NOTES:-

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT PROXY/PROXIES TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF AND SUCH PROXY/PROXIES NEED NOT BE A MEMBER OF THE COMPANY. THE INSTRUMENT APPOINTING A PROXY SHOULD BE DEPOSITED AT THE REGISTERED OFFICE OF THE COMPANY NOT LESS THAN FORTY EIGHT (48) HOURS BEFORE THE COMMENCEMENT OF THE MEETING.**

A PERSON CAN ACT AS A PROXY ON BEHALF OF MEMBERS NOT EXCEEDING FIFTY (50) AND HOLDING IN THE AGGREGATE NOT MORE THAN TEN PERCENT OF THE TOTAL SHARE CAPITAL OF THE COMPANY. IN CASE A PROXY IS PROPOSED TO BE APPOINTED BY A MEMBER HOLDING MORE THAN TEN PERCENT OF THE TOTAL SHARE CAPITAL OF THE COMPANY CARRYING VOTING RIGHTS, THEN SUCH PROXY SHALL NOT ACT AS A PROXY FOR ANY OTHER PERSON OR SHAREHOLDER. The holder of the proxy shall prove his identity at the time of attending the meeting. A proxy form is sent herewith.

2. Corporate members intending to send their authorized representatives to attend the meeting are requested to send a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the meeting.
3. The Statement pursuant to Section 102 of the Companies Act, 2013 in respect of special businesses is annexed hereto and forms part of this Notice.
4. Members are requested to intimate immediately change of address, if any, to the Company's Registrar and Share Transfer Agents or Depository Participant, as the case may be.
5. Members are requested to bring their copy of the Annual Report to the Annual General Meeting. The duly filled Attendance Slip must be surrendered at the entrance of the Meeting.
6. The SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participant(s) with whom they are maintaining their demat accounts and members holding shares in physical form to the Company/Registrar and Share Transfer Agents.
7. SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/24 for transfer of securities (except in case of transmission or transposition of securities) shall not be proceeded from April 1, 2019 unless the securities are held in dematerialized form with the depositories. Therefore, shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.
8. Pursuant to Section 72 of the Companies Act, 2013, shareholders holding shares in physical form may file nomination in the prescribed Form SH-13 and for cancellation/variation in nomination in the prescribed Form SH-14 with the Company's Registrar and Share Transfer Agent. In respect of shares held in electronic/demat form, the nomination form may be filed with the respective Depository Participant.
9. The members are requested to intimate to the Company, queries, if any, at least 10 days before the date of the meeting to enable the management to keep the required information available at the meeting.
10. All documents, transfers, dematerialization requests and other communications in relation thereto should be addressed directly to the Company's Registrar and Share Transfer Agents.
11. All documents referred to in the accompanying Notice shall be open for inspection at the Registered Office of the Company on all working days between 12:00 P.M. and 2:00 P.M. except Sundays and public holidays, up to the Annual General Meeting of the Company.

12. Electronic copy of the Annual Report and Notice of the 29th Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Notice of the 29th Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent in the permitted mode.
13. Annual Report 2018-19 of the Company, circulated to the members of the Company, is also available on the Company's website at www.galaxybearings.com.
14. Mr. Jignesh Kotadiya, Practising Company Secretary has been appointed as the scrutinizer to scrutinize the voting and e-voting process in a fair and transparent manner.
15. Route Map showing directions to reach to the venue of the 29th AGM is attached to the Annual Report as per the requirement of the Secretarial Standards - 2 on "General Meeting."
16. The members who have casted their vote by remote e-voting prior to the meeting may also attend the meeting but shall not be entitled to cast their vote again.
17. **Voting through Electronic means :-**

In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Rules, 2015 and Regulation 44 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide Members facility to exercise their right to vote at the 29th Annual General Meeting (AGM) by electronic means and all the items of the business may be transacted through Electronic Voting (e-Voting) Services.

Add/(Less): Other Comprehensive income	-2.97	1.30
Total Comprehensive Income for the period	656.19	361.91

Footnote: Previous year figures have been regrouped/re-classified wherever required.

REVIEW OF OPERATIONS

During the year under review, total revenue of your Company has increased to Rs. 7472.97 lakh as against Rs. 5447.90 lakh in the previous year and net profit of the company for the year has increased to as compared Rs. 659.16 lakh to Rs. 360.61 lakh for the previous year.

DIVIDEND

In order to conserve the resources your directors do not recommend any dividend for the year under review.

SHARE CAPITAL

The paid up Equity Share Capital as on 31st March, 2019 was Rs. **318.00 Lacs**. During the year under review, the Company has not issued any shares. The Company has not issued shares with differential voting rights. It has neither issued employee stock options nor sweat equity shares and does not have any scheme to fund its employees to purchase the shares of the Company.

DEMATERIALISATION OF SHARES

The shares of your Company are being traded in electronic form and the Company has established connectivity with both the depositories i.e. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL). In view of the numerous advantages offered by the Depository system, Members are requested to avail the facility of dematerialization of shares with either of the Depositories as aforesaid. As per notification issued by SEBI, transfer of shares in physical form has been stopped, with effect from 1st April, 2019. The shareholders who continue to hold shares in physical form even after 1st April, 2019, will not be able to lodge the shares with company / its RTA for further transfer. Such shareholders have to

mandatorily convert their physical shares to demat form in order to give effect of any transfer. Only the requests for transmission and transposition of securities in physical form, will be accepted by the company / RTAs.

AMOUNTS TRANSFER TO RESERVES

During the year under review, the Company has not transferred any amount to General Reserve of the company. The Company earned net profit of Rs. 659.16 which has been transferred to surplus in the statement of profit and loss account. Thus total reserve and surplus stood Rs. 2866.60 Lacs at the end of the year.

RISK MANAGEMENT POLICY:

The Company has formulated the Risk Management Policy in order to safeguard the organization from various risks through timely actions. It is designed to mitigate the risk in order to minimize the impact of the risk on the Business. The Management is regularly reviewing the risk and is taking appropriate steps to mitigate the risk. In the opinion of the Board there has been no identification of element of risk that may threaten the existence of the Company

ANNEXURE- 3**FORM NO. MR-3****Secretarial Audit Report****For The Financial Year Ended On 31st March, 2019**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
GALAXY BEARINGS LIMITED
T - 18, Vikram Chambers,
Ashram Road, Ahmedabad - 380009.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Galaxy Bearings Limited** having CIN: **L29120GJ1990PLC014385** (hereinafter called "the Company") Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit. I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2019 Complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:-

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019 according to the provisions of;

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings **(Not Applicable to the company during the audit period)**.
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 **(Not Applicable to the company during the audit period)**.
 - (d) The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014 **(Not Applicable to the company during the audit period)**.
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 **(Not Applicable to the company during the audit period)**.
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(Not Applicable to the company during the audit period)**.
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not Applicable to the company during the audit period)**;

(vi) Other laws as applicable specifically to the Company broadly covering Product Laws, Pollution Laws, Manufacturing Laws and Safety Laws.

I have also examined compliance with the applicable clauses/Provisions of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has broadly complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observation:

- (iii) The Company has not appointed Company Secretary which is required to appoint under the provisions of section 203 of the Companies Act, 2013 and Rule 8 of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.
- (iv) Out of the total 43.18% of the promoters shareholding of the Company, only 52.85% of shares held by promoter and promoter group are in dematerialized mode and 47.15% of shares held by promoter and promoter group are still held in physical mode as on 31st March, 2019. However, it has been mentioned under Regulation 31(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, to have entire promoters' holding of the Company in demate form only.

I further report that, The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

Adequate notice is given to all Directors to schedule the Board Meetings. Agenda and detailed notes on agenda were usually sent seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliances with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there were no specific events/ actions having a major bearing on the affairs of the Company in pursuance of the above refereed laws, rules, regulations, guidelines, standards, etc.

Nomination And Remuneration Policy

INTRODUCTION:

This policy on Nomination and Remuneration of Directors, Key Managerial Personnel (KMPs), Senior Management Personnel (SMPs) and other employees has been formulated in terms of the provisions of the Companies Act, 2013 to pay equitable remuneration to the Directors, KMPs, SMPs and other employees of the Company and to harmonize the aspirations of human resources consistent with the goals of the Company.

DEFINITIONS & INTERPRETATIONS:

"Board of Directors" or "the Board" means the Board of Directors of *Galaxy Bearings Limited*, as constituted from time to time.

"The Company" wherever occur in the policy shall mean *Galaxy Bearings Limited*.

"Director" means Director of the Company.

"Key Managerial Personnel" in relation to a Company means

- i. the Chief Executive Officer, or the Managing Director or the Manager ;
- ii. the Company Secretary;
- iii. the Whole –time director;
- iv. Chief Financial Officer; and
- v. such other officer as may be prescribed under the Companies Act, 2013

"Independent Director" means a director referred to in Section 149(6) of the Companies Act, 2013 and rules framed thereunder.

"Senior Management Personnel" means personnel of the company who are members of its core management team excluding the Board of Directors but including Functional Heads

"The Committee" means the Nomination and Remuneration Committee of the Company as constituted or reconstituted by the Board, in accordance with the Act and/or regulations.

CONSTITUTION OF THE NOMINATION AND REMUNERATION COMMITTEE

The Board has constituted the Nomination and Remuneration Committee of the Board. The Board has authority to reconstitute the committee from time to time.

ROLE OF THE COMMITTEE

The terms of reference of the Nomination and Remuneration Committee are as follows:

- Make recommendations regarding the composition of the Board, identify independent Directors to be inducted to the Board from time to time and take steps to refresh the composition of the Board from time to time.
- Identify persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal and carry out evaluation of every Director's performance.
- Formulate the criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board a policy relating to the remuneration of the Directors, key managerial personnel and other employees.
- Formulate criteria for evaluation of Independent Directors and the Board.
- Devise a policy on Board Diversity.

- Provide guidance and direction in developing and implementing the reward philosophy of the Company.
- Evaluate and approve the appointment and remuneration of senior executives, including the key managerial personnel, the Company's remuneration plan, annual salary increase principles and budgets, annual and long term incentive plans of the Company, policies and programmes such as succession planning, employment agreements, severance agreements and any other benefits.
- Review progress on the Company leadership development programmes, including for promotion to the Board, employee engagement initiatives and employee surveys.
- Review and recommend to the Board the remuneration and commission to the managing and executive Directors and define the principles, guidelines and process for determining the payment of commission to non-executive Directors of the Company.

REMUNERATION FOR MANAGING DIRECTOR ('MD')/ EXECUTIVE DIRECTORS ('ED')/ KEY MANAGERIAL PERSONNEL ('KMP')

- The Board, on the recommendation of the Nomination and Remuneration Committee, shall review and approve the remuneration payable to the Executive Directors of the Company within the overall limits approved by the shareholders, if required.
- The Board, on the recommendation of the Committee, shall also review and approve the remuneration payable to the Key Managerial Personnel of the Company.
- The remuneration structure to the Executive Directors and Key Managerial Personnel may include the following components: Basic Pay, Perquisites and Allowances, Stock Options, Commission (Applicable in case of Executive Directors), Retire benefits, Annual Performance Bonus.
- The Annual Plan and Objectives for Executive Directors and Senior Executives shall be reviewed by the Committee and Annual Performance Bonus will be approved by the Committee based on the achievements against the Annual Plan and Objectives.

REMUNERATION FOR INDEPENDENT DIRECTORS AND NON-INDEPENDENT NON-EXECUTIVE DIRECTORS

- Independent Directors and non-independent non-executive Directors may be paid sitting fees for attending the Meetings of the Board and of Committees of which they may be members, as recommended by the Nomination and Remuneration Committee and approved by the Board.
- Overall remuneration should be reasonable and sufficient to attract, retain and motivate Directors aligned to the requirements of the Company; taking into consideration the challenges faced by the Company and its future growth imperatives. Remuneration paid should be reflective of the size of the Company, complexity of the sector/industry/Company's operations and the Company's capacity to pay the remuneration and be consistent with recognized best practices.
- The remuneration payable to Directors shall be inclusive of any remuneration payable for services rendered in any other capacity, unless the services rendered are of a professional nature and the Nomination and Remuneration Committee is of the opinion that the Director possesses requisite qualification for the practice of the profession.

TO OTHER EMPLOYEES

- The extent of overall remuneration should be sufficient to attract and retain talented and qualified individuals suitable for every role. Hence remuneration should be market competitive, driven by the role played by the individual, reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay, consistent with recognized best practices and aligned to any regulatory requirements.
- Basic/ fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience. In addition, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings. The Company provides retirement benefits as applicable.
- The Company may provide performance linked bonus to the rest of the employees. The performance linked bonus would be driven by the outcome of the performance appraisal process and the performance of the Company.

APPOINTMENT CRITERIA

- The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his/her appointment.
- A person should possess adequate qualification, expertise and experience for the position he/she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person are sufficient/ satisfactory for the concerned position.
- The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond seventy years.

REMOVAL CRITERIA

- Due to reasons for any disqualification mentioned in the Act or under any other applicable Act, rules and regulations thereunder, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or SMP subject to the provisions and compliance of the said Act, rules and regulations.

RETIREMENT CRITERIA

- The Director, KMP and SMP shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

POLICY REVIEW

- The Board of Directors on its own and /or as per recommendations of Nomination and Remuneration Committee can amend this policy, as when deemed fit.

ANNEXURE- 6

We, the undersigned, in our respective capacities as Whole Time Director and Chief Financial Officer of Galaxy Bearings Limited (hereinafter referred as "the Company"), to the best of our knowledge and belief certify that:

- A. We have reviewed financial statements for the year ended March 31, 2019 and that to the best of our knowledge and belief, we state that:
- (i) these statements do not contain any materially untrue statement or omit any material fact or contain any statements that might be misleading;
 - (ii) these statements together present a true and fair view of the Company's affairs and are in compliance with Indian Accounting Standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the financial year ended March 31, 2019 which are fraudulent, illegal or violative of the Company's Code of Conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify those deficiencies.
- D. We have indicated, based on our most recent evaluation, wherever applicable, to the Auditors and the Audit Committee that:
- (i) there has not been any significant changes in internal control over financial reporting during the financial year ended March 31, 2019;
 - (ii) there has not been significant changes in accounting policies during the financial year ended March 31, 2019, except to the extent, if any, disclosed in the notes to the financial statements; and
 - (iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or any employee having significant role in the Company's internal control system over financial reporting.

CERTIFICATE ON COMPLIANCE WITH THE CORPORATE GOVERNANCE REQUIREMENTS UNDER SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To the Members of
Galaxy Bearings Limited.

We have examined all relevant records of Galaxy Bearings Limited (the Company) for the purpose of certifying of all the conditions of the Corporate Governance under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the financial year ended 31st March 2019. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of certification.

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the procedures and implementation thereof. This certificate is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

On the basis of our examination of the records produced explanations and information furnished, we certify that the Company has duly complied with the conditions of the Corporate Governance under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

ANNEXURE- 7

Management Discussion And Analysis

ECONOMIC OVERVIEW

Indian economy is forecasted to grow at 7 to 7.5% in Financial Year 2018-19 as compared to 6.7 per cent in previous Financial Year 2017-18. As per Central Statistics Organisation (CSO) and International Monetary Fund (IMF) India has emerged as the fastest growing major economy in the world and it is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. Financial Year 2017-18 is marked as a year of major economic reformatory measure by implementation of the Goods and Services Tax (GST) w.e.f. 01st July, 2017. Investment activity is picking up and more emerging markets are showing signs of recovery. The future outlook remains optimistic. Indian economy has emerged as world's sixth largest economy and has moved into Top 100 club in the World Bank's 'Global Ease of Doing Business' rankings.

INDUSTRY STRUCTURE AND DEVELOPMENT AND OUTLOOK

The growth of the bearing industry is correlated with the automotive and industrial sectors. The demand for the bearings is derived from two key user segments - the automotive and industrial sectors. A major portion of bearings market in India is unorganized that caters to the low-end replacement market. Several main industrial sectors and user segments are expected to push the production of industrial equipment and automotives, leading to an increase in demand for automotive component, equipment, and vehicles in the developing countries. The Automotive Industry in India is expected to continue the growth momentum into F. Y. 2018-19. The Indian bearings Industry in present is quite bullish with excellent growth prospects, owing to spurt in growth of automobile and industrial sector which has given substantial rise to the demand for bearings.

As the private sector investment cycle gains strength with the expected growth in demand in almost all segments of the Indian automotive industry, aided by the "Make in India" initiative with its boost for manufacturing for defence, aerospace, etc and concrete measures to improve "ease of doing business", India has emerged as one of the most preferred locations in the world for manufacturing high quality auto components and vehicles of all kinds. The Indian automotive industry and the bearings industry are expected to be major beneficiaries of this expected growth.

The Government of India is taking various steps to boost the infrastructure development in the country. Looking at the huge potential for growth in the infrastructure sector, your company sees a good outlook for the coming years and the Company will benefit from the same. The outlook for the industry and the company looks bright and new markets in the global arena are being developed by the company. The Company is also focusing on cost cutting and increased productivity to enhance its competitiveness.

RISK & CONCERN

The Company is exposed to external business risk, internal risk and financial risk. External business risks arise out of highly competitive industry, Variations in prices of raw-material etc. Internal risks basically cover operational efficiency and ability to withstand competition. Financial risks are basically in the nature of interest rate variations.

OPPORTUNITIES AND THREATS

Opportunities:

AMP 2026 (Automotive Mission Plan II) envisions that by 2026 the Indian auto industry will be among the top three in the world in terms of engineering, manufacturing and export of vehicles as well as auto components, targeting a growth 3.5 to 4 times its current output, growing in value to over 12 percent of India's GDP and generating an additional 65 million jobs. Growing automobile industry and increasing vehicle production and sales are few of the major factors aiding India automotive bearings market. Moreover, expanding size of two-wheelers, three-wheelers and cars in India is anticipated to continue fueling demand for automotive bearings in the coming years. Additionally, with expanding middle

class population and increasing disposable income, automobile sales across all the major automobile segments are expected to grow in the coming years, thereby positively influencing India automotive bearings market. Most of the world's large vehicle manufacturers have set up base in India and are expanding capacities with a thrust on localisation to improve competitiveness.

Threats:

Bearings are mainly manufactured using high grade steel or alloy steel, which exposes them to global steel price movement. Volatility in global steel prices during 2017-18 is main threat to bearing industry. With global demand weakening, dumping of cheap bearings by Chinese and other South East Asian countries has intensified.

SEGMENT-WISE PERFORMANCE

During the year under review, the Company has only one segment of activity namely 'ball and roller bearings'.

INTERNAL CONTROL SYSTEMS

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

FINANCIAL PERFORMANCE

During the year 2018-19 the Company has earnings before interest, depreciation and tax amounting to Rs. 785.32 Lacs after providing for finance cost of Rs. 109.14 Lacs and depreciation of Rs. 118.89 Lacs, Profit before tax comes to Rs. 557.29 Lacs which was Rs. 449.92 Lacs during the year 2016-17.

HUMAN RESOURCES

Employees are our vital and most valuable assets. Company's philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity: to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. The relations between the employees and the Management have remained cordial.

CAUTIONARY STATEMENT

Statements in this report on Management's Discussion and Analysis describing the Company's objectives, projections, estimates, exceptions or predictions may be forward looking statements within the meaning of applicable security laws or regulations. These statements are based on certain assumptions and exceptions of future events. Actual results could however differ materially from those expressed or implied. The Company assumes no responsibility in respect of forward looking statements herein which may undergo changes in future on the basis of subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Galaxy Bearings Limited
Ahmedabad.

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of **Galaxy Bearings Limited** (the 'Company') which comprise the Balance Sheet as at **31 March 2019**, the Statement of Profit and Loss (including Other Comprehensive Income) the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs of the Company as at 31 March 2019 and its profit (including other comprehensive income) its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further, described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional, judgment, were of most significance in our audit of the, standalone financial statements of the current period. These matters were addressed in the context of our audit, of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion, on these matters.

5. Key audit matter identified in our audit is on recoverability assessment of trade receivables as follows:

Key audit matter	Audit Approach
Measurement of Expected Credit Loss on Trade Receivables	
<p>Trade receivables amount to Rs. 2353.67 Lacs after providing for an impairment based on expected credit loss method of Rs. 0.04 Lacs.</p> <p>The measurement of expected credit loss is based on provision matrix that identifies receivables on number of days remaining outstanding and empirical data on recoverability. This Provision matrix requires to be updated regularly based on the circumstantial evidences which may result in significant variation in measurement from one period to other.</p>	<p>The management's estimations for impairment based on expected credit loss method, our audit procedures included the following:</p> <ul style="list-style-type: none"> • Obtained a list of receivables; • We analysed the aging of receivables; • Identified any receivables with financial difficulty through discussion with management; • We obtained receivables balance confirmations on a sample basis; • Tested subsequent settlement of receivables after the balance sheet date on a sample basis; • In respect of receivables overdue for a period of 90 days or more, we assessed the recoverability through inquiry with management and by obtaining sufficient corroborative evidence to support the conclusions.

Information other than the Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and as may be legally advised.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 12.** We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 13.** We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 14.** From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 15.** As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

16. Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per Annexure B expressed an unmodified opinion;
 - g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in the standalone financial statements; (Refer Note 33 to the financial statements);
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE "A" TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 15 of "Report on Other Legal and Regulatory Requirements" of our Report of even date to the Members of **GALAXY BEARINGS LIMITED** for the year ended **31st March, 2019**.

1. In respect of Fixed Assets :

- (a) The Company has maintained proper records showing full particulars including quantitative details and situation of Fixed Assets on the basis of available information.
- (b) As per the information and explanations given to us, the management at reasonable intervals during the year in accordance with a programme of physical verification physically verified the fixed assets and no material discrepancies were noticed on such verification as compared to the available records.
- (c) As explained to us, the title deeds of all the immovable properties are held in the name of the company.

2. In respect of its Inventories :

- (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
- (b) The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) On the basis of our examination of the records of inventory, we are of opinion that the Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and books records were not material.

3. In respect of Loans and Advances granted during the year:

As regards the loans , the company has not granted any loans, secured or unsecured during the year under audit, to the companies, firms, Limited Liability Partnership or other parties covered in the register maintained under section 189 of the companies Act , 2013 and therefore, the clauses (iii) (a) to (c) of the companies (Auditor's Report) Order, 2016 are not applicable.

4. Loans, Investments and guarantees:

The company has not granted any loan or made investments, or provided any guarantee or security, to the parties covered under section 185 and 186. Therefore clauses (iv) of companies (Auditor's Report) Order, 2016 is not applicable.

- 5. During the year, the company has not accepted any deposits from public and hence the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed there under are not applicable to the company. Therefore clauses (v) of companies (Auditor's Report) Order, 2016 is not applicable.

6. We have broadly reviewed the books of accounts relating to materials, labour and other items of cost maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records as per the provisions of Companies (Cost Records and Audit) Rules, 2014, and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have not, however made a detailed examination of the records with a view to determine whether they are accurate or complete.

7. In respect of Statutory Dues :

- (a) According to the records of the Company, the Company is by and large regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax & Goods and Service Tax, cess and any other statutory dues with the appropriate authorities applicable to it.

According to the information and explanations given to us, there is no such arrears in respect statutory dues were outstanding as at 31st March, 2019 for a period of more than six months from the date they became payable.

- (b) According to the records of the company, following dues of income tax, sales tax, wealth tax or service tax or duty of customs or duty of excise or value added tax which have not been deposited on account of dispute.

Name of Statute	Nature of Dues	Amount (Rs. In Lacs)	Period to Which amount Relates (A.Y.)	Forum Where Dispute is Pending	Remarks, if any
Central Excise Act, 1944	Excise Duty	2.64	2015-16	CCE(Appeals)	--

8. Based on our audit procedure and according to the information and explanation given to us, we are of the opinion that the Company has not defaulted in repayment of dues to a Financial Institutions, Banks or debenture holders.
9. According to the information and explanations given to us, the company had not raised any money by way of public issue during the year. According to the information and explanations given to us, and on an overall examination of the balance sheet of the company, in our opinion, the term loans taken during the year were applied for the purpose for which they were obtained.
10. Based upon the audit procedures performed and information and explanations given by the management, we report that no fraud by the Company or any fraud on the company by it's officer or employees has been noticed or reported during the course of our audit.
11. In our opinion and according to the information and explanations given to us, the company had paid managerial remuneration which is in accordance with the requisite approvals mandated by the provisions of section 197 read with schedule V of The Companies Act, 2013.

12. In our opinion and according to the information and explanations given to us, the provisions of special statute applicable to chit funds and nidhi / mutual benefit funds / societies are not applicable to the company. Hence, clause (xii) of the Company's (Auditor's Report) Order, 2016 is not applicable.
13. In our opinion and according to the information and explanations given to us, there is no such transactions were entered by the company as covered under the provisions of section 177 and 188 of The Companies Act, 2013 with related parties during the year and hence, clause (xiii) of the Company's (Auditor's Report) Order, 2016 is not applicable.
14. In our opinion and according to the information and explanation given to us, no preferential allotment or private placement of shares or fully or partly convertible debentures, made during the year under review and hence, clause (xiv) of the Company's (Auditor's Report) Order, 2016 is not applicable.
15. The company had not entered in to any non-cash transactions with the directors or persons connected with him during the year, and hence clause (xv) of Company's (Auditor's Report) Order, 2016 is not applicable.
16. In our opinion and according to the information and explanation given to us the company is not registered under section 45-IA of Reserve Bank of India Act, 1934, hence clause (xvi) of Company's (Auditor's Report) Order, 2016 is not applicable.

ANNEXURE "B" TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 16(f) of "Report on Other Legal and Regulatory Requirements" of our Report of even date to the Members of **GALAXY BEARING LIMITED** for the year ended **31st March, 2019**.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GALAXY BEARING LIMITED** as of **31st March 2019**, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information

Galaxy Bearings Limited (referred to as 'the company') is a leading in manufacturing & trading of Ball and Taper Roller Bearing and Steel etc. The company has its registered office at Gujarat.

2. Significant Accounting Policies

(i) a) Statement of Compliance:

The financial statements have been prepared with all material aspect with Indian Accounting Standards (Ind As) notified under section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) Basis of Preparation:

The financial statements have been prepared on accrual basis of accounting under historical cost convention in accordance with generally accepted accounting principles in India and the relevant provisions of the Companies Act, 2013 including Indian Accounting Standards notified there under, except for the following where the fair valuation have been carried out in accordance with the requirements of respective Ind As:

- Employee defined benefit plans – plan assets.
- Investments in Equity Instruments

The Operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS 1- 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

(ii) Use of Estimates:

The preparation and presentation of financial statements are in conformity with the Ind As which required management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) on the date of the financial statements and the reported amount of revenues and expenses during the reporting year.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between the actual results and estimates are recognized in the year in which the results are known / materialized.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are included in the following notes:

- Note – 2(xvi) Current / Deferred tax liabilities
- Note – 2(xiii) Measurement of defined benefit obligations
- Note – 2(vi) Expected credit loss for receivables
- Note – 2(vi) Fair valuation of investments

(iii) Critical Accounting Estimates and Judgement used in application of Accounting Policies

- a. **Income Taxes**
 Significant judgements are involved in determining the provision for Income Taxes, including amount expected to be paid / recovered for uncertain tax positions. (Also refer Note 16 and 30.)
- b. **Property, Plant and Equipment**
 Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of the Company's assets are determined by the Management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life such as changes in technology. (Refer Note 3)
- c. **Impairment of Financial Assets**
 The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on empirical evidence available without under cost or effort, existing market conditions as well as forward looking estimates at the end of each reporting period. (Refer Note 37).
- d. **Defined Benefit Plan**
 The cost of the defined benefit plan and other post-employment benefits and the present value of such obligations is determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. (Refer Note 26.1).
- e. **Fair Value Measurement of Financial Instruments**
 When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets, where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair values of financial instruments. (Refer Note 37).

(iv) Property, Plant and Equipment & Depreciation:

a) Property Plant and Equipment:

Property, plant and equipment are tangible items that are held for use in the production or supply of goods and services, rental to others or for administrative purposes and are expected to be used during more than one period. The cost of an item of property, plant and equipment is recognised as an asset if and only, if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold land is carried at cost less accumulated impairment losses. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost of an item of property, plant and equipment comprises:

- Its purchase price, all costs including financial costs till commencement of commercial production are capitalized to the cost of qualifying assets. CENVAT/Tax credit, if any, are accounted for by reducing the cost of capital goods;
- Any other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

b) Depreciation methods, estimated useful life and residual value:

Depreciation is provided for property, plant and equipment so as to expense the cost over their estimated useful lives based on evaluation. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on property, plant and equipment has been provided on straight line method except on Plant & Equipment which is on Written Down Value Method based on the useful life specified in Schedule II to the Companies Act, 2013. However, land is not depreciated.

The estimated useful lives are mentioned below:

Asset Class	Useful life (years)
Building	30
Tube Well	30
Plant & Machinery	15
Furniture and Fixture	10
Vehicle	8
Electric Installation	10
Computer	3

Depreciation is calculated on pro rata basis with reference to the date of addition/disposal. The residual values are not more than 5% of the original cost of asset.

c) Derecognition of Property, Plant and Equipment:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss from the derecognition of an item of property, plant and equipment is recognised in the statement of profit and loss account when the item is derecognized.

(v) Intangible Assets and Amortisation :

a) Intangible Assets:

The Company identifies an identifiable non-monetary asset without physical substance as an intangible asset. The Company recognises an intangible asset if it is probable that expected future economic benefits attributable to the asset will flow to the entity and the cost of the asset can be measured reliably. An intangible asset is initially measured at cost unless acquired in a business combination in which case an intangible asset is measured at its fair value on the date of acquisition.

The Company subsequently measures all intangible assets at cost less accumulated amortisation less accumulated impairment. An intangible asset is amortised on a straight-line basis over its useful life. A rebuttable presumption that the useful life of an intangible asset will not exceed five years from the date when the asset is available for use is considered by the management. Amortisation commences when the asset is in the location and condition necessary for it to be capable of operating in the manner intended by management. Amortisation ceases at the earlier of the date that the asset is classified as held for sale (or included in a disposal group that is classified as held for sale) and the date that the asset is derecognised. The amortisation charge for each period is recognised in profit or loss unless the charge is a part of the cost of another asset. The amortisation period and method are reviewed at each financial year end. Any change in the period or method is accounted for as a change in accounting estimate prospectively.

The Company derecognises an intangible asset on its disposal or when no future economic benefits are expected from its use or disposal and any gain or loss on derecognition is recognised in profit or loss as gain / loss on derecognition of asset.

(vi) Impairment of non – financial assets

The Company reviews the carrying amount of its Property, Plant and Equipment, including Capital Work in progress of a “Cash Generating Unit” (CGU) at the end of each reporting period to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the Cash Generating Unit to which the asset belongs.

Recoverable Amount is determined:

- i) In case of individual asset, at higher of the fair value less cost to sell and value in use; and
- ii) In case of cash generating unit (a company of assets that generates identified, independent cash flows), at the higher of the cash generating unit’s fair value less cost to sell and the value in use.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

(vii) Financial Instruments :

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1. Financial Assets:

i. Initial recognition and measurement:

At initial recognition, the Company measures a financial asset (which are not measured at fair value) through profit or loss at its fair value plus or minus transaction costs that are directly attributable to the acquisition or issue of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost.

ii. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in following categories:

- i) Financial assets measured at amortised cost;
- ii) Financial assets at fair value through profit or loss (FVTPL) and
- iii) Financial assets at fair value through other comprehensive income (FVOCI)

The Company classifies its financial assets in the above mentioned categories based on:

- a) The Company's business model for managing the financial assets, and
- b) The contractual cash flows characteristics of the financial asset.

i) Financial assets measured at amortised cost :

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) A financial asset is measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the Contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- b) Financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii) Financial assets at fair value through profit or loss (FVTPL):

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in profit or loss.

iii) Financial assets at fair value through other comprehensive income (FVOCI):

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is achieved by collecting both contractual cash flows that gives rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

A financial asset is measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income. In addition, The Company may elect to designate a financial asset, which otherwise meets amortised cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch')

Trade receivables, Advances, Security Deposits, Cash and Cash Equivalents etc. are classified for measurement at amortised cost.

iii. Equity Instruments:

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit & Loss.

The company has elected to measure its equity instruments through FVPTL.

iv. Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

v. Derecognition:

The Company derecognizes a financial asset when contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognized in the Statement of Profit and Loss.

vi. Impairment of financial assets:

The company assesses at each date of statement of financial position whether a financial assets or group of financial assets is impaired. In accordance of Ind AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss.

In case of trade receivables, the Company follows a simplified approach wherein an amount equal to lifetime ECL is measured and recognised as loss allowance. As a practical expedient, the company uses a provision matrix to determine impairment loss on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of trade receivables. ECL impairment loss allowances (or reversal) recognized during the period is recognized as an expense / income respectively in the statement of profit and loss. Provision for ECL is presented as deduction from carrying amount of trade receivables.

For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to lifetime expected losses, if the credit risk on the financial asset has increased significantly since initial recognition.

Subsequently, if the credit quality of the financial asset improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognizing impairment loss allowance based on 12 month ECL.

2. Financial Liabilities:

i. Initial recognition and measurement:

All financial liabilities are recognised initially at fair value and subsequently carried at amortised cost using the effective interest method.

The company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

ii. Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

i) Financial liabilities measured at amortised cost.

ii) Financial liabilities at fair value through profit or loss.

a. Financial liabilities measured at amortised cost :

Subsequently, all financial liabilities are measured at amortised cost. Any discount or premium on redemption/ settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

b. Financial assets at fair value through profit or loss (FVTPL):

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.

c. Derecognition:

Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

(viii) Off-setting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the standalone balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(ix) Fair value measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

(x) Inventories:

Inventories are valued at lower of cost or net realizable value. Cost in respect of raw materials is determined on FIFO basis. Net realizable value is the estimated selling price in the ordinary course of business less estimated cost necessary to make sale.

Costs in respect of Finished goods and process stock Inventories are computed on weighted average basis method. Finished goods and process stock include cost of conversion and other costs incurred in acquiring the inventory and bringing them to their present location and condition.

(xi) Borrowing Cost :

Borrowing costs include interest and amortisation of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

(xii) Statement of Cash flows:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(xiii) **Income recognition :**

Revenue from Contracts with Customers

Effective 1st April, 2018, the Company has adopted Ind AS 115 - Revenue from Contracts with Customers (Ind AS 115, the standard) retrospectively with the cumulative effect of applying this standard recognise at the date initial application. The adoption of this standard did not have any material impact on the financial statements.

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services.

The revenue towards satisfaction of performance is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligations. The transaction price of goods sold and service rendered is net of variable consideration on account of various discounts offered by the company as part of contract. These variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognised only to the extent that it is highly probable that amount will not be subject to significant reversal when uncertainty relating to its recognition resolved.

Sale of Product:

The performance obligation in case of sale of product is satisfied at a point in time i.e. when the material is shipped to the customer or on delivery to the customers as may be specified in the contract.

Other Operating Revenue

Export Incentives:

Exports Incentives are treated as income in the year of Exports based on eligibility and when there is reasonable certainty regarding the receiving the same.

Other Income

Interest income:

Interest Income from financial assets is recognised at the effective interest rate applicable on initial recognition.

(xiv) **Government grants & subsidies**

Grants from the government are measured at amounts receivable from the government which are non-refundable and are recognized as income when there is a reasonable assurance that the Company will comply with all necessary conditions attached to them.

Income from the above grants are presented under Revenue from Operations.

(xv) **Foreign Currency Transactions:**

Functional currency of the Company is Indian rupee. The financial statements have been presented under its functional currency. Any transaction that is denominated in a currency other than the functional currency is regarded as foreign currency transaction. All foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction. In case of consideration received or paid in advance, the exchange rate prevailing on the date of receipt or payment of advance is considered when subsequently the related asset is given up or received to the extent of advance consideration.

At the end of the reporting period:

1. foreign currency monetary items are translated using the exchange rate for immediate delivery at the end of the reporting period;
2. non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction; and
3. non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange difference arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognised in profit or loss in the period in which they arise.

(xvi) Employee Benefits:

i. Short term employee benefits:

Short Term benefits are recognised as an expense at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered. In case of Leave Encashment, the company does not allow carry forward of unavailed leave and hence unavailed leaves are encashed in the current year itself.

ii. Post employment benefits:

a) Defined contribution plan:

The Employee and Company make monthly fixed Contribution to Government of India Employee's Provident Fund equal to a specified percentage of the Cover employee's salary, Provision for the same is made in the year in which service are render by employee.

b) Defined benefit plans:

The Liability for Gratuity to employees, which is a defined benefit plan, as at Balance Sheet date determined on the basis of actuarial Valuation based on Projected Unit Credit method is funded to a Gratuity fund administered by the trustees and managed by Life Insurance Corporation of India and the contribution thereof paid/payable is absorbed in the accounts.

The present value of the defined benefit obligations is determined by discounting the estimated future cash flows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in balance sheet. Changes in present value of the defined benefit obligation resulting from plan amendment or curtailments are recognized immediately in profit or loss as past service cost.

(xvii) Earnings per Share

Basic earnings per share is calculated by dividing net profit after tax for the year attributable to Equity Shareholders of the company by the weighted average number of Equity Shares issued during the year. Diluted earnings per share is calculated by dividing net profit attributable to equity Shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year.

(xviii) Provisions, Contingent Liabilities and Contingent Assets :

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent liability is disclosed for (i) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognised in the financial statements.

(xix) Taxes on Income :

a) Current tax:

Current tax is determined on income for the year chargeable to tax in accordance on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

b) Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with asset will be realised.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

(xx) Segment reporting:

The Chief Operational Decision Maker (CODM) monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Operating segments are reported in a manner consistent with the internal reporting to the CODM.

Accordingly, the Board of Directors of the Company is CODM for the purpose of segment reporting. Refer Note No. 35 for segment information presented.

(xxi) Leases :

a) Finance leases:

Assets acquired under lease where the Company has substantially all the risk and rewards of ownership are classified as finance leases. Such assets are capitalised at inception of lease at the lower of fair value or present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

b) Operating leases:

Assets acquired on leases where a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the statement of profit and loss on accrual basis.

(xxii) Insurance Claims :

Insurance and other claims are recognised only when it is reasonably certain that the ultimate collection will be made.

(xxiii) Standards issued but not yet effective

As on 30th March, 2019, Ministry of Corporate Affairs vide a notification issued amendments to Ind AS which are effective from 1st April, 2019. Given below is given an explanation of significant amendments and their possible impact on the assets, liabilities and results:

a) Ind AS 116 Leases:

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17. The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

- Full retrospective – Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors

- Modified retrospective – Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application

The company is in the process of evaluating the impact of this Standard

b) Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments :

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The standard permits two possible methods of transition

- Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and
- Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the separate financial statements.

c) Amendment to Ind AS 12 – Income taxes:

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the separate financial statements.

d) Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and

- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

- e) Amendment to Ind AS 23 – Consideration of outstanding specific borrowing in capitalisation rate-On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 23, Borrowing Costs. The amendments clarify that an entity shall exclude from the calculation of capitalisation rate borrowing costs applicable to borrowings made specifically for the purpose of obtaining a qualifying asset until substantially all the activities necessary to prepare that asset for its intended use or sale are complete. The Company is in the process of evaluating the impact of this amendment on the separate and consolidated financial statements.

- ✓ Disputed Demand of Excise Rs. 2.85 Lacs (P.Y. Rs.2.85 Lacs) [Against which company has paid Rs.0.21 Lacs (P.Y. Rs.0.21 Lacs) under protest which are shown as Advances.
- ✓ There is no Contract remaining outstanding to be executed on capital account.

34 The company has applied Ind AS 115 Revenue from Contracts with Customers notified by the Ministry of Corporate Affairs on 28 March 2018 and effective from 1 April 2018 for the first time. The said standard replaced Ind AS 18 Revenue which was applicable to the company for recognising and measuring revenue on 31 March 2018. Ind AS 18 revenue required recognition of revenue on transfer of significant risks and rewards and measurement of revenue at fair value. The company has applied Ind AS 115 retrospectively only to contract those are not completed at the date of initial application with the cumulative effect of initially applying the Standard being recognised on 1 April 2018. The application of Ind AS 115 has no material impact either on the financial position or financial performance for the year.

35 Segment Reporting

The Company's management, consisting of the chief executive officer, the chief financial officer and the manager for corporate planning, monitors the operating results of the below business segments separately for the purpose of making decisions about resource allocation and performance assessment and accordingly, based on the principles for determination of segments given in Indian Accounting Standard 108 "Operating Segments" and in the opinion of management the Co. is primarily engaged in the business of Ball & Roller Bearings. All other activities of the Co. revolve around the main business and as such there is no separate reportable business segment.

The operations of the company are confined to India as well as outside India with export contributing to 67.17 % (P.Y. 62.74%) of annual turnover. Hence in view of the management India and exports market represents different geographical segment.

Secondary segment information for the year ended 31st March, 2019.

Particulars	India	Outside India	Total Rs.
Revenue by Geographical Market	24,51,49,493 (20,51,50,344)	50,21,48,128 (33,96,39,260)	74,72,97,621 (54,47,89,694)
Carrying Amount of Segment Assets	7,48,79,947 (7,28,32,368)	Nil (Nil)	7,48,79,947 (7,28,32,368)

<p>The above fair value hierarchy explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost for which fair values are disclosed in the financial statements. To provide the indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments in to three levels prescribed is as under:</p> <p>Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices) Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)</p> <p>There were no transfers between the levels during the year</p> <p>Valuation process The finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. The fair valuation of level 1 and level 2 classified assets and liabilities are readily available from the quoted prices in the open market and rates available in secondary market respectively. The valuation method applied for various financial assets and liabilities are as follows -</p> <ol style="list-style-type: none"> 1. Quoted price in the primary market (NAV) considered for the fair valuation of the current investment i.e Mutual fund. Gain / (loss) on fair valuation is recognised in profit and loss. 2. The carrying amount of trade receivable, trade payable, cash and bank balances, short term loans and advances, statutory/ receivable, short term borrowing, employee dues are considered to be the same as their fair value due to their short-term nature. 									

38	Financial risk management		
		The Company has exposure to the following risks arising from financial instruments:	
	I	Credit Risk	
	II	Liquid Risk	
	III	Market Risk	
		Risk Management Framework	
		The Company's risk management is governed by policies and approved by the board of directors. Company's identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The company has policies for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments.	
		The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.	
	I	Credit Risk	
		Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to credit risk at the reporting date is primarily from trade receivables and loans to related parties. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. On account of the adoption of Ind AS 109, the company uses ECL model to assess the impairment loss or gain. The company uses a provision matrix to compute the ECL allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors and the company's experience for customers.	
	i)	Ageing of Account Receivables	
			As at 31/03/2019 31/03/2018
			Rs. Rs
		Within the credit period	Nil Nil
		1-30 days past due	129,089,445 74,760,393
		31-90 days past due	67,888,935 48,493,627
		91-180 days past due	37,931,973 24,295,393
		More than 180 days past due	457,055 25,483,002
		Total	235,367,408 173,032,414
		The Company reviews trade receivables on periodic basis and makes provision for doubtful debts if collection is doubtful. The Company also calculates the expected credit loss (ECL) for non-collection of receivables. The Company makes additional provision if the ECL amount is higher than the provision made for doubtful debts. In case the ECL amount is lower than the provision made for doubtful debts, the Company retains the provision made for doubtful debts without any adjustment.	
		The provision for doubtful debts including ECL allowances for non-collection of receivables and delay in collection, on a combined basis, was Rs. 0.05 Lacs as at March, 2019 and Rs. 2.54 Lacs as at March 31, 2018. The movement in allowances for doubtful accounts comprising provision for both non-collection of receivables and delay in collection is as follows:	
	ii)	Movement in provision of doubtful debts	
			As at 31/03/2019 31/03/2018
			Rs Rs
		Balance at the beginning	254,830 10,560
		Impairment loss recognised	(250259) 244,270
		Impairment loss reversed	Nil Nil
		Amount written off	Nil Nil
		Balance at the end	4,571 254,830
		The percentage of revenue from its top five customers is 58.95 % for 2018-19 (72.22 % for 2017-18).	

II Liquid Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and liabilities including debt financing plans and maintenance of balance sheet liquidity ratios are considered while reviewing the liquidity position.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

31.03.2019	Carrying Amount	Contractual Cash Flows				
		< 1 year	1-2 year	3-5 years	5 years and Above	Total

III Market Risk

Market risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market factors. Market risk comprises three type of risks:

- a) Currency Risk
- b) Interest Risk
- c) Price Risk

a) Currency Risk

The functional currency of the Company is Indian Rupee. The Company is exposed to currency risk on account of payables and receivables in foreign currency. Company is exposed to currency risk on account of payables and receivables in foreign currency. The average exports account for 66.21 % of total sales which perceived to be a major risk. The imports Purchase is Nil.

Company does not use derivative financial instruments for trading or speculative purposes.

i) Particulars of unhedged foreign currency exposures at the reporting date				
Particulars	Currency	As at		
		31/03/2019	31/03/2018	
		Rs	Rs	
a) Trade Receivables (Against Export)	USD	1,139,161	997,052	
	INR	78,795,739	64,852,336

	EURO	831,121	218,022	
	INR	64,578,098	17,461,438	
ii) Foreign Currency Risk Sensitivity				
A change of 5% in Foreign currency would have following impact on profit before tax				
Particulars	2018-19		2017-18	
	5% Increase	5% Decrease	5% Increase	5% Decrease
USD	56,958	(56,958)	40,282	(40,282)
EURO	41,556	(41,556)	10,901	(10,901)
b) Interest Risk				
<p>Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.</p> <p>According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.</p>				
i) Exposure to interest rate risk				
Particulars	As at			
	31/03/2019	31/03/2018
