Mphasis Q4 and FY 2019 Earnings Presentation

May 28, 2019

Safe Harbor

Certain statements mentioned in this presentation concerning our future growth prospects are forward-looking statements regarding our future business expectations and are based on reasonable expectations of the management, which involves a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, wage increases in India, our ability to attract and retain highly skilled professionals, our ability to manage our international operations, reduced demand for technology in our key focus areas, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies, and general economic conditions affecting our business and industry. We may, from time to time, make additional written and oral forward-looking statements. We do not undertake to update any forward-looking statements that may be made from time to time by us or on our behalf, unless required under the law.

Consumer Behavior and need for Agility Driving Change

1. Cloud App Dev

Cloud is fundamentally changing the process for building and delivering business capabilities

2. Cloud Platforms

Public Cloud Platform providers along with emergence of the Gig-Economy is accelerating the disruption of service lines

3. Data Centers

On-prem Data Centers are shrinking / the way services are provided to end-users are transforming

4. Next Gen Data

Enterprises are using Next Gen Data to differentiate in the marketplace

5. Ops Automation

Intelligent automation and Cloud based platforms are transforming the way Business Operations are designed and run

5. **Strong Cash flow Generation** and **Optimal Cash Strategy** to maximize shareholder value

About Mphasis

[Mphasis](#) (BSE: 526299; NSE: MPHASIS) applies next-generation technology to help enterprises transform businesses globally. Customer centricity is foundational to Mphasis and is reflected in the Mphasis' [Front2Back™](#) Transformation approach. Front2Back™ uses the exponential power of cloud and cognitive to provide hyper-personalized ($C=x2C^2™=1$) digital experience to clients and their end customers. Mphasis' Service Transformation approach helps 'shrink the core' through the application of digital technologies across legacy environments within an enterprise, enabling businesses to stay ahead in a changing world. Mphasis' core reference architectures and tools, speed and innovation with domain expertise and specialization are key to building strong relationships with marquee clients. Click [here](#) to know
