Packaging Solutions

Dear Fellow Partners,

As we complete 25 years in the packaging industry this year, we have consolidated our resources through the successful merger of Clear Mipak Packaging Solutions Ltd. This merger of companies has allowed us to leverage our existing clients and range of products to new customers. We believe that this will emerge as a scalable driver for our company and will become a key to unlocking its future value.

Our continued focus on our Research and Development facility has led to improvement in design and development of innovative products, to better serve our unique range of customers in various business segments.

As many of you may be aware, during last year's Haryana agitation, our manufacturing facility at Rohtak, Haryana was set on fire, resulting in irreparable damage. Efforts to rebuild and restore the facility are underway. We assure you that our operations will resume at the earliest.

Despite this unforeseen setback, we would like to inform you that our Earnings Before Interest, Tax, Depreciation and Amortisation (EBITDA) has increased by 13% due to improved efficiencies through cost reduction. Additionally, both our finance cost and short term borrowings have reduced by 33% and 50% respectively. Our profit before tax has also increased by Rs 11.16 crores.

We assure you that in the process of achieving our strategic goals, we will adhere to the highest standards of quality, health, safety and environment. The ongoing implementation of our automation initiatives with guidelines to be monitored and reviewed periodically is likely to result in robust processes and increase productivity.

Our journey towards becoming one of the most respected companies in India is a long and arduous one and we believe this can be achieved by our continued efforts to increase value for our stakeholders.

We would also like to take this opportunity to thank you for maintaining faith in us and make certain that we are and will continue to stay committed to scaling greater heights in all our future endeavours.

We look forward to a rewarding journey ahead together. As always, we deeply value your investments and appreciate your continued patronage.

With Regards,

Malav Dani

OVERVIEW OF FINANCIAL PERFORMANCE

Operating revenue reduced to ₹ 393 crores from ₹ 466 crores of previous year largely on account of reduction in key raw material prices due to drop in crude prices as also some reduction in sales volume of Rohtak unit because of fire. Profit Before Tax increased to ₹ 20.25 crores consequent to reduction in manpower cost, finance cost & improved efficiency in production. Profit after tax increased to ₹ 14.12 crores from ₹ 6.79 crores.

SHARE CAPITAL

The Authorised Share Capital of the Company increased during the year from ₹ 20 crores to ₹ 60.50 crores. During the year 20 lacs Convertible Warrants were converted into 20 lacs Equity Shares of ₹ 10/- each upon exercise of conversion option by the warrant holders.

The Board of Directors of the Company and Clear Mipak Packaging Solutions Limited ("CMPSL") had approved a Scheme of Amalgamation ("Scheme") to simplify the group structure by elimination of multiple entity with a view to consolidate businesses and lead to synergies in operations. Pursuant to the Scheme, 173 9% Non-Convertible Redeemable Cumulative Preference Shares of ₹ 10/- each fully paid up of the Company were issued to the shareholders of CMPSL for every 10 equity shares held in CMPSL in consideration of the amalgamation of CMPSL into the Company.

Pursuant to Order dated 20th November, 2015 passed by the Hon'ble High Court of Judicature at Bombay approving the said Scheme, the same was implemented by allotting 3,09,44,164 9% Non-Convertible Redeemable Cumulative Preference Shares of ₹ 10/- each fully paid

up of the Company to the shareholders of CMPSL on 07th January, 2016.

Accordingly, the Paid up Share Capital of the Company as on 31st March, 2016 is as under :

No. of Shares	Capital (₹ in lacs)
1,71,75,700 Equity Shares of ₹ 10/- each	1,717.57
3,09,44,164 – 9% Non-Convertible Redeemable Cumulative Preference Shares of ₹ 10/- each.	3,094.42
TOTAL	4,811.99

DIVIDEND

Your Directors are pleased to recommend dividend for approval of the members as under:

- On Equity Shares @ 9% i.e. ₹ 0.90 per equity share (Previous year ₹ 0.90 per equity share), for the financial year ended 31st March, 2016.
- On 9% Non-Convertible Redeemable Cumulative Preference Shares ('NCRCPs') of ₹ 10/- each, dividend @ 9% p.a. payable for the period starts from 7th January, 2016 to 31st March, 2016 (both the days inclusive).

The proposed dividend on Equity Share Capital will absorb ₹ 186.05 lacs including Dividend Distribution Tax of ₹ 31.47 lacs

The proposed dividend on NCRCPs will absorb ₹ 78 lacs including Dividend Distribution Tax of ₹ 13 lacs.

TRANSFER TO RESERVES

During the year under review, no amount has been transferred to General Reserve.

ANNEXURE E TO DIRECTORS' REPORT

Details of Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Outgo:

A) Conservation of Energy:

The steps taken for conservation of energy

Energy conservation is considered already at the time of planning of a new manufacturing plant. For example, factories are conveniently located close to our customers which will reduce carbon dioxide emissions in transportation. We hire people from close by areas which will reduce the need for people transportation and we use modern technology like video conferencing and skype for meeting which will reduce the need for Head Office people travelling.

Factory buildings are designed considering maximum use of day light, cool air ventilation without electric devices and reflection of sun rays out from building roof and walls. Also, LED lights is being implemented in our factories. Planting trees in compounds will give shadow and cooler air inside the plant reducing the need for electric air coolers.

New selected moulding machinery is either servo controlled, or fully electric, consuming 30-50% less electricity than conventional older machines. Also, some older machines have been modified to use servo controlled technology. New printing technology is smaller and does not require big air cooled cabins.

The Company has invested in wind energy and is also considering use of solar power in suitable areas of operations.

Energy conservation continues to receive top priority in the Company.

Specific Energy conservation measures are:

1. Monitoring and analysis of energy consumption on monthly basis;
2. New moulding machines selected are always either servo controller or fully electric machines;
3. Modification of old technology machines to servo controlled machines;
4. Replacement of conventional tubes and bulbs with LED;
5. Monitoring, benchmarking and selection of energy intensive equipment only;
6. Training of Hitech workers for energy conservation and awareness;
7. Minimum use of energy by optimizing processes and material movement in factories;
8. "Machine ON" ALARM's and automatic switch of machines;
9. Replacement of old equipment with energy efficient equipment;
10. Share and implement best energy saving practices across manufacturing units.

All LED's, repaired machines, and all new moulding machines bought by the Company are servo controlled.

B) The steps taken by the Company for utilizing alternate sources of energy:

Windmill

Your Company has installed Windmills in some of its plants as an alternative source of energy. Further there are proposals for more investments into this area to facilitate the reduction in conventional energy usage and environmental benefits.

Solar energy

Your Company is evaluating the proposals for other alternative sources such as Solar Energy to supplement requirements of power at different plants.

The above mentioned measures have resulted in reduction in energy usage, reduction in energy cost and environmental benefits in the vicinity.

C) The Capital Investment on energy conservation equipment: NIL

TECHNOLOGY ABSORPTION

A) The efforts made by the Company towards technology absorption

Your Company has made concerted efforts to establish a strong performance in the field of R&D vis-à-vis product and process development. It has a dedicated Technology Centre at Pune which carries out design, product and process innovations and improvements and has got its accreditation from the Department of Science and Technology, Government of India. The Centre in close cooperation with customers has been providing solutions for unique packaging designs which have enhanced the quality of the containers and have also helped in reducing the costs. The initiatives of the Centre include efficient usage of polymers in the product and reduction in production cycle time leading to savings in operating costs. This helped the Company in sustaining and strengthening the competitive position, the Company holds in rigid packaging business.

Specific areas in which R & D was carried out by the Company include:

- a. Technical upgradation in mould design;
- b. Product and Process development.
- c. Raw material Development

B) The Benefits derived like product improvement, cost reduction, product development or import substitution:

- a. Reduction in the weight of the containers;
- b. Enhancing life of the mould;
- c. Better utilization of manpower; and
- d. Lower production cycle time which improved productivity.

C) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year)

Not applicable as all developments were done indigenously in the last three years.

D) Expenditure on R & D during the year is as follows:

Particulars	₹ in Lacs
(a) Capital	167.37
(b) Revenue	350.57
Total	517.94

FOREIGN EXCHANGE EARNINGS AND OUTGO

Foreign exchange earned in terms of actual inflows during the year 2015-16 was ₹ 35.33 lacs (equivalent value of various currencies).

Foreign exchange outgo in terms of actual outflows during the year 2015-16 was ₹ 2.76 lacs (equivalent value of various currencies).

MANAGEMENT DISCUSSION AND ANALYSIS

PACKAGING SOLUTIONS TO MULTI SECTOR:

Hitech has been in the rigid packaging business for over two decades. The merger of our subsidiary has enabled us to provide packaging solutions to multiple sectors across India including Paint & Coatings, Home Care, Personal Care, Food, Agrochemicals, Lubricants, Health Care and other allied sectors.

With an aim to expand into untapped markets, Hitech has increased its focus on Research & Development—innovative product development will help strengthen our business relationships. Hitech has a manufacturing footprint at 13 different locations across the country with over 700 direct employees and over 1,200 indirect employees engaged.

OVERVIEW OF INDIAN ECONOMY

The Economic Survey 2015-2016 forecasted the Indian economy to grow over 7% for the third consecutive year with a projected growth of 8% or more in the next two years. The economy will benefit from the acceleration of infrastructure projects, strong consumer spending due to lower inflation, monetary easing and gradual improvements in other sectors.

Several overseas companies are entering the Indian market on account of various Government initiatives such as Make in India, Skill India and Digital India. The Make in India initiative aims to boost the manufacturing sector of the Indian economy by increasing purchasing power of the average Indian consumer. This initiative is expected to increase the manufacturing sector's contribution to 25% of the GDP against the present 18%. The Digital India initiative focuses on three core components: creation of digital infrastructure, delivery of digital services and increase in digital literacy to further spur development and investor benefits.

Crude prices have remained low globally, helping Indian manufacturers to reduce costs and better control the trade deficit, easing inflation. This has also benefited the packaging industry since the price of polymer, the basic raw material has remained subdued.

Global demand and industry landscape is Hitech's mainstay of growth in expanding facilities throughout southern India. With this growth, Hitech plans to move towards more advanced technologies, automation of jobs and focus on innovative product creation through Research & Development.

BUSINESS SEGMENTS:

Hitech is developing strategic business models to serve expanded sectors and customers in new geographies.

PAINT INDUSTRY:

Our products mainly cater to the packaging requirements of decorative paint segments which constitute 70 to 75% of the Indian paint industry. The main industry growth drivers include a projected increase in infrastructure expansion, the advancement of rural areas, plans of smart city development, in addition to other projects. The expected reach by 2020 is approximately 60.8 million tons by volume. Decorative paints in the domestic market have also witnessed an escalation.

FMCG:

Analysts forecast the Global FMCG packaging market to grow at a CAGR of 4.4% during the period of 2016-2020. Growing awareness, easier access, and changing lifestyles have been key drivers of growth for the consumer market. The Government of India's policies and regulatory frameworks such as relaxation of license rules and the approval of 51% Foreign Direct Investment (FDI) in multi-brands

are some of the major growth drivers for the consumer market. This coupled with Indian Meteorological Department (IMD) expectation of good monsoon in different parts of the country may boost the rural demand.

Hitech is geared to keep up the pace to face the opportunities of high demand from the rural sector and the emerging urban areas of the country.

PERSONAL AND HEALTH CARE INDUSTRY:

Healthcare Industry is growing at a tremendous pace owing to its strengthening coverage, services and increasing expenditure by public as well as private players. The healthcare market is expected to reach a CAGR of 17% as per the data released by Department of Commerce and the total healthcare industry size is predicated to touch USD 160 billion by 2017 and USD 280 billion by 2020. As per the Ministry of Health, the advancement of 50 technologies was targeted in financial year of 2015-2016 for the treatment of disease like Cancer and Tuberculosis

The response from customers in this sector is quite (generally) positive. We are in the process of developing alternate resins to penetrate deeper into this sector.

HOME CARE:

Despite the uncertainties in Global economy, the per capita income of the country is growing rapidly, thus the demand for home healthcare products is rising. The need for plastics solutions is also on the rise. Plastics are the major packaging materials used by companies with advantages like durability, light-weight characteristics and versatility. New polymers like PLA, biodegradable PHA (polyhydroxyalkanoate), bio PTT (polytrimethyl terephthalate) etc. are slowly getting acceptance. Cost however, still remains a deterrent.

A greater preference for a healthier lifestyle has led to increased demand for homecare products. Costly medical care is leading more people towards choosing products and solutions that reduce their medical bills while keeping them safe. Increasing adoption of these solutions in developing countries like India, Brazil and China has further augmented the growth of packaging solutions for homecare products.

Manufacturers are diversifying their offerings by opting for informative packaging solutions that adhere to safety requirements. The packaging market for this segment is set to witness a high growth for the forecasted period.

We are leveraging our existing partnership with one of the largest rigid packaging consumers in this business by engaging them to establish new products and also accrue due share in their organic growth.

AGRO CHEMICAL:

India is the fourth largest producer of agrochemicals worldwide, after the United States, Japan and China. The agrochemicals industry is a significant industry for the Indian economy. India's population is increasing with per capita size of land decreasing. The country's continued use of pesticides should further improve, leading to higher demand in this sector.

Research shows the agrochemical market in India will grow steadily at a CAGR of over 9% during the forecasted period. Availability of credit facilities to purchase agrochemicals is the primary market driver.

Hitech plans to enter untapped markets in the northern Indian states by adding capacity at its Rohtak plant, this would give us the advantage of being close to our customers to increase market share.

INDUSTRY STRUCTURE AND DEVELOPMENTS

MANUFACTURING:

The manufacturing Unit at Rohtak, Haryana was disrupted from 20th February, 2016 due to a fire set by agitators, resulting in irreparable damage to the property. This made an impact on Hitech's operations for the current year. The property was fully insured on a reinstatement basis and the company has submitted its claim to the Insurance Company. The surveyors appointed by the Insurance Company submitted their report based on which they are assessing the claim. Hitech has initiated activities to rebuild the manufacturing facilities at Rohtak within 6 to 8 months. Simultaneously, we have arranged for partial supply to some customers through other company plants.

Hitech has been continuously investing in expanding its manufacturing footprint to serve customer demands. Hitech's investments during the year include: ₹ 733 lacs invested in fixed assets of which ₹ 160 lacs was invested in the Khandala plant, over ₹ 90 lacs invested each in Sriperumbalur and Naroli plants apart from ₹ 167 lacs invested in the Research & Development unit at Pune.

For the current financial year, Company's capital will be spent towards rebuilding the facilities at Rohtak, debottlenecking and upgrading technology at existing locations.

OPPORTUNITIES, RISKS AND THREATS:

The merger of Clear Mipak Packaging Solutions Limited business into Hitech Plast Limited has helped the organisation consolidate its resources, thereby leveraging its existing customer base and product range to new customers. Hitech's continuous focus on its Research & Development facility has expanded the design and development of innovative products to serve its unique range of customers in various business segments. The proposed simplification in Tax regime through introducing Goods & Service Tax (GST) is likely to facilitate handling of the products across the country.

HUMAN RESOURCES & INDUSTRIAL RELATIONS:

We have a strong culture of customer centricity, innovation and people focus helps us cope with a challenging business environment. Hitech has embarked on several initiatives to strengthen its employee relations. Our core values include innovation in thoughts, processes and products. Key Business advisors conduct a monthly explorative meeting. This meeting comprises of team members from the Design & Development, Sales & Marketing and Operations departments. At the operation level, 10% of the KRA is aligned to innovation and environment that fosters continuous and incremental improvement. Due importance is given to enhance employee well-being and effectiveness through our daily meditation, innovative problem-solving sessions and brain storming sessions.

ENVIRONMENT, HEALTH & SAFETY (EHS):

Hitech's EHS policy considers compliance to statutory EHS requirements as the minimum performance standard. We are committed to go above and beyond to adopt stricter standards wherever appropriate. Hitech's major manufacturing facilities at Silvassa follow the ISO 9001:2008.

Our factories and corporate office run awareness campaigns to sensitize and educate employees on judicious use of paper. We give priority to the health and safety of our employees and implement employee training programs that enable workers to perform as per prescribed procedures designed to meet all EHS requirements.

INFORMATION TECHNOLOGY:

For a Smart Enterprise to respond in real-time or ahead of time requires dematerialisation of an enterprise where physical assets now have a digital interface. Once dematerialised, all enterprise's assets - technology, infrastructure, operations, logistics, customer data and content - become software driven. Hence, Hitech continues to employ advanced technology to help, create and refine existing business models.

RESEARCH & DEVELOPMENT:

Hitech has a Research & Development Centre in Pune responsible for product designing, process innovation and improvements. The Centre provides solutions for unique packaging designs to enhance the quality while reducing the cost of packaging, adding value for the customer. It is accredited by the Department of Science and Technology (DSIR), Government of India.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Hitech has a robust internal control mechanism based on an integrated cloud-based ERP system. This system commensurate with the nature of its business in addition to the size and complexity of its operations. The Audit Committee has appointed internal auditors to audit and submit a summary of the internal audit report periodically. This Committee then discusses and reviews the findings with the internal auditors as well as with senior management, including departmental heads.

FINANCIAL PERFORMANCE:

Our financial results and performance for the year are elaborated in the Directors' Report.

FORWARD LOOKING STATEMENTS:

This report contains forward looking statements, which may be identified by their use of words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates', or other words of similar meaning. Familiarisation Programme

Your Company has put in place a structured induction and familiarisation programme for all its Directors including the Independent Directors. The Company through such programme familiarizes not only the Independent Directors but any new appointee on the Board, with a brief background of the Company, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model, operations of the Company, etc. They are also informed of the important policies of the Company including the Code of Conduct for Board Members and Senior Management Personnel and the Code of Conduct to Regulate, Monitor and Report Trading by Insiders, etc. The Managing Director, CFO, Business Heads and other Senior Officials of the Company make presentations to the Board members on a periodical basis, briefing them on the operations of the Company, strategy, risks, new initiatives, etc.

The familiarisation programme for Independent Directors in terms of provisions of Regulation 25 & 46 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 is also available on the website of the Company and can be accessed through the following link: <http://www.hitechgroup.com/investor/#policies>

Independent Director

Independent Directors play an important role in the Governance Processes of the Board. They bring their expertise and experience on the deliberations of the Board. This enriches the decision making process at the Board with different point of views and experiences and prevents conflicts of interest in the decision making process.

The appointment of the Independent Directors is carried out in a structured manner. The Nomination & Remuneration Committee identifies potential candidates based on certain laid down criteria.

Meeting of Independent Directors

During the year under review, in accordance with the provisions of Schedule IV (Code of Independent Director) of the Companies Act, 2013 and Regulation 25(3) (4) of SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015, the Independent Directors met on 17th March, 2016, without the attendance of Non-Independent Directors and members of the management, to discuss the following:

- Evaluation of the performance of Non-Independent Directors and the Board of Directors as a whole.

- Evaluation of the performance of the Chairman of the Company, taking into account the view of the Executive and Non-Executive Directors.
- Evaluation of the quality, content and timeliness of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

All the members were present at the meeting except Mr. Rajnikant Desai who was granted leave of absence. They expressed satisfaction at the evaluation process, the Board's freedom to express views on the business transacted at the meetings and the openness with which the management discussed various subject matters on the agenda of meetings. Their suggestions were discussed at the Board Meeting and are being implemented to ensure a more robust interaction at the Board level.

Evaluation of Board Effectiveness

In terms of provisions of the Companies Act, 2013 read with Rules issued there under and Regulation 19(4) and Part D of Schedule II of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the Board of Directors, on the recommendation of the Nomination and Remuneration Committee, have evaluated the effectiveness of the Board. Accordingly, the performance evaluation of the Board, each Director and the Committees were carried out for the financial year ended 31st March, 2016. The evaluation of the Directors was based on various aspects which, inter alia, included the level of participation in the Board Meetings, understanding of their roles and responsibilities, business of the Company along with the environment and effectiveness of their contribution.

Independent Auditor's Report

To the Members of **HITECH PLAST LIMITED**

Report on the Financial Statements

We have audited the accompanying financial statements of **HITECH PLAST LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss, Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016 and its profit and its cash flows for the year ended on that date.

Annexure - B to the Independent Auditors' Report

(Referred to in our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **HITECH PLAST LIMITED** ("the Company") as at 31st March, 2016 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

1. Company Information:

Hitech Plast Limited (the Company) is a public limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two stock exchanges in India, namely the Bombay Stock Exchange Limited (BSE) and the National Stock Exchange of India Limited (NSE). The Company is engaged in manufacturing of rigid plastic containers specially catering to customers relating to Paints, Lube and Pharmacy product as well as export market.

2. Significant Accounting Policies:

2.1 Basis of preparation of financial statements

(a) Basis of Accounting:

The Financial Statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with accounting principles generally accepted in India ("Indian GAAP") and comply with the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Companies Act, 1956 to the extent applicable.

(b) Use of Estimates:

The preparation of Financial Statements in conformity with Indian GAAP requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of income and expenses during the period.

(c) Current / Non Current Classification:

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i. it is expected to be realized or settled or is intended for sale or consumption in the Company's normal operating cycle;
- ii. it is expected to be realized or settled within twelve months from the reporting date;
- iii. in the case of an asset,
 - it is held primarily for the purpose of being traded; or
 - it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date
- iv. in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months from the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current / non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as 12 months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

2.2. Tangible and Intangible Assets

(a) Tangible Fixed Assets

Tangible fixed assets are carried at the cost of acquisition or construction, less accumulated depreciation and impairment. The cost of fixed assets includes taxes (other than those subsequently recoverable from tax authorities), duties, freight and other directly attributable costs related to the acquisition or construction of the respective assets. Expenses directly attributable to new manufacturing facility during its construction period are capitalized. Know-how related to plans, designs and drawings of buildings or plant and machinery is capitalised under relevant tangible asset heads. Profit or Loss on disposal of tangible assets is recognised in the Statement of Profit and Loss.

(b) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any. The cost of intangible assets acquired in an amalgamation in the nature of purchase is reflected at their fair value as at the date of amalgamation. Profit or Loss on disposal of intangible assets is recognised in the Statement of Profit and Loss.

(c) Capital Work in Progress & Capital Advances

Cost of assets not ready for intended use, as on balance sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as Long Term Loans and Advances.

(d) Depreciation and Amortization

Depreciation on fixed assets is provided on Straight Line Method, except Building, which is depreciated on Written Down Value Method. The details of estimated useful life for each category of assets are as under:

Building	: 40 years
Plant & Machinery*	: 9.67 Years
Moulds	: 4 years
Computer	: 5 years
Vehicle	: 5 years

* Useful life of Plant and Machinery is considered based on triple shift working.

In respect of other assets, the useful life is considered as specified in Part C of the Schedule II to the Companies Act, 2013.

Leasehold land and leasehold improvements are amortized over the primary period of lease.

Purchase cost, user license fees and consultancy fees for major software and patent are amortized over a period of three years.

(e) Impairment

At Balance Sheet date, an assessment is done to determine whether there is any indication of impairment in the carrying amount of the Company's fixed assets. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

An assessment is also done at each Balance Sheet date whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. If any such indication exists the asset's recoverable amount is estimated. The carrying amount of the fixed asset is increased to the revised estimate of its recoverable amount so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised in the Statement of Profit and Loss for the year.

After recognition of impairment loss or reversal of impairment loss as applicable, the depreciation charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on straight line basis over its remaining useful life.

2.3 Revenue Recognition

Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer. The amount recognised as sale is exclusive of sales tax/VAT and are net of returns. Sales are stated gross of excise duty as well as net of excise duty; excise duty being the amount included in the amount of gross turnover. The excise duty related to the difference between the closing stock and opening stock is recognised separately as part of changes in inventories of finished goods and work in progress.

- Revenue from service is recognised as per the completed service contract method.
- Processing income is recognised on accrual basis as per the contractual arrangements.
- Dividend income is recognised when the right to receive payment is established.
- Interest income is recognised on the time proportion basis.

2.4 Lease Accounting

Assets taken on operating lease:

Lease rentals on assets and premises taken on operating lease are recognised as expense in the Statement of Profit and Loss on an accrual basis over the lease term.

2.5 Inventory

Raw materials, work in progress, finished goods, packing materials, stores, spares and consumables are carried at the lower of cost and net realisable value. The comparison of cost and net realisable value is made on an item-by-item basis. Damaged, unserviceable and inert stocks are valued at net realizable value.

In determining cost of raw material, packing material, stores, spares and consumables, weighted average cost method is used. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.

Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads, excise duty as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

2.6 Investments

Investments are classified into current and non-current investments. Investments that are readily realisable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as non-current investments. However, that part of non current investments which are expected to be realised within twelve months from balance sheet date is also presented under "Current Assets" under "Current portion of non current investments".

Current investments are stated at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments.

Non-current investments are stated at cost. A provision for diminution in the value of non-current investments is made only if such a decline is other than temporary in the opinion of the management.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is recognised in the Statement of Profit and Loss.

2.7 Transaction in Foreign Currency

(a) Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of Profit and Loss.

(b) Measurement of foreign currency items at the Balance Sheet date

Foreign currency monetary items of the Company are restated at the closing exchange rates. Non-monetary items are recorded at the exchange rate prevailing on the date of the transaction. Exchange differences arising out of these translations are charged to the Statement of Profit and Loss.

(c) Forward exchange contracts

The Company enters into forward exchange contracts to hedge against its foreign currency exposures relating to the underlying transactions and firm commitments. The Company does not enter into any derivative instruments for trading or speculative purposes.

The premium or discount arising at the inception of forward exchange contract is amortized and recognised as an expense/income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the period in which the exchange rates change. Any Profit or Loss arising on cancellation or renewal of such forward exchange contract is also recognised as income or expense for the period.

2.8 Trade Receivables

Trade Receivables are stated after writing off debts considered as bad. Adequate provision is made for debts considered doubtful.

2.9 Employee Benefits

A. Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognised in the period in which the employee renders the related service. The Company recognises the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

B. Post-employment benefits

(a) Defined contribution plans

Defined contribution plans are Provident Fund Scheme and Employee State Insurance Scheme. The Company's contribution to defined contribution plans are recognised in the Statement of Profit and Loss in the financial year to which they relate.

The Company contributes to the Government administered provident funds on behalf of its employee.

(b) Defined benefit plans

Defined benefit gratuity plan.

The Company operates a defined benefit gratuity plan for employees. The contribution is paid to a separate entity (a fund), towards meeting the Gratuity obligation.

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost is recognised immediately to the extent that the benefits are already vested, else is amortized on a straight-line basis over the average period until the amended benefits become vested.

The defined benefit obligations recognised in the Balance sheet represent the present value of the defined benefit obligations as adjusted for unrecognised actuarial gains and losses and unrecognised past service costs and as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognised representing the unrecognised past service cost plus the present value of available refunds and reductions in future contributions to the plan.

The Company presents the above liabilities as current and non-current in the balance sheet as per actuarial valuation by the independent actuary; however, the entire liability towards gratuity is considered as current as the Company will contribute this amount to the gratuity fund within the next 12 months

C. Other long term employee benefits

Entitlements to annual leave are recognised when they accrue to employees. Annual leave can be availed or encashed subject to a restriction on the maximum number of accumulation of leave. The Company determines the liability for such accumulated leaves using the Projected Unit Credit method with actuarial valuations being carried out at each Balance Sheet date.

The Company presents this liability as current and non-current in the balance sheet as per actuarial valuation by the independent actuary.

2.10 Research and Development

Research and Development expenditure of a revenue nature is expensed out under the respective heads of accounts in the year in which it is incurred.

Fixed Assets utilised for research and development are capitalised and depreciated in accordance with the policies stated for Tangible Fixed Assets and Intangible Assets.

2.11 Provision for Taxation

Tax expense comprises of current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Act, 1961) and Deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period).

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred Tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date to reassess realisation.

2.12 Provisions and Contingencies

The Company creates a provision when there exists a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made.

2.13 Earnings Per Share

The Basic and Diluted Earnings Per Share ("EPS") is computed by dividing the profit after tax for the year by weighted average number of Equity Shares outstanding during the year.

2.14 Proposed Dividend

Dividend recommended by the Board of directors is provided for in the accounts, pending approval at the Annual General Meeting.

2.15 Borrowing Cost

Borrowing cost includes Interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised. All other borrowing costs are expensed in the period they occur.

2.16 Cash and Cash Equivalents

Cash and cash equivalents include cash & cheques in hand, bank balances, demand deposits with banks and other short-term highly liquid investments where the original maturity is three months or less.

2.17 Government Grant and Subsidies

Grants in the nature of subsidy which are non-refundable are credited to the statement of profit and loss, on accrual basis, where there is reasonable assurance that the Company will comply with all the necessary conditions attached to them.

Grants in the nature of subsidy which are refundable are shown as liabilities in the Balance Sheet.

2.18 Measurement of EBITDA

The Company has elected to present earnings before interest (finance costs), tax, depreciation and amortization (EBITDA) as a separate line item on the face of the Statement of Profit and Loss for the year. The Company measures EBITDA on the basis of profit/(loss) from continuing operations.

F. Terms/rights attached to shares

(i) **Equity Share**

The Company has only one class of Equity shares referred to as Equity Shares having a par value of ₹ 10/- per share. Each holder of Equity Shares is entitled to one vote per share. The Company declares and pays dividends in Indian Rupees. Payment of dividend is also made in foreign currency to shareholders outside India. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

A dividend of ₹ 0.90 (Paise Ninety only) per Equity Share of ₹ 10/- each has been recommended by the Board of Directors at its meeting held on 23rd May, 2016, subject to the approval by the shareholders at the ensuing Annual General Meeting. If approved, the dividend for the Financial Year 2015-16 will be ₹ 0.90 per Equity Share (Previous Year : ₹ 0.90 per Equity Share) of face value ₹ 10/- each. The total dividend appropriation for the year ended 31st March, 2016 amounted to ₹ 186.05 Lakhs including corporate dividend tax of ₹ 31.47 Lakhs (Previous Year : ₹ 164.38 Lakhs including corporate dividend tax of ₹ 27.80 Lakhs).

As per the Companies Act, 2013, the holders of Equity Shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts in the event of liquidation of the Company. The distribution will be in proportion to the number of Equity Shares held by the shareholders.

(ii) **Preference Share issued under the Scheme of Arrangement approved by the Hon'ble Bombay High Court on terms as under:**

1. Preference Shares issued at par of ₹ 10/- each.
2. The coupon rate (i.e. the rate of dividend) is 9%.
3. The Preference Shares are classified as "9% Non Convertible Redeemable Cumulative Preference Shares".

4. Preference Shares carry preferential (cumulative) right to dividend, at the above said coupon rate, when declared.
5. The dividend will be calculated on pro rata i.e. from the date of allotment of such Preference Shares.
6. The Preference Shares do not carry any voting rights except in case of any Resolution placed before the Company which directly affects the rights attached to such shares or otherwise provided in the Companies Act.
7. The Preference Shares have the maximum redemption period of 20 years. However, the same may be redeemed fully or in such tranche, before the aforesaid period, by the express mutual consent of the holders of such Preference Shares and Company as may be allowed under the Act.
8. Only fully paid up Preference Shares can be redeemed.
9. The Preference Shares will be redeemed at par of ₹ 10/- each
10. The Preference Shares will be redeemed out of profits of the Company which would otherwise be available for dividend or out of the proceeds of a fresh issue of shares made for the purposes of the redemption.

The Securities and Exchange Board

of India (SEBI) has made it mandatory, hence members are requested to furnish self-attested copy of their PAN card, at the time of submitting the physical share certificate(s) for transfer, transmission, deletion or any other request to the Company.

7. SEBI has made it mandatory for every participant in the securities/ capital market to furnish the details of Income tax Permanent Account Number (PAN). Accordingly, all the shareholders holding shares in physical form are requested to submit their details of PAN along with a photocopy of the PAN card, duly self attested, to the Registrar and Share Transfer Agents of the Company. The shareholders holding shares in electronic form are requested to register their PAN card with their respective Depository Participants
8. Members, who still continue to hold shares in physical form, are requested to dematerialise their shares at the earliest and avail of the various benefits of dealing in securities in electronic / dematerialized form. The shareholders have the option to hold Company's shares in demat form through National Securities Depository Limited (NSDL) or Central Depository Services (India) Limited (CDSL).
9. Members holding shares in the electronic form are advised to inform any changes in address / bank mandate / Email ID directly to their respective Depository Participants. The address / bank mandate / Email ID as furnished to the Company by the respective Depositories viz., NSDL and CDSL will be printed on the dividend warrants.
10. Corporate members intending to send their authorized representatives to attend the AGM pursuant to Section 113 of the Companies Act, 2013 are requested to send a duly certified copy of the Board Resolution together with specimen signatures authorizing their representative(s) to attend and vote at the AGM.
11. The Company is presently using National Electronic Clearing Scheme (NECS) as an option to pay dividend through bank accounts rather than paying the same in the form of dividend warrants. Under this option, an investor's bank account is directly credited and intimation thereof is sent by the Company to the shareholder.

This service not only protects a shareholder against fraudulent interception and encashment of dividend warrants but also eliminates dependence on the postal system, loss / damage of dividend warrants in transit and correspondence relating to revalidation / issue of duplicate warrants.

Investors who would like to avail of this facility and are holding shares in physical form may send in their NECS Mandate Form, duly filled in to the Company's Registrar and Transfer Agent, Link Intime India Private Limited, C-13, Pannalal Silk Mills Compound, LBS Road, Bhandup (West), Mumbai – 400 078. The NECS Mandate Form with instructions will be available at the Registered Office of the Company.

Investors holding shares in demat or electronic form may send in their NECS mandate to the concerned Depository Participant (DP) directly, in the format prescribed by the DP. Pursuant to the Depository Regulations, the Company is obliged to pay dividend on dematerialized shares as per the details furnished by the concerned DP. The Company or Registrar and Transfer Agents cannot make any changes in such records received from the Depository.

12. Members desirous of obtaining any information concerning the accounts and operations of the Company are requested to send their queries to the Chief Financial Officer or the Company Secretary of the Company at least seven days prior to the Meeting so that the required information can be made available at the Meeting.
13. Members attending the Meeting are requested to bring with them the Attendance Slip attached to the Annual Report duly filled in and signed and handover the same at the entrance of the hall.
14. In case of joint holders attending the Meeting, only such joint holder whose name is first in order of preference shall be entitled to vote.

15. As a measure of austerity, copies of the Annual Report will not be distributed at the Annual General Meeting. Members are, therefore, requested to bring their copies of the Annual Report to the Meeting.

16. Members holding shares in the same set of names under different ledger folios are requested to apply for consolidation of such folios along with relevant share certificates to the Company's Registrar & Transfer Agents.

17. Members may please note that pursuant to the provisions of Section 123 of the Companies Act, 2013/Section 205 A(5) of the Companies Act, 1956, dividend for the year 2008-09 and thereafter, which remains unclaimed for a period of 7 years will be transferred by the Company to the Investor Education and Protection Fund (IEPF) established by the Central Government pursuant to Section 205C of the Companies Act, 1956, as and when the same falls due for such transfer. Members who have not encashed their dividend warrants for the year 2008-09 or thereafter are requested to write to the Company's Registrar and Share Transfer Agents.

18. All Unclaimed Dividend remaining unpaid/ unclaimed up to the financial year 2007-08, has been transferred to the Investor Education and Protection Fund. Further, for the financial year ended 31st March, 2009 dividend for which was declared at the Annual General Meeting of the Company held on 26th September, 2009, will be transferred on or before 25th October, 2016 to the Investor Education and Protection Fund.

19. To support the 'Green Initiative', members who have not registered their email addresses are requested to register their Email Ids with the RTA, M/s. Link Intime India Private Limited for receiving the Annual Report and other communications through electronic mode pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 as amended from time to time.

20. Route Map of venue of Annual General Meeting is annexed to the Notice.

21. Electronic copy of the Annual Report 2015-16 is being sent to the members whose E-mail IDs are registered with the Company/ Depository Participant(s) for communication purpose unless any member has requested for a physical copy of the same. For members who have not registered their e-mail address, physical copies of the Annual Report 2015-16 are being sent in the permitted mode.
