MANAGING DIRECTOR'S MESSAGE

*N. Hari Hara Prasad
Managing Director*

Dear Shareholders,

*It is with immense pride and a deep sense of responsibility that I present to you the Annual Report of **Divyashakti Limited** for the Financial Year 2024–25.*

*The year under review has been transformative, testing the resilience of industries across the globe, including our own. Yet, amidst macroeconomic headwinds, volatile input costs, and shifting global trade dynamics, **Divyashakti Limited has not only sustained its performance but also strengthened its operational foundation and strategic position** in the Granite and Quartz sector.*

*We have continued to prioritise **value-driven growth, operational efficiency, and sustainability** as the cornerstones of our business. Through a combination of **technological advancement, agile decision-making, and cost optimisation**, we were able to enhance margins and improve productivity across our business verticals. Our proactive focus on **reducing logistics and energy costs**, coupled with a greater push towards **green energy adoption**, has enabled us to future-proof our operations and align with global ESG standards. Despite subdued sentiment in some key global markets, especially in the housing sector in the United States, our **engineered stone division delivered robust growth**, reaffirming the soundness of our diversification strategy. We remain confident that this segment will continue to be a key growth driver in the years to come.*

*Looking ahead, we are focused on **expanding our global footprint**, investing in **state-of-the-art manufacturing capabilities**, and enhancing our **customer-centric approach**. We are also committed to strengthening our **human capital, governance frameworks, and digital infrastructure** to sustain long-term stakeholder value.*

This journey would not be possible without the unwavering support of our shareholders, the commitment of our employees, and the trust of our customers and partners. On behalf of the Board of Directors and the management team, I extend my heartfelt gratitude to each of you.

As we step into the future, we do so with renewed conviction, strategic clarity, and a steadfast commitment to excellence.

*Yours sincerely,
Warm regards,
N. Hari Hara Prasad

THE EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**ITEM NO.4:**

Pursuant to the provisions of Section 188 of the Companies Act, 2013 read with Rule 15(3) of the Companies (Meetings of Board and its Powers) Rules, 2014, and in terms of Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), any transaction with a related party that meets the prescribed materiality thresholds requires the prior approval of the shareholders by way of an Ordinary Resolution, provided such transaction is not in the ordinary course of business or not at arm's length price.

In accordance with the Listing Regulations, a transaction with a related party is considered material if it exceeds ₹1,000 Crores or 10% of the annual consolidated turnover of the Company, whichever is lower, as per the latest audited financial statements.

Based on the recommendation of the Audit Committee, the Board of Directors of the Company has approved the following related party transactions, which are in the ordinary course of business and at arm's length pricing, but exceed the materiality threshold under Regulation 23. Accordingly, approval of the shareholders (excluding related parties) is being sought.

Disclosures under Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014:

Name of the Related Parties:

- Cosmos Granite (West)
- Cosmos Granite (South East)
- Cosmos Granite (South West)
-

Name of the Related Director/KMP and Nature of Relationship: Sri N. Hari Hara Prasad, Managing Director. His immediate family members and relatives are Promoter-Partners in the aforementioned partnership firms.

Nature of Relationship: These firms qualify as Related Parties under Section 2(76) of the Companies Act, 2013, as Sri N. Hari Hara Prasad's relatives hold significant influence/control as Promoter-Partne

Nature, Material Terms, Monetary Value, and Particulars of Transactions:

<i>Name of Related Party</i>	<i>Nature of Transaction</i>	<i>Description of Goods/Services</i>	<i>Proposed Maximum Annual Value (₹ in Crores)</i>
<i>Cosmos Granite (West)</i>	<i>Export/Sale, Purchase, Supply, Availing/Rendering of Services</i>	<i>Export/Supply of Polished Granite Slabs and Engineered Stone Slabs</i>	<i>25.00</i>
<i>Cosmos Granite (South East)</i>			<i>45.00</i>
<i>Cosmos Granite (South West)</i>			<i>10.00</i>

As per the second proviso to Section 188(1) of the Companies Act, 2013, no member who is a related party shall vote on the resolution, and accordingly, the promoters and interested Directors/KMPs will abstain from voting on this item.

None of the Directors or Key Managerial Personnel of the Company, other than those mentioned above and their relatives, are concerned or interested, financially or otherwise, in the resolution.

The Board recommends the resolution as set out in Item No. 4 of the Notice, for approval of the Members by way of an Ordinary Resolution.

ITEM NO.5:

The Company proposes to diversify into the renewable energy segment by investing in a solar power generation business. In this regard, the Board of Directors intends to acquire majority control (ranging from 51% to 55%) in an existing third-party solar power project company, which is engaged in solar energy generation. The total cost of the project is estimated at approximately ₹150 Crores, and the acquisition will be undertaken through a subsidiary structure to ensure operational and regulatory efficiency.

This strategic investment aligns with the Company's long-term vision of entering into environmentally sustainable businesses and reducing reliance on grid power, thereby also addressing environmental, social, and governance (ESG) commitments. The move is expected to offer synergies in cost optimisation for captive consumption, better power security, and sustainable growth opportunities.

The proposed investment would be construed as an investment exceeding the limits specified under Section 186(2) of the Companies Act, 2013 and hence requires approval of shareholders by means of a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their shareholding, if any, in the Company.

Accordingly, the Board recommends the passing of the resolution as set out in Item No. 5 as a Special Resolution.

ITEM NO.6:

Pursuant to the recent amendment to Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as introduced by the SEBI (LODR) (Second Amendment) Regulations, 2023, every listed entity is required to appoint a Secretarial Auditor for a continuous term of up to two terms of five consecutive financial years each, subject to approval by the Members at a general meeting.

In compliance with the above, and based on the recommendation of the Audit Committee, the Board of Directors, at its meeting held on 29th May 2025, approved the appointment of M/s. Puttaparthi Jagannatham and Co., Practising Company Secretaries (Firm Registration No. P2008), as the Secretarial Auditors of the Company for a term of five (5) consecutive financial years, commencing from FY 2025–26 to FY 2029–30, subject to the approval of the Membe

The appointment has been proposed after considering the firm's eligibility, experience, professional standing, independence, and the satisfactory performance during its previous engagements with the Company. M/s. Puttaparthi Jagannatham and Co., established in 1995 and based in Hyderabad, has over three decades of professional experience in corporate legal advisory, secretarial compliance, and governance. The firm is registered with the Institute of Company Secretaries of India (ICSI) and holds a valid peer review certificate issued by ICSI. It has also confirmed that it satisfies all eligibility criteria and is free from any disqualification under the SEBI circular dated 31st December 2024.

The Company has received a consent letter from the firm expressing its willingness to undertake the Secretarial Audit and issue reports in accordance with Section 204 of the Companies Act, 2013 and the applicable rules framed thereunder.

The Board of Directors has approved a remuneration of ₹4,50,000 (Rupees Four Lakhs Fifty Thousand only) plus applicable taxes and out-of-pocket expenses for FY 2025–26. For subsequent years within the tenure, the remuneration shall be as determined by the Board on the recommendation of the Audit Committee in consultation with the firm. In addition, the Company may also engage the firm for other services which are statutorily required to be rendered by the Secretarial Auditor under applicable laws from time to time. Such services will be compensated separately on mutually agreed terms.

The Board of Directors may alter and vary the terms and conditions of the appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Secretarial Auditor and deemed appropriate in the best interest of the Company.

None of the Directors, Key Managerial Personnel (KMP), or their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

The Board recommends the Ordinary Resolution as set out in Item No. 6 of the accompanying Notice for the approval of the Membe

Management Discussion and Analysis

The Management of Divyashakti Limited is pleased to present the Management Discussion and Analysis Report for the financial year. This report provides a clear and comprehensive overview of the Company's business operations, industry structure, key opportunities and challenges, and overall performance. It also highlights significant developments, strategic initiatives, associated risks, and the future outlook, offering stakeholders valuable insights into the Company's direction and market positioning.

Economic Overview

Global Economy 2025

The Global economy in 2025 has been characterized by a series of complex challenges and opportunities. According to the latest reports from the International Monetary Fund (IMF) and the World Bank, global growth is projected to remain steady at 3.3% in 2025 and 3.3% in 2026.

While the US economy displayed resilience, Europe and several developing regions faced downgrades due to escalating geopolitical tensions, commodity market disruptions, and heightened concerns over a potential full-scale trade war, particularly in the wake of a political leadership change in the US that tempered expectations of a soft landing. Amid this challenging global backdrop, Emerging Asia emerged as a bright spot, demonstrating relative economic strength. Meanwhile, easing inflationary pressures prompted several countries, including the US, to shift their monetary policy stance. In light of the subdued growth outlook, many advanced economies-initiated interest rate cuts in an effort to support economic activity.

Indian economy

India remains the fastest-growing major economy in the world, though growth is expected to taper in FY2025, albeit from a higher base in the previous year. According to the National Statistical Office (NSO), based on its First Advance Estimates, India's real GDP grew by 6.40%, down from 9.20% in the year-earlier period.

Nominal GDP for FY25 is estimated at ₹ 33.10 lakh crore (US\$ 3.8 trillion) with growth rate of 9.9%, compared to ₹ 30.12 lakh crore (US\$ 3.5 trillion) in FY24. Strong domestic demand for consumption and investment, along with the Government's continued emphasis on capital expenditure, are seen as among the key driver of the GDP in the second half of FY25. In FY25, India's exports stood at ₹ 37.31 lakh crore (US\$ 433.56 billion), with Engineering Goods (26.88%), Petroleum Products (13.86%) and electronic goods (8.89%) being the top three exported commodity. Rising employment and increasing private consumption, supported by rising consumer sentiment, will support GDP growth in the coming months.

India's GDP growth trend (%)

According to the January 2025 edition of the World Bank's Global Economic Prospects (GEP) report, India's economy is expected to grow steadily at 6.7% in both FY2026 and FY2027.

FY 2022	FY 2023	FY2024	FY2025	FY 2026 E
9.10%	7.0%	8.20%	6.40%	6.70%

Industry overview and outlook

Global Granite Industry and Key Trends

The global granite market was valued to reach a market size of USD 19.97 Billion in 2024. The industry is expected to grow at a CAGR of 2.30% during the forecast period of 2025-2034. The growing demand for natural stone in the construction and interior design sectors is a key driver of the granite market. Granite's durability, aesthetic appeal, and versatility in applications such as countertops, flooring, and facades drive its popularity, thus aiding the market growth to attain a valuation of USD 25.07 Billion by 2034.

Quartz

Engineered Stone Market in 2025 is evaluated at USD 7.20 billion. The global market size was more than USD 12.22 billion in 2033 and is anticipated to grow at a CAGR of around 5.44%, reaching USD 12.22 billion revenue by 2033. Asia pacific is expected to bring in USD 3.67 billion by 2033, driven by increasing use of engineered stone in interior

The primary reason behind the growth of the engineered stone market is the increasing demand for engineered stone across the world.

As we look ahead, we anticipate subdued granite sales in FY 2025, driven by ongoing challenges in the U.S. housing market. Nevertheless, we remain optimistic about the performance of our engineered stone segment, with encouraging prospects for both revenue growth and improved profitability.

### **1A. SUMMARY OF COMPANY'S OPERATIONAL AND FINANCIAL PERFORMANCE:**

During the FY 2024–25, the Company recorded a decline of 8.45% in revenue from operations, amounting to ₹6,387.22 Lakhs, as compared to ₹6,977.15 Lakhs in the previous financial year. Despite the reduction in topline revenue, the Company reported a marginal increase in Profit Before Tax, which stood at ₹338.96 Lakhs, up from ₹322.68 Lakhs in the preceding year, reflecting a growth of 4.80%. This improvement is attributable to prudent cost management and operational efficiencies implemented during the year. However, overall profitability remained under pressure due to persistent macroeconomic headwinds and industry-specific challenges.

The global quartz industry witnessed a substantial oversupply during the year, resulting in intense pricing pressure and heightened competition. This, coupled with a significant slowdown in demand from the U.S. market—driven by elevated interest rates and sustained inflation—led to stagnant market conditions and constrained pricing power. These factors collectively impacted the Company's revenue realisation and overall financial performance during the year under review.

### **2. DIVIDEND:**

The Board of Directors is pleased to recommend the declaration of a final dividend amounting to Rs. 2.00 per share (20% on the face value of Rs. 10/-) for FY 24-25, aggregating an amount of Rs. 205.38 Lakhs. The said dividend, if approved by the Members at the ensuing Annual General Meeting ('the AGM'), will be paid to those Members whose name appears on the register of Members of the Company.

In terms of the provisions of Regulation 43A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations"), the Company has formulated a Dividend Distribution Policy.

The recommended dividend is in line with our Company's dividend policy, which is available on the Company's Website <http://www.divyashakti.com>.

### **3. TRANSFERS TO RESERVES AND RETENTION IN THE PROFIT AND LOSS ACCOUNT, ETC:**

*The Company proposes to transfer an amount of Rs. 48.22 Lakhs to Reserves during the financial year under review.*

### **4. FINANCE:**

*Cash and cash equivalents as at 31<sup>st</sup> March, 2025 were Rs. 106.64 Lakhs and Rs. 857.06 Lakhs in the previous year. The Company continues to focus on judicious management of its working capital, receivables, inventories, and other working capital parameters, and they were kept under strict check through continuous monitoring.*

### **5. COMPANY'S WORKING DURING THE FINANCIAL YEAR 2024-25 AND THE FUTURE PROSPECTS ALONG WITH REASONS FOR COMPARING WITH THE PREVIOUS YEAR'S RESULTS:**

*During FY 2024–25, the Company exported polished granite and quartz slabs aggregating to ₹6,330.83 Lakhs to the United States, reaffirming its strong presence in international markets.*

*As of the close of the financial year, the Company had export orders on hand valued at ₹300 Lakhs, compared to ₹400 Lakhs in the previous year. This slight decline is attributable to subdued global demand conditions; however, the order pipeline remains robust, reflecting the Company's continued competitive positioning.*

### **6. CHANGE IN NATURE OF BUSINESS:**

*The Company did not undergo any change in the nature of its business during FY 2024-25.*

### **7. MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAS OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT:**

*There have been no material changes and commitments, which affect the financial position of the Company, that have occurred between the end of the financial year to which the financial statements relate and the date of this report.*

### **8. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND THE COMPANY'S OPERATIONS IN THE FUTURE:**

*There are no significant and material orders by the Regulators or Courts or Tribunals impacting the going concern status and the Company's operations in the future.*

### **9. INTERNAL CONTROL SYSTEM AND ITS ADEQUACY:**

*The Company's internal control systems are commensurate with the nature of its business, the size and complexity of its operations, and such internal financial controls with reference to the Financial Statements are adequate. The Internal Auditors of the company conduct an audit on a regular basis, and the Audit Committee periodically reviews internal audit reports and the effectiveness of internal control systems.*

### **10. DETAILS OF SUBSIDIARY/JOINT VENTURES/ASSOCIATE COMPANIES:**

*The Company does not have any Subsidiaries or Joint-Ventures, or Associate Companies.*

### **12. DEPOSITS**

*The Company has not accepted/renewed any fixed deposits from the public, and no amount of principal or interest was outstanding as of the Balance Sheet date during the year.*

### 13. AUDITORS AND OBSERVATIONS

**Annual Report on CSR Activities**

**[Section 135 of the Companies Act, 2013 read with Rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended]**

**1. Brief outline on CSR Policy of the Company:**

*Divyashakti Limited (“the Company”) has consistently embraced the principles of Corporate Social Responsibility (CSR) as an integral component of its business philosophy. The Company’s CSR initiatives are aimed at fostering inclusive and sustainable development by addressing critical social, environmental, and economic challenges in a holistic manner.*

*The Company’s CSR efforts are primarily directed towards the following focus areas:*

- *Education*
- *Healthcare*
- *Environment*
- *Rural Development*

*The CSR Policy of the Company lays particular emphasis on Education, Healthcare, and Environmental sustainability. Initiatives under the education vertical include support for primary, secondary, and higher education, vocational training, and skill development for rural youth, along with scholarships for meritorious students from disadvantaged backgrounds. In the healthcare domain, the Company undertakes measures to promote preventive care, including access to safe drinking water and enhancement of healthcare facilities.*

*Thematic interventions are strategically designed to benefit underserved and vulnerable segments of society, including women, economically weaker sections, geographically marginalized communities, and other disadvantaged groups. Further, the Company actively encourages employee volunteering in all CSR engagements to deepen stakeholder participation and impact.*

*In accordance with the provisions of the Companies Act, 2013, qualifying companies are mandated to constitute a CSR Committee to monitor the execution and governance of CSR projects. The Companies (Corporate Social Responsibility Policy) Rules, 2014, provide the procedural framework and executional guidelines, aligning all initiatives with the areas specified under Schedule VII of the Act.*

**ANNEXURE-V****MANAGEMENT DISCUSSIONS & ANALYSIS REPORT****Industry Overview – Granite Sector**

Granite continues to be one of the most valued and durable natural stones in the construction and infrastructure domain. Traditionally used in monumental structures such as temples, palaces, and fortifications, granite has maintained its prominence owing to its intrinsic properties—mirror-like polishability, high compressive strength, and visual appeal. With advancements in cutting and finishing technologies, the demand for granite has accelerated across both domestic and international markets.

The global granite market is broadly segmented into four key sectors:

- Natural Stone Processing Industry
- Building and Construction Industry
- Funerary Industry
- Consumer & Interior Design Markets

This classification is driven by a diverse range of end-use applications, from premium countertops to large architectural facades, monuments, and decorative tiles.

**Economic and Market Outlook**

The Company has identified the United States and several other geographies as key international markets for its export-focused growth strategy. Over recent financial years, the Company has experienced a sustained growth trajectory in its overseas business, strengthening its foothold as a reliable exporter of high-quality granite and engineered stone products. The management remains optimistic about further enhancing market share and improving export realizations in the coming years.

**Business Overview**

Divyashakti Limited operates out of Hyderabad, Telangana, with its manufacturing and export activities centered around a single business vertical:

- Polished Granite Slabs & Tiles
- Engineering Stone – Quartz Slabs

The Company exports to multiple countries and continues to consolidate its position in premium international markets through product quality, operational efficiency, and customer-centric service.

**Profitability Overview**

Despite a decline in revenue by 8.45%, the Company achieved a growth of 4.80% in Profit Before Tax, amounting to ₹ 338.97 Lakhs as against ₹ 322.68 Lakhs in the preceding year. The increase in profitability was primarily driven by internal cost optimization measures and efficient operational management.

The Net Profit After Tax for the financial year stood at ₹ 254.06 Lakhs, up from ₹ 231.65 Lakhs in FY 2023–24, representing an increase of 9.66%. The Earnings Per Share (EPS) correspondingly increased to ₹ 2.47 from ₹ 2.26, indicating improved returns to shareholders.

### **Opportunities and Threats**

The Company operates in a dynamic and globally competitive environment. As globalization deepens and customer expectations evolve, managing operational and financial risks becomes increasingly crucial. The management continuously monitors emerging risks and opportunities through structured assessments. The key industry threats and challenges currently identified include:

- **Raw Material Sourcing Constraints:**  
The availability of high-quality granite blocks remains a major industry-wide challenge. Sourcing limitations, due to regulatory or environmental factors, are expected to persist and may impact production schedules and cost structures.
- **Concentration Risk in Export Market:**  
While the Company has established a global footprint, a substantial portion of its revenue continues to be derived from the United States. Any geopolitical, economic, or regulatory disruption in that market could materially affect export volumes and profitability.
- **Credit Risk from Geographically Dispersed Customers:**  
Despite conducting credit assessments at the time of order acceptance, the risk of delayed or defaulted payments from international customers persists, particularly in volatile markets.
- **Foreign Exchange Volatility:**  
The Company's performance is exposed to foreign currency fluctuations, especially given its export-oriented model. Sudden shifts in currency valuation due to macroeconomic or geopolitical developments could adversely impact margins and reported earnings.

### **Risk Management**

The Company has a structured risk management framework in place to proactively identify, evaluate, and mitigate various business and operational risks. These include:

- Market and Competition Risk
- Regulatory and Compliance Risk
- Foreign Exchange Risk
- Asset and Operational Risk
- Natural Calamities and Environmental Risks

The risk monitoring mechanisms are periodically reviewed by the senior management and internal auditors to ensure adequacy and responsiveness.

### **Internal Control Systems and Their Adequacy**

The Company maintains a robust and adequate internal control system commensurate with the size and nature of its operations. These internal controls are designed to:

- Ensure reliability of financial reporting
- Safeguard Company assets
- Promote operational efficiency
- Ensure compliance with applicable statutory and regulatory requirements

Internal audits are conducted periodically, and reports are reviewed by the Audit Committee. Any control deficiencies identified are promptly addressed through corrective measures.

**Human Resources and Industrial Relations**

The Company recognizes that its human capital is a strategic asset in sustaining business performance and driving innovation. Key HR initiatives include:

- Skill development and training programs
- Merit-based appraisal systems
- Employee welfare and engagement initiatives

The industrial relations climate during the year remained cordial and constructive, enabling productivity and alignment with organizational goals. The Company remains committed to nurturing talent and fostering a culture of performance, collaboration, and integrity.

**INDEPENDENT AUDITORS' REPORT ON THE QUARTERLY AND YEAR TO DATE AUDITED FINANCIAL RESULTS OF THE COMPANY PURSUANT TO THE REGULATION 33 and 52 OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015, AS AMENDED**

**TO THE BOARD OF DIRECTORS,  
M/s. DIVYASHAKTI LIMITED (Formerly known as DIVYASHAKTI GRANITES LIMITED)**

**Report on the Audit of the Standalone Financial Statements**

***Opinion***

We have audited the accompanying standalone financial statements of **M/s. DIVYASHAKTI LIMITED** ("the Company"), for the quarter ended 31st March, 2025 and the year to date results for the period from 1st April, 2024 to 31st March, 2025 which comprise the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements:

- a) are presented in accordance with the requirements of Regulation 33 and 52 of the Listing Regulations in this regard; and
- b) gives the information required by the Companies Act, 2013 ("the Act") in the manner so required and except the effect of matter referred to in Basis for qualified opinion give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter ended 31st March, 2025 as well as the year to date results for the period from 1st April, 2024 to 31st March, 2025.

***Basis for Opinion***

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Key audit matters***

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India including The Indian Accounting Standard specified under sec.133 of the act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of

**Annual Report F.Y.2024-25**

adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has no pending litigations which would impact its financial position in its standalone financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
 (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
 (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The dividend declared or paid during the year by the company is in compliance with Section 123 of the Act.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

### **Annexure “A” to the Independent Auditor’s Report**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Divyashakti Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s. Divyashakti limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system over financial reporting of the Company.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### “Annexure B” to the Independent Auditors’ Report

Referred to in paragraph 2 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2025:

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

**i. In respect of the Company’s Property, Plant and Equipment and Intangible Assets:**

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment & Capital work in progress and relevant details of right-of-use assets.

(B) The Company does not have intangible assets, hence order i (a) (B) not applicable.

(b) The Company has a program of physical verification of Property, Plant and Equipment to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification

(c) Based on our examination of the property tax receipts, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of all immovable properties disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date except Office Building, for which title deeds are in the name of Promoters and transfer formalities in respect of the same are pending.

- (d) The Company has revalued its land during the year ended 31st March, 2025 based on the valuation report obtained from registered valuer in accordance with Ind AS 16. The increase in fair value amounting to Rs.7,364.77 Lakhs has been credited to other comprehensive income and shown as 'Revaluation surplus' under other equity. The revalued amount of land as on 31<sup>st</sup> March, 2025 is Rs.7466.25 Lakhs. No revaluation has been done for buildings and other fixed assets
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.(a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly, clause 3(ii)(b) of the order is not applicable to the company.
- iii. According to the information and explanations given to us and the records of the company examined by us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii) (a) to (C) of the Order are not applicable.
- iv. According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has not given any loans or provided guarantees or security as specified under Section 185 and 186 of the Companies Act. Further the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013
- v. The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub- section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company
- vii. (a) According to the information and explanations given to us and the records of the company examined by us, the company is regular in depositing undisputed statutory dues including Provident fund, Employee State Insurance, Income tax, sales tax, customs duty, goods and service tax and any other statutory dues as applicable with appropriate authorities. There were no arrears of outstanding statutory dues as on last day of the financial year concerned for a period of more than six months from the date on which they become payable.
- (b) According to the information and explanation given to us, there are no statutory dues relating to service tax, customs duty, excise duty, value added tax, GST, Central sales tax, Cess or other statutory dues which have not been deposited with appropriate authorities on account of any dispute.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961),
- ix. According to the information and explanations given to us and on the basis of our examination of the records of the Company:
- (a) The company has not defaulted in repayment of loans or borrowings to any financial institutions or banks as on at the balance sheet date.

- (d) The Company has not raised any funds on short-term basis and hence, reporting under clause 3(ix)(d) of the Order is not applicable.
- (e) The Company has no subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2025. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. According to the information and explanations given to us and on the basis of our examination of the records of the Company:
  - (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
  - (b) The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. According to the information and explanations given to us and on the basis of our examination of the records of the Company:
  - (a) No material fraud by the Company and on the Company has been noticed or reported during the year.
  - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
  - (c) There have not been any whistle blower complaints received by the Company during the year (and upto the date of this report), and it has no impact while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. According to the information and explanations to us and based on our examination of the records of the company transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
  - (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company

Established with a vision to revolutionize the quartz industry, the company has rapidly expanded its operations and market presence. The company is a Public Limited Company Listed on Bombay Stock Exchange (BSE).

**2. Material Accounting Policies**
**2.1 Statement of compliance**

The standalone financial statements of the Company which comprise the Balance sheet, Statement of Profit and Loss, Cash Flow Statement and Statement of changes in equity ("Standalone Financial Statements") have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the 'Act') read together with the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act. The standalone financial statements have also been prepared in accordance with the relevant presentation requirements of the Act.

The accounting policies are applied consistently to all the periods presented in the financial statements.

**2.2 Basis of preparation and presentation:**

These standalone financial statements are prepared in Indian Rupees (₹) which is also the Company's functional currency and have been prepared on a historical cost convention and on an accrual basis, except certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies set out below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116, 'Leases' and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2, 'Inventories' or value in use in Ind AS 36 'Impairment of Assets', as applicable.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

**2.3 Operating cycle**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act and Ind AS 1 – Presentation of Financial Statements, based on the nature of the products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

**Notes to the standalone financial statements**

All amounts are in ₹ lakhs, except share data and where otherwise stated

**2.4 Critical estimates and judgements**

In the application of the Company's accounting policies, the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the critical estimates and judgements that have been made in the process of applying the Company's accounting policies that have the most significant effect on the amounts recognised in the financial statements.

**(i) Revenue Recognition**

In making their judgement, the management considered the detailed criteria for recognition of revenue from sale of goods and services set out in Ind AS 115 and, in particular, whether the Company has transferred control over the goods to the buyer and has completed its performance obligation for the services provided to the customer.

**(ii) Impairment of Trade Receivables**

The Management estimates the probability of collection of accounts receivable by analysing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. The impairment provisions for trade receivables are based on assumptions about risk of default and expected loss rates. The Management uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, credit risk, and existing market conditions as well as forward looking estimates at the end of each reporting period. If the financial condition of a customer deteriorates, additional allowances may be required.

**(iii) Actuarial Valuation**

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the Statement of Profit and Loss and in other comprehensive income. Such valuation depends upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors. Information about such valuation is provided in the notes to the financial statements.

**(iv) Contingencies**

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Guarantees are also given in the normal course of business.

There are certain obligations which management has concluded based on all available facts and circumstances as contingent liabilities and disclosed in the Notes but are not provided for in the financial statements. Although there can be no assurance of the final outcome of the legal proceedings in which the Company is involved it is not expected that such contingencies will have a material effect on its financial position or profitability.

**2.5 Inventories**

Inventories are stated at the lower of cost and net realisable value after providing for obsolescence and other losses, where considered necessary. Net realisable value represents the estimated selling price in the ordinary course of business, less all estimated costs of completion and costs necessary to make the sale. The method of determination of cost of various categories of inventories is as follows:

**(i) Raw materials**

Weighted average cost which includes purchase price, inward freight and other incidental expenses net of refundable duties, levies and taxes, where applicable.

**2.6 Investment in subsidiaries:**

Investment in subsidiaries are carried at cost less accumulated impairment, if any.

**2.7 Property, plant and equipment**
**(i) Recognition and measurement:**

Property, plant and equipment are measured at cost less accumulated depreciation/ amortization and impairment losses, if any. Cost includes deemed cost which represents the fair value of property, plant and equipment recognised as at April 1, 2016 measured as per the Accounting Standards notified under Section 133 of the Act, read together with Rule 7 of the Companies (Accounts) Rules, 2014, which the Company elected in accordance with Ind AS 101.

Cost comprises the purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure in making the asset ready for its intended use. Machinery spares which can be used only in connection with an item of property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the spares or the principal item of the relevant assets, whichever is lower.

Land is carried at revalued amount, being the fair value as determined by an independent valuer on the basis of market evidence of fair value, less subsequent depreciation and impairment losses, if any. Revaluation is performed with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the balance sheet date. Any revaluation surplus is recognised in Other Comprehensive Income and accumulated in equity under the heading of 'Revaluation Surplus'. To the extent that any revaluation decrease or impairment loss has previously been recognised in the statement of profit and loss, a revaluation increase is credited to the statement of profit and loss to the extent of the decrease or impairment loss previously charged. The revaluation reserve is not available for distribution to shareholders

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials, direct labour and any other costs directly attributable to bringing the item to its intended working condition and estimated costs of dismantling, removing and restoring the site on which it is located, wherever applicable.

Capital work in progress are items of property, plant and equipment which are not yet ready for their intended use and are carried at cost, comprising direct cost and related incidental expenses.

**(ii) Depreciation:**

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The estimate of the useful life of the assets has been based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, etc.

Assets individually costing ₹ 5,000 and below are fully depreciated in the year of acquisition.

**Notes to the standalone financial statements**

All amounts are in ₹ lakhs, except share data and where otherwise stated

The estimated useful lives of Property, Plant and Equipment is mentioned below:

| Asset                | Useful lives (in years) |
|----------------------|-------------------------|
| Buildings            | 30 years                |
| Computers            | 3-6 years               |
| Software             | 6 years                 |
| Furniture & Fixtures | 1-10 years              |
| Office Equipments    | 1-10 years              |
| Plant & Machinery    | 5-15 years              |
| Vehicles             | 8-10 years              |

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss when the asset is de-recognised.

**2.8 Intangible assets**

Intangible assets that the Company controls and from which it expects future economic benefits are capitalised upon acquisition and measured initially for separately acquired assets, at cost comprising of the purchase price (including import duties and non-refundable taxes) and directly attributable costs to prepare the assets for its intended use. The useful life of an intangible asset is considered finite where there is a likelihood of technical and technological obsolescence.

Intangible assets that have finite lives are amortised over their estimated useful lives on a straightline basis unless it is practical to reliably determine the pattern of benefits arising from the asset.

All intangible assets are tested for impairment. Amortisation expenses, impairment losses and reversal of impairment losses are considered in the Statement of Profit and Loss. Thus, after initial recognition an intangible asset is carried at its costs less accumulated amortization and /or impairment losses.

**2.9 Impairment of assets**

Impairment loss, if any, is provided to the extent, the carrying amount of assets or cash generating units exceed their recoverable amount.

Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Impairment loss recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised in previous years.

**2.10 Foreign currency transactions and translations**

Transactions in foreign currencies are initially recorded by the Company at their functional currency spot rates at the date of the transaction. The date of transaction for the purpose of determining the exchange rate on initial recognition of the related asset, expense or income (part of it) is the date on which the entity initially recognises the non-monetary asset or non-monetary liability arising from payment or receipt of advance consideration. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

**Notes to the standalone financial statements**

All amounts are in ₹ lakhs, except share data and where otherwise stated

**2.11 Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Finance expenses are recognised immediately in the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's general policy on borrowing costs.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

**2.12 Employee benefits**
**(i) Defined contribution plans**

The Company's contributions to Provident Fund (Government administered) and Employees State Insurance Scheme, considered as defined contribution plans are charged as an expense in the Statement of Profit and Loss when the employees have rendered services entitling them to the contributions.

**(ii) Defined benefit plans**

For defined benefit retirement plans (unfunded), the cost of providing benefits is determined using the projected unit credit method, with actuarial valuation being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur and are not reclassified to the Statement of Profit and Loss in the subsequent periods. Past service cost is recognised in profit or loss in the period of plan amendment. Net interest is calculated by applying the discounted rate at the beginning of the period to the net defined benefit asset or liability. Defined benefit cost is categorised as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Remeasurement

The Company presents the first two components of defined benefit cost in statement of profit or loss in the line item 'Employee Benefit Expense'. Curtailment gains and losses are accounted for as past service cost.

**(iii) Short term and other long term employee benefits**

Short term employee benefits as at the Balance Sheet date are recognised as an expense based on expected obligation on an undiscounted basis. The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognises accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognised in the period in which the absences occur. The Company recognises actuarial gains and losses immediately in the Statement of Profit and Loss.

## Notes to the standalone financial statements

All amounts are in ₹ lakhs, except share data and where otherwise stated

### 2.13 Revenue recognition

#### (i) Sale of goods and services:

Revenue from sale of goods is recognised when the control over goods is transferred either when the product is delivered to the customer or when the product is shipped, depending on terms of the contract. However, for some contracts, control is transferred upon acceptance of goods, consequent to its inspection by the customers. In these cases, the customer obtains control over the goods even though the goods remain in the Company's physical possession where delivery is kept pending at the instance of the customers.

Revenue is measured at the transaction price that the Company receives or expect to receive as consideration for sale of goods and also includes adjustments made towards price variations and liquidated damages where applicable. Escalation and other claims which are not ascertainable/ acknowledged by customers are not taken into account. The portion of revenue recognised not billed to the customer is shown as contract asset i.e., "unbilled revenue".

#### (ii) Other income:

Interest income is recognised using effective interest (EIR) method. The "effective interest rate" is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- a. the gross carrying amount of financial asset; or
- b. the amortised cost of financial liability

#### (iii) Export Benefits:

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

### 2.14 Financial instruments

#### (i) Recognition and initial measurement

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition except for trade receivables that do not contain a significant financing component which are measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities [other than financial assets and financial liabilities at fair value through Statement of Profit and Loss (FVTPL)] are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in Statement of Profit and Loss. Regular way purchase and sale of financial assets are accounted for at trade date.

#### (ii) Classification and subsequent measurement

##### (a) Financial Assets

##### Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.

**Notes to the standalone financial statements**

All amounts are in ₹ lakhs, except share data and where otherwise stated

**Financial assets at fair value through profit and loss**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains and losses arising on remeasurement recognised in statement of profit or loss. The net gain or loss recognised in statement of profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'other income' line item.

**(b) Financial liabilities**

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in Statement of Profit and Loss. The net gain or loss recognised in Statement of Profit and Loss incorporates any interest paid on the financial liability.

Other financial liabilities are subsequently carried at amortised cost using the effective interest method.

**(iii) Derecognition**
**Financial assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

**Financial liabilities**

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

**(iv) Impairment**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

**(v) Offsetting**

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

**2.15 Income Taxes**

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

**Notes to the standalone financial statements**

 All amounts are in ₹ lakhs, except share data and where otherwise stated
 

---

**Current Tax**

Current tax is measured at the amount expected to be paid to or recovered from the taxation authorities based on the taxable profit for the year. Taxable profit differs from "Profit before tax" as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961. The tax rates and tax laws used to compute the current tax amount are those that are enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

**Deferred Tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of such deferred tax assets to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and credits only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Deferred tax assets and liabilities are offset when there is legally enforceable right to offset the corresponding current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

**2.16 Provisions, contingent liabilities and contingent assets**
**(i) General**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**(ii) Contingent liabilities**

Contingent liabilities are disclosed for (i) possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognised in the financial statements, but are disclosed where an inflow of economic benefits is probable.

**(iii) Onerous Contracts**

Provision for onerous contracts i.e. contracts where the expected unavoidable cost of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be recognised to settle a present obligation as a result of an obligating event based on the reliable estimate of such an obligation.

**2.17 Earnings per share**

Basic earnings per share is computed by dividing profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

**2.18 Cash and cash equivalents**

Cash and cash equivalents for purposes of cash flow statement include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

**28 Employee Benefits**

**(a) Defined Contribution Plans**

The Company makes Provident fund and Employees' State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. The Company recognised ₹8.51 lakhs (Year ended March 31, 2024: ₹7.01lakhs) for provident fund contributions, and ₹2.58 lakhs (Year ended March 31, 2024: ₹2.78 lakhs) towards Employees' State Insurance Scheme contributions in the Statement of Profit and Loss.

**(b) Defined Benefit Plans**

The Company provides to the eligible employees defined benefit plans in the form of gratuity. The gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days' salary payable for each completed year of service. Vesting occurs upon completion of five continuous years of service. The measurement date used for determining retirement benefits for gratuity is March 31.

These plans typically expose the Company to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk.

**Risk Management:**

**Investment risk:** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

**Interest rate risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

**Longevity risk:** The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

**Salary risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. Increase in salaries due to adverse inflationary pressures might lead to higher liabilities.

**(i) Balance Sheet:** The assets, liabilities and surplus / (deficit) position of the defined benefit plans at the Balance Sheet date were:

**A. Capital Management**

The Company's financial strategy aims to support its strategic priorities and provide adequate capital to its businesses for growth and creation of sustainable stakeholder value. The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company aims at maintaining a strong capital base largely towards supporting the future growth of its businesses as a going concern. The capital structure of the Company is based on Management's judgment of its strategic day-to-day needs with a focus on proper mix of total equity and debt so as to maintain investor, creditors and market confidence.

The Management and the Board of Directors monitor the return on capital as well as the level of dividends to shareholders. The Company may take appropriate steps in order to maintain, or if necessary, adjust its capital structure.

For the purpose of capital management, capital includes issued equity capital, securities premium and all other resources. Net debt includes all long and short-term borrowings as reduced by cash and cash equivalents. The following table summarises the capital of the Company:

**C. Financial risk management objectives**

The Company has a system-based approach to risk management, anchored to policies and procedures and internal financial controls aimed at ensuring early identification, evaluation and management of key financial risks (such as market risk, credit risk and liquidity risk) that may arise as a consequence of its business operations as well as its investing and financing activities. Accordingly, the Company's risk management framework has the objective of ensuring that such risks are managed within acceptable and approved risk parameters in a disciplined and consistent manner and in compliance with applicable regulation. It also seeks to drive accountability in this regard. The key risks and mitigating actions are overseen by the Board of Directors of the Company.

All amounts are in ₹ lakhs, except share data and where otherwise stated

**D. Liquidity Risk**

The Board of Directors of the Company have established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of the financial assets and liabilities. Cash flow from operating activities provides the funds to service the financial liabilities on a day to day basis.

The following table details the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The table has been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The table includes both interest and principal cash flows. To the extent that interest flows are linked to floating rate, the undiscounted amount is derived from interest rate at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

**E. Foreign Currency Risk:**

The Company is not exposed to any material foreign currency risk on account of the fact that the major sourcing of raw materials, stores and spares and items of property, plant and equipment is indigenous.

There are no material foreign currency exposures as at March 31, 2025 and March 31, 2024.

**F. Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments. The Company's major customers includes Indian Railways. For private customers, the Company evaluates the creditworthiness based on publicly available financial information and the Company's historical experiences. The Company's exposure to its counterparties are continuously reviewed and monitored by the Chief Operating Decision Maker (CODM).

The credit risk on cash and bank balances is limited because the counterparties are banks with high credit ratings.

**G. Interest rate risk:**

The Company is exposed to interest rate risk because the Company borrows funds at both fixed and floating interest rates.

**Interest rate sensitivity**

The sensitivity analysis below has been determined based on the exposure to interest rates for non-derivative instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year and using the interest rate applicable at the end of the reporting period. A 50 basis point increase or decrease is used for the purpose of sensitivity analysis.

- In case of trade receivables, cash and cash equivalents, trade payables, other financial assets and liabilities it is assessed that the fair values approximate their carrying amounts largely due to their short-term nature.
- The fair values of the financial assets and financial liabilities included above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties.
- There were no transfers between Level 1 and Level 2 during the year.

**33** As per the proviso to Rule 3(1) of Companies (Accounts) Rules, 2014, for the financial year commencing on or after the 1st day of April 2024, every company which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company used accounting software for recording all the accounting transactions viz., sales, purchases, production/costing, fixed assets, other expenses, cash and bank transactions, journal entries and all other general ledger accounting transactions for the year ended March 31, 2024. Such accounting software has a feature of recording audit trail (edit log) facility.

**Notes forming part of the financial statements**

All amounts are in ₹ lakhs, except share data and where otherwise stated

The Management has adequate general information technology controls including access controls, change management controls, and manual controls which are operating, to prevent inappropriate/unauthorized changes to the accounting software(s). The Management will work towards enabling edit logs in the aforesaid software(s) in the near future.

- 34.** As per the provisions of Section 135 of the Companies Act, 2013, the Company is required to comply with the CSR provisions if certain eligibility criteria, such as net profit, are met. However, for the financial year 2024-25, the Company has not met the criteria stipulated under Section 135(1) of the Companies Act, 2013, and therefore, the CSR provisions are not applicable during the financial year 2024-25. Despite this, the Company has voluntarily undertaken certain CSR initiatives during the year, and spent ₹25,000 on palliative care services to people with serious health related suffering.
