**ANNUAL REPORT
2012-2013**

VISION, VALUES & PHILOSOPHY

VISION

To win a niche for ourselves in the areas in which we operate, by providing products and services of superior quality and value which best satisfy the needs of our customers; and in doing so, to bring about prosperity to our organisation, its people, its shareholders, its investors and the country at large.

VALUES

To create an organisation incorporating the values of integrity and dedication; one which progressively evolves with time to meet the challenges of the future.

PHILOSOPHY

It is our earnest belief that nothing of lasting and enduring value is created overnight. Everything worthwhile today is the result of yesteryears' work and vision and every successful tomorrow requires conceptualisation in the form of ideas and thoughts and crystallisation there of through efforts to be put in today. As we sow, so we reap.

CHAIRMAN'S MESSAGE

Dear Shareholders,

It is my privilege to address you all as the Chairman of Jayant Agro-Organics Ltd. (JAOL) for the first time; albeit with a heavy heart. Our Founder Chairman, Mr. Vithaldas G. Udeshi passed away on April 14, 2013.

Some say pioneers are born, some say they are created while others believe that they create themselves. The undebatable fact remains that they create and give birth to a branch of knowledge, institutes or even an industry and leave behind a legacy which survives and flourishes to serve the society for decades or even centuries. Mr. Vithaldas G. Udeshi was a true visionary, whose association with castor spanned over 6 decades. Ever since he set up his first plant in 1952, he continued working tirelessly to bring JAOL to its leading position in the castor world.

Our Chairman was the pioneer of the castor oil industry in India. When he joined the industry, castor seeds were exported. Machinery to crush castor seed was not available. He modified the then existing machinery used to crush other seeds to manufacture castor oil and thus the castor oil industry in India took off. The castor crop grew from a mere 100,000 mtons to 1.6 million mtons, over his career.

When he started exporting castor oil, exports of castor oil from India was dominated by a handful of multinationals as Indian exporters were not considered reliable. He established a reputation for Indian exporters by ensuring that his company supplied goods of internationally acceptable quality adhering to the shipment schedules irrespective of the price fluctuations and volatility in castor oil prices. He further enhanced the reputation of the Country and the organization by pioneering castor oil based derivatives industry in India and supplying them to the Indian and International markets. In his career he operated in a wide spectrum of economic environment from the regulated to the free economy, from recession to boom and from nationalization to globalization.

In the license-raj regime, castor seeds were exported freely and exports of castor oil required export license. He approached the Government to modify the policy to allow manufacturers to export castor oil without licenses. The canalization of castor oil exports through the STC, the Government controlling body which impacted the growth of the industry for 13 years was a big challenge which he addressed pragmatically and worked on de-canalization and free market economy which has worked in India's favour.

Due to his wide experience in the castor oil industry over the years, he represented various important bodies both in India and abroad. He was the Chairman of the Castor Oil Panel at Chemexcil, Vice-Chairman of the Chemexcil Council, Director – Bombay Oil Seeds & Exchange and also the first Indian President of International Castor Oil Association (ICOA). His pioneering work and the efforts in shaping the castor oil industry earned him the Life-time Achievement Award from Chemexcil, set-up by the Ministry of Commerce and Industry and also by the Globoil – Solvent Extractions Association of India.

I believe that it was an almost obsessive faith in his vision, which kept his spirit unperturbed, and of course hard work and dedication through which he patiently resolved and overcame all difficulties and challenges. His enthusiasm was contagious as he led others to dedicate themselves to the common goal. His vision grew with time, and he ensured that all of us associated with him at JAOL became a part of it. He believed that the scope of castor oil based chemicals is virtually boundless. It will be my endeavor to lead your Company closer to the fulfillment of his vision based on the values, principles and path laid down by my father and our beloved Chairman.

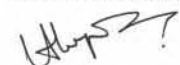

As you sow, so you reap.

Your Company made a modest beginning in 1992-93 with capital of ₹3 crores and a portfolio of 2 products. During the period of 20 years from then, the Company has a product portfolio of over 60 products and a turnover of over ₹1800 crores. The shareholders of the Company were rewarded with a stock split plus 1 bonus share for every bonus share held. In addition, the total dividend declared till date is ₹46.93 crores or nearly ₹150 per share on the original investment of ₹10. Your Company started the castor oil business in 2002-03 and within a period of 3 years became the highest exporter and processor of castor seeds and De-oiled cake. The precious legacy of values, integrity, performance and castor focus need to be sustained. In addition, elevating our social impact will enhance our company's image globally.

I take over as Chairman at a difficult time when India is in an election mode and both the Indian and Global economies are facing one of their toughest challenges. However, with the teachings of our Founder Chairman, I believe that our Company with its vision, values and philosophy would continue performing, as we have in the past.

I would like to take this opportunity to thank the Board of Directors for placing their faith in me to lead the company to the next level. On behalf of my colleagues at JAOL, I assure you that we will put in our best efforts to continue growing and developing the industry.

With Best Wishes,

NOTES

1. **A MEMBER ENTITLED TO ATTEND AND VOTE IS ENTITLED TO APPOINT A PROXY AND VOTE INSTEAD OF HIMSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. PROXIES SHOULD BE RECEIVED BY THE COMPANY AT ITS REGISTERED OFFICE, NOT LESS THAN 48 HOURS BEFORE COMMENCEMENT OF THE MEETING.**
2. An explanatory statement under Section 173 of the Companies Act, 1956 in respect of item No.6 to be transacted at the Meeting is appended hereto.
3. The Register of Members and Share Transfer Books of the Company will remain closed from September 7, 2013 to September 13, 2013 (both days inclusive) for the purpose of payment of dividend.
4. The dividend, if declared, at the Annual General Meeting, will be paid on or after September 17, 2013 to those persons or their mandates:
 - (a) Whose names appear as Beneficial Owners as at the end of the business hours on September 6, 2013 in the list of Beneficial Owners to be furnished by the National Securities Depository Limited and Central Depository Services (India) Limited in respect of the shares held in electronic form, and

- (b) Whose names appear as Members in the Register of Members of the Company after giving effect to valid share transfers in physical form lodged with the Registrar and Share Transfer Agents on or before September 6, 2013.
- 5 The Members who hold shares in dematerialised form are requested to bring with them their depository account number (Client ID No.) for easier identification of attendance at the Annual General Meeting.
- 6 The Members are requested to notify the change in address, if any, immediately to the Share Transfer Agents, or the Depository Participants (in case of Shares which have been dematerialised) by quoting their registered Folio Number.
- 7 **The Securities and Exchange Board of India (SEBI) has made it mandatory for all companies to use the bank account details furnished by the depositories for depositing dividends. Dividend will be credited to the Members' bank account through NECS wherever complete core banking details are available with the Company. In cases where the core banking details are not available, dividend warrants will be issued to the Members with bank details printed thereon as available in the Company's records.**
- 8 Pursuant to the provisions of Investors Education and Protection Fund (Uploading of information regarding unpaid and unclaimed amounts lying with companies) Rules, 2012, the Company has uploaded the details of unpaid and unclaimed amounts [as referred to in section 205C(2)] lying with the Company as on September 26, 2012 (date of the last Annual General Meeting of the Company) on the website of the Company viz., **www.jyantagro.com** under "investors" as well as on the website of the Ministry of Corporate Affairs viz. **www.iepf.gov.in**. The concerned Members are required to verify the details of their unclaimed amounts, if any, from the said websites and lodge their claim with the Company's Registrar and Share Transfer Agent before the same is due for transfer to the Investors Education and Protection Fund.
- 9 Those members who have not yet encashed their dividend warrants for the financial year ended March 31, 2006 and subsequent years, may claim or approach the Company for payment of unclaimed dividend amount, because the dividend amount remaining unclaimed for a period of seven years will be transferred to the Investor Education and Protection Fund, in terms of Section 205C of the Companies Act, 1956, and no claims shall lie in respect of such amount.
- 10 To avoid the incidence of fraudulent encashment of Warrants, the shareholders are requested to inform the Company's Share Transfer Agents, under the signature of the Sole / First joint holder, the following details, so that the Bank Account Number and Name and address of the Bank can be printed on the Dividend Warrants. **THIS IS VERY IMPORTANT.**
- (a) Name of Sole / First joint holder and Folio No.
- (b) Details of Bank Account, viz:-
- i) Name of the Bank with Branch Name.
 - ii) Complete address of the Bank, with Pin Code Number.
 - iii) Account type: whether Savings (SB) or Current Account (CA).
 - iv) Bank Account Number allotted by the Bank.

The shareholders who hold shares in dematerialised form, and want to change / correct the Bank Account details should send the same immediately to the concerned Depository Participant.

- 11 The members holding shares in physical form should get their shares dematerialised because the Company's shares are required to be compulsorily dematted, and also to avoid theft/ loss of shares certificates.
- 12 The members holding shares in physical form can avail of the nomination facility by filing form 2B with the Company. Forms will be provided by the Share Transfer Agents of the Company, on request. The members holding Shares in electronic mode can approach their respective Depository Participants for availing the nomination facility.
- 13 Pursuant to the requirements of Clause 49 of the Listing Agreements with Stock Exchanges, the information about the persons seeking re-appointment as Directors under item nos. 3 and 4 is given in the Annexure to the Notice.
- 14 The Company has implemented the "Green Initiative" as per Circular Nos. 17/2011 dated April 21, 2011 and 18/2011 dated April 29, 2011 issued by the Ministry of Corporate Affairs (MCA) to enable electronic delivery of notices/documents and annual reports to shareholders. Henceforth, the email addresses indicated in your respective Depository Participant (DP) accounts which will be periodically downloaded from NSDL/CDSL will be deemed to be your registered email address for serving notices/documents including those covered under Section 219 of the Companies Act, 1956. The Notice of AGM and the copies of Audited Financial statements, Directors' Report, Auditors' Report, etc. will also be displayed on the website **www.jayantagro.com** of the company and the other requirements of the aforesaid MCA circular will be duly complied with. Members holding shares in electronic mode are therefore requested to ensure to keep their email addresses updated with the Depository Participants. Members holding shares in physical mode are also requested to update their email addresses by writing to the Registrar and Share Transfer Agent of the Company at the address mentioned in the Annual Report quoting their folio numbers.

EXPLANATORY STATEMENT

Pursuant to Section 173(2) of the Companies Act, 1956.

As required by Section 173 of the Companies Act, 1956, the following Explanatory Statement sets out all material facts relating to the business mentioned under Item No. 6 of the accompanying Notice dated May 30, 2013

ITEM NO.6

The Members had at their Nineteenth Annual General Meeting held on September 29, 2011 approved the appointment of Mr. Varun A. Udeshi, a relative of Mr. Abhay V. Udeshi, Chairman of the Board of Directors, as an “Executive Project & Business Development” in the Company with effect from July 1, 2010 for a period of three years i.e. upto June 30, 2013.

It is proposed to re-designate Mr. Varun A. Udeshi, as “Vice President- Operations & Business Development” and extend his term for three years on a monthly remuneration of ₹160,000/- inclusive of all perquisites, within the pay scale of ₹100,000/- to ₹250,000/- as may be decided by the Board of Directors from time to time w.e.f. July 1, 2013 till June 30, 2016.

Since Mr. Varun A. Udeshi is relative of Mr. Abhay V. Udeshi, Chairman of the Board of Directors, the appointment amounts to holding an Office or Place of Profit and requires approval of the Members of the Company in terms of Section 314 of the Companies Act, 1956.

The shareholders are further informed that Mr. Varun A. Udeshi is the son of Mr. Abhay V. Udeshi and relative of Mr. Hemant V. Udeshi, and Dr. Subhash V. Udeshi, Directors of the Company and except these Directors, no other Director of the Company is anyway concerned or interested in this resolution

The Board of Directors recommends this resolution for the Shareholders approval.

DIVIDEND:

The Board has recommended a Dividend of ₹2.25 per share on 15,000,000 Equity Shares of nominal value of ₹5/- each, amounting to ₹337.50 lacs .

TRANSFER TO RESERVE:

The Company proposes to transfer ₹300.00 lacs to the General Reserve Account out of the amount available to appropriations and an amount of ₹7,733.67 lacs is proposed to be retained in the Profit & Loss Account.

BUSINESS PERFORMANCE:

Your Company's Sales turnover during the year under report was ₹122,379.71 lacs against ₹166,242.14 lacs during the previous year, decrease of 26.38%. Profit after tax has increased by ₹575.70 lacs i.e. by 26.20% as compared to the previous year. The drop in turnover was due to the drop in the prices of raw material and the consequent change in pricing of the finished goods and the conscious approach by your Company to focus on value added derivatives while the commodity business of castor oil is undertaken by the subsidiary. Your Directors believe that this strategy will help in improving the performance and value of the Company as a specialty oleo-chemicals company.

BUSINESS PROSPECTS:

Although your Company's products have usage in a wide range of industries, the immediate growth prospects could be affected in case of a global slowdown. In the long run, the products being bio-degradable & from a renewable resource will have an edge over many of the competing petroleum products. Subject to unforeseen circumstances, the current year's outlook for business appears stable for your Company.

JOINT VENTURE:

The Company has entered into a joint venture agreement with Arkema, a global chemical company to form a strategic joint venture through the Company's wholly owned subsidiary, IhseduAgrochem Private Limited (IHSEDU). The joint venture, which is valued at over ₹22,000 lacs will be focused on manufacturing various industrial and specialty grades of castor oil. Arkema will acquire around 25% equity stake in IHSEDU.

Through this joint venture with Arkema, which is the largest consumer of castor oil, the Company and its subsidiary IHSEDU will further consolidate their position in the castor oil market as a leading, consistent and reliable supplier to the world market. As part of the joint venture arrangement, IHSEDU will exclusively focus on manufacturing and sales of all grades of castor oil and the Company will exclusively focus on manufacturing and sales of value added castor oil products.

RESEARCH & DEVELOPMENT:

The Company's R & D is focused on the development of castor-based, value added products. The R & D Centre is continuously developing innovative products & processes aimed at meeting the green chemistry principles. Many of the newly developed products are being exported to many countries of the world besides being consumed in the domestic market where these products serve as import substitutes. Some of the product applications are in high-performance coatings, polymer modifiers, solubilizers, emulsifiers etc. The R & D Centre is also working on improving the existing production processes so as to improve the product yields, quality, process, energy efficiency, safety, etc.

SAFETY AND ENVIRONMENT:

Your Company has declared the Safety, Health and Environment Policy and continued their commitment towards safety and environment. The Committees formed for this purpose have continued to educate and motivate the employees on various aspects on Safety and Environment through training programme and seminars such as,

- i) Annual Fire and Mock Drill held on April 14, 2012
- ii) Tree Plantation on World Environment day on June 5, 2012
- iii) Training Programme on First Aid held from August 28, 2012 to August 29, 2012
- iv) Training Programme on use of Fire Extinguishers and First Aid Treatment, in the event of an accident, held on December 15, 2012
- v) Safe Operating Procedure held on February 2, 2013

The Company is a member of Effluent Channel Projects, for disposal of Effluent Water and also of Nandesari Environment Control Ltd., for disposal of solid waste. The Company is continuously monitoring its waste to ensure adherence to pollution control norms.

CORPORATE SOCIAL RESPONSIBILITY:

Your Company has always been aware of its responsibilities in health, safety and environment management, and is in the process of further strengthening its current resources.

MANAGEMENT DISCUSSION AND ANALYSIS

(a) Industry Structure and Developments.

India continues to be the largest source of castor seed in the world.

The estimated total production of castor seeds for the season is around 1.1 million metric tons, against about 1.6 million metric tons for the previous year. This downward correction in the crop size was a reaction to the highest ever record crop of 1.6 million metric tons in the previous year, which resulted in the softening of prices and a huge carryover of the crop. After several years, a healthy surplus of castor seeds was carried forward. This surplus in the current year has led to the much needed price stability thus encouraging the user industry to invest more in R & D and new projects.

(b) Opportunities & Threats.

The global economic climate remains uncertain and the mood remains cautious leading to a slowdown in new green field projects. Though the world economic growth is estimated to have grown by only 3.2% in 2012 significantly lower than the 4% growth recorded in 2011, the silver lining is that the largest economy in the world, USA, has shown signs of positive growth. However, this optimism is in a benign liquidity environment where the US treasury continues to print large sums of money. With the US Fed announcing plans to slow down on printing new money, the strengths of the global economy will be retested. The mood therefore remains extremely cautious.

The Indian economy has been experiencing high inflation, low growth and twin deficits, both internal and external. These problems are further compounded by policy paralysis. In spite of the uncertain global economic environment, the outlook for your Company remains stable. However, the major global economic uncertainties may have a negative impact in the immediate future.

Environment being a major concern, the search for long term and sustainable products is likely to intensify in the future. Castor Oil being a natural, organic, renewable and biodegradable product is gaining importance as a green product. Besides, due to its unique chemical structure, it finds myriad applications in virtually every industry be it Agriculture, Lubricants, Paints, Inks, Surface Coatings, Pharmaceuticals, Food, Engineering Plastics, Cosmetics, Perfumeries, Electricals, Rubber and so on. Your Company continues to endeavor to tap these opportunities by focusing on Research & Development and investing in new capacities, new technologies, new applications, and new products.

We entered this year with a surplus castor seed crop ranging from 400,000 to 500,000 metric tons. The current year's crop was lower and surplus carried forward from the previous year played an important role in maintaining stability in the price of raw materials. In view of the existing surplus after accounting for a lower crop of the previous year and the price correction resulting in decrease of castor seeds price from a peak of over ₹60,000 PMT to ₹35,000 PMT. The impact of softening of prices will be seen on the new seeds sown this season.

(c) Segment.

The Company is organised into three business segments – Castor Oil, Derivatives and Power Generation.

(d) Outlook.

Your Company continues to focus on value added products. The products of your Company, being non-edible, bio-degradable and eco-friendly, will have an edge over competing products. Subject to the global uncertainties in the short term, the long term demand for your Company's products remains buoyant.

Your Company, through its subsidiaries, has been supplying hybrid castor seeds to the farmers as a part of the Backward Integration project undertaken by the Group.

**(e) Risks and Concerns.**

The Company's products are used across geographies in a variety of industries, thereby to a great extent, mitigating the risks associated with demand for its products on a long term basis. The price behavior of raw material depends on monsoon, global demand and inventory, and prices of other oils including Crude Oil and therefore, can be volatile as well as unpredictable. The Company is closely watching the development of various factors which affect the castor seed prices.

The Company restricts its risks to the price fluctuation of raw materials by limiting its unhedged exposure.

With the business of the Company growing at a good pace, the recruitment of trained, reliable and experienced manpower is a challenge. The Company has to retain its existing trained workforce and also attract new talent for its different operations. To improve the performance and skills of the staff, various refresher training courses are organized to update their knowledge with the latest technologies and management ideas.

The erratic demand from the overseas markets and threat of competition continue to be of concern.

The Company has focused its efforts on marketing and introducing new products thereby mitigating to a certain extent, the effect of recession/slowdown in the industry.

Unrestricted speculation and high volatility due to trading in commodity exchange could have a negative effect on the growth of the industry.

(f) Foreign Exchange.

Volatile currency movements can affect the profits of the Company. Your management continues to take steps cover foreign exchange to mitigate the risks of appreciation of Rupee against the US Dollar.

(g) Internal Control and its adequacy.

The Company has adequate internal control procedures in accordance with its size and nature of business.

The Company has appointed Internal Auditors who audit the adequacy and effectiveness of internal controls laid down by the management and suggest improvements.

The Audit Committee of the Board of Directors periodically reviews the audit plans, internal audit reports and adequacy of internal controls and risk management.

The internal control system, adopted by the Company, effectively ensures that all assets are safeguarded and protected against any loss from unauthorised use.

INDEPENDENT AUDITORS' REPORT

To The Members of **JAYANT AGRO-ORGANICS LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of **JAYANT AGRO-ORGANICS LIMITED**, which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date:

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure, a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956;
 - e. on the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

Notes on Financial Statements for the year ended 31st March, 2013

Note 1: Significant Accounting Policies

A. Basis of Accounting

The financial statements are prepared under the historical cost convention on an accrual basis of accounting in accordance with the Generally Accepted Accounting Principles, Accounting Standards notified under Section 211(3C) of the Companies Act, 1956 and the relevant provisions thereof.

B. Use of Estimates

The preparation of financial statements required management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between actual results and estimates are recognized in the period in which they materialize.

C. Fixed Assets

(a) **Tangible Assets** : Tangible assets are stated at cost less accumulated depreciation and net of impairment, if any. Pre-operation expenses including trial run expenses (net of revenue) are capitalized. Borrowing costs during the period of construction is added to the cost of eligible tangible assets.

(b) **Intangible Assets** : Intangible assets are stated at cost less accumulated amortization and net of impairments, if any. An intangible asset is recognized if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and its cost can be measured reliably. Intangible assets having finite useful lives are amortized on a straight-line basis over their estimated useful lives.

D. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition of qualifying asset are capitalized for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

E. Depreciation

(a) Depreciation on assets is provided on straight line method at the rates prescribed in Schedule XIV of the Companies Act, 1956.

(b) Depreciation on additions/ deletions of assets during the year is provided on a pro-rata basis.

(c) Leasehold Land is amortized over the period of lease.

(d) Intangible Asset is amortized over the useful life of asset.

(e) Assets of ₹5,000/- or less is expensed out during the year of purchase.

Rate of depreciation on intangible asset is 25% on straight line basis.

F. Research and Development

Revenue expenditure on research and development is recognized as an expense in the year in which it is incurred and the expenditure on capital assets is depreciated on straight line method at the rates prescribed in Schedule XIV of the Companies Act, 1956.

G. Investments

Trade investments are the investments made to enhance the Company's business interests. Investments are either classified as current or long-term based on Management's intention at the time of purchase. Current

Notes on Financial Statements for the year ended 31st March, 2013

investments are carried at the lower of cost and fair value. Long term Investments are stated at cost. Provision for diminution in the value of long term investments is made only if such a decline is not temporary in the opinion of the management.

H. Inventories

- (a) Inventories are valued at lower of cost or net realizable value except for scrap and by-products which are valued at net realizable value.
- (b) Cost of inventories of finished goods and work-in-process includes material cost, cost of conversion and other costs.
- (c) Cost of inventories of raw material and material cost of finished goods and work-in-process is determined on First In First Out (FIFO) basis except Chemicals, Packing Materials, stores and spare parts which are valued at weighted average cost.

I. Revenue Recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Sales are recognized when goods are supplied. Turnover includes sale of goods, services, scrap, export incentives and are net of sales tax/Value Added Tax and Excise Duty.

Dividend income is recognized when right to receive the payment is established by the Balance Sheet Date.

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

Exports are accounted on CIF basis.

J. Accounting of Claims

- (a) Claims receivable are accounted at the time when such income has been earned by the Company depending on the certainty of receipts. Claims payable if any, are accounted at the time of acceptance.
- (b) Claims raised by Government Authorities regarding taxes and duties, which are disputed by the Company, are accounted based on the merits of each claim.
- (c) Central Sales Tax claims and duty drawback claims are accounted on accrual basis.

K. Foreign Currency Transactions

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss as per AS 11. In case transactions for which forward contracts are taken are also revalued as per Accounting Standard 11 - Effect of Changes in Foreign Exchange Rates (AS -11).

Hedge Reserve : In order to recognize the impact of fluctuation in foreign currency rates arising out of instruments acquired to hedge highly probable forecast transactions, in appropriate accounting periods, the Company applies the principles of recognition set out in the Accounting Standard 30- Financial Instruments - Recognition and Measurement (AS-30) as suggested by the Institute of Chartered Accountants of India. Accordingly, the unrealized gain/(loss) (net) consequent to foreign currency fluctuations, in respect of effective hedging instruments, represented by simple forward covers, to hedge future exports, are carried as a Hedging Reserve and ultimately set off in the Statement of Profit and Loss when the underlying transaction arises.

Notes on Financial Statements for the year ended 31st March, 2013

L. Sundry Debtors

Sundry debtors are stated after writing off debts which are not recoverable. Adequate provision is made for debts if considered doubtful.

M. Employee Benefits

Defined Contribution Plan

- (a) Retirement Benefits in the Provident Fund and Family Pension Fund, which are defined contribution schemes, are charged to the Statement of Profit and Loss of the year when contributions accrue.
- (b) Annual contribution towards Gratuity Liability is funded with the Life Insurance Corporation of India in accordance with their Gratuity scheme and is absorbed in the Accounts.
- (c) Entitlements to annual leave and sick leave are recognized when they accrue to the employees. Sick leave can only be availed when annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. Provision for Leave Encashment is based on year end leave balance.

N. Taxes on Income

Current Tax

Current Tax is determined as the amount of tax payable in respect of taxable income for the year.

Deferred Taxation

Deferred tax reflects the tax effects of timing differences between accounting income and the taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantially enacted by the Balance Sheet date. Deferred tax assets are recognized only if there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets, if any, are reviewed as at each Balance Sheet date to reassess realization.

Minimum Alternative Tax (MAT)

Minimum Alternative Tax paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustments of future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably.

O. Earnings Per Share (EPS)

A basic earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Notes on Financial Statements for the year ended 31st March, 2013

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues, including for changes effected prior to the approval of the financial statements by the Board of Directors.

P. Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Q. Impairment of Assets

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognized in the Statement of Profit and Loss if the carrying amount of an asset exceeds its recoverable amount.

R. Provisions and Contingent Liabilities

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

S. Proposed Dividend

Dividend recommended by the Board of Directors is provided for in the accounts, if any, pending approval at the Annual General Meeting.

Note 39: Segment Information

The business segment has been considered as the primary segment. The Company is organized into three business segments namely Castor Oil, Derivatives and Power Generation. These business segments have been identified considering the customers, the differing Risks and Returns and the Internal Financial Reporting System. Segment revenue, results, assets and liabilities have been accounted for on the basis of their relationship to the operating activities of the segment and the amounts allocated on a reasonable basis. The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments. These are as set out in the significant accounting policies. Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainders of the costs are categorized in relation to the associated turnover of the segment.

Certain expenses such as depreciation, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying services are used interchangeably. The Company believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as "unallocated" and directly charged against total income. Fixed assets used in the Company's business or liabilities contracted have been identified to the reportable segments.

INDEPENDENT AUDITORS' REPORT

To the Members of **Jayant Agro-Organics Limited**

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of **JAYANT AGRO-ORGANICS LIMITED**, which comprise the Consolidated Balance Sheet as at March 31, 2013, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion..

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on the financial statements of the subsidiary as noted below, the consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2013;
- (b) in the case of the Consolidated Statement of Profit and Loss, of the profit of the Group for the year ended on that date and
- (c) in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Other Matters

We did not audit the financial statements of a subsidiary, whose financial statements reflect total assets (net) of ₹13,245,276 as at March 31, 2013, total revenue (net) of ₹19,262,094 and net cash flow amounting to ₹(1,075,094) for the year in which the share of loss of the Group is ₹(734,002). These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion is based solely on the reports of the other auditors.

Our opinion is not qualified in respect of other matters.

Consolidated Notes on Financial Statements for the year ended 31st March, 2013

Note 1: Significant Accounting Policies

A. Basis of Accounting

The financial statements are prepared under the historical cost convention on an accrual basis of accounting in accordance with the Generally Accepted Accounting Principles, Accounting Standards notified under Section 211(3C) of the Companies Act, 1956 and the relevant provisions thereof.

B. Use of Estimates

The preparation of financial statements required management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between actual results and estimates are recognized in the period in which they materialize.

C. Fixed Assets

(a) Tangible Assets : Tangible assets are stated at cost less accumulated depreciation and net of impairment, if any. Pre-operation expenses including trial run expenses (net of revenue) are capitalized. Borrowing costs during the period of construction is added to the cost of eligible tangible assets.

(b) Intangible Assets : Intangible assets are stated at cost less accumulated amortization and net of impairments, if any. An intangible asset is recognized if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and its cost can be measured reliably. Intangible assets having finite useful lives are amortized on a straight-line basis over their estimated useful lives.

D. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition of qualifying asset are capitalized for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

E. Depreciation

(a) Depreciation on assets is provided on straight line method at the rates prescribed in Schedule XIV of the Companies Act, 1956.

(b) Depreciation on additions/ deletions of assets during the year is provided on a pro-rata basis.

(c) Leasehold Land is amortized over the period of lease.

(d) Intangible Asset is amortized over the useful life of asset.

(e) Assets of ₹5,000/- or less is expensed out during the year of purchase.

Rate of depreciation on intangible asset is 25% on straight line basis.

F. Research and Development

Revenue expenditure on research and development is recognized as an expense in the year in which it is incurred and the expenditure on capital assets is depreciated on straight line method at the rates prescribed in Schedule XIV of the Companies Act, 1956.

Consolidated Notes on Financial Statements for the year ended 31st March, 2013

G. Investments

Trade investments are the investments made to enhance the Company's business interests. Investments are either classified as current or long-term based on Management's intention at the time of purchase. Current investments are carried at the lower of cost and fair value. Long term Investments are stated at cost. Provision for diminution in the value of long term investments is made only if such a decline is not temporary in the opinion of the management.

H. Inventories

- (a) Inventories are valued at lower of cost or net realizable value except for scrap and by-products which are valued at net realizable value.
- (b) Cost of inventories of finished goods and work-in-process includes material cost, cost of conversion and other costs.
- (c) Cost of inventories of raw material and material cost of finished goods and work-in-process is determined on First In First Out (FIFO) basis except Chemicals, Packing Materials, stores and spare parts which are valued at weighted average cost.

I. Revenue Recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Sales are recognized when goods are supplied. Turnover includes sale of goods, services, scrap, export incentives and are net of sales tax/Value Added Tax and Excise Duty.

Dividend income is recognized when right to receive the payment is established by the Balance Sheet Date.

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

Exports are accounted on CIF basis.

J. Accounting of Claims

- (a) Claims receivable are accounted at the time when such income has been earned by the Company depending on the certainty of receipts. Claims payable if any, are accounted at the time of acceptance.
- (b) Claims raised by Government Authorities regarding taxes and duties, which are disputed by the Company, are accounted based on the merits of each claim.
- (c) Central Sales Tax claims and duty drawback claims are accounted on accrual basis.

K. Foreign Currency Transactions

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of profit and loss as per AS 11. In case transactions for which forward contracts are taken are also revalued as per Accounting Standard 11 - Effect of Changes in Foreign Exchange Rates (AS -11).

Hedge Reserve : In order to recognize the impact of fluctuation in foreign currency rates arising out of instruments acquired to hedge highly probable forecast transactions, in appropriate accounting periods, the Company applies the principles of recognition set out in the Accounting Standard 30- Financial Instruments - Recognition and Measurement (AS-30) as suggested by the Institute of Chartered Accountants of India.

Consolidated Notes on Financial Statements for the year ended 31st March, 2013

Accordingly, the unrealized gain/(loss) (net) consequent to foreign currency fluctuations, in respect of effective hedging instruments, represented by simple forward covers, to hedge future exports, are carried as a Hedging Reserve and ultimately set off in the Statement of Profit and Loss when the underlying transaction arises.

L. Sundry Debtors

Sundry debtors are stated after writing off debts which are not recoverable. Adequate provision is made for debts if considered doubtful.

M. Employee Benefits

Defined Contribution Plan

- (a) Retirement Benefits in the Provident Fund and Family Pension Fund, which are defined contribution schemes, are charged to the Statement of Profit and Loss of the year when contributions accrue.
- (b) Annual contribution towards Gratuity Liability is funded with the Life Insurance Corporation of India in accordance with their Gratuity scheme and is absorbed in the Accounts.
- (c) Entitlements to annual leave and sick leave are recognized when they accrue to the employees. Sick leave can only be availed when annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. Provision for Leave Encashment is based on year end leave balance.

N. Taxes on Income

Current Tax

Current Tax is determined as the amount of tax payable in respect of taxable income for the year.

Deferred Taxation

Deferred tax reflects the tax effects of timing differences between accounting income and the taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantially enacted by the Balance Sheet date. Deferred tax assets are recognized only if there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets, if any, are reviewed as at each Balance Sheet date to reassess realization.

Minimum Alternative Tax (MAT)

Minimum Alternative Tax paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustments of future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably.

O. Earnings Per Share (EPS)

A basic earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares.

Consolidated Notes on Financial Statements for the year ended 31st March, 2013

Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues, including for changes effected prior to the approval of the financial statements by the Board of Directors.

P. Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Q. Impairment of Assets

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognized in the Statement of Profit and Loss if the carrying amount of an asset exceeds its recoverable amount.

R. Provisions and Contingent Liabilities

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

S. Proposed Dividend

Dividend recommended by the Board of Directors is provided for in the accounts, if any, pending approval at the Annual General Meeting.

Note 42: Segment Information

The business segment has been considered as the primary segment. The Company is organized into three business segments namely Castor Oil, Derivatives and Power Generation. These business segments have been identified considering the customers, the differing Risks and Returns and the Internal Financial Reporting System. Segment revenue, results, assets and liabilities have been accounted for on the basis of their relationship to the operating activities of the segment and the amounts allocated on a reasonable basis. The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments. These are as set out in the significant accounting policies. Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainders of the costs are categorized in relation to the associated turnover of the segment.

Certain expenses such as depreciation, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying services are used interchangeably. The Company believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as "unallocated" and directly charged against total income. Fixed assets used in the Company's business or liabilities contracted have been identified to the reportable segments.
