debt, interest bearing loans and borrowings, less cash and short-term deposits.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2019 and March 31, 2018.
