ENVIRONMENT, OCCUPATIONAL HEALTH & SAFETY

Your Company is committed to conducting its operations with utmost concern towards the environment and ensuring a safe and healthy workplace for all employees. The collective endeavour of the Company's employees at all levels is directed towards sustaining and continuously improving standards of environment management, and occupational health & safety in an endeavour to meet and exceed international benchmarks.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES /INDUSTRIAL RELATIONS FRONT, INCLUDING THE NUMBER OF PEOPLE EMPLOYED.

The Company has employees and the cordial relations were maintained with all of them throughout the year. The Board of the Company wishes to place on record its appreciation to all the employees for their sustained efforts in improving the capacity utilization and operational efficiency.

The Company has initiated many steps in career and personality development of the employees belonging to different departments. The employees attended seminars and other training programs to enhance their skills and knowledge.

To motivate and to get the best results from the employees, the Company has the performance based incentive scheme for its entire management & office cadre.

INTERNAL FINANCIAL CONTROL

Initiated companywide adoption of Internal Financial Control ('IFC') Framework as a proactive measure for documentation and testing of the Controls. The Company has robust Internal Control over Financial Reporting ('ICFR') framework which is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with generally accepted accounting principles. During the year an elaborate exercise was undertaken for standardization and consolidation of the controls for better control and improved testing purposes. All the controls have been documented, validated, and tested. All these measures provide reasonable assurance that the Company's internal financial controls are adequate and are operating effectively as intended.

CAUTIONARY STATEMENT

Statement in the Management Discussion and Analysis describing the Company's objectives, expectations, predictions and assumptions may be 'forward looking' within the meaning of applicable Securities Laws and Regulations. Actual result may differ materially from those expressed herein. INDEPENDENT AUDITOR'S REPORT

To the Members of **Duropack Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Duropack Limited** ("the Company"), which comprise the balance sheet as at 31 March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, notes to financial statement including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the Key Audit Matter
<p>1) Revenue Recognition</p> <p>The Company derives its revenues from multiple products and services including flexible packaging products, and related activities, etc. Revenue from sale of goods is recognised at a point in time when the control has been transferred subject to the terms with the customers, which generally coincides with dispatch of goods to customers in case of domestic sales and on the basis of bill of lading in the case of export sales. The performance obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.</p> <p>Revenue is measured on the basis of contracted price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Revenue is only recognised to the extent that is highly probable a significant reversal will not occur.</p> <p>Customers have the contractual right to return goods only when authorised by the company.</p> <p>Revenue from sale of services are measured at fair value of the consideration received or receivable, after deduction of any sort of discounts and any taxes or duties collected on behalf of the government such as goods and services taxes.</p> <p>Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfilled obligations.</p>	<p>Auditor's Response</p> <p>Our audit procedures in respect of this area included:</p> <ul style="list-style-type: none"> Assessed the appropriateness of the Company's revenue recognition accounting policies in compliance with Ind AS 115 "Revenue from Contracts with Customers". Obtained an understanding and assessed the design and operating effectiveness of key internal controls over the revenue process and placed specific attention on the timing, occurrence and value of the revenue recognition. Performed sales transaction testing based on a representative sample to ensure that the related revenues are recorded appropriately taking into consideration the sales terms and conditions for the sale orders, including the shipping terms, etc. Also performed procedures regarding the sales returns, trade discounts, rate differences, volume rebates and other factors, having bearing on the revenue recognition. Performed sales cut off procedures by matching dispatches/ deliveries occurring around the year end to support the documentation to establish that sales are properly recorded in the correct period.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information,, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act, read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management & Board of Director.
- Conclude on the appropriateness of Board of Directors and management's use of the going concern basis of accounting in preparation of financial statement and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

- (e) On the basis of the written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year.
 - iv. a) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 46, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities with the understanding, whether recorded in writing or otherwise, that the foreign entities shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the Note 46, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under iv (a) & iv (b) above, contain any material mis-statement.
 - v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
 - vi. Based on our examination, which included test checks, the company has used the accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all the relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instances of audit trail feature being tampered with and the audit trail has been preserved by the Company as per statutory requirements for the record retention.
3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Accordingly, clause (iv) of paragraph 3 of the Order is not applicable to the Company.
- v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the products manufactured by it (and/or services provided by it) in respect of the activities carried on by the company. Accordingly, clause 3(vi) of the Order is not applicable.
- vii) According to the information and explanations given to us, in respect of statutory dues:
 - a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.
According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues have generally been regularly deposited with the appropriate authorities.
According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues were in arrears as at 31 March 2025 for a period of more than six months from the date they became payable.
 - b) According to the information and explanations given to us, there are no statutory dues of Income-tax, Goods and Services Tax, Duty of Customs, Provident Fund, Employees State Insurance, Cess and other statutory dues which have not been deposited by the Company with the appropriate authorities on account of any dispute.
- viii) According to the information and explanations given to us, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- ix) a) According to the information and explanations given to us and the records of the company examined by us, the company does not have any borrowings including debt securities from Banks, financial institutions, debentures

DUROPACK LIMITED

- holders, Government or other lenders during the year. Accordingly, clause (ix)(a),(b), (c), (d), (e) & (f) of paragraph 3 of the order is not applicable.
- x) a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3(x)(a) of the Order are not applicable to the Company.
- b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi) a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- xiii) In our opinion and according to the information and explanations given to us, the transactions with the related parties are in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, and the details of related party transactions have been disclosed in the financial statements in Note 31 as required by the applicable accounting standards.
- xiv) a) Based on information and explanations given to us, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- b) We have considered the internal audit report of the Company for the period under audit.
- xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of Section 192 of the Act are not applicable to the Company.
- xvi) In our opinion, the Company is not required to be registered under section 45-1 of the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause xvi (a), (b), (c) & (d) of paragraph 3 of the Order are not applicable to the Company.
- xvii) The Company has not incurred any cash loss in the current as well as the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx) According to the information and explanations given to us, the Company does not fulfil the criteria as specified under section 135(1) of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and according, reporting under clause (xx) (a) & (b) of paragraph 3 of the Order is not applicable to the Company.
- xxi) The reporting under clause 3(xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **Duropack Limited** ("the Company") as of 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Director are responsible for establishing and maintaining internal financial controls based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk of a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance

regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes Forming Part of the Financial Statements

Corporate information:

Duropack Limited ("The Company"), incorporated in October 23, 1986. It is engaged in manufacturing of packaging materials in the form of bags, pouches, laminated films, multi-laminated films etc. The Company is a public company limited by shares, incorporated and domiciled in India and is listed at Bombay Stock Exchange (Scrip Code: 526355).

1. Significant Accounting Policies.

Set out hereunder are the significant accounting policies adopted by the company in the preparation of the accounts for the year ended 31st March, 2025. There is no material change in accounting policies of the Company.

a) Basis of Preparation:

The financial statements comply, in all material aspect, with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 and notified by Ministry of Corporate Affairs ("MCA")] and other relevant provisions of the Act.

The accounts of the Company are prepared under the historical cost convention except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. The accounts are prepared in accordance with the applicable accounting standards issued by the Institute of Chartered Accountants of India and relevant provisions of the Companies Act, 2013 except where otherwise stated. There is no material change in the accounting policies of the company as compared to the previous year.

The Entity, generally, follows mercantile system of accounting and recognizes significant items of income and expenditure on accrual basis except in case of significant uncertainties.

The preparation of financial statements requires estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses during the reporting period. Although such estimates and assumptions are made on a reasonable and prudent basis taking into account all available information, actual results could differ from these estimates and assumptions and such differences, if arise, are recognized in the period in which the results are crystallized.

iii) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013 and Ind AS-1- Presentation of Financial Statements based ON the nature of services and the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

iv) Property, Plant and Equipment

Property, Plant and Equipment are stated at historical cost less depreciation and amortization and impairment losses, if any. Such cost includes purchase price, borrowing cost, inward freight, duties, taxes and any other cost directly attributable to bringing the assets into its working conditions for its intended use. As per management decisions, dies and moulds, having lifespan of less than one year, have not been capitalized as per Companies Act, 2013, but have been treated as consumable. Subsequent costs are included in the assets carrying amount only when it is probable that future economic benefits associated with the item will be realized. All other repairs and maintenance costs are charged to the Statement of Profit and Loss, as incurred.

Depreciation Method

Depreciation on Property, Plant and Equipment is provided on **Straight Line Method**. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II.

Asset Classification	Life (in Years)
Building	30
Plant and Machineries	8
Electric Fittings and Installations	10
Fire Fighting Equipment's	5
Vehicles	8
Lab Equipment	10
Office Equipments	5
Air conditioner	5
Furniture	10
Computer	3

v) Impairment of Assets

The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use.

vi) Inventories

Inventories are valued at lower of cost and net realizable value. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Inventory of raw material, stock-in-trade, stores and spares and finished goods are measured using FIFO (First In First Out) basis, whereas work-in-progress are valued on the basis of material's FIFO rate, its cost of conversion and other costs incurred.

vii) Investment properties

Property that is held for long term rental yields or for capital appreciation or both, and that is not occupied by the company (if any), will be classified as Investment Property. Investment Property will be initially measured at cost, including related transactions costs and where applicable borrowing costs. Subsequent expenditures are capitalized to the assets carrying amount only when it is probable that future economic benefits associated with the item will be measured reliably. All other repairs and maintenance costs are charged to the statement of Profit and Loss as incurred.

Investment Properties are depreciated using the straight-line method over their estimated useful lives. Investment properties generally have a useful life of 30 years.

viii) Intangible Assets

Company will amortize intangible assets (if any) with a finite life using the straight-line method over 5 years.

ix) Revenue Recognition

The Company derives its revenues from multiple products and services including flexible packaging products, and related activities, etc. Revenue from sale of goods is recognised at a point in time when the control has been transferred subject to the terms with the customers, which generally coincides with dispatch of goods to customers in case of domestic sales and on the basis of bill of lading in the case of export sales. The performance obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue is measured on the basis of contracted price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Revenue is only recognised to the extent that is highly probable a significant reversal will not occur.

Customers have the contractual right to return goods only when authorised by the company.

Revenue from sale of services are measured at fair value of the consideration received or receivable, after deduction of any sort of discounts and any taxes or duties collected on behalf of the government such as goods and services taxes.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfilled obligations.

x) Employees benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange of services rendered by employees is recognized during the period when the employee renders the services. These benefits include salaries, bonus and performance incentives.

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. These benefits include salaries and wages, bonus etc. The Company recognizes the undiscounted amount of short term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

Defined contribution plan

In respect of the retirement benefit in the form of provident fund, the Entity's contribution paid/payable under the schemes is recognized as an expense in the period in which the employee renders the related service. The Entity's contributions towards provident fund, which are being deposited with the recognized provident fund, are charged to the Statement of Profit and Loss.

Post-Employment Benefits

Gratuity

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise.

xi) Financial Instruments

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

B. Subsequent measurement

Debt Instrument

- **Financial assets carried at amortized cost (AC)**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories is measured at FVTPL.

Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains or losses to profit or loss as other income when the company rights to receive payment is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other gain/ losses in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investment measured at FVOCI are not reported separately from other changes in fair value.

C. De-recognition of financial instruments

A financial asset is derecognized only when:

- The company has transferred the rights to receive cash flows from the financial assets or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes contractual obligations to pay the cash flows to one or more recipients.

Where the company transferred the financial assets, the company evaluates whether it has transferred substantially all risks and reward of ownership of the financial assets. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of the ownership of the financial assets, the financial assets is not derecognized.

Where the company retains control of the financial assets, the asset is continued to be recognized to the extent of continuing involvement in the financial assets.

xii) Earnings per share

Earnings per share are calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year.

xiii) Taxes on Income

a) Current Income Tax

Current Income tax assets and liabilities are measured at the amount expected to be paid to the taxation authorities. The tax rate and tax laws are used to compute are those that are enacted or substantively enacted, at the reporting date together with any adjustments to tax payable in respect of previous years.

b) Deferred Tax

Deferred Tax is provided on temporary difference between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences to the extent it is probable that future profits will be available against which deductible temporary differences can be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the assets are realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax relating to item recognized outside profit or loss is recognized outside profit or loss (either OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

xiv) Use of estimates and judgments:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

xv) Contingent liabilities and commitments:

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

xvi) Foreign currency transactions

Transactions in foreign currency are recorded at the exchange rates prevailing at the date of the transaction. Exchange differences arising on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currencies and remaining unsettled as at the balance sheet date are translated using the closing exchange rates on that date and the resultant net exchange difference is recognized in the Statement of Profit and Loss.

xvii) Cash and cash equivalents

Cash and cash equivalents comprise cash balances on hand, balances with bank and other short term highly liquid investments with original maturities, at the date of purchases/ investment, of three months or less.

II.

Actuarial Assumptions

Company attention was drawn to provisions of accounting standard that actuarial assumptions are an entity's best estimates of variables that will determine the ultimate cost of providing post employment benefits and shall be unbiased & mutually compatible.

a) Economic Assumptions

The principal assumptions are the discount rate & salary growth rate. The discount rate is generally based upon the market yields available on Government bonds at the accounting date relevant to currency of benefit payments for a term that matches the liabilities. Salary growth rate is company's long term best estimate as to salary increases & takes account of inflation, seniority, promotion, business plan, HR policy and other relevant factors on long term basis as provided in relevant accounting standard. These valuation assumptions are as follows;

(Amount in Rupees' Lakhs)

Particulars	As at 31st March, 2025	As at 31st March, 2024
i) Discounting Rate	6.99	7.22
ii) Future salary Increase	5	5

b) Demographic Assumption

Attrition rates are the company's best estimate of employee turnover in future determined considering factors such as nature of business & industry, retention policy, demand & supply in employment market, standing of the company, business plan, HR Policy etc. as provided in the relevant accounting standard. Attrition rates as given below have been received as input from the company.

Particulars	As at 31st March, 2025	As at 31st March, 2024
i) Retirement Age (Years)	60	60
ii) Mortality rates inclusive of provision for disability **	100% of IALM (2012 - 14)	100% of IALM (2012 - 14)
iii) Attrition at Ages	Withdrawal Rate (%)	Withdrawal Rate (%)
Up to 30 Years	20.00	20.00
From 31 to 44 years	10.00	10.00
Above 44 years	5.00	5.00

It should be noted that in case of employees above retirement age, for the purpose of valuation it is assumed they will retire immediately & benefit is considered up to actual retirement age.

Mortality & Morbidity rates - 100% of IALM (2012-14) rates have been assumed which also includes the allowance for disability benefits.

Mortality Rates for specimen ages

Age	Rate	Age	Rate	Age	Rate
15	0.000698	45	0.002579	75	0.038221
20	0.000924	50	0.004436	80	0.061985

40	0.00168	70	0.024058	100	0.397733

c) Any changes in assumptions from previous valuation are evident as above tables show assumptions of previous & current valuation. Any changes in assumptions are reported by the Company.

d) Company attention was drawn to provisions of accounting standard that actuarial assumptions are an entity's best estimates of variables that will determine the ultimate cost of providing post-employment benefits and should be unbiased & mutually compatible. Determination of actuarial assumptions depend on factors such as nature of business & industry, retention policy, demand & supply in employment market, standing of the company, business plan, HR Policy etc.

III Plan Liability

The actuarial value of gratuity liability calculated on the above assumptions works out as under;

a)	Impact due to increase of 0.50%	0.35	0.32
b)	Impact due to decrease of 0.50 %	- 0.32	- 0.31

As required by Ind AS 19, actuarial valuation is done using 'Projected Unit Credit Method'. Under this method, only benefits accrued till the date of valuation (i.e. based on service upto date of valuation) are to be considered for valuation. Present value of Defined Benefit Obligation is calculated by projecting salaries, exits due to death, resignation and other decrements, if any, and the actuary projects the benefit till the time of retirement of each active member using assumed rates of salary escalation, mortality & employee turnover rates. The expected benefit payments are then discounted back from the future date of payment to the date of valuation using the assumed discount rate. 'Service Cost' is calculated separately in respect of benefit accrued during the current period using the same method as described above. However, instead of all accrued benefits, benefit accrued over the current reporting period is considered.

During the year company has made provision of gratuity payable based on actuarial report as per Indian Accounting Standard (Ind AS 19)

A) **Management of Liquidity Risk**

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31st March, 2025 and 31st March, 2024. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis.

B) Management of Market Risk

1. Currency Risk

The Company is not subject to the Currency risk. The Company has laid policies and guidelines which it adheres to in order to minimize the risk.

2. Price Risk

The Company is mainly exposed to the price risk due to its investment in debt portion of mutual funds. The price risk arises due to uncertainties about the future market values of these investments. At 31st March, 2025, the investments in mutual funds amounts to Rs.481.33/-lakhs (31st March, 2024: Rs.922.42/-lakhs). These are exposed to price risk.

The Company has laid policies and guidelines which it adheres to in order to minimize price risk arising from investments in mutual funds.

3. Interest Rate Risk

The Company is mainly not exposed to the interest rate risk. The interest rate risk arises due to uncertainties about the future market interest rate on investments.

C) Management of Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

Trade receivables : Concentration of credit risk with respect to trade receivables are limited, due to the Company's customer base being large and diverse. All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables indicate a low credit risk. Hence, trade receivables are considered to be a single class of financial assets.
