Dear Partners,

As the country inches its way towards becoming the fifth largest economy in the world, we as a corporation have experienced changes in both behaviour and values. The wave of economic reform that came with the implementation of GST and demonetization, supported by policy stimulus, is beginning to take root and is moving us as a community, towards a more moral way of conducting business. With 7.5% GDP rate and an expanding middle class, we are poised for an unprecedented growth.

It has always been our philosophy to be in close proximity of our customers, in order to have a better understanding of their requirements and offer them the quickest advantage of the best and latest technology in the field of plastic packaging. We work tirelessly to develop innovative products by adopting sophisticated techniques and modernized automation, all in an effort to reduce costs and improve economic value. The Company's product designs are equivalent to best products of similar nature in the market.

Through our extensive domestic presence, we hope to extend benefits of research in leading edge polymer science and plastic processing to various industries, by using barrier materials to extend the shelf life of dairy and processed food and by using of specialized thermoplastic material for packaging of liquids. This will help in retaining their basic characteristics. We are also at the vanguard of mould development through software analysis and direct machining. Our process involves combining materials of mould construction for better quality controlled moulded parts that results in faster and more precise mould manufacturing. Two of our facilities are now certified as 'Green Channel' partners in addition to having the requisite ISO compliances, pending SEDEX approvals. With this, we hope to standardize our promise of superior quality which is the hallmark of our brand, which generates sustainable value for the members.

After rebuilding of our Rohtak facility, we have not only reworked and updated our existing plants but are also building state of the art facilities at Mysuru and Vishakhapatnam (Vizag) at the behest of one of the Company's most trusted partners. These plants will be operational before the end of the next financial year and will add to our total processing capacity.

We are also now fully compliant with the newly mandated Indian Accounting Standard (IND-AS).

It has been our resolute mission to promote life skills and value education through our CSR arm 'Sab Ka Mangal Ho Foundation'. We have planned and successfully implemented various projects like free eye check-up camps in industrial areas and mid-day meal programs for under privileged children. Now, we are determined to bring yoga education to children in various orphanages. The project was initiated in February 2018 and we have already completed the pilot projects at six orphanages in Mumbai and Pune and hope to extend this initiative across the country, as this project is a prized initiative of the Company with which it hopes to enhance the quality of life and transform millions of lives.

Lastly, I would like to express my gratitude to you all for your continued support and faith in your Company's endeavours.

Warm Regards,

Malav Dani

A person can act as a proxy on behalf of members not exceeding fifty and holding in aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.

2. Statement setting out material facts (Explanatory Statement) pursuant to Section 102 of the Companies Act, 2013, in respect of the Special Business as set out in the Notice is annexed hereto.
3. All the documents referred to in the accompanying Notice and Explanatory Statement are open for inspection at the Registered Office of the Company during the business hours on all days except Saturdays, Sundays and Public Holidays, between 11.00 a.m. to 1.00 p.m. upto the date of ensuing Annual General Meeting and will also be available at the Meeting.
4. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts and Arrangements in which the Directors are interested maintained under Section 189 of

the Companies Act, 2013 will be available for inspection by the members at the Registered Office of the Company and at the Annual General Meeting.

5. The Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, 10th July, 2018 to Monday, 16th July, 2018 (both days inclusive) for determining the names of members eligible for dividend on Equity Shares, if declared at the Meeting.
6. Brief resume of Directors proposed to be appointed/re-appointed alongwith such other details as stipulated under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and Secretarial Standards on General Meetings (SS-2), are provided as Annexure to this Notice.
7. The dividend on Equity Shares, if declared at the Meeting, will be credited/ dispatched on or after 17th July, 2018 to those members of the Company, holding shares in physical form, whose names appear in the Register of Members of the Company on 9th July, 2018 and to those members of the Company, holding shares in electronic form, whose names appear in the Benpos (Beneficiary Position) as on 9th July, 2018.
8. Members holding shares in physical form are requested to lodge Share Transfer documents and all other correspondences and queries relating to Share Transfer, Share Certificates, Change of Address etc., to the Company's Registrar and Transfer Agent ("RTA") i.e. Link Intime India Private Limited having its office at C-101, 1st Floor, 247 Park, Lal Bahadur Shastri Marg, Vikhroli (West), Mumbai - 400 083. Members are requested to furnish self-attested copy of their PAN card, at the time of submitting the physical share certificate(s) for transfer, transmission, deletion or any other request to the Company.
9. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form to eliminate all risks associated with physical shares and for ease of portfolio management. Members can contact the Company or Company's Registrar and Share Transfer Agents for assistance in this regard.
10. Members holding shares in the electronic form are advised to inform any changes in address / bank mandate / Email ID directly to their respective Depository Participants. The address / bank mandate / Email ID as furnished to the Company by the respective Depositories viz., NSDL and CDSL will be printed on the dividend warrants. The Company will not act on any direct request from such members for change/ deletion in such bank details. Further, instructions if any, already given by them in respect of shares held in physical form will not be automatically applicable to the dividend paid on shares held in electronic form. Members may, therefore, give instructions regarding bank accounts in which they wish to receive dividend, to their Depository Participants immediately.
11. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company/ RTA of any change in address or demise of any Member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
12. Corporate members intending to send their authorized representatives to attend the AGM pursuant to Section 113 of the Companies Act, 2013 are requested to send a duly certified copy of the Board Resolution together with specimen signatures authorizing their representative(s) to attend and vote at the AGM.
13. Nomination facility for shares is available for members. For members holding shares in physical form, the prescribed format can be obtained from the Company's Registrar and Share Transfer Agents, M/s. Link Intime India Private Limited, C-101, 1st Floor, 247 Park, Lal Bahadur Shastri Marg, Vikhroli (West), Mumbai - 400 083. For members holding shares in electronic form, you are requested to approach your Depository Participant (DP) for the same.

14. The Company is presently using National Automated Clearing House (NACH) as an option to pay dividend through bank accounts rather than paying the same in the form of dividend warrants. Under this option, an investor's bank account is directly credited and intimation thereof is sent by the Company to the shareholder. This service not only protects a shareholder against fraudulent interception and encashment of dividend warrants but also eliminates dependence on the postal system, loss/ damage of dividend warrants in transit and correspondence relating to revalidation/ issue of duplicate warrants.
15. Members desirous of obtaining any information concerning the Financial Statements and operations of the Company are requested to send their queries to the Chief Financial Officer or the Company Secretary of the Company at least seven days prior to the Meeting so that the required information can be made available at the Meeting.
16. Members attending the Meeting are requested to bring with them the Attendance Slip attached to the Annual Report duly filled in and signed and handover the same at the entrance of the hall. As a measure of austerity, copies of the Annual Report will not be distributed at the Annual General Meeting. Members are, therefore, requested to bring their copies of the Annual Report to the Meeting.
17. In case of joint holders attending the Meeting, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
18. Members holding shares in the same set of names under different ledger folios are requested to apply for consolidation of such folios along with relevant share certificates to the Company's Registrar and Transfer Agents.
19. Members may please note that pursuant to the provisions of Section 123 of the Companies Act, 2013 / Section 205 A (5) of the Companies Act, 1956, dividend for the financial year 2010-11 and thereafter, which remains unclaimed for a period of 7 years will be transferred by the Company to the Investor Education and Protection Fund (IEPF) established by the Central Government pursuant to Section 205C of the Companies Act, 1956, as and when the same falls due for such transfer. Members who have not encashed their dividend warrants for the financial year 2010-11 or thereafter are requested to write to the Company's Registrar and Share Transfer Agents.
20. All Unclaimed Dividend remaining unpaid/ unclaimed up to the financial year 2009-10, has been transferred to the Investor Education and Protection Fund. Further, for the financial year ended 31st March, 2011 dividend for which was declared at the Annual General Meeting of the Company held on 30th July, 2011, will be transferred on or before 5th September, 2018 to the Investor Education and Protection Fund.
21. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (IEPF). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority in Form No. IEPF-5 available on www.iepf.gov.in. For details, please refer to corporate governance report which is a part of this Annual Report.
22. To support the 'Green Initiative', members who have not registered their email addresses are requested to register their Email IDs with the RTA, M/s. Link Intime India Private Limited for receiving the Annual Report and other communications through electronic mode pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014, as amended from time to time.
23. Route Map of venue of Annual General Meeting is annexed to the Notice.
24. In accordance with the provisions of Section 101 and other applicable provisions, if any of the Companies Act, 2013, read with Rule 18 of the Companies (Management and Administration) Rules, 2014, as amended, the Notice of AGM, Attendance Slip, Proxy Form and Annual Report are being sent by email to those Members who have registered their email addresses with their DP (in case of shares held in demat form) or with the Company's Registrar and Share Transfer Agent (in case of shares held in physical form). For Members whose email ids are not registered, physical copies of the Notice of AGM, Attendance Slip, Proxy Form and Annual Report are being sent by permitted mode.
- Members may also note that the Notice of the 27th Annual General Meeting and the Annual Report 2017-18 will also be available on the Company's website www.hitechgroup.com

ANNEXURE TO THE NOTICE

Explanatory Statement

[Pursuant to Section 102(1) of the Companies Act, 2013]

The following explanatory statement sets out all material facts relating to various Business including Special Business of the accompanying Notice of the Annual General Meeting to be held on 16th July, 2018.

Item No. 4: Re-appointment of Mr. Rajnikant B. Desai as an Independent Non-Executive Director.

Mr. Rajnikant B. Desai was appointed as an Independent Non-Executive Director of the Company by the members at the 23rd AGM of the Company held on 13th September, 2014 for a period of five consecutive years commencing from 1st April, 2014 upto 31st March, 2019.

As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company.

Based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Desai, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for second term of five consecutive years from 1st April, 2019 upto 31st March, 2024.

The Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so appointed by the members.

In the opinion of the Board, Mr. Desai fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his re-appointment as an Independent Non-Executive Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr. Desai as an Independent Non-Executive Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours (9:00 am to 5:00 pm) on any working day, except Saturday, upto and including the date of AGM of the Company.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Desai as an Independent Director.

Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr. Desai as an Independent Director for another term of five consecutive years with effect from 1st April, 2019 to 31st March, 2024, for the approval by the shareholders of the Company.

Except Mr. Rajnikant B. Desai, being an appointee and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the accompanying Notice of the AGM. Mr. Desai is not related to any Director of the Company.

Item No. 5: Re-appointment of Mr. Jayendra R. Shah as an Independent Non-Executive Director.

Mr. Jayendra R. Shah was appointed as an Independent Non-Executive Director of the Company by the members at the 23rd AGM of the Company held on 13th September, 2014 for a period of five consecutive years commencing from 1st April, 2014 upto 31st March, 2019.

As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company.

Based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Shah, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for second term of five consecutive years from 1st April, 2019 upto 31st March, 2024.

The Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so appointed by the members.

In the opinion of the Board, Mr. Shah fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his re-appointment as an Independent Non-Executive Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr. Shah as an Independent Non-Executive Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours (9:00 am to 5:00 pm) on any working day, except Saturday, upto and including the date of AGM of the Company.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Shah as an Independent Director.

Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr. Shah as an Independent Director for another term of five consecutive years with effect from 1st April, 2019 to 31st March, 2024, for the approval by the shareholders of the Company .

Except Mr. Jayendra R. Shah, being an appointee and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the accompanying Notice of the AGM. Mr. Shah is not related to any Director of the Company.

Item No. 6: Re-appointment of Mr. Harish N. Motiwalla as an Independent Non-Executive Director.

Mr. Harish N. Motiwalla was appointed as an Independent Non-Executive Director of the Company by the members at the 23rd AGM of the Company held on 13th September, 2014 for a period of five consecutive years commencing from 1st April, 2014 upto 31st March, 2019.

As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company.

Based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Motiwalla, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for second term of five consecutive years from 1st April, 2019 upto 31st March, 2024.

The Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so appointed by the members.

In the opinion of the Board, Mr. Motiwalla fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his re-appointment as an Independent Non-Executive Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr. Motiwalla as an Independent Non-Executive Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours (9:00 am to 5:00 pm) on any working day, except Saturday, upto and including the date of AGM of the Company.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Motiwalla as an Independent Director.

Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr. Motiwalla as an Independent Director for another term of five consecutive years with effect from 1st April, 2019 to 31st March, 2024, for the approval by the shareholders of the Company .

Except Mr. Harish N. Motiwalla, being an appointee and his relatives, none of the Directors and Key Managerial Personnel of the Company

and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 6 of the accompanying Notice of the AGM. Mr. Motiwalla is not related to any Director of the Company.

CORPORATE SOCIAL RESPONSIBILITY ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs:

It has been Hitech's resolute mission to promote life skills and value education. The Company's focus areas are Education and Skill Development, Health and Wellness, Environmental Sustainability and restoration of heritage sites. While doing meaningful contribution to the society through its active participation, the Company undertakes its CSR activities either through employee volunteering or through its CSR wing - Sab Ka Mangal Ho Foundation (a registered public charitable trust) or in partnership with other NGOs having similar objectives. The projects undertaken are within the broad framework of Schedule VII of the Companies Act, 2013.

In order to further accelerate its CSR activities, the Company is widening its umbrella, over and above the tree plantation drive and mid-day meal activities for under-privileged children that the Company is currently engaged in, by undertaking CSR activities in field of yoga training.

The Company has initiated a project to bring yoga education to children at orphanages. The project was initiated in February 2018 and so far six orphanages in Mumbai and Pune have been covered. This initiative is expected to extend across the country.

The Company continued to organize mid-day meal programmes for the under-privileged children of the orphanages in Mumbai. As a part of this endeavour, mid-day meals are organized by the Company to provide nutritional support to under-privileged children, with wholehearted participation of Hitech volunteers.

An eye-checkup camp was organized by the Company in Chinchwad, Pune. Around 280 people attended the camp and got benefitted from the free check-up. As a part of the Company's initiative to promote safety & hygiene, renovation of kitchen was carried out at Chembur Children Home, Bal Kalyan Nagari, an orphanage in Mumbai.

Further, the Company has tied-up with SOSVA - Society for Service to Voluntary Agencies for assisting and supplementing the Company's CSR initiatives.

The Company has a well-defined CSR policy and the same is available on the website of the Company under the following web-link - <http://www.hitechgroup.com/investor/#policies>.

ANNEXURE D TO DIRECTORS' REPORT

Details of Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Outgo are as follows:

A) Conservation of Energy:

The steps taken for conservation of energy:

Energy conservation continues to receive top priority in the Company. The planning for energy conservation starts right from the establishment of any manufacturing facility. To achieve the goal of productivity with economy, new technology is being used to improve quality at lesser production time and lesser energy consumption and increased automation at plant level. Our factories are located close to our customers which helps in reducing the energy consumed during transportation.

Factory buildings are designed considering maximum use of day light, cool air ventilation without electric devices and painted, keeping in view the reflection of sun rays from building roof and walls. Also, LED lights are installed in our factories which saves considerable amount of energy.

New molding machineries are selected based on the criteria whether they are servo controlled or fully electric which consume approximately 30-50% less electricity than conventional older machines. Also, some older machines have been modified to use servo-controlled technology. In order to obtain consistent quality, new technology in machine and moulds has been implemented. New printing technology and machines being smaller in size, needs less energy. Increased automation at plant level will reduce human intervention, resulting into fixing the energy leakage.

Specific Energy conservation measures are:

- Monitoring and analysis of energy consumption on monthly basis;
- Replacement of old conventional molding machines with new ones, which are always either servo controlled or fully electric;
- Modification of old conventional machines to make them servo-controlled machines;
- Fabricated moulds are being installed which saves energy by reducing production time by 15-20%;
- Purchase of better precision molding machines and high specification moulds which can improve productivity by nearly 30%.
- Monitoring, benchmarking and selection of equipment and machineries with a focus on lesser usage of energy;
- Replacement of conventional tubes and bulbs with LED on continuous basis;
- Training of Hitech workers for energy conservation and awareness;
- Minimum use of energy by optimizing processes and material movement in factories;
- 'Machine ON' ALARM's and automatic switch off machines are being installed;
- Replacement of old equipment with energy efficient equipment;
- Share and implement best energy saving practices across manufacturing units.

B) The steps taken by the Company for utilizing alternate sources of energy:

Your Company has invested in wind energy and are also considering use of solar power in suitable areas of operations.

Windmill

Your Company has installed Windmills in some of its plants as an alternative source of energy. Further, there are proposals for more investments into this area to facilitate the reduction in conventional energy usage and environmental benefits.

Solar energy

Your Company is evaluating the proposals for using alternative sources such as Solar Energy to supplement requirements of

power at new manufacturing facilities being constructed at Mysuru and Vizag and other existing plants.

The abovementioned measures have resulted/ likely to result into reduction in energy usage, reduction in energy cost and environmental benefits in the vicinity.

C) The Capital Investment on energy conservation equipment: NIL

TECHNOLOGY ABSORPTION

A) The efforts made by the Company towards technology absorption

Your Company has made concerted efforts to establish a strong performance in the field of R&D vis-à-vis product and process development. It has a dedicated Technology Centre at Pune which carries out design, product and process innovations and improvements and has got its accreditation from the Department of Science and Technology, Government of India. The Centre in close co-operation with customers has been providing solutions for unique packaging designs which have enhanced the quality of the containers and have also helped in reducing the costs. The initiatives of the Centre include efficient usage of polymers in the product and reduction in production cycle time leading to savings in operating costs. Material handling systems are being designed to reduce manpower. Automation will reduce manpower by 20% in next year. This will also make just in time delivery at zero defect possible as human intervention will be eliminated. This has helped the Company in sustaining and strengthening the competitive position it holds in rigid packaging business.

Specific areas in which R & D was carried out by the Company includes:

- Technical up-gradation in mould design; multi-cavity mould and insert moulding technology.
- Product and process development; container-lid design for interchangeability, processing and material recipe for better performance and to sustain climate and temperature changes.
- Raw material development, incorporation of different additives and fillers to raw material which overcame performance degradation due to change in weather over the span of 12 months.

B) The Benefits derived like product improvement, cost reduction, product development or import substitution:

- New specifications of material are being explored which will improve strength of containers and reduce cost;
- Reduction and better variance control in the weight of the containers;
- Enhancing life of the mould;
- Better utilization of manpower;
- Lower production cycle time which improved productivity; and
- Less molding rejections.

C) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year)

Not applicable, as all developments were done indigenously in the last three years.

D) Expenditure on R & D during the year is as follows:

Particulars	₹ in Lakhs
(a) Capital	4.70
(b) Revenue	489.42
Total	494.12

FOREIGN EXCHANGE EARNINGS AND OUTGO

Foreign exchange earned in terms of actual inflows during the year 2017-18 was ₹ 31.00 lakhs (equivalent value of various currencies).

Foreign exchange outgo in terms of actual outflows during the year 2017-18 was ₹ 1,812.68 lakhs (equivalent value of various currencies).

MANAGEMENT DISCUSSION AND ANALYSIS

PACKAGING SOLUTIONS TO MULTI SECTOR:

Hitech a leading rigid plastic packaging Company delivers the highest quality of innovative and sustainable products for over two decades and provides packaging solutions to multiple sectors across India including Paint & Coatings, Home Care, Personal Care, Food, Agrochemicals, Lubricants, Health Care etc. The Company though it operates in an extremely price conscious market has passion for customer delight and innovation.

OVERVIEW OF INDIAN ECONOMY:

India's economic growth has been 6.6% for YE 2018; down from 7.1% recorded for year 2017. However, reform agenda of the Government including new legislations viz Goods & Services Tax (GST), Insolvency and Bankruptcy Code (IBC), Real Estate Regulations (RERA) together with upgrading in rating of India by Moody's is likely to have a positive impact on Investments in various sectors and in the general economy. Although newly implemented GST resulted in indirect taxes for the fiscal year increase by 22% year on year, it also witnessed disruptions in demand due to constraints in supply chain, working capital and compliances especially by small and medium enterprises in consumer driven industries and other related industries including packaging. Thus, the operating environment for your Company during the year remained challenging.

The eight-core infrastructure supportive industries that have a total weightage of 40 percent in the Index of Industrial Production, registered a cumulative growth of only 4% during the first half of the FY 2018. Low crude prices which worked in India's favour in the last three years benefiting the packaging industry has now witnessed an upward trend and likely to result in narrowing the margin as the prices of polymers, the basic raw material utilized by the Company shall remain increased. Assuming increase in the raw material prices is passed on to the consumer, it is likely to reduce real incomes and spending. Also, higher oil prices will likely cause a tightening of monetary policy to counter inflation. As against this Per capita plastic consumption in India is about 10 kg per person, set to grow twice the pace of GDP as new technologies are developed and polymer use increases in areas like construction, agriculture and health. Early indication of normal monsoon as well as Central Government's thrust on rural infrastructure are expected to significantly improve rural consumption. All these factors shall continue to create a headroom in the market. In this scenario Hitech is poised to move towards more advanced technologies, widening horizons, automation and continued focus on innovative product creation through Research and Development.

BUSINESS SEGMENTS:

Hitech is developing business models to serve expanded sectors and customers PAN India.

PAINT INDUSTRY:

The Paint industry is a high volume business with steady margins. The paint market is expected to register 12.5% CAGR till FY20, driven by a robust 13.4% CAGR in decorative paints as well as substantial benefits under the economic housing scheme of the Government to develop lower value units. Hitech provides packaging solutions to decorative paints segment which accounts for over 75% of the overall paint market in India, registering a growth of 13.4% CAGR. The Company is in the process of establishing new manufacturing facilities at Mysuru now and going forward also at Vizag. The Company will continue to retain its focus on its existing business while exploring new business avenues.

FMCG:

According to an analysis done in the field, FMCG is the 4th largest sector in the Indian economy. Household and Personal Care is the leading segment, accounting for 50 percent of the overall market. Favourable demographics, more allocation of funds by Government towards rural infrastructure and employment generation leads to rise in incomes, growing awareness due to technology, easier access to products and services and changing life styles contributes towards consumer behaviour in FMCG sector leading for growth. As a vendor to this sector Hitech expects good opportunities for growth in this sector.

PERSONAL AND HEALTH CARE INDUSTRY:

Plastic packaging has gained significant attraction in the healthcare industry due to its high barrier properties, long shelf-life and durability.

An in-depth market research forecasts the Global Personal Care Packaging Market to grow at a CAGR of 5.99% during the period 2018-2022. At domestic front it is projected to grow even more largely due to rising preference for specialized cosmetic products such as organic, herbal and ayurvedic products. Principal areas that are expected to grow include colour cosmetics, fragrances, specialized skin care, hair care and make-up cosmetics. India's present share of just 1% in the global market shall grow significantly over the next few years primarily led by increasing disposable income, relatively young urban elite population and rising middle class population. The awareness about hygiene and personal care has also been advanced by social media. Hitech is endeavouring to leverage its strength of innovation and operational excellence by increasing its share in this rising market.

HOME CARE:

Home care is another growing sector in India. Cost competitiveness for in-home health services has been a major driver of the demand. Growing hospitalisation costs, rising elderly population and a need for personalised medical attention have fuelled a rapid increase in India's home healthcare services sector, which is set to grow manifold in the coming years and the same is the case for requirement of packaging solutions. Manufacturers prefer to offer their products by opting for packaging which not only specify useful information but keep the products safe. The packaging market for this segment shall continue to remain in high growth trajectory in the near future. The Company follows a strategy to expand its business partnerships to enable them to offer new products and thereby expand its product trajectory.

AGRO CHEMICAL:

India is the world's second largest agricultural nation and is equipped not merely to address its food security challenge but to emerge as a global provider. There is a growing threat of global food insecurity. By 2030, food demand is projected to increase 50% and 70% by 2050. Global population is expected to grow from 7 billion to 9 billion by 2050. Food output needs to double to feed additional mouths even as farm acreage is shrinking owing to urbanisation and environmental degradation. India's crop protection industry is expected to grow at a CAGR of 12% to reach \$7.5 billion by 2018-19. Hitech plans to enter untapped markets in the northern Indian states by adding capacity at its Rohtak plant. This would give us the advantage of being close to our customers and increase market share.

CAPITAL EXPENDITURE AND EXPANSION PLANS:

Hitech follows a policy to accelerate growth through both organic and inorganic steps. It develops business models to serve expanded sectors and customers in new geographies by being closer to them for smooth supply chain management by investing and expanding its manufacturing footprint to serve customer demand.

Towards this the Company has procured land at Mysuru (Karnataka) and Vishakhapatnam (A.P.) for setting up new plants to cater customers in southern India. It has also initiated for expansion of existing plant at Sriperumbudur. This enhanced footprint in the South which is a progressive market with an opportunity for deep penetration of different product categories compared to the rest of India will augur well for us as we will be able to engage new customers and offer innovative packaging solutions.

OPPORTUNITIES, RISKS AND THREATS:

In view of catering to different growing segments as stated above Hitech has an immense opportunity to grow by following three-fold strategy i.e. expand the current offering to new verticals, sell new offerings to existing or new customers and finally expand into an adjacency in the value chain and enter newer markets through manufacturing facilities at 12 different locations across the country.

Slowdown in end user industry viz. Paints, FMCG, Agrochemicals, Personal care etc. due to external factors can have an impact on Company's performance. The raw material (Polymer) prices fluctuate due to demand and supply and are linked to crude oil prices. Your Company has an arrangement with most of its customers for passing of price increase of Polymer, with a lag. Volatility in Polymer prices and the lag in passing the price increase to the customer can have an impact on Company's operating margins.

Structural changes like demonetisation and transformative changes like Goods & Services Tax (GST) can have an impact on the consumer centric industries and on the packaging sector due to value chain effect. Inflationary pressure and increase in power and fuel prices can lead to overall increase in costs which can have impact on Company's profitability. Fluctuation in foreign exchange rates may also have financial implications. Your Company has however followed prudent policy of restricting imports and covering exchange rate risks.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS:

The Company has been successful in attracting, retaining, engaging and developing necessary human resources at its plants and offices. It continues to have a cordial relationship with its employees. Due importance is given to enhance employee wellbeing and effectiveness through our daily prayer, meditation, and interactive workshops.

ENVIRONMENT, HEALTH AND SAFETY ("EHS"):

Hitech's EHS policy requires compliance to statutory EHS requirements as the minimum performance standard. The Company is committed to adopt stricter standards, wherever possible. Health and safety of employees has been given priority. Company arranges employee training programs that enable workers to perform as per prescribed procedures designed to meet all EHS requirements. We are following GMP standards and have not reported any loss time accidents.

INFORMATION TECHNOLOGY:

The Company is increasing its focus on digitisation and automation. During the year, we have worked on creation of dashboard for

simplifying the operational controls and management at plant level and creating transparency of data.

RESEARCH AND DEVELOPMENT:

Hitech operates a Research and Development Centre at Pune for product designing, process innovation and improvements. The Centre develops solutions for unique packaging designs to enhance the quality while reducing the cost of packaging, adding value for the customer. The unit continuously endeavours towards improving mould machine compatibility, improve productivity apart from developing new moulds. It is accredited by the Department of Scientific and Industrial Research (DSIR), Government of India.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Hitech has an adequate internal control mechanism based on an integrated cloud-based ERP system and has aligned its current system of internal financial control with the requirement of Companies Act, 2013. This system is commensurate with the nature of Hitech's business in addition to the size and complexity of its operations. The management assessed the effectiveness of the Company's internal control over financial reporting and the Statutory Auditors of the Company have issued an attestation report on the internal control over financial reporting as required under section 143 of the Companies Act, 2013. The Audit Committee appointed internal auditors to audit and submit a summary of the internal audit report periodically. The Committee then discusses and reviews the findings with the internal auditors, statutory auditors as well as with senior management, including functional heads. Significant findings, along with management response and status of action plans, are also periodically shared with and reviewed by the Audit Committee. Evaluation of risk management system and process reviews are being further improved and strengthened.

FINANCIAL PERFORMANCE:

Our financial results and performance for the year are elaborated in the Directors' Report.

FORWARD LOOKING STATEMENTS:

This report contains forward looking statements, which may be identified by their use of words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates', or other words of similar meaning. All statements that address expectations or projections about the future, including but not limited to statements about the Company's strategy for growth, product development, market position, expenditures and financial results are forward looking statements. Forward looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realised. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements based on any subsequent developments, information or events.

REPORT ON CORPORATE GOVERNANCE

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The philosophy of the Company in relation to corporate governance is to ensure transparency in all its operations, make disclosures, and enhance shareholder value without compromising in any way on compliance with the extant laws and regulations. Your Company continuously endeavors to review, strengthen and upgrade its systems and processes so as to provide timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance and firmly believes that business is built on ethical values and principles of transparency.

The disclosures of the compliance with Corporate Governance requirements specified in Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "Listing Regulations") are duly complied by the Company.

A Report on compliance with the principles of Corporate Governance as prescribed by the Securities and Exchange Board of India (SEBI) in Chapter IV read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is given below:

GOVERNANCE STRUCTURE

The Company's Governance structure comprises of Board of Directors and the various Committees of the Board at the apex level and the Management structure at the operational level. This structure brings about a judicious blend in governance as the Board sets out the overall corporate objectives and provides direction and independence to the management to achieve these corporate objectives within a given framework. This brings a conducive environment for value creation through sustainable profitable growth.

Board Procedures:

The Board meets atleast once in a quarter to review the quarterly financial results and operations of the Company. In addition to the above, the Board also meets as and when necessary to address specific issues concerning the business. The tentative annual calendar of Board Meetings for the ensuing year is decided well in advance by the Board and is published as part of the Annual Report. The Board Meetings are governed by a structured Agenda. The Agenda along with detailed explanatory notes and supporting material are circulated well in advance before each meeting to all the Directors for facilitating effective discussion and decision making. The Board Members may bring up any matter for consideration of the Board, in consultation with the Chairman. The members of Senior Management

of the Company make presentations to the Board of Directors giving details of the business strategy, performance, progress and other important developments within the organization on a periodical basis. The Minutes of the proceedings of the Board of Directors are noted and the draft minutes are circulated to the Members of the Board for their perusal. The important decisions taken at the Board/Committee Meetings are communicated to the concerned departments/divisions promptly.

The Board has complete access to any information within the Company including the information as specified in Part A of Schedule II read with Regulation 17(7) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Particulars of Directors seeking appointment and re-appointment:

As required under Regulation 36(3) of the SEBI Listing Regulations, particulars of Director(s) seeking re-appointment at the forthcoming Annual General Meeting (AGM) are given in the Annexure to the Notice convening the said AGM.

Familiarisation Programme:

Your Company has put in place a structured induction and familiarisation programme for all its Directors including the Independent Directors. The Company through such programme familiarizes not only the Independent Directors but any new appointee on the Board, with a brief background of the Company, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model, operations of the Company, etc. They are also informed of the important policies of the Company including the Code of Conduct for Board Members and Senior Management Personnel and the Code of Conduct to Regulate, Monitor and Report Trading by Insiders, etc. The Managing Director, Chief Financial Officer, Business Heads and other Senior Officials of the Company make presentations to the Board Members on a periodical basis, briefing them on the operations of the Company, strategy, risks, new initiatives, etc.

The familiarisation programme for Independent Directors and the details of programme attended by them, in terms of provisions of Regulation 25 and 46 of SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015 is also available on the website of the Company and can be accessed through the following web-link: <http://www.hitechgroup.com/investor/#policies>

Independent Director:

Independent Directors play an important role in the Governance Processes of the Board. They bring their expertise and experience on the deliberations of the Board. This enriches the decision making process at the Board with different points of view and experiences and prevents conflicts of interest in the decision making process.

The appointment of the Independent Directors is carried out in a structured manner. The Nomination and Remuneration Committee identifies potential candidates based on certain laid down criteria.

The Independent Directors have submitted declarations that they meet the criteria of Independence laid down under the Companies Act, 2013 and the Listing Regulations and have confirmed that they do not hold directorship more than the prescribed limit in the Listing Regulations. The Company has also issued formal appointment letters to all the Independent Directors in the manner provided under the Companies Act, 2013 read with the Rules issued thereunder.

Meeting of Independent Directors:

During the year under review, in accordance with the provisions of Schedule IV (Code of Independent Director) of the Companies Act, 2013 and Regulation 25(3) (4) of SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015, the Independent Directors met on 14th February, 2018, without the attendance of Non-Independent Directors and members of the management, to discuss the following:

- Review and Evaluation of the performance of Non-Independent Directors and the Board of Directors as a whole.
- Review and Evaluation of the performance of the Chairman of the Company, taking into account the view of the Executive and Non-Executive Directors.
- Review and Evaluation of the quality, content and timeliness of flow of information between the Management and the Board that is necessary for the Board to effectively and reasonably perform its duties.

All Independent Directors of the Company were present at the Meeting. They expressed satisfaction at the evaluation process, the Board's freedom to express views on the business transacted at the meetings and the openness with which the Management discussed various subject matters on the agenda of meetings.

Evaluation of Board Effectiveness:

In terms of provisions of the Companies Act, 2013 read with Rules issued there under and Regulation 19(4) and Part D of Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors, on the recommendation of the Nomination and Remuneration Committee, have evaluated the effectiveness of the Board. Accordingly, the performance evaluation of the Board, each Director and the Committees were carried out for the financial year ended 31st March, 2018. The evaluation of the Directors was based on various aspects and *inter-alia*, included the level of participation in the Board Meetings, understanding of their roles and responsibilities, business of the Company along with the environment and effectiveness of their contribution. In the light of SEBI guidelines dated 5th January, 2017 regarding Board evaluation, the Nomination and remuneration Committee of the Board has suitably incorporated various criteria in the Board evaluation process.

Procedure for Postal Ballot

In compliance with Section 108 and 110 and other applicable provisions of the Companies Act, 2013, read with the related rules and Listing Agreements, the Company provided electronic voting (e-voting) facility to its members. The Company engaged the services of National Securities Depository Limited (NSDL) for the purpose of providing e-voting facility to its members. The members had the option to vote either by physical ballot or through e-voting.

The Company dispatched the postal ballot notices and forms along with postage prepaid business reply envelope to its members whose names appeared on the register of members/ list of beneficiaries as on the cut-off date decided by the Board. The postal ballot notice was sent to members in electronic form to the e-mail addresses registered with the depository participants (in case of electronic shareholding)/ the Company's Registrar and Share Transfer Agent (in case of physical shareholding). The Company had also published a notice in the newspapers declaring the details of completion of dispatch and such other requirements as mandated under the Act and applicable rules.

Voting rights were reckoned on the paid-up value of the shares registered in the names of the members as on the cut-off date. Members desiring to exercise their votes by physical postal ballot forms were requested to return the forms, duly completed and signed, to the scrutinizer on or before the close of the voting period. Members desiring to exercise their votes by electronic mode were requested to vote before the close of the business hours on the last date of the e-voting.

The scrutinizer submitted his report to the Chairman, after the completion of the scrutiny, and the consolidated results of the voting by postal ballot, were then announced by the Chairman/authorized officer. The results were displayed on the Company website www.hitechgroup.com and were also put on the notice board of the Company besides being communicated to the stock exchanges, depository and Registrar and Share Transfer Agent. The last date for the receipt of duly completed Postal Ballot forms or e-voting was the date on which the resolution was considered as passed.

There is no immediate proposal for passing any resolution through Postal Ballot.

Dividends:

The Company provides the facility of payment of dividend to the shareholders by directly crediting the dividend amount to the shareholder's Bank Account. Members are therefore urged to avail of this facility to ensure safe and speedy credit of dividend(s) into their Bank account(s) through the Banks' Automated Clearing House ("ACH") and/or any other permitted mode for credit of dividend.

Members holding shares in physical form are requested to register and/or update their core banking details with the Company and those

holding shares in electronic form shall register/update such details with their Depository Participants (DPs) to enable credit of the dividend to their bank accounts electronically through ACH and/or any other permitted mode for credit of dividend. Further, to prevent fraudulent encashment of dividend warrants, shareholders are requested to provide their bank account details (if not provided earlier) to the Company/its RTA (if shares held in physical form) or to DPs (if shares held in electronic form), as the case may be, for printing of the same on the dividend warrants.

Shareholders are requested to ensure that they claim the dividend(s) before transfer of the said amounts to the IEPF. Dividend warrants in respect of the dividend declared, have been dispatched to the shareholders at the addresses registered with the Company. Those shareholders who have not yet received the dividend warrants may please write to the Company's RTA for further information in this regard. Shareholders who have not encashed the warrants are requested to do so by getting them revalidated from the Registered Office of the Company or its RTA.

DEMATERIALIZATION OF SHARES AND LIQUIDITY:

The shares of the Company are compulsorily traded in dematerialised form and are available for trading under both the Depository Systems, viz. NSDL (National Securities Depository Limited) and CDSL (Central Depository Services (India) Limited). Nearly 97.24% of total equity shares of the Company are held in dematerialised form with NSDL & CDSL.

Reconciliation of Share Capital Audit:

As stipulated by the Securities and Exchange Board of India (SEBI) a qualified Practicing Company Secretary carries out Reconciliation of Share Capital Audit to reconcile the total admitted Capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. This Audit is carried out every quarter and the Report thereon is submitted to the Stock Exchanges and is also placed before the Board of Directors. The audit, *inter-alia* confirms that the total listed and paid up equity share capital of the Company is in agreement with the aggregate of the total number of equity shares in dematerialized form (held with NSDL and CDSL) and the total number of equity shares in physical form.

Nomination facility:

Pursuant to the provision of Section 72 of the Companies Act, 2013, members are entitled to make a nomination in respect of shares held by them. Members holding shares in physical form and desirous of making a nomination are requested to send their requests to the Registrar and Transfer Agents of the Company. Members holding shares in electronic form are requested to give the nomination request to their respective Depository Participant directly. Shareholders/ claimants whose shares, unclaimed dividend have been transferred to IEPF Demat Account of the Fund, as the case may be, may claim the shares or apply for refund by making an application to the IEPF Authority in Form IEPF-5 (available on <http://www.iepf.gov.in>) from time to time. The Shareholders/ claimant can file only one consolidated claim in a financial year as per the Rules.

During the financial year 2018-19, the Company would be transferring unclaimed dividend for the financial year ended 31st March, 2011 to IEPF on or before 5th September, 2018.

Details of shares/shareholders in respect of which dividend has not been claimed, are provided on the website, at link <http://www.hitechgroup.com/investor/#unclaimed-unpaid-dividend>

The shareholders are requested to verify their records and claim their unclaimed dividends for the past years, if not claimed.

The contact details of Nodal Officer are provided on the website of the Company under the following web-link <http://www.hitechgroup.com/investor/#unclaimed-unpaid-dividend>

Unclaimed dividend:

In terms of Sections 205C of the Companies Act, 1956 and Section 125 of the Companies Act, 2013, the Company is required to transfer the amount of dividend remaining unclaimed for a period of seven years from the date of transfer to the unpaid dividend account to the Investor Education and Protection Fund ("IEPF"). Shareholders are requested to ensure that they claim the dividend(s) from the Company before transfer to the IEPF.

Auditors' Certificate on Corporate Governance

To the Members of
Hitech Corporation Limited

We have examined the compliance of conditions of Corporate Governance by Hitech Corporation Limited ('the Company'), for the year ended on March 31, 2018, as stipulated in Regulation 17 to 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 ('Listing Regulations') pursuant to the Listing Agreement of the Company with Stock Exchanges.

Management's Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management including the preparation and maintenance of all relevant supporting records and documents.

Auditor's Responsibility

Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by the Institute of Chartered Accountants of India ('ICAI'). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in above-mentioned Listing Regulations as applicable during the year ended March 31, 2018.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Independent Auditor's Report

To the Members of **HITECH CORPORATION LIMITED (Formerly HITECH PLAST LIMITED)**

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **HITECH CORPORATION LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'Ind AS financial statements').

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at March 31, 2018 and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Other Matters

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these Ind AS financial statements, are based on the financial statements prepared in accordance with the Accounting Standards specified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 ('previous GAAP'), which were audited by Manubhai & Shah LLP, Chartered Accountants, whose report for the year ended March 31, 2017 and March 31, 2016 dated May 9, 2017 and May 23, 2016 respectively expressed an unmodified opinion on those audited financial statements. Management has adjusted/restated these financial statements for the differences in the accounting principles adopted by the Company on transition to Ind-AS, which have been audited by us.

Our opinion on the Ind AS financial statements and our Report on Other Legal and Regulatory Requirements below is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with relevant rules issued thereunder.
 - e) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure B**.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – Refer Note 32 to the Ind AS financial statements.
 - ii. The Company did not have any material foreseeable losses on long term contracts including derivative contracts requiring provision under the applicable law or accounting standards.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure A to the Independent Auditor's Report

Referred to in Para 1 'Report on Other Legal and Regulatory Requirements' in our Independent Auditors' Report to the members of the Company on the Ind AS financial statements for the year ended March 31, 2018.

Statement on Matters specified in paragraphs 3 & 4 of the Companies (Auditor's Report) Order, 2016:

- i)
 - a) The Company has generally maintained proper records showing particulars, including quantitative details and situation of fixed assets;
 - b) As explained to us, the Company has a program for physical verification of fixed assets at periodic intervals. In our opinion, the period of verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies reported on such verification are not material and have been properly dealt with in the books of account.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii) The Management has conducted physical verification of inventory (excluding stocks lying with third parties) at reasonable intervals. In respect of inventory lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of verification is reasonable. The discrepancies reported on such verification are not material and have been properly dealt with in the books of account.
- iii) The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties listed in the register maintained under section 189 of the Companies Act. Accordingly, the provisions of sub-clause (a), (b) and (c) of paragraph 3 (iii) of the Order are not applicable, to the Company.

- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to investments made, guarantees given and securities provided.
- v) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 73 to 76, or any other relevant provisions of the Companies Act and the rules framed there under. Annexure B to the Independent Auditor's Report

Referred to in Para 2 (f) 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report to the members of the Company on the financial statements for the year ended March 31, 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **HITECH CORPORATION LIMITED** ("the Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statement for the year ended March 31, 2018

1. CORPORATE INFORMATION

Hitech Corporation Limited (formerly known as Hitech Plast Limited) (the Company) is engaged in manufacturing of rigid plastic containers specially catering to customers relating to Paints, Lube and Pharmacy product as well as export market. The Company is a public limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two stock exchanges in India, namely the Bombay Stock Exchange Limited (BSE) and the National Stock Exchange of India Limited (NSE). The Company's registered office is at 201, Welspun House, 2nd floor, Kamala City, Lower Parel (W), Mumbai- 400 013.

2. BASIS OF PREPARATION, MEASUREMENT, KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

2.1. Basis of preparation

The financial statements of the Company are prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016 and other relevant provisions of the Act.

The financial statements up to year ended March 31, 2017 were prepared in accordance with the accounting standards notified under the Companies (Accounting Standard) Rules 2006 and other relevant provisions of the Act, considered as the "Previous GAAP".

These financial statements are the Company's first Ind AS financial statements and are covered by Ind AS 101, First-time adoption of Indian Accounting Standards. An explanation of how the transition to Ind AS has affected the Company's equity financial position, financial performance and its cash flows is provided in Note 45.

Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time taken between acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained its operating cycle as twelve months for the purpose of the classification of assets and liabilities into current and non-current.

2.2. Basis of Measurement

These financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Certain financial assets and liabilities (including derivative instruments) measured at fair value (refer accounting policy regarding financial instruments),
- Defined benefit plans – plan assets measured at fair value.

The accounting policies have been applied consistently over all the periods presented in these financial statements.

Key estimates and assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The areas involving critical estimates or judgements are:

- i. Determination of the estimated useful lives of tangible assets and the assessment as to which components of the cost may be capitalized; (Note 3.1)
- ii. Determination of the estimated useful lives of intangible assets (Note 3.2)
- iii. Recognition and measurement of defined benefit obligations, key actuarial assumptions; (Note 39)
- iv. Recognition and measurement of provisions and contingencies, key assumptions about the likelihood and magnitude of an outflow of resources; (Note 16)
- v. Fair value of financial instruments (Note 30A)
- vi. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions

2.3. Measurement of Fair Value

The Company's accounting policies and disclosures require financial instruments to be measured at fair values.

The Company has an established control framework with respect to the measurement of fair values. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

3. SIGNIFICANT ACCOUNTING POLICIES

1. Property, Plant and Equipment

Recognition and Measurement:

Items of property, plant and equipment, other than freehold land that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses. Freehold land is carried at cost and is not depreciated.

The cost of an item of property, plant and equipment comprises of its purchase price including taxes (other than those subsequently recoverable from tax authorities), duties, freight and other directly attributable costs related to the acquisition or construction of the respective assets. Expenses directly attributable to new manufacturing facility during its construction period are capitalized. Know-how related to plans, designs and drawings of buildings or plant and machinery is capitalised under relevant tangible asset heads. Profit or Loss on disposal of tangible assets is recognised in the Statement of Profit and Loss.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation

Depreciation on property, plant & equipment other than buildings is provided on the straight-line method, pro rata to the period of use, over the useful life as prescribed in Schedule II to the Companies Act, 2013 or as estimated by the management. Depreciation on buildings (including Roads) is provided on the written down value method, pro rata to the period of use, over the useful life as estimated by the management. The asset categories and their useful lives over which depreciation is provided are as under

Asset Block	Useful life in years (As estimated by Management)	Useful live in years as specified in Part C of Sch II of the Companies Act, 2013
Buildings (excluding Roads)	40	-
Roads (under Buildings)	15	-
Moulds	4	-
Plant & Machinery*	9.67	-
Windmill (included under Plant & Machinery block)	18.94	-
Furniture & Fixture	-	10
Computers	5	-
Vehicles	5	-
Office Equipment	-	5

* Useful life of Plant and Machinery is considered based on triple shift working.

Leasehold land and leasehold improvements are amortized over the primary period of lease.

The residual value of property, plant & equipment except buildings, is considered at ₹ Nil as the realisable value at the end of useful life is not expected to be significant. In the case of building the residual value is estimated by management to be at 5% of cost.

The useful lives, residual values of each part of an item of property, plant and equipment and the depreciation methods are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

2. Intangible Assets

Intangible Assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any. The cost of intangible assets acquired in an amalgamation in the nature of purchase is reflected at their fair value as at the date of amalgamation. Profit or Loss on disposal of intangible assets is recognised in the Statement of Profit and Loss. Internally generated intangibles, excluding eligible development costs are not capitalized and the related expenditure is reflected in profit and loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Other intangible assets (Software and Patents)

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization method and period are reviewed at least at the end of each reporting period. Changes in the expected useful life or expected pattern of consumption of future economic benefits embodied in the assets are considered to modify amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives and is recognised in Statement of Profit and Loss.

The estimated useful lives for intangibles is 3 years.

3. Capital Work in Progress and Capital Advances

Cost of assets not ready for intended use, as on balance sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as Other Non-Current Assets.

4. Impairment of non-financial assets

At each balance sheet date, an assessment is done to determine whether there is any indication of impairment in the carrying amount of the Company's non financial assets. An impairment loss is recognised whenever the carrying value of an asset or a cash-generating unit exceeds its recoverable amount. Recoverable amount of an asset or a cash-generating unit is the higher of its fair value less costs of disposal and its value in use. An impairment loss, if any, is recognised in the Statement of Profit and Loss in the period in which the impairment takes place. The impairment loss is allocated first to reduce the carrying amount of any goodwill (if any) allocated to the cash generating unit and then to the other assets of the unit, pro rata based on the carrying amount of each asset in the unit.

An assessment is also done at each Balance Sheet date whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. If any such indication exists the asset's recoverable amount is estimated. The carrying amount of the fixed asset is increased to the revised estimate of its recoverable amount so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised in the Statement of Profit and Loss for the year.

After recognition of impairment loss or reversal of impairment loss as applicable, the depreciation charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on straight line basis over its remaining useful life.

5. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, futures and currency options.

i. Financial Assets

➤ **Initial recognition and measurement:**

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, except in the case of financial assets not recorded at fair value through profit or loss. Transaction costs of financial assets carried at fair value through profit or loss are expensed through the Statement of Profit and Loss.

However, trade receivables that do not contain a significant financing component are measured at transaction price.

➤ **Subsequent measurement**

For purposes of subsequent measurement, the Company classifies its financial assets in the following measurement categories:

- those measured at amortised cost.
- those to be measured subsequently at fair value through other comprehensive income(FVTOCI), or through profit or loss, and
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

On the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

➤ **Financial Assets measured at Amortised cost**

This category applies to cash and bank balances, trade receivables, loans and other financial assets of the Company. Such financial assets are measured at amortised cost if both the following conditions are met: The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. Subsequently such financial assets are measured at amortized cost using the Effective Interest Rate (EIR) method.

Under the effective interest method, the future cash receipts are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial asset over the relevant period of the financial asset to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest income over the relevant period of the financial asset. The same is included under finance income in the Statement of Profit and Loss.

➤ **Financial Assets measured at FVTOCI**

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to Statement of Profit and Loss. Interest income from these financial assets is included in other income using the effective interest rate method.

➤ **Financial Assets measured at (FVTPL)**

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through Profit or Loss is recognised in the Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is included in other income.

ii. Equity Instruments

All equity investments within the scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Derecognition

A financial asset is derecognised only when:

- the rights to receive cash flows from the financial asset have expired contract is discharged, cancelled or expires.
- Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.
- Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

iii. Impairment of Financial Assets

The Company assess on a forward looking basis the Expected Credit Losses (ECL) associated with its financial assets that are debt instruments and are carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Company applies a simplified approach. It recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. Trade receivables are tested for impairment on a specific basis after considering the sanctioned credit limits, security deposit collected etc. and expectations about future cash flows.

iv. Financial Liabilities

➤ **Classification as liability or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

➤ **Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable and incremental transaction cost.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

➤ **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

➤ **Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

➤ **Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are usually unsecured. Trade and other payables are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognised initially at their fair value.

➤ **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

6. Inventory

Raw materials, work in progress, finished goods, packing materials, stores, spares and consumables are carried at the lower of cost and net realisable value. Cost is ascertained on First in First Out basis for raw material, packing material, stores, spares and consumables. The comparison of cost and net realisable value is made on an item-by-item basis. Damaged, unserviceable and inert stocks are valued at net realizable value.

Cost of finished goods and work-in-progress includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads, taxes for which credit cannot be availed as applicable and other costs incurred in bringing the inventories to their present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

7. Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet includes cash at bank and on hand, book debit balances in cash credit and current accounts, deposits held at call with financial institutions, other short term highly liquid investments, with original maturities less than three months which are readily convertible into cash and which are subject to insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents, cash and short - term deposits as defined above is net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

8. Provisions, Contingent Liabilities and Contingent Assets

The Company recognizes a provision when there is a present legal or constructive obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent Assets are not recognised till the realization of the income is virtually certain. However, the same are disclosed in the financial statements where an inflow of economic benefit is probable.

9. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

➤ **Sales of Goods**

Revenue from sale of goods is recognised when significant risks and rewards of ownership in the goods are transferred to the buyer.

The Company recognizes revenues on the sale of products, net of returns, discounts, sales incentives/rebate, amounts collected on behalf of third parties (such as sales tax) and payments or other consideration given to the customer that has impacted the pricing of the transaction.

Accumulated experience is used to estimate and provide for the discounts and returns. No element of financing is deemed present as the sales are made with normal credit days consistent with market practice.

➤ **Sale of Services/Processing Income**

Revenue from service is recognised as per the completed service contract method.

Processing income is recognised on accrual basis as per the contractual arrangements.

➤ **Interest Income**

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate which exactly discounts the estimated future cash receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset. When calculating the EIR the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayments, extensions, call and similar options). The expected credit losses are considered if the credit risk on that financial instrument has increased significantly since initial recognition.

➤ **Dividend Income**

Dividend income is recognised when the right to receive payment is established.

10. Employee Benefits

i. Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

ii. Post-Employment Benefits

➤ **Defined Contributions plan:**

Provident Fund and Employee State Insurance Scheme

Defined contribution plans are Provident Fund Scheme and Employee State Insurance Scheme. The Company contributes to the Government administered provident funds on behalf of its employees.

Recognition and measurement of defined contribution plans

The Company recognizes contribution payable to a defined contribution plan as an expense in the Statement of Profit and Loss when the employees render services to the Company during the reporting period. If the contributions payable for services received from employees before the reporting date exceeds the contributions already paid, the deficit payable is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the reporting date, the excess is recognized as an asset to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund.

➤ **Defined Benefit plans:**

Gratuity scheme

The Company operates a defined benefit gratuity plan for employees. The Company contributes to a separate entity (a fund), towards meeting the Gratuity obligation.

Recognition and measurement of defined benefit plans:

The cost of providing defined benefits is determined using the Projected Unit Credit method with actuarial valuations being carried out at each reporting date. The defined benefit obligations recognized in the Balance Sheet represent the present value of the defined benefit obligations as reduced by the fair value of plan assets, if applicable. Any defined benefit asset (negative defined benefit obligations resulting from this calculation) is recognized representing the present value of available refunds and reductions in future contributions to the plan.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability / (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognized in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

The Company presents the above liability/(asset) as current and non-current in the Balance Sheet as per actuarial valuation by the independent actuary; however, the entire liability towards gratuity is considered as current as the Company will contribute this amount to the gratuity fund within the next twelve months.

iii. Other Long-Term Employee Benefit

Entitlements to annual leave and sick leave are recognized when they accrue to employees. Sick leave can only be availed while annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. The Company determines the liability for such accumulated leaves using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses in respect of such benefits are charged to Statement of Profit and Loss in the period in which they arise.

11. Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is or contains a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in the arrangement.

As a lessee

Leases of assets where the company has substantially all the risks and rewards of ownership are classified as finance leases. Minimum lease payments made under finance leases are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to that asset.

Leases of assets under which significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease payments /receipts under operating leases are recognised as an expense / income on a straight-line basis over the lease term unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

12. Income Taxes

Income tax expense/ income comprises current tax expense/ income and deferred tax expense/ income. It is recognised in profit or loss except to the extent that it relates to items recognised directly in equity or in OCI. In which case, the tax is also recognized directly in equity or other comprehensive income, respectively.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretations and establishes provisions where appropriate.

Deferred tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/ expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is a convincing evidence that the Company will pay normal tax during specified period.

13. Foreign Currency Transactions**i. Functional and Presentation currency**

The Company's financial statements are prepared in Indian Rupees (INR '₹') which is also the Company's functional currency.

ii. Transactions and balances

Foreign currency transactions are recorded on initial recognition in the functional currency using the exchange rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary items that are measured based on historical cost in a foreign currency are translated using the exchange rate at the date of the initial transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rate at the date the fair value is determined.

Exchange differences arising on the settlement or translation of monetary items are recognized in profit or loss in the year in which they arise except for the qualifying cash flow hedge, which are recognised in OCI to the extent that the hedges are effective.

14. Government Grant and Subsidies

Grants in the nature of subsidy which are non-refundable are credited to the statement of profit and loss, on accrual basis, where there is reasonable assurance that the Company will comply with all the necessary conditions attached to them.

Grants in the nature of subsidy which are refundable are shown as liabilities in the Balance Sheet.

15. Derivative Financial instruments and hedge accounting

The Company uses derivative financial instruments, such as forward currency contracts and interest rate swaps, to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of item being hedged and the type of hedge relationship designated.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Forward exchange contracts

The Company enters into forward exchange contracts in nature of currency swaps and interest rate swaps to hedge against its foreign currency exposures relating to the underlying transactions and firm commitments. The Company does not enter into any derivative instruments for trading or speculative purposes.

The forward exchange contract are marked to market (MTM) and the gain/ loss on the same is recognised as an expense/income over the life of the contract. Exchange differences on such contracts are recognised in the Statement of Profit and Loss in the period in which the exchange rates change. Any Profit or Loss arising on cancellation or renewal of such forward exchange contract is also recognised as income or expense for the period.

16. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

17. Research and Development

Expenditure on research is recognized as an expense when it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.

Items of property, plant and equipment and acquired Intangible Assets utilized for Research and Development are capitalized and depreciated in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

18. Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, if any. All other borrowing costs are expensed in the period in which they occur.

19. Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

20. Dividend

The Company recognises a liability for any dividend declared but not distributed at the end of the reporting period, when the distribution is authorised and the distribution is no longer at the discretion of the Company on or before the end of the reporting period. As per Corporate laws in India, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

21. Earnings Per Share

Basic earnings per share is calculated by dividing the profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted to take into account:

-
- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
 - Weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

22. Segment Reporting

The Company has identified Plastic Containers as its single primary reportable segment in accordance with the requirements of Ind AS 108 - Operating Segments. Accordingly, no separate segment information has been provided.

23. Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the following new and amendments to Ind ASs which the Company has not applied as they are effective for annual periods beginning on or after April 1, 2018:

Ind AS 115 Revenue from Contracts with Customers

Ind AS 21 The Effect of Changes in Foreign Exchange Rates

Ind AS 115 – Revenue from Contracts with Customers

The new Revenue Standard brings in a comprehensive and robust framework for recognition, measurement and disclosure of revenue. The standard introduces a new 5-step model for revenue recognition, which are:

- identification of contract with customer
- identification of performance obligation in the contract
- determination of contract price
- allocation of transaction price to the performance obligation
- revenue recognition on satisfaction of performance obligation

The Company is currently evaluating the effect of the above amendments.

Ind AS 21 - The effect of changes in Foreign Exchange Rates

The amendment clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. The Company is evaluating the impact of this amendment on its financial statements.

The Company uses foreign exchange currency and interest rate swaps to hedge its exposure to the movements in foreign exchange rates for the borrowings in foreign currency.

Note 30B : Financial Risk Management Objectives and Policies

The Company's overall policy with respect to managing risks associated with Financial Instruments is to minimise potential adverse effects of Financial Performance of the Company. The policies of managing specific risks are summarised below

a Foreign Currency Risk Management

The Company undertakes transactions denominated in foreign currencies; consequently exposures to exchange rate fluctuations arise. Exchange rate fluctuations are managed within approved policy parameters.

The carrying amounts of **the Company's foreign currency denominated assets and liabilities as at the end of the reporting periods** are as follows:

	(₹ in lakhs)

Note 30B : Financial Risk Management Objectives and Policies (...contd)

Foreign Currency Sensitivity Analysis

The company is mainly exposed to changes in USD. The below table demonstrates the sensitivity to a 10 % increase or decrease in the USD against INR with all other variants held constant. The sensitivity analysis is prepared under net un-hedged exposure of the company as at the reporting date.

Change in USD Rate	(₹ in lakhs)

Effect on PAT & Total Equity			
+10%	(4.48)	(26.89)	(12.08)
- 10%	4.48	26.89	12.08

b Credit Risk Management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The credit risk arising from Trade Receivables is managed in accordance to the Company's established policy and control relating to customer credit risk management. The credit quality of the customer is assessed based on the credit worthiness and past experience. The expected credit is based on the ageing of the days of receivables.

The ageing of the trade receivables is as under:

Particulars	(₹ in lakhs)		
	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
More than 180 days	859.03	849.35	1,258.36

Less: Allowance for doubtful receivables	706.97	633.11	489.49
	7,525.54	8,716.41	6,521.34

c Interest Rate Risk Management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Management is responsible for monitoring of the Company's interest rate position. Various variables are considered by management in structuring the company's borrowing to achieve a reasonable competitive cost of funding.

Since the company has insignificant variable interest bearing borrowings the exposure to the risk of change in the market interest rates is minimal.

Exposure to interest rate risk

The interest rate profile of the company's interest bearing financial instruments as reported to the management of the company is as follows

	(₹ in lakhs)		
	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
Borrowings			
Fixed Rate Borrowings	12,006.98	8,810.43	6,728.77
Variable Rate Borrowings	4,274.42	1,949.95	694.25
Total	16,281.40	10,760.38	7,423.02

Fair Value Sensitivity Analysis for fixed rate instruments

The company does not account for any fixed rate financial assets and liabilities at fair value to profit or loss. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss

Cash flow sensitivity Analysis for variable rate instruments

A reasonable possible change of 100 BPS in interest rates would result in variation in interest expenses for the company by the amounts indicated in the table below. This calculation also assumes that the changes occur at the Balance Sheet date and has been calculated based on its exposure outstanding as at that date. The year end balances are not necessarily representative of the average debt outstanding during the period

Note 30B : Financial Risk Management Objectives and Policies (...contd)
d Liquidity Rate Risk Management

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The company's exposure to liquidity risk arises primarily from mis-matches of the maturities of financial assets and liabilities. The company manages the liquidity risk by maintaining adequate funds in cash and cash equivalents. The company also has adequate credit facilities arranged with banks to ensure there is sufficient cash to meet all its normal operating commitments on a timely and cost effective manner. The following are the remaining contractual maturities of financial liabilities at the reporting dates

Note 39 : Employee benefits

(1) Post employment benefits:

a **Defined Contribution plan****Provident Fund and Employee State Insurance Scheme**

Defined contribution plans are Provident Fund Scheme and Employee State Insurance Scheme. The Company contributes to the Government administered provident funds on behalf of its employees.

b **Defined Benefit plan****Gratuity scheme**

The Company operates a defined benefit gratuity plan for employees. The liability for the Defined Benefit Plan is provided on the basis of a valuation, using the Projected Unit Credit Method, as at the Balance Sheet date, carried out by an independent actuary. The Company has a gratuity trust. However, the Company funds its gratuity payouts to the trust from its cash flows. Accordingly, the Company creates adequate provision in its books every year based on actuarial valuation. These benefit plans expose the Company to actuarial risks, such as longevity risk, interest rate risk and investment risk.

Note 45 : First Time Adoption of IndAS

As stated in Note 2, the Company's financial statements for the year ended March 31, 2018 are the first annual financial statements prepared in compliance with Ind AS. The adoption of Ind AS was carried out in accordance with Ind AS 101, using April 1, 2016 as the transition date. Ind AS 101 requires that all Ind AS standards that are effective for the first Ind AS financial statements for the year ended March 31, 2018, be applied consistently and retrospectively for all fiscal years presented.

All applicable Ind AS have been applied consistently and retrospectively wherever required. The resulting difference between the carrying amounts of the assets and liabilities in the financial statements under both Ind AS and Previous GAAP as of the transition date have been recognized directly in equity at the transition date.

In preparing these financial statements, the Company has availed itself of certain exemptions and exceptions in accordance with Ind AS 101 as explained below:

a) **Optional Exemptions from retrospective application availed:**

- (i) **Business combination exemption:** The Company has applied the exemption as provided in Ind AS 101 on non- application of Ind AS 103, "Business Combinations" to business combinations consummated prior to the date of transition (April 1, 2016).
- (ii) **Property, plant and equipment exemption:** The Company has elected to apply the exemption available under Ind AS 101 to continue the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition (April 1, 2016).

b) **Mandatory exceptions from retrospective application:**

- (i) **Estimates:** On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.
- (ii) **Classification and measurement of financial assets:** The Company has classified and measured the financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.
- (iii) **Derecognition of financial assets and financial liabilities:** The Company has opted to apply the exemption available under Ind AS 101 to apply the derecognition criteria of Ind AS 109 prospectively for the transactions occurring on or after the date of transition to Ind AS.

Note:

Previous GAAP figures have been reclassified/regrouped wherever necessary to conform with Financial Statements prepared under Ind AS.

Note 45 : First Time Adoption of IndAS (...contd)**Notes to the reconciliation:****a Non Convertible Redeemable Cumulative Preference Shares re-classified as Financial Liabilities**

Under IndAS 109 'Financial Instruments' Non Convertible Redeemable Cumulative Preference Shares have been classified as Financial Liabilities and disclosed under Borrowings, since the distribution of dividend is at the discretion of the issuer but a contractual obligation. Accordingly the liability for dividend and dividend distribution tax thereon is treated as Finance Cost.

b Proposed Equity Dividend

In the financial statements prepared under Indian GAAP, dividend on equity shares recommended by the Board of Directors after the end of reporting period but before the financial statements were approved for issue, was recognised as a liability in the financial statements in the reporting period relating to which dividend was proposed. Under Ind AS, such dividend is recognised in the reporting period in which the same is approved by the members in a general meeting.

c Change in valuation of stock from weighted average to FIFO basis

As per IND AS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' when an entity changes its accounting policy voluntarily the said change is applied retrospectively to that extent. During the current financial year, the Company has voluntarily changed its accounting policy on valuation of inventories from weighted average cost to First in First out (FIFO) basis as the management is of the opinion that FIFO method is more reflective of the consumption pattern of the Company and accordingly figures for the previous years have been restated.

d Mark to Market Loss on Derivatives

The Company enters into forward exchange contracts to hedge against its foreign currency exposures relating to the underlying transactions and firm commitments. The Company does not enter into any derivative instruments for trading or speculative purposes. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently Marked to Market at the end of each reporting period. Exchange differences on such contracts are recognised in the Statement of Profit or Loss in the period in which exchange rate changes.

e Re-measurement cost of net defined benefit liability (net of tax)

In the financial statements prepared under Previous GAAP, remeasurement benefit of defined plans (gratuity), arising primarily due to change in actuarial assumptions was recognised as employee benefits expense in the Statement of Profit and Loss. Under Ind AS, such remeasurement benefits relating to defined benefit plans is recognised in OCI as per the requirements of Ind AS 19 Employee benefits. Consequently, the related tax effect of the same has also been recognised in Other Comprehensive Income.

Under previous GAAP, the interest cost on defined benefit liability was recognised as employee benefit expenses in the Statement of Profit and Loss. Under Ind AS the Company has recognised the net interest cost on defined benefit plans as finance cost.

f Invoice Discounting

Under the previous GAAP, on discounting of bills receivables, such receivables were derecognised and shown as contingent liability. Under Ind AS, as such bill discounting arrangement does not comply the derecognition criteria stated in Ind AS 109 Financial Instruments, such receivables are not derecognised and liability in the form of bill discounted has been recognised as borrowings.

g Cash credits from banks

Under Ind AS, cash credits from banks repayable on demand, which form an integral part of the cash management process are included in cash and cash equivalents for the purpose of presentation of statement of cash flows. Under previous GAAP, such cash credits were considered as part of borrowings and movements in cash credits were shown as part of financing activities.

Note 46 : Approval of financial statements

The financial statements are approved for issue by the Board of Directors in their meeting dated May 14, 2018.

Note 47 : Other Notes

The financial statements of the Company for the year ended March 31, 2017 were audited by another firm of Chartered Accountants vide their unqualified opinion dated May 9, 2017 and have been relied upon in respect of the Indian GAAP figures for the previous year by the auditors. Previous year's figures have been regrouped / reclassified where necessary to confirm with financial statements prepared under Ind AS.
