Mumbai, 25 April, 2019: Rallis India Limited, a TATA Enterprise and a leading player in the Indian crop protection industry announced its financial results for the quarter and year ended 31 March, 2019.

Announcing the results, Mr. Sanjiv Lal, Managing Director and CEO, said, *“While we have witnessed tough conditions in the domestic business, Rallis is reorienting and is committed to continued investments to grow the business. Rallis is therefore putting in place various measures to strengthen its market position and distributor network while stepping up the R&D effort in bringing new products for the domestic market. There has been strong growth in our international business and this momentum is expected to continue. Investments and capacity expansion at its Dahej site is presently underway to meet the growing demand of our international customers. We remain confident of our growth trajectory on the basis of these efforts.”*
