STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013 ("the Act")

Annexed to the Notice convening the Twenty Fifth Annual General Meeting to be held on Monday, 19th August, 2019.

The following Statement sets out all material facts relating to the Ordinary and Special Business mentioned in the accompanying Notice:

Item No. 2

M/s Todarwal & Todarwal, (Firm's Registration No.111009W), Chartered Accountants (CAs), Mumbai were appointed as the statutory auditors of the Company at the Annual General Meeting (AGM) of the Company held on 30th September, 2014 for a term of 5 years and hold the office till the conclusion of the Annual General Meeting to be held in the year 2019. M/s Todarwal & Todarwal converted itself into a Limited Liability Partnership (LLP) under the provisions of the Limited Liability Partnership Act, 2008 and is now known as M/s Todarwal & Todarwal LLP with effect from 14th July, 2017. In terms of the Ministry of Corporate Affairs, Government of India, General Circular No. 9/2013 dated April 30, 2013, if a Firm of CAs, being an auditor in a Company, is converted into an LLP, then such an LLP would be deemed to be the auditor of the said company. The Board of Directors of the Company has taken due note of this change. Accordingly, the audit of the Company for Financial year 2017-18 and 2018-19 was conducted by M/s Todarwal & Todarwal LLP.

M/s Todarwal & Todarwal LLP have been the Auditors of the Company since 2012-13 and will be completing a term of seven years in August 2019. As per the provisions of Section 139 of the Act, no listed company can appoint or re-appoint an audit Firm as auditor for more than two terms of five consecutive years. In view of the above, M/s Todarwal & Todarwal LLP, being eligible for re-appointment and based on the recommendation of the Audit Committee, the Board of Directors has, at its meeting held on 26th April, 2019, proposed the appointment of M/s Todarwal & Todarwal LLP as the statutory auditors of the Company for a period of three years to hold office from the conclusion of this AGM till the conclusion of the twenty eighth AGM of the Company to be held in the year 2022.

M/s. Todarwal & Todarwal LLP, Chartered Accountants, have consented to the aforesaid appointment and confirmed that their appointment, if made, will be within the limits specified under Section 141(3)(g) of the Companies Act, 2013. They have further confirmed that they are not disqualified to be appointed as the Statutory Auditors in terms of the Companies Act, 2013 and the rules made thereunder.

The proposed fees payable to the auditor is ₹ 1,50,000/-

The Board recommends the Resolution at Item No. 2 for approval by the Members.

None of the Directors or Key Managerial Personnel or their respective relatives are concerned or interested in the Resolution at Item No. 2 of the Notice.

LLOYDS STEELS INDUSTRIES LIMITED

Item No. 3

The Board of Directors, at its Meeting held on 26th April, 2019, upon the recommendation of the Audit Committee, approved the appointment of M/s. Manisha & Associates, Cost Accountants as Cost Auditor of the Company for the financial year ending on 31st March, 2020, to conduct audit of cost accounting records of the Company as may be required for cost audit under the Companies Act, 2013, and Rules made thereunder, at a remuneration of Rs. 35,000 (Rupees Thirty Five Thousand only) (plus Goods and Services Tax and reimbursement of out of pocket expenses, if any).

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration proposed to be paid to the Cost Auditor is required to be ratified by the shareholders of the Company.

Accordingly, consent of the Members is sought for passing an **Ordinary Resolution** as set out at Item No. 3 of the Notice for ratification of the remuneration payable to the Cost Auditors for conducting the audit of the cost records of the Company for the Financial Year ending 31st March, 2020.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 3 of the Notice.

The Board recommends the **Ordinary Resolution** set out at Item No. 3 of the Notice for approval of the Members.

Item No. 4:

The Board of Directors of the Company at its Meeting held on 26th October, 2018 has appointed Mr. Rajashekhar M. Alegavi as an Additional Director designated as Non-Executive Director of the Company in terms of provisions of the Companies Act, 2013 on the recommendation of the Nomination and Remuneration Committee.

As per Section 161 of the Companies Act, 2013, Mr. Rajashekhar M. Alegavi can hold office upto the date of ensuing Annual General Meeting, and is eligible for appointment as Director. A notice alongwith the requisite deposit under Section 160(1) of the Companies Act, 2013 has been received from a member signifying its intention to propose Mr. Rajashekhar M. Alegavi's appointment as a Director. Consent to act as a Director as well as disclosure for non-disqualification as required under the Companies Act, 2013 have already been received from Mr. Rajashekhar M. Alegavi.

FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2019

[Pursuant to section 204 (1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
LLOYDS STEELS INDUSTRIES LIMITED (CIN :L28900MH1994PLC081235)
Thane, Maharashtra

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Lloyds Steels Industries Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Lloyds Steels Industries Limited books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2019, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2019 according to the provisions of:

- (i) The Companies Act, 2013(the Act)and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA')and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;

INDEPENDENT AUDITOR'S REPORT

To, The Members of Lloyds Steels Industries Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Lloyds Steels Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Evaluation of Contingent Liabilities

Claims against the company not acknowledged as debts are disclosed in the financial statements. The

existence of the payments against these claims requires management judgment to ensure disclosure of most appropriate values of contingent liabilities.

(Refer Note 18 to the Financial Statements)

Auditors Response

Our audit procedures include, among others, assessing the appropriateness of the management's judgment in estimating the value of claims against the company not acknowledged as debts as given in the note 18.

2. Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers" (new revenue accounting standard)

The application of the new revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

(Refer to Notes 2.18 to the Financial Statements)

Auditors Response

We assessed the entities process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

1. Evaluated the design of internal controls relating to implementation of the new revenue accounting standard.
2. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, re-performance and inspection of evidence in respect of operation of these controls.
3. Tested the relevant information technology systems' access and change management controls relating to contracts and related information used in recording and disclosing revenue in accordance with the new revenue accounting standard.
4. Selected a sample of continuing and new contracts and performed the following procedures :
 - Read, analyzed and identified the distinct performance obligations in these contracts.
 - Compared these performance obligations with that identified and recorded by the company.

LLOYDS STEELS INDUSTRIES LIMITED

- Samples in respect of revenue recorded for time and material contracts were tested using a combination of approved time sheets including customer acceptances, subsequent invoicing and historical trend of collections and disputes.
- In respect of samples relating to fixed-price contracts, progress towards satisfaction of performance obligation used to compute recorded revenue was verified with actual and estimated efforts from the time recording and budgeting systems. We also tested the access and change management controls relating to these systems.
- Sample of revenues disaggregated by type and service offerings was tested with the performance obligations specified in the underlying contracts.
- Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings.
- We reviewed the collation of information and the logic of the report generated from the budgeting system used to prepare the disclosure relating to the periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Corporate Governance Report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of audit or otherwise appears to be materially misstated.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind-AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation

and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based

on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by section 143(3) of the Act, we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- The Company has no branch office and hence the company is not required to conduct audit under section 143 (8) of the Act;
- The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash flow statement, and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- In our opinion, the aforesaid standalone Ind-AS financial statements comply with the Indian Accounting Standards (Ind-AS) prescribed under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014;
- On the basis of the written representations received from the directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over financial Reporting; and
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending claims on its financial position as per the Notes to the Financial Statement. Refer Note 18 to the financial statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - The Company is not required to transfer any amount to the Investor Education and Protection Fund by the Company.

ANNEXURE - A TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Lloyds Steels Industries Limited ("the Company") as of 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE – B TO THE INDEPENDENT AUDITOR'S REPORT

REPORT ON THE FINANCIAL STATEMENTS OF LLOYDS STEELS INDUSTRIES LIMITED AS ON 31ST MARCH 2019.

1. (a) The Company is maintaining proper records showing full particulars including quantitative details and situation of fixed Assets.
- (b) As per the information and explanation given to us, fixed assets are physically verified by the management according to a phased programme designed to cover all the locations which in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the programme, the management during the year physically verified the fixed assets at certain locations and no material discrepancies were noticed on such verification.
- (c) According to the information and explanation given to us, the title deed of immovable properties are held in the name of the company except in the case of one land parcel the reason for which is given in "Note no. 5 – Property, plant and equipment" of the financials.
2. As per the information provided to us, Inventory has been physically verified by the management during the year and no material discrepancies were noticed.
3. (a) According to information and explanation given to us, the Company has not granted unsecured loans to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act.
In view of the above, provisions of clause 3(iii) (b) and (c) are not applicable to the company.
4. In our opinion and according to information and explanation given to us, the company has, in respect of loans, investments, guarantees, and security provisions, complied with section 185 and 186 of the Companies Act, 2013.
5. According to the information and explanation given to us, the company has not accepted any deposits, whether the directives issued by the Reserve Bank of India, and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013. Hence the provisions of clause 3(v) are not applicable to the company.
6. Pursuant to the rules made by the Central Government, the maintenance of Cost Records has been prescribed u/s. 148(1) of the Companies Act, 2013. We are of the view that prima facie the prescribed accounts and records have been maintained. LLOYDS STEELS INDUSTRIES LIMITED

Notes to Financial Statements

(All amounts are in Lakhs of Indian Rupees; unless stated otherwise)

1. Corporate Information

Lloyds Steels Industries Limited ('the Company') is domiciled and incorporated in India as a limited liability company with its shares listed on the National Stock Exchange and the Bombay Stock Exchange. The Registered Office of the Company is situated at Plot No. A - 5/5, MIDC Industrial Area, Murbad, Thane - 421 401. The Company is principally engaged in Design, Engineering, Manufacturing, Fabrication, Supply, Erection and Commissioning of all types of Mechanical, Hydraulic, Structural, Process Plants, Metallurgical, Chemical Plants Equipments including Marine Loading/Unloading arms, Truck/Wagon Loading/Unloading arms, Columns, Pressure Vessels, Dryers, Boilers, Power Plant, Steel Plant Equipments, Capital Equipments and execution of Turnkey and EPC projects.

2. Summary Of Significant Accounting Policies

2.1 Basis of Preparation

This financial statement has been prepared to comply in all material respects with the Indian Accounting Standard ('Ind AS') notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs ('MCA'). In addition, the Guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations requires a different treatment.

Presentation of Financial Statements

The Balance Sheet and the Statement of Profit & Loss are prepared and presented in the format set out in Schedule III to the Companies Act, 2013 ("the Act"). The Cashflows Statement has been prepared and presented as per the requirements of Indian Accounting Standards (IND AS - 7) "Statement of Cashflows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit & Loss as prescribed in the schedule III to the Act, are presented by way of notes forming parts of accounts alongwith the other notes required to be disclosed under the notified Indian Accounting Standards and the equity listing agreement. Amounts in the financial statement are presented in Indian rupees in Lakhs.

The financial statements are authorized for issue by the Company's Board of Directors at their meeting held on April 26, 2019.

The preparation of the said financial statements requires the use of certain critical accounting estimates and

judgments. It also requires the management to exercise judgment in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgment or complexity, are disclosed in Note 3.

The financial statements are based on the classification provisions contained in Ind-AS 1, 'Presentation of Financial Statements' and division II of schedule III of the Companies Act 2013 along with the other notes required to be disclosed under the notified Indian Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, for the purpose of clarity, various items are aggregated in the statement of profit and loss and balance sheet. Nonetheless, these items are dis-aggregated separately in the notes to the financial statements, where applicable or required.

The Company accrues individual items of income / expenses above Rs. 10,000/- per item.

All the amounts included in the financial statements are reported in Lakhs of Indian Rupees ('Rupees') and are rounded to the nearest Lakhs, except per share data and unless stated otherwise.

2.2 Basis of Measurement

The financial statements have been prepared on the accrual and going concern basis and the historical cost convention except where the Ind-AS requires a different accounting treatment. Historical cost is generally based on fair value of the consideration given in exchange of Goods & Services.

Fair Value Measurement

Fair value is the price at the measurement date, at which an asset can be sold or paid to transfer a liability, in an orderly transaction between market participants. The Company wherever required has measured the financial / non - financial Assets and Liabilities at fair value in the Financial Statement.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

2.3 Basis of Transition to Ind-AS

Ind-AS 101 allows first-time adopters certain optional exemptions and mandatory exceptions from the retrospective application of certain requirements under Ind-AS.

A. Exemptions / exceptions from full retrospective application

- i) Deemed cost exemption - The company has adopted the carrying value determined in accordance with

IGAAP for all of its property, plant & equipment as deemed cost of such assets at the transition date.

- B.** The following mandatory exceptions from retrospective application of Ind AS have been applied by the Company.
- i. Estimates exception - On an assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind-AS, as there is no objective evidence that those estimates were in error.
 - ii. De-recognition of financial assets and liabilities exception - Financial assets and liabilities de-recognized before transition date are not re-recognized under Ind-AS.

2.4 Foreign Currency Transactions

The financial statements are presented in Indian Rupees which is the functional and presentation currency of the Company.

Transactions in foreign currencies are initially recorded in the relevant functional currency at the rates prevailing at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the closing exchange rate prevailing as at the reporting date with the resulting foreign exchange differences. On subsequent re-statement/settlement, the same is recognized in the statement of profit and loss within finance costs / finance income. Non-monetary assets and liabilities denominated in foreign currencies are translated into the functional currency using the exchange rate prevalent, at the date of initial recognition (in case they are measured at historical cost) or at the date when the fair value is determined (in case they are measured at fair value). The resulting foreign exchange difference, on subsequent re-statement / settlement is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in the other comprehensive income or directly in equity.

The equity items denominated in foreign currencies are translated at historical cost.

2.5 Current Versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Deferred tax assets and liabilities and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

Operating cycle for the business activities of the company covers the duration of the specific project/contract/product line/service including the defect liability period wherever applicable and extends up to the realization of receivables (including retention monies) within the

agreed credit period as the case may be. An asset is classified as current when it is expected to be realized or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realized within twelve months after the reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

2.6 Property, Plant And Equipment ('PPE')

An item is recognized as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognized at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates), and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and any impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognized from the balance sheet and cost of the new item of PPE is recognized.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred. However, in situations where the said expenditure can be measured reliably and is probable that future economic benefits associated with it will flow to the Company, it is included in the asset's carrying value or as a separate asset as appropriate.

Depreciation on PPE is computed using the straight-line method over the estimated useful lives. Depreciation is provided as per useful life of the assets as prescribed in schedule II of the Companies Act. Freehold / Leasehold land is not depreciated as it has an unlimited useful life. The Company has established the estimated range of useful lives of different categories of PPE as follows:

LLOYDS STEELS INDUSTRIES LIMITED

Particulars	Useful life (in years)
Leasehold Land	99
Factory Building	30 – 60
Plant & Machinery	15
Computers	3 – 6
Electrical Installations	10
Office Equipments and AC	5 – 8
Furniture and Fixtures	10
Motor Vehicles	8 - 10

The useful lives, residual values and depreciation method of PPE are reviewed and adjusted appropriately, at-least as at each reporting date so as to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from these assets. The effects of any change in the estimated useful lives, residual values and/or depreciation method are accounted prospectively, and accordingly the depreciation is calculated over the PPE's remaining revised useful life. The cost and the accumulated depreciation for PPE sold, scrapped, retired or otherwise disposed off are de-recognized from the balance sheet and the resulting gains/ (losses) are included in the statement of profit and loss within Other Income.

Assets individually costing Rs. 10,000/- or less are depreciated fully in the year of purchase.

All expenditure and interest cost during the project construction period are accumulated and shown as Capital Work - in - Progress until the project/assets are put to use. Assets under construction are not depreciated. Expenditure/income during pre-operative/construction period is included in Capital Work - in – Progress.

2.7 Intangible Assets

Identifiable intangible assets are generally recognized when the Company controls the asset and it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be measured reliably. The intangible assets are initially recognized at cost. Assets having finite useful life are carried at cost less accumulated amortization and impairment losses, if any.

2.8 Impairment Of Non-Financial Assets - PPE

PPE and intangible assets with definite lives are reviewed for impairment, whenever events or changes in circumstances indicate that their carrying values may not be recoverable. For the purpose of impairment testing, the recoverable amount (that is, higher of the fair value less costs to sell and the value-in-use) is determined on an individual asset basis, unless the asset does not generate cash flows that are largely independent of those from other assets, in which case the recoverable amount is determined at the cash-generating-unit ('CGU') level

to which the said asset belongs. If such individual assets or CGU are considered to be impaired, the impairment to be recognised in the statement of profit and loss is measured by the amount by which the carrying value of the asset/CGU exceeds their estimated recoverable amount and allocated on pro rata basis.

Impairment losses, if any, are recognized in statement of profit and loss.

Reversal Of Impairment Losses

Impairment losses are reversed and the carrying value is increased to its revised recoverable amount provided that this amount does not exceed the carrying value that would have been determined had no impairment loss been recognized for the said asset in previous years.

2.9 Financial Instruments

a. Recognition, Classification And Presentation

The financial instruments are recognized in the balance sheet when the Company becomes a party to the contractual provisions of the financial instrument.

The Company determines the classification of its financial instruments at initial recognition except for Trade Receivables which are initially measured at transaction price.

The Company wherever necessary classifies its financial assets in the following categories: a) those to be measured subsequently at fair value either through other comprehensive income or profit or loss (FVTPL) and b) those to be measured at amortized cost. The classification depends on the business model for managing the financial assets and the contractual terms of the cash flows.

The Company has classified all the non-derivative financial liabilities measured at amortized cost.

Financial assets and liabilities arising from different transactions are set off against each other on case to case basis if and when the company has reason to believe, that the Company has a right to set-off the related recognized amounts in terms of a contract or arrangement and the resultant net amount is presented in the balance sheet.

b. Measurement Of Financial Instruments

I. Initial Measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities which are not at fair value are adjusted to the fair value on initial recognition. Otherwise, the transaction costs are expensed in the statement of profit and loss.

II. Subsequent Measurement - Financial Assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

i. Financial Assets Measured At Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. However, where the impact of discounting / transaction costs is significant, the amortized cost is measured using the effective interest rate ('EIR') method. Interest income from these financial assets is included in Other Income.

ii. Fair Value Through Other Comprehensive Income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, the same are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

iii. Fair Value Through Profit Or Loss

Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. A gain or loss on debt investment that is subsequently measured at fair value through profit or loss is recognized in profit or loss and presented net in the statement of profit and loss in the period in which it arises. Interest income from these financial assets is included in other income.

Impairment

The impairment of assets depends on whether there has been a significant increase in the credit risks since initial recognition. Accordingly, the company deals with providing for impairment of loss. In case of trade receivables, the Company applies the simplified approach which requires expected lifetime losses to be recognised from initial recognition of the receivables.

III SUBSEQUENT MEASUREMENT - FINANCIAL LIABILITIES

Financial liabilities are subsequently measured at amortized cost using the EIR method (if the impact of discounting/any transaction costs is significant).

c. De-recognition

The financial liabilities are de-recognized from the balance sheet when the underlying obligations are extinguished, discharged, lapsed, cancelled, expired or legally released. The financial assets are de-recognized from the balance sheet when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all risks and rewards of ownership. The difference in the carrying amount is recognized in the statement of profit and loss.

2.10 Taxes

The income tax expense comprises of current and deferred income tax. Income tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in the other comprehensive income or directly in equity, in which case the related income tax is also recognized accordingly.

a. Current Tax

The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date. The payment made in excess/ (shortfall) of the Company's income tax obligation for the period are recognized in the balance sheet as current income tax assets/liabilities.

Any interest, related to accrued liabilities for potential tax assessments are not included in Income tax charge or (credit), but are rather recognized within finance costs.

b. Deferred Tax

Deferred tax is recognized, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying values in the financial statements. However, deferred tax are not recognized if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

Deferred tax assets are recognized only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilized. However, if these are unabsorbed depreciation, carry forward losses and items relating to capital losses, deferred tax assets are recognized when there is reasonable certainty that there will be sufficient future taxable income available to realize

LLOYDS STEELS INDUSTRIES LIMITED

the assets. Deferred tax assets in respect of un-utilized tax credits which mainly relate to minimum alternate tax are recognized to the extent it is probable that such un-utilized tax credits will get realized.

The unrecognized deferred tax assets/carrying amount of deferred tax assets are reviewed at each reporting date for recoverability and adjusted appropriately.

Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, (a) the Company currently has a right to set-off the current income tax assets and liabilities, and (b) when it relate to income tax levied by the same taxation authority and where there is an intention to settle the current income tax balances on net basis.

2.11 Inventories

Inventories are stated at the lower of cost (determined using weighted average cost method) and net realizable value. The costs comprise its purchase price and any directly attributable cost of bringing to its present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated variable costs necessary to make the sale.

Following are general practice adopted by the company for valuation of Inventory.

Sr. No.	Type of Inventory	Valuation Methodology
1	Raw Materials	At lower of cost and net realizable value.
2	Stores and Spares	At cost.
3	Work-in-process/Semi-finished Goods	At cost.
4	Engineering Plant Finished Goods	At lower of cost and Market value
5	Finished Goods/ Traded Goods	At lower of cost and Market value
6	Scrap Material	At Net Realizable Value
7	Tools and Equipments	At lower of cost and disposable value

*Material and other supplies held for use in the production of the inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.

2.12 Cash And Cash Equivalents

Cash and cash equivalents include cash in hand, bank balances and fixed deposits including deposits towards margin money.

2.13 Share Capital

The company has only one class of shares i.e. Equity Shares having par value of Re 1/- each per equity share. The dividend and repayment of capital are at the sole and absolute discretion of the Company and there is no contractual obligation whatsoever to that effect.

2.14 Employee Benefits

The Company's employee benefits mainly include wages, salaries, bonus, defined benefit plans, compensated absences. The employee benefits are recognized in the year in which the associated services are rendered by the Company employees.

a. Short Term Employee Benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

b. Post Employment Benefits - Gratuity

The Company operates one defined benefit plan, viz., gratuity benefit, for its employees. The Gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days basic salary payable for each completed year of service. The company does not have any fund for gratuity liability and the same is accounted for as provision.

The Company provides for the liability towards the said plans on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected unit- credit method.

The obligation towards the said benefits is recognized in the balance sheet, at the present value of the defined benefit obligations. The present value of the said obligation is determined by discounting the estimated future cash outflows.

The interest expense is calculated by applying the above mentioned discount rate to the defined benefit obligations liability. The interest expense on the defined benefit liability is recognized in the statement of profit and loss. However, the related re-measurements of the defined benefit liability is recognized directly in the other comprehensive

income in the period in which it arises. The said re-measurements comprise of actuarial gains and losses (arising from experience adjustments and changes in actuarial assumptions). Re-measurements are not re-classified to the statement of profit and loss in any of the subsequent periods.

c. Other Employee Benefits – Leave Encashment

Under the other long term employee benefit plan, the company extends benefit of compensated absences to the employees, whereby they are eligible to carry forward their entitlement of earned leave for encashment upon retirement/ separation or during tenure of service. The Plan is not funded by the company.

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out yearly as at the reporting date, by an independent qualified actuary using the projected unit- credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.15 Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the said obligation and the amounts of the said obligation can be reliably estimated.

2.16 Amortization of Expenses

Deferred Revenue Expenditure is amortized over a period of five years.

2.17 Contingencies

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are disclosed where an inflow of economic benefits is probable.

2.18 Revenue Recognition

Revenue is recognized based on nature of activity when consideration can be reasonably measured and recovered with reasonable certainty. Revenue is measured at the fair value of the consideration received or receivable and is reduced for estimated customer returns, rebates and other similar allowances.

a. Revenue From Operations

i) Sale Of Goods

Revenue from the sale of manufactured and traded goods is recognized when significant risks

and rewards of ownership of goods have been transferred, effective control over the goods no longer exists with the company, amount of revenue / costs in respect of the transactions can reliably be measured and probable economic benefits associated with the transactions will flow to the company.

ii) Rendering Of Services

Revenue in case of contracts/orders spreading over more than one financial year are booked to the extent of work billed. Sales include export benefits & net of sales return. Export benefits accrue on the date of export, which are utilized for custom duty free import of material/ transferred for consideration.

b. Other Revenue

1) Customs Duty

Customs duty/incentive entitlement as and when eligible is accounted on accrual basis. Accordingly, import duty benefits against exports effected during the year are accounted on estimate basis as incentive till the end of the year in respect of duty free imports of raw material yet to be made.

2) Interest Income

Interest income is accrued on a time basis by reference to the principal outstanding and the effective interest rate.

3) Other Income/Miscellaneous Income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

2.19 Borrowing Costs

Borrowing costs consist of interest and other ancillary costs that the Company incurs in connection with the borrowing of funds. The borrowing costs directly attributable to the acquisition or construction of any asset that takes a substantial period of time to get ready for its intended use or sale are capitalized. All the other borrowing costs are recognized in the statement of profit and loss within finance costs of the period in which they are incurred.

2.20 Earnings Per Share ('EPS')

The Company presents the Basic and Diluted EPS data. Basic & Diluted EPS is computed by dividing the profit for the period attributable to the shareholders of the Company by the weighted average number of shares outstanding during the period.

LLOYDS STEELS INDUSTRIES LIMITED

2.21 Statement Of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the net profit for the effects of:

- changes during the period in inventories and operating receivables/payables transactions of a non-cash nature;
- non-cash items such as depreciation, provisions, deferred taxes, unrealized foreign currency gains and losses and undistributed profits of associates; and
- all other items for which the cash effects are investing or financing cash flows.

3. Critical Judgements And Estimation In Applying The Company's Accounting Policies

The estimates and judgments used in the preparation of the financial statements are based on historical experience and various other assumptions and factors (including expectations of future events), that the Company believes to be reasonable under the existing circumstances. The said estimates and judgements are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment, Intangible assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, provision for rectification costs, fair value measurement etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

The areas involving critical estimates and judgements are:

- Estimation of current tax expenses and payable - Refer Note No. 8
 - Recognition of deferred tax assets for carried forward tax losses - Refer Note No. 8
 - Revenue Recognition - Refer Note No. 19
 - Estimation of defined benefit obligation – Refer Note No. 23

Defined Benefit Plan

The Company operates one defined benefit plan, viz., gratuity benefit, for its employees. The Gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days basic salary payable for each completed year of service as per the Payment of Gratuity Act. The company does not have any fund for gratuity liability and the same is accounted for as provision.

Under the other long term employee benefit plan, the company extends benefit of compensated absences to the employees, whereby they are eligible to carry forward their entitlement of earned leave for encashment upon retirement / separation or during tenure of service. The Plan is not funded by the company.

Due to its defined benefit plans, the Company is exposed to the following significant risks:

Changes in bond yields - A decrease in bond yields will increase plan liability.

Salary Risk - The present value of the defined benefit plans liability is calculated by reference to the future salaries of the plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

LLOYDS STEELS INDUSTRIES LIMITED

The impact of sensitivity due to changes in the significant actuarial assumptions on the defined benefit obligations is given in the table below:

Particulars	Change in Assumption	For the Year Ended March 31, 2019		For the Year Ended March 31, 2018	
		Gratuity	Compensated Absence	Gratuity	Compensated Absence
Discount Rate	+1%	431.04	82.40	350.63	60.34
	-1%	487.26	94.77	419.65	72.43
Salary Growth Rate	+1%	486.88	94.69	419.20	72.35
	-1%	430.88	82.37	350.42	60.30

The above sensitivity analysis is determined based on a method that extrapolates the impact on the net defined benefit obligations as a result of reasonable possible changes in the significant actuarial assumptions. Further, the above sensitivity analysis is based on a reasonably possible change in a particular underlying actuarial assumption, while assuming all other assumptions to be constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated.

The table below summarizes the maturity profile and duration of the gratuity liability:

30. Financial and Capital Risk

1. Financial Risk

The business activities of the Company expose it to a variety of financial risks, namely market risks (that is, foreign exchange risk, interest rate risk and price risk), credit risk and liquidity risk. The Company's risk management strategies focus on the un-predictability of these elements and seek to minimize the potential adverse effects on its financial performance.

The financial risk management for the Company is driven by the Company's senior management and internal/ external experts subject to necessary supervision.

The Company does not undertake any speculative transactions either through derivatives or otherwise. The senior management is accountable to the Board of Directors and Audit Committee. They ensure that the Company's financial risk-taking activities are governed by appropriate financial risk governance frame work, policies and procedures. The Board Of Directors periodically reviews the exposures to financial risks, and the measures taken for risk mitigation and the results thereof.

i) Foreign Currency Risk

Foreign exchange risk arises on all recognised monetary assets and liabilities and on highly probable forecasted transactions which are denominated in a currency other than the functional currency of the Company. The Company has foreign currency trade payables and receivables.

The foreign exchange risk management policy of the Company requires it to manage the foreign exchange risk by transacting as far as possible in the functional currency.

The yearend foreign currency exposures that have not been hedged by a derivative instrument or otherwise are given below

Particulars	Foreign Currency		
	USD	Euro	GBP
Current Year			
Trade payables – in Foreign Currency (full figures)	(15,690.40)	(219,490.67)	(96,786.92)
Trade payables – INR in Lakhs	(10.85)	(170.55)	(87.57)
Previous Year			
Trade payables – in Foreign currency (full figures)	(15,690.40)	(161,839.44)	--
Trade payables – INR in Lakhs	(10.21)	(130.48)	--
Trade receivables - in Foreign currency (full figures)	--	--	--
Trade receivables – INR in Lakhs	--	--	--

No Forward Contracts were entered into by the company either during the year or previous years since the company has very minimum exposure to foreign currency risk as stated in above table.

i) Foreign Currency Sensitivity

Particulars	Change in Currency Exchange rate	Effect on Profit	Effect on Equity (OCI)
For the Year Ended March 31, 2019			
Euro	+5%	8.53	--
	-5%	(8.53)	--
Others	+5%	4.92	--
	-5%	(4.92)	--
For the Year Ended March 31, 2018			-
Euro	+5%	6.52	--
	-5%	(6.52)	--
Others	+5%	0.51	--
	-5%	(0.51)	--

The sensitivity disclosed in the above table is mainly attributable to, in case of to foreign exchange gains / (losses) on trade payables and trade receivables. The above sensitivity analysis is based on a reasonably possible change in the under-lying foreign currency against the respective functional currency while assuming all other variables to be constant.

Based on the movements in the foreign exchange rates historically and the prevailing market conditions as at the reporting date, the Company's management has concluded that the above mentioned rates used for sensitivity are reasonable benchmarks.

ii) Price Risk

The company uses surplus fund in operations and for further growth of the company. Hence, there is no price risk associated with such activity.

iii) Credit Risk

Credit risk refers to the risk of default on its obligation by the counter-party, the risk of deterioration of creditworthiness of the counter-party as well as concentration risks of financial assets and thereby exposing the Company to potential financial losses. The Company is exposed to credit risk mainly with respect to trade receivables.

Trade Receivables

The Trade receivables of the Company are typically non interest bearing un-secured. As there is no independent credit rating of the customers available with the Company, the management reviews the credit-worthiness of its customers based on their financial position, past experience and other factors. The credit risk related to the trade receivables is managed / mitigated by concerned team based on the Company's established policy and procedures and by setting appropriate payment terms and credit period. The credit period provided by the Company to its customers depend upon the contractual terms with the customers.

The ageing analysis of trade receivables as at the reporting date is as follows:

Particulars	Less than six months	More than six months
Trade Receivables as at March 31, 2019	8,260.73	1,069.41
Trade Receivables as at March 31, 2018	837.36	15,961.21

The Company performs on-going credit evaluations of its customers financial condition and monitors the credit-worthiness of its customers to which it grants credit in its ordinary course of business. The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amount due or there are some disputes which in the opinion of the management is not in the Company's favour. Where the financial asset has been written-off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit and loss.

iv) Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. Accordingly, as a prudent liquidity risk management measure, the Company closely monitors its liquidity position and deploys a robust cash management system.

LLOYDS STEELS INDUSTRIES LIMITED

Based on past performance and current expectations, the Company believes that the Cash and cash equivalents and cash generated from operations will satisfy its working capital needs, capital expenditure, investment requirements, commitments and other liquidity requirements associated with its existing operations, through at least the next twelve months.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:-

Particulars	As at March 31, 2019	
	Less than one year	More than one year
Trade payables	3,543.91	--
Other financial liabilities	179.35	--
Total Financial liabilities	3,723.26	--

	Less than one year	More than one year
Trade payables	1,269.93	--
Other financial liabilities	146.53	--
Total Financial liabilities	1,416.45	--

2. Capital Risk

The Company's objective while managing capital is to safeguard its ability to continue as a going concern (so that it is enabled to provide returns and create value for its shareholders, and benefits for other stakeholders), support business stability and growth, ensure adherence to the covenants and restrictions imposed by lenders and/ or relevant laws and regulations, and maintain an optimal and efficient capital structure so as to reduce the cost of capital. However, the key objective of the Company's capital management is to, ensure that it maintains a stable capital structure with the focus on total equity, uphold investor; creditor and customer confidence and ensure future development of its business activities. In order to maintain or adjust the capital structure, the Company may issue new shares, declare dividends, return capital to shareholders, etc. The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements.
